VOLUME XXXI

MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 1, 1968

NUMBER 50

As the election race enters the home stretch this column finds itself sharing a predicament with the candidates. Lots of things could be said but there is so little time left to say them. Nevertheless this space will make a feeble effort with a few random remarks.

A point worthy of attention is Nixon's charge that White House personnel are manipulating the Paris peace talks to favor the Democratic nominees in the election. LBJ and HHH claim the charge is unfounded but will probably have a hard time convincing the public.

A politically timely favorable report has been expected for months, and it is highly suspect because the negotiators on both sides stand a chance to profit thereby in the election. The administration can improve its image considerably, probably get lots of additional votes, from the report that peace is just around the corner.

Communists too have a stake in the apparent progress. If they can help in any way to get the Democratic pair into office they will improve their chance for a good deal at the peace table. In fact they will also improve their stake in other dealings with this country. So, it's to their advantage as well as the Democrats' to make peace talks look good now. We have a situation in which reds can actually influence our election and improve their chance for favorable future dealings just by being on their good behavior a few days.

Whether or not Democrats admit it, the peace development shows that reds are pulling for them, a fact that deserves serious voter consideration. Do we want the party that is favored by our enemy? Why after all these months do talks look encouraging just before our election?

Likewise open to question is the timing of the very recent appointment of Congressman Purcell to the House Post Office Committee. He promptly stated that the job will enable him to help Dallas and Denton get new post office buildings. Shortly after that two Dallas newspapers endorsed him as their choice for the office.

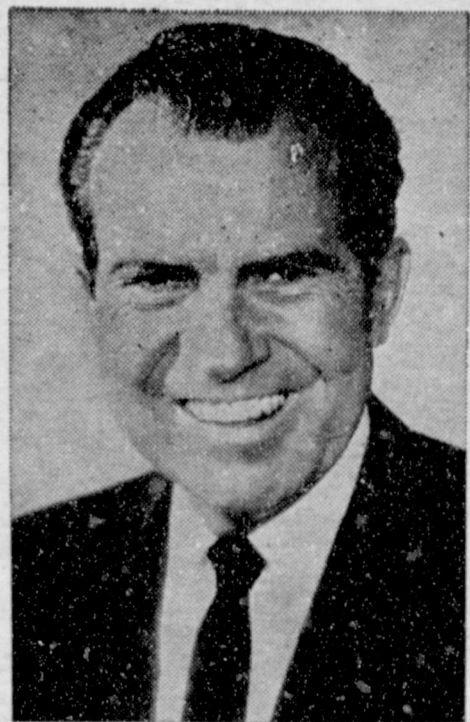

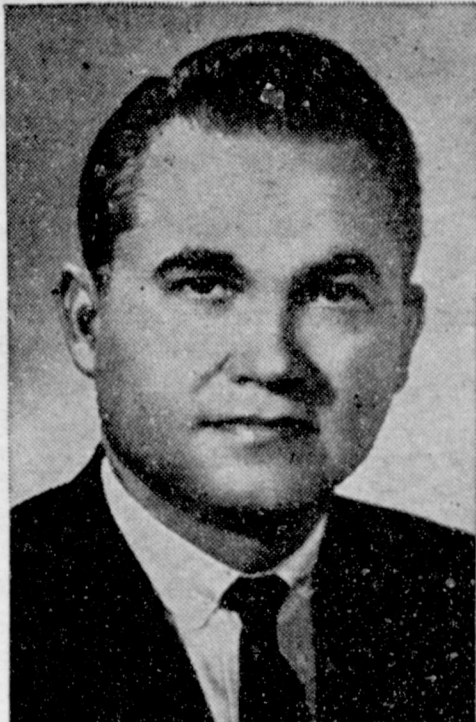

Perhaps it is only coincidence that the improved peace climate and the appointment came shortly before election, nevertheless there are grounds to suspect that the administration is trying to manipulate public opinion.

A few clarifying remarks are also in order concerning Humphrey's campaign talk. For instance, his demand that Nixon tell why he did not support Medicare and federal aid to education. The answers are obvious to people who remember. Republicans proposed a much better plan of medical help for the aged. It was ElderCare, the method based on cooperation of private insurance with the government, which offered equal if not better benefits and a fiscally sound program. The outrageous cost of Medicare is proof enough that it was the poorer choice.

Regarding aid to education, Nixon said clearly then and today that he favors aid but opposes the federal control. He says "give the money to the states with no strings attached" and let them do their own improving. So, despite the misrepresenting implications, the fact is that Nixon doesn't oppose helping people. He opposes bureaucratic snooperism.

Likewise open to question is the HHH appeal to continue the administration's era of progress. What progress? Not many people will agree that the principal changes of the past four years can be rated as progress. The growing crime rate, riots in the streets and on campus, increased national debt despite higher taxes, ever increasing budget deficits, accelerating inflation, pampering criminals and subversives, increasing welfare costs with widespread waste and corruption in welfare administration, the no win war policy, and loss of respect for this country at home and abroad are the most glaring features of the four year era. Surrounded by such facts, how can the man speak of progress? And it might be added

#### News of the Men in Service

##### Birthdays Honored

Brad Dennison, son of Mr. and Mrs. Jim Dennison of Bonita, formerly of Muenster, had a visit with his parents Saturday and was the honoree at a supper party celebrating his birthday which was Oct. 30. Brad was a crew member on a flight from his naval base at Norfolk, Va., to Sheppard AFB in Wichita Falls. His present address is Billy I. Dennison, AA, B72-88-09; VAW 125; N.A.S. Norfolk, Va. 23511.

##### Civilian Again

Larry Sandmann is a civilian again after being a sergeant in the Air Force. He was discharged from Laredo Air Force Base and he and his wife are visiting their parents, the Julius Sandmanns at Lindsay and the Martin Hackers at Valley View until they get settled.

##### Returns To Hospital

Pfc. Leonard Hacker has returned to San Antonio to Fort Sam Houston and Brooks Army Hospital after a two-week visit with his parents and family, the Martin Hackers at Valley View. His return to the hospital is for ear treatments and possible surgery. He was injured and burned during action in Vietnam in August and was transferred from a hospital in Japan to San Antonio in September.

##### Promoted in Vietnam

Alfred Hacker, son of Mr. and Mrs. Tony Hacker of Valley View, reports from Vietnam that he has been promoted to Spec. 4. He added that his tour of Vietnam will be over by the end of Feb. 1969.

##### Weekend Visitor

Spec. 4 Kenneth Hacker, stationed at Fort Hood, spent a weekend pass with his parents, the Andy Hackers. He was advanced to his present rank recently. Other family members joined at the Hacker home Sunday to visit with Kenneth.

##### Back From Vietnam

Chief Warrant Officer J. P. Janicki has completed a year of duty in Vietnam and is back at Fort Sam Houston in San Antonio. He returned Sunday afternoon, and his wife Marcella and their five daughters were at the airport to meet him. They live in San Antonio. In the evening the family telephoned her parents, Mr. and Mrs. Jake Pagel, for a visit over the line.

##### For Msgr. Charcut Dallas Rites Held

Rt. Rev. Monsignor Paul Charcut of Dallas, former pastor of St. Thomas Church in Pilot Point, died suddenly early Saturday morning of an apparent heart attack. He was 60. Death came while he slept at his home. He had just returned from a business trip to New York the day before. Funeral services with a celebrated requiem Mass were held from Sacred Heart Cathedral in Dallas Monday at 10:30 a.m., Bishop Thomas K. Gorman presiding, and entombment following in Calvary Hill Mausoleum.

Survivors include three sisters and a brother of Chicago. Nothing gets a group of women off the subject faster than her arrival.

#### Hornets Open 9-B Season with 34-0 Over Valley View

Muenster Hornets popped the lid off their District 9-B season Friday night with a 34-0 win over Valley View's Eagles. At the same time Era and Windthorst claimed a share of the loop's top position by beating Lindsay and Saint Jo respectively. Muenster and Windthorst both have season records of 6-0.

The game with the Eagles was a one sided affair in which the Hornets led 19-3 in first downs and 358-39 in total yards. First half was even more so as the Eagles were held to no first downs and a net yardage of -9.

Despite their advantage the Hornets had trouble getting on the score board. They opened the game with 44 yards on two first downs and fumbled on the third series. Next time they failed to gain on two running plays and a pass, and kicked on fourth down.

Third time they got possession they went all the way. It was a 50 yard drive in eight plays, and big gainers were 14 by Clifford Sicking and 17 by Sam Sparkman. The pay off was a 3 yard run by Sparkman. John Monday made extra points on a keeper play.

The second quarter, which opened two plays later, presented even more troubles than the first. Don Hartman's recovery of a fumble on the Eagle 36 was just what the Hornets wanted. But a holding penalty on the next play cost the Hornets 15 yards.

Three plays later a pass to Sicking went all the way but a penalty was assessed for clipping on the 24. The ball went back to the 39. Next play a pass to Sparkman gained 22 and Sicking went over for another TD that did not count. A holding penalty moved the ball back to the 32. The next series gained to the 16, but that was not enough. In their pack of troubles the Hornets

#### Tiger Cubs Split Twin Bill at Era

Sacred Heart Cubs lost the main event and won the consolation at Era Tuesday night. They were nudged by a 6-0 score in a regular elementary kids game and won 12-0 in the 12 minute special contest for kids who did not get in the first game.

The main event was almost all defense. Cubs made four first downs and Era three. Each team lost possession twice on interceptions and once on fumbles.

Era's score came near the end of the third quarter on a pass play for 43 yards.

In the final seconds the Cubs missed a fat opportunity to tie or win. Alan Miller over-stretched himself in catching a pass. He got the ball but fell with 20 yards of open space in front of him. The play was good for 28 yards.

Point makers in the little kids' game were a pass from Gary Endres to Billy Krahl for 30 yards, and a quarterback keeper run for 10 yards by Kevin Pels.

##### Paper Pick-up

Seniors of Sacred Heart High will conduct a paper drive Saturday, Nov. 2. Persons with paper to give are asked to have it out at the curb, or to phone a member of the class.

#### Planning Starts For Homecoming At Muenster High

Preparations are getting underway this week for the annual homecoming get together of ex-students at Muenster Public School.

The date is Friday, November 15, and the big feature is the football clash of Muenster Hornets and Windthorst Trojans. At this time it seems possible that the game will decide the District 9-B title. If not, it should still be a whale of a game. Both teams are strong.

After the game Exes will have a dinner-dance in the MHS gym, with a few minutes of released time to conduct the annual meeting. Charge for the dinner-dance is \$2.00 per person.

The information is being sent out this week by a committee headed by Jimmy Jack Biffle, ex-students' president. Included is a reply postal which exes are asked to mail back telling if they will come.

Biffle said he is certain some members are being overlooked because the list is incomplete, so he wants it understood all exes are wanted whether they receive the reminder or not. They are asked to send word to Muenster High School telling whether they will come.

Word from them will help two ways, Biffle said. It helps with preparations for this reunion, and it re-establishes contact for the future.

#### Standings of 9-B Teams This Week

The title race in District 9-B started as expected last week when Muenster, Era and Windthorst won their openers. While Muenster blasted Valley View 34-0 Windthorst ran over Saint Jo 39-0 and Era slipped past Lindsay 14-0.

Loop standings and season standings as of now for the 9-B members are Muenster 1-0, 6-0; Windthorst 1-0, 6-0; Era 1-0, 4-2; Saint Jo, 0-1, 2-4; Valley View 0-1, 2-4; Lindsay 0-1, 1-5.

Tops on this district program this week is the Era-Windthorst game at Windthorst. Both are undefeated in district play and their clash will determine which remains at the top.

Other district games are Muenster at Lindsay and Saint Jo at Valley View.

Sacred Heart Tigers last week were smothered 62-13 by the powerhouse of Notre Dame, Wichita Falls, giving the Tigers a 3-4 record. This week they will play Dallas Christian.

#### Lindsay Knights To Host Hornets In 9-B Encounter

Muenster's Hornets will be heavy favorites to win Friday night when they meet the Lindsay Knights in the second game of the 9-B season. Ratings and records alike indicate that they should have no problems.

But Coach Glenn Richardson will not play it that way. He's expecting the Knights to be in peak form, as they were last week in a very reluctant 14-0 loss to Era — in which case the Hornets can take nothing for granted.

MHS will not be at top strength, Richardson said. Don Hartman and Mark Hellman are nursing injuries which will probably keep them on the bench, or at least operating below par.

The game will be in Lindsay starting at 7:30.

#### Top 4-H Members Get Awards at Banquet Program

Outstanding members of Cooke County 4-H Clubs were honored Monday night at the annual Achievement Awards Banquet at Cooke County Junior College where some 300 people gathered for the event and saw over 100 4-H'ers receive medals.

Highest honors that can be earned on the county level, the Gold Star awards, went to Miss Carolyn Block of Lindsay as Gold Star Girl and John Paclik of Gainesville as Gold Star Boy for 1968. Winners are selected for leadership, personal development and projects.

Miss Block, daughter of Mr. and Mrs. Nick Block, is a senior at Lindsay High School. John Paclik, son of Mrs. Rudy Paclik is a junior at Gainesville High School.

More than 100 other 4-H clubbers, including 38 from

#### Tigers Travel to Big D for Game With Chargers

Another big job faces the Sacred Heart Tigers this week. They'll be underdogs again as they take on the big and rugged Dallas Christian Chargers at Dallas.

The team, located in Pleasant Grove area of Dallas and also known as the Pleasant Grove Chargers, has an impressive record so far, including a recent 19-12 win over Valley View's Eagles. The team lost 16-14 to the Muenster Hornets early in the season.

Though admitting that odds are stacked, Coach Joe Felderhoff is still hopeful, especially after the first half showing of his boys with Notre Dame last week. If they are clicking they can look good against a good team, and there's always the chance of breaks going in their favor.

Felderhoff is also pleased with the team's condition. Nobody is out with an injury.

##### Suggested Routes to Dallas Christian Game

In case some Tiger fans would like to have help in finding the Dallas Christian field in Dallas Friday night, the following three routes are suggested.

Coming into Dallas on Interstate 35, turn left at Houston Street overpass to R. L. Thornton Freeway (also marked as Hwy. 80 and 67). Follow it about 7 miles to Jim Miller Road. Turn right and go about 4.2 miles to Lake June Road. Turn right and go a half block to the field.

Another route: From Interstate 35 take R. L. Thornton Freeway as indicated above and follow it about 1.4 miles to Central Expressway. Turn right on Central Expressway and go about 2.8 miles to Hawn Freeway. Go left on Hawn (Hwy. 175) about 3 miles to Lake June Road. Turn left on Lake June and go about 1 mile to the game.

The other route: From IH 35 turn on R. L. Thornton Freeway and go about 2.8 miles to Second Ave. and turn right. Follow Second Ave. which runs into Hawn Freeway (Hwy. 175) about 4.5 miles to Lake June Road. Turn left and go about a mile to the field.

These instructions will become clearer if traced on a map of Dallas.

## Community Will Vote Next Tuesday

The day of decision in our national presidential race arrives next Tuesday, and Muenster is ready for its participation in the election.

Ballots will be cast in two locations. The north box will be in the K of C Hall basement with Mrs. Richard Grewing serving as the election judge. The south box will be

#### Muenster Gives \$1221 in UF Drive

The United Fund 1968 drive in Muenster came to an official end last week on a figure that just topped the community quota. John David Meurer, local chairman, said that he has transferred \$1,221.50 to the county fund at Gainesville. Muenster's quota had been set at \$1200.

Meurer also said that the figure will probably be raised slightly. He still expects a few donations that did not get in before the transfer.

Much of the money that has been donated is due to come back to the community. Some local organizations sharing in the county fund are Muenster Youth Council, FFA, 4-H and Boy Scouts. The local swim class and service men also benefit through donations to Red Cross.

#### 'Political Party' To be Gala Event Saturday Night

Muenster Hospital Auxiliary sends out a general invitation to everyone to join them in their "Political Party" Saturday night, Nov. 2, in the Muenster VFW Hall.

It promises to be a gala party — formal and semi-formal — dancing followed by breakfast. Corky and the Del Rays will provide the rhythm and Rohmer's Catering Service will provide the meal. Tickets to cover are six dollars a couple. Mrs. Jerry Walterscheid is in charge of advance ticket sales for table reservations. Tickets will be sold also at the door Saturday night.

This is the Auxiliary's annual big benefit. This year it will help pay for a new Bennett machine for Muenster Memorial Hospital. This is the second such respiratory equipment the organization is placing in the hospital.

#### Tigers Crushed 62-13 by Mighty Knights of ND

If they could count only the first half of that game at Wichita Falls last Saturday, the Tigers would be much happier. Up to then they were 13-6 winners over the highly favored Notre Dame Knights.

But in the second half Notre Dame lived up to its reputation and buried the Sacred Heart boys under an avalanche of touchdowns. The score, 62-13.

Possibly the Knights acquired a little sharpness and determination to account for their spurge, but another equally big factor was fatigue on the Tiger side. Using their abundant manpower to advantage in a two platoon system, Notre Dame eventually wore the Tigers down, and then worked them over. Coach Joe Felderhoff said they were able to get the extra jump and step on his boys.

Despite the walloping, Felderhoff is proud of the game. He said the Tigers were the better team while they had the even break, that they were overpowered more than outplayed.

Notre Dame was first to score when Bindel took a wide lateral and streaked down the sideline. It was a trick play deliberately grounded to make it seem like an incomplete pass. Sacred Heart refused to take the bait and Bindel had to play it honest. Felderhoff said the trick did not work, Bindel just made a good run.

After that the Tigers put on a drive that went all the way. Lee Roy Hess made the last six yards early in the second quarter and followed with an extra point kick giving the Tigers a 7-6 lead.

Near the end of the period

held in the scale house of Muenster Mill's grain elevator just below the Katy railroad with Paul Fisher in charge. Voting hours at both places are 8 a.m. to 7 p.m.

At the polls voters will find the usual huge ballot typical of a general election. The Democratic party has a full list of candidates from the national to the local level. The Republican party has national, state and district candidates but no county candidates. The American party has only the presidential nominee. Also on the ballot are 14 proposed amendments to the state constitution.

Something different about the ballot this year is a simplified method of voting a straight party ticket. Heading each party column is a space that can be used for that purpose. Voting in that one space is equivalent to voting for every name listed under it.

If a person wants to vote a split ticket he disregards the space at the top and votes individually for the candidate of his choice for each office. That procedure is expected to be used extensively this year as voters favor Nixon or Wallace for president and vote Democratic for local offices.

The race between Robert Bayer and Jack Jones for Precinct 4 Commissioner is the ballot's only inter-party contest for a local office.

Local voters are urged to remember that the present method of voting is to place an X in the square opposite the name one wishes to vote for. The method of crossing out all other names is no longer customary.

#### Weber Executive Talks at Meeting Of JETS Chapter

Ed Bianchi, personnel director of the Weber Aircraft plant at Gainesville, was guest speaker at the monthly meeting of the Muenster chapter of Junior Engineering Technical Society (JETS) held Monday night.

He talked to the thirty members about qualifications for jobs, the different fields of engineering and some of the marvels of current engineering technique. He also invited the members to schedule a field day visit to Weber plant.

Also on the program was the presentation of pins and insignia to the officers: David Fette, president; David Stormer, 1st vice president; Lynn Joe Klement, 2nd vice president; Karen Sicking, secretary; Joyce Sicking, treasurer; and Tommy Henschel, reporter.

Lynn Joe Klement and David Stormer headed the program committee. Mrs. John Mosman and Dan Hamric attended as co-advisors and Ernest Jaska as engineering advisor.

Refreshments of cookies and cold drinks were served after the meeting.

#### Joe Hoenigs Back From Germany Trip

Mr. and Mrs. Joe Hoenig returned Wednesday afternoon from a flying trip to Germany where they visited relatives for four weeks.

They spent their time with Mrs. Hoenig's folks at Ostentland near Paderborn and saw the place where her father, the late Henry Fleitman, was born. The homeplace still stands and is occupied by family members.

The couple visited Mr. Hoenig's kin in Dinslaken and Cologne.

They found everyone well and received royal treatment throughout their travels.

#### CDA Primes for Benefit Nov. 8-9

Members of Muenster Court Catholic Daughters of America are priming for their annual big benefit event, a bazaar and bake sale, to be held November 8-9 in the KC Hall from 8 a.m. to 6 p.m. and featuring handmade articles and homemade goodies.

Those in charge of the bazaar items are asking members to get theirs in as soon as possible, this weekend or early next week so that the work can be priced, sorted and arranged.

Finished articles may be left at the home of Mrs. Ben Seiler or Mrs. Jerry Walterscheid.

## LETTER TO THE EDITOR

Dear Readers:  
 There has been a rumor going around by my husband's successor to the office of precinct No. 4 that I did not want to serve as Commissioner is why he took the job.  
 I want this made clear once and for all for everyone's benefit, "that I was not asked."

I was told by the County Judge that he had someone else in mind.

If I had been asked and appointed by him I would have gladly accepted the position for the unexpired term of my husband.

I hope you will not be hoodwinked into believing otherwise.

As election draws near I would like to say thank you for the support and vote you gave to Earl while he was your commissioner.

I think we all know that he left the precinct in good shape and financial condition.

I trust whomever is elected will stand on his own merits and not those of some one else.

Sincerely,  
 Effie Robison (Mrs. Earl)

### WHY VOTE?

Two of man's most cherished ideals — liberty and freedom — are the basis of the texts of the Constitution of the United States, the Declaration of Independence, and the Bill of Rights. When our forefathers wrote these historic documents, they made certain that liberty and freedom would be the fundamental principles of American citizenship and fought to establish this priceless heritage.

Americans have fought and died for freedom in many places ever since — from Europe to Korea and Vietnam. We owe an unpayable debt of gratitude to those who have given the supreme sacrifice to protect our nation. The American Voter can partially repay this debt by exercising the freedom to vote which has been preserved for him at a very high cost.

A citizen who is too lazy or indifferent to vote is throwing away one of his most precious rights. He is abandoning his right to have a voice in his own government. But many voters are so indifferent that they do not vote. This indifference could permit unscrupulous persons to gain control of a government.

There are 109 million United States citizens of voting age. Many of these have never voted. The presidential elections have brought out the highest total vote, but even this has never exceeded two-thirds of the number of voters.

Our nation needs informed voters. It needs voters who realize that voting is a responsibility as well as a right. We need voters who have studied the issues and know how the candidates stand on them. We need voters who have evaluated the experience and abilities of the candidates. It needs your voice through your vote.

If one-third of the eligible voters in our nation who do not vote could talk to some of their fellowmen in other parts of the world who do not enjoy this freedom, they would be the first in the lines at the polls in November. Let's pay back some of our debt to those who have given the supreme sacrifice. The least we can do is vote. —Kenny Schmitz.

### KOSYGIN LIKES HHH

The Humphrey bandwagon has a new passenger, Soviet boss Alexei Kosygin, according to The Economist, the influential British journal. The lead article in the current issue is entitled "One Vote for Hubert" and reports:

"Mr. Kosygin is voting early and he is voting for Hubert Humphrey. For the last few weeks the Russians have been dropping hints, in the United States and elsewhere that they want the next President of the United States to be a man who will continue Mr. Johnson's policy of cooperation with the Soviet Union. "They doubt whether Mr. Nixon would run his foreign policy that way, and they may be right. So they have accepted Mr. Johnson's year-old invitation (to resume disarmament talks) in the hope that this will help Mr. Johnson's chosen successor: Hubert Humphrey."

Republican strategists feel that Kosygin has handed them a perfect campaign issue. Humphrey aids are not talking for publication on the Economist report.

### MR. HUMPHREY'S PHONY PROMISE

Social Security has a way of becoming a big presidential political issue every four years.

The year 1964 was the time of "the great Social Security lie." The unprincipled LBJ-HHH campaign sponsored a deceitful suggestion that presidential candidate Barry Goldwater would destroy the Social Security system. (Do you remember those vicious TV spots showing a Social Security card being destroyed?)

And now it seems as though 1968 is going to become another year of Social Security misrepresentation, with Vice President Hubert H. Humphrey again a major perpetrator.

Social Security is of vital interest to our people because millions are now receiving benefits from it and millions more who are working Americans are paying a stiff tax deducted from every paycheck for the hope of future benefits.

Now comes Mr. Humphrey with a big campaign promise that if elected he will push for a 50% across-the-board increase in Social Security payments plus automatic cost-of-living increases.

We only wonder why, while Mr. Humphrey was promising, he didn't suggest a 100% rise in Social Security payments.

The catch is that every dollar paid out by Social Security has to be paid into Social Security, and then some, by the taxpayers.

While Mr. Humphrey was promising a 50% increase in outgo, he subtly dodged any suggestion of a 50% increase in your Social Security tax.

He tried to slip over this issue by suggesting that part of the higher payments be financed from "general tax revenue," as differentiated from Social Security taxes.

This is a disgusting insult to the intelligence of the American people, because not only is there no money in general tax revenues to pay for Social Security increases but the federal budget went into the red more than 25 billion dollars last year.

Now do you pay more billions of dollars out of general revenues that already are 25 billion dollars short?

This is the sort of thing that clearly shows Mr. Humphrey does not have the capacity to be a responsible President of the United States. He is a great promiser but he would not be a great President.

But even this was not enough for Mr. Humphrey. He proposed higher costs also for the Medicare program that is tied in with Social Security — also without proper provision for financing.

If the people want promises Hubert Humphrey can give them bigger and better than any other presidential candidate.

If the people want irresponsibility and misleading manipulation, Mr. Humphrey ought to be their man.

But if the people resent being played for suckers, if the people are angered by having an effort made to buy their votes with the implication of handouts that in some magical way will not have to be paid for in larger measure than they receive, then Mr. Humphrey out to be repudiated.

Isn't it time to tell off the phony promisers?

### WAR AGAINST CIVILIANS

A little-known phase of the Vietnamese war has been the cold-blooded terrorist attacks on South Vietnamese civilians by the communist-inspired Vietcong. In the first half of 1968, terrorist activity inflicted casualties on civilians in South Viet Nam totaling about 12,000 — including some 25 abductions a day, principally of village leaders and their families.

One of the most amazing facts about the Vietnamese war has been the tendency of people to pour out sympathy for the communists, when the U.S. seeks to protect our fighting men by bombing military targets in North Viet Nam. People seem to wholly overlook the wanton communist attacks against the civilian population of South Viet Nam. Another astonishing fact about the Vietnamese war is the ability of South Viet Nam to survive under such attacks.

It is our failure to recognize facts and a willingness to shut our eyes to truth in the face of the bluster and hypocrisy of communism that have led to a worldwide decline in respect for the U.S.

### WHY IS THE VIETNAM WAR NOT WON?

You may well think it almost incredible that the vast forces now deployed by America in Vietnam are frustrated and the war constantly prolonged. Why is that so? The answer is that not one Western secret is kept. The whole lot are persistently betrayed to Russia. No one dares to speak out lest he should be accused of being a McCarthyite or a little touched in the head. No better safeguard for those who are selling you down the river could be devised.

Furthermore, the Western nations are assisting Russia with vital aid while America is paying an appalling price in Vietnam to combat what certain Western nations are in fact helping to support.

Our tallest President was Abraham Lincoln, 6 feet, four inches, weight, 180 pounds; our smallest, James Madison, 5 feet, four inches, weight, 100 pounds; and our heaviest chief executive was William Howard Taft, who was 6 feet tall and weighed 340 pounds.

**LCB Launches Program to Curb Teen Drinking**

Liquor Control Board has launched an educational program to curb drinking by teenagers.

Acting Administrator O. N. Humphreys Jr. said the main objective is to show youngsters problems a single violation of liquor laws can cause them. LCB statistics show 10,672 violations involving minors and 10,184 convictions in the first eight months of the year.

LCB proposes distribution of literature explaining liquor laws to parents and teenagers; lectures in churches, schools and clubs; distribution of informational films and a new reporting system to keep tabs on liquor law violations involving minors (as a guide to areas where education needs to be concentrated).

A single violation, Humphreys warned, can mar the record of a youth for life.

**4-H Leaders Will Meet Here Nov. 4**

Cooke County 4-H Leaders Council will meet in Muenster Monday, Nov. 4, in the T.P.-&L. Community Room with Muenster 4-H leaders hosting the session. It will begin at 7:30 p.m.

Leaders of all county 4-H Clubs are invited to attend as are parents of 4-H clubbers who do not care to be leaders but who help their own children in 4-H projects.

**Birthday Honoree**

Mrs. John Sicking, Rt. 4, Gainesville was the honoree Sunday at a family gathering celebrating her birthday. Her daughter-in-law, Mrs. Jerry Sicking, prepared the birthday dinner and took it to the honoree's home. The children and grandchildren presented gifts.

Mortality rate of the cottontail rabbit is very high. It has only one chance in 20 of becoming one year old.

**Jeanna Hartman, 5 Celebrates Twice**

Little Miss Jeanna Hartman celebrated twice in observance of her fifth birthday, at kindergarten and at Leonard Park in Gainesville. Jeanna is the daughter of Mr. and Mrs. Gene Hartman of Denton.

The kindergarten party featured Halloween cupcakes and the good witch's brew. Loot bags were favors. Eleven classmates, the honoree's younger sister, Pam, and baby brother Doug, helped in the celebration hosted by Mrs. Hartman. Rose Sizemore, Jeanna's teacher, was a special guest.

Sixteen cousins and their parents and other guests helped in the celebration at Leonard Park. Special guests were Jeanna's grandparents, the Victor Hartmans.

Others attending with Mr. and Mrs. Gene Hartman, hosts, Pam and Doug were Messrs. Dallas, Dickie Cain, McKinney, Alvin Hartman, John Yosten and Harvey Schmitt and their children, Sami Sconce of Myra, R. P. Cain and daughter Phyllis of Farmers Branch, Debbie Cain, Rita Trubenbach and Cheryl Owen.

A wiener roast, birthday cake, home movies and a visit to the zoo were afternoon highlights.

**At Parents' Meet In Subiaco, Ark.**

Mr. and Mrs. Arthur Felderhoff were among 58 parents of Subiaco Academy students participating in the first Parents' Weekend of the current school term held in Subiaco, Ark., Oct. 18-20.

Special events of the three days included conferences, briefings, and a communal worship with student sons and monks of the Abbey.

During the weekend the Felderhoffs also attended the annual homecoming football game with the Eagles of Huntsville and saw their son Dale Felderhoff, a junior, in action in his offensive guard position. They also visited friends, toured campus facilities and visited with personnel of the Abbey and Academy.

**Mary Kay Growing Birthday Honoree**

Ninth birthday of Mary Kay Growing was celebrated at a party at the home of her parents, Mr. and Mrs. Richard Growing after school Friday with classmates and her sisters as guests.

Gifts, games with prizes, party hats and party refreshments made it a gay afternoon for the young group.

**Local News BRIEFS**

Mr. and Mrs. Dickie Cain and children Tami, Troy, Scott and Shawna of McKinney spent the weekend with parents and grandparents, the Norbert Klements and Mrs. Dick Cain. Also with the Klements over the weekend was their daughter Shirley of Dallas. Driving to Muenster with Shirley were Rita Fette and Jackie Wimmer. The three girls work in Dallas and share an apartment. Jackie, daughter of the Tony Wimmers, joined the other two last week.

they cashed in a break for their second TD. They recovered a fumble on the ND 30 and a few plays later Don Schneider hit Gene Voth with a 15 yard touchdown pass. Sacred Heart led 13-6.  
Notre Dame's comeback started promptly in the next period. Kickoff was returned to the 40 and the first scrimmage play uncorked a 60 yard scoring sprint. The Knights scored three more touchdowns in the third period and four in

the fourth.  
Passes accounted for most of the points. In spite of their handicap the Tigers held well on the running plays but had big trouble with the good pass attack, which seemed to get better as the game advanced. Five of ND's nine touchdowns were on passes.  
Tigers had the opposite luck on their passes. In the first half Schneider hit 8 of 9. In the second half 3 of 4 were intercepted.

**Mosmans Hosts at Baptismal Dinner For New Grandson**

Meeting a new grandson, being godparents at his baptism, and hosting a christening dinner made a happy and exciting weekend for Mr. and Mrs. John Mosman.

Their son Warrant Officer Candidate Thomas Mosman, his wife and their infant son Thomas Michael arrived Friday from Fort Wolters, Mineral Wells, for a weekend visit before going to Fort Rucker, Ala., Sunday. W.O.C. Mosman will be in advanced helicopter training there for four months.

The couple's baby, their first child, was born at the base hospital Wednesday, Oct. 23, 12:06 a.m. weighing eight pounds.

The christening service was held in Sacred Heart Church Saturday at 5 p.m., Father Benedict officiating.

Attending the baptism and dinner afterward in the Mosman home in addition to the parents and hosts were Jerry Mosman of Dallas, Miss Carol Mosman and Mrs. John McDonnell and children Bobby, Nora and Tommy of Denton. They all spent the weekend.

Other visitors earlier Saturday afternoon were Mrs. Mosman's sister Catherine, Mrs. Terrell Johnson and two children of Dallas.

**Local News BRIEFS**

Mr. and Mrs. Carl Mullins, accompanied by their son and daughter-in-law, Mr. and Mrs. Tommy Mullins and son Craig of Dallas, spent the weekend in Lubbock with the parents and grandparents, Mr. and Mrs. A. E. Mullins, and on Sunday were at the home of Mr. and Mrs. J. D. Mullins for a birthday party honoring Mrs. A. E. Mullins. It was her 80th. The birthday dinner included a decorated cake and the honoree received a shower of gifts. In the afternoon nieces and nephews joined the group.

Mr. and Mrs. Bill Kathman visited Monday and overnight with their daughter and family the Stan Wylies in Grand Prairie.

Muenster has a new resident — Mrs. Bessie Brown formerly of Rising Star. She's living with her daughter, Mrs. Melba Kinsey. Mrs. Kinsey spent last week Tuesday to Saturday at Rising Star helping her mother sell her house, settle her affairs and then moved her to Muenster.

Visitors with the Joe Lukes last Sunday were her cousins Mr. and Mrs. Oliver Stone of Robstown. While the four were together they observed Mrs. Luke's birthday and Mr. and Mrs. Stone's 49th wedding anniversary.

Mr. and Mrs. Emmett Casady of Mobile, Ala., were visitors at The Enterprise Monday. Emmett, a retired major general of the Air Force is remembered by old timers here as the former Gainesville youngster who with his brother George, buzzed the town and landed their biplane in surrounding pastures during the twenties and early thirties.

Mr. and Mrs. Harvey Schmitt and son Stephen and her parents, the Victor Hartmans, spent Sunday in Arlington with the Keith Tompkins. Mrs. Hartman remained for a longer visit with her daughter and family. On the way back the others stopped at Denton to visit with the Gene Hartmans and at TWU with Miss Joyce Schmitt.

Sister Mary Linn of Denison visited Sunday afternoon and overnight with her mother, Mrs. Alfons Koesler Sr. Other family members stopped by to see her.

Mrs. Billy Don Wolf is a new employee at W. J. Luke Company.

Mrs. Frankie Hess has joined Muenster's dentist, Dr. Gerald Graham, as receptionist. Before her marriage she was receptionist for a Gainesville dentist.

Mr. and Mrs. Henry Luebbert, their daughter Mrs. Martin Boyd and small son Kerry, all of Fort Worth, visited Saturday afternoon with Mrs. Luebbert's mother Mrs. Henry Ctelzer at her home and with the Bill Stelzers at their home. Earlier they had been at Gainesville to visit Mr. Luebbert's mother, Mrs. Fred Luebbert and took her out to dinner.

Stelzer at her home and with visitors during the weekend with the Herb Cunninghams were a daughter and family, the Charles Bridiers and Todd, a son Ronnie Cunningham and a friend Miss Pat Hiles, all of Fort Worth and another son Spec. 5 Earl Cunningham of Fort Hood.

**MHS Bees Beat Callisburg B 14-0**

Muenster High's B team marked up their second win of the season on the local field last Thursday with a 14-0 count over Callisburg B. In spite of the low score they were in command all the way with leads of 19-3 in first downs and 221 to -2 in total yardage.

Their first TD came about midway in the first period after the visitors fouled up a punting effort with a bad pass from center. Muenster was in business on the 21. Two plays later Tim Hennigan went over but the play was called back and penalized 5 yards. Second play after that he made a TD that counted. The rest of the half consisted of lots of gains by the Bees but inability to keep going. After three first downs they bogged on the fourth series. After four first downs they failed on the fifth just before the half ended.

Second half started with a first down by the visitors and Jerry Eckart's recovery of a fumble. Then came two first downs by the Bees, an interception by Callisburg and another by Carl Endres, and two more first downs. The two-part drive went 62 yards to the 8 and ended in Callisburg's second interception. On the next play Dale Hellman earned two points by smearing the visiting quarterback behind the goal.

A fourth period drive gained 38 to the 11 but fouled up there and lost to the 23 on the next series. Callisburg's kick four plays later put the Bees back to midfield. Their next drive was better. It went 47 yards in nine plays and Hennigan made the last 12 with 47 seconds left in the game.

**Muenster Juniors Nip Lindsay 10-0**

Juniors of the Muenster Public School stepped up to a 500 standing Tuesday night as they beat the youngsters of Lindsay 10-0. They played on MHS field.

Most of the game was a defensive tussle in the middle of the field, however two big plays paid off for the important difference.

In the first quarter the Squires were backed against the goal and had to try a fourth down kick behind the line. Roy Klement and Jim Endres stormed through and nabbed him for a 2-pointer before he could get off the kick.

The touchdown was scored

by Hank Trachta with about five minutes left. Breaking through at left tackle he found the way clear for a 92 yard dash to pay dirt. Jim Endres plowed over for two bonus points.

Moments later Trachta got loose on a 65 yard touchdown run that did not count. It was the same off tackle play as before, but was nullified by a backfield in motion penalty.

The Muenster kids now have a loss to Valley View and a win over Lindsay on their 9-B record. Next they will play Saint Jo Tuesday night on the Hornet field.

**Let's Set The Record Straight**

We know where Zeke Martin stands!  
Where does his opponent stand?

Zeke is and always has been opposed to that section of the Governor's Committee Report on Education concerning the recommendation that a minimum of 2600 attendance be established for a school district. Zeke has said, and says now, "We need to build and improve our schools, not eliminate them."

In Denton our opponent says, "the figure will certainly have to be adjusted." Denton Record Chronicle, Oct. 9, 1968.

In Muenster he says, "I am not in favor of the establishment of local school districts based on having 2600 students in average daily attendance." Muenster Enterprise, Oct. 24, 1968.

What will he say in Gainesville?

Where do you stand, Mr. Parker?

Do you simply want to adjust the figure or are you opposed to that section altogether?

Zeke Martin will represent us as he has excellently represented the City of Denton, as its mayor.

**SOIL CONSERVATION DISTRICT NEWS**

The Great Plains Conservation Program in Montague County has assisted many farmers and ranchers in the Upper Elm-Red Soil and Water Conservation District. The Program had its beginning here in 1966. One of those assisted is Roscoe Raymond of Saint Jo.

Raymond signed his first Great Plains Contract in 1966 and has completed a number of different conservation practices which were cost shared by this program. Some of the practices completed are two grade stabilization structures, one diversion terrace and 10 acres of gullies shaped and sodded. He has also cleared 192 acres of brush and sprigged 317 acres of Coastal bermuda and constructed 4100 feet of cross fence to obtain better grass management. 700 acres of rangeland has been deferred for grass recovery and properly used. Proper management of all grasses is a very important part of each contract.

This year Raymond will have four acres of gullies to be shaped and sodded, 108 acres of pasture planting and another grade stabilization structure to be completed.

Doing a good job of soil and water conservation does not cost, it pays according to Arlin Naegeli of the Soil Conservation Service at Muenster. Mr. Raymond is just one of the many farmers and ranchers that realizes this.

**Cub Scouts Have Awards Program, Halloween Party**

Muenster Cub Scouts' monthly meeting Monday night featured presentation of awards and a Halloween party.

Webelos Den acted as color guard and Mrs. Arthur Bayer and Dr. Larry Tisdale were judges for the costume contest. First prizes were Cub Scout flashlights and second prizes were Cub Scout tie bars.

Winners in the eight year old costumed group were Dale Wolf, first and Mike Richardson, second; in the nine year-old group, Bill Murch first and Mike Hofbauer second, and in the 10-year old division, Albert Zimmerer Jr., first and Joey Sicking second.

Each den entertained with an audience participation game or skit or song following the October theme of games with prizes for winners.

Cubmaster Leonard Reiter and assistant Gerald Hess presented awards as follows:

Albert Zimmerer Jr., Bear Badge and Gold Arrow point; Deryl Zimmerer, Wolf Badge, gold and silver arrow points; Calvin Otto, Wolf Badge; Bert Walterscheid, Wolf Badge; Gary Hermes, Wolf Badge and Gold Arrow point; Lenzy Dyer, Wolf Badge, gold and silver arrow points; Bill Murch, Bear Badge and Gold Arrow point; Damian Walterscheid and Bobby Endres, Outdoorsman Badge.

New members receiving Bobcat Badges were Billy Rohmer, Mark Cler, Billy Haverkamp and Bryan Sicking.

A man and a woman, among those stranded on a desert island, were engaging in conversation. The woman, growing more anxious as she regarded their situation, cried: "Oh, Mr. Atwater, what's going to become of us?"

"Take it easy," was the serene answer. "I can assure you that they will find us."  
 "But what makes you so positive?" the woman asked.  
 "I haven't paid my income tax this quarter."

had moved over 100 yards, had two touchdowns nullified, actually got credit for one first down.

Valley View had to kick on its next series and Muenster started again with 44 to go. The drive was interrupted by an Eagle interception and Mike Cason's fumble recovery on the next play. After that Sicking made it in two plays, gains of 9 and 22.

TD number 3 came hardly a minute later. After Valley View's kick on the first series Bobby Bruns made 33 on a pass from Monday and Sparkman made the last 5 yards. The score was 20-0 as the half ended.

Through most of the third quarter neither team made any progress. Eagles kicked. Hornets got a first down and fumbled on the next series. Eagles got a first down on an interference ruling, kicked the next series. Hornets kicked. And then it happened. Andy Knabe intercepted, and used several dandy blocks in getting loose for a romp to the goal. The run was good for 75 yards.

The final TD came early in the last period as the Hornets went 38 yards in four plays. Sicking went over from the 13 and Mark Hellman made bonus points.

After that the Eagles made two first downs and lost possession on the Hornet 35. Muenster gained 22, lost possession on an interception, held the Eagles for four downs and started again from 53 yards out. Their drive ran out of time on the 8 yard line.

**Local Red Angus Win at Two Fairs**

Red Angus from Melton's Red Angus Farm in Muenster were among winners in the State Fair at Dallas. They were shown by farm manager Gene Riggs who was showman also for four other Angus breeders.

Melton's Commanche Lorene won a blue ribbon in the heifer class and Melton's R. P. Barbara 63 was a blue ribbon winner in the produce of dam.

Super He, a bull owned by Riggs and J. O. Gage, won a blue ribbon in the junior bull calf division and was a repeat winner at Beaumont in the South Texas State Fair.

Riggs showed animals to 12 wins at Dallas — four firsts, five seconds and three thirds. Joe Bayer and Leon Knaf accompanied him.

**Election Ballot Change May Confuse Some Voters**

Two factors may cause some balloting confusion in the November 5 general election, election officials in Texas forecast this week.

The two factors are:  
1. A new State law has inserted a new top line on the paper ballots so that persons desiring to vote a "straight party ticket" may do so by making one mark. This new line is expected to confuse not only the "straight ticket" voters, but also the "split ticket" voters.  
2. "Split ticket" voters are expected to be more numerous than ever before, especially since there is a third party, the American Party, and it has candidates for only President and Vice-President and no other offices.

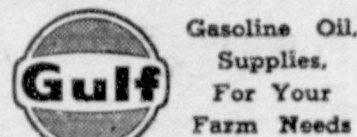

Voters are cautioned to be certain that their ballots are properly marked so that their intentions will not be subject to interpretation by election officials.

The "scratch" method of voting, which some people prefer, is still permitted. However, voters using this method are cautioned to be certain to mark through all names in all three party columns for which they do not wish to vote.

There are 19 counties in Texas that use voting machines. As in the past, one lever can be pulled to vote a "straight ticket." To vote a "split ticket," individual levers should be pulled for each candidate of the voter's choice. Persons who are uncertain as to how to operate a machine should contact one of the election officials before entering the voting booth.

Voting machines are scheduled to be used in the following counties: Bell, Bexar, Brazoria, Cameron, Dallas, Ector, El Paso, Galveston, Gregg, Harris, Hidalgo, Jefferson, Midland, Nueces, Potter, Randall, Rusk, Smith and Tarrant.

**SOIL CONSERVATION DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**  
Floodwater Retarding Structure Site 8D, Denton Creek, located 6 miles south of Forestburg has recently been completed by Beavers Construction company of Bowie, according to the Upper Elm-Red Soil and Water Conservation District supervisors.

The site is located on Glen Lynch and G. W. Clowers farm. "There will be 16 acres of permanent water that can be used in several ways, but the primary purpose of the dam is to hold back floodwater from the 800 acres of drainage area", Cecil Chaney, SCS technician stated.

The lake will hold the floodwater back and release the water at a rate that Denton Creek can carry without overflowing the bottomland.

"Just Site 8D would not do much good toward reducing flood damage on Denton Creek. But with the planned 87 floodwater retarding structures, 98 sediment control structures and 43 miles of stream channel improvement completed, the danger of dreaded overflows will be greatly reduced," the district supervisors said.

Site 9A, two miles west of Forestburg on H. C. Sockwell and W. T. Reynolds farm is nearly completed. Site 7B on

the C. A. Willis and J. W. McCall farm is under construction. Timber has been cleared and construction of channel improvement will soon be started on Segement One between Forestburg and Alford, according to SCS engineers.

The flood prevention program in Montague County is sponsored by the Upper Elm-Red Soil and Water Conservation District and the Commissioners Court.

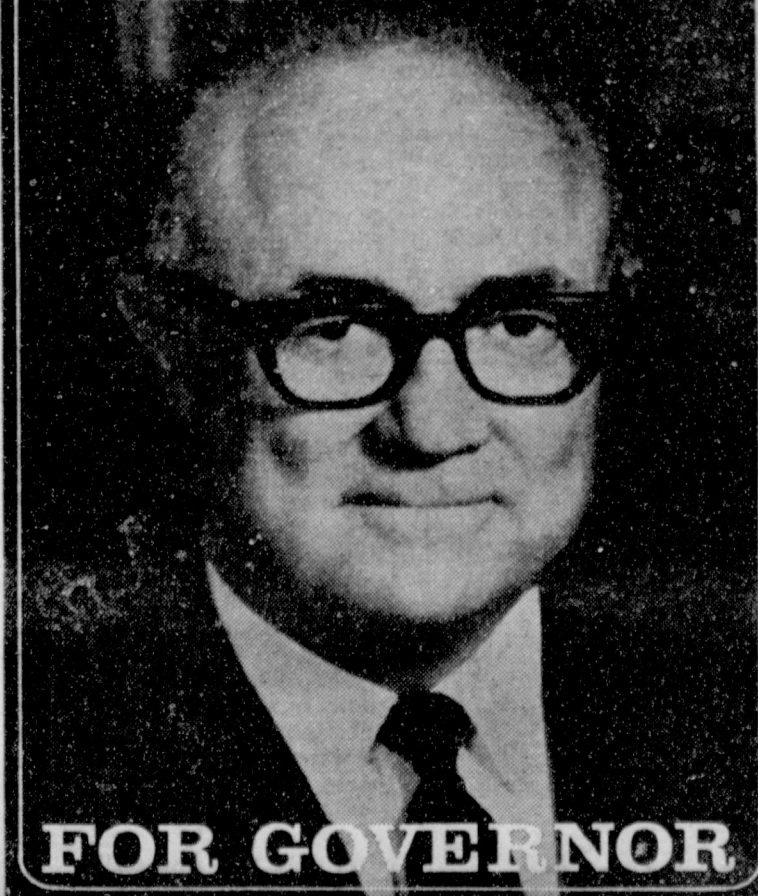

Local sponsors have the responsibility of securing the easements for the improvement. Many easements have been secured, but more easements must be secured before the program can be completed. The District encourages local people to assist in carrying out this important program, not only for the present generation but for the generation to come.

### Physical Exams

Schedule periodic physical examinations for children of school age. During grade school years, annual check-ups are recommended. A thorough examination for school beginners will detect any hearing or vision problems that may hamper the child's schoolwork. Also, a thorough examination is recommended for children who intend to participate in school athletics.

### Hiking

When planning a hiking trip, select clothing which is comfortable and suitable for weather conditions. Shoes should cover the ankles and be properly "broken in." Wear properly fitted woolen socks, since wool absorbs perspiration and holds its shape. Refrain from eating too heavily before or during the hike. Avoid over-exertion and allow sufficient time for your return trip.

### Hunting

Carelessness accounts for virtually all hunting accidents. When carrying a loaded gun, always maintain control over the direction of the muzzle. Never cross over or through a fence with a loaded gun. Either unload the gun or place it beside the fence and pick it up after you are on the other side. Never fire the gun until you have clearly identified your target.

## HANDLE MANURE AS A LIQUID--

Quickly, Easily,  
At a low cost!

The new Clay Honey Wagon liquid manure spreader allows one man to load and spread 5,000 gallons per hour. It's the first real answer to getting valuable manure (liquid, solids and bedding) out of pits or livestock areas and spreading it on your fields. Easy loading is provided by Honey Wagon's dual purpose PTO-powered pump which produces a vacuum in the big 800 and 1,475 gallon tanks. Tank fills in 4 minutes or less. Reverse process and pump produces pressure to force manure out in exceptionally even, 25-foot-wide spray pattern. Agitator in tank homogenizes solids and liquids to keep tanks from ever clogging. Isn't it time you started handling your manure the logical way... in a liquid? See us today for complete details... or better yet...

MEMBER OF FEDERAL RESERVE SYSTEM

195 years after the Boston Tea Party

# Taxation without representation is still wrong...

but here in our Congressional District we've had plenty of the one (taxation) and mighty little of the other (representation) in recent years. On November 5, it is for you to decide whether you wish to continue in office the same Humphrey-Purcell team that has helped bring us the highest taxes in our history, the biggest deficit ever, the highest crime rates, the longest war, and the worst cost-price squeeze on the farmer in 30 years.....OR.....whether you will vote for new leadership in Congress and the White House.

## compare and decide.

**Frank Crowley,** who can and will work closely with Richard Nixon should he become president, has a 14 year record of diligent public service and will be there to cast OUR vote in the House of Representatives.

**1** Frank Crowley wants severe prosecution of any who would jeopardize American lives by hindering our war effort... and he'll vote that way!

**2** Frank Crowley believes that tax payers shouldn't have to finance lawless demonstrations against their own interests... and he'll vote that way!

**3** Frank Crowley believes it's time to get tough in the war on crime and lawlessness... and he'll vote that way!

**4** Frank Crowley believes there should be a strong Code of Ethics to govern the conduct of Congressmen... and he'll vote that way!

**5** Frank Crowley believes it's time for "belt-tightening" on non-essential, experimental government programs. And he'll vote that way!

**6** Frank Crowley believes that because government causes inflation it has an obligation to see that those who live on fixed incomes should be cared for. And he'll vote that way!

### Issue

**1** Motion to consider a bill creating criminal penalties for delivering goods to the Viet Cong and obstructing movement of U. S. troops.

**2** A bill denying Federal funds to any student not obeying college rules, and stopping salaries of Federal employees who participate in riots.

**3** A tough anti-crime bill.

**4** A Code of Ethics for Congressmen.

**5** A bill to increase appropriations for the experimental model cities program.

**6** Bills to provide cost-of-living increases for disabled veterans and social security recipients.

**Graham Purcell,** staunch supporter of Hubert Humphrey, has been nowhere to be found on over 30% of all roll call votes during 1966, 1967, and at least through June, 1968.

**County Certified for Animal TB Control**

Dr. James B. Henderson, Executive Director of the Texas Animal Health Commission, announces the reaccreditation of Cooke County as a Modified Accredited Tuberculosis Area.

County Agent, E. Neil Tibbets, has received the certificate which is good for six years.

"This Commission wishes to express its appreciation to the people of Cooke County for the splendid cooperation extended to its representatives while work was being conducted in Cooke County; and requests the further cooperation of the citizens of the area to maintain the tuberculosis status of the county," Dr. Henderson said.

**PUBLIC HEARING NOTICE**

The City of Muenster, Texas, has applied to the Texas Water Quality Board for an amendment to Permit No. 10341, to discharge an average of 207,000 gallons per day of treated (Imhoff tank, sludge drying beds, and oxidation pond with enlargements and modifications to include an oxidation ditch preceded by a comminutor and bar screen, Parshall flume and measuring device with flow transmitter) domestic sewage from its proposed enlargement of its existing sewage treatment plant, located south of M.K.&T. Railroad Company tracks; north of Brushy Elm Creek; 800 feet south of intersection between Hickory and Eddy Streets, Muenster, Cooke County, Texas. The wastewater will be discharged into Brushy Elm Creek, thence into Elm Fork Trinity River in the Trinity River Basin. A public hearing on this application will be held in the Auditorium of the Brazos River Authority, 4400 Cochs Drive, Waco, Texas at 10:30 A.M. on November 22, 1968 to determine the conditions, if any, under which the permit may be granted. Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, 1108 Lavaca Street, Austin, Texas 78701.

**Riding Club Plans Officer Election And Nov. 2 Ride**

Gainesville Riding Club members, at their monthly meeting presented a slate of officers for election Nov. 18 and planned a trail ride for Nov. 2.

The group met in the Community Room of the First State Bank with Captain Tom Binford presiding and Darnell Graves giving the invocation. The Charles Parsons and the Charles Franks were introduced as new members and Miss Sue Dunnivant was a visitor. Keith M. Ingram of Tyler, another visitor, showed a film on a 4-H Horse Show.

The slate of officers for the election at the November 18 meeting is as follows: Darnell Graves, captain; Kenneth Brim and Eddie Fleitman, first and second lieutenants; Mrs. Kenneth Kuykendall, secretary.

Those who make the trail ride will meet at the home of Mr. and Mrs. Bill Dutton, the old Stovall Pony Farm homeplace west of Era. Reports were given on two previous trail rides at Shorty Walter's farm south of Myra and at Sivelis Bend.

In other business Miss Janet Graves was elected club sweetheart and Misses Carolyn Huckaby and Joey Bickle first and second alternates.

New board members will be Cecil Ward, Shorty Walter and Lloyd Huckaby.

Keith Ingram, representative of Merch Chemical Division, displayed his animal health products and gave six items to lucky ticket holder.

After the meeting refreshments were served to 65 present.

**Salvation Army to Send Truck Nov. 4**

Children's clothes and toys are needed by the Salvation Army, especially during the winter months, announced Major Byron A. Freeman, commanding officer of the Salvation Army Men's Rehabilitation Center for North and North Central Texas.

The Salvation Army truck will be in Muenster on November 4 or 5. A telephone call to 759-4311 will bring the Salvation Army truck to any home or business in the area. Persons wishing to deduct the fair value of the gift from their taxable income will be sent receipts upon request. The Salvation Army Men's Rehabilitation Center is completely sustained by the salvage of clothing, furniture and other household items.

**Elect WALT PARKER**

STATE REPRESENTATIVE

I AM NOT IN FAVOR OF THE establishment of local school districts based on having 2600 students in average daily attendance.

I believe that by creating super school districts we would eliminate the individual participation of many of our fine rural students. I certainly feel that some changes need to be made to improve the quality of the schools of Texas, but a large super school district IS NOT the answer.

A Vote for Walt Parker is a vote for a representative who will fight for the smaller school districts.

**What Can Red Angus Do For You?**

**RED ANGUS FACTS:**

- The only solid red beef breed that is naturally polled.
- Top quality carcass.
- Red color always breeds true (Color is fixed).
- Red color not discriminated against in North or South.
- No nurse cows.
- High resistance to Pink Eye.
- No sunburnt udder problem.
- A performance testing breed.
- Individually inspected and type rated.
- Crossbreeding flexibility is outstanding.
  - Knock horns off with a RED ANGUS bull. Economical, sensible and safe way to dehorn.
  - Obtain the benefits of hybrid vigor.
  - Maintain or improve carcass quality.
  - Leave basic color and color pattern unchanged. (Red is recessive.)

Angus Cattle have long been known for longevity, mothering ability, hardiness, smaller calves at birth, feeding ability, and carcass quality.

As a new breed, RED ANGUS Cattle production offers opportunity on the ground floor, with a sound progressive breeding program.

Red Angus can increase the amount you receive from a weaning calf as much as \$15.00 per calf.

A performance testing program is a part of the registry requirement and a goal to be "Best by Test." It is the opinion of the RED ANGUS breeders that registry breeders should produce the kind of cattle commercial men can use and make money using. We have never had a dwarf.

Hereford breeders are finding it convenient to use RED ANGUS bulls on yearlings for an extra calf crop, keeping the red color.

### Parliamentary Law Program for PTC

Members of Lindsay Parent-Teacher Club had a program on parliamentary law at their meeting last Wednesday night. Superintendent Glenn Hellman presented the senior class in a skit on the topic.

Mrs. James Bezner, president, presided and Father Francis Zimmerman, a guest, led the opening prayer.

A new project for the club is the purchase of a card file for the library. The group also passed a resolution to write the State Theatre in regard to pictures it shows.

First grade won the room count and third grade room-mothers served coffee and cookies to 75 present.

### 4-H Banquet

Muenster received awards.

The program was sponsored by Cooke County Electric Cooperative Association. Larry Schumacher of Gainesville, '67 Gold Star Boy, was toastmaster with Jack Crownover, chairman of the Co-op's board of directors, giving the welcome.

Michael Sloan, Co-op manager, made presentations to Gold Star winners. Judge W. C. Boyd of Denton and Cooke County Commissioners W. B. Hudspeh and Jack Jones presented awards to division winners.

Misses Margaret and Patty Pybas presented a program based on their experiences while touring with the International Team Caravans, sponsored by the National 4-H and Extension Service. Margaret Pybas, 1967 Gold Star Girl, reported on her trip to Peru and showed colored slides. Patty shared her experiences in Canada.

John Paclik gave the invocation and the program closed with the 4-H prayer.

Muenster 4-H winners are: Achievement — Cynthia Bindel, Mary Bayer, Billy Bayer.

Agriculture — Larry Bayer. Beef — Tommy Felderhoff, Ricky Walterscheid, Carl Bayer, Chris Felderhof.

Bread — Peggy Endres, Kathy Luke, Dianne Sicking.

Clothing — Beverly Walterscheid, Elaine Sicking, Janet Sicking.

Swine — Kenny Fleitman.

According to the Coast Guard, more than 1,200 of the 1,360 persons who lost their lives in boating accidents last year were without life jackets or other life saving devices.

Hunters and fishermen spent more money on their sport last year than the entire nation spent on radio, TV, records and musical instruments combined.

### Lindsay PTC Hosts Halloween Party

Lindsay's annual Halloween Carnival in the Parish Hall Sunday night drew a full house of students, families and friends to play games, have refreshments and watch a costume contest.

Mrs. Vernon Badgett, chairman of room-mothers and Rudy Dieter, vice president of the club, were in charge of the event with each room-mother helping her respective grade in a concession stand or booth.

Prizes in the costume contest were awarded as follows: Madge Klement as a witch, best dressed pre-schooler; Barbara Zimmerman as the Flying nun, best TV character; Chris Martin as a space man and Donnie Schad as a smiling man.

Door prizes, a ham went to Mrs. Erwin Fuhrmann and a Siamese kitten was won by Pam Fuhrmann.

### Pre-Election Rally Set November 4 For Zeke Martin

Fritz von Erich, well known wrestler, announced today he will host a pre-election day rally, Monday, November 4th, from 7 to 9 p.m., at his home in Corinth, in honor of Zeke Martin, Candidate for State Representative.

The public is cordially invited to the event, which will be co-hosted by Mr. and Mrs. Whitt Mercer, Mr. and Mrs. Robert Speake, and Mr. and Mrs. H. B. McNary.

In announcing the rally, Mrs. von Erich said, "the easiest way to find our house is to go south on 35E out of Denton, take the Shady Shores exit, then follow the Zeke Martin Rally signs".

### Scotland Host for District CSL Meet

Parishioners of St. Boniface Parish in Scotland, hosts for the fall meeting of the Northern District of the Catholic State League Sunday, were joined by delegates and visitors from Windthorst, Muenster, Lindsay and Scotland.

Delegates attended benediction in St. Boniface Church before reporting for sectional meetings in the K of C Hall. After the meeting of men, women and youth the groups met as a unit to report on their separate meetings and view a film "The Right to Life."

The film's purpose was to stir interest in taking part in opposing the liberalized abortion bill being brought before the legislature. The district decided to buy the film to be used by the affiliated organizations at their meetings and discussion groups.

A resolution to have Masses said for Mrs. Ted Gremminger and Msgr. Paul Charcut was passed. These Masses will be celebrated in the home parishes, Muenster and Pilot Point.

Mrs. Adolph Fuhrmann of Lindsay, vice president of the Women's Section, conducted that meeting assisted by Mrs. Ray Lindemann of the host parish, president of the group. Howard L. Neeb of Windthorst presided for the general meeting. Father Cletus Post was on the program as speaker.

After lunch was served a ping pong tournament kept the youth busy until evening. Scotland CYC sponsored a dance at night.

Attending from Muenster were Miss Cynthia Bindel and her guests, Miss Gloria Reiter, Miss Ellen Roberts and Harvey King, students at Denton.

### Confetti

that some instances of real progress were achieved in spite of the administration, not because of it.

The plain fact is that Americans are fed up with the past four years, and most of them resent being told that this is progress. They think it's time for a change.

### Mullins Home Is Scene of Reunion

Harold Bruce, a visitor with his brother-in-law and sister, Mr. and Mrs. Carl Mullins, was the inspiration for a family reunion before he returned to his home in Twin Falls, Idaho, after his first visit back in Texas in ten years.

The Sunday reunion and evening buffet was occasion for several of the relatives to see each other the first time in ten years.

Guests included uncles, aunts and cousins: Mr. and Mrs. C. S. Teague and Mrs. R. B. Caraway of Tom Bean, Mrs. Vada Tate and daughter Mrs. T. L. Birdwell of Wichita Falls, Mrs. Joe Vivian of Sherman, Mr. and Mrs. Bob Vivian of Dallas, Mr. and Mrs. James Welch of Grand Prairie and Col. and Mrs. John T. Massingale of Sherman. The Massingales had just returned from a visit in Germany with their daughter, her Army captain husband and two small daughters and told about their trip.

DEAR ZEKE:

I HAVE READ WITH GREAT INTEREST OF THE FACT THAT YOU ARE A CANDIDATE FOR THE TEXAS LEGISLATURE. I AM PLEASED TO KNOW THAT YOU ARE OFFERING YOURSELF FOR SERVICE IN SUCH A VITAL CAPACITY.

MY GRATIFICATION THAT YOU ARE WILLING TO SERVE IN THE HOUSE OF REPRESENTATIVES IS BASED FIRSTLY UPON THE GREAT RESPECT I HAVE DEVELOPED FOR YOU AS A FELLOW MUNICIPAL OFFICIAL. IN RECENT YEARS, OF COURSE, A NEW SPIRIT OF UNITY AMONG THE CITIES OF NORTH TEXAS HAS EMERGED. AS A RESULT, THOSE OF US PRIVILEGED TO SERVE OUR RESPECTIVE COMMUNITIES HAVE COME TO KNOW EACH OTHER MUCH BETTER AND I PERSONALLY HAVE GREAT ADMIRATION FOR YOU AND SINCERE APPRECIATION FOR OUR FRIENDSHIP.

SECONDLY, I AM DELIGHTED TO KNOW OF YOUR AVAILABILITY TO SERVE IN THE LEGISLATURE BECAUSE I BELIEVE THE PROBLEMS OF TEXAS IN THE IMMEDIATE YEARS AHEAD WILL PRIMARILY BE THE PROBLEMS ASSOCIATED WITH THE GROWTH OF CITIES. THE OVERWHELMING MAJORITY OF TEXAS CITIZENS WILL BE LIVING IN OUR CITIES. WE NEED MEN LIKE YOURSELF WHO UNDERSTAND THESE PROBLEMS IN POSITIONS OF LEADERSHIP AND RESPONSIBILITY IN TEXAS.

BE ASSURED ALWAYS OF MY BEST WISHES AND WARM PERSONAL REGARDS.

SINCERELY,

TOM J. VANDERGRIFF

Chairman.

# NOVEMBER 5 VITAL TO YOU PURCELL VICTORY CRUCIAL

CONGRESSMAN GRAHAM PURCELL--Called by author and newspaper columnist Drew Pearson "one of the hardest working Congressmen in Washington", Chairman of the Texas Delegation in Congress, Chairman of the Livestock and Grains Sub-Committee, and untiring worker for his district. His "no-nonsense" approach to tough problems has earned him the respect of anyone who has ever looked to him for help.

CONGRESSMAN GRAHAM PURCELL

### Popular North Texas Congressman Presses Campaign During Final Days

Congressman Graham Purcell criss-crossed North Texas as election day drew near, trying to see as many of his constituents as possible by November 5. A long session of the Congress kept Purcell in Washington until only recently, but he is making up for lost time.

Purcell said, "There is not much time left before election day, but I am going to see as many people as is humanly possible during this campaign."

"I have been working in Washington instead of campaigning in Texas recently, because I believe my first responsibility to the people is to do the job they elected me to do—represent them in the Congress."

"I want to say a special thank-you to all the volunteer workers and friends in every part of this large district who have worked so hard for me in this campaign. It is really heart-warming and gratifying to know that people are interested in what I am trying to do as their Congressman. They have worked hard and long, and this work is going to bear fruit on November 5 with a great victory."

"If I miss seeing anyone during the next few days, it is only because the physical time was not available to make it possible."

The wind-up of Congressman Purcell's campaign includes speeches, bus caravans and helicopter tours. The happy and enthusiastic candidate urged a large voter turnout on election day. "This is a crucial election," Purcell said, "and every vote is of vital importance. I hope every citizen who is registered to vote will take the time to go to the polls on election day. It is the greatest responsibility of citizenship. Every voter expressing his will at the ballot box is the secret to the continued strength and growth of our great Nation," Purcell concluded.

### Major Papers Endorse Purcell Over Opponent, Dallas Dailies Reject Hometown Rival

Congressman Graham Purcell, who has represented North Texas in the Congress for almost seven years, has gained the unqualified and enthusiastic endorsement of many newspapers in the 13th Congressional District in his campaign for re-election.

Among those endorsing Purcell were his hometown newspapers, the WICHITA FALLS TIMES and RECORD NEWS, and the hometown papers of Purcell's opponent, the DALLAS MORNING NEWS and the DALLAS TIMES HERALD.

The WICHITA FALLS TIMES said of Purcell, "The Times unequivocally endorses Graham Purcell as the best qualified candidate... With degrees in agriculture from Texas A&M and in law from Baylor University, Purcell is eminently qualified as a lawmaker and as a high ranking member of the House Agriculture Committee.

In the western end of Purcell's district, the QUANAH TRIBUNE-CHIEF said, "For the relatively few years he has been in Washington, Graham Purcell has made a name for him-

self as one of the hardest working legislators on Capital Hill.

"The people of Quanah and Hardeman County can certainly attest that he has been available for whatever assistance he could give to either a personal request or a call for help on a community project or to lend a ready ear for comment about a piece of legislation."

The DALLAS MORNING NEWS said, "The NEWS maintains its support of the four incumbents representing this metropolitan community--Earle Cabell, Graham Purcell, Ray Roberts and Olin (Tiger) Teague."

The DALLAS TIMES-HERALD, the large afternoon paper in Dallas, said, "A former District Judge in Wichita Falls, Representative Purcell has been an outstanding Congressman since his election in 1962. His district includes a slice of northern Dallas County, but also cuts across the state to West Texas. A Democrat, Representative Purcell is a man of Principle and dedication and is one of the leaders of the Texas delegation."

PURCELL AND 1,000 supporters listen at the kick-off dinner for his campaign for re-election recently, as Governor John Connally tells all present of Purcell's efforts on behalf of the State of Texas and the 13th Cong. District. Seated at far left is the chairman of the powerful committee on Ways and Means, Wilbur D. Mills, who made a special trip from Washington to praise Purcell for his part in helping to reduce Federal Spending during this last Congress. Mills also lauded Purcell's excellent work in passing measures to curb the spread of crime in the nation.

### Purcell Gets Committee Posts

Shortly before Congress adjourned for the year, the House of Representatives elected Congressman Graham Purcell to still another position of responsibility as a member of the Committee on Post Office and Civil Service.

Purcell is already a ranking member of the House Committee on Agriculture and Chairman of its Subcommittee on Livestock and Grains. This is the largest of the Agriculture subcommittees, and is responsible for about 80% of the agricultural and food legislation which comes before the Congress.

Purcell has consistently been given great responsibility in the House with respect to his length of service. After less than one year of service, Congressman Purcell was made chairman of the important Wheat Subcommittee. In 1967, he was made chairman of the Livestock and Grains subcommittee, which includes the old wheat subcommittee.

Purcell was a member of the prestigious National Commission on Food Marketing, which made the most comprehensive study of the food industry, from producer to consumer, in the nation's history.

Purcell is currently chairman of the Texas Delegation in Congress, elected to that position by the 21 Democratic members of the House of Representatives from Texas. In addition, he is President of the House of Representatives prayer Breakfast Group.

As a member of the Committee on Post Office and Civil Service, Purcell will be involved in all legislation dealing with postal service and additionally with pay and policy matters involving Federal employees.

IN TEXAS ON ONE of his frequent weekend visits home, Purcell catches up on the news and makes new acquaintances.

THERE'S NO "generation gap" between Congressman Purcell and these young supporters at Midwestern University. Purcell enjoys talking to college students, and participates often in Question and Answer sessions with them.

## **What Is A Congressman's Job?**

Graham Purcell believes that a Congressman has many and varied responsibilities if he is to do an effective job in Congress.

"Much more is involved than just attending sessions of the House of Representatives and casting votes on bills," said Purcell, "although this is a basic and vital function of the job.

"I believe a Congressman must be concerned and interested in all phases of community and area life. That is why I have criss-crossed this nation talking with leading industrialists and businessmen about the advantages they can find in locating plant facilities and other business ventures in North Texas.

"This is why I have worked to gain approval of Federal loans and grants to communities of all sizes for more adequate municipal facilities such as water and sewer systems.

"This is why I have worked in all levels of the food

industry, from farmer and rancher to ultimate consumer, to gain a better understanding of the problems of the producers of our food and of the rural communities.

"This is why I have encouraged the decentralization of Federal facilities from Washington, already resulting in the movement from Washington of Federal offices to Denton and Wichita Falls with more to come.

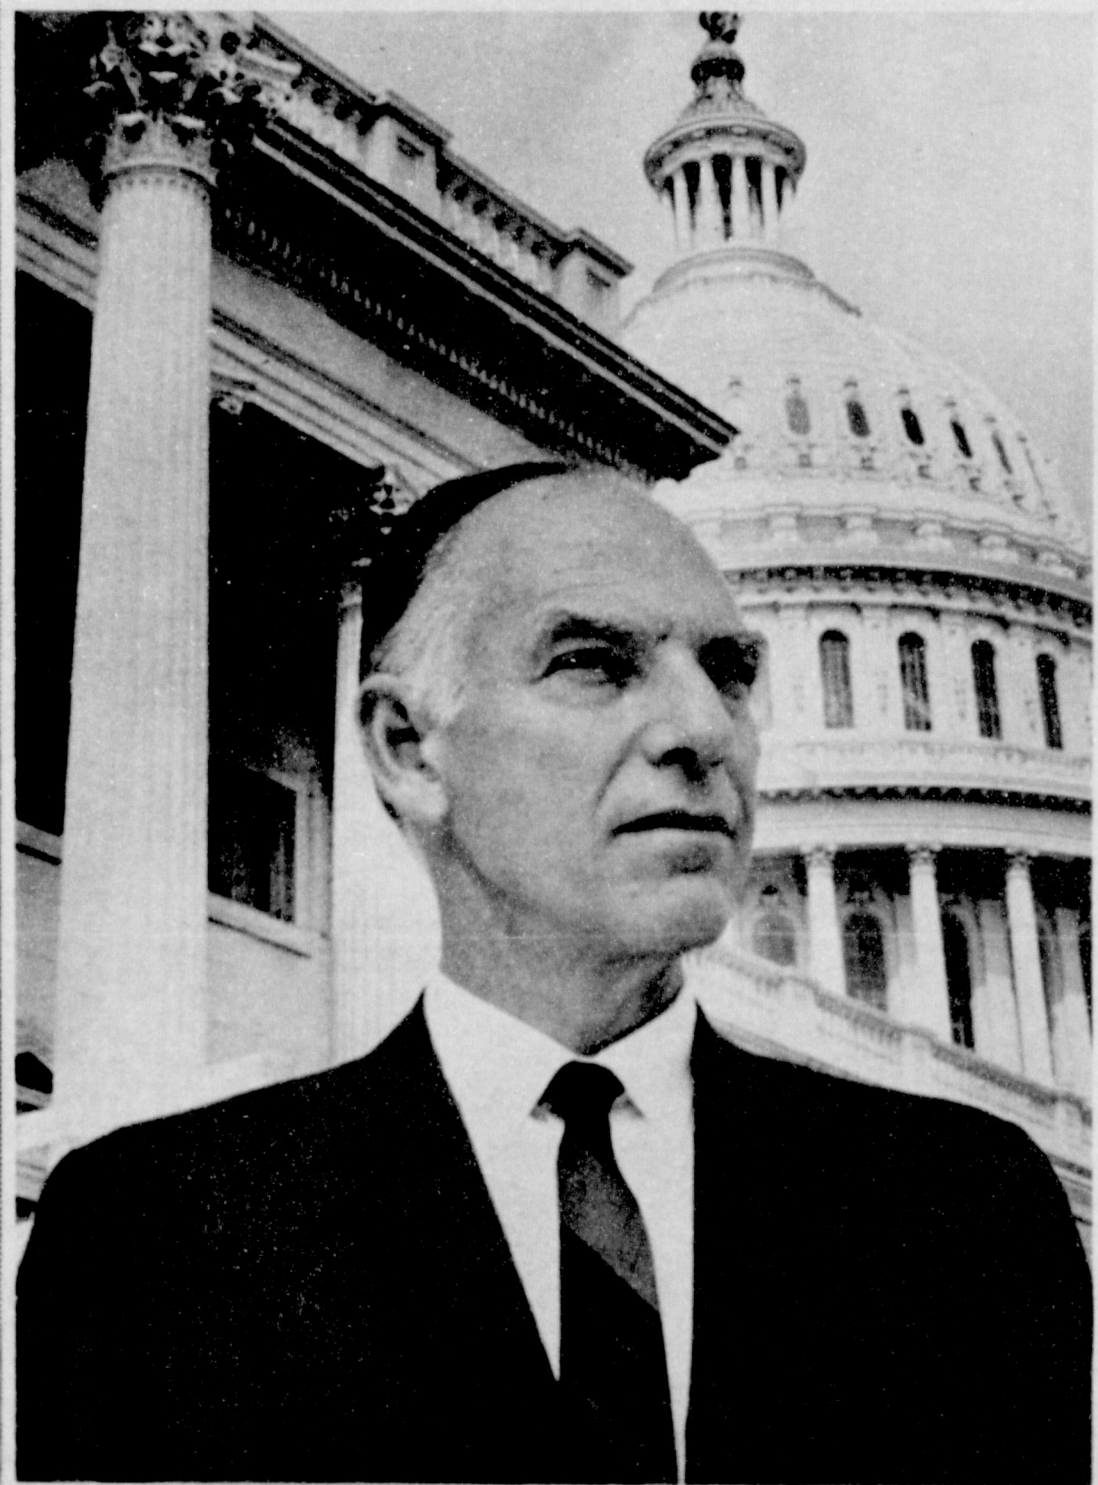

"This is why I have worked for a more meaningful and comprehensive attitude toward vocational and technical training in our area in order to train our young people to take advantage of the job opportunities which await them in their own home communities.

"And all this is only part of what a Congressman's job should be," Purcell said. "I enjoy the opportunities for service which it offers. And I pledge my very best efforts to merit the support and confidence which the people of North Texas have shown by electing me to this important office."
