This column's sympathy is with President Thieu of South Vietnam as diplomatic dicker-ing starts on methods of procedure in the proposed Paris peace talks. Thieu insists his country is entitled to more influence than it is getting. At the same time he resents the representation conceded to the Viet Cong. As he sees it, this amounts to diplomatic recognition of the band of cut throats which infiltrated from the north, imposed their treachery and savagery on the country, and now expects to be accepted as a legitimate representative of the country.

It appears as though the American delegation will permit the red insurrectionists equal status with the legitimate government of Saigon. Very likely Washington has good intentions of seeing that Saigon will get a fair shake in the dealings, but to start by exalting the enemy and belittling the ally seems at least a questionable policy. Especially so when face saving is so important to the orientals. This is like saying that the Saigon delegation will be mere subordinates to us at the table, but the Cong will be somebodies.

It makes us wonder whether we have lost sight of our objective over there. Our purpose, we said, was to help South Vietnam preserve its freedom and independence. But suddenly we take over the country's very proper and very important function of standing up as its own representative at the negotiations.

If this situation is a sample of our future procedure the outlook in Paris is gloomy indeed. Everyone knows the red way. They will insult and stall and propagandize until we give in one point after another, just like this one. When it's over we'll agree to a coalition government, which all the world recognizes as the first step toward eventual red take over.

The net result will be that thousands of lives plus all the anguish and sacrifice will have gone down the drain. Reds will get what they wanted in the first place. Brutal purges will wipe out remaining loyalty to the original government. Expansion of the red menace will continue. The red goal of world domination will become a greater threat than ever.

These are the dreary consequences indicated as we begin submitting to red demands. Nevertheless this column, always optimistic, does not abandon the hope that our side will apply real statesmanship when the chips are down. We hope the only purpose of present concessions is to get the real business under way, and that our delegation then will show the toughness we have all wanted for years.

If reports we hear of the war are correct, it is hard to understand why we halted the bombing. They say the enemy was hurting badly. The time was ripe to intensify pressure and go for a surrender. Instead LBJ chose to relax on the very remote chance that the enemy at last will act civilized. Why? Was it a matter of political expediency? Or was it regarded as the way to save more lives while attaining the main goal. So far the sign isn't encouraging. It doesn't seem to improve our chance for an honorable settlement, but it improves the (Continued on page 8)

Bank Reports Big Deposit Increase

Deposits at Muenster State Bank have grown substantially during the past three months while loans have dropped slightly. This fact is reflected in the quarterly report ordered this week by the state banking commission on condition as of Oct. 30, 1968.

Deposits at the close of that day were \$4,082,579.02, a gain of \$441,310.49 since the report of July 29. Total loans were \$1,709,288.41, a drop of \$71,405.28.

Likewise reflected is a gain of deposits and a drop of loans for the past year. Deposits then were \$3,554,522.26 and loans were \$1,879,753.66.

Total deposits in the four Cooke County banks show an increase of \$2,636,651 for the past year. The new figure is \$28,144,205.49. On October 4 last year it was \$25,507,554.71.

Loans by the four banks increased about \$900,000 for the year. They are \$12,607,884.67 now; were \$11,717,952.88 a year ago.

Bayer Wins Big in Precinct 4 Contest

By a landslide vote Robert Bayer was swept into the office of Precinct 4 Commissioner in Tuesday's general election. He polled a strong majority of 1183 to 217 over Jack Jones, incumbent, who held the office since the death of Earl Robison in April.

Jones was appointed to the job by County Judge William Carroll to fill the vacancy until the general election, however Bayer was named by Democratic precinct chairman of the area as the party's nominee in the election. Jones later entered the race as an independent candidate.

The overwhelming support of voters in his home box gave Bayer a long lead in his race. The count here was 677 to 23, more than 95 per cent. In addition he received more than 80 per cent of the North Lindsay vote and strong majorities in four of the five remaining boxes. Marysville with a count of 16 to 12, was the only box favoring Jones. Other counts were Muenster 677-23, Lindsay 229-50, Ward 2 Gainesville 163-83, Bulcher 32-11, Sivells Bend 26-21, Absentees 44-7.

Bayer took on his new job Wednesday by authority of Judge Carroll.

Robert Bayer is a native of Muenster and a life long resident except when he served

Parish Will Have Clothing Drive November 11 - 13

Muenster's annual clothing drive for the Holy Father's storeroom to benefit the world's needy has been set for three days next week, Monday, Tuesday and Wednesday, Nov. 11, 12, 13.

Collection depot will be the upstairs of the Parish Hall and all who have clothing, shoes and bedding to donate are urged to get these items in early so they can be sorted and packed for shipment. The drive is sponsored by the parish St. Anne's Society.

Volunteers are needed, society officers said, and all who report for work will be welcome.

Student Teacher

Joan Margaret Kaiser, daughter of Mr. and Mrs. C. J. Kaiser, is among 443 students of North Texas State University serving as a student teacher during the 6th semester. An elementary education major, she is assigned to the Denton school system.

Memorial Service

Gold Star parents and family members and other residents of Muenster are invited to join the local VFW Auxiliary in a short memorial service at 10 a.m. Monday, Nov. 11, at Sacred Heart Cemetery.

in the armed service during the Korean War. He is a farmer and stockman and was associated for many years with his brother Arthur in the Ready Mix concrete business. In recent months he sold his share of the concrete business to Arthur. His wife is the former Miss Rosalee Fuhrman. They have 7 children and live 2 miles north of Muenster.

TWELFTH GRADE

Cynthia Bindel, Kaye Klemont, Beverly Koelzer, Joan Fetsch, Janice Grewing, Ann Stewart, Margaret Kralicke, Mary Jane Swirczynski, Lynn Reiter, J. D. Luttmer, Diane Hess, Marianne Yosten, Ken Schmi z, Dolores Pels.

GARELD G. PAYNE, music director of Muenster Public School has completed a Master of Music Education degree at North Texas State University. The degree will be conferred at mid term ceremonies January 28. Payne is the son of Mr. and Mrs. Eugene Payne, Weatherford, Okla.

MHS Classes Pick Queen Candidates For Homecoming

Candidates for queen at the Muenster High School homecoming next week have been elected by their respective classes and the queen will be chosen by members of the football team.

They are Cheryl Owen, senior, Janell Reiter, junior, Patty Felderhoff, sophomore, Pam Walterscheid, freshman.

The team's selection will not be revealed until the traditional crowning ceremony at half time of the Muenster-Windthorst football game. At that time the four candidates will be escorted by exes, the queen will be identified and crowned and the other three will receive flowers.

Other homecoming activity includes a dinner-dance and short meeting after the game.

Notices have been sent to exes whose names are on file. Others too are welcome and the committee will appreciate hearing from those who will attend, as an indication of how many to prepare for. Word should be sent to the school.

Knights Plan for District Initiation Here December 1

Knights of Columbus at their meeting Wednesday night started preparations for a district initiation to be held here on December 1.

The event will be extended into an all day program beginning with Mass at 11 o'clock, conferring of second and third degrees and supper and social gathering at night. Councils participating are Muenster, Gainesville and Denton.

First degree for the three councils will be conferred next Tuesday night, November 12, 8 o'clock, in the KC Hall.

Knights also set Sunday, November 17, 3 p.m., as the date for the council's annual memorial service.

CDA to Stage Holiday Bazaar November 8 - 9

It's been looking like Christmas for several weeks in the homes of Muenster CDA members as the organization prepared for its annual big benefit event - Holiday Bazaar.

Working like Santa's helpers the ladies sewed up plain and fancy articles to go on sale Friday and Saturday this week. On those two days members will be in the kitchen baking to provide a steady flow of homemade breads, pastries and candy.

The KC Hall will be bazaar and bake sale headquarters and members will be in business from 8 a.m. to 6 p.m. both days.

Other attractions will be a white elephant sale and a book sale. And coffee will be served at all hours. Everybody is invited to attend and get a head start on Christmas lists.

Tigers Lose 46-12 To Powerhouse of Big D Chargers

The Chargers of Pleasant Grove Christian had much too much for the Tigers and romped away to an easy 46-12 win in Dallas Friday night.

They made good use of their long advantage in weight and speed and reserve strength while the Tigers were handicapped by the injury of their top performer, Lee Roy Hess, who left the game at the third quarter and played below par before then.

The hosts showed their muscle as the game opened, moving 70 yards to the first TD in five plays. A pass for 29 counted for 6 points and a run added 2 more.

Next drive was delayed by two 15 yard penalties. The second one stalled the Chargers and they lost possession on the Tiger 40. However they resumed the push after a Tiger kick four plays later. (Continued on page 8)

Tigers Will Host Haltom City B Saturday Night

Joe Felderhoff and his Sacred Heart Tigers have their fingers crossed this week, hoping that the pressure will be slightly relieved when they square off against Haltom City B Saturday night. They have been outclassed four consecutive weeks and would like to have an even break for a change.

Their only grounds for this hope is the fact that the team is entirely unknown to them. Maybe this is the time to break the losing streak. Maybe it's another tough one. The next few days will tell. Meanwhile the Tigers are hustling as usual to get ready.

One of their major problems is the loss of Billy Bayer from their already undermanned team. He is out with a severe burn on his hand. Lee Roy Hess is due to be in the lineup but probably below par. He's nursing a sore arm.

Alumni Reelects Officers, Plans For Thanksgiving

Sacred Heart Alumni Association, meeting Wednesday night, reelected officers for another year and made plans to join the Home-School Society in sponsoring Muenster's annual Thanksgiving observance.

Alumni members will be in charge of the traditional turkey and sausage dinner at noon and the dance at night. Corky and the Del Rays will play. All events will be held in Muenster Parish Hall.

Officers reelected are Charles Bayer, president; Ervin Henschel, vice president; Mrs. Fred Knabe, treasurer; Mrs. Frank Schilling Jr., secretary.

Charles Bayer presided for business and Mrs. Fred Knabe gave the financial report on the homecoming and other events.

Nixon Favored In Local Voting

Muenster voters turned out about 85 per cent strong in Tuesday's general election and gave very substantial support to the newly elected president of the United States.

In the two local boxes they gave 547 of their 871 votes to Richard Nixon for a percentage of just under 63. Hubert Humphrey received 191 and George Wallace received 133.

In doing so they got out the biggest vote here in recent years. A report from the two election judges shows a total of 890 voters as compared with a registration list of 1073. However a number of duplications were found on the list indicating that the actual number of eligibles is considerably less. Making additional deductions for persons who voted absentee, the real voting strength is estimated at nearer 1000.

Another feature of the election was extensive split-ticket balloting. After voting strongly against the Democratic nominees in the top position the local electorate gave a moderate majority to the Republican nominee for Congress and then favored the Democrats.

Results of the most hotly contested races in the south and north boxes respectively were as follows:

For president: Humphrey 22 and 169; Nixon 104 and 443; Wallace 39 and 94.

For congressman: Purcell 61 and 370; Crowley 98 and 307.

For governor: Smith 72 and 402; Eggers 90 and 281.

For state representative: Parker 82 and 450; Martin 70 and 200.

In other contested state races the Democratic nominees had strong leads over the Re-

publicans. The Democratic nominees for county offices were unopposed, except Bayer in the special race for the unexpired term of Earl Robison as Precinct 4 Commissioner.

County wide the outcome was somewhat similar to Muenster's. Nixon led the presidential race, but by the lower percentage of 48. Totals in that contest were: Humphrey 2716, Nixon 3797, Wallace 1412. In all other races the Democrats had comfortable leads. Purcell led Crowley 4348 to 3229. Smith led Eggers 4724 to 2941. Parker led Martin 4747 to 2567.

County officials elected without opposition were District Judge Boyd, County Attorney Sullivant, County Sheriff Pratt, Tax Assessor-Collector Hillis, Precinct 1 Commissioner Rudd, Precinct 3 Commissioner Taylor, Precinct 4 Commissioner Bayer, Constable Donaldson.

Only two of the proposed 14 amendments to the state constitution were favored locally. They were No. 7 for reduction of state ad valorem tax and 14, concerning time of ineligibility for legislators to hold other offices.

Hornets Romp to 73-0 Win Over Lindsay Knights

The Hornets of Muenster High marked up their seventh straight win of the season last week by annihilating the Lindsay Knights 73-0.

It was a victory in which every player of the 38 member squad had a share. Second and third stringers predominated in the lineup during all of the last two quarters and part of the second.

They got on the scoreboard in a hurry when Terry Miller intercepted a lateral pass on the second scrimmage play and went 35 yards for a score. John Monday followed over for additional points.

Following Lindsay's kick on its next series Muenster promptly lost the ball on a fumble. Hank Arendt recovered it for Lindsay but three plays later Miller made another interception giving Muenster the ball with 73 to go. Four plays made the distance. Sam Sparkman made 27, Clifford Sicking 21, Sparkman 9 and a pass from Monday to Sparkman made the last (Continued on page 8)

Traditional Feud Booked Friday for Hornets, Panthers

According to the records the Hornets' next game should be in the bag, but neither Coach Richardson or his boys are counting it that way. They are still painfully conscious of last year when they were favored over the Panthers and got dumped 8-0.

Furthermore they recall that Saint Jo has a tradition of being up for Muenster. Regardless of past performance the Panthers are expected to be at their best. So, there is no coasting in the Hornet camp this week. When they go to Panther Field Friday night they'll be determined to avoid a repeat of the 67 boner.

Physical condition as well as the mental attitude appears to be right. Coach Richardson said that all of the boys are in good condition and eager to get into the tussle.

Band Has Part in NTSU Half Time

The 40-member marching band of Muenster High School, under direction of Gareld Payne, was one of 15 bands from a wide area of North Texas participating in homecoming festivities at North Texas State University last Saturday. All were guests of Maurice McAdow, director of bands at NTSU.

The bands presented a pre-game parade in which they marched and played as separate units, and combined with the NTSU band for the half time show. Special music for that event was received previously and rehearsed by each band.

NO DELINQUENCY

What over-crowded, run-down, low-income area of New York City has virtually no delinquency? Where are children allowed to stay up past traditional bed-times? Where do they hardly ever fight, cry and quarrel—the answer is Chinatown.

Richard T. Sollenberger of Mount Holyoke College spent a summer there trying to find out why. Writing in the "Journal of Social Psychology," he points out that the Chinese lead stable family lives. They have little divorce. Women honor men. Responsibility for

children is shared by both parents.

Sollenberger found that Chinese families differ from American families in two basic respects: (1) they are more permissive, (2) they do not allow aggression in their children. He learned further that 35% of Chinese mothers weaned their children at the age of two years; 66% did not begin toilet training until 15 months; 44% of the families forbade fighting and 56% permitted sibling squabbling only rarely.

In contrast American mothers, if they nurse their children at all wean them early. They are anxious to begin toilet training at the first possible moment. They are permissive in letting their children yell and fight.

WHO PAYS THE TAB?

The Pampa, Texas, Daily News asked a question on its editorial page a few days back that we, too, would like to see answered: "Who pays the travel costs for the leaders of the New Left?"

The most recent hearings before the House Committee on Un-American Activities gave us a peek at some of the financing of the Chicago invaders. But a Washington newsman who made several calls to Congressional committees which have investigated radicals in the past developed the fact that none has ever conducted hearings dealing specifically with this "who pays the tab" issue.

While it is true that many of us can make an educated guess concerning the financing of these traveling trouble-makers, there is no concrete evidence upon which persuasive argument can be submitted to young people who are being duped. We know, of course, that some of the funds come from affluent backers of leftist causes; but public hearings would reveal these financial supporters of planned chaos are, and it can only be useful for the long-suffering taxpayers in this country to know. Certainly the funds derived from the sale of pamphlets and magazines isn't sufficient to underwrite the trips back and forth across the country, to Cuba, Hanoi, Moscow and Peking. Even the fees for lecture engagements on college campuses are hardly adequate to finance all those expensive airplane jaunts, allowing for the probability that the USSR carries the freight without charge in its areas of the world.

The Hippies and Yuppies and downright Communists may live without clean clothes or the luxury of a hot-water bath, but the elite who finance them are not presumed to deny themselves anything that money or power can provide. The big wigs in Moscow and Peking may preach poverty and equality, but nobody has ever caught them practicing either.

If the House Committee on Un-American Activities or the Senate Internal Security Subcommittee would do a thorough job on the financing of the new Left when Congress reconvenes, we have a hunch that even some of the followers of the Communist line would have second thoughts upon seeing what creatures pour the money into the cause.

RED LESSON

They won't admit it, of course, but there is a whole book of lessons for a radical and exhibitionist in a demonstration which took place in Moscow recently.

Three Britons, who displayed signs and distributed leaflets opposing Russian action against some writers and political prisoners, were arrested and deported.

They had not hit anyone. They had not stormed an embassy. They stood and protested. But out they went.

Those in the United States of America who so ardently support the Soviet way of doing things, and are fond of violently protesting their antagonism to the American way, should cherish their freedom to do so in the light of his lesson. But they won't, of course.

Statewide Meeting Held for Directors Of Adult Education

The Federal Programs Coordinator and Director of Adult Basic Education of an eleven county area, Mr. George Petrus, and the Cooke County Public Schools Superintendent, Mr. E. F. (Kit) Carson, have just returned from Austin where they attended a statewide director's conference for Adult Basic Education.

The Cooke County Public Schools is sponsoring the adult program which includes funding of 33 adult classes in the area. The program itself is designed to meet educational needs of those adults who are 18 years old, or older, who have less than a high school education. It provides an opportunity for adults to refresh themselves on subjects that are included on the General Education Development exam for their High School Equivalency Diploma issued by the Texas Education Agency. Many schools in the area are now offering the Adult Basic Education course to interested adults.

The statewide conference was concerned with testing goals and guides for curriculum planning for the Adult Education Program. Mr. John R. Guemple, Assistant Commissioner for Vocational and Adult Education from the Texas Education Agency, addressed the conference on needs and expectations of future Adult Education in the State. He referred to the Governor's Committees Report on Education as recommending to the Legislature a great need for increasing Adult Education in the state to meet the needs of its adult population.

HOW TO DO IT
 What are some of the best ways to destroy democracy and the American way of life? Here are a few:

Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.

Get control of all means of publication, and thereby:

Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.

Divide people into hostile groups by constantly harping on controversial matters of no importance.

Destroy the people's faith in their natural leaders by holding them up to ridicule and criticism.

Always preach true democracy, but seize power as fast and as ruthlessly as possible.

By encouraging government extravagance, destroying its credit, raise fears of inflation, and general discontent.

Foment unnecessary strikes in vital areas. Encourage civil disorders, and foster lenient and soft attitude on the part of government toward such disorders.

By specious argument cause the breakdown of the old moral virtues of honesty, sobriety, continence, faith in the pledge and word and ruggedness.

Then cause the registration of all firearms in some pretext with a view to confiscating them and leaving the populace helpless.

Does some or all of this seem evident today? Well, it's interesting to note that these rules were discovered in 1919 in Dusseldorf, Germany, and that a copy of them was obtained from a known Communist Party member by Florida State Attorney. And this individual admitted the rules were a part of his unit's plans. Think it over.

—Farmersville Times.

SNEAKY SWITCH

Following the announcement of price increases by one of the nation's major auto manufacturers, the President's cabinet committee on price stability noted that this action was "a severe setback to the cause of price stability." The further observation was made that of the automobile industry as a whole followed the pattern of this one company, it would cost "... the American consumer \$750 million."

Once again, officials in government are slipping the shoe of blame for the rising prices of inflation on the wrong foot. Outlandish federal deficit spending, this year running at some \$25 billion, is the primary factor causing inflation. With all the high-priced economists working for the government, you would think one of them might look back and discover that on an average, during the past 18 years, every \$2.6 billion deficit in the federal government has been accompanied by a one per cent increase in all prices. It is just as simple as that.

A Midwest newspaper ran this help-wanted ad in its classified section: "Wanted, big executive, from 22 to 80, to sit with feet on desk from 10 a.m. to 4:30 p.m., watching other people work. Must be willing to play golf every other afternoon. Salary to start: \$1,000 a week. We don't have this job open, you understand. We just thought we'd like to see in printing what everybody is applying for."

 LIQUID MANURE

HANDLE MANURE AS A LIQUID--
 Quickly, Easily,
 At a low cost!

The new Clay Honey Wagon liquid manure spreader allows one man to load and spread 5,000 gallons per hour. It's the first real answer to getting valuable manure (liquid, solids and bedding) out of pits or livestock areas and spreading it on your fields. Easy loading is provided by Honey Wagon's dual purpose PTO-powered pump which produces a vacuum in the big 800 and 1,475 gallon tanks. Tank fills in 4 minutes or less. Reverse process and pump produces pressure to force manure out in exceptionally even, 25-foot-wide spray pattern. Agitator in tank homogenizes solids and liquids to keep tank from ever clogging. Isn't it time you started handling your manure the logical way ... in a liquid? See us today for complete details ... or better yet ...

Historic Markers To Be Erected at Two County Sites

The erection of Official Texas Historical Markers for the "Kiowa Raid of 1868" and the "First Cooke County Surveyor — Daniel Montague" has been announced by Charles Woodburn of Amarillo, president of the Texas State Historical Survey Committee. Both are "State Matching Fund" markers.

According to Miss Margaret P. Hays of Gainesville, Chairman of the Cooke County Historical Survey Committee, these two markers will be dedicated on Sunday afternoon, November 10, in Cooke

County. A motercade will depart from the Courthouse in Gainesville at 3:00 p.m. for the dedication of the Kiowa marker on I.H. 35 seven miles south of Gainesville in the rest area east of the highway. Following this first dedication, the motercade will proceed to the site of the Daniel Montague marker — on U.S. 82 about seven miles west of Gainesville in the rest area on the south side of the highway.

Dr. Ben Procter, Professor of History at Texas Christian University, will be the guest speaker for the dedication honoring Daniel Montague. Special guests will be descendants of Montague; his great, great granddaughter, Mrs. D. W. Shepherd, will unveil the marker.

The Kiowa raid of 1868 was the last big Indian raid in Cooke County. Attacks were

made in both Montague and Cooke counties. Descendants of persons who were affected by this raid were invited as special guests for this dedication. The marker will be unveiled by Mr. Kyle T. Sheegog, whose grandmother was captured by the Indians during this raid, taken by them from the southwest part of the county to the edge of Gainesville and abandoned there in the snow in the belief that she was dead.

Mrs. George Spaeth Celebrates 84th At Family Reunion

Oct. 27 was a happy day for Mrs. George Spaeth of Lindsay and her family through the fourth generation. They were all at Mrs. Spaeth's home celebrating her 84th birthday which was Tuesday, Oct. 29.

The honoree was showered with gifts and there was a birthday cake with 84 candles made by a daughter-in-law Mrs. Henry Spaeth of Gainesville.

The cake was served with punch to the large group present.

Those attending were Miss Frances Spaeth of Denison, Mrs. Walt Barry Jr. and son James of Dallas, Messrs. and Mmes. Joe Kneupper and family and Henry Spaeth of Gainesville, Messrs. and Mmes. Al Haverkamp, Wilfred Reiter, Andy Schoech and Arthur Felderhoff and their families of Muenster.

Grandchildren Ancilla Kneupper and Dianne Felderhoff and a friend John Winters, all of Denton, the Richard Schumachers and family of Gainesville and the Walter Haverkamps and children of Whitesboro.

Also Mr. and Mrs. Lawrence Blumberg and the honoree's sister-in-law, Mrs. Ed Blumberg of Pilot Point, a nephew and his wife, Mr. and Mrs. Hugo Spaeth and two daughters of San Antonio and another sister-in-law Mrs. Rocus Spaeth of Harlingen.

The Hugo Spaeths were weekend visitors with Muenster and Pilot Point relatives. His aunt Mrs. Rocus Spaeth accompanied them back to San Antonio after a two week visit in Pilot Point and Muenster. She is formerly of Pilot Point.

After the party Mrs. George Spaeth accompanied the Wilfred Reiters to Muenster for a visit.

Cooke County 4-H Horse Club Has Officer Election

Cooke County 4-H Horse Club has elected officers for a new year with Carolyn Huckabee heading the group as president.

Other new officers are Milton Ward, vice president; Lenora Fleitman, secretary-treasurer; Carol Shasteen, reporter; Allen Fleitman and Mike Graves, recreational leaders. Milton Ward, retiring president, presided.

Waymon Moore, assistant county agent, met with the young people, checked membership enrollment lists and added five new members: Judy Reeves, Debbie Powell, Rodney Robison, Joe Banks and Smoky Bagwell.

Mr. Moore also distributed record books and reminded members to keep an accurate record in order to improve animal health care and the economic condition of their horse management program.

Announcements concerned a trail ride in the Marysville area on Nov. 10 in which the club has been invited to participate, and the Cooke County Junior College Rodeo on Nov. 22-23. Competition is open to high school and college performers.

In a resume of club activities, Mike Graves, Mary Lou Fleitman and Mike Hamer were recognized as county 4-H Achievement Awards winners at the annual 4-H Banquet in the horse division; Mike Graves also represented his club in district and state finals; and Allen Fleitman was recognized for winning the county horse methods demonstration.

In addition to their club activities, 4-H Horse Club members exhibited in area shows and participated in the Cooke County Fair Rodeo.

Carol Shasteen is 1968 Cooke County Fair Rodeo Queen; Carolyn Huckabee, second runner-up in the contest was voted Miss Congeniality; another member, Janet Graves, is Gainesville Riding Club Sweetheart for 1968-69.

The next business meeting is scheduled for Nov. 26 at 7:30 p.m. in the Gainesville Home Demonstration Building.

J. W. Fishers Host Baptismal Dinner

Mr. and Mrs. J. W. Fisher were hosts Sunday in their home for a christening dinner following the baptism of their newest grandchild, infant Joseph Brian Pagel, son of Mr. and Mrs. Johnny Pagel. He is named after his grandfather and great-grandfather Fisher.

The service, in Sacred Heart Church, was at 1 p.m. with Father Benedict officiating. Mr. and Mrs. Neil Fisher of Houston attended as godparents for their nephew.

Others at the dinner afterward were the baby's other grandparents, Mr. and Mrs. Jerome Pagel, an uncle and aunt Mr. and Mrs. James Walterscheid of Arlington, the parents and the baby's sister Jean Marie.

Service Held at Rest Home Sunday

Relatives and friends joined residents of Golden Years Rest Home Sunday afternoon for a service conducted by Father Placidus Eckart and singing by Sacred Heart Church choir.

Afterward Rest Home personnel Mrs. Dick Cain, nurses and Johnny Rohmer served punch and cookies to the large group.

News of the Men in Service

Back From Vietnam

James Gehrig has completed his tour of duty in Vietnam and is back at home a civilian. He received his discharge from the Army on Nov. 3. This year was his second in Vietnam. He was there earlier for a year, returned to the states, and volunteered for another tour. He is the son of Mr. and Mrs. George Gehrig and held the rank of Specialist Five.

Earns Promotion

John Henry Streng has received a promotion to Airman Apprentice third class at Fallon, Nevada, where he serves as a cook at the Naval Air Station. He is the son of Mr. and Mrs. Johnny Streng.

New Assignment

Airman Larry Hess left Sunday to report to Weimer, Calif., for a new assignment in the Navy — either sea duty or further training in a specialized course. He did not know when he left here. Larry had spent a two-week leave with his mother, Mrs. Arnold Hess and family. He completed training at the Naval Air Station in Memphis, Tenn., before his leave.

SH Conducts Poll Encourages Vote

Sacred Heart High School students conducted their own presidential poll Tuesday as a civics class project. Nixon won with 82%, Humphrey had 13% and Wallace trailed with 5%.

In an effort to help to get out the vote, students decorated a float and took it around town. It consisted of posters and banners calling attention to the three presidential candidates.

Christmas Ideas Program Nov. 12

A program on Christmas Ideas will be presented next Tuesday, Nov. 12, in the Public School Homemaking room by Mary Casteel, home economist for Lone Star Gas Co.

The program will include holiday foods and packaging and distribution of new recipes.

The meeting is set for 2 p.m. and is open to the public without charge.

WARRANT OFFICER CANDIDATE Thomas M. Mosman, son of Mr. and Mrs. John M. Mosman, was an honor student of his class which completed flight training at the Army Primary Helicopter School Oct. 11. He received the "Outstanding in Academic Achievement" award sponsored by the Fort Wolters Chapter of the Army Aviation Association of America. Candidate Mosman is a 1963 graduate of Muenster High School. He attended Texas A&M University prior to entering the Army in March, 1968. His wife, Joan Elaine, is the daughter of Richard L. Phelps, Route 1, Chriesman. —U.S. Army Photo.

Damage Light in 7-Hour Home Fire

A mysterious fire of undetermined origin kept some 12 to 15 of Muenster's firemen busy for almost five hours Wednesday morning at the H. H. Houtchens home ten miles north of town, formerly the Louis Robergs' home.

Mr. Houtchens first smelled smoke about 2 a.m. but was unable to find the source. About 4:30 he found the attic full of smoke, and called the Muenster Fire Department.

The firemen eventually determined that the fire was between the fireplace and the outside brick wall.

The wall was cracked from the heat and smoke was creeping out at various places in the wall and roof. Firemen had to remove several square feet of brick outside and some wood paneling inside to get at the fire.

Despite the long duration damage was moderate. Framework of the wall below and in the attic were charred and smoke had spread throughout the house. Failure of the fire to spread is explained by the scarcity of air in the area. Space between the wall and fireplace was well insulated.

Classes See Movie Re-enact Scenes

Students and faculty members of Sacred Heart High School joined Monday in seeing a movie, "Nobody Waved Goodbye," shown in the library.

Afterward, English, art, history and religion students discussed the film and the following day in class dramatized scenes from the play.

4-H Meeting Tuesday

Muenster Community 4-H Club will have its November meeting next Tuesday, Nov. 12 at 7:30 in the TP&L Community room. Waymon Moore, assistant county agent will present the program on History and Projects of the 4-H Club.

Beginners at SH Give Play Twice

Beginners of Room I, Sacred Heart School, appeared in their first dramatic production of the term Monday when they presented "The Littlest Witch" for students and faculty Monday afternoon and gave a repeat performance for parents, grandparents and friends Monday night. Sister Genevieve directed.

Originally scheduled for a Halloween presentation, the play was delayed on account of conflicting activities.

Christie Felderhoff starred as the littlest witch and lead supporting roles were played by Nancy Luke as the Old Witch of the Forest, Burt Miller as the First Elf and Mel Walterscheid as Old Mr. Owl.

All the other little girls were witches and all other little boys were owls.

Actors recited and sang their roles and the entire class joined in three square dance numbers and singing. The grand finale, "Texas Schottische," was called by Michael Sicking.

There was no admission charge but the nighttime audience contributed free will donations to top the classroom's reading table with Formica.

Garden Club to See Cuba Films

Muenster Civic League and Garden Club will meet Monday night, Nov. 11, for the monthly business session and a program of Cuba films.

Mrs. Oscar Detten and Miss Bettye Dodds will be co-hostesses in the TP&L assembly room and Dr. and Mrs. Alfredo Antonetti will present the program. Starting time is 8 o'clock.

4-H Leaders Host County Meet Here

Leaders of Muenster 4-H Community Club and Sacred Heart 4-H Club were hosts Tuesday night for a meeting of Cooke County 4-H leaders in the TP&L community room.

Twenty-three attended representing clubs at Walnut Bend, Callisburg, St. Mary's of Gainesville and Gainesville Community Club.

Discussions concerned the district leaders workshop on Saturday, Nov. 16, in the Baker Hotel in Dallas and arrangements were made for a delegation of eight from Cooke County to attend. Also discussed was the annual Share the Fun Contest.

This event has been incorporated with the annual county-wide Christmas party for 4-H members which will be held at CCJC on Monday, Dec. 2. Leaders planned refreshments. The contest will provide the evening's entertainment.

After adjournment Muenster hostesses served coffee and cake.

Group of 69 from SH at NTSU Play

Two buses and a number of cars took students and faculty members from Sacred Heart High School to Denton Tuesday night to see Shakespeare's "Taming of the Shrew" at North Texas State University.

The group viewed the faculty's art exhibit before the show.

Attending with sixty students were Father Benedict, Brother Thomas, Sisters Alberta, Florentine, Genevieve, Roberta, Richard and Helen and Mrs. Joe Felderhoff, Mrs. Ed Schmitt and Miss Linda Yosten.

Whitesboro Kids Nudge Cubs 22-12

Twice the Tiger Cubs caught up in their game with Whitesboro Elementary Tuesday night, but they failed to do it the third time. In the end they were behind 22-12.

Starting the game the visitors reached the 2 before they were stopped. Next time they did better and scored on a 21 yard pass play.

Cubs tied the score quickly after that on a slick keeper play by Gary Endres for 85 yards.

Early in the second period Whitesboro added 6 on a 60 yard run, and the Cubs came back a second time. It started with a fumble recovery putting the Cubs in business on the 40. Mark Schmitt stepped off 15 yards, Alan Miller gained 15 more on a pass from Gary Endres, then Miller ran for the last 10. The score was 12-12 at half time.

Third quarter was a stand-off in midfield, but the game got hot early in the fourth. A 35-yard touchdown pass by Whitesboro was nullified by a clipping penalty, then possession changed twice on interceptions before the visitors went 10 for the third TD and added bonus points on a pass.

A safety near the end gave Whitesboro 2 more when a kick formation was fouled up by a bad pas from center.

Monday Is P.O. Holiday

The Post Office will observe Veterans Day on Monday, November 11. Window service will not be provided and the rural carriers will not serve their routes on that day. However regular lock box service will be provided and all outgoing mail will be picked up from the out-of-town collection box at 5:30 p.m.

Thank You

... for your vote, your support and your help you gave in my race for Precinct 4 Commissioner.

Local News BRIEFS

Former Muenster resident Adolph "Shorty" Herr of Arlington was back in town Tuesday making pop calls on relatives and friends. He's still in the car business — used car sales manager for Graff Chevrolet at Grand Prairie.

Roy Monday of Hess Furniture Company is in Oklahoma City this week attending an Armstrong floor covering shortcourse.

Ed Endres, Al Hess and Al Fleitman of Muenster and H. L. Schmidt of Valley View represented Muenster Mutual Fire Insurance Association at an insurance meeting in Temple Sunday night through Tuesday.

Mr. and Mrs. Clarence Albers of Lewisville visited Gainesville relatives Saturday overnight after attending the Hospital Auxiliary's benefit dance here and were back Sunday to have dinner with her father Fred Herr and family.

Glenn Klement is among the pledges of the Geezles, one of the 16 social fraternities at North Texas State University. He is a sophomore at NTSU, a 1967 graduate of Muenster High School, the son of Mr. and Mrs. Edgar Klement.

Sally Ann is the name of the infant daughter of Mr. and Mrs. Herman Stoffels. The little girl was baptized Sunday at 3 p.m. in Sacred Heart Church, Father Andrew officiating and Miss Pam Stoffels, baby's sister, and Albert Stoffels, an uncle, attending as godparents.

Sister Amora and Sister Gerarda made a flying trip to Pocahontas, Ark., during the weekend to attend the 100th anniversary celebration of St. Paul's Parish. Pocahontas is Sister Gerarda's former hometown and both nuns have taught there. Others they enjoyed seeing at the celebration included Sister Anselma, Sister Frances, Sister Monica and Sister Christopher who are stationed there this year and Sisters Henrietta and Edna of Little Rock, Sister Gabriel of Wynn and Sister Amora's sister, Sister Lutgardis of Jonesboro. The two local nuns were grounded twice on their flight on account of the weather, at Dallas, and at Jonesboro. They left Saturday and returned Monday.

Mr. and Mrs. Leonard Endres and Donna of Oklahoma City favored Muenster kin and friends with a visit Friday night and Saturday. They spent the rest of the weekend as guests of their son, Dick and family in Fort Worth.

Walt Jr., Mildred and I wish to express our deepest thanks to the many people of Muenster who worked so hard during our campaign.

Thanks again from the Walt Parker Family.

To the Voters of Muenster & Cooke County

I take this opportunity to express my sincere appreciation for all the help and support given me during my campaign.

I will serve in the Congress to the best of my ability so that I will continue to have your respect and support.

Muenster Juniors Nip Saint Jo 46-0

The Little Monsters of Public School Elementary ran wild Tuesday night, trampling the Panther Cubs of Saint Jo 46-8.

The win gives Muenster kids second place in the junior 9-B loop with a record of 2-1. Their loss was to Valley View. Wins were over Lindsay and Saint Jo. And they have one game left on the schedule, at Era on Nov. 19.

Muenster got an early start in its Tuesday scoring spree. It blocked the kick ending Saint Jo's first series and took over on the 7. Jim Endres went over from the 4 on second play after that and Hank Trachta made bonus points.

Shortly after that Trachta marked up 6 more points on a nice 25 yard run. Endres added bonus points.

And again before the half Endres scored on a 35 yard ramble and Trachta made 2 more. The score was 24-0 at the half.

Next half Trachta made two more TDs. Early in the third quarter he ran for about 25. Near the end he went 50 on a screen pass from Endres. A run by Endres was good for 2 after the first score, a pass from Endres to Larry Grewing was good for points after the last TD.

Earlier Curtis Klement got on the scoreboard with a 4 yard plunge and the extra point try following it did not go.

Saint Jo scored before Muenster's last one, on a 20 yard pass play and ran for the 2 extra points.

County FB Sends 8 Delegates to State Convention

Eight official voting delegates from Cooke County Farm Bureau will attend the 35th annual meeting of the Texas Farm Bureau Nov. 10-13 in Dallas, according to J. T. Cole, president of the county organization.

Representing this county will be Mr. and Mrs. J. T. Cole, Mr. and Mrs. Charley Kammerdiener, Mr. and Mrs. Martin Krahl, Mr. E. V. Fox, and Mr. Al Walter.

More than 800 voting delegates from 203 organized county Farm Bureaus will adopt policies to guide the farm organization next year. They will also approve recommendations on national issues to be forwarded to the annual meeting of the American Farm Bureau Federation Dec. 8-12 in Kansas City.

County delegate strength to the state convention is based on membership. Cooke County FB ended its fiscal year Oct. 31 with 731 member families enrolled.

Convention headquarters in Dallas will be at the Baker Hotel. Some of the general sessions and special events are scheduled for the Dallas Memorial Auditorium.

The Nov. 10 program includes state finals in the young people's talent find and discussion meet competition. Monday highlights will include an address by TFB President Sidney Dean of Victoria, administrative report by Vice President M. F. Frost of McAllen, and financial report by Secretary-Treasurer Steve Lilly of Nacogdoches.

Also scheduled that day are a recognition program for county Farm Bureaus, special conferences, district caucuses and ladies' luncheon. The finals of the TFB queen contest will be that evening.

Guest speakers are featured on the Tuesday morning program. They include Lieut.-Gov. Preston Smith, State Rep. R. H. Cory of Victoria and American Farm Bureau Federation President Charles B. Shuman. Arthur Holst, Peoria, Ill., nationally-known after dinner speaker, will address the banquet that evening.

The voting session will get under way Tuesday afternoon. It will continue through Wednesday afternoon until all of the more than 1,200 proposed resolutions from county conventions have been considered. State board members from six districts will be elected for two-year terms as the last order of business. Following adjournment, the board of directors will meet to elect officers from among their numbers.

"My, how careful you are of your toys — you've picked up every one. I guess your mother promised you something for doing it."
 "No, she said I'd get something if I didn't."

STAGE Conducts Membership Drive

People of Muenster are being invited this week to join STAGE, an organization designed to improve entertainment and culture facilities in Gainesville. The membership drive was started on Nov. 3 and is to end on Nov. 9. Mrs. Earle Otto is serving as its local representative.

The letters of the organization's name stand for "Some Thing Around Gainesville Exciting" and the word hints that the excitement will be presented on the stage. Programs will be musical and two on schedule now are the NTSU Symphony Orchestra and NTSU Lab Band.

Membership fee is \$7.50 for adults, \$3.50 for students, for a minimum of four programs.

Illegal Weapons Must Be Registered Before December 1

Dallas, Texas — Anyone having an unregistered machine gun, sawed-off shotgun, short barreled rifle or other gangster-type weapon, or a device such as a bomb, grenade or land mine, may register it with the Internal Revenue Service without penalty from November 2 through December 1, according to B. Frank White, Regional Commissioner, Southwest Region, IRS.

The Gun Control Act of 1968, signed into law last week, establishes a 90-day period for the registration of certain weapons and destructive devices. The registration requirement does not affect ordinary rifles, shotguns, pistols and revolvers.

The Gun Control Act Law provides that information or evidence submitted in registering a weapon during this period cannot be used against the registrant in any criminal proceeding out of a prior or concurrent violation of the law. However, this would not prevent prosecution for furnishing false information.

Firearms and devices covered by the registration requirements must be registered by filing form 4467, in duplicate, with Director, Alcohol & Tobacco Tax Division, Internal Revenue Service, Washington, D. C. 20224.

"Anyone with a weapon to register," White said, "should write or phone an office of the IRS and obtain a copy of Form 4467. Weapons and devices should not be brought to IRS offices for the purpose of registration."

Former servicemen should register any automatic weapons, pistols with shoulder stocks, or other national firearms act weapon they might have as a souvenir of their military days.

Anyone with a bomb or grenade should make sure it is de-activated. The IRS can have the device inspected and de-activated.

The registration requirement for gangster-type weapons dates back to the National Firearms Act of 1934. There is no federal requirement for ordinary rifles, shotguns, pistols and revolvers, although certain controls on the sales of these weapons become effective December 16, 1968, as part of the new gun law.

Firearms which must be registered under the act include shotguns with barrels less than 18 inches long, rifles with barrels less than 16 inches long and altered rifles and shotguns with an overall length of less than 26 inches, such as shotguns or rifles cut down to pistol size or shape.

Other firearms covered by the registration requirements: fully automatic guns, such as machine guns and pistols that fire more than one shot by a single function of the trigger, and firearm mufflers or silencers. In addition, registration is required of all weapons or devices, except for conventional pistols or revolvers, which are capable of firing a shot and being concealed on a person and weapons formerly classified as "DEWATS" — deactivated war trophies.

Destructive devices, such as explosives, incendiary or poison gas bombs, grenades, rockets, missiles, mines and certain projectile firing weapons, namely anti-tank guns, bazookas and mortars, also must be registered.

White said anyone who possesses a firearm or destructive device, as defined by National Firearms Act, and who fails to register the weapon between November 2 and December 1 as required by the gun control act, will be subject to imprisonment up to 10 years, a fine up to \$10,000 or both for each weapon not registered. Under certain conditions, the law provides civil penalties and property forfeitures.

The late George Bernard Shaw said: "The world's best reformers are those who begin on themselves."

Supporters, Band Greet Purcell on Visit Here Monday

A group of some 150 enthusiastic supporters of Congressman Graham Purcell gathered at the city ball park Monday morning to welcome him when he arrived by helicopter at 11 a.m. His stop here was one of several over a nine-county area.

Muenster High School band was in the welcoming crowd and played several selections under direction of Gareld Payne.

Congressman Purcell spoke briefly, not of his candidacy for re-election, but to the young musicians about education, and complimented them on their performance in the band.

46 on Trail Ride in Rain Saturday

Forty-six riders, members of Gainesville Riding Club and friends, joined in a trail ride Saturday afternoon over the old Stovall Pony Farm place.

Threatening weather prompted the riders to start 15 minutes earlier than the set time of 2 o'clock and those who came late missed the first jaunt but finished the second half of the trail ride. A sack lunch was enjoyed afterwards by the "dripping wet" riders who were caught in showers after 3:30 p.m.

New officers, elected at the club's recent meeting, including Darnell Graves, captain, will take over their duties at the next business meeting on Nov. 18 in First State Bank Community Room.

A woman bought a new wig and thought it would be a good joke to surprise her husband at his office. She walked in on him and asked: "Do you think you could find a place in your life for a woman like me?"
"Not a chance, baby," he snapped. "You remind me too much of my wife."

Vision Screening Units Sent by DPS To N. Texas Area

Dallas — Major Guy Smith of the Texas Department of Public Safety announced the placement of 26 professional type vision screening instruments throughout Region 1 which includes a 30 county area in North Central and North East Texas.

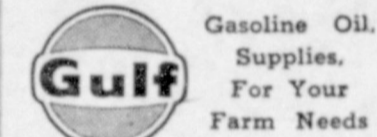

These instruments have been recently purchased by the D.P.S. and will be used by the Driver License Service. These screening devices will be used to re-examine problem drivers primarily but will also be used in some of the Driver License Offices throughout the Region.

Instruments of this type, or similar, will eventually be used in the screening of all persons applying for a Texas Drivers License or applying for renewal. With the present eye charts, many of the applicants memorize the chart before their eyes are checked. With the new instruments a much more accurate check of the vision can be made.

"Initially the vision will be screened for acuity and color perception which are the only items currently screened on an ordinary Driver License examination", Major Smith said. "This is another step forward in the supervision of traffic on our Texas Highways. It is no secret that there are many licensed drivers in this state and nation who have vision problems. This new vision checking instrument will be far better than the old eye chart screening the driver who should drive and ones who should not."

size with importance, speed with progress, money with wealth, authority with wisdom, religion with theology, excitement with pleasure and enthusiasm with hollering.

Tigers - - -

It went for 39 yards and the touchdown play was for 17. The third scoring drive got going early in the second period and covered 60 yards in six plays. The biggest gain was a 25 yard pass for the touchdown.

Moments later, about midway in the second the Chargers got another one. Tigers fumbled a kickoff and the Christians were in business with only 17 to go. Two efforts were enough. The pay off was a scoot around left end for 14. Near the end of the period the Tigers made two nice gains which would have been useful if combined. Tim Endres ripped off 30 yards and the ball was fumbled away the next play. Shortly after that Don Schneider passed to Lee Roy Hess for 35. Endres was the offensive standout of the game. Leaders of the defensive effort were Jim Dangelmayr and Glenn Schoech.

Starting the second half Sacred Heart completed one series and kicked on the second, and a clip penalty on the return set the Chargers back to the 12. Three plays later a Charger fumbled and Paul Bayer recovered in the end zone for a Tiger TD.

The Chargers retaliated with a 59 yard drive following the kickoff. Eight plays were enough and the last one was a crash through right guard for 1 yard.

The sixth Charger touchdown started with an interception early in the last quarter setting up the hosts with 30 yards to go. Four tries did the job, the last one a plunge for 2. The final TD for Pleasant Grove was a 65 yard push in six plays, and a run for bonus points was good.

In the closing minutes Sacred Heart combined three big plays for 6 more points. One was a pass to Tim Endres for 40, another was a pass to Danny Schmitt for 22 and the score was a 15 yard heave to Endres. A fourth big play was a touchdown pass to Gene Voth which was called back and penalized 15 yards for offensive pass interference.

Lindsay News

Mrs. Mary Eckelhoff of Helena, Ark., is visiting her sister, Mrs. Katie Zimmerer. She plans to stay two weeks. Mrs. Zimmerer was dismissed from Gainesville Hospital Tuesday.

Jimmy Zimmerer is one of two Cooke County teachers who have begun study in an in-service institute in biology at North Texas State University. The study is sponsored by the National Science Foundation and includes 16 high school teachers from 11 area cities. Jimmy teachers at Gainesville Junior High. The other county teacher in the class is Bill Roberg of Gainesville State School.

Mr. and Mrs. Joe Pat Bohac and children Joey, Lisa and Donna have moved from Fort Worth to Wichita Falls to make their home. Mrs. Bohac is the daughter of Mr. and Mrs. Ben Hermes.

Mrs. Joe Bezner Sr. had as visitors and dinner guests Sunday her daughters, Mrs. Isabel Galvin of Irving and Mrs. Leo Cutaia and daughter Carol of Dallas.

Mr. and Mrs. George Rohleder of Fort Worth were Sunday visitors with her sister and family, the Matt Neus.

Ewald Hoelker Jr. was included in Cooke County's draft call for October.

Red squirrels are very jealous and regard each other as possible enemies. They guard their food cache at all times against brotherly theft.

18. Bobby Tuggle kicked true on his first of 9 tries for extra point and scored 4 more following later touchdowns.

The next action was Lindsay's best of the night. Three tries gained 10 for a first down and McCollum got around left end on a fine run that went 55 yards to the 10 before he was nailed. However officials

ruled that he stepped over the sideline on the 34 so he got credit for only 31. Four more plays lost ground to the 39, where Muenster took possession.

The Hornets used six tries in going the 61 yards and big gainers were a pass to Bobby Bruns for 32 and the scoring pass to Henry Knabe for 24.

The count was 22-0 as the first quarter ended, but not for long. Sicking went over three plays later for his first of four touchdowns. The scoring play gained 6 yards.

Next drive came as soon as Muenster got possession again. Total distance was 60 and the score came on a pass from Monday to Sparkman for 45 yards.

For the rest of the game reserves were prominent in the lineup and scoring slowed down. The Knights stopped a Hornet drive on the 39. However, on the kick ending Lindsay's series Sicking made up for lost time. He used a nice wall of blocks in going 70 yards to the goal. Score at half time was 40-0.

After intermission Sicking got loose again on the first scrimmage play, a 74 yard scoring sprint.

Two scattered first downs was all that Hornet rookies could do in the rest of the period, but they were going again early in the fourth. Tim Hennigan broke through the middle on a 35 yard romp to the goal.

Moments later John Felderhoff's interception gave the Hornets a set up on the 20. On fifth play after that Hennigan made the last yard.

A fumble recovered by John Schneider set up a similar opportunity on the 18. Mike Cason, regular guard, got the scoring privilege and went

over from the 7. Finally a blocked kick gave the Hornets their last chance on the 4 yard line with seconds to go. A pass to Bobby Bruns across the line was complete, but was nullified by a holding penalty. So, with 5 seconds on the clock Sicking sailed around left end for the last TD.

Standings of 9-B Teams This Week

Leadership in the District 9-B race was narrowed slightly in last week's action as Windthorst eliminated Era by a convincing count of 48-0.

That leaves Muenster and Windthorst still sharing the top position and both favored to continue that way for another week when they meet each other.

Muenster clobbered Lindsay 73-0 and Saint Jo slipped past Valley View 8-0 in the other two conference games.

Present standings of the 9-B members for the district race and the season are as follows. Muenster 2-0, 7-0; Windthorst 2-0, 7-0; Era 1-1, 4-3; Saint Jo 1-1, 2-5; Valley View 0-2, 2-5; Lindsay 0-2, 1-6.

Games this week will be Muenster at Saint Jo, Windthorst at Lindsay, Era at Valley View.

Sacred Heart Tigers dropped another game in their rugged schedule. This time it was a 46-12 loss to the powerful Chargers of Pleasant Grove Christian. With a 3-5 record, they'll take on Haltom City B this week.

Our big hope is that our side has an ace up its sleeve. We can imagine conceding a few points to get the pow wow started and then lowering the boom. We can imagine telling the reds that we have a belly full of this war and their method of waging it as well as their insulting and absurd demands... that we demand the only fair solution, in which Hanoi calls its aggressors back home and quits molesting the South Vietnamese, in return for which we'll gladly take our troops back home.

Then we can point out the alternative if Hanoi chooses not to accept. If we have to resume the war it's going to be different. We and South Vietnam will fight to win and our goal then will be not just to repel aggression but to wipe out the communist regime in North Vietnam.

Lots of people will say such talk is too strong. But, really, is it? Can we say less and still live up to national honor and tradition? Can we abandon South Vietnamese to the sure fate that awaits them after a red take over? Can anyone say that we and Saigon are wrong in conquering the country which tried to conquer South Vietnam?

It's been understood since the beginning of history that a country which tries to conquer another risks its own downfall. Why should it be different now? Where do people get the idea that communists have a special privilege to grab real estate but should be immune to retaliation of the same kind?

Our country has the might and the right to be tough at the Paris conference, and we

One-Year-Old Is Birthday Honoree

Mr. and Mrs. Raymond Zimmerer helped their grandson Matthew Zimmerer celebrate being one year old Sunday at a dinner party in their home.

The small honoree and his parents, Mr. and Mrs. Ray J. Zimmerer came from Wichita Falls for the observance bringing a beautifully decorated birthday cake with one candle for the table centerpiece.

Other guests were Clifford Zimmerer of the home and Mr. and Mrs. Richard Zimmerer and sons Tim, David, Anthony and Doug of Grapevine.

There's nothing wrong with having nothing to say - but don't say it aloud.

hope it will do just that. In fact, the only fitting procedure is just one speech by our representative followed by a respectful "Yes Sir" from the reds.

County HD Office Has New Assistant

Miss Dona Louise Brewster will become assistant home demonstration agent for Cooke County on Nov. 16.

She will succeed Mrs. Cheryl Harrison, recently appointed assistant agent for Tarrant County.

Miss Brewster's appointment in Cooke County was announced by County Judge William Carroll and Mrs. Joyce Cunningham, of Denton, district agent for the Agricultural Extension Service of Texas A&M University.

Miss Brewster was chairman two years of the University Activities Council at Texas Christian University, where she earned a degree in home economics education.

She was also a member three years (president this year, of the TCU Chapter, National Society of Interior Design; a member four years of the Home Economics College Chapter, a counselor for new TCU students, and member of the TCU Women's Student Association Board.

Miss Brewster was reared on a farm in her native Tom Green County, the daughter of Mr. and Mrs. William E. Brewster, Fort Worth.

FHA Girls Plan Holiday Cheer for Local Shut-Ins

Muenster High Chapter Future Homemakers of America at their meeting Monday night planned December activity to include caroling at Muenster Hospital and Golden Years Rest Home and gifts for the patients.

In class, the girls will prepare individual packages of cookies and candy to be distributed. This local project will help carry out the organization's national project, "Citizenship Challenges You."

Also in connection with the project FHA members will purchase toys and send them to the State School at Denton. Chairmen in charge of this activity are Kathy Streng, Judy Angel, Becky McElreath and Clellene Streng.

Jan Wilde, president, presided and introduced Mrs. Charlie Pagel who presented the program. She demonstrated making decorative bird cages. This tied in with the chapter's national project "Leisure Time, Constructive Time."

Fifty members were present along with Mrs. Henry Weinzapfel, chapter adviser and Mrs. Dan Hamric, a guest.
