VOLUME XXXI

MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 22, 1968

NUMBER 53

Reports of stepped up activity by the enemy in Vietnam indicates that LBJ lost again when he ordered a bombing halt in the hope of inducing some sort of reasonable peace effort in Hanoi. This is turning out to be just another of many sad lessons we have learned about dealing with the communists. It doesn't pay to do favors for those scoundrels expecting them to show a similar sign of good will. Their policy is to take advantage of the concession and respond with treachery.

So, the net result of the president's dramatic pre-election announcement is another tragic set-back to our soldiers and the South Vietnamese. The enemy has used the lull to bring in reinforcements and supplies. He has shown more contempt by intensifying his attack. The allies have a tougher job than ever.

As facts of the fiasco continue to unfold it seems that the president also sustained a two way political loss on the home front. His eagerly awaited good news brought a last week surge of votes to his party, but still not enough to swing the election. And since then the whole affair has been back-firing at him personally. Apparently he had no preliminary agreement with Saigon or Hanoi. In spite of that he took a big gamble, knowing that the campaign was in urgent need of encouraging war news and trusting that he would somehow get the diplomatic preliminaries in order. Well, it did not work. He lost on both counts and he's doubly embarrassed.

The big tragedy of this whole affair, of course, is our set back as a result of another futile case of misplaced confidence. The enemy has gained again as we learned again that there is no such thing as reciprocal good will from the Reds.

And that brings on the big question. Where do we go from here? Will it be possible for us to arrive at an honorable settlement, or will we have to go for total defeat of the Hanoi outfit? Without doubt, Nixon has inherited a real problem.

People who like to interpret elections as mandates for or against official policies received a guide for their decision this week in a nation wide study of votes received by George Wallace. The consensus was that the big majority of votes for Wallace were protest votes which would otherwise have gone for Nixon. In fact, it was estimated that if Nixon and Humphrey had been the only candidates Nixon would have received a landslide of more than two thirds of the electoral (Continued on page 8)

Bi-District in Denton Thanksgiving Day, 2 p.m.

The bi-district football game between Muenster and Lake Dallas will be played in Bronco Stadium, Denton, Thanksgiving afternoon, starting at 2 o'clock.

Arrangements for the contest were made Wednesday night in a meeting at Denton between officials of the two schools. Superintendent L. B. Brunns and Coach Glenn Richardson represented Muenster.

The location was decided by the flip of a coin. MHS was the loser. Had it won the flip the game would be in Gainesville.

Other details agreed upon were to have the game officiated by Fort Worth officials and to have an admission charge of \$1.50 for adults and \$1.00 for students.

For those who do not know the route to Bronco Stadium, Superintendent Brunns offers the following directions. Cotton Fire West Of Town Occupies Firemen 5 Hours

Muenster firemen spent five hours Wednesday night, 6:15 to 11:15, four miles west of town on a cotton fire discovered on a trailer truck. It was blazing furiously when first seen by the driver in his mirror. Burning bales were rolled off the truck.

The truck and trailer and 10 bales of cotton were saved, but 18 bales were lost. Firemen broke open all the 18 bales and stood by until all were completely burned.

Hornets to Go for 9-B Clear Title In Finale with Era

The title race in District 9-B did not end last week when Muenster beat its co-contender from Windthorst. A game with Era Friday night will decide whether Muenster is champ or co-champ. In case of a loss Windthorst will share a 4-1 loop record with Muenster and will also share the loop honor.

With that in mind, Coach Glenn Richardson is reminding his boys that this is no time for coasting. They'll have to keep going on full steam to avoid giving up a part of the title which some folks already are taking for granted.

Richardson is also telling his boys that this is more than just routine caution. Era deserves respect in its own right. It needs to be taken seriously regardless of its underdog status. Evidence of that is apparent in Era's stout stand against Saint Jo last week along with the fact that it will be at full strength this week. So, the emphasis at MHS this week is to put first things first and not stumble while looking a week ahead.

As regards the week ahead event, it was definitely decided last week. By beating Windthorst the Hornets became the 9-B standard bearer in bi-district competition. At the same time Lake Dallas became the 10-B representative by a 42-0 win over Perrin. Hence the two are booked to tangle for the bi-district trophy.

A previous win of 40-0 over the Falcons establishes the Hornets as favorites in that game too. And Richardson urges more caution. He points out that the Falcons have improved a lot since the early loss, as shown by their list of big wins in 10-B. Furthermore, their scouts have attended the last three Hornet games. They have looked forward to the coming clash a long time, obviously determined to find ways of stopping the Hornet offense and cracking the Hornet defense.

Since that game will lead to a regional, the status of two other districts now commands local interest. Celina took the 11-B crown last week by blasting Callisburg. Reported leaders of 12-B are Anna and Quinlan, one of which will meet Celina in bi-district. And finally, the winner of that game will meet the winner of the Muenster-Lake Dallas game.

Concerning this week's game, Richardson says all but Sparkman are physically fit and ready to go. Sparkman is nursing an injured ankle, has a chance to be in the Lake Dallas game.

Rap Windthorst Trojans 28-0

Hornets Win B-9 Title

Muenster's Hornets are the champs of District 9-B. They won the title very convincingly last Friday night by overpowering their principal rivals, the Windthorst Trojans, by a count of 28-0.

A crowd of about 2,500 was at Hornet Field for the title contest, which was also the headline feature of the Muenster High Homecoming. They saw the Hornets take command of the field and grind out the yardage relentlessly in four sustained drives. While scoring in each of the four periods the Hornets were also executing fine ball control.

They had it for 73 plays and the visitors had it for 50. They gained a total of 310 yards in 21 first downs and the Trojans gained 106 yards in 7 first downs.

Superb teamwork by the Hornets' forward wall and the backfield was the formula of success. The big, scrappy linemen consistently opened gaping holes in the Trojan defense and the Hornet backs, particularly Clifford Sicking and Don Hartman scooted through for nice gains. And occasionally Sicking went around end for more yardage. He was the standout of the game with 223 yards to his credit. Another factor in the Hornets' favor was avoidance of costly mistakes. They lost possession only once, on a fumble, and they lost only 3 yards by penalty. Meanwhile the Trojans lost possession on two interceptions and two fumbles and 36 yards in penalties. There were a few instances on both sides of runners losing footing on the rain soaked field.

game with a first down, kicked on their second series, and held on the Trojans' first series. Then they got started on their first drive with Clifford Sicking and Don Hartman slipping through the line for gain after gain. They used 13 plays in going 62 yards and the pay off was a quarterback sneak for 1 yard by John Monday. Sicking's sprint around end boosted the count to 8-0 as the clock read 2:47 in the first quarter.

On Windthorst's third play after kickoff Mike Cason was on the right spot for a deflected pass and intercepted for the Hornets. However possession did not last long.

Book Fair with Student Displays Draws Big Crowd

Visitors by the scores acclaimed the Book Fair at Sacred Heart School which was open to the public Sunday, Monday and Tuesday this week in observance of National Children's Book Week.

Faculty members arranged the various books according to category — each in a separate booth — and students transformed the grade school auditorium into a wonderland of many sorts, illustrating book titles and depicting chapters from books with art work and miniature stage settings with figurines.

The science book department emphasized the space age with several working models made by the children. The sports and athletic book section was colorful with equipment, banners, pennants and placards.

The past, came to life in hand painted and crayoned scenes surrounding the history section, and fantasy rampart in the fiction department.

Dozens of animal cut-outs and illustrations highlighted the animal books department and similar displays enlivened the adventure series, biographies and other volumes. And there were memorial displays for Senator Robert Kennedy and Dr. Tom Dooley.

Standings of 9-B Teams This Week

Leadership of the 9-B district was reduced to one team last week when Muenster survived the elimination contest with Windthorst. As a result the Hornets have cinched a co-champ title and can become undisputed champ by beating Era this week. Last week's game also determined Muenster as the district representative in a bi-district game with Lake Dallas.

Standings of 9-B teams now for the district and the season are as follows. Muenster 4-0, 9-0; Windthorst 3-1, 8-1; Valley View 2-2, 4-5; Saint Jo 2-2, 3-6; Era 1-3, 4-5; Lindsay 0-4, 1-8.

Scores last week were Muenster 28, Windthorst 0; Saint Jo 22, Era 20; Valley View 35, Lindsay 0.

The Season ends this week as Era plays at Muenster, Lindsay plays at Saint Jo, and Valley View plays at Windthorst.

Speaker and Film For PTA Program

A guest speaker and a football film were highlights of the Monday night meeting of Muenster Public School PTA.

Tom Flucker, counselor of Cooke County rural schools, spoke on "The Pressure on Youth." Coaches Glenn Richardson and Dan Hamric showed the film of the homecoming football game Saturday.

Charley Hellman conducted the brief business session and Mrs. Henry Weinzappel served cookies and coffee after adjournment.

Bake Sale

Seniors of Muenster High School will conduct a bake sale Saturday in the three local food stores.

Six plays and 17 yards later the Trojans recovered Muenster's only fumble of the night. Then they completed two series in a row, stalled on the third one and had to kick. One of the plays in that series was a breath taker. A Trojan receiver was in the clear and a long pass was true to the mark. A touchdown was in sight, but he let the ball slip through his hands.

That's when Muenster started working on its second touchdown drive. Sicking carried on six out of nine plays for 35 yards to the Trojan 27. There the drive stalled briefly. Three tries gained only 5, then Sicking breezed around end for the final 22.

The first half, with the score 14-0, ended at mid field 2:05 later, just after Cason recovered a Trojan fumble.

A fumble on the second half kickoff set the stage for the Hornets' third score. It was (Continued on page 5)

Big D Team Beats Tigers 14-13 with Last Minute Score

Sacred Heart's Tigers ended their football season Saturday night with a heartbreaking 14-13 loss to the Greenhill Hornets of Dallas.

Up to the last minute they had battled against the odds and held on to a 13-8 lead. But then the big Hornets crashed over with the winning TD.

Two minutes before it seemed as though the scrapping Tigers had saved their game. Greenhill had come from midfield to the 24 in two series, but the next series was one yard short. The odds seemed to favor the Tigers. A kick by Lee Roy Hess should set the visitors back to a safe distance.

But it did not go that way. The Big D fellows crashed through, partially blocked the kick, and Greenhill was only 21 yards away with more than a minute to go. A fourth down pass was complete to Schutz at the 1 and Gifford crashed over for the last yard. That won it 14-13, and it did not matter that a try for extra points was short.

The Tigers had done a big job in taking a lead over the Hornets. They were outweighed by an average of some 20 pounds and they were outmanned by a count of 44 to 17. Nevertheless they made up the difference in fight and hustle, that is, in the first half. After intermission Greenhill took charge.

Sacred Heart got started midway in the first quarter and advanced 34 yards to the visitors' 37 where Lee Roy Hess kicked to the corner and the visitors had to start only a foot from the goal. Four plays later the Tigers returned a Hornet kick to the 40. Next Hess almost got away on an end run but was finally hauled down on the 7, and four plays after that he made the final yard for a touchdown and kicked an extra point.

What's this world coming to?

It's coming to a great future — through research findings and an invisible force ...electricity! There'll be cars, electronically guided along super-speed highways where you can work or relax on the go. Tomorrow, in increasingly sophisticated ways, electricity will turn the wheels of industry, light the lights of our burgeoning cities, and run the machines which make our lives easier and more productive. Unforeseen new industries and job opportunities will be created. There'll be all this and more in tomorrow's world because investor-owned electric utilities like Texas Power & Light Company are constantly seeking and finding new ways to live better electrically.

IT'S A FACT: The taxes paid by Texas Power & Light Company have more than doubled in the past eight years. Today, TP&L is the biggest taxpayer in many of the 453 cities and towns we serve.

HDC Group Packs Yule Gifts; Hears About State Meet

Members of Muenster Home Demonstration Club went to their November meeting Wednesday with Christmas gifts which they packed for patients in Wichita Falls State Hospital. This is an annual project of the organization.

The program was presented by Mrs. Henry Kammerdiener and Mrs. W. A. Linker, both of Gainesville, who were guest speakers reporting on proceedings and workshops they attended at the HDC state convention in McAllen.

The group met with Mrs. Ray Klement, hostess in her home. Mrs. Al Walter and Mrs. Albert Dangelmayr reported on visits to local shut-ins and Mrs. Klement and Mrs. Alois Rohmer volunteered for visits this month.

Mrs. Earl Robison directed paper and pencil games during the recreational period and afterward the hostess served refreshments to 16 in attendance. Plate favors carried out a Thanksgiving theme.

CDA Court Hosts District Deputy; Hears Book Review

Court St. Mary Catholic Daughters of America at their November meeting Thursday night had their district deputy as a special guest, heard a book review and made plans to dispense Christmas cheer.

Meeting with the membership on her first official visit was the district's new deputy, Mrs. D. R. (Anna) Chancellor of Wichita Falls. She reported on the National CDA Convention she attended in Cleveland, Ohio. Geneva Rogan of Wichita Falls accompanied her to Muenster.

The book review was given by Mrs. Norbert Felderhoff of Gainesville who delighted her audience reviewing "Thoroughly Modern Millie." Mrs. Lambert Beizer of Gainesville accompanied Mrs. Felderhoff to Muenster.

Guests were introduced by Mrs. Alvin Fuhrman, grand regent, who presided for the business session. Members made plans to take Christmas cheer to Muenster shut-ins. They'll pack sweet treats and other edible gifts at their December meeting, Dec. 12. They also announced completed plans for the holiday dance they'll sponsor on Dec. 14.

Chairmen on the court's annual bazaar and bake sale, held earlier this month, reported a highly successful event which added some \$400 to the organization's treasury for the court's charitable projects.

The group also decided to again sponsor the children's annual poetry contest. Mrs. Steve Mosier accepted chairmanship. This year, in addition to Muenster students, Lindsay and Gainesville students are being invited to enter poems.

After adjournment there was a social hour during which Mrs. Chancellor had an opportunity to meet members. Fifty were present. Mrs. Ed Schneider and Mrs. Gene Schmitz served refreshments.

4-H Boys Discuss Coming Activity

Sacred Heart Intermediate 4-H Club boys, meeting for November, discussed the fat stock show coming in the Spring, learned it was time to start feeding cattle they plan to exhibit, and saw slides in connection with cattle raising. Assistant county agent Waymon Moore gave the program.

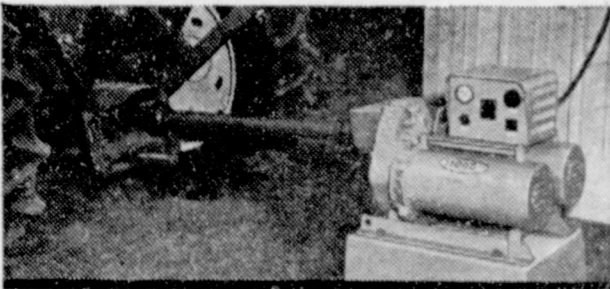

The group also discussed plans to enter an act in the Share-the-Fun contest on Dec. 2 at CCJC.

Chris Hess, president, presided. Other officers are Allan Miller, vice president; Charles Fleitman, secretary-treasurer and reporter and Larry Bayer, council delegate. There are ten members.

Paper Pick-up
Seniors of Sacred Heart High will conduct a paper drive Saturday, Nov. 23. Persons with papers to give are asked to have them out at the curb, or to phone a member of the class.

Potent Kids from Irving Prep Trim Tiger Cubs 34-20

The Tiger Cubs of Sacred Heart Elementary closed out their 1968 football season Sunday afternoon with a 34-20 loss to the Cistercian Prep Hawks of Irving.

Despite the loss, the Cubs are entitled to credit for a fine job. Their visitors, with a big weight advantage, came here with a 5-1 standing and a record for allowing very few opposing scores. Sacred Heart's 20 was the highest scored on them.

Starting the game the Hawks gained 50 to the Cub 18 where an interception by Kenny Hess interrupted the drive. After a Cub kick four plays later the Hawks went from the 37 in two big plays.

Their second drive was also interrupted. Myron Hess recovered a fumble but the Cubs had a pass stolen from them the next play and the Hawks went on to finish their 45 yard drive.

The next TD was Sacred Heart's and resulted from three fine runs by Gary Endres on quarterback keeper plays. Distances were 40, 30 and 15 yards respectively.

Then the Hawks put on their third drive. It went for 41 yards and ended with a sweep around right end for 8. Another run boosted the score to 20-6.

The next one started with a recovered fumble on the Cub 45 and ended with a pass. And the final TD came a few minutes later on a 2 yard plunge following runs of 30 and 8. Another run added 2 making the score 34-6.

Finally in the last quarter, with a good breeze helping, the Cubs put two more scores on the board. Both were on passes from Gary Endres to Alan Miller for gains of 50 and 40 respectively. A pass to Dave Krahl after the first score aded 2 bonus points.

The Sacred Heart kids ended their season with a 1-5 record. Their only win was over Lindsay, 6-0. Losses were 14-6 and 6-0 to Era, 16-6 to Alvord, 22-12 to Whitesboro and 34-20 to Cistercian Prep.

the first half Ronnie Hess sparked another score with an interception and 15 yard return. A pass gained 16 to the 40. Runs by Schneider and Hess reached the 25. Three long passes were incomplete, then Melvin Schilling went all the way on a screen pass. Sacred Heart led 13-0 at the half.

It was a revitalized Greenhill team that returned to the field. It rolled over the Tigers for 52 yards in 9 plays to the 15. Three more plays gained only 4 yards, then a pass went all the way and another pass added 2 points.

From there to the end the game was a battle, featuring five fumbles, three by Sacred Heart and two by Greenhill. Tigers who recovered the Hornet fumbles were Lee Roy Hess and Paul Bayer.

But then came the hectic last minutes with the winning touchdown for Greenhill.

a short kick to the Trojan 40 and Tommy Henschel was there as it slipped away from the receiver.

Nine plays went the distance on the final yard, again was made by Monday's quarterback sneak. A run for extra points was short. The score was 20-0 with the clock reading 8:42.

Then came Windthorst's best effort of the night. Fleet footed Donnie Osterman and crashing Danny B. Schroeder were the principal gainers in three consecutive first downs for 47 yards to the Hornet 7.

Another try gained 2 before the Hornet defense blunted the effort. Next two plays lost 2 and 3 and the last of the series was an incomplete pass. The Hornet goal line remained uncrossed in the 9-B season.

After that the Hornets had to kick on their second series, Trojans kicked on their first, the Hornets kicked on their first, and a pass interception by Andy Knabe sparked the final Muenster drive. It started from 86 yards out early in the fourth period.

Sicking and Hartman hit the line five times for gains of 33 to the Hornet 47. Free yardage on a penalty advanced them to the Trojan 38. Then Sicking took a pitchout from Monday, shook a couple of tacklers, got around the right corner and streaked to the goal. Don Hartman's run added two bonus points.

Quick Snacks Are Made at 4-H Meet

Sacred Heart Junior 4-H Club girls had a lesson on the four basic food groups and a demonstration on quick snacks at their November meeting with Bernice Thurman, county home demonstration agent, in charge. Mrs. Thurman distributed recipes and the girls sampled the snacks.

The group also discussed acts for the county Share-the-Fun contest and planned a contest of their own to select an act to take to Gainesville on Dec. 2.

Linda Miller, president, presided, Linda Klement recited a poem, "The Farmer," and Karen Luttmmer counted 22 members present.

"See here," said the judge to the Indian Chief, "it's a violation of the law to have more than one wife, and the law must be obeyed. You go back to your teepee and tell all your squaws except one that you are no longer their husband."

The chief meditated the order silently for a minute, then replied: "You tell 'em."

Teacher: "Now, can any boy make a sentence using the word diadem?"

In other words a strong majority of American voters favored a change. There is little room for doubt as to the nature of this mandate.

Likewise the election indicates a victory for conservatism, a fact which can reasonably be interpreted as a mandate to modify or discard many of the liberal policies which have characterized our administration of the past several years, and also a mandate to replace key personnel who maneuvered us into the mess.

People are wondering what is to be done in the Nixon administration. At this time it seems that a constructive program should include undoing many foolish things that have been done. That might include

cancelling wasteful appropriations, ending privileges to criminals and subversives, stop both aid and friendly relations to enemies and those who help them, limit welfare benefits to deserving people, eliminate graft from the welfare program, convert Social Security into a financially sound system. These and many other changes can be rightfully regarded as parts of the conservative mandate. We hope all will receive attention from the new administration.
