VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 JUNE 22, 1973

NUMBER 31

If you're getting a belly full of this incessant sniping at President Nixon and the Republican Party in the Watergate spectacular, be assured that you have company. Comments enclosed last week with the regular editorial releases of U. S. Press Association, indicate that the author, Herbert Philbrick, is no less disgusted than you are.

He says that in the nation's capital the atmosphere has all the elements of the vigilantes, the witch hunters and the inquisition rolled into one. In all his years as observer of the Washington scene, he has seen nothing to compare with it. "Some comparison has been made with the McCarthy era; but I challenge anyone to show that the anti-communist campaign was given half the coverage of the current anti-President vendetta.

"And need we be reminded that much of the Washington press corps sympathy in those days was overwhelmingly on the side of the accused, not the accusers. And was even so much as one McCarthy target sent to prison for 35 years? Where are the outraged cries today that characters are being besmirched, careers ruined, lives destroyed? There is little comparison between McCarthy and Watergate.

Philbrick continues that he nearly choked when one correspondent, in a TV interview, proclaimed in dulcet tones "Of course we are all SADDENED and GRIEVED by etc., etc." While this false and hypocritical attitude is on display every new jab to the belly is greeted (outside the range of cameras and microphones) with hysterical laughter and malicious glee.

Supporting his own appraisal of the Watergate outrage, Philbrick refers to an account which appeared in the Washington Evening Star-News, reporting that the President's daughter, Julie Nixon Eisenhower, "broke down in tears" while she was a guest at the annual dinner of the Washington radio and television news correspondents.

"The Watergate jokes had flown thick and fast all evening," the Star-News continued. "Julie heard a stinging speech by Morris Udall, saw Watergate hearing film clips with bitter-bitter 'funny' commentary and heard Washington comedian Mark Russell rip into the timely topic with gusto.

"Julie held up bravely through what one newsman described as a 'heavy-handed, hard-core attack on her father — one that was nastier than it was funny.'

"It wasn't until the end of dinner, when the dean of the diplomatic corps, Nicaraguan Ambassador Sevilla Secasa, patted her on the shoulder and said softly, 'Your father still has ONE friend,' that the dam broke. Julie just burst into tears.

From all of which Philbrick wonders just what it is that has caused the prevailing hate-America frenzy, particularly among the television and broadcast personnel. It defies understanding. But the lynch-mob atmosphere prevalent in Washington today is altogether terrifying. It makes a person wonder about the future of this country when political savages are given a free hand and help in an unmerciful plot to destroy opponents.

We have heard it said many times that the Watergate lynch job is based on the kind of evidence that would not be admitted in court. Presumably a Senate committee is investigating the case but judgments do not come from them. Rather the networks are their own self appointed judges basing their findings on hearsay and unfounded accusations, and then pointing their fingers in a hypocritical, holier-than-thou attitude.

A disturbing fact about all this is use of the old Nazi and Communist principle about the big lie. If repeated loud enough and often enough it will be accepted. It doesn't matter that a simple case of snooping, the kind that has long been taken for granted in Washington, was exaggerated into a national scandal and given far more attention than it deserves. Nor does it matter that the other party too has bugged, but just did not get caught.

Nor does it matter that the image of the President and the nation are being defiled by the vile behavior, or that important matters are being neglected while the media saboteurs (Continued on Page 10)

## Garbage Service, New Streets Head City Discussion

A variety of business including opening of two streets, ordering a police car, discussion of garbage pick-up marijuana growth and re-assignment of duties occupied the Muenster city council at its meeting Monday night.

Regarding streets the discussion concerned costs and ended with plans to secure estimates on opening both Ash and Eddy, the boundary streets for the west and south city limits. Since those streets are part city and part county it is assumed that help will be available from precincts 3 and 4 and the biggest expense item will be two bridges over Elm Creek. A report on estimated costs will be presented at the next meeting. If completed the new streets will provide a perimeter passage for the west and south sides as well as access to the highway.

The officer's new car will be a Plymouth Satellite Custom 4-door to be sold by Tuggle Motor Co.

Garbage discussion resulted in another decision to bring the figures to the next meeting. Specifications for various service plans are to be submitted and the council is to determine the system it prefers. After services, fees, etc., are decided residents will be invited to vote on whether they want the system.

James McDonald, police officer, told the council he has had three reports on marijuana growth in the area. One led to discovery of a small patch and the matter was turned over to county officers. The other two leads produced no results.

Job assignments of the councilmen were announced as follows by Mayor David Bright: Richard Grewing, water commissioner and mayor-pro-tem, Rody Klement, sanitation commissioner; Aubrey Tuggle, fire and police commissioner; Herbert Miller, street commissioner, Sue Endres, park and library commissioner.

## Garden Club Will Stage Flower Show Saturday, June 23

Muenster Garden Club members will stage their annual Flower Show Saturday, June 23, in the KC Hall and invite the public to attend. Hours are from 2 to 5 p.m. Admission is free.

Themed "Around the World" the show is under general chairmanship of Mrs. H. H. Houtchens, Miss Sylvia Hofbauer and Mrs. Ernest Jaska.

In addition to entries by members for ribbons in judging there will be a table for exhibits not to be judged. Everyone is welcome to display a plant or arrangement in this division of the show.

## Weather Prolongs Harvest Halt

This year's grain harvest continues to cause worries. At this time of the year the job is normally finished, but this time it is less than half finished. Persistent rainfall kept the combines inactive for all but a few hours during the past week.

To make matters worse, the delay hurts more this time than normally, because considerably more is in danger of being lost. Grain yields are among the best ever, estimated variously from 35 to 50 bushels per acre, and the market, too, is exceptionally good. Prices average about \$2.50 per bushel, which is twice as high as last year. It means that about \$100 per acre is waiting in the field and chances of loss increase every day. Many heads fall over to a level that can't be picked up by combines. Others shatter out. The big problem is how much grain can be recovered when it can be harvested.

Three rains during the past week added to 1.03 inches. The readings on Steve Moster's gauge were .20 on Sunday, .30 on Tuesday and .58 on Wednesday. That brings the June total to 5.07 and the year's total to 24.01.

## Ag Commissioner White Is Speaker At Dairy Banquet

Texas Commissioner of Agriculture John C. White will be the special guest and featured speaker at the dairy promotion banquet June 28 at 8 p.m. at Cooke County Junior College. The banquet is an annual event sponsored by the Agricultural Division of the Gainesville Area Chamber of Commerce in an effort to promote dairy products and the dairy industry in this area.

Commissioner White will speak on "Prospects of Agriculture in Texas". White is one of the youngest major executive officers in the state at age 48, but he is a senior officer in terms of service. In 1951, White took office as Texas Commissioner of Agriculture, and he is currently serving his twelfth term in that post. The commissioner and his family reside in Austin.

The banquet will be catered by Rohmer's, and the Gainesville Young Homemakers are responsible for decorations. A committee headed by Billy Ray Hill and Richard Klement is in charge of door prizes. Tickets are available to the general public at \$4.00 each. They may be obtained at the Gainesville Area Chamber of Commerce building.

Willie Matthews is general chairman in charge of the event.

## Lindsay Boy, 6 Drowns Sunday In Sycamore Lake

Sycamore Lake, north of Lindsay, was the scene of a death Sunday when Keith Macready, six year old son of Mr. and Mrs. Irby Macready of Lindsay drowned around six p.m. while the family was on an outing. The body was discovered in about three feet of water after the youngster was missed and a search got underway.

He was born Feb. 16, 1967. Mass of the Angels was celebrated Tuesday at 10 a.m. in St. Peter's Church, Father Damian Wewers officiating and burial followed in Lindsay Cemetery under direction of Geo. J. Carroll & Son.

In addition to his parents survivors include two brothers Kevin and Curtis of the home; paternal grandmother Mrs. Carolyn Macready of Birmingham, Ala.; maternal grandmother Mrs. William Schmitz and great-grandmother Mrs. Joe Schmitz of Lindsay.

## Jaycees Building Scoreboard for Baseball Park

A scoreboard for the city baseball park is an improvement project just taken on by the Muenster Jaycees. It is expected to be warmly welcomed by most spectators who until now seldom knew what the score was.

Located at the right side just beyond the players' dugout it will be as simple as possible to avoid excessive cost, and will be manually operated by someone who will be in contact with the scorekeeper.

Another improvement is a nightly litter cleanup. Teams playing the last game will pick up the trash immediately after their game.

## Law Prohibits Hitching Bicycle Rides on Autos

Hitching to a car for a bicycle ride is both dangerous and unlawful, James L. McDonald, Muenster Chief of Police, warned bike riders here this week. Stating that the practice can result in serious accidents, he said that he will make a special effort to discourage the hazardous practice.

He referred to Section 181 of Texas Motor Vehicle Law as follows: "A rider of a bicycle that clings to a moving motor vehicle is in violation of the Texas Motor Vehicle Laws. The driver of the motor vehicle and the rider of the bicycle can each receive a misdemeanor or summons and a heavy fine". He added that any person operating a bicycle must obey the same traffic laws as operators of automobiles and motorcycles.

## Local Classes in Life Saving Will Start on July 2

In its customary preliminary to local swimming classes the Cooke County Red Cross will offer a course on junior and senior life saving here for five days starting Monday, July 2.

Polly Lewis of the Red Cross chapter will be in charge of the classes which will be held from 9 to 12:30 Monday through Friday.

Age requirements will be the same as last year. For junior life saving the minimum is 11 years old or completion of the fifth grade. For senior it's 15 years old or completion of the ninth grade.

Also, each pupil will need the admission form showing parents' permission and the doctor's signature indicating physical fitness. Adults do not need a parent's permission but they need the doctor's statement of fitness.

Enrollment is open to anyone, not just people of the community. Mrs. Lewis points out that the program is sponsored by Red Cross and everyone is welcome regardless of residence.

The Red Cross program of beginners swim classes will start on July 9.

## Muenster Youths Place in County 4-H Horse Show

Four Muenster 4-Hers placed 13 times in the annual Cooke County 4-H Horse Show in which 22 county entrants vied for honors in halter and performance classes.

Top winners include Mary Lou Fleitman who is an alternate to the District Horse Show July 14 at the Rex Cagle Ranch north of Denton.

She scored points for being second in the Halter Class, three years and older Geldings; third in Western Pleasure; fourth in Reining; sixth in Barrel Race; fifth in Pole Bending, senior division.

Janet Sicking's points came as fifth in the Halter Class; sixth in Western Pleasure; fifth in Reining; first in Barrel Racing; sixth in Pole Bending, senior division.

Larry Fleitman chalked up points as fourth in Halter Class and fifth in Pole Bending, junior division. Monica Gehrig was third in junior Pole Bending.

The show was judged by Mrs. Dale Ferrell of Fort Worth with Tom Raley of Gainesville as ring steward.

## Trinity Authority Gets EPA Grant On Water Quality

Congressman Omar Burleson announces the continuation of an Environmental Protection Agency grant to the Trinity River Authority of Texas at Arlington for a Water Quality Management Study in the Trinity River Basin.

The \$171,650 grant is budgeted for June, 1973 to June of 1974. The Trinity River Authority serves 38 counties, including Cooke, Jack, Montague, Wise and Young.

Bob Bullock, former Secretary of State, at a news conference in Houston Thursday morning became the first person to announce his candidacy for the 1974 political race in Texas. He is seeking the Democratic Party nomination for the office of Comptroller of Public Accounts, which is currently being held by Robert Calvert. A native of Hillsboro and a graduate of Texas Tech and Baylor Law School, he has served in the state House of Representatives and in the Attorney General's department before becoming Secretary of State. He now has a private law practice.

## Water District OK'd By State Legislature

The proposed Muenster Water District needs only the signature of Governor-Briscoe to become a legal entity, Don Fleming, consulting engineer for the City of Muenster, reported to the city council Monday night that the bill creating the district had been passed by the state legislature and the city will be notified when the bill is signed.

## Eual Davis Ends Duty Here, Goes To Tahoka SCS

Eual (Jack) Davis, district conservationist in charge of the Muenster SCS office for the past four years, is ending his local assignment this week. He will report next Monday with his present title to take charge of the SCS office at Tahoka, in Lynn County, near Lubbock.

Arlin Naegeli, soil conservationist here for five years, will take charge of the Muenster office as acting district conservationist. He and Ray Endres, technician, will be the only personnel of the local work unit. This is the first time since the office opened here that it is reduced to two employees.

Davis' leaving is felt as much by the Muenster Boy Scouts as by the conservation office. He has been scoutmaster since last October and the troop is progressing ahead of schedule. Up to now no one has offered to take over as his successor.

Davis has two 4-year assignments on his local record. He was here from 61 to 65 on the staff headed by John Tippie, then worked four years at Waco and Rosebud before coming back in 69 to take charge of the office.

His transfer is in line with a new SCS policy to reduce its over all work force by not adding new personnel as retirees leave. He replaces a retiree but no replacement is sent here for him.

## Muenster Wins 3-1 In Big G League

The Budweiser boys, Muenster's entry in a league of 15 and 16 year olds at Gainesville, got credit for a win Monday night even though they did not finish their game. They led the Cementers 3-1 when they were stopped by rain in the bottom of the fifth.

This gives the boys a 1-1 standing after the fifth game scheduled. They have been rained out three times to date.

Terry Walterscheid pitched for Muenster and had a perfect game going until the fourth inning. No opponent reached first. However 4 walks and a few errors later allowed the opponents their lone tally. Meanwhile Terry allowed no hits and struck out 9.

Cementers pitcher gave up 8 walks and 1 hit and a few errors also helped Muenster. The lone hitter was Chris Sicking. Muenster led all the way with 2 in the first and in the second. Cementers got their run in the fourth.

Next one for Muenster, if the weather allows, will be with league leading Hesperian Friday night. Hesperian standing now is 3-0.

## Lindsay Is Ready For Homecoming

St. Peter's Parish and the Lindsay community are all set for their fifteenth annual homecoming celebration to be held next Sunday, June 24.

Events begin with dinner, serving to start at 11 a.m. in the air conditioned school cafeteria, and will continue to midnight in City Park. Fun for all ages has been arranged and there will be a bountiful supply of eats and drinks throughout the afternoon and evening hours.

Games with prizes, a horse-shoe tournament and hay rides for the youngsters will be among attractions. Special for the teen crowd will be a dance beginning at 9 p.m. in the cafeteria with rhythm by LoDella.

Fleming also said that application forms for impoundment of water have been received from the Texas Water Rights commission. The application, to be prepared with assistance of the Soil Conservation Service, should be submitted in July and a hearing scheduled shortly after that. Thereafter, with assurance that a lake is authorized, the people of Muenster will vote to determine whether they want to take on the project.

He pointed out that financing the lake and improvements will be by loan and/or grant from the federal government to the water district, which will issue revenue bonds to be repaid by selling water to the city or any other buyer. He emphasized that the project will have no bearing whatever on the city tax rate or the city's indebtedness. The city's only obligation will be a contract to purchase water from the district at an estimated price of 15 to 18 cents per 1000 gallons.

## County Pay Hikes Given, Taken Away

Most elected officials of Cooke County received a raise in pay early last week and lost it a few days later. County Judge Larry Sullivant announced that all the elected officials and the county auditor except the district clerk and justice of Precinct 1 had been approved for a 9 per cent salary increase.

Later he said the raises had been cancelled until a study of salaries and working conditions of all county personnel, both elected and hired is presented to the commissioners court. He added that the court is planning a system of procedure for all pay raises in order to avoid inequities.

## Dr. Kralicke Heads Local 4th Degree Knights Columbus

Fourth Degree Knights of Columbus, Bishop Dangelmayr General Assembly, in their annual election of officers named Dr. Martin Kralicke to head the assembly as faithful navigator. He succeeds Martin Klement, retiring faithful navigator, who is still on the official roster, elected faithful admiral.

Other officers elected are Father Bede Mitchel, faithful friar; John Mosman, faithful captain; Gene Hoedebeck, faithful pilot; Earl Walterscheid, faithful scribe; Joe Horn, faithful comptroller; Eddie Fleitman, faithful purser.

And Trustees J. M. Weinzapfel, Ralph Donnel Jr., and Joe Hoenig and Sentinels John Fisher and James Walterscheid.

## 8 Complete Course In SCUBA Diving

Eight Muenster people became certified SCUBA divers Sunday in an open water test in Lake Murray. Their exploration of the Oklahoma lake was the final event, a sort of final exam, following more than twenty hours of intensive training in the Muenster swimming pool.

With their certification they become eligible to buy air and rent SCUBA (self-contained underwater breathing apparatus) equipment anywhere in the world.

Their instruction was given here by James Kyker and Doyle Keeton of the Ardmore Dive Shop. Both are members of the National Association of Skin Diving Schools. Following that instruction they took written exams at the Ardmore Dive Shop and then the test at Lake Murray, which is classed as the most suitable water of this area for diving.

Those completing the test are Dan Hamric, W. J. Miller, Glenn Miller, Dan Fisher, Ray Luke, Carl Hess, Richard Fisher and Thomas Bright.

Dan Hamric, referring to a number of inquiries about the course, said another can be organized if enough students will sign up. Interested persons are invited to contact him. A minimum of 8 and a maximum of 12 are needed for a class. Instructors will be Kyker and Keeton and dates will be set when the list is complete.

## Building Notes

Construction jobs in and around Muenster include several new homes in as many stages of progress plus enlargement of a commercial building and a modern, new parlor-type dairy barn, and some remodel and improvement jobs.

Frank Kaberna of Braniff joins the group of airline pilots who favor this part of the state for their homes. He and his wife have a good start on their new house in the Freemound community. It will have three bed rooms and baths double fireplace, central heating and cooling, brick veneer and full basement.

Just starting is a new home for Glenn Cler in the east part of town. It will have three bedrooms, bath and a half single garage, brick veneer, central heating and air conditioning.

Another home just getting started is that of the Gene Mitchells, also in the east part of town. It will have two bedrooms, one bath, brick veneer central heat and air conditioning.

A bit farther along, with framework and roof finished, is the Robert Klement house a mile west of town across the road from Tony Klement. It will have three bedrooms, bath and a half, single garage, central heat and air conditioning, brick veneer.

The Dan Lukes are about at the halfway mark on their new home in a pecan grove overlooking Elm Creek at west city limits. It will have four bedrooms, three baths, double fireplace, central heating and cooling, double garage, cedar finish and exterior of cedar and native rock.

The new home of Wayne Richardsons at Rosston is being carpeted and will be ready for occupancy in about a week. It features a split level design with four bedrooms and four baths, fireplace, double garage, central heat and cool, cedar and native rock veneering.

Two houses outside Muenster are at the painting stage. One is at Ronnie Krebs of Lindsay and will have three bedrooms and two baths, double garage, brick veneer central heat and air conditioning. The other, with similar specifications, is going up for Kenneth Woods at Forestburg.

W. J. Luke's commercial job, about two weeks from completion, will more than double the size of his building. It will have heydite tile walls, paneled interior, enlarged heating and cooling plant, carpeting and acoustical ceiling.

Another commercial building recently occupied is the Hennigan Auto Parts store for Pat Hennigan and sons. It features metal pre fab construction measuring 50x100 with the front 30x50 partitioned off for office, sales and display. The entire front is glass, the rest of the office is paneled and air conditioned.

Donald Endres is nearly finished with his advanced design dairy barn. It's the parlor type, 8-cow size, with plastic finish for all interior walls.

Principal residential repair and improvement jobs are central air conditioning for Andy Schoech; new cabinets and paneling in kitchen and living room for Ervin Henschel; also paneling and cabinets for Ivan Koelzer; new roofs for Arnold Rohmer, Earl Walterscheid and Henry Henschel.

Both local schools are favored with interior paint. A crew of volunteers did Sacred Heart's in two weeks. Employees at the public school are spending most of the summer on theirs.

## Painters Still Needed

A progress report on painting at Sacred Heart grade school reveals class rooms finished with rest rooms, teachers lounge and some windows still waiting for paint and painters. Volunteers for next week are being solicited. Anyone who can spare time is being asked to call Sister Georgia at the convent to arrange a schedule. General chairmen Mrs. Tony Hess and Mrs. Leon Fleitman gratefully thank all who have helped.

## Broken Promises

More than four months after the so-called "truce agreements" in Vietnam, a new "peace agreement" is now the news of the day. And, according to the negotiations between Presidential Advisor Henry Kissinger and the Communist agent of North Vietnam, Le Duc Tho, major concessions have been made by us. For example, our side would cease all aerial reconnaissance flights over North Vietnam, thus permitting the Reds to build and move military supplies and troops in

complete secrecy. What do the Communists have to hide, that they should insist that we not know what is going on?

Another concession on our part would be the exchange of maps between the South Vietnamese and the communist aggressors, "delineating the areas under their control." In return for these and other concessions, the communists would abide by "an immediate and strict cease-fire" throughout South Vietnam and the withdrawal of all communist troops from the Demilitarized Zone.

All of this raises a large number of questions. For example, there are some in our community who can recall a time when the Communists made an agreement, which included the exchange of maps

delineating the "zones" to be held by the French, English, American and Soviet forces in Berlin. For this and other concessions, Berlin was to be a free and open city, with free elections. Did the Communists keep their promise? The obscene Wall in Berlin is most testimony as to how well they keep agreements.

Since the "truce" four months ago, the Communists have killed and wounded more than 3,500 civilians in South Vietnam and killed more than 5,500 South Vietnamese soldiers.

And as to the removal of troops from the Demilitarized Zone, the very term itself comes from the fact that the communists promised to maintain the zone between North and South Vietnam where there would be NO military personnel or supplies. What, may we ask, are the Communists now doing in that Zone? Why are they there in view of their solemn promise not to be? And since they have not kept their previous promises to keep the zone demilitarized, why should we take their word now?

The way to peace in Vietnam is for the Communists to withdraw all of their troops from South Vietnam; allow the South Vietnamese to live in peace; go back to North Vietnam, and hold free elections there.

## Something For Nothing

The following statement was part of an Address entitled, "Don't Blame Caesar," by Ed W. Hiles. It was reprinted in "The Freeman" and carries a message that all of us should take to heart for the good of our character, not to mention the health of the nation. He said: "Whenever one man gets something without earning it, some other man has to earn something without getting it. That is morally wrong and any nation built on that kind of philosophy is headed for trouble because the real irony of this is that the man who pays nothing actually pays the highest price of all through the destruction of his character and self-respect."

## Beneficial Contrast

'There's no place like home' was doubtless on the lips of a would-be expatriate as his ship docked in New York City in the fall of 1972 after a self-imposed exile. Disgruntled with America, humorist S. J. Perelman had packed up his typewriter and left "for good", only to return two years later with this observation, according to the Portland, Oregon, Oregonian: "Perhaps... it's necessary to go somewhere else to get a view of one's city."

Many people who see nothing except the "hole in the doughnut," so far as the United States is concerned, would benefit from visiting some of the rest of the world. For a really sharp contrast, they might try one of the garden spots of state socialism like the Soviet Union or China where the rule of law, individual rights and a free press haven't been invented yet!! — Industrial News Review

## Letters to the Editor

Dear Editor: I recall about a year ago, or a little longer, I wrote a letter to the City Council requesting signs being placed on the highway prohibiting large trucks from parking in front of The Center and on north side.

After several months I was informed the highway department had approved the signs and they would be installed.

As to this date they have not been erected.

Monday of this week two of our women were injured and had to be taken to the hospital. There was a large truck in front of the service station and they could not see the car going east.

I am so thankful the women were not killed and hoping they are not injured critically. But I am requesting again: Please City Council do something about this situation.

Thank you,  
 Ola Roberg

## No Deterrent?

Those who maintain that punishment is no deterrent to crime might well observe a magical performance of law enforcement experienced in New York City. The angry blowing and blasting by horn-happy drivers, it is reported, has disappeared. Gone are the high decibels that polluted the air. Over the entire city of 365 square miles and 8 million souls there now abides the blessing of quietness. Why? Because the powers that be cracked down with a fine of \$25 for every unnecessary toot!

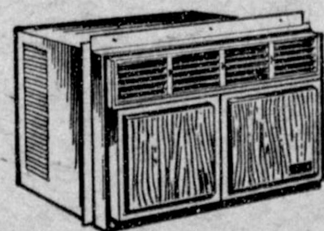

## Let's Get It Over With

Vice President Spiro T. Agnew has given good advice about the Watergate case: "Let's get it over with!"

Every man is entitled to speedy justice, including the President of the United States. The Watergate affair has had more than enough attention. It must not be permitted to hang over our nation like a Sword of Damocles for months and months.

The facts in the Watergate case are known. Seven men entered and bugged the McGovern headquarters in Washington in search of evidence that the Cuban Communist government and violent-prone groups were linked with extremist elements within the Democratic campaign organization. The offenders were tried, convicted and jailed in record time.

Seldom mentioned in polite society is the fact that the people generally are fed up with Watergate. They are tired of politicians jockeying and competing for the chance to ask the "best questions" on tv. They are tired of some journalists and commentators who keep tub-thumping the case to the exclusion of all other matters of vital concern. Wholesale prices are out of control. The dollar is at its lowest point in foreign exchange. The stock market is plunging. Inflation is eating away the life savings of the elderly and retired. Thousands of missing in action soldiers are not accounted for. Raw materials, such as oil and paper, are in short supply. Let's get it over with, and get back to urgent business. — U. S. Press Assn.

## Pearl to Rebuy, Recycle 50 Million Cans Annually

SAN ANTONIO — A statewide system of 81 aluminum recycling centers with the potential for removing 50 million beverage cans annually from the Texas environment was announced here by Frank P. Horlock, Chairman of the Board and Chief Executive Officer of Pearl Brewing Company, said the network of centers would be operated by Texas Pearl distributors and is expected to be operational by April 15.

The network recycling system is expected to be operational by April 15.

The projection for the removal of a minimum of 50 million aluminum cans annually from the Texas environment is based on national beverage industry experience. Recycling programs nationally are averaging 18 to 20 percent recovery of aluminum cans, according to a Reynolds Metals Company spokesman.

The recycling centers and a recycling plant which Pearl will build adjacent to the brewery here are part of a total brewery conversion to aluminum cans, according to Horlock.

Each of the 81 Pearl Beer distributors in Texas will establish recycling centers at his distributorship where he will buy back aluminum beverage cans of all brands for 10 cents a pound.

Pearl has contracted to purchase aluminum cans from Reynolds Metals Company and will cooperate with Reynolds in operating the statewide recycling network. Until the aluminum processing center adjacent to the brewery is completed, aluminum cans collected by the Pearl network will be shipped to the Reynolds Houston Aluminum Recycling Center.

The Pearl brewery here and the Royal Crown bottlers in Dallas, Houston and San Antonio, all of which are included in the conversion program, annually will market 250 million units in aluminum cans.

In making the announcement, Horlock commented, "We know this program will work because our premise is sound. Recycling diverts aluminum from the litter and solid waste stream, contributing to an environmental clean-up; it conserves a valuable natural resource; it conserves energy; and it provides youth and civic groups, as well as individuals, with a means of raising funds for worthwhile projects or for just plan extra pocket money."

**Luncheon Honors Miss Elaine Otto**

Miss Elaine Otto who was married Saturday to Robert (Bobby) Bruns was honored with a luncheon at River Valley Country Club at Gainesville on June 14 with 21 guests attending.

Hostesses were Mmes. David Trachta, Urban Endres, Mike Sloan, John Klement, Frank Kathman and Bill Mayer. They presented the honoree a pink rosebud corsage and served champagne before the meal.

The bride's chosen colors were used in floral arrangements on the tables and the hostesses presented the honoree with a pair of silver candlesticks.

Special guests were the bride's mother Mrs. Earle Otto, the groom's mother Mrs. L. B. Bruns and the bride's grandmother Mrs. Rosalie Hoffman.

**Elaine Otto and Robert Bruns are Married at Mass**

Miss Elaine Marie Otto and Robert Joseph Bruns exchanged marriage vows in a double ring ceremony at nuptial Mass in Sacred Heart Church Saturday evening, June 16, with the Rev. Placidus Eckart, pastor, officiating. Spring flowers decorated the altar, flanked by spiral candleabra holding lighted votives and flowers.

The bride is the daughter of Mr. and Mrs. Earle Otto. The bridegroom's parents are Mr. and Mrs. Lawrence B. Bruns.

Wedding music was provided by Miss Mary Lou Kralicke, organist and guitarist who also was a vocalist and Mrs. David Walterscheid and Dr. Martin Kralicke, singers.

Before the ceremony Miss Kralicke sang "The First Time" and Dr. Kralicke and Mrs. Walterscheid sang "A Time for Us." At the offertory the duo sang "How Great Thou Art," and at the communion Mrs. Walterscheid and Miss Kralicke sang "Wedding Song."

After the ceremony Mrs. Walterscheid and Dr. Kralicke sang "Mother at Your Feet" as the bride placed a rose on the Blessed Virgin's altar.

Presented by her father, the bride wore a formal A-line gown of white silk organza. Re-embroidered Alencon lace sprinkled with pearls and crystal beads defined the empire bodice with its Victorian neckline and long sheer fitted sleeves. Lace appliques adorned the skirt and a border of beaded lace circled the hemline. Her detachable train, framed in lace and appliqued, unfolded at the back waistline and fell to chapel length. The bridal mantilla, framed with lace also extended to chapel length.

For something borrowed the bride carried a white lace handkerchief, carried by her aunt Mrs. Bill Mayer on her wedding day. For something old she wore the 55 year old engagement ring of her grandmother Mrs. John Hoffman, and for something blue she carried a rosary, a gift from her late grandmother Mrs. Tony Otto. Before the service

her father slipped a sixpence in her shoe for good luck. Her flowers were a cascade of a white orchid, white sweetheart roses and stephanotis with seed pearls in the center of each flower. White love knot ribbons trailed from the bouquet.

Bride's attendants were Miss Cheryl Otto, a cousin, maid of honor and Miss Patty Shea of Irving, Miss Beverly Bruns, sister of the groom, Miss Susan Bruns of Houston, a cousin and Miss Stacie Mayer of Pilot Point, cousin of the bride, bridesmaids. Miss Lee Ann Mayer of Pilot Point, a cousin was junior bridesmaid and Miss Kari Dunn, groom's cousin of Hurst, was flower girl.

They were identically dressed in silk organza gowns of pastel shades of pink, yellow, orchid, apricot and green, which featured a shirred white nylon bodice, short puffed sleeves and a deep flounce around the bottom of the skirt. They wore matching ripple brimmed picture hats and carried nosegays of spring flowers.

John Felderhoff was best man and Alvin Hoenig, Bill Lawler of Saint Jo, David Stormer of Bryan, and Phil Gregory of Gainesville were groomsmen. Tracey Massey of Oklahoma City was junior groomsmen and placed the couple's anniversary candle on the altar. Scott Fleitman was ring bearer. The men were in formal attire and wore colored shirts which coordinated with each girl's dress. Ushers were Terry Miller, Lynn Joe Klement of Beaumont, Wayne Hoffman of Denton and Will Beizer.

As the couple left the church, the bride handed a long-stemmed white rose to her husband's mother and the groom handed a duplicate rose to his wife's mother.

Wedding reception was held in Muenster Public School Auditorium where Mrs. Larry Kostyniak of College Station and Miss Denise Walterscheid registered guests. Miss Cindy Hoffman of Denton, bride's cousin, presided at the punch service and Mmes. Bryan Russell and Cliff Sicking and Misses Sandra Sloan and Joni Wilde served the three-tier

wedding dance in the KC Hall concluded festivities.

For their wedding trip to New Mexico and Colorado the bride wore a navy and white suit with red accessories. She is a graduate of Muenster High School and Cooke County Junior College and is employed as a secretary for Jameslee Distributing Company in Gainesville.

Also a graduate of Muenster High, the groom is attending the University of Texas at Arlington where he will be a senior accounting major this fall. He is employed for the summer at Fisher's Market. The couple will reside in Muenster until he returns to college in the fall when they will move to Arlington.

**Rehearsal Dinner**  
The bridegroom's parents were hosts for the rehearsal dinner Friday evening at Rohmer's Restaurant where places were marked for 32 guests.

**Wedding Guests**  
Wedding guests included Mrs. Mary Dunn of Saint Jo and Mrs. Elizabeth Bruns, Gainesville, grandmothers of the groom, and Mrs. Hoffman, grandmother of the bride.

Also T. J. Hoffman of Cleveland, Ohio, Messrs. and Mmes. Allen Hoffman and family and Danny Hoenig of Denton, Bill Mayer of Pilot Point, Bill Polson and Rick and Dick Schleicher and Susan of Fort Worth, Jim Schumacher of Carrollton.

Messrs. and Mmes. Ray Bruns and family of Houston,

wedding cake assisted by Mrs. Jerry Walterscheid.

The buffet table held a large centerpiece of spring flowers and English ivy. Garlands of daisies decorated the gym. A Jack Shea and family of Irving, Daniel Hudspeth of Dallas, Ray Whaley and Mike of Fort Worth, Mmes. Robert Mayer of Pilot Point, Cecilia and Elizabeth Hoffman of Scotland, and Alma Scheffe of Windthorst.

Messrs. and Mmes. Charley Massey of Oklahoma City, C. E. Dunn Jr. and family of Hurst, John Elliott and Danny Dennington of Tyler, Jim Otto of Garland, Richard Moore of Fort Worth, and Dean McMahan and David Gilley, Mrs. Mame Breeding, Grady Turner, Doug Otto, Glen Rohmer and Tommy Henscheid, all of Dallas.

**Fr. Frowin Named Man of Year by Abbey 'Periscope'**

Father Frowin Schoech, student chaplain at Subiaco Academy has been named "Man of the Year" first such honor bestowed by The Periscope, official student publication of the academy.

A native of Muenster and son of Mr. and Mrs. Andrew Schoech, he was born Aug. 7, 1940, attended Sacred Heart grade school and entered the scholastic at Subiaco as a freshman. He was ordained to the priesthood in 1966.

Teaching at the academy since 1965 has included at various times History, Latin, Economics, Christian Doctrine, Sociology, Social Studies Survey, Physical Education and guitar. His degrees include Bachelor of Arts from Subiaco College and Seminary, Master of Arts from SMU in Dallas with special studies at the University of Arkansas and the Catholic University of America, Washington, D.C.

In addition to his classroom work and as student chaplain, Father Frowin is the management of the Work-Play Pro-

gram, directs the student band in which he also plays and is public relations man for the Academy and Abbey.

According to The Periscope he seems to be everywhere, always in contact with students of the Academy, and "simply a great guy."

Mr. and Mrs. Adam Wolf had as guests Sunday and over night Mr. and Mrs. Roy Fox and four children of Springfield, Mo. The men are Army buddies.

**4-H Club News**

**Following 4-H**

Record book time is just around the corner, and preparations are being made. Helen Sicking and Laura Gage have picked up their record forms and other 4-Hers are encouraged to do the same, so that everyone will have plenty of time to meet the July 9 deadline.

Two record workshops were held to answer any questions that the 4-Hers might have in preparing this past year's report. The Texas Power and Light building in Muenster was the site of the first workshop and the second one took place at the Gainesville Farm Bureau Office.

Many new skills can be learned through 4-H. Dwayne Dennis and David Nortman were seen recently in Leopard Park practicing water balloon making and throwing skills they recently learned at the State 4-H Round-Up. 4-H is not always cut and dried.

Never let it be said that 4-Hers aren't resourceful. At State Round-Up, Jamai Pybas and Barbie Davidson, had a problem with red ants. They attacked their problem with zest and reported that an aerosol spray deodorant kills ants dead. Would you have thought of that?

We hear that Callisburg 4-Hers became flower children last week. In conjunction with the Callisburg Community Improvement Club, the 4-Hers helped spread Bluebonnet seed over the area surrounding the town. In a year or two, this community service project will certainly be enjoyed by many people.

A characteristic sound on the American scene of farm and industrial progress is the familiar echo of an internal combustion engine. These engines are also a source of fascination. Because the principles for operation of the internal combustion engines are the same whether it is a one-horsepower engine on a lawn mower or a 45-horsepower engine on a tractor so 4-Hers enjoy taking the Small Engine 4-H project. In this project they learn by doing and gain a basic understanding of engine principles. For a youngster who likes to tinker with machines, 4-H Small Engine Project might be just the thing.

One of the most enjoyable 4-H activities of the year is the County Horse Show. Activities such as this not only give 4-Hers the opportunity to participate, but to learn and improve as well. John Schumacher served as Master of Ceremonies at this year's horse show, and will also serve in the same capacity at the District Horse Show to be held July 14.

Mr. and Mrs. Stan Wylie and children of Grand Prairie came with gifts and greetings to spend Father's Day with her parents, Mr. and Mrs. Bill Kathman.

**Back from Trip**

Russ Linn has returned from a vacation trip that covered 3,485 miles for sight-seeing and visiting relatives and friends. He accompanied his son and wife, the Thomas Linns of Gainesville, and his daughter and husband, the Ray Smiths and son Craig of Dallas. Highlights included Holbrook, N. M., Russ Linn's home town for six years before he settled in Muenster, and Clovis, N. M., the Grand Canyon, an overnight and day visit with his sister Mrs. Era Mitchell in Prescott, Ariz., where other relatives from there joined for visiting, and Phoenix, Ariz., and Las Cruces, N. M. sight-seeing. Weather was pleasant, no rain. No problem securing gasoline but prices varied. Highest for the tourists was 46.9 cents a gallon.

**Kin In and Out at Mrs. Walterscheid's**

There have been comings and goings at the home of Mrs. H. A. Walterscheid since last week Tuesday. That was the day the Delbert Walterscheid and children arrived from a Las Vegas vacation with the Jim Harris and Lambert Walterscheid families. Coming with them in their own car were Lambert, his wife and children Dennis and Jackie to spend their vacation here. The Delbert Walterscheid returned to their home in Rockwall.

Friday Lambert and family, his mother and granddaughter Amber Lynn Grewing drove to Rockwall to spend the day there. Saturday Delbert and family returned for the day.

Wednesday visitors were Mr. and Mrs. Charlie Stelzer of Fort Worth and the group all went to the home of Mr. and Mrs. Herman Grewing for dinner. The Stelzers also visited their aunt Susie Bernauer at Hillcrest Manor.

**Gets M.S. Degree**

Richard Schoech, son of Mr. and Mrs. Andrew Schoech, received his Masters degree in Social Work, specializing in planning and organization, at May commencement exercises from the University of Texas at Arlington and is working for the Greater Dallas Community Council as a health planner. He and his wife live in Arlington.

**Rates DS at A&M**

Larry E. Kostyniak has been named to the Dean's Honor Roll with designation as a Distinguished Student at Texas A&M University College of Engineering. Husband of the former Miss Gretchen Koesler of Muenster, he is the son of Edward Kostyniak of Denison, is a senior Nuclear Engineering major and is working this summer at the Nuclear Science Research Center at College Station.

**Local News BRIEFS**

Mrs. Jean Gebman left Friday to return to Santa Monica, Calif., after a two-weeks visit with her parents the Pat Hennigans. Mrs. Gebman and her husband came for the Hennigan-Hunt wedding and he returned that weekend.

Mr. and Mrs. Henry Hennigan returned to St. Francis Village Friday after a two-weeks vacation here and at Wilson, Okla. They were among guests at the Hennigan-Hunt wedding and while here were houseguests of the John Mosmans. In Wilson they were guests of the Tom Hennigans.

Mrs. Val Fuhrmann and son Fred made a flying trip to the Chicago area over the weekend. Saturday they joined other relatives in celebrating the 35th wedding anniversary of Anna and George Hartman at Elmhurst and Sunday they were guests of Mrs. Fuhrmann's sister Dolly and family, the T. J. Gormans at Rockford, Ill.

Mrs. R. M. Zipper has had as her guest for about ten days her daughter, Mrs. Jim Stockman of New Jersey who returned home this week Thursday. She reported her husband is being transferred back to Kansas City and they soon will be at home there.

Mr. and Mrs. John O'Dowd, Walter, Mary Ann and Margie of Shreveport, La., were visitors Monday to Thursday last week with Muenster relatives. They were houseguests of her sister and family, the Bill Millers.

Mr. and Mrs. Bryan Russell are new residents for Muenster moving from Gainesville during the weekend. They are occupying the former home of her grandparents, Mr. and Mrs. Jake Pagel.

Three sisters, Mrs. Frank Schmidkofer of Lindsay, Mrs. C. M. Flusche of Decatur and Sister Mary Olive Neu of Granger left by air Friday for a visit in California with their sister and family, the Charles Greens and their brother Herman Neu.

Father Eugene Luke of Subiaco Abbey, Ark., is spending the vacation months as an assistant to Msgr. Fred Mosman, pastor of St. Patrick's church in Dallas. His new assignment allows time for weekly visits with his parents, the Ben Lukes, and other members of the family.

The Harold Lukes of Arlington and the Bernard Lukes of Irving were here Sunday for a Father's Day get-together at the home of Mr. and Mrs. Ben Luke.

**At Kin's Wedding**

Mr. and Mrs. Bob Swirczynski were in Richardson Saturday for the evening wedding of a niece, Miss Sandra Trubenbach of Dallas, daughter of Mr. and Mrs. Harry Trubenbach, and Dr. Fouad Michael of Richardson. Vows were exchanged in First Baptist Church. Both are teachers in the Richardson school system.

Don't lose faith in humanity: think of all the people in the United States who have never played you a single nasty trick.

**Mrs. Fleitman Is Hostess for Kin**

Mrs. August Fleitman had as guests Thursday her sister Mrs. Jackie Zackery and family of Denton. Mrs. Zackery showed pictures of her trip to Hot Springs, Ark., which were of special interest to her sister and brought happy memories. Mr. and Mrs. August Fleitman spent part of their honeymoon there five years ago. After visiting in the home the mothers took their youngsters to City Park for a swim party.

Friday Mrs. Fleitman entertained in the home of her parents, the E. H. Richardsons at Gainesville with a birthday party for her nephew Troy Zackery. Assisting with hostess duties were Mrs. Richardson, the honoree's mother and an aunt, Miss Laverna Richardson. A clown show performance and games were followed by cake, punch and ice cream for 15 guests.

Sunday Mr. and Mrs. Fleitman, Randy and Jan, had Father's Day dinner with her parents.

**Junior Baseball**

Exactly half of the baseball games of the past week were rained out. Of the six games scheduled on Wednesday, Friday and Monday the junior kids had both games called off last Wednesday and Monday's second game had to be stopped in the third inning.

So, the only game for the record was Tuggle's 16-0 win over the Bank Monday night. And the standings now are Tuggle 3-0, Wilde 1-1, Growing 1-1, Bank 0-3.

Tuggle's pitchers were Kenny Hartman and Craig Walterscheid and the hitters were Curtis Hess, Craig Walterscheid, Mark Richardson, Mike Stoffels, Kenny Hartman, Terry Knabe, Mark Felderhoff, Jackie Knabe and Mike Hesse.

Pitchers for the bank were Dean Swirczynski and Dale Schilling. The hitters were Brian Herr and Kirk Klement.

**BIRTHS**

Mr. and Mrs. Clem Hermes Jr. of Lindsay are proud parents of a seven pound ten ounce son born Monday, June 18, 5 p.m. at Gainesville Hospital. He's a brother for Denise and Michael. Grandparents are Messrs. and Mmes. Clem Hermes Sr. and John Hess, all of Lindsay.

Proudly announcing their second son are Mr. and Mrs. Murlin Joe Evans of Sunset. Douglas Winfield was born at Muenster Hospital Tuesday, June 19, 4:43 p.m., checking in at seven pounds 15 1/2 ounces. He's a brother for Murlin Ray and second grandchild for Mr. and Mrs. Ray Evans. The maternal grandparents, Mr. and Mrs. Ralph Grajeda live in Denver, Colo.

Mr. and Mrs. Danny Yosten proudly announce their son, Jeremy Scott, six pounds three ounces, born Saturday, June 16, at Muenster Hospital, 11:38 a.m. He's a brother for Wendy and a grandson for Messrs. and Mmes. Earl Koelzer and Werner Yosten. Great-grandparents are Mr. and Mrs. George Koelzer and Mrs. Nick Yosten. Mrs. Jenny Schilling has another great-great-grandchild.

**Local Youths Win In State Contest**

Miss Carol Yosten and Myron Hess this week received word from the Catholic State League of Texas that their entries in the Catholic Youth Essay Contest have placed among the top three in the state. They will receive their awards at the Catholic Life Insurance convention in Amarillo during the awards banquet June 21.

Parents of the young people are Messrs. and Mmes. Henry W. Yosten and Al Hess.

**Garden Center Bulletin**

Bagworms and red spiders are increasing on all cedars. Control is best when the pests are small.

The Elm Leaf Beetle is back again attacking the leaves of elm trees. Spraying is effective but because of short life cycle many sprayings are needed. Dy-Syston granules applied around the tree offer equally effective control at a fraction of the cost.

If you haven't fertilized your lawn yet, do it now.

**PUBLIC NOTICE**

Pursuant to the requirements of the State and Local Fiscal Assistance Act of 1972, which authorizes general revenue sharing funds, Muenster City hereby publishes its planned use report of general revenue sharing funds received during the third entitlement period, beginning January 1, 1973, and ending June 30, 1973.

Muenster City expects to receive \$11,361 during this period. Planned expenditures are as follows: Public Safety \$4,000, Environmental Protection \$2,100, Public Transportation \$5,100. These funds are being utilized in this manner in order to avoid debt increase, and to prevent increase in rate of tax.

 City Supt.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS  
 TO: Alfred Bentley, Defendant,  
 Greeting:  
 YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the District Court of Cooke County at the Courthouse thereof, in Gainesville, Texas, by filing written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 9th day of July A. D. 1973, to Plaintiff's Petition filed in said court, on the 16th day of April A.D. 1973, in this cause, numbered 73-094 on the docket of said court and styled Linda Bentley, Plaintiff, vs. Alfred Bentley, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates thereof, and make due return as the law directs. Witness, Anna Mae Shorter, Clerk of the District Court(s) of Cooke County, Texas.

Issued and given under my hand and the seal of said court at Gainesville, Texas, this 23rd day of May A.D. 1973.

## Forestburg News

By Myrt Denham

FORESTBURG — The Texas Highway Department has hauled in dirt and planted flowers at the little roadside park along the Montague Highway close to Perryman Cemetery. For years Cleo Lanier, her children and grandchildren have kept this park mowed, cleaned up and spruced up. At this writing the park is in dire need of cleaning up in general. In talking to Cleo this past week she told me she and her grandchildren are planning to take care of it soon. In fact, one lady even called Cleo to tell her it sure needed cleaning up. Wouldn't it behoove some of us to offer a helping hand. Is it just Cleo's park when it needs cleaning, etc., and OUR park when it is all tidy? We wonder whose park it is when it is all littered up with beer cans and rubbish?

The T. W. Smiths drove up to Burk Burnett Monday, June 11, and returned Tuesday. They visited Mr. Smith's mother and his sister Mrs. Clark Gresham. My husband and other residents of this community are always trying to

get Wesley to take a job. He finally informed my husband that there came a time in life when other things were more important than money. Wesley and Mark Landers are the two happiest men around the Burg. They have the same ideas about retirement. Wonder what wives Gladys and Hettie have to say about this.

Tuesday p.m., June 12, the Forestburg United Methodist Church surprised Rev. Bob Carroll and wife Margaret with a "Welcome Back Party." Our girl Cleo wrote and read a poem for the occasion. Homemade ice cream and cake were served to 29 guests.

There was a fish fry Wednesday, June 13, at the Sockwell abode. Barney Brogdon and the Sockwells hosted the affair. Barney caught and fried the fish. The Sockwells supplied the lake from which the fish came. Others present were the Levi Perrymans, H. B. Perryman and family, Merle and Paula Hudspeth. Clifford had to remain home nursing a bad case of virus.

Robert Ensey of Dewey celebrated his 80th birthday June 14. Hog lard, pork and cow butter sure haven't slowed him down much. He still drives his pickup to the Burg most every day and around to visit his neighbors and friends. He and wife Juanita make weekly trips to Bowie too. Robert still raises a beautiful garden every year.

Faith Sandusky and sons Steve and Willie boarded the train at Gainesville, June 14. Liz Cook and son accompanied them. They headed for Chicago and then on to South Bend, Ind., where they will visit with Faith's parents and other relatives. They also planned to attend the wedding of Faith's niece, Steve, Willie, Liz and son will remain a while to visit with their father. Faith said she'd be home this week.

Friday, June 14, at 6 p.m. Miss Becky Brogdon and Larry Scott were united in holy matrimony in the United Methodist Church. Rev. Bob Carroll officiated at the ceremony. Max Brogdon, brother of the bride, gave her in marriage. Beth White was bridesmaid and Gary Scott was best man. Wedding reception was held in the church annex. The couple went on a wedding trip to Colorado and on return will reside in their mobile home on the Blankenship spread.

More and more sewing machines are being installed at the local shoe factory. Thus, Wib Reynolds is out early every morning doing his best to rustle up workers. He just may have to press his wife Millie into service before it is all over.

Meb and Roxie Dunn spent a few days this past week at Lake Texoma. Understand they planned to do some fishing. Bet Meb is one man that really hopes the fish don't bite so he won't have to go to the trouble of pulling 'em in.

The Huddleston tomato patches are beginning to hit. Saw Dorothy toting in a bushel of 'em to Wylies General Store. Dorothy told me that son Harold had her culling, packing and selling them for him. Guess he does pick 'em. Learned that Buford was busy setting out 3000 more plants for a late crop.

Ruth Smith who lives in the Freemound suburb of Forestburg recently completed a realtor's course at Cooke County Junior College. She also passed all state board require-

ments and is now a full-fledged realtor. Our congratulations to Ruth who runs a one woman ranch and can accomplish this too.

I will close my column this week with a little more of a solemn thought. A lot of ranchers, dairymen, farmers, etc., in this community are curtailing or closing out their operations due to lack of help. The Parker Dairy, in the New Harp community was one of the largest and most successful in these parts, and is in the process of closing for this reason. I can't imagine, unless one has experienced it, how a man must feel after spending a lifetime building up something like this and then having to close it down. Farmers and ranchers are putting their farming land into permanent pasture.

We heard an oldtimer say the other day, "Brother, if you or your cows can't gather it you better not plant it." There probably goes our Montague County tomatoes and watermelons that we were once so renowned for.

Then we read in the daily papers of all the people out of work and on welfare. Certainly makes one wonder, doesn't it?

## Members Present Program at June HD Club Meeting

Members of Muenster Home Demonstration Club met in the home of their president Mrs. John H. Wimmer for their June meeting when Mrs. Albert Fleitman and Mrs. Earl Robison were in charge of the program.

Topic of their talks was "Vitamin C Makes a Difference." At roll call the 14 members present answered the question "Did you have your vitamin C today?"

Mrs. Rudy Hellman reported on the county council meeting and members were urged to take pictures of their storage areas.

The group planned an outing for June 28 at the Moss Lake home of Mrs. Hellman. It will begin with a noon picnic meal.

Mrs. Henry Pick told about visiting senior citizens the past month and Mrs. Robison volunteered for visits this month.

The hostess served fruit cocktail, cake, ice cream and coffee.

Soap and education are not as sudden as a massacre, but they are more deadly in the long run. — Mark Twain

A proofreader shook his head when he read the cub reporter's story of 2025 pigs being stolen from Mr. Smith's farm. "That's a lot of pigs," he said to himself as he picked up the phone to call the farmer.

"Is it true that you lost 2025 and 25 pigs?"

"Yeth!" came the reply and the phone was slammed down. The proofreader thought a minute and turned to correct the copy to read, "two sows

The only thing that gives some of us more for our money today than ten years ago is a penny put in the scale at the drugstore.

### 5 YEARS AGO

June 21, 1968

Harvest nears end... average yields are surprisingly good after five months of exceptionally wet weather... wheat yields have been estimated at 20 to 25 bushels and oats turned out better than

expected. Seven acre area is annexed by city. Swim classes start July 8. The John Steeles move to Gainesville. The Mel Stephens family of five moves here from California... he is an airline pilot out of Dallas. Service and reunion here observe Father Paul Hoedebeck's silver jubilee as priest. Donna Prescher and Lendon Bauer marry at Valley View. Charlotte Wolf's School of Dance recital is applauded by large crowd. Julianne Christine and John Turner marry in Cambridge, Mass. Muenster's annual homecoming draws big crowd on Father's Day. New arrivals: a boy for the Thomas Williamses; girls for the Clyde Fishers and Frankie Hesses.

**Daughter Former Lindsay Resident Wed in Oklahoma**

Before an altar flanked by baskets of palms, yellow gladioli, tiger lilies and tall candles in nine-branch candelabra, Miss Michele Elaine Tubb, daughter of Mr. and Mrs. Benjamin F. Tubb of Oklahoma City became the bride of James Thomas Eagleston, son of Mr. and Mrs. John Houston

Eagleston of Oklahoma City. The bride's mother is the former Miss Lonia Gieb of Lindsay daughter of the late Mr. and Mrs. Henry Gieb.

Father James Mickus, associate pastor, performed the double ring ceremony at 7:30 p.m. on Saturday, June 9, in St. Patrick's Catholic Church in Oklahoma City.

Given in marriage by her father, the bride wore a gown of white Bambazine silk and re-embroidered lace encrusted

with pearls fashioned along Victorian lines. It featured a high neckline and long full sleeves gathered to just below the elbow and finished with wide fitted cuffs extending to the wrist and outlined in silk re-embroidered lace. The A-line floor length skirt was designed with a pinafore edged in lace and pearl embroidery and a chapel length train. She wore a picture hat of sheer pleated organza trimmed with silk lace and satin ribbon. A cascade of Woburn Abbey roses, gardenias, gypsophylla and satin love-knotted ribbons holding lilies of the valley and rosebuds fashioned her bouquet.

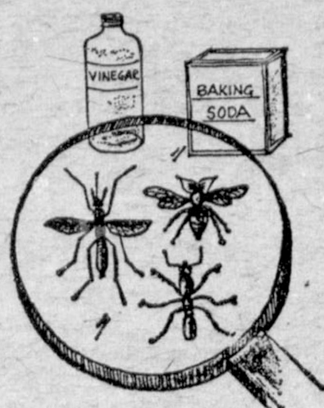

For something old and borrowed she wore a white gold necklace and pendant belonging to her mother. For luck she carried a sixpence presented by her sister.

Maid of honor was her sister Miss Patricia Jeannine Tubb wearing an English garden print gown of sheer cotton voile with fitted bodice and A-line skirt and a self-material triangle shawl tied in a bow at the bodice front. She carried a white wicker basket of Tropicana roses, yellow pompon daisies, fern and baby's breath.

Little Michelynn Marie Nicklin, daughter of Mr. and Mrs. Russell David Nicklin of Colorado Springs, Colo., a niece of the bride, was flower girl. Her dress of sheer voile was of the same print as the maid of honor's. It was styled with a pinafore outlined in cotton lace and had short puffed sleeves. Her flowers were a miniature replica of those carried by the honor maid.

Attending the groom as best man was his brother Stephen Rex Eagleston of Oklahoma City. Captain John Arthur Eagleston of Salinas, Calif., and Chuck Light of Oklahoma City were ushers

**Health Hints**  
FROM BLUE SHIELD

**Insect Bites**

To take the sting out of insect bites this summer, first remove any stinger, if present. Next apply a cold ice compress to relieve the pain. For ant and mosquito bites and bee stings apply a paste of baking soda or calamine lotion. For wasp bites, apply vinegar. Avoid rubbing or scratching the bite. Consult your physician promptly if there is any reaction, such as hives, generalized rash, paleness, weakness, nausea, vomiting, "tightness" in the cheek, nose or throat.

**Medical Information For Campers**

Before sending your child off to camp this summer, be sure he has had a complete physical examination and that the examining physician furnishes the institution with all pertinent information. Failing to provide sufficient information for the institution to give adequate medical treatment in the "absence of parents" could prove fatal. Information should include pre-existing health defects, a record of pertinent past illnesses, allergies and sensitivities, the child's immunization status, and any current treatment.

Wedding music was provided by Ray Ann Melton, Judy Hanneman and Ruth Ellen Miller. Mrs. Melton was organist and guitarist. She presented a prelude of selections including the Wedding Song from Romeo and Juliet, We Have Only Just Begun sung by Judy Hanneman, and The Twelfth of Never.

During a pause in the ceremony Ruth Ellen Miller presented Schubert's Ave Maria on the flute accompanied by Mrs. Melton on the organ. The recessional was the theme song from Love Story.

Following the ceremony a champagne reception was held in the Parish Hall. The bride's table with its yellow taffeta covered an overskirt of pleated white chiffon held the four-tier wedding cake topped by fresh Tropicana roses and yellow pompon daisies.

Members of the houseparty were close friends and classmates of the bride, Mmes. Johnny Stephens and Debbie Sudick and Misses Marjorie Coburn, Connie Hack and Melinda Wells.

After a honeymoon trip to the Bahama Islands the newlyweds will make their home in Oklahoma City. She will continue her studies at Oklahoma State Technological Institute where she is a nursing major. He is a 1973 graduate of Oklahoma State University at Stillwater where he has earned a Bachelor of Science degree in Psychology.

Among out of town guests at the wedding were Mrs. Walter Nortman, Mr. and Mrs. Harold Nortman, Danny and Deana, Mr. and Mrs. Raymond Hermes, Diane and Michael, all of Lindsay, Mrs. Joe Trubenbach, Mr. and Mrs. Gene Gieb of Muenster, Mrs. John Arthur Eagleston and Jennifer of Salinas, Calif., Mr. and Mrs. George W. Griffin, Mrs. Ruth Hardy and Mrs. Clara White of Crescent, Okla., Mrs. Arthur Edward Rau of San Antonio, Mr. and Mrs. Michael Caffrey and Kelly and Miss Becky Gaughan of Kansas City, Mo., and Mrs. Ivan R. Smoot of Bella Vista, Ark.

Miss Patricia Jeannine Tubb was graduated in May from the University of Oklahoma College of Nursing with a Bachelor of Science degree and has gone to Boston to accept a position in the pediatric department of Massachusetts General Hospital. She timed her departure to be her sister's maid of honor.

**Over \$12 Million Of State Sales Tax Delinquent in '72**

AUSTIN — One of the most difficult, and most time-consuming, tasks of the Attorney General's office is carrying out the duty of collecting state sales taxes after they have been certified "delinquent" by the State Comptroller.

Thirteen of the 108 attorneys in my department, and about one fourth of our 91 clerical personnel work on this problem in the Taxation Division.

It is a problem. And I believe it one which directly affects the consumer, since you (and me and my family, and every Texan) are the ones who pay this tax, and you should be the ones to reap the benefits of the revenues it produces.

Many of us resisted the idea of the sales tax when it was first introduced in Texas 12 years ago. And when the one-percent city sales tax was added, and when the State tax went up to four per cent, we fussed a lot more.

But there is no way around the fact that our sales taxes

do pay for a large part of the public services which are available. In 1972, net State revenues from sales taxes paid into the treasury provided \$818,172,597 — nearly one billion dollars — for education, public health, agricultural programs, oil and gas regulation, judicial, and legal and regulatory services.

In addition to that, the revenue-hungry city governments which levy one cent of every five sales-tax pennies paid received some \$178 million in sales tax shares to provide local services.

While the great majority — at least 95 per cent — of businessmen who have the responsibility of collecting sales taxes forms the consumer have been passing them on to the State of Texas every three months as required, there has been a small, but significant, number of sales tax permittees who have not.

The State Comptroller attempts to collect from them, and if that does not produce payment, he certifies the tax as "delinquent," so the Attorney General's office can take action.

Last year, more than \$12 million worth of unpaid sales taxes was certified to our office — and, almost half of that amount was due from sales tax permittees who already

were delinquent from a previous three-month period.

The Senate committee which studied the delinquent sales tax situation estimated that the loss of these revenues through failure to pass them on to the State actually passed the \$20-million mark, and may have been as high as \$80 million.

Although my Taxation Division makes every effort to recover these dollars so they can be put to public purposes, sometimes, it is impossible. For instance, if a firm already has gone out of business by the time we can file suit, there is no legal way to reach the permittee.

The irony of this situation is that the laws which created other state taxes which effect less people and do not produce as large a proportion of revenue for public benefit carry a mandatory requirement, so the State can be assured of collection.

Thankfully, the Legislature recently passed a bill sponsored by Representatives Terry Doyle and Camm Lary and Senator Ike Harris to correct that problem by requiring security, such as bond, from sales tax licensees with unproven or poor payment records.

After that bill becomes law on January 1, Texas consumers really will be able to expect their sales tax dollars' worth of services.

And, in the meantime, you can be certain that the Attorney General's Sales Tax Division still will be working diligently on your behalf.

**"Due to circumstances beyond our control..."**

Texas Power & Light Company has a long, solid history of providing its customers with reliable electric power at the lowest price consistent with good service. The Company wants electricity to always be one of the biggest bargains in your budget.

However, there are circumstances beyond our control which indicate future electric rate increases are inevitable.

**Higher Cost of Fuels** The diminishing supply of natural gas and fuel oil has pushed the prices of these generating plant fuels to new highs and is significantly increasing the cost of producing electricity. TP&L's fuel bill was over \$40 million last year, 30% higher than in 1971, and it's expected to be even higher in 1973.

**Higher Cost of Construction** Because of today's energy crisis, new generating

plants must be built to operate with other fuels, such as lignite and nuclear materials. These plants are much more costly to build than gas-fueled ones, but to assure you an ample supply of electric power in the future, construction of new facilities is essential — and must be done even though TP&L faces additional rising costs for labor, materials and land.

**Higher Cost of Financing** The rising cost of money needed to finance new plants and other facilities has been increasing at a staggering rate.

All of these circumstances are beyond our control — and they make producing your electricity much costlier than ever before. However, TP&L will continue to use every practical method and every possible efficiency to keep the price of electricity low and still provide you with dependable electric service in the years ahead.

Joe Bezners III Recently Wed, at Home in Lindsay

Following their wedding and a honeymoon trip to the Lake of the Pines in East Texas, Mr. and Mrs. Joseph John (Skipper) Bezner III are at home north of Lindsay. She is the former Miss Barbara Ann Schumacher, daughter of Mr. and Mrs. Richard Schumacher of Gainesville and he is the son of Mr. and Mrs. Joe Bezner Jr. of Lindsay.

Father Francis Zimmerer of Edgar, Wis., officiated at the Nuptial Mass and double ring ceremony in St. Mary's Church Saturday, June 9 at 5 p.m.

The bride designed her wedding gown of satin overlaid with daisy print organza. The empire bodice was bordered by pyramids of daisies which also edged the satin cuffs of the sheer full sleeves and the chapel-length train. Daisies covered her Juliet cap from which her veil fell the length of the bridal train. She carried a basket of yellow and white daisies and red rose buds. She was presented by her father.

Mr. Larry Kostyniak of College Station was matron of honor wearing a double-layered Empire gown of sheer floral and taffeta.

Misses Sandra Adams, Peggy Schumacher, sister of the bride, and Jo Ann Bezner, sister of the groom, were bridesmaids in gowns of spring green and yellow and green sheer floral and taffeta. They wore fresh flowers in their hair and carried baskets of daisies and baby's breath.

Bryan Bezner of Denton was his cousin's best man. Larry Schumacher, brother of the bride, Louis Gieb and Kenny Bezner, brother of the groom were groomsmen. Michael Bezner and John Schumacher, brothers of the couple, were ushers.

Tim and Gene Schumacher, brothers of the bride and Dennis and Ronnie Schumacher, cousins, were acolytes. Miss Patsy Spaeth, Jim Lawson and Miss Susie Bezner furnished guitar and organ accompaniment for vocal selections.

Wedding reception was held in Gainesville KC Hall where a catered meal was served. Misses Donna Schumacher, sister of the bride and Rhonda Wickliff of Irving, a cousin, registered guests. Mrs. Henry Spaeth of Gainesville presided at the wedding cake.

Special guests were the bride's grandparents Mr. and Mrs. Alois Haverkamp of Muenster and Mr. and Mrs. Henry Schumacher of Gainesville and the groom's grandmother Mrs. Joe Bezner Sr. of Lindsay. Also Sister Clarice Schumacher of New Orleans, La., sister of the bride.

The bride is a graduate of Gainesville High School and Grayson County Junior College and is employed as a registered nurse at Flow Hospital in Denton. The groom graduated from Lindsay High, attended Cooke County Junior College and served in the U. S. Air Force for three years. He is employed by National Supply.

Joan Kuhn, Bride of C. J. Pulte in Vows at Lindsay

LINDSAY — Vows were recited Saturday in a double ring ceremony during Nuptial Mass in St. Peter's Church by Miss Joan Kuhn and Charles James (Jimmy) Pulte with Father Damian Wewers, pastor, officiating.

Parents of the couple are Frank Kuhn and the late Mrs. Kuhn and Ed Pulte and the late Mrs. Pulte.

Given in marriage by her father, the bride wore an Empire gown of white Dacron polyester with a Victorian neckline, Camelot sleeves and Venise lace trim. Her long lace-edged mantilla fell from a Venise lace cap and she carried a bouquet of gardenias, white roses and gypsophila.

Miss Margie Hundt was maid of honor and Miss Vickie Kuhn, a cousin, was bridesmaid. Their gowns were of similar design with Miss Hundt's in orchid and Miss Kuhn's in yellow. Of chiffon-nylon over taffeta they had Empire waists, high necklines and long sleeves with Venise lace on the cuffs. They carried orchid and yellow pompon nosegays.

Joe Pulte of Lewisville was his brother's best man and Pete Murrell of Gainesville was groomsmen. Norbert Mages and Don Clasen were ushers.

Yellow gladioli and orchid and yellow pompon mums decorated the main altar and the bride placed a single-stem orchid on the Blessed Virgin's altar after the ceremony.

Miss Patsy Spaeth and Mmes. Clarence Zimmerer and Bruno Zimmerer furnished wedding music and vocal numbers which included "The Twelfth of Never," "Whither Thou Goest" and "Into Thy Hands."

Restaurants reported record business on Mothers and Fathers days. It's a nice gesture keeping mother out of the kitchen on her special day and it's equally as good for father not to have to wash dishes on his day. In the past few years more and more people have enjoyed eating out.

There is no place where one can get better cooked food and more for the money than at a church sponsored dinner.

This Sunday Lindsay has its Homecoming with dinner starting at 11 a.m. Muenster people have so many friends and relatives in Lindsay that a visit there to enjoy a meal, see old acquaintances, meet new people and just visit would make an enjoyable day. While there visit their church which has just been completely recarpeted.

It's interesting to walk down the street and visit the various businesses — like going into R&M auto service and seeing Albert Rohmer smile because someone just brought in a John Deere tractor for him to fix up. Since Bob Walterscheid joined him there are more cars around the place. Eddy's Radiator shop is really a clean place, he keeps it spick and span. Liz Koesler has a warm smile for anyone entering their store and Norbert always has his head down working on watches. Some of those pieces are too small for me to see.

Next is the Palace Drug where you get conversation, usually not constructive, but

conversation. Palace cafe is a good place to pause for refreshments. Catherine has been there 20 years and has a nice clean place. Would like to spend more time in Pearl's but men usually go there only to buy a gift or pay a bill. That round table in Hamrie's is an inviting place at which to sit except they have such a good assortment of the latest styles in sport coats, shirts and ties one kinda feels like a little boy looking at a toy display.

Banks have changed. Remember when the president sat next to the front door to see all who came and went. A wood counter made his area private and seeing some one talking quietly to him was like watching a person going to confession. Now the officers are too busy and there is too much traffic for them to greet everyone. The cashiers must have had a course in public relations as they are always so friendly.

Mr. Weinzapfel has been passing out some cute-small saving banks. The slot is not big enough for a silver dollar. Is he telling us to save our small change but bring our dollars to the bank?

**Californians Are Reunion Honorees**

Mr. and Mrs. Woodrow Bagwell of Carmichael, Calif., arrived Friday to be weekend houseguests of his sisters and their husbands, the Clive Gobbles, W. L. Eddys and W. H. Pattersons.

They were joined Saturday by their son and family, the James Bagwells, Sharia and Beverly of Austin, his sister Mrs. Beulah Dillon and her husband of Fort Worth, and Mr. and Mrs. Larry Gobble of Farmers Branch.

Leroy Bagwell, son Alvis and daughter Mrs. Cordilla Totten of Fort Worth joined the group Saturday evening for a get-together and returned home later that night.

The rest of the group was joined Sunday morning by Mr. and Mrs. J. O. Bagwell of Whitesboro and all attended 11 a.m. services in Muenster First Baptist Church, then were together for a family reunion dinner in Muenster City Park. The Californians left Monday for further visiting with Fort Worth relatives.

**Track Team Wins 23 Ribbons in Meet at Garland**

Members of the Muenster Track Club, coached by Glenn Richardson, had another satisfying experience last Friday and Saturday participating in a track meet in Garland. They placed in a large number of events despite competing with hundreds of athletes from larger cities including Garland, Richardson, Plano, Mesquite, Grapevine, Irving, Grand Prairie and Gainesville. They received ribbons for first, second and third places, a total of 23 for all events.

Competition of the meet is limited mostly to the running of heats. There are no finals unless circumstances allow placing all entries in one group. That was the case in the mile run, in which Tom Bright was second and Louis Koelzer fourth.

In other action of the Intermediate class (14 and 15 years) Koelzer was third in 120 hurdles and third in 330 hurdles. Also Bright was fourth in each the 100 and 440 dashes. And Danny Endres was second in the 440, third in the 70 yard hurdles and third in the 330 hurdles. And Randy Sawyer was third in the 440 dash, and fourth in the 220.

That part of the meet was held Friday night and the balance was held Saturday. In the Bantam Class, under 9, Muenster scored as follows. 440 relay: best time of all heats was run by James Bright, Monte Wimmer, David Jaska and Jimmy Biffle. 100 yd. dash: Monte Wimmer 2nd, Tim Schneider 3rd, James Bright 4th. 50 yd dash: Monte Wimmer and David Jaska 3rd, James Bright 4th.

Girls too had a Bantam class meet, with Muenster entries doing as follows. 100 yd. dash: Kyla Hale 1st, Dawn Moore 3rd, Glenda Richardson 4th. 50 yd dash: Glenda Richardson and Kyla Hale 3rd, Dawn Moore 5th.

**Fr. Bede Mitchel Gets Certificate**

Father Bede this week is the proud owner of a certificate from the Gainesville Soroptomist Club which reads: "Father Bede Mitchel has been nominated as Senior Citizen for 1973 by Cooke County Ministerial Alliance." It is signed by Omie Sherrill, president; Billie Dennis, vice president, Bernice Thurman, Chairman, Projects Committee; and Tulu Hickerson, Chairman, Service Committee.

Father Bede was not at the presentation program. He was in Subiaco, Ark., at the annual retreat for Benedictine Fathers at the abbey.

**Confetti - - -**

teurs and unscrupulous politicians carry out their mission of hatred.

Those hypocrites pretend they have the public good at heart, but they must know as well as we, what impressions are conveyed by their presentations.

Maybe it wouldn't be out of line to judge those characters by the standards they use in judging and persecuting their Watergate victims. If they can impose disgrace and ruin on the basis of evidence that is inadmissible in court, why can't we judge them on the basis of what damage they do to innocent people and the nation?

They could, of course, have misguided ideas of justice. But they could also be enemies, deliberately striving to damage the country.

Considered from another side, there's no question that some of the hate-America characters are reds. And the misguided ones ought to understand that they are in very bad company.

**Travis Klement, 2 Birthday Honoree**

Travis Lee Klement, two years old Tuesday, June 19, celebrated at a party hosted by his mother Mrs. Robert G. Klement at their farm home. A circus theme was carried out, favors of whistles and balloons were distributed and birthday gifts were opened and displayed until refreshment time.

A clown birthday cake, ice cream, cookies and soda drinks were served to the honoree, 18 youngsters and eight mothers.

Mrs. Leo J. Haverkamp, maternal grandmother, was a special guest at the afternoon party and the paternal grandparents, Mr. and Mrs. Ed Klement came with gifts in the evening and had party refreshments.

Afternoon guests were Mrs. Bill Dangelmayr, Shawn, Janet and Tommy; Mrs. Dickie Pagel, Dolle and Kristi; Mrs. Harold Bindel, Darla and Debbie; Mrs. Dale Klement and Keith; Mrs. Kenneth Klement, Bryan, Keith and Dan; Mrs. Paul Dangelmayr and Darrell; Mrs. David Bayer and Ryan; Mrs. Tom Swirczynski and Glen; Lisa Robison, Chris Klement, and the honoree's brother Scott and sister Melody.
