VOLUME XXXIII

MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 14, 1969

NUMBER 51

After an agonizing delay our side seems to be getting somewhere in the Vietnam war. While the political climate improves over here the military capability of our ally improves over there. At the same time the howling of reds from various parts of the world indicates that the situation is less pleasing to them than before.

The most encouraging sign in this country since early in the conflict is the massive public support for President Nixon's peace effort as revealed after his speech last week. Reports say that the nation responded with the biggest spontaneous endorsement ever given to a policy speech. People verified what the president had claimed: that the big noise came from the minority, it does not express the thinking of average Americans.

Well, our president has spelled out the official U.S. policy, the public has expressed its approval, and the word has reached the enemy. At last Hanoi knows the score. We want an honorable peace and will settle for nothing less. The smart policy for communists now is to adopt a reasonable attitude in their negotiation. At the same time they can exercise good judgment in heeding the president's warning. He does not rule out a possibility of stern retaliation in case of the enemy's escalation.

The enemy is aware, just as all of us are, that U.S. forces have been pulling their punches. They have not been fighting to win like they used to. Rather they have been trying only to prevent a red takeover of South Vietnam. They have fought a defensive war, knowing all the time that Hanoi was fighting for a win without fear of loss while we were risking defeat without a chance to win.

That circumstance, as in Korea, made our campaign a miserable snafu from the start. It is the reason why the best targets and military objectives were denied to our fighting forces, why our men were required to engage in the kind of conflict chosen by the enemy.

Military men have said many times that the war could have been won in months, especially during its early stages. The enemy was also aware of that, as he must be aware now that he can bring on major punishment by demanding too much of our patience.

The big puzzle about American and South Vietnamese war policy is why they accepted the absurd fighting terms in the first place. In all of history, until Korea, war was never fought that way. Rather, the aggressor who reached out a greedy hand was also sticking out his neck. Anyone who tried to conquer was fair game to be conquered.

Common sense tells us the same rule should have applied in this war. Reds of North Vietnam were trying to take over South Vietnam. That gave South Vietnam the right to take over North Vietnam. Civilization will always wonder why we and the Saigon government did not try for that objective, just as reds are probably gloating over the fact that we did not do it.

This no-win policy has been the big cause of frustration in our country. People understood at the beginning that our purpose was to bring a halt to communist global expansion, and specifically to keep South Vietnam from being gobbled up by the red monster. But they became disgusted with the way things were going. Understandably, they demanded that we win or get out.

To make matters worse, our fiasco was exploited by the global communist movement. Its members over here took advantage of justified discontent and moved to the front of the peace movement. So America had two peace factions, one seeking the best settlement for our country the other seeking capitulation to red demands. Meanwhile Hanoi disregarded the difference in motives and claimed that all dissent over here was support for itself. Blundering news media, by conceding undue importance to dissent, encouraged the enemy to think our country was falling apart. (Continued on page 8)

Burglars Visit Texaco Station

Eight cases of beer and a tire, total value about \$70, were stolen at a Denis' Texaco Station burglary at an undetermined time after Tuesday night's closing.

The break-in was investigated by Deputy Sheriff George Davis, who determined that the place was entered through a wash room window at the east side. Normally the window is kept locked but it was found open after the burglary and no other means of entry was discovered. The opinion is that the guilty person or persons were there earlier to unlock the window.

Davis said Wednesday afternoon that no arrest was made up to then. However the officers have clues and fingerprints and expect to close the case soon.

Joe Hartman in College Who's Who

Joe D. Hartman is one of 38 Texas A&M University students who will be listed in the 1970 edition of "Who's Who Among Students of American Universities and Colleges."

A&M Dean James P. Hannigan said the nominees were selected on the basis of academic achievement, community service, leadership in extracurricular activities and future potential. Outstanding students have been listed in the international directory since 1934.

Hartman is a senior at A&M majoring in mechanical engineering. He is a son of Mr. and Mrs. Herman Hartman, a graduate of Muenster High School.

Weekending with Dr. and Mrs. Martin Kralicke and family was Father Kurt Buranish, their former pastor at Crowell. Father Kurt came from Wisconsin and is headed for Brazil as a missionary in a leper colony. He has previously done missionary work in South America.

Field Day Group Sees Renner Pasture System

More than 50 persons toured the Al Felderhoff stock farm last Thursday in the Renner pastures system demonstration co-sponsored by the Texas Research Foundation and the upper Elm Red Soil and Water Conservation district.

The Renner six year pasture system is in its third year on the Felderhoff farm and is well established. It includes three warm season perennial grasses as well as other grasses that were previously established. Coastal Bermuda, Ermelo lovegrass and DeSoto grass are useful forages now. Midland Bermuda and some native grasses are under improved management.

Management of these grasses includes the use of fertilizers, weed control, and rotational grazing. The establishment techniques including seedbed preparation, rates of planting, the fertilizer rates and the number of cattle carried on each pasture were explained by personnel from Texas Research Foundation. Despite the stress of the extreme heat, the pastures held up well this year.

Considerable interest was shown in the performance of Ermelo lovegrass. This is a very durable grass from South Africa introduced by Texas Research Foundation. It is extremely drought tolerant and provides earlier grazing than any of the other grasses. Three grazing periods totalling 65 days with two animals per acre highlighted the use of Ermelo. The winter usage of this grass will begin about December 1. One of two animals per acre will be carried on this 20 acres with liquid protein as supplement.

Desoto grass, in its third season, has maintained vigor from the original planting in 1967. This is a tall grass and is treated accordingly. Its usefulness has been maintained by timely fertilization and cultivation. Thirty five full-time grazing days, plus thirty part-time days have served the requirements of two animals per acre.

Carol Grewing Is Crowned Queen at SHH Homecoming

It was a happy homecoming crowd — and a large one — that gathered at Sacred Heart School for festivities Saturday night.

The Tigers had the crowd cheering in their game with Cistercian Prep of Irving and when Miss Carol Grewing was crowned homecoming queen in half-time ceremonies.

Another ceremony at half-time was dedication of the stadium's new scoreboard. It is a gift from Mr. and Mrs. Ed Endres in memory of their son Leon who was a Sacred Heart High athlete and a member of the Tiger squad.

Father Placidus conducted the brief service and Mr. and Mrs. Ed Endres placed a floral spray at the base of the board.

This was a solemn note in the otherwise jubilant homecoming program — dimmed somewhat however by the Tigers being on the short end of the 25-12 football score.

Miss Grewing, senior, daughter of Mr. and Mrs. Richard Grewing, received her crown from Miss Dianne Hess, 1968 homecoming queen. Beverly Koelzer Yosten, 1967 queen, presented the banner, and Gloria Gieb Fuhrmann, 1966 homecoming queen, presented the new queen a bouquet of red roses. Queen's escort was Tiger Melvin Schilling.

Three other queen candidates, Patti Sicking, Darlene Hess and Connie Endres, all seniors, were princesses in the queen's court. Their escorts, in the order named, were Paul Bayer, Bill Bartush, and Kevin Swirczynski, members of the Tiger squad. Queen's identity was not revealed until coronation time. Seniors selected the four candidates and the entire high school student body voted for the student. Votes were tabulated before the game.

Also in the royal lineup were three maids of honor: Donna Rohmer, junior, Ann Bartush, sophomore and Nancy Fuhrmann, freshman. They (Continued on Page 5)

SH Homecoming Marred 25-12 by Cistercian Hawks

The homecoming game for Sacred Heart HI was spoiled in a few minutes last Saturday night by the lightning attack of the Cistercian Prep Hawks of Irving.

The first quarter was less than half finished when the visitors scored their third TD and the second quarter was about half finished when they took a lead of 25-0.

From then until the end the Tigers were very much in the ball game. They put an end to the Hawk scoring but they were unable to catch up. Final count after a fine comeback was 25-12.

Cistercian took charge on the second play with a re-covered fumble on the Sacred Heart 27. Five plays made the distance with Slaton plowing over for the last 3. Healy kicked another point for a 7-0 lead.

Next TD came slightly faster. The Hawks recovered a fumble on the third play and scored two plays later. Williams went in for the 16.

And still another quickie was coming. The Tigers kicked to end their first series. Second play after that Williams passed to Slaton for a 41 yard TD. The score was 19-0 as the clock showed 6:23 remaining in the first period.

That was the end of the picnic for the Hawks. Each team got a pair of first downs before the quarter ended, then the visitors headed goalward again on what was to be their last score. The drive went 46 yards in eight plays ending with a pass for 7 yards to Atkinson. Cistercian led 25-0 with 6:45 left in the second quarter.

About then the Hawks started slowing down, or the Tigers started clicking, or both. Following the next kickoff Sacred Heart went 62 yards to its first TD in eighteen (Continued on page 8)

Tigers Will Host Ft. Worth Team In Season Finale

Tom Joy and his Sacred Heart Tigers will close out a double tough grid season Saturday night with the Fort Worth Christian Cardinals. The game will be here starting at 7:30.

The situation, as Joy sees it, is about normal for this year. Tigers will be outnumbered at least two to one and outweighed an average of at least 30 pounds. They will be the definite underdogs. However, in spite of the odds and regardless of score, he expects the Tigers to give a good account of themselves.

Joy said he was proud of the boys last week. They had the spirit to keep going after a crushing early deficit of three touchdowns and, in spite of their disadvantage in number and size, they looked better at the end than the Hawks did.

Regarding the scoring Joy has no illusions. He states realistically that the Cardinals are tied with Dallas Christian for the TISC lead whereas Sacred Heart is at the bottom. Records so far are 3-3 in the season and 4-1 in the district for the Cowtown fellows; 1-8 in the season and 0-4 in the district for the Tigers. That is a fair indicator of what can be expected.

Physically all is OK with the team. Joy says they came away from the last tussle with only the normal bruises, will be at full strength Saturday. Alternate Captain, with Babe Schilling and Paul Bayer, will be Bill Bartush.

Alumni to Sponsor Dinner and Dance On Thanksgiving

Muenster will have its traditional Thanksgiving dinner and dance on Thursday, Nov. 27, sponsored this year by Sacred Heart Alumni Association. The usual picnic and bazaar attractions, however, will be missing.

Dinner featuring roast turkey, country sausage and the trimmings, will be served starting at 11:30. The dance will be held at night. Both events will be in the Parish Hall and Alumni members are preparing for a large crowd. Everyone is invited.

Mary Lou Kralicke Is First in Poetry At Speech Tourney

Mary Lou Kralicke, Sacred Heart High sophomore, won first place trophy in the poetry division during the Top of Texas Speech Tournament at Midwestern University in Wichita Falls, November 7-8.

She won by eliminating over 100 other contestants in the division with her reading of "Wild Grapes," by Robert Frost. Twenty schools were entered in the tournament.

Mary Lou is the daughter of Dr. and Mrs. Martin Kralicke. This was her first time to enter a speech contest.

Peggy Endres, junior daughter of Mr. and Mrs. Paul Endres, made it to the finals in the Extemporaneous Speaking division.

Susan Endres, freshman, reached the semi-finals in poetry with her reading of James Weldon Johnson's "The Prodigal Son." She is the daughter of Mr. and Mrs. Ray Endres Jr., and Carol Yosten, freshman, daughter of Mr. and Mrs. Henry Yosten, reached semi-finals in prose reading with her original selection.

Thirty-nine students from Sacred Heart High School and Brother Thomas Moster speech instructor, attended the tournament.

Hornets Romp to 53-6 Win Over Spunky Knights

Lindsay's Knights had lots of spunk but they just did not have the power for their contest with the Hornets. They gave Muenster a hard time in the first quarter and grudgingly gave in to superior number and size. Final score was 53-6.

However the beginning did not indicate that kind of outcome. Hornets on their first possession moved 56 yards to the 10 in four plays, the big gainer being Monday's pass to Bobby Bruns for 43.

Lindsay called a halt there, held the Hornets to 9 on the next four plays, and claimed possession on the 1.

The next play wiped out the good work just done. Lindsay fumbled a pitchout behind the line and Terry Miller grabbed it in the air for a Hornet touchdown. Monday's kick added a point. Lindsay struck back immediately. Big Francis Hermes took the kickoff at the 10, brushed off a few early tackles and dashed all the way.

The next few minutes gave Hornets and their fans cause for worry. Knight defense did not budge on first series after kickoff, so Muenster had to punt. Lindsay continued its momentum with six plays advancing 31 to the Muenster 17. Tommy Eberhart and Hermes ripped off 12 yards and 10 on the push. But Hornet defense took hold there. Four tries gained only 3.

That seemed to be the turning point. Muenster headed goalward with Monday and Tim Hennigan doing most of the running. The drive used 16 plays ending in Hennigan's 2 yard dive. Monday's kick made the count 14-6.

Lindsay snapped back with a first down and had to kick four plays later. That became the second kick of the game returned for a touchdown. Earl Koelzer got nice blocking on his 60 yard return.

Jimmy Ray Cain, 27 Killed In Vietnam

Services for Quartermaster 1C Jimmy Ray Cain, 27, U.S. Navy, formerly of Muenster, were held Thursday at 10:30 a.m. in Geo. J. Carroll & Son Funeral Chapel and burial followed in Rest Haven Cemetery. A Navy chaplain conducted military graveside rites.

His home was in Farmers Branch where his wife Marguerite and their two children, Dwayne and Michelle, reside. He was born in Saint Jo on Jan. 7, 1942.

Also surviving are his parents, Mr. and Mrs. R. P. Cain, former Muenster residents, of Farmers Branch; a brother Kenneth Cain of Garland; four sisters, Mrs. Pat Bowers of Carrollton, Mrs. James Wolf of Fort Worth, Misses Phyllis and Paula Cain of Farmers Branch; and maternal grandparents, Mr. and Mrs. W. B. Martin of Gainesville.

Hornets Favored In Friday Tussle With Saint Jo Hi

According to pre-game records the Hornets have it made as they go into their contest with Saint Jo's Panthers here Friday night at 7:30. The Hornets are 6-1-1 whereas the Panthers are 0-8. Furthermore the comparative scores show big wins for Muenster and big losses for Saint Jo against common foes.

In brief the odds are stacked high. However that can be discounted by the fact that the game traditionally is something special and the Panthers will likely be at their season's best.

At the same time the Hornets are up to their usual recent strength. John Felderhoff is still out with a knee injury and Lynn Joe Klemment is out with broken fingers but everyone else is ready.

This game is the fourth of the 9-B season for both of the teams. Meanwhile Lindsay will play at Windthorst and Valley View will play at Era.

In last week's games Muenster blasted Lindsay 53-6, Windthorst beat Era 26-6 and Valley View licked Saint Jo 46-16.

That ties Muenster and Windthorst at 3-0 in the 9-B race. Era, Lindsay and Valley View are tied for the next 3 places with a record of 1-2, and Saint Jo is in the cellar with a record of 0-3.

Cubs Stomped by Lindsay Squires

Sacred Heart Cubs and the Dallas Cowboys have something in common. They both know how it feels to be thoroughly annihilated after a good record of wins.

It happened to the Cubs at Lindsay Tuesday night, and the score was 31-6. They were almost completely helpless while the rampaging Squires did completely as they pleased. The count of first downs was 20-2. Total yardage about 300-80.

First score was a 1 yard sneak by Ronnie Felderhoff ending a 60 yard drive, then another run by Felderhoff for extra points.

Early in the second quarter John Gossett scored on a plunge from the 3 and took a pass from Felderhoff for 2 more. That drive went for 77.

Then the Cubs got their one big play of the game. David Krahl did a bit of fancy footwork before getting loose for a 61 yard sprint to the goal.

Still in the second quarter Felderhoff closed out a 66 yard drive with a 15 yard end run and tore through tackle for the bonus points. Half time score was 24-6.

Final score came in the third as Gossett went over from the 5 after a march from midfield. Felderhoff's kick made the score 31-6.

Jimmy Ray Cain was killed in action in Vietnam last Thursday aboard a U.S. Navy river patrol boat. He was a veteran of nine years in the Navy and had only six days to go on his second tour of Vietnam at the time of his death.

His home was in Farmers Branch where his wife Marguerite and their two children, Dwayne and Michelle, reside. He was born in Saint Jo on Jan. 7, 1942.

Also surviving are his parents, Mr. and Mrs. R. P. Cain, former Muenster residents, of Farmers Branch; a brother Kenneth Cain of Garland; four sisters, Mrs. Pat Bowers of Carrollton, Mrs. James Wolf of Fort Worth, Misses Phyllis and Paula Cain of Farmers Branch; and maternal grandparents, Mr. and Mrs. W. B. Martin of Gainesville.

Juniors Lose 14-8 At Saint Jo; End District in Cellar

The Juniors of Muenster Public School played true to form Tuesday night, losing by 6 points. They were 14-8 victims of the Saint Jo Cubs and ended the 9-B junior season in the cellar with a record of 0-4.

The game was disappointing in that the kids earned considerably more than the score tells. They were inside the 10 yard line four times but went over only once. On the other hand the Saint Jo boys reached the area twice, but only in passing through. They scored on two long break-away plays and were definitely outplayed the rest of the game.

Muenster scored first as Curtis Klement dived for 2 yards ending a drive of about 60 yards. That was in the first period.

In the second Saint Jo scored on a pass that went for 56 yards and ran for extra points and an 8-6 lead.

Muenster caught up with a safety in the third period. A long drive ended in a fumble 6 inches from the goal. Three plays later Muenster salvaged 2 points for the effort by clobbering a Saint Jo boy behind the line.

Winning TD came in the fourth on a 95 yard run from a fake kick.

For their next action the Juniors will play without their eighth graders. It will be sixth and seventh graders only meeting the same grades of Callisburg next Tuesday night at 6:45 on the Muenster field.

Donations in Lieu of Christmas Cards Welcomed by Hospital Auxiliary

An opportunity to save the several hours usually spent in sending Christmas cards is offered here this year by the Muenster Hospital Auxiliary.

The organization welcomes donations to its current project in amounts equivalent to a person's normal expenditure for the greeting cards, the donations to be in lieu of Christmas cards.

Mrs. Gerald Walterscheid, president, announced this week that the plan serves the double purpose of helping a worthy cause and saving scarce pre-holiday time. She also said that a list of donors will be kept and published, but the amounts will not be revealed.

Donations this season will be applied to the Auxiliary's debt on the \$500 ice machine recently given to the hospital. The previous project was providing equipment for a special X-Ray reading room. Before that it was the hospital's heart monitoring and treating unit.

Donations will be accepted by Mrs. Gerald Walterscheid or Mrs. Billy Don Wolf.

Mr. and Mrs. Larry Knabe and baby daughter Lisa moved this week to Route 1, Valley View, after being with her parents, the Ray Sicknesses.

Students Active In Mission Work At SH High School

Sacred Heart High School students continue active in mission work and recently sent a shipment of cancelled stamps to the Marianhill Mission Society, Dearborn Heights, Michigan. The stamps, after being sorted, by the mission society are sold to stamp collectors and the money helps the poor and needy in both home and foreign mission fields.

Sister Theresina who heads the stamp project, said more stamps could be processed — cut from envelopes and packaged according to denomination — if they had been on hand. Mrs. John Felderhoff, assistant, is always ahead of schedule and is ready to receive more stamps.

Stamps received recently from a distance include those from Mrs. Len Endres of Oklahoma City, Mrs. P. W. Hellman of Tulsa and Miss Anna Hoenig of New York City. The latter has made several valuable shipments to Sacred Heart School.

Everyone is again encouraged to save stamps and send them to school or to Mrs. John Felderhoff, 127 W. 7th St.

Sister Theresina and students likewise send out a reminder that it is never too late to adopt a seminarian in Quitok, Ecuador, South America. Or to sponsor an Oblate seminarian in the Philippines. The amount asked is five dollars a month and it can be paid in installments. There have been several responses to this project from Sacred Heart parishioners. It is pointed out that the above nations have plenty of laborers in the Lord's vineyard but a lack of means to have them educated.

Sacred Heart School has for sale a collection of nearly 100 pieces of foreign money in a coin collection donated by Brother Thomas Moster for the benefit of the missions and seeks a buyer.

Inquiries on any of the above projects may be addressed to Sister Theresina at Sacred Heart High School. "The appeal is ecumenical — anyone and everyone is welcome to help. And our thanks go to all our friends who have helped so loyally throughout the years," Sister Theresina said.

Cubs Trim Kids of Grand Prairie 32-6

Sacred Heart's Tiger Cubs continued their winning way Sunday afternoon with a 32-6 romp over Immaculate Conception elementary kids of Grand Prairie.

Fleet footed David Krahl led the scoring parade by marking up three of the five Sacred Heart touchdowns. Two were on long runs from scrimmage and the other was a 90 yard return of the second half kickoff.

Dickie Moster accounted for one of the scores with an 8 yard run on a quarterback keeper play. And Alan Rohmer marked up one with a 20 yard run-back after intercepting a visitors' pass. That pass steal was one of five made by the Cubs.

Standouts in the line for Sacred Heart were Jeff Fette, Mark Stoffels, Garry Fettsch, Tim Felderhoff and Kenny Hess.

At Heart Meeting

Mrs. Dan Hamric and Mrs. Martin Kralicke were among Heart Fund campaign leaders from the 20 counties comprising Region Four of the American Heart Association at Runaway Bay for a luncheon meeting on November 6. Also attending from Cooke County were Nell Vandever and Katherine Bassinger of Gainesville. The group heard outstanding speakers and were briefed on how to conduct the coming Heart Campaign in February. Cooke County received two certificates for a successful drive last year.

4-H Teen Caravan Is Being Planned
Applications are being accepted through Nov. 21 for the annual 4-H Teen Caravan. Forms may be obtained through the Cooke County Extension office in the basement of Gainesville Court-house.
Action-minded young people join the 4-H Teen Caravan each year. Groups consist of ten to 15 participants.

The regular program provides six weeks with individual host families and a ten-day educational group tour of nearby countries. Shorter special programs are announced as they become available. This year tours to Europe, the Caribbean, Far East and Latin America are available. It is more than a sight-seeing tour.
The Teen Caravan is conducted by the National 4-H Foundation in behalf of the Cooperative Extension Service. The program in the host country is arranged in cooperation with the 4-H counterpart organization. Each Caravan group is accompanied by a responsible group leader who assists in planning and conducting the program, Miss Dona Brewster, assistant Cooke County home demonstration agent, said.

Simple solution to rising car prices.

The Simple Machine. Ford Maverick. Still \$1995*

Our small car has scored a big success. And the reason is simple—solid value. Now, with other car prices going up all around it, Maverick is going its own Mavericky way. It still costs \$1995* and that's still a small price to pay for a car that's simple to drive . . . simple to park . . . simple to service . . . simple to repair . . . and simple to own.

Simple to drive. Turn on the engine and you turn loose the power of 105 horses. Yet Maverick rivals the economy imports in gas mileage.

Simple to park. Maverick can U-turn in a tighter circle than the leading import. It can nip around corners and slide into tight parking spaces with amazing agility.

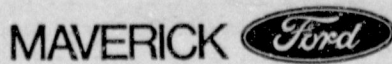

For more information about Maverick see your Ford Dealer or write: Maverick Catalog, Dept. N-1, P.O. Box 1503, Dearborn, Michigan 48121.

Simple to service. Maverick is easier and less expensive to maintain than an economy import. Maverick requires fewer oil changes, fewer chassis lubrications, too. You save time and money.

Simple to repair. The Maverick Owner's Manual has 24 pages of instruction for routine maintenance jobs you can do yourself like change spark plugs, adjust ignition timing, and more. Fenders and grille can be replaced in a matter of minutes.

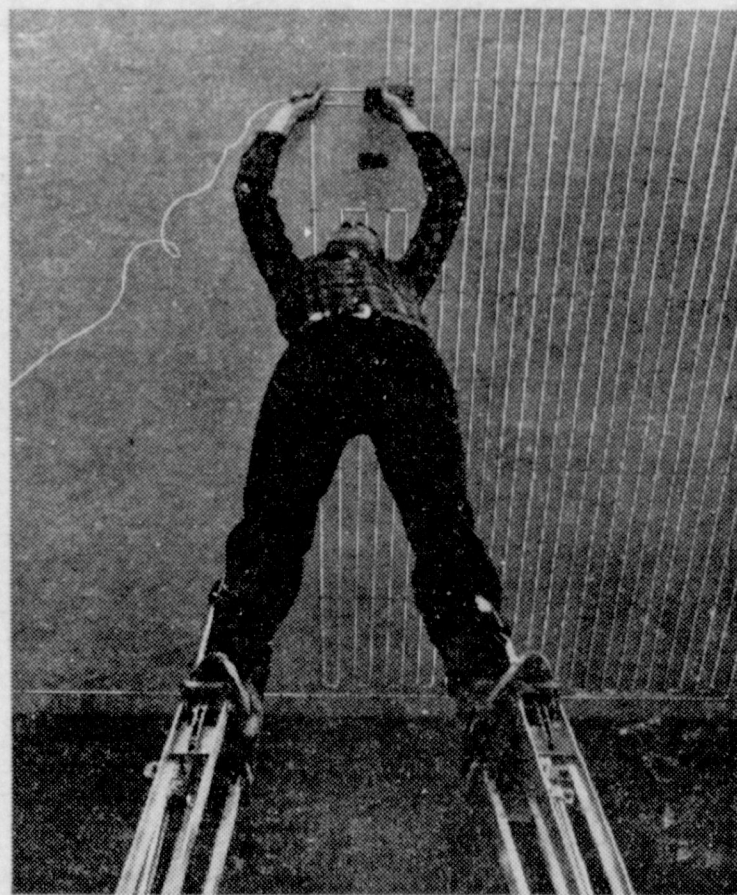

Simple to own. The simple machine can start solving money problems for you right now. Check it out at your Ford Dealer's. The price that made it famous now makes it a better buy than ever.

*Ford's suggested retail price for the car. White sidewall tires are not included; they are \$32.00 extra. Since dealer preparation charges (if any), transportation charges and state and local taxes vary, they are not included, nor is extra equipment that is specially required by state laws.

Ford gives you Better Ideas. It's the Going Thing!

They also stopped in to see relatives of the Rauschuber family at Pilot Point and Muenster while houseguests of her sister Mrs. Clem Hermes at Lindsay. Also visiting the same relationship at the same time was Mrs. Leggett's sister Mrs. Ben Wolf of La Feria who accompanied them to San Antonio for a visit. Hornets - - -

ing in the first half the Knights advanced 10 to their 34 and lost 11 as the next two tries were smeared by David Fette and Henry Sicking. Then Terry Miller intercepted putting Muenster in business 20 yards away. Monday's pass to Koelzer 3 plays later was good for the fourth touchdown.

Just before the half ended Jim Geray almost added 6 to Lindsay's score with a trick play. He was all alone at the scrimmage line as the play swept to the right and suddenly began streaking goalward. Tommy Henschel managed to get him after a 39 yard gain to Muenster's 26.

The second half opened with a Hornet march of 65 overcoming a 15 yard penalty along the way. Best gains were a screen pass to Henry Knabe for 18 and Monday's run for 22. The drive used 13 plays and Henry Knabe scored from the 1.

After that reserves predominated in the Muenster lineup but the scoring continued. The kick ending Lindsay's first series was blocked and Muenster had 14 yards to go. First try lost 2. Jim Endres gained 14 and Glenn Felderhoff made the last 2.

Shortly after that Felderhoff's fumble recovery on the 35 gave the Hornets another opportunity. Andy Knabe reached the 7 on a pass from Endres and scored on the next play. A run by Carl Endres made the count 46-6.

The final score came with 2:07 remaining. Lindsay's kick had put Muenster back on its 19 and two plays covered the 81 yards. Monday passed to Koelzer for 34, then a screen pass to Henry Knabe for the remaining 47.

Seconds before the end an interception by Jerry Eckart and a 20 yard pass to Carl Endres put Muenster on the 38, where Jim Endres kicked short on a field goal attempt.

plays. Babe Schilling was the work horse of the drive as he was offensively and defensively through all of the game.

He carried for about 90 per cent of the Tigers rushing plays and accounted for about 150 of their 187 in net rushing gains. Schilling went over from the 5 less than a half minute before the half ended. A run for bonus points failed. The count at intermission was 25-6.

A fumble recovery by Henry Knabe in the Hawks' second series gave Sacred Heart a good start in the second half. But it did not last. After two first downs the Tigers kicked on their third series.

Four good runs gained 35 to the Tiger 8 and then the Tigers put on their second goal line defense of the night. The first one, as the second quarter started, was stopped on the 9. This one started on the 8 and ended on the 1, which became the starting point for Sacred Heart's second scoring drive.

The Tigers went 99 yards and big gains along the way were a 14 yard end around romp by Ronnie Hess, 15 yards free on a penalty and 28 yards on a pass interference ruling. The rest of the yardage was ground out mostly by Schilling's short gains. He crashed over from the 4 for the TD about a minute

after the start of the fourth period.

From then on the game was a see saw with neither team able to keep going. The best drive was 44 yards by the Hawks in 8 plays followed by a net loss of 1 on the next series. Big plays for Sacred Heart were a pass to Ronnie Hess for 27, a fumble recovery by Paul Bayer and an interception by Tommy Felderhoff.

Confetti - - -

Well, after years of boners and bitterness, it's encouraging now to see so many Americans stand up and be counted. President Nixon presented the country's case in a way that appealed to the vast majority of people, including many who complained before but are confidently willing now to go along with his method of getting out. That leaves a small minority of dissenters, including some maverick politicians, who don't want to admit a mistake or honestly think they have a better idea for getting out.

Then, of course, there are the reds and red sympathizers, who will find their influence

on the decline. It will be interesting to see what attendance they get for their much publicized moratorium this weekend.

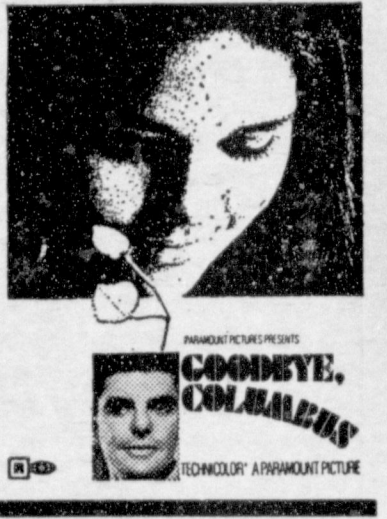

A good listener is not only popular everywhere, but after a while he knows a few things.
