

MUENSTER ENTERPRISE

VOLUME XXXIV

MUENSTER, COOKE COUNTY, TEXAS 76252

NOVEMBER 23, 1969

NUMBER 1

Happy Birthday to us. With the arrival of another Thanksgiving this column is pleased to mention again that the day is one of special significance to the Enterprise. It is the thirty third anniversary of the first publication of this paper on Thanksgiving Day, 1936. The volume and number designation elsewhere on this page indicate that the Enterprise is starting its thirty fourth year.

That's a lot to be thankful for, and this column again feels that the occasion calls for a sincere expression of gratitude to lots of good friends who share the credit for whatever success the paper has enjoyed.

Thanks to the business firms whose advertising and printing support provided most of the revenue to keep this firm going. Thanks to the subscribers, who also helped pay our bills while graciously accepting the only service we have to offer, the community's news. Thanks to generous helpers who report the news. And thanks to a progressive community which provides abundant opportunity for this business to prosper.

For all those things the staff at the Enterprise is most grateful. They give us special reason to appreciate the appropriate coincidence of a birthday on Thanksgiving Day.

While still on the subject of Thanksgiving let's take time to notice a few other events and circumstances that add to the day's significance. It's proper to thank the Muenster High Hornets for the fine spirit and effort that earned them their second consecutive district title in football. Their achievement has given the community a gratifying boost in pride.

On a national level we can say the same to the Astronauts of Apollo 11 and 12. Their fabulous trips to the moon and the amazing precision of their operation from blast-off to splash-down rates as the greatest scientific event of history. They and the space center crews who manned the computers have brought this country great honor and prestige. We can be thankful that they are our countrymen.

Another noteworthy matter this Thanksgiving Day is the apparent progress toward ending the Vietnam War. An important part of that progress is an improvement in the national attitude since President Nixon's speech a few weeks ago. A flood of public response indicates that he was correct in claiming that the country's attitude can not be measured by the noise. Dissenters are the loud minority whereas supporters are the silent majority. It is pleasing, and a matter to be grateful for, that patriotism and common sense still predominate in the minds of America.

A related matter likewise deserving of national thanks is the reaction to that controversial speech by Vice President Agnew. He charged that news reporting on TV networks has long been slanted in favor of liberals and radicals, that the conservative and patriotic elements of our country have not received a fair shake. The networks promptly put up a howl and they have been answered by rebuttal from all over the country. Now it's becoming evident that Agnew's critics are far outnumbered by his supporters.

Definitely this is a change of trend to be thankful for. The country is stating bluntly that it does not want its opinions to be shaped by so-called newscasters who are really commentators airing their biased opinions. They are tired, for instance, of newscasting which omits or minimizes reports of savage mob attacks on police, then charges brutality when the police hit back.

Nor do people approve the kind of news analysis which followed President Nixon's talk on the Vietnam war. Those who heard were aware of his deep concern and his sincere effort to work out an honorable end. Then they heard the so-called reporters picking the speech to pieces.

About the same time the great moratorium was being organized. Networks gave it thorough coverage including details on the organization. (Continued on Page 10)

First Bloodmobile Visit Scheduled For December 17

Muenster's first deposit in its Red Cross blood bank is scheduled for Wednesday, December 17, from 2 to 6. At that time a bloodmobile from the Red River Blood Center of Wichita Falls will be at the Muenster K of C Hall to accept blood donations for the Muenster blood bank account.

The local Knights of Columbus, sponsor of the project, announced the blood donation date and asked generous cooperation from the community. They hope to get a sufficient number of pints to meet the community's need for more than a year.

Actually, the original deposit for the blood bank will be received more than two weeks after the local blood bank program goes into effect. The hospital will receive its first delivery of blood on December 1 and operate on credit until it has its own account in the bank.

The Red Cross blood bank system was adopted by the KC Council in September and has been approved since then by the County Red Cross and the County Medical Association. Its purpose is to provide a way of avoiding the high cost of blood to local patients. Until now they had to pay for the blood plus the services of a blood center and the hospital. In addition the hospital paid a stocking fee of \$1 per pint per day.

Under the Red Cross system there will be no charge for the blood. It is donated by local people for local use. The only charge will be for services of the blood center and the hospital. Also, the hospital eliminates its stocking fee, which amounts to about \$2,000 a year.

The local blood bank is based on a three part agreement. The KC Council sponsors the bloodmobile visit and recruits donors. Blood taken there is credited to the account of the local hospital, which is authorized to dispense the blood. The other member of the system is the Wichita Falls center which processes, stores and distributes the blood as it is needed.

A number of communities are members of the system. Bloodmobile visits are timed to keep an adequate supply of fresh blood available for all members. When a unit of blood becomes too old for use as fresh blood it is processed into plasma and other products.

Clothing Shipment In Local Drive Gets Off Tuesday

Muenster's Sacred Heart Parish clothing drive in the bishops' annual campaign for the Holy Father's storeroom ended here Tuesday with seven large boxes of clothes, bedding and hospital supplies leaving by Central Freight Lines. Weight of the shipment was not immediately available.

St. Anne's Society sponsored the drive and the parish defrayed shipping charges.

Mrs. Tommy Herr, society president, and other officers extended thanks Tuesday to all who helped with contributions and those who assisted in sorting and packing.

Hospital Benefit 'Night on Moon' to Be Gala Saturday

Muenster Hospital Auxiliary sends out a general invitation to everyone to join them Saturday in their "Night on the Moon," the organization's annual big benefit buffet-dance. It will be held in the Knights of Columbus Hall.

It promises to be a gala affair — formal and semiformal — dancing followed by breakfast. Corky and the Del Rays will provide the dance music.

Advance tickets with reservations are available from Mrs. Ted Henscheid and tickets will be sold at the door Saturday night.

Proceeds will be applied to the Auxiliary's debt on the \$500 ice machine recently given to Muenster Hospital.

Knights Will Have Memorial Service Next Sunday at 3

Deceased members of the Muenster Knights of Columbus Council will be remembered at the annual memorial service 3 o'clock Sunday afternoon in the KC hall.

The service will consist principally of the order's memorial ritual including a roll of all who died as members of the council since its origin in 1910.

A second customary part of the service will have to be omitted this year. The Mass in the council chamber cannot be included because of a shortage of pastors in the parish that day. The two priests on duty each has three masses on his schedule.

Members are reminded that their ladies will be welcome, and the council particularly invites widows of the deceased members.

Hornets Claim Title in 13-7 Win Over Trojans

History repeated itself Friday night when Muenster was the winner in a showdown battle with Windthorst for the championship of District 9-B.

But the similarity ends there. This was a double tough crashing defensive duel ending 13-7, whereas last year's was a clear-cut 28-0 triumph for Muenster.

It seemed that over half of the Muenster population was at Windthorst that night, and they screamed themselves into a near frenzy during the hectic second half defensive classic when the Hornets fought almost the full time in their own end of the field but refused to let the Trojans cross the goal.

That defense of the second half saved the lead that had been taken just 12 seconds before the end of the first half. The Hornets did a magnificent job in holding the Trojans who proved to be at least as hot as earlier reports had indicated.

However, the game started as an offensive show. On Muenster's first series Jim Endres took a pitchout from John Monday and, in spite of a rush, got off a bomb type pass intended for Bobby Brunts, but intercepted by Terry Schroeder.

Four plays later Windthorst kicked and Muenster started from its 25. Two plays gained 2 yards, then Monday heaved a long one to Earl Koelzer

who went all the way for the first score. Monday's point after touchdown gave Muenster an early lead of 7-0.

From then until near the end of the quarter neither team was able to manage a first down. Windthorst punted three times. Muenster lost possession on John Osterman's interception and punt twice.

The second kick broke the stalemate. Scatback Cletus Schroeder returned it about 30 yards before Monday's des-

District Trophy Awarded to MHS

Saturday it became official that the Hornets are this year's champions of District 9-B. The coaches in their customary post-season session declared Muenster the winner and awarded the district trophy.

However the prize still has not arrived at the MHS trophy case. It's first stop was the engraver's, after which it will go on display.

Coaches verified other final standings in the district. Windthorst was second with a loop record of 4-1, then Era 3-2, Valley View 2-3, Lindsay 1-4 and Saint Jo 0-5.

The coaches also made their customary selections for the 9-B all district team agreeing not to release the results until post season activity of the Hornets is finished.

Bandit Captured, \$25,000 Loot Recovered

Muenster Bank Robbed

A shaggy headed teen ager with a wild story robbed the Muenster State Bank of about \$25,000 in a cool stick-up about 2:15 o'clock Tuesday afternoon.

Less than 45 minutes later he was identified as Jimmy Lee Belcher, 18, of Sanger and the bag of money was found in his car. He was captured by two Department of Public Safety patrolmen near Slidell following a short chase exceeding 100 miles per hour and an exchange of pistol shots.

Belcher received a flesh wound in the exchange, was

treated at Gainesville Hospital. He was charged with robbery by firearms before Peace Justice Carl Burchfield who set bond at \$25,000. In lieu of bond he was taken to the Cooke County jail.

The robbery was a long, dragged out affair taking up about 15 minutes, and the only person aware of it was Herbert Meurer, the bank's president.

It was the first in the history of Muenster State Bank and is also believed to be the first in the county's history. However, the bank lost about \$4,000 in a burglary in the

early thirties.

Belcher came in calmly, asked for the president and, when referred to Meurer, said that he wished to discuss something in confidence. Meurer took him to a conference room.

The robber spent considerable time in conversation before the actual robbery. Eventually he said he desperately needed \$50,000 to ransom his wife who was being held hostage in Gainesville by an escaped convict. Meurer told him he was hitting the wrong bank, that this one doesn't keep that much money

on hand. The youth said he would take what the bank had and displayed a bulge under his coat indicating that a gun was in his hand.

Meurer tried unsuccessfully to maneuver him before one of the bank's cameras and reluctantly went to the vault with him to get the money. Meurer sacked up the money in a canvas bag "overlooking" the larger denomination bills.

Coming out of the vault Meurer suggested that the man leave the bank by the rear door, hoping his escape would be delayed and bank personnel could be alerted in time to have a look at his get away car. No one in the bank was aware of the robbery until Meurer returned to the front and told them.

However, no one saw him or his car leaving. Officers assumed later that he probably had his car parked a block north and ran to it through the alley behind the bank. The rear door exit was a help to him.

The sheriff's department was notified within a minute and Deputy Robert Kaylor got the report immediately on his car radio. He learned soon that a blue Mustang had just headed west at high speed and notified the sheriff's office that it could be the wanted car. Meanwhile a general alert was sent out to all officers of North Texas.

Responding to the alert, Patrolmen Jerry Hopkins and John Manning of Decatur were at the intersection of farm roads 51 and 455, about 25 miles south of Muenster, watching for the get-away car. However a mistake had got into the message. They were looking for a gray Mustang.

They allowed the blue one to pass but started to follow when they saw it had no license plate. The suspect then began speeding with the patrolmen in pursuit. After a chase exceeding 100 miles per hour for about two miles the police car overtook the Mustang, which skidded into the ditch at the side of the road after both rear tires had been shot. The police car proceeded some distance up the road before it could turn around and come back.

By then the suspect was out of the car, using it as a shield between himself and the officers. He fired once, the officers several times. The suspect was hit, yelled and dropped his pistol and slumped to the ground. Officers first thought he was killed but learned shortly that the wound was not serious.

The arrest was hardly finished when Deputies Robert Kaylor and George Davis arrived at the scene. Davis, off duty at home when the stick-up occurred, came to town and joined Kaylor and the two of them went west in pursuit, stopping at Saint Jo and Forestburg just long enough to learn that the speeding Mustang was a few minutes ahead of them. As they followed they kept in touch with the sheriff's office advising of the approximate whereabouts of the suspect. Minutes after the capture several cars of officers were there.

Sheriff Bill Pratt learned later Tuesday that the Mustang driven by Belcher was reported stolen in Garland on February 19.

Mrs. W. Toothaker Dies in Ft. Worth

Mr. and Mrs. Lee Toothaker who made frequent visits to Fort Worth to attend the bedside of their daughter-in-law, Mrs. Wallace Lee Toothaker, attended her funeral Saturday.

Mrs. Patricia (Pat) Toothaker, 41, died Thursday after an extended illness. Services were held at 2 p.m. in Westminster Presbyterian Church.

Surviving are her husband, two sons Glenn Allen of the home and David Toothaker, U. S. Air Force stationed at Chanute Field, Ill.; her parents, a brother and a half sister.

Leeper Stadium, Friday, 8 p.m.

Hornets, Falcons Will Play for Bi-District

Muenster fans and their team are getting a break in the selection of a site for their bi-district football game with Lake Dallas Friday night. It will be in Gainesville's Leeper Stadium.

Lady Luck was smiling on Coach Glenn Richardson at Nickerson Farms Restaurant near Sanger Monday evening. He was the winner in the coin flipping decision and named Leeper field as the battleground. Had he lost the action would have been in Lewisville.

A disagreement on the date had been settled earlier by compromise. Richardson suggested Thursday night, the other coach wanted Saturday night. So they agreed on Friday night, starting at 8 o'clock.

The game will be the fourth meeting in the past two seasons for the Hornets and the Falcons. Last year Muenster won the bi-district 38-6 after having taken a regular season decision of 40-0. This year in regular season Muenster overcame a 20-6 third quarter deficit for a thrilling, suspense packed 26-20 victory.

Statistics of that event revealed that Muenster was winner only in the score. Lake Dallas led 16-12 in first downs and 114 to 109 in rushing. It also completed 12 of 20 pas-

ses for 139 whereas Muenster completed 8 of 14 for 134. Comparing those figures leads to just one sign. The teams are evenly matched. Neither will have an advantage. The outcome very possibly can be decided by other factors such as breaks or mistakes or determination. That subject is a point of prime consideration to Coach Richardson's boys as they prepare for the struggle. The emphasis is on superior alertness and hustle.

Physically the Hornets expect to be up to par. Henry Knabe was back on the job Tuesday after missing Monday practice because of a leg infection. John Felderhoff is still out with a knee injury received in the earlier Lake Dallas game. The others have their normal bruises.

The Falcons, like the Hornets, go into the game with a perfect district record, however they are slightly behind the Hornets in the full season record. They are 8-2, the losses being to Muenster and Windthorst. The Hornets are 8-1-1, the only loss being to Celina and the tie to Collinsville.

While their game is under way another clash will be going at McKinney, with Celina and Allen contending for the bi-district title of 11-B and 12-B. Winners of the two games will then play for the regional honor.

Hospital Auxiliary Plans Ahead for Coming Activity

Members of Muenster Hospital Auxiliary at their November meeting Thursday completed plans for their annual big benefit, the yearly buffet-dance coming Saturday, Nov. 29, and planned ahead for December and January activity. Mrs. Jerry Walterscheid, president, presided.

Themed "A Night on the Moon," the Saturday event will be held in the Knights of Columbus Hall. Mrs. Walter Grewing read the menu and members volunteered to help her serve. Mrs. Charles Bayer, decorations chairman, secured volunteers to help decorate the hall Friday night. And members who are sponsoring donations to the Auxiliary in lieu of Christmas cards this year subscribed to the project.

December activity planned includes dressing up Muenster Hospital with inside Christmas decor on Dec. 8, with Mrs. Dan Hamric in charge, and the Auxiliary's Christmas party on Dec. 18 in the Medical Center. It will include a gift exchange.

Members also agreed to again sponsor the Stork Derby with its shower of gifts from local merchants for the first baby born in Muenster Hospital in 1970. Mrs. Martin Kralic won the door prize.

NEWS OF THE SICK

Mrs. Joe Hoenig has been making trips recently to see a specialist in Dallas and is scheduled for surgery there sometime in January.

Mrs. C. J. Wimmer has been dismissed from Muenster Hospital following treatment for pneumonia.

Mrs. Ted Miller, Grapevine, who underwent surgery at Muenster Hospital was dismissed Wednesday and is continuing convalescence at the home of her parents, the J. H. Wimmers.

HOSPITAL NOTES

Thursday: Admit — Mrs. Charles Wimmer.

Friday: Admit — Mrs. John Dunn, Forestburg, Wm. T. Campbell, Saint Jo, Theresa Walden, Nocona, Mrs. Ronnie Skinner, Gainesville, Eddie Ramsey, Mrs. Al Fleitman. Dismiss — Gregory Howard, Saint Jo, Betty Luttmir.

Saturday: Admit — Son of Mrs. Ronnie Skinner born, Mrs. Donnie C. Angell, Saint Jo, Julian Agee, Nocona. Dismiss — Dixie Kirkpatrick, Saint Jo, Ada Mitchell.

Sunday: Admit — Mrs. Stella Poyner, Saint Jo. Mrs. Alvin Johnson, Rogers, Ark.

Monday: Admit — Mrs. Ed Schad, Lindsay, Albert Bishop, Nocona, Mrs. Louis Roberg, Gertrude Esker, Elizabeth Koelzer. Dismiss — Mrs. Donnie C. Angell, Saint Jo, Lisa Woods, Mrs. Charles Wimmer.

Tuesday: Admit — Mrs. John Perry, Gainesville, Maud Mosley, Saint Jo. Dismiss — Mrs. Ronnie Skinner, Gainesville, Mrs. Blake Scott, Forestburg, Theresa Walden, Nocona, Mrs. Clifton Christian, Forestburg, Doris Grewing, Mrs. Mary E. Felderhoff, Mrs. Louis Roberg.

Wednesday: Dismiss — Mrs. Ted Miller, Grapevine, Helen Kleiss.

VFW Auxiliary Meeting
Members of Muenster VFW Auxiliary will have their regular monthly business meeting next Monday, Dec. 1, in the VFW Hall at 8 p.m.

Scouts Will Have Court of Honor

A Court of Honor for Boy Scouts of Muenster's Troop 664 will be held Thanksgiving night at 7:30 in the K of C Hall.

The meeting was announced Tuesday by Scoutmaster Ed Schneider, who urges all the Scouts and their parents to be present.

8 Tires Stolen

Thieves were operating again in Muenster during the past weekend, when they took five spare tires and wheels from new pickups at the Endres Motor Company parking lot.

Marty Klement, co-owner, said that this ups the firm's recent losses to 8. Three were stolen the night of Saturday, Nov. 15. Also that night Gene Hoedebeck had a tire and wheel stolen from one of his new pickups

SAN DIEGO GIRLWATCHERS

There is a "Girlwatchers" club at the Lakeside Junior High School in San Diego. It has a membership of 39 boys. Near the close of the last semester of school, the club published and distributed to all girls on the campus, the following proclamation:

"We, the boys of the Girlwatchers Club, have been watching girls for the past four weeks. Some of what we have observed has pleased us. But, much of what we have seen displeased, disgusted and repulsed us.

"Therefore, we have agreed and resolved that some changes must be made. We feel the changes suggested are reasonable and fair. In gener-

al all we are asking is that girls again become feminine in their thoughts, words and deeds. . . .

"We are tired of constantly being forced to look at girls' underwear. For example: Pettipants hanging out; skirts not long enough to cover underwear during such normal activities as sitting, stooping, reaching up or running.

"Boys do not like the carelessness girls display when sitting with legs apart or lying on floors, grass, benches and retaining walls, constantly making others look at their underwear. This is no thrill for boys or anyone else—just obnoxious. . . .

"We find girls draped in boys' or men's clothing unattractive and unfeminine. Many are wearing sailors'

Another \$10.5 Billion In Foreign Give-Away

Nixon has requested \$10,528,303,000 for foreign aid for 1970, it was just announced by Rep. Otto E. Passman, chairman of the Foreign Operation Subcommittee on Appropriation.

Unexpended balances in pipeline from prior years now exceed eighteen billion dollars.

The total requests approved for past and present to be pulled out of reluctant taxpayers is twenty-nine billion and 236,000,000 dollars.

Net cost since the inception of the foreign aid bill (1946), including interest on what the U. S. has borrowed to give away, is ONE HUNDRED EIGHTY-TWO BILLION FIVE HUNDRED AND EIGHTY-THREE MILLION DOLLARS.

This has completely demolished trade and damaged America's economy beyond repair, helped to involve our men in no-win wars. This well may be the secret weapon which will soon bury the United States.

One worlders so love this foreign aid-for-ruin, that they have us borrowing money from 30 other countries to give away. Our high political offices are borrowing or "legally stealing" from the American people to pay for commodities and services which are then given free to foreign nations.

Thailand received one billion dollars in foreign aid. The U. S. borrowed the money to give this money to Thailand. During the same period, Thailand, out of its resources, created a surplus in its foreign exchange and gold reserves of over one billion dollars.

Recently, after long diplomatic wrangling, strong argument and arm twisting, Thailand agreed to make the U. S. a loan of one hundred million dollars. Terms: Four and one-half years at six percent per year.

This is just one of the wild messes our politicians and bureaucrats have been getting us into since 1946.

In 1970, the aid program will be operating in 99 nations and five territories of the world with 51,000 persons on the payroll. Not a single foreign aid program got even a \$1 reduction, while similar projects in the U. S. were closed down for lack of funds in 1969.

 Ever see a racoon dip its food in water before eating it? Reason is not to wash the food but to facilitate digestion. This because the racoon has poorly developed saliva glands.

THANKSGIVING

CAPITALIST HOLIDAY

The first Presidential Proclamation of a day of Thanksgiving in the United States was made by George Washington, in 1789. The day was set aside for prayers and thanks for the new Constitution. Several states continued the practice, each designating its own day.

Abraham Lincoln was the first President to appoint an official Thanksgiving Day, to be celebrated each year on the last Thursday of November. Lincoln issued the Proclamation on October 3, 1863. Since that time the Nation has joined, on one day, in saying its prayers of Thanksgiving, and in remembrance of the small band of religious fugitives who landed, accidentally, at Plymouth Rock.

A fact too often forgotten concerning the Pilgrim Fathers is their trial—and abandonment—of the communal system of joint ownership and community labor in the colony. A primary reason for their early hardships on the North American continent was the effort to form a Socialist society.

At first, the young colony seemed to be working, but following the first "Thanksgiving," the colony went into a tailspin. Many found that under the system all shared equally so that not a few began to absent themselves from the fields. Naturally they feigned illness and naturally the number of absentees increased.

The crops failed, and the "starving time" soon followed. Things became so bad in 1623, just three years after they had landed, that the best they could provide for new arrivals from the mother country was a freshly-caught fish, a lobster, and a cup of water. It was a disastrous come-down after the bountiful feast of 1621, when they had hosted Chief Massasoit and 90 of his braves.

And so it was that in that same year of 1623, Governor William Bradford, at the urging of the governing council, established the free enterprise system, and the Plymouth Plantation began to grow and to prosper.

The Pilgrims had learned their lesson the hard way. But, from the agony of "the starving time" there has grown the most productive and most wealthy civilization that the world has ever known. In Thanksgiving, it has shared the product of its hard work with virtually every nation in the world. Thanksgiving is truly a capitalist holiday.

"RESURRECTION CITY" DAMAGES

"When the Federal government made the mistake of granting the permit for the so-called 'Resurrection City' encampment in Washington last year, the Southern Christian Leadership Conference promised to pay for damages, and put up a \$5,000 cash deposit, purportedly to insure the SCLC would clean up after its departure. As should have been expected, there was no cleaning up, and the government had to do it. A damage claim was submitted to SCLC for \$71,795, which was not paid. The government did realize an additional \$5,500 from the sale of lumber that was removed from the site. The claim was turned over to the Justice Department's civil division for collection. A few days ago, the Justice Department announced it had settled the claim; that the government would keep the \$10,500, and forget the \$71,795 damage claim. The Assistant Attorney General in charge of the civil division said this action represented the best terms the government could obtain.
 —Rep. John Dowdy, Oct. 10, 1969.

ZERO LITERACY

Education is one of the biggest cost items in the lives of all of us. We spend more years going to school than ever before. A college education has become as common as a high school education a few years ago. Yet, in one of the most vital areas -- government spending, taxes and inflation -- our level of literacy is virtually zero. There are about as many ideas of what to do about inflation as there are people -- all because nowhere in the process of getting educated have we learned that when a government chronically spends more money than it receives in taxes the result is inflation.

We proudly present the largest stock of Christmas items we have ever had

Dozens and dozens of lovely gift selections for everyone on your list, regardless of age, plus more dozens of gifts for the home

Thanksgiving and each boy read a "thank-you" note he composed for parents and Scout officers. They closed by singing God Bless America.

Den II displayed a map showing the birthplaces of folklore heroes and each member recited something famous about them, spotlighting the name on the map.

Den IV followed the American Folklore theme, each Cub dressed as a famous personality. Mrs. Charlie Pagel gave the narration.

During the business session, after Bill Murch and Brent Hess opened with the flag ceremony and pledge, Committee Chairman Clyde Fisher, Cubmaster Alvin Hartman and Webelos Leader Don Murch conducted the meeting

and presented badges earned by the boys during the month.

Dyer Webelos Leader

Edgar Dyer was recognized as the new Webelos leader succeeding Don Murch who will be moving from Muenster in January. John Schneider succeeds Dale Cash as Webelos den chief. Jim Endres is his assistant. Danny Fette is the new den chief for Den II. Den I, Mrs. Sylvan Walterscheid leader, won the attendance banner for November and the den will keep it until the next pack meeting. It was presented by Mrs. Charlie Pagel of Den IV, winner in October.

Awards Presented

In presentation of awards, Bobcat badges went to Joe Bartush, Dick Danglmayr, Al-

berto Escoledo, Eddie Serna, Gary Joe Walterscheid, Tim Walterscheid and Chris Stoffels.

Neil Rohmer and Jack Endres received the Bear badge; Carl Pagel, the Wolf badge; and Lenzy Dyer and Danny Walterscheid, the Silver Arrow.

Webelos were reminded of their meeting Wednesday, Dec. 3, 6 p.m. in the home of their new leader Edgar Dyer. Don Murch will be assisting until he leaves and Charles Bartush is the new assistant.

Den I served refreshments and Den II closed by leading the Law of the Pack.

One thing you get more of for your money these days is bills.

Janet Klement and William Fisher Say Vows at Mass

Miss Janet Klement and William Fisher pledged wedding vows in a double ring ceremony at Nuptial Mass Saturday in Sacred Heart Church with the Rev. Harry Fisher of Fort Worth, uncle of the bridegroom, officiating at 5 p.m.

Parents of the couple are Mr. and Mrs. Anthony Klement and Mr. and Mrs. Paul Fisher.

Presented by her father, the bride wore an Empire gown of white bridal satin with high-rise neckline, long sleeves and A-line skirt ornamented with daisy lace medallions that also enhanced the detachable chapel train.

A pearl and sequin encrusted petal headpiece held her bouffant veil and she carried a prayer book topped by a white orchid and stephanotis.

Miss Alice Klement was her sister's maid of honor, Miss Linda Fisher of Sherman, sister of the bridegroom, and Mrs. Tom Bayer, another sister of the bride, were bridesmaids. They wore willow green velvet floor-length Empire gowns, matching bow headpieces, and carried bronze mums.

Terry Edmunds of Garland, niece of the bridegroom, was flower girl and Gary Don Klement, brother of the bride, was ring bearer.

Herbie Fisher of Dallas was his brother's best man. Francis Fisher, a cousin, and Donnie Fisher, a brother, were groomsmen. Pat Klement, bride's brother, and Mike Kleiss were ushers.

Music was presented by Miss Janice Grewing, organ-

ist, and Mrs. Dave Walterscheid, vocalist. After Mass the bride placed the traditional bouquet on the Blessed Virgin's altar.

Wedding reception and buffet were held in the Parish Hall. Mrs. Paul Danglmayr, bride's sister, and Mrs. Mike Kleiss registered guests. After a wedding dance in the VFW Hall the couple left on a honeymoon not revealing their destination.

For traveling the bride wore a beige A-line knit dress with brown accessories. She is a graduate of Muenster High School and is employed at Jr. Elite Manufacturing Co.

The bridegroom is an army veteran with overseas service in Germany and Vietnam and received the Purple Heart for injuries received in Vietnam. He attended Subiaco Academy in Arkansas, St. John's in San Antonio and Cooke County Junior College. He's employed at Fisher's Market.

They will be occupying the Fisher homeplace until their new home is completed.

For her daughter's wedding Mrs. Klement wore a salmon colored knit suit with bone accessories. Mrs. Fisher, mother of the groom, wore a blue knit costume with black accessories. Both had corsages of white baby mums.

Among out of town wedding guests was the bridegroom's twin sister, Sister Cynthia of Hot Springs, Ark., and the bride's grandfather, Theo Schmitz of Lindsay.

Also L. W. Schmitz and family, Mrs. Marty Campbell, Miss Rita Fisher and Mr. and Mrs. Jerome Hennigan all of Dallas, Mrs. Jerry Hughes and children of Grand Prairie, Mr. and Mrs. F. J. Schmitz of Thackerville, Mr. and Mrs. Jake Horn, Jerry Horn and Mr. and Mrs. Edmund Vieth of Windthorst.

NOTES FROM THE LIBRARY

By Bettie Luke

A happy Thanksgiving and weekend to each and everyone is the wish from Muenster Public Library.

Now Christmas is just around the corner and we have ordered a number of new Christmas story books to add to our collection. Among the new books are The Night Before Christmas, Twenty-four Days Before Christmas, Christmas Stories, The Happy Christmas Story Book, The First Christmas Gifts, Christmas stories that never grow old.

We invite all the youngsters to read these.

Come and read with us.

Local News BRIEFS

Mr. and Mrs. Andy Schoech have returned from a week's visit with their son-in-law and daughter Sgt. and Mrs. Peter Wall at Fort Knox, Ky. While there they all attended the horse races at Churchill Downs. Going the Schoechs visited overnight with friends, Mr. and Mrs. Pete Heigel at Conway, Ark., and returning they spent overnight at Subiaco, Ark., with their son Father Frown Schoech.

Twin sisters Mrs. John Walter and Mrs. I. A. Schoech are new residents at Golden Years Rest Home.

Mr. and Mrs. W. L. Scoggins of Myra are great-grandparents again. The newcomer is Benita Carol Rogers, daughter of Mr. and Mrs. Benton Rogers of Pampa. She was born Sunday, Nov. 16, 3:44 a.m. weighing five pounds 15 ounces. Mr. and Mrs. B. M. Rogers of Pampa are the grandparents.

Telephoned good wishes for his birthday greeted Alois Trubenbach Saturday. At the other end of the lines were daughters. Judy Trubenbach called from San Antonio, Rita Trubenbach called from Fort Worth and Mary and family, the Bill Blythes called from Fort Worth.

Visitors with Mr. and Mrs. Johnny Streng are their daughter-in-law's parents, Mr. and Mrs. Tom Baleria of Hawthorne, Nevada. They'll visit in Texarkana and Dallas and then return to Muenster for another visit while their son-in-law and daughter, Petty Officer 3c and Mrs. John Henry Streng and son Steven of Fallon, Nev., visit here while he is on overseas leave.

Father Bede Mitchel, assistant at Sacred Heart Church, will leave Saturday to conduct a parish mission at St. John's Church, Brinkley, Ark. From there he will leave on Dec. 5 by air for Los Angeles, Calif., where his sister, Sister Alex will meet him and they will go to Santa Barbara for ceremonies in connection with her golden jubilee as a nun. Father Bede also plans a side trip to San Francisco, and will be back here Dec. 13.

Former Muenster residents Mr. and Mrs. Frank Schoech of Dallas and their guest Mrs. Emma Rederer Davidson of California, also formerly of Muenster, visited here Tuesday making pop calls on the Andy Schoechs, Mrs. L. A. Bernauer, Mrs. I. A. Schoech and other relatives and friends.

Second grade Happy Bluebirds had an outing Monday after school on the Lloyd Trubenbach farm where the group roasted wieners and toasted marshmallows in the woods. Mrs. Trubenbach was hostess mother. Others with the 12 Bluebirds were Mrs. Joe Felderhoff and Mrs. Tom Joy, leaders, Preston Joy, Mrs. Tommy Knabe and Stephen.

Third Grade Bluebird group Excedrin 10 and Mrs. Charles Bayer went to Muenster Hospital Thursday as a part of their meeting and left tray favors they made for Thanksgiving. They also left decorations for a centerpiece in the hospital dining room.

Lt. David Lutkenhaus of Fort Hood spent the weekend with Muenster relatives. He was the house guest of a cousin, Mrs. Oscar Detten. It was his last visit for some time. He has been transferred to Savannah, Georgia. The Al Felderhoffs entertained with a dinner for him.

Among the first college students to arrive at home for the Thanksgiving holidays was Miss Margaret Kralicke of Clark College, Dubuque, Iowa. She flew in Friday evening and has a recess from classes until December 1 with her parents, Dr. and Mrs. Martin Kralicke. Their son Steve Kralicke, student at the University of Houston, arrived Wednesday for the holidays making the family circle complete.

Mrs. Aubrey Jennings and her daughter Helen, Mrs. Dale Bennington, of Wichita Falls were recent visitors with her mother Mrs. John Felderhoff. The past Wednesday Mrs. Felderhoff had a telephone visit with another daughter Mrs. Monty Elliott and family of Bushnell Ill.

Mrs. Ed Hess enjoyed a telephone visit last Thursday evening with her son S. Sgt. and Mrs. Richard Hess and children of Santa Ana, Calif.

Brother Thomas Moster's speech and drama students of Sacred Heart School presented a one-hour program Wednesday televised over the Muenster cable, Channel 2. Wednesday this week Mrs. Davis' first class pupils televised a Thanksgiving program at 10:30 a. m.

When a woman stopped at a gas station, the attendant advised her to get some antifreeze.

"I won't need it," said the woman. "My husband told me he's going to get a new muffler for the car."

It was a delightful spring day and four high school girls skipped morning classes to go for a drive. After lunch they reported to a teacher that their car had had a flat tire on the way to school that morning.

To their relief, she smiled understandingly and said: "Girls, you missed a test this morning. Please take seats apart from one another and get out your notebooks."

When the girls were settled and waiting expectantly, the teacher continued, "No talking. Now write the answer to this question. 'Which tire was flat?'"

BIRTHS

Mr. and Mrs. Tom Williams of Fort Worth announce a daughter, six pounds six ounces, born Friday, Nov. 21. She's a sister for Peter, a granddaughter for Mr. and Mrs. Meinrad Hesse of Muenster and Mr. and Mrs. A. F. Williams of Dayton, Ohio. Mrs. Williams is the former Suzanne Hesse and Mr. Williams is a former coach at Sacred Heart School.

Mr. and Mrs. Jay Winslow of Grapevine have announced the birth of their second daughter, Dana Marie. She weighed seven pounds six ounces on arrival Tuesday, Nov. 18, and is a sister for Sondra Leigh. Others welcoming her are grandparents, Mr. and Mrs. Joe Horn of Meunster — she's their sixth grandchild, all girls— and Mrs. Frank Jones of Norfolk, Va.

From Santa Ana, Calif., has come announcement of the birth of a son, Glenn Collins, to Marine S. Sgt. and Mrs. Richard Hess. The seven pound six and half ounce lad was born Nov. 5. He has a sister and two brothers and is a grandchild for Mr. and Mrs. Ed Hess of Muenster. Tony Fuhrmann of Lindsay is great-grandpa again. The newcomer's maternal grandparents live in Hawaii. Sgt. Hess is an instructor in jet mechanics at El Toro.

Hornets - - -

Jans led 7-1 in first downs, 69-30 in rushing and 48-12 in passing yardage. They had the ball for 42 plays, Muenster for only 20.

The sustained Hornet defense started after third play of the period when the Trojans recovered a fumble 31 yards away. Koetter's dash went to the 20 and the next four plays gained only 1 yard.

The Hornets likewise failed to gain and punted. Windthorst started over from mid-field, advanced to the 21 in seven plays and encountered another stubborn stand. After four plays the Hornets took possession on the 23.

Three plays reached the 35, but then came more trouble for the Hornets. A penalty and a foul-up lost back to the 20, a pass gained back to the 32, but facing long fourth down yardage, the Hornets had to kick again.

Trojans were stopped a yard short on the next series but the Hornets obligingly fumbled it back to them on the next play. Another Windthorst effort was launched on the 45. Eleven tries ground out 33 yards to the 12 but the next four gained only 1.

From the 11 Muenster reached the 19 in three tries and Monday, with 1:30 remaining got off a nice punt to the Trojan 33.

Windthorst got back to the Muenster 41 on a pass but a penalty there fouled up the next series. Muenster took possession on the 34 with only 9 seconds left in the game.

During that hectic second half the Hornet defense sparked by Bobby Bruns, Jim Endres, David Fette, Leon Klemm, Henry Sicking, Tommy Henscheid and Terry Miller stopped three drives within reach of the goal. Best forward progress of the Trojans on those three efforts was the 19 the 21 and the 11. The entire second half except two plays near the end was in Muenster's end of the field.

STATISTICS	M	W
First downs	8	9
Yards rushing	121	109
Yards passing	96	84
Passes completed	3-12	8-13
Intercepted by	1	2
Fumbles lost by	2	1
Penalties	3-32	2-20

Mrs. Luke Hosts Idle Eight Club

The Idle Eight Club met in the home of Mrs. Joe Luke for the monthly social with all members present.

In a progressive 42 series Mrs. Joe Wilde was high scorer, Mrs. John Wieler was runner-up and Mrs. Joe Kathman was consolation winner.

After the games, the hostess served apple pie a la mode with coffee.

The Men In Service

Calls From Thailand
Sgt. Ray Rumley called from Thailand Wednesday to say Happy Thanksgiving to his mother Mrs. Melba Kinsey and his brother J. D. The call came by radio via satellite to a base in Indiana and from there by phone.

Mary Koesler and Dan Bayer Plan January Wedding

Mr. and Mrs. Norbert Koesler have announced the engagement and approaching marriage of their daughter, Mary Alice, and Dan Bayer, son of Mr. and Mrs. John H. Bayer.

The wedding is planned for January 10 at 5 p.m. Nuptial Mass in Sacred Heart Church.

Miss Koesler is a graduate of Sacred Heart High School and is employed at Cooke County Electric Cooperative. Mr. Bayer is associated with J. H. Bayer and Sons.

Chosen as wedding attendants are Misses Gretchen and Christi Koesler and Leonard and Clinton Bayer, sisters and brothers of the couple.

Kin Take Party to Arlington as Fete For Mrs. Tompkins

Mr. and Mrs. Alvin Hartman visited during the weekend with his sister, Mrs. Keith Tompkins and children in Arlington and brought Mary Beth Tompkins back with them for a visit until Tuesday when she joined her grandmother, Mrs. Victor Hartman and other members of the Hartman clan who went to Arlington to help Mrs. Tompkins celebrate her birthday.

Taking the party to Mrs. Tompkins in addition to her mother were her sisters Mrs. Harvey Schmitt and Stephen, Mrs. John Yosten and Paula Jean, joined at Gainesville by Mrs. Walter Wolf, Scott and Craig, and joined at Arlington by Mrs. Teddy Gremminger of Garland.

Arlington friends of the honoree met the ladies at Kings Inn for a birthday dinner at noon.

In the afternoon the group of 18 went to the home of Mrs. John Smale for visiting, a display of birthday gifts and refreshments of birthday cake and coffee. Mrs. Gremminger baked and decorated the cake for her sister.

SHHS Parents See Foreign Films

A program of slides of foreign countries entertained members of Sacred Heart Home-School Society after their meeting Tuesday night. Brother Thomas Moster gave the commentary and explained that he had collected them to aid him in teaching.

During the business session Mrs. Lloyd Trubenbach reported on a two-day institute she attended at SMU. It concerned children with learning disabilities. Dr. Edward Frierson, instructor, pointed out causes and effects of learning disabilities, how they might be prevented and how parents and classroom teachers can help the child. Sister Georgia reported that

fluorescent lights have all been installed in the grade school and thanked Mrs. Martin Kralicke and Dr. Gerald Graham for taking care of eye, ear and dental checks.

Sister Genevieve reported that the school has an entry in the Christmas parade at Gainesville Saturday, Dec. 29. And members voted to give the school a tape recorder. Brother Thomas Moster pointed out that it will be especially useful in the creative arts and social studies.

After adjournment Mrs. Leo Hesse and Mrs. Larry Hennigan served refreshments to some 50 parents and teachers.

Mr. and Mrs. Alois Haverkamp spent Sunday at Irving with their daughter and family, the Travis Wickliffes.

THANKS

My family joins me in expressing thanks to all who remembered me while I was a patient at Muenster Hospital. Thanks to the doctors, hospital personnel, Bishop Danglemyr, Father Bede and for visits, cards and prayers.
 —Ben Otto.

We wish to say "Thank You" to all our family, friends and neighbors for the prayers, gifts and flowers that made our Golden Wedding such a happy occasion. The memories of this day will long be remembered in our hearts.
 —Mr. and Mrs. Phillip Metzler.

Our heartfelt thanks for the cards, letters, flowers, telephone calls, telegrams, prayers and other thoughtful deeds during the illness and at the death of our loved one, Patricia. —The Lee Toothakers and son Wallace and sons David and Glenn.

"Was your friend shocked over the death of his mother-in-law?"
 "Shocked? He was electrocuted!"

Prospects Gloomy For Basketball at Parochial School

Basketball at Sacred Heart High has had a rough start as the girls were swamped in practice games with Lindsay and both teams got similar treatment at Valley View.

Coach Tom Joy said he is glad the scores will not go on the record. They were only practice sessions, but they indicate that Sacred Heart has far to go to be competitive with most teams on its schedule.

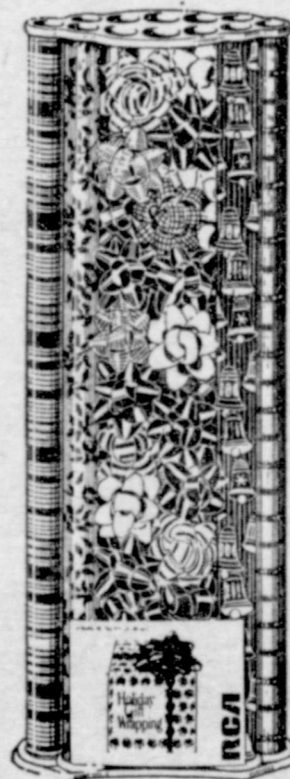

A big problem is that only eight boys have reported for the Tiger team, including Babe Schilling and Ronnie Hess as the only experienced players. The others are Paul Bayer, Gary Endres, Jim Schmitz, Ross Felderhoff, Bill Bartush and Tim Bindel.

Joe Wilkinson, coaching the girls, has a bigger squad and a larger number of experienced upper classmen. The roster now shows 29.

They are Dianne Sicking, Judy Klement, Donna Rohmer, Darlene and Denise Walterscheid, Mary Lou Kralicke, Shirley Hacker, Florence Hess, Theresa Hoedebeck, Mary Bayer, Carla Schilling, Barbara Knabe, Mary Beth and Ann Bartush, Christie Koessler, Debbie Walterscheid, Nancy Fuhrmann, Susan Endres. Darlene Wolf, Carolyn Schoech, Nancy Endres, Peggy Endres, Gayle Sicking, Doris Schmitt, Linda Voth, Darlene Rohmer, Donna Endres, Peggy Endres, Mary Michelson.

The parochial teams have three games and three tournaments on schedule for December.

The games are:
 Dec. 2, Greenhill, there
 Dec. 9, Callisburg, there
 Dec. 16, Callisburg, here
 Tournaments are at Callisburg starting Dec. 4, at Saint Jo, Dec. 11, at Era, Dec. 18. Junior teams of Sacred Heart have some action on schedule. They play Lindsay there the 10th and here the 17th.

THANKS

My family joins me in expressing thanks to all who remembered me while I was a patient at Muenster Hospital. Thanks to the doctors, hospital personnel, Bishop Danglmayr, Father Bede and for visits, cards and prayers. —Ben Otto.

We wish to say "Thank You" to all our family, friends and neighbors for the prayers, gifts and flowers that made our Golden Wedding such a happy occasion. The memories of this day will long be remembered in our hearts. —Mr. and Mrs. Phillip Metzler.

Our heartfelt thanks for the cards, letters, flowers, telephone calls, telegrams, prayers and other thoughtful deeds during the illness and at the death of our loved one, Patricia. —The Lee Toothakers and son Wallace and sons David and Glenn.

Prospects Gloomy For Basketball at Parochial School

Basketball at Sacred Heart High has had a rough start as the girls were swamped in practice games with Lindsay and both teams got similar treatment at Valley View.

Coach Tom Joy said he is glad the scores will not go on the record they were only practice sessions, but they indicate that Sacred Heart has far to go to be competitive with most teams on its schedule.

A big problem is that only eight boys have reported for the Tiger team, including Babe Schilling and Ronnie Hess as the only experienced players. The others are Paul Bayer, Gary Endres, Jim Schmitz, Ross Felderhoff, Bill Bartush and Tim Bindel.

Joe Wilkinson, coaching the girls, has a bigger squad and a larger number of experienced upper classmen. The roster now shows 29.

They are Dianne Sicking, Judy Klement, Donna Rohmer, Darlene and Denise Walterscheid, Mary Lou Kralicke, Shirley Hacker, Florence Hess, Theresa Hoedebeck, Mary Bayer, Carla Schilling, Barbara Knabe, Mary Beth and Ann Bartush, Christie Koessler, Debbie Walterscheid, Nancy Fuhrmann, Susan Endres.

Darlene Wolf, Carolyn Schoech, Nancy Endres, Peggy Endres, Gayle Sicking, Doris Schmitt, Linda Voth, Darlene Rohmer, Donna Endres, Peggy Endres, Mary Michelson.

The parochial teams have three games and three tournaments on schedule for December.

The games are: Dec. 2, Greenhill, there Dec. 9, Callisburg, there Dec. 16, Callisburg, here

Tournaments are at Callisburg starting Dec. 4, at Saint Jo, Dec. 11, at Era, Dec. 18.

Junior teams of Sacred Heart have some action on schedule. They play Lindsay there the 10th and here the 17th.

Christmas Ideas Program on Dec. 3

A Yule-time program, "Christmas Comes Once More," will be presented Wednesday, Dec. 3, in the homemaking room at Muenster High School, 2:30.

The public is invited to attend this free demonstration. It will be presented by Mary Casteel, home economist for Lone Star Gas Company.

Shower Honor for Miss Linda Whitt

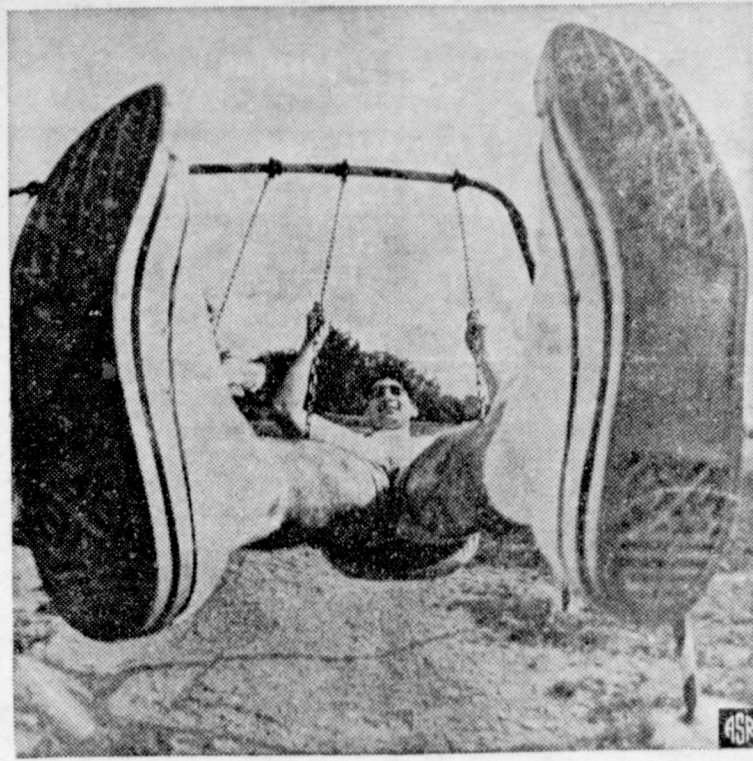

Miss Linda Whitt, bride-elect Dan Bartlett of Dallas, was named honoree at a party in the TWU Dorm living room in the Medical Center, Dallas, Wednesday night.

Nurse friends, Ann Van Meter, Mrs. Jim Andrews, Misses Jeani Hester, Shirley Leonard and Susie Alsaker were hostesses.

The chosen colors of blue and white were used in table decor where decorated cake squares were served with punch. A shower of gifts was on display.

Miss Whitt and Mr. Bartlett will be married December 20 in North Dallas Baptist Church with the bride's brother, the Rev. Billy Whitt of Farmington, Mich., officiating.

There must be something to reincarnation judging from the way some people come back to life at quitting time.

While population statisticians predict people will be standing on each other's heads by the year 2000, recent news indicates they'll be stepping on each other's toes long before then.

For instance, a leading shoe manufacturer has put a size 17 official basketball shoe into its line this year. Red Ball Footwear officials said dealers insisted there was enough demand to make the new big shoe necessary.

The officials get additional information from sales of their Jets, a complete line of canvas shoes for toddlers to big basketball players. The company is already making men's canvas casual shoes through size 14, while only five years ago they stopped at size 12.

And the ladies are making larger tracks, too, says Red Ball. Women's canvas shoes are up to size 12. The average used to be size 5 and now it is 7 1/2.

As far as the gals are concerned, the company observes, they are now buying the size shoe they need for comfort. They are no longer miserable over the idea that big feet are unladylike.

What's the reason for bigger feet? People are healthier, grow faster and fill out better—right down to their toes. At least that's the answer the Red Ball people give.

Leaders of Texas Urged to Tackle Traffic Emergency

A "State of emergency" exists for reducing Texas' traffic toll, Gov. Preston Smith warned in addressing some 700 safety-minded persons who answered his call to attend a public support conference to discuss the problem and how to solve it.

Result is a new statewide safety campaign. It got underway immediately and is focusing efforts on the holiday periods - Thanksgiving, Christmas and New Years. These are the times when accident frequency is unusually high.

Smith reminded the conference of community leaders that 10 Texans a day die in automobile accidents. Figures provided by the Texas Safety Association reveal that last month alone the loss dollar-wise - amounted to \$77 million. Crashes in Texas' urban areas account for \$50 million of this figure.

Causes? Higher speed limits, abolishing the old merit-rating insurance plan which called for

higher premiums on bad-risk drivers and a 1965 law which allows judges to probate misdemeanor sentences including traffic offenses were blamed for the climbing death rate.

Whatever the cause, 3,481 died last year, 217,000 were hurt and \$875 million in economic losses chalked up. Department of Public Safety statistics indicate 3,700 will die this year unless holiday safety campaigns are a remarkable success.

"The grim reality," said Smith, "is that one out of every seven motor vehicles registered in Texas was involved in an accident in 1968. The certainty of 10 Texans losing their lives on the highways of our state each and every day is more than tragic. It constitutes a crisis a crisis that, in my mind, is a state of emergency."

Knowing how to control skidding car can be valuable information. Never jam on the brakes or step down on the accelerator. Steering in the direction of the skid and pumping the brakes are the most effective ways of regaining control of the vehicle.

Honor Roll Listed At Public School

Fifty one percent of the students in Grades 5 through 12 at Muenster Public School have earned a place on the honor rolls of the second six weeks period.

Enrollment in the eight grades is 295, of which 56, or 19 per cent, are on the A honor roll and 95, or 32 per cent, are on the B honor roll.

The listing was announced as follows by Principal Charles Cash.

FIFTH GRADE

A Honor Roll: Pat Davidson, Judy Fisher, Wilma Hoenig, Tracy Klement, Gregory Knabe, Tina Mollenkopf, Sharon Wimmer.

B Honor Roll: Brenda Barnhill, Betty Bayer, Billy Huchton, Bridget Jaska, Bill Murch, Calvin Otto, Randy Sawyer, Darla Stoffels, Nicky Stoffels.

SIXTH GRADE

A Honor Roll: Mike Davidson, Johnny Eckart, Danny Endres, Mary Fisher, Diane Hennigan, Kimberly Klement, Monty Reiter, Mark Stanfill, Jeanne Swirczynski, Connie Walterscheid.

B Honor Roll: Randy Barnhill, Terri Britain, Gina Felderhoff, Becky Fields, Sheila Grewing, Marietta Grimes, Billy Krahl, Rhonda Moster, Laura Sicking, Ronnie Sicking, Melissa Weinzapfel, Randy Williams, Janell Wimmer.

SEVENTH GRADE

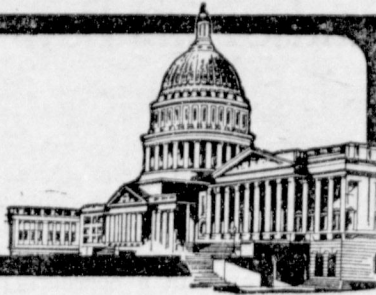

A Honor Roll: Sandra Dittfurth, Nancie Fisher, Ramon Luke, Mark Shasteen, Diane Yosten.

B Honor Roll: Cheryl Hermes, Leo Lutkenhaus, Patty Luttmer, Joyce Murch, Terry Walterscheid, Ronnie Weinzapfel.

EIGHTH GRADE

A Honor Roll: Barbara Davidson, Lelia Grant, Curtis Klement, Lyle Klement, Rhonda Shasteen, Dan Sicking, Karla Vogel, Janet Wimmer.

WASHINGTON AND SMALL BUSINESS

The Big Fish Get Away

Congress will soon face up to a unique problem: How to ensure that more millionaires will pay some Federal income tax. It's not a problem of fraud or evasion. Some millionaires do not have to pay income tax because the law as it now stands, affords many opportunities to trim back income before Uncle Sam takes his cut.

Millionaires with investment and business income can do this better than salaried people. In fact, 381 persons with incomes over \$100,000 in 1967 cancelled out their entire incomes and owed no tax at all. Twenty-one of them had incomes over \$1,000,000!

When the Treasury Secretary made these figures public, one Administration official labeled this as "inflammatory" and "not necessarily meaningful." But the public thinks otherwise. Coming at a time when millions with modest incomes are being hit by a surcharge, an extra bite out of every paycheck, no wonder the Treasury and Congress are being bombarded with protest letters.

Congress itself, over the years, has so modified and enlarged the tax law that the original ability-to-pay principal, which seems so apparent in the graduated rates, has been greatly distorted.

The present tax on \$100,000 is almost \$50,000 on a joint return, but that 100-grand is "tax-free."

The new Administration has suggested, instead, that Congress put a 50 per cent limit on total income exemptions. This would still hurt municipal bonds and average local taxpayers. The problem is sticky!

If Congress does nothing else, it could at least reduce the inequity by helping the working man. Boosting the \$600 personal exemption to \$1,200 as proposed by Representative Thomas Meskill of Connecticut would bring instant tax relief to millions with modest incomes.

Then a family of four with an \$8,000 income would pay no more than a certain rich gentleman whose 1967 income was \$1,280,000. He paid only \$388.

B Honor Roll: Gary Barnhill, Dolores Bayer, Joe Bright, Ronnie Felderhoff, Glenn Grewing, Tom Hennigan, Louis Koelzer, Kathy Selby, Iilda Serna, Julie Sicking, Shirley Swirczynski.

NINTH GRADE

A Honor Roll: Patti Dittfurth, Doris Felderhoff, Lonnie Hellman, Marlene Herr, June Stoffels.

B Honor Roll: Carolyn Bayer, Lola Bright, Jim Endres, Lenora Fleitman, Theresa Fleitman, Janice Fisher, Richard Fisher, Glenda Gieb, Becky Jaska, Mark Lippe, Alan Miller, Vicki Mollenkopf, Phillip Russell, Pam Schneider, Diane Serna, Nancy Shasteen, Steven Sicking, Susan Sloan, Janet Swirczynski, Joyce Swirczynski, Hank Trachta, Dale Walterscheid, Candy Wimmer, Karla Wimmer.

TENTH GRADE

A Honor Roll: Carl Bayer, Becky Davidson, Marilyn Felderhoff, Danny Fette, Cheryl Otto, Weston Powell.

B Honor Roll: David Bright, Beverly Bruns, Jerry Eckart,

Gwen Fleitman, Debbie Sicking, Donna Sicking, Kevin Sicking, Kristie Stormer, Molly Wimmer.

ELEVENTH GRADE

A Honor Roll: Gerry Cash, Glenn Felderhoff, Patty Felderhoff, Laurie Wimmer, Debbie Yosten.

B Honor Roll: Marla Grewing, Tim Hartman, Tim Hennigan, Debbie Hermes, Suzanne Huchton, Mike Jaska, Leon Klement, Earl Koelzer, John Schneider, Debbie Sicking, Virginia Sicking, Janet Stoffels, Jo Ellen Trubenbach, Donna Wimmer.

TWELFTH GRADE

A Honor Roll: Bobby Bruns, John Felderhoff, David Fette, Dixie Fields, Lynn Joe Klement, Karen Sicking, Kathy Sicking, Sandra Sloan, Pam Stoffels, David Stormer.

B Honor Roll: Christie Cler, Dolores Eckart, Sandra Fette, Alvin Hoenig, Elaine Otto, Janell Reiter, Henry Sicking, Clellene Streng, Cindy Swirczynski.

The man appeared at the newspaper office to place a classified advertisement offering a reward of \$100 for the return of his wife's pet cat. "That's an awfully high price for a cat," remarked the clerk. "Not for this one," said the man. "I've already drowned it."

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

J. W. Fleitman has completed shaping a gully into a waterway to serve as an outlet for a parallel terrace system he plans to install on his farm south of Myra. A bulldozer was used to shape this waterway. He is now chiseling the soil. This will allow the soil to freeze and soak up moisture and by grass planting time he will have a good mellow seedbed for his grass.

Leo J. Haverkamp prepared the soil for his waterways on his farm south of Muenster at the same time he was preparing the field for planting to small grain. Technicians of the Soil Conservation Service, assisting the Upper Elm-Red Soil and Water Conservation District, then marked off these waterways so he would not plant grain in them. This will insure a good seedbed at planting time. These water-

ways will serve as outlets for a parallel terrace system on approximately 100 acres of his cropland.

Frank Schilling has the land prepared for the grassed waterways needed for a 45-acre parallel terrace system on the farm he operates for Roy Redman near Saint Jo.

Andy Fleitman has built two terraces using his regular farm equipment. He now has all of his cropland protected from erosion by a good system of terraces and grassed waterways. Terraces, together with good conservation cropping systems, not only protect the landowners investment but also keep streams and lakes free from silt.

Farm ponds for livestock water have been built this fall by Mrs. Cecil Sims on her pasture west of Muenster, Weldon Dennis at Bulcher, Leo Becker on the farm he leases from Mrs. Ada Williams, Mrs. Rachel Bentley and Cecil Welch at Hood, J. W. Fleitman and Joe and John Kleiss. These ponds will enable the farmers to better manage their grasslands. Ponds can also provide many hours of recreation for farm families and their city friends.

If there's a better way, we'll find it.

Thomas A. Edison, the research genius of his time, found a "better way" of life for the world when he first put electricity to use. Later, research by the electric industry and companies like Texas Power & Light Company created hundreds of new conveniences for home, industry and farm. And the future seems limitless. TP&L, in cooperation with other electric utilities, universities and the electric industry, has carried on a number of research programs spanning a wide variety of fields—from exploring the possibilities of converting heat and chemical energy directly into electricity, to developing a vastly improved design for electric water heaters and taking a part in nuclear study, research and development programs. If there's a better way, we'll find it!

Honor Roll Listed At Public School

Fifty one percent of the students in Grades 5 through 12 at Muenster Public School have earned a place on the honor rolls of the second six weeks period.

Enrollment in the eight grades is 295, of which 56, or 19 per cent, are on the A honor roll and 95, or 32 per cent, are on the B honor roll.

The listing was announced as follows by Principal Charles Cash.

FIFTH GRADE

A Honor Roll: Pat Davidson, Judy Fisher, Wilma Hoenig, Tracy Klement, Gregory Knabe, Tina Mollenkopf, Sharon Wimmer.

B Honor Roll: Brenda Barnhill, Betty Bayer, Billy Huchton, Bridget Jaska, Bill Murch, Calvin Otto, Randy Sawyer, Darla Stoffels, Nicky Stoffels.

SIXTH GRADE

A Honor Roll: Mike Davidson, Johnny Eckart, Danny Endres, Mary Fisher, Diane Hennigan, Kimberly Klement, Monty Reiter, Mark Stanfill, Jeanne Swirczynski, Connie Walterscheid.

B Honor Roll: Randy Barnhill, Terri Britain, Gina Felderhoff, Becky Fields, Shelia Grewing, Marietta Grimes, Billy Krahl, Rhonda Moster, Laura Sicking, Ronnie Sicking, Melissa Weinzapfel, Randy Williams, Janell Wimmer.

SEVENTH GRADE

A Honor Roll: Sandra Dittfurth, Nancie Fisher, Ramon Luke, Mark Shasteen, Diane Yosten.

B Honor Roll: Cheryl Hermes, Leo Lutkenhaus, Patty Lutmer, Joyce Murch, Terry Walterscheid, Ronnie Weinzapfel.

EIGHTH GRADE

A Honor Roll: Barbara Davidson, Lelia Grant, Curtis Klement, Lyle Klement, Rhonda Shasteen, Dan Sicking, Karla Vogel, Janet Wimmer.

WASHINGTON AND SMALL BUSINESS

The Big Fish Get Away

Congress will soon face up to a unique problem: How to ensure that more millionaires will pay some Federal income tax. It's not a problem of fraud or evasion. Some millionaires do not have to pay income tax because the law as it now stands, affords many opportunities to trim back income before Uncle Sam takes his cut.

Millionaires with investment and business income can do this better than salaried people. In fact, 381 persons with incomes over \$100,000 in 1967 cancelled out their entire incomes and owed no tax at all. Twenty-one of them had incomes over \$1,000,000!

When the Treasury Secretary made these figures public, one Administration official labeled this as "inflammatory" and "not necessarily meaningful."

But the public thinks otherwise. Coming at a time when millions with modest incomes are being hit by a surcharge, an extra bite out of every paycheck, no wonder the Treasury and Congress are being bombarded with protest letters.

Congress itself, over the years, has so modified and enlarged the tax law that the original ability-to-pay principal, which seems so apparent in the graduated rates, has been greatly distorted.

The present tax on \$100,000 is almost \$50,000 on a joint return, but that 100-grand is "tax-

able income" after allowable exclusions. If that were all capital gains, three-fourths would be excluded as a starter. If it were all from tax-exempt bonds, none would be taxable.

The Treasury first proposed a special minimum tax to assure that wealthy do not entirely escape the tax net. But the nation's small and independent business owners, voting through the National Federation of Independent Business, strongly opposed this as discriminatory, and more important, a boomerang for average local taxpayers. With the advantage of "tax-exempt" municipal and state bonds taken away, the bonds would sell at higher interest rates, meaning higher taxes in the bond-issuing jurisdiction.

The new Administration has suggested, instead, that Congress put a 50 per cent limit on total income exemptions. This would still hurt municipal bondholders and average local taxpayers. The problem is sticky!

If Congress does nothing else, it could at least reduce the inequity by helping the working man. Boosting the \$600 personal exemption to \$1,200 as proposed by Representative Thomas Meskill of Connecticut would bring instant tax relief to millions with modest incomes.

Then a family of four with an \$8,000 income would pay no more than a certain rich gentleman whose 1967 income was \$1,250,000. He paid only \$388.

B Honor Roll: Gary Barnhill, Dolores Bayer, Joe Bright, Ronnie Felderhoff, Glenn Grewing, Tom Hennigan, Louis Koelzer, Kathy Selby, Hilda Serna, Julie Sicking, Shirley Swirczynski.

NINTH GRADE

A Honor Roll: Patti Dittfurth, Doris Felderhoff, Lonnie Hellman, Marlene Herr, June Stoffels.

B Honor Roll: Carolyn Bayer, Lola Bright, Jim Endres, Lenora Fleitman, Theresa Fleitman, Janice Fisher, Richard Fisher, Glenda Gieb, Becky Jaska, Mark Lippe, Alan Miller, Vicki Mollenkopf, Phillip Russell, Pam Schneider, Diane Serna, Nancy Shasteen, Steven Sicking, Susan Sloan, Janet Swirczynski, Joyce Swirczynski, Hank Trachta, Dale Walterscheid, Candy Wimmer, Karla Wimmer.

TENTH GRADE

A Honor Roll: Carl Bayer, Becky Davidson, Marilyn Felderhoff, Danny Fette, Cheryl Otto, Weston Powell.

B Honor Roll: David Bright, Beverly Bruns, Jerry Eckart,

Gwen Fleitman, Debbie Sicking, Donna Sicking, Kevin Sicking, Kristie Stormer, Molly Wimmer.

ELEVENTH GRADE

A Honor Roll: Gerry Cash, Glenn Felderhoff, Patty Felderhoff, Laurie Wimmer, Debbie Yosten.

B Honor Roll: Marla Grewing, Tim Hartman, Tim Hennigan, Debbie Hermes, Suzanne Huchton, Mike Jaska, Leon Klement, Earl Koelzer, John Schneider, Debbie Sicking, Virginia Sicking, Janel Stoffels, Jo Ellen Trubebach, Donna Wimmer.

TWELFTH GRADE

A Honor Roll: Bobby Bruns, John Felderhoff, David Fette, Dixie Fields, Lynn Joe Klement, Karen Sicking, Kathy Sicking, Sandra Sloan, Pam Stoffels, David Stormer.

B Honor Roll: Christie Cler, Dolores Eckart, Sandra Fette, Alvin Hoenig, Elaine Otto, Janell Reiter, Henry Sicking, Clellene Streng, Cindy Swirczynski.

The man appeared at the newspaper office to place a classified advertisement offering a reward of \$100 for the return of his wife's pet cat. "That's an awfully high price for a cat," remarked the clerk. "Not for this one," said the man. "I've already drowned it."

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL * OUR STRENGTH

J. W. Fleitman has completed shaping a gully into a waterway to serve as an outlet for a parallel terrace system he plans to install on his farm south of Myra. A bulldozer was used to shape this waterway. He is now chiseling the soil. This will allow the soil to freeze and soak up moisture and by grass planting time he will have a good mellow seedbed for his grass.

Leo J. Haverkamp prepared the soil for his waterways on his farm south of Muenster at the same time he was preparing the field for planting to small grain. Technicians of the Soil Conservation Service, assisting the Upper Elm-Red Soil and Water Conservation District, then marked off these waterways so he would not plant grain in them. This will insure a good seedbed at planting time. These water-

ways will serve as outlets for a parallel terrace system on approximately 100 acres of his cropland.

Frank Schilling has the land prepared for the grassed waterways needed for a 45-acre parallel terrace system on the farm he operates for Roy Redman near Saint Jo.

Andy Fleitman has built two terraces using his regular farm equipment. He now has all of his cropland protected from erosion by a good system of terraces and grassed waterways. Terraces, together with good conservation cropping systems, not only protect the landowners investment but also keep streams and lakes free from silt.

Farm ponds for livestock water have been built this fall by Mrs. Cecil Sims on her pasture west of Muenster, Weldon Dennis at Bulcher, Leo Becker on the farm he leases from Mrs. Ada Williams, Mrs. Rachel Bentley and Cecil Welch at Hood, J. W. Fleitman and Joe and John Kleiss. These ponds will enable the farmers to better manage their grasslands. Ponds can also provide many hours of recreation for farm families and their city friends.

If there's a better way, we'll find it.

Thomas A. Edison, the research genius of his time, found a "better way" of life for the world when he first put electricity to use. Later, research by the electric industry and companies like Texas Power & Light Company created hundreds of new conveniences for home, industry and farm. And the future seems limitless. TP&L, in cooperation with other electric utilities, universities and the electric industry, has carried on a number of research programs spanning a wide variety of fields—from exploring the possibilities of converting heat and chemical energy directly into electricity, to developing a vastly improved design for electric water heaters and taking a part in nuclear study, research and development programs. If there's a better way, we'll find it!

**Landscaping Pays
Rich Dividends**

Are you interested in realizing a return of \$1000 on a \$200 investment within ten years? You can do it by using trees and shrubs adapted to the area in a correctly planned home landscape. To make sure trees and shrubs are properly placed, it is essential that a landscape plan be developed before planting. If you are building a new home, it's best to design the landscaping before the new house is constructed. Funds for landscaping should be allocated in the budget.

It is not too late to develop a plan even after the house is several years old. Renovation of the existing plan can be done anytime the need arises. Consider the various use areas of the yard. Are these areas being used to their fullest potential? The approach or public ar-

Fleitmans, Lt. and Mrs. F. P. Swan and children of Pensacola, Fla. are visiting relatives in Cooke County.

10 YEARS AGO

November 27, 1959
Muenster donates 2899 pounds of clothing in annual Thanksgiving drive. Muenster Enterprise starts 24th year. Airman Pat Hess gets settled in Germany. Virgil Henschel is on leave in Germany. County College District election set for Dec. 19. Parish organizes 46 CCD study clubs. W. J. Millers get surprise housewarming. The Charlie Pagels move to Muenster from Gainesville. Mr. and Mrs. Clarence Wilson observe 55th wedding anniversary. Mass and dinner observe silver wedding of Mr. and Mrs. J. W. Fleitman. Joann Wolf and Walter Hermes marry. Lindsay has 4-H achievement event. New arrivals: a boy for the Ed Clers and a boy for Capt. and Mrs. Monte Hellman in Germany; girls for the Glenn Hellmans, Norbert Magas and Herb Russells.

5 YEARS AGO

November 27, 1964
English Masses begin in Muenster and Lindsay parishes Sunday... another change for Muenster is having the priest face the people... Lindsay started this some time ago. Hornets upset Chico 8-2 in season finale. Saint Jo Panthers win 9-B trophy and will meet Anna in bi-district. Hornets win five and lose five during season. Tigers post 5-5 season record. Knights count three wins and seven losses. Arthur Lutner is dismissed from Muenster Hospital after being a patient since August. John Mosman and Mrs. Al Trubenbach undergo surgery. CCD discussion club groups meet at Lindsay opening new study season. 12 boys, 21 girls report for basketball at MHS. Thirteen children and their adoptive parents attend diocesan party in Dallas. The Clarence Wilsons mark their 60th wedding anniversary. Hospital Auxiliary plans Christmas decor at hospital. Teddy Miller is elected president of S. H. Alumni Assn. New arrivals: a boy for the Arthur Bordeaux; a girl for the Joe Pat Bohacs.

Carelessness KILLS
WATCH THAT SECOND TRACK
You have slowed down for the advance warning signs, stopped a safe distance from the tracks, and waited for the freight to pass. Don't get impatient now. You may dart out, just as the caboose passes, right into the path of a fast moving train on another track. Wait for the train to clear a sufficient distance to insure good visibility. Never move while the flasher lights are still operating. "Look Before You Leap."

Carelessness KILLS
OUT OF DARKNESS INTO OBLIVION
It is night and the road is clear; you are pouring on the speed. You overdrive your headlights. Suddenly your headlights pick up the side of a train going over a crossing. You can't stop when you see the train. Consider the horror. The horrible pain of fear for the seconds it takes you to slide from the darkness into oblivion.

ea is usually considered first as it provides the setting for the home. Don't hide the house by planting a forest in the front yard. Remember a tree or shrub must have room to grow and develop in order to attain its full potential in beauty and usefulness. Simplicity should be the keynote of your design. The major emphasis should be on development of the outdoor living area. When de-

signing this area, keep in mind the special needs and interests of the family. It should be designed so that the homeowner will have time and relaxation and enjoyment instead of using all his spare time for maintenance. Generally, the outdoor living area will be in the back yard and screened with a fence, wall or shrubs to provide privacy. For convenience, it should be readily

accessible to the living or family room so a feeling of unity between the two areas can be achieved.

An outdoor work area is also a necessity for most homes. It should be convenient to the work area of the house, that is near the kitchen, utility room and garage. It is usually screened from public view. Depending upon the requirements of the owners, it may include space for a garbage can rack, tool storage facilities and compost box.

For maximum returns on your investment, it is best to consult a professional landscape architect. If this is inconvenient or you enjoy doing the planning and planting, there are many excellent references on home landscaping available in the garden section of your favorite book store or library.

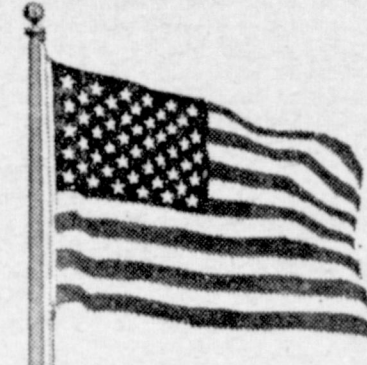

To bear fruit, most grapevines, trees, and speeches need pruning.

**Well, What Do You Know?
fun, games and knowledge**

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

Why does the United States flag have stars?

Everyone knows why the United States flag has stripes, but even historians are not sure why it has stars. They have three possible answers, however. The stars may have come from a Dutch flag. Or the idea may have been borrowed from Rhode Island's flag. Also, it could have come from the stars on George Washington's coat of arms.

John Quincy Adams, sixth president of the United States, wrote in his diary that the stars stood for the new American Union. He also said that the stars meant that Americans hoped to be at peace with the world. People at the time used the word "constellation" to mean the 13 stars. To some it may have represented a new country being born, the way a new constellation of stars suddenly appears in the sky.

(For a free booklet, "The Magic Carpet," illustrated in color from The New Book of Knowledge, send name and address to Martha Glauber Shapp, Box 47, Putnam Valley, New York 10579.)

Can changes in temperature break up rocks?

To find out, try this demonstration at a cookout. After the food has been cooked but while the coals are still glowing, place several kinds of rocks in the coals. You may see some of the rocks crack almost immediately.

In about 10 minutes, when the rocks have become very hot, rake them out of the coals, using a long-handled tool. Examine the rocks for cracks. Some of the rocks will be broken.

Heat makes a solid, such as a rock, expand. The outside of the rock may expand so much that it breaks away from the cooler inside.

How are hurricanes named?

Meteorologists of the United States Weather Bureau give girls' names to hurricanes that start in the Caribbean Sea. This idea started during World War II and has been continued ever since. It is a way of identifying each hurricane. The first hurricane of the season is given a girl's name that starts with A, such as Audrey. The next one becomes Brenda or Barbara or any other name that begins with B. The next one is called by a name that begins with C, and so on. Each season the names are changed, so that hurricanes will not be confused with storms of previous years.

**Look what's happened since
Maverick was introduced in April.**

**Your Ford Dealer's holding the price line.
Maverick. Still \$1995***

When it comes to prices, you know what's going on. And what's going up. But there's one thing still going straight. Maverick. It holds the line. And its small price makes it America's biggest car value. Here are the facts about our Simple Machine.

It's simple to drive. You get the passing power of a 105-hp Six. Great gas mileage too.

It's simple to park. Maverick can turn in a tighter circle than the leading import.

It's simple to service. Maverick is easier and less expensive to maintain than an economy import. It needs fewer oil changes, fewer chassis lubrications.

It's simple to repair. You can do many routine maintenance jobs yourself.

It's simple to own. Maverick saves you money when you buy it. And when you drive it. That's the reason our small car is going over big. Maverick lets you stop worrying about rising costs. Come see the Simple Machine at your Ford Dealer's now.

For more information about Maverick see your Ford Dealer or write: Maverick Catalog, Dept. N-4, P.O. Box 1503, Dearborn, Michigan 48121.

*Ford's suggested retail price for the car. White sidewall tires are not included; they are \$30.00 extra. Since dealer preparation charges (if any), transportation charges and state and local taxes vary, they are not included, nor is extra equipment that is specially required by state laws.

Transmuting lead into gold was the goal of ancient alchemists, but General Electric scientists have done them one better by making a material more precious than gold from an inexpensive compound similar to graphite. The glittering mound of crystals is Borazon Type II cubic boron nitride, a manufactured material which is not found in nature. Valued at \$12 a gram (\$340 an ounce), it is made by GE's Specialty Materials Department, Worthington, Ohio, using high pressure and temperature technology. The raw material is hexagonal boron nitride, the white powder in the vial. Borazon is expected to have a bright future as an abrasive for precision metalworking applications.

W. F. Davidson, 81 Birthday Honoree

W. F. Davidson was the honored guest for Sunday dinner in the home of his granddaughter and her husband, Mr. and Mrs. Bill Dunnam and daughter Vicky. Mrs. Dunnam prepared the turkey and baked her grandfather's favorite cake. Others attending furnished covered dishes.

Family members attending were Mrs. W. F. Davidson, Mr. and Mrs. Charles Davidson and children, Mr. and Mrs. Bill Roe of Callisburg, Mr. and Mrs. Ambrose Baker and family of Wilson, Okla., Mr. and Mrs. M. B. Day of Fort Worth, Mr. and Mrs. H. B. Snow of Wills Point. Birthday gifts and home movies were included in the celebration.

Marysville News

By Mrs. John Richey

MARYSVILLE, Nov. 25 — Mr. and Mrs. Joe Doughty had as weekend visitors their son Weldon and family of Roanoke. Other Sunday guests were their son Wayne Doughty and family of Grapevine. Joining them Sunday afternoon were Bro. and Mrs. Aubrey Spires of Gainesville.

Gordon Ramsey of Gainesville, his daughter-in-law Mrs. Sidney Ramsey and daughter Jenny of Arlington and Mrs. Zelma Hobbs of Gainesville visited Sunday afternoon with the Grady MsElreaths.

Miss Margaret Ann Davidson of Dallas spent the weekend with her parents, the Raymond Davidsons. Thanksgiving holiday guests were their son Dan, his wife and four sons of Dallas.

Mrs. R. D. Morris returned home Saturday after spending two and a half weeks in the home of her daughter and family the Walter Haverkamps at Whitesboro convalescing from illness. While she was there her son Harold Morris of Fairview, Okla., visited her and she also enjoyed telephone visits with her daughter Mrs. Bob Grober of Tulsa, Okla. Visitors in the Morris home Sunday were Mr. and Mrs. Rawdon Smith of Spring Creek. Mrs. Walter Haverkamp spent Monday with her mother.

Sunday visitors with Mr. and Mrs. Bill Moon were the Max Harrells and children and three friends, all of Gainesville.

Mrs. Charles Davidson proudly announces a new niece, Kimberly Dawn Siegmund, born Nov. 20 at Lawton, Okla. She is the first child of Mr. and Mrs. David Siegmund. He is stationed at Fort Sill.

Nita Browning, 8 Birthday Honoree

Air for tires is still free despite the advances of inflation. At least it was the last time we noticed. One is tempted to wonder, nevertheless, if the free air situation will prevail in the United States in the face of inflationary pressure. Don't guffaw. Consider this: Trade unions governing the Italian service station industry have voted to end free air service. Motorists will be charged 32 cents to fill the tires of their vehicles.

Nita Browning, eight years old Friday, celebrated her birthday at the home of her parents, Mr. and Mrs. Teddy Oakley, with an afternoon party.

Nine girl friends and her sisters Melony, Kristi and Angela helped her celebrate with gifts, games, birthday cake and other refreshments. Her grandparents Mr. and Mrs. Ira Van Zandt were special guests.

Several Families Change Residence

Mr. and Mrs. Lloyd Brawner have moved from Muenster to Crawford, Neb. She's the former Mary Ann Hermes of Lindsay, and left Wednesday to join her husband who had gone ahead to secure living quarters. Mrs. Brawner, LVN, has been on the staff at Muenster Hospital.

The place they vacated at 513 N. Cedar has become the home of Mr. and Mrs. Ira Van Zandt who moved from Fort Worth. They are the parents of Mrs. Teddy Oakley.

The Lawrence Noggler family moved to Lindsay to occupy a mobile home and the place they vacated is occupied by Mr. and Mrs. James Hencks who moved from Saint Jo.

Mr. and Mrs. Roy Reiter have moved into the Pagel Mobile home on N. Walnut. They had been living with his mother Mrs. Hilda Reiter.

Myra Club Has Supper
Members of Myra Improvement Club met last Thursday evening for a Thanksgiving supper featuring turkey and dressing. Dr. Philip Walker of Denton who serves the church as pastor was guest speaker. Thirty attended.

Mrs. Al Trubenbach Hosts Myra Club

Members of Myra Sunshine Club had their regular meeting Wednesday afternoon in the home of Mrs. Al Trubenbach. Mrs. Roy Townsley presided and a series of guessing games was played before table games of Wahoo.

Gifts were exchanged and the nine enjoyed a Thanksgiving plate at refreshment time.

It was announced that Mrs. Lee Livingston will be hostess for the Christmas party.

Wyatts Join for Cousins' Reunion

Mr. and Mrs. John Richey were among Wyatt cousins gathering Saturday for their annual reunion and the birthday celebration of Dale Wyatt of Fort Worth at his farm near Burton. The group took covered dishes for supper.

Others there were the honoree's wife and Mr. and Mrs. David Wyatt of Elgin, Okla., Mrs. Earl Cochran and L. M. Wyatt of Gainesville, the Fred Richeys and the Robert Richeys and children Johnny and Judy of Sivells Bend, the Curtis Wyatts of Whitesboro,

the Deryl Wyatts and daughter Cherry and a friend April Taylor, all of Sherman, Mrs. Evelyn Sills and son Donald of Gainesville and friends the Pete Morelands and daughter Karen of Collinsville.

What makes so many quarterbacks yellow?

It isn't fear of the red-dog ■ It's your color TV set ■ It turns their faces yellow, or green, or purple ■ And when the action moves from the sunny to the shady corner of the stadium, all sorts of crazy colors appear ■ Not so if you're watching on a new Magnavox with Total Automatic Color ■ TAC automatically keeps the color right, all the time—even when you switch channels or when the scene changes ■ TAC also keeps the picture perfectly tuned—automatically ■ With TAC, there's no more jumping up and down to adjust the color right in the middle of a long punt return ■ You just set it and forget it ■ One more thing: The new Magnavox Bright Tube brings you a lot brighter picture, too ■ So this weekend, watch your favorite quarterbacks on a Magnavox with TAC ■ They may be running scared—but they'll never look yellow!

Magnavox TOTAL AUTOMATIC COLOR TV

Mediterranean styling, model 6926, on concealed swivel casters

Your choice of five styles—Mediterranean, Early American, Contemporary, French or Italian Provincial—all with TAC, plus these other advanced Magnavox features for superlative viewing enjoyment: Huge 29 1/2 sq. in. screen for life-like pictures; Chromatone adds depth and rich beauty to color; Quick-On pictures and sound eliminate annoying warm-up delay; Brilliant new MX500 Color Tube gives you vivid, more natural color pictures; and world-famous Magnavox sound brings you greater program realism. 82-Channel UHF/VHF Remote Control optionally available. Color Portables from only \$259.90

Lindsay News

Mr. and Mrs. Lawrence Noggler and children are new residents in Lindsay occupying a mobile home. They moved from Muenster.

Robert George Cahill, 58, of Dallas, father of Lindsay Coach Bob Cahill, was killed in a collision on Int. 35 Friday night as he was returning home after attending the Knights-Eagles football game at Valley View. Funeral services with Requiem Mass were held at 9:30 a.m. Monday in St. Cecilia Church. Burial was in Calvary Hill Cemetery. Other survivors are another son, one daughter, a brother and five grandchildren.

Father Francis Zimmerer of Tomah, Wis., is on a vacation visit with his father I. A. Zimmerer and family members.

Sunday visitors with Mrs. Joe Bezner Sr. were children and grandchildren Mrs. Leo Cutaia and Frankie Benenate of Dallas and Mr. and Mrs. Bob Bezner and Steve and Debbie of Richardson.

Knights Nudged By Eagles 42-36

Football was hectic at Valley View Friday night as the Lindsay Knights came very close to ending their season with a thrilling upset of the favored Eagles.

The Knights were at the short end of a wild 42-36 scoring spree, being nosed out in the last three seconds by a 15 yard pass from Barthold to Ford. Before that it seemed the game would end in a 36-36 tie.

Valley View scored first as Gary Wolf made the last 2 of a 70 yard drive.

Lindsay tied it at 6-6 promptly after that when Mike Fuhrmann went over from the five. Still in the first quarter Lindsay went ahead on a beautiful 93 yard gallop by Francis Hermes.

Next it was Valley View's turn. Larry Hill went over from the 1 and Barthold's pass to Ford made the count

14-12.

Then Lindsay pulled ahead as Hermes sprinted for 50 yards and went over again for bonus points.

Still in the second quarter Hill crashed over again for the Eagles and Wolf added two points. The Eagles led 22-20 at intermission.

Starting the third quarter Valley View polished off a nice drive with a 17 yard run and also a bonus run by Ford.

Mike Fuhrmann's TD and extra points by Hermes made the count 30-28 favoring Valley View as the third quarter ended.

Then Lindsay moved ahead again. Hermes went 23 for his third TD and A. J. Felderhoff added extra points. The score was 36-30, but not for long.

Hill plowed over for his third touchdown but a try for extra points failed. The score was tied at 36 all and remained that way until the final seconds.

Baptism Rite for Infant Metzler

Christening service was held Sunday morning in St. Peter Church for infant Phil Metzler, son of Mr. and Mrs. Bill Metzler. Father Francis Zimmerer, a visitor from Tomah, Wis., officiated. Attending as godparents were the baby's cousin Don Metzler and his sister Patty Metzler. All the family attended including Johnny, Jan and Mayme.

After the ceremony Don's parents, Mr. and Mrs. Leroy Metzler hosted the christening dinner — an early Thanksgiving meal — and celebrated Mrs. Phillip Metzler's birthday. Mr. and Mrs. Phillip Metzler are Phil's grandparents and he is named for his grandfather.

Religious, Social Event Observes Golden Wedding of Philip Metzlers

Mr. and Mrs. Phillip Metzler who were married Nov. 11, 1919, in Lindsay celebrated their golden wedding there on Sunday Nov. 9, with an anniversary Mass in St. Peter Church at 4 p.m. and a reception and dinner in the Parish Hall afterward.

Father Damian Wewers, pastor, officiated at the Mass and presided for the renewal of vows pledged 50 years ago by Miss Frances Schmitz and Phillip Metzler. Attendants in 1919, Miss Regina Metzler and Frank Krebs who married each other, were attendants again.

Mrs. Metzler wore a navy blue suit and the gold lavalier which her groom had given her 50 years ago. She had an orchid corsage and Mrs. Krebs

and flowers. A program followed with Joe Bezner Jr., a nephew, serving as emcee. Mark Metzler read the family tree and Don Metzler recited a poem. Mrs. Rudy Dieter, a daughter, extended the children's congratulations.

The honored couple are parents of eight children, all of whom were present along with 33 grandchildren. They are in good health and retired from their farm in 1964, moving to Lindsay.

Their six sons are Clarence of Pottsboro; Leroy, Gerald, Bill, Julius and Raymond Metzler of Lindsay and two daughters, Mmes. Dieter and Ted Noggler of Lindsay.

Mrs. Metzler has two brothers and three sisters, Theo and John Schmitz, and Mmes. H. S. Fuhrmann, Joe Bezner Sr., all of Lindsay and Mrs. Mary Lueb of Oklahoma City. Mr. Metzler has three sisters, Mmes. Frank Krebs and Ray Holley of Gainesville and John Bengfort, Lindsay.

Out of town guests in addition to the many from Lindsay, Muenster and Gainesville were the Rev. John Walbe of Fort Worth; the Rev. Francis Zimmerer of Tomah, Wisconsin; Mr. and Mrs. Clarence Metzler and son, Mike, Mr. and Mrs. Lou Mode and Mr. and Mrs. Bob Keel, Pottsboro; Mr. and Mrs. O. E. Wayland and Peggy, Mrs. Mary Lueb and Mr. and Mrs. Martin Theimer, Oklahoma City. Mr. and Mrs. Jake Horn, Windthorst.

Also Mr. and Mrs. Johnny Herndon, Robbie and Susan, Mr. and Mrs. Paul Goddard, Mr. and Mrs. Leonard Schmitz, Mr. and Mrs. George Dempsey and Lawrence Schmitz of Dallas and Mrs. Aileen Corcoran, El Paso.
