NUMBER 41

Did you ever happen to think that the USSR and other communist nations, which claim to be the working man's paradise, have no day set aside to honor the workers? But United States and Canada, which are scorned by the reds for being capitalistic, do have a day to honor the worker.

It's an ironic fact that the country which makes the big pretense of concern for the workers actually does less for them. As once pointed out in a comparison of two factories, one here and the other over there, the Russian proudly stated that the plant, like everything else, belongs to the workers, and the few dozen automobiles outside were for the use of the managers. The American said that the factory belonged to the capitalists but the hundreds of cars outside belonged to the workers.

The coming of Labor Day, next Monday, is a good occasion to realize the merits of our system and even more so to appreciate the importance of workers in the system. American industry is a three-way partnership — capital to provide the place and materials and the tools to work with, management to provide leadership and planning, labor to do the work. Each of the three elements is essential. And it's to the credit of this capitalistic country that special recognition is given to labor rather than the other two elements.

In this connection we ought to take note also that the word is labor, with the lower case spelling and referring to people who do the actual work, as distinguished from Labor, spelled with a capital L and referring to the organization which wields extensive power in our politics and economics.

As implied by the big time Labor boss, George Meany, and a number of others who with him have dominion over some millions of workers, this is their day. Because they are the "labor leaders" and the rest of America's 82 million wage earners are their followers.

Before accepting that view we really should consider that the labor leaders take a lot more credit than they deserve, and unfortunately too few people are challenging the validity of their claim. The point is that they don't represent 82 million but only about a fourth of that number. More than 60 million working people, about three out of four, for their own good reasons have chosen not to affiliate with the unions. Furthermore, millions of the members would not belong if they weren't forced to do so in order to keep their jobs. All of those people are convinced that paying dues to union bosses does not serve their own best interests.

The source of problems in both labor and Labor is indicated by such words as "boss" and "leader". Too many decisions and policies come from the men at the top and do not represent the views of members. The big boys give the orders concerning strikes. They don't get the word from workers who would rather stay on the job. And they speak for themselves when they air political opinions. And they are enhancing their own political importance when they dump millions of member dollars into a candidate's campaign fund. No one ever asks the individual member how he thinks or how he wants his money spent.

Unfortunately this is the condition we have, and which will get worse if the present trend in national politics is allowed to continue. Labor bosses already have the most powerful special interests lobby in Washington, constantly striving for more legislation that will increase the number of workers who have to pay tribute to hold their jobs. At this time they are going all out to force federal and farm workers into their system of economic slavery. If they can do that the result is obvious. Labor's power and its influence in Washington will be further strengthened. The prospect is frightening considering what they already do as bosses of only one fourth of our workers.

Hopefully some of our national lawmakers will give more thought to that problem on Labor Day. They should think of disproportionate and misrepresented influence already wielded and the possible result when still more elected men become beholden. This (Continued on Page 10)

Right Turn on Red Legal Now - After Full Stop

A welcome time saver in state driving regulations became effective Monday when the new law permitting a right turn on a red light became effective. Surveys have shown that the practice is a convenience to drivers and also relieves congestion at the signal resulting in a smoother flow of traffic.

Drivers are reminded, however, that the law includes two vital requirements. The right turn on red is allowed after a complete stop and if the way is clear in the lane to be entered. The Department of Public Safety points out that the stop must be made regardless of whether traffic is moving on the street to be entered and then the car making the turn must yield to traffic in the other street.

Father Stephen Eckart, O.S.B., of Subiaco Abbey, Ark., is the new assistant pastor of Sacred Heart Church, also teacher and assistant athletic coach at Sacred Heart High. He was ordained in 1954 and has been assigned to Subiaco Academy since then as teacher and assistant coach.

Parish Extends Welcome For Sunday Homecoming

Sacred Heart Parish this week extends its annual welcome to former residents for a grand homecoming get-together. The event will be held on the parish grounds from 3 to 10 p.m. Out of town folks are specially invited and local people are reminded that this is a swell occasion to see lots of old friends.

Hopefully a good attendance of visitors will be there. This Sunday was selected because it's included in the long Labor

Day weekend. Preparation for the crowd's comfort and pleasure include ample seating in the shade, a chicken supper, cold drinks, sandwiches, an auction, golf putting and games and concessions for the kids. Proceeds from the activities will go into the parish fund.

Organizations of the parish are in charge throughout. Knights of Columbus will prepare and serve the supper which includes fried chicken, French fries, baked beans, salad and iced tea. Folks are reminded to plan their Sunday evening meal there. Serving time will be 5 to 8 p.m.

Also special is an auction conducted by St. Joseph's Society featuring discarded but usable items. People are asked to search closets and attics for saleable stuff and bring it in. New items will also be on the auction list.

Other parish organizations helping conduct the picnic are St. Anne's Society, CDA, CYO, Home School Society and Sacred Heart Alumni.

Tigers Will Meet Pottsboro High in Practice Tussle

Sacred Heart's Tigers fresh from a highly pleasing test in a scrimmage with Alvord last week, will take on Pottsboro in a similar practice Friday night at 7:30 on the Tiger field.

Indications are that the going will be somewhat tougher for Sacred Heart this time. Instead of a Class B team with a short roster, Pottsboro is Class A with a big enrollment, apparently headed for a Class AA rating soon. The team has 57 in uniform, is picked for fourth in its district in the Harris listing.

Pottsboro is expected to have a weight advantage but the Tigers should be equal or better in speed. They'll be working this week on blocking, which hopefully will spring their sprinters loose on touchdown gallops. And they're expecting good yardage from tough runners Mark Hess and Kevin Pels.

However Pels is still questionable, possibly hampered by the injury that kept him out last week. Otherwise the Tigers are in fine physical condition. Nobody was hurt last Friday.

Adulthood Now Begins at Age 18

Effective Monday, the adult population of Texas increased by several hundred thousand. It was the day on which the new law granting adult status to 18 year olds became effective.

It means that persons of 18, formerly regarded as minors, are on their own in legal matters. They don't need approval of a parent or guardian to get married, have surgery or buy property, and they can't be denied entry into a bar.

But the privileges are offset by new responsibilities. They are accountable as adults for misdemeanors and felonies, they can be sued for their obligations and they can be summoned for jury duty.

Windthorst Teams Here for Testing

Muenster-High Bees and the Junior High Monsters will get their season's first taste of football action on the MHS field Thursday night when they meet a pair of Windthorst teams in practice scrimmage. The Monsters are first on the program, starting at 6 o'clock and the B game will follow promptly after.

Mrs. Davidson 78, Dies Tuesday Rites Thursday

Mrs. W. F. Davidson, 78, long-time Marysville resident, died at 5:30 p.m. Tuesday in Gainesville Hospital after a brief illness.

She was a member of Gainesville's Whaley Memorial United Methodist Church where services were conducted Thursday at 2 p.m. The Rev. Messrs. Bill Morgan Smith and Robert May officiated and burial followed in Valley View Cemetery under direction of Geo. J. Carroll & Son.

The former Sophronia Baker was born July 22, 1895, in Collin County, a daughter of the late Mr. and Mrs. William A. Baker. She married W. F. Davidson over 50 years ago. They celebrated their golden wedding anniversary.

Surviving are one son, Charles Davidson of Marysville; two daughters Mrs. H. B. Snow of Wills Point and Mrs. Bill Roe of Callisburg; eight grandchildren; four great-grandchildren; and three brothers, Sam Baker of Gainesville, Monroe and Ambrose Baker of Wilson, Okla.

Hornets Face Test In Skirmish with Archer City High

Muenster's Hornets will get an idea Friday night of what the toughest part of their season will dish out to them. They'll have a practice scrimmage with Archer City, a Class A team that won its district title last year and has practically all of its men back in uniform. It's rated No. 2, behind Holliday, in the Harris listing but has definite notions about being No. 1.

Following last week's action at Saint Jo, Coach Glenn Richardson had a big smile. He liked the boys' hustle, their ball handling, their second effort, and their great defensive effort, all of which combined to overcome a weight disadvantage of over 25 pounds per man.

However he thinks they'll need all that and more when meeting Archer City. The Wildcats have size, speed, depth and experience — all adding to a very definite advantage over the lightweight Hornets, who average only about 145 pounds.

Physically the Hornets will probably be in better condition than last week. Two of them Lyle Klement and Glenn Grewing were toughing it out with pulled muscles which should be healed by Friday. And no one was hurt last Friday. It's a pleasing change from last year when the team was not up to full strength for one game.

As expected, Friday's scrimmage revealed weak spots as well as strong spots. Coaches Richardson and Moore are working on those this week, hopefully developing a technique that will help overcome the disadvantage in weight.

The scrimmage will be on the Hornet field starting at 7:30 p.m.

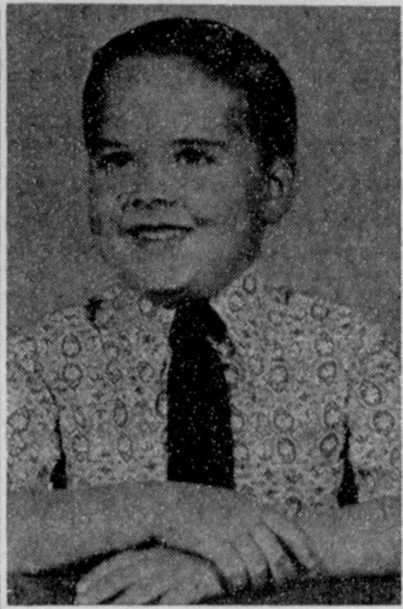

Telephone Co. Buys Locations Across the Street

Muenster Telephone Corporation announced this week that it has bought the six lots across First Street from its exchange and headquarters building.

Alvin Fuhrman, manager and co-owner, said the present plan is only to remove the two ancient buildings located there and clear the vegetation. Eventually he expects to build a combined warehouse and truck shed.

The two old buildings date back to the community's early days. One is the former bank building on the location of the present bank. Originally it was a saloon, became a bakery when moved to make room for the new bank and was used by Muenster Electric on the present site. The other is the former Charm Shop location, moved away to clear space for the present Hamric's and Charm Shop. It had many uses in earlier times including automotive repair, used car agency, cafe and pool hall.

Progress always involves a certain amount of risk. After all, you can't steal second base and still keep one foot on first.

David Dankesreiter

Four-Year Fight For Life Ends For 6-Year-Old

Funeral services with Mass of the Angels for David Anthony Dankesreiter, who lost a four-year fight for his life, were held Saturday at 10 a.m. in Sacred Heart Church. Burial followed in Sacred Heart Cemetery.

David, 6, died August 23, 2 p.m. of leukemia at the home of his parents Mr. and Mrs. Thomas Dankesreiter.

Father Placidus Eckart, pastor, was officiating minister and had arranged a special liturgy in which Susan Koessler and Mary Kay Caplinger gave scripture readings.

First graders of Sacred Heart School, who were to have been David's classmates this year and who were in kindergarten with him last year, formed an honor guard in front of church before the service and presented red and white carnations to Father Placidus who placed them on the altar.

At the offertory procession class members presented his kindergarten work and some of his special personal possessions and Sister Genevieve, first grade teacher, and Mrs. Hollis Berry, kindergarten teacher, presented floral tributes. These were placed at the foot of the altar.

Bearers were Curtis and Michael Hesse, Chris Hermes, Doug Hermes, Darrell Pagel and Gary Dankesreiter. Nick Miller Funeral Home was in charge of arrangements and a wake service was held at the Miller Chapel Friday at 8 p.m.

David was born December 3, 1966. The illness that took his young life was first detected when he was two. With treatment and blood replacement he lived an almost normal, active, happy little-boy life. He graduated from kindergarten at Muenster Public School last April 30. Since May it was a losing battle. On August 13 he received his first Communion in a private service at his home.

In addition to his parents he is survived by a sister Dana and a brother Eric, grandparents L. F. Dankesreiter of Muenster and Mr. and Mrs. Tony Hermes of Lindsay and a great-grandmother Mrs. Alfons Koessler Sr.

Out of town relatives at the funeral included Messrs. and Mrs. Larry Dankesreiter and Karen of Fort Worth, Cecil Hermes, JoAnn and Doug of Sherman, Cyril Hermes and Gina of Grand Prairie and Bill Angerer and son Michael of Lubbock, and others from Pilot Point, Gainesville and Lindsay.

Softball Classic Booked Thursday On Local Diamond

Local softball fans have a treat in store here Thursday night when the Schlitz team takes on the super hot White Sox of Denton, a sort of all-star team made up of the pick of five teams in the Denton softball league. It's the team which came out second last week in a tournament at Duncanville. Some 18 teams representing the cream of the Metro area were there.

For the Muenster fellows this will be the finale to a very successful season. They had a good record in a league at Decatur plus second place in a hot tournament at Newark last week.

The event is a double header in the Muenster ball park starting at 7:30 p.m.

Rites Tuesday for W. G. Kathman, 80

Funeral services with Mass were held Tuesday at 9:30 a.m. in Sacred Heart Church for W. G. Bill Kathman, 80, who died suddenly Saturday at 9:30 p.m. in Hillcrest Manor Nursing Home where he was transferred five days earlier from Muenster Hospital. He had been a surgical patient,

Scouts Reminded To Prepare for Board of Review

Muenster Boy Scouts were reminded at their regular meeting Monday night to get set for a board of review which will judge their qualifications for advancement. The date is September 10, and subjects under consideration will be principally those on which the boys worked at their summer camp.

Monday's meeting was headed by Acting Scoutmaster Wilfred Reiter and Committee Chairman Henry Weinzapfel. They told the boys that this board of review is their last chance to establish an official record of achievement prior to the court of honor on Monday, the 24th. This record will be the basis of promotions at the court of honor. Indications are that one boy will reach the rank of Eagle Scout, two will become Life Scouts and many will advance in the lower ranks. Promotions are based on a boy's record of skill awards and merit badges.

Scouts were also challenged to join in the job of recruiting a new scoutmaster to succeed Eual Davis who was transferred about four months ago by the Soil Conservation Service. They were reminded that they can have a more complete program under direction of a scoutmaster. At this time a proposed hike awaits some adult who will volunteer to take charge of the event.

Over 3000 Persons Visit Co-op Booth At County Fair

With an exhibit booth featuring the slogan "Pleasant, Quiet Country Living", Cooke County Electric Cooperative Association participated last week in the annual Cooke County Fair.

Employees of the co-op greeted visitors and presented brochures explaining the nature of the firm as a distribution system owned and controlled by its members and chartered under the Electric Cooperative Corporation Act of Texas — a private enterprise business because it is not owned by the general public but by its member-consumers.

The brochure further explained that the co-op was organized in 1938 and now has a membership of over 3,400 served by more than 5,000 meters. It has more than 1875 miles of distribution lines which are furnished power through 10 sub stations located at the principal electric load centers.

Over 3,000 persons registered for twelve attendance prizes. An Oster electric blender was won by Steve Lemons of Era. Eleven night lights were won by Al Graham, Monica Gieb, Kim West, W. W. Weems, Anita McDonald and Lulu Bengfort, all of Gainesville; Herbert Hacker and Jewel Hassenpflug of Valley View; J. T. Cole and C. B. Fields of Muenster and Juanita Ford of Forestburg.

Tiger Field House Nears Completion

Sacred Heart Tigers' new field house draws nearer completion every day. Coach Bob Steel anticipates its finish within two weeks — in time for the Tigers' first game.

The field house lacks only the roof and lockers which are in the process of being built. The building will then be painted.

Cost of the field house falls on the shoulders of Sacred Heart Alumni and Sacred Heart Letterman's Club. The cost has been lowered considerably with Alumni members doing much of the construction work.

apparently on the way to recovery, was walking with assistance, and had experienced one of his best days Saturday.

Assisting Father Placidus Eckart, pastor, in the con-celebrated funeral Mass were Fathers Joseph Weinzapfel of Irving, Patrick Lynch of Grand Prairie, and John Williams of India, a visitor in the parish.

Military graveside rites were conducted by Muenster Veterans of Foreign Wars. Nick Miller Funeral Home was in charge of arrangements. Rosary services were held in the Miller Chapel Sunday at 4 and at 8 p.m.

Bearers were Willie Fisher, James Krahl, F. A. Kathman, Arthur Lutkenhaus, Walter Lutkenhaus and Gary Sandmann.

Bill Kathman was born July 14, 1893, in Bow Valley, Neb., was six months old when his parents moved to Muenster, and was a continuous resident since that time. He was a veteran of World War I and a retired milk plant employee. On Nov. 16, 1920, he married Miss Annie Lutkenhaus. They celebrated their golden wedding in 1970.

Surviving are his wife; two daughters, Mrs. W. E. Insel of Gainesville and Mrs. Stan Wylie of Grand Prairie, nine grandchildren and two great-grandchildren.

18 Year Olds Are Still Required to Register for Draft

18 year olds of Texas, who suddenly became adults Monday as a new law became effective, are living under many new rules now, but one old rule is still in effect. They still have to register for the draft.

Mrs. Math Lee Henscheid, registrar cautioned youths that Selective Service machinery is still in operation even though the draft has ended. As a preparedness measure Selective Service is keeping a list of eligibles just in case an emergency may require renewal of the draft. Hopefully no registrant will be called, but the record must be kept anyway.

Accordingly young men are required to register within 30 days before or after their 18th birthday.

Mrs. Henscheid is available in Muenster State Bank. Other registrars of the county are Mrs. Evelyn Walterscheid of the County Clerk's office and June McCain at Gainesville High School.

Schlitz Team Wins Trophy at Newark

The Schlitz softball team of Muenster returned from the Newark tournament last week with a handsome 30 inch trophy, but it was only for the runner-up honor. The winner was a super hot team from Hurst which performed like professionals. Final count was 6-0 reflecting fine defensive play by Schlitz considering Hurst's 10 hits and 7 walks. Y. O. Bradford, Schlitz pitching ace, failed to get a strikeout. Muenster hitters were Sam Sparkman 2, Tom Flusche and John Monday each one.

In their semifinal the Muenster boys nudged Argyle 4-3. Pitching in that one Bradford fanned 15 and allowed 3 hits and 3 walks. The hitters were Bradford 2, Leonard Reiter, Doug Dennis and Rodney Fleenor each one.

Schlitz beat Saginaw 3-2 in its opener of the Newark tournament.

Closing out their slow pitch season in Gainesville last Thursday, Schlitz joined Tyler and Simpson in 2 all-star games with the champ, Hill Realty. Both games were heartbreakers in which the Stars were nudged out in the final inning by identical scores of 7-6. Hill came from behind both times scoring 6 in the last of the first game, 3 in the last of the second game.

Junior High Cheerleaders Junior high students of Muenster Public School have elected cheerleaders as follows for the current school year. Eighth graders named Barbara Klement and Karen Barnhill, seventh graders named Kelly Hale and Lisa Reiter.

Jane Arendt and Tim Hartman Are Married at Mass

Miss Jane Arendt, daughter of Mr. and Mrs. Andy Arendt of Lindsay and Tim Hartman, son of Mr. and Mrs. Leonard Hartman of Muenster, were married Saturday in St. Peter's Church in Lindsay. They repeated double ring vows during nuptial Mass celebrated by Father Damian Wewers at 5 p.m.

Baskets of gladioli and fern adorned the altar. Votive lights marked the communion rail that was entwined with ivy.

Wearing a formal gown designed and made by her mother, the bride entered on the arm of her father while Miss Mary Lou Kralicke, organist, played "The Bridal March."

Of miramist over peau, the bride's gown had a high stand-up collar above a scoop neck design of Alencon lace embroidered with seed pearls. The A-line skirt, attached to an empire bodice swept to chapel length and was bordered in lace. Lace also edged her chapel-length veil, held by a Juliet cap of lace and seed pearls. The full bishop sleeves were cuffed with pearl embroidered lace. She carried a cascade of carnations and stephanotis surrounding a yellow-throated white orchid. Her only jewelry was a necklace with a pearl studded cross, a gift from the groom.

Miss Patsy Arendt, a cousin, was maid of honor in blue, Mrs. Gary Krahl of Era, a sister, was matron of honor in pink, Mrs. David Arendt, a sister-in-law, in yellow, Miss

Jeanann Hartman, sister of the groom, in green, and Miss Donna Arendt, another sister of the bride, in orchid were bridesmaids. Their identically designed gowns of dotted swiss, also made by the bride's mother, featured empire waists marked with lace, puffed sleeves, and lace-edged A-line skirts. They had flowers in their hair and carried wicker baskets of multicolored flowers.

Tom Felderhoff was best man. Steve Rohmer, Leon Klement, John Dangelmayr, cousin of the groom and John Hartman, a brother, were groomsmen.

Jimmy Arendt, brother of the bride, Gary Krahl, John Mason of Houston, cousin of the groom, and Don Hartman, also a cousin, were ushers.

Steve Arendt, bride's brother, and Billy Haverkamp, groom's cousin, were acolytes. Andy Arendt Jr. of Garland and David Arendt, brothers of the bride, presented the gifts at the offertory.

Miss Mary Lou Kralicke, organist and guitarist, accompanied her father Dr. Martin Kralicke and Mrs. David Walterscheid, vocalists. Selections included "Theme from Romeo and Juliet" before Mass, "How Great Thou Art" at the offertory, "For All We Know" at the communion, and "One Hand One Heart" as the newly married couple placed a bouquet on the Blessed Virgin's altar. The gladioli arrangement was presented to the bride by the groom's small sister, Marilyn Hartman. The recessional was "Jesu, Joy of Man's Desiring."

Wedding reception was held in the Knights of Columbus Hall at Gainesville where Mrs.

Andy Arendt of Garland and Miss Polly Schmidkofer of Gainesville registered guests at a table that held the anniversary candle and a portrait of the bride.

The four-tier wedding cake was served by Mrs. Henry Voth Jr. assisted by Misses Karla Jo Hartman, sister of the groom, Denise Haverkamp, cousin of the groom, and Christine Klement of Gainesville. Other members of the house-party were Messrs. and Mmes. Dan Haverkamp and Freddie Neu.

For their wedding trip to Galveston and Houston the bride wore a magenta knit pantsuit and the orchid from her wedding bouquet.

She is a graduate of Lindsay High and attended Cooke County Junior College where she has been employed. The groom is a graduate of Muenster High and attended CCJC. He is in business with his father and they will live on a farm east of Muenster.

Special guests at the wedding were Mr. and Mrs. Clem Reiter, grandparents of the bride and Mrs. Joe Fette groom's grandmother and the bride's godparents Mr. and Mrs. A. J. Arendt.

Out of town guests included Mr. and Mrs. Charles Wensley and Joanna of Richardson and Mr. and Mrs. Bob Reiter and family of Post.

There are two things some people never seem to get — all they want and all they deserve.

Doctor: "We can add 30 years to your life if you give up wine, women and song."

Patient: "I'll settle for twenty years. Never really enjoyed music anyway."

Lindsay, Saint Jo, Valley View and Era. They will play each of those schools twice. That and six other games will give them their long 14 game season.

Eighth grade players are Fred Koesler, Roger Haverkamp, Glenn Walterscheid, Gene Yosten, Bernie Fette, Bill Rohmer, Chris Stoffels, Gary Rohmer, Kenny Felderhoff, Bobby Hartman, Danny Walterscheid, Lloyd Reiter, Joe Sicking and Joe Hoedebeck.

Airman is Honoree At Two Farewells

A going-away party was held Saturday evening for Airman Rex Simmons who left Monday for overseas assignment. It was a surprise event hosted by Messrs. and Mmes. Danny Bayer and Ricky Stewart in Muenster City Park.

About 30 people were present including Mr. and Mrs. Jesse Hall of Dallas — she's the former Joyce Schmitt — and Mr. and Mrs. Maurus Hacker and Mr. and Mrs. Paul Hoedebeck of Gainesville.

Another honor for Airman Simmons came Sunday when his wife entertained with a dinner in their home. A farewell party, it also observed the birthday of their son Russell who was three a week earlier. Birthday cake, ice cream and gifts added a festive touch to the family gathering.

Guests were Russell's great-grandmother Mrs. William Sandmann of Lindsay, his grandparents Mr. and Mrs. Herman Stoffels and aunts and uncles Janel Stoffels of Dallas, Pam, June, Mark, Chris, Connie, Craig and Sally Stoffels, Mr. and Mrs. Jim Gehrig, Jason and Ryan and Pam's fiance Joey Dangelmayr.

Family members saw Airman Simmons off from Wichita Falls Municipal Airport on the first lap of his trip to Thailand where he expects to be stationed one year.

The young couple and their son came to Muenster from Clovis, N. M., on his overseas leave and got settled in the home of the late Mrs. Mary Voth where Mrs. Simmons and Russell will be at home until he returns.

Adam Wolf Heads Quarterback Club

Adam Wolf was elected president of the Muenster High School Quarterback Club at the organization's first meeting of the school year Monday night. Also elected were Harold Knabe, vice president and Dale Klement, secretary-treasurer-reporter.

The organization's purpose is to help the school's athletic program both physically and financially. Meetings during the football season will be held each Monday night at 7:30 in the school auditorium and each will have a movie of the preceding week's game. Kin Entertain for Guests from N. Y.

Mark Kuta Jr. and his sister Miss Kathy Kuta of Norwich, N. Y., have had a vacation visit with their uncles and aunts the Wilfred Reiters, Arthur Felderhoffs, Andy Schoechs and Alois Haverkamp.

The two young people flew to Dallas while their father was spending two weeks there on business and he brought them to Muenster, spending a weekend here. That Sunday the relationship got together for a picnic in City Park. Mr. Kuta left the children to spend a week.

Mrs. Felderhoff and Sherie took Mark Jr. and Kathy to Dallas to re-join their father. They visited also with another aunt Mrs. Georgia Berry and son James at Garland and saw a Cowboy football game. One weekend the three Kutas visited his folks at Montgomery, Tex.

Dr. Bernard Luke of Irving has been a patient in Muenster Hospital about a week for knee surgery.

Henry Henscheid Birthday Honoree

Henry Henscheid who reached 76 on August 24 had a weekend of birthday celebrating beginning that evening at a family dinner in the Rufus Henscheid home.

That night a daughter and family, the Albert Schumachers came from Rhineland to spend the weekend. Saturday another daughter and family, the John Kelleys and his mother Mrs. Joe Kelley came from Fort Worth to spend through Sunday.

At noon Sunday they were joined by the Gerald Metzler family and the Ted Henscheid family for a birthday dinner and reunion hosted by the Rufus Henscheid family at their home. Ted helped with the chicken fry. Everybody presented gifts to the honoree, a decorated cake was cut and pictures were taken. Along with all the children present were 12 of the 19 grandchildren of the honor guest and his wife.

It pays to advertise with the Muenster Enterprise.

4-H Club News

Many thanks to Nancy and Tammera Hickman, Dwayne Dennis, John Schumacher, Laura and John Gage, Sandy Reiter, Sharon Rohmer, David Nortman, Steve Haverkamp, Barbie Davidson, and Mary Lou Fleitman for their work in the 4-H fair booth. They reported that they met many nice people along with some prospective 4-H members.

4-H club meetings are starting up again in September. If you know of any young person age 9 to 19 that would be interested in learning more about 4-H and would like to attend a meeting, have them contact the county extension office. We can give them the date and time for a 4-H club meeting in their area.

Taking care of young children can be quite a big responsibility for young teens yet many of them earn all their extra money babysitting. The 4-H project "More Fun Caring for a Young Child" helps to prepare them for this responsibility. It begins with familiar experiences and adds new ones. In this Unit 1, youngsters learn to observe a child and they study the behavior of 2 year olds, 3 year olds, and 4 and 5 year olds. Because babysitting is a very big job, it is important to have as much knowledge and experience as possible. Does your babysitter have any training? Maybe "More Fun Caring for a Young Child" could help.

Several 4-Hers throughout the county have selected and are preparing their livestock projects for the coming year. These projects include rabbits, chickens, swine, sheep and cattle. The Cooke County Livestock Show which will be held in March, will be the grand finale of the work put in on these livestock projects. In dealing with their animals 4-Hers learn basic principles in nutrition, grooming, care, feeding, and that a little work can result in a lot of benefits... that of money and glory. The Livestock Program is just one of many offered by the 4-H clubs in your community so if you're interested give us a call.

A hearty thanks to Robert Fuhrmann, Tommy Davidson, Kenneth Rivoire, and Frank Moore for their help to 4-Hers during the livestock judging at the County Fair. The help of adult leaders is always appreciated and encouraged and is always a boost to the young people of the various communities. — Marlea Thompson and Randy Johnson, assistant county Extension agents.

Our new address is 723 W. Margaret, Robinson, Texas a 576703, approximately 1 1/2 miles east of I-35 south of Waco. Let us hear from you.

E. H. "Bobo" Jaska family

THANK YOU Dr. Antonetti and Dr. Kralicic, nurses and hospital staff, and thanks to all the wonderful people who were so generous with prayers, cards, flowers, visits, telephone calls and other favors while I was a patient at Muenster Hospital. My wife and family join me in this note of appreciation.
 — Tom Hamilton

Sincere thanks to everyone for all kindness and help extended to us during the long illness and for the sympathy offered us at the death of our beloved David. The beautiful service, Mass offerings, flowers, cards, food and every thoughtful deed meant so much to us. Our thanks also to Father Placidus and Father Bede for the many visits and to the numerous clubs who gave financial aid this past year. Our hearts are overwhelmed. — The Family of David Dankesreiter.

Thanks to my family and friends for their help while I was a patient at Muenster Hospital. Thanks, too, to Drs. Knight and Antonetti, the hospital staff, and to those who remembered me with prayers, cards, visits and other thoughtful deeds. My husband is grateful too. — Mrs. Paul Dangelmayr.

Did you hear about the Medicare patient who had surgery? He woke up and found a placard on his incision: "This is a Federal project showing your tax dollar at work."

Tigers Look Fine In Practice Event With Alvord High

Coaches and fans of the Sacred Heart Tigers liked what they saw in the practice scrimmage with Alvord's Bulldogs Friday night. The local boys clearly dominated the action even though the visitors were considerably better than early reports describe them.

The Bulldog coach does not agree with the Harris rating which has Alvord close to the bottom in 7-B standing. Rather he is quite proud of his potential and expects to be with the district front runners in final standing.

They have a husky and aggressive team, Coach Bob Steele said, so he gets lots of satisfaction in seeing his Tigers outperform them both offensively and defensively.

Understandably the Tigers looked better on defense than offense. More time is needed to get polish and timing on the attack, but they appeared to be in mid-season form as defenders. They held the Bulldogs to three scattered first downs. Standouts in that achievement were Danny Voth, Jeff Fette, Ricky Walterscheid, Dickie Moster, John Bartush and Mark Hess — and all the others did a great job.

Mark had a big night in both departments. He made two interceptions and scored both touchdowns — has definitely arrived as one of the stalwarts of the team. Coach Steele was enthused, saying he has more backfield talent than positions.

In this case Hess was a worthy replacement for Kevin Pels, last year's leading gainer, who was sidelined with a leg injury. Those two along with Davey Krahl and Dickie Moster are the running backs who are expected to gobble up the yards for the Tigers.

Roger Endres was another whose potential looked bright. Succeeding his brother Gary as the team's quarterback, he was sharp with his handoffs and accurate with his passes. Coach Steele rates his first varsity experience as a very good job.

The B team too made a fine showing. Playing the visiting second stringers for a short time they did the better job both offensively and defensively. The result was a 0-0 tie with the Tigers ahead in total yardage.

Children of Mrs. Anna Mae Sicking gathered at her home the weekend of August 18 to help her celebrate her birthday. The J. D. Rumleys came from Big Spring, the Hank Sicking and Jason came from Austin, and the Mickey Glenn Cunninghams came from Calisburg to join Steve, Janet and Karla of the home.

Monday visitors with the Clem Reiters, seeing them in their new location for the first time, were the David Arendts and Jeff of Lindsay and the Andy Arendts Jr. of Arlington.

Mrs. Horace Elmore of Denton spent Tuesday with her brother and wife the Clem Reiters and her sister Mrs. Charles Knauf.

PEDALLERS. Nick Endres, right, son of Mr. and Mrs. Leonard Endres and his college friend Doug Yarholar have spent a few days in Muenster. They came from Norman, Okla., on bicycles Monday covering 120 miles in 12 hours. Although sunburned, sore, tired, hungry and sleepy they were in excellent spirits. After a few days of rest, waiting for Nick's bicycle to be repaired, they returned to Norman.

Colorado Trip Is Vacation for Six

Misses Yvonne and Monica Gehrig, Stacey and Elaine Walterscheid got back from three weeks of vacationing in time to start back to school. Mr. and Mrs. Joe Bedolla of Weatherford, Okla., came for her sisters and nieces to spend six days in Colorado Springs, Colo., and see places of interest throughout the area.

They brought back lots of pictures of places they visited including Pike's Peak, the world's highest suspension bridge over the Royal Gorge, the world's steepest railway, abandoned gold mines, old western towns where movies are made, abandoned homes of cliff dwellers and the beautiful lighted Seven Falls where an authentic Indian dance took place.

One of the most exciting experiences for the youngsters was riding the Incline Railway cars 1550 feet to the bottom of the Gorge where the view of the bridge is breathtaking. All learned to ice skate during evening entertainment. And they spent one day in Denver sight-seeing including the Mint where they watched money being made. They enjoyed their vacation stay in a camper trailer they pulled to Colorado Springs.

The four girls spent the rest of the time with the Bedollas in Weatherford who returned them to Muenster.

Couple Back from California Visit

Mr. and Mrs. Felix Yosten returned Friday from a flying trip to California, courtesy of their daughter Gloria, Mrs. Bill Blanchard, American Airlines stewardess.

They spent five days with the Blanchards and were joined there by another daughter Linda Yosten who flew down from Mountain View. She was on vacation. They missed their daughter Bernadette Yosten who was on a touring vacation through Ore-

gon and Washington State in company of Phyllis Schmitt who also lives in California.

Sight-seeing and dipping in the ocean provided entertainment and relaxation during beautiful weather. Going they spent overnight with a son and wife the Tom Yostens in Fort Worth, then visited a daughter Monica Yosten in Dallas who saw them off at the airport and met them on return.

LINDSAY — Mr. and Mrs. Henry Zimmerer had as weekend guests their son and daughter-in-law Mr. and Mrs. Leonard Zimmerer and son Adam of Plano.

Phillip Metzler was the honoree at an outing and supper at Sycamore Lake on Aug. 20 when family members gathered there to help him celebrate his birthday. He was 79.

Two students from Lindsay are listed on the spring honor roll at NTSU in Denton. They are Robert Paul Hundt, son of Mr. and Mrs. Joe Hundt who made the 4.0 honor roll and Mark Phillip Metzler, son of Mr. and Mrs. Gerald Metzler, who made the 3.5 honor roll. Both are 1972 graduates of Lindsay High.

Spec. 5 and Mrs. Robert Warren and sons Pat and Bryan are now settled at Fort Devens, Mass., for his new Army assignment. They visited enroute with her parents, the Milton Gossetts. Bryan was recovering from chicken pox. On leaving Lindsay they visited friends in Minneapolis, Miss., his mother Mrs. Oscar Warren in Norfolk, Va., and relatives in Pittsburg, Pa.

Mr. and Mrs. Raymond Hoenig's new daughter Gretchen Cecilia was baptized Aug. 19 by Father Damian in St. Peter's Church. Attending as godparents for their cousin were Guy Bindel of Muenster and Marilyn Neu. Also attending were the little girl's parents, brothers and sisters, her grandpar-

ents the Joe Hoenigs and the Wilfred Bindel family of Muenster. A dinner followed in the Raymond Hoenig home. Joining the group who were at the christening were the other grandparents Mr. and Mrs. Joe J. Neu, and the Charles Neu family. They also celebrated Tim Bindel's birthday.

Michael Hundt, son of Mr. and Mrs. Joe Hundt, has gone to California to be employed in San Jose. His sister Margie went along and the two got in sight-seeing together before Michael starts work Sept. 1. A farewell party was given for him before he left.

Mrs. Cecilia Schmitz jetted to Houston recently for a week's visit with her son Paul J. Schmitz and family. During the week the group took a trip to Galveston. The Irby Macreadys saw her off at Love Field and the Paul Sandmanns met her there on return.

Mr. and Mrs. Henry Zimmerer, joined by their daughter and family, the Truman Wolfs of Plano crowded a lot of visiting and sight-seeing in a five-day trip. They visited Truman's sisters Mrs. Wilfred Klement at McAllen and Mrs. Leroy Kupper at Corpus Christi, Mrs. Zimmerer's brother Ed Walterscheid and a sister Mrs. Frank Wiesman both at Harlingen. They also visited in Old Mexico.

Freshmen of Lindsay High have elected class officers: Kathy Metzler president, Pat Dieter vice president, Jan Metzler secretary-treasurer, Marilyn Neu parliamentarian, Joy Jackson reporter, Barbara Arend student council representative.

Mrs. Jos. F. Neu, 102 Celebrates Again

LINDSAY — Mrs. Joseph F. Neu celebrated her birthday this year in the home of her daughter Mrs. John Kupper at Valley View where she is presently staying. It was No. 102 for Mrs. Neu, Lindsay's oldest.

Relatives and friends came and went during the day, presented gifts, visited, and had birthday cake and punch.

The former Elizabeth Reinart was born Aug. 21, 1871, in Minnesota, daughter of Mr. and Mrs. Matt Reinart. She married Mr. Neu on Feb. 6, 1893, in Iowa and they moved to Lindsay five years later, settling on a farm three miles south of town. The farm is still in the family and her oldest son Joe J. Neu and his wife live there. Joseph F. Neu died in 1937 and since then Mrs. Neu divides time among her children.

The others are Mrs. Joe Hermes of Lindsay, Mike Neu of Hermosa Beach, Calif., and Mrs. Elmer Gore of Garland. Until a few years ago she was affectionately called the "flying grandma" for her trips to California. In recent years she has been staying with children closer to home. She is still "on the go" looking as young and feeling as good as she did a quarter of a century ago.

Sister Alix Mitchel, D. C., visited her brother, Father Bede Mitchel, during the weekend, coming from New Orleans where she visited their brother Robert Mitchel and returning to Santa Barbara, Calif., where she is a teacher in St. Vincent's School. The two visited in Muenster Saturday afternoon with friends including residents of Hillcrest Manor.

Mr. and Mrs. Gene Owen and Steven have been to Fort Worth to visit his mother Mrs. Clarence Owen who was a hospital patient for tests and X-rays.

Mrs. Paul Arendt Jr. celebrated her birthday at Sycamore Lake where relatives and friends gathered for an outing with dinner and supper, swimming and volleyball.

Fr. Bede's Sister On Weekend Visit

Sister Alix Mitchel, DC, of Santa Barbara, Calif., spent the weekend with her brother Father Bede Mitchel at Lindsay and the two were in Muenster Saturday afternoon visiting friends including residents of Hillcrest Manor where Father Bede visited twice each week to distribute Communion and have a monthly Mass while he was stationed in Muenster.

Sister Alix flew in from New Orleans where she first visited her other brother Robert Mitchel and flew back to California Monday. She entered religious life as a Daughter of Charity of St. Vincent de Paul in 1919 and celebrated her golden jubilee with her priest brother who was a 50-year Benedictine in 1969.

Their stepmother Mrs. Zoe Mitchel entered the Daughters of Charity religious order in 1923 several years after the death of her husband Paul. Sister Alix teaches in St. Vincent School at Santa Barbara and is in charge of the CCD program at Goleta.

Sunday she accompanied her brother to Bridgeport where he said Mass. They went in company of Mr. and Mrs. Adolph Walterscheid. It was Father Bede's last service there at St. John's. A pastor has been named to serve that parish and the mission parishes of Decatur and Bridgeport. The four were guests of a parish family for dinner.

Personality: The name we often give to our own little collection of funny ways.

Men solve complicated problems better than women, it is said. But did a man ever keep the faces of three chocolate-eating kids clean with a six-inch handkerchief?

Forestburg News

By Myrt Denham

FORESTBURG — Charles and Beth Dill finally were able to move into their house on the old Galmor place. They purchased this place sometime ago but had to wait for the former owners to vacate it. Just very recently these two young people bought out a used furniture store in Gainesville. Don't know if they mean to go into the used furniture business or not but it does sound like they have made a good start. Bet anything, they have some items they wouldn't mind parting

with — for a nominal fee that is.

The Jack C. Dills and Vatoni set out on a week's vacation August 12 and returned home late August 19. Mr. and Mrs. Charles Dill, Larry Dill, and Cecil Jones went as far as Denton where all had lunch. The Jack Dills then went on to Hunstville where they toured the Sam Houston Museum and houses. They also drove around just looking Huntsville over and then on to Houston. They spent part of Monday, Tuesday and Wednesday sightseeing in Houston. They took in the Galleria Mall, the Astrodome, NASA, San Jacinto Monument, Battleship Texas, Duddy's Tire Warehouse, the Port of Houston and on to Galveston. They toured this island city, the Sea-Arma Marineland, and on

to Corpus Christi. They enjoyed swimming on Padre Island and also took in a Shrine Circus. Saturday, August 18, they headed for San Antonio. There they toured the HemisFair Plaza, had a ride up the Tower of America, visited the Alamo, Buckhorn Hall of Horns, and shopped in downtown San Antonio. Then next stop was Austin. They toured the city, looked at the Governor's Mansion, and visited the State Capitol. Then home they headed.

Mr. and Mrs. Jim Christian, Rosston Road, spent the weekend of August 18 and 19 visiting the C. E. Hudspeth of Pilot Point. Mrs. Hudspeth is Josie and Jim's daughter. On Sunday they all welcomed home Paul Hudspeth. Paul had been in Idaho at the Big Jamboree of the Boy Scouts.

We still see Odus and Ti Cook hanging around the Burg. They are supposed to have moved to Bowie. You reckon they are reluctant to leave us? As far as I know,

they have lived in and around this community all of their lives. I hear Odus "popped off" as he said, and set a high price on his little place south of Forestburg. Well, Arnold Shults "popped off" and bought it.

The Reynolds tribe held their yearly tribal meeting Sunday, August 19. This powwow took place in the community room of the First National Bank in Bowie. Those from this area attending were the Bennett Reynolds, J. J. Reynolds, and Myrtle McMillion. They all reported having a grand time.

Wesley Reynolds, son of K. J. Reynolds, celebrated his eighth birthday Tuesday, August 21. His mother honored young Wesley with a birthday party. The youngsters present were Veronica Edwards, Douglas Edwards, Jeff Carter, Jay Houston, David Steadham, and Brad Iund. Adults present were Aunt Betty Reynolds and Grandmother Cleta. The small fry played games and prizes were given. "Snoopy" was the motif of the birthday party. Two cakes, ice cream, punch, candy and bubble gum were enjoyed by all present.

Elmo Brewer, Dewey area, underwent surgery at the Bowie Hospital Tuesday, August 21. Met up with his wife Imogene at the local Beauty Shop. She says Elmo is doing fine and hopes to be home soon.

Another Dewey resident, Jim Barnett, is also a patient in Bowie Hospital. Called one of Jim's relatives and she said that Jim was feeling some better late Sunday.

Lester W. Boyd, Sr. is still a patient in the same hospital. Lester is just about as he was — according to our last information.

On Wednesday morning, August 22, Mrs. Ted Jackson had a Get Acquainted Coffee honoring Mrs. Beverly Johnston and Mrs. Bill (Myrt) Boyd — both are new Burg area residents. Those present besides the hostess and the two new ladies were Cleo Lanier, Gladys Barclay, Betty Reynolds, Letha Roberts, Edith Self, Decie Ellzey, Mae DeGraffenreid and Myrt Denham. Coffee, orange juice and rolls were served as refreshments.

Frances Brewer motored to Arlington, Aug. 24, to spend a few days with son Keith and his family. Almost everyone in and around this area knows Frances owns and operates the local laundromat. However, our newcomers may not know about Frances. She is also a very accomplished musician and teaches music at our local school. Believe me, Frances can really make a piano talk.

Had a nice talk with Ida Wylie the other day. She said she really had a big time at the Bill and Lena Forrester home Tuesday, August 21. Lena's sister Mrs. Melissa Sawyer and daughter Grace of Lindsey, Okla., also spent the day along with Grover and Ruby Cook of Henrietta. Ida said the "old-time" tales really did flow that day.

Mrs. Vera Mae McGee had a wonderful week visiting with some of her children. She spent some time in Bowie visiting the Gordon Hills. Then on to Wichita Falls to visit the Bud Griffins, Kenneth Wilkersons, Mrs. Don McGee and children and the Chris McGee family.

Mrs. Norman Gartrell and grandson Ricky White spent a few days recently in Colorado visiting Mrs. Gartrell's brother.

Saw Glen Lynch watch a load of watermelons go through the Burg the other afternoon. He reminded me of an ole fire-horse watching a new fire truck going to a fire. Let's face it Glen — your watermeloning days are about over. They get "heavier" every year and the help gets less and less. You know, Glen's face is still red. Wonder if he is still angry about having to fill up that sewer ditch for our shoe factory.

When the going seems easy make sure you aren't going downhill.

Worried over what to give his girl for her birthday, a boy asked his mother for advice. "Mom," he said, "if you were 16 years old tomorrow, what would you want?" Her heartfelt reply was: "Not another thing!"

Since food prices have been advancing, government news releases try to explain it in a way that will clear any department official of causing the raise. They are coy about their wording so as not to offend the grower or producer who naturally wants higher prices for his product, nor do they want to displease the consumers, who are the majority.

A favorite phase is to compare our cost to eat with people of other countries stating we only spend 20% of our income for food whereas in other parts of the world people spend 30 to 35% for food.

It would seem that the richer people are, the less percent of their income would be for food. A man earning \$8,000 would spend \$1600 for food based on 20% whereas a person making \$50,000 would be spending \$10,000. A beggar probably spends 90% of his take to eat.

The people of this country have more cars, TVs, refrigerators, washing machines and indoor plumbing per capita than do people of other countries. That is because of the ingenuity and production of our people over the years.

There is now a world wide demand for our grain because of crop failures in other countries. Suppose those same nations have a good harvest next year when we'll be geared up to really produce a big crop. Could we need a lot of grain storage, also it could make meat prices a bit lower than they are today.

Some of our local people may get a chance to be an overnight guest at the city's small hotel unless they pay the fines now on the books. That place is not air conditioned and room service is terrible.

Now in Texas we can turn right on Red after a stop unless a sign states otherwise. Don't forget to stop first.

SHH Cheerleaders In New Uniforms

Sacred Heart High cheerleaders will be yelling and chanting in new uniforms this year, cheering the Tigers to victory with new yells they learned while attending cheerleader camp at ESTU in Commerce.

The six spirited cheerleaders are Seniors Lanie Yosten and Donna Knabe, Juniors Barbie Hess and Laura Kralicke, Sophomore Cindy Bartush and Freshman Sally Endres. They did yard work, housework and odd jobs during the summer so they could attend cheerleader camp. And they won laurels.

They copped the prized Spirit Stick in addition to three Superior and two Excellent ribbons.

New uniforms for the sextet are of two varieties this year. One outfit is a flared sleeveless dress with skirt gores of alternating red and white. The other consists of a checked red and white top and bloomers to match. With both they will be wearing new red and white shoes and white socks.

They'll be cheering at the Tiger's first game of the season on September 7.

Hornets Outscore Panthers in First Scrimmage Test

Muenster's Hornets, though the pee wees of the area, did a big job in their first test of the season Friday night at Saint Jo. They took charge of the scrimmage, both offensively and defensively, and emerged with a 2-1 lead in the number of touchdowns and a 17-9 lead in the number of first downs, also a 318 to 163 lead in total gains.

The performance was especially impressive in view of the fact that the Panthers rate as favorites in District 7-B. They have size, depth and a flock of returning lettermen. But the Hornets had the hustle, coordination and determination to make up the difference and then some.

Along with all that the Hornets also had their own problems with turnovers. They gave up possession three times on fumbles and once on an interception.

The Panthers had first turn at offense and made a pair of first downs then failed on the third series. The Hornets, too, completed their first two series and fell short on the third. Next Saint Jo failed on the first series and Muenster fumbled on its first.

For the rest of the half the contest was all Muenster's. A fast and aggressive line opened plenty of holes through which Tom Bright, Tom Hennigan and Curtis Klement made steady and substantial gains. The first drive, starting at the 20, was helped by a 15 yard penalty, however the three runners and Quarterback Randy Wolf all shared in the total yardage. There were seven plays, the big gainers being 7 and 8 by Bright, 9 by Klement, 13 by Wolf and a 26 yard scoring sprint by Hennigan.

After holding the Panthers on their first series the Hornets were on their way again and overcame a major penalty along the way. Bright accounted for 7, 12 and 21 yard gains. Klement went 7 and 4 before his TD gallop for 20.

Again the Hornets stopped the Panthers on the first series and headed goalward. The drive went 44 yards in eight plays, the big ones being a 12 yard pass from Wolf to Dan Sicking and runs of 12 and 7 by Hennigan. But an interception on the next play ended the threat.

Opening the second half, Muenster moved again, principally on a 15 yard penalty and gains of 9 by Klement and 19 by Bright. The drive went 58 yards on 9 plays and died on the 12.

After that Muenster held on the first series and continued the spirited offense. Nice runs by Bright and Klement speared the 49 yard effort in 6 plays — then a fumble on the 21.

Following that the Panthers finally caught the spark. They advanced 49 in ten plays, mostly on passes of 9, 7 and 9 yards. Then at the 35 they missed two passes before completing a fourth down attempt for a TD.

For the remaining 9 minutes neither team was able to go. Muenster fumbled on one series, fouled up on another. Saint Jo twice made a first down and failed on the second series.

A lot of people go in debt just to keep up with those who already are.

Mr. and Mrs. Martin Friske Celebrate Anniversary at Mass and Reception

Mr. and Mrs. Martin Friske who were married in Muenster fifty years ago have celebrated their golden wedding anniversary. She is the former Miss Martha Luke. Since 1951 the couple live in Lindsay and that's where the observance was held, Saturday, Aug. 18.

Festivities began at 5 p.m. with an anniversary Mass in St. Peter's Church and renewal of wedding vows in a double ring ceremony. Father Eugene Luke of Subiaco, Ark., a nephew, officiated.

Attendants a half century ago were attendants again. Mrs. John Herr (Ursula Koelzer) and Frank Herr were maid of honor and best man.

Following Mass as a reception in the school cafeteria where the goldenweds' children were hosts for dinner. The 50-year bride wore a pink knit dress and Mrs. Herr wore one of identical design in blue.

Both Mr. and Mrs. Friske are 72 years old. She is a daughter of the late Mary and John Luke, pioneer Muenster residents who settled in Muenster when Martha was a year old. They moved from Leopold, Mo., where she was born.

A retired farmer, Mr. Friske is a son of the late Antoni and August Friske. He was born in Bastrop and was six years old when his family moved to Muenster.

The anniversary cake was baked by Mrs. Henry Spaeth and was served by Mrs. David Spaeth, a grandniece of Mrs. Friske.

The goldenweds are parents of five children, all present for the anniversary observance, 13 grandchildren and two great-grandchildren.

Their children are Mrs. Glenn Cathey (Myrtle) of Norwalk, Calif., Jere Friske of Anaheim, Calif., Mrs. Ray Lueb (Toni Mae) of Midwest City, Okla., Mrs. Alvin Fuhrman (Gracie) of Muenster and Mrs. Barney Sandman (Joan) of Howe. could be leading to a time when labor bosses take over as the power behind our government.

Even more so Washington should think about the millions of workers sold into economic slavery every time a new law forces workers to pay dues in order to hold their jobs. One wonders how any politician can reconcile this condition with his concept of freedom — the worker's freedom.

Relative to all that it's a good idea to take an idea from Samuel Gompers, founder of the AFL, a sort of George Washington in our Labor history. He urged workers to unite in protection of their own interests, but also spoke out against bossing. His idea was that an executive officer should carry out wishes of the members and not impose his wishes on them. Furthermore he thought no person should be a union member against his will. His principle fits the modern slogan, "Good unions do not need compulsory membership and bad unions do not deserve it."

Student Council Plans Activity

Officers of Sacred Heart High Student Council held their first meeting of the '73-'74 school year Thursday, August 23, with President Phil Endres, presiding.

Other officers attending the meeting were: Beverly Walterscheid, first vice-president; Linda Miller, second vice-president; John Henschel, secretary; and Chris Schilling, treasurer.

Purpose of the meeting was to outline plans for the year. During the course of the meeting, the group reviewed activities of past years, and set as a goal the obligation of informing the student body of all facets of their work.

The council decided to have a suggestion box this year as a means for students to present their ideas to the council. It was also decided to post a monthly calendar on the bulletin board to inform the student body of upcoming events. The final item approved was to have minutes of all Student Council meetings read over the school's intercom system so that all students may be aware of work being done.
