

MUENSTER ENTERPRISE

VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 JULY 13, 1973

NUMBER 34

Senator John Tower's current newsletter deals with the problem of risking food shortages while attempting to hold down food prices. President Nixon deserves credit for his good intention in trying to save us money on our grocery bills, but the backfire that can result from it may eventually prove worse than the original trouble.

When feed prices were left without controls meat producers found themselves in a squeeze, as revealed by the highly publicized incident of killing baby chicks. Producers simply cannot afford to stay in business when they lose money — which is the result when there's a ceiling price on the finished product but not on production.

To correct the situation Tower has introduced a bill in the national legislature asking for removal of price controls on items whose prices are determined by feed grain prices. Included in the list are meat, poultry, eggs, dairy products, and feed grain ingredients. Hopefully he'll be able to get action in time to revive production on the items that were affected. Otherwise we may come to an early realization that our affluent eating habits of recent years are coming to an early end.

Actually that time is coming, according to an article in this week's U S News and World Report. As seen by Lester E. Brown, authority on U S and world food production, world wide demand for more and better food will aggravate shortages in this country. Some two thirds of a billion people in the northern hemisphere, including U S, Europe, Russia and Japan are outgrowing the simple diet and upgrading their eating habits.

The most significant change is to a higher per capita consumption of beef. Whereas per capita consumption of grain was relatively low while people lived principally on it the consumption is going up since it is being used to produce meat.

At the same time harvest of fish from the ocean is reaching its maximum sustainable limit, so the world protein demand will find little relief from that source.

Also to be figured in is the increasing global population. All factors considered there are more people, all eating better. And United States, as the principal food producing country is the principal world supplier.

From this it seems that U S could relieve its strain by curtailing imports to those other countries. But it's not that simple. We have to export food so that we can import some of the things we need, especially oil, which is as urgently needed here as the food is there. Without it our energy crisis would become critical in a hurry. We'd have trouble in industry, transportation, home lighting and air conditioning, national security and what not.

The point to understand, it seems, is that the world is becoming more and more interdependent. We like to think that Senator Tower's proposed bill will restore profit to food production thereby avoiding a tragic decrease in our food supply. But the long range sign is that belt tightening is ahead regardless. As pointed out in U S News and World Report, we're involved with the world in this matter. Our prices will be higher and our eating wants will be simpler so that we can help feed other people.

The thought is slightly depressing at first. But then we think of the other side and realize that things really are not so bad after all. Most likely the ratio of income and eating expense will remain about the same, meaning that we Americans will still have the biggest food bargain. Meanwhile we can make a few practical adjustments like eating smaller portions and less expensive cuts. Let's say we're probably headed for less affluent eating, but there's no reason to worry about hunger.

One wonders also whether a change in official policy could compensate for some of the tougher living standards. A big factor is the constant inflationary trend resulting from the government's deficit spending. And another is a pro-labor policy encouraging demand for wage increases that are not justified by higher production. Still another is the inter-union power struggle in which perishable food goes to waste

(Continued on Page 8)

Final Rites Held At Lindsay for Theo Schmitz, 82

Final rites with funeral Mass were held in St. Peter's Church at Lindsay Friday at 9:30 a.m. for Theodore H. Schmitz, 82, pioneer Lindsay resident. He died at his home there on Wednesday.

Father Damian Wewers, pastor, was officiating minister and Geo. J. Carroll & Son Funeral Home was in charge of arrangements. Burial was in St. Peter's Cemetery. Grandsons were bearers. Rosary was recited in the Carroll Chapel Thursday at 8:30 p.m.

Theo Schmitz was born March 20, 1890, in Helber, Iowa, and had resided at Lindsay the past 75 years.

Surviving are five sons, Pat and Harold Schmitz of Lindsay, Francis (Cotton) Schmitz of Thackerville, Okla., E. A. and L. W. Schmitz of Dallas; two daughters Mrs. Jake Horn of Windthorst and Mrs. Anthony Klement of Muenster; 30 grandchildren; 26 great-grandchildren; one brother, John Schmitz of Muenster and four sisters Mmes. Phillip Metzler, Joe Bezner Sr. and Henry S. Fuhrmann, all of Lindsay and Mrs. Henry Lueb of Oklahoma City.

City Gets \$12,432 From Sales Tax

For the second time this year the City of Muenster received checks at the same time from the state and federal treasuries. One is for its share of locally collected sales tax and the other is for its share of revenue sharing. Together they amount to \$12,432.84.

The revenue sharing check was for \$5,681 covering the second quarter of this year, and a dollar higher than the first quarter payment.

The sales tax check, in the amount of \$6,751.84, was \$615 under that of a year ago and \$2,138 under that of the last quarter which was the highest to date and reflected business of the 1972 Christmas season. The check indicates that business was poorer for the first quarter of this year than it was for the corresponding period last year.

A statement with the treasurer's check explains that the gross amount collected was \$6,771.60 and the state's 2 per cent collection fee was \$135.43. Adding the hold over of \$453.12 from the previous quarter and holding back \$337.45 this time nets the check of \$6,751.84.

Duo Returns from Five Weeks Abroad

Mrs. Joe Bernauer and her daughter, Sister Barbara, returned Thursday from a five-week tour, principally Rome, Assisi and the Holy Land. They spent 16 days in the Holy City sight-seeing in company of Franciscan Sisters of the Atonement, Sister Barbara's order, which has a convent there. They also saw one of her former students, now a brother in Rome.

They saw the Holy Father three times and received three blessings. They were among those attending his Mass in St. Peter's on the tenth anniversary of Pope John, among the crowd in St. Peter's square and with the crowd in the Audience Hall.

After sight-seeing in Assisi five days they joined a tour going to the Holy Land with stops at all the places of Biblical history including Jerusalem, Nazareth, Bethlehem, Mount Tabor, etc., and had a boat tour on the Lake of Galilee. Last stop was in Istanbul, Turkey.

Their first stop after crossing the Atlantic on a 747 jet with 350 passengers was at Athens, Greece, for sight-seeing.

Sister Barbara is continuing her vacation here with her mother and her brother Frank Bernauer. She will return to Douglas, Wyoming, for teaching.

CYO Will Walk as Benefit July 14

Some 30 young girls and boys will walk Saturday, July 14, in a CYO-sponsored Walkathon to raise money for the Gainesville Child Development Center.

The youths are accepting pledges for every mile walked. Non-members as well as CYO members are welcome. Starting time is 7:15 a.m. at Sacred Heart High School.

Sleep Is Fatal to Milk Truck Driver 2 Miles from Goal

Ray Vance Harris, 32, of Goldthwaite died instantly about 1:45 a.m. last Sunday when a large milk truck he was driving overturned on Highway 82 about two miles east of Muenster.

Highway Patrolman Don King reported that the victim apparently fell asleep at the wheel and his vehicle drifted to the right striking a stockpile of gravel and turning over. When drowsiness overtook him Harris was only some two minutes short of his destination, the local AMPI milk plant.

Wrecker trucks righted the heavy rig after which the milk was transferred to another truck and taken to Muenster.

July Rain to Now Measures .37 Inch

Heavy clouds, which spilled up to 1.5 inches of very welcome rain south and west of Muenster Tuesday night, fizzled down to a mere .21 by the time they reached town, according to Steve Moser's official report. The mini-shower continues a dry spell which has been in effect for about a month.

Combined measures since July 1 are only .37, which follows only 1.08 inches since mid June. It means that Muenster has only 1.45 inches in slightly less than a month, and explains why vegetation is beginning to suffer.

Total rainfall for the year to date now stands at 24.38, and the July total is .37 inch. June's total was 5.07 inches.

Auxiliary Invites Public to Meeting

Muenster Hospital Auxiliary's July meeting next Thursday, July 19, will have as guest speaker J. W. Tooley of Gainesville, executive director of the Lions Organ and Eye Bank. The public is invited to attend.

Meeting time is 8 p.m. and the place is the dining room of Muenster Hospital.

One of the Auxiliary's new projects is acting as an instrument of public information and a local contact for persons desiring to will their bodies and/or vital organs after death for use in research or transplant. Mrs. David Bright is chairman.

Brother James Moser, a seminarian in Washington, D. C., arrived Sunday night for a two-week visit with his mother Mrs. John Moser and family. He came from Santa Fe, N. M., where he had been on a special assignment.

232 Students Enroll in Red Cross Swim Classes

This season's free Red Cross swimming classes are in full swing with an enrollment of 232 pupils from Muenster and neighboring communities.

According to Mrs. Bill Lutkenhaus, recorder, 157 of those are attending classes this week and 75 are signed up for next week. And more can be enrolled if they will report next Monday morning and present the application form indicating approval of parents and doctor.

Actually pupils are not only welcome but wanted in next week's class. The 75 now signed up are less than half of the first week's group, so there will be plenty of room and plenty of time for more.

The course is under direction of Mrs. Robert Lewis of the Cooke County Red Cross chapter. She has a Red Cross Water Safety Instructor rating and is assisted by eight volunteers who also have the WSI rating. Also included on the staff are twelve young men and women who have ratings of junior or senior life saver.

It is an exceptionally well qualified staff, Mrs. Lewis said, second only to that of last year which included twelve WSIs and thirteen senior life savers. Local classes prior to that, and most other swim classes, are conducted by a few WSIs and life savers with the help of capable but not rated swimmers. A class like this, in which all instructors have Red Cross ratings, is very unusual, she said.

Also exceptional is the high ratio of instructors to pupils. It means that children receive more individual attention.

Enterprise Will Close Next Week For Vacations

For the first time since the Enterprise was founded in 1923, it will miss a publication date next week. The issue is being skipped in order to allow simultaneous vacations for all of the staff.

Actually the shut-down time will be more than a week. Doors will be closed Thursday when this paper is finished and will open again on Monday the 23rd, permitting an absence of ten days from the job.

This policy was adopted because it simplifies the job for all concerned. Work here is highly specialized and causes a strain for others when one person is off the job. Taking vacations in turn would have caused several tough weeks for everyone.

Rites at Convent in Jonesboro, Ark. Observe Jubilees

Muenster was represented Wednesday at the Eucharistic Celebration on the occasion of the silver and golden jubilees of native daughters and former teachers of Sacred Heart School in Holy Angels Convent Chapel, Jonesboro, Ark.

Silver jubilarians are Sister Georgia Felderhoff, daughter of Mrs. Mary E. Felderhoff, and Sister Zita Zipper, daughter of Mrs. R. M. Zipper, who joined the order of Olivetan Benedictine Sisters 25 years ago.

Observing golden jubilees are Sister Lutgardis Felderhoff who entered the convent from Muenster in 1923, and Sister Patricia Murray and Sister Gerarda Carns. All three have been on the staff at Sacred Heart School.

Several cars of relatives went to Jonesboro for the celebrations.

Special Mass will be celebrated in Sacred Heart Church honoring Sister Georgia and Sister Lutgardis. Everyone is invited to attend.

Sister Georgia is on the staff of SH School and was elementary principal the past term. Sister Zita is stationed in New Iberia, La.

New Police Car

The new automobile recently authorized by the city council for Policeman James McDonnell is on the job. It's a Plymouth Satellite equipped with red, white and blue flasher lights, siren, spotlight, 2 way radio and telephone — and a police sign on the doors. Of the several vehicles that the city has owned, this is the first automobile.

Yvonne Gehrig Is Winner in FB '73 Queen's Contest

Miss Yvonne Gehrig, blonde-haired, blue-eyed daughter of Mr. and Mrs. George Gehrig of Muenster, has been chosen Cooke County Farm Bureau Queen for 1973. She was crowned in ceremonies at Cooke County Junior College Women's Gym. On August 14 she will represent Cooke County in the District Queen contest in Red Bud Auditorium, TWU, Denton.

Tammera Hickman, daughter of Mr. and Mrs. Milton Hickman of Sivelis Bend, was chosen Cooke County Farm Bureau Princess.

Other queen contestants were Miss Janet Sicking who was first runner-up and Misses Peggy Schumacher and Nancy Hickman. Miss Robin Young was first runner-up in the princess contest. She is the daughter of Mr. and Mrs. Lloyd Young of Marysville. Other princess contestants were Karla Sicking, Monica Gehrig and Brenda Voth.

Winners were presented a gift by Burney Almon, FB president, and a bouquet of roses and a trophy.

Miss Gehrig, 19, is a graduate of Sacred Heart High School and is a sophomore at Grayson County Junior College majoring in nursing.

Fifteen Students Finish Red Cross Life Saving Class

Fifteen swimming students received certificates and swim suit patches last Friday at the close of the Red Cross junior and senior life saving course in the Muenster pool.

The course, conducted by Mrs. Robert Lewis of the Gainesville Red Cross chapter, consisted of twenty hours of lecture, study and demonstration followed by physical and written tests.

Grads of the junior class are Donna Swirczynski, Cheryl Luke, Bert Miller, Jack Endres, Kenny Hartman, Lisa Reiter and Tina Wilde. The senior grads are Gerrie Knabe, Nanci Fisher, Lisa Mollenkopf, Margie Wolf, Chris Klement, Damian Luke, all of Muenster, and Cindy Ellis and Cindy Cypert of Gainesville.

Muenster Bank Reports Record High in Deposits

The highest deposit ever reported by Muenster State Bank in response to the quarterly call of the State Banking Commission was sent in last week. As of the close of business on June 30 its total deposits were \$6,672,838.90 a gain of more than \$1.4 million during the past year. The total on June 30, 1972, was \$5,269,568.

The figure also reflects a gain of \$181,350 over the total deposit of \$6,491,508 as of the previous quarterly report on March 28, 1973.

Gains were also shown in the bank's loans. Total of the new report is \$2,959,931.04, which is up \$432,695 for the year and \$368,114 for the quarter.

The gains here are in keeping with the total of all county banks. Their total deposits were \$54,146,125, an increase of more than \$7.38 million since June 30 last year. And loans are up to \$28,249,580, a gain of almost 4.7 million for the year.

Miss Christi Koessler is a new employee at Cooke County Electric Co-op.

Bloodmobile Will Be Here Wednesday

Another deposit in the community's blood bank will be made next Wednesday when the bloodmobile from the Red Cross blood center of Wichita Falls makes its semi annual visit here.

It will be set up in the K of C hall from 2:30 to 6:30 o'clock.

David Bright, local blood bank administrator, said that special efforts are under way to top the community quota. This is partly a matter of civic pride and even more so a matter of balancing the overdrawn local account. In the past two collections Muenster failed to donate as much as it had used during the preceding periods. The community quota is based on the amount of blood actually used here.

Determined to reach that quota this time, the sponsoring organizations, VFW post and KC council, along with the hospital auxiliary, have secured pledges of 100 volunteers. Allowing for the usual 20 per cent rejection because of current physical condition or medical history it is assumed that the quota of 80 is assured.

However, more will be welcome. Bright said that blood demand has been high lately and the Wichita Falls Red Cross center has been forced to seek help from other centers. A good response would not only redeem Muenster for its past shortages but also help the Wichita Falls center square its accounts.

Additional volunteers to beat the quota are urged to get their names on the sponsors' lists. Or if they prefer they can make appointments by calling the hospital, or come in at their convenience between 2:30 and 6:30. Appointments are recommended for the donor's convenience because they eliminate long waits. They are also preferred by bloodmobile personnel because they tend to level off the rush and slack periods.

In urging a generous response the local sponsors point out that this is a community service in which the benefits will be reaped by local friends — and in some cases by the families of the donors. Persons who know the cost of transfusions understand that the local blood bank program is a valuable service to those who receive it.

The program was set up here to provide free blood for patients in the hospital and for residents of the hospital district who are patients in other hospitals. Since the blood is donated there is no charge for it. The only charge is for the cost of collecting, typing, storing and transporting by the blood center and infusing by the hospital. Net cost to the patient is about half as high as when blood is provided by a commercial blood bank.

Likewise the blood bank is a good deal for the hospital. It eliminates storage fees that would otherwise have to be paid to a commercial blood bank.

The Red Cross blood bank system includes some thirty communities which are served by the Wichita Falls center. Collection days are scheduled in turn so that each participating community supplies the entire system for a short time. And each community's quota is determined by the number of units it actually uses.

Local persons helping the blood center personnel next Wednesday are registered nurses to check on medical records and present conditions, and hospital auxiliary members to register the donors and serve refreshments.

The auxiliary urges a 11 donors to bring along a record of their previous donations. Its purpose is to work up as complete as possible a record of all blood donations made by local people, that is, blood given away from here as well as in the local program.

Pre-Season Meet Called Sunday for Hornet Gridders

Members of the 1973 football squad at Muenster High will have a pre-season briefing Sunday afternoon at 2 in the Hornet field house. Coach Glenn Richardson issued the call to assembly for all boys who intend to try for the Hornet squad — and also those who intend to be in junior high football.

His principal message will be that practice time is only a few weeks away, so it's high time to start the individual conditioning work, especially running. And it's a good idea too to work out in the Hornet weight room to shape up muscles that have been neglected. The room is open Mondays, Wednesdays and Fridays beginning at 5 p.m.

Coach Richardson looks forward with enthusiasm to the coming season. He expects a squad of 45 including 15 lettermen and about 20 freshmen from last year's champ junior team. Hopefully that will shape into an experienced varsity team with adequate depth plus a separate freshman or B string.

July 17 Set for Meeting of YHDC

July meeting for the Young Home Demonstration Club will be held in the home of Mrs. James Fleitman on Tuesday, July 17, at 8 p.m. Young women interested in attending are invited to call Mrs. Dale Klement, president.

The June meeting was held in the home of Mrs. Jerry Walterscheid who presented the program. She demonstrated making area rugs from scraps of carpet. The finished rug was the door prize and was won by Mrs. James Fleitman.

After adjournment the hostess served homemade individual pizzas and Cokes.

Funeral services were held Monday in Nocona for Lisa Renee, five-year-old daughter of Mr. and Mrs. Lyn Crow. The little girl died Saturday morning at 4:20 in Children's Hospital in Fort Worth after several days of hospitalization. She had a heart ailment.

Father Paul Higginbotham celebrated the Mass of the Angels in St. Joseph's Church at 10 a.m. Assisting were Father Placidus Eckart of Muenster and the child's uncle, Seminarian James Moser of Washington, D. C. Burial was in Nocona Cemetery.

Bearers were Joe Tempel, David Reiter, Dossie Allen and Robert Simpson. Rosary was recited Sunday at 8 p.m. in the Nocona funeral home chapel.

In addition to the parents Lisa is survived by a brother Lyndal, grandparents Mrs. John Moser of Muenster and Mr. and Mrs. Harold Crow of Nocona and a great-grandmother Mrs. Ed Moser of Lindsay.

If it's such a small world, why is it taking so much of our taxes to run it.

Elizabeth White And Charles Dill Wed in Forestburg

Forestburg Methodist Church was the setting for the wedding of Miss Elizabeth White, daughter of Mr. and Mrs. J. W. White, and Charles Dill, son of Mr. and Mrs. Jack C. Dill. The Rev. Bob Pinckney of Hutchins, former pastor of the church, officiated at the candle-light ceremony on June 29, 7 p.m.

Since they returned from their honeymoon the newlyweds are at home on a farm north of Forestburg.

The bride, given in marriage by her father, wore a formal gown of white satin, the high-rise bodice overlaid with lace and the skirt veiled in chiffon. Lace formed the caps of the long sheer sleeves and the wide cuffs. A Juliet cap held her waist-length veil. She carried a white Bible topped with white carnations showered with white and blue ribbons.

For something old and borrowed the bride wore a wedding ring belonging to Mrs. Maude DeBorde of Era. The ring formerly belonged to

Mrs. DeBorde's mother, the groom's great-grandmother, and is 97 years old. She also wore a blue stone ring belonging to her great-grandmother.

The bride's blue garter which the groom tossed to the young men in the crowd at the reception was caught by Alvin Jackson, a cousin, from Decatur.

Bridesmaid was Miss Teresa McMillion wearing a formal blue gown and carrying a nosegay of white and yellow daisies. Larry Dill was his brother's best man.

Candy Talley of Saint Jo was flower girl and Tim Terrell of Matador was ring bearer. Vatoni Dill and Ricky White were candle lighters.

Mrs. Charles Cook registered guests at the reception in Fellowship Hall of the church. Misses Phyllis Lanier and Lizz Houston presided at the punch bowl and Mrs. Jerry Walter-scheid of Muenster served the wedding cake.

Wedding guests included Messrs. and Mmes. Darrell McCandless, J. T. McCandless and Tod and W. R. Terrell and Tim, all of Matador, Dan McCandless and son of Keller, Charles Mitchell of Euless, B. R. Jackson and daughter of Decatur,

Ray Dill of Era, Harold Dill of Saginaw, Charles Cook of Gainesville and William Talley of Saint Jo, Mrs. Maude DeBorde of Era, Katie Lee Dill and Mrs. Edith Richardson of Gainesville.

Also Mrs. Judy Moore and Micki of Jacksonville, N. C., Mrs. Janell Gartrell and Laurie of Glen Rose, Messrs. and Mmes. Glen Davis of Granbury, G. P. Smith and Paul Humphrey of Fort Worth and J. B. Prestwood of Odessa.

Forestburg News

By Myrt Denham

FORESTBURG — Local shoe factory workers were given a week's vacation. It started at 4 p.m. Friday, June 29. We just imagine most of the ladies were happy to return to work for money — instead of working for their husbands.

Mrs. Marge Boyd returned recently from a seven-day Caribbean cruise. She left Miami, Florida, aboard the TSS Mardi Gras. This was a Texas State Teachers Association sponsored tour. Marge says they toured San Juan, Puerto Rico, Virgin Islands and Nassau. Daughter Lisa spent the week in Fort Worth with her sister Mrs. Janice Hudspeth and children. We have also learned that Marge will be teaching Kindergarten over in Bowie starting this fall.

The Donald Boyds of Denver, Colo., have been visiting relatives and friends in this area and in Saint Jo. Guess Rickey Boyd finally found Donald and he showed him the way back home.

Gladys Barclay recently changed her eye glasses. Her other ones were some ten years old and she noticed when doing close work things were getting fuzzy. When she got her new ones everything brightened up and looked so nice and clear she just kept them on. When she looked at Charlie, her husband, with them she decided just to wear them for reading and close work.

Newlyweds Beth and Charles Dill were honored with a shower Friday, July 6, from 7:30 to 9:30 p.m. at Forestburg United Methodist Church Fellowship Hall. Sandwiches, cake and punch were served to a host of friends and relatives. The young couple received a variety of useful gifts.

Mr. and Mrs. Ross Littell flew their coop, out Stoney Point way, about 5 a.m. Saturday, July 7, and headed for New Braunfels to visit his mother and his sister and family.

Dick Trachta, Muenster, upon learning that I was from New Braunfels, asked me how come I ever ended up in these parts, coming from a lovely place like that. Well, there has been many a time I have wondered that myself.

The Roy Luersons and Robert Davises of New Braunfels are visiting with Gladys and Wesley Smith for a few days. The Smith permanent home is in New Braunfels. Wesley would like to make the Burg their home but can't persuade wife Gladys.

Bennett Reynolds and Gerald Lanier are sporting new cars lately. We knew the shoe business was looking up as Clifford Hudspeth, "Chairman of the Board" went all out last week and bought a new car and a pickup. Come to think of it, Gerald is on the board too.

Johnny and Shirley Brogdon and their daughters were in the Burg visiting around a few days this past week. Top of the visiting list were their parents the Ted Jacksons and the Barney Brogdons. Johnny is foreman of a big ranch close to Miami, Texas.

Robert Ensey, Dewey community, reports that a coon killed one of his dogs by drowning it last week in a fight along a creek. Robert is pretty tore up about it. We understand how Robert feels — it is hard losing a pet. The only advice we could give him was to look up John Anderson down New Harp way. John could furnish him a new dog or a coon too for that matter.

Saturday and Sunday, July 7 and 8, the Landers tribe held their annual family reunion at the Nocona community room.

Mr. and Mrs. Pete Landers of Fabens are in the area visiting the Landers kin and to participate in the family reunion. They are also visiting with Mrs. Landers' sisters Mrs. Loyd Orrell and Mrs. Billie Poynor.

Larry Eldridge, son of Mrs. June Eldridge, is at home on a week's leave from U. S. Air Force training. He completed his basic at Lackland AFB, San Antonio, and is now assigned to Lowry AFB, Denver, Colo., where he spent one week. He has eight weeks to go towards a Munitions Maintenance Specialist rating. Good luck, Larry. Being in the Air Force is a wonderful life. Us Denhams wish we were still part of it.

WATTS BROTHERS
 Gainesville

Mrs. Gacie Green, former Stoney Point area resident, passed away at Nocona Nursing Home Saturday evening July 7. Mrs. Green was the mother of Mrs. Kenneth Holland of Stoney Point.

People in these parts are ready for another good rain. The hay is all in the barns. Johnny Moore and Donald Steadham have lost that harried look and those optimistic souls who have watermelon, cantelope, and tomato patches (who is gonna gather 'em in?) need rain pretty bad too. Seems this time of the year it is too wet one week and too dry the next.

The annual Freemound July Fourth picnic, held at Forestburg Community Center, was termed a huge success with 150 people signing the register. They came from the states of New York, New Mexico, Missouri and Oklahoma and from the cities of Fort Worth, Wichita Falls, Sanger, Saint Jo, Nocona, Gainesville, Muenster and Forestburg.

One of the highlights was the drawing for prizes — two portable mixers — donated by M&S Dairy and Farm Center of Gainesville and for a lantern donated by the Victor Sicknesses. The mixers were won by Mrs. John Schmitz of Gainesville and by H. D. Cook of Hardy area. The lantern was won by Mrs. Bonnie Pearson of Nocona. There was a special drawing of prizes for the children.

Due to the huge turnout, it was decided that next year's picnic and get-together will be held at the Ross Point Community Center.

Clara Streng and G. Horace Brown Wed in Ft. Worth

Miss Clara Streng and G. Horace Brown exchanged wedding vows in a double ring ceremony at nuptial Mass Saturday, July 7, in St. Andrew's Catholic Church at Fort Worth. The Rev. Msgr. Charles B. King was celebrant for the 3 p.m. service.

Daughter of Mr. and Mrs. John Streng of Muenster, the bride was graduated cum laude from Sacred Heart High School and is an accounting clerk for Southland Royalty Company in Fort Worth.

Son of Mr. and Mrs. George Brown, the groom is a graduate of Texas Christian University, served a tour of duty in the U. S. Air Force and is an accountant for Southland

Royalty Company.

Given in marriage by her father, the bride wore a gown of white organza with long puffed sleeves ending in wide cuffs. Venice lace trim was at the scoop neckline and accented the natural waistline. Motifs of lace decorated the bodice front and skirt. The detachable train was chapel length. A lace crown held her veil and she carried a cascade of pink sweetheart roses and white carnations. Her only jewelry was a teardrop diamond necklace, a gift from the groom.

Miss Peggy Phillip and Miss Deborah Phillip of Gainesville, nieces of the bride, were maid of honor and bridesmaid, respectively. Their formal-length gowns were of soft pastel pink knit with semi-empire waists, high collars and short sleeves. They had pink roses

and ribbons in their hair and each carried a long-stemmed pink carnation.

Lisa Ann Wood of Pennsauken, N.J., was flower girl, a duplicate of the bride's attendants in pink flowered voile. Gary Wood of Pennsauken, a nephew, was ring bearer.

Attending the groom as best man was his brother-in-law John Tracy of Gainesville. Norman Martin of Forth Worth was groomsman. Samuel E. Wood of Pennsauken, brother-in-law of the bride, and Gary Martin of Fort Worth were ushers.

Pink gladioli decorated the

altar. Lee Gwozdz was organist playing O Promise Me, With This Ring I Do Thee Wed, and Ave Maria.

Wedding reception was held in St. Andrew's cafeteria where Miss Jane Hromcik of Fort Worth, cousin of the bride registered 125 guests.

Mrs. Samuel E. Wood and Mrs. John Tracy, sisters of the couple, presided at the wedding cake. Miss Josie Stanley of Fort Worth served the punch.

For their honeymoon to Colorado the bride wore a pink knit dress. They will be at home in Fort Worth.

Rehearsal Dinner

The rehearsal dinner was held at Rodeway Inn, Fort Worth, for the bridal party, parents and guests.

Pre-Nuptial Parties

Pre-nuptial courtesies included a come and go shower in Fort Worth with Mmes. Gary, Norman and Harold Martin as co-hostesses for 40 guests and a miscellaneous gift shower in Muenster with Mrs. Frank Novacek of Fort Worth, Mrs. John Tracy and Miss Josie Stanley as co-hostesses. About 20 guests attended.

Jeanne Vogel and Paul R. Bass Plan August 4 Wedding

Announcement is made of the engagement and approaching marriage of Miss Jeanne Vogel and Paul R. Bass, with the wedding planned for Saturday evening August 4 in Sacred Heart Church. The Rt. Rev. Abbot Alfred Hoenig of Corpus Christi, uncle of the bride, will officiate at the Nuptial Mass.

Mr. and Mrs. Theo Vogel are parents of the bride-to-be who graduated from Sacred Heart High School and St. Paul's School of Nursing in Dallas. She is employed in the emergency room of St. Paul's.

The future groom is the son of Mrs. George Bass of Dallas and the late Mr. Bass. He will graduate from North Texas State University in December and is presently employed in Dallas.

At Kin's Wedding In Glen Cove, N. Y.

Mr. and Mrs. Nick Demshock — she's the former Joan Fisher of Muenster — and their son Mark Christopher who live in Lutherville, Md., attended the wedding of his niece Miss Marianne Cioffi and Dr. Frederick Bollaci in Glen Cove, N. Y. on June 16.

After the reception at Burt Bacharach's Dover House in Westbury, N. Y., they visited with members of Nick's family at their motel.

The Demshocks spent Sunday and Monday with Mark's godparents, Mr. and Mrs. Hugh Brennan at Indian Lake, Pa. in the Pocons before returning home late Monday night.

If you know anyone who uses Pantene, chances are they heard about it in Europe or any other place where people like to look beautiful.

Pantene is a line of luxurious hair care products made in the U.S. with an exclusive **Swiss Conditioner**—to help enrich and enliven the hair, and give it a natural look of health.

The Swiss Conditioner is in all the Pantene products: Shampoos, lotions, conditioners, grooms, sprays.

Pantene costs a lot. But a trip to Europe costs a lot more.

PANTENE®
Teach your hair a new language.

Watts Bros. Pharmacy

3 Students Earn DS Rating at A&M

Three students from Muenster have earned the "Distinguished Student" ranking at Texas A&M University during the past semester, Registrar Robert Lacey has announced.

They are Lynn J. Klement, son of Mr. and Mrs. Ray Klement, a junior majoring in nuclear engineering; David Stormer, son of Mr. and Mrs. E. T. Stormer, a freshman majoring in pre-veterinary medicine; and Cletus Bayer, son of Mr. and Mrs. George Bayer, a freshman majoring in biochemistry.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point average out of a possible 4.0 during the previous semester.

The Mike Driers called from Salinas, Calif., Tuesday night for a half-hour visit over the line with his mother Rosa Driever. They exchanged family news and the Californians remarked about how much they enjoyed the Enterprise Bank Edition. Mrs. Driever, a member of St. Mary's Parents Club, was recently elected club secretary and was with a group of volunteer parents repainting the interior of the grade school.

Mr. and Mrs. Matt Stelzer of Post who arrived Sunday morning to join the Muller kin at their annual reunion spent overnight with the Matt Mullers and went to Gainesville Monday to visit Mrs. John Schmitz before returning home.

Mr. and Mrs. John Fisher had two granddaughters, Annie and Betsy Rumelhart of Corpus Christi with them for two weeks. The Fishers took the girls to Center Point to meet their parents and spent a day and a night with them.

Mr. and Mrs. Samuel Wood, Sammy, David, Gary and Lisa Ann have ended a two-week vacation with her parents the John Strengs and have returned to their home in Pennsauken, N. J. While in Muenster they made trips to see other relatives and were among guests at the wedding of Miss Clara Steng and Horace Brown in Fort Worth.

Sisters Back from Vacation Traveling

Miss Marie Klein and her sister, Sister Victorine, have returned from a trip that took them to Connecticut, Canada and New Jersey. Sister Victorine came from Rowena and the two flew from Dallas to Hartford to visit their sister and family.

From there by bus to Montreal where St. Joseph's Shrine was a highlight among sight-seeing and then to Quebec where the stand-out attraction was the Shrine of St. Anne. From there they went to New Jersey to visit relatives, then flew back to Dallas.

Sister Victorine will be here until July 14 when she will go to the motherhouse in San Antonio. There she will see her other sister, Sister Consortia before returning to Rowena. The trip was her jubilee vacation . . . marking sixty years of teaching.

Hellman Relatives Have Park Picnic

Mr. and Mrs. C. J. Newman — she's the former Mary Nell Hellman — and their children of Kansas City, Mo., started homeward Thursday this week after a two and a half week vacation with her parents, the Clarence Hellmans and other relatives.

Family members came and went to see the visitors and one day most of them got together for a picnic in the city park. Everybody brought food for a feast.

Joining the parents and visitors from Kansas City were the Jim Hellmans of Aubrey, C. J. Hellmans of Hurst, Larry Gobbles of Farmers Branch, Monte Hellmans of Dallas, Mike Comptons and John Hoberers of Gainesville, Eddie Hellman of Irving, Rayford Newman of Gainesville.

Also the Willie Walterscheids, Oscar Walters, Chris Walters, Andy Wimmers, C. F. Gobbles and Karla Kay Wimmer and Tim Endres all of Muenster and some of Barbara Hellman's friends from Dallas.

Miss Lora Lee Richards of Arlington is spending a couple of weeks with her grandparents, the Matt Mullers.

105 Kin Join for Muller Reunion

One hundred and five kin gathered Sunday for the third annual Muller reunion held at Ross Point Community Center Building.

Mr. and Mrs. Henry Muller traveled the farthest to attend the get-together. They are from Caldwell, Idaho. Others came from Post, Azle, Fort Worth, Euless, Bedford, Valley View, Gainesville, Muenster, Lindsay, Arlington, and Rosston.

Each family brought covered dishes for the noon meal, then spent the afternoon visiting, meeting new members of the clan, and getting re-acquainted with others. The young ones

enjoyed outdoor games.

Mrs. Lizzie Reeves of Rosston who is in charge of reunion plans announced the next one will be on July 2, 1974 at the same place.

Mrs. Rosalie Richards of Arlington made the day more enjoyable by tagging each one present with a name plate she made, making it easy to get acquainted with new or forgotten faces.

After reuniting ended many of the group attended the Jaycee picnic in Muenster City Park.

Sister Benedict Knabe of Wichita Falls arrived Sunday evening to spend a week with her father Albert B. Knabe and the rest of the family.

Mr. and Mrs. Paul Luke of Dallas were back in their former hometown Sunday visiting her mother Mrs. C. J. Wimmer at Hillcrest Manor and seeing other Muenster kin and friends at the Jaycee picnic.

Mr. and Mrs. Gene Hartman, Jeanna, Pam and Doug of Denton spent Sunday with their families, the Victor Hartmans and Mrs. Dick Cain.

Mrs. Keith Tompkins, Judy, Mark, Brian, Mary Beth and David of Arlington were Friday through Sunday visitors with parents and grandparents, the Victor Hartmans. Joining them Sunday were Mrs. Walter Wolf and Deanna, Carla, Chris, Keith, Scott and Craig of Gainesville.

Mr. and Mrs. Antonio Chantre and Gwen of Newport News, Va., have ended a two-week vacation with her parents the John Strenge and other relatives and were among guests at the wedding of Miss Clara Strenge and Horace Brown in Fort Worth.

Mr. and Mrs. Johnny Fisher of Houston spent the weekend here on their farm.

Mr. and Mrs. August Fleitman, Randy and Jan were at Gainesville for the Fourth of July joining her parents, the E. H. Richardsons where the Jackie Zackery family of Denton were visiting. They went swimming at the park and had a picnic afterward. Mrs. Richardson was scheduled to have surgery on her right arm July 9. Being a believer in astrology she picked that as the best day for surgery but on July 3 while visiting another daughter, Mrs. Butch Barnes and family at Sherman she had an accidental fall so surgery will be delayed until her arm mends some.

On Dean's List

Nick Endres, son of Mr. and Mrs. Leonard J. Endres, qualified for the Dean's List at the University of Oklahoma, Norman, the last semester. He will be a senior when the fall term opens. Nick was at home for a weekend visit with his parents.

H. H. Homsley Is Super Salesman

H. H. Homsley of Fort Worth has been honored as the outstanding salesman for Garrett Book Company. He was tops among the ten best salesmen, nationwide in the territory served by Garrett and received an engraved plaque at a sales meeting in Ada, Okla. Homsley was superintendent and his wife a teacher in Muenster Public School before he became associated with the book company and moved to Fort Worth.

'Little Miss' Gina Thanks Sponsors

Dear Cooke County Friends:

My mother and I recently returned from the Texas "Our Little Miss" Pageant in Waco. I participated through the generosity and kindness of Cooke County business men and organizations. My mother and I had an exciting and educational week and would like to acknowledge our appreciation to the people who helped to make this possible:

Jr. Elite and Denis' Texaco, Muenster; W. B. Sullivan, B. R. Harris, Carroll F. Sullivant, Gainesville National Bank, First State Bank, Otts Furniture, Watts Bros. Pharmacy, Miller Photography, all of Gainesville and especially Elsie and Gilbert Endres of Muenster.

I did my best and was again chosen in the top ten finalists

The Treasure Chest of Ten. I will be attending the World's "Our Little Miss" Pageant in New Orleans, La., August 5 through 11. For all of this I am grateful. I saw old friends from last year and made many more new ones this year in our great state of Texas. The experience I shall never forget. Always grateful, Gina Marie Hofbauer, 1973 Red River District "Our Little Miss" and 1973 Texas Top Ten (Treasure Chest of Ten.) Adv.

Mr. and Mrs. Billy Ben Boyles and daughter of Cairo, Egypt, are on their annual vacation visiting here with his father, Jud Boyles and other relatives.

Miss Mayer, Bride Of Dan R. Jezek in Pilot Point Rites

Mr. and Mrs. Don Ray Jezek are at home in Pilot Point after their wedding trip following their marriage June 29 in St. Thomas Church there. The bride is the former Miss Bobbie Gail Mayer.

Parents of the couple are Mr. and Mrs. Robert Mayer and Mr. and Mrs. John Jezek Sr., all of Pilot Point, and the bride is a granddaughter of Mrs. Tony Gremminger of Muenster.

Father S. J. Blank, pastor, celebrated the nuptial Mass and performed the double ring ceremony at 7:30 p.m.

Given in marriage by her father, the bride wore a formal gown of white silk organza, the bodice covered with Brussels embroidery and accented by re-embroidered Alencon lace with a high neckline and full bishop sleeves. The a-line skirt had a chapel train attached at the raised waistline. A ruffle of Brussels lace bordered

the gown and train. And the front lace panel, bodice and sleeves were sprinkled with seed pearls and crystal beads.

A headpiece of lace, seed pearls and crystal beads held her full-length illusion veil. She carried a cascade of stephanotis, lillies of the valley and baby's breath centered with a purple-throated white orchid. Adding wedding sentiment she carried a handkerchief that was carried by her mother and her grandmother Mrs. Tony Gremminger at their weddings.

Miss Debbie Hilz was maid of honor and bridesmaids were Misses LaTina and Rachael Mayer, sisters of the bride, Rebecca Howell of Chambersburg, Pa., bride's cousin, and Mrs. Nita Adams of Denton. They wore identical formal gowns of silk organza flocked with shades of orchid, green and blue. The scooped necklines were accented with cape collars. Their gowns were designed with Empire waists, full skirts and orchid chiffon

sashes. They carried orchid roses.

John Jezek Jr. was his brother's best man. Groomsmen were Jim, Tim and Mike Jezek, also brothers of the groom, and Doyce Adams of Denton. Ben and Tom Jezek, cousins of the groom were ushers.

Wedding reception was held in the KC Hall where Mrs. Carol Jezek registered guests. Other members of the house-party were Stephanie Howell, bride's cousin from Chambersburg, Pa., and Irene Cooksey, Judy Carney, Donna Sims, Debra Roeder, Darlene Jezek, Sandra King and Carol Coffey.

The bride is a 1972 graduate of Pilot Point High and is employed by Russell Newman. The groom is a 1968 graduate of Pilot Point High, served in the U.S. Army 1970-72, and is employed at Royce's Cabinet Shop.

The groom's parents were hosts for the rehearsal dinner in their home. Twenty-eight guests were present.

The average adult, with all his wisdom, rarely understands how much the average child understands.

The Lew Lobban Family

Meet the Lew Lobbans of Prairie Valley Community and their entire week's garbage.

and a week's worth of trash

How's that for smashing trash? It's not done with mirrors, either — just a simple, ordinary, quiet, economical, labor-saving, marvelous electric trash compactor!

The compactor will dispose of a week's worth of trash and garbage for an average family of four in one small bundle — and it costs only pennies a month to operate.

Fights pollution, too — no more burning trash. Just carry the odor-free sack to the land-fill disposal area nearest you — say, on your way to work or when you take the kids to school.

See your appliance dealer now for a new electric trash compactor.

It's good for ecology. Not bad for garbage, either!

Chicago Pair Are Feted While Here

Mr. and Mrs. Melvin Fisch of Chicago left Muenster Tuesday after a ten-day vacation with her parents, the Henry Wiesmans and family members. They also visited their Air Force son Stephen and his wife of Wichita Falls where he is stationed at Sheppard AFB. The young couple visited here with them and other relatives.

There was a round of dinners, family gatherings, and parties honoring the visitors who also joined kin in fishing at Lake Texoma. And there were two birthday parties to share in. Stephen's wife Kathy was the honoree at a party in the Henry Wiesman home and Dianne Yosten was the honoree at a party in the home of her parents, the Leonard Yostens, celebrating her sixteenth.

Budweiser Team Wins and Loses

Muenster's Budweiser boys broke even in their action of the past week losing 6-3 to the Cementers and edging the Steelworkers 9-8. Following that they and Hesperian were tied at 6-3 for second place while the Cementers held the lead with 7-2. The Steelworkers are out of the running with a record of 0-9.

Playing the Cementers, Muenster blew it in the top of the 7th by giving up a hit, 2 walks and 4 errors. It was enough for the Cementers to go from a 3-2 deficit to a 6-3 win.

Senior Baseball

With only two more games on their schedule the Center has cinched the champ title in the boys senior loop. They have a 6-0-1 record, which can't be equaled by any of the other teams. Other records are Mill 4-3, Co-op 2-5, and Endres 1-5-1.

Endres, though still in the cellar took the spotlight by breaking out of the loss column twice last week. Wednesday they spoiled Center's perfect record with a 4-4 tie and Monday they edged Co-op 9-8. In the week's other two contests Mill clobbered Co-op 15-4 and lost 8-7 to center.

Girls Softball

The weather man's jinx continues to hang over the girls' softball teams. Their games Tuesday night again were called off because of rain. Though the season is due to end Thursday night it still has several make-up dates. The Wrens, for instance, in the junior loop have played only two of their six games. Other teams have played four of their six. Likewise in the senior league, eight games are booked for each team, but two have played five each and the other four.

In last Thursday's games Larks beat Doves 16-13 and Falcons beat Hawks 19-12. Standings after that in the junior loop are Larks 4-0, Doves 2-2, Jays 1-3, Wrens 0-2. In the senior league Hawks are 3-1-1, Falcons 2-2, Eagles 1-3-1.

Mr. and Mrs. A. W. Ellred and Angela of Hamlin are spending part of their vacation with her mother Mrs. John Moster and family.

Lens-View

Our employees have earned the vacation they are to enjoy after this issue of the Enterprise is published. For the past several months, besides getting out the paper on schedule and taking care of job printing, they have published a large special edition. This meant work late into many nights and on several week-ends. Because of our close schedule, holidays are usually just another day.

Vacations have proven to be helpful to all individuals whether it's to break the monotony of the job or to rest the mind and body. Many companies insist on their employees taking a vacation because after a rest their performance is improved.

This particular week was chosen because many of our advertisers are going through their vacation season, summer clearance sales have not yet begun and back to school ads are only a few weeks away.

We do hope you will hold your news stories till July 23 after which we will give them our attention. We do hope you will miss the Enterprise next week.

Junior Baseball

As the junior boys season goes into the home stretch Grewing has a comfortable lead, whereas Tuggle barely leads Wilde for second spot and Bank is at the bottom. Their standings are Grewing 5-1, Tuggle 4-2-1, Wilde 3-2-1, and Bank 0-6. In this week's action Tuggle and Wilde tied 4-4 and Grewing blasted the Bank 15-0.

Confetti - - -

while rival bosses are trying to take over. Some of those changes along with Tower's suggestion would be very welcome in the coming food crisis.

Lest we forget, next week is Captive Nations Week. A resolution by the U S Congress in 1959 named 21 nations as captives of the global communist conspiracy. They were Poland, Hungary, Lithuania, Ukraine, Czechoslovakia, Latvia, Estonia, White Ruthenia, East Germany, Bulgaria, Red China, Armenia, Azarajan, Soviet Georgia, Albania, Edell-Ural, Tibet, Cossakia, Turkstan, North Korea and North Vietnam. Since then we can add Cuba, and we wonder how long until we write off Chile, Cambodia and South Vietnam. Does anyone doubt that the red menace is still growing?
