

MUENSTER ENTERPRISE

VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 17, 1973

NUMBER 39

About 450 persons had a look into the past Sunday afternoon when the four Lutkenhaus brothers — Bobby, Harold, Bill and Hugo — cranked up their old time threshing machine.

The demonstration was given on the Lutkenhaus farm four miles northwest of town. Spectators included all ages from 95 year old H. J. Lutkenhaus, who was there in a wheelchair, to 2½ month old Aimee Hoeng, his great granddaughter. Communities known to be represented in the crowd were Muenster, Lindsay, Gainesville, Valley View, Rosston, Saint Jo, Pilot Point, Ennis, Hurst and Wichita Falls.

The show had a special appeal to Mr. Lutkenhaus because it involved the machine on which he helped even after his retirement some 20 years ago, and the place he farmed for many years before retirement.

Also in the crowd were other old timers reviving fond memories of their harvesting experience in yester-years. It was an old familiar scene watching baled oats put into the feeder and separated into grain and straw. The end result was a pile of grain, about 6 bushels, in a pickup and a tiny beginning of what the old straw piles used to develop into. Baled oats was used because the traditional bundles were not available. To make them someone would have had to find and overhaul an old binder.

Youngsters who saw the show generally had no idea of how very little of the real operation they were seeing. Few of them understood that just inside the feeder was a cylinder with teeth that beat the grain from the straw then a series of shaking racks and sieves to separate grain from the straw. Grain was lifted by means of a conveyor from the bottom of the machine to a weigher box on top which trips and registers on a counter each time a half bushel of grain accumulates. From there the grain is conveyed by chute to a wagon or pickup. The straw goes on to a large fan which blows it out the back. The thrasher was powered by a drive belt from a tractor about twenty feet to the front.

The machine was a Case, rated at 22 inches, which is the width of feeder and cylinder. One person feeding bundles could keep it busy. Other machines used to vary in size to 36 and 40 inches, which had two persons feeding in the bundles.

Actually, what happened Sunday was only a small part of the real threshing operation. The first step in the old days was taken a few weeks before when a binder cut and bundled the grain bearing straw, and shockers gathered and set up the bundles in shocks. The purpose was to let it dry out thoroughly for easy separation and better quality.

Then when the thrasher came to a farm it was accompanied by some ten or twelve bundle wagons and operators with a field pitcher to each two wagons. The pitcher walked beside the wagon from shock to shock pitching bundles to the man on the wagon, who stacked the bundles carefully to keep them from slipping off the wagon while being hauled to the thrasher. At the machine he unloaded while the other wagon operator was loading in the field.

Other haulers were those who took grain away from the machine, usually three to five of them depending on the length of haul and the kind of grain being threshed. Normally oats filled a wagon twice as fast as wheat. Capacity of the wagon box was about sixty bushels. An operator for the tractor and one or two for the machine completed the crew — unless the outfit also had a cook shack.

This leads to the matter of whether a rig was independent or dependent. The one ran entirely on its own, providing all the hands and their meals, even feed for the teams. The other was dependent on the farmers who generally were members of the working crew and provided feed for the teams while wives provided meals for the men. Obviously the two had different rates of charge for their services.

The dependent operation was more prevalent in this area. It was a continuation of the old pioneer spirit in which neighbors helped each other.

Cadet David Fette Gets Ranger Tab At Fort Benning

Cadet David Fette of the A&M ROTC, son of Mr. and Mrs. R. N. Fette, returned home last Saturday after completing a summer session of Ranger training at Fort Benning, Ga.

First phase of the special assignment was a three week airborne course of physical conditioning and parachute theory, practice jumps from 34 foot to 250 foot towers, then five static line jumps. On completion he received a parachutist badge.

During the grueling six weeks of the second phase he learned and practiced basic Ranger skills such as land navigation, patrolling and mountaineering.

The training, which was substitute for the normal ROTC summer camp required of cadets before commissioning, concluded with a two week counter guerrilla operation in the coastal swamps of Northwest Florida. Upon graduation he was awarded the yellow and black shoulder tab worn by all Rangers.

Returning to A&M as a senior, Fette will hold the cadet rank of Company Commander.

Yvonne Gehrig Is District FB Queen

Miss Yvonne Gehrig, Cooke County Farm Bureau Queen, won the district crown in competition Tuesday night at Denton. She will represent the district in the state contest to be held in Abilene in November.

Daughter of Mr. and Mrs. George Gehrig, the 19-year-old queen is blonde-haired and blue-eyed. She is a graduate of Sacred Heart High and is a sophomore at Grayson County College majoring in nursing.

Accompanying her to Denton for the program were her mother and Mr. and Mrs. Raymond Davidson of Marysville, Miss Tammera Hickman, county FB princess, and Mr. and Mrs. James Cole of Sivel's Bend. District finals were held in the science and music auditorium of TWU.

Fix-up Paint-up Jobs Completed At Public School

Students returning to Muenster Public School this week found a number of changes both inside and outside.

The principal inside change concerns the library and study hall, which have been combined in the past. A partition now divides the former study hall into two rooms of about equal size. One will continue to be used as a study hall. The other, adjoining the library, will be a research room.

Another inside change was enlargement of the trophy cases in the main corridor. After more than twenty years of use the former cases were crowded.

An outside change is a new coat of paint for all exposed wood — the doors, windows and roof trim. Also outside is work in progress on a new curb and sidewalk extending the full length of the front from the west property line to the football field. The new curb is finished and will be followed promptly by the five-foot-wide sidewalk.

Other improvements are re-routing a storm sewer for better drainage of rainwater between two wings of the main building, also eliminating the deteriorating sewer line from the lunch room and installing a new one to the north.

SH Grades Will Have Open House

Members of Sacred Heart Parish are invited after Masses Saturday night and Sunday to an open house of the elementary department of Sacred Heart School. The faculty wishes to show and extend thanks for the paint job done by volunteers during the vacation months. The entire interior, corridors and all classrooms were painted.

Other vacation improvements at the school are painting in the high school library and a new field house for the Tiger gridgers.

The 24x48 building is made of haydite tile, has a weight room, showers, lockers and a whirlpool bath given by Dr. Marvin Knight.

Final Rites Held Here Monday for Joe N. Mages, 74

Funeral services were held here Monday at 10 a.m. in Sacred Heart Church for Joseph N. Mages, 74, a resident of Muenster for 48 years and a retired farmer. He died in Muenster Hospital Saturday at 7:30 a.m. after being a patient 17 days.

Father Placidus Eckart officiated at Mass, delivered the sermon, and conducted graveside rites in Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

Rosary services were held in the Miller Chapel Sunday at 4 and at 8 p.m.

Bearers were Jeff Dieter, Donny Mages, Doug Schmitz, Joey Schmitz, John David Schmitz and Kenneth Schmidtkofer.

Joe Mages was born in Westphalia, Iowa, Dec. 6, 1898. He married Miss Theresa Bayer here on Feb. 27, 1924, and she died June 17, 1944.

Mages was an active member of St. Joseph's Society and the Knights of Columbus Council and was an usher in Sacred Heart Church for 45 years.

Surviving are two sons, Edgar Mages of Gainesville and Norbert Mages of Lindsay; six daughters, Mmes. George Schmidtkofer, Johnny Schmitz, Nick Dieter and Doug Reiter, all of Gainesville. Mmes. Harold Schmitz and Gene Pelzel, both of Lindsay; 29 grandchildren; five sisters, Mmes. Henry Grewing Sr. of Lindsay, John Fleitman and Felix Yosten of Muenster, Ewald Berend of Hereford and Laval Kinstley of Addis, La.; and four brothers, Frank Mages Jr. of Gainesville, Eddie of Dallas, Leo of Fort Worth and Carl Mages of Clifton.

Hornet Coaches Divide Squad into Two Teams of 21

Three smiling coaches at Muenster High are guiding 42 Hornets through snappy workouts this week with very definite hopes of shaping them into a winning team — or rather into two winning teams.

With his biggest roster ever, a welcome change from last year's 29, Coach Glenn Richardson has divided the squad into two teams of 21 each, and has high hopes for both of them. The Hornets have 15 returning lettermen, 8 former starters on offense and 9 on defense. And the B team is made up principally of boys who won the 14-A junior title last year.

It's a pleasing situation, Richardson said. The boys have gained in weight, talent and experience since last year, their spirit and hustle is fine, and their right attitude is reflected by lots of individual conditioning before the first practice. They'll be rarin' to go by the time they take up contact work Friday night.

Especially they'll be out to show that they're worth a better spot than fifth place in the Harris rating. According to that size-up, Frisco is a long odds favorite in 14-A and a top contender for the state title. It's power ratio is estimated at 115.2. Twice champion Nocona is given second with a rating of 101.5. Then comes three of near equal strength: Pilot Point at 88.4, Sanger at 86.6 and Muenster at 86.5. And Callisburg is way down with 62.8.

Members of the Hornet roster are Seniors Terry Huchton, Lyle Klement, Glenn Grewing, Dan Sicking, Louis Koelzer, Tom Hennigan and Curtis Klement. Juniors are Jim Grewing, Tim Felderhoff, Ray Luke, Mark Stoffels, Glenn Henschel, Neil Huchton, Tom Bright, Terry Walterscheid, Steve Klement and Randy Wolf. Sophomores are John Eckart, Kenny Koelzer, Bobby Endres and Mark Sicking.

On the B team roster are Sophomores Damian Luke, Mike Davidson, Dean Sicking, Doyle Klement, Danny Endres and Andy Serna; also Freshmen Albert Zimmerman, Calvin Otto, Doug Cler, Danny Fisher, Troy Sicking, Greg Knabe, Bill Huchton, Tim Wolf, Jim Koelzer, Randy Sawyer, Mark Sicking, Mark Mollenkopf, Billy Phillips, Larry Phillips and Terry Lewis.

The only thing that's more expensive than education is ignorance.

Tibbets Reminds Area Cattlemen of Beef Short Course

County Agent Neil Tibbets this week reminded beef producers that a short course on beef cattle and forage will be held next Monday and Tuesday, Aug. 20-21, at Texas A&M University.

Headquarters will be at the Ramada Inn, early registration will be Sunday evening and the course opens at 8:45 a.m. Monday.

According to Tibbets it will be an especially informative course, with emphasis on increasing beef cattle profit opportunities with forage. It will feature discussions on types of bermuda grass and animal performance on each.

Emphasis will also be given to grazing and harvesting forage grasses to obtain maximum feeding value, also to consideration of winter and summer pasture and protein and mineral supplements.

Other topics are grazing systems used by several Texas ranchers, forage related disease problems, and new equipment for harvesting forages.

With high feed costs certain this fall, Tibbets advises that this short course can be especially profitable to cattlemen.

Local School Tax Upped 25 Percent

Like most of the other factors in today's cost of living, the price of education has gone up, and so has the local tax which pays a large portion of the bill. That message is being conveyed to the taxpayers this week in a letter from the board of the Muenster School District.

The letter explains that valuations for school tax in the past have been set at 33.3 per cent of the actual value but the revenue therefrom is failing to meet current increasing need. Hence the board has voted to increase valuations from 33.3 to 41.7 per cent of actual value. This increase, representing a 25 per cent raise in assessed values, will produce a 25 per cent increase of revenue. Tax rate of the district continues at \$1.65 per \$100 of valuation, which includes \$1.50 for maintenance and 15 cents for interest and sinking fund.

Reasons given for the action are "the cost of paying our proportional part of the State program and some Federal programs, plus the increasing cost of salaries, equipment, replacements and maintenance."

This is a condition prevailing in all school districts, the board continues. However investigation will reveal that Muenster School's taxes will still be as low, if not lower, than most districts even after the increase.

Total valuation of the district thereby is raised from \$9,550,000 to \$11,937,500. The total of assessed tax is \$196,251.

Tiger Cubs Have 14-Game Schedule

The Tiger Cubs of Sacred Heart 8th grade will be busy boys this football season. They have a list of nine foes on their schedule, five of them to be played twice. That makes a big total of fourteen games.

Furthermore the Cubs will be the only team of Sacred Heart with a conference schedule. They are playing in a junior loop with Saint Jo, Valley View, Era and Lindsay — meeting each of them twice. The other 2-game contest is with Celina.

The schedule reads as follows:

- Sept. 11, Saint Jo, there
- Sept. 18, Valley View, there
- Sept. 20, Aubrey, there
- Sept. 25, Era, there
- Sept. 27, Pottsboro, here
- Oct. 2, Lindsay, here
- Oct. 5, Trinity Christian, here
- Oct. 9, Callisburg, there
- Oct. 16, Saint Jo, here
- Oct. 23, Era, here
- Oct. 25, Celina, there
- Oct. 30, Lindsay, there
- Nov. 6, Celina, here
- Nov. 13, Valley View, here
- Seventh graders have a shorter season of seven games including two encounters each with Collinsville and Celina.
- Their schedule:
- Sept. 20, Aubrey, there
- Sept. 27, Pottsboro, here
- Oct. 4, Collinsville, there
- Oct. 9, Callisburg, there
- Oct. 25, Celina, there
- Nov. 1, Collinsville, here
- Nov. 8, Celina, here

\$344,043 Budget Adopted by Local School Trustees

A budget of \$344,043 for the coming school year was adopted by trustees of the Muenster School District at their regular meeting Thursday night. It is an increase of slightly more than 11 per cent over last year's figure of \$308,933.

As pointed out by Superintendent L. B. Bruns, the sharp increase results from higher costs which apply to the entire economy and especially to teacher pay raises. The item of instructional service is \$24,680 higher than last year and accounts for more than three fourths of the over all increase of \$35,111.

Principal expense items are listed as follows:

Instruction service	\$217,716
Administration	26,033
Pupil transport	15,952
Plant maintenance	24,737
Debt service	54,500
Other expense	5,105
Total	344,043

The principal sources of revenue are:

Local taxes	\$196,251
State sources	131,380
Bank loan	25,000
Total	352,631

The \$25,000 loan is necessary because many of the school's bills become due before other revenues are received. Later when local tax and state money begins coming in the loan is repaid. The repayment is included in the budget as a part of the debt service.

As estimated, the budget indicates that the school should be able to end the year with a balance of \$8,588.

Tigers Have High Hopes for Best Football Season

Improving on their 9-1 record of last year is an ambitious undertaking, but Coach Bob Steele and his Sacred Heart Tigers are going for that very goal — and they feel they have what it takes to get there.

As it seems now, they have the greatest array of manpower in the school's history. Forty five boys reported for first practice and three more were there Tuesday night.

The roster is not only the largest but it is loaded with talent and experience. Included in the 28 returnees from last year are thirteen starters, some playing both ways with the result that there are nine each on offense and defense. Also, they have substantial weight in the line and breakaway speed in the backfield. Everything considered, prospects are fine for Sacred Heart to have its best team ever.

Another cheering factor is spirit, Coach Steele said that the boys did lots of road work before the first practice and they have lots of hustle now. They'll be in shorts until Friday night then settle down to a week of real practice before their first scrimmage test.

With their long roster, the Tigers for the first time will have two teams. The first stringers have an 11-game schedule and the B team an 8-game schedule.

Members of the Tiger squad are Seniors Karl Hess, Davy Krahl, John Hesse, Dickie Moser, Phil Endres, Kevin Pels, Kenny Hess, John Barstus, Alan Rohmer, George Johnston, Danny Voth, Jeff Fette and Steve Taylor.

Juniors J. T. Pagel, Pat Endres, Chris Sicking, Scottie Felderhoff, Ricky Walterscheid and Mark Hess.

Sophomores Bob Schmitz, John Henschel, Roger Endres, Bruce Fuhrman, Arnold Yosten, Jim Luke, Paul Reiter, Guy Bindel, Leon Bayer, Melvin Lanhan, Karl Koelzer, Melvin Hess, Chris Felderhoff, Mike Johnston and Darrell Walterscheid.

Freshmen George Luke, Mike Hofbauer, Bob Grewing, Chris Schilling, Craig Sangster, Lee Lanhan, Benny Bindel, Bindel, Billy Felderhoff, Tim Sicking, Brent Hess and Steve Henschel.

Quarterback Club Meeting
Members of the MHS Quarterback Club will have their first meeting of the school year in the Hornet field house, Wednesday, Aug 22, at 3 o'clock.

The best way to help your youngsters with their home work is not to.

Schools have 719 in 12 Grades, Loss of 24

Scholastic population has taken another drop at the two Muenster schools. Registrations to date in grades 1 through 12 add to 719 a drop of 24 from last year's 743 and the smallest count recorded here since 1963, when the count was 713.

The decline is the same as last year when the total dropped from the previous 767 to 743 and it is 84 below the all time high of 797 in 1968. Figures for the past eleven years have been as follows: 1962, 703; '63, 713; '64, 723; '65, 758; '66, 762; '67, 749; '68, 797; '69, 786; '70, 761; '71, 767; '72, 743.

More than half of the drop

Services Held in Wichita Falls for Father Fitzpatrick

Final rites for Father James Fitzpatrick, 48, were held in Wichita Falls Monday morning from Sacred Heart Church. He died shortly after being struck by a car the preceding Monday in Santa Monica, Calif., where he was vacationing.

Father Fitzpatrick was well known locally from frequent visits the past 15 years with the John Fleitman family. He was chaplain at a Dallas hospital where Frank Fleitman, a football casualty, was a patient and they formed a fast friendship. He continued visiting Frank after he was transferred to a Gainesville Hospital, and after his death visited his parents.

He was to have celebrated the Fleitmans' 40th wedding anniversary Mass here on Sept. 8.

At the time of his death Father Fitzpatrick was a faculty member of Midwestern University and an assistant in Sacred Heart Parish.

Lots of Football On Schedule for Thursday Nights

With only a few exceptions, Thursday nights of the coming football season will offer a three-game billing by junior and B teams of Muenster Public School.

With adequate rosters in both high school and elementary, Coaches Richardson, Moore and Klement have worked out schedules for two elementary teams and a high school B team in addition to the MHS Hornets. Through most of the season the three teams will be opposed by the same school as the Hornets the night before the Hornet game and at the opposite location.

For instance, the Hornets meet Boyd there on Friday, Sept. 14. The preceding night Seventh Graders, Eighth Graders and the High School Bees meet Boyd here. Two Fridays later the Hornets play Northwest here and the three other teams go to Northwest the night before.

An exception applies in the case of Newcastle, which plays here on Oct. 12. No games are booked with its B or junior teams, so the elementary kids have an open date and the Bees will move their Nocona game forward from November 1. Then on Nov. 1 the Bees have an open date and the kiddies will go to Nocona. Also the Bees play Whitesboro on Thursday and the elementary teams play on Tuesday.

The schedule of dates on which the three teams play triple headers are as follows:

- Sept. 13, Boyd, here
- Sept. 27, Northwest, there
- Oct. 4, Lake Dallas, here
- Oct. 18, Frisco, here
- Oct. 26, Sanger, there
- Nov. 8, Callisburg, here
- Nov. 15, Pilot Point, there
- On each of those programs the Seventh Graders play first, starting at 5 p.m. Next the Eighth Grade plays, then the B team.
- Remaining games for the B team are:
- Sept. 20, Whitesboro, here
- Oct. 11, Nocona, there
- Both start at 7:30.
- Remaining games for the elementary teams are:
- Sept. 13, Whitesboro, here
- Nov. 1, Nocona, there
- No matter how much you nurse a grudge, it won't get better.

is explained by numbers of last year's graduates and this year's first graders. There were 59 grads and 43 starters for a drop of 16. In addition there was a net loss of 8 in transfers in and out of the schools.

All the loss occurred at the public school. Sacred Heart has identically the same total of 376 whereas the public school slipped from 367 to 343, almost entirely because of the difference in numbers of grads and beginners (42 and 20). Sacred Heart gained in that respect (17 grads and 23 beginners). Also the public school lost more in transfers.

Another comparison shows that all of the year's loss and more occurred in the grades where enrollment dropped from 502 to 469. Meanwhile the high school count went up from 241 to 250.

Also Sacred Heart dropped from 280 to 257 in the grades, a loss of 23, and gained by the same number, from 96 to 119 in high school. The public school dropped in both departments, from 222 to 212 in the grades and from 145 to 131 in high school.

While those figures reflect the actual decline of students the new official record shows a total of 772. That's because kindergarten for the first time is included on the regular roll. The 5 year olds are on the state program now and included in the ADA record. Previously they were in the federal Title 1 program.

The kindergarten enrollment is 53, all in the public school and the official count there is 265 in the grades and 396 over all.

Enrollment by grades in Sacred Heart and Public School and the combined count of both is as follows:

Elementary & Junior High			
	SHS	PS	Total
Kindergarten	53	53	
Gr. 1	23	20	43
Gr. 2	32	14	46
Gr. 3	41	27	68
Gr. 4	27	18	45
Gr. 5	38	25	63
Gr. 6	38	29	67
Gr. 7	26	45	71
Gr. 8	32	34	66
	257	265	522
High School			
Gr. 9	39	26	65
Gr. 10	25	39	64
Gr. 11	29	30	59
Gr. 12	26	26	52
	119	131	250
Total	376	396	772

City Acknowledges New "Minors" Law

Official acknowledgement of the change in the status of adults from age 21 to age 18 was given by the Muenster City Council in its regular session of August 6, when it passed an amendment to Ordinance No. 87 specifying that hereafter a minor is defined as being under 18 rather than under 21.

The state law specifying the change as passed by the 1973 legislature to become effective on August 27.

First PTA Meeting To Be Held Monday

Parents and teachers of Muenster Public School are reminded that the first PTA meeting of the new school year will be held Monday night at 7:30 in the school lunch room.

C. L. Johnson, president, urges all to be there and make a good start on the best year ever for the children. Following the business session there will be socializing and refreshments.

Schlitz Slow-Pitch Needs an Assist

Schlitz the Muenster entry in Gainesville's slow-pitch softball league, will need an assist from some other outfit to stay in the race. Since Wednesday night's 10-8 loss in the season finale to Tyler & Simpson, it has a 6-1 standing whereas T&S is 6-0. So, Muenster fellows will cheer for the other team when T&S plays its last. If T&S loses the teams will be tied and a play-off will determine the title.

Schlitz earned half of its wins in a 3-game clean sweep Tuesday night. It beat GAF Doors 35-6, Hill Realty 8-4, and Dulock Body Shop 11-1.

Forestburg News

By Myrt Denham

FORESTBURG — The 50th wedding anniversary of Johnnie and Molly Moore sure went over with a bang. There were probably more people in Forestburg that day than there have been since the Forestburg Centennial. The honorees were kept busy opening their many wonderful gifts from their kin, many many friends and well wishers. The gifts were wonderful in three different ways: One in the knowledge of so many friends, another where to put them all, and wonder what some of them are for. John and Molly may have to call in Woodie Galmor to show them how to utilize some of the more complex items. I won't attempt to try to tell you in this column all the laurels and many attri-

butes of these two people. Everyone knows them already — so good luck to you both, hope you make it for fifty more.

Jack and Vesta Carter, Dewey, took a few days away from stooping over their tomato patch this past week. They gathered up Janice and Jeff and their married son, John and his wife, Karen, and headed for southern Oklahoma. They visited Turner Falls and other points of interest. Guess now it is back to the tomato patch again.

I realize that news concerning out of town folks visiting in the Burg and its suburbs may not interest all of our readers. However, it does interest some and we certainly want to please all we can. Those of you not interested in this type of news can just skip over the next few items.

Mrs. Decie Ellzey's home was kept well occupied with visitors for the past couple of weeks. Helen Poyner, a form-

er Burg resident, and now of Gainesville was one visitor. From Houston came a granddaughter, Mrs. Sonja Davison. Another granddaughter and husband, the Don Fairbanks, flew in from Scottsdale, Arizona. Then a sister and husband, the Bayer Farris, of Wheeler, Texas, and a niece, Mrs. Sharon Gandy and children of Panhandle breezed in for a two day visit. Then up from Temple came a daughter and family, the Sam Wrights and also a son and family, the Jerry Ellzeys of Carlsbad, New Mexico, found their way to Decie's house. We must not forget another daughter, Mrs. Jerry Boelter and family of Arlington who came up to mingle with all the other visitors.

Mrs. Eula Bell Boyd, Dewey, also had a run of visitors lately. She was kept busy with visiting children. Some of them were Ray Boyd and sons of Krum, the Doyle Boyd family of Houston, the Norris Boyds of Gainesville, the James Barkers of Bowie, and Marge Boyd and Lisa of Dewey all made it the weekend of the 4th and 5th. On August 8 a daughter and family, the E. J. Greshams, of Sherman were visitors. We must realize that Eula Bell has ten living children so keeping up with their comings and goings would make up a fairly big column in the paper.

Also visiting friends and relatives in the Dewey and Burg area and to attend the Forestburg Homecoming was Mrs. Mae Huddleston of Lawton, Okla. Mae grew up in the Dewey area and is the daughter of the late Mr. and Mrs. M. T. (Doc) Reynolds and the widow of the late Cook Huddleston.

Carol Moore, Dallas, daughter of Ansel Moore is in the Burg visiting her grandmother Lenora Moore and her aunt and family — the Gene Laniers. For the first time in her young life Carol got to ride in the Grand Entry of a rodeo. This highlight in her life occurred the 10th and 11th at the Forestburg rodeo. Carol was so elated over all this she even purchased a brand spanking new pair of cowboy boots for the event.

Cleo Lanier says things have been real peaceful with her lately. Did find out that Cleo, Edith Self, Frances Brewer, and Mae Degraffenreid attended the revival meetings at the Baptist Church in Greenwood a couple of evenings.

Mr. and Mrs. Dave Roberts, New Harp, and Mr. and Mrs. Bill Roberts of Corpus Christi left the morning of August 1 for Norfolk, Nebraska. They made the trip to attend the funeral of Deemer Roberts, a brother to Dave and Bill. They made it back to New Harp safely on the 7th. We extend our sincere sympathy to both families for the loss they have suffered.

Met Gene Shears Sunday afternoon August 5, pulling his

mobile home to its new location close to his dairy barn. Gene was moving his home-on-wheels with a tractor — pretty good way to get the job done. Gene finally got Naomi, his wife, and his three sons close to their work. They can also help his aunt and uncle, the Horace Shears, enjoy the "scenery" and the aroma.

Woodrow Sirman of Forestburg was hurt when the butane truck he drives overturned between Bowie and Bridgeport. No other vehicle was involved in the accident which occurred August 7. Woodie was taken to Bridgeport hospital for treatment and care. He suffered a crushed shoulder and various bruises. At this writing he is at home in the tender loving care of his wife, Minnie. Get well before winter Woodie. It may sound rather morbid but you have never tried to get your mate to cut wood — if we don't have butane to burn.

Betty Reynolds had a "shot" at a Stanley party Thursday night August 9. Have been doing my best to convince Betty that folks in these parts don't care much for parties — Stanley or otherwise. Betty, being from California, is very socially minded. However, she is catching on to the ways here abouts. The evening of the party Betty's husband Bennett left the abode and went fishing. Guess he didn't care to be at home with a bunch of chattering women — not when he work with nothing but women all day at our local shoe factory.

If you have been driving between Muenster and Forestburg lately you have probably noticed an oil derrick raising its proud stance just north of the Burg. It is in the old Jones field that was a producer some years back. Perhaps Forestburg will boom some more. I suppose if it comes in a gusher Casey will have to let his belt out a couple more notches.

Wonder how many of you have noticed the trash someone dumped along the highway between Faith Sandusky's residence and the Barney Brogdon's. How could you miss it? 'Tis a mess it put it mildly. Can't understand why anyone would want to be so utterly thoughtless and inconsiderate of others — or want to mess up the countryside! Of course, we see litter and trash dumped along the highway almost anywhere. I, for one, think it terrible that people can be so lazy when there are dumping grounds, etc. for them to use. To me it is the height of being "down right sorry." With just a little trouble someone could find out who these people are. There is a fine connected to this and someday you trash-dumpers and litterbugs may well find a policeman knocking on your door. What excuse would you have to offer?

I have often heard that the hardest thing in the world to do is nothing. I would like to try it sometime just to see. I will probably never have the opportunity and for the life of me I can never think to ask Mark Landers if it is true.

Wife: "How can I get my husband to tell me about his business affairs?"
 Friend: "Ask him when he intends to buy a new car."

Grandpa observes that nature is generous. When we reach the sitting around stage of life, she provides us with more cushions.

EQUAL HOUSING LENDER

Gen. Sam Houston, when served his first helping of vanilla ice cream, is reputed to have said, "Madam, it is not my intention to slander your hospitality, but this here pudding is froze."

A happy vacationer, fresh out of ready cash, sent a check to a bank where he already was overdrawn with this accompanying note: "Having a wonderful time. Wish you would clear."

Karen Cecile Luke Becomes Bride of Richard Wampold

Nuptial vows were exchanged Saturday evening in St. John Berchmans Catholic Church in Shreveport, La., between Miss Karen Cecile Luke of Houston and Richard Lee Wampold of Baton Rouge, La. Parents of the couple are Mr. and Mrs. Norman J. Luke of Houston, formerly of Shreveport and Muenster, and Mr. and Mrs. Milford M. Wampold Sr. of Baton Rouge.

Mrs. Joe Luke of Muenster is the bride's grandmother. For her wedding the bride was attired in a silk organza gown which featured a sweetheart neckline of Chantilly lace, the lace also extending down the front of the bodice and skirt. The elbow-length sleeves ended in a ruffle of lace. Similar lace and ribbon applied in flower motifs circled the hemline and chapel train. Her fingertip veil of imported silk illusion fell from a demi-hat of silk with pearl-embellished lace. Her flowers were a white orchid surrounded by stephanotis and fresh ferns.

The bride's sister Miss Susan Marie Luke was maid of honor.

Miss Clare Lucy Borne, Mrs. Roche Lynn Ourso, Miss Leigh Ann Bultman of New Orleans, Miss Sharon Alizabeth Farmer of Slidell, Miss Carolyn Margaret Plough of New Orleans and Mrs. Walter George Monstour Jr. of Baton Rouge, sister of the groom, were bridesmaids.

They wore powder blue voile gowns with white flower motifs forming the square necklines and edging the brief sleeves and slightly raised waistlines. White sheer braid hats completed their ensembles. They carried nosegays of carnations, daisies, statice, baby's breath and roses.

The groom's father served as best man. William Glen Conley, Leonard Louis Kilgore III and Edwin Mark Evans, both of Baton Rouge, James Earl Bourg of Denver, Colo., Milford M. Wampold III of Baton Rouge and Norman J. Luke Jr. of Houston, brother of the bride, were groomsmen. David and Paul Borne were acolytes.

Wedding reception was held at the Shreveport Club.

After their honeymoon to Acapulco, Mexico, the couple will reside in New Orleans where the groom will attend Louisiana State University Dental School.

Mrs. Joe Luke made the trip to Shreveport with her son who stopped here Thursday enroute for her.

Other relatives at the wedding included Mr. and Mrs. Urban Endres, Mrs. Val Fuhrmann, Fred Fuhrmann, Miss Denise Walterscheid, all of Muenster, Mr. and Mrs. Herman Jungman and Mr. and Mrs. Bill Hertel of Seymour.

Mrs. Luke also was a guest at the rehearsal dinner Friday night at Smiths Cross Lake Inn where a cocktail hour preceded a steak dinner for 47 guests. She also attended a brunch Saturday at the N. J. Schaefer home.

Janet Dangelmayr Birthday Honoree

Janet Dangelmayr, 10 years old on August 7, was the honoree at an all-day outing at Katy Lake, Saint Jo. She and her cousins were guests of Dick Dangelmayr who hosted the day-long fun of boat riding and swimming. Cake and ice cream were birthday treats.

Guests were Donna, Carl, Steve and Dickie Trubenbach, Mike, Ronnie, Chris and Darrell Dangelmayr, and Janet's brothers Tommy and Shawn.

Hillcrest Manor Auxiliary Starts With 4 Members

Three volunteers reported last Wednesday as the first group of what is planned as an organized auxiliary to cheer patients at Hillcrest Manor.

Mrs. Leonard Endres, organizer, Mrs. Arlin Naegeli and Miss Sylvia Hoffbauer were at the home from 2 to 4 visiting in the rooms, reading to patients, writing letters for them, and playing dominoes with them. Another "charter member" Mrs. T. Voth was away on vacation but will be with volunteers in the future. More volunteers are needed. Plans are to visit the home each Wednesday from 2 to 4. Small items to give as bingo prizes also are welcome.

Anyone who can contribute a few hours a week to this worthy cause is asked to call Mrs. Endres, 4530.

Major Broome Is Army Comptroller

Major John M. Broome, recent graduate of the Army Command Staff College of Fort Leavenworth, has been assigned to the post of comptroller of the New Cumberland, Pa., army depot. His many assignments during his 14 year military career include 30 months in Germany, 13 months in Korea and 11 months in Vietnam. He has been awarded the Bronze Star Medal, the Joint Service Commendation Medal and the Army Commendation Medal with two oak leaf clusters. He graduated from the University of Kentucky with a BS degree in 1959 and from Syracuse University with a MBA degree in 1969.

Major Broome is the son of Paul Broome, Clarksville, Tenn. He is married to the former Juanita Wieler of Muenster. They have three children, Katherine 8, John 7, and Douglas 2.

Realtor's sign in front of farm house: "For Sale, Oleo Acres — one of the cheaper spreads."

Mr. and Mrs. Andy Wimmer, joined by Mr. and Mrs. C. J. Hellman of Hurst, took a float trip down the Rio Grande during their vacation last week. The 17-mile float trip provided spectacular scenery especially through Santa Elena Canyon, and thrills over the rapids. They headquartered at Villa De Lamenia near Old Mexico. Enroute home they toured the Big Bend country. They returned Sunday after being away four days.

Seattle, Victoria On Hoenigs' Tour

Mr. and Mrs. Joe Hoenig returned Tuesday afternoon from a flying vacation that took them to Washington State and Canada.

Leaving last Wednesday from Dallas in company of their son Rupert Hoenig and sons Scotty, Wally and Randy of Carrollton they flew to Seattle where they were met by a friend of Rupert's and made a tour of the Boeing Airplane factory. Rupert and sons returned home the next day.

Mr. and Mrs. Joe Hoenig spent the following day on a boat excursion to Victoria, British Columbia, Canada. They were among some 3000 people on the tour. One of the highlights after leaving ship was touring the Butchard Gardens.

Another day they toured Seattle including the Space Needle and Mt. Ranier, then located some relatives of the Koelzer family, got acquainted with them, and were guests in their home before flying back to Dallas.

Mrs. Jerry Fette is a candidate to graduate "cum laude" from Baylor University Saturday, August 18. Her grade point average is 3.8 out of a possible 4. She will teach sixth grade at Lorena next year.

Society Sponsors Shower for Local Benedictine Nuns

Members of St. Anne's Society at the August meeting made plans to again sponsor the community shower for Muenster's Benedictine Sisters. It will follow the procedure of recent years in which donors place their gifts for the convent pantry and locker in grocery carts at the four local food stores. Store owners will make delivery. There will be no social event in connection with the shower.

Other activity at the meeting conducted by Mrs. Al Hess, president, included reports on the recent state convention of the Catholic State League in Amarillo, plans for a farewell courtesy co-sponsored with St. Joseph's Society for Father Leonard Wangler, spiritual adviser, and reading a letter from the Denton State School in which the faculty asked to visit at a meeting and show films of the institution. Members approved and will have this feature as a program at some future meeting.

Father Leonard spoke briefly and Mrs. Jake Wolf won the door prize.

Two camels were trudging along, side by side, in a caravan crossing a burning desert. Finally, one camel looked at the other furtively and said: "I don't care what anyone says. I'm thirsty."

NEWS OF THE SICK

BIRTHS

Mr. and Mrs. Raymond Hoenig of Lindsay announce Gretchen Cecilia, seven pounds 12 ounces, born at Gainesville Hospital Thursday, Aug. 9, 9:17 p.m. Welcoming a baby sister are Carla, Aaron, Colette, Shawn, Quintin and Mark. Counting another grandchild are Mr. and Mrs. Joe Hoenig of Muenster and Mr. and Mrs. Joe J. Neu of Lindsay. Mrs. Jos. F. Neu of Lindsay has another great-grandchild.

Mr. and Mrs. Wayne Cler of Gainesville announce a daughter, seven pounds one ounce on arrival at Gainesville Hospital 10:05 a.m. Monday, Aug. 13. She's a sister for Tony and Tammie; a grandchild for the Werner Cler and Joe Russells of Muenster and a great-granddaughter for Mrs. Nick Yosten, Muenster, and Mrs. J. S. Russell, Gainesville. The newcomer has been named Amy Denise.

Mr. and Mrs. Robert Russell proudly announce their first son, a brother for Carrie. The seven pound eight ounce boy was born at Muenster Hospital Tuesday, Aug. 14, 5:48 a.m., and made the Joe Russells grandparents for the second time in two days. Mrs. Herbie Herr of Gainesville has another grandson and Mrs. J. S. Russell of Gainesville has added another great-grandchild.

Koesler Family And Guests from Germany Reunion

Reuniting with a covered dish supper and German conversation Tuesday night had the Koesler family and their guests from Germany together at the home of Mr. and Mrs. J. D. Caplinger for the lawn party.

Father Franz Ullerich and his sister Miss Maria Ullerich of Biberach, Germany, who spent several days here this week had an opportunity to meet again with Father Leo Koesler and Sister Corrine Koesler who visited them on European trips, and to get acquainted with the rest of the relationship.

All the children of Mrs. Alfons Sr. were present, along with German-speaking relatives from Lindsay and friends from Muenster.

Present with the host family, the pair from Germany and Mrs. Alfons Koesler Sr. were Father Leo Koesler of Subiaco, Ark., Sister Corrine Koesler of Laredo, Sister Mary Lin Koesler of Floresville, the Tony, Norbert and Alfons Jr. Koesler families of Muenster, and Mr. and Mrs. Tony Hermes and Randy of Lindsay. Also the Ricky Stewart family of Muenster and Airman and Mrs. Robert Caplinger, newlyweds, enroute to Keesler AFB, Biloxi, Miss.

Also Messrs. and Mmes. H. S. Fuhrmann and Harold Nortman of Lindsay, Henry Wiesman, Leonard Yosten and Ray Hess of Muenster.

Housewarming Is Surprise at Home Of Walterscheids

A surprise housewarming greeted Mr. and Mrs. David Walterscheid at their new home Sunday night.

Relatives planned the party and provided pickup foods. Those attending included the parents, Mr. and Mrs. John Kupper of Valley View and Mrs. Alfons Walterscheid and members of their families, and hospital personnel.

The group made a tour of the home, watched the honor couple unwrap gifts and cut a decorated cake. Made by Mrs. Jerry Walterscheid, it was topped with a golden key — a key to health and happiness in the new home.

Attend Jubilee Program of Church

Mr. and Mrs. Paul Fetsch were in Pep, Texas, for the golden jubilee celebration of St. Phillip's Catholic Parish on Saturday.

Three of Paul's sisters and their families, the Albuses, Leonard, Clarence and Fred, live there and attended festivities with them in company also of three other family members, Mr. and Mrs. Albert Fetsch and son Clarence of Munday, Mr. and Mrs. F. J. Fetsch and family of Level-land and Mr. and Mrs. Felix Fetsch of Hereford.

Headlining events were a jubilee Mass, a parade, fashion show, tobacco spitting contest, dinner and dance. Dinner included barbecued buffalo which was on the menu fifty years ago.

Mr. and Mrs. Fetsch left Muenster Friday and spent overnight with Mr. and Mrs. Leo Fetsch at Munday. Back at home Sunday they had as visitors in the evening the Al Flusches of Decatur. Mrs. Orlando Bonfiglio visited her parents Monday. She's the former Evelyn Fetsch.

Gail Fisher, Four Birthday Honoree

Gail Fisher, four years old Tuesday, celebrated her birthday at a party in City Park where her mother Mrs. Butch Fisher entertained assisted by Mrs. James Fleitman.

A pink and white ragdoll theme was carried out in refreshments of cake and punch and the youngsters enjoyed play equipment in the park.

Young guests were Kathie, Ginnie, Ronnie, and Julie Fisher, Rhonda and Chad Fleitman, Wendy Yosten, Patricia, Rose and Johnny Herr, Penni and Laura Hess, and the honoree's brothers Steven and Todd and her sister Tonya.

Gail's grandmother Mrs. John Fisher baked a special birthday cake that was the centerpiece for the family supper that evening.

Wright-Mosman Vows Set Sept. 8

Mr. and Mrs. Ray H. Wright of San Antonio announce the engagement and approaching marriage of their daughter, Miss Pamela Jean Wright, to Thomas Michael Mosman, son of Mr. and Mrs. John Mosman.

Vows are to be exchanged at St. Margaret Mary's Catholic Church, San Antonio, Sept. 8.

The bride-elect is a graduate of Highlands High School in San Antonio. She is currently completing her internship at Methodist Hospital in San Antonio and finishing her B.S. degree in medical technology from Texas Woman's University.

The prospective bridegroom received his bachelor's and master's degree in electrical engineering from Texas A&M University and is employed by Texas Instruments in Dallas.

Following the wedding, the couple will reside in Garland, where Mrs. Sylvia Granger, great-aunt of the future bride, resides.

Al Walters Have Canada Vacation

Mr. and Mrs. Al Walters' vacation this year took them to Canada to visit their son and family, the John Virgil Walters. Traveling with them were their son-in-law and daughter Mr. and Mrs. Bill Karr and sons David and Kenneth of Houston.

Enroute they went sight-seeing in Colorado Springs, Colo., and drove to the top of Pikes Peak, then visited Yellowstone National Park.

In Calgary, as guests of the John Virgil Walters, they were taken on extensive sight-seeing tours there and at Lake Louise and Pnaft Resort.

Returning they did more sight-seeing including Mt. Rushmore and the Badlands of S. D. They were away two weeks.

Couple Back in Lindsay

Mr. and Mrs. David Arendt and son Jeff are back in Lindsay after living in Hawaii while he was based there with the Army. They flew into California Sunday and Mrs. Arendt and son continued to Dallas where her parents the Alvin Loerwalds met her Monday at Love Field at 6 a.m. David reported to Fort Ord for separation processing and flew into Love Field Tuesday. His parents the Andy Arendts met him at the airport.

Free and Reduced Meals Available At Both Schools

An opportunity for children of low income families to receive free and reduced price meals is offered again this scholastic year at both local schools. The announcements were made this week by Father Placidus Eckart, superintendent of Sacred Heart School and by L. B. Bruns, superintendent of Muenster Public School.

They indicated that parents of all students are receiving letters explaining the program plus a table of eligibility standards listing the maximum family income relative to the number of children under which children can qualify for the free or reduced price lunch.

For instance, a family with one child and an annual income of less than \$2,740 can qualify for free meals, and up to \$3,280 it can qualify for reduced price meals. A family of six children can qualify for free meals if the income is under \$6,890, and for reduced price meals if the income's under \$8,260.

The program provides that applications at both schools are subject to review to determine eligibility — by the principal at Sacred Heart and by the superintendent at the public school. In case parents are dissatisfied with the ruling they may appeal to Father Placidus at Sacred Heart and to the school board at the public school. Information in the application will be regarded as confidential.

The reduced price applicable at both schools is 20 cents per meal. Regular charge for meals at Sacred Heart is 35 cents. At the public school it is 40 cents for students through grade 6, and 45 cents for older students and adults.

It pays to advertise with the Muenster Enterprise.

Get Honor Listing

Four students from Muenster have received honor ratings for the spring semester. Phyllis Bindel, daughter of Mr. and Mrs. Wilfred Bindel, is on the dean's list at St. Edward's University, Austin. To qualify a student must have at least a 3.20 point average. North Texas State University lists Karen Sicking, daughter of Mr. and Mrs. Leo Sicking as 4.0, or all "A"; Kathy Rohmer, daughter of Mr. and Mrs. Urban Rohmer, 3.5; and Pamela Stoffels, daughter of Mr. and Mrs. Herman Stoffels, 3.5.

VEE Vaccinations Urged for Horses

Horse owners who have not yet had their animals vaccinated against all three types of equine encephalomyelitis in 1973 should check with their local practicing veterinarians about a vaccination schedule, reminds County Extension Agent, Randy Jordan.

He reports that an outbreak of a disease thought to be a form of equine encephalomyelitis has occurred recently in an area north of Beaumont. Seven horses have died thus far, and although a confirmed laboratory diagnosis is still not available, it is possible that the disease is a form of sleeping sickness.

Jordan noted that local veterinarians have sent samples of blood and tissue for diagnosis to the Texas Veterinary Medical Diagnostic Laboratory and to the National Animal Diagnostic Laboratory in Ames, Iowa.

While it is highly possible that the disease is caused by either the Eastern or Western strain of equine encephalomyelitis, local veterinarians say there is no indication that the horse deaths have been caused by Venezuelan equine encephalomyelitis (VEE) that invaded Texas in 1971.

CYO Says Farewell To Father Leonard

Muenster Catholic Youth Organization combined a farewell party for Father Leonard Wangler with their regular meeting Thursday, Aug. 9. Their spiritual advisor will leave next week for Subiaco, Ark., to teach at Subiaco Academy. Punch and cake were served.

President Cheryl Bayer presided. Members discussed the Catholic State League convention. The society's Davy Krahl was named Mr. CYO at the state convention in Amarillo.

Six new members were present: Benny Bindel, Janet Henscheid, Julia Bayer, Monica Hartman, Ramona Walterscheid, Gloria Hess.

New System Tire Rotation Adopted By Safety Group

Washington, D. C. — A new system of automobile tire rotation for maximum safe tread life has been adopted by tire industry experts, the Tire Industry Safety Council reports today in a new edition of its "Consumer Tire Guide."

Using the new system, bias and belted bias rear tires should be moved straight forward, and front tires criss-crossed to the rear wheels. The old rotation system was the reverse, front tires moved straight back and rear tires criss-crossed forward.

The new Guide also includes a rotation pattern for radial tires.

Radials should be exchanged front and rear on the same side of the automobile, the experts say. They should never be criss-crossed.

"Proper rotation procedures are spelled out in detail in the new Guide primarily because they are an important tire safety precaution," said Council Chairman Malcolm R. Lovell, Jr.

"Premature and uneven tire wear can cause poor steering response and possible sudden tire disabement," Mr. Lovell explained.

"To realize the full potential of tread life, tires should be rotated at 6000 to 8,000 mile intervals," the new Guide says.

"The first such rotation is by far the most important in setting the stage for long even tire wear," the Guide emphasizes, adding, "In some instances, if irregular wear begins to develop, rotation will be advisable at less than 6,000 miles."

The Guide says that inflation should be rechecked after rotation to get proper front and rear pressure relationship.

Rotation time is also a good time to inspect tires for damage and to remove foreign objects embedded in the tread, the Guide suggests.

The Guide cautions that if different types of tires are used on front and rear axles, (Continued on Page 10)

State Meeting of Rural Co-ops Airs Energy Shortage

More than 700 of the state's rural electric cooperative leaders met August 8-10 in Houston to discuss future problems and solutions to the shortages of energy in the state and nation.
The occasion was the 33rd annual membership meeting of the Association of Texas Electric Cooperatives — this year with the timely theme of "Achieve the Impossible . . .

Langdon that low-cost energy is no more. The change from an energy based on use of petroleum products to one based on coal and nuclear power must come within the next 20-30 years, the engineer added. He cited fusion nuclear energy as the ultimate answer.
Another major speaker, Robert L. Armstrong, commissioner of the Texas General Land Office, pointed to another roadblock in the energy shortage problem, namely red tape from governmental regulatory bodies.
"The government has a vital role to play in assuring both adequate supplies of energy and protection of the environment, but it must do both with the utmost speed so neither side will be left hanging in mid-air," Armstrong said.
Voting delegates to the TEC annual meeting recommended several solutions to the energy crisis in a resolution calling for massive research and development of the fast breeder nuclear reactor. The resolution also called for prompt in-

stallation of the Alaskan gas and oil pipelines and for the open development of the nation's coal as electricity-producing resources.
In another resolution, delegates urged the expansion of Rural Water Supply Corporations in Texas to meet the water needs of rural residents. They also promised support for Amendment Number 1 on the November 6 special election which would raise salaries for state legislators.

Again!"
In a major convention speech, Jim Langdon, chairman of the Texas Railroad Commission, laid the blame for petroleum shortages squarely on the U.S. Congress.

Just as with farmers who recently had to kill baby chicks, the oil industry has been burdened with rising costs which exceed the government-fixed prices nationwide that it can charge for its product, Langdon said.

But the most far-reaching implication of the fuel predicament, Langdon added, is that fuel consumers have reached the end of an era of low-cost power as our traditional energy sources dwindle in this country.

Charles Robinson, engineer with the National Rural Electric Cooperative Association in Washington, D.C., took issue with Langdon and put most of the fuel shortage blame on the oil industry itself.

"The oil companies are making more profit this year than earlier, so to demand a 10-cent hike in gas prices shows little concern for the welfare of the public in general," Robinsin said.

He agreed, however, with

ORDINANCE NO. 135
AN ORDINANCE MAKING IT UNLAWFUL FOR ANY PERSON TO SHOOT OR FIRE ANY TYPE GUN OR WEAPON THAT DISCHARGES A BULLET, PELLET OR MISSILE BY MEANS OF COMPRESSED AIR, SPRING, COMPRESSED GAS, GUN POWDER OR ANY OTHER TYPE OF PROJECTILE, INCLUDING ANY TYPE OF INSTRUMENT THAT PROJECTS A MISSILE BULLET OR

STONE OR ANYTHING THAT MAY BE CONSTRUED AS AN INSTRUMENT TO SHOOT WITH ON ANY PUBLIC STREET, ALLEY WAY, PARKS OR ANY OTHER PUBLIC GROUND OR WHATSOEVER KIND, AND PROVIDING A PENALTY FOR VIOLATION THEREOF A FINE OF NOT MORE THAN \$200.00.
BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MUESTER, TEXAS:

(1) It shall be unlawful for any person within the corporate limits of the City of Muester, Texas, to fire, discharge or shoot any gun or any such instrument which discharges a bullet, pellet, missile, stone, or any other projectile by means of compressed air, gun powder, spring or any other means of projection, upon any public street, alley-way, park or any other public place within the corporate limits of the city of Muester.
(2) Gun as herein defined shall mean any type of gun, pistol, air-rifle, air gun, B. E. gun, shot gun, rifle or any other type of instrument which may or can be used to fire a pellet, missile, stone, bullets of any kind.
(3) No wording herein shall restrict any person from firing or using a gun or rifle, or B. E. gun etc. in and upon his or her own private property, so long as such use does not interfere with the rights of any other citizens or so long as such use of such instruments does not disturb the peace of any other citizens or the general public. However, no wording herein shall extend the right of any person or citizens to use, fire or discharge a gun or any such instrument as herein defined, on his or her own property when the bullet, missile, pellet or the projectile is fired or directed into any other citizen's property whether the gun is discharged on the person's own private property or

otherwise. No wording herein shall extend to give any person or citizens a licence or right to damage, injure or otherwise harm the property of person or any other citizen, and the use of such gun or the firing or shooting thereof on private property shall be the full responsibility of the person using such fire arm or gun as herein defined.

(4) Any person, persons or citizens violating this ordinance or any portion thereof, or any provision shall be guilty of a misdemeanor, and, upon conviction thereof shall be fined a sum of not less than \$10.00 or more than \$200.00 and a separate offense shall be deemed committed for each incident or each violation of the terms of this ordinance.
(5) The fact that there is no adequate regulation to restrict the use of fire arms within or on public places within the city and that there is an urgent need for such regulation shall be sufficient cause and shall take effect as an emergency measure and be in full force from the date of its passage by the City Council as provided by law, and it is so ordained.

ORDINANCE NO. 50A
AN ORDINANCE AMENDING AND/OR CHANGING THE TIME STIPULATED IN AN ORIGINAL ORDINANCE NO. 50 HERETOFORE ADOPTED BY THE CITY OF MUESTER.

By a motion made by Alderman, Herbert Miller seconded by Alderman, Sue Endres all voting "aye" "noes" none. Original Ordinance No. 50 heretofore adopted by the City of Muester, regulating the operation and maintenances of places of amusement within the City of Muester is hereby Amended and Changed so that the hours of such places to remain closed shall be from the hour of twelve (12) midnight until six (6) a.m. All other clauses, paragraphs and stipulations in the said Original Ordinance shall remain intact and in full force as it is set forth and stipulated in the said Original Ordinance. Except, that this amendment shall be in full force and effect at 12 o'clock mid-night rather than 11 p.m. as it is inscribed in the said original ordinance.

The further part of this motion being that this amendment, and the Original Ordinance shall be taken together to relate the regulation and law pertaining to the closing time of all places of amusement as defined in the said Original Ordinance.

This action and Ordinance Amendment is declared to be an emergency for the public peace, health, safety and general welfare of the citizens, and the regulation requiring the reading of ordinances on various and several times is hereby suspended, and this Ordinance shall become effective upon its adoption and final passage by the City Council of the City of Muester, and upon the required publication thereof.

Passed, Approved and Adopted by the City Council of the City of Muester, Texas, this the 6 day of August A.D. 1973.

Donna Beyer and Dean Smith Are Married at Mass

Miss Donna Beyer became the bride of Dean Smith during Nuptial Mass in St. Mary's Church, Gainesville, Friday evening. Father Bede Mitchel was celebrant and also performed the double ring ceremony.

Daughter of Mr. and Mrs. Lambert Beyer, the bride graduated from Gainesville High and attended CCJC and Texas Woman's University.

Son of Mr. and Mrs. A. B. Smith, also of Gainesville, the groom attended Gainesville High, CCJC, and NTSU and is now enrolled in Southwestern State College at Weatherford, Okla., where the couple will make their home.

Given in marriage by her father, the bride wore a wedding gown she designed. Of embroidered organza sprinkled with seed pearls over satin it featured a fitted bodice covered with a pelumped jacket buttoned in the front and at the wrists of the sheer sleeves. Satin cord circled the waist from which a full skirt fell to a chapel-length train. Bridal illusion formed her chapel-length veil attached to a satin covered hat in a southwestern style. She carried a bouquet of gardenias, stephanotis and English ivy.

Misses Mary Jane Beyer, a cousin, maid of honor and Miss Becky Luttmer, another cousin, as maid of honor and bridesmaid, wore coral knitted fitted jackets with white eyelet trim topping coral gingham A-line skirts with a deep self ruffle over a white eyelet ruffle.

Miss Glenda Beyer, sister of the bride, was junior bridesmaid in a floor-length gown with white eyelet bodice and coral gingham skirt with matching sash tied in a bow at the back. A deep ruffle of gingham over eyelet edged the skirt.

All attendants wore coral bonnets with eyelet ruffles framing the face and tied under the chin with a gingham bow. They carried white wicker baskets of spring flowers.

Ronnie B. Smith of Dallas was best man for his brother and Nicky Otts of Weatherford was groomsmen. A. J. Beyer, brother of the groom, and Carey Jenkins were ushers. Kirk and Kyle Graham were Mass servers.

Miss Patsy Spaeth was organist and accompanied Jim Lawson, soloist. He sang "Day by Day," "The Twelfth of Never," "Wedding Song," and "Mother at Your Feet."

Wedding reception was held in the KC Hall. The bride's table, covered with lace held lighted tapers in candlesticks used at the Beyers' wedding and which were gifts of the bride's great-grandparents. Misses Brenda and Carol Beyer, bride's cousins, served the wedding cake which was cut by Mrs. Henry Spaeth. Rice bags were distributed by Miss Penne Milroy of Lewisville and Mrs. Carol Morris of Dallas. Miss Maggie Davis of Houston and Miss Marie Butler of Denton registered guests. For their wedding trip to New Orleans the bride wore a white eyelet dress with navy and white accessories.

A Russian recently broke all existing records in the 100-yard dash, the 440, the mile and the marathon. Then they caught him.

Grandpa says every married man should try to forget his mistakes. There's no use in two people remembering the same thing.

Local News BRIEFS

Mr. and Mrs. Steve Kralicke have returned to Atlanta, Ga., after a two week-vacation. They spent the first week in Houston with former college friends and then came to Muenster to visit their parents

the Bob Swirczynskis and Martin Kralickes. When they left David Stormer and Kevin Swirczynski flew them from Gainesville to Love Field where they boarded a jet for Atlanta.

Mr. and Mrs. George F. Hartman of Elmhurst, Ill., stopped in Muenster Sunday to make pop calls on relatives of the Hartman and Fuhrmann families. They had attended the Moser family reunion Saturday afternoon.

Mr. and Mrs. Ray Owen report a great time on their visit in California, seeing their children and grandchildren and places of tourist interest. While visiting the Jim Owen family in San Diego they all went on a boat excursion. While houseguests of the Jerry Henscheids at Stanton they were all together for a day at Disneyland. The Henscheids took them on a tour of Knott's Berry Farm and other sight-seeing trips. The Owens also enjoyed their flight, round trip, on big airliners.

Messrs. and Mmes. Joe Moser and Victor Koelzer and their children accompanied by Mrs. Leo Neusch of Lindsay were in Amarillo for the wedding of a relative Miss Lois Wink. When they returned they were accompanied by Leo Neusch who had spent two weeks with Amarillo kin. He made the trip going with the Harold Knabe family when they were there on vacation.

Mr. and Mrs. John Yosten and Mrs. Harvey Schmitt were among guests at the wedding of a friend, Miss Janey Morrow and Fred Musacchio in St. Maria Goretti Catholic Church at Arlington Friday 8 p.m. Mr. and Mrs. Willard Hartman of Killen and Mrs. Keith Tompkins and family of Arlington also were among guests. Miss Judy Tompkins and Mrs. Mike Fedor were in the wedding party.

Mr. and Mrs. Teddy Miller, Brian, Darrell and Amy of Plano spent the weekend as guests of the Allen Reiters. They took nieces Janet and Tammie Reiter back to Plano with them for a vacation visit and left Brian for a visit with his grandparents, the J. H. Wimmers.

Mr. and Mrs. Regi Bayer have named their new daughter Kristi Ann. She was baptized Sunday, Aug. 5, in Sacred Heart Church by Father Leonard Wangler. Attending as godparents were Mr. and Mrs. Henry Starke. Others at the ceremony included the baby's parents and her sisters and brothers Connie, Ronnie, Kimberly and Chad.

It's a tough world for the American businessman. Every time he comes up with something new, the Russians invent it a week later and the Japanese make it cheaper.

"I need a job, Senator," insisted the voter from the lawmaker's home constituency.

The Senator thought for a moment.

"Well, I'll tell you," he said, "there aren't any jobs available. But here's what I'll do. I'll get up a committee to investigate why there aren't any jobs. And you can head that committee."

Wallace Hackers Newlyweds Make Gainesville Home

Mr. and Mrs. Wallace Hacker are at home in Gainesville following their wedding trip to Florida. They were married August 4 in St. Mary's Church at Gainesville with Father James Gillespie officiating. The bride is the former Miss Rita Faye Graham.

Parents of the couple are Clarence Graham and the late Mrs. Graham of Gainesville and Mrs. Lucy Hacker of Lindsay and Martin Hacker of Valley View.

Presented by her father, the bride wore a formal gown of white Chantilly lace over satin. Tiers of lace formed the skirt and overlaid an inset of pink satin in the back that formed a chapel-length train. A pink satin ribbon marked the fitted waistline. Lace edged her chapel-length mantilla and she carried a crescent-shaped bouquet of pink roses, pink daisies and gypsophila.

Mrs. Brenda Mages of Dallas, sister of the bride, was matron of honor, and Misses Sheila and Virginia Graham, also sisters, and Carol Shasteen, niece of the bride, were bridesmaids. Brenda Rao was junior bridesmaid. The matron of honor, junior bridesmaid and Miss Brenda Graham wore pink flocked organza

Empire gowns and pink picture hats and carried bouquets of pink carnations. The other two attendants wore identical ensembles in blue.

Leonard Hacker was his brother's best man. Alfred Hacker, Don Gardner and Bobby Muller were groomsmen. Gary Graham, brother of the bride, was junior groomsmen. Kyle and Kirk Graham, bride's cousins, were candle lighters.

Denise Prescher, groom's cousin, was flower girl and Rick Sandmann was ring bearer. Larry Sandmann and J. D. Luttmere were ushers. Mrs. Annetta Earle was organist, and Miss Debbie Maniss was vocalist.

Wedding reception was held in the KC Hall where Mrs. Cecil Thomas and Miss Karen Reardon registered guests. Mrs. Henry Voth Jr. served wedding cake.

The bride attended St. Mary's School, Gainesville High and CCJC. The groom is a graduate of Valley View High and is employed by Carl Kemplin on his dairy farm.

I'll say one thing for my son: He has no hang ups. Everything he owns is on the floor.

Lindsay News

LINDSAY — Altar boys of St. Peter's Parish were treated to their annual outing Sunday afternoon. They were at Muenster City park for a swim party and weiner roast.

Father Damian Wewers was

in Fort Smith, Ark., for jubilee ceremonies at St. Scholastica Convent. His niece Sister Adrian Wewers observed her silver anniversary. Father Placidus Eckart of Muenster went with him. His aunt Sister Geraldine Adams was a golden jubilarian.

Mrs. Albert Klement is back at home on the mend after undergoing major surgery August 1 in Gaston Avenue Hos-

pital at Dallas.

With the Vernon Badgetts for a Sunday visit were his sister and brother-in-law the Nick Mackeys and daughter Tammy of Durant, Okla.

Karen Loerwald, formerly of Austin, is now employed at Gainesville Hospital. She is the daughter of Mr. and Mrs. Alvin Loerwald.

Mr. and Mrs. Gerald Metzler, Roy and Debbie, spent nine days vacationing in Colorado, sight-seeing in the Colorado Springs and Denver areas and visiting Mr. and Mrs. Clarence (Duich) Metzler in Pagosa Springs.

Michelle Pelzel had a week's vacation with her cousin Dana Weber at Pilot Point. When her parents, the Gene Pelzels and Matt went to get her they had supper with Dana's parents the Don Webers. They also visited Gene's grandmother Mrs. Ed Blumberg, his parents the John Pelzels and his brother Bobby Pelzel and family.

Mr. and Mrs. Henry Schroeder took a four-day trip through East Texas, highlights including an Indian Reservation in the Big Thicket and fishing on the Lake of the Pines. Returning they stopped in Paris to visit his aunt, Sister Tarcisia Schroeder.

Mr. and Mrs. Herbert Schmidtkofer have had as recent guests out of state friends. The E. C. Cryers and children came from Ulysses, Kansas, and the Herman Dyes of Keyes, Okla.

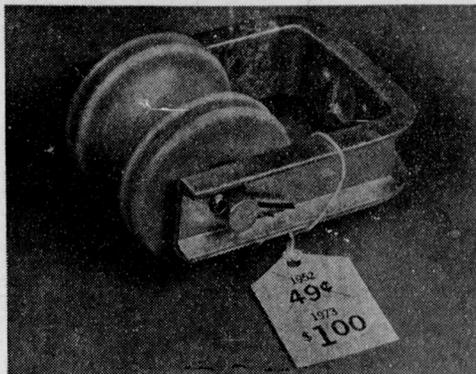

Mrs. Henry Kuhn Sr. has made the acquaintance of a new grandson, Jayson Brian Barentine, son of Staff Sgt. and Mrs. Charles Barentine who live in Del Rio, Texas. She visited the family including the new baby's brothers Danny and Kevin. Jayson was born July 12 weighing eight pounds and 11 ounces.

Seven members of Lindsay High annual staff went to Dallas recently to visit Taylor Publishing Co. They made a tour of the plant and were treated to dinner. Mrs. Mary Holland, sponsor, accompanied Carol Zimmerer, editor; Melinda Bezner, assistant editor; Donna Zimmerer, Karen Hoberer, Janette Hundt, Shelley Schroeder and Sharon Hess.

"How do you do, my dear?" said the old lady to the little girl.

"Quite well, thank you," was the polite reply.

There was a pause and then the old lady asked, "Why don't you ask me how I am?" "Because," said the child calmly, "I'm not interested."

When costs go up, solving the problem isn't easy for TP&L

Texas Power & Light Company's costs of bringing you dependable electric service have risen drastically in recent years. And, they're still going up.

For example, TP&L uses thousands of racks... a small but essential piece of hardware which is attached to poles as a support for power lines. In 1952, the price of a rack was only 49¢. Today, the price is \$1.00.

In 1952, TP&L spent about \$23 million on new generating plants, lines and other facilities needed to produce and supply electric power. In 1972, construction costs amounted to almost \$110 million. This increase was brought about partly by the increasing demand for electricity and partly by inflation. In recent years, environmental and esthetic considerations have added new costs.

Power plant fuel, a major cost item to TP&L, has gone up in price more than 500% since 1952.

Texas Power & Light, and most electric utility companies, have a solid history of keeping electric rates as low as possible, consistent with good service. In fact, the average cost per kilowatt-hour for residential electricity has dropped from about 4¢ in 1952 to about 2¢ in 1972.

However, if reliable electric service is to be provided in the future, rising costs must eventually be passed on in the form of increased rates to the consumer.

Fr. Bede Mitchell is in Lindsay as Assistant Pastor

Father Bede Mitchell, formerly assistant pastor at Sacred Heart Church, Muenster, has moved in as the new assistant at St. Peter's Church. Two Masses are now celebrated each weekday, one by Father Bede at 6:30 a.m. and one by Father Damian at 7:45 a.m.

A native of New Orleans, Father Bede attended Subiaco Academy, College and Seminary and made his profession Sept. 8, 1919. He was ordained May 21, 1925 in Little Rock and received a Masters degree in philosophy from Notre Dame in 1926.

Father Bede served as assistant at St. Anthony Church, Ratcliff, Ark., and St. Edward's in Little Rock from 1926 to 1928. He taught philosophy and moral theology at Subiaco College and Seminary the following ten years and taught at Corpus Christi Academy in 1938-39.

He served as pastor of Sacred Heart Church, Charleston, Ark., from 1939 to 1941 and was novice master at Subiaco from 1941 to 1943. He was rector of the seminary and a teacher at the seminary from 1943 to 1950. The next three years he was assistant at St. Edward's in Little Rock and after that taught at Laneri High in Fort Worth to 1957.

He was chaplain at Clarksville Hospital from 1957 to 1959 and then pastor at Sacred Heart, Charleston, 1960-1967. Since 1968 until coming to Lindsay he was assistant at Sacred Heart Church in Muenster.

The Watergate investigation has recessed for several weeks and most viewers hope they have seen the last of it. The hearing has brought before the public the fact that big time politics are akin to the Mafia. Anything goes and drop the man who gets caught or spills the beans. Of all our elected officials just how many could come out clean in a thorough investigation? It's all so obvious when after a few years the politician becomes wealthy although his only visible income is his salary.

President Nixon's use of government money to improve his properties in San Clemente, Key Biscayne, in the Bahamas; his daughters rent house in Maryland, and the extra expense it cost to have staff facilities nearby is going to hurt him more than Watergate. When the cost of this improvement was first questioned the GSA said the cost was \$39,525. The figure was later changed to \$1,383,889, but now it's around \$10,000,000. The President has two homes furnished to him, the white house and Camp David. Should he want to vacation in Florida or California, the military has places available where he would be secure and where he could spend that time in comfort. When Harry Truman was president he vacationed annually in Florida — at a naval base. President Eisenhower vacationed in California using the home of a wealthy friend. It's so obvious the President has used his office to improve his personal properties which will be very profitable to him when he leaves office.

The Jaycees were disappointed in the turn out for their annual fish fry last Saturday night. The weather was ideal and the food delicious.

Jennifer wore the baptismal dress worn by her sisters Rhonda and Cheryl at their christenings. They attended the service with their parents.

"Sallie Mae" Has New Opportunities In Student Loans

A giant step in student opportunity was taken by Congress in 1972, when, as part of the Higher Education Act, provision was made for the establishment of a government sponsored private corporation, known as the "Student Loan Marketing Association" — which has been dubbed "Sallie Mae."

The new corporation — similar in concept to those in the fields of housing (Fannie Mae) and outer space (Comsat) — is being financed by lending institutions such as banks, savings and educational institutions, through the sale of an initial 700,000 shares of common stock. The funds thus obtained, starting this Fall of 1973, will be available to lending institutions dealing in student loans.

Through its government charter, Sallie Mae is authorized to purchase, service, sell or otherwise deal in such student loans. A distinguished board of Directors consisting of 21 members representing financial institution, educational institutions, and the general public is headed by Edward A. McCabe, partner in the Washington-Chicago law firm of Hamel, Park, McCabe and Saunders.

The way it works; students, wishing to borrow money to finance their education, apply at existing sources — such as their college lending program, local banks, or whatever. The lender processes the application and can immediately disburse the funds to the student. The loan can either be retained, sold to Sallie Mae, or presented to Sallie Mae as collateral for additional student lending purposes, with the whole process backed by the full faith and credit of the U. S. Government.

The end result, explains HEW Secretary Caspar W. Weinberger, is that "a substantial flow of new funds could be created."

"Sallie Mae" is a bona-fide investment in America's future. It will open the way for thousands of qualified students to achieve what would otherwise be an impossible dream.

"Yeth!" came the reply and the phone was slammed down.

The proofreader thought a minute and turned to correct the copy to read, "two sows and 25 pigs."

Confetti - - -

Probably more so it was a matter of preferring fancy eating over plain. Thresher meals in the neighborhood rings traditionally were Sunday dinners. At times it seemed as though housewives were competing for a record of setting the most lavish table. As far as the worker was concerned it was added compensation for a rugged job.

Necessity prompted an emergency schedule all through the threshing season. The payoff for a year's work was out in the field and every farmer was eager to get his crop in before bad weather took its toll. Consequently the day stretched from dark to dark. Workers ate breakfast and harnessed their teams and were ready to go at the crack of dawn. Ending the day they invariably un-harnessed and fed teams after dark before heading for home or bedding down in the straw pile. Despite all that the youngsters frequently found time for a plunge in the creek before going to sleep.

It was tough, but it had appeal. Sort of like the torture in football practice, people were ready for it every year and later felt proud of having

toughed it out. It's quite a departure from modern farming ways in which just a few people get a lot more accomplished without even working up a sweat. Nowadays a combine does all that used to be done by the binder, the shocker, the bundle pitchers and haulers and the threshing machine. Furthermore it cleans up a crop in about the same time a thresher used to. And it does so by gliding comfortably over the field on rubber tires while the operator keeps cool in an air conditioned cab. And when the combine's hopper is full of grain it is unloaded into a cool air conditioned truck.

That's how far American agriculture has advanced in just a few years. As pointed out last Sunday, the Lutkenhaus thresher has been retired since 1960. Also pointed out was the fact that threshers were not phasing out in the thirties, as the Enterprise guessed last week. The better guess is that combines started taking over in the mid forties and finished it by the mid fifties. The Lutkenhaus machine was run exclusively by and for the family its last three years.

And now, lest someone gets the notion that threshing is

the toughest farm job ever, another remark is in order. Old time silo filling was a lot more rugged. Just ask the man who's been on both jobs.

In silo filling the big strain was in walking beside a wagon, picking up a heavy maize or corn bundle every ten to twelve feet and swinging it to the wagon. The work got progressively harder if bundles were longer and more tangled, and if a fast walking team of horses made a person run from one bundle to another. After that unloading the heavy, poorly stacked bundles from the wagon into the ensilage cutter was slightly easier but still far from child's play.
