

MUENSTER ENTERPRISE

VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 OCTOBER 12, 1973

NUMBER 47

Would you believe that a million gallons of gasoline are wasted every year in North Texas by spillage from automobile tanks because of the practice of "topping off" tanks when they are filled?

The current bulletin of North Texas Lung Association, formerly N. Texas TB Assn., claims that this volume of waste applies only to its area and the cost amounts to over \$350,000 a year. That's bad but a greater tragedy is that 2,000 tons of pollutants are released into the atmosphere to cause lung damage.

That's what is behind a campaign just started by the Lung Assn. to reduce the waste as well as the pollution. It is giving stickers, to be attached to the gas tank cap or nearby, flashing the message "Don't Top-Off My Tank" to the filling station attendant.

As most of us know, a tank is usually topped until a bit actually runs over. And more loss often occurs if the car isn't run promptly, allowing expansion from heat to force still more overflow of the tank. The quantity may be very little, only a cupful or less, but it counts up fast when one realizes how many tanks are filled every day by every station. It's not surprising that the total in this area of the state alone is estimated at over a million gallons. And each of us can estimate that his share of the waste is seven to ten cents at each fill-up, says the Lung Association.

Furthermore we can estimate from the waste in our area that the nation's total waste must run near a hundred million gallons a year. The figure stuns us, and its more stunning in relation to the upcoming energy crisis.

All of which ought to convince us that the Lung Association has a good idea in asking the attendant to quit where the hose automatically cuts off. The idea should even appeal to the stations, some of which are already in short supply. Over the nation lots of customers can be made happy with what is being wasted.

A companion thought for all this is the economy advice that's being offered by oil companies nowadays. Reduce speed, avoid jump starts and unnecessary braking. The crisis will not be nearly as critical if everyone concerned will strive for the best use of the gasoline we have.

For a long time the politicians have been telling us about our outmoded state constitution and the need of bringing it up to date, but no mention has been made about outright changes of laws now appearing on our books. In fact, it's very doubtful that the re-writing proposal could have got any support whatever if the public had been told that present laws would be disregarded and the constitutional committee would just start writing from scratch. But that seems to be the situation we're running into.

A press release from Austin quotes Lt. Gov. Bill Hobby as predicting that there will be no "right-to-work" law in the proposed new Texas constitution. "It will be impossible for 'right-to-work' advocates to get the two thirds vote necessary to get it back in the constitution at next year's Texas Constitutional Convention," according to Hobby.

It's hardly necessary to explain that some sort of convincing is under way to remove the law which in Texas, as in eighteen other states, allows a person to hold a job without being a union member. It does not outlaw the union but only states that a union cannot require anyone to become a member and pay dues in order to keep his job.

The new constitution apparently will not have that guarantee for workers, from which it seems obvious that union leaders will be unhampered in exerting pressure to establish a union shop or closed shop - after which an employee is just stuck. He pays his tribute and does as told or loses his job.

The significant point here is that a law which got on the books by regular legislative procedure is to be wiped off, without any legal authority, by biased or beholden politicians who would deliver workers into the hands of union bosses. Seemingly those people have no regard for all the workers who want to be free. Nor are they impressed by the fact that about three fourths of the working people are not members of unions, and many

Pavement Project Under Way on 15 Blocks of Street

A street paving project which has been under way here for several days is about one third finished. So far it consists of a seal coat job on Pecan Street on the six blocks from the highway to the cemetery.

Other projects in the plans, according to City Superintendent Steve Moser, are one block on Sixth from Pecan to Hickory, two blocks on Fourth from Main to Walnut, three blocks on Oak from Second to Fifth, and two blocks on Maple from Fourth to Sixth. Also probable are repairs followed by surfacing on several streets, as long as the paving fund of \$15,000 holds out.

Moser said the work is being done by Jim Foster Co. of Wichita Falls using a formula of crushed rock, cement and asphalt. The first course is bladed when applied so that humps and depressions from the old street do not show through on the new surface, then it is topped with a mixture using finer crushed rock.

One of the chief merits of the process is that the street seals against the curb and prevents the seepage which causes soft places below and eventual breakdown of the surface.

MHS Exes Will Have Homecoming Friday

Everything's set at Muenster High for homecoming festivities Friday night. High spots on the program are the Hornets football game with Newcastle's Bobcats, queen crowning ceremonies at half time, and a dance after the game.

Specially honored are the graduates of 1953 and 1963, who

Hornets Will Meet Newcastle Bobcats At Homecoming

There will be no let up in the pressure on Muenster's Hornets as they take on the Newcastle Bobcats in the MHS homecoming feature Friday at 8.

Information on the visitors' record is very scant here, being limited to last week's game with a hot team from Gore. Newcastle lost it 52-28, indicating that it has the scoring punch to give the Hornets some problems.

A possible indicator is the fact that the visitors had only a few seniors last year, so the team in general has a year of growth and experience since losing 22 to 13 to last year's Hornets.

As regards the Hornets, they too are stronger even though they are held to a 1-3 record to date. Their problem mostly is that they have been taking on too much power. Last week, for instance, they gave lots of competition to Lake Dallas, which had a strong advantage in size and speed. Coach Glen Richardson said he was highly pleased with their effort but disappointed by mistakes and a few tough breaks.

A problem for Friday is the possible absence of Randy Wolf who is nursing an injured arm. That arm is the reason for the Hornets' passing troubles last week. If he's out his replacement will be Mark Sicking, who piloted the team last week in its late scoring drive. He did a fine job in the rushing department, however he has very little passing experience. Other Hornets are up to par and ready to go.

KC Good Neighbor Award Is Event For Columbus Day

Final events in the local KC council's observance of Columbus Day will be held Saturday night and Sunday.

Saturday's event is group attendance at Mass in Sacred Heart Church during the service the council will make its annual good neighbor award in the spirit of ecumenical harmony to some local member of another faith. The Mass will be followed by a social hour at the KC hall.

Sunday will be mostly for the kiddies. It's a family day, 2 to 5 p.m., in the city park. In case of rain it will be transferred to the KC hall.

New Parish Hall Ground Breaking Ceremony Sunday

Sacred Heart Parish will have ground breaking ceremonies Sunday at 6:30 p.m. for its new Community Center Building according to a report in last Sunday's parish bulletin. Bishop John Cassata will officiate prior to confirmation services during the 7 p.m. Mass.

Father Placidus Eckart stated in the bulletin that architect's plans are about 95 per cent complete and have been approved by the bishop and diocesan building commission.

Bids for construction are due to be opened about mid-November and construction is expected to start in December.

PTA Meets Oct. 15

Muenster Parent-Teacher Association will meet next Monday, Oct. 15, in the school auditorium at 7:30 p.m. Guest speaker will be Mary Casteel of Lone Star Gas Company talking on the energy crisis in America. Refreshments will be served.

Paper Drive Saturday

SHH seniors will conduct a scrap paper drive Saturday, October 13, beginning 9 a.m. Persons unable to get their paper out may call 759-2552. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup.

County Adopts \$1,304,807 Budget

Members of the Cooke County commissioners court at an open meeting Monday adopted the county's biggest budget ever. Its total is \$1,304,807, almost \$300,000 higher than last year's.

Most of that increase reflects expected federal revenue sharing in the amount of \$231,000. Additional \$43,000 is expected from tax revenue from increased county valuations. No increase of tax rate is asked. The county continues to assess at \$1.02 per \$100 of valuation.

The record expenditures of the new budget include a 7 1/2 per cent increase in pay for all elected county officials as well as salaried employees. In addition it has a longevity plan providing \$5 per month additional pay for salaried workers for each year of service up to a maximum of 10 years. Many older workers will receive \$50 additional per month through the plan. It is scheduled to become effective on January 1, 1974.

Other anticipated expenditures are \$75,000 for urgently needed repairs in the courthouse and \$82,000 for a proposed new jail, also a payment of \$68,000 for the current county program for re-evaluation of county taxes. The total bill on that project is \$130,000.

County Auditor Tom Blount pointed out that the county continues operating on a cash basis, so the budget does not include any provision for paying debts. He also said that county valuations for tax have increased \$3.9 million during the past year because of industries and new home construction. Last year's total was slightly over \$60 million.

Principal items of expenditure are Road & Bridge Fund \$415,350, Road and Bridge Lateral Fund \$36,744, Administration \$849,621.

City Gets \$4,924 in Revenue Sharing
A check for \$4,924 has just been received by the city as its revenue sharing payment from the federal government for the first quarter of the present fiscal year. It is slightly more than a fourth of an estimated \$19,000 which the city is due to receive this year in the sharing program.

Highway 82 East Of Muenster Will Get Surface Job
Several highway improvement projects in Cooke County are included in a \$40.7 million program recently announced by the state highway department.

US 82 from Main Street of Muenster to Weber Aircraft Road west of Gainesville is due to receive additional surfacing. It is a 9.5 mile job and the estimated cost is \$104,700.

Other projects are surfacing on frontage roads of 1-35 from FM 922 to Denton County line, 4.6 miles to cost about \$23,400. Also widening with additional grading, structures and surface on FM 1199 from US 82 through Lindsay and back to US 82. This distance is 1.2 miles, estimated cost is \$49,900.

Also surfacing on 7.8 miles of FM 1201 at a cost of \$20,200 and 2.5 miles on FM 678 at a cost of 17,600.

The chains of habit are too weak to be felt until they are too strong to be broken.

1 Week Deadline Set for Campaign Of United Fund

This community's 1973 United Fund Drive got under way this week under direction of Ray Wilde as community chairman in cooperation with Gene Davenport as chairman of the county's rural drive.

Wilde is assisted by civics students of Sacred Heart School who delivered the campaign packets Monday and expect to return next Monday for the packets with remittances and pledges. The intention was to leave one with each business firm, all of which are asked to process the packets promptly and have them waiting for the Monday pick-up. Persons who were not contacted individually are asked to leave donations at a business house.

Relative to the drive Wilde said that this is an opportunity to give to several worthy causes at the same time, likewise a way of eliminating the need for several collections. All are asked to give generously and support the organization's good work.

The following agencies are listed as participating in the United Fund program this year: Red Cross, Boy Scouts, Council on Alcoholism, Camp Sweeney, 4-H, FFA, Campfire Girls, USO Muenster Youth Council, Salvation Army, Boys Club and Tri-Hi-Y.

The amounts allocated to them constitute the county's United Fund quota for the year, which is \$48,550. No quota has been set for Muenster, however drive personnel are hoping for over \$1600. Last year's amount was \$1636.

County FB to Have Annual Convention Thursday, the 18th

The annual Cooke County Farm Bureau convention to formulate policies for presentation at the state convention will be held next Thursday night, Oct. 18, in the Community Center building in Gainesville.

It begins with a catered supper starting at 7 p.m. Members are encouraged to come for that, however any who do not attend are reminded that the business session starts at 8. Super tickets are available at \$1.00 each from FB directors, at the FB office, or at the door.

The evening's agenda includes a welcome by President B. F. Almon. Reports on the Citizenship Seminar by Barbie Hess, Grant Krahl and Beverly Walterscheid and an address by Gene Davenport of Cooke County Electric Co-op, along with routine business and action on proposed resolutions.

Members are asked to propose any resolution which they regard beneficial to farmers or ranchers. Proposals can be submitted in person or by mail.

Resolutions adopted at the convention will be submitted to the state convention in Abilene on December 2.

Tigers Favored in Homecoming Tilt With Callisburg

Coach Steele and his Sacred Heart Tigers are confident of winning their sixth straight of the season when they entertain Callisburg's Wildcats at homecoming Saturday night at 7:30.

Comparative records of the two teams to date stack up very definitely in Sacred Heart's favor. The Tigers romped through five games taking all by long margins. On the other hand the Wildcats have the opposite kind of record. They were big losers in each of their four games.

Comparing scores in the case of one common foe, Callisburg lost 41-6 to Pottsboro whereas Sacred Heart nudged Pottsboro by a single TD margin in pre-season scrimmage. In that one Sacred Heart also came out ahead in first downs and total yardage.

Up to now Callisburg's big handicap has been inexperience. Players are mostly youngsters, including four freshmen, and they are improving as the season advances. Steele expects them to show more ability than in the early games, but not enough to cause serious problems for his boys.

Tiger performance continues to be gratifying. Coach Steele was highly pleased last week with their handling of the Trinity Christian job as the offense gained almost at will and the defense allowed very little yardage. Physical condition likewise is fine. Injuries are still limited to a few bruises.

Explosion Damages Needham Home

An explosion and fire in Ruth Needham's garage apartment caused extensive damage and sent a workman to Muenster Hospital for treatment of burns. Further damage was prevented by quick work of Muenster volunteer fire department. Mrs. Needham was not at home. She returned in the midst of the commotion and immediately took the worker to Muenster Hospital.

The explosion occurred Oct. 1 when a gallon of contact glue being used to put on new Formica topping on cabinets in the kitchen ignited from the water heater pilot. The workman from Gainesville picked up the flaming bucket barehanded and threw it from the room. Third degree burns on his hands and lesser burns on arms, one hip and left leg kept him in the hospital overnight.

Black smoke damaged the kitchen, living room and dining area. Fire burned an endtable and blistered doors. The loss is partially covered by insurance.

Discuss Making Movie

Mr. and Mrs. Ernest Medders have just returned to Horseshoe Lake, Ark., from New York where they met with officials of two major movie companies to discuss production of "The Medders Story" by Margaret Medders. They also consulted with a major publishing company.

City Garbage Collection Service Will Start Soon

The beginning of Muenster's garbage and trash collection service is only weeks away. Also it has been determined that the city will conduct its own operation rather than having the job done by contract.

That decision was announced last week by Mayor David Bright after he and other councilmen purchased a garbage truck from Metal Sales,

Inc. of Gainesville. The vehicle, a 1969 Ford chassis with a 20 cubic yard truck bed and packer, is a used machine formerly used by the City of Dallas. Originally priced at about \$9000, it was sold to the city for \$2200.

The date of starting the service now awaits publication of a city ordinance specifying frequency of collection, the items to be picked up, method of packaging, the service charge, etc. Those details and others related to the service have been under study for several weeks in ordinances borrowed by the council from several cities. The intention is to combine the best features from other cities into the Muenster system.

The matter of packaging apparently is settled. Experience of others has shown that dumping garbage cans into the truck requires work and time besides increasing problems with flies and odors. Bags are neater and easier to handle. Also, paper bags are preferred over plastic. Paper will decompose along with the garbage whereas plastic is a stable substance that may remain to cause later problems in the land fill.

The city's intention is to use the land fill method of disposal. Garbage is buried daily, preferably in a ravine, and the area gradually shaped up suitable for grazing or tillage use.

It is estimated that half the town can be cleared in one trip of the truck. Bags will be thrown into the side of the truck at the front and the rubbish will be compressed into the back by hydraulic pressure, thereby using the space to best advantage. At the dump ground the load is pushed out of the back. Two operators work with the truck, one to drive and the other to throw in the bags.

Four of the five who placed apparently were affected by stage fright. They made lower total scores than the week before. Jim Biffle of the 10 year group upped his original score by 21 points. The other four dropped from 3 to 33 points.

First place winners and their scores are as follows: Mike Bedrick, 8 year, 1st place, Zone 169, local 176, Dan Bezner, 9 year, 1st place, zone 184, local 217. Jim Biffle, 10 year, 1st place, zone 243, local 222. Chris Jaska, 11 year, 2nd place, zone 233, local 256. Joe Hoedebeck 13 year, 2nd place, zone 267, local 270. Mel Walterscheid, 12 year, is the only Muenster boy who failed to place.

The three first place winners will advance to the district competition held in Samuels Park, Dallas, at 9 a.m. Saturday.

Rain Measures .76

Wednesday night's rainfall, as measured at 7 a.m. Thursday on Steve Moser's weather bureau gauge was .76 inch. Added to 1.17 on October 6, this makes the months total 1.93 inches. The year's total is 39.71.

SH Homecoming Set Saturday Night, 7:30

All is ready for Homecoming '73 at Sacred Heart School Saturday, Oct. 13.

Headlining the program is football beginning at 7:30 p.m. with crowning of a homecoming queen at half-time and an after-game social and program sponsored by SH Alumni Association.

Winding up festivities for the teen crowd will be a dance for Muenster teen in SHH Gym. Music will be furnished by Roadapple.

Tiger squad members are

Jr. Elite Names Bernice Sicking New Plant Manager

In a general assembly at Jr. Elite Dress Factory Tuesday officials from Dallas announced that Mrs. Paul (Bernice) Sicking is the new plant manager and Miss Marie Zimmerer is assistant.

The announcement came from Herb Greenburg, vice president of IBJ Corporation in charge of production and Tom Cottone of the corporation.

Mrs. Sicking advances from a supervisor and is succeeding Mrs. Louis (Ola) Roberg as plant manager. Mrs. Roberg has accepted a position in production at the Dallas office. No other changes in personnel were announced.

The local plant currently employs about 90 persons.

Mrs. Larry Yosten and daughter Ann of Sulphur Springs were here for a visit Monday and took Mrs. Bob Yosten back with them for the week. They'll return Saturday. Mrs. Larry Yosten will be among those at SH homecoming. Her daughter Lanie, a senior, is a queen candidate,

poised to pounce on the Callisburg Wildcats and keep their season's record at win-all.

Pomp and ceremony will prevail at coronation time when a still unknown queen will receive her crown. Identity of Her Majesty is being kept secret until time for formalities.

Chosen by Tiger squad members, queen candidates are Seniors Peggy Hoedebeck, Doreen Pels, Beverly Walterscheid and Lanie Yosten. The student body selected the winner by secret ballot. The other three will be members of the royal court.

Also chosen by the squad are Princess Laura Kralicke, junior; Diane Kralicke, sophomore; and Sally Endres, freshman.

Pre-game activities include a parade up Main street to the stadium and a pep rally.

In the after-game attraction a social get-together will include a program honoring graduates of 1943, 1953, and 1963. Sponsored by SH Alumni Association headed by Joe Elderhoff, president, it will be held in the Parish Hall and will include refreshments. All Alumni members are invited.

Business Film on TV-2

A brand new documentary in color, "Independent Business Speaks Out" will be shown over Muenster Cable TV, Channel 2 at 8 p.m. on Monday, October 15. The half hour program is devoted to the question of whether or not, in view of current pressures and conflicts, small and independent business can survive in the seventies. Well known national personalities express their views on the subject, and the importance of the independent business sector in the creation of jobs.

Letters to the Editor

To the Editor: Some months ago I wrote a letter concerning a column I wished to see printed on "Organic Living".

a new way of life. There are many people who are deeply concerned about the quality of our food, and the dyes and preservatives used to make many foods attractive.

With this in mind, I hope to bring attention to the city council to consider a project for the city's garbage.

Other cities have used a special method to create compost, which in turn, can be used again by the gardener or farmer.

First of all I would like to commend Chief McDonald on the fine work he has been doing recently in Muenster.

I couldn't believe my eyes. Who are these people that thrive on the carelessness and mistakes of others?

70 to Be Confirmed
There are 70 candidates for confirmation to be held in Sacred Heart Church Sunday, Oct. 14, in rites following the homily of the 7 p.m. Mass. Bishop John J. Cassata will be here to officiate.

Sheree Iund Is Named Sweetheart Of Forestburg FFA

Sheree Iund, daughter of Mr. and Mrs. H. K. Iund, was elected sweetheart of the Forestburg FFA Chapter for the school year, 1973-74 during the chapter's second regular meeting, Monday, October 1st.

Miss Iund is a sophomore at Forestburg High School, active in the Future Homemakers of America and a starting forward on the Forestburg High girls' basketball team. She is the first of a mother-daughter combination sweetheart, as Mrs. Iund was a former Forestburg FFA sweetheart.

In the business session, other actions taken by chapter members present were:

John Woods, Russell Self, Chris Covington, Randy Shears, Charles Self, Charley Wells and Dwayne Schelester were raised to the degree of greenhand by chapter officers.

John Woods won the chapter creed contest judged by Clayton Fenoglio, Rusty Fenoglio and Jimmie Ezzell and received an official FFA pocket-

knife as an award. The budget for the 1973-74 was approved by members with estimated expenditures of almost \$5,000.

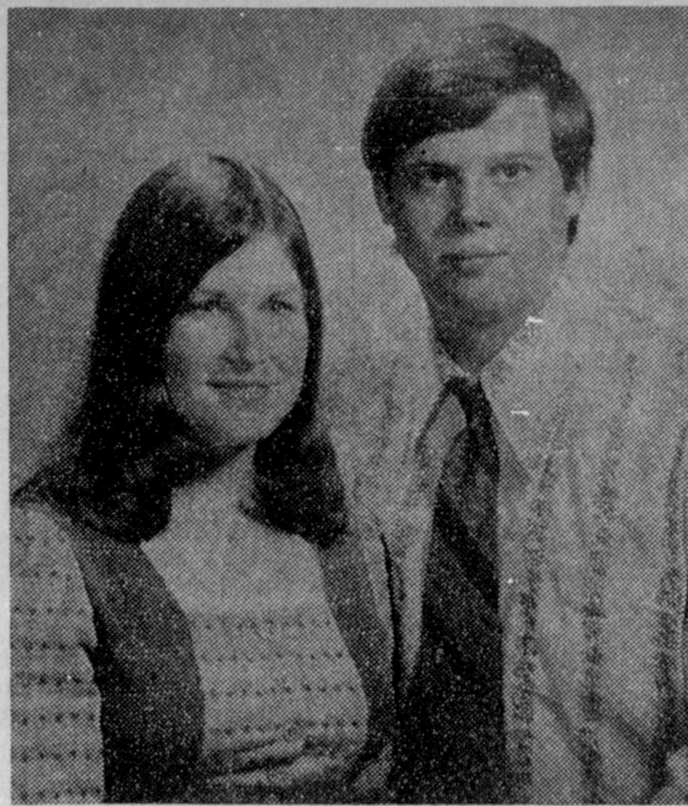

After the regular closing ceremony, the refreshment committee served cold drinks.

S. A. Truck Due Sept. 20

The Salvation Army truck is scheduled to make its regular monthly visit in Muenster on Thursday, Sept. 20. Clothing, household items and appliances are welcome. Persons with discards to give may call 759-4311 no later than the day before to have the truck stop at their homes or places of business.

Camp Fire Girls Meet

Muenster's sixth grade Camp Fire Girls and their leaders Mrs. Roy Hartman and Mrs. Joe Felderhoff have made plans to attend camp Oct. 26-28 at Camp Letoli. That was the principal discussion at their weekly meeting. Virginia Koelzer joined the group to bring membership to 11. Renee Wilde, president, presided, and Mrs. Hartman served refreshments.

BEN FRANKLIN
Anthony and Leona Luke

BIRTHS

Mr. and Mrs. August Felderhoff proudly announce their first child, a son born Sunday, Oct. 7, 2:35 a.m. at Muenster Hospital. He weighed seven pounds three and a half ounces. Happy first-time grandparents are Mr. and Mrs. Henry Droll of Pecos. And Mr. and Mrs. Hubert Felderhoff welcome another grandchild.

Mr. and Mrs. Anthony Knabe have welcomed a daughter, Melissa, seven pounds six ounces, born at Muenster Hospital Monday, Oct. 8, 12:45 p.m. She's a sister for Mark, Michael and Margie, a granddaughter for the Robert Knabes Sr., and the Earl Mooneys of Decatur. Mr. and Mrs. Mooney visited the newcomer Tuesday and she remained to spend the week with the family.

Mr. and Mrs. Claude Bayer are proud parents of a daughter, six pounds nine ounces, born at Muenster Hospital Tuesday, Oct. 9, 4:55 a.m. She has a brother Deano and a sister Amy. Grandparents are the J. H. Bayers and the Norbert Knabes. Mr. and Mrs. Matt Muller are great-grandparents again.

Mr. and Mrs. Richard Hesse of Gainesville announce a daughter, their first child, born at Muenster Hospital Tuesday, October 9, 8:47 p.m. She weighed nine pounds five and a half ounces. The grandparents are Mr. and Mrs. Meinrad Kesse of Muenster and Mrs. Irene Fitzhugh of Gainesville.

Mr. and Mrs. David Showell of Gainesville are parents of a daughter, seven pounds three and a half ounces, born 2:11 a.m. Tuesday, Oct. 9, at Muenster Hospital.

Mr. and Mrs. Ronald Murrell of Gainesville are parents of a son born at Muenster Hospital Tuesday, Oct. 9, 2:30 a.m., weighing eight pounds one half ounce.

Mr. and Mrs. Ronald Murrell of Gainesville are parents of a son born at Muenster Hospital Tuesday, Oct. 9, 2:30 a.m., weighing eight pounds one half ounce.

FB Head Opposes Laws to Control Farm Exports

The president of the Cooke County Farm Bureau, B. F. Almon, said today that if controls are imposed on agricultural exports, the result will be financial disaster for many farmers.

Almon made the comment in reference to legislation currently pending in Congress that would impose export restrictions.

The U. S. House of Representatives passed a bill (H. R. 8547) on September 6 to increase the President's authority to control exports of materials and agricultural commodities. The U. S. Senate is holding hearings on similar bills (S. 2053 and S. 2411).

Almon stated that the Cooke County Farm Bureau solidly supports the expansion of exports of agricultural commodities and the development of mutually advantageous trade with other nations.

Almon said consumers who are crying for export controls just don't understand the consequences of such action. "The intensity that we are involved in exports is not common knowledge to the consumer," he said.

According to the United States Department of Agriculture, the 1973 fiscal year export sales, which were 60 percent higher than a year earlier, required the output of 85 million acres of U. S. cropland — or the production of one of every four acres harvested.

The sharp rise in exports is contributing significantly to the expected increase in farm income from the record of \$20 billion in the calendar year 1972 to an estimated \$24 billion in 1973.

NEWS OF THE SICK

Mrs. O. D. Garland is a patient at Methodist Hospital in Lubbock where she underwent eye surgery Tuesday. She's in Room 318, will be hospitalized long enough to receive cards.

Word from Father Louis Deuster, former Muenster pastor, to Father Bede Mitchel by phone reveals that Father Louis is recovering from a slight stroke about three weeks ago. He is still in St. Bernard's Hospital in Jonesboro, Ark., where he is chaplain and has improved enough to say Mass again.

Robert Knabe Sr. is getting around on crutches following knee surgery at Muenster Hospital.

Darla Bindel, four-year-old daughter of Mr. and Mrs. Harold Bindel, broke her right arm at the wrist Tuesday while playing at home. The arm was placed in a cast at Muenster Hospital.

Mrs. Ed Hess reports her daughter-in-law Mrs. Richard Hess as seriously ill in St. Joseph's Hospital, Santa Ana, Calif., where she underwent brain surgery for a tumor about three weeks ago. Her husband, Marine Richard Hess, is stationed at nearby El Toro.

HOSPITAL NOTES

The following patients were dismissed from Muenster Memorial Hospital during the past week.

Tuesday, Oct. 2: Jim Calvert, Clovis, N. M.; W. P. Young and Mrs. Charles Ing, Gainesville; Richard Gray, Mesquite.

Wednesday, Oct. 3: James Dabbs, Saint Jo.

Thursday, Oct. 4: Mrs. Ena Mitchell, Muenster; Aloys Voth and Mrs. Irene Fitzhugh, Gainesville; Charles Dill, Forestburg.

Friday, Oct. 5: Mark Kelly, Gainesville; W. C. English, Rosston; Mrs. David Latimer, Saint Jo.

Saturday, Oct. 6: Mrs. Dollie Thomas, Muenster; David Zimmerer and Mrs. Mary Ruth Sutton, Gainesville; Mrs. Bobby Orrell, Forestburg, Mrs. Gether Dunn, Saint Jo.

Sunday, Oct. 7: Laura Sicking, Gainesville.

Tuesday, Oct. 9: Mrs. August Felderhoff and baby boy, Mrs. Anthony Knabe and baby girl and Arnold Hess, Muenster; Mrs. Donald Armstrong, Gainesville; Kathy Clark, Sanger.

Mr. and Mrs. Burney Rosson of Myra were in Gainesville Sunday to help a son C. J. Rosson celebrate his birthday at his home. The honoree's son and grandson from Norman, Okla., were among guests and made four generations present.

Monsters and Bees Win Double Header From Lake Dallas

Both teams of Muenster's future Hornets were winners Thursday night in the double header with the future Falcons of Lake Dallas. The junior high Monsters started it with a convincing 22-0 decision over the eighth graders and the Hornet Bs were almost as decisive in winning 20-6.

The Little Monsters had trouble throughout the first quarter in keeping a drive alive. Three times they got a first down and fizzled on the next series. However they started to click about midway in the second period. A pass from Nick Walterscheid to his twin brother Neal gained 14, Gary Hermes ripped off 15, and four more plays made the last 20. Brian Sicking scored from the 7 and Nick Walterscheid sneaked over for extra points.

In the third quarter Muenster was stopped on two drives and, early in the fourth, had a set-up on the 23 after a short kick by Lake Dallas. Seven tries made the distance, Hermes going over from the 6.

Just before the end Muenster stopped the visitors on the 9 then went 91 yards plus 15 more to overcome a penalty on three plays. Nick Walterscheid made 49, Hermes made 32 and scored from the 25. Brian Sicking added 2 points.

Statistically Muenster did equally well. It led 15-4 in first downs and 232-87 in total yardage.

The B game had a gloomy start for Muenster. On second series a blocked punt gave Lake Dallas a fat opportunity on the 20. Two plays later a young Falcon busted through for 18 yards and a score. Shortly later a roughing the kicker ruling seemed to give the visitors a similar opportunity. The distance was 34 yards but Muenster defense braced and held.

That seemed to break the evil spell. They promptly went 77 yards in nine plays with Mark Sicking and Tim Wolf doing most of the toting. Sicking went over from the 7 and again for the go-ahead points.

The third period was about evenly matched — three first downs for Muenster and two for Lake Dallas, then a big play early in the fourth put Muenster on the scoreboard again. Sicking broke through at the 40 and dashed to pay dirt.

The final touchdown drive followed an interception by Danny Endres. It needed six plays and the big ones were runs by Sicking for 13, 10 and 31 before Wolf sneaked over from the 1.

As in the first game, statistics leaned strongly to Muenster's side. First downs were 15-7 and total yardage 222-132. Muenster got one interception, lost two fumbles.

THANKS

Since I am no longer associated with Hillcrest Manor Nursing Home, formerly Golden Years Rest Home built in the fall of 1964 and operated by the late Colonel Richard B. Cain until April 23, 1967, and which I continued to operate until Dec. 1, 1970, and in behalf of him and our family I'd like to express my humble and very grateful thanks and appreciation to you — our friends and neighbors — for your many kindnesses and cooperation over the years. For this I will always be grateful.

My 18 years in the service to our elderly citizens have been very gratifying and my prayers of thanksgiving are daily. May God's richest blessings be yours and may He continue to keep our senior citizens in His infinite care. Sincerely, Mrs. Richard B. Cain, Adm. 424.

Blue Bird Group Has 12 Members
 A Blue Bird group has been organized with first graders of Muenster Public School as members and Mrs. Butch Fisher as leader with Mrs. Eddie Ramsey as assistant. The leaders stressed safety as the girls marched buddy system from their classroom to Sacred Heart's "tin university" for their first meeting, October 4. Making name tags was the first activity and each girl told the group something about herself. Mrs. Fisher read a story, "How the Blue Birds Got their Name," and members started learning a song, "The Blue Bird Wish." Refreshments were served to the 12 members: Kim Eldred, Tonya Fisher, Carmen Flusche, Tammy Greewing, Jana Kay Hamilton, Pattie Herr, Cindy and Sandy Ramsey, Amy Reiter, Patricia Reiter, Glenda Richardson and Jean Trubench.

Lindsay High Is Primed for Gala Homecoming Party

Plans for Lindsay High's homecoming celebration have been completed and the proverbial red carpet is out to welcome visitors this week Friday, Oct. 12, to football, Knights vs Valley View Eagles, with kickoff at 8 p.m. and coronation of homecoming queen at half time. Queen candidates selected by the Pep Club are Seniors Carol Zimmerer, Doris Hundt, Donna Zimmerer and Joyce Neu. Final selection will be made by student body vote and the queen's identity will be kept secret until coronation time. Participating in ceremonies will be last year's queen Judy Beyer Secrest who will relinquish her crown, and Seniors John Gossett and Ronnie Felderhoff who will be her escorts. Escorting queen candidates will be Mike King, Terry Heilman, Jerry Metzler and Steve Fuhrmann. Honored graduates this year will be those of 1940 and 1964. In other homecoming festivities, one event is passed and the other will be Saturday night, Oct. 13. The bonfire event was held Wednesday night with hot dogs and lemonade served by the student council. Final event will be the homecoming dance beginning at 9 p.m. Saturday in the gym with music by Rush until midnight.

Reunion Held by Fleitman Family
 A reunion of the Fleitman children, sons and daughters of the late Mr. and Mrs. Henry Fleitman, and their spouses was held Sunday with Mr. and Mrs. Joe Hoenig hosting her sisters and brothers. The group enjoyed dinner and supper together in the Hoenig home. Present were Messrs. and Mrs. Al, Bruno, John and Albert Fleitman of Muenster, William Fleitman and Anton Laux of Lindsay, Mrs. Hilda Self of Dallas and Mrs. Alfons Fleitman of Lindsay. Buy, sell, rent with the Enterprise Want Ads.

SH Cubs Win 20-8 Over Callisburg

Sacred Heart's Tiger Cubs marked up their seventh straight win Tuesday night at Callisburg in a 20-8 decision over the Junior Wildcats. The game was their best so far, according to Coach Bob Steele, who was especially pleased with their blocking and defensive play. Statistically too they were in front. They led 8-6 first downs and 237-164 in total yardage, also made the game's only interception. Neither of the teams fumbled. Callisburg got on the board first. It made 16 yards in four plays before a scabback busted through the middle and rambled 70 yard yards to the goal. Another run added 2, and Callisburg led 8-0. But the lead stood up only for moments. On first play after kickoff Danny Walterscheid got loose and scooted 75 yards up the right side. A pass from Bobby Hartman to Roger Haverkamp tied the count at 8 each. The Kittens started again but stalled on the third series after which Sacred Heart put on a 53 yard drive that was stopped by a holding penalty. The series was one yard short at the 2. However Callisburg fumbled behind the line on the next play and Gary Rohmer recovered for a Cub touchdown. The try for extra points failed. The third period was one of ball control by the Cubs. They had possession for all but 57 seconds on a drive that ground out 62 yards for the final touchdown. Walterscheid went for 14 around right end on the scoring play. A pass for bonus points failed. The final quarter was a deadlock. Neither team was able to make a first down. If you laid all the economists of the world end to end, they still wouldn't reach a conclusion. Christopher Columbus was responsible for the thinking of modern government. He didn't know where he was going when he started; he didn't know where he was when he got there; and he did it all on borrowed money.

Tiger Cubs Beat Trinity Christian In 18-16 Thriller

The little fellows played the thriller on the Sacred Heart field Friday night. Preceding the 39-6 runaway victory by the Tigers over Trinity Christian, the Tiger Cubs came from behind less than two minutes before the end for an 18-16 win over the Christian eighth graders.

Furthermore it was a game of big plays. In spite of rain the visitors gained 117 yards in four passes and the Cubs 115 yards on two passes. Total yardage came out 255 for Sac-

red Heart and 182 for the Christians. First downs were 9-6 favoring the visitors.

The Christians opened the game with a 60 yard drive that included passes for 17 and 20 and ended with a 10 yard crash up the middle. A run added two points.

On second play after kickoff the Cubs got on the scoreboard when Bobby Hartman, on a quarterback sneak, found the way clear for 65 yards to pay dirt. A fumble spoiled the try for extra points.

Three plays later the visitors uncoiled another big one. It was a pass plus run that went 59 yards to the score. A run for points was good and the visitors had a 16-6 lead.

But Sacred Heart came back to out-do that stunt a short time later when Danny Walterscheid stopped a Christian drive with an interception at the 15. Next play Fred Koesler took Joe Sicking's pass and went all the way, an 85 yard gain.

The third quarter and most of the fourth remained at 12-16 until Sacred Heart blocked a punt on the Christian 25. They needed four tries to reach a first down at the 12 and three more to reach the goal. Joe Bartush went over with only a minute and a half left on the clock. The Tigers had three TD's, the visitors two TDs and four extra points.

M. Lou Kralicke in NTSU Drama Cast

Mary Lou Kralicke will be a performer in "Richard of Bordeaux", first theatrical production of the season at NTSU. The drama about Richard II of England begins at 8 p.m. each evening October 9-13.

Mary Lou is the daughter of Dr. and Mrs. Martin Kralicke, a sophomore speech and drama major

Lindsay News

LINDSAY — Mrs. Sophie Stoffels and Mrs. Joe Fuhrmann have another great-grandchild. The newcomer is Charles Stofels, son of Mr. and Mrs. Gerald Stoffels of Nacogdoches. He weighed eight pounds at birth Sept. 28. Mr.

and Mrs. Henry Stoffels are the paternal grandparents.

Bricking is in progress now at the new home being built for Mr. and Mrs. Richard Petrie on Bezner Street in North Lindsay. The couple looks forward to occupying it by the middle of November.

Ray Badgett, Navy, has completed a week's leave with his parents the Vernon Badgetts and has returned to Norfolk, Va., where he is assigned.

Mr. and Mrs. Danny Jones and Traci visited over the weekend with parents and grandparents, the Bruno Zimmerers. The Joneses live in Plano now moving there from Gainesville.

Visiting Mrs. Joe Bezner Sr. at Frontier Nursing Home Sunday were a daughter Mrs. Isabel Galyan of Irving and friends Mr. and Mrs. Don Butts

and two sons of Richardson. Mrs. Leo Cutaia came from Dallas Monday to visit her mother and another daughter Mrs. Bob Young of Dallas was there one day last week. Mrs. Bezner is continuing recovery from a broken hip, is getting around in a wheelchair.

Lindsay High FFA Chapter has elected officers as follows: President Patty Corcoran, Vice Presidents Jo Ann Bezner, Jeanette Hundt, Diane Metzler, Jan Metzler, Melinda Bezner and Donna Haverkamp, Historian Gayle Corcoran, Secretary-Treasurer Cindy Felderhoff, Sergeant at Arms Kathy Metzler, Parliamentarian Karen Hoberer.

Jaycee membership continues to grow with five new members added and a membership drive is underway this week to add enough more to secure a state charter. Bill

Martin is temporary chairman and John Porter is secretary.

Lindsay students had mini breaks from classes last Tuesday when school pictures were taken during the day.

Mrs. Alvin Loerwald, Mrs. Ray Haverkamp, Mrs. Bill Dankesreiter and Julie and Mrs. David Arendt and Jeff were in Hugo, Okla., one day to visit their sister Mrs. Paul Devers.

Mr. and Mrs. Johnnie Neu and Mr. and Mrs. John Neu were in Weatherford recently to visit the formers' son-in-law Victor Bierschenk who was a hospital patient two weeks and has since been dismissed.

Janelle Haverkamp, freshman basketball player, is watching from the sidelines, her right knee in a cast, since tearing ligaments during practice on Oct. 1. Whether she'll be back playing with the Knightettes may be determined after the cast is removed some time in November.

Mr. and Mrs. Winston Fangman entertained in their home with a birthday dinner honoring her father Henry Hess Sr. Later in the evening other family members joined the honoree and his wife and the host family for a cake and ice cream party. Others there were Messrs. and Mmes. Julius and Paul Hess, James Hellinger and David Huchton and their families.

Mr. and Mrs. Gene Pelzel, Michelle and Matt, joined relatives and friends in Pilot Point to celebrate the birthday of his grandmother, Mrs. Ed Blumberg. It was her 87th and she was surrounded by children, grandchildren and great-grandchildren. The group was together for dinner and supper in the KC Hall, took pictures and watched as Mrs. Blumberg opened gifts. Honor of the cake cutting was shared by Miss Patsy Spaeth who also had a birthday and by her cousin Buddy Spaeth, a visitor from San Antonio on his birthday.

Visiting in Windthorst Sunday with Mr. and Mrs. Gus Berend and children were her parents, Mr. and Mrs. Henry Hess, Henry Hess Jr. and Mr. and Mrs. James Hellinger and daughter, all of Lindsay and Mr. Berend's mother Mrs. Eva Berend and his brother Andy of Windthorst. They were all together for a dove supper.

Lindsay-Gainesville Knights of Columbus observed the feast day of their patron Sunday by attending Mass in St. Peter's Church, 8 a.m., and receiving corporate Communion, then joining for a breakfast in the Gainesville KC Hall. Father Bede was breakfast speaker.

When you are in deep water, it is a good idea to keep your mouth shut.

**Debbie Bindel, 8
Birthday Honoree**

Debbie Bindel, eight years old on Sept. 28, celebrated on Saturday, the following day, when her mother Mrs. Harold Bindel was hostess at the family home.

Fourteen classmates, a cousin, and Debbie's sister Darla were guests. Darla who was four on Sept. 27 also shared in honors.

Games with prizes, party favors and refreshments of birthday cake and other goodies made it a happy afternoon for the youngsters.

**Local News
BRIEFS**

Former resident Virgil Hellman of Temple City, Calif., is back in Muenster, houseguest of his brother Charley Hellman and wife, and seeing other relatives and friends from there. He's on a flying trip, plans to stay about a week.

Mr. and Mrs. Joe Linn of Landers, Calif., are spending the last of their Texas vacation in Sherman with her brother and family, the Bill Clarks. They were guests of Mr. and Mrs. Sparkman Vann at Gainesville last week and the two couples visited in Muenster on different days to see the Linns' old neighbors and friends. Before coming to

Cooke County the Californians attended a Linn reunion in Abilene and visited his sister and husband, the W. B. Parkers in Dallas.

Mr. and Mrs. Andy Mudrack sent greetings to Muenster friends and relatives, along with a renewal of their subscription to the Enterprise. Andy says he and wife Louise are both feeling good and enjoying their retirement — better all the time. He also mentions having had a good thunder storm, and could use more rain as things were looking dry the past month. The couple who live in Fort Wayne, Ind., include Muenster on their trips whenever they travel.

Mr. and Mrs. Tony Klement and Mr. and Mrs. Arthur Hess have had a ten-day vacation seeing people and places in Idaho Falls, Idaho, Spokane, Wash., Yellowstone National Park and other sight-seeing. In Idaho Falls they visited Mrs. Hess' relatives the E. J. Steinkes. In Spokane it was Joe Klement, Mr. and Mrs. Charles Klement, Mr. and Mrs. James Fleitman, Dukie Fette and the Lehnertz Brothers.

Jim Fisher of Arvada, Colo., spent the weekend with his parents the J. W. Fishers — at home with his mother and at the hospital with his father. Jim was returning home after attending a convention in Washington, D.C. He was traveling by air and family members met him at Love Field and saw him off from there.

**Easing the energy crisis
starts here.**

You can help. In small ways that add up. By using your electric service efficiently, without waste. When you conserve electric power, you help TP&L conserve the fuel it takes to produce electricity.

While TP&L is constantly building and expanding facilities to make certain we can bring you the electric power you need today and in the future, two of the energy sources used to produce electricity — natural gas and oil — are presently in short supply. That means the Company needs your help to assure enough fuel to produce the electricity you depend on.

And when you reduce the amount of electricity you use each day, you lower your electric bill, too. You save while you help conserve power. Follow these helpful hints to conserve electricity at home.

HEATING

1. Have a qualified serviceman check your electric heating system annually.
2. If you have a forced-air heating system, replace or clean filters frequently.
3. Set thermostat at 70-75 degrees and leave at this setting. If you will be away for a day, a weekend or longer, set thermostat at 55-60 degrees.
4. Keep furniture and draperies clear of air outlets and returns.
5. Open outside doors as little as possible. Keep doors and windows properly weather-stripped.
6. If you have a fireplace, keep damper closed when not in use.

KITCHEN & LAUNDRY

1. Defrost refrigerator regularly and replace worn door gaskets.
2. Don't overload refrigerator.
3. When cooking on range, use flat-bottomed utensils which fit surface units. Cover utensils when possible.
4. Allow frozen meats to thaw before cooking. Cook meats and vegetables together, or in separate utensils at the same time in the oven.
5. Operate dishwasher, clothes washer and dryer only when fully loaded.
6. Conserve hot water by washing clothes in cold water with cold-water detergents.

OTHER

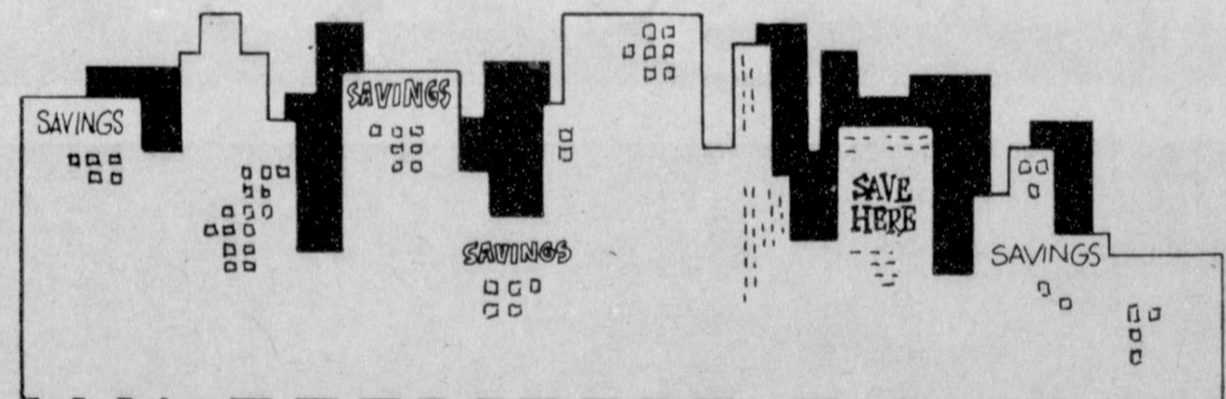

1. Turn off any inside or outside lighting not actually needed.
2. Turn off television, radio, iron, etc. when you leave them.

**TEXAS POWER & LIGHT'S
HELPING, TOO**

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting.

Forestburg News

By Myrt Denham

FORESTBURG — Our news column this week may seem to be a little routine. However, I have been busy with various farm chores. Also us Denhams have been entertaining a house guest. Therefore, there really hasn't been too much time for me to "snoop" and call around. Our visitor has been Edgar Kloepper from New Braunfels. Mr. Kloepper and your writer have been friends since I was "knee-high" to a grasshopper. Edgar made it to our abode Sunday the 30th of Sept. and he headed back south the 8th of Oct.

Other visitors in this community from various places have been numerous and I'm sure I'll never get them all. Recent visitors in the home of Meb and Roxie Dunn have been their granddaughter Carolyn Littell and one of her roommates at SMU. Other visitors from Dallas were Mrs. Loyce Parsons and Mr. and Mrs. Warren Seay. Mrs. Seay is Mrs. Parson's daughter and Mrs. Parsons and Roxie are sisters.

The Jerry Roberts family were visitors in the J. J. Reynolds home Saturday, Sept. 29. The Roberts live in Fort Worth and were up here to attend the Eldridge-Reynolds wedding. Mrs. Roberts is Jimmie Joe Reynolds' niece. Mr. and Mrs. Leon Knabe of San Antonio were weekend guests of the "Wassie" Reynolds family from Sept. 29 to Oct. 1. Mr. Knabe is Mrs. Reynold's brother. They were also up for the wedding. The Knabes also visited relatives in Muenster.

Recent visitors in the home of the Willie Kuykendalls have been the Leonard Edwards of Stockton, California. They also visited with other friends

and relatives in the area. Other visitors in the home have been Melba Defore and a friend Mrs. Dodson of Irving and the Roy Richardsons of Dallas.

Eric and Karen Ellzey of Charleston, South Carolina were here Oct. 1 visiting Eric's grandmother Mrs. Decie Ellzey. Eric is the son of the Dick Ellzeys of DeQuincy, La., and also the grandson of the Odus Cooks of Bowie. Another guest of Decie's has been her daughter-in-law Mrs. Ray Ellzey of Lake Charles, La.

Mr. and Mrs. Denver Bear-den and children of Wright City, Oklahoma were guests of the Barney Brogdons Saturday October 6. Mrs. Bear-den is the former Joyce Umberson — daughter of Ern Umberson and she is also Barney's niece.

Mrs. Olin (Clarice) Merritt is back in her home in Bowie now and is doing very well after her recent surgery. Clarice will be able to come to their ranch home at New Harp this weekend for a few days stay. We are all so happy to know that Clarice is getting along so well.

Myrtle McMillion, Dewey, has been on the move again. Myrtle, Linnie Bell and Mrs. Inez Wolsey of Bowie had them a day out in the city of Wichita Falls the 4th of Oct. Myrtle really enjoyed the day. Know she got to make more stores, etc., to "pinch and feel" than she does here at the Burg, in Sunset and Bowie.

The Raymond Volkman's are going to build themselves a nice new home on the old Allgood place. We understand this is all in the planning stage.

Mr. and Mrs. Gresham have moved in a nice new mobile home on the old George Volkman place — over there by the Hoyt Mann farm. The Greshams live in Denton but plan to be in their home here on weekends, etc. for the present. Mrs. Gresham is the former Charlene Volkman. We have been informed that Mr. Gresham is Jack Gresham's nephew.

The Junior Monroes are remodeling and adding on to the old Jake Monroe house. When these activities are completed they will be moving up on the hill — away from the hustle and bustle of downtown New Harp.

Talked to June Eldridge for awhile Monday. She said son Larry had called to let her know that he and his new bride, Mary Jo, had made it to Alexandria, La. They left for there on Oct. 4. Larry and Mary Jo have found themselves a nice place to live and start their life together.

Mrs. C. W. Roberts, who lives on the Montague Highway between Forestburg and Mallard, called me Monday a.m. Seems she has a couple of extra dogs at her house. One is a white male German Shepherd type and the other is a brown male Cocker spaniel type. The brown one has a collar. Mrs. Roberts is looking for the owners. I told her that perhaps someone had made her a present of them. She said that was just what she was afraid of.

This is a little belated but do feel we should mention it. Terry Brewer, son of the Elmo

Brewers of Dewey, has been nominated to receive the American Farmers Degree — the highest degree presented by the National FFA Association. Terry was nominated by the Texas FFA Association to receive this degree.

Veda Brogdon called to say she and Barney had taken in the annual Homecoming at the Dye Mound Community Sunday, Oct. 7. They went to church and then had dinner on the grounds. Veda said she saw and visited with many of her old school mates. Others from the Burg attending were the Charles Edwards family, the J. M. Dunns, John Moore and Russ Allen.

Robert Ensey attended the funeral of his oldest brother this past week. Allen Ensey, of Hale Center, Texas, passed away, Wednesday, October 3 in a hospital in Plainview. He was buried at Panhandle, Texas, Friday Oct. 5 at 2 p.m. Robert said his brother was 86 years of age, had 25 grandchildren and 32 great-grandchildren.

Saw a big mobile home setting in the Burg the other day. Was told by a friend that there will be three of these big homes moved in on the Rex Anderson place. Guess they will be Meredith Houston's neighbors. These mobile homes belong to construction crews that will live here while they are working on conservation dams. Was told that there are nine of these dams under contract to be constructed northwest of the Burg. We welcome these men and their families to our community and sincerely hope they will enjoy their stay here.

Now I know why my husband complains about the Rosston Road being the roughest road on his 100 mile mail route. He had to take my car Saturday to deliver the mail — well, this road proved to be a disaster to the car as he knocked a hole in the oil pan. I had to go take him another vehicle and almost tore it up just driving down this road. Know the folks living along Rosston Road are in no way to blame for its condition. I, for one, do not know why these folks have to be discriminated against for they pay county (Cooke) taxes like other residents of that county do. If you think I'm kidding about this road — drive down it sometime. I also know why my husband holds his breath crossing that old bridge — I felt like closing my eyes and praying before I crossed it. Sure is a shaky old thing.

News from 20 odd years ago:

(1) Johnny Moore asked his brother, Billy, and the writer "Who is fellow Snow Cattrell the old timers talk so much about?" We told him he was the old boy who did so much meanness around Forestburg before he (Johnny) took over.

(2) The watermelon crop is gonna be tops this time. Glen Lynch, down toward Uz, has invented a way to chase the bugs. "Fellers," says Glen, "just tie a few bushes to your cultivator and that will scare them away." Seems to beat Dean Johnson's method of plowing with a walking cultivator behind a tractor and

trying to stomp the heck out of 'em.

(3) We had a big round Sunday: Dewey Church in the morning, dinner with Jim and Cleta Reynolds, supper at Uncle Mack Jackson's, evening service with the Forestburg Church of Christ. Have a little tingling between my fingers this week. Sat by Bert Galmor and rode home with Jim Bryant. If I really take the itch, well, there will be war this side of Korea.

NOTICE OF ELECTION
THE STATE OF TEXAS }
COUNTY OF COOKE }
CITY OF MUESTER }
TO THE HONORABLE QUALIFIED ELECTORS OF SAID CITY: TAKE NOTICE THAT AN ELECTION WILL BE HELD IN SAID CITY AS PROVIDED IN AN ORDINANCE CALLING AN ELECTION DULY PASSED BY THE CITY COUNCIL OF SAID CITY, WHICH ORDINANCE IS SUBSTANTIALLY AS FOLLOWS:

ORDINANCE CALLING AN ELECTION
THE STATE OF TEXAS }
COUNTY OF COOKE }
CITY OF MUESTER }
WHEREAS, to create Muenster Water District House Bill 1582, Acts of 1973, 63rd Legislature, State of Texas requires the City to call a confirmation election; and
WHEREAS, it is deemed necessary and advisable to call the election hereinafter ordered; and
WHEREAS, it is hereby officially found and determined that a case of emergency or urgent public necessity exists which requires the holding of the meeting at which this Ordinance is passed, such emergency or urgent public necessity being that establishment of the Muenster Water District is required as soon as possible and without delay to furnish a future water supply for the City; and that said meeting was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by Vernon's Ann. Civ. St. Article 6252-17.

THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MUESTER, TEXAS:

1. That an election shall be held on October 27th, 1973, in said City at the following designated polling place:
2. That the Presiding Judge shall appoint not less than two qualified election clerks to serve and assist in conducting said election; provided that if the Presiding Judge actually serves as expected, the Alternate Presiding Judge shall be one of such clerks.
3. That by approving and signing this Ordinance the Mayor of said City officially confirms his appointment of the aforesaid election officers to serve at said election; and by passing this Ordinance the governing body of said City approves and concurs in the appointment of the aforesaid election officers.
4. That all resident, qualified electors of the City shall be entitled to vote. Each elector shall be entitled to vote once in accordance with the requirements of this Ordinance.
5. That notice of said election shall be given by posting a substantial copy of this Ordinance at the City Hall and at two other places in said City, not less than 15 days prior to the date set for said election; and a substantial copy of this Ordinance also shall be published on the same day in each of two successive weeks in a newspaper of general circulation published in said City, the date of the first publication to be not less than 14 days prior to the date set for said election.
6. That at said election the following PROPOSITION shall be submitted in accordance with law: PROPOSITION
7. That official ballots for said election shall be prepared in accordance with the Texas Election Code so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid PROPOSITION, which shall be set forth in substantially the following form, to-wit: PROPOSITION
8. That the proposed Muenster Water District's boundaries are co-terminous with the City's boundaries of January 1, 1973, and that no changes to the City's boundaries have occurred since that date.

The proposed city water reservoir is being discussed by many people. Those who have expressed themselves to us are in favor of the reservoir. Several failed to read the engineers' report which the city had published in the last three issues of the Enterprise. Those articles were informative and should answer questions anyone may have.

We welcome letters to the Editor on the subject but to influence someone you should sign your letter.

PROGRAM SCHEDULE Muenster TV-2

Mon., Oct. 15, 8 p.m.
 Father Bede's Program
 30 minute
 Documentary Film
 "Independent Business Speaks Out"
 and
 30 min. commentary by Father Bede's Guest Marvin L. Harris Jr. district manager
 National Federation of Independent Business
 calendar of events and local weather dials
 24 hours a day

Several organizations are working on ideas for cleaning up Muenster and the area. It's an ideal time to get rid of weeds and trash before the first frost when dry grass becomes a fire hazard.

There should be fewer 1974 model cars stolen than others because of the new seat belt hookup. You must be in the seat with belts fastened before the ignition can be turned on. That operation should slow down the bad guy and good guys on TV when they try a fast getaway. We may get used to the belts but they are a nuisance particularly when you are only moving the car a short distance or going around the block. The belts may be saving lives but each year more people are killed than in the previous year. We do not agree that safety should be legislated. No doubt there is a way to bypass the belt feature and many will do just that. Another bad feature it affects the lovers who like to sit close to each other. Either they will have to use the same belt or get one that will stretch.

Our January 12th edition had the following headline "Community Shivers in Severe Ice Storm," and stated we had a week of ice and 10 degree weather.
 This week of October 12 the Muenster Hospital seems to have set a record for the number of babies being born.

Confetti - - -
 more would prefer not to be. This maneuver is just the opposite of what it ought to be. As a guarantee to all, the politicians should ban compulsory unionism and guarantee to all the right to belong or not to belong. Everyone should be able to do as he wishes. It would make happier people and better unions.

Hornets Blasted 26-14 by Fired-up L'Dallas Falcons

Muenster Hornets learned the hard way Friday night why the Lake Dallas Falcons are picked as tops in their district. The Falcons definitely had the advantage in size, speed and power — and to make matters worse there was a problem of three interceptions and a pair of fumbles. Also, there seemed to be a feeling that a previous string of several defeats was not quite avenged by last year's win.

Only a terrific effort made it possible for the Hornets to come out of the contest with the loss held down to 26-14. There were a few bright spots for Muenster, but most of the time Lake Dallas was in charge, both offensively and defensively.

The first encouragement came early following a Lake Dallas fumble on its second series. The Hornet backs, Randy Wolf, Tom Bright, Louis Koelzer and Curtis Klement ground out four first downs for 47 yards to the Falcon 25, but the effort bogged down there and lost 10 yards before losing possession on downs.

A great kick ending the Falcons' next series backed Muenster to the 11 and a fumble two plays later was a gift. Only 7 yards were needed for a TD and Jack Ellis got there on the second play. Muenster blocked the kick for extra points.

On second play after kickoff Lake Dallas got back in business with an interception 44 yards away. Eight plays, including three passes made the distance, and the last one was an 8 yard pass from Ellis to Ricky Garrison. A kick upped the score to 13-0.

The rest of the second quarter was mostly a standoff. Each side kicked twice, the Falcons got their second interception, and each team made a first down. Muenster's was a nice gain of 24 by Curtis Klement.

The standoff continued through all but the last minute of the third quarter. Each team made only one first down. Each lost possession on a fumble and each kicked twice.

The second kick by the Falcons developed into a long awaited Hornet touchdown. The snap from center was high. As a Hornet blitz was approaching the kicker went back, picked up the ball and punted. One of the swarming Hornets blocked the ball. Tom Hennigan took it on the bounce and kept going some 40 yards to the goal.

The Falcons snapped back with two first downs then lost a fourth down gamble. Muenster was 45 yards away. Two plays gained 11, a penalty lost 5 and an 18 yard pass, Wolf to Neil Huchton reached the 19. But a vicious Falcon defense took over there. The next series lost ground back to the 35.

The stout defense seemed to spark a stout offense. The Falcons made two first downs, seemed to be stopped by two 15 yard penalties in the third series but pulled out with a 40 yard pass. Next play Jerry Young went in from the 9.

That was followed immediately by a pair of Hornet disasters. First play was an interception. Next play Young got loose on a 32 yard scoring romp. The extra point kick upped the score to 26-6.

With just over two minutes left and a number of Falcon reserves opposing them, the Hornets put on a 60 yard drive in nine plays. The score came on fourth down with 8 to go as Klement took a pitchout from Mark Sicking and streaked for the left corner. Bright crashed through for two more points.

 The ladies' exercise class regularly scheduled on Monday night has been postponed to Tuesday next week because of conflicts on the local calendar. Starting time is 8 p.m.

Tigers Keep Going Win 39-6 Over Trinity Christian

Sacred Heart's scoring machine was clicking again Friday night as the Tigers trounced Trinity Christian 39-6. It was another game in which the local speedsters seemed to ramble whenever and wherever they pleased in gaining a total of 330 yards as compared with a net of only 14 for their visitors.

They got their start when Kevin Pels recovered a fumble on the opening kickoff only 10 yards from pay dirt. Two dives into the line made 7 and Roger Endres made the last 3. Kevin Pels added extra points. The score was 8-0 with only a minute and 14 seconds gone.

The next three series ended in as many kicks, then the Tigers got organized. Five plays went 55 yards, the big one being Dickie Moster's dash for 35. Pels scored from the 3.

Then came the visitors turn

— a beautiful 75 yard kickoff return for their only points of the evening.

And that was followed by another quickie. On first play following kickoff Davy Krahl got started with a pair of nice blocks and breezed 58 yards to the goal. Time used in making 18 points on two kickoffs and two plays was only 27 seconds.

Just before the quarter ended the Tigers were working on their fourth touchdown. It started on their 27 and used nine plays, the longest being for 23 by Mark Hess. Moster went over from the 2.

Twice in the second quarter Sacred Heart was moving and stopped itself with fumbles. Fumble was the way of the game on the rain soaked field as Sacred Heart lost possession six times and Trinity Christian five times.

A fumble by the visitors on the first play of the second half gave the Tigers a set up for their fifth TD. They recovered on the 25 and Pels roared in from there.

And the final score came on the Tigers' next possession, following a punt by the visi-

tors. Four plays gained 14 to the 26 where Moster broke loose for the 6-pointer. Mark Hess kicked true in his try for extra point.

From then on the job was turned over to Tiger reserves who fought it out on even terms with the Trojans. Action was confined within the 30 yard lines, each team got two scattered first downs, the Tigers lost possession on three fumbles, the visitors on three fumbles and one interception.
