A Familiar Name Is Appearing on Utah Sport Pages

Sports pages in Utah this year are taking notice of a name that sounds familiar to many people of Muenster, Leonard Walterscheid, son of the Leonard Walterscheids

who used to live here, has been going strong for Southern Utah State's football team, the Thunderbirds.

A recent article in the Salt Lake Tribune has this to say about him. "All the 6-0, 175 pound junior did Saturday against Western New Mexico was handle kickoff chores, play his usual cornerback pos-

ition, haul in five passes for 115 yards and two touchdowns, run back three kickoffs for a 31 yard average and return three punts for 39 yards."

He is a former all-stater of Moab, has ranked as high as sixth nationally in punt returns. The decision to put him on the offensive team as flanker was made in spite of the fact that two years ago Leonard lost most of two fingers in an oil rig accident. It was believed that the loss would hamper his ability to catch a ball, but the question seems to be answered. Nevertheless he still prefers to play defense. "I guess about the greatest thrill is to intercept a pass and run it back for a touchdown," he says.

In high school Leonard was an all-state baseball catcher as well as all-state footballer. He has a 3.2 grade point average, a PE major and a math minor.

SH School Adopts Colgate Program For Library Books

Sacred Heart Home-School Society announced a program to help Sacred Heart School obtain library books. The school has enrolled in the Colgate Palmolive School Action Plan which provides money in exchange for proofs of purchase from twelve eligible products distributed by Colgate.

Colgate-Palmolive proofs of purchase that qualify are all sizes of the following 12 products: Ajax Cleanser, Ajax for Dishes, Ajax All Purpose Cleaner, Axion Laundry Pre-Soak and Detergent Booster, Baggies, Cold Power Laundry Detergent, Curad Plastic Bandages, Dynamo Laundry Detergent, Handi-Wipes, Irish Spring Deodorant Soap, Palmolive Crystal Clear and Wash 'n' Dri. Proofs of purchase from these products are worth 2c to 40c each toward the goal: the larger the size, the greater the cash benefit.

All Sacred Heart School students will collect the proofs of purchase.

Home is that wonderful place where you can scratch any place that itches.

If the frozen vegetables you buy come sealed in a plastic pouch, you can cook them with potatoes or another vegetable in the same pot of boiling water, thus saving the energy needed for a second burner.

No More Corn On Cob?

Corn production may be entering a new era if this tassel seed hybrid passes the stress tests. It's a long way down the road, but corn researchers at DeKalb AgResearch, Inc. believe they can boost corn yields by 250 to 300% over current levels by moving the grain production site from ear to tassel. Corn breeders have been limited as to just how much they can do with single ears on single plants. Tassel corn is one dramatic example of how DeKalb breeders hope to achieve long term gains in the crop's productivity.

In Texas**

By Sister Mary John Seyler

In this installment will be a brief account of the heroic beginnings and contributions to our State by the French.

La Salle was the first to land on the soil of Texas. In 1685 he founded his colony on the Garcitas River near the head of Lavaca Bay and set to work to find out where he was.

In March, La Salle and his party of seventeen had crossed the Brazos. On March 16, 1687, La Salle was murdered by members of his own party. In his wanderings La Salle had traversed most of eastern central Texas. His expedition is remembered for two things: His journeys gave France a claim to Texas, Spain settled Texas sooner than she had planned.

Castroville was the first of the important French settlements in Texas. Castro was a French Jew from the Alsace-Lorraine area.

On January 29, 1842 Castro was in Austin negotiating a contract for colonization. He was to introduce 600 families within three years. The first group of 114 landed at Galveston on January 15, 1843.

An interesting and unusual settlement was made in 1855 near Dallas. Victor Considerant, a French Socialist planned the colony La Reunion, based on Socialist beliefs. He purchased 2,000 acres of land west of Dallas. The first contingent of 200 persons arrived and began to build their city according to the best theories of socialism. However, for a variety of reasons, the settlement failed. However, near-by Dallas gained much from the skilled artisans who remained to make Texas their permanent home.

Utopia was another attempt to colonize the unusual. Utopia located in Uvalde County was established by the Alsatian French during the era of the Republic of Texas. This was a flourishing communistic settlement, laws were made that would give all inhabitants an equal share in the government of the colony. These people were evidently idealists for the community is only a small village today.

Bishop John Mary Odin came to Texas as early as 1840. He began the hardest kind of labor among the Catholics, many of whom were fallen away due to lack of spiritual leadership. Amid disorder and change of government, among non-Catholics and fierce Comanche Indians, Bishop Odin's gentleness and self-sacrifice wrought wonders.

By 1847 a Texas Diocese was formed with Bishop Odin's bishopric at Galveston. Another early French missionary was Father Dubuis. He came to Galveston, thence went to Castroville. His congregation of 1,300 was eager for the sacraments and religious instruction. As ascetical priest, Father Chazelle was of short time help, for he died of typhoid soon after his arrival.

Father Dubuis journeyed to France in 1852 to obtain students and priests for the growing diocese of Galveston. He secured fourteen and helped pay their passage to America by working as a physician on board ship. Father Dubuis was appointed Bishop of Galveston on October 21, 1862.

No problem of life has ever been solved by dodging facts and running away from the truth.

**Blue Birds
News**

Public School Blue Birds are Blue Birds in Action. Their first meeting was held at Muenster City Park on October 2. Refreshments were served by Kristi Pagel. Kay Pagel is their leader and Joaline Henscheid is assistant.

Members are Kristi Pagel, Tracy Henscheid, Judy Biffle, Julie Hacker, Carol Morrow, Gail Fisher, Angela Oakley, Kristy Stelzer, Eileen Knabe and Tracey Walterscheid. They chose the name "Chirping Bluebirds."

During their first meeting, the girls took a hike and played games. The meeting closed with the Bluebird goodbye song. Community Lumber Company sponsors this group.

The Chirping Blue Birds met on October 9 at the Muenster Park. First activity was to be weighed and measured for the bulletin board. The girls completed the hour with games in the park area. The meeting opened with the Bluebird Wish and closed with the Bluebird goodbye song. Kay Pagel and Joaline Henscheid met with the girls. Refreshments were served by Tracy Henscheid.

Chirping Blue Birds learned to use liquid colors to paint imaginative pictures during their October 16th meeting. The pictures will later decorate their sit-upons. Judy Biffle served refreshments. Sharon Henscheid was introduced as a new member. Ceremonies during the meetings always include the Blue Bird wish and goodbye song.

Muenster Public School's Chirping Blue Birds spent a fun hour of finger painting when they met on October 23. Julie Hacker served refreshments. Kay Pagel is Blue Bird leader and Joaline Henscheid is assistant. The group is sponsored by Community Lumber Company.

WEEKLY Health TIP
from BOB PELS, R. Ph.
A proper diet is necessary to good health. The four main groups of food essential to a good diet are: 1) milk and other dairy foods; 2) meat, fish, poultry, eggs, beans and nuts; 3) fruit and vegetables; 4) cereals and bread. Those who require a low-fat diet should drink skim milk, which still retains the healthful nutrients and vitamins in milk.

Forestburg Crowns Halloween Royalty

Witches and glowing jack-o-lanterns made Saturday an event to remember in Forestburg. The Forestburg Halloween Carnival began at 6:30 and was climaxed by coronation of Misty Walker and Hannan Orrell from Jr. High. Janice Carter and John Woods from High School. Other royal members were Christy Reed, Brent Shults, Vatori Dill, Willy Sandusky, Holly Boyd, Steve Sandusky, Diane Steadham, Jack Ezzell, Christy Holland and Rick Boyd. Chad Hudspeth was the Crown bearer and Clayton Fenagio was Master of Ceremonies. The streamer-covered stage was decorated with jack-o-lanterns completing the Halloween theme.

Proceeds from the Halloween Carnival help all of the classes with prizes donated by merchants from the surrounding area and collected by P.T.O. members.

Forestburg High Students Attend Shakespeare Play

Electronic music composed by a Japanese musician set the magical mood for "The Tempest", a Shakespearean play attended by Forestburg Junior and Senior classes on October 23. The production was staged at Casa Manana, the "theater in the round," which is located in Fort Worth. The play was one of the Classic Series which is now in its fifth year and draws an average annual attendance of 40,000 students from the North Texas area. "The Tempest" was patterned after a fairy tale with good finally triumphing over evil. The stage setting and lighting effectively helped to complete the illusions in the fantasy. The trip was sponsored by Mrs. Bill Colwell, Mrs. Adrian Parker and the bus driver, Mrs. J. C. Robertson. This is the fourth year Forestburg students have had the opportunity to visit Casa Manana.

Ten Per Cent of US Food Is Wasted

Looking for ways to cut down your food bill? Try checking to see how much you actually throw away. University of Arizona archaeology researchers conducted a two-year study of household waste, checking garbage cans of randomly selected families in Tucson. They found that the average waste was about nine or 10 per cent of a family's total food resources. Significant quantities of food items such as whole, uncooked portions of meat or partial loaves of bread made up 60 per cent of the findings. Scrapings of plates made up the remainder. Projecting from this data, the researchers estimated that Tucson households discarded about 9,500 tons of food yearly valued at about \$10 million. This would feed about 4,000 persons for a year. Of course, this study didn't include all the solid and liquid food people put in their garbage disposals.

75,000 Texans to Get Survey Forms On Crop or Stock

During the last half of November and in December, some 75,000 farmers and ranchers will receive either a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service. Accurate estimates have always been of great importance to producers and are even more important in light of the supply-demand situation facing agriculture today. Data collected in this survey will provide an accurate picture of agriculture for each county and for the state of Texas. Each farmer receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin. Individual reports are confidential and used only for state and county estimates. Life has no secrets that a teenager can't read about in some of the magazines offered for sale.

Coupons Wanted For Mission Work

An urgent plea from the Sacred Heart Southern Missions of Walls, Mississippi sent to St. Anne's Society stresses the need for practical assistance obtained through donated coupons cut from products, magazines and newspapers; trading stamps, bonus gift coupons, Campbell's soup labels, Betty Crocker coupons and box tops, and proof of purchase seals.

When sent to Missions, the above are exchangeable through various companies for useful items for the Missions' needy, but only if sent in before expiration date. Nationally advertised coupons and "cents-off" coupons are acceptable, but newspaper coupons redeemable only in stores advertising them are not acceptable.

Members of St. Anne's Society invite the community to join them in this practical way.

Public School Happenings

Kindergarten

Jamie Walterscheid was honored Monday afternoon, October 27 by her classmates on her sixth birthday. Her grandmother, Mrs. Joe Fisher, her brother Joe Paul and her cousin Michael Pagel brought refreshments and treats that were individual boxes of cookies to take home.

Friday morning Mrs. Robert G. Klement and Melody's brother Travis brought refreshments and treats for Melody's birthday. The Halloween theme was used, orange punch, decorated cup cakes, treats of candy, gum and a balloon in a "trick or treat" bag were given each child.

Dale Reiter, of the afternoon kindergarten class observed his birthday Friday, October 31, when his mother Mrs. Leonard Reiter brought cup-cakes and treats.

Porcupines have some 240 quills to the square inch — about 36,000 quills on their bodies. They can't throw their quills, but they can lash out with their tails at incredible speed and accuracy. Once the quills from the tail are imbedded into the flesh of a foe they are there to stay, and they break loose from the porcupine.

of Oct. 25. Mrs. Hays and Mrs. Laird are sisters and daughters of the Freeman Bakers. Mrs. Laird and sons recently moved to the Paul Boyd place between Forestburg and Saint Jo.

Mrs. Louise Shults visited in Sayre, Okla., recently with her sister, Mrs. Tunzell Gilliland.

On Oct. 26 the John Blankenships were guests of Louise Shults. The Blankenships reside in Oklahoma and she is Louise's daughter.

According to Wynona Riddles, her brother Buford Greenwood and wife Hazel are doing alot of improvements on their home out Uz way.

Mrs. Dell Mitchell of Florence, Alabama and her daughter Beth Petrich and son Brian of Pasadena were Oct. 31-Nov. 2 guests of the Jim Barnetts of Dewey.

Mrs. Artrice Sledge was a dinner guest in the home of her son and wife, Mr. and Mrs. Donald Roe Sledge of Nocona Oct. 26. This was Donald Roe's birthday and his wife honored him with a nice birthday dinner and all the trimmings.

There has been much discussion recently about the antics of our youth — especially after all the "doings" the nite of the Halloween carnival at our school and then again on Halloween nite. I told how Albuquerque, N. M., handled the problem when we used to live there. They had an 11 p.m. curfew — any youth (male or female) caught out after that hour was picked up, arrested, fined or punished. This sure curbed alot of problems. Ben Perryman spoke up and said, "I sure am glad they didn't do that in these parts a few years ago or I sure would have spent alot of time in jail."

Raymond Orrell of Monterey, Mexico, arrived at his mother's home — Bess Orrell — on Oct. 29 and departed for Dallas to join his family on the 31st.

Bess Orrell's brother, John McClendon of Bowie visited with her Oct. 31.

The Mickey Landers honored their children Randy and Cheryl with a birthday dinner Oct. 28. Present were Mr. and Mrs. A. B. McMillion, Myrtle

McMillion, Mr. and Mrs. J. D. Thompkins and children of Montague and Jim McMillion of Denton.

The Harold Prathers attended funeral services for Pird Tooty of Sayre, Okla., in the Sayre Church of Christ at 2:30 p.m. Tuesday, Oct. 28. Mr. Tooty was 96 years of age and an uncle of Mr. Prather and Mrs. Louise Shults.

Mr. and Mrs. Homer Jackson and boys of Bowie and C. J. Greenwood and boys of Alvord visited the Calvin Greenwoods Oct. 26.

The Jim Lamoines of Dallas were Oct. 31 - Nov. 2 weekend guests of Mrs. Decie Ellzey. Mrs. Lamoine is the former Shelia Ellzey — daughter of Dick and Helen Ellzey of DeQuincey, La., and Decie's granddaughter. Shelia and Jim have just recently moved to Dallas from Santa Barbara, Calif. Other weekend guests in Decie's home were her daughter, Mrs. Sam Wright and daughter of Temple.

Mr. and Mrs. Sug Williams of Wichita Falls were recent visitors of Mrs. Esther Shears.

The Travis Landers family of Hurst visited with the Bill Landers Oct. 26.

Mrs. Hal (Mary) Hays fell from a horse Oct. 28 and was out of school on the 29th. However, she was back on duty the 30th — badly bruised but doing okay.

Mrs. Frances Brewer of the burg and her sisters Mmes. Inez Wolsey and Letha Williams of Bowie visited with Mrs. M. Johnson of Abilene Oct. 28-30.

Page Sirman, daughter of the L. D. Sirmans, celebrated her 7th birthday in the school cafeteria with her classmates — the Kindergarten, first and second grade students. The party was Oct. 31 — however, Page's birthday is Nov. 1. Others present were Page's mother Sue Sirman, her brother Bart D., Mrs. Mary Hays and Mrs. Lucille Williams.

Durwood Williams of Bowie was a recent guest of his sister and husband, Mr. and Mrs. Blake Williams.

Mrs. Rosa Hufhines of Park Springs visited with the D. L. Raters of Dewey Oct. 31.

Mr. and Mrs. Norris Boyd of Houston were Oct. 31 - Nov. 2 weekend guests of Mrs. Eula Boyd of Dewey.

Mr. and Mrs. Elmo Brewer had as Oct. 31-Nov. 2 weekend guests their son and wife, Mr. and Mrs. Terry Brewer of Weatherford, Okla.

Recent guests in the home of Linnie Bell were her son and family, the Gary Bells of Wichita Falls; her daughter, Mrs. Shazda Scott; and Laton of Buffalo Springs; and son, Billy Bell of Rosston.

Della Sigman of Bowie was a Wednesday overnight guest of Myrtle McMillion, Oct. 29. Then on Thursday Della, Myrtle and Rachel Reynolds were in Decatur and Wichita Falls shopping. Myrtle remained in Bowie Thursday night as guest of Rachel Reynolds.

On Saturday a.m., Nov. 1 Marion Sockwell, Decie Ellzey, Juanita Bailey, Grace Scott and Betty Reynolds were in Nocona at the Senior Citizen Fair held in the Armory. They represented the Forestburg Home Demonstration Club.

Mr. and Mrs. Frank Schitoskey and sons Clint and Kevin of Brookings, S. D., arrived at the Howard Sockwell home Nov. 1 for a few days visit. Mrs. Schitoskey is the former Kay Sockwell. On Tuesday the Schitoskeys will depart for San Antonio for a visit with Frank's parents — they will return here on their way back to South Dakota for a few more days of visiting.

Mr. and Mrs. Charles C. Gilbert, Mr. and Mrs. Robert Tucker and Greg Gilbert all of Oklahoma City were Sunday afternoon visitors in the home of the Perryman Denhams. The Charles Gilberts and the Denhams are friends from Air Force days together in Albuquerque, N. M.

Mr. and Mrs. Herschel Holzbog of New Harp are sponsor-

ing two Vietnamese refugees. They are a mother and her 19 year old son, and they live in a mobile home on the Holzbog place.

Fette Baptism

William Lee Fette, infant son of Mr. and Mrs. Herb Fette, was baptized at 2 p.m. Sunday in Sacred Heart Church with Fr. Stephen Eckart officiating.

Baptismal sponsors were Mr. and Mrs. Jerry Fette of Waco. Mr. and Mrs. R. N. Fette served as proxy for the Jerry Fettes who were unable to attend.

Also attending the ceremony were the baby's parents and Herbert Fette Jr., Colleen Fette, an aunt Mrs. Alvina Voth, Bernie Fette and Mr. and Mrs. Alvin Hartman.

Mrs. Voth was hostess in her home for a dessert party following the ceremony, where pictures were made of the family gathering.

Area Members at Sorority Seminar

Excitement, entertainment, education and enthusiasm were the watchwords at the District VI seminar and meeting of Epsilon Sigma Alpha October 21 & 26 at the Gateway Inn, Wichita Falls. Decorations followed District President Lela Mercer's theme, "The Artists of ESA".

The workshops, covering all phases of ESA, presented games, cheers and demonstrations on responsibility and ideas in each area. Honoring and assisting the gathering were the state council president Rosie Ware and state council vice president and president elect Liz White.

Kappa Theta members attending were Betsy Fleitman, both days and Carol Tomlinson, Genie Gilliland, Diane Clegg, Rose Cedillo and Peggy Sparkman.

They were surprised and proud to learn that their chapter was selected number 1 in the district in the first quarter for its educational programs.

Rate Increase Trimmed by TP&L

Residents of Muenster, like those in all other cities served by Texas Power & Light Co., will not have to pay all of the rate increase allowed by the city council several weeks ago. The hike will be 9.6 per cent instead of 11 per cent.

Bill Bedrick, local manager, said that the change results from a special study made for the City of Waco and a number of other cities on the TP&L system. The study concluded that an increase of 8.2 was more realistic than that requested by TP&L and allowed by many cities. After that the company and the cities concerned went into a conference and compromised on a rate that splits the difference.

Since the 9.6 increase was agreed to for those cities TP&L decided to apply that figure in determining the rate for all other cities.

The new change becomes effective with the current billing. Originally the 11 per cent increase was to apply to last month's billing, but the change was delayed until the matter was settled with Waco and the other cities.

Under 2 Months Left to Set Up Retirement Plan

Workers not covered by pension programs have less than two months in which to set up their own individual retirement program if they want to save on their 1975 income taxes.

A. W. McCannless, district director of the Internal Revenue Service (IRS) in North Texas, said today that any employee under age 70 who has not participated in a retirement program during the year can set up a retirement program. Those who are eligible can contribute 15 per cent of their annual earnings, to a maximum of \$1500, into the program and deduct this amount from their income for tax purposes.

Mr. McCannless stressed that there is no time limit for setting up a retirement program. Those who choose not to set up their programs this year, he said, will still have the same opportunity in years to come. However, the money set aside for retirement is deductible from the worker's income only in the year in which it is actually put into a retirement account.

For this reason, persons should not delay if they are planning ultimately to set up a retirement program.

North Texas residents who would like additional information can contact their nearest IRS office, or call 800-492-4830 toll-free. The IRS can provide a free brochure on individual retirement savings programs as well as forms to open programs at banks and other qualified financial institutions.

It took Schlitz to bring the taste to light.

It makes good sense to pay a little more for electricity now... than a lot more later.

Texas Power & Light Company's costs of producing and supplying electricity have risen drastically in the past several years... and they're certain to continue to go up in the future.

TP&L must have fuels to operate its generating plants. Natural gas, which will account for about 77% of fuel requirements in 1975, rose in price approximately 84% during the year.

To reduce its dependency on natural gas, TP&L has underway a massive program to utilize less expensive lignite coal and nuclear materials. However, lignite and nuclear plants cost much more to build than gas plants. Two lignite-fueled generating plants are already in operation and others are under construction or in advance stages of planning. A nuclear-fueled plant is also under construction.

Hundreds of millions of dollars will be required by TP&L in the next few years to construct generating plants. Most of this money must come from the sale of bonds and stocks to investors. To sell these securities, we must be able to pay competitive rates of interest on bonds and dividends on stocks.

All of these conditions and others left TP&L no choice but to recently ask its customers to pay more for their electric service now to assure adequate and reliable service in the future.

PROFESSIONAL AMBULANCE SERVICE

4228 N. CENTRAL EXPRESSWAY, DALLAS, TEXAS, 75206

Questions and Answers about Subscription Ambulance Service

Q. What is Subscription Ambulance Service?

A. Basically it is a prepaid service, whereby for a nominal yearly fee, the members are provided with around the clock ambulance service.

Q. What does a subscription provide for?

A. All ambulance service (when medically necessary) within a fifty mile radius of the origin of the call.

Q. Can anyone be a member?

A. Yes! Regardless of age or medical condition.

Q. How much does it cost?

A. \$15.00 for an individual - \$25.00 for a family per year. (family subscription includes all children thru age 21)

Q. Are there any additional costs?

A. Under most conditions - No. However, Ambulance Service outside of the fifty mile area will cost \$1.00 per mile one way.

Q. How many times may I use the service?

A. As many as necessary, provided there is a medical necessity for ambulance transport.

Q. How about non-subscribers? Will they be allowed ambulance service?

A. Yes, however, the cost will be quite high. \$50.00 per call plus \$1.00 per mile from origin to destination. Extras such as bandages, splints, and oxygen will also be charged. This fee will be due and payable at time of call.

Q. Why should an individual with private insurance subscribe?

A. In many cases private insurance does not cover ambulance service - if it does, it often does not pay the full fee. Should a subscriber utilize our service and choose to file for his insurance, we will provide a paid receipt in the amount of the subscription for re-imbursement.

Q. Why should Medicare/Medicaid recipients subscribe?

A. Basically for the same reasons as those with private insurance. It must be understood that Medicare/Medicaid is not a cure-all, it too is basically insurance. Medicare/Medicaid guidelines are very strict concerning ambulance transport. - 1st. the trip must be essential, 2nd. they must allow the charge based on the diagnosis, 3rd. you must meet the \$60.00 deductible per calendar year before Medicare will pay the provider. Should your claim be disallowed or credited to your deductible, you will be billed for the full amount of the services.

Q. Will members receive some notice of membership?

A. Yes - membership cards will be issued to all members after the closing of the campaign.

Q. Why can't I wait until December to subscribe?

A. To provide service by Dec. 15, it is necessary to have the subscription drive completed to allow for adequate set-up time (vehicles, training, etc.) We must know that an adequate number of members exist. This is why we are closing our campaign Nov. 16th.

Q. What if I subscribe, and the campaign fails, what then?

A. Your money is being deposited in an escrow account at the Gainesville National Bank. Should the campaign fail, your money will be refunded in full.

Q. Why all of the sudden do we have problems with ambulance service - this has never happened before?

A. For many years Funeral Homes provided ambulances as a public service, often at a loss. . . . Recently new Federal Regulations concerning wage and hour and Ambulance specifications have raised the cost of operation 500%. This type of loss is very difficult for a small business to consume.

Q. If the campaign does not work what will happen?

A. Then the county or city will be forced into the ambulance business - as we understand there are no funds available to finance such an undertaking. Should taxes be raised to finance a municipal operation, most taxpayers would probably pay more in taxes than it costs to purchase a yearly subscription.

Your subscription will provide Cooke County with professional ambulance service . . .

Professional Ambulance Service provides your area with the finest emergency care. Our ambulances and equipment surpass all state requirements. Our ambulances are strategically stationed for minimal response time, and drivers and emergency medical technicians are on duty 24 hours a day.

Professional Ambulance Service is now offering memberships in its subscription plan, which entitles members to:

- **Free ambulance service** when medically necessary within a 50-mile radius.
- Members are charged only \$1.00 per mile (one way) to medical facilities outside the 50-mile radius.
- **No charge** for oxygen, splints, or necessary medical bandages while being transported.

The subscription date for this plan is \$15.00 per year for individuals or \$25.00 per year per family. Family membership includes the husband and wife, all children of the family under 21 years of age, and children over 21 who are students in an accredited school.

Non-members pay \$50.00 per ambulance call plus \$1.00 per mile outside the county plus charges for oxygen, splints, and medical bandages!

SH Sends Two to CYO Convention

Mary Kay Caplinger and Mary Margaret Rohmer are among about 100 CYO members of the Fort Worth Diocese joining 3000 members from all over the United States who are attending the 13th National CYO Federation Convention.

Held in the Convention Center in San Antonio on October 30-November 2, the purpose of the convention was to elect new members to the National CYO Board and to foster the work of C.Y.O. There were special Masses and general sessions in which the singing group, "The Dameans" led songs; there were workshops and prayer services.

Region 10, which includes Texas, New Mexico, Arizona and Oklahoma, was host at the convention, which was themed "Revolution '76 — Youth Shaping A Human Future".

The U.S. has more phones than any other country, according to AT&T. Americans have 138.3 million phones, an average of 65.47 phones for every hundred people. The world average is 8.6 per hundred.

Local News BRIEFS

Roy Sparks, father of Mrs. Herb Fette and her brother Sam Sparks, both of Pilot Point were guests of Herb and Margaret Fette Saturday, coming especially to meet their new grandson and nephew, William Lee Fette.

Miss Jane Hoehn, retired Army colonel now living in Willingboro, N. J., made the rounds last week visiting the members of her family. Traveling in her private plane she saw her brother, Albert, at St. Louis, also a brother, Jack, at Nocona and a brother, Bill at Deere Park, and a sister, Mrs. Ed Cler, here, along with nieces Mrs. Don La Rue of Graham, Mrs. Debbie Wyatt and Julie of Fort Worth and Christi Cler of Arlington who met her here and at Nocona. Another stop was at Austin with two other nieces and the Toney Burger family.

Parish Hosts for CYO Youth Day

Sunday, November 2 was Youth Day in Muenster, concluding a youth week of varied activities. The CYO-sponsored day was attended by representatives from Windthorst, Pilot Point, Gainesville, Lindsay, Denton and Muenster.

Entertainment included a performance by "The Spirit of Agape," a group from TWU in Denton, followed by a movie. A special Mass was celebrated. A barbecue supper was served to the large group.

A dance at night concluded Youth Week which opened on October 26 with a special liturgy at the 11:00 Mass. The theme carried out throughout the week was: "When You Love Someone, You Love Him the Way He Is".

At Convention Of Garden Clubs

Mrs. Arthur Endres attended the 48th annual Fall convention of Texas Garden Clubs, Inc., held in Abilene, October 21-23, as a district delegate. She brought back reports of a most interesting and informative session. It was dedicated to the American Bicentennial with programs and plans of historical, horticultural and conservation interest.

During business sessions plans were finalized for publishing the Heritage Cookbook giving early Texas family recipes and history; it will be available December 1. Also included in the business sessions were: a listing of pilgrimage gardens along U.S. Highway 281 in Texas as part of the national historical tour from Canada to Mexico; arrangements for planting patriotic garden spots with red, white and blue flowers; and plans for participation in the International Bicentennial Flower Show in Miami, Florida, May 20-24.

Workshops were presented on wildflowers, historical preservation, "Plant Texas", civic development and concern, public relations.

Special programs included conservation of birds and hor-

ticulture. Plans were made for an extensive observance of Arbor Day with planting of 200 trees for the country's 200th birthday.

If children could name themselves, there would be some changes made.

4-H Club News

Twenty members of Cooke County 4-H Horse Club met on October 20 and saw a film on care and grooming of a colt. Members wish to arrange a speaker for a future meeting. Anyone who is willing to speak to the club on care of horses, is asked to contact Larry Wiese, assistant County Agent.

For the business meeting presided over by Larry Wiese, the inspiration was led by Kenny Kuykendall.

Karla Sicking of Muenster is reporter for the club.
