

An article appearing originally in Executive Review Magazine, and quoted quite often since then tells the following story about the way we taxpayers are rooked by the food stamp system.

"A welfare recipient recently borrowed a country ham from the farm where he had part-time work. He went downtown and sold it to a grocer for \$27. Then he used \$20 of the \$27 to buy \$80 worth of food stamps for which he was eligible through welfare.

"The man then bought \$51 worth of groceries and bought the ham for \$29 worth of food stamps. He returned the ham to the farmer's smoke-house, the grocer made a profit, the farmer got back his ham, and the welfare recipient wound up with \$7 cash and \$51 worth of groceries.

"It's almost humorous until you ask: Who Paid for the Food Stamps?"

Well, the sad fact is that we know who paid for the stamps. The taxpayers did, meaning that you and I can be counted in the millions of persons who are providing the billions of dollars worth of stamps for this program — which, incidentally is being seriously considered for changes by the national Senate.

A hearing now under way relative to proposed changes is bringing out some astounding facts. For instance, that in ten years the number of people receiving food stamps has grown from 442,359 to around 22 million, and at the same time the cost has increased from \$36 million to \$5.2 billion. It is estimated that one in four Americans either is now or soon will be eligible for food stamps.

We can be thankful that the number of food stamp users is near 10 per cent, rather than 25 per cent. But at the same time we see cause for concern in the fact that the remaining 15 per cent of eligible includes vast numbers who will surely get on the gravy train. Some will get in line as soon as they find out what they have been missing. Some will join simply because of need, some will eventually decide that, principle or not, they are suckers if they don't take their turn at the grab bag.

Everybody understands, of course, that food stamps originated as a way to help the destitute and unemployed. It was a way whereby needy people would be able to get about four times as much value out of their food dollar. And those who originated it should have known that before long it would be exploited by people who were never thought of before.

Two such classes of people are students and strikers. Both are unemployed and therefore eligible to apply for the stamps, but neither is deserving or was originally intended to be a beneficiary. So, we have vast numbers of college students, many having well-to-do parents, who get the stamps as a means of living higher. Actually these are irresponsible or unprincipled youngsters who are charging a portion of their food bill to us.

The other class is even less excusable. It is the people who pass on the food bill to us while holding out for the raises that will make us pay more. Time and again we were told that workers, already with a higher income than ours, were striking for more pay, and meanwhile were using food stamps.

In our earlier industrial history strikes were not conducted that way. People lived on their own savings while they refused to work. As a result demands were less extreme and idle time shorter. The usual result was a settlement that the public could live with. But now demands are high and a big part of the idle time living (Continued on page 10)

Program Begins For Pre-Schoolers

A pre-school children's story and activity program will begin at Muenster City Library on Tuesday morning, October 28, 9:30-11. It will be held once each month on a date to be announced.

All children 3 to 5 years of age are invited and mothers are asked to register their children by Tuesday, October 21. Teachers are needed and those willing to help may phone Mrs. Dennis Hess at 759-2904.

Plan Revealed for Ambulance Service

Ambulance service for Muenster appears to be in sight according to explanatory remarks made by Mayor David Bright at the Chamber of Commerce luncheon meeting Tuesday.

He said that he along with other council members attended a recent meeting on organizing a county wide service based on voluntary membership. It was agreed that the service is essential and the proposed plan is intended to get the desired result without taxation.

It is a membership plan provided by Professional Ambulance Service Co. of Dallas costing \$25 per family and \$15 per individual. For that amount the service is available for a year and a distance

Miss Hays Talks At CC Meeting on County's History

Members of the Muenster Chamber of Commerce at their regular meeting Tuesday noon were treated to a bit of Cooke County history by the person best qualified to tell it, Miss Margaret Parx Hays of the Morton Museum, the Cooke County Historical Society and the Cooke County Bicentennial Committee.

She said that settlement got started in 1848 and two years later there were 40 cabins in the county with 220 people. Sivils Bend got started in 1861 and had hard times during the Civil War when a number of the men were in the conflict. County population was estimated at near 6,000 in 1870 and near 20,000 in 1880. And near the end of the century Gainesville became the cattle and banking center of North Texas.

Life in the county during its early days was rugged. Farming was done with primitive equipment and house work with few if any conveniences. Besides there was a need to keep constantly on guard against Indians who openly resented the settlers. After all, whites were trespassers on Indian land.

The proposal is to have two such units in Gainesville and one in Muenster. Supporting the system would require about 1500 memberships per unit.

County wide solicitation for membership is expected to start within a week and service should begin in 30 to 60 days.

Hornets 48, ND Knights 14

The MHS Hornets continued their perfect record through their sixth game at Wichita Falls Friday night by swamping Notre Dame's Knights 48-14.

The scoring spree came in the second half, after Muenster ended the first half leading 14-6 on the scoreboard and only 10-8 in first downs and 146-132 in yardage. Then Muenster seemed to shake off its problems and take charge by a ratio of 5 to 1 in touchdowns, 12-7 in first downs and 253 to 125 in yardage.

Hornets scored on first possession on a 69 yard drive in 13 plays. Mark W. Sicking accounted for 53 of those yards and also scored the TD. Danny Endres kicked an extra point. Muenster led 7-0 with 5:36 left in the first quarter.

Following that the Knights gained 30 before Ken Koelzer's fumble recovery stopped them. Then an exchange of punts and Muenster's 62 yard drive to the 11, including Tim

Wolf's passes to Dan Endres for 16 and 8 and Sicking's romp for 27.

But they hit a sudden slump there, lost ground on three tries and missed a field goal attempt by Endres.

So ND took inspiration while Muenster continued the slump. Broadway and Gregory stepped off most yardage in the 80 yard drive to pay dirt, and the TD came on a 14 yard pass from Broadway to Lowery. A kick for PAT failed. MHS was a point ahead with 3:08 in the half.

Muenster had to punt ending the next series and got the ball back on next play on Bob Endres' interception. With 40 yards to go, it used only six (Continued on Page 10)

Muenster Has 2 Winners in PP&K Zone Competition

Muenster shared honors with Gainesville Saturday in Zone competition of Punt, Pass and Kick at Wichita Falls. Mike Bedrick and Dan Bezner, in the 10 and 11 year old groups respectively, took first place and qualified for the district competition to be held Saturday at Samuels Park in Dallas.

Besides, Gary Dankesreiter, 9, was a close second at Wichita Falls. His score was 182 1/2 and the winner's was 188.

Gainesville's two winners were in the 12 and 13 age groups. As a result Cooke County monopolized the show with four of the six first place winners and a runner up. Twelve dealerships were represented indicating as many entries in each age group.

Bedrick's score was 252, slightly under the 266 1/2 scored here a week earlier. And Bezner's was 249, also under his 263 1/2 of the week before. And there is a reason why Bezner's score is lower than Bedrick's, as well as lower than his own score a year ago. This is his year of change to the regulation size ball. Ages 8, 9 and 10 use a smaller ball.

After the district contest in Dallas Saturday winners will have a few weeks to practice before the area competition in Texas Stadium in November.

Rain Measure .75

Wednesday's rainfall, the first for this month, was a disappointing measure of only .75 inch, which is far below the area's needs, especially in view of light rainfall the preceding months.

August and September had totals of 1.94 and 1.80 inches. The year's total to date is 28.02 inches.

Crowded Schedule Planned for Homecoming at Sacred Heart

This is homecoming week at Sacred Heart School with something special every day and leading up to a big and busy Saturday schedule including homecoming football, queen crowning, alumni get-together and two dances.

It started Sunday with decoration of hallways, and Monday was a holiday for students while faculty attended in-service meetings. Tuesday was the day honoring the queen's court and a B team game with Callisburg. Wednesday was blue jean day and powder puff game day. Thursday is inside-out day and the SH-Saint Jo B game

date. Friday will be the day for red and white and the bonfire.

The big day is Saturday when homecoming activity starts at 6:30 with a parade from downtown to the game. Queen's party and students will be there and any others are welcome.

Then comes the gridiron clash of Sacred Heart Tigers and Saint Jo Panthers, which is shaping up lately as a real tussle.

The queen will be crowned during half time of the game. A student body election has chosen her from four senior class nominees but only the ballot counters know the result, which will be revealed just before crowning. Members of the queen's court will be the three other candidates

and three princesses from the three lower classes.

Queen candidates are Cindy Bartush, Dianne Kralicke, Janet Pels, and Laurie Rohmer. The princesses are Laurie Walterscheid, freshman; Monica Gehrig, sophomore; and Sharlene Pagel, junior. Members of the Tiger team will escort the royal party for the coronation.

Two events after the game will conclude the homecoming festivities. Sacred Heart Alumni will have a dance and reunion in the community center with music by Unlimited. Special guests for that party are graduates of 1945, 1955 and 1965 along with their spouses or companions. The honored guests will also be admitted free to the football game, but not their companions.

While that dance is in progress there will be another in the SH gym for teen-agers, with music by Israel.

Garden Club Picks L. J. Endres Yard No. 1 for October

A three member committee from the Muenster Garden Club selected the October Yard of the Month and reported the choice of the home of Mr. and Mrs. Leonard Endres for the award. Their selection was announced during the meeting of Muenster Garden Club Monday night. A suitable sign will be placed.

A five-month spring and summer program was co-sponsored by Muenster Garden Center and the local club. Flowers, gardens and blooming shrubs were considered as well as lawns and evergreens.

As a follow-up, the Muenster Garden Club plans a winter program when attractive landscapes, pleasing appearance and general health of trees, shrubs and lawns will be factors in the judging.

Previous winners were the yards at the homes of the Leo Henschels, Herbert Meurers, Richard Grewings, Henry Weinzapfels and Herb Millers.

SH High Names 7 To Honor Society

Seven students of Sacred Heart High School have been nominated by the faculty for membership in the Society of Distinguished American High School Students.

They are Seniors Cindy Bartush, Dianne Kralicke, Janet Pels and Sharon Rohmer; Juniors George Luke and Craig Sangster; and Sophomore Mary M. Rohmer. The aim of the society, according to Sister Mary John Seyler, principal, is to recognize students for outstanding achievement, to honor them by having them tapped into the Society, to include them in the society's annual volume, and to make scholarships available to them.

Qualities expected are academic excellence and leadership in extracurricular and civic activities.

Tigers Nip Wildcats 25-14

The Sacred Heart Tigers last Friday night found an improving pack of Callisburg Wildcats spoiling for an upset, and spent the first half in an uphill struggle. But things went better after that and they pulled through with a most satisfying 25-14 victory.

Actually the game was much closer than the score. The Tigers led 190-185 in total yardage and trailed 10-8 in first downs. They and their fans got a good scare in the first half as Callisburg led 116-68 in total gains. However SH was ahead 122-69 in second half gains.

The big difference in the teams was that Sacred Heart, in the second half, at least, cashed in on four big plays whereas Callisburg got occasional gains but could not keep going. One of the big plays was a 68 yard kick return by Roger Endres, which did not count as a rushing gain. Another factor, SH had four turnovers, two fumbles and two interceptions but the Wildcats used only one of them to advantage.

At the start it seemed that the Tigers would have no problems. They held the Wildcats on first series and started moving from midfield. Eight plays reached the 11 but the next four gained only 8 and the ball went over on downs on the 3 yard line.

Callisburg likewise failed to move and the fourth down kick went only to the 23.

From there Roger Endres stopped get away but was stopped after a 15 yard gain to the 8. Then Endres hit the line for 7 and Joe Bartush got

Bill Hamer Gets Good Neighbor Award from KCs

In a special ceremony in Sacred Heart Church following the 7 p.m. mass Sunday night, Bill Hamer received this year's Good Neighbor award from the Muenster Knights of Columbus council.

The presentation is an annual event observing Columbus Day, feast of the order's patron saint, with the ecumenical aim of promoting better understanding and harmony among the creeds.

Hamer has been owner-operator of Muenster Livestock Auction for eight years and a resident of the community for two years. He is a native of Weatherford, lived in Gainesville before coming here. The remembrance he received was a hand carved wooden plaque from Bavarian Wood Carving Studio.

At the presentation Grand Knight Dan Hamric introduced Mr. Hamer and then called on Wayne Klement, chairman of the selection committee to present the plaque.

Klement briefly reviewed personal and family history particularly his life in this area. He then stated that "the Good Neighbor award is not given for success in business. It is given for the traits for which we all know Bill. Honesty in his work and fairness in all his dealings. Friendship . . . always a smile and always ready to help when needed. He has been an example to everyone who knows him and has a reputation, not only in Muenster but throughout North Texas for truly being a good neighbor."

With Mr. and Mrs. Hamer at the event were their son Michael and his wife, their daughter Mrs. Michael Schmitz and her husband, Mr. and Mrs. Ed Wardell and Mr. and Mrs. Robert Welch of Gainesville and Mr. and Mrs. Ronald Mosman of Lindsay.

Afterward the group were guests at a reception in the K of C hall.

Injuries Become Important Factor in Tiger Football

Injuries are becoming a factor in Sacred Heart's football games. More than ever before this season that will apply to this week's homecoming tussle with Saint Jo when two of the starters already on the sidelines will be joined by another.

George Luke is on crutches with a bad bruise and abrasion of the knee received in a motorcycle spill last Saturday night. He will be out two weeks, possibly more. Fred Koesler has had surgery for a ruptured blood vessel in a bad leg bruise and hopefully will be back before the season ends. And Mark Hess, with a shoulder separation, missed last week and will miss this week, but expects to be back next week. Otherwise the team is in good condition and trying to reorganize to adjust for the absences.

The principal change, says Coach Eddie Stock is moving Roger Endres to Mark Hess' position and using Robert Hartman instead of Endres at quarterback.

The absences will be keenly felt by the Tigers who at full strength have ample reason to respect the Panthers. According to Coach Stock, Saint Jo has size and ability and compiled a disappointing season mostly on mistakes. But mistakes are fewer lately, and Saint Jo is looking better. That fact was apparent last week when the Panthers surprised the area by holding highly regarded Valley View to a 21-14 score.

The game will start at 7:30.

Armco Steel to Mark Anniversary With Open House

National Supply of Gainesville, a subsidiary of the Armco Steel Corporation, will have an open house next week Tuesday through Thursday to celebrate the 75th anniversary of the company. Similar observances are planned at all major Armco locations throughout the nation.

The occasion will also mark virtual completion of an expansion at National Supply, in recognition of which a plant tour will show both new and prior facilities.

Principal feature of the anniversary program is an audio-visual presentation of Armco's story in a portable air conditioned dome which will seat about 200 persons.

The program will begin with the show in the dome and will be followed by a guided tour of the plant.

Also light refreshments and souvenirs will be offered to everyone. Everyone is invited.

Christmas in November Dates Set

by Evelyn Yeatts
The date for the annual "Christmas in November Show" was set last week at a committee meeting in the County Extension Office. This year the exhibit, which annually has attracted over 1,500 viewers, will be held on November 13 and 14 at the Gainesville Community Center.
As in the past, Christmas in November will be a cooperative project with all women in the county invited to participate with the show for the public. Participants are asked to share ideas for gifts, holiday decorations, and other craft ideas. Clubs over the county are asked to participate as a club entry, or individuals are asked to participate, filling an entire table or part of a table.
Since this is our Bi-Centen-

nial year, the committee urges you to remember this, and enter appropriate items you may have. We also invite clubs or individuals to set a table with a Bi-Centennial theme or Christmas in the Past theme. These might be a table for a tea or coffee, children's party or family get-together. These tables will be displayed in the front room of the Community Center. Any size table may be used.
The committee also plans to have a variety of craft demonstrations going on in smaller rooms during the two days. Anyone willing to share a craft with the community and demonstrate, please call the County Extension Office at 665-4931 as soon as possible.
At the meeting Mrs. Katherine Basinger accepted the general chairmanship for the exhibit this year. Any clubs

or individuals wishing to participate may call the County Extension Office and be included, or may call Mrs. Basinger.
As in the past, no craft item will be sold; however, a concession stand will be provided so that individuals may have lunch or a snack while viewing the exhibits. Any club or group wishing to have the concession stand may call Mrs. Burl Sanderson at 665-5632. If more than one group wants to participate, the committee will make the selection and notify whoever will be permitted to have the stand.
The exhibits will be open to the public from 12 noon until 9 p.m. on Thursday and from 9 a.m. to 5 p.m. on Friday.

Sacred Heart boys' 4-H Club met October 7 with assistant County Agent Larry Wiese present. Dale Swirczynski presided and led the inspiration. Members opened the meeting with the Pledge to the Flag and the club motto.
The boys and their leaders discussed small engines and how an internal combustion engine works with pistons.
The assistant County Agent told about the Colgate-Palmolive Company's campaign to raise funds for 4-H Council Delegates. 4-H members will save "proof of purchase" seals from products of Colgate-Palmolive Co. and use them to vote for the 4-H Club. Two proofs of purchase are necessary for one vote. Joe Koerschner is reporter for this group.

Sacred Heart girls' 4-H Club discussed the theme of 4-H week 4-H '76, "Spirit of Tomorrow" during their meeting on October 7. The program was on "Money and Things We Do With Money". 1) we save it, 2) we use it in checking accounts, 3) we have fun with it, 4) we spent it for necessary items.
4-H girls will save "Proof-of-Purchase" seals to participate in a fund raising campaign offered by Colgate-Palmolive Co. to earn money for the 4-H Clubs. Marlene Swirczynski is reporter.

Jerome Yosten in Special Training For Telephone Co.

Jerome F. Yosten, a troubleshooter and installer with Muenster Telephone Corporation is spending 15 days at Texas A&M University in a specialized telephone service course which ends on Oct. 17.
Training covers complete understanding of how a telephone works and acquiring skill in installing a station according to industry specifications.
Each trainee completely disassembles and reassembles a telephone set. After completing installation the student uses test equipment to clear troubles placed in the set by the instructor. Installations include both aerial and buried systems.
The training is conducted by the Texas Engineering Extension Service for law enforcement officers, firemen, municipal inspectors, vocational-industrial people and others.

Mr. and Mrs. Dan Phillips and sons Kary and Paul of Dallas were Friday through Sunday guests of her parents, the Al Yostens.

Mark Tompkins of Arlington visited his grandparents the Vic Hartmans and members of the Hartman relationship Sunday and Monday. He was accompanied by a friend, Mark Smith, while both had a school holiday.

Sacred Heart School students joined students of other schools of the Diocese in a holiday Monday because of the Teacher-In-Service-Training Program.

AIR FORCE SCHOLARSHIP WINNER — Virginia Military Institute second classman Joseph A. Bright, of Muenster, Texas, receives from Col. Gerald L. Nay, Jr., professor of aerospace studies at VMI, an Air Force ROTC scholarship awarded to him for professional interest, academic achievement, and career potential. Cadet Bright, who majors in civil engineering at VMI, is the son of Mr. and Mrs. David M. Bright of Muenster and was graduated from Muenster High School before entering VMI.

Mr. and Mrs. Charles Felderhoff and children Chad, Larry and tiny baby Cecilia Theresa were guests of his parents, the Tony Felderhoffs Sunday and other family members.

Mr. and Mrs. Walter Haverderhoff and children Chad, his parents the Lee Haverkamps Sunday afternoon and attended the Good Neighbor Award program in the evening.

National Supply Plans Open House

October 21, 22 and 23

1975 marks the 75th anniversary of Armco Steel Corporation which is being celebrated at all major Armco locations. The story of Armco is presented by means of an audio-visual program in a portable air conditioned dome which will seat about 200 people. This dome will be erected at the local National Supply plant for use on the above mentioned dates.

1975 also marks the virtual completion of the current expansion of the National Supply plant. In recognition of this event a plant tour is planned to view the new facilities as well as the prior ones.

The public as well as employees are invited. The program will begin with the showing in the dome followed by a plant tour under the direction of employees acting as guides.

Light refreshments and souvenirs will be offered to everyone.

Visitors should proceed to the main parking lot entrance just south of the office building. Attendants will direct parking. Visitors should then proceed to the registration tent set up in the parking lot. Hostesses and guides will then assist in giving the proper directions.

Showings in the dome begin at the following times each of the three days: 9:00, 10:00, 11:00 a.m. and noon, 1:30, 3:30, 4:30, 5:30, 6:30, 7:30, 8:30 p.m. The 2:30 showing is eliminated to avoid traffic congestion at the shift change.

The following suggestions from the National Supply Open House Committee may help to make your visit more pleasant.

1. Since parking space may be a problem, it would help if there were several people per car.
2. The tour is almost a mile long on hard surface. Comfortable shoes with good soles should be worn. Open-toed sandals should be avoided.
3. Plant security prohibits cameras inside of the plant.
4. Adequate clothing to suit the weather should be worn. Part of the tour is out of doors.

Garden Club Has Talk and Slides On Wildflowers

Miss Bettye Dodds presented a program on Texas Wild Flowers, showing more than 100 slides and giving commentary on each, when she spoke to the Muenster Garden Club Monday night. In her remarks she told where the pictures were made and interesting sidelights about her hobby. Miss Dodds has several hobbies. In her collection of wild flower slides she has over 800 items, each catalogued according to botanical name, native habitat, legend and, sometimes, practical use.

Miss Sylvia Hofbauer presided for the business meeting. Reports were given by chairmen of standing committees. The Bake Sale committee reported a satisfactory response from members and customers at the bake sale on Sept. 27. Mrs. John Mosman won the door prize. She also told about attending the October meeting of the Gainesville Council of Garden Clubs.

A three member committee announced the selection of the Leonard Endres home for the Yard of the Month Award. Mrs. Harold Flusche and Mrs. August Felderhoff were co-hostesses in the TP&L Building. They served dessert and coffee as eighteen members and six guests arrived. A bicentennial theme in table appointments and centerpiece was carried out. Also on display on the dessert table was a Bicentennial Compote and silk scarf. Members discussed the possibility of offering the compotes for sale but made no decision.

Among guests at the get-acquainted meeting were Mrs. Lambert Bezner of Gainesville, Mrs. Harvey Schmitt, Mrs. Andy Hofbauer, Mrs. Henry Starke, Miss Dodds and her mother.

Next month's meeting will be in the home of Mrs. R. N. Fette with Mrs. Hilda Self as co-hostess.

Sewing is Subject For HD Meeting

Mrs. Evelyn Yeatts, County Home Demonstration Agent, was program leader for Home Demonstration Club No. 1, last Wednesday when members met in the home of Mrs. Martin Bayer. Mrs. Yeatts presented an informative program on "Time Saving Sewing" that was appreciated by the group, most of whom do home sewing.

During the business meeting, Mrs. Albert Fleitman led the club prayer, and the group recited the pledge to the Flag. Mrs. Martin Bayer read the Collect. Mrs. Al Walter reported visits to shut-ins and patients in the hospital and said they also visited Mrs. C. J. Fette in her home where she is convalescing from a broken hip.

There was no council report. Roll call was answered by each member naming a problem encountered in her home sewing.

"Christmas in November" will be an event of November 13 and 14. Mrs. Yeatts encouraged the group to set a table in a Bicentennial theme suggesting "Christmas in the past". Mrs. Andy Schoech, Mrs. Albert Fleitman and Mrs. Bayer accepted responsibility for arranging tables at the November show. Members were reminded to bring articles for Christmas gifts for the Wichita Falls State Hospital patients, to the November meeting, which will be held in the home of Mrs. Bertha Pick on November 12. Mrs. Earl Robison and Mrs. Bill Lutkenhaus will present a program on Bicentennial dolls and will also tell how to make them.

Final Service for Nell Schniederjan

Funeral service for Nellie Schniederjan, 70, of Alvarado, was held Monday morning at 10 o'clock in St. Mary's Church, Gainesville, with Father James Gillespie officiating and burial was in Fairview Cemetery.

A former resident of Gainesville, she died Friday in a Fort Worth hospital.

Survivors include a daughter, Mrs. James Marrow of Alvarado; two brothers, Herman of Gainesville and Ted of Tulsa; and four sisters, Freda Davis of Denton, and Marcelene Schniederjan, Bernice Cox and Eleanor Flusche, all of Gainesville.

Blue Birds Start On Another Year

Second grade Blue Birds of Muenster Public School have reorganized this year. Eileen Fisher is their leader and Kay Bedrick is assistant. Members are Charla Bayer, Kim Bedrick, Julie Fisher, Tonya Fisher, Amber Grewing, Rose Herr, Connie Klement, Jean Pagel, Dolle Pagel and Carol Reiter. Amber Grewing served refreshments at the October 3 meeting. The girls chose "Sunshine Blue Birds" for their name and reviewed the Blue Bird Promise and Song. Old fashioned hoop skirt dolls were the craft for the day.

The second meeting of Sunshine Blue Birds was a field trip to the Gainesville Fire Station near the Morton Museum. Fireman Foster explained equipment on the trucks. There were several loud demonstrations of sirens and also the alarm was rung for the girls. Highlight of the visit was a ride on Engine No. 21 for Kim Bedrick, Tonya Fisher, Julie Fisher, Rose Herr, Dolle Pagel, Jean Pagel, Carol Reiter, Connie Klement and guests, Sandy and Scott Taylor. Refreshments were served in the Ready Room of the Gainesville TP&L office by Kim Bedrick. Fisher's Meat Market is sponsor for the Sunshine Blue Birds.

County Farmers Planting 50,000 Acres of Grain

Cooke County farmers are in the process of planting 50,000 acres of wheat, oats and barley. Farmers are expected to plant approximately 35,000 acres of wheat, 15,000 acres of oats, and 500 acres of barley for grain harvest.

A considerable acreage will be planted to oats that will either be grazed out by the livestock herds or baled for hay.

A majority of the acreage will have fertilizer applied at the time of planting. Most farmers will be using recommended rates of fertilizer. On an average, they will use from 30 to 40 pounds of actual phosphate and 12 to 15 pounds of actual nitrogen at this time. Most of the small grain will be top dressed in February or March with another 30 to 40 pounds of nitrogen. Considerable benefit is received from the forage that the small grain produces for winter pasture. Phosphate placed directly with the seed will increase the amount of forage produced 20 to 25 percent.

For many years small grain tests have been conducted in Cooke County by Charlie Spence, Agronomist, Extension Service. A small grain test was conducted on the Reuben Hassenpflug farm in

the Valley View Community in 1974. This test indicated that the above recommended rates were still the most economical to use.

The top wheat varieties in the test were TAM W-101, Centurk, Coker 88-15, Arthur, Blueboy 11, and Sturdy. The yield range was from 32.6 bushels to 26.6 bushels, respectively.

The top yielding oat variety was an experimental variety that does not have a name at the present with a yield of 99.1 bushels. The three top varieties that are available were Coker 234 with 88.8 bushels, Ora 88.5 bushels, and Nora 86.2. In this particular test, New Nortex produced 67.9 bushels which is below average for this variety.

The barley varieties were Rogers with 58.6 bushels, TAMbar 401 with 57.1 bushels, Era 50.7, Will 45.7, and Cordova with 43.7.

The varieties of the small grain are for a one year test. This should be considered in thinking of new varieties that you want to plant, or in making changes in the varieties. For the most part, these are the varieties that have been used in the past few years and have been the top yielders.

The Sturdy wheat did not yield as well in the test or in the county for 1975 as it has in past years. The Sturdy wheat has been one of the top yielding varieties for several years, but did not perform up to par in the 1975 test.

Callisburg Kids Win One, Tie One At Sacred Heart

Junior teams of Sacred Heart and Callisburg battled almost all the way through two games without scoring but finally the young Wildcats put it together in the third and fourth quarters. So, the end result was a scoreless tie and a 6-0 win for visiting Callisburg.

As the game opened Tiger Cubs seemed to be in control with a nice drive from mid-field but ran out of steam on the 19. Four plays later, after Callisburg's punt, they started again from the 35, advanced to the 12 in six plays, and were still on the same spot when half-time arrived three plays later.

Third quarter was taken up by another incomplete drive. It went 34 to the visitors 27 and the next four tries ended on the 20.

Next play Monte Endres intercepted and SH had another chance at the 21, but the next series ended 2 yards short, on the 13.

Finally it was Callisburg's turn. A nice drive of 3 first downs gained 64 to the SH 23. Next play a big loss was followed by a fumble and Mark Felderhoff recovered on the 40.

The junior varsity game was a defensive stand off through the first half. In first quarter Callisburg got a first down and Sacred Heart three, but not together. Next quarter each got a pair of first downs before losing possession on a fumble. Each team fumbled twice in the half. Sacred Heart's recoveries were by Tim Sicking and Billy Rohmer.

Early in the third period the Wildcats took over with a nice drive that went 72 yards to the 15 in eight plays, then bogged down and gained only 7 in the next four.

After the Tiger kick four plays later the young Wildcats had another chance for the 34. A big play on second try got to the 9, three more reached the 4 and a reverse on the final try got across.

Sacred Heart moved again, 39 yards to the 30 and failed on the next series.

Forestburg News

By Myrt Denham

FORESTBURG: Mr. and Mrs. Leonard Edwards of Stockton, California were Oct. 3-5 weekend guests of Mr. and Mrs. Willie Kuykendall. Mrs. Edwards is Willie's sister.

Merle Hudspeth, Veda Magee and RayAnn Lynch attended the open art show on the streets of Wichita Falls Saturday, Oct. 4. This was the biggest show thus far of this type. Margazet (Hudspeth) O'Brien sold a picture at the show for a real good price and was she ever thrilled. Needless to say Merle is mighty proud of Margazet.

One of our former local young ladies, Paula (Hudspeth) Hanes has taken a job in the Denver school system as an assistant Special Education teacher. She will be working mostly with emotionally disturbed children.

Hillcrest Manor News

New members of the staff at Hillcrest are LVN Lillian (Mrs. J. T.) Webb of Decatur who moved with her husband and son to Saint Jo this week. Mrs. Webb fills a vacancy created by Mrs. Flora Neal's leaving. Mrs. Ruby (Howard) Sledge of Forestburg succeeds Mrs. Pearl (B. C.) Rosson of Myra as activity director and Mrs. Jori (Gary Wayne) Scott of Forestburg has joined the staff as an aide.

Mrs. Bernice Covington of Forestburg is a new resident at the Home. Her husband Kendel, a daughter and children came with a decorated cake to help her celebrate her birthday Sunday, Oct. 12.

Muenster's First Baptist Church is in charge of Sunday afternoon services during October.

Mrs. Jewel Jones joined family members for a Sunday picnic dinner in Muenster City Park.

Mr. and Mrs. Earl Brannon of Fort Worth and Mr. and Mrs. Frank Kinman of Dallas visited their mother Mrs. Minnie Kinman during the weekend.

Sam Williamson had as Sunday guests his daughter and husband Mr. and Mrs. H. F. Burke Jr. of Denton.

Children and grandchildren of Mrs. Mary E. Felderhoff gathered in her room on Oct. 10 to help her celebrate her birthday. Mrs. Norbert Walterscheid baked and decorated a cake for her mother who cut it and shared it with the group and with friends.

Mrs. Mattie Blasingame, 94, joined in festivities at the Dye Mound homecoming, was recognized as the oldest one present and had her picture taken. She made the trip with her son and family, the Neil Blasingames of Montague, and saw many old friends. She and her family lived in the Dye Mound area before they moved northwest of Muenster where they neighbored with the Bindels, Klements, Rohmers, Hellmans, Dankesreiters and others of that area.

Surprise visitors with Mrs. Mattie Blasingame on Oct. 8 were her daughter Mae and husband, the Doc Shiflets and granddaughter of Wink. They were back the next day to take her out to dinner and then to Saint Jo to the Bert Blasingame home and to Montague to the Neil Blasingame home. Other visitors another day were another son and family, the Jim Blasingames of Del City, Okla. One afternoon three couples on motorcycles drove over from Fort Worth. They were a nephew Gene Fields and his wife and their friends. Still other visitors included a grandson Charles Blasingame of Bowie who came with her father Bert Blasingame and a granddaughter Mrs. Dorothy McCleendon and son Hank of Arlington.

Mr. and Mrs. Jerry Garland of Hurst were Sunday visitors with his parents the O. D. Garlands.

Mrs. Sara Frazer of Saint Jo, regular staffer, has been absent on account of illness this week.

Hillcrest Auxiliary hostesses for the Oct. 8 bingo party were Mmes. Ray Hess, Wilfred Walterscheid, John Fleitman, Andy Hacker and Alphonse Hoenig.

Birthday honorees for October who shared honors at the monthly birthday party were Mmes. Mary E. Felderhoff, Beulah Clements and Bernice Covington and Bryan Woods and Robert Montgomery. The Cross Timbers Band entertained and staff members served birthday cake and punch to residents, guests and staff. Cakes were provided by Mmes. Arnold Rohmer, Norbert Walterscheid, Paul Hermes and O. D. Garland and Miss Theresa Fleitman.

Claudia Hundt, Rudolph Zimmerer Exchange Vows in Lindsay Nuptial

In a nuptial Mass celebrated by the groom's uncle on Saturday, September 27 in St. Peter's Church in Lindsay, Claudia Ann Hundt and Rudolph Vincent Zimmerer were united in marriage.

Fr. Francis Zimmerer, pastor of Assumption of the Blessed Virgin Mary Church in Decatur officiated and heard their vows, before an altar decorated with arrangements of yellow gladioli and bronze pom-pom mums. Ferns at the side of the altar, lighted votive candles entwined with ivy on the communion rail, and tangerine and yellow potted mums enhanced the setting.

Parents of the couple are Mr. and Mrs. Gregory Hundt of Route 2 Gainesville and Mr. and Mrs. Vincent Zimmerer of Lindsay.

Given in marriage by her father, the bride wore an original gown of white chiffon and polyester, with a sheer yoke and high neckline formed by insets of Venice lace. Appliques of lace flowers were scattered on the empire bodice, full skirt and train. Long lace and sheer sleeves

were fitted to the elbow and flowed into double trumpet flares to wrist length.

The bride's floor length veil of English silk illusion fell from a close fitted caplet that extended to frame her face. Her clutch bouquet was of roses, baby's breath, stephanotis and miniature carnations.

Attendants

Brenda Beyer, a friend of the couple from Denton, was maid of honor. Bridesmaids were Nancy Hundt and Jeanette Hundt of Lindsay, bride's sisters, Carol Luttmner, groom's sister and Carol Zimmerer, groom's cousin. The honor maid and two bridesmaids wore tangerine crepe gowns and two bridesmaids wore yellow crepe floor length gowns designed with square necklines, self-covered buttons, elasticized above-elbow, push up sleeves, front and back pin tucks, a belt that tied in back, and full flared skirts. The bridal attendants carried arm bouquets of yellow and tangerine gladioli.

Best man was Robert V. Zimmerer, groom's cousin, and groomsmen were Roger Hundt, bride's brother, James Hellingger a friend, Larry Zimmerer groom's cousin, and Roger Luttmner groom's brother-in-law.

Ushering guests were cousins of the couple, Richard Hundt, Davy Arendt and Hank Arendt. Mass servers were Danny Schad, John and Paul Hundt, bride's cousins.

Wedding music was given by organist Pat Hennigan Jr. and soloist Jim Lawson, both of Gainesville. Selections were "Eres Tu", "Colour My World" and "Love Theme" from Romeo and Juliet. During Mass the first reading was given by the maid of honor and the second reading by the best man. After Mass the bride

placed a yellow and tangerine carnation in a bud vase on the Blessed Virgin's altar.

Mrs. Hundt attended her daughter's wedding in a mint green floor length crepe gown with long sleeves and Mrs. Zimmerer wore a floral print with gathered skirt and long sleeves. Both had yellow gladiolia corsages.

Reception

Following the ceremony a reception and catered dinner were held in the Knights of Columbus Hall in Gainesville. Mrs. Richard Hundt and Susie Zimmerer, sister of the groom registered over 400 guests. A four tiered wedding cake was cut and served by Anna Hermes, Louise Schad and Elfrieda Hundt, aunts of the bride. Gayle and Patty Corcoran, cousins of the bride poured punch.

For the wedding trip to San Antonio, the bride changed to a deep green knit tailored pants suit with rust, green and gold blouse. Since their return they are at home in Lindsay.

The bride is a graduate of Lindsay High and Cooke County College. The groom, also a Lindsay High and CCC graduate received a degree from North Texas State University at Denton and did graduate work at the American University in Washington.

The rehearsal dinner was in the home of Mr. and Mrs. Vincent Zimmerer for thirty guests. Pre-nuptial courtesies included a lingerie shower on September 16 in the home of Mrs. Carol Zimmerer and a display shower on September 23 in the home of Mrs. Vincent Zimmerer.

Among guests from out of town were Paul and Kenny Bauer of La Feria, Mr. and Mrs. Francis Dieter and Mr. and Mrs. Herbert Hundt of Dallas and friends and relatives from Sherman and Muenster.

Birthday Party for Cheramie Moster

Cheramie Beth Moster was honored with a party on her second birthday, when her parents, Mr. and Mrs. Damien Moster entertained in their home Saturday evening, October 11.

A "Betsy Clark" theme was used. After supper, ice cream and the decorated cake were served.

Guests were the honoree's grandmother, Mrs. Elizabeth Moster, cousins Cathy and Johnny Moster; Mr. and Mrs. Charles Pagel and family, the Giles Trubenchachs and Giles Wayne and Sondra, the Lynn Crows and Lyndall, also the honoree's grandmother Mrs. Louise Cole, visiting here from Salt Lake City, Utah, and Dickie Moster and Miss Karen Schilling.

The 3M Intruder Alarm sends out harmless ultrasonic waves that, when disturbed by any motion in their range, set off an alarm horn that's loud enough to warn you, neighbors, or even the police.

More important, the 3M ultrasonic system has no wires to cut, no tapes to slit, no lenses to tamper with. The soundless, sightless waves are a constant sentry that warns you of the intrusion, and gives you time to act.

**Muenster Juniors
Nudge Petrolia
In Double Header**

Muenster boys came out at the happy end of both of their games with Petrolia on the MHS field last Thursday night. Junior High won the first one by a close count of 8-6, though the action was not nearly as close, and Junior Varsity took the second one easily by a score of 22-0.

Though dominating the action all the way, Muenster High almost had victory snatched away from it in the final play of the game. With less than a half minute to go and more than 80 yards away, a Pirate got around right end and was streaking down the sideline when Robert Weinzapfel came up with the great defensive play of the night. He nailed the runner on Muenster's 30 after a gain of about 50. The game ended before the next play could start, leaving the Little Monsters with their precious 2 point lead.

Starting the contest both teams kicked twice and Petrolia's second one was blocked. Three plays later Phil Wolf connected with a pass to Todd Richey who went on for a total gain of 55 and a touchdown. Another pass to Richey raised the count to 8-0.

That's how the score remained until early in the second half when one of the Pirates raced 55 yards to the goal. Failure to follow with extra points left the visitors two points behind and rewarded Muenster with a well earned win.

While leading 10-2 in the number of first downs Muenster made two drives that failed to keep going as Kevin Klement did most of the rushing and the Wolf-Richey pass combination also worked several times. Big plays defensively were fumble recoveries by Mike Lewis and Mark Douglas, a punt blocked by Floyd Felderhoff and interceptions by Curtis Pagel and Kevin Klement.

Muenster got its start early in the Junior Varsity game following a blocked punt on the Pirate 26. Gary Hermes made 25 in three plays and David Felderhoff flipped a pass to Lenzy Dyer for the score. Felderhoff on a keeper stepped over for bonus points.

Ending the first quarter Muenster gained but could not keep going. But midway in the second quarter Hermes broke through the middle and scooted to the goal. In the final minute of the half Muenster threatened but was stopped by an interception on the 10 yard line.

After intermission the Hornets, after a good kickoff return by Hermes, drove 57 yards to their third TD. Greg Wilde, Hermes and Dyer were the carriers and Felderhoff scored on a sneak. A pass to Dyer added the final two points.

In the final period the visitors had their best drive, a total of 55 yards and ran out of time on the 17. Almost all exchanges broke in favor of the visitors. Muenster lost possession four times on fumbles and twice on interceptions. Dyer recovered one fumble for the Hornets.

**Texas Utilities
In Hassle Over
Price of Uranium**

Texas Utilities Services Inc., an affiliate of Texas Power & Light Company, has filed suit against Westinghouse to furnish uranium at the price stipulated in an agreement dated May 11, 1973, or to pay damages in lieu of performance of its contract.

The suit was filed Tuesday in Federal Court in Dallas.

J. F. Skelton, TP&L President, said "We contracted for this fuel well in advance and at a favorable price. Since Westinghouse has now informed us that they will not fulfill this contract, we find it necessary to file this suit to protect the interests of the customers we serve."

Texas Utilities Services Inc., as agent for TP&L, Dallas Power & Light Company and Texas Electric Service Company, had entered into the agreement with Westinghouse to purchase uranium at prices substantially below today's

market. This fuel would furnish the first two years' requirements for each of the two 1,500,000 kilowatt generating units now under construction at the Comanche Peak steam electric station near Glen Rose, Texas.

On September 8, 1975 Westinghouse notified the company that it would not supply all the uranium at the contracted price because of substantial increases in the market price of uranium brought on by the world energy crisis.

Wedding plans have been announced for Diane Klement and Rick Walterscheid. Parents of the couple are Mr. and Mrs. Anthony Klement and Mr. and Mrs. Earl Walterscheid.

The couple has selected Saturday, November 8, for their wedding day in Sacred Heart Church, at 5 in the afternoon. Fr. Stephen Eckart will officiate.

Attendants will be maid of honor Connie Walterscheid, bridesmaids Alice Walterscheid and Barbara Klement. Steve Klement will be best man and groomsmen will be Kenny Walterscheid and Gary Walterscheid. Ring bearer and flower girl will be Brian Klement and Jeanene Walterscheid.

The bride-elect and future groom are graduates of Muenster High School. She is employed at the Dairy Inn and he is an employee of Trumpler Petroleum.

Hartman Infant Baptized Saturday

Samuel David Hartman, infant son of Mr. and Mrs. Joe Hartman of Austin was baptized by Fr. Stephen Eckart on Saturday afternoon, October 11 in Sacred Heart Church. Baptismal sponsors were an uncle Tom Hartman and a great aunt Dorothy Hartman. Attending the ceremony were the baby's maternal grandparents, Mr. and Mrs. Marshall Marlow of Trinidad, Texas, the paternal grandparents, Mr. and Mrs. Herman Hartman, an uncle and aunt Mr. and Mrs. Roy Hartman and son Justin, a great uncle and aunt Mr. and Mrs. Tony Trubenbach, Jr.

After the services, the group gathered in the Tony Trubenbach Jr. home for refreshments. Mrs. Trubenbach is Joe Hartman's god-mother. Sam was introduced to his great-grandmother, Mrs. C. J. Fette at the party and another uncle, Don Hartman joined the family group there.

Mr. and Mrs. Joe Hartman and baby son were weekend guests of his parents and the Marshall Marlows spent Saturday here, coming especially for the baptism.

HD Club Enjoys New Home Tour And Sewing Hints

Enjoying a tour of a new home and hearing a very informative talk on Time-Saving Sewing Hints by Mrs. Evelyn Yeats were Oct. meeting highlights for members of Home Demonstration Club No. 2. They met in the newly completed home of Mr. and Mrs. Arlin Naegeli and family on Tuesday, October 14. The County Home Demonstration agent presented the program.

Carol Naegeli gave the council report, also telling that members are invited to a

program on "Now Comes Christmas" in the Farm Bureau Building on December 3 at 2 p.m., presented by Mary Casteel.

The Christmas in November show will be held on November 13-14 and members were reminded to get their handcraft items ready for display. Irene Hartman is committee chairman.

The annual Christmas party for all Home Demonstration Clubs members will be on December 9 in the Farm Bureau Building. Members will meet to make decorations for the Christmas tree in Friendship House in Gainesville.

A party is planned in the near future for Mr. and Mrs. Chau Lam and Mr. Kim Le and their families who are sponsored by Ken and Kathy Fette. The party will give the community an opportunity to meet the two families and also bring usable items for their homes. The date will be announced.

The hostess served a dessert plate to eleven members the speaker and two new members, Linda Vogel and Judy McWilliams who were welcomed to the club. All were invited to tour the new home.

The next meeting will be in the home of Betty Rose Walterscheid who will be hostess and program leader, on making Bicentennial dolls.

Can colds be avoided? Colds increase when the winter heating season begins, because the dry air in heated rooms parches the nose and throat membranes, which are then more susceptible to virus infection. Dry mucous membranes cannot clean themselves by action of their cilia (hairlike structures) that move mucous upward out of the respiratory system, clearing away germs and viruses. If homes, schools, and places of work can be humidified to about 40% it should help to reduce the common cold infection.

Callisburg held the Tigers on first series, gained 26 yards on four plays, and ran out of time near midfield.
Callisburg domination continued into the second half. After stopping SH on first series the Wildcats gained 21 to the Tiger 45 in six plays and failed on the next series. Two plays later SH fumbled and Marshall recovered for Callisburg on the Tiger 43.
Again Callisburg punted to end its series. Endres took it 68 big yards away and made a great return all the way to pay dirt. A pass for extra points did not connect. SH led 12-6.
After that, in brief Callisburg gave up the ball on a kick, SH lost it on an interception and Callisburg had to kick again, after which the Tigers were on Callisburg's 35.

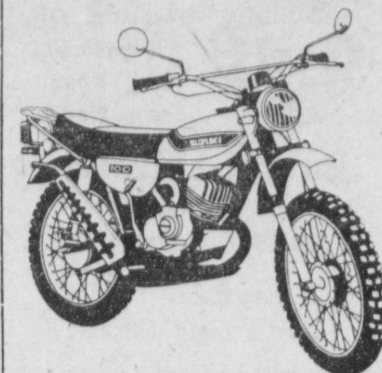

Mr. and Mrs. Paul Endres have announced the engagement and approaching marriage of their daughter Peggy Jean to Laurence Paul Abeln of Irving, formerly of Stamford, Connecticut. He is the son of Mr. and Mrs. H. B. Abeln of Dallas.
Their wedding day will be Saturday, November 29. Fr. Thomas Cumiskey O. P. of the University of Dallas will officiate at 5 in the afternoon in Sacred Heart Church.
The bride-elect is a graduate of Sacred Heart High School, attended the University of Dallas at Irving and Rome, Italy, and received a B.A. in Linguistics from the University of Texas in Austin. The future groom graduated from Fairfield College Preparatory School in Fairfield, Connecticut. He attended the University of Dallas at Irving and Rome, Italy, and received a B.A. degree in Economics from the University of Dallas. He is presently completing a Master of Science degree in International Business at the University of Dallas.

Endres gained 2 over right guard, then Sangster broke through and galloped 33 steps to the goal line. The score was 18-6 favoring SH with 10:33 remaining in the game.

Ending the second series after kickoff Callisburg had to kick again. Three plays later Endres tossed to Bob Hartman and took off for the pass Hartman was throwing to him. The play worked to perfection and Endres went all the way, a gain of 39 and a touchdown. A PAT kick upped the score to 25-6.

The scoreboard clock read 6:14, still time for another touchdown and the Wildcats were long overdue. After the Wildcats kicked on first series, the Tigers made one series and failed on the second, giving up the ball on their 40. Callisburg scored in a hurry from there — in just three plays: a pass for 26, another pass for 12, and a crash into the line for the last 2 by Williams as the clock read 31 seconds. Williams got around right end for bonus points, and the count was 25-14.

plays including passes to Dan Endres, Mark Mollenkopf and Sicking for 13, 6 and 10, the latter being the TD. A kick made the count 14-6.

MHS started the second half with 15 free yards to midfield on the first play. Two more plays were just short of a first down and another try was stopped cold. With only a few inches to go a crash into the line was taken for granted. Instead Wolf lobbed an easy pass to Davidson over the line and he headed for the goal as Mollenkopf blocked out two defensive Knights Endres added a point. Time was 10:28 in the third.
Next one came on next possession, 64 yards in 7 plays.

With only 2 minutes left the Knights put on another nice drive. Two good plays and a penalty gained 44 to the 26. Next try was a pass over the goal line intercepted by Nick Walterscheid.

Shortly after that a brother to brother pass, Nick to Neil Walterscheid had the Hornets on the 24 but Wasinger's interception stopped them the next play. Four plays after that a blocked punt put Muenster back on the 24. From there Nick Walterscheid threw a touchdown pass to Jim Koelzer. Mollenkopf followed over for two extra points.

Big gains were a pass to Dan Endres for 24 and an option keeper by Wolf for 31. Wolf scored from the 2 and a kick made it 23-6.

A fumble by ND on the next series and recovery by Wolf gave the Hornets a start on the third touchdown of the third quarter. Eight plays completed the drive of 48 yards and Sicking finished the job with a 7 yard scoot. A bad snap spoiled the try for bonus point, the first one missed so far. The score was 34-6 going into the fourth.

Following ND's kick on second series Sicking went for 31 to the 23 and the drive suddenly went sour. So a field goal was tried and got only to the 12. Two plays later Wasinger passed from the 16. Mollenkopf intercepted on the 35 and made a fine broken field run in returning all the way for the Hornets sixth touchdown. Another PAT failed. The score was 40-6 with 9 minutes left.

Finally the Knights put a drive together again. Ochoa started it with a nice 22 yard run to the Hornets 40. A pair of runs by Broadway added 24 more to the 16. Aroused Hornets then set back the next two tries to the 22 where Wasinger passed to Gregory for a TD. Broadway's run upped the count to 40-14 with 6:05 left on the clock.

Shortly after that a brother to brother pass, Nick to Neil Walterscheid had the Hornets on the 24 but Wasinger's interception stopped them the next play. Four plays after that a blocked punt put Muenster back on the 24. From there Nick Walterscheid threw a touchdown pass to Jim Koelzer. Mollenkopf followed over for two extra points.

Confetti - - -
expense is paid by us instead of them. No wonder they can hold out a long time and get the big raises. No wonder the price of their products takes a big jump. And we have to pay the bill in two ways. As taxpayers supplying the stamps and as consumers buying the products.

Proposed reform in the food stamp program seeks to eliminate the "voluntarily unemployed". This would rule out the students and strikers, and, of course a much larger number of loafers who won't work as long as they can live off of us. Those are the people who really get to us. Imagine their racket: collecting welfare money and multiplying part or all of it by four as they convert to food stamps. Remember, we taxpayers have to provide both welfare money and the stamps.

Facts like these and many more are coming to light in a Senate investigation. Compelling reasons, we would think, for extensive and rigid reforms. But, believe it or not, some of the Senators favor even more lenient food stamp legislation.

It is amazing that people with the ability to get themselves into Congress are unable to see what a bonanza they have created for deadbeats — and that they lack the understanding or conscience to put a stop to the ripoff.
