

President Ford has our sympathy and our praise in his present stand of declining federal aid to bankrupt New York City. As anyone must know, it is very unpleasant to be pressured day after day on the subject when his own judgment tells him that it is economically unwise, even unjust, to use our money in this way.

The New York mayor insists the city is not asking for a handout. It just wants the backing of Uncle Sam's credit while it gets back on its feet.

If it were as simple as that there is little doubt that the president would have given the help. But we can bet that he has looked ahead a step to consider the consequence if the big city wastes this credit as it did those billions of previous credit. In that case it means that we American taxpayers would have to absorb the loss.

This is simply a mammoth version of that well known financial expedient of having someone go on another's note. One guy is deeply in debt and his credit is exhausted. His banker refuses to risk another loan, but agrees to advance the money if you will endorse the note as guarantee that the loan is safe.

So the borrower is out of trouble for a while, but when the time comes to pay on the debt he doesn't have the money. Nevertheless it gets paid. The bank calls on you to make good on your guarantee. Likewise Uncle Sam, meaning we citizens, could be required to pay off the note of a billion or more for New York City.

This is only the beginning of the problem. Lots of other cities with big debts would be assured thereby that they can get US backing in their financial troubles. By the law of averages we can assume that some will default and we taxpayers would be called upon to make good. We'd have to help pay debts of cities we're not concerned with. As if we don't already have enough tax load in paying toward support of our own town and state and that astronomical national debt.

New York's Mayor Beame "warned" Congress that the president, in refusing to help, would be responsible for "hundreds of millions of dollars" of the city's bills to go unpaid across the country, to the loss of cities where companies holding the bills are located.

The mayor further insinuated that Uncle Sam has a similar obligation to other cities. "We New Yorkers have always been proud to be the urban laboratory for the nation. It would be disastrous if the federal government ignored what could become a national urban tragedy."

How's that for political conceit? The man says New Yorkers are proud of the fiscal system that has bankrupted the nation and which threatens to bankrupt a number of other cities. And now he has the nerve to claim that the president is defaulting on an obligation if he refuses to use our money to pay for New York's mistakes.

As regards the bills coming due, the mayor has an absurd attitude. He's full of sympathy for the people who are due payment, apparently unmindful that every one of the creditors has had opportunity to know for months or years that NYC was a bad credit risk. They have no legal or moral right to compensation beyond what is divided out by a bankrupt court. Surely they and the mayor should realize that the people who did the business are really the only ones involved. Surely we taxpayers should not be concerned.

A related thought points to the folly of trying to overcome a fiscal blunder with another mistake of the same kind. Irresponsible spending on over extended credit got the city into debt trouble in the first place. And now it tries to get out of trouble by going deeper into debt. Most likely the president's refusal to loan is based partly on this fact.

It is rather sad that big, mature men, national leaders, see what has happened and still seek the easy way out. After their experience in the past forty years, the debts of

Ceremony and Reception to Honor Father Bede on Priesthood Jubilee

A general invitation has been extended to the members of Muenster and Lindsay parishes and to any other friends of Father Bede Mitchell to attend the celebration of his golden jubilee in the priesthood Sunday at 7 p.m. in Sacred Heart Church.

Father Placidus Eckart announced that local observance of the 50th anniversary of Father's Bede's ordination will include a special liturgy in his honor and the jubilee homily will be delivered by his religious superior, Abbot Raphael DeSalvo of Subiaco Abbey, Arkansas.

After the mass there will be a reception for Father Bede in the Community Center. It will be an informal gathering at which all will have an opportunity to visit with him.

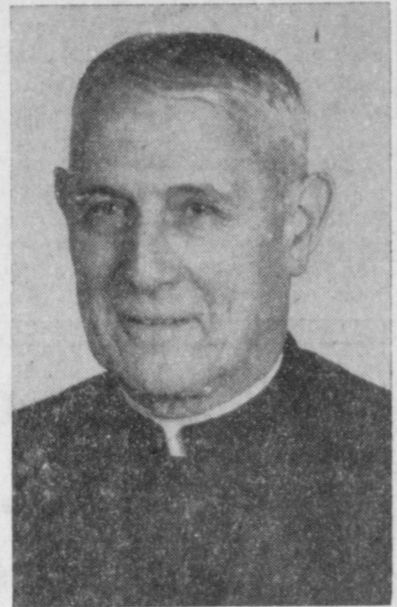

Father Bede is a native of New Orleans, born January 7, 1899, and spent his boyhood years there. He enrolled in Subiaco Academy, Ark., as a high school student and made his profession as a member of the Benedictine Order at Subiaco on September 8, 1917. He was ordained in the priesthood on May 21, 1925.

Since then Father Bede has had a busy career in the educational and pastoral fields and has also conducted many retreats and missions.

He taught theology for a number of years in the Subiaco seminary and also taught in high school at Subiaco Academy and Laneri of Fort Worth. During his teaching years he also assisted frequently in pastoral work at parishes near Subiaco.

The greater part of his

priestly life was spent serving in parishes of Arkansas and Texas, first as an assistant, then a pastor, and later again as an assistant. He has been assigned to parishes in Fort Smith, Scranton, Ratcliff,

Clarksville, Charleston, Barling and Little Rock, Ark., and also in Fort Smith, Muenster and Lindsay.

Father Bede was in Muenster from July, 1969, to July, 1973, then went to Lindsay for a year and a half before returning to the Abbey. While here and at Lindsay his principal occupation was visiting sick and elderly in the hospital and rest home and their homes. Along with that he found time to conduct a weekly interview program on the local TV channel 2 and to carry an extensive correspondence with prominent people about religious and moral issues.

Tigers Nip Panthers 20-12

The Tigers did their part Saturday night toward making homecoming a delightful affair for Sacred Heart. They marked up a well deserved 20-12 victory over Saint Jo and extended, their undefeated season to a record of 6-0-1.

Though the Tigers dominated through most of the game it turned out to be a thriller that was not decided until the last minute. Sacred Heart took an early lead and held it until Saint Jo tied it midway in the fourth.

Then is when the hot action began, as fired up Tigers got to work on their go-ahead score, and it continued as the Panthers put on a great effort to even the count again.

Actually the game was not decided until the final play. As the seconds were ticking away the Panthers were using their last series in an effort to gain the last 12 yards of a drive, and time ran out a few seconds after the Tigers had held them for the fourth down.

The opening quarter was a deadlock starting with a Tiger fumble recovered by Saint Jo, an exchange of kicks, another Tiger fumble, and a

Panther fumble recovered by Craig Sangster.

In the series following that fumble the Panthers blocked a Tiger punt for fine field position on the 25. Four plays reached first down on the 15 just after the second quarter started. Three plays later Melvin Hess recovered a fumble ending the Panther threat on the 10.

That play seemed to spark the Tigers. Roger Endres broke through on an 86 romp to the goal but the play was nullified and penalized for offside. Two plays later Sangster on an end sweep sailed 66 yards to the 22 before he was shoved out of bounds. Joe Bartush and Roger Endres got to the 1 in the next four plays and Robert Hartman dived over. The try for extra point failed.

Promptly after kickoff Sangster made his second fumble recovery and SH was 29 yards away. Two plays lost 6, then Hartman pitched to Endres who fired a dandy pass to Bruce Fuhrmann for a quick TD. A kick for PAT missed. The count was 12-0.

Then came another quickie for the other side. Terry Johnson ran back the kickoff 80

Candidates for queen at the Sacred Heart homecoming last Saturday were Cindy Bartush, Janet Pels, Lori Rohmer and Dianne Kralicke.

Princesses at the SH homecoming, were Sharlene Pagel, Monica Gehrig and Laurie Walterscheid.

J. A. Klement Is New President of Cooke County FB

At the biggest attendance ever gathered for a meeting of the Cooke County Farm Bureau, members elected their officers for the coming year and delegates for the coming state convention and adopted a set of resolutions to be presented at the state convention. The meeting was held Friday night in the Gainesville Community Center.

John A. Klement is the new president, moving up after a year as vice president. He succeeds Charley Kammerdiener. W. R. Huneycutt is the new vice president and Ray Sicking is the new second vice president.

As president, Klement heads the delegation to the state FB election which will be held November 30 to December 3 in San Antonio. Delegates elected were Martin Bayer, Ray Sicking, J. T. Cole, Lawrence Zimmerer, and Elmer Fox. Alternates elected were John Hargesheimer and Al Walter.

In other business the members heard a number of proposed resolutions and adopted those which they wish to present at the state convention. Those adopted then will be taken to the national convention, and if approved these will become a part of national FB policy.

The new state constitution was also discussed.

Special guests at the meeting were Julia Bayer and Sally Endres who were sponsored by the Cooke County FB at a citizenship seminar at Baylor University last summer. They spoke briefly explaining the nature of the seminar and expressing appreciation for the privilege of going.

Tigers Will Have More Cripples for Cistercian Game

Injuries have troubled the Tigers before, but nothing like they will this week when they travel to Irving for a tussle with the Cistercian Hawks. Seven members of the original varsity team are definitely out for the game and another is to be counted as doubtful.

Coach Ed Stock said this week that Bob Hartman has joined Arnold Yosten as a casualty for the rest of the season. Also George Luke and Fred Koessler will be out another week with earlier injuries and Brent Hess, Joe Sicking and Steve Henscheid will be out at least for this game with new injuries. In addition, Bruce Fuhrmann has to be counted as doubtful.

A single factor in the team's favor is the return of Mark Hess after two weeks of absence.

The troubles, furthermore, are coming at a very bad time for the Tigers. Cistercian appears to be the toughest opponent to date . . . big and strong and applying its muscle in the power style of football. Four linemen weigh over 200 and a fast back weighs 195.

Its 3-3 season is less impressive than Sacred Heart's 6-0-1, but happens to include considerably more competition.

Recommended route for Tiger supporters going to the game is to leave I-35 at the Irving exit a short distance south of Farmers Branch and follow it to Highway 114 at Texas Stadium. Exit right there to the service road (not the main road) and follow it two blocks to Cistercian, which is opposite the University of Dallas.

Hospital Auxiliary Plans for Dance

The Hospital Auxiliary Winter Wonderland Dance committee is spending a lot of time and effort preparing for the annual benefit.

Members of the planning committee are Mrs. Gerald Hess, Mrs. Robert Russell, Mrs. Gerald Graham, Mrs. Ed Schneider and Mrs. Walter Grewing. They met Monday in the home of Mrs. Hess.

Theme of decorations is "Winter Wonderland", "Music by Rosewood" will be featured on December 6 in the Community Center. Tickets at \$10 a couple will include buffet. Mmes. Hess and Russell are in charge of reservations.

It's Time to Change Clocks

Clock changing time is here again. Effective at 2 a.m. Sunday, October 26, the nation will quit Daylight Saving Time and return to Standard time, with the clocks back in tune with the sun.

That's how it will be until the last Sunday of February when the country goes back to Daylight Saving Time.

People are reminded to set back their clocks one hour sometime Saturday night in order to be on schedule Sunday. If they don't, they're going to miss a delightful hour of extra sleep and possibly find themselves an hour early for church.

As a result of the change football games will start at 7:30 for the rest of the season. Sacred Heart's game with Anna was originally scheduled for that hour, but Muenster High's game with Callisburg was set for 8 p.m. — and it is changed to 7:30.

MHS Re-assigned And Lindsay Joins UIL District 13-A

Muenster High School for the coming two years has been re-assigned to District 13-A according to an announcement this week by the University Interscholastic League.

Also re-assigned are Archer City and Holliday whereas Windthorst was dropped, Lindsay was added, and Petrolia became a contender in football as well as the other sports. Windthorst is slipping back into Class B and Lindsay is stepping up from Class B.

Promptly after receiving the word from Austin officials of the six schools arranged a meeting to plan the district football schedule for next year. That schedule is needed so that each school will know what dates remain for the rest of their schedules.

The meeting was held Tuesday at 10 a.m. in Bowie and resulted in the following district schedule for the MHS Hornets.

Oct. 15, Petrolia there
Oct. 22, Holliday here
Oct. 29, Lindsay here
Nov. 5, Archer City there
Nov. 12, Callisburg here

Other assignments of local interest concern schools that have played the Hornets this year and previously. Celina, the long time champ in Class B, is placed in District 14-A with Aubrey, Howe, Pilot Point, Pottsboro, Sanger and Van Alstyne.

District 12-A has Boyd, coached by Glenn Richardson, plus Aledo, Glen Rose, Grandview, Itasca and Millsap.

Warning Given On Vandalism At Halloween

Anyone who is inclined to combine vandalism with Halloween trickery is advised that it will be risky this year. In an effort to prevent the kind of destruction that has been experienced here in recent years, Police Chief James McDonald said he is making every effort to maintain order and quiet and will prosecute anyone who is caught destroying.

His remarks referred particularly to the not-so-funny pranks formerly carried out at the two schools. Vandalism of any kind will not be tolerated, he said, and anyone caught tampering with property at either place will be in trouble.

If the offender is under 17 he or she will be taken to the county's juvenile court, where parents will be summoned to help clear up the trouble. If over 17 the offender will be treated as an adult and taken to the Justice of the Peace in Gainesville.

McDonald said this kind of prosecution applies equally to vandalism anywhere else in town. This includes cluttering any place with junk and litter and it especially includes destructive acts like breaking and defacing property and smashing eggs on cars or buildings. Basis for toughness in this regard is the damage that eggs can do to a paint job.

Another no-no is that tiresome old act of setting fire to

Lori Rohmer Reigns as SH Homecoming Queen

Lori Rohmer, daughter of Mr. and Mrs. Emil Rohmer, reigned as queen Saturday night at the Sacred Heart homecoming, which was made doubly delightful by a well filled fun program and a football victory over Saint Jo.

Lori was one of four senior class candidates for the queen title and was chosen for the honor by an election of the student body, but her identity remained secret until the crowning ceremonies at half time of the football game.

She was crowned by her escort, John Henscheid, with a crown presented by Laura Kralicke, last year's queen. Also she received an arm bouquet of white mums and red carnations from the 1973 queen, Mrs. Michael Fuhrmann. And she had a Tiger Queen banner pinned on her by the 1972 queen, Nancy Fuhrmann.

Others of the royal party

were the remaining candidates and princesses for the lower classes. The other candidates were Janet Pels, escorted by Darell Walterscheid, Dianne Kralicke, escorted by Bruce Fuhrmann; and Cindy Bartush, escorted by Mark Hess. Princesses were Sharlene Pagel escorted by Bob Grewing; Monica Gehrig, escorted by Danny Walterscheid and Laurie Walterscheid, escorted by Joe Bartush.

The evening's ceremonies started before the game in a parade originating downtown. It included drill team, cheerleaders, and mascots afoot plus the royal party in decorated pickups driven by Rick Walterscheid, Pat Endres and J. T. Pagel.

On their arrival at the east side of the football field they were met by their fathers and escorted across the field while the drill team stood at attention and introductions were made by Mrs. Norbert Walterscheid, who later announced for the half time ceremony.

The fathers were Charles Bartush, Henry Pels, Emil Rohmer, Dr. Kralicke, Maurice Pagel and Sylvan Walterscheid; and Jim Gehrig did the honor for his sister.

Final homecoming events were two dances, in the Community Center for the Alumni and in the SH gymnasium for students.

Homecoming week activities started the preceding Sunday when class groups decorated corridors of the high school. Monday was a free day because of an in-service date for teachers.

Tuesday started with a special liturgy by the freshman class under direction of Sister Carmelita honoring the queen candidates and princesses. Afterward corsages, which had been on the altar during mass, were presented to the girls. And at noon mothers of the royal group were guests for lunch at a specially decorated table in the cafeteria.

Wednesday was blue jeans day for the boys, also red jersey day for freshmen and senior girls and white jersey day for soph and junior girls. Those were uniforms for the powder puff game Wednesday night, which was won by sophomores and juniors.

Thursday was inside-out day and Friday at 7:30 was the time for a big pep rally around the bonfire.

Hornets Clobbered 59-30

Disaster crashed down on the Muenster Hornets at Archer City Friday. In a humiliating 59-30 defeat they had their perfect record spoiled besides losing the first contest of the district race.

It was a game that the Wildcats clearly deserved to win on the basis of their fine performance. But the lop sided score includes a lot more than earned points. The rash of tough luck that hit the Hornets was unreal. For instance all of the exchanges going against them, and a number of critical plays also breaking the wrong way.

Nevertheless, there was a pleasing factor. Muenster eventually ended with a lead of 368 to 348 in rushing and passing yardage.

Archer City started its display of power promptly after the opening kickoff. Following a good return to the 43 they hauled the pigskin the remaining 57 in nine plays. Alexander and Williams alternated in gobbling up the yardage and Hopkins made the last yard on a sneak. Alexander's kick upped the count to 7-0.

On its first possession MHS seemed to be doing the same. Nice running by Mark W. Sicking, Bob Endres and Mark Mollenkopf, plus a pass from Tim Wolf to Dan Endres, moved the ball 40 yards to the 19 in eight plays. Three more tries were less than a yard short and the next play was spoiled by a muffed hand-off which lost a couple of yards.

So AC got its offense going again. In two installments, with an exchange of punts between, they went for their second TD. Williams made the last 6 and Alexander added the PAT.

The next one came in the series following kickoff, and

it was a heartbreaker. Alexander intercepted Wolf's pass and made a beautiful open field run for 54 yards to pay dirt. The score was 20-0 at half time.

As far as Hornets and fans were concerned, that was bad but not hopeless. But tragedy awaited them in the third. After stopping MHS on first series the Wildcats made two first downs and had to kick. That put MHS on its 12 and a fumble the next play gave AC a set-up on the 9. Two plays later Aulds went in from the 7. The score was 26-0 at 6:24 in the third period.

Next a penalty on kickoff return set MHS back to its 15. A pass, Wolf to Dan Endres, gained 17. Next play was another pass, intercepted by Williams and returned all the way. The count after Alexander's kick was 33-0.

Two plays after the next kickoff Muenster fumbled again and the Wildcats were 34 yards away. First try gained 1 and Williams broke away on a scoring romp.

After this, a combination of two tough breaks was about to happen. A fumble gave AC possession on the 24 and the

Local Boy Scouts Need Scoutmaster

A distress call was sent out this week by the local Boy Scout committee. They urgently need a scoutmaster. Henry Weinzapfel, committee chairman, said the boys are trying to carry on alone but they need an adult to take charge and help with the program.

Anyone interested or who knows of an interested person is asked to get the word to Weinzapfel, Charles Bartush, Dan Luke or Dan Hamric.

SH Junior Varsity Wins at Saint Jo

Junior Varsity boys of Sacred Heart earned a touchdown and accepted one as a gift for a win of 12-0 at Saint Jo Thursday night. They started operating early in the first quarter, their second possession, and drove 72 big yards in 11 plays for the first score. Ken Felderhoff carried on six of those plays for a total of 36 yards and the 6-pointer was a 20 yard pass play from Roger Haverkamp to Glenn Walterscheid. The score came early in the second quarter. Later in the same period the Junior Panthers missed a golden opportunity when a

bad snap for punt sailed over the kicker's head and a crowd of Panthers recovered it on the 13. Stout defense by the Tigers plus a five yard penalty moved Saint Jo back to its 22 on the series.

After half time, defense got strong on both sides accounting for a rash of turnovers and very little progress by either. The Tigers made three scattered first downs, the Panthers none. The Tigers had a net gain of one yard in rushing, the Panthers 6 yards. Also Tigers made 38 in passes and the Panthers 6.

Starting the second half Billy Rohmer recovered his third fumble of the game and on the next play SH lost possession on a fumble. Four plays later Bernie Fette blocked a kick, after which SH moved briefly and lost possession on the 20 on an interception. Four plays later, after a bad snap, the kicker was smeared on the 1 foot line by Tim Sicking and Bernie Fette. Roger Haverkamp went in from there on the first try.

That was the first play of the last period, which was featured more by turnovers than progress. The Tigers lost two fumbles and an interception. Also Brent Hess had one fumble recovery for the Tigers and Ken Felderhoff an interception.

Annual Pictures Must Be Prepaid

A change in policy has been announced by the school photographer, taking effect this year when the annual individual school pictures were made for students in the elementary and high school departments at Sacred Heart. Pictures must be pre-paid because the company has been losing too much money on the previous plan of printing all pictures and allowing the individual to buy or reject pictures. The school photographer was in Muenster on Tuesday, October 21 and will return in about two weeks for make-up. The "school-days" package will contain 2 - 3x5 pictures and 16 exchange pictures.

Two light-weight sweaters are warmer than one heavy one. The space between the two provides insulation — and helps keep your body heat close to you.

 (and Angie, too)

I want to thank the doctors, nurses staff and cooks of Muenster Memorial Hospital for their excellent care, while I was a surgical patient. My thanks go also to Frs. Public School Happenings

Kindergarten

Morning and afternoon kindergarten classes have finished their third workbook — themed "Community Workers." To celebrate the completion of this Rectangle Workbook the children were treated to a bubble-gum party.

On Friday Scott Taylor's birthday was observed with his classmates in the morning kindergarten class when his mother, Mrs. Roger Taylor brought cake, punch and treats.

Connie Kennedy, daughter of the David Kennedys, whose birthday was Sunday, was honored by afternoon kindergarten classmates Friday. Candles on the birthday cake and the birthday song added to the fun.

2nd Grade

The second grade pupils are studying Japan in Social Studies. As part of the unit, many articles were brought to school and displayed, giving the children an opportunity to see jewelry boxes, wall hangings, salt and pepper shakers, chopsticks and a doll from Japan. Mikael Fette showed the class how to hold and use chopsticks.

Kimonos and Japanese shoes were fitted on and modeled by the students. One afternoon they had a Japanese tea party with cookies and hot tea. All the students sat on the floor Japanese style dur-

ing the party, many of them wearing the kimonos.

6th Grade

To observe Fire Prevention Week the sixth grade of Muenster Public School presented a play "The Arrest of Johnny Carelessness" for the elementary department.

The play was presented at the front of the building, using the porch as a stage, with a backdrop of a mural drawn by the students. The mural depicted "Anytown, U.S.A."

The whole elementary department enjoyed the play, but not anymore than the students who prepared and presented it. Charlotte Fleitman is sixth grade reporter.

1st Grade

The first grade helped Melanie Richey celebrate her sixth birthday last week. Her mother Mrs. Wendal Richey and an aunt, Mrs. Jan Cain brought refreshments carrying out the Halloween theme. Party favors were little witches and ghosts. Mrs. Gwen Trubenbach is first grade teacher and there are 22 pupils.

PTO Meeting

Mrs. Barbara Marshall, co-ordinator of Plan A in Cooke County presented the program Monday evening in the Auditorium when the PTO of Muenster Public Schools held its regular October meeting.

She introduced special teachers who assist in the county schools and told of their duties. Taking part were Mrs. Margaret Stormer, speech therapist; Mrs. Alice Smith, supervisor for speech and hearing; Mrs. Jean Allen, educational diagnostician; Mrs. Electa Taylor, special education counselor; Mrs. Dolye Yeargan, school psychologist; Mrs. Phyllis Bush, resource teacher; Mrs. Patricia Highfill, teacher aid; Mrs. Shirlee Hickman, vocational adjustment co-ordinator.

All were present except Mrs. Yeargan, and each was presented a red carnation in a bud vase.

Mrs. Roy Monday presided for the business meeting. Members planned a workday on Monday, October 27 at 1:30 p.m. in the lunchroom. Volunteers were asked to bring cleaning supplies and equipment for washing windows and walls.

Plans for the Halloween Carnival for children of kindergarten age through sixth grade, were completed. The carnival will be held in the lunchroom on Thursday, October 30, 6-8 p.m. Admission is 25 cents. The committee requests that parents pick up their children promptly at 8:00.

The November meeting will feature a program presented by the Homemaking Department. FHA members will model garments they have made.

Guests of Mr. and Mrs. Val Fuhrmann Saturday and Sunday were the Tom Fuhrmanns of Euless, the Jim Fuhrmanns of Irving, Miss Nancy Fuhrmann of Denton, Richard Lautenslager of Denton and the Fred Fuhrmanns of Moss Lake. They came to attend the football game and homecoming dance and were together again Sunday for a birthday dinner to celebrate Fred's birthday in the Val Fuhrmann home.

Cubs Lose 14-6 to Notre Dame Kids

Two big plays made the big difference Tuesday night in Sacred Heart Junior High's 14-6 loss to Notre Dame kids of Wichita Falls.

One of those plays was the return of an intercepted pass about 45 yards for a touch-down. The other was a blocked punt which was recovered by the Cubs behind their goal line. The visitors earned 6 and 2 points respectively on those efforts.

Otherwise they played it even. Each team completed one drive, and failed to keep others going.

Mark Nasche scored for the Cubs on a two yard plunge through tackle ending a drive of about 70 yards.

Leo Schmitts of Washington Visit

Mr. and Mrs. Leo Schmitt were house guests of her sister Mrs. Eddie Schmitt Tuesday through Monday and visited other relatives of the Schmitt and Hess families. In their honor a family gathering with dinner was held in the Al Trubenbach home Thursday evening.

The Leo Schmitts were on vacation, having visited earlier with a son, Bob, in Buffalo, New York, where he is teaching, and sightseeing at Niagara Falls, in New York City, Philadelphia and Washington, D.C.

After the Texas visit, they returned to their home in Yakima, Washington. They were on a flying trip, arriving at D-FW on Tuesday, October 14, when they were met by the J. W. Fishers. After their visit here Al Schmitt took them to the airport for the return flight, on Monday, October 20.

Vandals Warned - old tires or junk on the street. This is arson, McDonald said, and an offender will be so charged.

The city is serious about those so called Halloween pranks, the officer concluded, and as proof it will have four officers on duty. Frankly the lawmen hope to have a quiet night, but they intend to crack down if they find someone getting out of line.

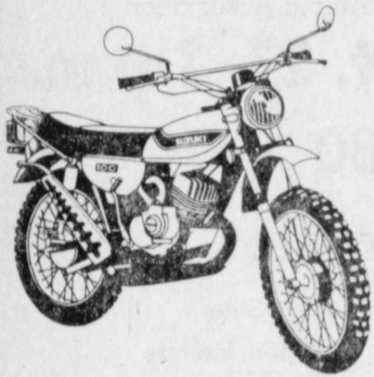

As regards traditional, trick or treating, McDonald advises parents to supervise the fun. That is to favor costumes that can be seen in the dark and to accompany kids to keep them away from traffic.

Lindsay Girl Has State Fair Grand Champion Steer

by Larry Weise
Twelve young people represented Cooke County at the Junior Livestock Show in Dallas last week. Of course, the selection of Kelly Fuhrmann's steer "Specks" as Grand Champion, was the highlight of the week's activities. Specks, weighing 1,260 pounds, was a Limousin cross steer purchased from Dwayne Hilbert in La Verne, Iowa.

The steer was sold in the Premium Sale Friday netting Kelly a handsome price of about \$5 per pound. Kelly also received a \$500 check from the Limousin Association.

This is Kelly's second year to show in major shows, though she has had more experience on the local level. Kelly is the daughter of Mr. and Mrs. Robert Fuhrmann of Lindsay.

The Fuhrmann family has two reasons to be proud, as Kelly's brother, Scott also showed a steer placing 13th in his class of about 60 steers. Scott chose not to sell his steer at the Premium Sale, although placing in the top 20 in his class had entitled him to this right.

Another 4-H steer, show by Sharon Fangman, daughter of Mr. and Mrs. Winston Fangman of Lindsay, placed 17th in his class of about 50 heavy cross breed steers. This was Sharon's first year to show in a major show, and she looks forward to more shows in the future.

Also placing 11th in this class of heavy steers was Doug Schmitz of Lindsay F.F.A.

tries, six area young people showed beef heifers in this category. Mr. and Mrs. Kenneth Kuykendall of Gainesville can be proud of the efforts of their sons Ricky and Kenny. Ricky had the 2nd place heifer in his class of Santa Gertrudis heifer. Kenny placed 5th in his class of Santa Gertrudis heifers and also received an award for the best polled heifer of the breed.

Bryan and Brady Cartwright, sons of Mr. and Mrs. Richard Cartwright of Gainesville, also entered the beef heifer show in the Hereford Division. The boys made a fine showing, placing 14th and 16th respectively in the class.

Also entering beef heifers were Ryan Norwood and Jody Gray of the Gainesville F.F.A. Chapter.

Representing the Cooke County Swine industry were Jimmy and Lana Bryant, son and daughter of Mr. and Mrs. H. D. Bryant of Valley View. Jimmy's Poland China placed 7th in his heavy weight class of about 50 entries. Lana's Chester White placed 16th in a class of about 40 entries. These placings entitled both the privilege of selling in the Premium Sale on Friday.

Era F.F.A. was represented by Steve Lemons, who placed his Poland China barrows 3rd in the lightweight class and 6th in the heavy class.

The efforts of these young people in preparing and showing of these animals is to be commended and encouraged.

next play was the team's only pass attempt of the night. Mark L. Sicking intercepted it on the 1. But did MHS get possession? No Sir! A Hornet was penalized for pass interference and Wildcats had a set-up on the 1. First try from there was smeared for a 10 yard loss, then Williams powered over with his third TD in two minutes and 23 seconds. Green added an extra point. The score was 46-0.

The next touchdown was another quickie but for the Hornets. Wildcats put in their reserves after kickoff and Mark W. Sicking on first play broke through and sailed 67 yards to the first MHS score. Wolf's pass to Mollenkopf added 2.

So Wildcat regulars took over again. Three runs after kickoff gained 18 and Alexander went 55 for another TD. A kick added 1. The score 53-8.

Then MHS put on a successful drive. It went for 55 yards and big plays were a pass to Dan Endres for 14, a run by Bryan Sicking for 12, a penalty for 12 free yards and a pass from Nick Walterscheid to Bryan Sicking for 12. Nick Walterscheid stepped over for bonus points. After the wild third quarter scoring spree of 49 points the count was 53 to 16.

And again the first string put on a drive for AC. It went for 64 yards including two major penalties, and Alexander scored from the 1.

Finally it was Muenster's turn again. The drive went 62, in ten plays including 20 by Mark W. Sicking and 29 by Wolf. Wolf scored from the 1 and passed to Davidson for extra points.

The final score was another drive. It went 70 yards in six plays. Sicking ran for 40, Wolf passed to Davidson for 20 and to Mollenkopf for the last 10.

yards for a Panther TD. A try for extra points was blocked by Darrell Walterscheid. The score was 12-6 at 3:49 of the second quarter.

Starting the second half Saint Jo kicked to end its first series and a good return of the punt by Roger Endres put SH on the Panther 28. The next four plays were 2 yards short of first down, and Saint Jo punted to end its series.

Again, SH could not gain but on fourth down, from kick formation, Endres passed to Joe Bartush for 15 to the 24. A face mask penalty gave 12 yards for free and, for the second time, Panther defense held. Four plays gained only 3.

Following an exchange of punts, Saint Jo started a fine drive early in the fourth from its 20. Ten plays plus a 15 yard penalty covered the 80 yards with Joel Hale stepping off the big gains of 16, 11 and 14 yards. On the last one Bob Hartman stopped him on the 1 and got the worst of the crash. He left the game and went to the hospital.

Hale made the last yard to tie the game, after which the PAT effort failed leaving it tied.

With 6 minutes left, the Tigers went after their go ahead score. From their 41 Endres passed to Bruce Fuhrmann for 23 and again for 12 to the 24. Two short gains and 5 on a penalty reached the 13. Mark Hess gained 8 and Endres passed to Sangste over the goal line. Mark Hess tore through for 2 more. SH led 20-12 with 2:50 left.

Still trying, Saint Jo started from its 47 after an on-sides kick. A pass interference ruling gained to the Tiger 36 and two runs by Hale got to the 12. After a stubborn Tiger stand the Panthers ran out of time and downs on the 10.

Scouts to Work on Goodwill Project

Muenster Boy Scouts have taken on a project of providing articles to Goodwill Industries. Next Sunday they will distribute Goodwill bags in which residents are asked to put clothing, toys, appliances and other items that have lost their usefulness or need repairing. The following Sunday Scouts will be back to pick up the bags for Goodwill.

This is a program in which the organization hires handicapped persons to repair clothing and various other articles for resale to needy people who can't afford the price of new items. It provides an income to handicapped persons and bargains to poor people. And it accommodates people who want to dispose of articles that are just in the way.

Among former students here for Homecoming at Sacred Heart, the football game and dance were Kevin Swirczynski of Southeastern State U. at Durant and Dr. and Mrs. Steve Kralicke of Marietta.

cities, states and nation, as well as inflation, they should be able to see that constant living in the red must ultimately lead to a day of reckoning.

Just borrowing more money cannot solve the problem. Rather the solution is the opposite of what has been going on. This calls for belt tightening. City workers who are intensifying the crisis by demanding raises need to come forward and offer to work for less. At the same time city managers need to eliminate more thousands of unneeded and featherbed jobs. And the people who do business with NYC need to sit back patiently and wait for their pay. If necessary they should extend the city's needed credit. After all, they stand to make a profit when the bill is eventually paid.
