

MUENSTER ENTERPRISE

VOLUME XXXVI

MUENSTER, COOKE COUNTY, TEXAS 76252 OCTOBER 13, 1972

NUMBER 47

Whether or not Communists are permitted to place candidates on the November election ballot doesn't actually matter because there's no chance of getting a substantial vote anyway, but it matters a lot on principle. It's an insult to the country when a sworn enemy, dedicated to the destruction of our nation, can be regarded as a qualified candidate for an office which requires an oath to uphold the constitution and to defend the nation against all enemies.

The report is that a panel of three federal judges decided that candidates cannot be required to swear to a loyalty oath. Can you imagine that? However, we should not be too surprised. They told us long ago that a disloyal person has a right to teach our kids. This absurdity of a disloyal person being qualified for public office is only a step further.

We hear lots of complaints about that big wheat deal with the Soviets, the way farmers were left holding the bag because the resulting increase in grain price came after they had sold this year's crop, also the windfall to the big grain exporters. And now we have reports that some of the grain is put to political use. Some of the Soviet-bloc ships loaded with the wheat were re-routed to Chile to meet a commitment of several million bushels by the USSR.

Chile was in trouble. The pro communist Allende government has been a dismal flop. The country faced starvation and bankruptcy, and a possible consequence was strikes and food riots that would topple the regime. The wheat shipment permits the Allende mob to make a dramatic recovery and praise the USSR as a great friend in need. Indirectly we have helped stop a movement which might have scratched off a Marxist regime in America.

Another fact not generally realized is the re-shipment of some of that grain to North Vietnam. Soviets are obligated to our enemy there, too, and send them American grain to help them against us in the war.

The grain deal has been played up as a great boost to American trade and a humanitarian act toward people who faced a serious food shortage. Supposedly it was fine for all concerned. But we get word now that we have actually been suckered into subsidizing those who are constantly scheming our downfall.

How does it strike you that Russia puts its big effort into dominating the world but neglects an adequate effort to feed its people? Then asks us for grain to avoid starvation. And we're not even disturbed by the principle of the thing. Instead we drool over the fine business deal we have made. Before we get too satisfied about that we ought to recall the status of Russian credit in all the other help we gave during the past five decades. If that can be regarded as precedent we're the colossal sucker again. We provide the means whereby USSR can continue its effort at enslaving us and we don't even get paid. What assurance do we have that it will not happen again?

Though it's a depressing thought, the story of our being taken so many times by the Russians presents the optimist with a ray of hope for the future. Perhaps we can be less afraid of Russia's strategic buildup which threatens to annihilate our country. USSR possibly realizes that it cannot risk destroying our food producing potential which has pulled the Reds through several crises.

As a person thinks about this whole situation he can't miss the tragic fact that America has subsidized the growth of a Frankenstein which now threatens its survival. The communist monster is our baby. Doomed to failure by its own basic evil and economic folly, it kept going and growing on our help. Isn't it amazing that our national leaders still don't seem aware of that fact?

One of the reasons taxes are so high nowadays is that a lot of money is needed for the public payroll. A report just issued by Tax Foundation, Inc. tells that one of every five employed persons works for the local, state or federal gov- (Continued on Page 10)

Regional Champs Await Hornets at Newcastle Friday

Muenster Hornets have their job cut out for them when they go to Newcastle Friday night. The team they'll meet includes most of the players from last year's regional champions in Class B. One of those fellows is an all state end, another is an all district fullback and linebacker, still another is an all district tackle.

Along with them the Bobcats have other talent to uphold their long tradition of strong football teams. They have been running over the opposition in early season games, for instance, a 52-0 annihilation of Jacksboro B.

All of which presents a rugged prospect to the Hornets, who have a 2-2 record to date and one sided losses to Whitesboro and Lake Dallas. A big problem with them is their lightweight line, outweighed by all of the opposition to date. Another is the lack of break away speed in the backfield. On the other hand they have the superb passing arm of Jim Endres and the fine receiving hands of Alan Miller, Randy Wolf and Danny Sickling.

Physically the Hornets are probably at their season's best. After a slow start with injuries and ailments, they now have everyone in good condition.

Because of long, 110 mile, drive to Newcastle, classes at the public school will be dismissed at 3 o'clock on Friday. About 100 of the Hornet fans will go on two chartered busses leaving the public school at 5:30.

Tigers Romp to 56-0 Win Over Dallas Team

It was turn about for the Sacred Heart Tigers Saturday night. They, who had been on the short end of many scoring sprees in recent years, rolled over the Trinity Christian Trojans by a count of 56-0. It was a delightful treat for a big homecoming crowd who cheered enthusiastically to the last whistle.

The visitors from Big D did not have a chance. Though equal to the Tigers in size they were no match in speed and coordination. Their best offensive effort for the night was a 47 yard drive ending at the 23 just before the half ended.

The Tigers took charge on their very first possession. After kickoff they went 73 yards in ten plays for their first touchdown. Big gains were 20 by Kevin Pels and 23 by Davey Krahl and the final 9 by Pels.

The visitors responded with a big play that shook the fans. Childress got away on a 37 yard gallop to the 14. That was followed by a penalty to the 9, but the threat ended two plays later on the 15 when Larry Bayer pounced on a fumble.

That's where the Tigers got going again. Three runs went to the 28, two more netted a 1 yard loss, then Melvin Luke took a 15 yard pass from Gary Endres and won a hot footrace to the promised land.

Again the Falcons made a first down and had to kick on the next series. The short punt went to about the Tiger 45. Davey Krahl took it, zigged and zagged through the middle, and gained on his pursuers all the way. Gary Endres on a keeper play added

Golf Tournament Scheduled Oct. 22

A tournament exclusively for the golfers of Muenster is being planned for Sunday, October 22, on the Nocona course. Willie Walterscheid and Dan Hamric, who are doing the planning, announced this week that it will be held in three divisions — men, ladies and juniors — and that trophies will be awarded for first and second and consolation in each division.

Handicaps to equalize the duffers and hot shots will be determined in qualifying rounds that can be played up to noon Sunday. The fee is \$2.50, which is estimated as enough to provide the trophies. Registration will be at Hamric's.

A Proclamation

Whereas, The Catholic Daughters of America is a national organization with purposes exclusively religious, charitable and educational; and

Whereas, The Catholic Daughters of America has been active in Sacred Heart Parish for nearly fifty-eight years; and

Whereas, The National Board has designated a special day, Sunday, October 15 as "National Catholic Daughters of America Day" in order to acquaint the people of our Nation with the Order, its aims, purposes and accomplishments; therefore be it RESOLVED, That the City Council designate Sunday, October 15, as Catholic Daughters of America Day in Muenster.

Arthur Felderhoff, Mayor

Nanci Fuhrmann Homecoming Queen

It was a record crowd, a jubilant group, that attended SHH homecoming 1972, cheering for the Tigers as they ran over Trinity Christian and cheering some more when Nanci Fuhrmann was crowned homecoming queen.

Coronation pomp and ceremony took place at half-time when the four queen candidates and maids of honor, along with squad members, marched to the 50 yard line. Identity of the queen was a secret until coronation time.

Queen Nanci received the crown relinquished by last year's queen Yvonne Gehrig. Gary Endres did the crowning. Other participating included Denise Walterscheid, 1970 queen, presenting a dozen red roses and Carol Grewing Frost, 1969 queen, presenting the Tiger Queen banner. Drill team members and pep squad presented routines. Mrs. Norbert Walterscheid was at

the microphone. Other queen nominees were Susan Endres, Christi Koessler and Debby Walterscheid who joined the queen's court with honor maids Beverly Walterscheid, Laura Kralicke and Dianne Kralicke. A pep rally and parade was held before the game with members of the royal party in convertibles. On arrival at Tiger stadium they were escorted by their fathers for introduction to the assemblage.

In after-game festivities, more than 200 ex-students gathered in the Parish Hall for a social hour, buffet and program hosted by the Alumni Association and honoring graduates of 1942, 1952 and 1962. Sylvan Walterscheid was master of ceremonies.

Mrs. J. D. Caplinger, class of '42, introduced her classmates; Ronnie Herr, class of '52 did the same for his classmates; and Don Hess and Bob Pels of '62, introduced graduates of that year. A short sketch of each since leaving Sacred Heart was included.

A dance in the school gym was the grand finale of Homecoming 1972.

Out of Town Guests Among out of town guests attending were Messrs. and Mmes. Tom Joy of Henrietta, Harvey Lamkin of Saint Jo, Tom Gressett of Carrollton, James Strittmatter, Gene Hartman and Joe Bayer of Denton, David Forgey of Dallas, Ray Wimmer and C. J. Hellman of Hurst, Bob Kupper of Marlin, Rob Buehrig of Wichita Falls, Tom Fuhrmann of Euless, Jim Fuhrmann of Irving.

Dr. and Mrs. Gene LaGesse and Georgia Ann Bayer of Austin, Mrs. Frank Cox of Houston, Yvonne Gehrig of Denison, Cletus Bayer and Robert Knauf of Texas A&M, and those from Lindsay and Gainesville.

Callisburg Edges Tiger Cubs 20-18

Bonus points after touchdowns were the measure of the loss by Sacred Heart Cubs to the Callisburg juniors here Tuesday night. Each team scored three TDs but the visitors got the only extra points. About the only comfort for the Cubs is a lead of 13-10 in first downs.

They were first to score, starting a 60 yard drive after the visitors failed on a fourth down gamble on the second series. Jim Koelzer made the big gains and also went over but a penalty nullified his effort. Next play Joe Sicking made the needed 20 on a reverse.

Callisburg came back promptly with a 56 yard drive to the goal and repeated on its next possession with a 54 yard scoring gallop. It led 12-6 at the half.

Sacred Heart used all of the third quarter getting even. First a drive fizzled at the 10 and had to be started again at the 45 following Callisburg's punt. Ten plays made it, Bob Grewing going over from the 5.

Again Callisburg went ahead on a 56 yard drive ending in a 1 yard plunge. Then came the winner — a run for two bonus points.

Likewise, the Cubs scored again, going 61 in 7 plays. Big plays were Joe Sicking's run for 20 and his pass to Jim Koelzer for 32. Bob Grewing scored from the 1.

After the game reserves of both sides had a practice scrimmage. Each got 30 offensive plays and Sacred Heart was the winner by 3 touchdowns to 1. Robert Hartman scored two for the Cubs and Glenn Walterscheid one.

Tigers, Wildcats Tangle Friday on Callisburg Field

When the Sacred Heart Tigers square off against Class A Callisburg Friday night they expect to find a team that's tired of being pushed around and spoiling for a chance to change things.

So far the Wildcats have been clobbered 45-0 by Whitesboro (AA) and 44-0 by White-wright and 48-0 by Millsap (both strong Class A). Their only win is a slim 20-18 over Pottsboro, who were bested 1 touchdown by Sacred Heart in scrimmage.

However Coach Bob Steele is taking nothing for granted. He's aware that Callisburg has had lots of injuries and is just beginning to reach full strength. He expects the Wildcats to be at their season's best for his Tigers.

He also said that Callisburg beats Sacred Heart in size and equals it in speed. The line averages 15-20 pounds heavier. A fullback weighs 197 and a tailback was number 3 in the state in Class B track last year.

Concerning his boys, the Tigers continue free of injury and their morale is tops. Up to now they are 3-1, the one loss being 26-14 to two-A Wilson.

Three Games on Tiger B Schedule

The long roster list at Sacred Heart this year has developed into an opportunity for action for the second string Tigers. Coach Bob Steele this week announced a schedule of three B games and added that he will welcome more.

Saturday night at 7:30 they will meet Lindsay B there and on November 4 they will host the same team. Also on schedule is a game with Aubrey B next week Thursday at Aubrey.

New Record Set In Cooke County's Voting Strength

Voting strength in Cooke County this year reached an all time high of 11,941, the credit being due to new voting regulations which allow 18, 19 and 20 year olds to vote for the first time in a general election.

Mrs. Jo Hillis revealed the number after last week's registration deadline and said a few will be eliminated by duplications in the final check-up. However the figure is expected to top 11,900.

The previous high in county voting strength was 10,331 for the general election of 1968.

Marlene Herr Crowned Queen of MHS Homecoming

Marlene Herr, daughter of Mr. and Mrs. Albert Herr, was the queen for Muenster High's homecoming festivities last Friday night. She was crowned by Pam Walterscheid, last year's queen, in ceremonies during half time of the football game. She also received a bouquet and the three other candidates along with three princesses received corsages.

A special feature of the ceremonies was recognition of, and presentation of corsages, to Mrs. Harry Scoggins and Mrs. Choice Stevens, the queens of '52 and '62 who were escorted by classmates Jerry Walterscheid and Johnny Pagel.

Others in the ceremonies were Ex-student officers Roy Monday, Kenny Fette and Mrs. James Walterscheid; also '72 grads Carl Bayer, Gerry Eckart, Roger Harrison, Carl Klement, Claude Klement, Kenny Rohmer and Ricky Swirczynski as escorts of the queen's party.

Special homecoming entertainment consisted of a social hour in the school lunch room before the game and a dance in the KC hall after the game.

Hornets Blasted 42-14 As Falcons Break Jinx

The long jinx that Muenster Hornets had on the Lake Dallas Falcons came to a shocking end here Friday night before a sad homecoming crowd.

By the score of 42-14 the fired up Falcons avenged the string of six Hornet victories in four years. There were two years when the teams met in pre-season and again in bid-district, and two more when they were in the same district, and Muenster took all.

But Lake Dallas came here Friday with determination and manpower, and the result was inevitable. It had a big, stout line plus a speedy backfield plus a slick passing attack. It had Muenster clearly outclassed.

Because of the handicap Muenster's rushing game was stopped cold and the passing was severely hampered by blitzing linebackers who gave Jim Endres little passing time and often smeared him.

The game started as a stand-off with neither team able to move. Muenster got a break on the second play, recovering a fumble on the 25, but it failed to gain.

However Muenster was first to start moving. About three minutes into the quarter it made two first downs and was stopped by an interception on the 13.

Three plays later Ellis threw the bomb to McCurley who made 58 to the 34 before being hauled down by Miller. Next play was almost as big a pass to Brazzell for the TD. A pass to Henderson added two points.

The second score came Monday.

Highway 82 to Get New Surface Job

An improvement on Highway 82 from Muenster to Gainesville is one of the projects on a \$40.4 million highway program for Texas in 1973.

Among the many jobs listed for the Wichita Falls district is a seal coat for the 14.7 miles east of town and additional right of way purchase for converting the road west from 2 lanes to a divided 4-lane road.

Members of the Muenster JETS Club at their meeting in the TP&L Building Monday night heard the qualifications that will be expected of them when they go looking for jobs.

Their speaker was Ed Bianchi, personnel manager of Weber Aircraft in Gainesville. He talked about careers, and the qualities he looks for when hiring people at Weber. Mr. Bianchi was introduced by Ernest Jaska, engineer sponsor of the club.

Jaska also reported on Career Day at Texas A&M on September 30, attended by Ed-die Knabe, Lyle Klement, Dan Sicking and Mark Jaska.

Curtis Klement is president of the JETS and Wayne Klement is teacher-sponsor.

Wrestling Booked Here November 11

Wrestling fans hereabouts will be able to leave their TVs and see the action live here on Saturday, Nov. 11.

Coach Bob Steele announced this week that he has arranged to bring the program seen nightly on Channel 11 to the Sacred Heart gym. He said that seating space will be provided for 1000 persons to see the contest. There'll be 650 chairs for ring side seats plus the 350 regular gym seats.

Spook Carnival Is Set for Halloween

Tuesday, October 31, promises to be a time for fun, prizes and surprises as SHH senior class sponsors a Halloween Carnival in the Parish Hall from 5 to 10 p.m. It's a benefit with part of the proceeds going to the bus fund.

Dr. Knight Gets Local KCs' Good Neighbor Award

Dr. Marvin P. Knight, staff member of Muenster Memorial Hospital, resident of Rosston, and team physician for the Dallas Cowboys, is this year's selection by Muenster Knights of Columbus officers for their annual Good Neighbor award, which is presented to someone of another faith in the ecumenical spirit of promoting harmony and understanding among the creeds.

Grand Knight Eddie Fleitman presented the engraved plaque saying that while Dr. Knight is comparatively new to the community he had endeared himself to residents of the area through his association with Muenster Hospital.

In his introduction, the grand knight gave a short history of Dr. Knight from his birth in 1908 to January 1972 when he joined the local hospital staff. In his talk he included the doctor's wife, Josephine, their daughter and two sons and their two grandchildren.

Dr. Knight's medical studies took him from Baylor to Washington, D. C., to Iowa State and to New Orleans. He served in the Army during World War II from 1941 to 1946 and rose to colonel. Since 1960 he is team physician for the Dallas Cowboys.

Mrs. Knight accompanied her husband to the microphone for the award presentation.

Dr. Knight spoke briefly, expressing his gratitude and pleasure in being chosen for the honor and accepting it humbly. He said he was grateful for such an award from such a community as Muenster, grateful to be a part of the community and hospital staff.

The presentation came at evening Mass in Sacred Heart Church Saturday night following Father Placidus Eckart's sermon. He paid tribute to the Knights of Columbus, commending their Christian activity, patriotism, and ecumenical endeavors.

Fourth Degree Knights of Columbus in full regalia served as an honor guard and escort.

This was the first of the local council's observance of Columbus Day. The second event was a picnic in City Park Sunday afternoon for members and their families. The final observance will be an Oktoberfest Saturday night in the KC Hall.

Sunday Is German Day at the Fair

The tenth annual observance of German Day in Texas has been set for next Sunday at the Texas State Fair and the evening before at the Marriott Motor Hotel in Dallas. The event traditionally recognizes pioneers of German descent in both the state and the nation.

Pioneer Ball, on the birthday of President Eisenhower, will have his widow, Mamie, as a special guest. Also there will be Mayor Wes Wise of Dallas, foreign and congressional representatives, and a number of Texas mayors.

Its program includes the Dallas symphonette orchestra, Frohsinn Singers and German Air Force Choir.

German Day at the Fair will feature German folk dancing and singing at the Big Tent near Grand Avenue entrance, concert music by the Peppermint Polkas, German foods and drinks and an international soccer game in the Cotton Bowl.

CCJC Enrollment Sets New Record

The biggest enrollment ever at Cooke County Junior College was reported by Dr. A. E. Shasteen, president, to the college trustees at their meeting Monday night.

He said the total count is 2,271 and the full time student equivalent is 1590 — a 23.5 per cent increase over last year. Vocational-technical enrollment has increased 100 per cent, he said.

Dr. Shasteen also reported that the college has a high priority for new vocational-technical building funds, based on a visit last week by a representative of the Texas Education Agency.

"Black September" Gang Is Red

by Dr. George S. Benson
 One of the most important statements made during and immediately following the horrible violence at the Olympic Games in Munich was that of Miles Copeland, former CIA officer who recently had been in the middle-east working with international authorities seeking to cope with the skyjacking epidemic spreading throughout the world. He appeared on the NBC Today show a few hours after the Israeli hostages and some of their killers had died in the dramatic airport finale.
 Mr. Copeland said what needed badly to be said: "These 'Black September' gangsters were not representing an Arab cause nor were they interested in fighting Israel. They were a part of the international Communist plot to bring down Capitalism and what the Communists call 'Imperialism', and take over the world. Their goal was to close down the Olympics which is the last arena where people come together from all nations' citizenries and where

friendship between the people of the world is cultivated and advanced."

Maoist Terrorists
 Mr. Copeland said that this band of killers was connected to the Peking (Maoist) branch of world Communism. He said that not to properly identify the "Black September" gang and their murderous work at Munich as part of the Communist plot was to invite worse disasters.

One reason Mr. Copeland's remarks rang the bell so loudly for me was the fact that I had just read the new book, *The Subverters* by J. Bernard Hutton (Arlington House). Hutton is a Czechoslovakian, former Communist journalist and Comintern officer (the Comintern was the name given at that time to the international monolith of world Communism). After serving as editor of the top Communist Party newspaper in Prague, he was elevated to the post of foreign news editor of the Moscow evening newspaper *Vechernyaya Moskva*. In Moscow while working within the international apparatus he saw first hand the brutality of the Red hierarchy and its massive, world-wide organization for taking over the world. He renounced Communism and ultimately fled to England where he has published 16 books documenting the true nature of world Communism.

The Subverters should be MUST reading for all Americans. I'm convinced that many high governmental officials are aware of some of the facts.

COMPLETE FUNERAL SERVICE

Nick Miller Funeral Home

Yet the policy of security forces in the United States in recent years — due to political short-sightedness and political cowardice — has permitted the disturbing truth about Communism to be brushed under the carpet. Hundreds of disruptive deeds and illegal actions have been effectively carried out in America by subverters acting on orders from international Communist bosses. Our staff covered the Miami Beach political conventions; and, especially during the Republican affair, saw Communists directing planned terror in the streets.

"Today," writes the former Comintern officer Hutton, "thousands of highly-trained Russian and Red Chinese undercover master-subverters live under respectable 'cover' occupations and professions in all countries of the Western democracies. International security officers estimate that at least 30,000 undercover subverters, paid by Moscow and Peking, are continuously undermining the Western democracies. They are aided by specially trained Communist Party members and fellow travellers. The conservative estimate by Western security experts is that at least half a million men and women are at work all over the world, bringing about the downfall of the profit-making economic system (Capitalism). . . ."

"Destroy Capitalism"
 Mr. Hutton shows, with documentation and personal papers from the international subversion apparatus, how selected Russian and Chinese communists have become leaders of a small army of undercover subverters, and how they are assisted by selected Western Communists to bring about demonstrations that develop into violent rioting, terrorism and guerrilla warfare, how strikes, hijackings, kidnappings and inflation are brought about by studied planning and action; how powerful forces are striving to destroy the Western way of life.

He documents the fact that Communists are guiding and sometimes arming some of the elements in the Irish Republican Army's war against North Ireland and British authorities; how they sent their subverters into Mexico City universities just prior to the last Olympic Games to lead riots that brought on shootouts with police and disruptions. There is much more — and we will be reporting on some of it.

Controllable?

It now looks like 1973 will be another record red-ink year for the federal government. A twenty percent boost in social security benefits practically guarantees a deficit nearing \$40 billion next year unless the government, and that means Congress, provides the funds through taxation to pay for the additional handouts that are so obviously an election-year bribe as to be insulting to the intelligence of voters. Meanwhile, administrators of Price and Wage Controls call higher productivity the key to success in controlling inflation. The burden of increased productivity is placed on business. Commenting on this, *The Wall Street Journal* observes: "Congress and the administration simply will have to shelve some new-spending notions. . . . The government can appeal for business cooperation as often as it wants to, but if it doesn't start doing its part of the job, and doing it soon, we all stand to lose quite a lot and perhaps for a very long time indeed."

People are beginning to ask, "Is government spending controllable?" This is a dangerous question. It must be answered affirmatively and soon.

Nutrition Expert Explodes Claims On Organic Foods

Advocates of organic foods claim that these foods help cure diseases and increase one's life span.

Not so, according to Karen Kreipke, foods and nutrition specialist for the Texas Agricultural Extension Service.

"Some organic food enthusiasts say that these foods are nutritionally superior, better tasting and safer because they're free from the 'poison' of chemical fertilizers and toxic sprays," Miss Kreipke noted. "But these claims are false."

The Texas A&M University specialist explained that a plant's genetic make-up determines its food value. And the U.S. Department of Agriculture reports that there's no proof that fruits and vegetables produced without chemical fertilizers contain more vitamins and minerals.

"This means," she emphasized, "that there can be no difference in the nutritional value of plants grown with chemical fertilizers and those grown with organic fertilizers. "If pesticides aren't used, insects and diseases infest crops, thus causing a poor appearance of organic foods as compared to other produce."

Miss Kreipke added that besides looking less glamorous, organic fruits and vegetables usually cost two or three times more than non-organic foods.

"Foods aren't 'poisoned' by chemical fertilizers and toxic sprays, as organic food proponents say," the Texas A&M University specialist stated.

She pointed out that experts continually check produce for its level of pesticide residue. The permissible residue level is well below any amount that might produce undesirable health effects. Markets aren't allowed to sell any food with a chemical residue level that exceeds this permissible mark.

Producers of organic foods use only organic fertilizers such as manure and compost. They also rebuild the soil by a system of long-range crop rotations.

"But facts show," Miss Kreipke said, "that modern scientific agricultural methods maintain soil fertility and even lead to increased crop yields."

The specialist concluded that all fruits and vegetables aid in maintaining good health by contributing vitamins and minerals to the diet.

"So whether they're organic or non-organic, these fruits and vegetables remain an important part of our diet," the foods expert said.

Use Claim Number Medicare Advises

People covered by Medicare can assume faster payment of their medical insurance claims if they make sure their correct claim number is on the form, according to Gus Jones, social security district manager in Sherman.

Use of the wrong claim number, or omission of the number entirely, is responsible for one of every three delays in the payment of medical insurance claims, he said.

"Your health insurance claim number identifies your claim when you request Medicare payment on bills for medical services," Jones said. "If you put a wrong number — or don't enter a number — on a 'Request for Medicare Payment' form, a search for your correct number is necessary. The search can delay your payment."

The health insurance claim number appears on the card issued to everyone covered by

Medicare, Jones noted. It has nine digits and a symbol, such as A, B, F2. "It should be copied — including the symbols — onto the designated blank on the 'Request for Medicare Payment' form," he said.

If you have questions about your Medicare, a representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12:00 noon at the Federal Building.

Your Blood Is Needed

As most Americans have never given any blood at all, the record of Mr. Alfred Ross of New York, 135 pints — nearly 17 gallons — is remarkable. The white-haired musician has passed his 66th birthday the cutoff for blood donation of both the American Association of Blood Banks and the American Red Cross. He can give no more, but he hopes that more younger men and women will continue to do so. "Anybody who knows the need for blood will give it," says Ross, who plays the drums with the touring "Disney on Parade" show. "In every city," he adds, "there are children, sometimes whole hospital wards of them, whose lives depend upon regular blood transfusions. They have Cooley's anemia, leukemia, hemophilia and other afflictions."

If four million people between 18 and 66 and in good health, give just two pints a year, all foreseeable blood needs can be met, says Dr. William G. Battaile, president of the American Association of Blood Banks. Can you spare two? They may save a life.

The Armstrong CUSHIONED CORONELLE®

KITCHEN SURVEY

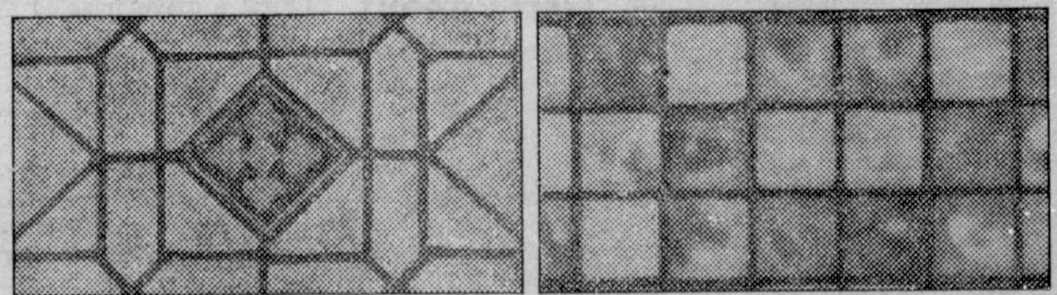

Mrs. A loves to cook, so she's always in her kitchen. She has a Cushioned Coronelle floor for comfort's sake. And she's found that its soft, foamed backing relieves back strain and leg fatigue. So she can cook even more.

Mrs. B has three children. She doesn't like to cook or spend a lot of time cleaning up. But with her new Cushioned Coronelle, cooking seems to go easier; spills wipe right up; and the kids' clatter is quieter.

Mrs. C has no children and spends little time in the kitchen. But she loves entertaining in her beautiful home. And that includes her stylish kitchen, with one of the handsome designs in Cushioned Coronelle.

ARE YOU A
 MRS. A MRS. B MRS. C

If you are not yet in any category, check which one you'd like to be. Then check the Cushioned Coronelle design you like best and come see us. We have the Cushioned Coronelle floor just right for your kitchen and you.

Quartet Returns From Scandinavian Wonderland Tour

Touring beautiful Scandinavia, Denmark, Norway, Sweden and Finland, made vacation this year something to remember for Rose Hofbauer of Muenster who traveled with her brother and his wife, Mr. and Mrs. Joe Walter and a cousin Catherine Luttmmer, all three of Gainesville. It was a 23-day tour, flying round trip, and including all other modes of travel abroad, motorcoach, railway, ferry, motorboat and steamboat. There were many highlights, many standout attractions.

In Copenhagen there was time to explore the shops for examples of world famed Danish craftsmanship in wood and silver, enchanting Tivoli — comparable, on a larger scale, to Disneyland and Six Flags — Christenborg Palace, the Fish Market, and Stock Exchange. A cruise to see the

Kent Bellah Studio
Saint Jo
Open 10 a.m. to 5 p.m.
Closed Sun., Mon., Tues.

famous Little Mermaid Statue, exploring the countryside, motoring along the Danish Riviera, visiting castles and palaces.

From there to "The Fairyland Country" seeing the birthplace of Hans Christian Anderson, his home and museum at Odense.

At Aarhus, second largest city of Denmark, walking the narrow streets of the "Old Town," an open air museum representing 16th century rural life. A four hour cruise to Kristiansand with its unique old buildings, and Stavanger, a fishing port steeped in history.

There was more excitement as they crossed by steamer to Boknfjord with hundreds of islands and ascending the mountains to Seljestad resort with breath-taking views of waterfall and glacier.

At Bergen highlights included St. Mary's Church, an evening folklore tour to the village of Fana for a music recital on the organ of an 800 year old church, attending a reception by villagers in native costumes, folk music and dancing and traditional Nor-

wegian delicacies. Seeing Sweden's old world and its new architecture, cruising under bridges, and by steamer to Finland. At Helsinki seeing the flower and fruit stalls, the Olympic Stadium and Parliament Building.

Mrs. Hofbauer said weather was ideal and food delicious. Danish delicacies were out of this world and sleeping under featherbeds was something else. She mentioned also the many bicycles, chief means of travel and the special highway lanes for bicycle riders.

The four gave a detailed account of their tour Monday night when they were guests of Father Bede Mitchel on his Cable TV show.

Mr. and Mrs. John Durbin have let relatives know that they have a new address. They have moved from Metairie, La. to Kenner, La., and are at home there at 508 E. Temple Place, 70062. Their new home is four bedroom, two bath brick with central air and heat. Mrs. Durbin is the former Veronica Yosten of Muenster.

Gary Cler Make Washington-Texas Motorcycle Trip

A motorcycle trip from Washington state to Texas — to Muenster — that was a vacation tour for Mr. and Mrs. Gary Cler of Bothell. That's not all. They had their two little sons, Keith four and Michael two, on the motorcycles with them.

They spent 12 days with Gary's parents, Mr. and Mrs. Ed Cler and family, then returned home, cycles and all, in a pickup they got in Muenster. They stopped enroute back to visit her grandmother in Nebraska.

During their visit the Cler children and grandchildren gathered one Sunday at the family home to reunion with the visitors. Twenty-four were together including the Tommy Youngbloods and children and the Danny Wyatts and daughter all of Fort Worth and the Leon Fuhrmanns and children of Myra. Only Christi Cler was missing. She's in Washington state and sees her brother and family often.

Family Surprises Andy Schoechs on 35th Anniversary

Surprises were the order of the day Saturday, Oct. 7, for Mr. and Mrs. Andrew Schoech who were feted in an early observance of their 35th wedding anniversary.

The celebration was planned by their children assisted by Mrs. Schoech's sister Mrs. Arthur Felderhoff.

When the Schoech children started arriving from out of town during the weekend, the parents presumed it was for SHH homecoming Saturday night.

Father Frowin Schoech arrived early Saturday morning from Subiaco, Ark., and offered an anniversary Mass of thanksgiving for his parents at 12 noon in Sacred Heart Church.

Children and grandchildren were present and took the couple to The Center for a surprise luncheon with champagne toasts.

At 6:30 relatives and friends gathered in the KC Hall to greet the honorees at a reception and catered buffet.

Centerpiece for the noon luncheon and the buffet table was a hand painted vase inscribed with names and dates and holding assorted cut flowers. It was a gift from the children. And there were decorated "His" and "Her" cakes made by Mrs. Schoech's sister-in-law Mrs. Henry Spaeth. His was shaped like a carpenter's square. Hers duplicated a palette since painting is her hobby.

Also used at the buffet were antique brass candelabra from the Spaeth family heirlooms.

Miss Sherie Felderhoff, a niece, registered 90 guests at a table with an inscribed memory candle and a wedding picture of the honorees. The candle was made by Mrs. Henry Voth Jr. and was a gift from Mrs. Henry Spaeth.

Other gifts from those attending were displayed and dancing to recordings followed.

Mrs. Schoech is the former Miss Tillie Spaeth of Lindsay where she married Andy Schoech on Oct. 12, 1937. They live in the same farm home where they set up housekeeping. The place has been remodeled and redecorated.

The couple's children are Melvin Schoech of Kingsville, Father Frowin Schoech of Subiaco, Mrs. Peter Wall of Dallas, Richard Schoech and Glenn Schoech of Arlington and Miss Carolyn Schoech, a student at CCJC.

Mrs. Melvin Schoech, Peter Wall and Mrs. Richard Schoech attended with their spouses, and the couple's grandchildren Mel Jr., Arnie, Missy, Ricky, Aaron and Sissy of Kingsville were present for a complete reunion.

Others attending in addition to guests from Muenster, Lindsay and Gainesville were Mr. and Mrs. Gordon Petree of Dallas, Mrs. Georgia Barry and son James of Garland, Miss Frances Spaeth of Denison and Mr. and Mrs. Walter Haverkamp of Whitesboro.

Attendants 35 years ago were unable to attend. They are his sister Pauline, Mrs. Rex Wimpey of Los Angeles, Calif., and her brother Joe Spaeth of Longview.

It pays to advertise with the Muenster Enterprise.

Paul Hoedebeck Is Home on Visit

There is happiness in the Hoedebeck family.

Paul Hoedebeck has been released from the Veterans Hospital in Memphis, Tenn., to spend a few weeks at home on a trial basis. He'll go back to the hospital for a checkup and then, doctors believe, he can be dismissed from hospital care.

Paul is in Gainesville with his wife Dianne and their small son Jeff. He was among the homecoming crowd at Sacred Heart High Saturday night, making the game in a wheelchair.

Paul, son of Mr and Mrs. Gene Hoedebeck, was injured in Sept. 1971 in Germany while he was stationed there with the Army.

The M. F. Milners Back from Trip

Mr. and Mrs. M. F. Milner have returned from a week's vacation visiting relatives in Iowa, Nebraska and Colorado.

They headed for Knoxville, Iowa, and spent a few days there with their son and family, the Lawrence Milners. Next made an overnight stop in Stratton, Neb., with Mrs. Milner's niece and family.

In Colorado they stopped with Mr. Milner's brother-in-law and sister, Mr. and Mrs. J. B. Busch at Boulder, then went to Penrose to visit Mrs. Milner's brother-in-law and sister, Mr. and Mrs. Pete Dickman and spent the afternoon with them in the mountains sight-seeing.

Last stop was with the Haynes family at Saint Jo late Sunday evening, completing the circle, and telling their daughter and family about their travels.

Recent scientific experiments have established that the average "wink" takes one-fortieth of a second. This is the quickest way in the world to get in trouble.

"How many cigars do you smoke a day?"

"About ten."

"What do they cost you?"

"Twenty cents apiece."

"My, that's two dollars a day. How long have you been smoking?"

"Thirty years."

"Two dollars a day for thirty years is a lot of money."

"Yes, it is."

"Do you see that office building on the corner?"

"Yes."

"If you had never smoked in your life, you might own that fine building."

"Do you smoke?"

"No, never did."

"Do you own that building?"

"No."

"Well, I do."

Godparents for Niece
Mr. and Mrs. Charlie Pagel made a recent trip to Grand Prairie to spend Sunday with a niece and family, the Johnny Schniederjans and were godparents at the baptism of their new daughter, infant Tammi Marie Schniederjan. She's a sister fr five-year-old Jackie and another granddaughter for Mr. and Mrs. Henry Schniederjan of Dallas, formerly of Muenster and Gainesville. Father Joseph Weinzapfel, pastor at Grand Prairie, officiated at the christening service.

Garden Club Plans For Flower Show And Benefit Bake

A flower show workshop held in connection with their October meeting Monday night prepared members of Muenster Garden Club for the flower show they will stage on November 4 in the KC Hall.

Mrs. John Mosman, program chairman, displayed nine member arrangements which were judged by Mrs. Arthur Endres, president. In a study session she explained rules for arranging and staging she learned in several flower show schools she attended. Members participated in the discussion as each arranger explained her own entry.

In a drawing, members were assigned an arrangement to take to the show and absent members also will draw designating an arrangement. This, was explained is necessary to fill the basic minimum for the club to maintain its standard

requirements. It was also mentioned that members may exchange drawn slips if both agree and that those wishing to exhibit more than one arrangement of another class may do so.

Miss Bettye Dodds reviewed rules for standard flower shows and stressed that entries must be in place between 8 and 10 a.m. on the day of the show. Later entries cannot be accepted due to time allotted to judging.

Miss Sylvia Hofbauer told plans for the annual benefit bazaar and listed most wanted articles for the boutique, handmade items to sell as gifts, and the sweet shop featuring baked goods, jellies and holiday foods. The bazaar will be held in connection with the flower show and will be open to the public from 3 to 9 p.m.

In other business members decided to begin meetings at 8 p.m., starting in November, preferring the half hour later time after trying for 7:30 meetings.

Miss Dodds distributed new yearbooks, Mrs. Endres read an invitation to attend a flower show at Lake Kiowa on Oct. 28, Mrs. Tony Gremminger gave the cemetery report and accepted names of volunteers for the semi-annual cemetery collection at all services in Sacred Heart Church, November 1.

Mrs. Pat Stelzer and Mrs. Albert Stoffels were co-hostesses in the auditorium of Cooke County Electric Co-op building and served refreshments to members and guests after adjournment.

There were eight guests Mmes. Bob Steele, Johnny Pagel, Gene Hoenig and Roger Taylor who signed up as members and Mmes. Danny Yosten and Dave Berres, Miss Gloria Stoffels and Sister Carmelita.

Door prizes, blocks of Oasis, were won by Mrs. Berres, Sister Carmelita, Mrs. Stoffels and Miss Stoffels. Oasis is used in flower arranging and now is available in local stores.

Next month's meeting will be in Mrs. John Mosman's home where she and Sister Mary John Seyler will be co-hostesses. Mrs. Dan Luke will be program leader.

the Gene Giebs, and Mr. and Mrs. Jim Fuhrmann of Irving who headquartered with her mother Mrs. Ed Pels.

Mr. and Mrs. Tom Joy and children Preston and Mary Elizabeth of Henrietta were among the homecoming crowd cheering for the Tigers Saturday night.

Weekend guests of Mr. and Mrs. David Bright were friends from their in-service days, Col. and Mrs. Dirk Duys and sons Toby and Tony of Barksdale AFB, Shreveport, La. It was their first visit in Muenster and they enjoyed tours of the city and area with their hosts.

Mrs. Frank Cox and daughter Kelly of Houston are visiting this week with parents and grandparents, the Bruno Fleitmans. Mrs. Cox came especially to attend SHH homecoming.

Muenster's Wi Ca Ka campfire group at their weekly meeting made plans to attend Stonewall Museum at Saint Jo and discussed attendance at Camp Letoli Oct. 20-22. Twelve members and Mrs. Loyd Trubenbach, leader attended.

The Pat Donnellys of Dallas were homecoming guests of her parents, the Herman Swirczynskis from Friday to Sunday morning when Mr. and Mrs. Swirczynski and Ricky returned to Dallas with them for a visit with John Swirczynski.

Jaycees Receive Two Trophies at Area Convention

Muenster Jaycees, 24 strong, had the big representation at the area convention in Mineral Wells during the weekend. Willie Fisher was there the three days, the others only on Sunday.

For largest representation outside the home chapter they received the early bird trophy at a 9 a.m. meeting. Later at the banquet they received a towering 6 foot travel trophy for the greatest number of member-miles attending.

Local News BRIEFS

Mr. and Mrs. Travis Whitt and Mr. and Mrs. Tillman Bridges of Marysville and Mr. and Mrs. Ernest Robison of Saint Jo were recent weekend visitors in Stamford checking on their ailing brother J. N. Huggins whom they found improved and on the mend.

Mr. and Mrs. Jerry Henscheid and sons of Irving divided a Sunday with parents and grandparents the Leo Henscheids and Ray Owens.

Al Vogel has moved from the city to his new country home south of Muenster. His neighbors, the Jerry Hoenigs, are already settled in their new home about three weeks.

Mr. and Mrs. Danny Elberhart of Lindsay have named their infant son Troy Michael. He was baptized Sunday afternoon in Sacred Heart Church at Muenster. Attending as godparents for their new nephew were Stanley Eberhart and Miss Joanie Pels. Other family members attended.

Mrs. Katie Wilder returned Tuesday from Westphalia where she spent several days with her daughter, Sister Madeleine Zimmerer. Sunday they attended the parish picnic and bazaar where two of Mrs. Wilder's quilts were auctioned for the Sisters of Divine Providence Retirement Home in San Antonio. The double wedding ring quilt sold for \$125, and the fan quilt sold for \$150.

Sunday was carnival day for Mr. and Mrs. Victor Hartman. They took in two — one at Killeen and one at Westphalia. They spent the weekend with their son and family the Willard Hartmans at Killeen and joined them and Mr. and Mrs. Ed Kosel of Rosebud, also weekend guests with their daughter and family, at Killeen's parish carnival. had dinner there. then all drove to Westphalia to attend the parish carnival there. Back at Killeen they again attended the carnival there at night. On return the next day Mr. and Mrs. Hartman stopped for a visit with their son Gene and family at Denton.

Guests of Mr. and Mrs. George Bayer and Cheryl and joining them at SHH homecoming were Miss Georgia Ann Bayer and Cletus Bayer. Miss Bayer recently transferred from Galveston to Austin as staff RN at a hospital. She picked up Cletus at A&M on the way. He returned to Bryan with Robert Knauf Sunday afternoon and Georgia Ann returned to Austin Monday stopping enroute to visit her sister and brother-in-law. Mr. and Mrs. Jim Schwab and son in Dallas.

Mrs. Herb McDaniel spent Tuesday in Fort Worth visiting a long-time friend Mrs. Lena Wells, the former Lena Klimpt of Muenster.

Guests were in and out all during the weekend at the home of Mr. and Mrs. Val Fuhrmann. Their children returned to Muenster for SHH homecoming. So did Mr. and Mrs. Robert Kupper and children Marliese and Eric of Marlin. They and Mr. and Mrs. Rob Buehrig of Wichita Falls were houseguests of the Fuhrmanns. Back and forth were Mr. and Mrs. Tom Fuhrmann and daughters Jennifer and Brandi of Euless who headquartered with her parents,

BIRTHS

Mr. and Mrs. Tommy Youngblood of Fort Worth have announced an eight and a half pound son, Steven Mark, born at Muenster Hospital Thursday, Oct. 5, 2:41 p.m. He's No. 6 in the family, a brother for Tommy, Bobby, Diane, Billy and Cindy and another grandchild for Mr. and Mrs. Ed Cler.

Seaman and Mrs. Jimmy D. Wagner of Charleston, S. C., welcomed their second son, Christopher, Saturday, Oct. 7, 5:45 a.m. He checked in at eight pounds 15 ounces and is a brother for 17-month-old James. Mrs. Wagner is the former Donna Wimmer. Grandparents are Mr. and Mrs. Andy Wimmer of Muenster and Mr. and Mrs. J. D. Wagner of Saint Jo. Great-grandparents again are Mr. and Mrs. C. J. Wimmer of Muenster. Mrs. Eula Wagner of Hamilton and Mrs. Jack Anderson of Fort Worth. Mrs. Andy Wimmer flew to Charleston Tuesday to spend a week with her daughter and family.

Mr. and Mrs. Walter Hacker of Myra are parents of a son, their second boy, born at Muenster Hospital, Monday, Oct. 9, 12:23 p.m. He's a grandson for the Andrew Hackers of Myra and Mrs. Oma Hartz.

Truck Due Oct. 19

Valley View Sets Centennial Fete For October 28

Valley View citizens are planning a gala celebration to mark the town's centennial and have set the date Saturday, October 28.

Commemorating Valley View's founding 100 years ago — in March 1872 — a centennial committee is working on activities of the day which will include a parade, exhibits, an arts and handicrafts booth, contests, a historical display of old items in the old Miller Drug Store, food stands, and catered noon and evening meals.

Prizes and plaques will be awarded for many entries and special events.

The committee is extending a general invitation to everyone to attend and make a full day of it, or to join in as time permits. The centennial will be preceded by the homecoming football game. Friday night, Oct. 27.

Muenster Garden Center Bulletin

It's time to apply PDB crystals around your peach trees and all other fruit and shade trees in which you suspect the presence of borers. At the same time fertilize those trees to insure a good crop next year.

Want to give a gift that will last for years? For a housewarming or any special occasion give a tree, shrub or plant — or one of our gift certificates.

Fourth Degree KCs Install Officers

Worthy Master Joseph E. Saar of Dallas had charge of the ceremonies at the installation of officers of the Bishop Danglmayr Assembly of Fourth Degree Knights of Columbus in the K of C hall Sunday, at 5 p.m.

Special guests were Joe Walter of Gainesville and widows of deceased members L. A. Bernauer, Ben Seyler and Alex Knauf.

The Faithful officers installed were Martin Klement, navigator; Father Bede, friar; Clyde Fisher, captain; Eugene Hoedebeck, pilot; John Mosman, scribe; Joe Horn, controller; J. W. Fisher, admiral, Eddie Fleitman, purser; J. A. Fisher and James Walterscheid, sentinels; J. M. Weinzapfel, Earl Walterscheid and Ralph Donnell, trustees.

The ceremony was followed by a social hour and supper.

Next action for the Cubs will be at Era next Tuesday night. As Coach Bob Steele sees it that will likely be the toughest to date for his boys. The Era Juniors have a perfect record, including 22-7 over Valley View, which tied the Cubs.

And the Cubs have a change on their schedule. The game with Lindsay will be here on Nov. 2 at 4:15 p.m.

Big D Kids Beat Cubs in 1 Big Play

One long run for 49 yards was all of the difference in the two junior teams on Sacred Heart field Saturday evening. The visitors from Trinity Christian scored on that play and went home with a 6-0 win.

Otherwise the teams went back and forth mostly inside the 30 yard stripes and broke even on first downs with three each. However, the final period put pressure on the Cubs. A good kick set them back to their 20 and the rest of the game was played in that area.

Next action for the Cubs will be at Era next Tuesday night. As Coach Bob Steele sees it that will likely be the toughest to date for his boys. The Era Juniors have a perfect record, including 22-7 over Valley View, which tied the Cubs.

And the Cubs have a change on their schedule. The game with Lindsay will be here on Nov. 2 at 4:15 p.m.

4-H Club News

SH Senior Girls
 Sacred Heart Senior 4-H girls were kept busy at their October meeting creating original ideas from toothpicks provided by Marlea Thompson, assistant county home demonstration agent who met with the group. As the girls worked Mrs. Thompson discussed crocheting and asked members to bring a crocheted hook and yarn to the meeting next month. Kim Reiter, president, presided and led the club motto and pledge. Kathy Luke called the roll and read minutes of the previous meeting. Sharon Rohmer is club reporter.

7th & 8th Grade Girls
 Sacred Heart seventh and eighth grade 4-H Club girls at their October meeting discussed various crafts they plan to work on at future meetings. Marlea Thompson, assistant county home demonstration agent, met with the group. President Stacie Walterscheid presided, Vice President Mary Hoedebeck read a poem, Sandy Voth, secretary, read minutes and called the roll. Cindy Sangster was song leader and Monica Hartman, reporter, counted 30 members present.

Walterscheids Are Home from Free Trip to Spain

Mr. and Mrs. Earl Walterscheid returned Friday from a "marvelous" trip to Spain and Portugal as guests of the Gibson Company. They flew in a TWA 707 from Dallas to Pittsburg and then to Madrid, Spain, about eleven hours in the air and stayed in a lovely modern hotel in Madrid where about 5,000 Gibson dealers had already been staying and touring since September 1. They felt treated like royalty in both countries and traveled by air-conditioned busses with courteous guides pointing out places of great interest.

Madrid has a population of 3,600,000 and nearly all live in apartments within the city. The Walterscheids visited the King's Palace of 2,800 rooms and toured a few, an Art Gallery, Coach Palace and the Valley of the Fallen where a huge church was built into the side of a mountain and topped by a cross of unusual proportion. It was built in memory

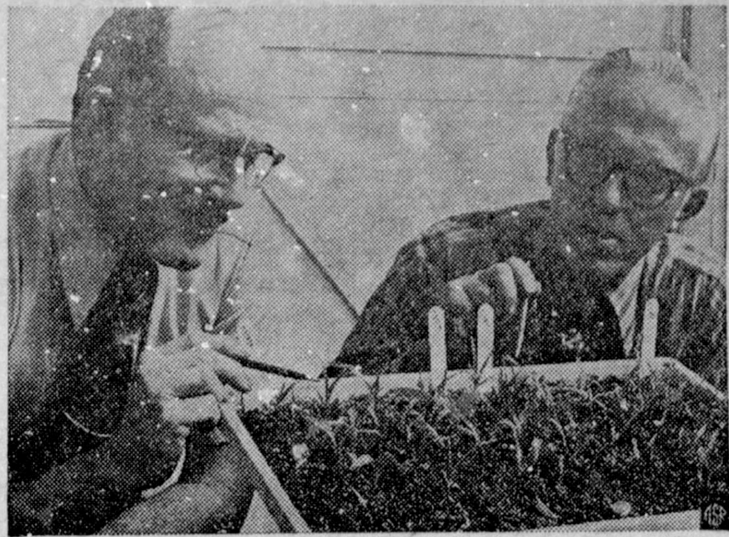

of those who died in the Spanish Civil War. They also toured a factory where 24K jewelry is designed. Everywhere they noted that Siesta Time is observed daily from 1:00 p.m. to 3:00 p.m. when even all stores are closed. Madrid has many lovely churches, 80 in all, only a few visited in the busy days.

The loveliest and most outstanding city was Toledo, about 50 miles out of Madrid. It is built on seven hills as Rome is. There they visited a cathedral that took more than a hundred years to build and is still in use every day. The pipe organ can be heard five miles away. Toledo with its magnificent scenery is almost completely surrounded by water.

On Wednesday of that week the Walterscheids flew to Lisbon, Portugal and stayed in a modern, sixteen story hotel in the town of Cascais on the Atlantic Ocean where they visited more churches and cathedrals. While in Lisbon they also visited the largest casino in Europe and had dinner in its huge ballroom and saw the floor show afterwards. One day they took a bus tour of the Atlantic shoreline for about twenty five miles. In both countries the travelers noted the beauty of the many parks and water fountains in all the towns. Entertainment was abundant and excellent and usually in native dress.

Food service and variety was outstanding. Dining at night was elaborate. Fish is served everywhere in dozens of ways and always delicious. Wine is the principal drink. Everywhere it is obvious that the main source of income is the tourist trade. Cafes there are staffed by men — there are only waiters, but no waitresses. Weather there is

Ag Research Fights Greenbug Menace

New hybrid sorghums help growers fight greenbug problem.

Greenbug infestations in 1972 have caused some grain/sorghum growers in the Southwest to lose their entire crop, USDA officials report.

On the other hand, sorghum growers in the southern plains were more fortunate because winds and thunder showers knocked greenbugs off the plants in July, holding crop damage to a minimum.

Scientists warn, however, that even those growers not hurt by greenbug infestation this year may not be so lucky the next time. Sorghum growers want and need greenbug tolerant varieties, they emphasize.

Research conducted by Northrup King scientists has resulted in two hybrid sorghums which are greenbug tolerant and can more nearly assure growers of harvesting a crop. "Even when we loaded the plants with greenbugs, NK 233 and NK 266 still produced a crop," reports Paul Menge (right), sorghum project leader.

According to entomologist Dr. Glenn Moore (left), "Biological control of insects and

disease does not upset the balance of nature. This trend toward biological control is also consistent with the growing concern about our environment and ecology."

He went on to say that while there has been success with insecticide control of sorghum greenbugs, many growers and farm scientists don't believe chemical control is the real solution. Growers and entomologists know that insecticides not only add to the cost of raising a crop, but these chemicals can kill beneficial insects. Excessive use of farm chemicals can arouse environmentalists bringing harsh laws restricting or eliminating chemical control.

The company's research team developed a biological solution to the problem — greenbug tolerant sorghum varieties NK 233 and NK 266. Both hybrids are high yielding sorghums and represent a natural economic method of insect tolerance — a method that presents no danger to the environment. In addition, NK 233 and NK 266 are resistant to downy mildew, smut, anthracnose and M.D.M.V.

Student Assembly Sees Blessing of New SH School Bus

It's here! Blessing the newly-purchased school bus for use at Sacred Heart on September 29 was Father Placidus Eckart. Mark Schmitt, master of ceremonies, conducted the special ceremony, which was held in front of the elementary school building.

Father Placidus recognized student efforts in helping to pay for the bus, and stressed the importance of their contributions to the fund.

Besides cash donations, the elementary grades helped out by holding raffles and collecting aluminum cans for recycling. High school students also helped in various ways.

Two High School students were featured as musicians for the program. Dwayne Rohmer, junior, played "America" in a trumpet solo. Ernie Martin, senior, entertained the crowd with a drum solo.

The ceremony ended with group singing of a hymn "Now Thank We All Our God".

Additional contributions are needed to completely pay for the bus. All donations will be greatly appreciated by the student body.

Swedish Farmers See Beef Cattle Center at CCJC

A group of approximately fifty prominent farmers from Sweden, headed by Mr. Carl-Borje Andreasson of Lovö Prastgard, Drottningholm, Sweden, spent Saturday afternoon visiting the Cooke County Junior College Beef Cattle Evaluation Center.

Mr. T. J. Davidson, chairman of the Agriculture Department of CCJC, conducted a tour of the facilities and provided technical information regarding the philosophy of performance testing in breeding animals. He was assisted by Whitten Williams, vice president for instructional affairs, and Dr. A. E. Shasteen, president.

The group is touring the United States studying improved methods of farming and ranching.

Mr. Joseph Fox took pictures of the group, and Mrs. Davidson and Mrs. Shasteen served refreshments.

Mr. Andreasson plans to bring another group from Sweden to visit the Beef Cattle Center late in November.

The Constitution gives us the right to do our own thinking. It's up to us to acquire the ability.

Mary Lou Fleitman Heads Horse Club

Cooke County 4-H Horse Club has elected officers for the coming year, giving the presidency to Mary Lou Fleitman of Muenster Community 4-H Club.

Other officers are Dee Westbrook, vice president; Paula Sutton, secretary-treasurer, and Karla Sutton, reporter.

In addition to business the group witnessed a demonstration by David Griggs who used his horse to show the proper way to clean and trim a horse's hoofs.

Eighteen members, five adult leaders and assistant county agent Craig Rosenbaum attended the meeting.

almost like in Texas, possibly a little cooler. The Walterscheids learned there that all school children attend classes from October through July until the age of 14. After that some find it too expensive but all children must take at least three years each of English and French.

There were about 170 Gibson dealers on the chartered plane all from the Dallas-Houston area.

This was Gibson's 16th trip. Next year's winners will go to Tokyo. Earl and Flo Walterscheid say they want to thank all their friends who made this memorable trip possible.

MHS Students at A&M Career Day

Five members of the Muenster High JETS (Junior Engineering Technical Society) and their adult advisor, Ernest Jaska, were at A&M University last Saturday attending career day, which included talks and displays on science, engineering and agriculture. Added interests were a visit to the nuclear reactor and attendance at the A&M-Army football game.

Home town folks they saw there were Mike Jaska, David and Danny Fette, Larry Kostyniak and Hank Arendt of Lindsay.

Students who went are Lyle Klement, Eddie Knabe, Dan Sicking and Mark and Bridget Jaska.

What you are speaks so loud I can't hear what you say.

3 Share Honors at Birthday Dinner

Birthday observance hosted Sunday in Denton by Mr. and Mrs. Dickie Cain in their home honored her mother Mrs. Norbert Klement. Co-honorees were Mrs. Klement's daughter Mrs. J. E. Marr of Fort Worth and her son-in-law James Otto of Garland. Mrs. Klement's birthday was Sunday, Mrs. Marr's October 11, and Mr. Otto's is Oct. 15.

Dinner, gifts and a decorated cake made by Mrs. Otto were included in the celebration.

In addition to the hosts and their children Tami, Troy, Scott and Shawna and the honorees, attending were Jimmy and Pat Marr, Mrs. Otto and Leslie and Norbert Klement.

Seniors-Freshmen Win Sacred Heart Powderpuff Game

By a score of 12-8 the Rubricators (seniors and freshmen) defeated the White Tornados (juniors and sophomores) in the annual powderpuff football game at Sacred Heart High.

Team members were Seniors: Christi Koesler, Susie Endres, Janet Knabe, Mary Beth Bartush, Kim Reiter and Nancy Fuhrmann.

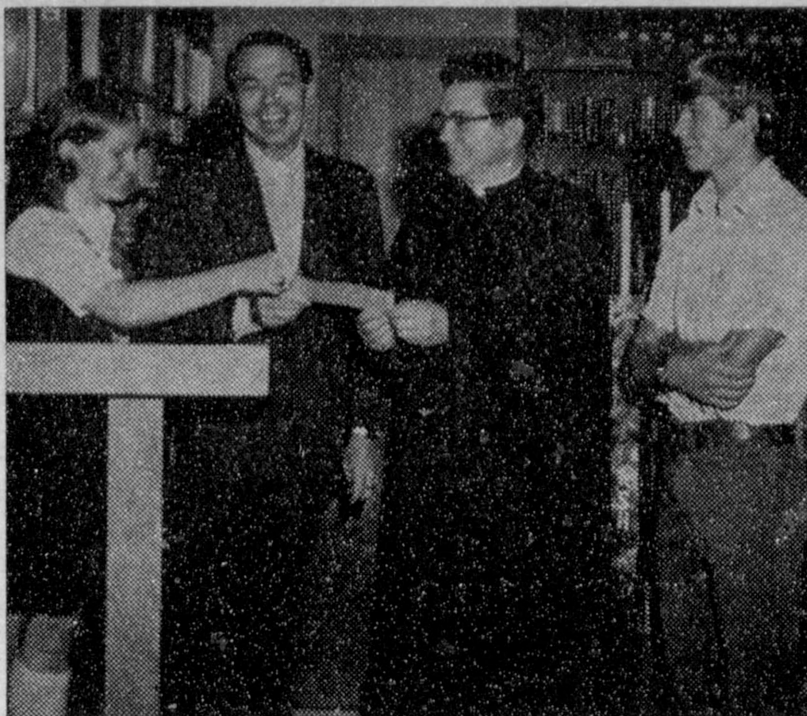

Juniors: Beverly Walterscheid, Peggy Hoedebeck, Doreen Pels, Shirley Becker, Karla Yosten, Margie Hesse, Cheryl Bayer and Donna

Knabe. Sophomores: Mary Hess, Laura Kralicke, Lynda Klemment, Vicky Haverkamp, Janet Sicking, Barbie Hess, Janet Bayer, Linda Miller, Carol Knabe, Gayle Miller, Sandy Reiter, Kathy Luke, Karen Stoffels and Kathy Johnston.

Freshmen: Lori Rohmer, Janet Pels, Dianne Kralicke, Mildred Grewing, Cindy Bartush, Sharon Rohmer, Joan Hesse and Karen Schilling.

Winning coaches were Mark Schmitt and Mark Hess. Losing coaches were Davey Krahl, Ricky Walterscheid, Pat Endres and Steve Taylor.

It pays to advertise with the Muenster Enterprise.

IN A SPECIAL ASSEMBLY OF STUDENTS AND FACULTY at Sacred Heart High School, Father Placidus Eckart, superintendent, accepted a \$350 check earned on the school's traffic safety project and special edition of Mosaics, school paper. Competing with 400 entries from 30 states, Mosaics captured second place in the nation and a prize of \$200 on the edition. For its overall campaign work in promoting traffic safety SHH earned fifth place in the nation and a prize of \$150. Pictured, left to right: Christi Koesler, representing SHH Mosaics staff, Richard Kennedy of Kemper Insurance, Long Grove, Ill., Dallas branch, sponsor of the campaign, Father Placidus and Mark Schmitt, student council president.

Sign on a self-service elevator in a Houston building: "Eighth floor button out of order. Please push five and three."

J. M. Weinzapfels Honored at Dinner

Mr. and Mrs. J. M. Weinzapfel had a busy, happy, weekend with guests from out of town, visiting with grandchildren, and a Sunday night dinner to observe a birthday and wedding anniversary. Mr. and Mrs. David Bright entertained Sunday when the family gathered for an outdoor meal on the patio overlooking the lake to honor her mother on her 80th birthday which was September 28 and Mr. and Mrs. Weinzapfel's 56th wedding anniversary on October 3.

The group included Mr. and Mrs. Hugh Jackson and children of Fort Worth, Mr. and Mrs. Bill Birden and children of Lewisville, Father Joe Weinzapfel of Grand Prairie and the Henry Weinzapfel and David Bright families. Mr. and Mrs. Bill Hellman phoned from Tulsa, when they were unable to come and Msgr. Thomas Weinzapfel sent congratulations from South Africa. He is on a round the world tour and will return October 17. All of the Weinzapfels' Texas grandchildren and great grandchildren were here to join the family group. Visiting one day last week from California was grandson Joe Arthur Jackson.

Other guests Sunday night were Mrs. Tony Gremminger, Mrs. Jake Wolf, and Mrs. Ed Otto of Wichita Falls who was spending from Saturday through Tuesday with her sister.

Monday, Mrs. Otto and Mrs. Wolf drove to Gainesville with Mrs. Al Schmitt to visit her father, Ben Otto and Tuesday Mrs. Otto returned to her home.

De Ann Trachta Has First Party

Little Miss De Ann Trachta was honored with a party on her first birthday in the home of her maternal grandmother Mrs. Dick Cain. The tiny girl was named "Queen for the Day" and presented a jeweled crown by her relatives and friends. Big, bold letters on the wall in the party room proclaimed: "De Ann's 1st and Bobo's Circus." The queen and her subjects received a special treat when Bobo, Mrs. Bobo and their little one Bozo arrived. This family of clowns danced and sang for the little guests and presented each with a tambourine and a balloon. The carousel cake carrying out the circus motif was baked and decorated by Mrs. Jerry Walterscheid. De Ann was showered with gifts by her guests who came from Gainesville, Lewisville, Denton, Dallas and Muenster.

Quilting Bee Is Birthday Party

To observe her own and her sister Mrs. Raymond Zimmerer's birthdays on September 30, Mrs. Joe J. Neu invited her five sisters to her home in Lindsay last Thursday, September 28, for a quilting party. Others present were Mrs. Henry Henscheid, Mrs. Paul Fetch, Mrs. Gus Lutkenhaus all of Muenster, Mrs. Lawrence Zimmerer of Gainesville and a sister-in-law Mrs. C. M. Flusche of Decatur.

Mrs. Ray Hoenig, Mrs. Neu's daughter visited briefly and made pictures of the busy quilters and Mrs. Wilfred Bindel another daughter brought a birthday cake to serve with ice cream.

Local CYO Sells POW Bracelets

In order to promote awareness to the plight of America's Prisoners of War, the Muenster CYO is selling POW bracelets. These are metal bands inscribed with the name of a POW and the date on which he was lost.

Wearers of the bracelets pledge to keep them on until the real status of the POW is determined, or until he is released.

VIVA, a non-profit, non-political student volunteer organization, distributes the bracelets. It is maintained solely by individual donations.

Contributions are used to print and circulate material concerning the fate of our country's POWs.

Twig Girdlers Do Unwanted Pruning On Shade Trees

Many residents in Cooke County have noticed some unwanted pruning of their shade trees. This pruning is the result of the work of a dark, grey beetle.

The beetle is called a twig girdler because of the type of damage it does. The adult females girdle branches of the host tree by cutting a circular incision through the bark and deep into the wood. They attack limbs 1/4 to 1/2 inch in diameter. The damaged limbs will break and hang in the tree or completely fall to the ground. Destroying the cut-off limbs will help in the control of this insect.

It takes one year for this insect to go through a life cycle. The adults will appear again next fall. No insecticide control is recommended at this time. Spraying the trees in August and September with malathion will help to prevent the damage. Keep trees in good healthy growing condition by proper fertilization and watering when needed.

**Parish Societies
Have Joint and
Separate Meetings**

St. Joseph's and St. Anne's Societies held separate meetings Sunday after evening Mass and afterwards joined for Bingo and Barbecue at the Club. Members of the St. Joseph Society met in their club house with Wilfred Bindel presiding. Father Placidus attended and led the opening prayer. Members voted to make a \$50 donation to the Reading Lab of Sacred Heart School and also signed a sympathy card and spiritual bouquet to be sent the family of John Herr, who was an honorary member of the St. Joseph Society. President Wilfred Bindel thanked everyone who helped at the homecoming picnic and asked the 25 members to attend the Northern District Catholic State League Meeting in Scotland on October 22 at 1:30 p.m.

Members of St. Anne's Society held their meeting in the Sacred Heart High School Library with Mrs. Al Hess presiding. Father Leonard led the opening prayers and spoke briefly on "Respect Life Week" and parent-child awareness and duties.

Members were reminded that October is "Rosary Month" and Saturday, October 7 is "Children's Day" to be observed at 8:00 a.m. Mass.

Pictures of the "weeping Blessed Mother" were shown. Father Leonard won the door prize and asked that it be given to the bus fund. Twenty members were present, along with three guests from Lindsay — Mmes. Frank and John Schmidtkofer and Henry Hess. The meeting adjourned after vocation and peace prayers.

4-H Club News

Fifth and Sixth grade boys of Sacred Heart 4-H Club met Monday October 2 with 21 members present. Assistant County Agent Craig Rosenbaum led a discussion on Dog Care, and the group made plans for Rural Youth Day at the State Fair of Texas. Mark Klement is president of this group and Jesse Walterscheid is vice-president. Dick Dangelmayr is secretary and Mike Bayer is reporter.

The fifth and sixth grade division of Sacred Heart's girls' 4-H Club also met on Monday, October 2, with new officers presiding. Song leader Sherri Herr led the group in singing "God Made the World" and Laurie Walterscheid recited a poem. During recreational activity the girls made pictures out of toothpicks that were glued and then painted colorfully. Sharon Grewing is president of the fifth and sixth grade group; Phyllis Grewing is secretary and Elaine Walterscheid is reporter.

A wife is just the opposite of a fisherman. She brags about the ones that got away and complains about the one she caught.

The lady, recognized as a hypochondriac, called her doctor one night and exclaimed: "I know what's wrong with me. I've got a bad case of hyperinsulinism."

"I know all about it, so don't worry," replied the Doc. "I just watched the same television program."

**DON'T TAKE RURAL
TEXANS FOR A RIDE...
...AND DON'T TAKE US FOR GRANTED.**

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT.

RURAL TEXANS NEED McGOVERN

pol. adv. paid for by Texas McGovern-Shriver Campaign Committee, Bob Armstrong and John White, Co-Chairmen, Austin, Tx 78703

We can help you
**Look Forward
To a New
Home**

Has "tight money" been keeping you and your family from owning your own home?

Good news. Now we can make more mortgage loans.

We're happy . . . because we want to help more people buy or build.

And you'll be happy in your new home.

Come in soon.

**HOW WE
HELP YOU . . .**

- Making Mortgage Loans is a major part of our business. We know how.
- Years of experience help us advise you in the selection of a home that meets all of your needs.
- Personal interest in your family.

Car Registrations Gain 4.5 Million In Nation in 1971

A total of 112,922,354 motor vehicles were registered in the United States during 1971, according to the American Automobile Association. The figure represented a rise of 4,546,931 over 1970.

Citing an annual report by the Department of Transportation, AAA said the figures, compiled by the Federal Highway Administration, showed that the number of trucks in use, 19,772,212, increased the most over the previous year — by 5.4 per cent.

Automobile registrations totaled 92,752,515, a rise of 3.9

per cent over 1970.

Buses totaled 397,627 in 1971, a gain of 5.3 over the previous year. The bus total released is an estimate of those in operation, rather than registrations, to eliminate multiple counting that would result from buses being registered in more than one state.

Texas had a total of 6,984,269 motor vehicle registrations in 1971, an increase of 4.3 per cent compared with 1970. The state was second only to California for the highest number of registered motor vehicles in 1971.

Cars in Texas totaled 5,335,492, buses 23,919, and trucks 1,624,858.

America On \$2.50 A Day

New Concept In Bus Travel

Travel America for \$2.50 a day? Can't be done? It can now—using Ameripass, Greyhound's new unlimited 60-day ticket.

For \$149.50, a traveler can go anywhere in the U.S.A. over Greyhound's 100,000 miles of routes for 60 days.

James L. Kerrigan, president of Greyhound Lines, Inc., said, "Ameripass is our way of making it easier for Americans to see this great land of ours. Our buses serve 40,000 cities and towns in America and can take a traveler not only to the more popular tourist attractions such as the national parks, historic sites and exciting metropolitan areas, but also to the lesser known places of great beauty and national significance."

Available beginning Sept. 15, Ameripass will be honored in all 48 contiguous states and in some areas of Canada.

Ameripass holders will also be eligible for special discounts on hotels, automobile rentals, sightseeing and other travel services. To obtain the discount, all they need to do is show their Ameripass.

The 60-day ticket offers

complete freedom and flexibility of travel. There are no limitations on the time of day or day of week when it may be used during the 60-day period — including weekends, weekdays, holidays, day or night.

Travelers will be able to stop whenever and wherever they wish—for as long as they want. They may also take side trips, crossovers, switchbacks or revisit places they like. As an additional benefit, Ameripass will be honored by almost 100 other intercity bus lines in the United States and Canada.

Kerrigan said Ameripass is one of several new programs being launched as a special salute to the nation's upcoming 200th anniversary. Others include a new red, white and blue paint scheme and special service to the most desirable American tourist attractions.

A free folder providing complete details on Ameripass as well as valuable bus travel information is available at any Greyhound terminal or representative as well as many travel agencies.

State Fair Gives A Big Show for A Small Charge

When you look at the low cost of the admission ticket to the 1972 State Fair of Texas in Dallas, October 7-22, you wonder how so many shows, exhibits, parades and entertainment can be delivered at such a low price.

The answer lies in the sponsorship of many of the headliner events, free events and exhibits by national and Texas companies.

Take a look at the list of some sponsors at the "Dazzling Thirties" 1972 State Fair of Texas.

Texas Department of Agriculture presents the "Food and Fiber Pavilion", all major auto companies present the 1973 automobiles, Dallas Museum of Fine Arts sponsors the "Expositions of the 1930's", Marlboro and Phillip Morris have Marlboro Country western art, chuckwagon exhibit and the "Goldminers", Miller Brewing Company sponsors a "Dixieland Band" show and Dr. Pepper sponsors a free circus every day. Mobil's Sky Revue is a popular event.

Dallas area companies sponsor many events and exhibits — such as the Lone Star Gas exhibit in the gas building and the Dallas Power and Light electric building shows.

The Dallas Symphony Orchestra and Dallas Civic Ballet combine with the 5th U. S. Army Band for a "symphony spectacular" and schools from many areas of Texas bring their bands for parades and pageantry.

"A World's Fair in Just 16 Days" reads the State Fair brochure this year and it is geared to be just that.

Add the Southwestern Premier of "No, No Nanette", the "Dazzling 30's Review", football games and La Fiesta Mexicana to the show.

Don't Keep Stalks Cotton Men Urged

Cotton farmers in Cooke County are advised to plow up their cotton stalks as soon as possible after harvest, says Neil Tibbets, County Extension Agent.

Cotton which has been harvested and allowed to regrow will provide food for boll weevils, pink boll worms, and bollworms that will infest the cotton next year, Tibbets warned.

Pink bollworms have built up in late maturing cotton in the North Central Texas Area according to a survey conducted by Mr. A. L. Broman of Plant Protection, USDA, Denton, Texas. He urges the destruction of all green bolls left on turn rows. These bolls can be destroyed by either burning or plowing under.

Precautions Can Avoid Farm Fires

Farm fires are potentially the most dangerous, because the farmers, his family and his property are usually miles away from the nearest fire department or from neighbors who could lend assistance. Never is a farm more isolated than when a fire strikes.

Farm families should take all precautions to prevent accidental fires and they should use all methods of fighting fires if they do start, says Stanley M. Reed, Farmers Home Administration County Supervisor in Gainesville, Texas.

The Farmers Home Administration, in observance of National Fire Prevention Week, October 8th. through 14th, offers this list of fire prevention and protection ideas:

1. Make sure every member of your family knows how to call the fire department. Post the fire department number at the telephone. Also make sure your fire department knows the layout of your farm, house and barn, and the location of water supplies.
2. Check condition of heating equipment, including chimneys and flues. Make all repairs necessary for safe operations.
3. Check electric wiring for wear and loads — replace worn and inadequate wiring. Use only 15-ampere fuses unless a circuit has been especially designed for larger loads.
4. Keep fire fighting tools accessible in an emergency.
5. Have ladders ready for escape and for fighting roof fires.
6. Keep fire extinguishers on hand. Check them frequently and recharge them when necessary. Also, protect them from freezing during winter months.
7. Maintain a water supply in cisterns and stock ponds. They may be the only source of water for fighting fires.

Solid Savings

for a solid family base

A solid family base for now and for the future begins with financial security. Start a savings account soon, and establish a fund for a bright future. You'll be glad you did.

Visitors Gather At Sicking Home

Mr. and Mrs. Wilfred Sicking entertained guests over the weekend and had additional guests Sunday.

Their children were weekend visitors. These included Airman Hank Sicking and his wife Airman Georgann Sicking, both of Keesler AFB, Biloxi, Miss., Miss Dianne Sicking of Southwestern University at Weatherford, Okla., and Dean Smith of Weatherford, and Mr. and Mrs. Sammy Sparkman of Gainesville. They attended homecomings Friday and Saturday nights.

Visitors Sunday, joining the group, were Mrs. Hank Sicking's parents, Mr. and Mrs. George Morgan and daughters Glenda and Ginger of Purcell, Okla., and her uncle and aunt, Mr. and Mrs. Charles Hunt of Ardmore.

Also Sunday visitors were Mrs. Sicking's sister Mrs. Bill Graham and their mother Mrs. Joe Walter of Gainesville.

Most of the visitors were seeing the recently completed new addition to the Sicking home for the first time. It includes four bedrooms and two baths.

"Tell me, my good man, why is that statue of Gen. Sam Houston standing in such a very awkward position?"

"Because, sir, he was supposed to be on a horse, but the committee ran out of money."

Contact Bill Hamer or Sam Hamer

Come to our Sale Every Thursday.

Come hail or high water, you can depend on an electric dryer.

Let it pour! Washday weather doesn't matter when you dry the family laundry electrically. Because you never go outdoors. No battling the wind to hang sheets on the line. No cloud-watching to second-guess a summer shower. You just drop your wet wash into the dryer and set the dial. Rain or shine, the clothes dry soft and full of shape with a dependable electric dryer.

A modern, electric dryer is made to pamper permanent press, too. Shirts and dresses pop out wrinkle-free and ready to wear. Towels are fluffy. And electric drying is gentle enough for even your most fragile things.

TP&L suggests that you ask your electric appliance dealer about a new, electric dryer soon.

Lindsay News

Mr. and Mrs. Gus Berend and children of Windthorst spent Friday at Lindsay with her parents, Mr. and Mrs. Henry Hess, attended the football game, and were their overnight guests. They returned home Saturday.

Lindsay-Gainesville Knights of Columbus will have their Columbus Day observance here Sunday by attendance at 10 a.m. Mass and corporate Communion. Dinner will follow in the KC Hall at Gainesville.

Kimberly Corcoran, 12 year old seventh grade daughter of Mr. and Mrs. Harold Corcoran is a first place winner in the Cappy Dick contest sponsored by the Fort Worth Star Telegram and will receive a 20 volume set of World Book Encyclopedia and Atlas. She was tops in a puzzle, pasting it to a sheet of paper and adding decorations.

Mr. and Mrs. Jake Bezner accompanied their daughter Viola of Arlington on a weekend trip to Hereford, Dumas and Friona. At Hereford they visited Jake's nephew Frank Bezner, the Ewald Berends and the Gilbert Yostens. At Dumas they visited Mrs. Louie Bezner, 92, in a convalescent home and in Friona they visited the Leroy Berends.

Mr. and Mrs. Gene Pelzel and children were among relatives honoring his grandmother Mrs. Ed Blumberg of Pilot Point on her birthday. Four generations attended the celebration in the KC Hall where a covered dish dinner and supper were served, pictures were taken and Mrs. Blumberg displayed gifts received on her 86th birthday.

Paper Drive Saturday
SHH seniors will conduct a scrap paper drive Saturday, Oct. 14, beginning at 9 a.m. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup. Persons unable to get their paper out may call 759-2771.

Ewald Hoelker Resigns Lindsay Postmaster Job

Effective October 13 Lindsay will have a new postmaster for the first time in 35 years.

Ewald (Turkey) Hoelker has resigned, effective that date, after being the officer in charge since July 13, 1937. He will be succeeded by Robert Baker of Gainesville, a 26-year veteran of the Postal Service in that city.

The post office will continue in Hoelker Grocery.

In announcing his resignation as postmaster, Hoelker also announced that the store owned jointly by him and his brother Albert, is for sale.

Hoelker Grocery, started by the men's father, the late Casper Hoelker, more than 50 years ago, grew with the community during the past half century. The brothers have operated it since 1927.

Baker and his wife will continue living in Gainesville. She will deliver the Star Route of the Gainesville Post Office.

Joyce Hellinger Is Party Honoree

A gift shower Sunday afternoon honored Miss Joyce Hellinger, bride-elect of Thomas Yosten, in TP&L Community Room with Mrs. Cyril Yosten and Miss Monica Yosten as co-hostesses.

A large number of relatives and friends were present to view gifts after which the hostesses served coffee and cake.

On arrival at the party corsages were pinned on the honoree, her mother Mrs. Pete Hellinger, the future bridegroom's mother Mrs. Felix Yosten and grandmother Mrs. Frank Yosten.

Miss Hellinger and Mr. Yosten will be married November 4 at 5 p.m. in St. Peter's Church at Lindsay.

Danny Bezner is PP&K Zone Winner

Danny Bezner, sponsored by Endres Motor Co., was one of the six first place winners in the zone competition of Punt, Pass and Kick held at Wichita Falls last Saturday. A son of Mr. and Mrs. Weldon Bezner of Lindsay, he was tops in the 8 year old division. Dan was one of three Cooke County winners. The others were Bert Hadaway of the 13 year old division and Tommy Sadlowski of the 12 year old division, both of Gainesville.

All first place winners of the six age groups at Wichita Falls are qualified for the area competition in Dallas Saturday.

Irene Richey Goes To Okla. Reunion

Mrs. John Richey was among 54 relatives at a family reunion in Sulphur, Okla., Sunday. She drove to Bethany Friday to spend the weekend with cousins, the Ed Ballingers and took them with her to the reunion.

Relatives gathered at the farm and mobile home of Mr. and Mrs. Jean Ballinger. All children of the late Mr. and Mrs. O. A. Ballinger of Sulphur, and former Marysville residents, were there with their families making four generations present.

They attended from Fort Worth, Sulphur, Pryor, Pauls Valley, Oklahoma City, Ada and Bethany, Okla. A picnic dinner, picture taking, and plans for next year's reunion, same place and date, were among the day's highlights.

Mrs. Jewel Clements of Gainesville accompanied her sister-in-law, Mrs. Richey to Bethany and spent the time there with relatives. The two returned home Tuesday afternoon.

Hornets - - -

Chambers for 13 and the scoring play to McCurley for 23. After half time the Falcons moved for two first downs and kicked on the third series, and recovered Muenster's fumble two plays later on the 20. Five plays made the distance, Young going over from the 4. McCurley crashed over for bonus points.

Then came more frustration for Muenster. Following kick-off return to their 35 they gained 22 and 16 on passes to Miller for a first down at the 15. Three passes went incomplete from there and Endres was smeared for 13 on the fourth down play.

Falcons went back up the field for 49 before giving up the ball but started again after Muenster's kick four plays later. It went for 33, Henderson scored from the 3 and McCurley kicked an extra point.

Finally, in the last period, the Hornets put on their second scoring drive. From 60 yards out they made it in 5 plays and a major penalty. Passes from Wolf to Miller made 13 and 23 and Wolf scored from the 5. Bright added 2 points and the score was 36-14.

With less than 2 minutes

left the Falcons added another. A good runback plus a big penalty set them up on the 30 and 3 tries were enough. Adkinson scored from the 4.

Statistics	M	LD
First downs	18	18
Yards rushing	3	226
Yards passing	202	171
Passes completed	16-43	6-14
Intercept by	1	2
Fumbles lost by	3	1

Attend Funeral of Kin in Hobbs, N. M.

A group of Russell kin went to Hobbs, N. M., to attend the Monday afternoon funeral of a relative, Tommy Dale Decker, 29, son of Mr. and Mrs. Carl Decker. His mother is the former Rose Russell of Muenster.

In addition to the parents, one brother and a grandmother Mrs. J. S. Russell survive.

Attending the services were Mrs. Charlie Wolf and son Dwight, Mrs. Donald Hennigan, T. J. Russell and Mr. and Mrs. Russell of Muenster, Mr. and Mrs. Jimmy Russell of Myra, and Herb Russell of Whitesboro.

Confetti - - -

All of us feel that the ratio is a lot higher than necessary. We just don't think that the essential functions of government need that many people, especially in relation to the old saying that people who are least governed are best governed.

And we're further irritated by the fact that these employees, many of whom are unneeded and unwanted, receive better pay than us who foot the bills. Tax Foundation said that average pay per public employee rose from \$4,859 in 1961 to \$7,965 in 1970, an increase of 64 per cent. Meanwhile the rest of us increased 53 per cent in the decade, from \$4,889 to \$7,462.

Of the public employees, those working for the federal government have the best deal. Their average earnings rose from \$6,274 in '61 to \$10,597 in '71. Those people, furthermore, get 30 days of vacation a year as compared with two weeks for the rest of us.

All in all it's an exasperating situation. We have federal programs and projects that waste tax payer money by the billions along with lavish pay for millions of employees we don't want.

Tigers - - -

inches short and Endres finished the job with a quarterback sneak. Krahl's run upped the count to 34.

The final score of the half was Krahl's second punt return for a touchdown. As before, he weaved through the middle and was gone, a total of 65 yards.

After intermission the reserves had most of the action and the pace slowed down somewhat. Nevertheless the Tigers held the upper hand and added two more touchdowns while the Trojans were held to four scattered first downs.

First score of the half was explosive following Big D's kick to end the first series. Endres bombed one to Bartush who went on to pay dirt, a total gain of 45. Another pass to Myron Hess made the score 48-0.

Reserves got practically all of the action for the rest of

the game. Every boy on the Tigers' long roster got his chance to play. As a result the game was less one sided and it was also slowed down by a rash of infractions. However Sacred Heart still managed to put together a drive for another score. It went from mid-field. The score was a pass for 25 from Roger Endres to Kenney Hess and the same combination added bonus points.

The rest of the game was a deadlock, the visitors getting 4 first downs and Sacred Heart 3. A fumble recovery near the end gave the Tigers another good opportunity at the 16. Three plays made only 3 and the regulars took the field to try for a 3-pointer. But it missed.

Statistics	SH	TC
First downs	19	10
Yards rushing	258	79
Yards passing	164	45
