

Election or no election, this paper's work schedule remains unchanged, so the column finds it very inconvenient to wait for the outcome in order to comment on the most timely subject. At the same time it is well aware that suddenly the election has become a lot less important than the history waiting to be made in the next four years.

In a few days the cheering and the weeping will be over and the country will go on dealing with the issues it had before. We're surrounded by problems, foreign and domestic, which will probably make the coming four years among the most decisive of our history. By 1976 we'll have a much clearer idea whether we're on our way to a completely socialistic society or are likely to retain freedom and free enterprise — whether we're coming under the domination of a one-world government headed by communism or beginning to strengthen our own free government.

That's the issue that deserves prior attention as we embark on the next four year era. Regardless of who is the winner, we the people need to dedicate ourselves to the revival of Americanism. We need to insist on the old time virtues of honesty, thrift, hard work and respect for law and order. We need to get these messages to our elected representatives along with common sense ideas on foreign relations — such as very cold diplomatic relations and no more help to any country that supports our enemy or sends dope over here. We ought to adopt a general policy to the effect that we'll do nothing more for any country that harms us.

Another good idea is a big change of attitude toward the UN. As things have been going for many years, the organization is an all-around liability to this nation. It is the means whereby hundreds of spies and saboteurs operate here under diplomatic immunity. These people pry into every phase of our military and industrial program, they encourage and direct activities in revolution and treason. While providing a sanctuary for such enemies, UN adds insult to injury by charging us for the greatest part of its support.

Our country's problems aren't solved just because the people have spoken. Starting now the most important job is to get going on the many separate jobs on which our future depends. And that includes prayer. The reason we have already slipped so far is that we lost interest in God's way of doing things. So, it stands to reason that the best way to get back in line is to seek and heed some of God's ideas. After the mess that's been made by disregarding the Supreme Being, there should be no doubt about the advisability of getting back in touch.

Most of the country commends President Nixon for not rushing into a cease-fire just before the election. Wisely he avoided being accused of an election trick. Equally wisely he avoided a bad deal. One thing we know for sure. When the reds were trying to rush us into signing they were trying to put over conditions that favored them. When they intensified the fighting to occupy more real estate you can bet that the peace terms included provisions for them to keep it.

But now, since political urgency is past, America can resume its effort to get a settlement that South Vietnam can live with, and that our conscience can live with. National honor demands at least that much.

The saddest thing about the war is the fact that we seem resigned to ending it just where we started. For the many long years of fighting we've disregarded the age-old principle that the aggressor invites his own defeat. Had we observed that and fought to win we wouldn't be bothered now about settling for a coalition government. For that matter, if the reds remain arbitrary it still isn't too late to renew the action with the intention to win.

As it looks just now we have cause for concern about the peace negotiation. Reds know that re-escalation would be very unpopular with the American public and might insist therefore on conditions

Two Long Time Residents Die

Eddie Schmitt, 61 Nick Yosten, 79

Edward M. (Eddie) Schmitt, 61, died suddenly of a heart attack Thursday, Nov. 2, about 7 p.m. at his farm. He was a native and live-long resident of Muenster.

Funeral services with Mass were held Saturday at 3 p.m. in Sacred Heart Church, Father Placidus Eckart officiating, giving the sermon and conducting graveside rites in Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

Rosary services were held in the Miller Chapel Friday at 4 and at 8 p.m.

Bearers were Clyde Fisher, Neil Fisher, Butch Fisher, Dennis Hess, Loyd Trubenbach and Wayne Schmitt.

Schmitt was a son of the late Mr. and Mrs. Ed Schmitt, born June 27, 1911. He married Miss Margaret Hess on Feb. 9, 1939 and engaged in farming.

Surviving are his wife; three sons, Ed of Coaticook, Quebec, Canada, Daniel of Commerce, and Mark of Muenster; two daughters, Miss Phyllis Schmitt of Occidental, Calif., and Miss Barbara Schmitt of Muenster.

Also three sisters, Mrs. John Fisher, Mrs. Joe Fisher and Mrs. Alois Trubenbach of Muenster, and three brothers, Al Schmitt of Muenster, Charlie Schmitt of Grandview, Wash., and Leo Schmitt of Frosser, Wash.

All attended the funeral. Others at the services included Mrs. Leo Schmitt and daughter Jan of Prosser, Mr. and Mrs. Bill Hess and their son-in-law and daughter Mr. and Mrs. David Metchum of Lawton, Okla., cousins Edward Quintle, Lawrence and Albert Strach of Kingfisher, Okla.

Also Mrs. Henry Victor and Miss Judy Trubenbach of San Antonio, Mr. and Mrs. Neil Fisher and son Ben and Tom Schmitt of Amarillo, Mr. and Mrs. James Whitt of Denton, Mr. and Mrs. Ronnie McCorkle of Irving, Mr. and Mrs. Bill Blythe of Fort Worth, Mr. and Mrs. Joe Galloway and children of Wichita Falls, Mr. and Mrs. Bob Fitch and children of Dallas and Mrs. Daniel Schmitt of Commerce.

Crippled Hornets Meet the Champs Friday at Nocona

All signs point to a long, hard struggle when the MHS Hornets meet the Nocona Indians Friday night at Nocona.

The Indians, rated as one of the top Class A teams of the state, took the lead in 11-A last week by beating Frisco, which had formerly clobbered Muenster. They have been gaining in strength through the season while the Hornets have been going downhill.

Hopefully that deterioration has reached a turning point, according to Coach Glenn Richardson. Hank Trachta, as second substitute quarterback after Jim Endres and Randy Wolf were eliminated for the season, did a creditable job in his first effort last week. Richardson expects that experience plus a week of practice to remove a few of the troubles that were encountered last week.

Likewise on defense he has hopes for better results. Through most of the game last week it played on equal terms with Sanger but allowed several big plays which ran up the score. So the emphasis this week is on sharpening the defense.

Richardson has no illusions about Hornet prospects, however he and the boys are striving to look as good as possible, and hoping for a few favorable breaks.

Paper Drive Saturday
SHH seniors will conduct a scrap paper drive Saturday, Nov. 11, beginning at 9 a.m. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup. Persons unable to get their paper out may call 759-2771.

SH School Will Have Book Fair

A book fair at which students and visitors will be able to see and purchase books, will be sponsored November 16-20 by Sacred Heart School. Books will be on display in the reading lab of the elementary building from 9 to noon and 1 to 5:30 o'clock. Visitors are asked to come in the east door of the school.

The book fair committee invites all students, parents and visitors to attend the fair. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project. All profits will be used for the library.

The book fair display will include attractive new books from many publishers in all popular price ranges — wonderful books to read or to give as gifts. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. Educational Reading Service, a professional book fair company, furnished the selection of books for the fair.

Cemetery Fund Is Enriched by \$587

Members of Sacred Heart Parish contributed \$559.89 in the annual All Saints Day collection conducted by members of Muenster Garden Club.

During the week other donations have been added to bring the total to date to \$587.14.

The November 1 collection is one of the two annual collections for cemetery maintenance, the Garden Club's major project. The other is on or near Memorial Day. Donations are accepted at the church doors after services.

Kim Reiter is County Gold Star Girl

When outstanding 4-H Club boys and girls were honored at the annual awards banquet for Cooke County members highest awards, those of Gold Star Girl and Gold Star Boy went to Miss Kim Reiter of Muenster's Sacred Heart Club, and John Schumacher of Gainesville.

Miss Reiter is the daughter of Mr. and Mrs. Wilfred Reiter. Schumacher's parents are Mr. and Mrs. Richard Schumacher. He is a grandson of Mr. and Mrs. Alois Haverkamp of Muenster.

The coveted awards are given annually to one 4-H club girl and one boy and is the highest Extension Service honor a 4-H club member can receive on the county level. Winners are selected on the basis of leadership, personal development and projects.

County Judge Larry Sullivan presented the award to Miss Reiter and to Mrs. Richard Schumacher who accepted for her son. He was participating in a football game and was unable to attend the November 2 event in CCJC.

Nixon Favored 7-1 in Local Vote

Muenster voters went along with the county, state and nation Tuesday, only more so, in returning President Nixon to four more years of office. Whereas the total vote favored him by 2 to 1, this community chose him by more than 7 to 1.

Muenster also agreed with the state in reelecting Senator John Tower, and again by a much stronger ratio. Tower beat Sanders by 240,000 out of almost 3 million votes but won by more than 2 to 1 here.

However local voters parted company with the county and state in their choice of governor. Dolph Briscoe, apparent

winner by a slim margin in the statewide race, trailed 470 to 353 in the local count.

Otherwise local voting followed the general pattern, favoring Democrats in the remaining contested races. Jesse James beat Maurice Angly Jr. for state treasurer; Byron Tunnell beat Jim Segrest for railroad commissioner; Bill Sullivan beat Roger Martin for representative; James Binion beat James Rominger for district member on the state board of education.

Local voting like county, state and national followed an apparent massive trend toward splitting the ticket. The big majority chose Nixon and Agnew and perhaps one or two other Republicans and then returned to the Democratic fold.

Also Muenster went along with state and county in polling its biggest vote ever. The total was 849 here and 8229 in the county. However, percentage wise the turnout is less impressive: 73 per cent here and 69 in the county.

A race of interest but not concern to local people is that of their former congressman Graham Purcell whose district was changed last year to include areas represented by Republican Bob Price. In the contest of two incumbents Price was the winner by a count of 75,537 to 61,048. Omar Burleson of this district, the 17th, had no opponent in Tuesday's election.

In the vote for amendments Muenster agreed with the state in rejecting Numbers 1, 9 and 11. But it also opposed Numbers 2, 4, 10, 12 and 13 which were approved statewide.

Voting here and in the county in contested races went as follows.

	local	county
McGovern	97	1702
Nixon	723	6315
Sanders	239	3207
Tower	589	4811
Briscoe	353	4065
Grover	470	3831
James	454	4150
Angly	350	3618
Tunnell	492	4870
Segrest	262	2510
Sullivan	660	6128
Martin	156	1842
Binion	465	4948
Rominger	220	2172

Hornets Mauled 37-0 at Sanger

The Hornets' dismal football season of 1972 not only continued through last Friday's game, it got worse. They were mauled at Sanger by a count of 37-0. Handicapped by a near complete breakdown of their offensive game they seemed to weaken also on defense. They allowed the Indians almost as many points as they allowed the hot Frisco Coons a week before.

Hank Trachta made a gallant effort in his first try at quarterback replacing Jim Endres and Randy Wolf who were out with injuries. A tribute to his ball handling is the fact that the Hornets lost possession only twice on fumbles. However he had troubles with his passing along with a lack of speed and deception in the rushing game.

In its turn the defense seemed to have matching troubles. It allowed the Indians a near perfect record on pass completions plus a number of big break-away plays. Along with their big score the Indians had only 11 first downs. The Hornets had six first downs but no two of them to gether.

Their first first down came on the first series of the game after Bright stepped off a fast 20 but the next one was spoiled by a penalty and the Hornets punted.

From their 17 the Indians went to their first score in eight plays. Big Lindy Carr started it on the second play with a 45 yard gain and Todd Brown added 22. Quarterback Jack Armstrong scored from the 6.

The next score came early in the second quarter following several exchanges on kicks and one fumble. Carr broke loose for a 55 yard TD and Robert McCuiston booted the extra point.

Again, just before the end of the half, Sanger put on an 36 yard drive in eight plays. Big gainers were a pass for

1.70 Inch Rain

Moisture is no longer a problem at Muenster, except possibly to a few people who need an opportunity to do some work on their land. Others have it made — for a while.

In addition to more than 5 inches of good soaking rains a week ago, the community now has an additional 1.70 inches, most of it being the 1.26 Sunday night. It added to the good sub-soil supply and also raised the level of local ponds and lakes.

Rain measure ending October was 21.03 inches. Adding the 1.70 brings the present total to 22.73.

13, Carr's run for 15 and Bryant's for 35. Carr scored from the 8.

The third quarter went scoreless, however Sanger managed three scattered first downs and Muenster none. The period was featured by the Hornets' best defensive effort of the night. It started when Sanger recovered a Muenster fumble on the 25 and got to the 6 on three plays but was stopped a foot short of the goal on the next series.

Just before the quarter end (Continued on Page 8)

Tigers Romp 34-6 Over Sooner Team

Still going strong on their highly successful football season, the Tigers of Sacred Heart took the Dickson, Oklahoma, Comets in their stride Friday night. Count was 34-6 in a tussle of speed and experience versus a definite advantage in weight.

The visitors made a number of occasional gains but could not put them together in a sustained drive, that is, not until the final quarter when Tiger reserves were on the job. On the other hand the Tigers completed four drives and also scored on a punt return.

The Comets made a good start for two first downs then fizzled and lost possession on the 31. That's where the Tigers started their first TD. Nine runs gobbled up the 69 yards with Kevin Pels and Davey Krahl getting most of the yardage. Pels scored from the 7 on an end run.

After holding Dickson on its second series Sacred Heart headed goalward again on a 68 yard journey. On the first play Gary Endres passed to John Bartush for 37. Five plays later Krahl made 17 to the 1 and Gary Endres scored. Pels went over for bonus points and the first quarter lead of 14-0.

A fumble on first series after kick-off, recovered by Bartush, gave the Tigers another start with only 37 to go, but a major penalty stopped them on the 20. Four plays later the Comets punted and Krahl used good blocking to get (Continued on Page 8)

Pro Wrestlers Perform Saturday Night in SH Gym

Professional wrestling featuring contestants seen weekly on Channel 11, will do their thing here Saturday night at 8 in the Sacred Heart gym.

The program, which presents four matches including a tag team bout, is a benefit event for Sacred Heart School and sponsored by the alumni association.

Ringside tickets to the event, priced \$2.50 are available in advance from Coach Bob Steele, Tom and Jerr's Barber Shop and H & W Meat Co. in Muenster, and also from Joe Wilkinson at Babcock's and Herbert Knabe at Firestone's in Gainesville. Other tickets, available at the event are reserved seats \$2.00 general admission \$1.50 and child's \$1.00.

Headliners for the evening are rough and tough Crusher Stasiak battling Jose Lothario a popular Latin and current champion of his class. They will have it out in two out of three falls.

Another feature is a team affair in which Lord Robert Duncam and his manager Bronko Lubich are partners in wrestling Billy Red Lyons and Fred Curry.

Thought Control In America

To most people, brainwashing — the term first made known to the world by veteran newspaper reporter Edward Hunter — is understood to mean thought control behind the Bamboo Curtain.

Americans need to be warned that the Red Chinese "control of thought" has now been extended to the United States. If that sounds weird — which it is — hear this.

One of the agreements made between the Nixon administration and the Chinese Communists, among many, was that we will now be privileged to obtain news photographs of events taking place in Red China. This, we are told, is so that we in the free world can have a "better understanding" in the Communist world.

There is only one small catch. No one — not one newspaper or news service from the United States — will be

permitted to take the photographs. All photos from Red China will be furnished by HSIHUA, the official Communist government controlled propaganda agency. Let us ponder what this will mean.

American newspapers are free to record and print any and all happenings in their lens; crimes, accidents, deaths, disasters, poverty, slums — anything at all. Thus, we are allowed to see everything that is "wrong" in America.

But American newspapers will be controlled by the Communists to the extent that we will not be allowed to see photographs of anything wrong in the Red Utopia. Hsihwa will never release a news photo of a crime, or a train wreck, or an airplane accident, or a drunk, or even a photograph of anyone who is against Communism. The only pictures you will be allowed to see in American newspapers will be those photos calculated to cause you to have "good thoughts" about communism.

Every newspaper reader should be warned that what we will be allowed to see will not tell the truth about communist dictatorship in China. Don't be brainwashed!

Theft, Littering

The Department of Public Safety announced plans to combat commercialized motor vehicle thefts and to check littering on highways.

DPS has created a specialized task force to coordinate a statewide effort against auto theft. The 15-member group will investigate thefts of autos, boats, motorcycles, heavy equipment, mobile homes, travel trailers and boat power units. Members will be stationed at strategic locations over the state.

DPS patrolmen in all uniformed services, meanwhile, have been ordered to watch closely for motorists and others who throw litter on the highways or right-of-ways. Fines from \$25 to \$200 may be assessed for littering. DPS actually made 841 littering arrests in 1971 as compared with 225 in 1960.

About 50,000 motor vehicles were stolen in Texas last year, an increase of 17 percent over 1970. Losses were estimated at \$35 million.

Everybody Loses

To an alarming degree, college students are refusing to pay back bank loans made to finance their education. According to the U. S. Office of Education, four percent of the borrowers have defaulted on their federally-insured student loans, leaving the government with \$10 million in unpaid loans. The default rate is four to eight times higher than most other types of bank loans because, as one banker says, "With students, we're acting in the dark. They don't have credit records."

When professional collection agents must be sent out to track down delinquent borrowers on such a scale as this, something is seriously wrong. If the U. S. is to maintain its strength and integrity as a nation, its citizens must fulfill their responsibilities. The hypocritical acceptance of aid from a system many students defaulters despise is worse than anything that system has been accused of.

It Does Not Make Sense

The Soviets militarily occupied Czechoslovakia in 1968 and were denounced by most of the free world. Yet today we are considering trade with them that would increase their truck production and computer capability. Soviet trucks carry supplies down the Ho Chi Minh trail and computers are the sine qua non of missiles and space.

Another outrageous event took place in 1968. The United Nations voted sanctions against — not the USSR — Rhodesia. Chrome, essential in jet engines, is a key Rhodesian export. So the Japanese bought Rhodesian chrome and sold it to the USSR. The Russians in turn sold it to the U. S. at three times the price Rhodesia charged. The Senate barely rectified this situation.

Recently, for the first time, U. S. businesses were fined for trading with Rhodesia. A Federal judge fined a management company \$200,000; a shipping firm got a \$100,000 pen-

alty, and three individuals were fined a total of \$11,750.

What was their crime? Selling vital materials — Auctioning off nuclear secrets? No, they were going to build a fertilizer plant to increase Rhodesian crop yields. All Rhodesians, black and white, would have been better fed if it had been built.

But no, the U. N. supposedly interested in things like hunger, would frown on it. So, American citizens were tried in American courts by American prosecutors for violating rules laid down by an international organization. That the U. N. is largely bankrolled by American taxpayers and hardly friendly to American interests was not mentioned in the trail.

We'll say it again: it does not make sense.

"Welfare" Rocket Continues

While the long-suffering, hard-working taxpayer tries to balance his tightening budget, the "welfare" racketeers find new way to live as leeches. In a recent newsletter to his Kentucky constituents, Congressman Gene Snyder reports another food stamp scandal that is so outrageous that it is difficult to believe. Nevertheless, here is the story as Representative Snyder heard it:

A Berkeley, California hippie boasts that for 50c he buys \$28 worth of food stamps. Snyder reports that the Wells Fargo Bank confirms this price and adds that it is a common practice. Each week the hippie uses the stamps to buy exactly \$27.51 worth of groceries and gets back 49c in change — the maximum amount of change, we understand, that he can get on a purchase. Then he adds one penny to make the 50c to get his \$28 worth of stamps the next week.

The fourth week of the month he sells his food stamps to friends for \$15 cash. Thus, in a month he's paid out 53c for \$112 worth of stamps for which he gets \$83.53 worth of food and \$14.47 net profit in cash.

If this story is true it means that somebody is playing you and me for a sucker; and we strongly suspect that the "somebody" is not the opportunist Berkeley hippie, but the Washington, D. C. bureau known as "HEW" — Health, Education and Welfare. The Washington Press recently reported that as many as 2,000 HEW employees have joined in radical demonstrations against America and for Communism. Since this is true, is it not likely that these same government employees would encourage "welfare" racketeering? What better way to destroy initiative in the free enterprise system?

— U. S. Press Assn.

One of the common factors in success stories is the alarm clock.

May the Worm Turn

According to Mr. Doug Shuit, writing in the Los Angeles Times-Washington Post Service. "It costs the federal government \$18 billion a year to print, study and store its own paperwork. And it costs the public a like amount to deal with it. . . ." Government paper-work has been called "federal form pollution". It comes from the cumulative efforts of those holding public office or trying to gain that honored position who think

the only way to secure public approval is to offer schemes for expanding the empire of bureaucracy.

So far this strategy has worked amazingly well. But, the grumbling becomes louder each year and who knows but what the day will come when the worm turns. If this happens, the authors of schemes that create more form printing agencies of government will find they are no longer on the bestseller lists at the polls.

NOTES FROM THE LIBRARY

By Bettie Luke
 "Biographical Directory of the American Congress, 1774 to 1961" is a new book gifted to the library by Congressman Omar Burleson.

It is of exceptional merit containing a short biographical sketch of all congressmen and their activities.

This edition contains 10,400 biographies, carefully compiled and revised from available biographical works and new information has been made available on earlier members of historical associations and individuals interested in family genealogy.

Also added to the library is a new illustrated History of the World which is an age of revolution.

Library personnel extend a general invitation to everyone to plan a visit during National Book Week and see all the new books acquired during the summer.

Joyce Hellinger Thomas Yosten Say Vows at Lindsay

St. Peter's Church at Lindsay was the scene Saturday of the wedding of Miss Joyce Hellinger, daughter of Mr. and Mrs. Pete Hellinger Sr. of Lindsay, and Thomas Yosten, son of Mr. and Mrs. Felix Yosten of Muenster.

After a honeymoon trip to Carlsbad Caverns and other points in New Mexico the couple will be at home in Fort Worth where he is employed at Sears Service Center.

Father Damian Wewers, pastor, celebrated the nuptial Mass and performed the double ring ceremony at 5 p.m.

Miss Patsy Spaeth of Gainesville played the organ for Mrs. Kenneth Krebs' vocal numbers before the vows and the two sang together afterward with Miss Spaeth playing the guitar.

Solo numbers by Mrs. Krebs were "One Hand, One Heart," and "More." Duet numbers were "The Wedding Song," and "Mother at Your Feet" when the bride placed a floral

Comes from Mexico to Vote

Weekending in Muenster with Mrs. Katie Wilder were her son Fritz Zimmerer of Mexico and her two nun daughters, Sister Madeleine Zimmerer of Westphalia and Sister Benedict Zimmerer of Lindsay. Fritz drove in from Tecoman, Colima, stopping enroute to be joined by his sisters. He made the trip from Mexico to vote in the general election Tuesday, doing that in Houston, his former hometown where he also visited with a former college classmate, Mitchell Wolf. Before going to Houston he returned Sister Madeleine to Westphalia. While in Muenster the three visitors were joined by their mother in visiting their aunt Jenny Schilling at Hillcrest Manor Nursing Home.

Mr. Hellinger presented his daughter for marriage. She wore a formal gown of diamond white satin-faced silk organza over silk taffeta with Venise lace appliques on the bodice, the full bishop sleeves, and edging the hem of the full belled skirt. Lace and seed pearls accented the natural waistline.

The bride's mantilla-type veil of imported silk English illusion was edged in lace and fell to cathedral length from a contour cap of lace and pearls.

She carried a cascade of white carnations, stephanotis, baby's breath, and English ivy centered with a yellow-throated orchid. For something old and borrowed she wore a gold chain and cross that her late grandmother Krebs had worn at her wedding.

Mrs. Cyril Yosten of Greenville, sister-in-law of the groom, was matron of honor and Mrs. Steve Yosten, sister of the bride, was bridesmaid.

They wore gowns fashioned with royal blue velvet ruffled bodices and long sleeves and skirts of royal blue and emerald green plaid taffeta. Their flowers were cascades of blue carnations, stephanotis, baby's breath and English ivy and they wore fresh flower headpieces.

Cyril Yosten was his brother's best man and Steve Yosten was groomsman. James Hellinger, bride's brother and James Fleitman, groom's cousin were ushers.

Wedding reception and dinner were held in Lindsay Cafetorium for about 200 guests who were registered by Misses Patti Metzler and Janie Zimmerer.

For traveling the bride wore a berry and pink suit with black accessories. She is a graduate of Lindsay High. Her husband was graduated from Muenster High.

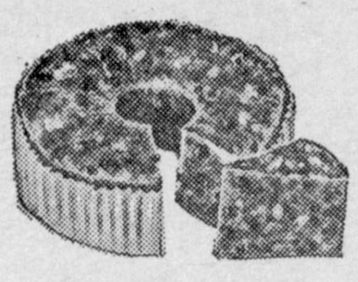

Out of Town Guests
 Out of town guests from a distance included Mr. and Mrs. Bill Blanchard of Los Angeles and her sister Miss Linda Yosten of Mountain View who flew from California, Mr. and Mrs. Lavel Kinstley, his father and brother, all of Ad-dis, La.

Miss Monica Yosten of Greenville, Mr. and Mrs. Ewald Berend and Mrs. Tommy Albrecht of Hereford, Mr. and Mrs. Leo Mages of Fort Worth, Frank Mages III, and Mr. and Mrs. Eddie Mages and family of Dallas, Mr. and Mrs. Albert Krebs of Coalgate, Okla.

If you can't take a trip to Europe you can get the same effect just by staying home and tipping every other person you meet.

Beauty Abounds At Garden Club's Fall Flower Show

Flowers bloomed and plants grew in profusion in the KC Hall Saturday when Muenster Garden Club presented its fall standard flower show to the public from 3 to 9 p.m.

The show was dedicated to Clive Goble in recognition of his many contributions to the club during the years.

Titled "A Stroll Through a French Market," the show featured in addition to flowers and plants exhibited by members, a Sweet Shop where visitors could purchase homemade goodies, a Boutique with handmade items for sale, a flower cart with plants for sale, and a sidewalk cafe for rest and refreshments.

Out of town judges ribboned winning entries before visitors arrived. Some 200 attended, registering from Gainesville, Saint Jo, Decatur, Lindsay, Nocona, Rosston, Marysville and Muenster.

Winning top honors in the show was Mrs. Pat Stelzer who secured the Sweepstakes Award for four blue ribbons, the Creativity Award and the Award of Merit in the Horticulture Division.

Mrs. Roger Taylor won the Tri-Color Award.

Members displayed 44 arrangements and 37 specimens. Winners in divisions are as follows:

Gene Davenport To Attend NRECA National Meeting

Gene Davenport, Community & Industrial Development representative with Cooke County Electric Cooperative will attend the Rural Development NRECA's Co-opmanship Marketing Conference in St. Louis, November 13-15. General Manager Bob Partridge of NRECA will keynote the conference, stressing people-oriented programs of community development as the main thrust for marketing and member relations.

Included, too, will be a briefing on the Rural Development Act of 1972 conducted by three of the most knowledgeable men on this legislation and its potential: John A. Baker, author of "Guide to Federal Programs for Rural Development" and consultant to the Senate Committee on Agriculture and Forestry; Joseph R. Hanson, Acting Deputy Administrator for program operations, FMHA; and Bill Murray of NRECA, who will serve as moderator.

Other highlights: "The Electronic Rural Society" by Dr. Peter C. Goldmark, noted inventor and holder of some 160 patents, including the long-playing phonograph record and first practical color T.V. He has served as advisor to the Senate Sub-Committee on Rural Development. His specialty is telecommunications for rural development.

New developments and research progress will also be featured at the conference. Robert A. Lincome, Editorial Director of Electric Light and Power magazine, will give an illustrated lecture on "Resources and Research for the Future". C. Mauritz Erkkila, of Building Technology and Site Operations, HUD, will talk on "Breakthrough Ideas in Rural Housing".

Included, also, will be discussions on communication, rural housing, load planning, and a number of panel forums with conferees participating. The first general session opens at 10 a.m. on the 13th. The last one ends at noon on the 15th.

Council Reviews City Oil Royalties

The second round of tax statements from the City of Muenster are due soon. Members of the council in session Monday night reviewed a report on oil royalties received on properties within the city limits and instructed personnel to assess taxes on that basis.

A hearing on the assessments will be held at the next meeting on Nov. 20 after which the statements will be mailed.

The only other business was routine and short inducing the council to consider going back to its previous schedule of one meeting a month. It will decide the matter on the 20th.

Baby Felderhoff Baptized Sunday

Terry Lee Felderhoff, infant son of Mr. and Mrs. Frank Felderhoff was baptized Sunday in a 3 p.m. service in Sacred Heart Church by Father Placidus Eckart assisted by John and Miss Patty Felderhoff as sponsors for their brother.

Others attending were brothers Tim and Mark Felderhoff, Miss Cheryl Otto and the baby's parents.

Terry wore the baptismal dress that is a tradition in the Joe Schad family. More than 50 years old the dress has been worn by his mother, uncles, aunts, cousins, and his brothers and sisters. Something new was a christening cap, a gift from Mrs. Glenn Richardson.

A family dinner was held in the Felderhoff home at noon. Visitors during the afternoon to see their new nephew were Mr. and Mrs. J. B. Whitaker of Fort Worth. Another brother-in-law and sister of Mrs. Felderhoff, the Charles Naughtons of Fort Worth, visited the previous Sunday with the baby and his mother at Muenster Hospital.

Junior High Charm Class Gives Show

After nine weeks of study and practice, Mrs. Bob Steele's High Charm Class of Sacred Heart School invited mothers to see their accomplishments in a fashion show, presented in the high school lounge.

The girls had learned grooming, graceful walking, sitting, standing and related feminine charms.

Modeling in the show were Cathy Bartush, Julia Bayer, Monica Gehrig, Mary Grewing, Sally Endres, Monica Hartman, Jeannann Hartman, Cheryl Luke, Mary Luke, Susan Mosier, Dina Rohmer, Mary Rohmer, Cindy Sangster, Anita Stephens, Dona Swirczynski, Sandra Voth, Ramona Walterscheid and Stacie Walterscheid.

Classes also included the art of being a charming hostess and refreshments were served by Beverly Pels, Susan Mosier and Sue Koesler.

Decorations were arranged by Marlene and Sharlene Pagel, Tina Wilde, and Elizabeth Kralicke.

2 Local Students Enrolled at OSU

Two Muenster students are among 18,213 enrolled on Oklahoma State University's Stillwater campus this fall.

They are William S. Bartush, a sophomore majoring in wildlife ecology, son of Mr. and Mrs. Charles Bartush, also Howard C. Mollenkopf, a graduate student studying for a Ph.D. in physics, son of Mrs. George Mollenkopf Sr.

Marysville News

MARYSVILLE, Nov. 7 — Mr. and Mrs. W. F. Davidson entertained guests and went visiting during the weekend. Thursday their daughter and son-in-law Mr. and Mrs. H. B. Snow of Wills Point spent the day. Saturday their nephew Albert Shaw and children of Moss Lake and their son-in-law and daughter Mr. and Mrs. Bill Roe and Bobby Stewart of Callisburg were visitors. Sunday Mr. and Mrs. Davidson and granddaughter Rebecca Davidson visited at Gainesville Hospital with Mrs. Sam Baker who is recovering from a broken hip and with a granddaughter Mrs. Bill Dunham who was a weekend patient. She was dismissed Sunday evening to return to her home at Whitesboro.

Mr. and Mrs. H. H. Houtchens went to Wichita Falls Sunday where she attended an afternoon shower for a granddaughter, Miss Debbie Kirkpatrick who will be married Nov. 18. Mr. Houtchens spent the time at the T. L. Kirkpatrick home.

Mr. and Mrs. Grady McElreath attended funeral services for Sam Landers at Sanger Monday.

Mrs. John Richey spent last Wednesday night and Thursday in Ringgold with Mr. and Mrs. Coy Fite.

Local News BRIEFS

In Dallas Monday to visit Mrs. Aubrey Chapman was her mother Mrs. Joe Walter of Gainesville, her sister Mrs. Wilfred Sicking, and aunts Mrs. Meinrad Hesse, Mrs. Oscar Walter, Mrs. Andy Wimmer and Mrs. Lawrence Wimmer. Together they enjoyed eating out and window shopping.

Spending the weekend with the Lawrence Vogels was their daughter Sister Gemma of Little Rock, Ark., who traveled with her cousins Mr. and Mrs. Wayne Keys, also of Little Rock. The couple were guests of her mother Mrs. Joe Vogel and went to College Station Saturday for the Arkansas-A&M football game. The Lawrence Vogels had a family gathering with dinner Sunday for their daughter. Attending from out of town were Mr. and Mrs. Marvin Tischler and daughters Carolyn and Joyce of Whitesboro. On return to Little Rock, Mr. and Mrs. Keys were accompanied by her sister Miss Lillian Vogel of Fort Worth who is on vacation.

Members of Muenster VFW Post and Auxiliary will be going to Denison for the District I convention Saturday and Sunday.

Student Council Active

Student council activities are booming at Sacred Heart High. Recent spirit boosters included a wheel-barrel race and a three-legged race. Freshmen were winners in the wheel-barrel with sophomores, second. Juniors won in the three-legged race with sophs second. Coming action to boost spirit for the school includes a turtle race and intramural basketball and volleyball.

If you can't do great things, do small things in a great way.

Hornet Band Will Attend Festival Saturday at NTSU

Muenster High's Hornet Band, under direction of Bob Hays, is one of 23 high school marching bands of Texas who have accepted the invitation to attend Band Day at North Texas State University, Saturday.

Maurice McAdow, NTSU director announced the acceptances early this week and added that he hopes to fill the stadium with visiting bands. That would require more than 1500 individual band members.

All of the visitors will be guests of NTSU as the Eagle play New Mexico State University.

Muenster Juniors Trim Sanger 16-0

Muenster Juniors continue to compensate for the dreary season experienced by the Hornets. Preceding last week's loss to Sanger in the big game, Muenster Monsters won their preliminary 16-0.

The action took place here on a sloppy field, soaked by a week long rain.

Muenster's first score came late in the first period as Tim Wolf sloshed over on a nice run and it was upped to 8 points when Wolf passed to Mark Sicking.

In the second and third periods Wolf, Sicking and Mark Mollenkopf continued with big gains but could not get on the scoreboard.

Finally, in the last period they made it count. Following a long steady drive Sicking scored from the 1 and Nick Walterscheid followed over for extra points.

Sanger penetrated deep late in the game but a stout defensive effort was equal to the challenge.

The Muenster Juniors, with a 3-0 standing in the 11-A junior division, will be playing for the loop lead, and possibly for the title, when they meet Nocona Juniors here Thursday night. The two teams have identical records.

Mrs. Arthur Endres attended the November meeting of the County Council of Garden Clubs in Gainesville Monday in the home of Mrs. Joe Leonard Sr. Members were urged to write to their representatives to endorse the Big Thicket Preserve of 100,000 acres.

Kim Reiter Gets DAR Award at SH

Kim Reiter is this year's recipient of Sacred Heart School's Daughters of the American Revolution Good Citizens Award. She will receive a good citizen pin and certificate and is eligible to compete for the state award.

Method of selection is nomination of three senior girls by the senior class. Final selection is made by the faculty on the basis of outstanding dependability, service, leadership and patriotism. Other nominees were Susan Endres and Christi Koesler.

Miss Reiter is the daughter of Mr. and Mrs. Wilfred Reiter.

Cubs Win 32-0 Over Nocona Kids

Sacred Heart's Tiger Cubs continued their winning way Tuesday night in an encounter with Nocona's Junior B team. They took charge at the opening kickoff and kept going steadily for a final count of 32-0.

They got first possession and promptly put on a 55 yard drive in nine plays. Joe Sicking stepped off gains of 6, 13 and 22 before going over from the 1 and Kenny Felderhoff followed over for extra points.

The next drive started at midfield and used three plays to the 38 where Jim Koelzer broke away for the TD. A pass from Bobby Hartman to Koelzer upped the score to 16-0.

That was followed by the visitors' best of the evening, three consecutive first downs for 37 yards before stalling on the Cubs' 22.

A fumble on the 11 gave the Cubs a set up as the second half started. Five plays later Brent Hess crashed over from the 1 and Ken Felderhoff made extra points.

That was followed by a deadlock in which neither team could go and the ball changed hands seven times. But that ended abruptly when Ken Felderhoff returned a punt 65 yards for a TD. Billy Felderhoff added the extra points.

Garden Club Meeting

Muenster Garden Club will meet Monday, Nov. 13, 8 p.m. in the home of Mrs. John Mosman with Sister Mary John Seyler as co-hostess. Mrs. Dan Luke will present a program on African Violets.

Basketball Girls Of MHS Lose Two To Alvord Teams

Pre-season basketball for Muenster High girls got off to a disappointing start Tuesday night at Alvord when the first and second teams both went down in defeat. The count was 29-20 on the B team and 64-25 on the A team.

A big factor in the main event was the deluge of foul calls on MHS girls, eliminating Doris Felderhoff in the second quarter and giving Alvord 37 free shots whereas Muenster got only 13.

The teams will meet again next Tuesday night in the MHS gym.

A bad third quarter of 13-4 was Muenster's undoing in the first game. Otherwise the teams played even. MHS scorers were Sandy Dittfurth 7, Mary Lou Fleitman 5, Margie Wolf 4, Debbie Schneider 4.

Point makers of the second game were Dolly Bayer 10, Becky Fields 8, Doris Felderhoff 7.

Mr. and Mrs. F. R. Dodds of Decatur were Saturday visitors with their daughter Miss Bettye Dodds and were among those attending the Garden Club's flower show.

3 Scouts Admitted To Order of Arrow

Three members of the Muenster Boy Scouts were admitted into the Order of the Arrow in ordeal and ceremonies held Oct. 27 and 28 at the Texoma Scout Camp.

The scouts were: Paul Reiter, son of Mr. and Mrs. Wilfred Reiter; Jimmy Luke, son of Mr. and Mrs. Bill Luke; Damian Luke, son of Mr. and Mrs. Dan Luke. Bobby Endres, son of Mr. and Mrs. Donald Endres, was unable to attend.

The four boys were "tapped out" at the BSA Summer camp to be candidates for the Ordeal. After completing first class the scouts are eligible to be voted on by other members of their troop for this honor.

Agriculture Is Not a Texas Brag

Texans have always been proud of their state, and the Texas "brag" is widely known. However, when it comes to agriculture, that "brag" is very real because agriculture is "big" in Texas.

"It's appropriate to take a look at the state's agricultural industry as we enter the month of November, the month designated as Texas Food and Fiber Abundance Month," says Charles Baker, marketing specialist with the Texas Agricultural Extension Service, Texas A&M University.

"For instance, consider that agriculture is a \$10 billion industry in Texas, second only to the oil and gas industry," points out Baker. "In addition, the agricultural industry provides employment for 35 to 40 percent of the Texas labor force."

Of the state's approximate land area of 168 million acres, some 143 million acres are in farmland — more than any other state. Texas also boasts more and bigger farms than any other state in the nation.

And talk about diversity! Texas produces more than 200 different types of crops and livestock. "So, in many ways, the state is self-sustaining," notes Baker. "In addition, it provides food and fiber for consumers throughout this country as well as abroad. Texas is the third leading agricultural state in the nation and ranks fourth among the leading agricultural exporting states."

In the United States, Texas leads in the production of all cattle, beef cattle, rice, sheep and wool, goats and mohair, cotton and grain sorghum. It is also a leading producer of peanuts, pecans, hay, citrus and vegetables. Not to be overlooked are the dairy, poultry and egg, swine, corn, soybean, honey, wheat, timber, horse and mariculture (catfish and shrimp farming) industries.

"It's a good bet that consumers in Texas come in contact with a food or fiber product produced in the state every day," says Baker. "We're indeed fortunate to have such a wide array of high quality food and fiber products at our fingertips at reasonable prices. "During the upcoming Thanksgiving season, it's appropriate for all of us to reflect on our good fortune of living in a state such as Texas that is overflowing with food and fiber abundance. It is indeed a time for everyone to count his blessings."

And a little Texas "bragging" might just fit in, too!

Proud of Flag Display

From a native, Mrs. Gene Fahey of San Antonio, comes praise for the widespread display of Old Glory on days designated for flying the colors. Visiting here lately, she and her husband were very much impressed and proud to see the flag before so many business houses. In fairness we should admit that the VFW Post remembers to put out all those flags, however lots of others cooperate in subscribing to the service.

THE INFORMED CONSUMER

By Crawford C. Martin Attorney General of Texas

Open dating is a companion to unit pricing. It simply means that anyone going to the store can tell how long the product has been packaged. As with unit pricing, some Texas stores have voluntarily gone to the open dating system.

Many of you know perishable items such as milk, eggs and bread, as well as many other items, are dated as they are packaged. This date may be the date on which the product is to be picked up by the route man or it may be the actual date that the product is packaged.

For example, assume that milk has a shelf life of seven days. If milk is bottled on April 17. Either the date of the 10th or the 17th may be shown on the carton so long as the route man is familiar with the system and knows that the milk is to be picked up on April 17th. The markings are usually found at the top of the carton and are in code. Thus, in our example, if you purchase the milk on April 16th, you would get milk that had been in the grocery store for six days.

The same thing might be true of a loaf of bread. Bread of course has a shorter shelf life. Typically, dating of bread is done with different colored ties used to close the plastic bread containers. You might have a red tie for Monday, a green tie for Tuesday, a blue tie for Wednesday and so forth for each baking day of the week.

The route man knows that he is to pick up all blue tie loaves of bread on a certain day of the week. You as the consuming public, however, are not able to tell which loaf is the freshest.

If you intend to use the product immediately, it would probably make no difference to you whether it had been on the shelf a short time or not. It would still be fresh when you used it. An example of this would be the purchase of a dozen eggs one morning to make an angel food cake that afternoon. Since the eggs would be used on the same day of their purchase you would not have the problem of spoilage. On the other hand, if you plan to keep the eggs a few days before using them you probably would want to get the freshest eggs available.

The next time you see your route man delivering some perishable item, you might ask him how his code works. By doing so you can assure yourself that you are an informed consumer. You will know that you are getting the freshest product available.

Adult Societies Hear Reports of CSL Convention

Members of St. Joseph's and St. Anne's Societies were brought up to date on activity of the Catholic State League, northern district, at their separate meetings Sunday night when delegates to the Scotland convention gave their reports.

Wilfred Bindel, president, told the men about convention proceedings which included selection of Muenster as host for the spring meeting.

Father Placidus met with members and thanked them for a typewriter for the rectory.

Sister Georgia sent a note of thanks for the tape player the organization bought for the reading lab.

And the society voted to pay rental for a film, "Our Lady of Fatima," which Sacred Heart students viewed in connection with an essay contest they are entering in the State League's Catholic Youth Essay Contest.

Father Placidus won the door prize.

Mrs. Tony Gremminger, vice president, presided for Saint Anne's business session and Mrs. Wilfred Bindel gave the State League Convention report.

She told of the need of mission articles for the state and national conventions and members voted to have bookends and checkerboards made for the souvenir booth at the national convention.

Members also voted to furnish cotton and lining for a quilt top which has been donated and several volunteered to help quilt.

Mrs. Bindel also said anyone wanted to have Masses said by missionaries may pick up cards from Mrs. Al Hess. This is a mission project sponsored by the Women's Section of the Catholic State League which is seeking 1000 Mass intentions sent in by July when the state convention will be held.

Mrs. Albert A. Knabe won the door prize.

After their adjournments the two groups joined in St. Joseph's Club for a fried chicken supper and table games.

Attend Christening In Irving Sunday

Mr. and Mrs. Alois Haverkamp got acquainted with their newest grandchild when they spent the weekend in Irving with their daughter and family the Travis Wickliffes and attended the baby's christening Sunday afternoon.

Infant Lana Gayle Wickliffe was the center of attraction.

Her uncle and aunt, Mr. and Mrs. Richard Schumacher of Gainesville were there Sunday to be godparents at the baptism in Holy Family Church. Father Jude Anton officiated.

Mr. and Mrs. Wickliffe were hosts for a christening dinner in their home. Others present were the Schumacher children and the baby's sisters Rhonda, Dana and Lisa a brother Jeff.

Muenster CYO to Sponsor County Youth Day Nov. 26

Plans are underway for the annual Youth Day which is sponsored by Muenster CYO. It will be at Sacred Heart High School on Sunday, November 26.

Theme chosen for this year is "The Song I Sing Echoes Your Gift of Love." Posters, the liturgy, and a discussion with a short film will carry out this theme.

Activities begin at 2 p.m. with an assembly in the gym. A Bar-B-Que supper is included in the \$1.00 registration fee. A dance that evening will conclude the Youth Day.

Each fall this gathering is sponsored to give youths of the Cooke County area a chance to get acquainted.

Planning for the third annual youth day program was the principal business at the local CYO's monthly meeting conducted by Susan Endres, president. In other business she read a letter from Cooke County Child Development Center asking for assistance of time or money.

A report on the Cancer Drive revealed that \$125 was donated by local people in collections after Sunday church services and in canteens in local business houses. A check in that amount was sent to the

Gainesville chapter.

Janet Knabe reported on the district meeting of the Catholic State League in Scotland which she and Susan Endres attended.

Karen Schilling led the opening prayer and Janet Bayer closed with prayer.

loose for a 52 yard return to the goal.

In the closing minutes of the half the visitors got close to getting on the board. Following a Tiger fumble on the 31 they made two first downs to the 8 and made half the distance in 3 plays but were penalized 5 as the half ended.

During the half Dickson edged Sacred Heart 127-126 in rushing but trailed 62-5 in passing yardage and 9-6 in first downs. They were even in fumbles, 1 and 1, and the Tigers had one interception.

Period No. 3 opened with the Tigers on the move again until they fell short by a yard on the first series. However the Comets also failed on their series and Sacred Heart resumed the drive from the 29. On the second play Pels went for 13 and two plays later he scored from the 13, then went over again for the extra points.

Following three fumbles late in the quarter, one recovered by Kenny Fleitman and one by Charlie Fleitman, the Tigers were on their way again with 44 to go. Six plays were enough, the pay off being a pass to Krahl for 22.

The next kickoff was followed by three turn-overs and two failures to make first down. Then with Tiger youngsters in most of the lineup the visitors put together their long awaited drive. It went 51 yards on 7 plays, the score coming on an end run for 5.

ed Sanger intercepted a screen pass on the Hornet 44 and followed up with a 41 yard pass gain to the 3. Again Hornet defense was solid for two plays but the next one was an easy pass for the last yard. The attempted kick was blocked by Curtis Klement.

The next one came as soon as the Indians got their hands on the ball again. Three rushes went 11 yards to the 50 and a pass from Armstrong to James Reed went the rest of the way.

Finally Muenster's best scoring opportunity was turned into another Indian TD. Curtis Klement had recovered a Sanger fumble on the 33. Three plays later a pass to Hennigan got to the 26. Then a pass to the 10 was picked off by Reed who sifted through and went 90 big yards to the goal.

Cubs and B Tigers Tie 2 Games with Lindsay Teams

Sacred Heart and Lindsay ended just like they started in their double header on the Tiger field Saturday night. First the elementary kids deadlocked at 6-6 and then the high school B teams knotted it at 8-8.

The Cubs made a big start on the opening kickoff as Kenny Felderhoff ran the ball back from midfield to the 12. Two plays later Felderhoff scored from the 6.

From then until early in the last quarter the teams bumper noggins on a near equal basis. Lindsay had five first downs and Sacred Heart four. Lindsay lost possession on an interception and the Tigers on a fumble. Then a single big play suddenly evened the score. Steve Neu passed to Pete Fuhrmann who kept going to the goal - a 33 yard gain.

Only tough luck kept Lindsay from winning on the try for extra points. Neu and Fuhrmann connected again but Fuhrmann was beyond the end zone for the catch.

The next game belonged to the B Tigers by statistics but again the visitors knotted it by a late score.

To begin the Knights moved well - 48 yards in three first downs to the 15 but the next series fell short on the 8.

That was the last of Lindsay's first downs whereas Sacred Heart marked up 8.

Starting from their 8 the Tigers got to the 28 and had to punt, however they got the ball back four plays later

when Lindsay failed to move. Then, with 45 to go the Tigers moved to their first score. Mark Hess and Billy Krahl did most of the toting and Mark Hess scored from the 3. A pass from Roger Fndres to Karl Hess made it 9-0.

The second half was distinguished by a single first down in the first series. The third quarter was taken up by back and forth kicks in midfield, then as the fourth started, a blocked kick by Jim Arendt on the 9. Tough Tiger defense threw the next four plays for a loss of 9. The Tigers, also failed to gain punted short on the next series and Lindsay was on the 22. Next play Len Bayer put Sacred Heart back in business with an interception on the 12 - after which Lindsay recovered a fumble on the 5. Three plays later, with 12 seconds to go, Arendt scored on a quarterback sneak. Jeff Deiter went over for the tying points.

Attend Wursthfest

Mr. and Mrs. Joe Hoenig returned Tuesday night from a five-day trip that included attendance at the Wursthfest in New Braunfels over the weekend and a visit with his brother Abbot Alfred Hoenig in Corpus Christi where they fished in the Gulf. At New Braunfels the ten-day festival drew thousands of people from all over the United States. As the name implies homemade sausage was featured in 75 different varieties and there was almost constant entertainment. The Hoenigs saw Lindsay and Gainesville people there and visited with the John Fuhrmanns.

to their advantage. So we have a problem. Will we retreat in principle to avoid renewed violence or will we stand pat on conditions that guarantee dignity and freedom.

One wonders what kind of war we would have waged fifty years ago and what kind of surrender conditions we would be offering now. Here, perhaps are some of the peace terms:

That the communist dictatorship retire from office and permit the people of North Vietnam - or all Vietnam - to choose the kind of government they want. That a free, internationally supervised election be held to make the choice. That all Soviet and Chinese arms be removed from all of Vietnam. That free press and free religion be established in North Vietnam.

As we think it over we cannot imagine more reasonable terms, none that could go farther in assuring freedom and dignity to all Vietnam. Can anyone say that we would be out of line in making such demands?

So far as we know we haven't specified any such conditions. Why not? Do we think that anything less will settle the problem over there?
