MUENSTER, COOKE COUNTY, TEXAS 76252 SEPTEMBER 12, 1975

NUMBER 42

The way it looks from here, a lot of politicians are passing up a fat opportunity by failing to come out loud and clear in opposition to forced busing of school children. Paul Harvey a few days ago quoted from a survey which indicated that 96 per cent of the whites and 91 per cent of the blacks think it is wrong and is doing more harm than good.

We've been told all along that the reason for busing is to make better education available to the blacks. As pointed out by one of the advocates in Dallas, schools are better in the white neighborhoods, so, in applying equal opportunity, those schools must be made available also to blacks.

On the other hand a colored man of national prominence, who originally went along with the busing program, has changed his mind. He has come around to thinking that the simpler and better solution is in improving schools in the black neighborhoods. "If my roof leaks, common sense tells me to fix it, not move in with my neighbor."

The man has something there. Since the busing people make equal opportunity the big issue, why don't they apply their energies in providing equal opportunity in the home neighborhoods? Also, how do they justify forcing other children to be bused to the inferior schools in exchange for those who are bused out? In the long run they take away as much opportunity as they give, and the only thing really achieved is forced mixing of the races, the probable objective in the first place.

So much for the issues, which after all are not as important as the preference of the people concerned. Anyone ought to admit that this thing has to be wrong when people are protesting and demonstrating all over the country, and some turning to violence — when the survey shows that 96 per cent of the whites and 91 per cent of the blacks are objecting.

It makes a person wonder what's holding the politicians. Normally they'd be rushing in, eager to show all those people that they are on their side, and striving to become identified with a program that will restore sanity.

The situation looks ideal for lots of beefing on the inhumanity of long unnecessary bus rides, breaking up neighborhood relationships and interests, forced mixing of races which isn't wanted by either side, the enormous cost of buying and operating thousands of unneeded buses, and the waste of critically needed energy. Candidates of '76 will miss a big opportunity if they fail to make that an outstanding issue.

Attorney General Levi used the right word to describe latest FBI statistics on serious crime in the US: "Terrifying." Just a little thought gets one to wondering whether civilization can survive, and realizing that each person's chances of becoming a victim of crime are increasing daily.

The FBI report says that the 1975 first quarter report as compared with a year earlier shows one of the largest jumps in crime rate in history: murder up 7 per cent, forcible rape up 4 per cent, armed robbery up 28 per cent, aggravated assault up 10 per cent, burglary up 20 per cent, larceny up 19 per cent, motor vehicle theft up 6 per cent.

Even so, this is not the full report. Authorities say that many crimes, especially rape, theft and assault, often are not reported.

A number of reasons can be given for the crime problem. The concept of rehabilitating rather than punishing allows too many criminals to return to society, as shown by the fact that two thirds of the persons arrested are repeaters. Also too much concern over rights of criminals and too little over rights of victims. And downgrading charges to minimize prosecution as well as penalty.

One cause that seems to be overlooked, however, is deterioration of conscience resulting from decreasing awareness of Almighty God and the ten commandments. It used to be that people believed in a just God who will hold them responsible for their deeds. Conscience told (Continued on Page 10)

C of C Plans for Christmas Parade And German Day

Planning was the principal activity at Tuesday's monthly luncheon meeting of the Muenster Chamber of Commerce. They discussed the combined Pioneer Ball and German Day at the Fair which is dated for October 11 and 12 in Dallas. Then they turned to local decorations and activity for the Christmas season, and kept interest alive in the bicentennial festival to be held here next May.

President Bertha Hamric pointed out that the Dallas affair is only a month away, so it's time to get tickets and room reservations. The tickets are available from Mrs. Hamric and Alvin Fuhrmann, also reservations are available through them. A chartered bus is being considered. The package deal includes an elaborate program along with concert, food and dance at the Marriott Motel and an all day mixture of commemorative and entertaining events at the state fair.

Christmas planning concerned a Santa parade and Santa's visit with the kiddies and distribution of goodies, a Christmas drawing and purchase of additional decorations. The Chamber's goal is to add and improve every year.

The president reported that, after many delays, the two proposed signs are being built. The one east of town is almost finished and the one west of town is just getting started.

The signs are big and durable. Structure includes heavy poles set in concrete and redwood with preservative paint for the front. On that is painted "Muenster, Texas — Traditional German Hospitality — Live and grow in a great family community."

Members expect the signs to be there for many years and to be brightened each few years by a new paint job. Total cost of them is about \$1,400 considered a good, long time investment to promote the community.

Guests of Superintendent L. B. Bruns were the local football coaches, Don Jones of Muenster High and Ed Stock of Sacred Heart. Both spoke briefly praising the school, the team and the community.

Hornets Nip Knights 26-14

MHS Hornets made a great start on their 1975 grid season here Friday night with a well earned 26-14 win over Lindsay's Knights. Their statistics were as good as their score, with an advantage of 21-10 in first downs and 390-215 in total gains.

What's more they came from behind twice before going ahead for keeps in the third and sweetening their lead in the fourth.

The visitors jolted MHS the first time they got hold of the ball. Hornets punted ending their first series and Steve Neu took advantage of fine blocking to return it 70 big yards to pay dirt. A run for extra points failed and the Knights led 6-0 with less than a minute gone.

On the kickoff that followed Bob Endres went almost to midfield and the next two plays, a run by Bob Endres and a pass from Tim Wolf to Dan Endres produced two first downs. But the drive bogged down and the ball went over four plays later on the 32.

Lindsay JCs Set For Oktoberfest

Next Sunday, September 14, is the date of this year's Oktoberfest sponsored by Lindsay Jaycees in Lindsay Park from noon until midnight. Skipper Bezner and Rudy Zimmerman are the chairmen.

The event will feature German foods, beer, horseshoe tournament, dance with a polka band, concession stand games, and a country store with canned and baked foods. The horseshoe tournament will start at 2 p.m. and the dance at 7 p.m.

A food stand will be open all day offering sausage on a skewer and a German plate including sausage, kraut, potato salad and Muenster cheese.

Tigers Will Meet Surprising Rams Here Friday at 8

The Sadler Southmayd Rams, surprise winners over Callisburg by a decisive score last week rate a lot of respect from Sacred Heart's Tigers as the two outfits prepare for an encounter on SH field this week. Suddenly the Rams appear to be a power house whereas the Tigers had trouble getting organized as they settled for a scoreless tie with Era.

Coach Eddie Stock said Monday that both games serve to warn the Tigers that they will have a big job on their hands, and will need a lot of improvement.

However, he's not letting that haunt him or his boys. He said that the Era disappointment was a matter of failing to put things together. It was one of those cases when one effort after another simply failed to work out. Hopefully this week will be different.

Even so, he said the Tigers deserve credit for fighting a good team to a standstill. Era has ability, as indicated by a decision over the Rams in a practice scrimmage.

Physically Stock expects his boys to be about equal to the visitors, whose principal assets are two big backs. In total weight the two will be about even.

Tiger practice this week emphasizes the offense. A few changes of line positions are being made and the team is putting in extra time on option plays. As of Monday the team was at full strength, after coming through the game with only a few bruises.

The Men In Service

Mr. and Mrs. Anthony Luke have been notified by USMC Captain P. E. Hughes of the promotion of their son Melvin to Lance Corporal. The Lukes received a letter from his commanding officer this week.

Lance Corporal Luke entered the Marine Corps in August 1974 and is stationed on Okinawa, where the promotion was awarded.

Jerry Eckart, stationed at the Naval Air Base in Kingsville was a weekend guest of his parents, Mr. and Mrs. James Eckart.

Collection Will Be Held Tuesday for Cystic Fibrosis

Volunteers for the 1975 Breath of Life Campaign will call on their neighbors, Tuesday, Sept. 16, to ask their help in the fight for the millions of children across the nation who suffer from lung-damaging diseases.

The campaign's Door-to-Door drive will be conducted in Muenster for the Cystic Fibrosis Foundation as part of the annual effort to raise funds for programs benefiting children with cystic fibrosis and other lung-damaging diseases.

"Our cause is a very important one. Lung diseases kill more children in this nation than any other disease except cancer," said Mrs. Ted Henschel, chairman of the campaign. "Cystic fibrosis is the number one genetic killer of children."

Contributions to the annual Breath of Life Campaign will help support a national network of over 100 Cystic Fibrosis Centers, research projects around the world, and various educational programs.

Cystic Fibrosis Centers, most located at teaching hospitals affiliated with leading medical schools and universities, provide diagnosis, treatment and referral to children suffering from cystic fibrosis, asthma, chronic bronchitis, bronchiectasis, "childhood emphysema" and recurrent pneumonia.

CB Sponsors Show On Stormy Weather

A program on development of tornadoes and other severe weather will be sponsored by the Muenster CB Club next Wednesday at 7:30 in the auditorium of Muenster High School. All interested persons are invited to come. There will not be a charge.

The program will be a combination of movies and slides furnished by the national weather bureau, along with remarks by Thomas R. Watson of Gainesville, civil defense coordinator of Cooke County and North Texas.

Swimming Pool Has Good Season

Operation of the Muenster swimming pool for the past season can be rated as a financial success even though it went slightly in the red. That's the opinion of City Superintendent Steve Moser, considering that a good recreational program almost paid its way and several employees had summer jobs.

Total revenue from admission charges for the three months was \$3,070.39, and total operating expense including wages, supplies, power etc. was \$3,026.58. However there was an additional expense of \$583.48 for fix up and paint up before the pool opened.

A factor in the city's favor is that two city employees were on the federal payroll under provisions of Title 3. One of those was a life guard, the other picked up litter at the pool as well as the park and baseball field.

Total paid attendance at the pool was 6358 and 480 more are estimated in parties for which the pool was leased — an over all count of 6838. Peak attendance was 271 on Sunday, July 6.

Mrs. Ola Roberg To Open Store of Children's Wear

A new business house in Muenster featuring clothing for babies and little girls will be open in about one month. Mrs. Ola Roberg, the owner and operator, said merchandise has been ordered but suppliers stated there will be a delay in delivery.

Meanwhile the store will be open occasionally for sale of piece goods remnants supplied by dress factories. The intention, after a regular schedule is established at the store, is to sell the piece goods once a week.

Another line for the new business will be macrame creations for hanging baskets, some of which are in stock and others available on order.

Location of the new business is 215 N. Main, beside Koessler Jewelry. The floor has been carpeted and the walls refinished for a bright, new look.

Mrs. Roberg is former manager of the IBJ dress factory and more recently was associated with the IBJ headquarters in Dallas. She resigned there in May.

Rugged Bearcats Will Be Foes of Hornets Friday

Whitesboro's Bearcats in their season opener with Sanger last week served notice on North Texas that they are out to play football this year. They hung a 27-13 defeat on the big Indians who have a long time reputation as one of the strong outfits of the area. And they will be the MHS Hornets' opponents in a confrontation at Whitesboro this Friday night starting at 8 o'clock.

Coach Don Jones describes them as big and tough and speedy, depending on their running game but also capable of passing. Their backfield features a pair of 190 to 200 pound hot shots with lots of talent, and the line is husky. Over all the team will have a decisive weight advantage.

However there are good things to say for the Hornets too. They did a great job in their game with Lindsay, while overcoming a slight weight disadvantage and their statistics were as impressive as their 26-14 score. They did especially well on rushing defense in the second half holding their visitors to only 36 yards. Standout of the defensive effort was Kenny Koelzer who invaded the Lindsay backfield on several occasions. Others of the line all earned above par rating and Mark Mollenkopf got a pair of interceptions.

Offensively Mark W. Sicking was the leader with two touchdowns and 176 yards of total rushing. Bob Endres and Tim Wolf also stepped off good yardage and Mark L. Sicking along with the boys up front shared the credit for good blocking.

The only unhappy note in the game was the loss of Dean Sicking, at center, with a broken arm. He will be out about six weeks. All other players are in good condition.

September 30 Set For Annual Grass Judging Contest

The Board of Directors of the Upper Elm-Red Soil and Water Conservation District along with other agricultural workers in the district set Tuesday, September 30, as the date for the annual grass judging contest. "This will be our 26th annual contest," said J. H. Bayer of Muenster, chairman of the board of directors of the conservation district.

The contest will be held at the Community Center Building in Gainesville. Registration will start at 1:00 p.m. and judging at 2:30. This contest is open to all agricultural extension service 4-H clubs and Future Farmers of America Chapters in the three-county district. "We are hoping to have at least 90 students competing in this year's contest," Bayer stated.

This is a unique contest in that it is based on knowledge of fifty plants growing on the farms and ranches of this district. These plants are identified by the correct common name and then classified as to grazing value, wildlife value, annual or perennial, native or introduced, and cool season or warm season growing plant. It would be purely accidental to have a very high score by guessing.

Students who apply themselves, study and practice for a number of days before the contest to learn as many of the common plants growing about them as possible. With the help of their advisor they can become very proficient in learning the common plant characteristics. This type of information is helpful to them through life as many of them will own and operate farms.

Chairman Bayer stated that plans call for a meal to be served to all team members and their coaches after the contest. Awards will be presented winning teams and high scoring individuals.

The contest will have a junior division for the first year agriculture students and a senior division for advanced students. A team will be composed of four students and the team score will be made up of the three highest scoring individuals. Each school or county 4-H club is requested to enter a team in each division.

City Council OKs Budget of \$112,029

A budget of \$112,029.90 was adopted by the Muenster City Council at its September meeting. This represents an increase of \$14,180.40 over actual expenditure of the past fiscal year and reflects the expected effect of continued inflation on the city's costs.

However the city is still expected to pull through with a substantial balance of \$13,221.70 after paying its way out of \$125,251.60 of estimated receipts.

A Switch! Postal Rates Are Reduced

After many many years, a change in postage rates finally will favor the customer rather than the Postal Service. Postmaster Virgil Henschel announced this week that changes, which become effective next Sunday, the 24th, at 12:01 a.m., will include reductions for postcards and for first class mail over the first ounce.

The new rate is said to be permanent, as distinguished from the temporary rate that has been in effect since March 2, 1974, when the Postal Service set rates pending a decision from the Postal Rate Commission. Henschel said that the permanent rate status derives from the fact that it was set by the Postal Rate Commission and has no relation to time.

Local postal customers will be concerned principally with the following rate changes.

First class mail continues at 10 cents for the first ounce but each additional ounce is 9 cents, a reduction of 1 cent. Cost of 2 ounces drops from 20 to 19 cents, and 3 ounces drops from 30 to 28 cents.

Post cards now go for 7 cents instead of 8 cents. Airmail rates remain at 13 cents per ounce and Priority rates, for first class over 10 ounces, continues at the air mail pound rate.

Second class rates, for newspapers and magazines, are raised very slightly. And the transient second class rate, for an individual to mail a newspaper or magazine, continues at 8 cents for the first 2 ounces but increases from 2 to 4 cents for each additional ounce.

Fourth class mail also is increased very slightly. This includes books, films and parcel post.

Sacred Heart Ties Era 0-0

The net result of a night of head bumping at Era last Friday was a scoreless tie. Both Era and Sacred Heart played great defensive games, each holding the other to low yardage — especially the rushing yardage of the second half when Sacred Heart had a net of minus 11 whereas Era had 21. However the Tigers also had 72 in passes for the second period.

Gains of the first half went the other way as Era rushed for 104 while Sacred Heart passed for 35 and rushed for 32.

In grinding out the first quarter Era had a first down followed by a kick, then Sacred Heart the same, and Era the same again. Following that SH lost possession by an interception and, as the second quarter started, Era ended a 14 yard gain by fumbling away its possession.

Then came an exchange of kicks, a first down by SH and another kick. That punt set the Hornets back on their 9, the next play gained 9, and the one following was Era's big one of the night. John

PTO Will Meet

The Muenster Public School's PTO will meet Monday, Sept. 15 at 7:30 p.m. in the Auditorium. The Junior High will furnish the program that includes the Pep Squad, a short skit and a poetry reading.

New teachers will be introduced. Members are invited to bring suggestions for future programs and projects.

Principal sources of the income are \$19,827.60 in ad valorem tax, \$9,847 in franchise tax, \$18,300 in federal revenue sharing, \$38,500 in city sales tax, \$3,200 in swim pool receipts, \$7,000 in fines, \$22,000 for garbage collection, and \$6,400 from miscellaneous sources. The ad valorem tax is estimated at a rate of \$1.50 per \$100 of valuation on total valuation of \$2,244,256. The total tax is \$33,663.84 and a 95 per cent collection is expected to yield \$31,980.06.

First obligations to be met out of the tax are \$6,040.00 for the interest and sinking fund and \$4,806.08 for a sewer warrant, which leaves \$19,827.60 for the general fund.

Anticipated expenditures are \$22,382.85 for the police department, \$2,826.68 for the fire department, \$28,325.13 for the garbage department, \$1,452 for the health department, \$4,964.27 for the park department, \$27,634.95 for the street department, \$4,618.12 for the swimming pool, \$2,600 for the library, and \$17,225.90 for administration.

A separate budget of \$59,290.67 was adopted for the water and sewer departments, in addition to an obligation of \$6,600 for debt retirement. Deducting those amounts from total water and sewer receipts of \$77,614 is expected to leave a balance of \$11,723.33. According to the estimates, this amount plus the surplus in the general fund should produce a balance of \$24,944.03 for the city's entire operation.

The water and sewer department's income of \$77,614 is expected to come from water and sewer charges of \$75,000 plus \$2,614 for permits, miscellaneous and interest. Water department expenses for salaries, chemicals, supplies, power meters and a number of other items add to \$39,008.56. And the sewer department operation for salaries, power, chemicals, supplies, etc., comes to \$20,282.11.

Sacred Heart Wins 24-0 in B Team Tussle with Era

After being held to a scoreless tie the first half, Sacred Heart's Junior Varsity put it together in the second half and smashed Era's B team 24-0.

Statistics were about as one sided as the count with Sacred Heart leading 9-3 in first downs and 129-35 in rushing. Also in the passing department, the future Tigers completed 2 of 8 for 39 yards whereas Era's only pass went incomplete. Exchanges were five fumble recoveries by Sacred Heart and two interceptions by Era.

The first half was a stand-off, each side making two first downs and SH leading 43-31 in rushing. A touchdown on kick return by Joe Sicking was nullified because of a penalty for holding.

After intermission it was

altogether different. The visitors fumbled on their third play and Roger Haverkamp recovered on the 32. Kenny Felderhoff gave about four efforts on the next play and got loose for a TD. He went over again for extra points.

Three plays later SH recovered with 30 to go, gained to the 20 and had a pass intercepted on the 4. Era lost 2 on a penalty and was nabbed behind the line for a safety.

After the next series Era fumbled on a Tiger punt, giving up possession on the 28. Ken Felderhoff made the distance on runs of 10 and 18 and also added extra points.

As the final quarter opened the Tigers gained 10 then lost possession on an interception. After forcing a punt they made the last TD on passes for 15 and 24 from Gene Luttmir to Joe Sicking

Over 200 Present At Pulte Reunion

Over two hundred attended a reunion of descendants of John August and Caroline Pulte held in the Knights of Columbus Hall in Gainesville Sunday.

Registration began at 9 a.m. followed by Mass celebrated by Fr. Harry Fisher of Burk Burnett. At 10:30 most of the group toured the old Pulte Estate on the Chisolm-Butterfield Trail where they were shown the location of a store, post office, wagon yard and bunkhouses.

Here travelers would spend the night traveling to Gainesville and returning after buying provisions and groceries, coming from as far away as Forestburg, always a three day trip by wagon and team.

At noon a dinner was catered by Rohmers. During the afternoon the large group of relatives heard tapes by the late Joe Pulte, when he was interviewed by Bill Pulte about farm life of early days.

Relatives attended from Norman, Dell City and Ardmore, Oklahoma, Artesia, New Mexico, Denver, Colorado, and Farmers Branch, Bryan, Dallas, Fort Worth, Pampa, Wichita Falls, Arlington, Denton, Pasadena, Midland, Denton and Cooke County.

A similar Pulte reunion was held three years ago and a larger reunion is planned for 1977 to observe the 100th anniversary of the arrival of the family in Texas.

Four Generations At Clem Reiter's 78th Birthday

Four generations helped Clem Reiter celebrate his 78th birthday. The surprise party was planned by his wife and a daughter, Mrs. Andy Arendt, and held Sunday at 7 p.m. in the back yard of his home.

Attending, in addition to the honoree and his wife, were Mr. and Mrs. Andy Arendt and Jim, Steve and Donna; Mr. and Mrs. Freddie Neu, Mr. and Mrs. Al Klement, Mrs. David Arendt, Jeff and Susan, all of Lindsay.

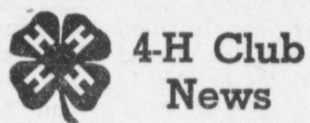

Mr. and Mrs. Leo Hoedebeck, Mrs. Henry Luttmir, Mr. and Mrs. Bill Otto, Mr. and Mrs. Frank Krebs, Mr. and Mrs. Gary Krahl, all of Gainesville; Mr. and Mrs. Andy Arendt, Jr. of Dallas.

Also Mrs. Hilda Reiter, Mrs. Albert Reiter, Mrs. Herbie Walterscheid, Mr. and Mrs. Johnny Reiter, Mr. and Mrs. Alfons Reiter, Sr. Lillian Marie Reiter, Mr. and Mrs. Wilfred Reiter, Roger Reiter, Mrs. Charles Knauf, Mr. and Mrs. Gene Hoedebeck, Freddy and Toni, Mr. and Mrs. Tim Hartman, Mr. and Mrs. Regi Bayer, all of Muenster.

There were phone calls from a daughter Mrs. Adolph Knabe of Hereford and greetings from sons Reynold, in Greece and Basil in Maryland, and their families.

After the covered dish meal a cleverly decorated birthday cake was served. The inscription read: "Happy Birthday, Clem - Take It Easy." Atop the cake was a tiny old fashioned rocking chair. And then there were gifts for the honoree.

4-H Adult Leaders met Thursday night, August 28 in Gainesville. The meeting was to get the leaders back into the swing of the new 4-H year. The county situation regarding potential youth and the number being reached through the 4-H Clubs was discussed.

Mrs. Henry Voth, Jr. reported on the District Adult Leaders Association. Mrs. Clem Sandmann and Mrs. Albert Zimmerer gave a report on the District Leader Retreat held this summer at Lake Bridgeport. They led the group in a leadership assessment evaluation which they learned at the retreat.

A tentative schedule of the year's events was discussed. Committees were appointed to discuss possible changes in the County Achievement Banquet, and to conduct a youth interest survey in order to identify areas of interest among older youth in the counties of District IV.

Twenty eight members attended the Sacred Heart Senior 4-H meeting on Tuesday, September 2.

Mildred Grewing reported on the Leadership Conference and officer training workshop she attended on August 25.

Coming events announced include a poster contest on October 3, National 4-H week October 4-10, a project fair on November 22.

Sharon Rohmer presided for the business meeting. Mary Hinton, assistant Home Demonstration Agent attended. Monica Hartman is reporter for the senior club.

Record Crops Harvested by Texas Farmers

Better weather conditions than last year will allow Texas farmers to produce a record wheat crop and the second largest sorghum crop in the state's history, Agriculture Commissioner John C. White has announced.

Wheat production is expected to be 131 million bushels. This contrasts to last year's 52.8 million bushel crop, which was plagued by drought.

Harvested acreage increased from 3,300,000 in 1974 to 5,700,000. This year's yield is 23 bushels per acre, compared with last year's 16 bushels per acre.

The grain sorghum crop is projected at 394.4 million bushels, compared with last year's harvest of only 312 million bushels. Harvested acreage is estimated at 6.8 million acres this year, almost one million acres more than last year.

Cotton production for 1975 is expected to be 3,100,000 bales, compared with last year's harvest of only 2,462,000. Harvested acreage declined 9 per cent, from 4,400,000 acres to 4 million in 1975. This year's yield per acre is expected to be 372 pounds, compared with 269 pounds

last year.

Corn production is expected to be the best since 1910 as yields should reach 115 million bushels, White said. This is an increase of 32 million bushels in 1974. Corn acreage increased from 800,000 acres in 1974 to 1,100,000 in 1975.

Rice harvest is forecast at 24,885,000 pounds per hundred-weight, slightly less than last

year's harvest of 25,258,000. Although acreage dropped from 562,000 to 553,000 acres, yield per acre rose from 4,494 to 4,500 pounds.

First United States Census was taken in 1790.

State Fair Will Feature 200 Years Of Ag Highlights

It's going to be a "Yankee Doodle Time" at the 1975 State Fair Food and Fiber Pavilion, according to Agriculture Commissioner John C. White.

The Bicentennial theme of this year's Fair, which will

be held October 3-19, will be carried out at the Pavilion with red, white and blue decorations and exhibits which will show highlights of the nation's history. Special emphasis will be placed on agricultural highlights of the past 200 years.

An 18-foot reproduction of Independence Hall, on loan from Time, Inc., will be

located at the forestry booth. It will contain an animated audio-visual diorama of the Federal Convention of 1787, during which the Declaration of Independence was debated and adopted. Another diorama will show the drafting of the Declaration of Independence.

TDA marketing personnel are working on a re-creation of a frontier trading post. It will feature relics of the past, as well as contemporary food products. The Pavilion's own Town Square Band Stand will feature continuous entertainment in the form of a marionette show, bands, and other acts from seventeen Texas junior colleges.

Free food samples or recipes will be available at every booth.

Cases of the growth in late life of a third set of teeth have been recorded several times.

St. Anne's to Host Sisters at Supper

Members of St. Anne's Society, meeting Sunday evening in the Community Center, made plans to honor the Benedictine Sisters with a covered dish supper at the October meeting. St. Joseph's Society will be invited to join the group.

Mrs. Al Hess presided for the business meeting. Fr. Stephen led opening prayers and told the members that plans for observance of Fr. Bede's anniversary would be delayed until his release after completion of tests in Crawford County Hospital in Van Buren, Arkansas.

Mrs. Adolph Walterscheid, chairman of a committee to collect Betty Crocker coupons, Campbell soup labels, "Cents-off" coupons, will accept these, for mission use. Also eye glasses, old dentures, old jewelry may be left at Hess Furniture for donation to mission benefit.

The next NCCW meeting will be in Gainesville at the KC Hall on September 18 at 10 a.m., sponsored by the Lindsay NCCW and lunch will be served.

A letter from past state president, Mrs. Matt Lehman stated that Joseph Kraus won the queen size quilt made by members of St. Anne's Society.

Get-well cards were sent to Mmes. Mike Schilling and C. J. Fette. Mrs. Andy O'Connor won the door prize. Thirty seven members were present. The meeting closed with vocation prayers and prayers offered for Fr. Bede's welfare.

Jake Horns Visit Local Relations

The Jake Horns of Windthorst entertained their daughters recently when Flo and her husband Calvin Deere, who was on leave from the Navy, spent several weeks. They were joined by another daughter, Doris Lee and her husband Pete Schick and their children of Lufkin for a week-end visit and by a third daughter Mrs. Shirley Vieth and children of Windthorst whose husband Edmon was unable to attend because of extended harvest work.

The Jake Horns and their house guests were here last week Thursday and visited for noon dinner in the Tony Klement home and with the Al Horns for the evening meal when other guests were Mr. and Mrs. Joe Horn and John Schmitz.

Muenster guests of the Jake Horns in Windthorst Sunday were Mr. and Mrs. Al Horn, Mr. and Mrs. Tony Klement and family, Mrs. Paul Dangelmayr and children, Mrs. Tom Bayer and children, Mrs. Kenneth Walterscheid and children and Mrs. Giles Walterscheid and Da Lana. Also there were Mr. and Mrs. E. A. "Beans" Schmitz of Bonham.

It pays to advertise with the Muenster Enterprise.

Reception Greet Robert Knaufs on Return from Trip

Mr. and Mrs. Ed Knauf honored their son and his bride, Mr. and Mrs. Robert Knauf when they returned from their wedding trip, by entertaining with an open house on Sunday, September 7, 2 'til 5 in the afternoon.

Seventy guests from Lindsay, Gainesville, Saint Jo and Muenster were served a desert plate from a table holding silver and crystal appointments and centered with silver candelabra entwined with fern and flowers in the bride's chosen colors.

Members of the house party were Mrs. Henry Voth, Jr.,

Lynn Felderhoff, Mary Ann and Sharon Voth.

The bride's portrait held a vantage spot and there was a display of wedding gifts and pictures made during the wedding ceremony and at the reception.

The young couple returned Wednesday from New Orleans and will make their home here where he is engaged in farming and ranching with his father and brother.

Ceremony and Reception Observe Leonard Hartmans' Silver Wedding

by Mrs. Andy Arendt
The silver wedding anniversary of Mr. and Mrs. Leonard Hartman was celebrated Sunday, beginning with Mass and renewal of wedding vows at three in the afternoon. Celebrant was Rev. Stephen Eckart, assistant pastor at Sacred Heart Church. Mass and reception were in the honorees' home.

Servers at the Mass were their son John Hartman and a nephew Floyd Haverkamp. A daughter, Karla Jo gave the first and second reading at the gospel and also read a prayer of thanksgiving and good wishes following communion. The prayer was written by another daughter Jeanann who played the background music on the guitar during the reading.

The 25 year bride wore a black and white ensemble and corsage of red rosebuds and babys breath.

Attendants at the wedding 25 years ago were her sister Florence, now Mrs. Johnny Rohmer and his nephew John Virgil Walter of Dallas who attended the couple again Sunday.

Following the Mass, a catered dinner was served to the fifty guests attending. The honor couple's table was covered with a lace cloth brought from Japan when Leonard was in the service, and held a decorated cake

trimmed with five miniatures, two boys and three girls, representing their children.

The groom's cake was a chocolate confection in the shape of a horseshoe. The centerpiece was a floral arrangement of red and white peppermint carnations and babys breath centered with a silver 25. Single long stem matching carnations in bud vases centered three dining tables. Streamers of English ivy ran the length of the tables.

The gift and registration table held a long stem red rose and babys breath and a portrait of the bride and groom taken at their wedding 25 years ago. Miss Karla Jo Hartman registered the guests.

Serving the wedding cake were Janie Hartman, a daughter-in-law, Mrs. Patsy Haverkamp, a sister and Mrs. Carol Grewing, a friend.

An array of gifts were opened including a sterling silver tray engraved with their wedding date and the names of their children. It was a gift from their children.

Emily Fette, daughter of Mrs. Gertrude Fette and the late Joe Fette, and Leonard Hartman, son of the late Mr. and Mrs. John Hartman were married in Sacred Heart Church, September 6, 1950 with Rev. Salvador of Spain as celebrant. They are the parents of five children, Tim, Jeanann, John E., Karla Jo and Marilyn, and they have a daughter-in-law, Janie (Mrs. Tim) Hartman. Leonard Hartman is a farmer and his wife is a registered nurse.

Special guests at the silver celebration were her mother, Mrs. Gertrude Fette, an aunt Mrs. Agnes Lehnertz and Mrs. Anna Jostwerner. Other guests were Mr. and Mrs. Dan Haverkamp, Mr. and Mrs. Johnny Rohmer, Mr. and Mrs. Al Walter, Mr. and Mrs. Herman Hartman, Mr. and Mrs. Albert Dangelmayr, Miss Dorothy Hartman, Mr. and Mrs. Arthur Endres, Tommy Felderhoff, Jr., Mr. and Mrs. Walter Grewing and sons and Bill (Buck) Knabe all of Muenster; Randy Sawyer of Myra, Mr. and Mrs. John Virgil Walter, Mrs. Della Bayer and Sonda and Bob Campbell of Dallas and Mr. and Mrs. Andy Arendt of Lindsay.

District Officer Talks at Meeting Of Garden Club

With a meeting held in the TP&L Building Monday, the Muenster Garden Club opened the 1975-76 garden year after being inactive during the summer months, with the exception of the executive board and standing committees who met regularly.

Mrs. Arthur Endres presented the speaker, Mrs. Mary Nordor, a member of the Iris Club of Gainesville and Zone Co-ordinator of District II. She spoke on duties and privileges of club officers as a means of enhancing the beauty of an organization in keeping with the local club's theme of "Beauty is where you find it".

Miss Sylvia Hofbauer, who was installed as president in May, presided for the business meeting.

Mrs. Bill Bedrick reported on the yearbook and program. Mrs. Leonard Endres and Sylvia Hofbauer gave the cemetery report. Mrs. Roger Taylor accepted chairmanship of the 1976 Flower Show and Mrs. B. J. Swirczynski will be Landscape chairman. Mrs. H. H. Houtchens reported on the Garden Council meeting she attended in Gainesville Monday.

The five month long Yard of the Month project, co-sponsored by Muenster Garden Center and the garden club has been completed. Winners have been the homes of the Leo Henscheids, Herbert Meurers, Richard Grewings, Henry Weinzapfels and Herbert Millers. A letter from Janie and Roger Taylor of the Muenster Garden Center was read, thanking the garden club for its co-operation and the members expressed their appreciation for assistance received from the Taylors.

The club will place a book in the Muenster Library in memory of Mrs. T. S. Myrick, a charter member and three time president.

Plans were made for a bake sale on September 27.

Next month's meeting will be in the TP&L Building on October 13 with Mrs. Harold Flusche and Mrs. August Felderhoff, hostesses. Miss Betty Dodds will present a program on "Natural Beauty - Texas Wildflowers" with slides and commentary.

Hostesses Mrs. Bill Bedrick and Mrs. Clyde Walterscheid served dessert and coffee to members and one guest, Mrs. Eddie Stock. The serving table held a brown cloth and emerald napkins and a large red candle centerpiece in a ring of berries and autumn flowers.

Junior Teams to Host Whitesboro

A triple header with Whitesboro on the MHS field Thursday evening and night is this week's junior football fare for Muenster. A game scheduled for Sacred Heart JV at Era has been postponed to Sept. 18.

In games with Whitesboro, seventh graders will start at 5, eighth graders about 6 and junior varsity about 7.

Next week Thursday the three public school teams will be at Pilot Point and Sacred Heart JV at Era.

Sacred Heart CCD classes will reopen with a special Liturgy on Wednesday, September 17 at 7 p.m. in Sacred Heart Church. Regular classes will begin on September 21 for all students except second graders, who are receiving daily instructions in preparation for First Communion.

Five Are Birthday Honorees of MAP

There were fifty guests at the MAP meeting in the Community Center Tuesday and five birthday honorees. Having birthdays in September were Mrs. Victor Hartman, Mrs. Ronnie Hoagland, Mrs. Andy O'Connor and Matt Muller and Al Wiesman. Enjoying an afternoon of

quilting were Mary Becker, Annie Becker, Mrs. Leo Henscheid, Mrs. Henry Henscheid, Mrs. Frank Herr, Mrs. H. J. Fuhrman and Mrs. John Kupper.

Attending the pottery class were Mrs. Clarence Hellman, Miss Dorothy Hartman, Mrs. Albert Dangelmayr, Mrs. Martin Bayer, Mrs. Tony Felderhoff, Mrs. Andy Hofbauer, Mrs. Al Walter, Mrs. Andy

Schoech, Mrs. Victor Hartman, Mrs. Hilda Self and Mrs. Tony Gremminger.

The usual table games were available in the Community Center from 2 to 5 for those wishing to attend.

Yearbook Planned At HD Club Meeting
 Muenster Home Demonstration Club No. 2 met Tuesday in the home of the new president, Eileen Fisher. Instead of a program, members took part in planning the yearbook of the coming year. Kay Bedrick gave the inspiration. Reports of the HD Council meeting were given and members were told to watch the paper for announcement of the date of a meeting on estate planning, probably in October.
 Gifts were presented past officers, Debbie Endres, Nita Fleitman and Kathy Pette. New officers, in addition to Mrs. Fisher are Monica Hess vice president and Betty Rose Walterscheid secretary-treasurer.
 The next regular meeting is planned for October 14 in the home of Carol Naeggli with Mrs. Evelyn Yeatts giving the program on time-saving sewing.
 The hostess served a dessert plate at the close of the meeting, to eleven members.

Earliest motorcycle was a wooden-machine built in 1885 in Germany.

Hillcrest Manor News

Four sisters were together Thursday when Mrs. Mary Felderhoff's afternoon visitors were Mmes. Anna Shelton of Denton, Emma Billingsley of Ardmore and Catherine Hellams of Oklahoma City. The latter's husband Dr. Alfred Hellams was with them.

Visiting Mrs. Jennie Schilling Thursday afternoon were her sister Mrs. Katie Wilder and daughter Sister Benedict of Lindsay. Mrs. Wilder entertained with harmonica music, also visited and played for Angela Laake.

Hillcrest Auxiliary hostesses for the regular Wednesday game party Sept. 3 were Mmes. Leonard Endres, Alois Wiesman and Wilfred Walterscheid. The previous Wednesday the party was conducted by Mmes. Joe Hoening, John Fleitman, Henry

Henscheid, Rosie Walterscheid and Susie Noggler.

Hillcrest Church of Gainesville is in charge of Sunday afternoon services at the Home during September.

Entertainment one evening was presented by Little Miss contestants, and recent winners who performed by dancing and piano playing. The young girls were brought out by Mrs. Betsy Fleitman and Ms. Linda Welch.

Staff aide Dorothy Hunt is back on the job after an absence of nursing her husband Joe who underwent major surgery in Bowie Hospital and is recovering normally.

Ed Eberhart was at Mass in Sacred Heart Church Sunday for the first time since his eye surgery. His daughter Margie and family, the Eddie Krahl's took him and he had dinner with them before they returned him to the Home.

Former staff nurse Ty Cook of Bowie was back for a visit at the Home Monday.

Mrs. Mattie Blasingame spent last Tuesday at Saint Jo with her son and wife, the Bert Blasingames and helped celebrate Bert's birthday at a dinner party.

Mrs. Jewel Jones was away attending a Sunday family reunion at Turner Falls.

Medication Aides

Miss Cass Houston and Mrs. Bill (Beverly) Scott, nursing aides at Hillcrest Manor were among 18 students who recently received certificates from Cooke County College in a new program which gives special training in medication administration for nurses aides.

September Party

Hillcrest Manor's September birthday party had one honoree, Miss Angela Laake who will be 93 on Sept. 28. A country and western music program was given by the Cross Timbers Band. Cake, punch and coffee were served to residents, staff, guests and band members. Cakes were provided by Miss Paula Scott and Mrs. Paul Hermes, staff members, by the Home and by Rosa Driever.

Participating in the musical program were Paul Orsburn, singer and emcee; Fred Haynie, violin; Mrs. Fred Haynie, mandolin; Mrs. Albert Findley, piano; Clay McCorkle, tenor banjo; Merlin McCorkle, guitar; Norman Mills, lead guitar; Mrs. Bobbie Hampton, spoons. The latter entertained also with solo numbers using two tablespoons as an added attraction. With the band members were Albert Findley, Mrs. Clay McCorkle and Mrs. Merlin McCorkle.

Earliest horse race recorded in England was one held in 210 A.D. at Netherby, Yorkshire.

Robert Fetsch and San Antonio Girl Exchange Vows in Open Air Liturgy

Marriage vows were exchanged by Louise Benke and Robert Fetsch on the morning of Saturday, August 23 at St. Thomas Open-Air Chapel in Canyon Dam, Texas. Rev. Joe Lopez, a friend of the bride and groom, was celebrant of the wedding liturgy in a lovely summer setting of the altar in the open air with arrangements of carnations, gladioli and gypsophila.

Parents of the couple are Mr. and Mrs. Alvin M. Benke of San Antonio and Mr. and Mrs. Paul Fetsch of Muenster.

Accompanying the bride to the altar were her parents, her brothers and sisters, Charles Benke, Joe Benke, Tony Benke, Maxine Martin and Aggie Moser. Entering with the groom were his parents, his brother Garry Fetsch and his sisters and their families, Mr. and Mrs. Orlando Bonfiglio and Brian, Mr. and Mrs. Bob Noyes and Jennifer and Christopher, and Mr. and Mrs. Doug McConnell.

For her wedding the bride chose a long white eyelet embroidered dress with empire waist, butterfly sleeves and deep ruffle at the hem. Narrow yellow grosgrain ribbon circled the waist. Her bridal bouquet was of daisies and

glads and she wore flowers in her hair to match those she carried.

Attendants

Wedding attendants were the bride's sister Mrs. Aggie Moser and the groom's brother Garry Fetsch. Mrs. Moser wore a long pink floral, designed with ruffled sleeves and a white eyelet bib. She carried pink carnations and gladioli buds and wore matching flowers in her hair.

In the Offertory procession were Mrs. Doug McConnell and Mrs. Bob Noyes, groom's sisters and Tony and Joe Benke bride's brothers. Ushers were Doug McConnell, Bob Noyes and Orlando Bonfiglio. Wedding music, with guitar accompaniment was offered by Sr. Diana Heinrich and Sr. Margaret McManus. They sang "Song of Joy", "You Fill the Day", "Our Father", "Day by Day", "Let It Be a Dance". Sr. Diane sang "Wherever You Go."

Reception

Following the ceremony a reception dinner was held in the Knights of Columbus Hall in New Braunfels. At the bride's book were Mrs. Monica Noyes and Mrs. Evelyn Bonfiglio. Guest tables were decorated with white candles in hurricane lights; ivy gar-

lands were placed on the tables, lilies of the valley decorated the place cards made by the bride's mother.

For out of town relatives who remained after the reception, there was a picnic and swim party at Landa Park.

Following a wedding trip to Aspen, Colorado and a visit with relatives in the Muenster area, the couple will live in Salisbury, North Carolina.

On Friday night before the wedding the groom's parents hosted the rehearsal dinner for the wedding party at the German Gardens in New Braunfels, where white flower arrangements decorated the dining room.

The bride received her B.A. degree at Our Lady of the Lake College in San Antonio and an M.A. from the University of Chicago Graduate Library School. She is presently

employed as a children's librarian in Salisbury, North Carolina.

The groom attended school at Subiaco Arkansas, St. Bernard's College in Alabama and Concepcion Abbey in Missouri where he earned his B.A. He received an M.A. in Theology from St. Mary's University in San Antonio and a second master's degree from Our Lady of the Lake Graduate School of Education. He is presently employed as an alcoholism counselor with the Tri-County Mental Health Complex in Salisbury, North Carolina. In 1974, Robert was named as Outstanding Young Man of America.

Attending the wedding in addition to those already mentioned were Messrs. and Mmes. Lawrence Zimmerer, Raymond Zimmerer, Walter Lutkenhaus of Lindsay; Mr. and Mrs. Chris Muller, Valley

View; Mr. and Mrs. John Kurbick of Era and Mr. and Mrs. Gus Lutkenhaus of Muenster. Among the bride's relatives attending were Charles Benke of New Jersey, Joe Benke of Munich, Germany, Tony Benke of San Antonio, Mrs. Maxine Martin of Florida and Mrs. Aggie Moser of Pennsylvania.

The Merchants Say:

The following item, taken from a recent Ann Landers column, presents a situation that is well known to the business firms of this community. It is quoted here by the Muenster Chamber of Commerce in behalf of the Muenster merchants.

"Dear Ann Landers: I'd like to ask the American people a few questions. It's a matter of economic survival to me as well as millions of other 'little people' who have small stores.

"Who do you ask to cash your checks? Who do you ask for credit when things are tight? Who do you ask to take ads for your organizations, yearbooks and programs? Who do you ask for contributions for your church suppers, raffles, etc? Who do you call after hours when you need a special item? Who do you ask to put up posters for special events?

"It's your local, hometown small businessman. After all, he's your friend, your neighbor.

But when you want to make a purchase, how often do you drive past his place of business and go to a giant store thinking you might save a few cents, without giving your local merchants a chance or even comparing his prices?

"We are competitive with the biggest stores price-wise and our services are often better. But we can't survive much longer. When we go, you'll miss us. — Too Many To Name

"Dear Too Many: Your letter reflects one of the major social and economic problems of our times. It's becoming more and more difficult for the small, independent businessman to survive. I wish I knew the answer."

Parents Can Help Child Avoid Football Injuries

Football season is almost here and parents are again worrying about their children getting hurt playing the game, but there are ways to minimize the risk of injury.

"Conditioning is a vital element in preventing sports injuries," says Dr. Gerald S. Modjeska, vice president and medical director of CNA Insurance's Continental Assurance Co., "and preventive efforts should be the name of the game."

Injury Prevention Tips

- **MEDICAL EXAMINATION**—be sure your child receives a thorough medical examination.
- **CONDITIONING**—seek advice from the coach about the proper type of conditioning.
- **DON'T OVERDO**—don't let the youngster overdo training. Several hours on a hot day or losing five or more pounds in one workout can prove destructive.
- **DIET**—a good, balanced diet is a must. Check with the coach, team doctor or family physician.
- **SLEEP**—if the athlete needs eight hours of sleep nightly don't let him cheat on it.
- **EQUIPMENT**—insist that the athlete wear protective gear and that it fits properly. Have him check it every week or two and repair or replace as necessary.
- **KNOW THE COACHES**—the coaches should discour-

age "dirty tactics" and emphasize safety.

• **DOCTOR AVAILABILITY**—a qualified doctor or hospital emergency room should be available for practice and games.

• **INSURANCE**—the team should have adequate insurance coverage. Generally, the accident insurance offered to all students each year by most schools excludes football.

• **YOUNGSTER'S DECISION**—let the decision to play football be the youngster's. But, don't let the youngster play when sick or hurt.

"Scholastic football is not the only area needing parental attention," according to Dr. Modjeska. "Many communities and organizations also offer extensive athletic programs. And sandlot—or 'pick-up'—games require even more attention than organized football," he points out.

Forestburg News

By Myrt Denham

FORESTBURG: Visiting in the home of Mr. and Mrs. Fred Williams were their sons, Donny of Harlingen and Mr. and Mrs. Freddy Williams of Sterling City.

Mrs. Decie Ellzey spent Saturday and Sunday, August 30-31, in her Forestburg home. However, on Sunday she headed for Arlington where she is spending several days with her daughter and family, the Jerry Boelters. Decie is making a slow but progressive recovery from her recent major surgery.

Seems when these hot August days arrive folks begin to have water well trouble or water trouble of some kind. Bess Orrell has really had her share of water well troubles. Stopped by Alvie Riddles' place Saturday and they were having their problems. The better half had to dig up our water line to the house which had sprung a leak. Have seen a number of water well digging rigs rumble by the house here of late so reckon some other folks have had their problems also.

Speaking of Bess Orrell — she had a nice birthday on August 29. Her company for the day were Cleo Lanier,

Lenora Moore, Vera Mae McGee, Juanita Bailey, Myrtle McMillion and Varla Roberts. In the evening the A. G. Barclays stopped for a visit.

Mr. and Mrs. Carl Jackson of Andrews, Texas, visited around the Stoney Point area Saturday, August 30. They both grew up in those parts and attended school at Forestburg. Mrs. Jackson is the former Vera Mae Netherley, the daughter of Elbert Netherley. They lived on the place now owned by Gene Lanier over in the Stoney Point area. Mr. Jackson's parents are Arthur and Zora Jackson. The Jacksons sorta checked out the well on their place and found them pulling the casing out. Vera Mae says she won't get her new dress now. They visited with the Ross Littells and the Alfred Fannings.

Larry Bailey of Denton renewed friendships in the Stoney Point Community last week. He is a son of Juanita Bailey.

Not as many folks as usual attended the Uz Community Homecoming August 30. The festivities started about high noon with visiting and renewing old friendships, etc. The main event — dinner "on the grounds" started about 2:30 p.m. Cleo Lanier says there sure was alot of food there for the folks present. Some say there were about 41 to 43 folks attending.

Alice Shears says that she and Homer really spent Labor Day doing just that — laboring. Seems they were so busy at their place of business they hardly had time to breathe.

Betty and Bennett Reynolds "whomped up" a big freezer of scrumptious ice cream

Labor Day evening in honor of Perryman Denham who had a birthday that day.

If you ladies are interested in saving energy as we are being urged to do — you might try using a solar clothes dryer for a change. Won't cost you a thing, your clothes will have a fresher and cleaner smell and you city gals might even get to know your next door neighbors better.

That much awaited baby finally made its appearance at 8 p.m. Friday, August 29 at the Muenster Memorial Hospital. He is none other than Keith Carroll Dill, 7 lb. 14 oz. son of Mr. and Mrs. Charles Dill of Forestburg. This young gentleman is blessed with a raft of wonderful grandparents. Grandparents are Mr. and Mrs. Jack C. Dill and Mr. and Mrs. J. W. White of Forestburg. Great-grandparents are Mr. and Mrs. Ray Dill of Era, Mr. and Mrs. Ted Jackson of Forestburg, Mr. and Mrs. Norman Gartrell of Glen Rose, Mr. and Mrs. Joe White-worth of Glen Rose, and Daniel Charlie of Miami, Arizona. Great-great-grandmothers are Mrs. Ada Jackson of Saint Jo and Mrs. Maude DeBorde. Isn't many a youngster born these days who has that many grand-folks to pinch him, squeeze him and spoil him.

PUBLIC NOTICE
SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S. J. R. NO. 11)
SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present dedication of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, nonprofit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective on September 1, 1976.

effective January 1, 1979.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

Toothakers Visit Kin in Colorado

A most unusual and rewarding vacation was the good fortune of Mr. and Mrs. Lee Toothaker who spent nine days in Colorado with her sister and husband, the C. D. Potts in their summer home in Cedaredge.

Highlighting the vacation was a trip to Palisade to see Lee's 91 year old cousin, another Lee Toothaker, who is known as the Peach King of Palisade. After selling his peach orchard of 21,000 trees, he still walks the two blocks to the sheds to inspect fruit and advise workers. The peaches and pears are late ripening this year because of cold nights, but the Toothakers found a few in a special orchard.

Returning from Cedaredge the Toothakers and their hosts drove through Grand Junction, along the dinosaur foot prints trail where the bones of the mammoths were found in recent years. A museum is to be built there.

Several trips were made to the top of the Grand Mesa to see elk feeding, but missed them because the elk had retreated into the thickets before noon each time. No deer were in sight at Cedaredge but the Toothakers noted that fruit or vegetable peelings thrown out for them at night had been eaten before morning. Woodchucks and porcupines were easier seen.

A very saddening sight was the beautiful deep blue lakes turned a dirty green, infested with algae. Some 200 lakes on the Grand Mesa, each receiving its water supply from the lake above, create beautiful waterfalls.

This is the source of the water supply for towns below, for homes and irrigating the many hundreds of acres of apple and pear orchards in Cedaredge and Delta. Flowers and lawns were lovely as pictures, but tomatoes and fruit were still green, delayed in ripening by cold nights.

The Toothakers returned Thursday August 28. Their hosts in Colorado, Mr. and Mrs. C. D. Potts will leave their summer home in mid-September to spend the winter in Las Vegas, Nevada.

TIGERS - - -
 Walterscheid stopped the run that might have won the game.
 Moments later, with the half almost over the Tigers also missed a fine scoring opportunity. A pass into the end zone by Endres was barely beyond the reach of Bruce Fuhrmann.
 Sacred Heart started the second half with two first downs, aided by penalty yardage on both, and lost all of the gains on the next series. Again in the third the Tigers gained a first down and were smeared for a 15 yard loss. Next two tries gained 21, which was short for first down.
 The final period continued the defensive standoff and featured major penalties on

each side as the effort intensified. Late in the quarter the Tigers threatened for the second time. From their 22 a face mask ruling gave free yardage to the 37 and Mark Hess took a pass from Endres and fought his way to the 26 of Era. Three Changes on Tiger JV Schedule

Three changes in Sacred Heart's junior varsity schedule developed this week, according to a statement Monday by Coach Ed Stock.

Because of a conflict with other school activities Era asked to postpone a week to September 18. The game will be at Era.

Stock also got word that Christian Academy and Notre Dame do not have JV teams this season. The complete roster at neither school was long enough for both varsity and junior varsity teams.

HORNETS - - -

Lindsay's comeback was immediate. On first play after kickoff Pete Fuhrmann fired the bomb to Steve Neu, who almost got away but was hauled down after a 49 yard gain to the 13. Big Doug Gossett hammered it in from there in three plays, then went over again giving the Knights a half time lead of 14-13.

After intermission Lindsay ended its first series with a kick and Muenster was 53 yards away. Mark W. made that distance in three tries — first 6 yards, then 8, then a break away to pay dirt. A run for bonus points was short. MHS led 19-14 with the third period barely started.

For the rest of the quarter Lindsay made 2 first downs and kicked Muenster 2 first downs and a kick, and Lindsay one first down and a kick.

Almost midway in the fourth Sicking broke up a defensive standoff with his second scoring romp. Following 13 by Bob Endres this one went for 47 yards. A kick by Dan Endres set the score at 26-14.

Scoring was ended but action was not. In the remaining six minutes Lindsay made a first down, Muenster made two, and Mark Mollenkopf intercepted twice.

SH Teachers Hear Noted Educator at Diocesan Meeting

On August 27, the teachers of Sacred Heart Elementary School attended an educational meeting at Nolan High School in Fort Worth. Twelve of Sacred Heart's teachers heard the outstanding educator and author, Dr. R. C. Bradley who gave a series of lectures and audio-visual presentations to about 165 teachers from schools throughout the diocese.

Dr. Bradley is a professor of Education at North Texas State University. He does much supervision of student teachers and has done extensive research, working closely with both the students and teachers in many schools.

He presented a very positive approach to motivation, problem solving, and discipline. Understanding, concern, and care for the individual student was emphasized. Dr. Bradley stressed that the teacher "teaches himself" as well as subjects, and should try to personalize what he or she does.

Among other principles, Dr. Bradley stressed the great necessity of producing real thinking in students who must be taught to do more than simply memorize, which is useless without comprehension. Students must learn the principles of cause and effect and learn to transfer what they learn. However, Dr. Bradley stated that proper evaluation is probably the highest form of learning.

Attending were Sister Georgia, Sister Alberta, Sister Lillian Marie, Sister Lenore, Sister Camille, Sister Benedict, Anna Hermes, Josephine English, Connie Bezner, Ruth Felderhoff, Dorothy Bengfort, and Mary Cain.

WEEKLY Health TIP

from BOB PELS, R. Ph.
 The fungus of "athlete's foot" is widespread in locker rooms. But the danger of contracting the infection is almost nil if the skin of your feet is healthy and unbroken. Blisters open the door to athlete's foot, as does scraped skin. Avoid blisters and damaged skin and you usually avoid the lingering infection of athlete's foot. It is best to avoid places of likely infection until the blisters and scrapes are thoroughly healed.

them what was right and wrong. Religious conviction told them there would be an eventual accounting whether or not they escaped justice now. At that time they also had more respect for the law because a much larger percentage of criminals were caught and punished, and punishment was more adequate.

Most likely our crime experts could get a better look at their problem if they listed religious affiliation with all the data on criminals. Without doubt they would see that criminals generally are peo-

Rites Set Friday In Forestburg for Mrs. M. Littell, 89

Final services for Mrs. Minnie Littell, 89, a native of Forestburg, will be held Friday, September 12, at 3 p.m. in the United Methodist Church of Forestburg with the Revs. A. R. Carroll of Wichita Falls and Roy Ricker of Forestburg as officiating ministers. She died in a New Braunfels hospital Monday morning.

Burial will be directed by Doepenschmidt Funeral Home of New Braunfels assisted by Scott Bros. of Saint Jo.

Mrs. Littell was born on Sept. 1, 1886, the oldest child of Columbus and Janie Perryman. She was married to Horace Littell on November 3, 1912, and he died on January 31, 1939.

Survivors are two sons: Ross of Forestburg and Arthur of Oklahoma City; a daughter: Mrs. Conrad Zuschlag of New Braunfels; six grandchildren and seven great-grandchildren; three sisters: Mrs. Vera Mae McGee and Mrs. Eula Moore of Forestburg and Mrs. Erwin Engle of San Antonio; and three brothers: Homer Perryman of Mineral Wells, Hulet Perryman of Irving and Dwight Perryman of Dallas.

ple who have abandoned the old beliefs and lost sight of responsibility to God or man or the final reckoning.

Along this line the nation's leaders might consider possible consequences of many maneuvers to get atheists into our society and God out of it. In short our growing crime rate can probably be ex-

plained by the fact that too many Americans are ignoring God.
