

Ricky Swirczynski Marries Pamela Kay Ehrsam of Denton

The wedding of Pamela Kay Ehrsam and Ricky Stephen Swirczynski was held on November 17 at the Immaculate Conception Church of Denton, with Father Joseph Schumacher officiating.

Parents of the couple are Mr. and Mrs. Dell Ehrsam of Denton and Mr. and Mrs. Herman Swirczynski of Muenster.

The maid of honor was Gail Smith of Dallas and the bridesmaid was Mrs. Roger Harrison (Doris). The best man was Charlie McCurdy of Dallas and the groomsmen was Roger Harrison. The bride's brother, Tony Ehrsam of the Naval Air Base at Memphis, Tennessee was the usher.

A reception was held in the Parish Center following the wedding.

The bride is a 1977 graduate of Denton High School and attended Cooke County College one year. She is stationed at the Naval Air Station in Grand Prairie, where she is in the data processing field in the U.S. Navy.

The groom, a 1972 graduate of Muenster High School, is also a graduate of Cooke County College Cosmetology Department. He is co-owner and operator of

Cutters North Salon in Gainesville. Before attending college he spent two years in the Service, mostly in Germany and about six months in this country with the U.S. Armed Forces.

Following a wedding trip to Lamar, Missouri, the couple will live in Denton.

Among local relatives attending the wedding were Mr. and Mrs. Herman Swirczynski, Sister Monica Swirczynski of Oklahoma City, Mr. and Mrs. W.L. Smith of Denver, Mr. and Mrs. Clifford Swirczynski and children of Liberal, Kansas, Mr. and Mrs. John Swirczynski and children of Carrollton, Mr. and Mrs. Pat Donnelly of Kansas City, Mr. and Mrs. Virgil Swirczynski of South Lake, and friends from Dallas, Denton and Gainesville, including Mr. and Mrs. Hank Trachta of Denton. Also Tony Ehrsam of Memphis and the bride's grandparents of Joplin Mo.

Letter to the Editor

Attention Sister Carmelita Myers:

Just a note to let you know that you have some very fine and friendly people in your community.

We enjoyed having you over and wish you the best of luck now and hereafter.

I enjoyed the company with the Walterscheid's and tell Angelo that I enjoyed his sausage and cheese.

P.S. I am the guy that was in the van in the wheel chair.

Thanks,
Charlie Janota Jr.

Editor's Note...This letter was received by Sister Carmelita recently, following the football game between the Tigers of SHHS and the Cardinals of St. Paul High School in Shiner, won by the Tigers 36-20. The letter was displayed on the bulletin board at SHHS and is now shared by Sister Carmelita with the community. It speaks well for both teams. Mr. Janota met a number of students, parents and fans before and after the game.

Letter to the Editor

A while back I received an up-dated, colorful brochure of Muenster and was duly impressed. The population shows an increase. We have been retire homeowners here for nearly seventeen years. Our hometown is Lexington, Mass. which has a population on a par with Tarrington (35,000). The vast difference? Tarrington is heavy industry, and inundated with Churches. For example: 5 Baptist, 3 Lutheran; 7 Roman Catholic; 4 Episcopal; 1 Latter-Day Saints; 1 Jehovah Witness; 1 Synagogue to name a few!!

Your weather patterns? The seasons are so varied vs. our New England States. We are famous, or, infamous for our unpredictable, unreliable trends. No wonder a Texas, native or otherwise would never think of, let alone LIVE here, and vice-versa.

Receiving this Brochure was a pleasure. I am using it as a perpetual book-mark!
Cordially,
E. Cochrane

First Communicants Honored

Bryan Kleiss
On Bryan Kleiss' First Communion Day, there were two honorees at a family gathering in the home of his parents, Mr. and Mrs. Mike Kleiss who entertained with a noon dinner. It was the baptismal day of Bryan's cousin, Lambert John Hess, son of Mr. and Mrs. Paul Hess of Lindsay who also at-

tended. Guests were Father Harry Fisher of Pilot Point, Jeff and Tiffany Fisher of Irving; Mr. and Mrs. Jerry Hughes and children who have recently moved to Lindsay; Mr. and Mrs. Herbie Fisher and children; Mr. and Mrs. Paul Hess and children; and Mr. and Mrs. Paul Fisher. Another guest during the afternoon was

Rita Fisher of Irving.

Michael Bierschenk

Michael Bierschenk, son of Mr. and Mrs. Kenneth Bierschenk was honored on his First Communion Day when he accompanied his parents and other family members to the annual reunion hosted by his paternal grandmother, Mrs. Mary Bierschenk of Valley View. Michael's parents, grandparents and god-parents Mr. and Mrs. Billy Bierschenk presented him with gifts. Also attending were his maternal grandparents, Mr. and Mrs. Paul Walterscheid.

Angela Endres

Angela Endres was the honoree at a brunch hosted by her parents, Mr. and Mrs. Clinton Endres after the 9 a.m. Mass on Sunday, November 25. Guests were Mr. and Mrs. Hank Walterscheid and family; Mr. and Mrs. Albert Schilling; Angela's godparents, Mr. and Mrs. Gene Riggs, and sons of Dallas; and the honoree's brother and sisters, Jason, Karri and Trisha. Angela's veil was a family keepsake, first worn by her late grandmother Mrs. Steve Fette (Sis) for her First Communion in 1924. A cross shaped cake was the centerpiece for the dining room table.

Troy Berres

A brunch in the home of his parents, Mr. and Mrs. Dave Berres, honored Troy Berres on his First Communion Day. Attending were his grandparents, Mr. and Mrs. Herb Miller of Muenster and Mr. and Mrs. Ed Berres of Gainesville and his great-grandparents Mrs. Albert Henscheid and Theo Miller. Also attending were two aunts, Gayle Miller and the honoree's brothers, Aaron and Neil. The special cake

centering the family table was decorated in a cross shape.

Jan Fleitman

Mr. and Mrs. August Fleitman hosted a noon meal on Sunday, November 25 for the First Communion Day of their daughter Jan. Attending were her grandparents, Mrs. Pearl Richardson of Gainesville and Mr. and Mrs. Ben Fleitman, Sr. of Muenster; also her godparents Tina Fleitman and Ben Fleitman, Jr. Other guests were an aunt Mrs. Jackie Zackery and a cousin Rexanne Zackery both of Denton; and an uncle Mark Richardson of Gainesville; also Mrs. Ben Fleitman, Jr. and the honoree's brother Randy and sister Melinda. Jan received gifts and she presented gifts to her godparents. Her special First Communion dress and veil were gifts from her Grandmother Richardson on her 8th birthday of November 9. Jan's brother Randy was one of the Mass servers that day. During the afternoon pictures were shown of Jan's baptism in infancy.

Debbie Schmitt

Debbie Schmitt's First Communion Day was observed with a brunch following the 9 a.m. Mass on Sunday, November 25. Her parents, Mr. and Mrs. Harvey Schmitt and Vickie and Stephen entertained a group of relatives including the grandparents, Mr. and Mrs. Victor Hartman and Mr. and Mrs. Al Schmitt; the god-parents Tom Schmitt of Houston, who arrived earlier for the Thanksgiving holidays, and Mrs. John Yosten and Paula and Christy. Another guest was Wayne Schmitt of Amarillo who came for the class reunion. For sentiment, the cloth used on the dining table was used for the first time 53 years ago on the Victor Hartman's wedding day.

Chad Bayer

Chad Bayer was honored on his First Communion Day when his parents, Mr. and Mrs. Reggi Bayer entertained relatives and friends at a noon dinner. Attending were his god-parents, Mr. and Mrs. James Bayer of Spring Creek Road, and Sandra and Chris and a friend, Tracy; also the grandparents Mr. and Mrs. Frank Bayer and Mr. and Mrs. Johnny Streng; also Mr. and Mrs. Joe Hess and Kevin and Charles; and Connie, Ronnie and Kim Bayer. There was a special decorated First Communion cake holding a first communicant boy figurine. Most of the guests remained for the evening meal.

Amy Walterscheid

Mr. and Mrs. Sylvan Walterscheid entertained for their daughter, Amy's First Communion with a brunch following the 9 a.m. Mass. The special cake held a little girl First Communicant figurine. Guests were the grandparents, Mr. and Mrs. Tony Felderhoff and Mr. and Mrs. Adolph Walterscheid, the baptismal sponsors Mr. and Mrs. Alvin Hartman; aunts, uncles and cousins Mr. and Mrs. Joe Felderhoff and family; Mr. and Mrs. Charles Felderhoff and family; and joined by Father Denis Soerries.

Jason Walterscheid

Jason Walterscheid's First Communion Day was observed by his parents, Mr. and Mrs. David Walterscheid who hosted a dinner at noon. The special cake was baked by his aunt, Betty Rose Walterscheid. Guests were the grandparents, Mr. and Mrs. John Kupper and uncles, aunts and cousins, Mr. and Mrs. Jerry Walterscheid and John, Doug and Ron of Muenster; Mr. and Mrs. Leroy Kupper and Joey, Tim and Christen of Rockwall; the god-parents Mr. and Mrs. Tom Kupper and Darryl of Lewisville; Mr. and Mrs. James Kupper and Daryl and Susan and Mr. and Mrs. Billy Kupper and Jennifer, Casey and Kimberly all of Valley View, and the hosts and children Deann and Julie.

Three Cousins

Double cousins, Amy Bayer, daughter of Mr. and Mrs. Claude Bayer, Jared Bayer, son of Mr. and Mrs. Clinton Bayer and Rodney Knabe, son of Mr. and Mrs. Pat Knabe were honored at a noon dinner in the Claude Bayer home on Sunday, November 25. The First Communion cake was especially decorated with icing depicting a priest and chalice and little boy and girl First Communicants. Together for the event were the parents, god-parents, and great-grandparents, Mr. and Mrs. Matt Muller.

David Rohmer
David Rohmer was honored on his First Communion Day on November 25 with a brunch given by his parents, Mr. and Mrs. Maurus Rohmer. Also helping David celebrate his special day were his grandmother, Mrs. John Rohmer, his aunts, Sister Fidelis and Sister Romana, and his god-parents Mr. and Mrs. Emil Rohmer and Chris.

38 Receive First Communion

The First Communion Day for 38 children in Sacred Heart Church was held Sunday, November 25 during the 9 a.m. Mass. Preceding the Mass all communicants participated in the renewal of baptismal vows. In the special liturgy Max Koessler was the first reader, Tina Schilling gave the second reading and responses were given by

Dana Kay Wimmer and Jimmy Herr. Offertory petitions were given by Scott Vogel, Denise Anderle, Debra Schmitt, Joe Paul Walterscheid, Shonna Reiter, Kari Vogel, Tony Grewing and Bryan Kleiss. Offertory gifts and children who presented them were: Christ candle Angela Endres; small candles Janie Fisher and Vernon

Forrester; crown James Hennigan; scepter Arnold Hess; grapes Jan Fleitman; wheat Rodney Knabe; collection basket Jerry Brawner; water Amy Walterscheid; wine Joe Weinzapfel; ciborium Jared Bayer; small candles Troy Berres and Jason Walterscheid. The Communion Meditation was a poem "Lovely Lady Dressed in Blue" read by Dyann Vogel. Father Stephen Eckart

was celebrant. The Sacred Heart Men's Choir presented sacred music and Mrs. Larry Vogel and Mrs. Kleiss assisted Sister Lillian Marie Reiter with directing the children before and during Mass. Sister Lillian planned the liturgy.

YOU CAN BANK ON IT!

With the first of the new year coming up it's a good time to start working on that list of resolutions. One that many of us can put near the top is better organization of family financial records.

It would be a good idea to set up a master file in your home for family finances. Nearly everything you need can be put into ten main files. First your home. If you own your house, include copies of all legal documents pertaining to ownership as well as homeowners insurance policies and property tax records. If you live in an apartment or rented house, put in a copy of your lease agreement. Second file, your automobiles. Include title, license receipts, etc. Third file, bank records. Include all bank statements, reconciliations, deposit records, checkbook stubs and the keys to any safety deposit boxes. Fourth file, health and life insurance. Include copies of the policies, information on how to use them and the name and number of your agent. This represents one-half the master file. We'll cover the other five major topics next week. You can BANK on it!

We have another feline story for you this week. Mrs. Henry Golightly reports she has 14 cats — but doesn't know how many of each gender there are but says it costs her \$500 or so a week to feed them all. Bet she would gladly part company with some of her small friends.

Then there is a lady in the Burg who is very unhappy with the feline family that has taken up residence at her place. Seems the cats pad around the family car and various other properties and we all know what that looks like. Think this lady would gladly pay someone to do away with these "visitors."

Mrs. Alice Shears motored over to Nocona Sunday p.m. December 2nd to visit with her cousin Mrs. Inez Butts. Alice spent the night over there with Mrs. Butts.

Mr. and Mrs. Clifton Bewley attended funeral service on Sat. December 1st in Weinert, Texas for Lewis Edwards — cousin to Clifton.

On Saturday December 1st Steve White of Dallas visited with his sisters — Mrs. Ross Littell and Mrs. Gretell Fanning.

H.A. Littell and daughter Linda of Oklahoma City visited with his brother, Ross and Lucille Littell of Stoney Point and with Mrs. Mollie Moore of the Burg on Sunday, December 2nd.

Mr. and Mrs. Alvin Edes of Saint Jo visited Mrs. Mollie Moore on Saturday December 1st.

Mr. and Mrs. Rickey

White have moved from the Burg area to Gainesville. Rickey is the son of Mr. and Mrs. J.W. White of the Dewey area.

Hear that Mrs. Olita Lanier is now the proud owner and driver of a new Mercury Auto.

Mrs. Elva Caiter and Roy Whiteside of El Paso made the Forestburg scene late Wednesday p.m. December 5th to visit with Mrs. Carter's sisters, Mmes. Alice and Esther Shears. On Thursday they all had dinner with Alice — other guests were Eugene Shears and sons Russell, Randy and Rhett. Mrs. Carter and Roy returned home Saturday December 8th.

Mmes. Ceil Perryman and Gladys Barclay whipped over to Bowie Thursday a.m. December 6th to do a little shopping.

Mrs. Ruth Magee Tallman visited with Mr. and Mrs. Willie Orrell, on Thursday December 6th. The Orrell's son Leo of Gainesville was also a visitor on that day.

Mrs. Cleo Lanier and Mrs. Velma Freeman attended a Political Action Committee meeting and dinner at Cooke County Cooperative in Muenster, Thursday evening December 6th.

Our High School boys and girls basketball teams competed in the Callisburg basketball tournament on November 29-30-Dec. 1st. The girls won third place and the boys got beat out by Nocona A. The Forestburg

girls and boys team both won Sportsmanship trophies. Vatori Dill and Willie Sandusky won all tournament trophies.

On December 6-7-8 the two teams played in the Saint Jo basketball tournament. Girls won 3rd place and boys won 2nd.

Mrs. Cleo Lanier was hostess for a Christmas party for the Cub Scouts, Tuesday Dec. 4th at the Community Center. They played games, and were served cookies, punch, candy and bubble gum.

Wednesday night Dec. 5th, the Scouts had a PACK meeting, in the Library at school. They raced their cars they had made, and had a flag ceremony. Joe Evans, Jr. and Willie Sandusky assisted and judged the race cars. Out of town guests were: Mr. Ralph Evans, Cub Scout Director of Bowie and Mr. Bill Henson, Nocona.

Mrs. Jerry Ellzey, daughter and grandmother of Odessa arrived in the Burg Thursday Dec. 6th to visit with Mrs. Decie Ellzey until Sunday Dec. 9th. Mrs. Jerry Ellzey is Decie's daughter-in-law.

The Forestburg High School has a new student as of last week. He is Mike Almon — grandson of Mr. and Mrs. "Dude" Berry with whom he is now residing.

Mr. and Mrs. Bill Baker of Aubrey visited with Mrs. Georgia Greenwood and family on Friday Dec. 7th.

Mrs. Marion Sockwell headed her little Olds Cutless toward Denton Fri. Dec. 7th where she spent the day visiting with relatives and friends.

Mr. and Mrs. Sam Parsons of Wichita Falls are the parents of a new baby girl born Saturday Dec. 8th. Young Rhonda Kay weighed in at 8 lbs. 13 oz. Grandparents are: Mr. and Mrs. Slim Parsons of Saint Jo, and Mr. and Mrs. Buford Greenwood. Great-grandparents: Mr. and Mrs. D.D. Echols of Mallard and Mrs. Georgia Greenwood.

The Jackson brothers and their sister had their annual Christmas get together Sunday December 9th at the home of Mr. and Mrs. "Hob" Jackson in Fort Worth. Attending were all of the Hob Jackson's children and families, Mr. and Mrs. Warren Jackson of Wichita Falls and their children, Mr. and Mrs. Ted Jackson of Forestburg, Mrs. Eula Steen (the sister) of Saint Jo, Mr. and Mrs. Winston Steen of Fort Worth and their family, Mrs. Vera Jackson of Nocona and daughter and family of Amarillo. The Ted Jacksons report a wonderful meal and day was had by all present.

The Jack C. Dills had their traditional Christmas Tree Hunt day and dinner on Sunday December 9th. Those taking part were: Mr. and Mrs. Charles Dill and

sons, Mr. and Mrs. Larry Dill and son, Mr. and Mrs. Faith Sandusky and Willie, Vatori Dill and Rev. and Mrs. Rick Ricker of Dallas.

Then on Monday a.m. December 10th Dills Garage here in the Burg had the Annual Christmas Street Lights put up in Forestburg. It is the Dills way of saying Merry Christmas to all their customers, friends and relatives in the Forestburg area — in lieu of sending

cards.

On Monday December 10th yours truly and my buddy Betty Reynolds made our way over to Bowie where we visited with Mmes. Nina Salter and Jean Brookshire. Then we pounded the sidewalk of that town doing our usual "looking, pinching and feeling." Met up with Mrs. Halzel Greenwood and granddaughter Tanya and Mrs. and Mrs. Gene Lanier.

Forestburg has a New Shoe Factory since Monday Dec. 3rd.

Another CAT Program Starts

A critical area treatment (CAT) program on the H.L. Settle farm near Rosston has just been announced by the Upper Elm Red Soil and Water Conservation District.

Through the program a large grade stabilization structure will be shaped to provide a safe outlet for about 7 acres of critically eroding gullies. When shaped the area will be vegetated to Coastal Bermuda and a cost-shared fence will be built to provide protection while and after grass is being established. Fertilizer

for the grass is also a cost-share item.

The CAT program provides about 80 per cent of the project and the landowner about 20 per cent. If work progresses according to plan the gullies will produce grass in about a year.

The Upper Elm Red Soil and Water Conservation District encourages other owners of Clear Creek, Elm Fork and Isle Du Bois watersheds of Cooke County to take advantage of this fine program if they have gullied areas. Information is available at the Muenster and Gainesville SCS offices.

Gullied area on H.L. Settle Jr. farm will be shaped and sodded through CAT program. Nearly \$200,000 was obligated under this program in 1979 in the Upper Elm Red Soil and Water Conservation District.

Computer offers new slant to drilling offshore wells

The earliest known map specimens are clay tablets carved by Babylonians four thousand years ago to mark the location of fertile river valleys. Those first Babylonian cartographers would be awestruck by a 20th century map-making innovation: a computerized

draftsman used by Aminoil USA, Inc. to mark the location of fertile energy fields. Aminoil's computerized well course and geology file was developed for the company's Huntington Beach (Calif.) offshore field, one of the largest oil fields in the United States.

During more than 30 years of production, over 1,600 wells have been drilled in Aminoil's leases at the field. The data about the field's geological complexity and the maze of wells that were slant-drilled from shore to oil reservoirs deep under the coastal waters finally became too much for the mind to retain.

Ted Ehring, Aminoil's manager of development geology, remedied the problem by developing a computerized data bank that surpasses the powers of the human mind. The computer's precise maps of these hundreds of well courses are invaluable to drilling engineers at Huntington Beach, where many of the original wells had to be redrilled.

The courses for new wells had to be closely controlled to avoid collisions with the maze of wells already in existence. Errors in the hand-drawn maps used before the computer system was developed sometimes resulted in drilling collisions, which caused lost production and occasional blow-outs.

Since Ehring's computer system was completed in 1968, there have not been any drilling collisions at Huntington Beach. "Now, we can drill a well that passes within 20 feet of another well — or even closer, if necessary," notes Ehring.

Any proposed new well course is fed into the computer, which searches its data bank for interference along the proposed route. Drilling engineers can then adjust their courses if necessary. "This mechanical draftsman saves us a tremendous amount of time," adds

Ehring. "Hand-plotting a well course took about a week, but the computer draws a map in 20 minutes, and without error."

The computer's geological data has done more than aid the drilling program at Huntington Beach; it has contributed to successful development of the entire field. Obtaining accurate information about the complex geology of the field has been critical to the secondary recovery techniques used to pump oil from the ground after conventional methods no longer succeed. In some cases, interpretation of the computer's geological data has led to the discovery of new, significant oil reserves.

VOTE FOR Don Flusche

WHY?

He does not have any kids going to school there!

I think this is a very important issue. #1 I sent my kids to the Public School because at the time I didn't think I could afford the expense of the Catholic School. #2 I didn't realize at the time how important a good Catholic education was to a child.

As we grow older we get wiser and now I can understand why we need a good Catholic School with teachers who are Nuns or Lay teachers capable of teaching religion along with the other subjects.

I strongly believe we should try to get more Nuns to teach and also believe the Benedictine Order is the finest available, however if there are not enough Benedictines available lets explore other Orders to fill our needs.

This will benefit us two ways: It will give our kids a quality education at a lesser price.

What other reasons do I have to want to be on the school board?

I am a business man, not wealthy in any respect, I do manage to keep my bills paid. Good business decisions are very important aspects of the school board. I really do believe I can be of some assistance.

Are these my real true feelings?

Yes they are. Why would a person with plenty to do already, running several businesses, want to get involved in a thankless job where some bad feelings from a number of people will surely come about? I feel I have stepped aside long enough and let other people take the responsibility, and now it is my turn to see what I can do for you.

I feel also that I am open minded enough to support both schools and if more of us felt that way we would have a very strong Catholic Community.

I have no groups or committees backing me or urging me in any way. I am doing this on my own convictions and your vote and confidence would be appreciated.

Thanks, Don Flusche

Komondor dogs, being used by Texas goat raisers as guard dogs, have thick white coats which work into ropelike cords, or platelets, for added protection against predators.

Komondor Guard Dogs Protecting State Goats

AUSTIN—Though she eats like a horse, and looks and smells—just a little—like a goat, Maggie's friends don't mind, because they are goats! Maggie is a five-year-old Komondor guard dog and her charges, some 300-head of Angora goats on a rocky, shinoak-covered Hamilton County ranch, are natural prey for the scores of bobcats, red foxes and coyotes in the area.

Predator losses have risen by about 33 percent over the past decade according to a survey of Texas sheep and goat raisers. Cost to the industry was an estimated \$13 million in lost sales last year alone, explained Agriculture Commissioner Reagan V. Brown.

"Mohair production peaked in the state in 1965 when 31.5 million pounds of the prized fiber were sheared in the state. But production has dwindled ever since, down to an estimated 8.1 million pounds in 1978, primarily because of predator problems," Brown said.

Goat raisers like Buster and Henny Adams, Evant, Texas, were willing to try anything to help them stay in the business. That "anything" proved to be an eight-month-old Komondor puppy, a breed that the Adamses had read a little about and which had been introduced to Texas

by Spur rancher Jim Barron.

The pup, named Maggie, joined a long line of her ancestors in guard work. Komondor dogs have been documented to have been domesticated and at work in Hungary by 12 A. D. By World War II, however, only a handful of the powerful dogs remained after the onslaught of German forces; following the war, the Hungarians had to import breeding stock to reestablish the breed in their native land.

Today, they are still probably more Komondor dogs in the U. S., primarily as show dogs, than in Hungary.

The dogs clearly show their centuries of breeding for the job they perform. In a single word: Solid. Hind legs are made for running; front legs, complete with razor-sharp toenails, for fighting. A strong muzzle conceals an amazing set of huge teeth.

But of primary concern is their "guard instincts." As Maggie learned during her first months with her goats, her job was not to herd the flock nor to chase or play boisterously, but, basically, to "hang around."

By the end of her first year, Maggie graduated and fully accepted her responsibility as guardian of both adult goats and kids under different types of pasture conditions.

Maggie has worked for the Adamses, but they are quick to point out that Komondor dogs are not necessarily the ultimate answer for all ranchers' predator problems. Nor are all Koms perfectly suited for the work. The Adamses have had several Komondor dogs since Maggie first came to the ranch and some simply have not adapted into working dogs.

For those Koms that do respond to training, however, their use is proving to be at least a partial solution to the often devastating predator problem among goats. In the years since Maggie gained full status as a guard dog, for example, not one Angora goat under her care has been lost to predators.

AMERICAN FARM EXPORTS in fiscal 1980 are expected to set record values for the eleventh straight year, notes Agriculture Commissioner Reagan V. Brown, and Texas will again capture a large share of that market.

"It is expected that U. S. farm exports will range from \$35 to \$40 billion in 1980, up from about \$32 billion in 1979," he said. "Texas, the nation's No. Three agricultural exporter, will likely see its \$2 billion share increased."

Brown noted that the U. S. also may reap a record \$19 billion farm trade surplus in fiscal 1980.

AMERICAN WORKERS put in fewer hours to earn grocery money than those in most other countries, according to Agriculture Commissioner Reagan V. Brown.

"Last year, it took an average Washington, D. C., worker less than 90 minutes to earn enough to buy a market basket consisting of bread, bacon, sirloin steak, pork chops, eggs, tomatoes, chicken, oranges and butter," Brown said. "Compare this to the seven hours and 15 minutes it took a Japanese worker to earn enough to purchase the same groceries."

Over two-and-a-half hours of work was required by a worker in France, and over three-and-a-half hours for a worker in the United Kingdom. Only Canadian workers fared slightly better than those in the U. S.

MHS Gets Trophy In Slidell Tourney

Muenster Hornets came home from last week's Slidell tournament with the second place trophy. After winning their two opening contests they lost the championship to Paradise 44-29.

The Hornets were less fortunate. They ended a neck and neck opening game with a 23-21 slim win over Bridgeport JV, but lost decisively to Slidell and Paradise in the next two games.

Both of the teams had to play short handed because of the tournament's conflict with a trip to Mexico by the Spanish club. The shortage became especially critical in the boys game in which four starters were absent and Frazier, the only regular got lots of extra coverage. Meanwhile Hornet reserves

had shooting troubles and Paradise gradually pulled away.

Muenster scorers were Don Frazier 18, Tim Schneider 6, Ricky Winn 4, Larry Fleitman 1.

The opening game with Bridgeport JV was one sided all the way, with Hornets leading 20-8 in the first period and extending their margin in the next three quarters to the final count of 57-31.

Scorers were Don Frazier 14, Ricky Winn 13, Larry Fleitman 11, Kevin Felderhoff 8, Gary Klement 4, Scott Marquardt 3, Glenn Fisher 2, Tony Otto 2.

The win placed MHS in the champ bracket, where it faced Chico in the semi-final. That contest was a hot one all the way with the Hornets holding an apparent comfortable lead of 25-16 at the half and barely surviving when the Dragons trailed only 28-23 and 38-36 at the third and fourth periods.

The point makers were Don Frazier 17, Ricky Winn 7, Larry Fleitman 4, Tim Schneider 4, Gary Klement 3, Kevin Felderhoff 2, Scott Marquardt 1.

Muenster High girls started the tournament with their first win of the season. It was a real tussle separated by only a few points all the way, and at the end the Hornets were at the happy

end of 23-21.

Stephanie Richey led the scoring with 9, Charlotte Fleitman added 4, Jill Walterscheid 4, Carla Walterscheid 3, Kyla Hale 2, Wanda Schneider 1.

The opponent was Bridgeport JV, and the action changed considerably when Slidell, the semi-final opponent came along. The game was no contest. Slidell jumped to a 16-3 first quarter lead and kept pouring 'em in until the 43-17 final count. Hornette point makers were Carla Walterscheid 4, Charlotte Fleitman 4, Stephanie Richey 3, Kyla Hale 2, Mary Winn 2.

Playing Paradise for third place honor the Hornets played second best until their final deficit of 55-33. Stephanie Richey scored 7, Kyla Hale 6, Carla Walterscheid 6, Charlotte Fleitman 5, Jill Walterscheid 4, Judy Walterscheid 3, Wanda Schneider 2.

Considering absences on both teams and the stout competition, MHS coaches were happy with the records of their players.

Winners Named in K of C Free Throw

Forty boys and girls, ages 11 through 14, participated Saturday in the annual basketball free throw sponsored by Muenster Knights of Columbus in cooperation with the state KC Council. This is a state wide program advancing through council, district, region and state competitions.

Winner at each level are eligible to compete in the next, however the second high in each category was also listed to be the alternate in case the winner cannot appear.

Method of the contest was to shoot 15 free throws and the number of shots made became the official score. It was held in the MHS gym Saturday.

The two leaders in each classification are as follows:
Boys 14 year: Kevin Felderhoff 13, Garland Tate 9; 13 year: Neil Hesse 11, Duane Haverkamp 10; 12 year: David Winn 10, Cory Klement 9, Doyle Lewis 9, Neil Flusche 9; 11 year: Darren Walterscheid 9, Rayan Klement 8.

Girls 14 year: Stephanie Richey 11, Debbie Bindel 10; 13 year: Puppet Stoffels 11, Diane Gibson 9; 12 year: Jo Ell Hellman 10, Jeanne Pagel 4; 11 year: Melanie Richey.

Tigerettes Win Trophy at Sanger

Tigerettes of Sacred Heart won their first trophy of the season during the past weekend at Sanger. It was third place prize for a 39-34 decision over Northwest Junior High.

After a well matched first half, which the NW girls led by scores of 8-5 and 22-21, the SH defense took control and for an impressive third

Tigers Win 1 of 3 In Sanger Tourney

Little by little the Tigers basketball team is improving after its late start, as indicated in their effort at the Sanger tournament. They gave Bonham a hot race for a while before losing the consolation final 67-48. Late in the first half they pulled even to a 30-30 tie but could not stand the progress and trailed 37-32 at intermission. Then they had a tragic third period ending 50-36 and Bonham coasted to its easy 67-48 win.

SH faced Grandview in its opener, losing the game mostly in the first quarter. The score was 23-7 after which the Tigers played near even for 23-20, 54-30 and 73-50 at the next three periods.

Mel Walterscheid sanged the net with 23 points, Monte Endres got 10, Kenny Hartman 7, Mark Nasche 4, Brian Herr 3, Darrell Herr 2, Brian Bindel 2.

The consolation semi final was one sided in Sacred Heart's favor. Playing Gainesville JV the Tigers started with a 20-4 first quarter and kept gaining by scores of 38-15, 56-24 and 62-38. All had a turn of the action, the scorers were Monte Endres 16, Kenny Hartman 10, Gene Fuhrman 8, Mel Walterscheid 8, Brian Bindel 6, Brian Herr 2, Darrell Herr 2.

Tiger point makers of the last game were Mel Walterscheid 17, Brian Bindel 8, Monte Endres 7, Kenny Hartman 5, Mark Nasche 5, Gene Fuhrman 2, Greg Walterscheid 2, Brian Herr 2.

quarter lead and held out in the fourth for the win of 39-34. Tigerette scorers were Toni Hoedebeck 13, Virginia Bartush 8, Shelly Walterscheid 8, Carol Walterscheid 7, Ginger Fleitman 3.

On their way to the trophy the girls had no problems in their opener with McKinney JV. Scorers at the quarters were 12-4, 27-8, 33-22 and 40 - 29. Toni Hoedebeck led the way with 16,

Virginia Bartush had 10, Carol Walterscheid 5, Christi Felderhoff 3, Rhonda Endres 3, Shelly Walterscheid 2, Angie Bartush 1.

The champ semifinal also was no contest. Tigerettes were outscored by Sanger varsity by counts of 19-6, 30-10, 37-15 and 53-27. Scorers for SH were Shelly Walterscheid 10, Virginia Bartush 9, Toni Hoedebeck 2, Rhonda Endres 2, Carol Walterscheid 2, Christi Felderhoff 2.

To Stuff Turkey, or Not to Stuff

Stuffed turkey — or roasted turkey with dressing — is the star attraction of many Christmas meals. However, a few precautions should be followed to make sure that the stuffing is of the highest quality and entirely safe.

Problems with a stuffed turkey may result from under-cooking. Other safety hazards may arise if the stuffed turkey is stored prior to cooking.

"A stuffed turkey, if improperly handled or cooked, can be an ideal place for harmful bacteria to grow. Like most living things, bacteria requires proper nutrients, moisture and temperature. Generally, bacteria is introduced when the stuffing is prepared," points out Dr. David B. Mellor, Texas Agricultural Extension Service poultry marketing specialist, Texas A&M University System.

A safe method for preparing bread stuffing—and stuffing a turkey—is to combine the ingredients, stuff the bird and immediately begin roasting it in a pre-heated oven Mellor says.

"A meat thermometer may be inserted through the skin between the first and second ribs and directed toward the center of the stuffing to take the temperature of stuffing. The thermometer should read 165 degrees Fahrenheit when the stuffing is cooked. This temperature is high enough to kill any food poisoning organisms," Mellor explains.

Research shows that turkey cooked to an internal meat temperature of 180 degrees Fahrenheit in a calibrated oven at 325 degrees Fahrenheit came out ahead in flavor, tenderness, juiciness and yield, as well as heat penetration and safety for both turkey and dressing, Mellor adds.

"Most turkey bags have instructions for thawing and roasting, which should be followed with care. Holiday chefs should be sure to cook the turkey meat to an internal temperature of 180 degrees Fahrenheit and the stuffing to 165 degrees Fahrenheit," the specialist cautions.

To prepare a turkey for stuffing, salt the body cavity before adding the stuffing. Prepare and place the stuffing in the bird just prior to roasting. Stuff loosely to allow for expansion. Never hold a stuffed, uncooked

turkey at room temperature or in the refrigerator—proceed with the cooking process immediately, Mellor says.

After serving the turkey and stuffing, remove the remaining dressing from the turkey body cavity and the meat from the carcass before storing each in the refrigerator. This will assure a shorter cooling period for the stuffing as well as the turkey.

"Always refrigerate leftover stuffing and turkey as quickly as possible to assure rapid cooling and prevent any possible growth of bacteria. Stuffing and meat should both be refrigerated at least within four hours after removal from the oven. Plan to use cooked, refrigerated stuffing and turkey within five days," Mellor suggests.

YOUR ELECTRICITY... STILL A GOOD VALUE!

Here's how to figure what it cost you today.

When you break down your charges for electricity on a per-day basis, the value you're receiving for your dollar comes into much sharper focus.

On your monthly electric bill, first look at the date your meter was last read (PRES. READ DATE) and, then, the date it was read previously (PREV. READ DATE) and count the number of days between the two. Divide that number into your total charges for the month (TOTAL CURRENT MO. BILL). The result is the small amount you spend each day to enjoy all the things that dependable electricity makes possible in your home. Electricity... one of today's best energy values.

A Dream Of A Pie

Fluffy Pineapple Rum Pie is a dessert to celebrate about. It is elegant, festive and a dream of a pie to prepare. The secret of the fluffy filling mixture is the combination of Dream Whip whipped topping mix and instant pudding and pie filling. Blend all the ingredients in one bowl, add crushed pineapple and rum, pour into the pie shell, chill and enjoy your holiday!

Fluffy Pineapple Rum Pie

- 2 envelopes whipped topping mix
- 1 can (8 oz.) crushed pineapple in juice
- 2-1/4 cups cold milk
- 3 tablespoons light rum*
- 2 packages (4-serving size) coconut cream flavor instant pudding and pie filling
- 1 baked 9-inch pie shell, cooled

*Or use 3/4 teaspoon rum extract.

Prepare whipped topping mix with 1 cup of the milk as directed on package, using large mixer bowl. Add remaining 1-1/4 cups milk, the pie filling mix, undrained pineapple and rum. Blend; then beat at high speed for 2 minutes, scraping bowl occasionally. Spoon into pie shell. Chill at least 4 hours. Garnish with toasted coconut, if desired.

Safety Practice Helps Prevent Holiday Fires

Prevent holiday fires with simple safety steps, cautions Claudia Kerbel.

Ms. Kerbel is a consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Here are the safety steps to remember:

- 1) Keep the Christmas tree away from fireplaces, radiators and heaters. Place it in a water stand and water it daily. Dispose of the tree when needles begin to fall off in large quantities — a sign it is dangerously dry.
- 2) Use only flameproof decorations.
- 3) Don't set up electric trains — or similar equipment — near the tree.

4) Check labels before buying outdoor lights — to make sure they're weather-proof.

5) Check tree lights and outdoor lights each year before using. Look for frayed wires, loose connections, broken or cracked sockets and spots where bare wire is exposed.

Repair them or throw them away. Be sure all lights have been tested for safety and have a "UL" Underwriters Laboratory seal.

6) Place the tree so its lights turn on and off with a switch located away from the tree.

7) Don't leave tree lights burning while away from home — or after going to

bed.

8) Don't overload electrical outlets. Don't put more than three sets of lights on any extension cord. Also, keep connections away from the water supply of a live tree.

9) In decorating, use a balanced ladder — never a box, bench or chair.

10) Never use wax candles on a tree, near it or near other flammable items, such as pine boughs.

11) Teach children the importance of these safety steps. Make an emergency plan to use if fire breaks out anywhere in the house. Be sure each family member knows what to do.

Increases in Pork Production Mean Plentiful Supply in State

AUSTIN—Pork will be in plentiful supply for holiday cooking, notes Agriculture Commissioner Reagan V. Brown.

Production, up an overall 20 percent over 1978 for the year, received a big monthly boost of some 61 percent in October alone.

According to Agriculture Commissioner Reagan V. Brown, October hog slaughter in Texas totaled 145,800 head, which brought the total hog slaughter for this year to 1,064,500 head. This translates into over 37 million pounds of pork for October (live weight) and almost 278 million pounds for the year.

"The increase in pork production follows a national trend, and is partially in response to declines in production of other types of

red meat, particularly beef," said Brown. "A shortage of cattle and calves has cut Texas beef production substantially."

Brown noted that the total number of cattle slaughtered from January to October of this year was down 14 percent from the same period in 1978. Calf slaughter showed an even greater drop, and was down 45 percent.

Sheep and lamb slaughter during October was estimated at 86,200 head, down 2 percent from last year. The 10-month total for 1979 was 774,100 head, up 20 percent from a year ago.

Total commercial red meat production for Texas during October, as estimated by the Texas Crop and Livestock Reporting Service, was 351 million pounds, down 5 percent from last year.

Gobblers Plentiful, Reasonable For Holidays and into New Year

AUSTIN—As 1979 nears an end, the turkey trend in Texas continues to boom, according to Agriculture Commissioner Reagan V. Brown.

"Figures compiled by the Texas Crop and Livestock Reporting Service show that Texas turkey producers continued to hatch large numbers of poults during October, which will ensure ample supplies of turkey well into 1980," said Brown. "As for this Christmas, there will be no shortage of turkey at reasonable prices," he added. In August, Texas producers

hatched 25 percent more turkey poults than in 1978. In September, a total of 590,000 poults were hatched, a 52-percent rise over the same month a year ago. October figures show that turkey poults hatched totaled 465,000, 48 percent above 1978.

Brown noted that while roast turkey remains America's traditional holiday food, it is gaining increased acceptance as a year-round product, thanks to the marketing of turkey hot dogs, turkey pastrami, and a wide range of other turkey items.

SCHOOL NEWS

Camp Fire News

Fifth grade Camp Fire members are Gail Fisher, Kelly Hennigan, Sharon Henscheid, Theresa Whitley, Dayna Stoffels, Shari Voth, Kerry Haverkamp, Sally Stoffels, Beverly Haverkamp, and Rhonda Truelsenbach.

For president, they elected Sharon Henscheid; for reporter Gail Fisher; for treasurer Shari Voth; for the phone committee Dayna Stoffels and Thersa Whitley.

Attending camp were Charla Bayer, Tonya Fisher, Gail Fisher, Janie Fisher, Beverly Haverkamp, Kerry Haverkamp, Sally Stoffels, Dayna Stoffels, Sharon Henscheid, Shari Voth and Kelly Hennigan.

Kathy O'Rourke 5th grade teacher at SHS and Eileen Fisher, 3rd grade teacher helped the group at camp, with cooking and cleaning.

Camp Fire leaders for this group are Betty Henscheid and Eileen Fisher.

The second meeting of the Adventure group of Camp

Fire was held in the home of Betty and Sharon Henscheid. Refreshments were provided by Gail Fisher. Following a brief business meeting, the girls began working on Christmas gifts for their parents until 5 p.m. The next meeting will be in the Henscheid home on December 11.

Joint program in engineering established

STEPHENVILLE — A joint program in engineering education between Tarleton State University and Texas A&M University has been established.

The program sets curricula at the Stephenville institution so students may transfer in the third year to Texas A&M's engineering degree programs at College Station.

Curricula in mechanical, electrical, civil and industrial engineering will be developed initially.

Student Council

Sponsored by the Student Council, Friday, December 7, Western Day was great fun. All students dressed in western style, including boots, belts and hats. The class with greatest participation won points for super class. Winners, in order named, were freshmen, juniors, sophomores and seniors.

The schedule for Wednesday, December 12 included a movie, "See No Evil". All students attended.

December 21 is Senior Day at SHHS.

On Sunday, December 9, all classes decorated home rooms and lockers for

Christmas. This was also for super class competition. Results were, in order named, sophomores, juniors, freshmen and seniors.

December 21 is the day set for all classes to have Christmas parties at school.

Standing date for Super Class are: sophomores 50 points, freshmen 45 points, seniors 43 points, juniors 37 points.

C.Y.O.

The C.Y.O. has a dance planned for December 14. Music will be by Joe City of Denton, 8:30-12:30. Admission will be \$3 per person or \$5 per couple. No alcohol is allowed.

ON COURSE

A FAIRWAY FRIENDSHIP is budding between March of Dimes 1980 National Poster Child Betsy Burch and Arnold Palmer. The two have much in common, especially a desire to see the threat of birth defects removed. Palmer is National Chairman for the March of Dimes, whose mission is prevention of birth defects. Betsy, 6, of Stone Mountain, Ga., was born with webbed fingers and a malformed right leg. She represents more than a quarter of a million babies born annually with birth defects.

D. Endres Speaks to Young Homemakers

The Muenster chapter of Young Homemakers of Texas enjoyed a program presented by Mrs. Dorothy Endres on Ceramics, during their meeting on December 5 in the Homemaking Department of MHS at 7:30 p.m. Mrs. Endres who was introduced by Mrs. Pam Dangelmayr showed examples of each process, from the first step to the finished piece and also discussed various finishes. Janet Fisher presented a gift of appreciation to Mrs. Endres.

During the business meeting Mrs. Shirley Knabe gave the devotional and Mrs. Fisher gave the treasurer's report.

Plans were made for members and husbands to have a hay ride and caroling party on Sunday, December 16. They will meet at the Community Center parking lot at 7 p.m. Members are reminded to bring their own drinks, flash lights and wraps and blankets. Members are also asked to contact Janet Fisher at 759-2527 before December 14 to indicate if they plan to attend.

Mrs. Karlyn Hermes served refreshments, and members wrapped gifts for their "Toys For Tots" project to be presented to Muenster Memorial Hospital.

The next meeting will be on January 9, 1980 at 7:30 p.m. in the MHS Homemaking Department, when Mrs. Tulu Hickerson gives a program on "Food Processors."

Visit In South Texas
Mrs. August Fleitman's mother, Mrs. Pearl Richardson, her sister Laverna and her brother Mark, all of Gainesville were in Markham in South Texas during the weekend to visit Jess Martin, fiancé of Pearl Richardson. They were joined by Norman Snodgrass, fiancé of Laverna Richardson, of Edinburg. From the Matagorda Bay area, the group brought back lovely shells that had washed ashore, and shared them with the August Fleitman family. Both Mrs. Richardson and her daughter Laverna are planning early spring weddings.

HOW HIGH IS YOUR E.Q.?
(Economics Quotient)

CAN YOU ANSWER THESE BASIC ECONOMIC QUESTIONS?

- True False
- (1) One out of five American workers belongs to a labor union.
 - (2) Producers of goods outnumber producers of services in our economy.
 - (3) In 1977, the investment in equipment and facilities averaged over \$44,000 for each production worker in American industry.
- If you found these questions tough, your Economics Quotient, your E.Q., could probably stand some improvement.

A special booklet has been prepared to help you learn more about what makes our American Economic System tick. It's fact-filled, easy reading and free. It's also an easy way to raise your E.Q.

Mr. and Mrs. Bob Voth are parents of their second daughter, Robin Linzee born at Wilson N. Jones Hospital Sunday, December 9 at 5 a.m. weighing 6 lb. 10 oz. She is a sister for Tracie and a granddaughter for Mrs. Ruth Branch and Joe and Vina Voth. Mrs. Bob Voth is the former Peggy Branch.

Mr. and Mrs. Glenn Stockard announce the birth of a son, Jason Andrew, on Tuesday, December 4 at 6:21 a.m., weighing 8 lb. 6 oz. in Muenster Memorial Hospital. His grandparents are Mr. and Mrs. Albert Hess of Muenster and Mrs. and Mrs. Carl Stockard of Gainesville. Jason Andrew is a brother for Branden. Mrs. Glenn Stockard is the former Florence Hess.

Construction Begins on Seed Lab

AUSTIN—Ground breaking ceremonies held in Vernon Nov. 28 mark the beginning of construction there of a new Texas Department of Agriculture (TDA) seed laboratory being designed to expand the Department's seed testing capabilities and provide quicker service for seedsmen and farmers in the Vernon area and throughout the state.

Agriculture Commissioner Reagan V. Brown was on hand for the ceremonies. "When completed on March 1, 1980, this new lab will be a very valuable addition to the TDA seed program and will help handle the heavy workload on our three existing laboratories in Lubbock, Stephenville and Giddings," Brown said.

The laboratory will be located at 5015 College Drive, adjacent to the TDA District 4 Office, which is housed in the Ag. Service Center, noted District Supervisor Ronald Bertrand. It will contain specialized seed testing equipment and will utilize a staff of from three to eight persons.

TDA seed laboratories are responsible for testing commercial seed samples drawn by field inspectors to ensure that germination rate and other label information is accurate. They also provide seed testing as a service to seedsmen, farmers and other individuals. The new Vernon lab will help meet a major demand in the latter category, according to Bertrand.

In fiscal 1979, TDA seed labs conducted tests on 7,708 official samples, as well as 36,119 service samples (for individuals).

Merry Christmas

May enchantment be your gift at Christmas. Our gift is your friendship, thanks.

Auxiliary Asks for Donations in Lieu of Greeting Cards

The Muenster Hospital Auxiliary is sponsoring its annual holiday project "In Lieu of Christmas Cards", whereby donations may be made to the auxiliary benefit program for Muenster Memorial Hospital.

Mrs. Herb Miller is chairman. She urges the donation of an amount ordinarily spent for cards and postage. Deadline to included is December 15. Names of donors will be printed in a special greeting in the Christmas issue of the Muenster Enterprise, but individual amounts will not be listed.

Checks should be made payable to the Muenster Hospital Auxiliary and sent to Mrs. Herb Miller, Box 158, Muenster Texas 76252.

KofCs Sponsor Prayer Hour Honoring Virgin of Guadalupe

A "Pilgrim Virgin Family Hour of Prayer", sponsored by the Muenster Knights of Columbus Council will be held Saturday night at the evening Mass in Sacred Heart Church.

District Deputy Eddie Fleitman said the special devotion is being held in connection with a state wide K of C program in which two portraits of Our Lady of Guadalupe are on a year long tour to all K of C districts of the state.

Each district has the framed portrait of the Empress of the Americas for one week during which all councils of the district will conduct the Family Hour of Prayer as outlined by Bishop Greco, state chaplain, and consisting of a beautiful series of recitations by the council chaplain assisted by the grand knight and other council officers. The portrait is assigned to District 47 in the week beginning December 13, and to the Muenster council on Dec. 15.

The special devotion commemorates the miracle of Our Lady of Guadalupe which occurred near Mexico City three centuries before Texas became a nation and a state. The miracle is still there, a life sized portrait of the Blessed Virgin in a gold frame above the main altar in the Basilica of our Lady of Guadalupe.

Confetti...

of keeping them happy. Of course the prison program has many good points. It deserves praise for providing healthful and clean quarters, for encouraging study programs so that the lost years can be used at self-improvement, for work programs whereby prisoners can earn and save at honest work. But there's no valid reason for allowing these characters, who are already a burden on society, to share in benefits which are intended for deserving people.

As we compare conditions in the rest of the world we find many many blessings for which to give thanks. But this constant payment of tax money to support criminals in luxury they don't deserve or to lavish them with welfare payments is not one of those blessings.

Politicians should realize that they are being over solicitous about the rights of people who are already violating the rights of the rest of us.
