

A few days ago Paul Harvey told about two black Americans who were fed up with conditions in this country and moved to Africa for a better life. That was nine years ago. Now they're back here complaining that the problems they tried to escape from are much worse in the land of their ancestors.

Even the poor blacks of America enjoy a better standard of living than their kinsmen over there, particularly in the countries where the old colonial rule has been overthrown and rival tribes are fighting for control. They have fewer of life's necessities and still fewer of its comforts, besides the daily dangers of tribal flareups that often take place in the power struggle.

Actually it has reached the point where hostility, treachery and fighting are dreaded more than primitive poverty. One can easily understand why they prefer being in the good old USA. The worst of our civil rights flareups were trifles compared with tribal strife which has been stirred up under the hypocritical motive of giving the country back to its natives. In one case after another we have seen countries destroyed by reds seeking to establish their influence.

The men had other information which ought to inspire a change in our government's African policy. They say that the continent's most progressive and most satisfied blacks are those in the white-rule nations of Rhodesia and South Africa. The people know their blessings and they do not want a change. They find no fault in the way that whites are running the two countries, but they dread the bloodletting that will follow the removal of whites. Furthermore they fear the kind of government that will result from the power struggle. So far every black rule has been inferior to the white rule that was kicked out.

All this is especially significant in relation to Henry Kissinger's current efforts to work out a change from white to black rule in the two countries concerned. His program is to turn the continent over to blacks regardless of consequence. Apparently he's not impressed by the fact that whites did much more than get rich. They built cities and civilization and a standard of life that would be unknown without them. Kissinger must know that in disposing of present leaders he is destroying progress of blacks as well as whites.

Developments elsewhere indicate that while a power struggle is underway the reds can be expected to send help to their favorite tribes, as they did in Angola. In return for that help, of course, they would be expected to have certain influence. It is not just a coincidence that USSR is given the opportunity to horn into an area that is fabulously wealthy in diamonds, gold, oil, chromium and other minerals. The reds would like to control world markets in those items besides setting up a naval base to control shipping south of the continent.

The propaganda about giving blacks their due rings rather hollow when one visualizes the possible consequence of giving the country back to its natives. Surely Kissinger must be aware that the immediate result would be turmoil and warfare and the long range result would very probably be more extension of global communism and Soviet power. It all makes us wonder whether the man is on our side or Moscow's.

This column was disappointed last week in Ford's loss of the presidential race. But the disappointment is less severe when we think of the satisfaction of canning Kissinger.

Nick Koelzer, 52 Dies in St. Louis

Nick Koelzer, 52, a relative of the Koelzer and Luke families, died early Thursday morning in Saint Louis, according to a message received here.

A son of the late Mr. and Mrs. Mike Koelzer of Hereford, Nick has lived in St. Louis since shortly after World War II. He was owner and operator of a type-setting business.

Tigers to Tangle With Knights for TCIL Loop Title

The TCIL district championship and a place in the state playoff will be on the line Friday night when the Sacred Heart Tigers square off against Notre Dame's Knights at Iowa Park.

The big showdown is scheduled for 7:30 o'clock in the old stadium of Iowa Park High. Directions to get there are explained as follows by Coach Ed Stock. From Wichita Falls take the Amarillo highway until the Iowa Park exit and follow it some 2 or 3 blocks to a stadium on the left. Make sure to avoid the new stadium where another game will be played.

The teams will be competing for the privilege of representing the district in the state semifinal clash with St. Anthony Seminary of San Antonio.

As the signs are pointing now, the game will be not only the year's biggest for SHHS but the toughest. The Knights, originally picked ahead of the Tigers in state rating have been building up momentum in three consecutive wins lately. One of those wins was over Tyler Gorman by a count of 21-20, and another was 30-0 over Christ the King. Like the Tigers they are 2-0 in conference standing. For the season they are 5-4 whereas the Tigers are 7-2.

Physically the team comparison seems to be about 50-50. ND will have a clear weight advantage with about five 200 pounders in the line and bigger backs as well. But the SH boys have shown quickness in the line and speed in the backfield, a combination which hopefully will enable them to spring the big plays.

Like the Knights, the Tigers also have momentum going for them. They have been improving with every game, playing good basic football and making fewer mistakes. Turnovers and penalties have not been problems in recent games.

As seen by Coach Stock Sacred Heart has an excellent chance to come out in front, but only by playing tough and alert all of the way. They can take warning that the Knights are opportunists, cashing in on mistakes as they did last week against Tyler Gorman and last year against Sacred Heart.

Ross Point Supper

Members of the Ross Point Community Club will have their annual harvest supper Saturday night from 5 to 9 in the community center building of Rosston. Tickets for "all you can eat" are \$2.50 for adults and \$1.50 for children.

New Business

The newest business in town is Shirley's Kut and Kurl, a beauty shop owned and operated by Shirley Eldred, formerly of Carol's Beauty Salon. The business is located in Sylvan's Trailer Park, south of H&W Meat Co.

Hornets Head for Bi District

By a 20-0 victory over Archer City's Wildcats Friday night the Muenster Hornets cinched a tie for the district championship and also earned the right to represent 13-A in bi-district competition.

As of now MHS standing is 4-0, and the only remaining opponent is Callisburg, which is scheduled here Friday. A win then would give the Hornets sole claim to the title. A loss would make them share the title with Holliday. However, win or lose, MHS gets the honors of representing the district because of its win over Holliday.

That's how it is now, but the team and coaches intend to have the clear title and bi-district assignment sewed up at the end of Friday's game.

In other district games last week Holliday beat Callisburg 42-14 and Lindsay beat Petrolia 28-14. Loop standings are Muenster 4-0, Holliday 3-1, Archer City 2-2, Lindsay 1-2-1,

Memorial Service For KCs Will Be Held Sunday at 2

Muenster Knights of Columbus will honor deceased members of their council at annual memorial service next Sunday, 2 p.m. in the council chamber.

Grand Knight Dale Klement made the announcement this week, adding that families and friends of the deceased will be welcome, and that members are encouraged to bring their wives.

The service will be preceded by a mass with Father Stephen Eckart, chaplain, as the celebrant. Attendance at it can be regarded as the regular Sunday obligation.

Saturday Is Date For Annual County 4-H Project Fair

It's fair time again, but just for 4-H members to exhibit project articles. The show will be held Saturday, November 13, in the Cooke County Library in Gainesville. Items may be entered Friday, November 12, between 4 and 6 p.m. at the library meeting room. The display will be open to the public between noon and 4 p.m. Saturday, and club members may pick up their items between 4 and 6 p.m.

Items must have been made during the past year, and not entered in another 4-H contest. There is no limit on the number of entries, but members may only enter one item in each category. Blue, red or white ribbons will be awarded each entry.

The categories are photography, electricity, welding, woodworking, mini gardens, foods, home living, safety, health, conservation of natural resources, citizenship, reporting, child care, home management, bicycle, creative arts, entomology, recreation, knitting, crocheting, weaving, needlepoint, embroidering and tanning.

Members are asked to attach their name, club, and entry category to the bottom or back of their entry. Additional information or copies of entries are available from the County Extension Office in the Courthouse basement in Gainesville.

Hollis Berry 61 Of Rosston Dies

Hollis M. Berry, 61, a native and lifelong resident of Rosston, died Sunday at 6:45 a.m. in Gainesville Hospital after a short illness.

Funeral service was held Monday at 2 in the Geo. J. Carroll & Son chapel with the Reverend Al Ellinburg and the Rev. Andy Stowe officiating, and burial was in Rosston cemetery.

Berry was born in Rosston, Oct. 12, 1915, a son of community pioneers Mr. and Mrs. Hollis Berry. He was a farmer and rancher.

Survivors are his wife, Ellen; one daughter, Carolyn Boyd of Gainesville; one son, Hollis Ward Berry of Houston; three grandchildren; two brothers, George Berry of Houston and Jack Berry of Rosston, and one sister, Ruth Berry of Gainesville.

Goal Topped In UW Drive

This community's United Way campaign went over the top in a big way. Chairman Bill Bedrick stated Tuesday that \$3109.50 has been received and more is expected, a generous margin over the goal of \$3000. It is also a gratifying increase over last year's total of about \$2700.

Bedrick added that the community can be proud of its fine response and it also has the satisfaction of knowing that a good portion of the donation will come back home. Some of it is destined for the Muenster youth program, some for Red Cross swim classes, and some for 4-H and FFA projects. In addition local people, like any others, are eligible to share in the other funds.

Bedrick's helpers in the good work were John David Meurer, Henry Weinzapfel, Bernice Sicking, Monica Hess, Dennis Hess, Arthur Endres, Alvin Fuhrman and John Pagel.

PTO Meeting, Nov. 15

The PTO of Muenster Public School will meet Monday, November 15 at 7:30 in the auditorium. Homemaking and FFA students will present a style show of garments they have made. All parents are invited and urged to attend. The business meeting will include a discussion of the school lunch program.

Tigers Trip Trojans 42-15

With Felderhoff's kick the Sacred Heart's scoring machine rolled over Lubbock's Christ the King Trojans Saturday afternoon by a decisive 42-15 count to put the Tigers within reach of the District AA-4 championship. In the loop's other game of the week, Notre Dame of Wichita Falls slipped by Gorman of Tyler 21-20.

As a result the Tigers and Knights this week will determine who gets the district TCIL trophy and also who advances to the playoffs for higher honors.

For the first three quarters Sacred Heart dominated the game by springing big plays and cashing in on the breaks. However with Tiger reserves on duty in the fourth the Lubbock boys accumulated much of their yardage and all of their points. A review of the stats shows Sacred Heart leading 15-12 in first downs and 334 to 124 in rushing. The Tigers had the lead in passing 108-49.

Sacred Heart made its first drive on its first possession, after the Trojans kicked on their first series. Starting on their 47 and overcoming a clip along the way, they made it in seven plays. Big gains were 11 by Bob Hartman and 38 on a reverse by Joe Sicking. Craig Sangster scored from the 3 as the clock read 7:51. Kenny Felderhoff's kick added a bonus point.

After kickoff the Trojans made a first down and fumbled on the next play, putting

MHS Will Play Friday for Sole Claim to Trophy

Muenster will be the long odds favorite Friday night when it squares off against Callisburg in the final game of the 13-A season. But the Hornets and their coaches are not taking anything for granted. When they recall what the Giants almost did to the Cowboys Sunday they feel emphatically reminded that the odds do not mean a thing when the underdog plays a good game and the favorite get sloppy.

Another consideration is being champ rather than just co-champ. If the Hornets lose they have to share the 13-A honor with Holliday.

But regardless of this week's result Muenster is in the bi-district playoff . . . and its opponent is the winner of Friday night's clash between Celina and Pottsboro.

As the Hornets get set for the Wildcats, Coach Don Jones expects to see his back to 100 per cent physical condition. Their offense was not up to par last Friday as the ace ball toter, Mark Sicking, was nursing a sprained ankle. Psychology was also a factor as the boys were haunted by memories of last year's disaster at Archer City. However the defense was great and the shutout compensated for failure to get more points on their side of the board.

Swine Flu Vaccinations Will Be Given Saturday

Two swine flu clinics in Cooke County, originally scheduled a few weeks ago, are re-scheduled Saturday, Nov. 13, in Muenster and Sunday, Nov. 4 in Gainesville. A report from the Texas Department of Health Resources points out that the state has resumed the immunization program after it was determined that deaths from heart attacks following vaccination were not related to the vaccine.

Vaccinations at Muenster are for the people of Muenster, Lindsay and Saint Jo and Western Cooke County and will be in the Community Center from 1 to 5 p.m. Vaccination at Gainesville, for Gainesville and the rest of Cooke County, will be in the Activities Room of Cooke County College from 1 to 8

p.m. Mrs. Lucy Williamson, of the Public Health Department in Fort Worth will supervise both clinics.

Persons between 18 and 64 years of age will receive monovalent vaccine, New Jersey Swine Flu virus. Persons 65 and older will receive bivalent whole virus vaccine, New Jersey Swine Flu virus and Victoria, which existed last winter.

Two other groups may receive the bivalent vaccine. First the persons between 18 and 64 with chronic illnesses including heart disease, broncho pulmonary diseases, chronic kidney diseases, diabetes and other chronic metabolic disorders. The other group is children 3 to 17 with the same ailments plus neuromuscular disorders, malignancies and immunodeficient states. Persons of both groups should bring a note from their physician stating the condition. Also the children under 17 should be accompanied by a parent.

All vaccines are killed virus vaccines. They should not be taken by people allergic to eggs. People who are ill and have a temperature should wait until they are recovered. And those who have taken another type of vaccine within 14 days should consult their physician before taking their vaccine.

The vaccine will be put into the muscle of the upper arm. Persons receiving it should not wear tight sleeves or shirts or blouses made of acetate fabric. Acetone, which is used to swab the arm can damage such material.

Usually people have no side effects from the vaccine. However, tenderness at the shot's area may last for several days, or fever, chills, headache or muscle ache may occur within 48 hours. It is safe for pregnant women. Anyone who has a doubt about it should consult a physician.

The clinic is free and it is also the only opportunity locally to be immunized for Swine Flu. It will not be available later in the doctors offices of Muenster.

Senate Bill 3735 provides for transfer to the federal government of civil actions or procedures for injury or death arising from administration of Swine Flu vaccine under the program.

An informed consent form must be read and signed at the clinic. It cannot be signed beforehand. Physicians and nurses will be available to answer questions.

Plans Revealed For December 4 Parade, Drawing

Planning for the big Santa parade and drawing on December 4 was described as well under control at Tuesday's luncheon meeting of the Chamber of Commerce. Following the custom of recent years, the C of C is joined by Muenster Jaycees in sponsoring the parade and drawing and the kiddies' visits with Santa Claus.

One addition to the plan was adopted at the meeting. Donations of \$30 each for parade prizes were made by Jr. Elite and Cooke County Distributing Co. and additional money for that purpose was approved by the members. Distribution of the prize money was decided as follows by a committee including Bill Bedrick, L. B. Bruns and Herb Miller.

Three prizes will be given for floats, in amounts of \$60, \$30 and \$10 for the first places. Also three prizes of \$30, \$10 and \$10 will be given for other outstanding units, including riding clubs, antique cars, decorated cars etc. And every band or drill team entered will receive \$10.

Again this year, the parade will assemble at 1 p.m. on Mesquite Street between Wilde's and Muenster Butane. Beginning at 1:30 it will move west on the highway to Main, then north to Sixth, where it will break up. After that kids will see Santa while adults attend the drawing. People waiting for the parade will get to hear Christmas singing by the Muenster Choral Group.

Committee members for the dual event are Bertha Hamric, general chairman; Al Hess, music, Jewel Otto, pickup of registrations; L. B. Bruns, P A system; Mr. and Mrs. Len Endres, recording prizes; Steve Mosler, traffic control; Willie Walterscheid, announcer; U. J. Endres, providing truck for drawing; Jaycees, conduct parade and Santa visit.

Dates Set for '77 German Festival

Dates of next year's German festival were set, as last year, for the last of April and the first of May, however the duration will be three days instead of four. Thursday was eliminated because attendance was disappointing on that day last year. Few visitors if any are expected here that early.

The dates, as agreed at the Chamber of Commerce meeting Tuesday, are Friday, Saturday and Sunday, April 29 & 30 and May 1.

Also at the meeting, President Hamric told members about a report on the nursing home planned for Muenster by Mr. and Mrs. Bill Qualls of Saint Jo. They told her that the project, though delayed, certainly is not abandoned, and they will appreciate continued support of the Chamber of Commerce.

MHS Bake Sale Nov. 16

The Senior Class of Muenster High School will hold a Bake Sale on Tuesday, November 16 at Fisher Market, 9-12 a.m. In addition, baked goods will be for sale at Jr. Elite Dress Factory.

Cast of Sixty Is Rehearsing for Auxiliary's Show

The Muenster Hospital Auxiliary's super entertainment project this Fall is "Show Boat's A Comin'!" It is a melodrama "Cast Up By The Water", a vaudeville and comedy revue with singing and dancing. There will be 60 performers. Show time is 8 p.m. on Sunday, November 21 and Monday, November 22.

A hint of the story line, to be presented in four scenes, tells of Captain French and his family who bring their Show Boat, the Dixie Queen down the Mississippi, with a harvest of entertainment, melodrama, vaudeville, comedy, dancing and singing.

General chairman of the event is Mrs. Arthur Bayer (Frances). Mrs. Roy Monday (Janie) is a special aide. Mrs. Dolphy Joe Hellman (Della) is in charge of ticket sales and Mrs. Willie Wimmer (Margie) is publicity chairman.

Directors of the four scenes are Mrs. Andy Wimmer (Ceilia), Mrs. Charles Bayer (Carolyn), Mrs. Andy Klement (Emily) and Mrs. Ted Henschel (Carol). Music will be directed by Mrs. David Bright (Juanita).

Tickets, at \$2.00 for adults and \$1.00 for students through high school, are available at Fisher Market, Hamric's, The Charm Shop and Modern Floors and Fabrics, and also at the door the evenings of performances.

MHS Band Rated Good at UIL Meet

The Muenster Hornet Band received a Division III (good) rating in the UIL Region V marching band competition held November 2 at Amon Carter Stadium of Texas Christian University.

The band presented a precision marching routine for a panel of judges and received the Division III rating from each.

The judges were band directors from Georgetown, Jacksonville and Uvalde. A factor in their judgment, they said, was the sharp appearance of the MHS Band. Director Bob Hayes and the band members have expressed sincere thanks to all the people who made the new uniforms possible.

Another phase of the event was the twirling competition in which Muenster had three entries, all receiving a rating of Division II (excellent). Pat Davidson and Cathy Flusche were solo entries and the two joined Marla Sicking for a trio entry.

Other area bands in the Class A competition were from Sanger and Pilot Point. They received the Division III rating.

SH Leaders Named In Shell National Scholarship Test

Sister Mary John Seyler, principal of Sacred Heart High School has announced the local winner and runners-up in the Century III Leaders scholarship competition.

Mr. and Mrs. Charles Bartush, is in first place and runners-up are George Luke, son of Mr. and Mrs. Tony Luke and Bob Grewing, son of Mr. and Mrs. Walter Grewing. The local contest at Sacred Heart is part of the nationwide competition for scholarships at the state and national level, funded by Shell Oil Company.

Angelo Nasche Jr. Is SH Candidate For Youth Seminar

Angelo Nasche Jr., son of Mr. and Mrs. Angelo Nasche, Sr., is the Sacred Heart High candidate eligible to attend the Hugh O'Brien Youth Foundation Leadership Seminar to be held next April 18-23, 1977 in Chicago.

The program is available to any high school student on the sophomore level in the nation's schools and is designed to seek out leadership potential. One student is selected by the school faculty to represent his or her high school. A "Blue Ribbon" committee of 51 nationally recognized men and women who represent excellence in each category of our society, reviews the candidate nomination forms received from high schools across the nation and makes final selection. At least one boy or girl from each state is chosen to attend the annual Leadership Seminar. Young people from other countries are included as well as representatives of this nation.

Since 1968 Leadership Seminars have been held on "Our Democratic Progress", "Oceanography", "Space", "Government", "The Economy", and "America's Bicentennial". In 1977 the Seminar will be on "America's Incentive System". The project is endorsed by Council of State School Officers, American Association of School Administrators, National Catholic Educational Assoc. and National Assoc. of Independent Schools.

Polution Controls "A Rip-off" Says Utility Company

Texas Power & Light Company officials announced today resolution of the controversy involving installation of emission-screening equipment at an East Texas power plant.

Texas Utilities Services, Inc. (TUSI), a Texas Power & Light affiliate, will install a so-called "scrubber" system to remove sulphur dioxide from stack gases on a generating unit at the Monticello lignite-fueled power plant near Mount Pleasant.

The Monticello plant is owned jointly by Texas Power & Light, Dallas Power & Light and Texas Electric Service Company. All three are part of the Texas Utilities Company system.

The unit for which the "scrubber" will be installed is the third at the Monticello plant. It is due to go into operation in 1978.

The controversy began in 1975 when Texas Utilities Company Chairman T. L. Austin, Jr. informed the Texas Air Quality Control Board the company would not install the "scrubber." Austin termed the system "unproven" and regulations requiring it, "arbitrary." He noted it would be an extremely expensive addition to the plant's cost of construction and operation.

The State Attorney General, acting for the TACB, filed suit in Titus County District Court. That case has now been dismissed with the TUSI agreement to install the "scrubber."

Austin stated he has not changed his position that the "scrubber" is a "rip-off to customers. The cost of owning and operating this one unit will be \$8-10 million a year and that will have to be passed on to customers in future rate increases."

In referring to the suit, Austin said, "Our quarrel is not with the TACB or Attorney General Hill. The TACB is doing a good job and we realize they are only doing what the law requires them to do — enforce Environmental Protection Agency regulations. General Hill's responsibility is to represent the TACB in this enforcement."

"However," he continued, "it has now become clear that continuing to oppose this suit at the State level would result in lengthy court proceedings and costly delay in operation of the new Monticello unit."

"Even though we lost this round," Austin said, "we still intend to try to protect the interest of our customers. We will continue to oppose unreasonable federal environmental regulations that will place an additional burden of millions of dollars of unnecessary costs on customers in the future."

Society Reports On Clothing Drive

Twenty members of Saint Joseph's Society held a short business meeting Sunday evening, at the same time Saint Anne's Society members were meeting, in the Community Center.

Wilfred Bindel presided; Denis Walterscheid read minutes and Gilbert Knabe gave the treasurer's report as a low, low balance. Members are working on means for building up the society's treasury.

Five Masses will be offered for deceased member, Earl Walterscheid.

Tony Hoenig won the door prize. Following the meeting a joint social hour was held with members of St. Anne's Society.

Mrs. Al Hess conducted the Saint Anne's Society business meeting attended by 29 members Mrs. Denis Walterscheid reported on the organization's most recent project, the annual clothing drive. She said that 43 large boxes were sent to Walls, Mississippi and the Sacred Heart Mission there. Mrs. Walterscheid thanked her committee members and all who participated and said another similar drive will be held next year.

A card of thanks was received from Sister Mary John for the \$300 donation for new school desks. Members voted a \$50 donation to MAP.

"Get-well" cards were signed for Mrs. Nick Miller and Mrs. Tony Felderhoff.

A nominating committee was appointed, including Mmes. Joe Fisher, Ronnie Hoagland and Denis Walterscheid. Announcement was made of the next NCCW meeting at Decatur on November 18, 10 a.m.

Mrs. Leo Henscheid gave a reading on "The Guardian Angel." Mrs. David Kennedy won the door prize.

Mrs. Jack Stansbury and Mrs. Bessie Richardson of Gainesville visited Tuesday afternoon with Veronica Rollman, a patient at Muenster Memorial Hospital.

Forestburg News

By Myrt Denham

The Annual Forestburg Thanksgiving Supper will be held at the Community Center Thursday, Nov. 18, at 7 p.m. There is no charge for this — just bring a salad or vegetable and desert and join your neighbors.

Then on Saturday Nov. 20 the Forestburg United Methodist Church will hold its Annual Bazaar at the Community Center. The door will open at 10 a.m. for the Bake Sale, Crafts and White Elephant Sale. A Thanksgiving Type Meal will be served at 12 noon for which there will be a charge of \$2.00 per adult and \$1.00 for children under 12 years. Free coffee will be available thru-out the day.

Mmes. Lucille Littell, Esther Shears, and Alice Shears attended the Annual District Conference of the United Methodist Women at the Bowie United Methodist Church, Saturday, Oct. 30.

Mr. and Mrs. Marvin Umberson of Fullerton, Calif., were recent visitors of Ern Umberson, Mr. and Mrs. Barney Brogdon, Mr. and Mrs. Starr Mann and Nettie Umberson.

Visiting the Doyle Lynchs on Sat. Oct. 30, were Mr. and Mrs. Mike Dixon of Weatherford.

Mr. and Mrs. Travis Landers and daughter of Euless were visitors in the Bill Landers home from Oct. 30-31.

Fleitman Baptism

Anthony Eugene, infant son of Mr. and Mrs. Eugene Fleitman of Saint Jo was baptized Sunday, November 7 at 4 p.m. in Sacred Heart Church, with Father Placidus Eckart officiating. The baby's baptismal sponsors were an aunt and uncle Virginia and

Pat Fleitman. Also attending the ceremony were the baby's parents, the Eugene Fleitmans.

MAP Birthday Party

Fifty persons attended the MAP Birthday Party Tuesday afternoon. Honored guests, observing their birthdays in November, were Mrs. Albert

Reiter, Leo Henscheid, Tony Hoinig and Albert B. Knabe. Guests came from Myra, Gainesville and Muenster. The beautiful birthday cake, in the Thanksgiving theme, depicted a Pilgrim couple.

News is formed from the first letters of North, East, West and South.

Holiday Workshop Features Meeting of Garden Club

Mrs. B. J. Swirczynski was hostess to the Muenster Garden Club in her home Monday night. The meeting featured a report on the Mini-Park and a workshop on seasonal arrangements by members.

Mrs. Paul Endres conducted the business meeting and reported names of winners in the Garden Club-sponsored Youth Communications speech contest. Mary Margaret Rohmer was first place winner, George Luke, second and Cindy Sangster third. Their topic was "Concern for Nature Today Will Design Tomorrow". It was also announced that Mary Margaret Rohmer won first place at the district level in Fort Worth. She presented her speech to the convention of Texas Garden Clubs Inc. at Ennis Tuesday evening, November 9, when she was accompanied by her parents, Mr. and Mrs. Arnold Rohmer. Also attending were Mrs. Paul Endres and Mrs. Arthur Endres.

Mrs. Paul Endres reported on the recent bridge luncheon and thanked all who helped, either by direct assistance or by attendance. She mentioned that a concentrated joint effort in their first bridge-luncheon venture equaled a very successful event.

Mrs. B. J. Swirczynski gave a report on the Mini-Park, Pavilion Landscaping and flower beds at Sacred Heart Rectory. She also displayed a scale drawing of the play equipment to be installed. She mentioned that other equipment is on order. Mrs. John Mosman reported on progress of the poster contest among school children for youth Communication; also a design contest to select a suitable sign for the Myrick Play Center.

Members also began plans for Arbor Day.

Following the business meeting, Mrs. Swirczynski served refreshments and members participated in a workshop for seasonal decorations, table arrangements and door pieces.

The December meeting will be held in the home of Mrs. Ray Wilde. Mrs. Arthur Endres will show slides of holiday interest, and members are asked to bring gifts for the Child Development Center in Gainesville.

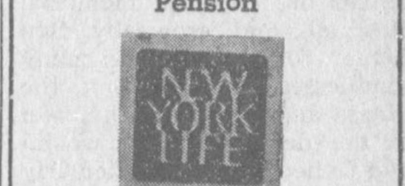

Fifth and sixth grade boys of Sacred Heart's 4-H Club met last week Tuesday with Assistant County Agent Larry Wiese attending. The boys enjoyed atiking about deer, learning to judge their age and seeing slides. Discussion on deer hunting was a special interest. Joe Koerschner is club president and Floyd Trubenbach is reporter.

Seventh and eighth grade Sacred Heart girls club met Tuesday, November 9 at 2:30 p.m. They discussed the Food Show, the Project Fair, the Livestock Show and the Share the Fun project. They also discussed the "Design for Discovery" Forum. Sharon Voth is club president, Angie Bartush is secretary and Donna Trubenbach is reporter.

Bob Reiter of Post attended the Tiger-Trojan football game in Lubbock Saturday. He arranged a scheduled business trip to coincide with the visit by friends from his former home town.

THANKS

The family of Ernest Barnhill expresses sincere gratitude to Dr. Kralicke, the nurses of Muenster Memorial Hospital, and especially Ben Lamar, for the care and many kindnesses given during the illness and hospitalization and at the death of our husband and father. We are particularly grateful for the many visits and prayers of Father Placidus Eckart.

Mrs. Mary Frances Barnhill and family.

Sincere thanks to Doctors Knight and Kralicke, the nurses of Muenster Memorial Hospital, Fathers Placidus and Stephen, the football coaches, team members, classmates and all who visited me while I was hospitalized for knee surgery. Also to all who sent flowers and cards.

— Curtis (Oogie) Pagel and his parents, Charlie and Harriet Pagel.

We wish to express our sincere thanks to Dr. Kralicke, the nurses and the entire hospital staff for your kindness toward our loved one, during his long illness and passing, also your kindness to us. We shall always be grateful to all of you.

The family of J. C. Howell St. Anne's Society wishes to thank members of the parish for splendid cooperation in the recent clothing drive. Special thanks to the Muenster Milling Company for donations of twine to tie boxes, to Community Lumber Company, National Building Center and Hess Furniture Company for donations of masking tape to seal and reinforce 43 large boxes, also to business men who saved and stored the large boxes for us. The work of the twelve ladies who helped pack and the three men, Ben Voth, Lawrence Vogel and Leo Henscheid who tied boxes, is deeply appreciated.

— Members of St. Anne's Society.

NOTES FROM THE LIBRARY

We are continuing to shelve new and popular novels and books on a variety of subjects. Those in demand now are "Trinity" by Leon Uris, "Pride of the Peacock" by Victoria Holt, "Touch Not the Cat" by Mary Stewart, "Shogun" by James Clavell, "A Nun in the Closet" by Dorothy Gilman. Of particular interest to those who have lived in this area for many years is "Panorama of Nocona's Trade Area" published by Nocona's Bicentennial Heritage '76 Committee. This book is filled with pictures of pioneer doctors, towns, schools, and early homes and churches.

For the approaching holiday season the following Better Homes and Gardens books would be helpful "Gifts to make yourself, Quick Breads Cook Book," and "Snacks and Appetizers." With Christmas in mind we have for your gift-making "The Big Book of Soft Toys", "Candlemaking", "Make Your Own Gifts And Original Wrappings," and "Christmas With a Country Flavor". Also new is the "Complete Basic Book of Magic of Walking", "How To Talk with Anybody about Practically Anything" by the news commentator Barbara Walters, and a memory book "Never Look Back" which is the career and concerns of John J. Burke of the Paulist Fathers. We have also the 54 volume set of Encyclopedia Britannica's "Great Books of the Western World."

The library will be closed on Thanksgiving Day and also the Wednesday before. Otherwise our schedule is the same — Tuesdays and Thursdays, 8:30 to 5:00, Wednesdays, 3 to 6 p.m.

59 Confirmed in
Sunday Service

Fifty eight sixth graders and one ninth grader of Sacred Heart Parish were recipients of the Sacrament of Confirmation Sunday evening. Bishop Augustine Dangelmayr officiated during the 7 p.m. Mass.

Representing the class of Confirmants by special participation in the Liturgy were: Curtis Rohmer, commentator, Shelley Zimmerer who gave the first Reading from the Book of Joel; Cheryl Bayer who gave the Responsorial Psalm; Susan Fleitman who gave the second Reading from the Acts of the Apostles and Michael Bedrick who led the

Gospel acclamation. Prayers of the Faithful were led by: Gregory Walterscheid who introduced the Confirmants' prayers of thanksgiving for the seven gifts of the Holy Spirit and expressed gratitude for the gift of "Wisdom"; followed by Brad Biffle who expressed thanksgiving to God for the gift of "Knowledge"; Wade Walterscheid — the gift of "Piety"; Michael Dangelmayr — the gift of "Understanding"; Karl Trubenbach — for the gift of "Counsel"; T. J. (Anthony) Walterscheid for the gift of "Fear of the Lord"; Curtis Henschel for the gift of "Fortitude".

Other special prayers of thanksgiving were led by Darrell Herr, Julie Grewing, Karla Jo Hartman, James

Bright, Ginger Fleitman and Jenny Hellman.

Offertory Procession

The class banner, made by Wade Walterscheid, Christi Rohmer, Greg Walterscheid and Darrell Herr carrying the petition "Fill Us With Your Divine Love", was placed on the Altar.

In the procession Lonnie Henschel carried the Confirmation manual; Mike Bartush brought his Baptismal certificate, Gene Haverkamp brought the Bible; symbols of the seven gifts of the Holy Spirit, lighted vigil candles, were brought by Janet Hesse, Renee Wimmer, Christi Rohmer, Gennie Fisher, Renee Rohmer, Sandy Wimmer and Nancy Walterscheid.

Offertory gifts were brought by Joe Koerschner, Gregory Luke, Sherri Boydston and Connie Lutkenhaus.

Joe Koerschner read the Communion Meditation and asked the Confirmation Class to join in singing "Prayer of Saint Francis to signify their acceptance as "mature members" of Christ's Church. Organ accompaniment was by Mrs. Joe Felderhoff. Sister Patricia Ann and Sister Camille who planned the special Liturgy, joined in the song.

In addition to the above mentioned, other Confirmants in the entrance procession were: Susan Marie Bayer, David Dittfurth, Kevin Felderhoff, Steven Fisher, Billy Joe Grewing, Tina Marie Koelzer, Anthony (Tony) Otto, Lisa Serna, Carl Sicking, Dora Mae Sicking, Sara Walterscheid, Keith Bayer, Laurie Endres, Laura Grewing, Joe Hennigan, Ricky Hennigan, Cheryl Hess, Troy Hess, Bert Knabe, Brian Meurer, Jill Mollenkopf, Chris Rohmer, Connie Stoffels, Craig Stoffels, Melissa Stoffels, Floyd Truebenbach, and Una Hess.

Father Stephen Eckart was celebrant and Father Placidus Eckart was master of ceremonies. Also present in the sanctuary were Bishop Augustine Dangelmayr, Father Cletus Post of Windthorst, Father Harry Fisher of Pilot Point, Father Anthony Gajda of Valley View and Father James Gillespie of Gainesville.

Fourth Degree Knights of Columbus participated in the entrance procession in full regalia. The Sacred Heart Choral Group, directed by Mrs. Bill Koerschner and accompanied by Mrs. David Bayer, chose hymns to the Holy Spirit for the special occasion.

Governor Recommends Increase in State's Share of School Financing

Governor Dolph Briscoe today recommended that the State increase its share of the Foundation School Program to 90%, with the remaining 10% assigned to the districts on the basis of estimates of taxable value. The Governor's Office, Education Resources, has just completed a 14 month market value study of all school districts and estimated the State's total taxable wealth

as \$238 billion. In recommending the \$640 million increase of State support, Briscoe said, "As education costs have risen, State support has not kept pace. Even with the increase in funding provided by H. B. 1126 (passed by he last session of the Legislature), State support only covered 75% of the total cost."

The net effect of this recommendation will be a 60% reduction in the amount the districts will contribute. The level of the local share will require approximately 9c per \$100 in effective tax effort, compared to the existing 35c rate. Thus, with the State picking up more of the cost, there should be some relief for the local taxpayers. In fact, to insure that his recommendations will bring about taxpayer relief, the Governor is conditioning his commitment for increased State support on the legislature placing a ceiling on taxation in each school district. "I will not approve legislation placing additional State funds into public education unless this ceiling or cap on local taxes is part of that legislation," he said.

In addition to the increase in State support for Foundation School Program, the Governor recommended several other major changes in school finance. Altogether they entail an increase of \$850 million in new State money over the next biennium.

Bluebonnet HD Club Hears Talk On Holiday Foods

Mrs. Sandra Shipley, home economist of TP&L, presented a program for the Bluebonnet Club's November meeting Tuesday afternoon. She showed a series of slides on Holiday cooking and served the holiday foods shown in the slides.

Monica Hess, president, opened the meeting with prayer; Eileen Fisher gave the inspiration; Charlotte Klement, council delegate, reported coming events: November 11 — style show at the Gainesville Community Center at 9:30 a.m. and 7:30 p.m. November 16 — microwave cooking demonstration at Cooke County Electric Co-op at 10:30 a.m. December 14 — Council Christmas party at Sivells Bend at 2 p.m.

The Bluebonnet Club's Christmas Party will be held on December 11 in the home of Monica Hess with husbands of members as guests. The club will donate a Hogg Stroller Recliner to the Child Development Center in Gainesville and will enter Muenster's Christmas parade on December 4. Judy McDaniel and Betty Rose Walterscheid are co-chairmen of the planning committee. The meeting was held in the home of Fran Koerschner with 15 members and three guests in attendance, Mrs. Ken Cain, Mrs. Bill Koerschner and the speaker. Club members presented an appreciation gift to past president Eileen Fisher.

Cub Scouts Need Four Den Mothers

The Cub Scout program in Muenster is being delayed by the lack of volunteers for den mothers and their assistants. To date, only one has agreed to act as den mother and four more are needed for the very rewarding venture. Cubmaster Herbert Knabe and the scout committee have issued an earnest request for help. fumble, Trojans lost an interception, and three more kicks followed before the Lubbock boys got a drive going. Starting on their 21 they made three first downs to the SH 45 and lost 23 in the next two plays as time ran out.

Starting the second half the Tigers appeared to be on their way again but fouled up after gaining 40 to midfield. After a busted play and an offside penalty they had to kick.

However on second series after that Christ the King lost a fourth down gamble putting SH in business on its 47. A holding penalty pushed them back to the 32, so they were 68 yards away. Three nice gains then — 13 on a reverse by Joe Sicking, 9 by Roger Haverkamp and 15 on a pass to Ken Felderhoff — reached the 31. Of seven remaining plays the big one was a pass to Brent Hess for 11. Roger Haverkamp carried for the 9 in 3 tries for the score. Hartman's pass to Sicking made it 42-0, and 4 seconds were left in the period.

That was the end for SH as the last period was taken over by the Trojans. After kickoff they started with a 27 yard pass and marched downfield to a first down on the SH 11. Then the going got tough and they lost possession on the 5 ending the next series. Tigers too could not go and were sacked behind the line for a safety. The Trojans were on the board, 42-2.

The Tigers kick after safety followed by a pair of turnovers — SH received a fumble and lost possession the next play on an interception. So the Trojans started a 60 yard drive. It gained 20 in five plays before a pass to Hallsell went all the way to pay dirt. The kick for extra point was blocked.

Only 48 seconds remained, plenty for another Trojan TD after the Tigers fumbled on their first play following kickoff. With 4 yards to go Glass made the TD and Kitten kicked an extra point.

Program Set for Next Tuesday on Microwave Ovens

A special program for people interested in the microwave oven will be held in the Cooke County Electric Co-op meeting room from 10:30 a.m. to 12:30 p.m. on Tuesday, November 16.

Mrs. Billie Phillips, free lance home economist from Fort Worth, will give the program. Four different major brands of ovens will be used in her demonstration. Mrs. Phillips will cook all types of foods with a tasting bee held at the end of the program. She will give points to look for when buying a microwave, how a microwave oven operates, and cooking utensils appropriate for a microwave.

Microwave ovens are the hottest major appliance at this time. If someone is thinking about one for the future, or already has one and has questions, the program would be very interesting and helpful.

The meeting is open to the public and sponsored by the County Extension Service.

Students Attend Showing of Hamlet

Sixty one junior and senior SHH students attended Casa Manana's production of "Hamlet," Wednesday, November 3, in Fort Worth.

The play was of special interest to the students because they study Shakespeare's "Hamlet" in world literature class this year.

Attending the play with the students were Father Stephen, Brother Thomas and Mr. and Mrs. Ernie Martin.

Hornets

Alexander's next two tries lost 2 yards. Aulds then went for 9, and Alexander's next effort gained only 1.

MHS took possession on the 3, had to kick at the end of the series, then Archer City kicked, and Muenster again. The Hornets kick was miserably short giving the Wildcats a nice position on the 35. Three plays later Aulds almost got away but was stopped at the 8. So the Hornets had their second major defensive job inside the 10.

From there two tries gained 3, then Quarterback Green was sacked for a 5 yard loss while trying to pass. Faced with a fourth and 10 situation Alexander went for a field goal and missed.

That gave Muenster possession on the 20. Three short gains and an interference ruling gained to the 34 where Wolf passed to Koelzer for 24. Then Sicking swept right end for 15 yards to AC's 27. Next one was another pass to Koelzer for a TD. In seven plays the Hornets had moved 80 yards to a 6-pointer. Nick Walterscheid's kick added a point as the clock read 1:27.

Starting the second half Alexander gained 17 on 3 carries but fumbled on the third one, and Muenster was in possession on the AC 42.

From there Sicking made 9 in 3 carries and Wolf sneaked for a first down to the 31. An offside penalty gave 5 for free, then Mark Mollenkopf broke through and streaked to pay dirt. Nick Walterscheid upped the count to 20-0.

The rest of the period was defense, with a first down by the Wildcats and two by the Hornets, and two punts by each.

After another kick exchange in the fourth period

Alexander and company started moving again. Eight carries gained 35 yards to the Hornet 12, but Hornet defense was adequate again. The next series was inches short of first down distance and possession went over to MHS. Four plays later MHS kicked and the Wildcats threatened no more.

2 Showers Honor Mrs. M. Fuhrmann

Two showers honored Mrs. M. Fuhrmann recently. The first was held Wednesday, October 20, in the home of Mrs. Henry Starke. Hostesses were Mmes. Paul Caplinger, Henry Starke, J. D. Caplinger, Albert Lippe, W. C. Muller, Wayne Mosely, Ross Felderhoff, Lorena Taylor, Walter Grewing, Charles Johnson, Andy Trubenbach, Jr. and Dave Walterscheid. There were games, refreshments and a gift display.

The second shower was a come-and-go event of Sunday, October 31 at the TP&L Building. Twenty five friends and relatives attended and were served punch and cake. A corsage of baby socks was presented to the honoree by hostesses Beverly Fuhrmann, Pam Fuhrmann, Becky Bauer, Anette Anderle and Margie Wimmer.

Katie Meurer Is Birthday Honoree

A birthday party on October 27 honored Mrs. Katie Meurer of Windthorst in observance of her 92nd birthday. She came to Muenster accompanied by her daughters, Mrs. Lillian Thoele and Mrs. Henrietta Turpin, both of Wichita Falls.

To observe the event, Mr. and Mrs. Ray Wilde hosted an open house for relatives and friends. The honoree's daughters presented her a peppermint pink corsage and a niece, Mrs. Albert Reiter brought a specially decorated birthday cake. Other nieces brought cakes to serve with ice cream and cold drinks. A nephew J. A. Klement took many pictures of the event.

Other guests were Mrs. Bill Becker, Albert Knabe, Mrs. Joe Wilde, Tommy Knabe, Messrs. and Mmes. Joe Weinzapfel, Norbert Klement, Johnny Klement, Edgar Klement, Ray Klement, Martin Klement and Walter Klement. Also Mrs. Albert Reiter, Mrs. Alfons Reiter, and granddaughter, Laurie, Mrs. Leo Sicking, Mrs. Norbert Knabe, Mrs. William Flusche, Mrs. Gary Hess, Mrs. Albert Schilling, Mrs. Jan Cain and daughter Christin, Mrs. Carol Malone and daughter Kary, and Mmes. I REALLY PREFER RELAXING TO PAINTING

THAT'S WHY I LIKE SATINTONE . . . the easy paints

First, they are easy. They brush or roll like a dream, dry in minutes, and the tools wash up in water. More important still, they really last, and I do enjoy the longer time between repaints.

If you'd rather take it easy than paint, next time try Satintone, the latex paint by Colony Paints. We have Satintone for all surfaces; indoors or out.

. . . you'll like the difference!

Still a good buy... all over the house.

Forty or fifty years ago, the electric bill was most often referred to as "the light bill." In thousands of homes, Mr. Edison's illuminating invention was not the only electrically operated device in use, but people associated its benefits with their costs for electricity.

Today, higher costs for electricity seem to overshadow the many benefits of electricity. The majority of American homes now have at least 14 different electric appliances, in addition to lighting: radio, television, refrigerator, vacuum cleaner, clothes washer, iron, toaster, coffeemaker, mixer, range, frypan, bed coverings, can opener and some type of air conditioner.

Whether you have 14 or 40 electric appliances, we believe that if you will compare their benefits with your costs of operating them, you'll agree that electricity is still a good buy . . . all over the house.

YOU CAN BANK ON IT!

You know, we're people in a hurry, needing to be somewhere to do something that needs doing right then. And in our rush, small details often are overlooked.

For example, it's surprising how many people fail to sign their checks. Most companies will return them, of course, asking for your signature, but a little attention to check writing would save that small embarrassment.

Learn to write a check properly - and with care. Fill in the date, the payee, the figure for the amount. Then write out the amount in words, beginning at the far left of the line so no one can add "One hundred" or "One thousand" to the amount. This line is known as the "filling," and if there is a disparity between the figures and the amount written, we will pay the amount shown on the filling.

Then, sign the check. And don't forget to enter the amount of the check in your records, subtract it from your balance and put down when and to whom the check was written.

It only takes a moment, and handling your check-book properly will be a great help in keeping your check balance correct.

With our connections, we can supply all the gas you'll need.

Lone Star's existing gas reserves will meet the requirements of all of our customers for the next 12½ years, based on 1975 consumption rates.

What about the thirteenth year - and beyond - when these reserves are depleted?

Fortunately, Lone Star is in a position to buy new gas reserves that could last our customers far into the 21st century.

We're in the right place at the right time. And we have all of the right connections.

Lone Star's pipeline system enters eight of the nine major gas producing areas in Texas and Oklahoma.

Our transmission lines cross areas which contain over 50% of the remaining on-shore gas reserves in the continental U.S.

This strong network puts Lone Star in one of the most favorable buying positions of any natural gas company.

All we need is the money to buy ahead. The price of gas will keep increasing, because producers will have to drill much deeper and more costly wells to develop new reserves.

It's going to take a lot of money to secure this area's share of these reserves. Unfortunately, Lone Star's ability to bid successfully for new reserves hinges greatly on the existence of adequate rates for the gas we sell.

The time to begin an aggressive resupply program is now, while we have a competitive buying edge and while economical gas is available.

With a fair return on our necessary investment, we can make the long-term financial commitments that will assure our customers all the natural gas they'll need for decades to come. And we will.

Lone Star's transmission pipeline system traverses or extends into counties shaded on this map.

Governor

school district maintenance and operating expenses should be increased \$50 million. The Governor cited escalating costs of materials, supplies and skilled labor associated with maintaining facilities and equipment as reasons for the increase.

Transportation costs have also risen and the Governor recommends an increase of \$25 million to be made available over the next biennium.

Small districts face unique problems in providing adequate staffing. H. B. 1126 provided an adjustment formula for these districts. The Governor recommends expanding the formula to include all districts with fewer than 1000 ADA, not just those over 300 square miles as set forth in the present law. The additional cost will be \$15 million over the biennium.

The Governor recommended increasing State Equalization Aid to \$250 million. A provision for equalization aid was included in H. B. 1126 to assist poorer districts which lack local resources to enrich their programs. The increase and new allocation formula will provide as much as \$210 per ADA (Average Daily Attendance) which is nearly four times the amount provided by H. B. 1126.

The Governor also recommended \$10 million for "renewal and accountability" — terms used by the Education community to denote evaluation of educational goals and an orderly process of change.

To encourage the improvement of school district tax administration, Briscoe recommends the allocation of \$10 million over the next biennium to the tax offices.

Salvage Truck for Salvation Army To Call Thursday

Long before recycling was a household word, the Salvation Army was using the technique to improve the quality of life for many people.

They are still recycling goods and lives today with the help of North Texas area citizens, who contribute the essential ingredients for this recycling process in the form of usable household and business discards such as furniture, clothing, appliances, toys and other items.

These contributions are utilized in the rehabilitation program at the Salvation Army Men's Social Service Center in Fort Worth.

Homeless and handicapped men enrolled in the program are given the opportunity to learn a trade, develop usable skills and often return to normal lives in their communities by refurbishing and repairing the donated items.

The items are then offered for sale through local Salvation Army Thrift Stores, providing opportunities for many families who might otherwise be unable to afford them. Proceeds from the sale of the goods support the rehabilitation center's operations.

All donations to the center are tax deductible, according to Captain Don Watts, center director.

To facilitate this recycling process, the Salvation Army schedules regular pickups in North-Texas-area cities and towns. In Muenster, donations will be picked up by the Salvation Army truck on November 18. Residents with items to contribute should call 759-4124 the day before the truck is scheduled to make its rounds.

Prizes Listed for Multiple Drawing at Santa Parade

Dozens of attractive prizes with a total value of several hundred dollars await the people who will attend the multiple drawing following the Santa parade here on December 4.

Most of the city's business firms are participating and now are conducting separate registrations for the items each will give at the big central drawing. As in previous years, the method will be to bring all registrations

to one location and draw separately from each firm's box for its winners.

Anyone selected as a winner must be there to claim his prize. It cannot be put aside for a person nor given to someone for him. This arrangement was decided by the sponsoring organization, the Muenster Chamber of Commerce, as an inducement for better attendance.

Participating firms and their prizes were listed as follows:

by Be.tha Hamric, Chamber of Commerce president. It will be noted that several of them will give more than one gift.

Koesler's, \$20 gift certificate; Hamric's, five \$10 gift certificates; Charm Shop, five \$10 gift certificates; Hess Furniture, Bicentennial wall plaque, Ben Franklin Store, 10% discount on regular price merchandise until Dec. 24; Pagel's Store, \$15 in groceries, \$10 in groceries; Fisher's Market, \$15 in groceries, \$10 in groceries; Hofbauer's Food & Locker Service, \$15 in groceries, \$10 in groceries; Garden Center, Poinsettia plant; Modern Floors, pair of scissors; Grady Jones Liquor, three 1/2 gal. Calvert's; Gehrig Hardware, Mini-Mac burger maker; 82 Liquor, \$15.95 Igloo plastic cooler; H & W Meat Co., 1 ham, Endres Motor Co., 2 oil & filter changes; Gilbert Endres Dist., 1 plastic ice chest; Community Lumber Co., \$25 in merchandise; Knabe Tire & Radiator Shop, 2 front shock absorbers;

H & H Bar, 1 case beer; Gary's Fina Station, 20 gal. gas; Miller Exxon, 20 gal. gas, 10 gal. gas; Tuggle Motor Co., \$15 gift certificate; Wilde Chevrolet, merchandise certificate; Texaco Service Station, 20 gal. gas, Ken's Mobil Station, \$5 in groceries; Speedy's Conoco, Bicentennial US coin proof set; The Center, 2 steak dinners; Rohmer's Restaurant, \$10 gift certificate, \$5 gift certificate;

County 4-H Will Have Food Show On November 20

4-H boys and girls in all clubs have been actively participating in foods and nutrition projects the past two months. These members will have a chance to use their knowledge and cooking skills at the County 4-H Food Show, November 20, in Gainesville Community Center. This year's theme is "Gourmet Foods."

The show will begin with registration at 8:30 a.m. All exhibits must be in place at 9:15 and judging will start at 9:30. The presentation of awards to eight county winners will be at 12:30, and a tasting bee will follow the awards. The show will be open for public viewing from 12:30 through the tasting bee.

Categories are breads and desserts, main dishes, side dishes, and snacks and beverages. Entries are determined by the way a dish is used in a day's menu.

4-Hers are required to submit a design for discovery form, day's menu containing the dish, and copy of the recipe. Senior members (14 and over on January 1, 1977) are also required to submit a project information sheet. These are due in the County Extension Office November 15. The eight county winners will participate in the District Food Show in March.

City Judge Talks On Legal Justice To C-C Members

John McClellan Marshall, an attorney of Dallas, Tuesday explained his philosophy and procedure as the once-a-month judge conducting Muenster's municipal court.

Introduced by Mayor David Bright as the man who brought formality, decorum and fairness to the local courtroom, he was speaker at the regular luncheon meeting of the Chamber of Commerce.

His philosophy, he said, is "equal justice under the law" as laid down in ordinances passed by and for the people of Muenster through their city council. His responsibility is to pass judgment and assign punishment for violation of the ordinances.

He said that fairness implies more than just the letter of the law. For instance a person who pleads guilty may deserve special consideration because of special circumstance. Also guilt must be established only on the evidence and not by the reputation of the accused.

He also pointed out that an objective of the court is to discourage as well as punish violations of the law and a way to achieve that goal is to assess more severe punishment for repeat offenses. The fine is bigger for the second violation than the first, he said.

The judge emphasized also that enforcement officers are representatives of the citizens, needing and deserving public support. The more a city's people help an officer in his job the more they can expect order and justice.

Diocesan Head of Schools Talks at Local Meeting

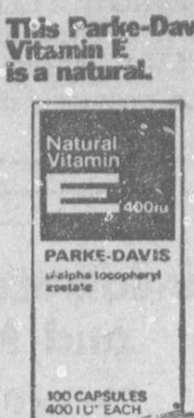

Members of the Sacred Heart Home-School Society heard Sister Venard, superintendent of Diocesan schools, Tuesday evening when she spoke during the regular November meeting of the organization. She presented a discussion on the present grading system in use at SHS, and answered questions from the large group of parents.

Also on the evening's program was a skit on the "History of Halloween", given by Charles Smith's 5th grade.

A brief business meeting was conducted by Roger Taylor, president.

Sister Venard spent all of Tuesday here as a guest of Sacred Heart School and visited many classes during the day.
