

With the presidential election only a few days away, the time has arrived for American voters to decide who they want in the White House for the next four years, and what principles he will be committed to. After all, this isn't only a matter of the candidate's personal policy but also the platform to which his party is pledged. This applies especially in relation to the legislature, whether it will heed the president's proposals and whether he will sign or veto his bills.

When accepting the GOP nomination Gerald Ford stressed the urgency of having a conservative president, especially if the country has another free spending Congress. He pointed out that the present administration is operating on several billion dollars less than intended by Congress because he slashed the appropriations proposed by the Democratic Congress.

Nor is it only a matter of money. Probably the most important issue facing the country is national defense, with Ford calling for greater strength to keep pace with the Soviets whereas Carter proposes a cut in the defense budget and use of the money for a bigger welfare program. Admitting Carter's concern for the poor people, one also has to consider Ford's contention that an expanded program for them is futile if the nation itself fails to survive.

Platforms of the parties present other important clashes on issues. For instance the Democrats favor continuation of forced busing in the interest of school desegregation whereas Republicans oppose the program. They go along with most of us in thinking that busing is an expense and hardship but its benefits are questionable.

Another very important issue is the Right to Work clause of the Taft Hartley law allowing people in twenty states to hold jobs without belonging to a union. In the other states unions can arrange with employers to hire only the union members. Involved first of all is a person's freedom to join or not to join, and pay dues or not pay. GOP's platform maintains that workers should have the choice of deciding and not be coerced by threatened loss of a job.

And related considerations are even more important. Compulsory unionism creates economic and political dictators with power to call strikes and shut down entire industries. Or the bosses can demand favors from their obligated friends of Congress thereby directing the passage of laws that are partial to Big Labor. One such law already predicted for the next legislature is repeal of the Right to Work provision.

Carter has agreed to sign that law if passed by the legislature. Ford says he will not. Of course, that's only a beginning. Also upcoming is the common situs bill allowing one small union to shut down a big project. Or laws on exports and imports and other legislative maneuvers to carry out wishes of the indirect dictators.

This situation is really ironic. Carter, in one of his TV messages to the public, comments on how distant the government has become, and on his desire to give the government back to the people. But Carter has already obligated himself to the labor bosses whose announced intention is to put their supporters in Congress and the White House. The plain fact is that Carter cannot give people more influence in government, whether he wants to or not. He has already pledged to favor Big Labor with its dictatorial ambitions.

On the subject of platforms, a number of other clashes of opinion are evident in the two parties. Democrats are for gun control as a way of reducing crime. The GOP objects that this places the millions of law abiding gun owners on a level with criminals, and furthermore offers no solution to the crime problem. They say don't take away the guns, but prosecute people who use them in crime.

On employment the Demo platform and Carter have visions of a job for everyone in spite of enormous cost, whereas Republicans oppose the massive federally funded program.

Leo Henscheid Resigns as Director of Parish Choir

An appreciation party honoring Leo Henscheid for 48 years of service to Sacred Heart parish as director of the choir will be held next Sunday, October 31, in the Community Center following the evening mass in SH Church.

Henscheid has given up his long time job as choir director but continues in the organization as a singer of the tenor section. With the change he agreed to be available as an adviser and a stand by director whenever needed.

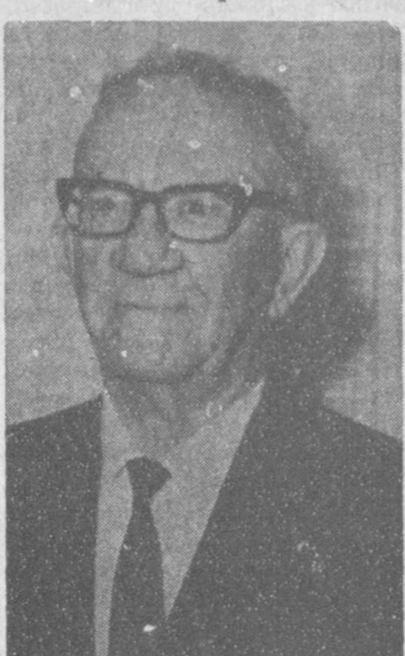

The new director is Frank Luke, member of a family which has been in the choir since 1902. He is the son of Anthony Luke, choir organist since 1936, grandson of Ben Luke, a choir member since 1909, and great grandson of John Luke, who was choir organist and director from 1902 until 1928 when illness forced him to retire.

Leo Henscheid succeeded him as choir director and Mrs. Bertha Trachta succeeded him as organist. When Mrs. Trachta's service was tragically ended by an auto accident in 1936, Anthony Luke, still in his late teens, agreed to take on the responsibility. He has been there since except about four years while in the U.S. Army during World War 2.

Frank Luke has a bachelor of music education degree from Benedictine College of Atchison Kansas. Before attending there he studied at the University of Dallas under Dr. Noel Goemanne, international famous composer. A native of Muenster, Frank attended elementary school here and high school in Subi-

aco Academy, Ark., graduating in 1970.

When poor health forced John Luke to quit the choir

in 1928, Leo Henscheid was ready and accepted as a musician. Prior to 1927 he had played with a traveling band in Idaho, and back home in 27 he organized and directed a local dance band.

As director of the SH choir Leo has had a full schedule. Besides actual directing at practice and services he planned with the pastor for sheet music and laid it out for service, sometimes choosing alternate numbers to fit the singers present if some happened not to attend. His selections as well as his voice were long prominent in masses and special services for Sundays and Holy Days as well as weddings and funerals.

The choir has been a vital part of church service here since the community's first mass on December 8, 1889. Father Joseph Fuhrmann's Golden Jubilee History of Muenster relates that a men's choir sang a plain chant then, without organ accompaniment, however the parish had no organized choir until 1893, when it was started by Father Bonaventure, O.S.B.

The choir now has 20 members, sings the high mass in Sacred Heart Church every Sunday at 9. It sings the old Latin Mass the first Sunday of every month. Officers besides Frank and Anthony Luke are Alvin Fuhrman president and Lawrence Wimmer, secretary-treasurer.

55th Anniversary Surprise Greetings J. J. Haverkamp Mr. and Mrs. J. J. Haverkamp were pleasantly surprised Sunday when family members arrived at noon to help celebrate their 55th wedding anniversary. They all brought covered dishes for dinner and supper. Together for the event were Mr. and Mrs. Willard Zimmerer and children Alan, Karen and Brenda of Dallas, Mr. and Mrs. Ferd Haverkamp and sons Leroy, Jimmy, Ronnie and Eddie of Carrollton, Mr. and Mrs. Ramie Hesse and children Donna, Darrell and Loyd of Denison, Mr. and Mrs. Wally Luttmer and family Bobby and Diane, Mr. and Mrs. Wayne Luttmer and baby Marsha all of Lindsay, and Mr. and Mrs. Tony Luke and family, George, Mary and Frank and Connie Yosten.

It's Time To Change Clocks

Clock changing time is here again. At 2 a.m. Sunday the nation will officially quit Daylight Saving Time and return to Standard Time . . . that is, all but a few states that did not adopt DST.

Getting back in time with the sun involves setting clocks back one hour some time during Saturday night. Failure to do it will result in being an hour early for church service Sunday.

DST is observed for six months a year in accordance with the 1966 Uniform Time Act. It becomes effective on the last Sunday of April and ends the last Sunday of October.

Big Game of TCIL Schedule Faces Tigers This Week

The day of reckoning arrives Friday for Sacred Heart's Tigers. That's when they will do battle with Bishop Gorman High of Tyler in the first game of this season's TCIL district race, and according to the report it is THE game. Kickoff, on the Sacred Heart field will be at 7:30, a half hour earlier than the previous games. Tyler Gorman has been rated as the favorite to go into the state playoff. As far as the Tigers are concerned, it is the biggest as well as the first obstacle to their dream of the district title.

From a physical standpoint, it's an awesome outfit, according to Coach Eddie Stock. It is loaded with 190 to 195 pounders and will average some 15 to 20 pounds per player in weight advantage. Other factors like speed and quickness are expected to lean slightly in favor of Sacred Heart.

The record to date also favors the Tigers. They are 5-2 including decisive wins over Cistercian, Lindsay and Saint Jo and close losses to Bishop Lynch and Era.

Actually, Sacred Heart and Tyler have similar margins of loss to the Big D Friars, 21-6 for SH and 14-0 for Tyler. Also on the team's 4-2-1 record are a win over Class A Winkom, a loss to Class A Waskom and a win over Dallas Christian.

As seen by Coaches Stock and Stalk, the Tigers will have a job on their hands but no more than they did at Bishop Lynch where they learned they can stay with the better teams. In addition they have the benefit of the home field this time.

Additional encouragement derives from the fact that SH has been shaping up very well lately. They did an extra good job with Cistercian, rolling up more than 350 yards while holding their visitors down to about 50. Also they had no turnovers and only two penalties. Still more good news is a good percentage of pass completions to go with their good rushing.

They came through their last game with no injuries other than bruises. All are expected to be ready for Friday.

Maine is bordered by only one other state.

'Showboat' Brings River Traditions to Muenster Stage

Showboats, — those floating theatres and genuine American folk institutions that brought rich cargoes of music, humor and simple emotions to thousands along the great rivers of the South and Mid-west, — provide the inspiration for the Muenster Hospital Auxiliary's annual benefit show.

Mirth, melody and minstrelsy were all part of a period when fiddle strumming and banjo twanging musicians, vaudeville type comedians were in their hey-day.

The auxiliary's stage production hopes to carry viewers back to those gala days via their own showboat, The Dixie Queen. The members are sure the monologs, sketches, impersonations, minstrel songs and dances will hold a captive audience.

"Showboat's A-Comin'" will be presented November 21 and 22. Mrs. Dolphy Joe Hellman is in charge of ticket sales. Mrs. Arthur Bayer is general chairman.

Stroke is Fatal To Joe Hellman, 73 Of Winnsboro

Joe Hellman of Winnsboro, a native of Muenster, died in a coma at 3 p.m. Tuesday of a stroke which sent him to the hospital on Monday. He was a retired oil field worker, would have been 74 years old next month.

Funeral services were held in Winnsboro Thursday at 2 p.m. with burial in the Winnsboro cemetery.

Joe Hellman was born in Muenster in November, 1902, a son of Mr. and Mrs. Ben Hellman. From 1910 to 1915 the family lived in Dallas and Spokane Washington then returned to Muenster. He lived here until the early thirties working principally in the oil fields and since then he has lived mostly in Corpus Christi, New Orleans and Winnsboro.

Survivors are his wife, Grace; a daughter, Ann; two grandsons; two brothers, Clarence of Muenster and Gus of New Orleans; a sister, Mrs. Irene Frost of Gainesville; and a brother in law, Jud Boyles of Muenster.

Among relatives attending the funeral were the Clarence Hellmans and Larry Gobbles, Mrs. Irene Frost, Tim Hellman of Denton, the Jimmy Hellmans of Aubrey, the C. J. Hellmans of Hurst and the Monte Hellmans of Dallas.

Nation Will Elect President Tuesday

The showdown in this year's heated presidential election is scheduled for next Tuesday, November 2, when the nation's voters make their choice between Gerald Ford and Jimmy Carter.

Response of the electorate is very indefinite as millions of disillusioned people, unhappy with the choice of candidates, have threatened to stay home. However some of the dissatisfied citizens intend to vote their choice for the lesser of two evils.

Three other candidates also

appear in the ballot's presidential race. They are Tom Anderson of the American Party, Peter Camejo of the Socialist Workers Party and Eugene McCarthy, Independent.

Two other contests are for senator and railroad commissioner, Bentsen vs Steelman ad Newton vs Windlandt, plus a pair of minor party hopefuls for each office. Otherwise all candidates are uncontested Democrats.

Also to be voted on are two proposed amendments to the state constitution. No. 1 is for or against authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two thirds of the legislature.

No. 2 is for or against increasing from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes.

The local election, as usual will be held in two polling places. Paul Fisher will be in charge of the South Box at the VFW hall. B. J. Swirczynski will be in charge of the North Box at the K of C Hall. Voting hours at both places are 7 a.m. to 7 p.m.

Touch of Winter

Cold, wet and dreary winter weather has been hanging on here for the past week. While temperature has ranged from the forties to the sixties, cloudiness was almost constant and gave up 1.26 inch of rain along with occasional mist and fog.

Stormy weather was also included, though not in the Muenster area. One tornado was reported about five miles south of Gainesville, another near Tioga.

The moisture measure at Muenster now is 3 inches for this month and 31.25 for the year.

Community Gives 58 Pints to Blood Bank

The response to Muenster's special blood collection Friday was very gratifying. Fifty eight persons donated a pint to the blood bank and five more reported but were not accepted.

Bloodmobile personnel of the Red Cross blood center of Wichita Falls told David Bright, hospital administrator that they were highly pleased by the local turnout, especially since the collection was in addition to the community's two regular collections. Its purpose was to build up the supply, which has been running short lately. Similar special collections are planned for the other 25 communities participating in the program.

Included with the donors are two who joined the Gallon Club as well as several others who have given one or more gallons. They are Mrs. Evelyn Koessler and Mrs. Faye Hamric.

As usual, local nurses and hospital auxiliary members assisted Red Cross personnel in the collection. Nurses were Aileen Cler, Jeannine Flusche, Betty Kralicke, Judy Flusche, Carol Fuhrmann and Joan Walterscheid.

Auxiliary workers were Cecilia Wimmer, Kathy Berres, Mary Lee Hennigan, Joaline Henscheid, Jerry Sangster, Margie Wimmer, Carol Henscheid, Betty Henscheid, Juanita Bright, Frances Bayer, Shirley Grewing, Monica Hess, Della Hellman and Carolyn Bayer.

Saturday Set as Deadline for JC Golf Tournament

Saturday is the deadline for entering the Exclusively Muenster golf tournament sponsored by Muenster Jaycees Sunday at Nocona Hills Country Club. Co-chairmen Dan Hamric and Tom Flusche announced this week that qualifying scores and entries must be turned in before Sunday morning.

The tourney, starting at 9 a.m. will be held in ladies' boys' and men's divisions, the latter divided into flights of Champ (the 15 low qualifiers) and flights 2 and 3 for mid and low qualifiers. Handicaps can be established in a qualifying round or by reporting a recent score from any regulation golf course.

Tournament entry fee is \$6.00 per person and includes green fee, trophy expense and refreshments. Golf carts are available at \$3.65 per person. If wanted they must be reserved on the entry form and payment sent with the tournament fee.

Fifteen trophies will be awarded for places 1, 2 and 3 in each division and flight plus a medalist trophy for the lowest score. Special prizes are for the "longest tee shot" and "nearest the pin."

Postal Clerk Wanted

Postmaster Virgil Henscheid announced this week that applications will be accepted until November 8 for a part time distribution clerk in the Muenster Post Office to be selected by competitive examination. Pay has been set by the U.S. Postal Service at \$5.92 per hour to start, and increasing to \$7.21 per hour.

Hornets Favored In Friday's Game Here with Lindsay

Though the big one is in the bag, Coach Don Jones and his Hornets are determined to keep going at full speed in order not to spoil their chance at the district title. After their victory over the previously favored Holliday Eagles, the Hornets have the inside track in the 13-A race and the important thing is not to stumble.

Other loop results last week were Archer City over Petrolia 16-0 and a 6-6 tie for Lindsay and Callisburg. As a result Muenster and Archer City are tied at 2-0-0, Holliday is 1-1-0, Callisburg and Lindsay are 0-1-1 and Petrolia is 0-2-0. On schedule this week are Lindsay at Muenster, Archer City at Holliday and Callisburg at Petrolia.

The Hornets are strong favorites in their encounter with Lindsay's Knights on the basis of comparative records as well as size and speed. It could be the time for a let down, especially after being sky high for last week's game with Holliday. So, the message from the coaching staff this week is to keep the spirit up and take nothing for granted.

Another point to consider is that the Lindsay game traditionally is something special. As usual, the Knights can be expected to be at their very best for the Hornets . . . with visions of an upset in mind. The MHS fellows can be certain that Lindsay will not concede anything. They will have to earn what they get.

The physical report on the Hornets is fine considering their extra hard game last week. The only problem is Page's ankle injury, which may keep him out of the next game.

Regarding last week's performance, the coaches are happy and proud. The boys gave it a 100 per cent effort, and more, in coming from behind twice to nose out the big and talented Eagles. And they deserve still more credit for alertness and avoiding mistakes.

KCs Give Las Vegas Party Muenster Knights of Columbus are getting set this week for a big Las Vegas party to be held Saturday night starting at 7 in the K of C hall. The program includes drinks and sandwiches as well as the entertainment. Non members will be welcome.

Hornets Upset Eagles 15-14

Hysterically happy Muenster fans could hardly believe their eyes, and neither could the depressed crowd of Holliday supporters, when the Hornets upset the mighty Eagles 15-14 here Friday night.

Rated as one of the top Class A teams of the state and looking every bit the part in physical comparison with the Hornets, the Eagles were strong favorites to continue their perfect record and overcome their biggest obstacle to the 13-A district title. Furthermore it seemed that way as they took immediate charge of the game and scored with little apparent effort in less than two minutes.

But the Hornets had made up their minds to go all out and not concede a thing. As Coach Jones said "they made a great team effort. They bent but they refused to

break." Though swamped by the statistics they came from behind twice, once to tie the score and next to take a 1 point lead.

The defense likewise was superb, stopping a pair of drives that seemed like cinches to put the game away for the Eagles. The really crucial defensive stand came a 1:18 before the end as Holliday was set up with first down and 10 to go on the 20. Considering persistent gains on sheer power up to then few doubted that the Eagles would get their winning score.

But a change of procedure then turned out to be a great break for Muenster. The Eagles switched from rushing to passing. Two aerials went incomplete, after which a run by Ayres gained 5. After time ran out for strategy and a fourth and 5 situation on the

15, the Eagles lined up for a place kick with Quarterback Berryman poised to boot the ball. Instead of kicking, however, he passed and the ball was barely beyond the reach of John Ruby in the end zone.

A strong south wind was a big factor in the first half and gave the Hornets a depressing start. MHS won the coin toss and elected to receive, so Holliday chose to have the wind at its back.

After Mark Mollenkopf's 30 yard kickoff return the Hornets started on their 32. Two tries gained 4 and a fumbled pitchout lost yardage back to the 13, after which a high kick into the wind came down almost at the scrimmage line. Holliday had a set up at the 12. Two power sweeps from there did the job. Gilmore scored from the (Continued on Page 7)

Tigers Clobber Hawks 49-6

Sacred Heart's Terrific Tigers celebrated their alma mater's homecoming Saturday with a 49-6 scoring spree at the expense of Cistercian's Hawks.

In one of their best performances of the season, they operated without a single turnover and only two penalties . . . and they seemed to get better as the game progressed.

Defensively they started by allowing three first downs, but gave up only four more through the rest of the game. Offensively they failed to

score in the first period but made two TD's each in the second and third and three in the fourth.

Starting from the 3 after kickoff, they had to kick on the first series and Hawks started their best drive of the game. It went 36 yards to the 21 in three first downs then fizzled as the next series gained only 1 yard.

Sacred Heart took over on the 20 and marched the 80 yards to pay dirt in eleven plays with Craig Sangster, Bob Grewing and Bob Hartman taking turns at carrying. With a total of 82 Sangster was the game's big gainer, and Hartman was next with 67.

Sangster scored the first TD on the second play of the second quarter after which Kenny Felderhoff kicked the first of seven points after touchdown.

The next score came more quickly. After holding the Hawks on first series, Sacred Heart was 56 yards away. Joe Sicking made 27 of that in one scamper, three other runs netted 5, and a pass from Hartman to Brent Hess made the remaining 24.

The visitors followed with two first downs on two passes and bogged down; and the Tigers likewise failed to go. As the half was closing Roger Haverkamp intercepted and Bob Hartman followed with a bomb to Sicking as time ran out. It was completed but a pair of defenders stopped him at the 4.

41st Anniversary of J. P. Flusches Observed at Service and Reception

J. P. Flusche and the former Hazel Otto, who were married in Sacred Heart Church on Tuesday, October 22, 1935, at 8 a.m., by Father Frowin Koerd, O.S.B., observed the 41st anniversary of their wedding day on Saturday, October 23. A Mass of Thanksgiving at 4 p.m. celebrated by Father Placidus Eckart, with special

Liturgy planned by Sister Patricia Zimmerer, niece of the honorees, was followed by a reception and catered dinner in the Knights of Columbus Hall attended by children, grandchildren, friends and relatives.

Sister Patricia was narrator of the Liturgy. The entrance procession was led by Cathy Flusche, a granddaughter, who carried the anniversary candle. Following her were Mr. and Mrs. Tony Hoenig, attendants, (Tony, who represented the late Andy Flusche as bestman). Andy's wife Marie had a place of honor in church and at the reception.

Mr. and Mrs. J. P. Flusche followed, accompanied by their nine children Mrs. Julius Hermes (Clara), Don, Dave, Mrs. Bill Martin (Marge), Harold, Billy, Tom, Mrs. Tom Trachta (Sue) and Ronald (Jack) Flusche.

Also in the entrance procession were Father Placidus and the altar boys, David Flusche, Stephen Hermes and David Martin, three grandsons of the Flusches. Bobby and Kenny Hermes, also grandsons were ushers. Linda Miller was organist, Lynda Klement played the guitar accompaniment and Mary Hess joined both for choral music.

Connie Flusche and Chris Martin, grandchildren, gave the two Readings.

Following the Homily, Mr. and Mrs. Flusche and their 22 grandchildren took part in the Offertory Procession. The honored couple carried the bread and wine and each of the grandchildren carried a leaf to be placed on the family tree by Clara, the first-born. The family tree was made for the occasion by Sister Patricia Ann. There were ten branches, one for each of the nine children and one for infant Herbie who lived only one day, June 10, 1951.

Reception

All children of the honorees, grandchildren and spouses of family members attended the dinner and reception following Mass, including Mr. and Mrs. Julius Hermes and Mr. and Mrs. Bobby Hermes, and Kenny, Stephen, and Carol Hermes of Lindsay; Mr. and Mrs. Don Flusche and Connie, Cathy, Claudia and Carmen Flusche of Muenster; Mr. and Mrs. Dave Flusche and Missy, Terrye, David, Neal and Sharon Flusche of Garland; Mr. and Mrs. Bill Martin and Chris, David, Billy and Dale Martin of Lindsay; Mr. and Mrs. Harold Flusche and Laura, Janel and Mark Flusche of Muenster; Billy Flusche; Mr. and Mrs. Tom Flusche and Jami Flusche; Mr. and Mrs. Tom Trachta and Travis Trachta of Killeen; Jack Flusche and Miss Linda Miller.

Also included among the 175 guests were sisters and brothers of the couple and many relatives and friends. Special guests were Mrs. Elizabeth Wolf of Muenster and Mr. and Mrs. Bill Otto of Gainesville.

The anniversary cake was

3 tiered and topped by a wedding bell, and the numeral "41", and decorated with 10 figurines, 3 girls, 6 boys and one angel. There were 10 pink rose buds for granddaughters and 12 blue rosebuds for grandsons.

A display table held the anniversary candle, and pictures of the Joseph Flusche family made in 1934, of the Tony Otto family in 1942, of the J. P. Flusche family in 1959. Also there were the original wedding picture of the honorees, a family album with the Flusches' wedding picture and newspaper account of their wedding; wedding pictures of the 7 married children and each of the 22 grandchildren all included in the family album. Also displayed was a plaque made by Mrs. Harold Flusche showing the varied occupations and talents of J. P. Flusche during the past 36 years.

Following dinner, Don Flusche read a family history and all guests joined in singing: "Now Thank We All Our God."

The family gift from the children to their parents was a new color TV.

"Gin" as used in Cotton Gins is an abbreviation for engine.

School Lunch Week Observed at SH

National School Lunch Week was observed at Sacred Heart October 10-16, with parents, grandparents and families joining the children.

Initiated in June 1946, the program was designed to influence the well-being of the nation's children through service of reasonably priced, nutritious lunches. In 1946 the program nationally served 6.5 million children, gradually increasing to over 25 million students in 1975, serving over 4 billion lunches this past year, in which nearly 90,000 schools participated. Therefore 90% of America's school children now have access to low-cost nutritious lunches.

Highlighting the week was Universal Menu Day on October 13, when all schools served the "All-American" school lunch — hot dogs and all the trimmings. During the week, 1875 lunches were served at Sacred Heart. Lunch Room personnel thank all who participated and invite them to enjoy lunch with their children from time to time or on special occasions.

II BEGINNING

The electricity you expect to serve you when you flip a switch or plug in an electrical appliance or motor had to have a beginning. This is it! Electricity you use every day, with little thought of where it comes from, was generated at one of three gas fired Brazos generating plants. These plants are run by steam which is created by burning gas in the boilers.

This has been readily available at attractive prices; however, events of the past few years have demonstrated that the balance of fuel supply, demand and prices have been altered radically and, for several years at least, irreversibly.

Because the shortage exists and will apparently get worse, the Texas Railroad Commission Docket #600 and the Federal Power Commission have initiated action to cause a shift away from gas as a boiler fuel. The Brazos System has started construction of a lignite coal fired plant to insure a readily available supply of ELECTRICITY and to help CONSERVE the Nations dwindling oil and gas energy supply.

Speech Students of SH Compete in Plano Tournament

David met a number of Goliaths in Plano on Saturday, October 16 when 21 ninth and tenth grade students from the Sacred Heart Speech Republic did verbal battle with 17 schools, including Jesuit, Hillcrest, St. Mark's of Dallas, R. L. Turner of Carrollton and Northwood of Dallas.

Sacred Heart students took a record number of third places in each division, when only the top two moved to advanced levels. They came away with no trophies, but with a great deal of valuable experience.

Mary Lin Koesler was the top individual performer for Sacred Heart, winning first place in the preliminary rounds but being defeated short of a trophy. In Debate, the team of Toni

Hoedebeck and Christi Felderhoff came in with the best record, three wins and one loss, again stopping short of a trophy. As far as the Sacred Heart Speech Department is concerned, each of the 21 earned a trophy for a tremendous performance in the face of staggering odds.

Four debate teams from Sacred Heart were among the 42 teams in the tournament.

Original Oratory entries included Bert Miller, Gary Henschel, Christi Felderhoff, Mary Lin Koesler and Elaine Walterscheid.

Extemporaneous Speaking was handled by Renee Wilde, Toni Hoedebeck, Rhonda Endres and Mark Nasche.

Prose Readings were done by Angelo Nasche, Dale Schilling, Nancy Luke, Phil Walterscheid and Craig Walterscheid.

In the Poetry Division, Sacred Heart was represented by Rose Felderhoff, Marlene Swirczynski, Karen Koch, Colynda Henschel, and Jesse Walterscheid.

A surprise category was presented at the tournament, when an Impromptu Speaking division was set up, open to any of the contestants. Nine SHH students participated, including Craig Walterscheid, Renee Wilde, Marlene Swirczynski, Elaine Walterscheid, Angelo Nasche, Dale Schilling, Karen Koch, Jesse Walterscheid and Phil Walterscheid.

Attending the tournament with the students to observe and to assist with the Duet Acting teams were Mrs. Ted Henschel and seniors Janet Henschel and Julia Bayer. Also assisting, and fulfilling judging assignments were juniors Mary Luke and Cindy Sangster.

Providing transportation and much needed moral support were Mmes. Rufus Henschel, Angelo Nasche, Ray Walterscheid, Herb Miller and Tom Sangster.

All critiques are available for parents to read by contacting Brother Thomas. They are not given to the students to take home, because past experience has shown they have a tendency to get lost. The critiques must be sent to the National Forensic League as proof of participation to obtain points toward membership in the National Forensic League.

Sacred Heart Speech Republic will not attend any more speech tournaments until after the football season, but will continue their work at school to be ready for further competition after November.

YOU CAN BANK ON IT!

Part of the American Dream is to be financially independent, and there's no reason why you can't be; however, it takes planning, and that's where we can help.

In building for the future, there are two simple rules to follow — to consciously and conscientiously follow:

- 1) Have a cash reserve for everyday needs and small emergencies. Two months' earnings should be adequate.
- 2) Have an automatic savings program adhered to during your working years. In other words, pay yourself first. Setting aside even \$25 a month year after year adds up.

Thrift is the foundation stone on which all estates are built. It sounds simple, but unless you DO it, you probably never will have the financial security and independence you want to.

We can help you plan. Come by today and we'll talk about it.

Society Sponsors Annual Clothing Drive for Mission

November 3 and 4 have been set for the annual clothing drive sponsored by St. Anne's Society to benefit especially the Sacred Heart Mission in Walls, Mississippi. In addition to all types of clothing and shoes, toys in usable condition, picture books, story books, color books are also welcome because the need is great. Collection point is the meeting room of the Community Center. Members of St. Anne's Society will accept items for the drive from 9 a.m.-4 p.m. Mrs. Denis Waterscheid is chairman, with assistance from an appointed committee. They ask donors to use the north door.

Kin at Funeral Of Sister Mildred

Included in the large group of relatives who attended the funeral of Sister Mildred Felderhoff at Holy Angels Convent, Jonesboro, Arkansas, last week were Miss Lynn Felderhoff of Gainesville and Arthur Felderhoff of Muenster. Also attending were a native of Muenster, Father Paul Hoedebeck O.S.B. of Paris, Arkansas and Bishop Fletcher of Little Rock. Both were celebrants of the Funeral Mass with six other priests. During the special Liturgy Sister Georgia Felderhoff and A. J. Felderhoff gave the first and second Readings. Also in the sanctuary were Brother Henry Fuhrmann and Brother Louis Fuhrmann of Subiaco, formerly of Lindsay. They and Father Paul sent greetings to their Muenster and Lindsay relatives.

RETURN FROM TRIP

Mrs. Felix Becker and Mr. and Mrs. Alphonse Hoenig returned Tuesday night from a two week trip spent visiting relatives and sightseeing. In Maryland they were house-guests of their son and brother Vincent Becker and his family. In Indiana they visited Mrs. Becker's brother and wife, the George Hartmans and other relatives, the Andy Mudracks, the Oscar Hoffmans, the Ray Bueschers, the Clarence Trabels and in Michigan visited other relatives, including nieces and nephews. Mrs. Becker also saw a former classmate, Catherine Dittlinger. They were school mates in Illinois.

Rohmers in Kansas For Grandson's First Birthday

The first birthday of Brett Fusco, son of Mr. and Mrs. Don Fusco of Wichita, Kansas, was observed Sunday, October 17, at a dinner given in his honor by paternal grandparents, Mr. and Mrs. Joseph Fusco, Sr. at their home.

Also attending and spending the weekend were maternal grandparents, Mr. and Mrs. Alois Rohmer, who made the trip especially to help their only grandchild celebrate the event. Their son, Neil accompanied them. A special birthday cake, in the shape of a puppy, was a delight. The party was attended by family members of the hosts.

Former residents, Mr. and Mrs. Paul Luke of Farmers Branch visited relatives and friends here Monday, and also with her mother, Mrs. Charles Wimmer, of Hillcrest Manor.

"Gat," the slang word for gun comes from the Gatling gun which was used before the modern machine gun.

Forestburg News

By Myrt Denham

Recent visitors in the Dude Berry home was their son Mike and his son from Denton.

Mrs. Veda Brogdon has been on the move this month of October. On October 9, 10 and 11 she and three other nurses from Gainesville attended a LVN Convention at the Shamrock Hilton Hotel in Houston. Veda says they really lived it up in grand-style. The topic of the Convention was Hypertension and Arthritis.

Then on Friday, Oct. 15 Veda, Mrs. Lina Boggess and daughter, Sara Reaves of Saint Jo headed for Waldron, Arkansas, and to Wareagle, Arkansas, to attend a Craft

Snow — this is the largest craft show in the U. S.

When Veda left on this last trip Barney told her to be sure to take her home address along just in case she couldn't remember where her home was. The three ladies returned home through the scenic Route in Western Arkansas and Eastern Oklahoma.

Mr. and Mrs. Pete Landers of El Paso have been here visiting with the Landers relatives and with her sisters Mrs. Bess Orrell of Muenster and Mr. Billie Paynor.

Mrs. Grace Scott's guest on Sunday, Oct. 17, was her cousin Mrs. Addie Kammerdiener of Temple Cliff in Dallas.

Bill Rogers of Weatherford spent the day, Sat., Oct. 16th, visiting the Howard Sockwells. They hadn't seen each other in twenty years when Bill worked for Howard in his Air Conditioning Business in Denton. Marion says twenty years does sorta change folks.

Bessie Hudspeth, who resides at the Bellmire Home in Bowie, spent several days at her home in Forestburg the weekend of October 15-19. With her here her daughters

Mrs. Barbara Phillips of Wichita Falls and Mrs. Charlene Ensey of Altus, Oklahoma. They were all dinner guests of the Clifford Hudspeths, Monday, p.m., October 18th.

Recreation Leaders provided a game.

Lonnie Rater of Denton spent the weekend of October 16 visiting his parents D. L. Rater.

The Forestburg 4-H Club had their monthly meeting Wed., Oct. 13th, with President Janice Lanier presiding. Robert Fenoglio of Nocona announced there will be a course in Gun Safety. Refreshments were served to 19 members. After refreshment

THANKS

We want to thank our friends and relatives for their kind expressions of sympathy. The phone calls, cards, beautiful flowers and food meant so much to us in our bereavement.

—The family of Mary Griggs

I am grateful to the entire staff of Muenster Memorial Hospital for the many kindnesses extended to Mary while she was a patient. I will never forget the extra special things each of you did. Your dedication to duty and tender, loving care cannot be equaled.

— Guy Griggs

My deepest gratitude is offered to Dr. Antonetti, Drs. Kralicke and Juarez, Dr. Bacher and Paul Caplinger and to the entire staff of Muenster Hospital, all of whom showed special interest and concern during my illness.

I want to thank especially the blood donors of Muenster and the many friends and staff of Sacred Heart High School who visited and prayed with me for my recovery. Sister Mary John's prayer was especially helpful. Thanks to the Sir Knights of Columbus who visited me. Thanks also to my students who offered cheerful cards and good wishes.

The Muenster Memorial Hospital is probably the finest in the world. It is sad that one must become ill to realize what a blessing we have in the Muenster Hospital and its staff.

Finally, the constant attention of the priests of the parish was immeasurably strengthening.

Thank you all! Peter McCoy

I never realized I had so many friends as proved while I was in the hospital. Special thanks to Father Placidus, Father Stephen, Bishop Dangelmayr, Father Francis Zimmerman and Father Harry Fisher, Dr. Juarez and the entire smiling hospital staff, day and night. For all the beautiful prayers and spiritual bouquets I am truly grateful, also the many, many cards and cheerful visits and gifts. Saying "thanks" seems so little to offer in return, but my prayer for you is that God may bless you and keep you.

— Grandma Lehnertz

We are deeply grateful to the many people who helped us during the illness and death of Kristi. We wish to express our gratitude for the prayers, food, flowers and the generous amount of donations to the Child Development Center in memory of Kristi. Thanks to Father Placidus, Father Stephen, Dr. Kralicke, Dr. Antonetti, the nurses and staff of the Hospital and Nick and Adeline Miller. Extra special thanks to the second and fourth graders.

—Regi and Patsy Bayer

The first birthday of Billy Fette, son of Mr. and Mrs. Herb Fette, was observed with visits to kinfolks and friends Sunday afternoon, where there were gifts and good wishes. And there was a surprise treat after dinner in a restaurant when a specially decorated dish of ice cream was presented. And, more good wishes and gifts came in Monday's mail.

Hornets

3 and Berryman kicked the extra point.

For the rest of the period the Eagles were stopped once by the Hornets and once by a fumble, after which the wind favored MHS and the first Hornet kick moved the game into Eagle territory.

Following an Eagle kick MHS was at the 33. Wolf's pass to Jim Koelzer reached the 16 and the next three passes went incomplete. At that point Nick Walterscheid tried a field goal and missed.

Two plays later Mollenkopf recovered a fumble for MHS and on the next series the Hornets fumbled. On the series after, Ayres made a gain of some 40 yards but it was rubbed out by a clipping penalty, and the kick ending the series was another high one that came down behind the line of scrimmage. The Hornets were 20 yards away.

From there three tries made 8. Then, on fourth and two to go, Wolf slipped through and scrambled 12 big yards to pay dirt. Nick Walterscheid's kick tied the score at 7-7.

On its next possession Muenster started at the 50 and four plays later tried a 60 yard field goal with the wind. It missed but served the purpose of a good punt. At half time the teams were even in score, first downs and penetrations but Holliday had a big lead in yardage.

After intermission the Eagles intercepted on the Hornets first play. Following that the teams exchanged kicks and Holliday on its next series had to kick again. On that play Wolf made contact trying to block so Holliday got 15 free for a first down. That seemed to spark a drive to the 17 where an offside penalty plus a big Hornet effort was equal to the job. Muenster took possession on its 12.

The series that followed was short by a yard. On second play of the last period MHS punted and Holliday started a scoring drive with 48 to go. It made the distance in eight plays overcoming a 15 yard penalty along the way. Ayres scored from the 3. Berryman kicked true for another point.

At this stage Holliday again had the benefit of the wind and MHS was facing it.

On the kickoff that followed Koelzer got back to the Hornet 34. Two plays later Wolf's pass to Neil Walterscheid reached the Eagle 45.

Mark Sicking gained 9 and a pass to Koelzer got inside the 20 but officials rubbed out the play because of off-setting infractions . . . a big

disappointment when yards were so badly needed. However the next play brought instant glee as Mark Sicking got through on a draw play and straked to the promised land.

Normally the team's leading runner, Sicking was a marked man throughout the game. He was able to gain little except this once when he got into daylight and was gone.

At this point Coach Jones had no choice but to try for two points. A kick for one point would have tied it and Holliday would be the winner on statistics. So the Hornets ran for it. Wolf faked to Sicking and got nice blocks on his dash around right end for the go ahead points.

With 7:14 remaining the Eagles had ample time to go ahead. Returning the kickoff to the 35 they bogged down on the first series and failed to get away a kick. Four plays later the MHS kick put them back to the 10, with 3:52 on the clock. Seven plays plus 20 yards free on two penalties reached a first down on the Hornet 20, and the next four efforts fell short by 5 yards. Thereafter the Hornets just ran out the clock.

BIRTHS

Mr. and Mrs. Jimmy Kupper of Valley View want all their friends and relatives to know about the arrival of a baby boy who became their son on Wednesday, October 27. He was born on October 5 and his name is Daryl Thomas. He weighed 8 lb. 3 3/4 oz. at birth. His grandparents are Mr. and Mrs. John Kupper and Mrs. Albert Reiter. Mrs. Elizabeth Neu is his 105 year old great-grandmother. A sign out in the yard proclaims: "It's a boy!"

Mrs. Glenn Georgia of Dallas the former Eileen Hesse, is a guest of her mother, Mrs. Meinrad Hesse while she recuperates from foot surgery performed at Muenster Memorial Hospital. Glenn Georgia spent the weekend here in the Hesse home.

Guests of Mrs. Katie Stelzer Sunday were her sister, Mrs. Anna Stelzer and Mr. and Mrs. Henry Luebbert of Fort Worth who also visited his mother Mrs. Anna Luebbert in Gainesville.

The F.H.A. Chapter of Muenster High School has collected pennies for the F.H.A. sweetheart. Each penny was worth one vote. The votes were tabulated Friday Oct. 22, 1976. The winner was Greg Knabe, with \$10.04 worth

of pennies. All voting pennies go toward the Future Homemakers of America. By Kim Walterscheid Homecoming pictures have been purchased by Muenster High School Students. The students had thirty-five pictures to choose from. The choices include the Queen and her court, former Queens of 1956, 1966 and 1976, and the MHS Band, and the football team. By Sandy Schneider

The Muenster Student Council held their monthly meeting October 19, 1976, in the Public School Library. Sam Bright presided over the meeting. Business discussed was the decision to drop Article IV, Section III of the Constitution of the Council. It stated that no officer of the council shall hold more than one office. Eleven members were present. By Kathy Davidson

The biology class, taught by Mrs. Nancy Perryman, has been studying genetics. To help the students be more aware of their own genes, Mrs. Perryman devised many projects. The first class activity was designed to make the students more aware of their self-concept. Each student was given a sheet of paper. Every time the student felt put down he ripped off a piece of paper. The students then chose partners to be "parents" with. The "parents" then played a game to enlighten their perception of parent-child problems. The winner was Sherri Wolf. Carl Pagel and Sue Moster were proclaimed the least-likely parents. By Lisa Trubenbach

The members of the Muenster Public School Annual Staff have been selling notepads, are presently taking orders and will send for more. The notepads are red vinyl, have a picture of a Hornet and "Hornets" printed underneath. They sell for \$2.10 each. By Beverly Trubenbach

The Senior Class of 1977 had their senior pictures taken for the annual on Tuesday, October 19. The photographer was a representative of Marquis Studios in Enid, Okla. By Allen Bayer

The Muenster Hornets both Varsity and Junior Varsity, have been practicing hard to get ready for each Friday's game. The Junior Varsity has been playing opposition defense for the varsity team to help strengthen their offense. By Roland Serna

The Speech and Drama Class and the F.H.A. Class had a meeting Friday Oct. 22, in the Homemaking room. They discussed the Spook House. They decided who would portray each character, and who would help on the clean-up committee, who would be guides, and who would do the sound effects. The spook house will be open from 2:00-3:30, Sunday, October 31. By Toni Dittfurth

Muenster Public School has started their basketball season with basketball practice,

coached by Coach White. The practices include dribbling and passing drills. The forwards and the guards then split up and practice their individual fundamentals. By Julia Bright

Kindergarten
The Kindergarten Classes are now working with the state-approved course of study by Lippencott Co. They have finished one of the Readiness workbooks: "The Triangle Workbook", whose theme was "The Parade". The kindergarten pupils had a parade on the school ground wearing the paper hats that were in the workbooks. This was the closing activity of that workbook.

Mrs. Gene Luke's Brother Killed

Mr. and Mrs. Ben Luke were notified recently of the accidental death of Bill Jackson, only brother of their daughter-in-law, Mrs. Gene Luke of Holbrook, Arizona. Jackson, who only recently received his Master's Degree at the University of Texas, was the son of Mr. and Mrs. J. Jackson of Bridge City, Texas. The automobile accident happened near Baton Rouge, Louisiana, as Jackson was driving alone on Friday, October 15. Funeral services were held at the Catholic Church in Bridge City Sunday afternoon, October 17. Dr. and Mrs. Gene Luke and children Robert and Donna attended the funeral and remained into the next week. Mrs. Luke has extended her stay with her parents.

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history.

Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."
Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."
Efficiency in Government: "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."
Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."
Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."

Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

Paid for and authorized by 1976 Democratic Presidential Campaign Committee, Inc.

Vote for JIMMY CARTER.
A leader, for a change.

SAVING TIPS on electric ranges

- When using top-of-range utensils, cover tightly and cook with minimum of water. Cooking's faster; less energy's used. Food looks and tastes better, too.
- Use flat-bottomed utensils for best contact with heating surface. Use proper size utensils. A 6" pan on an 8" heating surface wastes energy.
- Preheat oven only when needed and only to temperature stated. Normal preheat is 10 minutes; any longer wastes energy.
- When broiling, do not preheat. Leave door ajar... air circulation insures proper broiling.
- Use oven fully. Fill it with foods that cook at same temperature. Freeze extras for later use.
- Center pans in from oven sides, staggered above each other (no overlap) for best heat distribution.
- Keep oven shut. Opening door drops temperature 25° or more; wastes energy.
- Thaw frozen meats before cooking.
- Do not use oven or surface heating elements for home heating.
- Turn range off immediately when finished. Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future. When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity. If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.

Third grade Sunshine Blue Birds started a new year in a big way on Thursday afternoon October 14, by attending a county-wide Indian Blanket ceremonial at Camp Myers south of Gainesville.

The girls left Muenster at 4:30 with a sack supper. Those attending were Charla Bayer, Amy Davidson, Dana Dankesreiter, Julie Fisher, Tonya Fisher, Laura Flusche, Leslie Hess, Amber Grewing, Rose Herr, Jean Pagel, Dolle Pagel, Carol Reiter, Sandy Smith, Valerie Vogel, Karen and Sharon Wolf. They were accompanied by Mrs. Bob Vogel and Blue Bird leader, Mrs. Butch Fisher.

At Camp Myers they explored and hiked around the ground since this was their first trip to the area. Blue-Birds ate their sack supper in a "unit". Drinks were provided by the Camp Fire Council. After the meal, the 250 girls attending joined in a song fest while waiting for parents to join them for their campfire ceremonial.

Family members meeting the Camp Fire girls there were Bob Vogel and Stephen and Keith, Mrs. Charles Bayer and Curt, Mrs. Harold Flusche, Mrs. John Pagel and Michael, Mrs. Tom Dankesreiter and Amy, Mr. and Mrs. Hermie Grewing, Mrs. Clyde Fisher, Rutch Fisher and Steven, Todd and Janie, Mr. and Mrs. Richard Herr, Patricia, Johnny and Jimmy, Mrs. Frankie Hess and Gregg, Mr. and Mrs. Donald Smith and Mark and Mrs. Adam Wolf.

A special dramatization on "How the Indian Blanket flowers got their name" was done by 11th and 12th grade Horizon Club girls, before a huge bonfire.

Special Camp Fire patches were awarded to 3, 5, 7 and 10 year members. Muenster girls receiving awards for 3 year membership were Charla Bayer, Tonya Fisher, Julie Fisher, Amber Grewing, Rose Herr, Dolle Pagel, Jean Pagel and Carol Reiter. Girls attending returned home with their

parents. The Sunshine BlueBirds are sponsored by Fischer's Meat Market. Eileen Fisher is leader. Assisting her will be Jo Ann Pagel, Carolyn Bayer and Alma Wolf. The group meets the 1st and 3rd Thursday of the month.

If you smell natural gas, follow these 3 steps to safety.

The natural gas industry has one of the best safety records of any energy source in the United States.

The fact that you *can* smell natural gas is because we add a harmless chemical to it as an extra safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Don't use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

royalty were seniors Janet Henschel, Sharlene Pagel and Mry Hoedebeck, daughters of Mr. and Mrs. Rufus Henschel, Mr. and Mrs. Maurice Pagel and Mr. and Mrs. Gene Hoedebeck, respectively. Homecoming Queen candidates were nominated by members of the Tiger Football team and voted on by the student body. Her identity was not made known until half-time ceremonies Saturday night.

A parade at 6:30 began downtown and progressed toward school. The Queen's Court rode in cars driven by

Roger Endres, Karl Koessler and Rick Walterscheid. They were followed by the Drill Team, whose cheerleader scattered candies to spectators.

Pre-game ceremonies were narrated by Mrs. Norbert Walterscheid who introduced court members as they were escorted across mid-field by their fathers. In addition to the senior candidates and their fathers the court included freshman Dea Swirczynski, escorted by Mike Stoffels, sophomore Laurie Walterscheid and her father Sylvan Walterscheid, junior Mary Grewing and her father Richard Grewing. Also on the field at that time was the Drill Team Honor Guard and cavorting mascot Tigers Sally Endres, Elizabeth Kralicke and Monica Hartman.

At halftime the court and football team escorts: Dea with Phil Walterscheid, Laurie with Jeff Hess, Mary Grewing with Ken Felderhoff, Janet with Craig Sangster, Sharlene with Dan Stock, Stacie with Bob Grewing and Mary Hoedebeck with Brent Hess assembled in a semi-circle on the field, facing home-town fans.

Lori Rohmer, 1975 Queen carried the crown. Laura Kralicke 1974 Queen presented an arm bouquet of red roses. Mrs. Beverly Walterscheid Fuhrman, 1973 Queen and sister of Stacie presented a single long stemmed red rose, arranged with white baby breath and showers of red satin ribbon. This rose was a gift from Seniors of Muenster High School. And Stacie received her crown from her escort, Bob Grewing.

Following the football game, there was a dance in the SHH Gym for students. After the dance Mr. and Mrs. Raymond Walterscheid and their children Mona, Glenn and Mel hosted a breakfast in their home for the high

school student body.

Homecoming Week activity at SHH included a Powder-Puff Game Tuesday won by the Senior-Freshman team; also Blue Jean day Wednesday and a surprise 5 minute pep rally when the entire student body was outside the building after a Fire Drill. A special liturgy on Thursday at Sacred Heart Church honored the Queen's Court. Members entered with the same escorts planned for Saturday evening. During the Offertory procession, Mass gifts and a crown, football and candle were presented. At noon Thursday the royal court and the girls' mothers were guests for lunch in the school cafeteria. Freshmen girls decorated the table and served the meal. Thursday evening was filled with bonfire excitement. Friday was Red and White Day for grades 1-12. Each class presented a skit during the 2:45 special pep rally.

tush recovered a Hawk fumble on the 31. On second play of the period Hartman heaved another to Sicking for the third TD of the game.

For a while after that both teams were unable to keep going but toward the end of the period SH got organized again. It was a 60 yard drive including 16 by Danny Walterscheid and 14 by Sangster plus five more tries. The pay off was Hartman's 5 yard scoop to the end zone on a quarterback keeper.

Following the next kickoff the Hawks came to a kicking situation on the first series and lost yardage back to the 10 on a bad snap for the punt. That gave SH a set up with only 10 to go. On second play Grewing went over from the 5.

Again the visitors got nowhere and had to punt on the first series. The next drive started at the 50 as Grewing gained 10 and a face mask penalty added 15 for free. From the 25, then it was 8 by Ken Felderhoff, 12 by Grewing and the last 5 by Hartman.

Finally the visitors put one together. John Nicholson almost made it in one romp as he scooted 71 yards down the left sideline on the kickoff return. Next three plays gained 6 and Nicholson finished the job with a nice sprint around the right end for 13 yards.

A turnover gave Sacred Heart a set up for its next score. Joe Sicking recovered a fumble on the 22, and five plays did it from there, Hartman scoring from the 2.

To carry the subject a bit farther it might be said that the ranks of poor folks include millions who are already doing quite well... considering welfare payments, food stamps, subsidized rent and various other benefits. Too many of the unemployed don't want to be employed. If full employment is to be achieved it will have to be by dictatorship.

As the contenders head down the home stretch the reports are that Carter is favored. If true, its unfortunate. His liberalism added to that of the current congress would tend to accelerate rather than check the irresponsibility that is already too prevalent in government.
