YOU CAN BANK ON IT!

In 1690 The Massachusetts Bay Colony issued the first paper money in America, and, in fact, "also in the British Empire, and almost in the Christian world."

War brought paper money into existence. Sir William Phips led an expedition of Massachusetts irregulars against Quebec. The loot from the fall of the fortress was intended to pay for the expedition. The fortress held, and since there was little enthusiasm for levying taxes to pay the defeated soldiers, notes were issued promising to pay, eventually, in hard coin.

Redemption in gold or silver was promised, and for 20 years the notes circulated side by side with gold and silver of equivalent denomination. Notes and metal were interchangeable.

And although the notes eventually lost their value because of another war, Queen Anne's War, the colonists recognized the value of paper as currency and started issuing it in moderation.

2 Ring Ceremony Unites Lola Voth, Joe Kindiger

Mr. and Mrs. Joe Kindiger are at home in Silsbee, Texas, since their marriage July 17 and wedding trip to Carlsbad, N. M.

The bride is the former Lola Voth, daughter of Mr. and Mrs. Joe Voth. Parents of the groom are Mr. and Mrs. A. V. Kindiger of Leo.

Their wedding, with double ring ceremony, was held in the Rosston Methodist Church with Rev. Milton Pledger officiating at 7 p.m.

The bride was presented in marriage by her father. The bridal gown was of organza, featuring an empire waistline accented with a satin ribbon belt through lace insertion, a lace-scalloped portrait neckline, brief, double-capped lace sleeves and slim skirt swept to back fullness into a chapel train. French imported chantilly lace appliques accented the skirt and outlined the fingertip illusion veil which was attached to a face-framing lace caplet.

For "something old and borrowed", she wore a cultured pearl necklace belonging to her sister Kathy, and the traditional blue garter.

Her bridal bouquet was a colonial arrangement of yellow and green daisies with white carnations, outlined with blue daisies.

Attendants

Mrs. Jim O'Brien of Irving was her sister's maid of honor, wearing a blue A-line empire formal with capped sleeves. Roberta Mosler, of Muenster, bride's friend and Mrs. Mark Chapman, groom's sister of Dallas were bridesmaids. They wore yellow and green dresses, respectively, identical in design to the maid of honor. All three wore picture hats matching their dresses and carried white baskets of daisies in matching hue.

The groom's niece, Deidra Chapman of Dallas was flower girl and the bride's nephew Dennis O'Brien of Irving was ring-bearer.

Attending the groom were his three brothers, Jim Kindiger of Whitesboro, as best man and Jerry Kindiger of Era and Eddie Kindiger of Gainesville. Ushers were Mark Chapman, groom's brother-in-law and Mark Voth, bride's brother. All men in the wedding party and the bride's father wore white tuxedos and ruffled shirts to match bridesmaids' dresses.

The church was decorated with baskets of yellow gladioli with blue, yellow and green Killian daisies. A pair of tall three-branched candelabra with blue candles in hurricane lamps defined the altar space.

For her daughter's wedding, Mrs. Voth chose a pale green tailored, full length knit dress and the groom's mother wore light yellow. Both had cymbidium orchid corsages.

Wedding music was given by Mrs. Patsy Ford, pianist who played as guests assembled and by vocalist Mark Chapman, a brother-in-law who sang "Let It Be Me" and "More".

Before the couple left the church, which is completely surrounded by trees, all guests were given small blue or yellow satin tulips filled with bird seed. As the new Mr. and Mrs. Joe Kindiger left the church enroute to the reception, they were hurried along by showers of bird seed instead of rice.

Reception

A reception and catered supper in the VFW Hall was hosted by the bride's parents. Joan Voth, bride's sister was at the guest book, where the bridal portrait was displayed and a memory candle lighted the scene.

The wedding cake was three tiered over a fountain and the groom's cake was a German sweet chocolate topped by a red and gold velvet royal crown. Cathy Armstrong, Joan Voth, Mary Ann Voth and Sharon Voth served the cakes.

When the couple left for Carlsbad, New Mexico, they were wearing matching blue suits.

The bride is a graduate of

Muenster High School and he is a graduate of Era High and is employed by Santa Fe.

Out of town guests included Jerome Voth and daughter Cathy of Carrollton; Mr. and Mrs. Mark Voth of Arlington; Mr. and Mrs. Mark Chapman and daughter Deidra of Dallas, Mr. and Mrs. Jim O'Brien and sons Dennis and Billy of Irving and Ruth Ann McKinney of Fort Worth.

The groom's parents hosted the rehearsal supper Friday, July 16 at 7 p.m. in the Center and Roberta Mosler, a bridesmaid gave a shower on June 27.

dinner and supper were held in a grove of several hundred catalpa trees growing near the farm home north of town, and a dance followed at 8 p.m. in the Parish Hall. Mrs. Luke remembered having baked 30 pies the day before the wedding and others baked as many cakes.

Miss Theresa Luke baked and decorated her brother's wedding cake, a 3 tiered angel food, and cut sprengeri ferns she herself had grown to shape a wreath surrounding the base of the cake. Similar ferns were tucked into the wreath of fresh orange blossoms that held the bride's veil and into her clutch bouquet of white carnations.

Mr. and Mrs. Luke have marked many wedding anniversaries with their children and observed the 25th, 40th and 50th anniversaries with elaborate religious and social observances with friends and relatives. Ben Luke observed his 88th birthday on July 19 and his wife was 80 on June 22.

The weekend family reunion included a Friday evening supper for all the children and grandchildren with

the R. N. Fette family as hosts, and a Sunday evening fish fry hosted by Mr. and Mrs. Dan Luke and family.

Spouses of grandchildren also attending from out of town included Victor de la Garza of McAllen, Jim Root of San Antonio and Mrs. David Fette of Belton.

Fr. Eugene Luke spent a vacation last week with his parents and Brother Frank Luke was a guest of his parents, the Tony Lukes. Both have returned to Subiaco. The Gene Luke family, who arrived last Friday from Holbrook, Arizona, left Wednesday. Mrs. Charles Denny and her family arrived last Thursday and departed Sunday. She will vacation another week with the de la Garzas. The Al Kuhn family drove in Friday, also visited his parents, the Jake Kuhns of Lindsay and left Sunday to begin their return to Saint Louis with a side trip through Louisiana.

The Harold Lukes of Arlington and Bernard Lukes of Irving were weekend guests and returned home Sunday night. The David Fettes visited his parents Thursday through Monday morning and Danny Fette arrived Friday from Fort Riley, Kansas.

In a setting of candlelight and daisies the Saturday afternoon wedding of Miss Sharon Theresa Metzler and Ronald Walter Felderhoff was solemnized in St. Peter's Church of Lindsay. Father Frowin Schoech, groom's cousin performed the double ring ceremony on July 17 at 4 p.m. The altar held two arrangements of white gladioli and blue Killian daisies, greenery

and lighted candles. Potted daisies and candleabra decorated the Virgin Mary's altar, where the bride and groom placed a floral tribute after the ceremony.

The full Bishop sleeves were held at the wrist to fitted cuffs of matching lace. Single Venice lace flow-ers were scattered over the sleeves and skirt. Alencon lace bordered the entire skirt hem-line and train.

The bridal veil was de-signed and fashioned by the bride and Mrs. Andy Schoech, the groom's aunt, of two tiers of English silk illusion held to a lace cap. One tier cas-caded to fingertip length and the other formed the train. The edge of the veil was outlined in lace trim.

The bride carried a cascade of yellow roses, stephanotis, white daisies and baby's breath, tied with streamers in lovers knots.

For sentiment, she wore a lavalier, more than 57 years old that belonged to her pa-ternal grandmother, Mrs. Philip Metzler. She also carried a white prayer book belong-ing to her mother and a crys-tal rosary given her by the groom's mother.

Mass servers were Chris Metzler, bride's brother and Tommy Metzler and Mike Corcoran, bride's cousins.

For the ceremony Gayle Miller, Mary Hess, Lynda Klement, Linda Miller and Laura Kralicke sang "We've Only Just Begun", "Wedding Song", "One Hand, One Heart" and "By My Side". After Mass, Jeff Metzler, bride's brother, presented a yellow rose which the couple placed on the Virgin Mary's altar while the choral group sang "Mother, At Thy Feet".

Reception

A reception followed in the Knights of Columbus Hall in Gainesville. Diane Metzler and Patty Corcoran, both bride's cousins of Lindsay, registered guests. Tables were decorated with blue daisy candles en-twined with English ivy. Guests danced to music by Sage.

County Oil and Gas Production in 1975 Estimated at \$57.8 Million

As an era of cheap energy and energy independence faded for America, Cooke County's 1975 crude oil and natural gas production became more significant to Texas and the United States than at any time since production began in 1926.

With its production marketed for \$57.8-million and an industry payroll totalling \$7.7-million, petroleum continued as an important factor in the economic health of the county, according to a study by the Dallas-based Texas Mid-Continent Oil & Gas Association.

Jack S. Blanton, Houston independent oil company executive and president of the Association, said increased prices, caused by the growing shortage of domestic oil and gas, given a multi-billion dollar boost to the economy of Texas and the state's treasury.

"Increased prices help offset the economic effects of the downward trend in volume of Texas production," Blanton said, pointing out that increased revenues for producers are being soaked up by zooming drilling costs.

"The average cost of drilling a well in Texas has jumped from \$55,000 in 1962 to \$137,000 last year, a 150-percent increase and one of the reasons why 29-cent gasoline and low utility bills are relics of the past," Blanton said.

The total value of production statewide increased from more than \$11-billion in 1974 to over \$13-billion last year, a jump of nearly 19-percent.

Cooke was one of 200 Texas counties which produced oil and gas with a market value in excess of \$100,000 last year, an increase of three over the 1974 total and seven more

AUSTIN — In the House the General Appropriations bill was taken up. Salaries of several clerks were reduced and the usual number of speeches on retrenchment and reform were made.

GALVESTON — In Recorder's Court, Willie Moore, a boy about 10 years of age and one of the news brigade, was fined \$1 and costs or three days in the city jail for abusing, striking and threatening James Eakerly. The cause of the present charge was a fight accused had with the complainant who is a boy about 12 years of age and in which Eakerly came out second best.

GALVESTON — The difference between the jury scrip issued by the District Court is thirty cents on the dollar less than that issued by the County Court -- the latter selling at eighty cents on the dollar while the former sells for about fifty cents on the dollar.

GALVESTON — This climate is the healthiest on the Gulf coast and the delightful south breeze not only serves to cool the atmosphere but to dispel miasmic vapors which in less favored localities are such potent causes of disease. With all the old buildings filled under, and a stricter attention to the condition of many of the alleys, disease would be comparatively unknown.

1. Set thermostat on 78°, or higher, during the summer. Turn unit off if you'll be away from home several days.
 2. Keep equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
 3. Check filter every 30 days. Dirty filters cause equipment to use excessive electricity. If filter is permanent, clean by manufacturer's directions; if it's disposable, it should be replaced when dirty.
 4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
 5. Close draperies and blinds to keep out direct sunlight.
 6. Keep fireplace damper closed.
 7. Proper home insulation keeps the heat out, cuts energy use. Insulation questions? Call TP&L.
 8. Shade on roof and walls can reduce energy needed to cool. But trim trees, shrubs away from outside compressor unit. Keep it free of leaves, debris. If air flow is blocked, unit uses more energy.
 9. Weatherstrip doors and windows; caulk cracks to prevent drafts and cool air loss.
 10. Keep windows closed. Open outside doors as little as possible.
- Window Units**
Follow all above suggestions, plus these:
11. Buy units with highest "energy efficiency ratio" (EER). Uses less electricity to cool. If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity. Both figures are on unit.
 12. Place unit where it'll get as little direct sun as possible.
 13. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.
 14. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit.
- Conserve electricity and you help conserve one or more of the fuels needed to produce it: natural gas, coal and oil. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.
- When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.
- If you would like additional information on conserving electricity, call or see the Customer Service Representative in the TP&L Office.

Poet Robert Lee Frost said it best:

Never ask of money spent
Where the spender thinks
it went.

Nobody was ever meant
To remember or invent
What he did with every
cent.

True, and that is a good reason for having a savings account. Without a regular weekly or monthly savings plan, money just seems to disappear. There is personal security in knowing some of what you earn has been put away, accumulating interest, for the future.

The amount saved regularly is unimportant, the important thing is to save something, often, starting now. At least you'll know where some of it went... right?

HD Meeting Hears Story of State's Ethnic History

Mrs. Alice Hellman was program leader for the July meeting of Muenster Home Demonstration Club No. 1. She spoke on "People of Texas" and named twenty six Ethnic groups of people who came as settlers to Texas and remained as citizens. She used a large wall map of Texas to show where many nationalities settled and she explained customs, cultures and traditions of these peoples.

Mrs. Albert Fleitman was hostess in her home for an evening meeting. Mrs. Bill Lutkenhaus presided and led the Pledge to the Flag. Mrs. Beatha Pick read the Creed. Mrs. Martin Bayer volunteered to visit shut-ins in July.

Members told about participation in the July 2 "Bicentennial Parade" in Gainesville, describing the floats entered by the Cooke County Home Demonstration Clubs and Council. Floats depicted the old and the new and the legend "we've come a long way."

Plans were made for attending the State Convention at A and M University on September 21-22-23. A covered-picnic for members and husbands will be held July 23 at City Park Pavilion.

The hostess displayed lingerie from the plant where she is employed and told about the part of the garment she sewed. She served chicken salad sandwiches, strawberry cream pie and coffee to 13 members.

Winners Named in Grocery Giveaway

Registrants from Muenster, Forestburg and Nocona were the winners last Saturday in Muenster Butane's drawing for a three minute shopping spree at Fisher's Meat Market.

They were Marlene Herr of Muenster, Gene Lanier of Forestburg and Loyd Hilliard of Nocona. Each will be treated to a Grocery giveaway in which he or she may choose items for three minutes or until \$100 of value is reached... and the bill will be paid by Muenster Butane.

Fisher's are making an event out of the occasion. They invite visitors to come see the action and meanwhile enjoy samples of cobbler and ice cream.

ABOUT THIS QUESTION

"Most everyone has auto liability insurance, but think of the equal risk of injuring someone in sports, on trips, or of visitors being injured around the home or on the premises. Even if it doesn't result in a \$100,000 liability award, it's nice to have personal liability insurance to pay the medical costs of injuries to others. Does the FMW Agency have liability policies for individuals, homeowners or landlords?"

I REALLY PREFER RELAXING TO PAINTING

THAT'S WHY I LIKE SATINTONE ... the easy paints

First, they are easy. They brush or roll like a dream, dry in minutes, and the tools wash up in water. More important still, they really last, and I do enjoy the longer time between repaints.

If you'd rather take it easy than paint, next time try SatinTone, the latex paint by Colony Paints. We have SatinTone for all surfaces; indoors or out.

3 County 4-H'ers At State Council

Texas' 1976 4-H Congress, July 27-30 in Austin, has attracted three 4-H members from Cooke County, says Mary Hinton, Assistant County Extension Agent.

Participating at Pat Davidson, of Muenster 4-H, Sharon Voth, of Lindsay 4-H, and Billy Felderhoff, of Sacred Heart 4-H C.ub. All are 1976 Cooke County 4-H Council Officers. Approximately 600 participants are in attendance. In addition to the three county delegates, Miss Hinton is serving as one of three agent sponsors for the fifty delegates from the 18 counties in District IV.

Local 4-H'ers and others around the state are getting involved in the law-making process. Highlighting the Congress will be a tour of the State Capitol and involvement in presenting a bill before the Texas legislature, as well as discussions by a special panel and addresses by two keynoteers.

Theme for 4-H Congress is "We The People . . ."

To orient the 4-H members to the legislative process, delegates will be divided into a senate group and a representative group, and will actually simulate how legislation takes place. Youth delegates will discuss various issues dealing with youth and will draft bills, debate and vote on them. The bills will be forwarded to the Governor for signing.
