VOLUME XXXIX

MUENSTER, COOKE COUNTY, TEXAS 76252 - MARCH 14, 1975

NUMBER 16

Farm Facts, the weekly report on agri-business published by the Texas Department of Agriculture, tells us that as of February 1 Texas is no longer the number one cattle feeding state of the nation. Its number of cattle on feed has declined to 1,237,000 whereas Iowa now has the lead with 1,250,000 head in the feedlots.

In this state the latest figure represents a drop of 47 per cent from the 2,340,000 which were on feed a year ago. On a nationwide basis, including the seven major cattle feeding states of Texas, Iowa, Nebraska, Colorado, Kansas, Arizona and California, the year's decline is a more moderate 37 per cent.

As of February 1 those states had 6,050,000 head on feed, compared with 9,632,000 a year earlier. The Agriculture Commission's report further states that the decline of feedlot cattle is the probable cause of about \$2.00 per hundred decline in the price of grain sorghum since last November. It is estimated that two thirds of Texas' sorghum crop is used in cattle feeding, so the decline of a million cattle on feed would definitely affect the sorghum market.

This is good news for the feed lot people who, hopefully, will be able to save enough on their feed bill to realize a profit on the cattle. But at the same time it is bad news for grain farmers whose profits are slipping.

Over all, this is the way of the old economic law of supply and demand. Various factors including the big Soviet grain deal and efforts to regulate meat and grain prices brought on the outrageous prices of a year ago. A natural result was the drop in meat consumption, and increased sale of the more economical grass fed beef. And that was followed by declining numbers of feeder cattle and declining prices of feed.

The lower feed price brings on lower beef price but it also brings on the problem of whether grain farmers get discouraged and reduce their production, thereby tending to force the market up again.

The important point, however, is that supply and demand tend to cause a steady market in spite of minor fluctuation. If allowed to operate without interference of misguided do-gooders trying to regulate prices, it can and will provide a stable economy for us. Over many years it has done a good job for the nation, but price fixing has caused grief every time we tried it.

Another application of the law of supply and demand is involved in a bill just introduced in the new 94th Congress. It proposes to make labor subject to anti-trust laws just as business and industry have been for many years.

The bill is backed by the United States Industrial Council which is mounting a nationwide campaign to generate support for the legislation. USIC points out that last year Congress had passed, with Ford Administration backing, a bill providing stiffer penalties for antitrust law violations, on the basis that monopolistic practices by business firms contributed to inflation. USIC contends, however, that union monopolies had been more responsible for inflation than monopolies created by business enterprise.

As stated by the organization's president, Paul Belknap, "Use of monopoly power by labor unions to impose wage settlements far in excess of increases in productivity is one of the underlying causes of inflation and is seriously damaging to our economy. The public is the victim because excessive labor costs have to (Continued on Page 10)

City Grandstand Gets Facelift

A new look at the ball park awaits players and spectators for the coming baseball season. The grandstand has new paint, a dark green outside and light green inside and a scoreboard has been erected to the right of the first base line. The city did the painting. Jaycees installed the scoreboard.

The program also includes repairs and/or replacement of damaged netting wire and chain link fencing in front of the grandstand. City will furnish material. Jaycees will do the work.

K. Schmidtkofer 24, Is Victim of Hunting Accident

Funeral service for Kenneth Harold Schmidtkofer, 24, of Rt. 2, Gainesville, was held Saturday at 9:30 a.m. in St. Mary's Church with Father James Gillespie officiating and also leading graveside prayers in Fairview Cemetery.

Burial was directed by George J. Carroll and Son Funeral Home. Pallbearers were Paul Fuhrmann, Edward Fuhrmann, Walter Schmidtkofer, Donald Mages, Joe Schmitz and Jeff Dieter.

Friday at 8 p.m. rosary was recited in the Carroll chapel.

The deceased, a son of Mr. and Mrs. George Schmidtkofer living about six miles northeast of Gainesville, was the victim of a hunting accident Thursday afternoon about a mile from his home.

He left the house to go hunting about 2:30 p.m. and was found about 6:30 by his father, who notified the sheriff's office.

Justice of the Peace Thomas Crawford pronounced the death an accident, reporting that the young man was walking through brush when he fell causing the 12 gauge pump shotgun to discharge and strike him in the chest. In Crawford's opinion, death was almost instant.

Kenneth Schmidtkofer was born in Gainesville on March 5, 1951, attended school at Lindsay and lived with the family since then, except a short time in the armed service.

He is survived by his parents; five sisters, Theresa-Larson of Grand Prairie, Dorothy Hogne of Arlington, Pauline Brinkley of Gainesville, Donna and Patricia Schmidtkofer of the home; and his grandparents, Mr. and Mrs. John Schmidtkofer of Gainesville.

Muenster Has 4 on 13-A Dream Teams

Muenster High's basketball teams with a boys' record of 17-8, are represented by two players each on the 13-A all district teams selected Monday night in a meeting of coaches and administrators at Petrolia.

Randy Wolf, forward, and Gina Felderhoff, guard, were named on the boys' and girls' teams. Dan Endres, forward, and Tracey Klement, forward, were named on the two second teams.

Honorable mentions for Muenster were Tim Felderhoff and Bobby Endres, and Kim Klement, Mary Lou Fleitman, Becky Fields and Deb Schneider.

Also at the meeting Superintendent L. B. Brunns and Principal C. O. Cash were re-elected chairman and secretary of the 13-A basketball district for the next year.

Total representation on the boys dream team first string is two from Holiday and one each from Muenster, Archer City, Petrolia and Windthorst. On the second team are two from Petrolia and one each from Muenster, Windthorst, Holiday and Archer City.

The girls first team all district has one each from Petrolia, Archer City and Windthorst as forwards, and one each from Muenster, Petrolia and Archer City as guards. The second team has one each from Muenster, Archer City and Windthorst as forwards and two from Archer City and one each from Petrolia and Holiday as guards.

Defensive Driving Course Available

People of Muenster have another opportunity to take a defensive driving course similar to that taught here about a year ago.

It is sponsored by Cooke County Public Schools in cooperation with Wilde Insurance Agency and is taught by Mrs. Dorothy Pasqua of the County Public Schools. Besides conveying valuable information and driving tips on how to avoid accidents, the course qualifies a person for a discount on his car insurance.

The course is scheduled for four 2-hour sessions starting next Tuesday, March 25, at 8 p.m. and the following sessions will be on Tuesdays unless a different time is agreed to by the class. Cost of the course is \$8, which is the charge for materials used. There is no charge for instruction, however in future courses the county intends to make a charge.

Interested persons are urged to report Tuesday and hopefully reach the minimum required for starting a class. More information is available by calling Wilde Insurance Agency, 759-2261.

A Commissioner Writes On Septic Tank Problems

In view of the highly publicized issues on the recent septic tank regulation passed by the Commissioners' Court, it seems at this point necessary to explain, and perhaps to clear a few of the rumors.

After many phone calls to the court concerning a person's septic discharge aggravating his neighbor, it seemed necessary to go into some sort of regulations, by which we might be able to help our people.

A study was made, a solution found (that being a regulation) to be a way of controlling problems that septic discharge might create.

We in no way wish to take rights away from people, (in fact, local government is closest to the people), hence, local control. Speaking of rights, we do have rights, but when to attain these rights or exercise them we violate others' rights, then it becomes a different issue. In other words, a septic discharge onto a neighbors' property is a violation of the neighbors' rights.

In order to achieve a decent program, it had to apply county wide, that is to all people not under city ordinance. Otherwise it would be

called discrimination. As regards a charge being levied, there is a charge for new applications, but no charge for registration of existing systems. The reason for the charge on new systems is to provide the means of funding the program. Using tax money to take care of the cost of the program seemed unfair to taxpayers, especially city dwellers, who already bear the cost of their own regulations.

In summing up, I would like to say that a program such as the septic regulation cannot be all bad. In fact, it is very important to the well being of our people. In case problems arise, such as a hardship case, it seems we should try to work them out, but definitely not give up the good that we have in the program.

This program is not meant to be a burden. On the contrary, it is intended for the betterment of the people we represent. I'm not writing for the Commissioners' Court, but I know their feelings are purely honest and sincere, as mine are.

Thank you,

Record Grade Set By Dean Sicking In National Test

The highest grade on record at Muenster High in the annual National Math Test was achieved by Dean Sicking Tuesday. His grade was 52, as compared with the previous high of 37.

Gary Chisam of the MHS math department conducted the official test which was given simultaneously in thousands of other high schools throughout the nation. He said it is set up as a challenge to a genius and scores that seem mediocre are actually very good.

Two others who made good grades are Doyle Klement and Tim Felderhoff, each with 27. Their exams and Sicking's have been forwarded for consideration in state awards. Their combined score was 106, the highest ever for MHS.

Chisam said that a score of 20 in this test is considered good, and five students topped the figure. Along with the three leaders were Fray Webster, 23, and Glenn Henschel, 21. The test, open to students of all high school grades, was taken by 29.

JCs Will Sponsor Easter Egg Hunt

An Easter egg hunt for the tiny tots on Easter Sunday is again on the Muenster Jaycees schedule. The decision and preliminary plans were made in the chapter's regular meeting last Thursday, and further details will be worked out in coming meetings.

Also discussed and planned was the annual banquet, date of which is to be decided if possible at the next meeting. In connection with it members called attention to lagging receipts of sustaining membership and the fact that two free banquet tickets are given with each sustaining membership. Some who have been on the list apparently have forgotten.

Mary Bayer Named Redbud Princess At TWU Festival

Mary Bayer, daughter of the Alfred Bayers and a nursing arts student at TWU, Denton, was honored by fellow students of the "Dallas Nursing Center" at TWU, who chose her as one of four Redbud Princesses representing their class. Ten campus organizations elected Princesses from whom the Redbud Queen of 1975 was chosen on Saturday, March 8.

Mr. and Mrs. Bayer spent Saturday in Denton attending several events at Texas Women's University. In the afternoon Mrs. Bayer was among guests at a tea given by the wife of the university president, honoring Redbud Princesses, in the Banquet Room of Hubbard Hall.

The first Redbud Queen of TWU who reigned in 1939 was among a group of judges, faculty members and honored guests to whom each princess and her mother were introduced and were then interviewed Saturday afternoon.

Saturday evening the Bayers and their son and daughter-in-law, the Joe Bayers of Denton attended the presentation of the Redbud Queen of 1975, a TWU student from Missouri who represented the "Houston Nursing Center." The Coronation Ball in the Student Union Building Ballroom followed the presentation.

Later the Bayers visited their son and wife, Joe and Celia in their home.

Poster Contest Winners
Winners of the poster contest sponsored by the Muenster Garden Club in "Trees Today for Life Tomorrow" are: 1 Bert Miller, 2 Jerry Knabe, 3 Carla Otto and in "Woody Owl - Smoky Bear" are: 1 Christy Felderhoff, 2 Kathy Knabe, 3 Renee Wilde. All are 7th graders at SHS.

Mrs. James Cooley, the former Carolyn Schoech has been notified by the Vice President for Academic Affairs of TWU, Denton that her excellent academic record has earned for her a place on the Special Honor Roll. She is a Nursing Arts major.

2 Nurses Attend Hospital Workshop

Two licensed vocational nurses of the Muenster Hospital staff attended a regional workshop at the Marriott Hotel in Dallas last Friday pursuant to the hospital's program in continuing education.

The one day program was conducted by the Council on Hospital Nursing of the Texas Hospital Association, and its purpose was to examine goals in patient care, communication skills, attitudes and labor relations. A report on the workshop will be discussed at an early meeting of the hospital's nurses.

Persons attending were Mrs. Cecilia Haverkamp and Mrs. Joan Haverkamp.

Hornets Run Over Jackrabbits 15-4

For the second time of their newly begun season, Harold Tipps and his Muenster High baseball team brought home the bacon Monday afternoon. They did it in a big way by blasting Bowie's Jackrabbits 15-4 at Bowie.

Furthermore, the game was the second fine performance by Terry Walterscheid who pitched all of the six innings and faced 23 batters. He got 9 strikeouts and gave up 7 hits and 2 walks. On the other side Bowie's two hurlers faced 45 batters, also struck out 9 and allowed 16 hits and 10 walks.

The Hornets started with a 2 run lead in the first, were tied in the second and went ahead for keeps with 4 in the third, then continued the scoring spree with 2 in the fourth and 7 in the fifth. Bowie upped its score to 4 with 2 in the third.

Along with his good pitching Terry Walterscheid led the Hornet hitting with a double and two singles. Others who shared in the slugging were Mark Stoffels and Dan Endres, each a double and a single; Bobby Endres, Tim Wolf, and Kirk Johnson, each two singles; Randy Wolf a triple, Mike Davidson and Nick Walterscheid each a single.

A game scheduled Tuesday with Whitesboro was postponed because of rain. And the Hornets have two more games on schedule. They'll meet Slidell here April 14 and there on a date still to be set.

Tigers Are Tenth In Bridgeport's Hot Track Meet

Competition was much too tough for the Sacred Heart Tigers in a track meet at Bridgeport last Saturday. They were one of four class B teams in a crowd of fifteen Class AA and six Class A contenders.

Under the circumstances Coach Bob Steele was pleased to see his boys come out in tenth place with 14 points. And he was even more pleased that they improved their individual records over those of the previous week. In Saturday's keen competition, however, some of those improved performances failed to qualify for the finals. For instance Craig Sangster's 24.2 in the 220 was not good enough. Nor were 5:07 by Paul Reiter and Roger Endres in the mile, or Bob Hartman's 5:25 in the mile.

The team's points were earned as follows. Bruce Fuhrmann took second in the 880 run with 2:07. Mark Hess was fourth in the intermediate hurdles with 43.7, the best ever on Sacred Heart's record. And Roger Endres was fifth in the high jump with 5'6".

Next on the Tiger schedule is the meet at Nocona Saturday. And the remainder of the schedule was announced as follows by Coach Steele.

March 21, Ranger.
March 28, Pottsboro.
April 5, Tiger Relays at Saint Jo.
April 11, Marietta, Okla.
April 18, District meet at Amarillo. Teams entered there besides the Tigers will be Alamo of Amarillo, Christ the King of Lubbock and Notre Dame of Wichita Falls.

It's Election Time for 2 Student Councils

Sacred Heart Hi Student Council Will Elect Friday

The annual election campaign of the Sacred Heart Student Council, which has been in full swing all week, will come to an end Friday in a final appeal by candidates and then the election.

Officers are to be elected from all of the classes. Seniors of next year will have the president and first vice president, candidates for those offices being Mark Hess, John Henschel and Cindy Bartush. Juniors will have the second vice president, for which the candidates are Cathy Bartush, Chris Schilling, George Luke and Mary Hoedebeck. The secretary will be elected from sophomores, whose candidates are Brenda Voth, Cheryl Luke, Dona Swirczynski, Carolyn Luke and Mary Grewing. And the treasurer will come from the freshmen, whose candidates are Laurie Walterscheid, Joe Bartush, Sharon Grewing and Janelle Hellman.

Officers whose terms will expire are Sandy Reiter, president; Ricky Walterscheid, first vice president; Mark Hess, second vice president; Chris Schilling, secretary; Cheryl Luke, treasurer.

Hornets Take Top Trophy in Meet At Holliday High

For the second time in the '75 track season, Don Osterman's Muenster High Hornets came home last Friday with the big trophy. They took first place with 122½ points competing in a field of 12 at the Holliday track meet.

Other team scores were reported as follows. Nocona 82½, Archer City 65, Holliday 50, Windthorst 46, Throckmorton 45, Electra 39, Quanah 22, Harold 17, Callisburg 15, Notre Dame 5, Chillicothe 0.

The Hornets piled up most of their points on four first places including a relay, which pays off in double points, and also four seconds, including a relay. Other scoring was 1 third, 5 fourths, 1 fifth, 4 sixths and one tie for sixth.

An encouraging sign for the district title is that MHS led four of its loop opponents. . . . Archer City, Holliday, Windthorst and Callisburg . . . and the other opponent, Petrolia was not entered.

Next action for the Hornets will be Saturday at Nocona. Eighteen of the Muenster team shared in the scoring honors. They were led by Mark W. Sicking with 19, then Ray Luke, Mark L. Sicking, Kenny Koelzer and Dean Sicking with 10 each.

The MHS boys earned their points as follows. 440 relay. Muenster first, 46.1. Tom Bright, Mark W. Sicking, Ray Luke and Terry Walterscheid.

880 yard run. Mark L. Sicking 3rd, 2:08.1; Albert Zimmerman 4th, 2:11.7; Deryl Zimmerman 5th, 2:12.

120 high hurdles: Kenny Koelzer, 1st, 16.3. 440 yard dash: Tim Felderhoff, 4th, 56.7; Randy Sawyer 6th, 57.6.

330 intermediate hurdles: Brian Sicking 2nd, 45.8; Glenn Henschel 6th, 47.7. 220 yard dash: Mark W. Sicking 1st, 24.0; Ray Luke 6th, 25.5.

Mile run: Dean Sicking 1st, 4:55.6, Andy Serna 2nd, 4:56.7; Larry Phillips 4th 5:04.4.

Mile relay: Muenster 2nd 3:44.7, Mark L. Sicking, Terry Walterscheid, Tim Felderhoff, Mark W. Sicking.

High jump: Ray Luke 4th, 5'6"; Tim Felderhoff 6th, 5'6". Shot Put: David Wimmer 6th, 37'8".

Disus: Dan Endres 2nd, 116'2"; Jim Grewing 4th, 108'6".

Spelling Champion
Robert Luke, the son of Dr. and Mrs. Eugene Luke of Holbrook, Arizona and an eighth grader in Holbrook Junior High School took first place in the spelling bee held there last week. He will compete at the County level on March 15. Robert is the grandson of Mr. and Mrs. Ben Luke.

Mounting Costs Wipe Out Profit For Lone Star Gas

Lone Star Gas Company's return on its utility residential and commercial service in Texas "has been reduced to virtually nothing, primarily due to increasing gas costs," the Texas Railroad Commission was told today.

Louis B. Hulcy, senior vice president, told the Commission that "in 1974, while total natural gas sales by Lone Star climbed to a record \$313 million, net income of the company's utility division was down 22% due mostly to a \$76.5 million increase in gas purchase costs over the previous year."

The rate relief sought, Hulcy stressed, is "primarily to assist the company with the serious problem created by the increased cost of our gas supply." Hulcy urged the Commission to authorize a 100% monthly pass-on of increased gas costs instead of the 65% semiannual pass-on currently in effect.

In addition to Hulcy, six other company witnesses and two expert outside consultants were scheduled to give largely technical and financial testimony to the hearing examiner during the day.

Besides recouping from customers the rising costs of the gas it purchases, Lone Star has applied for an increase in the rate it can charge residential and commercial customers in Texas caused by inflationary rises in such items as materials, labor, costs of borrowed money and taxes. This is Lone Star's first full rate proceeding since 1969.

The problem that baffles Washington is how to dig the country out of the hole without making the hole any bigger.

Blue Birds News

Activities of the Happy Bluebirds and weekly meetings of the past four weeks, included observing birthday making Valentines, exploring

Muenster City Park and preparing for a father-daughter box supper. The February 20 meeting in the TP&L room opened with the Happy Birthday song to Tammie Hogan. Refreshments were served by Tonya Fisher. The girls made Valentine book markers from felt, lace rosettes and red ribbon. All meetings close with the good-

bye song. Kay Pagel is leader and Eileen Fisher is assistant. The Happy Bluebirds met in the City Park on February 27 where refreshments were served by Kim Bedrick. The girls spent the meeting time playing games and enjoying the park area. Kay Pagel was leader and Kay Bedrick was assistant.

On March 6 the meeting was held in the TP&L room with Kay Pagel and Eileen Fisher. Refreshments were served by Amy Davidson. The girls started working on place mats for the father-

daughter box supper on March 17, using the Texas Flag design. Theme of the box supper will be "Texas Heritage".

The Bluebirds had an extra meeting on March 7 in the reading lab of Muenster Public School and met with the second grade Working Bluebirds. Each girl made an invitation for her dad for the box supper using the Texas Flag design. Later a group came from Gainesville to teach four songs to be sung the night of the box supper. Community Lumber Co. is sponsor for the Happy Bluebirds.

Jr. Elite Week Ends With Dinner, Dance

A delightful dinner and dance attended by more than 150 employees and guests brought a happy ending to Jr. Elite Week which was observed Monday through Saturday of last week.

The only disappointment was postponement of a surprise presentation of charm bracelet awards to 27 employees who had been with the factory five years or longer. The awards failed to arrive on time and the presentation had to be re-scheduled until later in the week.

The dinner dance, preceded by a happy hour, was held in the KC hall Saturday night with Rohmer's Restaurant catering and Doug Martin's Rustlers providing the music. Mrs. Bernice Sicking, factory manager, was in charge of the program.

Out of town guests were Herb Greenburg, Tom Cotton and Marty Steinman and their wives of Dallas, and N. L. Robeson of Gainesville.

Over 250 visitors came to see the factory during Jr. Elite Week and were taken on conducted tours by Bernice Sicking, who explained the assembly line system of making dresses with dozens of separate, interesting operations requiring special equipment.

Mrs. Sicking also called attention to recent remodeling changes for additional space as well as more efficiency. One result is the present project of enlarging the dining room to twice its former size. Another result is gaining space for about thirty more machines which will soon be operated by as many additional employees. Applications for the additional help are being accepted now.

Also in the plans is a federally funded job training class for inexperienced workers, in a program similar to adult education classes. Clothing made in such classes will be given to state and charitable institutions.

The factory now has 84 employees. When additions are made they will number well over 100.

Employees receiving the

five-year award are Edna Allen, Julia Cunningham, Ethel Davidson, Geneva DeBorde, Elitha Endres, Christine Fleitman, Josephine Gehrig, Gladys Gieb, Maurine Griggs, Leona Hess, Lucy Hess, Juanita Knabe, Pauline Koelzer, Dorothy Miller.

Agnes Owen, Corvella Robeson, Ursula Rohmer, Mary Schilling, Bernice Sicking, Martha Sicking, Mae Streng, Marie Trubenbach, Fannie Tuggle, Alvina Voth, Catherine Walterscheid, Kate Wilson and Marie Zimmerer.

4-H Girls Present HD Club Program

Sharon Rohmer, Monica Gehrig and Shelley Zimmerer, members of Senior 4-H Clubs gave the program for the Muenster Home Demonstration Club II on Tuesday, March 11, in the home of Mrs. Clinton Endres.

Sharon brought apple crisp, Monica brought angel salad, Shelley brought a "snowball" and Carla Otto sent a carrot cake which they had prepared earlier at home. These were prepared by the same recipes the girls used for their entries in the 4-H food show and after the demonstration were served to seven members and two guests, Mrs. Fred Koerschner and Mrs. Albert Zimmerer.

Mrs. Clinton Endres conducted the business meeting and Mrs. Francis Fisher gave the inspiration. Mrs. Arlin Naegeli reported on the Las Vegas party in April for members and husbands.

Mrs. Albert Zimmerer won the door prize, the angel salad, for the best score on a quiz on the 4-H program.

Next month's meeting will be Tuesday, April 8, in the home of Mrs. Gerald Hess.

Robert Bayer is a medical patient at Muenster Hospital.

Fred Hennigan Sr. was hospitalized Wednesday, March 5, at Muenster Hospital after sustaining a deep cut on his leg while working with a skill-saw in his hobby shop. A Red Cross first aid course he took 42 years ago paid off when he was able to stop severe bleeding by applying pressure. He drove himself to the hospital. He was released Monday evening, March 10.

Mark Hennigan, son of Mr. and Mrs. Donald Hennigan, underwent an appendectomy at Muenster Memorial Hospital.

Daniel Boone of Saint Jo is a surgical patient at Muenster Hospital. He has the unusual distinction of already having undergone surgery thirteen times during his lifetime.

Mrs. Dan Haverkamp was released Monday from medical care at Muenster Hospital since last Thursday and is recuperating at home.

Miss Angela Laake, age 92, was admitted to Muenster Memorial Hospital Friday morning at 5:00; She is a medical patient.

Mrs. J. M. Weinzapfel is convalescing at home after hospitalization for a broken hip. She was in Church Sunday, out for the first time.

J. D. Caplinger was home for the weekend from the V. A. hospital in Dallas.

Lou Wolf has been admitted to the Caruth Memorial Rehabilitation Center in Dallas for therapy. His address is 7850 Brookhollow Road; Dallas, Texas 75235.

Mark Hennigan, son of Mr. and Mrs. Donald Hennigan has returned to Kindergarten classes at Muenster Public School, after recovery from an appendectomy performed at Muenster Memorial Hospital.

Benefits Available To Unemployed Not Covered by TEC

Jobless workers who are not eligible for unemployment compensation may possibly qualify for a new type of benefits, Special Unemployment Assistance (SUA), according to Henry Rothell, administrator of the Texas Employment Commission.

The new unemployment assistance measure is authorized under the Special Employment Assistance Act of 1974 which President Gerald Ford signed into law December 31.

Special Unemployment Assistance makes unemployment benefits possible for persons such as domestics, agricultural workers, employees of city and county governments, and various other workers currently ineligible for unemployment compensation.

In Texas, SUA claimants can receive a maximum of \$63 per week for as long as 26 weeks, Rothell said. SUA payments will be made entirely from Federal funds and paid in accordance with the general provisions of the Texas Unemployment Compensation Act.

"Workers who have insufficient earnings in covered employment to be eligible for unemployment compensation under any State or Federal law," Rothell said, "may qualify for SUA if they present evidence of employment and earnings during the 52 weeks prior to filing their claim which would be sufficient to qualify for unemployment insurance if the work had been in covered employment."

An SUA claim may be filed at the nearest TEC local office or itinerant service point in the state. When a worker goes to an office to file a claim, he should take his Social Security card and a list of names and addresses of all employers for whom he worked during the most recent 52 weeks, along with documentary proof of work and earnings, the TEC administrator said.

4-H Judges Tour Sandy Reiter Home

by Ava Knapp
Mrs. Kinch Koehn, State Chairman of the THDA 4-H Committee; Mrs. Charles Warminski, State THDA Treasurer; and Ilene Miller, Family Life Specialist with Texas A&M Extension Service were in Gainesville and Muenster Monday to tour the home of Sandy Reiter and observe her 4-H project work first hand. Sandy is a state finalist for one of six scholarships offered through Texas Home Demonstration Clubs ranging

from \$100.00-\$600.00. Greeting the judges upon their arrival to Cooke County were Judge Larry Sullivan and Land Commissioner, Robert Bayer. Sandy was first judged on her 4-H record book submitted at district and state levels. Her varied activities and projects, and her ability to serve as a leader as well as follower were many of the factors that the judges felt qualified her to be a finalist. They will be visiting 5 other finalists throughout the state during this week. Sandy is the daughter of Mr. and Mrs. Wilfred Reiter of Muenster. She is active in her local 4-H club, serving as president, as well as in the county program, serving as Girl Vice-Chairman of the County Council. Sandy has devoted much of her time to helping others grow through 4-H. She plans to attend North Texas State University and major in Advertising/Art.

THANKS

We want to express our appreciation for the many courtesies shown to my aunt, Mrs. Ethel Little, during her brief stay at Hillcrest Manor. Mr. and Mrs. James J. Roark

My husband, my children and I are grateful to our families, our friends and relatives, to Dr. Kralicke and the nurses of Muenster Memorial Hospital, to the Reverend Fathers and to the employees of IBJ Cutting Room for their help and their concern, for flowers, prayers and visits while I was hospitalized.

Mrs. Dan Haverkamp

A great big "thank you" to nurses of Muenster Memorial Hospital, Dr. Antonetti, Fr. Placidus and to everyone who remembered me with prayers, cards and visits while I was in the hospital especially to my friends in the morning class of Kindergarten who sent me cards they made.

— Mark Hennigan and my parents, Mr. and Mrs. Donald Hennigan.

SOIL CONSERVATION DISTRICT NEWS

A new soil and water conservation plan has been completed on the J. W. Bullion farm located in the Rosston Community. He has plans for establishing most of the place in improved pastures and cross fencing for better grassland management. He also has plans for a pipeline and water troughs for livestock water in the pastures.

The conservation plan on the E. T. Stormer farm in Marysville Community has been revised and updated recently. They are installing a grade stabilization structure this year to control a critical gully. Most of the farm has been developed in improved pastures and are managed for high forage production.

A new parallel terrace system has been completed on the Al Walter farm in the Myra Community. These new terraces were planned and designed by technicians from the Soil Conservation Service and they were built by one of the local dirt moving contractors. The terraces outlet on a grassed waterway.

The next time you drive through the countryside, make it a point to really see the land. Conservation practices are visible everywhere in contoured fields, stubble mulched cropland, grassed waterways, well managed rangeland and improved pastures, and watershed lakes. Conservation treated land means clear flowing streams, abundant food supplies and a better environment for you.

Someone has called erosion the "great terrain robbery." The sad fact is, erosion can be prevented with conservation measures. Conservation practices like terraces, dams, mulches, or even a thick carpet of grass are great erosion stoppers. To keep erosion from robbing your terrain, contact the local Soil Conservation Service technician who is assisting the Upper Elm-Red Soil and Water Conservation District.

New parallel terraces are under construction on the Frank Haverkamp, Jr., farm located in the South Lindsay area. These terraces are being built by a local dirt moving contractor and they will outlet onto grassed waterways.

Overheard: "I've found the key to a happy retirement. I've got enough money to live on, but not enough to worry about."

Communism is like a disease, people get it not because they are attracted to it, but because they fail to protect themselves against it.

currently undertaken by the Junior Club and showed how parental training is reflected in the later lives of their children.

Twenty four members attended. Sharon Grewing, president, Denise Haverkamp and Janelle Hellman song leaders, and Sherri Herr who recited a poem took part in the meeting.

Toni Hoedebeck is reporter.

The Method Demonstrations and Rifle Program night classes in April were discussed during the March 5 meeting of Sacred Heart Junior boys 4-H Club. Assistant County Agent Randy Jordan met with the boys. Jesse Walterscheid, president, led the meeting; Mark Klement read minutes, and roll call. Nineteen members attended. Wilfred Lutmer is reporter for the Junior Club.

A full schedule of activities is beginning for Cooke County 4-Hers and will continue until June. County eliminations for Method Demonstrations are scheduled for Friday, April 4, with a preparatory demonstration workshop to be held on Wednesday, March 12 at 7:00 p.m. at the Farm Bureau Building.

The County 4-H Livestock Show will be an event of Saturday, March 15 at the Pony Barn at the Gainesville Fair Grounds with judging beginning at 9:30 a.m.

The County-wide 4-H/FFA Livestock Show is scheduled for two days, March 20-21, with sheep and swine judging on March 20, beginning at 6:00 p.m., steers on March 21 at 10:00 a.m. The sale will begin at 7:30 p.m. on March 21.

To help with advertising the 4-H/FFA Livestock Show, each 4-Her planning to enter prepared a poster with a picture of his project and an explanation of the time and work involved in raising a livestock project for the Show.

During the Show, 4-Hers are asked to patronize the concession stand, as all proceeds will go to the County 4-H fund. 4-H parents and volunteers will work in the concession stand.

A Clothing Training for all leaders and parents will be held Thursday, March 13, at 4:00 p.m. at the Cooke County Electric Co-op. This is a new project guide and many new activities are available.

The District Rifle Contest is scheduled for March 29 at UTA, Arlington, with both Junior and Senior teams participating.

A county-wide 4-H Bake Sale will be held in the area of each individual club on Saturday, March 29. Muenster's two clubs, Sacred Heart and Muenster Community 4-H will have baked goods available at the grocery stores and Ben Franklin for the day before Easter.

Attend McKinney Meeting
Five members of the Muenster VFW Auxiliary attended a Sunday afternoon meeting at the VFW Post Home in McKinney for films and talks on a "Drug Abuse Program" and "Drive to Survive". Going there on March 2 were Mmes. Arthur Bayer, Leo Hesse, Ray Voth, Raymond Walterscheid and Charles Knabe.

Weinzapfels Have Weekend Guests

Guests of Mr. and Mrs. J. M. Weinzapfel last Thursday were their sons, Msgr. Thomas Weinzapfel of Dallas and Fr. Joseph Weinzapfel of Irving.

Sunday guests were a sister and her husband, the Otto Hemmings of Scotland and the Albert Ostermans of Windthorst. Others were two teachers from St. Pius X School, Dallas, Sr. M. Gabriel and Sr. M. Cabrini, both originally from Ireland. Also from St. Pius X Parish were Jack Salmon and son John, a student and Anne Sansone another student, both here to accept their awards in the Youth Essay contest sponsored by the Catholic State League.

The Weinzapfel's daughter, Mary, Mrs. Bill Birden of Lewisville visited Monday evening while her husband spoke to the Jets Club on computer programming and computer science as a career.

Hillcrest Manor News

New employees on the staff are aides Mary Cleary of Gainesville and Miss Cass Houston of Forestburg. Mrs. Cleary is the wife of David and they have daughters aged 5 and 8. Miss Houston is a student at Forestburg High.

Hillcrest Church of Gainesville is in charge of Sunday afternoon services at the Home.

Joe Knabe was the honoree at the March birthday party. Music and refreshments entertained residents and guests. Decorated cakes were made by Mrs. Harold Knabe, Mrs. Pearl Rosson and Mrs. O. D. Garland. Staff members served the cakes with punch. Cross Timbers Band members played and sang. Each first Tuesday of the month is party time honoring all who have birthdays that month.

Miss Angela Laake was admitted to Muenster Hospital Friday for medical care.

Visitors with Mrs. Jennie Schilling have included her sister and niece, Mrs. Katie Wilder and Sister Benedict Zimmerer of Lindsay on Sunday.

Mrs. C. W. Miller of Hurst visited her father Reeve Cooke last Wednesday and took him out to dinner and to visit with friends.

Former staffer Nell Newsom of Forestburg was back for a visit Thursday with Mrs. Anna Newsom and other residents.

Lon Williamson's daughter Catherine of Noconá visited him Wednesday.

Barney Barnett led the scoring in the bingo party last Wednesday. Hillcrest Auxiliary members serving as hostesses were Mmes. T. Voth, Wilfred Walterscheid and Joe Fisher.

Gen. Sam Houston, when served his first helping of vanilla ice cream, is reputed to have said, "Madam, it is not my intention to slander your hospitality, but this here pudding is froze."

251 Persons Treated in 3 Years At County Mental Health Clinic

The Cooke County Mental Health Clinic recently completed three years in Gainesville, providing services for 251 persons who have been undergoing emotional or mental stress. Currently 121 persons are on the rolls.

The Gainesville Clinic is an outreach facility of the Wichita Falls State Hospital. It is operated under contract including the Hospital, Cooke County and the city of Gainesville to assist discharge patients who need continuing outpatient care and to provide assistance to others in the community who may be experiencing stress which interferes with normal social functioning.

The Gainesville Clinic was established along with five other outreach clinics — Mineral Wells, Breckenridge, Bowie, Decatur and McKinney for this purpose.

The advantage of the outreach program is reflected in the reduction of patient population in the Wichita Falls State Hospital — in three years a reduction of 26 per cent. Another advantage of the program is the lower cost of

maintaining a patient in the community as compared with maintaining him in the Hospital.

Of the 251 persons who have sought assistance from the Gainesville Clinic, ranging in age from six to seventy four, only 20 per cent were referred from a State Hospital the remaining 80 per cent have come on referral by someone in the community or upon their own initiative. Many persons in the community, feeling the need for assistance, are themselves seeking it.

Dr. A. J. Gavigan, director of the Wichita Falls State Hospital's outreach program, visits the Gainesville Clinic each Friday, seeing patients and providing guidance for the Clinic staff. The staff members of the outreach clinics are given training upon entering on duty and are expected to continue learning through reading and by attending continuing education conferences planned for them by Dr. Gavigan and Mrs. Barbara Major, R.N., coordinator of the outreach program.

The regular staff of the local Clinic consists of Margaret

P. Hays and Margaret (Mrs. J. D.) Plumlee. In addition, Miss Linda Holcomb, who is enrolled in the Mental Health Program at Cooke County College, is employed as an on-the-job trainee at the Clinic. Volunteers are utilized as receptionist, in transporting patients when needed, in directing crafts activities and in various other functions.

Persons seeking assistance at the Clinic are first interviewed by a social worker, who obtains information about the current problem as well as a background information about the individual. When the psychiatrist has made a diagnosis and has recommended a treatment program, the staff sets up a schedule to assist the individual in working through his problem. Treatment may consist of chemotherapy, individual and/or group psychotherapy and adjunctive therapies. In addition, home visits are made, and referrals are made to other facilities as needed.

The Clinic began its services in Sunday School rooms loaned by First United Presbyterian Church and after four months was relocated in quarters in the Schad and Pulte Building. The Cooke County Mental Health Clinic may be utilized by residents of Cooke County. Fees are based on a sliding scale established by the Texas Department of Mental Health and Mental Retardation.

The Clinic, located in Room 218 of Schad and Pulte Building is open Monday, Wednesday, Thursday and Friday 8-12 a.m. and 1-5 p.m. and Tuesday from 1-9 p.m. Appointments may be made by phoning 665-3962.

Forestburg News

By Myrt Denham

(Held over from Last Week)

FORESTBURG: Well folks, it is heel-fly time again. However, I don't think the heel flies will get much of a race out of these old cows this year. Most I have seen don't look like there is a good run left in 'em. Have you ever seen pastures more bare or cattle thinner? Which, no doubt, is the result of the cost squeeze between feed cost and cattle prices. We may think we feed them as much as ever but there is a tendency to let them russell a little more for themselves, than to pour out that \$180 per ton cake. Even Glen Lynch makes his "hired hand" give them feed sacks a few extra shakes.

Myrtle McMillion spent Monday night, Feb. 24, with Mrs. Lenora Moore. The next day these two ladies drove over to Saint Jo to visit Jewell Casteel on her birthday. Also there were Grace Scott and Cleo Lanier. They had a marvelous time visiting and enjoying cake, ice cream and coffee. Mrs. Casteel returned to the burg that evening with Mrs. Moore and Myrtle. Myrtle said she also got to visit with the A. O. Ivans while in Saint Jo. Myrtle met these folks when she taught school at Spencer from 1927-29.

Johnny and Cathy Moseley, Buck and Nickie of Bridgeport have made themselves a weekend home out of the Walter Poteet house down in New Harp.

Mrs. Imogene Brewer, Dewey, entered the Bowie Memorial Hospital March 1 and underwent major surgery the 3rd.

Mrs. Dorothy Foster and Mrs. Billie Walker, Misty and Brent were in Throckmorton, Feb. 22-23, visiting with the Dub Scrogums, the Bill Cooks and the Wesley Boystroms.

Wynona Riddles is hard at it again on Tuesdays and Saturdays at the former G&L Truck Stop close to Alvord. She had herself a few weeks rest from duties there. However, she decided they needed her cooking more than she needed the rest.

Betty Reynold and us Denhams took in the monthly Fellowship supper, Feb. 26, in the annex of the Forestburg Methodist Church. Never have any trouble getting Betty to accompany us to any Methodist suppers, etc., she knows where the good food is. This time Betty paid for her supper — she ended up helping yours truly do KP duty.

The 42 club met in the home of Mrs. Decie Ellzey, Feb. 27. Enjoying the evening were Meb and Roxie Dunn, Bill

MENU

Muenster Public School
March 17 thru March 21

Monday — Cornie dogs, cheese sticks, sweet potatoes, mixed greens, bread, butter, milk, cookies.

Tuesday — Fried chicken, buttered rice, peas and carrots, pickled beet, bread butter, milk, pineapple slice.

Wednesday — Sloppy Joes, buns, onions, pickles, french fries, milk, Jello.

Thursday — Meat loaf, pork and beans, tossed salad, bread, butter, milk, peach half.

Friday — Tuna salad, cream potatoes, lettuce, green beans, milk, cake.

and Lena Forrester, Barney Brogdon, Cleo Lanier, Velma Freeman, Marion Sockwell, Frances Brewer and Clea Reynolds.

Our fifth and sixth grade boys won first place at the basketball tournament in Era. It started Feb. 27 and ended March 1.

The Bennett Reynolds were in Bowie March 1. Seems Bennett had to have minor surgery performed on his head — his ears needed lowering some or else he was gonna have to buy a violin. Betty shopped around to see what she could spend Bennett's shoe money on. They visited with Loyd Orrell in the Bowie hospital before returning home.

There was a garden party March 2 over in Dewey at the Robert Ensey estate. Robert's son Jack and wife Ruby of Irving were there, Saturday night and Sunday. On Sunday the J. C. Volkman of Bowie and the Louie Lowrance and youngsters of Sunset were there — they all had dinner with the Enseys. Then Robert got himself a five gallon can to sit on just inside his garden. He had the rest of them out there tilling, digging and planting. Robert was telling them just how, where and why.

Dewey's first lady, Miss Myrtle McMillion, celebrated her birthday March 2 in the home of her brother, A. B. McMillion where their children and grandchildren were present. This makes number three score and ten for Myrtle.

The better half and I visited Loyd Orrell in the Bowie hospital March 2. Loyd was fairly chipper and Bess said it was his best day thus far.

Thelma Jo Wylie returned to her teaching duties at Kaufman Thursday, Feb. 27. She didn't make it home on the weekend so her mother Mrs. Ida Wylie had a fast ride to Mabel's hair house Sat., with one Perryman Denham in his little yellow VW.

A horseshoe should be hung with the ends pointing down.

A lad rushed into a drug-store crying, "Quick! My father is hanging upside down by his pants leg in a barbed wire fence."

"What do you want, boy? asked the druggist. "Help — or first-aid supplies?" "Nothing like that," said the boy, "I want film for my camera!"

Worried over what to give his girl for her birthday, a boy asked his mother for advice.

"Mom," he said, "if you were 16 years old tomorrow, what would you want?" Her heartfelt reply was: "Not another thing!"

A panhandler approached a man on the street and said, "Mister, can you give a cripple a quarter for bus fare?" "All right," said the man, giving the beggar a close look, "but how are you crippled?" "Financially," said the beggar.

Landscaping with Tulips

Because of its variety of flowers and sizes, the tulip lends itself admirably to landscaping. You don't need to be an expert in landscape architecture to design your own Spring Garden, the tulip does it for you, with just a little imagination on your part. To help you, here are some basic guidelines.

Combinations

A successful bulb garden is based upon a complimentary combination of early, mid and late-spring tulip bulbs. This way, you'll have a continuous flowering of Spring bulbs. Carefully blend the tall, stately tulips with the smaller and more delicate variety.

Clumps

Nothing looks more desolate than a row of single tulips. For a really colorful effect, plant bulbs of the same variety and color in clumps or masses. This gives your garden maximum visual impact whereas mixing varieties and colors dilutes the overall effect.

Color

Just as in the living room, there are certain colors which clash. For example, some gardeners feel that orange and purple don't go together. However, white and red tulips do go together, as do yellow and red tulips.

Height

The different varieties of tulips grow to varying heights. The popular Kaufmanniana and Greigii, for instance, are only 8 to 12 inches tall whereas the classic Darwins and Darwin Hybrids grow two to three feet tall. Low-growing bulbs look best in

front of a border or along the outer perimeter of a bed, while the taller tulips look best when planted in big clusters by themselves.

Sequence

To insure that your garden stays in bloom for the whole of Spring, you should design your landscaping to include early, mid and late-blooming tulips. To give you some idea, tulips usually bloom in the following sequence: Fosteriana, Kaufmanniana, Praestans, Greigii Hybrids, Single Early, Double Early, Mendel, Triumph, Darwin Hybrids, Parrot, Darwin, Cottage, Double Late and Lily-flowered.

If you follow these tips, you should have an eye-catching garden next Spring that will be the envy of your neighbors.

SIGN OF THE TIMES

THE INFLATED DOLLAR

You see its effects on your food prices, your housing prices and most other things... just as Texas Power & Light Company sees it on the cost of everything necessary to produce and supply your electricity.

FUELS COST MORE

To produce electricity, TP&L generating plants must use fuels—natural gas, lignite coal and oil. In 1952, the price of gas, the principal fuel used by TP&L, was just five cents per 1,000 cubic feet. In 1974, the price was 48 cents per 1,000 cubic feet. The Company's total fuel bill in 1974 was \$89 million, more than 64% higher than in 1973.

CONSTRUCTION COSTS MORE

To counter uncertain supplies and spiraling costs of gas and oil, TP&L is building new generating plants which will use lignite coal and nuclear materials. Ironically, lignite-fueled plants cost more than twice as much per kilowatt as gas-fueled plants and the cost of nuclear plants is still higher.

FINANCING COSTS MORE

Just as most people must borrow money to build their homes, TP&L must borrow money to construct its power plants and other facilities. While the interest rates the Company must pay on borrowed money are now somewhat lower than the all-time high of 10 1/2% in 1974, they are still about twice the rates of 1964.

You and all TP&L customers expect a reliable supply of electric power and we're constantly working to meet this responsibility. However, because of the squeeze of rising costs, it is inevitable that the price of electricity must be increased in the future.

Public School Happenings

An attendance estimated at more than 400 gathered last week for the annual open house observing Public School Week in Muenster.

The event was featured by an arts and crafts show in the lunch room with some 295 entries on display. In addition the open house applied to all classrooms, in which student work and teaching aids were on display and teachers were on hand to meet the visitors. Also refreshments of coffee and cookies were provided by the PTO and served in the homemaking department.

The arts and crafts show was held in nine categories with entries in classifications of primary, elementary, junior high and senior high. Blue ribbons in each category were awarded in the order listed to the following persons.

Category A, Fine Arts: Keith Koelzer, Charlotte Fleitman, Debbie Neal and Sam Bright.

Category B, Crafts: Ronnie Fisher, Glen Fisher, Ruth Ann Heathcock, Lou Ann Swirczynski.

Category C, Weaving: Craig Felderhoff, Kevin Felderhoff, Julia Bright, Mary Lou Fleitman.

Category D, Needle Work: Michael Fette, Connie Lutkenhaus, Debbie Zimmerer, Jeannie Swirczynski.

Miss Susan Sloan, daughter of Mr. and Mrs. Mike Sloan, and a student at N.T.S.U. observed the afternoon kindergarten class on Friday, February 28. This was one requirement of a music class she takes in college.

Attend Casa Manana
Junior High students of Muenster Public School attended a bicentennial play "Out Where the West Begins" at Casa Manana Playhouse in Fort Worth last Friday. The play traces the history of Fort Worth, Texas, from its founding in 1849 to the present

time. After the play the students visited the Botanical Gardens and Japanese Gardens in Forest Park.

Teachers accompanying the group were Harold Tipps, Donald Neal, and Mmes. Nancy Perryman, Gwen Trubenbach and Loretha Cash.

MHS Student Council

A general assembly of Muenster High School students at 12:45 Thursday gave candidates for the 1975-76 Student Council an opportunity to be introduced to the student body and also an opportunity to make speeches for their own campaigns.

During the meeting students evaluated the working agenda of the past year and heard the goals and purpose of a student council discussed.

Election day was set for March 11. Newly elected officers will attend meetings for the rest of the school year to acquaint themselves with council procedure and to prepare for the following school year.

Nominations for the "Boy and Girl of the Fourth Six Weeks" were made at a Council meeting Monday. Nominees are: Senior girl — Diane Yosten, Sandy Dittfurth, Mary Lou Fleitman. Senior boy — Thomas Bright, Tim Felderhoff, Ronnie Weinzapfel. Junior girl — Connie Walterscheid, Deb Schneider, Margie Wolf. Junior boy — Danny Endres, Mark Sicking, Johnny Eckart. Sophomore girl — Tracey Klement, Judy Fisher, Betty Bayer. Sophomore boy — Albert Zimmerer, Sam Bright, Terry Lewis. Freshman girl — Shirley Monday, Gay Mollenkopf, Barbara Klement. Freshman boy — Jackie Endres, Deryl Zimmerer, Neil Walterscheid.

FHA Meeting

The Future Homemakers of Tomorrow Chapter of Muenster High made plans for their Mother-Daughter Banquet and enjoyed a Mary Kay program during their meeting Monday night, March 3. Tentative date for the banquet is April 3. Decorations will be made by the F.H.A. girls.

Jan Cain, Joni Sturm, Karen Wilde and Carol Hess presented a Mary Kay program and treated the F.H.A. girls to facials and invited them to the "Glamor by Mary Kay" program at the Dutchman in Lindsay on March 25. During the Monday night meeting the Mary Kay representatives demonstrated application of makeup and cleansing of the face.

JETS See Computer

Members of the JETS Club at their regular meeting Monday night were treated to a talk and demonstration on computer programming by Bill Birden, who is employed with General Computer Systems in Dallas. Mr. Birden used a model to show how data is fed into the computer to provide a basis from which calculations and records will be produced. Students were fascinated by the demonstration and had the pleasure of carrying out a few operations.

Relatives Visit With Mrs. Myrick

Mrs. T. S. Myrick, a surgical patient at Muenster Memorial Hospital has been cheered by visits of relatives and friends including those coming from a distance.

A grandson, Thomas Myrick who is in Naval Air Corp Training at Jacksonville, Florida, arrived Saturday while on leave. His parents, the John Myricks live in nearby Lake City, Florida.

Mrs. Myrick's daughter, Mrs. Margaret Bordeau of Mexico, Maine, flew in Monday to visit a few days and a sister, Mrs. Ross Miller of Austin came Saturday. Friends, the H. H. Homsleys of Fort Worth were here Saturday.

Book Review by Mrs. R. Frasher on Next MAP Program

Mrs. Richard Frasher of Gainesville will review "Going Like Sixty" for members and guests of the Muenster Activity Program next Tuesday afternoon, March 18 in the new Community Center at 2:00.

This is the first time for a book review to be offered in the diversified M.A.P. program. Mrs. Frasher is well known for her delightful presentations. Those attending will find the afternoon entertaining and enjoyable. The program will be the first hour and will be followed by a choice of table games, cards, dominoes, sheephead, etc. The building is open every Tuesday afternoon until 5:00.

Family Reunion At Clive Gobbles

Attending a family get-together Sunday in the home of Mr. and Mrs. Clive Gobble were Mr. and Mrs. Pat Cathey, on vacation from Arctic Construction Co. of Fairbanks, Alaska, Mrs. Eva Lois Stevens of North Hollywood, California and Mr. and Mrs. Larry Wayne Gobble and Michael Wayne of Muenster.

In the afternoon they were joined by Mr. and Mrs. W. L. Eddy of Muenster and Leroy Bagwell and son Alvis of Fort Worth.

The self-made man has a lot of working parts.

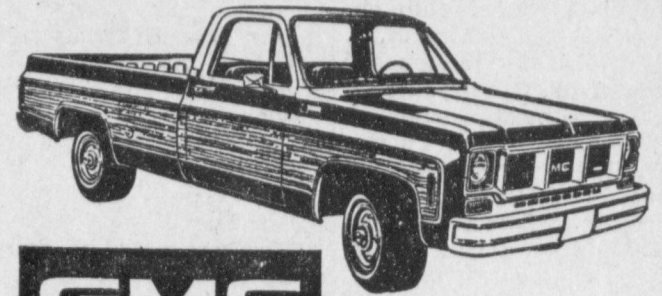

A happy vacationer, fresh out of ready cash, sent a check to a bank where he already was overdrawn with this accompanying note: "Having a wonderful time. Wish you would clear."

Garden Club Told How to Preserve Plants, Flowers

Mrs. Harold Flusche and Mrs. August Felderhoff gave a joint demonstration and both spoke on Methods of Drying and Preserving material and flowers, Monday night when the Muenster Garden Club met in the home of Mrs. Roger Taylor.

Mrs. John Mosman presided for the business meeting. Mrs. Paul Endres reported on the meeting of the Gainesville Council of Garden Clubs of which the Muenster Garden Club is a member. Mrs. Endres told about plans for county wide garden club observance of the Bicentennial.

Mrs. Mosman announced winners of the Club-sponsored Poster contests, themed: "Trees Today for Life Tomorrow." All the winners are 7th graders of S.H.S., with 1st place going to Bert Miller, 2nd Jerry Knabe, 3rd Carla Otto.

Using as a theme: "Woodsy Owl - Smokey Bear", 1st place went to Christy Felderhoff, 2nd Kathy Knabe, 3rd Renee Wilde. First place winners advance to district competition. Local winner, in the Youth Communication Speech Contest, Laura Kralicke, won 3rd place at the

District level. Mrs. Arthur Endres and Mrs. Wayne Richards attended the District II Garden Club Spring Meeting in Vernon, March 11-12 and Mrs. John Mosman attended March 12. Members voted to send Mrs. Paul Endres to the State Convention in Austin on April 14-16.

Plans were made to participate in the plant exchange at Leonard Park on April 18. The Gainesville Council of Garden Clubs will meet in the home of Mrs. Paul Endres the first Monday in April.

Mrs. Leonard Endres accepted chairmanship of a committee to assist Roger Taylor and the Garden Center in sponsoring a "Lawn of the Month" award. Other committee members are Mrs. B. J. Swirczynski and Mrs. Roger Taylor.

Sr. Mary John expressed thanks to the club for the gift of two sweet gum trees on Arbor Day.

Members voted to donate a book to Muenster Library in memory of a honorary member, the late Mrs. L. A. Bernauer.

Each member received a sheet listing dozens of flowers in patriotic shades of red, white and blue, with suggestions for planting.

Next month's meeting will feature "Flower Arranging styles" and a discussion of the flower show schedule by Mrs. Arthur Endres. Mrs. Alvin Fuhrmann and Mrs. Leonard Endres will be co-hostesses. Theme for the April meeting is: "Gardens - A Place to Enjoy the Fruits of Your Labor."

Hostesses Mrs. Taylor and Mrs. Arthur Endres served dessert and coffee to 19 members and 3 guests, Mrs. Bob Steele, Mrs. John Dave Fleitman and Miss Dorothy Hartman, as they arrived. The serving table held a centerpiece of spring flowers using hyacinths, daffodils and japonica, with accessories of Easter eggs in a nest beneath. An arrangement of yellow forsythia was used in the living room.

Before the meeting, members enjoyed a tour of the new home of Mr. and Mrs. Roger Taylor and children Sandra and Scotty.

Local Ladies Win In Fashion Review Of SW Farm Show

Three ladies from Cooke County were among entrants in a Style Show and Natural Fibers Fashion Review Saturday in Fort Worth. Mrs. Melvin Voth of Lindsay, and Mrs. Don Fenley and Mrs. Albert Zimmerer both of Hood were in a group of twenty three young home-makers who created and modeled their own garments.

Held in the Tarrant County Convention Center and sponsored by Progressive Farmer Magazine, the Southwest Hardware and Implement Association, the Texas Department of Agriculture and the Natural Fibers and Food Protein Committee, the show attracted an audience of over 500.

Formerly open to members of Young Homemakers of America only, this year for the first time wives of Tractor Pull entrants were also invited.

There were two divisions - daytime and after 5 dresses. Ladies submitted their entries to a committee of judges for inspection at 10:00 a.m. Saturday morning when garments were judged for excellence in construction. At 4:00 p.m. they modeled their own costumes before an audience. Mrs. Voth, who won a second place, and Mrs. Fenley, both wearing daytime dresses, and Mrs. Zimmerer who placed third wearing an after 5 dress.

Awards were presented at the Convention Center Arena during the Tractor Pull event.

27 Girls Report For Track Team At Sacred Heart

With four meets awaiting them, twenty seven girls of Sacred Heart High are working out daily under direction of Coach Bob Steele on developing a track team.

At this time they are still working principally on conditioning exercise and have also started on training for their special events.

They will open their season next week Saturday in Marietta's two division meet with ninth graders competing separately from the top three grades.

On Tuesday, April 1, the ninth graders will be back at Marietta in a boys and girls junior meet. Seventh, eighth and ninth grade boys of Sacred Heart will be there for the other division.

On April 5 Sacred Heart will host the Tiger Relays at Saint Jo in boys and girls divisions, and the Tigerettes will be there.

Last on schedule is the district meet at Amarillo, which also will have boys and girls divisions.

Members of the team are Gayle Miller, Marlene Pagel, Dianne Kralicke, Mary Hoedebeck, Karen Schilling, Sharlene Pagel, Carolyn Luke, Elizabeth Kralicke, Stacy Walterscheid, Monica Gehrig, Cindy Bartush, Sue Koesler, Janet Henschel, Janet Krahl, Beverly Pels, Mary Luke, Brenda Voth, Donna Swirczynski, Gloria Hess, Sue Moser, Julia Bayer, Ramona Walterscheid, Lori Knabe, Mary Grewing, Mildred Grewing, Carol Knabe and Tina Wilde.

be passed along to the consumer. Union monopolies are just as much against the public interest as corporate monopolies.

There can be no question that the proposed legislation is both fair and practical. If it is wrong for business and industrial firms to unite in applying the pressure of monopolistic power, it should be equally wrong for labor leaders to use identical power in forcing demands. We the public are entitled to protection from gouging prices, whether they result from unjustified profit or unjustified wage.

The question now is what hope do we have for such legislation from the present ultra liberal congress? . . . which more than ever is subject to the pressures of big labor.
