VOLUME XXXIX

MUENSTER, COOKE COUNTY, TEXAS 76252 JANUARY 31, 1975

NUMBER 10

Rumblings in Southeast Asia make us wonder whether the thousands of lives and billions of dollars we spent in the Vietnamese war were all wasted. US went into the conflict to help South Vietnam defend itself against enslavement by communism, and now the country's chance of survival doesn't seem to be any better than it was then.

We also had the idea that by preventing the spread of communism over there we could halt the red goal of taking over the globe. Though half way around the world, we were nevertheless fighting with our own survival in mind. But now we get back to the grim thought that the threat to our security looms considerably bigger again.

It's depressing to recall how seemingly everything went wrong for US in that war. We entered it in the same spirit that we entered the two World Wars — to help distressed people and to defend democracy. But it was not long until things started going sour. The first was a tirade of accusations from abroad and at home that we were at fault and did not belong there. Ignoring the fact that the North infiltrated the Viet Cong and invaded with their own troops, we were labeled the aggressors for coming to the South's aid.

Meanwhile red sympathizers over here exploited the situation to stir up as much trouble as possible. They succeeded in causing campus turmoil, city and campus riots, widespread destruction and death.

To make matters worse, our troops were not permitted to win. As in Korea, they were not allowed to hit planes on the ground, nor blockade a port, nor destroy supplies at their source. And they were forced into the enemy's favorite style of fighting — jungle warfare.

The strategy simply made no sense, but it was the order handed down by our nation's high command. Why? That question will always baffle us. Was this the price we had to pay to keep Red China and maybe even Russia from jumping in? If so, it's frightening to think that other nations can push us around this way. That situation is about as tragic as the losses, frustration, and humiliation of fighting a no win war.

The no-win policy was the big tragedy of our part in the Vietnam war. We were not at fault in any way for getting into it. But we were very much at fault for continuing to waste lives and resources under the impossible handicap.

Unfortunately there was still more tragedy in the ending of the war. After endless harassment and abuse in the phony peace negotiation, we eventually settled for a treaty that left the reds in South Vietnam — after which the war continued and our POWs were held for many months.

Well, the situation now is almost the same as it was back in the early sixties. A well supplied North Vietnam with thousands of infiltrated Viet Cong is launching another effort to wipe out the republic of South Vietnam. US can't send troops again. Neither is it disposed to do so after the previous experience. Furthermore South Vietnam now has the men to defend itself, if they had the supplies.

That brings up the present problem. Will we send supplies? We're facing the fact that the South Vietnam cause is still as deserving as ever and our own interest in the country's survival is as vital as ever. But on the other hand the red machine in UN and around the world would throw up a massive barrage of propaganda and political pressure. And the people of this country who favored the reds during the war would put on another big fuss over this issue.

Regardless of merit or our own interests, however, the problem is more likely to be decided by our own economic crunch. It's hard to imagine taking on this load during the present strain. And it's harder to imagine providing fuel for war machines during our energy crisis.

MHS Teams Start Second Round with Wins at Callisburg

MHS basketball teams made a good start Tuesday night on the second half of their District 13-A race. Playing at Callisburg both teams won by big margins, the Hornets 52-24 and the Hornets 73-39.

A consolation win for the hosts was the preliminary B team game which Callisburg took 37-30. Muenster made a slow start in that one and trailed 23-11 at the half then reduced the margin by 5 in the second half. MHS scorers were Thelma Lewis 16, Sandy Schneider 8, Barb Klement 6, and guards were Karen Barnhill, Gay Mollenkopf and Debbie Neal.

A team girls led by only 9-7 the first quarter and poured it on after that for leads of 22-13, 38-21 and 52-24. Their point makers were Tracey Klement 33, Deb Schneider 13, Sandy Dittfurth 4, Becky Fields 2. As guards Mary Lou Fleitman got 18 rebounds, Gina Felderhoff rebounded 16 and blocked 4 shots, Kim Klement rebounded 8.

The Hornets gave a similar performance. Starting with a 16-5 first quarter lead they soared to 32-16 and 61-25 in the next two periods. During the third all starters were relieved and Callisburg closed the gap slightly in the fourth.

Randy Wolf led the way with 24 points. Danny Endres scored 14 while getting 23 rebounds and avoiding any turnovers. Tim Felderhoff made 10, John Eckart 10, Bob Endres 9, Terry Walterscheid 2, Mike Davidson 2, Tim Wolf 2.

Meanwhile the MHS girls, now 3-3 got an assist from Archer City Tuesday night in its win over loop leading Petrolia, which now stands at 5-1. A clear record from now on plus another assist could still give MHS a shot at the title. Also Tuesday, Petrolia boys barely retained their tie for lead by nudging Archer City by a single point.

MHS teams at Callisburg again had the pleasure of playing before a good crowd of supporters, actually outnumbering the home team's. Coach Neal said that Muenster attendance has been outstanding, at home and away from home.

Next on the MHS schedule are the Archer City teams here Friday night.

License Plates Go on Sale Saturday

Again this year, Tom and Jerry's Barber Shop is designated as an official representative of the Cooke County tax office for the sale of license plates. A supply of plates was received there this week and will become available Saturday, February 1.

1425 plates have been assigned to the location. That includes 750 passenger car plates in two series of numbers, the first DEH-800 to 999 and the other DEJ-10 to 599. Also there are 300 commercial licenses, CD-1175 to 1474, 200 farm licenses EJ-150 to 349, 75 trailer licenses C-800 to 874, 50 motorcycle licenses 3DW-500 to 549 and 10 farm trailer licenses 27T-550 to 559.

A major change in the system of license plates becomes effective this year. The plate being issued is intended for 5 years and will be validated each year by a small adhesive tag to be attached to the corner of the plate. Also, the

plates are more durable made of a heavier gauge of steel. The higher cost this year will be more than offset by the expected \$8.5 million saving in five years.

The plate is reflectorized and has black letters and numerals on a white field, which is considered most legible in the dark.

Procedure of purchase is the same as before. The customer can bring in his renewal notice, intact as received, and the plates can be delivered in moments. Or the renewal notice can be mailed to the tax office along with remittance, plus an additional dollar for postage and handling, and the plates will be sent by mail.

Registration fees for passenger cars are the same as before: \$12.30 for vehicles up to 3500 pounds, \$22.30 for vehicles 3500 to 4500 pounds, and \$30.30 for vehicles 4500 to 6000 pounds. Over 6000 the fee is 55 cents per 100 pounds.

First State Bank Purchases Location For New Building

William Lewie, chairman of the board of First State Bank of Gainesville, announced Wednesday that the bank has purchased an area of more than 3 1/2 acres between Broadway and California Streets, bounded on the west by Schopmeyer and on the east by Rock Street, for construction of a new, ultramodern banking facility.

Clearing of the site is scheduled to be finished by the middle of this year, and construction to begin shortly after that. The building should be finished in 1976.

Purchase of the property was negotiated through Klement and Hill, realtors.

Koesler Jewelry Hit by Burglars

Burglars made a major haul at the Koesler jewelry store Sunday night. Norbert Koesler, owner, said Monday morning that the thieves cleared most of the front showcase and an area of the back showcase along with the front window display.

He hesitated to estimate the total loss but said that items known to be missing are about 50 watches and as many assorted rings with semi-precious stones, about 4 dozen birthstone rings, and a big assortment of necklaces, earrings, pins, etc. Fortunately the safe holding diamonds was not bothered.

Koesler said the thieves most likely were professionals and had previously "cased" the store thoroughly. They knew not only what were the more expensive items but where they were located. The items of lesser value were ignored.

The burglary occurred at about 9:30 p.m. and was noticed by two persons across the street, who saw someone at the front window taking things out of the display case. The two reported promptly to Police Deputy Howard Mackey, who estimates he was there within ten minutes of the time when movement was seen inside.

Police Chief James McDonald said that two suspects were under investigation Monday but nothing definite had developed up to then.

Seventeen schools from the North Texas area as well as Amarillo, Abilene and Dalhart participated in the tournament. Although Sacred Heart is smaller by comparison, its faculty feels that the competition and experience is invaluable to the students.

Bill Koerschners In Pro-Life March At US Capitol

Mr. and Mrs. Bill Koerschner and their four children were among some 50,000 persons participating in the National March for Life at the national capitol last week Wednesday, January 22, observing the first anniversary of Supreme Court decision legalizing abortion.

The demonstration included a march around the capitol and speeches by Senators Buckley of New York and Helms of North Carolina who are introducing a constitutional amendment to nullify the Supreme Court's decree.

The speakers urged the crowd to see their senators and representatives, and register their objection to abortion, and to ask for support of the Pro-Life amendment. They also suggested sending a red rose to the legislators as a memorial to unborn babies who were murdered by abortion.

The Koerschners got a sympathetic hearing from Senator Burleson but found both senators absent from their offices. They said Pro-Life headquarters estimate some 25,000 roses had been sent to legislators' offices.

Forestburg News

By Myrt Denham

FORESTBURG — Deloris and Alvie Riddles have themselves another baby to love. This one is their first grandchild — and it is a boy. Young Kenneth Dean Riddles "discovered America" Jan. 15 in Nocona Memorial Hospital. Kenneth came in at 8 lbs. and his proud parents are Mr. and Mrs. J. W. Riddles. His great-grandmother is Mrs. Grace Scott of Forestburg.

The weather here Saturday, Jan. 25 made it possible for Robert Ensey and Willie Kuykendall to do some mercy benching. I stopped to have a chat with them. Willie told me that his wife Ida, was in Irving with their daughter Melba. Ida has been undergoing some medical tests and entered the Bedford Hospital Sunday, Jan. 26.

Mrs. Robert Landers is a patient in the Muenster Hospital as of Wednesday night, Jan. 22. She has been very ill but is doing some better.

Clifton Bewely is also a patient in the Muenster Hospital, with bronchial pneumonia. Reports say Clifton is ill with pneumonia.

Mrs. Jack Poteet is a patient in the Bowie Hospital with bronchial pneumonia. The Poteets had planned to return to Costa Mesa, Calif., but Mrs. Poteet was too ill to make the trip and entered the hospital instead. Would like to say that Mrs. Poteet is the daughter of Mrs. Bessie Greenwood.

Betty Reynold and us Denhams visited the Lloyd Orrells in the Bellmire Rest Home in Bowie, January 24. Bess and Lloyd are doing fairly well and we hope they will be home soon.

Mr. and Mrs. Ted Jackson drove to Fort Worth Jan. 24 to visit Mr. and Mrs. Enis Steen — she is Ted's sister. The Steens' son is very ill in a hospital there.

Very happy to report that Mae DeGraffenreid is now back home after a stay in the Nocona Memorial Hospital. Am told Mae is almost like new these days.

Mr. and Mrs. Bill Forrester are spending a week in Odessa with their son and wife, the Wayne Forrester. Bill and Lena are there helping out while their daughter-in-law recuperates from major surgery.

Funeral services were conducted Wednesday, Jan. 22 at 2:30 p.m. in the Nocona United Methodist Church for Joe Jackson who passed away (Continued on Page 4)

Reducing plan for energy users

Plan F
How to save when using electric heating

1. Keep heating equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
 2. Set thermostat at 68° and leave it. Lower to 50°-60° if you'll be away several days.
 3. Weatherstrip doors and windows; caulk cracks to prevent drafts and warm air loss.
 4. Check the filter every 30 days on forced-air systems. If filter is permanent, clean it by manufacturer's directions; if it's disposable, replace if dirty.
 5. Thorough home insulation keeps the warmth in. Can cut energy use 20% or more. Can pay for itself by lowering heating (and cooling) costs.
 6. When fireplace is not in use, keep damper closed.
 7. On sunny days open draperies, blinds to let in warmth of sun.
 8. Open outside doors as little as possible.
 9. Keep furniture, draperies away from air outlets and returns so air will flow easily. Clean annually.
- Conserve electricity and you help conserve one or more of the fuels needed to produce it: natural gas, coal and oil. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.
- When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.
- If you would like additional information on conserving electricity, call or see the Customer Service Representative in the TP&L Office.

4-H Club News

By Ava Knapp

Once again applications are being taken for the 1975 National Citizenship Short-course Heritage Tour. The tour will travel from Dallas by bus June 9 and will visit historical points of interest enroute to and from Washington, D.C.

HAMRIC'S
Men's & Boys' Wear

The Place to go for Brands You Know

Curlee, Jarman, Levi, Van Heusen, Wimbley, Melrose, Jockey, Campus Donmoor, Tom Sawyer

The event will end in Dallas, June 24. Any 4-Her entering their junior or senior year of high school in September 1975 is eligible to apply.

The citizenship shortcourses are conducted at the National 4-H Foundation to help youth gain a better understanding of their American Heritage, become participants in our democratic system of government, and better understand the federal government. The group will participate in assemblies, opportunity sessions, and tours.

It's an excellent opportunity for 4-Hers to see many wonderful sites, learn more about citizenship, and have unforgettable experiences. Deadline for applications is February 21. Applications may be picked up at the Cooke County Extension Office of the courthouse.

Families of 4-Hers entering the Food Show will probably eat very well this week as 4-Hers perfect their cooking skills in time for the 1975 Food Show. It will be held Saturday, February 1, at Cooke County College.

The theme this year is Southwest Foods. Look for the winners and their recipes in future issues!

If you happen to be near a television set on Saturday mornings at 10:00 — be sure and watch "You Can Do It" on Channel 11. This is a 13 part series illustrating home repairs and maintenance you can do at a savings. Pamphlets are available in the office and will be sent to those requesting to be placed on our mailing list.

Melanie Bayer, 2 Birthday Honoree

Melanie Bayer, daughter of Mr. and Mrs. David Bayer, celebrated her second birthday Saturday, Jan. 11. She was the honoree at a dinner in the home of her grandparents, Mr. and Mrs. Richard Grewing. Others present included the David Bayers, Ryan and Deann, Melanie's godparents, Mr. and Mrs. Mike Frost and Jason, and her aunts Barb, Mary, Sharon, Phyllis and Laura Grewing. A Raggedy Ann cake was served and gifts were opened.

In the evening, Melanie's grandparents Mr. and Mrs. Martin Bayer were hosts in their home for a birthday supper for the David Bayer family. More gifts were presented to the honoree.

Kopenhafers Back From Wedding Trip

Mr. and Mrs. Tom Kopenhafers visited her parents Mr. and Mrs. Wilfred Reiter enroute home from their wedding trip to South Padre Island and Old Mexico. When they returned to their apartment in Richland Hills they found welcoming signs, decorations, food, champagne, even tiny gift wrapped packages placed in all rooms — everything ready for a party Sunday evening to which seventeen close friends came. They were mostly members of the guitar choir from St. John the Apostle Church. Tom is a member of the choir. During the party the couple opened and displayed the packages which contained many small useful household items.

Among prenuptial courtesies for the Kopenhafers and another couple was a shower given in Fort Worth on January 4. The guests brought gifts of "odds and ends" needed to start a home and written advice. Mr. and Mrs. Reilly Bethel and Mr. and Mrs. Al Dunn were hosts to thirty guests. The two brides and Mmes. Bethel and Dunn are teachers at St. John the Apostle School in Richardson.

Karolyn Schoech Is Honoree at Party

Miss Karolyn Schoech, bride-elect of James Cooley was the honoree at a party Sunday afternoon for classmates when Mrs. Olon McClendon of Irving and her mother Mrs. Arnold Rohmer were hostesses in the Rohmer home. Guests brought fun gifts for a kitchen shower and spent the afternoon reminiscing and visiting. Finger foods and wine punch were served. The punch bowl was placed on a lace cloth over apricot and candles in crystal holders emphasized two shades of apricot. Centerpiece of the serving table was a cookie house, complete with lawn, walks, flowers and bride and groom miniatures approaching. The house bricks were chocolate cookie squares fastened with pink icing, shutters were pink cookies, the roof was made of brown vanilla wafers, the chimney of pink and white mints and there was cottony smoke from the chimney. Flowers were made of M and M's, the lawn of green coconut, the walk of white mints. The miniature bride and groom were keepsakes of Mrs. Rohmer.

Also attending the party and coming with Mrs. McClendon Sunday morning were two of her University of Dallas classmates Miss Rosie Sauser and Miss Marla Smith and her sister Miss Linda Rohmer.

"Dodge can sweeten the good deal you make at The Dodge Boys. With a check for \$300."

Joe Garagiola

Listen to ol' Joe G. I'm gonna tell you how to make the deal of lifetime on the "Dodge of the Week." Right now, during the Car Clearance Carnival at the Dodge Boys.

Here's how: Every week from now till February 16, the Dodge Boys will pick one gorgeous Dodge as "Dodge of the Week." Could be a Monaco. A Dart. A Coronet. Even a pickup or van. Now you hustle down and make the Dodge Boys give you their best

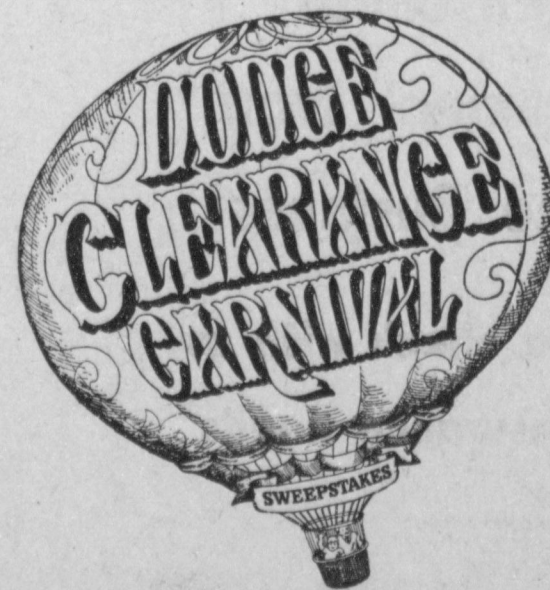

deal on that Dodge. Then, find out how you collect your check from Dodge for at least \$200. But there's more. Trade in the right car on the "Dodge of the Week," and you get a \$100 trade-in bonus. That's a total of \$300!

But there's more to the Car Clearance Carnival than "Dodge of the Week" deals. Through February 28, the Dodge Boys are offering other great deals on all '75 Dodges. They've got a lot of cars to move. And they're gonna move 'em.

And—even if you don't end up buying a new Dodge, you might end up driving one. Just by entering the Dodge Boys' Clearance Sweepstakes.² Each sweepstakes winner (and there'll be plenty—so one could be you) gets free use of a brand-new Dodge for one whole year. You've got nothing to lose. You've got nothing to buy. All you gotta do is come in for full details.

But hurry. If you're not driving a new Dodge by the end of the Car Clearance Carnival, it won't be the Dodge Boys' fault.

¹Sorry, only one "Dodge of the Week" deal per customer. Retail customers only.
²Sweepstakes ends February 28, 1975. Void in states where prohibited by law. Open only to licensed drivers 18 years old or older.

Hornets in 3-Way Tie after 53-48 Loss to Holliday

In a pair of torrid basketball games with Holliday Friday night the Muenster High teams broke even and both games ended on the count of 53-48.

The Hornets lost, and in doing so threw the District 13-A race into a three way snarl. Muenster, Holliday and Petrolia now have identical 4-1 records and are destined to have a play-off deciding the loop's first round title.

The reason for that procedure is that the boys' race is being played in two halves, the winners to play for the title at the end of the season, unless the same team wins both halves.

Prior to Friday's game, MHS boys had a 4-0 standing while Petrolia and Holliday were 3-1. After Friday's action all three teams were 4-1. Muenster girls, after being

turned back three times by two point margins, had the keen satisfaction of coming out ahead in a tough game. They started with a 17-12 first quarter lead and had a fine second quarter soaring to an apparently comfortable lead of 37-24. But that was followed by an equally bad third period in which the visitors outscored them 12-2 and trailed by only 39-36. From then both teams put on a great effort and the Holliday girls remained in close pursuit but could not quite catch up. Foul trouble brought on by desperation efforts was Holliday's principal trouble near the end.

Tracey Klement poured in 29 points for Muenster. Deb Schneider added 18, Becky Fields and Sandy Dittfurth each hit 3. Dittfurth, also a guard, relieved Schneider when she fouled out in the fourth. Other defenders for MHS were Gina Felderhoff, Mary Lou Fleitman and Kim Klement.

The Hornets fell behind 8-2 in the opening minutes then settled down and fought back to a 12-12 tie at the quarter. But after that they were trailing most of the way. By intermission they dropped back to 25-19 and in the third they slipped some more, ending on a 41-31 count. Starting the fourth they put on a fine ten point rally that brought them to 41-41, after which Holliday again moved ahead and stayed ahead. The Hornet problem briefly was too many missed shots and too many rebounds claimed by the taller Holliday guys.

Randy Wolf scored 23 for the Hornets Danny Endres made 9, Tim Felderhoff 8, Terry Walterscheid 4 and Bobby Endres 4.

SH Alumni Starts Planning for Five Benefit Projects

Members of Sacred Heart Alumni Association are busy with plans for three volley ball tournaments, a basket ball game and a professional wrestling match — all to benefit projects sponsored by the Alumni.

Volley ball tournaments scheduled for February 9 and 23 and March 2 will be day-long events. Out of town teams are welcome and entries will be accepted as they are received. Admission is \$1.00 for players and 50c for spectators.

A basketball game with Alumni members playing high school students as a benefit for the field house, is planned for either February 14 or 28, depending on available date. Admission is 50c per person.

The wrestling match is planned for later this spring with the date to be announced.

The Alumni Association met Friday, January 24 in the SHH Library with Joe Felderhoff presiding. A \$200 donation was received for the field house, and more donations will be gratefully accepted. Homecoming date has been set for October 25.

SH Girls Lose 2 To I. Conception

Sacred Heart's A and B girls team encountered too much power when they took on Immaculate Conception Tuesday night at Grand Prairie. Junior Varsity gals were upended 37-17 in the opening contest, then the Tigerettes were wiped out 68-38.

In the first contest SH fell behind in the first period and gained back a single point in the second and the home team gained again in the third and fourth. Bev Pels made 9, Mildred Grewing 5 and Laurie Walterscheid 3. Guards were Karen Schilling Brenda Voth, Romana Walterscheid and Mary Hoedebeck.

The varsity game differed only in that the scoring was higher on both sides. Immaculate Conception extended its lead in every period until the final tally of 68-38.

Mary and Gloria Hess hit 14 and 13 for SH. Laura Kralicke added 8, Sharlene Pagel 2 and Kathy Luke 1. On defense were Linda Miller, Cindy Bartush and Liz Kralicke.

Seventh grade girls tied the first half 12-12 after trailing 8-5 at the quarter, then gained to 16-14 at the third and kept going in the fourth while Whitesboro was scoreless. Final count was 23-14. Muenster scorers were Linda Endres 14, Toni Dittfurth 5, Lou Dyer 2, Cathy Flusche 2.

In the seventh boys game Muenster had the scoreless period. Trailing 8-2 at the first quarter they took a 15-14 half time lead then lost sight of the basket.
