## Gas Rationing To Be Started About Nov. 22

### Auto Speed Limited To 35 Miles Oct. 1st

Nation-wide rationing of gasoline will begin about November 22, Price Administrator Leon Henderson announced Saturday. He also announced that thereafter the nation's 27,000,000 motorists will be required to submit their tires for federal inspection every 60 days.

At the same time, Joseph B. Eastman, director of the Office of Defense Transportation, ordered a maximum 35 miles an hour speed limit for all rubber-tired vehicles in the United States. Governors are asked to put this war-time speed limit into effect October 1 and to call upon state and local officers for strict enforcement.

Extension of the gasoline rationing plan now in effect in 17 states to the remainder of the nation, compulsory tire inspection and the 35-mile speed limit are designed to save rubber and tires. Owners of cars in the present unrationed area will be required to register and will receive a basic gasoline ration for their cars to allow 2,880 miles of travel per year based on gasoline consumption of 15 miles to the gallon. Additional mileage up to 470 miles may be obtained by the motorist who can show that his original allotment is insufficient to meet occupational needs, who shows either that he has formed a car-sharing club to keep his car filled to capacity while in use, or that there is no other means of transportation available to him.

Henderson said the time and place for nation-wide registration will be announced later, however, he added, that it will probably be completed and cards distributed in time to begin rationing about November 22.

## RE-OPENING OF THE PAROCHIAL SCHOOL SCHEDULED MONDAY

Delayed one more week in order to facilitate picking of the cotton crop, the Sacred Heart Parochial school will resume classes next Monday, October 5, it has been announced. The public school resumed classes Monday after being recessed one week.

Reinforced by scores of school children, the 1942 crew of cotton pickers is rapidly making headway in the cotton fields of this vicinity. It is generally agreed that students have been of great assistance to cotton growers. Warm weather followed on the heels of the coldest snap experienced in this sector in September since 1909, has been ideal for gathering of the crop. Only on Monday were pickers late in getting into the fields on account of cold. Since that time pickers made the most of the opportunity to get the crop out. Gin receipts were 140 bales of cotton for the season up to Wednesday noon.

## Rev. Francis Zimmerer Joins Chaplains Corps

Rev. Francis Zimmerer, assistant pastor here from 1934 to 1940, and since that time pastor of Saint Mary's at Windthorst, has joined the Army Chaplains Corps. Father Francis visited with his parents, Mr. and Mrs. L. A. Zimmerer, and other relatives at Lindsay during the weekend and until Tuesday when he left for Subiaco, Ark. for a brief stay before going to his army assignment. Rev. Abbot Edward Buegler of Subiaco has been appointed pastor of the Windthorst parish to succeed him, it has been announced.

Last Sunday Willkie left for Chungking, China, via Kuibyshev.

## M. J. ENDRES STORE DISCONTINUES THE SALE OF GROCERIES

For the first time since the establishment of the M. J. Endres store in this city in 1914, no groceries were displayed or sold this week. The line was closed out by Mr. Endres and his stock was purchased by the FMA store during the weekend. In making the announcement this week, Mr. Endres stated that he is unable to stand up under the strain and work in connection with the grocery line due to his injured leg, but that in the future his store will feature, instead, a larger stock of attractive dry goods, gifts, notions, infant's wear and novelties, in more attractive displays.

Mr. Endres stated that he enjoyed the grocery business and he wishes to thank his many good customers for their patronage in that line. "It is a disappointment," he said, "to discontinue the sale of groceries, but under the circumstances, it has become a necessity."

When Mr. Endres began his store twenty-eight years ago he purchased the original stock of Dr. R. W. Crawford's store and since that time made improvements and increased his merchandise, featuring always quality products, until his grocery section was one of the finest in the county.

## RENT CONTROL FOR GAINESVILLE AREA EFFECTIVE OCT. 1st

A federal rent control office for the Gainesville area was opened Thursday, Oct. 1st, in the Teague building in Gainesville, when rent control for the area became effective, regional OPA officials in Dallas announced.

Pending the appointment of a rent director for the area, Ike P. Robinson of the Dallas regional rent staff opened the office and will be acting director. The rent control area includes all of Cooke County and under federal law, effective Thursday in the area, no tenant shall pay and no landlord shall receive more rent for residential property than was charged for the same property on March 1, 1942. Where rents have been raised since that date they must be cut back Thursday to the March 1st level.

Also beginning Thursday under federal law no tenant shall be evicted from residential property without certifications to rent director except in cases of non-payment of rent. All types of residential property is covered including hotel rooms, houses, house rooms, tourist courts, trailers, etc.

The above information was released Wednesday by L. L. Sisk, officer of war information, Dallas.

## SUSTAINS FOOT INJURY

Leonard Walterscheid, 11, son of Mr. and Mrs. Frank Walterscheid, suffered a foot injury last week while he was plowing. His right foot came in contact with the machinery in such a way that he lost the third toe to the first joint and the nail from the fourth toe. He was given treatment at the local clinic and is recovering normally.

## Pontifical Mass And Confirmation On October 11th

### Bishop Dangler Will Officiate At Both Rites

Sunday, October 11th, will be an outstanding and memorable day for Sacred Heart parish. At that time Most Rev. Bishop Augustine Dangler, a native son, will be present in Muenster to celebrate his first pontifical high mass, the Church's most sublime ceremony, in the parish of his birth.

In the afternoon, he will, for the first time since his consecration as bishop, confer the sacrament of Confirmation on 145 candidates. Just as it is a newly ordained priest's privilege to offer his first holy mass in the parish of his birth, so it is a bishop's privilege to officiate first in his home-town parish.

Definite time for both services is to be announced later, along with a suitable program in connection with the two events. Father Thomas, pastor, advised Wednesday. During the week the class to be confirmed has been receiving instructions by the pastor preparatory to the reception of the sacrament and these lessons will continue until Friday, the 9th, it was stated.

## KNIGHTS CHANGE DATE FOR COLUMBUS DAY OBSERVANCE TO 18th

The Knights of Columbus announced this week the postponement of their annual Columbus Day celebration until Sunday, Oct. 18th. On this day the council will attend Mass and receive the Eucharist in a body after which a communion breakfast will be held. In the afternoon and evening the picnic originally scheduled for October 11 will take place.

Plans were changed so as not to conflict with the Pontifical Mass of the Most Reverend Bishop Dangler on the 11th in the morning and the conferring of the sacrament of confirmation in the afternoon.

Plans for the dance on Monday, Oct. 12, remain as scheduled, but there will be no picnic and bazaar in its connection, it was stated. Gordon Shay and his Band of Wichita Falls will play for the dance.

## Public School Acquires Second Bus; Operates North And West Of City

The Muenster Public School system purchased its second bus during the latter part of last week and it was in operation Monday north and west of the city. The bus makes two runs each morning and evening, bringing in all students from that sector. J. E. Gray is driver.

This bus, larger than the one that operates south of the city, was formerly in use by the Valley Creek school. It seats approximately 60.

Mayor Ben Seyler took the vehicle to Gainesville for inspection Saturday afternoon, making it a good will trip by inviting business men and other citizens to accompany him. The party left here at two o'clock and returned shortly after 5. A group of local men and women accompanied him.

## Garden Club Meet

The Civic League and Garden Club will meet on Friday afternoon, October 9, at 3:15 in the public school. Members are asked to refer the time, since it is changed from the usual hour. The afternoon's program will be on "Trees" with Mrs. Herbert Meurer and Rosa Driever as speakers.

## School Election For Muenster is Set For Oct. 14

### Seek To Establish An Independent District

Another school election is set for Muenster. This time the issue is for the purpose of deciding whether voters of the district wish to make this an Independent School District. According to a statement by County Judge Carroll Sullivan, the date is Wednesday, October 14. All qualified voters of the district are eligible to cast a ballot in this election. The place for voting is the Public School and Henry Trachta has been appointed election judge.

The advantages of making the district an independent one are many. Listed principally is that the district could operate better, due to its size, and the number of per capita students, and because most of the management and responsibility as well, will in this way be placed on the local board of trustees.

The problems of the district were discussed by the local board and the county school superintendent and the conclusion was reached by both that it is a practical move to take.

The ballots will read "For Corporation," and "Against Corporation." When voting for the district to become independent the words "Against Corporation" should be marked out and the words "For Corporation" left on the ballot. On the same ticket there will be printed the words "For Trustees," but no names appear upon the list. It will be necessary for the voters to write in the names of the trustees.

The present board is as follows: Herbert Meurer, Albert Henschel, Herman Pierce, S. W. Lawson, John Klement, Frank Yosten and Joe J. Wimmer.

Since no others have made a request to run for trustee it is suggested that the above names be written in by the voter.

The local board urges everyone to cast a ballot "For Corporation" on October 14.

## FRANK YOSTEN WAS ABOARD USS JARVIS, REPORTED SUNK

The Navy announced Thursday that the destroyer Jarvis, which was damaged as a result of enemy air attacks off Guadalcanal, must be presumed lost at sea en route from Tulagi to a southern repair base.

Frank Yosten, seaman second class, a son of John Yosten of this city, was doing sea duty on the Jarvis, engaged as a fireman, and the Department notified Mr. Yosten last week that his son is reported missing. At that time the news had not been made public and he was asked to withhold the name of his son's ship or his station.

The Navy, in commenting on the Jarvis stated, "The Jarvis has been overdue for several weeks and intensive search by ships and aircraft has failed to locate her or reveal any trace of her personnel. It is assumed that she was sunk by enemy submarines or aircraft.

Meanwhile, members of Frank Yosten's family and friends are clinging to the hope that in time the ship will show up or that perhaps some word might come from him from some foreign port. Memorial services will not be held until something more definite is learned, it was disclosed.

## SEASON'S FIRST FROST ARRIVED HERE SUNDAY

The season's first frost early Sunday morning, which was accompanied by a low mercury reading of 38 degrees, just six above freezing, was beneficial rather than harmful, according to local reports. Some of the tenderest flowers were nipped, but fall gardens seem undamaged. A hard frost would benefit cotton by knocking off leaves and facilitating picking. Bolls would open in any event. Most feed already is matured and late feed did not appear to have been hurt. The cold will retard the spread of bollworms and other insect pests.

In Cooke county it is the first September frost since 1909. Sign of prosperity: When men's pants bag at the pockets instead of the knees.

## Service To Be Held In Dallas Cathedral

### Most Rev. Cicognani, Apostolic Delegate, Will Officiate

Consecration of the Most Rev. Augustine Dangler, a native son of this community, as Titular Bishop of Olba and Auxiliary Bishop of Dallas, will take place in Sacred Heart Cathedral, Dallas, on Wednesday, October 7th. The announcement of his election to the Episcopate was made in the spring through the Apostolic delegate in Washington.

Dignitaries of the Catholic Church from all parts of the country will gather on that day to honor the new bishop. Most Rev. Amleto Giovanni Cicognani, personal representative of the Pope in the United States, will arrive from Washington to officiate at the consecration. He will be assisted by the Most Rev. Joseph P. Lynch, bishop of Dallas, and the Most Rev. William O'Brien, auxiliary bishop of Chicago, as co-consecrators. The sermon will be delivered by the Most Rev. Robert E. Lucey, archbishop of San Antonio. Services will begin at 9:30 a.m.

On Tuesday, October 6, at 8 o'clock, Most Rev. Cicognani will be honored with a reception at the Hall of State to which the public is invited. The ceremony of consecration will be followed by a banquet for members of the Hierarchy and clergy in the Adolphus Hotel, and at 8:30 p.m. a buffet supper will be served at the residence of Bishop Lynch for the Archbishops, Bishops and Abbots. A public reception in honor of Bishop Dangler will take place in the evening at 8 o'clock at the Adolphus Hotel.

The consecration of Bishop-elect Dangler will mark a milestone in a brilliant church career. He is the fifth native-born Texan to be elevated to the Episcopacy, and the first native Texan to be appointed bishop to work in the diocese where he was born, reared and labored as a priest.

Born in Muenster in 1898, Most Rev. Augustine Dangler is a son of Mr. and Mrs. Joseph Dangler, who are now the oldest living settlers in this colony.

He received his elementary education at Sacred Heart school here under the instruction of the Benedictine Sister, later attended Subiaco college, Subiaco, Ark., Saint Mary's seminary, La Fort, and Kenrick seminary, Saint Louis. He was ordained a priest by Bishop Lynch in Dallas on June 10, 1922, said his first mass here, and has since been associated with Sacred Heart Cathedral in Dallas.

On October 11, 1934, he was created a papal chamberlain of the pontifical household of Pope Pius XI, who conferred upon him the title of Monsignor. In January of this year he was named Vicar General of the diocese.

Due to the fact that hundreds of persons plan to attend the ceremonies, pastors of each parish in the diocese were requested to send in, in advance, the names of persons desiring to be present so that seats in the cathedral might be reserved for such. There is no guarantee of a place at the services unless arrangements were made in advance.

Muenster persons who will attend are Mr. and Mrs. Joseph Dangler, Mr. and Mrs. Herman Dangler and son, Mr. and Mrs. Bruno Fleitman and daughter, Mr. and Mrs. Hubert Felderhoff and family and Mr. and Mrs. Tony Felderhoff and children, and Rev. Fathers Thomas and Richard, two Benedictine Sisters, Mr. and Mrs. J. M. Weinzapfel, Mr. and Mrs. Barney Voth, Mr. and Mrs. W. M. Trubenbach, Mr. and Mrs. Carl Herr and Miss Lena Herr, Mr. and Mrs. J. W. Fisher, Mrs. Mike Kleiss, Miss Margaret Rohmer, Mrs. C. M. Walterscheid, Mrs. Clem Hofbauer, Joe Kleiss and J. C. Trachta.

## 42 TOURNAMENT IS ENJOYABLE AFFAIR

The Parent-Teacher Association's 42 tournament in the public school Tuesday evening was an enjoyable affair attended by some 100 persons. High score was won by W. P. Bratcher and Johnny Fisher. Each received a dollar's worth of war saving stamps. Other games were also enjoyed by persons who preferred cards to 42, and the party was concluded with the serving of delicious refreshments.

### List of Parish Men in Armed Service Compiled for Catholic Honor Roll

By direction of His Excellency, the Most Rev. Joseph P. Lynch, Bishop of the Dallas diocese, the names, addresses and branch of service of all men and women of Sacred Heart parish engaged with the armed forces has been forwarded to the Rev. John T. Gulczynski, chancellor of the diocese, to be placed on the Catholic Honor Roll of the Nation. A similar record was kept during the last world war.

His Excellency orders that these statistics be gathered every six months from all parishes in order that the honor roll be kept up to date. The first report was asked to be in the hands of the bishop not later than October 1, and Father Thomas, pastor, mailed in the Muenster list Monday.

It shows 93 names. Of these 75 are in various branches of the army, 14 in the navy, 3 in the coast guard and one in the marines. It is important that these statistics be gathered. His Excellency pointed out, not only for their historical and apologetic value, but also because they are the basis of representation for an appropriate proportion of Catholic chaplains in the armed services, for adequate representation in the USO, for an equitable share in its funds and for other equally important purposes.

### SHORT COURSE FOR WATER AND SEWAGE MEN IS GIVEN HERE

Problems confronting water and sewer plants under wartime conditions are being discussed and possible solutions and precautions listed during a school conducted here for water and sewer men of the area including the North Texas Waterworks and Sewage association district.

The first meetings were held in the city hall on Monday and Tues-

day evenings this week with a representative attendance of men from the district. Classes will continue on Monday and Tuesday evenings for three weeks.

Itinerant Instructor W. A. Bandy, representing the department of industrial extension training service of the A. and M. college, is teaching the course in cooperation with the state board of vocational education. There are no charges or fees for attending the school.

The second section of the course is offered in Denton, also in this association's district, on Wednesday and Thursday evenings. The unit of study will be completed on Tuesday evening, October 13, and Thursday evening, October 15, in Muenster and Denton, respectively.

### COUNTY NUTRITION COMMITTEE HOLDS MEETING THURSDAY

A meeting of the Cooke County Nutrition committee, which was attended by Dr. T. S. Myrick, representative of the medical profession of the county, and Miss Charlie Bradshaw, home economics instructor at the Public School, was held at Gainesville last week and reports were heard on plans made for the campaign for the use of whole wheat products. The week of October 2 through October 9 has been designated as Whole Wheat Week.

The committee, headed by Miss Nettie Shultz, county home demonstration agent, discussed what has been done so far in the campaign, stating that the Whaley Mill and Elevator company has announced a new processed whole wheat flour whereby vitamin and mineral content is retained in the flour.

At the request of J. Houston Maupin, manager of the mill, the committee selected a group of recipes using whole wheat flour, which were worked out by the Extension Service of Texas A & M college. These recipes have been placed in each bag of flour and are now on the market.

Nutritionists feel that if more wheat flour and other whole grain products are used the American people will be more able to stand the strain of war work and do their part in the war effort.

A number of county teachers attended the session and are this week having their pupils draw and display posters on whole wheat products.

Mr. and Mrs. Bob Steadham and twin daughters have returned from a visit in Bard, N.M., where they were guests of her parents, Mr. and Mrs. J. B. McDonald. Mr. Steadham is improving steadily from an illness resulting from a fall from a horse in May. The visit in New Mexico was of great benefit to his health.

Mrs. R. W. Crawford, a former resident of this city, recently underwent a major operation at Las Cruces, N. M., and is recovering normally, it was learned this week. Mrs. Crawford makes her home in that city with her son, R. W. Jr., who is an aviation instructor. "Sonny" Crawford is working as an airplane mechanic at Biggs Field, El Paso; it was also learned.

A group of relatives and friends of Mr. and Mrs. Charles Berend from this city, joined by other relatives and friends, enjoyed an old fashioned tacky party and square dance at the Berend home near Era Sunday evening. The Berends recently moved into their new home and the party was held in the old building before it was razed. Refreshments were served to 60 guests.

Mr. and Mrs. J. M. Weinzapfel entertained with a dinner Sunday in their home for a group of relatives and friends. The occasion was Mrs. Weinzapfel's birthday and the party was in memory of their son, Ensign Robert Weinzapfel, who was here last year for a birthday visit with his mother on that date. Guests were Cpl.

Norman Curtis and Sgt. George America's war vehicles rolling.  
 Androuch of Camp Howze, Mr. and Mrs. P. W. Hellman and daughter, Judy, of Fort Worth, Mr. and Mrs. Hugh Jackson.

Miss Isabel Schmitz of Muenster was the guest of her father here Sunday.

Pvt. Henry Sandmann of Camp Walters spent the weekend with his parents, Mr. and Mrs. Ben Sandmann.

Misses Bertha and Glady's Hoberer of Gainesville were guests of their parents, Mr. and Mrs. John Hoberer, here Sunday.

Pvt. Bernard Zimmerer of Shepard Field was the weekend guest of his parents, Mr. and Mrs. Herman Zimmerer.

Joyce Ann Hoberer, little daughter of Mr. and Mrs. John Hoberer, Jr., of Gainesville spent the weekend here with her grandparents, Mr. and Mrs. Paul Arendt.

Miss Keta Mosser was the weekend guest of Miss Ann Arendt and accompanied her and Mrs. Paul Arendt to Muenster Tuesday to visit Mrs. Emmet Fette.

Three Lindsay men were in the group of county selectees going to Dallas last Saturday for army examinations. They are Florence Bengfort, Wilfred Bezner and Geo. Luttmir.

Sgt. and Mrs. Leonard Zwinggi of Wichita Falls were here for a weekend visit with his parents, Mr. and Mrs. Leo Zwinggi. She was Miss Jewel Reab of Gainesville before her marriage to Sgt. Zwinggi. He is stationed at Shepard Field.

Mr. and Mrs. Paul Kline and baby daughter, Beatrice Therese, returned to their home in Custer, Okla., Monday morning following a five-day visit here with her mother, Mrs. C. Hoelker and son, Ewald. It was the baby's first trip to see her grandmother and uncle.

Rev. Francis Zimmerer, who has been pastor at Windthorst and previously was assistant pastor at Muenster, spent several days here with his parents, Mr. and Mrs. I. A. Zimmerer and family preparatory to entering the United States army as a chaplain. He left Tuesday for Subiaco, Ark., for a brief stay before going to his army assignment.

Mr. and Mrs. Roy Endres, Jr., of Muenster announce the birth of a son at the Muenster clinic Tuesday. Mrs. Endres is the former Miss Elitha Neu of this city and the baby is the first grandchild of Mr. and Mrs. Matt Neu of Lindsay. They were in Muenster Wednesday afternoon to be baptismal sponsors for their grandson who has been named Jerome.

**FIREMEN CHANGE DATE**

Drill practice and meeting of the Muenster Volunteer Fire Department scheduled for October 12, will be held instead on the following Wednesday, October 14. R. L. McNelley, fire chief announced this week. The change in schedule is made so as not to conflict with plans of members who wish to attend the Knights of Columbus social on Monday.

Ferd Luttmir, seaman second class, has been stationed in San Diego since his enlistment in the Navy on June 17th. He is attending school, training for the armed guard division and expects to do sea duty in about a month, when the course is finished. He is a son of Mr. and Mrs. Herman Luttmir.

Emil Rohmer, son of Mr. and Mrs. John Rohmer, enlisted in the Coast Guard during the weekend and is waiting to be called for duty.

Ray Wilde, son of Mr. and Mrs. J. B. Wilde, has enlisted in the Army Reserve but it is at present attending Saint Mary's University in San Antonio where he will continue his classes until called.

Billy Eberhart, who was doing a good job as mess sergeant at Camp Wheeler, Ga., recently resigned that job and changed his title to Private to enter the paratroop division. "It's just what I've always wanted," he said. Billy is a son of Mr. and Mrs. Ed Eberhart.

Pvt. Joe Henry Walterscheid scored high in bayonet practice last week at Camp Robinson, Ark., and was awarded with a medal for his outstanding performance. His parents, Mr. and Mrs. Joe Walterscheid were advised.

T. Cpl. David Trachta came in early Wednesday morning on a three-day pass to bring his car home. He has been stationed at Camp Chaffee where he is specializing in mechanics and disclosed that he will soon be transferred. While here he was the guest of his parents, Mr. and Mrs. Henry Trachta.

Pat Hennigan and Earl Swingler, seamen first class, who enlisted in the Navy at the same time are still together. During the weekend they were transferred from Norfolk, Va., to California for advance training. Their new address is: 21st Battalion, Co. Hq., A.B.; Advance Training Base; Huememe, California.

Pfc. and Mrs. Aubrey Jennings and Pvt. Vincent Felderhoff of Camp Walters spent Sunday here with their parents, Mr. and Mrs. John Felderhoff. On the trip home they were accompanied by Pvt. Joe Hess, who was the guest of his parents, Mr. and Mrs. J. W. Hess, and Pvt. Henry Sandmann, who visited relatives at Lindsay.

Lt. and Mrs. Charles Taylor returned from their wedding trip

Saturday and spent until Wednesday here with her father, Joe Fisher and family before going to Washington, D. C., to make their home. Lt. Taylor is with the army air corps, is stationed in that city.

Pvt. William Lutkenhaus writes this week from Pendleton Field, Oregon, where he is now stationed as a cook. He was inducted on September 3 and spent two weeks at Muroc Field, Calif., before being sent to his present station. He mentions in his letter that Pendleton Field is the place where Jimmy Doolittle trained his crew that bombed Tokyo and says that everybody is mighty proud of the field for that reason. He states that he met Charley Clayton of this community there and also three boys from Gainesville. He can't say much about the scenery, he says, it's mostly all sand. His address is: 331st Service Group, Bldg. 502; Pendleton Field, Pendleton, Oregon.

Albert Rohmer, Walter Morrison, Jack Tuggle and Alphonse Hoenig were in Dallas Saturday for final exams before being inducted in the Army through the county selective service board. The latter was rejected but the other three boys will leave for camp on the 10th.

Cpl. Ray Tempel left Monday to return to Fort Knox, Ky., after completing a 15-day furlough in this city. He was honored with a number of parties during his stay, among them a dinner party given Wednesday by his uncle and aunt, Mr. and Mrs. John Tempel for a group of relatives and on Sunday with a farewell party at the home of his mother, Mrs. Luke Tempel.

Pvt. Richard Wimmer returned Saturday to Fort Story, Va., after spending a 15-day furlough with his parents, Mr. and Mrs. John Wimmer.

Pfc. Ferd Yosten writes this week from Philadelphia that he is still stationed in that city. His proposed trip across didn't materialize and from the looks of things he may "just keep 'em flying from Philly." Talk about moving has died down so that the gang can't even scare up a decent rumor, he says. He's fine and sends regards to all.

Sailor Robert Otto, son of Mr. and Mrs. Ben Otto of Gainesville, writes his parents that he is attending service school and will be in this class several months. Robert is a former Muenster lad and mentioned that he'd like to hear from the old home town. His address:

Robert Otto, A.S.  
Group 1, Section F 9-1  
Service School, Barracks 508  
Great Lakes, Ill.

**USO SPONSORS HAVE MEET; PLAN TOWEL SHOWER**  
Mesdames Nick Miller, J. B. Wilde, T. S. Myrick and Joe Luke attended a sponsors meeting at the USO club in Gainesville Monday afternoon for USO sponsors of the county.

During the session it was decided to have a towel shower at the dance this Saturday evening. Sponsors and girls attending are asked to bring a small hand-towel for the party. These towels will be placed in the USO club for the boys to use. The present supply is inadequate and a larger number of soldiers from the camp are taking advantage of the convenience of shaving at the club where there is an ample supply of hot water—a feature that is still missing at the camp.

It was also decided during the meeting that hostesses at dances need no longer be within the previously stated age limit, but that anyone who enjoys dancing may join this group. It was further decided that sponsors may also dance after eleven o'clock.

The man who brags that he runs things around his house is probably referring to the lawn mower and the washing machine.

more rumors about the when and where pertaining to our next move. Wishful listeners had only to be patient and sooner or later they'd hear the very kind of story they wanted. GI rumors are nice in that respect. They've predicted Oregon, Texas, Virginia, and most points between.

Remembering a question I found in a recent letter, I wonder whether I should have used the expression "GI." Sez the inquirer, what does it mean, anyway? GI clothes, GI haircuts, GI rumors, GI this and that? Specifically it is an abbreviation meaning Government issued, and originally applied to the items issued to a man in the service. Like so many handy expressions, it has been overworked until almost anything in the army, whether a new shirt, a complaint, a rumor, a case of blues or a belly-ache may be described as GI.

Well, this time one version of the GI rumor proved correct. We're moving next Thursday. Just now I suppose the destination is supposed to be a military secret. But since we'll be settled down by the time this gets into print it's all right to admit that we're moving a couple of hundred miles east to build an air field. At last we are getting down to our primary job. Start from scratch and build an air field, runways, taxi-ways, plane shelters, shops and all that. A real project on which we can actually watch our progress, not just make believe.

The foregoing comment about

**MAIL CHRISTMAS PACKAGES TO THE ARMED FORCES NOW**

Uncle Sam wants you to get the Christmas spirit early if you're playing Santa Claus to the boys overseas. If you are planning a package for any of the U. S. armed forces in Alaska, Australia, Egypt, Iceland, England, Ireland, the West Indies, or elsewhere a-broad, the postoffice department asks that you mail parcels and cards between October 1 and November 1, the earlier the better; that parcels are not over six pounds in weight (although the absolute maximum is 11 pounds); that the packages are not larger than a shoe box; that they are substantially wrapped and plainly addressed and labeled "Christmas mail."

The postoffice department gives assurance that special efforts will be made to deliver in time for Christmas if these regulations are followed.

The public is urged not to send food, other than candy, and no clothing, since boys are amply provided.

Gift suggestions listed as appropriate and appreciated by the boys are candy, cigarettes, cigars, tobacco, soaps, toilet articles, fountain pens, stationery, Bibles, and other unbreakable gifts in small packages. Do not send: food, clothing, perishable matter, intoxicants, inflammables like matches or lighter fluid.

military information was by no means an idle remark. More than ever Uncle Sam is concerned about the possibility of disaster as a result of carelessness with military information. How simple, if a saboteur knew of a troop movement, to set his little trap. It could happen here in the comparative safety of our own country and the danger is far greater when the troops move over water. Folks back home can co-operate in the good work. If they hear anything of military significance they can refrain from passing it on.

Censorship is now clamping down to the extent that many pictures snapped by the soldiers do not come back. If there's any question about military significance, both picture and negative are confiscated. Another of the exasperating factors of war, but not too much to pay for victory.

FRIDAY, SEPT. 25—I'm in a

whirl. All day I've been going at top speed in an effort to get everything in tip-top shape so that I'll have a better chance of getting an approval on my request for a three day pass. The present plan is to take off Saturday, Sunday, and Monday. Too bad home is out of range for a three day trip.
