In his speech on sanctions against the USSR caused by the Soviet invasion of Afghanistan, President Carter referred to a possible boycott of the Moscow Olympics by both participants and spectators. To you and me that may be the way to wish but so far it's not the way to bet.

That fact came out clearly and emphatically a few days ago following a New Year's Day meeting of NATO in Brussels. The suggestion was made there that in view of the Afghanistan invasion the countries of the alliance should boycott the 1980 Olympics in Moscow.

As one NATO ambassador put it, "If we go to Moscow, is that not an expression of business as usual?" He compared it with going to the Berlin Olympics in 1936. As soon as the suggestion hit the press the International Olympic Committee raised a howl.

The president of IOC, Lord Killanin, along with presidents of Olympic committees in US and Europe, said that they would fight any boycott attempt, and went on to state that only their committees, which are independent of any government control, can decide who will participate in the games.

Killanin said "I have always felt that at times administrators, and even international Olympic committees, forget that the athletes come first and in no way should be prevented from competing in an international competition by political, racial or religious discrimination." The British Olympic Association's general secretary endorsed the idea and accused NATO governments of playing "political football" with the Olympics.

This kind of sanctimonious talk has to be regarded as 100 per cent absurd when we recall what IOC did to Taiwan just a short time before. Because of political pressure from Peking and our government, the IOC on November 26 formally approved a resolution that assures Red China's return to the games for the first time since 1949, while going far to assure Taiwan's non participation. The question is whether Taiwan will be willing to accept the humiliating conditions of being allowed to compete.

Committee members voted 62-17 to allow both Red China and Taiwan to compete in both winter and summer Olympics. But the Peking entries will be permitted to compete under their own flag and to sing their own national anthem whereas Taiwan is required to abandon its identity as a nation and come up with a new flag and anthem. The name it would have to use is "Chinese Taipei Olympic Committee," forsaking its dignity as a nation, and the flag and anthem would have to be approved by IOC.

When word of this humiliating outrage reached the US Congress fifteen of its members wrote hot letters to Lord Killanin pointing out that the Republic of China is a sovereign nation already recognized by the IOC and that the shabby treatment could not be justified. Nevertheless IOC approved the change. To make matters worse, Killanin in his prejudiced decision was strongly supported by the US State Department which had sent a note to IOC implying that our country would be "embarrassed" if the Republic of China were allowed to use its own name, flag and anthem.

How's that for a switch? One would think that as a matter of fairness and integrity and national honor the US would insist on Taiwan's right to use its traditional identity. But instead our government has chosen to go the other way and use its influence for betrayal rather than support. Of course it continued on page 12...

AFBF Proposes Emergency Policy for Grain Embargo

Farm Bureau delegates adopted an emergency policy for 1980 to deal with the problems caused by President Carter's partial embargo of grain to Russia.

Delegates to the 61st annual meeting of the American Farm Bureau Federation also elected Robert B. Delano of Warsaw, Virginia, to succeed Allan Grant of Visalia, California, who retired at this convention after serving four years as president of the three-million-member farm organization.

Delano, who has served three years as vice president of the AFBF, operates a 400-acre diversified farm in Richmond County, Virginia.

Texas' 18-member delegation voted for the emergency measure which states, in part: "That because of the immediacy of the President's actions, some segments of our nation's economy will suffer severe economic hardship through no fault of their own, and therefore, steps must be taken by the government to provide compensation for those losses."

Agricultural trade should not be sacrificed unless the national security demands a total suspension of all non-diplomatic relations with USSR, the delegates said.

They recommended that the Administration and Congress immediately implement the following:

- (1) Immediately increase Commodity Credit Corporation export credit budget from \$800 million to \$2 billion for the next two fiscal years.
- (2) Offer the wheat and

feed grains loan and target price programs to all producers whether they participated in the 1979 program or not.

(3) Place the 17 million metric tons of embargoed grains and oilseeds in isolation with staggered release beginning at a point 10 per cent above the "call levels" through the 1980-81 marketing season.

(4) Announce revised 1980 farm program lease and call levels by Feb. 1, 1980.

(5) Establish acreage diversion for feed grains and wheat for 1980 to reduce the 1980 crop size by 17 million metric tons.

(6) Legislative requirements for gradual addition of alcohol to fuels and provide long-term incentives to build needed processing facilities.

(7) Provide low interest loans to holders of agricultural commodities not sold due to the embargo with repayments when the products are sold and provide purchases where low interest loans are impractical due to perishability.

Bill Pratt Asks For Re-Election As County Sheriff

Sheriff Bill Pratt this week has authorized the Enterprise to announce that he is a candidate for re-election subject to the Democratic primary. Bill is completing his fourth four-year term in office.

His formal statement to voters will appear in a later issue of the Enterprise.

Brown Urges Participation in Referendum

Agriculture Commissioner Reagan V. Brown encourages all cattle owners to participate in the upcoming Beef Referendum.

The referendum is calling for the establishment of a self-help program of research, promotion, marketing, and education, with assessments paid by all segments of the meat production industry from the rancher to the packer.

Registration to vote in the referendum will extend from January 28 to February 6 at county ASCS offices. Votes will be cast there February 19 to 22. Provisions are made for mailing ballots.

In his statement Brown emphasized that every cattle owner in the state should vote on the proposal. "Whether ranchers are for or against the issue is their personal decision; however, a move as important as this should have the full support of everyone affected if it is going to be implemented."

"Without the proper backing, cattlemen are not going to be able to accomplish their goals," Brown said.

For the referendum to be valid, at least half of those registering must vote. A simple majority is required for passage of the referendum. Details on registration and voting can be obtained from the county ASCS offices and cattle organizations throughout the state.

O'Neill Succeeds Sparkman As Plant Manager at AMPI

Ed O'Neill is the new plant manager of the Associated Milk Producers, Inc., milk products factory at Muenster, effective January 1, 1980. He succeeds Vernon Sparkman who has retired after heading the local oper-

ation for ten years. Mr. O'Neill has been with AMPI since 1971 and has served in various capacities in all of the association's Southern Region plants. He has been at Sulphur Springs, Tex., Hillsboro, Kansas,

Tulsa and Oklahoma City in addition to Muenster.

He was superintendent of the Muenster cheese plant from 1976 to October 1978. Since then he was plant manager of the AMPI butter and powder plant in Oklahoma City.

Mr. Sparkman's retirement ends more than 33 years in the dairy industry. He started in 1946 as office manager of the Gold Star Dairy in Mangum, Oklahoma. He was appointed manager in 1951 and served until coming to Muenster in September, 1970. The dairy at Mangum was merged into MPI in 1967 and later into AMPI.

During his tenure as manager here, the new modern cheese plant was built. Also new milk and whey drying facilities were built and the milk capacity was doubled.

Mr. and Mrs. Sparkman will continue living in Muenster.

65th Wedding Anniversary Observed by Matt Mullers

Saturday, January 12 was a special day for Mr. and Mrs. Matt Muller who celebrated their 65th wedding anniversary surrounded by children and spouses, 35 grandchildren, 33 great-grandchildren and one great-great-grandchild, all in attendance at a 5 p.m. Mass in Sacred Heart Church.

Their children are Arnold Muller, Mrs. Arnold Schilling (Josephine), Mrs. Norbert Knabe (Juanita), Don Muller of Amarillo, Mrs. Eva Blanton of Mineral Wells, Clyde Muller of Bedford, Mrs. Pete Hellingner Jr. (Jeanette) of Lindsay and the late Mrs. Ed Sturges (Rosalie). Her husband of Eules attended.

Father Denis Soerries was celebrant of the anniversary Mass. Mrs. Claude Bayer was narrator. Five great-grandsons were altar boys: Kyle Walterscheid who carried the Christ Candle, Tim Knabe, Deano Bayer, Jason Gehrig and Jared Bayer.

Also in the Entrance Procession were the children of the honor couple and their spouses, the grandchildren, great-grandchildren and great-great-grandchild.

Mr. and Mrs. Matt Muller were followed by her sisters, Mrs. Joe Schnitker of Denison, Mrs. Al Schnitker of Pottsboro and Mrs. Margaret Hennigan of Oklahoma. Two brothers, Adolph and Joe Herr of Arlington were unable to attend. His brother, Theo Miller also took part, but another brother, Nick Miller was ill and unable to attend. His sister, Mrs. Katie Bernauer, also took part.

Grandchildren took part in the special liturgy; the Reading: "Together For Life" was given by, Monica Gehrig; the Response by Sherrill Muller; Prayer of the Faithful by Angela Hellingner

and Elaine Walterscheid; Offertory gifts were carried by four seniors, Laura Richards, Gaylyn Muller Natalie Hellingner and Bernadette Knabe. Also in the Offertory procession were Vickie Muller carrying Mrs. Muller's mother's ring, a gift from Rosalie many years ago; a dish with vegetables and a toy tractor carried by Craig Hellingner were symbolic of the Mullers' long years of farm work and housekeeping providing for family needs and many guests welcomed into their home. Stenholm Backs Carter On Soviet Invasion Issue

Congressman Charles Stenholm, visiting Muenster last Monday in behalf of his candidacy for re-election, abandoned the campaign talk and joined in discussing the current crises in Afghanistan and Iran.

Regarding the former, he said it is clearly a Soviet expansionist effort to take over the oil fields of the mid east, thereby assuming control of the world energy situation. Stenholm strongly endorsed President Carter in the grain embargo as well as other methods of economic and political pressure along

with the offer of military aid to the defenders of Afghanistan.

He stated that, hopefully, the situation is not as bleak as it looks, noting that Russia is risking the enmity of all Moslem nations, who are deeply religious and detest atheism. Another hope is Red China, which hates USSR, and seems likely to join the Arabs in checking the Russian expansion.

Another consideration is that Moscow may be helping to solve the Iranian problem. If the Soviets in-

vade Iran, it may become more reasonable, recalling good relations with us in the past and a possible shift of hatred from us to the invaders who are proving to be their real enemy.

Regarding danger of a war between US and USSR, Stenholm said that expert opinion does not concede the Reds sufficient advantage to justify an attack. They are far from assured of victory. However America certainly cannot afford to lose more time in its defense program. Foot dragging on that issue for several years, along with sabotaging the CIA and wasting time on the energy program, are all recognized now as serious mistakes. America needs to get priorities in order and get to work. We can overtake the Soviets in the arms race especially under the present Carter plan to quit sending them sophisticated industrial help and essential food supplies.

The Congressman said this thing has put an end to SALT II. It helps US recall that the first SALT treaty was one sided, and the same is true of this one.

Lively, Stinson Ordained Deacons of Baptist Church

In solemn services conducted here Sunday, David Lively and Jerry Stinson were ordained as deacons in the Baptist Church.

The ceremony was held in First Baptist Church at 3 p.m. before a large number of friends and relatives as well as deacons and pastors from a number of North Texas churches.

Heading the service was Reverend Vance Zinn, area missionary of Cooke, Montague, Jack and Wise counties, who delivered the message, choosing his text from Act 6:3, "Wherefore, brethren, select from among you seven men of good reputation, full of Spirit and of wisdom, whom we may put in charge of this task." Area ministers participated in the ceremony of Laying on of Hands.

Following an opening hymn, the program started with a welcome and introduction by Keith Thomas, pastor, then a prayer by T.E. Stinson, father of Jerry Stinson. That was followed by the examination of candidates conducted by the pastor, a vote of the ordination council and a vote of the church.

The ordination prayer was offered by Don Lively, brother of David Lively, and

City Gets \$3,600 Sales Tax Check

The City of Muenster has just received a check from State Comptroller Bob Bullock in the amount of \$3,600.65 as its rebate for the 1 per cent city sales tax collected here through the period ending December 28, 1979.

The amount is part of \$23.4 million which is some \$5.2 million more than the cities received in their January payment of 1979. Bullock said the increase is due more to changes in bookkeeping systems and late sales tax returns from taxpayers than significant increases in sales. He explained that a substantial number of taxpayers filed 1979 third quarter returns. Continued on page 6...

ESTABLISHMENT OF THE FEDERAL RESERVE SYSTEM

The latest reports on inflation indicate a rate for the year in excess of 13 percent. By the end of the year it may be higher, or somewhat lower. In that the Federal Reserve is taking action to make money "tighter," probably a conservative estimate for inflation this year would be about 12 percent. Certainly we need to understand whatever causes our money to lose one-eighth of its purchasing power in a year.

We are all aware that prices of nearly all goods and services are increasing rapidly. When the general price level increases in this manner the cause is inflation. Inflation is an increase in the quantity of money and credit. In the United States the control of money and credit is in the hands of the nation's central bank, the Federal Reserve System. If we want to understand inflation we necessarily must understand the functioning of the Fed, as the system is called bankers and economists.

It is not the purpose here to examine in detail why the Fed came into being. The manipulations behind that story are fascinating to be true, but suffice it to say the Congress was persuaded to pass the act establishing the Federal Reserve System in 1913, and President Wilson, who used all his influence to get it passed, signed it into law on December 23 of that year. The rationale for the act was concern over business cycles and the need to try to control them. The country had experienced periodic "depressions" of economic activity, the latest the "panic of 1907." Demands arose for a reorganization of the banking system in order to: (1) give the

federal government effective control over the money and banking facilities of the nation;

We're building today for tomorrow's opportunities.

Texas is one of the nation's most exciting states for companies looking to relocate their headquarters or for sites for major branch expansion. And, for good reason — we offer much that is more attractive than in many other areas of the country. Included in that is a dependable supply of essential electric power at reasonable rates.

We're building electric plants today to serve our present customers ... and to provide ample power for the business, industry, and people who will be moving to our part of the state in years to come. And, we think that's important because new companies create new jobs and bring many other benefits that improve the quality of life throughout our entire area.

TPGL feels it's important to build to assure dependable service today ... but we're also building for tomorrow's opportunities.

STATE CAPITAL HIGHLIGHTS
 By Lyndell Williams
 TEXAS PRESS ASSOCIATION

AUSTIN—Gasohol, once considered an "exotic fuel," at least in Governor Bill Clements' words, is fast becoming all the rage at the State Capitol.

Texas family farmers fought all last year to initiate gasohol production in the state and up until now have enjoyed limited success. Their hopes were boosted during the last Legislature when Reps. Dan Kubiak and Bill Keese successfully pushed through the legislation legalizing alcohol fuel production in Texas, but the necessary funding has not come through. All that is changing.

Following President Carter's partial embargo of grain sales to the Soviet Union, gasohol's destiny has taken an upswing. Carter intends the federal government to buy the 17 million metric tons of grain and use much of it in the rapid production of gasohol. The benefits are two-fold: America can become more self-sufficient in terms of energy, and farmers can enjoy a solid domestic market for grain.

Amid all the busting, Texas farmers leveled a strong blast at Governor Clements, charging him with breaking a promise to their group by stifling gasohol production. They see Clements ties to the oil industry (he is the founder of SEDCO, Inc., a Dallas-based oil well drilling firm) as the reason for his inaction.

Texas Oil & Gas ...

Industry's Operations Essential to Economy

By Edwin L. Cox, President
 Texas Mid-Continent Oil and Gas Association

There are people in this country making careers out of criticizing America's petroleum industry. The large, integrated companies have been the principal targets of their criticism.

Recently, a coalition of labor unions and consumer groups staged demonstrations in various cities throughout the country to protest high energy prices and the "big oil companies." This so-called "Big Oil Day" was a big flop.

Most Americans saw through the proposals for industry nationalization and distortions of fact. Most Americans are aware of what the U.S. petroleum industry — operating within our free enterprise system — has meant to this nation. Those of us living in Texas know of the contributions the industry has made to this state's economy and general welfare.

Several of this nation's largest oil companies had their origins in Texas and have been operating here since the turn of the century. So, the oil and gas industry long has been a prime contributor to Texas' social and economic well-being.

These companies and others provide many jobs, support education, and underwrite many community services in our state. They also pay a significant portion of the industry's billion-dollar annual state tax bill.

All employees of these companies — from the newest employee to top management — work for the stockholders of these publicly held companies. More than 14-million persons, for example, own the nation's six largest oil companies.

This ownership is either through personal stock purchases, through participation in retirement and pension plans, or through mutual fund participation. Many of these stockholders use these investments in order to make their retirements more comfortable and secure.

A recent study of oil industry ownership of companies such as these six showed the following:

*The average age of employed persons who owned stock was more than 52 years. Their average household income was less than \$20,000 per year.

*Indirect owners numbered almost 12-million persons. More than seven-million of these were participants or annuitants in various pension and retirement plans.

*Direct owners numbered 2.3-million persons. Of these, nearly half (46-percent) were retired.

*The average age of these persons was more than 70 years. And, they had owned this stock for an average of 33 years.

These findings and figures illustrate the scope and diversification of the ownership of the nation's six largest oil companies. Who owns America's big oil companies?

To that question, there is a simple answer. Millions of Americans.

Agriculture Movement.
 Mike McCathern of Hereford, said:

"We have an oil baron governor who doesn't want any competition with oil, and a liquor lobby controlling the Alcoholic Beverage Commission and we can't get anything done."

The commission, which normally oversees drinking alcohol regulation, is the agency which handles alcohol fuel production permits. During the recent year, the ABC has given out less than 25 permits across the state.

The farmers' push was highlighted by a hunger strike beginning Friday by one of their leaders, Charlie Fitts of Milam County. Fitts is camping out in front of the Governor's Office at the Capitol to draw attention to the farmer's beef with Clements.

AG Okays Gasohol

Attorney General Mark White ruled last week that a Kansas corporation, Midwest Solvents, Inc., can produce gasohol in Texas but cannot manufacture 190-proof alcohol at the same plant.

The ruling was sought following controversy over whether beverage alcohol could also be produced at the targeted Santa Rosa plant. The company was planning to ship the beverage alcohol out of state for sale.

White's ruling boosts the state's ability to say yes to alcohol fuel production at the same time it says no to beverage alcohol production.

Political Races

As the Feb. 4 filing deadline nears, more political races are shaping up in Texas.

State Rep. John Wilson, D-LaGrange, announced he will try to unseat state Sen. Bill Patman, D-Ganado. Patman, a 20-year incumbent and member of the controversial "Killer Bees," has not announced his intentions. Hints abound that he may try for a congressional seat and give up his seat to Wilson. Most observers predict a tough fight if he goes for re-election.

State Rep. Ed Mayes of Granbury reportedly will not withdraw from the race for the Senate post being vacated by retiring Tom Creighton of Mineral Wells. Mayes may throw his support to former Rep. Walt Parker, a Denton conservative.

After rumors spread that he would quit his legislative post in the Texas House of Representatives, Fred Head of Athens said he will run again. Head had closed down his Austin office and some speculated the 14-year veteran would quit. Head is the record holder for consecutive votes—11,135 straight votes since 1967, no missed roll calls.

Another veteran, conservative Dan Kubiak of Rockdale, has drawn a Republican opponent, ex-municipal judge John Carter of Round Rock.

Ixtoc I End Predicted

Governor Clements last week predicted the runaway oil well in Mexico's Bay of Campeche will be capped within two weeks.

A large barge loaded with cementing equipment to fill the well was almost finished, and Clements said it will soon be towed to the well site.

Two slant wells are being drilled to intercept the Ixtoc I hole. After the well pressure is lowered, the cement will be poured into the uncapped hole.

Muenster Young Homemakers Meet On CCC Honor Roll

The Muenster chapter of Young Homemakers of Texas heard a program on Food Processors by Tulu Hickerson, Home Service Advisor for Cooke County Electric Co-op, on January 9. She also prepared an assortment of snacks for members to sample.

Two guests, Mrs. Marcie Wilde and Mrs. Kelly Grewing attended.

Future projects were discussed. The next meeting on February 6 will feature a program on Child Management by Kathy Vogel. Guests are welcome to attend.

One Muenster student has been named on the Presidents Honor Roll and five on the Dean's Honor Roll at the end of the Fall 1979 semester at Cooke County College. A grade average of at least 3.5 while carrying a minimum of 12 semester hours is required to qualify for the Dean's Honor Roll whereas a perfect grade average is required for the President's Honor Roll.

Kathie Fisher, Janet Krahl, Lisa Krahl, Lisa Trunbach and Gene Yosten are on the Dean's list. Gary Rohmer is on the President's list.

Symbolic of Mrs. Muller's hobbies of crocheting, quilting and doll making were the afghan carried by Adrienne Hellinger and the Raggedy Ann doll carried by Renee Muller. Sherri Muller presented her grandmother's rosary, a source of special devotion.

One of his grandfather's special favorites, his fishing tackle was carried by Dale Muller, garden tools by Matt Muller of Amarillo. A toy blue Maverick and a deck of cards were carried by David Muller, because "their own blue Maverick

has taken them many miles visiting children near and far, and to their very enjoyable SNAP program several times a week." ...and "their family attributes their longevity and jolly personalities partly to their friends and hobbies."

Also in the special liturgy were Herbie Knabe, Pat Knabe, Henry Knabe and Clinton Bayer, ushers; and Amy Bayer who presented the regular Sunday collection at the altar.

Assisting at Holy Communion were Herbie Knabe and Mrs. Jim Gehrig. Stacie Walterscheid gave the Meditation "Anniversary Prayer."

Tony Luke was organist. Mrs. Matt Muller wore a deep blue suit and a white carnation corsage.

The family reunion was held in Jim Gehrig's new building. Seventy eight family members attended the covered dish dinner, followed by card games, music, dancing, picture taking and visiting.

The memory table held family portraits, the golden anniversary portrait and a five generation picture of Mrs. Muller, Mrs. Arnold Schilling, Mrs. Julian Walterscheid, Mrs. Mike Fuhrmann and infant Leslie Fuhrmann.

The tiered anniversary cake, decorated in pink, was baked by Mrs. Charlotte

Anniversary Guests
Signing the guest book were the Arnold Mullers and Sherri and David; the Arnold Schillings and Monica Gehrig and Roger Haverkamp; the Norbert Knabes

Also Mrs. Joe Schnitker, Mrs. Al Schnitker, Mrs. Richard Hennigan, Theo Miller, (who, with his late wife, the former Rosie Herr were attendants at the wedding 65 years ago) Mrs. Joe Bernauer and Frank Bernauer, the Matt Stelzers, the Charlie Stelzers, the Leonard Gottlobs, the Stan Yostens, and the Clarence Schnitkers.

Unable to join the family party were Mr. and Mrs. Julian Walterscheid who were in Florida, and Mrs. Beverly Fuhrmann, Mr. and Mrs. Danny Cross, Aaron

Richards, Matt Richards and Curtis Richards, Monica and Michelle Blanton and Ronnie Muller who were all prevented by distance or work schedules. Mr. and Mrs. Duncan Campbell and Jennifer of Denver visited here a week earlier and Mr. and Mrs. Joe Bedolla arrived on Sunday for a visit and to help move the Jim Gehrigs to their new location.

Moving their store from the old to the new location was no problem for Jim and Cindy Gehrig. The job was done for them Sunday between 10 a.m. and 3:30 p.m. by some 60 relatives and friends, most of whom had been at the vacant building Saturday night to celebrate the 65th wedding anniversary of the Matt Mullers, Jim's grandparents. The merchandise was moved a half block down Main Street to the former Pagen Store from the acient Gehrig building, the oldest store in town. Here are near-empty views of the old building.

In keeping with relentless inflation, and slightly ahead of the year's inflation rate, the deposits jumped from \$102,961,571 to \$122,868,573, a gain of near 20 per cent for the year. During the past quarter the gain was \$10.4 million, near 10 per cent.

Combined loans of the year increased from \$70,384,278 to \$80,211,813. During the quarter they increased by \$2.9 million.

Tigers Open TCIL Series with One Win, One Loss

With a standing of 1-1 in their district games of the past weekend, the Sacred Heart Tigers will have a pair of games with Notre Dame of Wichita Falls before heading for the TCIL district tournament at Amarillo on January 25 and 26.

To date they have a 64-47 win over Alamo of Amarillo and a 52-36 loss to Christ the King of Lubbock. Meanwhile the Lubbock boys have a 2-0 standing and Amarillo a 0-2 standing.

Playing Alamo here last Friday, Sacred Heart started extra cold, missing 11 tries before making a hit. They trailed 11-10 at the first quarter and moved to a 24-23 half time lead. After that they gained steadily to a 46-36 third period count and the win of 64-47.

Mel Walterscheid and Monte Endres did a good rebound job besides scoring 14 and 13 respectively and Kenny Hartman was high scorer with 15. Also Kirk

Mollenkopf added 7, Craig Walterscheid 6, Mark Nasche 4, Brian Herr 3 and Gene Fuhrmann 2.

Saturday's game with Christ the King featured hot and cold streaks by the Tigers, plus steady playing by the visitors, who had the benefit of two returnees from their 1979 state champ team.

Lubbock took leads of 15-10 and 22-14 the first two quarters, then SH really got going and roared to a 30-28 third period lead. But they could not keep it going. They had a rash of turnovers and scored only 1 field goal and 4 foul shots in the fourth while Christ the King moved on to its 52-36 win.

Mel Walterscheid and Kenny Hartman led the scoring with 12 and 10 while Kirk Mollenkopf hit 4, Monte Endres 4, Curtis Henscheid 2 and Brian Bindel 2. Meanwhile Bindel led the Tiger performance at the boards and on the floor.

MHS Wins In Overtime Over Celina

Muenster High's Hornets played their game of the season to date last Friday night by nudging Celina 78-75 in a double overtime classic. After a 15-15 first quarter Muenster led 33-29 at intermission and fell behind 43-40 at the third, then took up the slack and ended 59-59.

The first overtime ended in a 64-64 tie after which MHS inched to its 78-75 triumph. Celina's foul trouble was a factor in the win, and another was the timely and amazing sharpshooting of Phil Wolf whose total of 19 included 15 points in the fourth period and overtime. He made 6 field goals and 3 foul shots.

As a result MHS, with a 2-1 standing, is sharing the lead with four other teams in the most competitive race of several seasons.

Floyd Felderhoff, at 19, shared the scoring honors with Wolf, Don Frazier and Todd Richey each made 14, and Ricky Winn made 11.

MHS Hornets remained winless in the 14-A race with a 45-28 loss to Celina. The visitors started with an 11-6 first period lead and gained the rest of the way by scores of 19-10, 29-13 and 45-28.

Stephanie Richey led Muenster scoring with 13, Judy Walterscheid made 8, Wanda Schneider 4, Kyla Hale 2, Renee Wilde 1 and Peggy Winn 1.

In a preliminary to the district games with Celina, the junior varsity Hornets lost 53-36. After gaining steadily to a 46-26 third quarter lead, the visitors turned it over to the reserves and Muenster trimmed the margin by 3 points.

MHS scorers were Kevin Felderhoff 16, Gary Klement 6, Tony Otto 4, Garland Tate 2, Glenn Fisher 2, Stephen Fisher 2, Vance Wells 2, Wayne Carroll 2.

Celina Kids Beat Muenster 2 of 3

Muenster juniors were the losers in two of three games with the Celina kids on the Hornet court Monday night. The local seventh graders did fine, winning theirs 25 to 17, but eighth graders were clobbered 40 to 14 and the junior varsity went down by a count of 61-50.

The seventh grade youngsters nudged ahead 5-4 in the first period and gained to 15-10 in the second. They held the lead at 17-12 after a cold third by both teams and finally won 25-17. Scorers were David Winn 8, Jay Mollenkopf 4, Cory Klement 4, Doug Marquardt 3, Ronnie Fisher 2, Kevin Wolf 2, Wayne Ponder 2.

Shortage of roster was the same old problem for the 8th grade who got the 7th grade help toward the end. Scores by periods were 18-2, 20-4, 26-4 and 40-14, with visitors leading all the way. David Winn hit 6 for Muenster, Jay Mollenkopf, Ronnie Fisher, Cory Klement and Neil Flusche each added 2.

The JV game was better for three periods but a sad sad second, in which the Hornets were outscored by 15 decided the end result. MHS led the first period 13-12, after which it was Celina by scores of 34-20, 44-32 and 61-50. Point makers for Muenster were Kevin Felderhoff and Gary Klement 11 each, Tony Otto, Wayne Carroll and Billy Grewing 6 each, Wylie Lewis Jr. 4, Vance Wells 2.

Todd Richey scores 2 for the Hornets in their hard earned 78-75 double overtime win over Celina.

Cub Scout News

Den 2

Cub Scouts of Den 2 had a fun time meeting at Muenster City Park on November 14. Principal activity was an Adventure Trail which counted toward earning arrow point. Refreshments served were Coke and homemade cookies furnished by Mrs. Eileen Vogel.

December den meetings were held in the home of Den Mother, Mrs. Cindy Gehrig. On December 5 the cubs made Christmas gifts for their parents. They also sang songs and enjoyed refreshments furnished by the assistant den leader, Mrs. Janice Bayer.

On December 12, each cub scout made a gift for a resident of St. Richard's Villa, to present later in the month. Ryan Bayer was honored on his 9th birthday. Refreshments were decorated Christmas cookies and chocolate bon-bons made by his grandmother, Mrs. Richard Grewing. Punch was also served. They boys opened their Christmas gift from the den leader and also received bags of candy.

Den Chief Leroy Voth directed games. Ryan Bayer is denner and Jason Gehrig is assistant denner for December.

SH Junior High Splits Four Games

Junior High teams of Sacred Heart each broke even in games with Valley View and Callisburg Monday and Tuesday nights. The girls beat Callisburg and lost to Valley View, the boys beat Valley View and lost to Callisburg.

Best of the contests was the boys' win, in which they led all the way, but barely. Their scores by periods were 8-5, 12-11, 18-15 and 27-25 as Neil Hesse hit 11, Duane Haverkamp 8, Scott Fleitman 4, Bret Walterscheid 2 and Nickie Hesse 2.

Their other game was a dismal 46-17 loss to the Callisburg kids, who completely dominated the action, for instance, 12 of 13 free shots. Scores by quarters were 12-5, 25-14, 35-15 and 46-17. The future Tigers scored as follows: Neil Hesse 9, Duane Haverkamp 5 and Bret Walterscheid 3.

SH girls had one good quarter in their game with Valley View but it was not enough to overcome three quarters of deficits. Scores by periods were 7-3, 17-6, 21-8 and 25-17 as the talented green clad girls improved their season record to 8-1. Tigerette scores were Ann Felderhoff 8, Shannon Fleitman 3, Sue Walterscheid 3, Sandy Taylor 2.

Playing Callisburg they gained in every quarter for leads of 4-0, 12-5, 23-11 and 30-15. Shannon Fleitman led the scoring with 14, and Ann Felderhoff was next with 10. Sue Walterscheid, Marilyn Hartman and Puppet Stofels made 2 each.

Muenster Juniors Lose 2 to Lindsay

Junior girls of Muenster had a sad evening hosting Lindsay's girls last Thursday night. After the junior high team barely escaped being blanked the junior varsity was outscored by a ratio of 2 to 1.

Jill Wimmer scored 2 for the junior high in the first period after which Lindsay kept going to a total of 38.

The junior varsity game was better but still one sided as Lindsay went on for leads of 13-3, 27-3, 37-17 and 46-23 over the Hornets all-freshman team. MHS scorers were Sandy Wimmer 14, Mary Winn 5, Sherri Hess 2, Renee Wimmer 2.

The ball is up for grabs in this action at Sacred Heart's game with Amarillo Alamo. Tigerettes are identified as Carol Walterscheid, 21, Nancy Sicking, 11, and Rhonda Endres.

Forestburg News by Myrt Denham

Casey Jones attended the wedding of his granddaughter Sheri Louise Crump to Michael Leroy Casteel of Woodward, Okla. on Saturday January 5th at 2 p.m. in the Saint Pauls United Methodist Church of Ponca City, Okla. Rev. Jim Yarbrough, Pastor of the Honey Grove, Texas United Methodist Church, officiated at the wedding. Rev. Yarbrough's first pastorship was the Forestburg United Methodist Church where he performed his first wedding uniting Dama Jones and Warren Crump in marriage - Dama is Casey's daughter and she and Warren are Sheri Louise's parents.

Might add here that the pastor of Saint Paul's United Methodist Church in Ponca City is Rev. Seagers who also was at one time pastor of the Forestburg United Methodist Church. The wedding reception for Sheri and Michael Casteel was held at Elks Lodge in Ponca City with over 300 present.

Mr. and Mrs. Claud Beaver of Bowie also attended the wedding and reception. Mrs. Beaver is the grandmother to Sheri Lynn.

Recent visitors in the home of Mr. and Mrs. Charlie Meyer were Mark Schneider of Irving, Mrs. Betty Parker and son and Ronnie Hardin of Gainesville.

Mmes. Mollie Moore and Velma Freeman were recent visitors with Mrs. Mary Dunn of Dyemound.

Mr. and Mrs. Gene Lanier and daughter Janice and

Now I've heard everything - a feller I know was expecting a neighbor to drop by one a.m. The morning arrived so the man told his wife that she'd better arise so HE wouldn't be in bed when the neighbor arrived. Now you top this one.

Chris Gresham of Rosston spent a few days in Colorado recently, returning home on New Year's Day.

Dinner guests of Mrs. Esther Shears and Rhett on Sunday Jan. 6th were her sisters, Mrs. Elva Carter, who has moved here from El Paso, and Alice Shears of the Burg, her niece Terry Graham of Lake Jackson, Texas, Bill Chambers and Ray Whiteside of El Paso. The dinner was a surprise birthday dinner honoring Ray Whiteside.

Mrs. Olita Lanier is now employed as a Nurse's Aid at the Muenster Memorial Hospital.

Truman Greenwood, of Pilot Point is a patient in the Osteopath Hospital in Denton since Tuesday January 8th. Truman is the son of Mrs. Georgia Greenwood of Forestburg.

Mr. and Mrs. A.B. McMillion left for Houston via car on Monday Jan. 14th. A.B. was scheduled to enter the M.D. Anderson Hospital there for treatment.

Mrs. Ethel Harris was taken to the Bridgeport Hospital via ambulance Saturday p.m. Jan. 12th.

A little late - but Ben Perryman was a patient in the Muenster Hospital last week for several days. Ben is home now and we hope he is mending real well.

It has been reported to me that Mrs. Ti Cook is now a resident of Yes-Ter-Year Home in Saint Jo. Am told this is on a temporary bases for the time being. By the time you read this Ti will probably be home.

Mr. and Mrs. Paul Putnam and family were in Wichita Falls recently and visited with Mr. and Mrs.

Sam Williams.

The Forestburg United Methodist Womens Group met for their first meeting of the New Year on Wednesday January 9th in the Annex of the Church. Mrs. Alice Shears, President, presided at the meeting with Mrs. Dorothy Thompson presenting some very timely and inspirational devotions. Then the ladies discussed plans and goals for this coming year which was followed by a short business session - and then a period of fellowship with refreshments followed.

Present were: Mmes. Alice Shears, Lucille Littell, Esther Shears, Dorothy Thompson, Betty Reynolds, Laura Belle Jackson, Marion Sockwell and Myrt Denham.

Mr. and Mrs. Tolbert Fanning of Abilene spent the weekend of January 12th at their Stoney Point retreat.

Mr. and Mrs. Ted Jackson attended the regular monthly meeting of the Greenwood chapter No. 1060 of the OES Friday night January 11th.

On Saturday January 12th, Ted stirred up some excitement for himself, and wife Laura Belle, when a tractor battery he was recharging blew up almost in his hands. Fortunately Ted did not receive any injuries.

The Jacksons visited his sister Mrs. Eula Steen in the Yes-Ter-Year Home in Saint Jo Sunday Jan. 13th.

Mrs. Wanda Perryman and Mrs. Millie Reynolds visited with the residents of the Saint Richards Villa in Muenster on Saturday January 12th.

Mrs. LeRoy McClarey and family of Lancaster visited her parents Mr. and Mrs. D.D. Echols of Mallard Sunday January 13th and also visited with Mr. and Mrs. Buford Greenwood.

Johnny Lanier of Eules spent the weekend of January 12th with his parents the Gene Laniers.

"Charlie" and Gladys Barclay have had plenty of action around them this past week. Gladys celebrated a birthday on the 8th and guests were Mrs. Claud Barclay of Alvord and Mr. and Mrs. Hayward Richie of Chico. Wednesday p.m. visitors were Mrs. Billy Barclay and Jennifer of Sanger and us Denhams. Saturday January 12th the Barclays were in Bowie and Nocona and that p.m. the Hayward Richies and Mrs. Edna Reynolds of Bridgeport made the scene for a visit and Sunday Mr. Richie and Charles Luther appeared for a "chat." That night found the Barclays in Alvord visiting with the Troy Barclays.

Mr. and Mrs. H.A. Dunn of the Dyemound area paid us Denhams a visit Sunday p.m. Jan. 13th. The four of us drove over to see the T.M. Center under construction between the burg and New Harp. We toured the building and were joined by one of the young gentle-

men who works there and is a TM member. He was very co-operative, informative and pleasant. Everytime I meet one of these TM folks I am most impressed with their cheerful happy attitude and outlook on things. They must have something "on the ball" to have 2 1/2 million dollars to spend on a building as one of our local residents once said, "You Judge a Trapper by the fur he catches."

Mr. and Mrs. "Happy" Cox of Wyoming are here to spend the winter months at their Mallard residence. They own the property where the Mallard Church used to be.

Mrs. Frankie Neely of Gainesville visited with sisters Mmes. Elva Carter, Esther and Alice Shears and her niece Terry Graham and nephew Roy Whiteside on Wednesday January 9th.

Mr. and Mrs. David Souther and family have moved their mobile home over by the home of the late Jim and Callie McMillion. The Souther's will soon be operating their dairy business from there having purchased the property from the L.C. McMillions.

Mr. and Mrs. Jack Poteet of Newport Beach, Calif. returned home Monday January 14th after spending several weeks here visiting relatives and friends.

Mrs. Floella (Cox) Grizzle of Wichita Falls visited with Mrs. Georgia Greenwood recently.

Politics will soon be getting mighty hot and heavy everywhere and election time will be upon us all before we realize it. Let us all take an active interest in all the candidates and what they stand for, promises, etc. and above all GO VOTE when the time comes and vote for the people best qualified for the positions not because he is a fellow Church member, a good neighbor and friend or because you knew his family for umpteen years. These are all fine qualities but do not necessarily quality "him" for the position.

PTO Sponsor Talk on Cult Related Problems

Allen Tate Wood will speak to students and parents of Muenster Public School, and their teachers on Wednesday, January 23 at 10 a.m. in the M.H.S. Auditorium. His appearance in Muenster is sponsored by the Public School Parent-Teacher Organization. Tate

has spoken to all age groups, ordinarily college age and over, during the past several years. Since August 1978, he has been working as a counselor for parents and children with cult-related problems. The sponsoring organization feels very fortunate to obtain this program and invites and encourages all parents to attend with their high school students.

Allen Tate Wood was born in Memphis, Tenn. in 1947. He received his BA in Psychology from Livingston College of Rutgers University. He no longer belongs to the Unification Church, but while he was a member, he was senior political officer of the Freedom Leadership Foundation, political arm of the Unification Church.

Copies of his book "Moon-Struck" are in the Muenster Public Library, Sacred Heart High School Library and Muenster High School Library. They were presented to all three by the Bluebonnet Extension Homemakers Club after several members heard Allen Tate Wood speak at a state meeting of the organization.

YOU CAN BANK ON IT!

Here's something that's almost a tongue twister. "How big should a bank be to be the bank you can bank on?"

Hopefully, about the size of ours. Large enough to be financially strong but small enough to offer real personal service. Banks that are just the right size do a lot of things for customers that banks in the big cities won't and things that smaller financial operations can't. This is what we aim for... progressive, but completely personal.

When looking for a banking home, search out a bank that's financially strong and growing. One you can count on to have the ability to help when you need it. One that's been around long enough to have a firm financial footing and knows the community in which it operates. Pick a bank where people listen and, then, respond in a positive way. Choose one that's the right size for your needs. One where their service means... You can BANK On It!

Fuhrmann Family Has Get Together

All their children and grandchildren joined Mr. and Mrs. Val Fuhrmann at the family home on Friday, January 4, for their first reunion in 3 1/2 years.

Together for the Friday evening dinner and a family portrait afterwards were Jim and Carol Fuhrmann and daughters, Valerie and Susette of Irving; Tom and Gloria Fuhrmann and daughters, Jennifer and

Brandi, of Denison; Margie Buehrig and son, Nathan, of Boise, Idaho; Fred and Denise Fuhrmann and son, Scott, of Pinehurst, North Carolina; Richard and Nancy Lautenslager and daughter, Dana, of Carrollton; Bruce Fuhrmann of Lubbock, and Miss Karon Roles of Bedford.

Bruce, a senior at Texas Tech, had been home since Dec. 16 on Christmas vacation and left January 5 for Buchanan, Michigan, where he is employed this semester as a co-op student. Margie and Nathan left Tuesday evening to return to their home in Boise. Family members saw them off at DFW airport and were there again Sunday to say goodbye to Fred as he returned to Pinehurst. Denise and Scott remained for a longer visit and will divide their time with her family, the Denis Walterscheids.

Muenster to Host DPT Immunization Clinic January 23

The Texas Department of Health Region 5 Office in Arlington announces an immunization clinic to be held in Muenster at Sacred Heart Community Center, on Wednesday, January 23, 1980 from 10:00 to 12:00 noon. The Clinic will provide immunization against Diphtheria-tetanus-pertussis (DPT), Polio, Rubella (red measles) and Rubella (German measles), for infants 2 months through 28 years. (Exception: Females over age 12 will not receive rubella vaccine without physician's consultation and prescription). Precautions must be taken with females in the 12-18 age group to insure that they are not pregnant when they are immunized with measles vaccine, and that they do not become pregnant for 3 months following immunization.

Immunizations are incomplete if a child has not received three (3) doses of DPT and Polio vaccine with at least one dose administered past the fourth birthday. All children under 18 years must have an informed consent form read and signed by a parent or legal guardian. If possible, the parent should accompany the child to the clinic. Immunization records should accompany the child to the clinic and be examined by the public health nurse who will answer any questions. The following children would have immunizations deferred: (1) Those acutely ill and with fever; (2) Those taking antibiotic treatment for an acute illness; and (3) Those who have completed antibiotic treatment for an acute illness, but have not been pronounced well by

their physician. The Department makes no charge for the immunizations. Since these diseases can be quite harmful, each parent or guardian is encouraged to protect their children from them. "Persons who have private physicians should consult with them for advice," state Hal J. Dewlett, M.D., Director, Public Health Region 5.

After the tour, a short business meeting was held. Officers selected for January were as follows: President Lisa Robison, Secretary Christie Jensen, Treasurer Janie Fisher, and Leader, Dyanne Vogel.

Luke, vice president and program chairman, who stated that Horticulture was a special hobby of the speaker. Mrs. Ferber studied Horticulture in courses at the University of Minnesota and studied the local area needs in a course under Kenneth Kaden at Cooke County College.

Mrs. King Koch presided for the business meeting and Mrs. Arthur Endres presented minutes. Mrs. Jim Roark reported on the Cooke County Council Christmas meeting at the home of Mrs. Loree Blagg in Gainesville.

Confetti...

was only being consistent in stooping to shabby treatment. After having previously broken away from the Republic of China to meet the demand of Red China, it is understandable that a return to fairness could hardly have been expected.

The situation was clearly spelled out by Julian Roosevelt, an American on the IOC committee. He said that originally IOC approved a resolution to let Red China and the Republic of China compete on equal footing but Peking put up a howl and Washington joined the pressuring. So Killarin knuckled under.

All of which goes to show that the Olympic committee doesn't always stand by its pious proclamation that "athletes come first and in no way should be prevented from competing in an inter-

national competition by political, racial or religious discrimination." When Reds pressure the IOC on a purely political issue it readily complies. But when non-communists ask IOC to condemn naked aggression by a Red super power the committee insists that "politics must be kept out of the Olympics."

Hopefully there's still a chance for a happy ending on this issue. During the weekend President Carter again suggested a boycott of the games along with lots of other sanctions. As the Soviets get more obnoxious that idea will get more popular.

Mr. and Mrs. Harold Luke of Arlington and their son and daughter-in-law Mr. and Mrs. Tim Luke of Dallas were guests of the mother and grandmother, Mrs. Ben Luke on Sunday afternoon.
