

**Nothing Contest
for County Clubs
Set For Saturday**

To A. & M. Short Course
Merited As Prizes For Winning
Club Women.

The annual Brown county clothing contest for home demonstration clubs of the county will be in Brownwood Saturday, according to announcements made by Miss Mayesie Malone, county demonstration agent. A most interesting program of entertainment has also been arranged in connection with the clothing contest.

The contest and program will be in Coggin Memorial Hall at 2 o'clock Saturday afternoon. The contest program includes sewing, showing of clothing contest will show these stunts.

Miss Malone has arranged an attractive list of prizes for the winners of the contest. The list follows:

First Year Wardrobe Demonstration—First place, trip to the A. and M. short course in July, given by the Mill & Grain Company; second place, set of serving trays, by Austin-Morris Company; third place, sleeve pressing board, by Cameron Lumber Co.; fourth place, scissors, by Austin-Morris Company.

Second Year Demonstrators: First place, A. and M. short course, by the Mill & Grain Co.; second, set of serving trays, by Austin-Morris Co.; third, sleeve pressing board, by Cameron Lumber Co.; fourth, set of butcher knives, by Austin-Morris Co.

Wardrobe Cooperators — Stout men: First, \$5 on a trip to A. and M. short course, by Austin Mill & Grain Co.; second, sleeve pressing board, by Cameron Lumber Co.; third, scissors, by Austin-Morris Co.; fourth, set of butcher knives, by Austin-Morris Co.

**Dam Christened
By Hoover**

Ex-President Herbert Hoover played the leading role in christening of the new \$7,500,000 Morris dam near Pasadena, Calif., and is shown here as he hailed completion of the Pine Canyon barrier as a great step ahead in providing an adequate water supply for southern California.

**RURAL CARRIERS OF
17TH DISTRICT IN
CONVENTION HERE**

Nat Brooke of Grosvenor was re-elected president, R. L. Peaman of Coleman vice president, and C. D. Reagan of Brownwood, secretary-treasurer of the Rural Mail Carriers of the 17th Congressional District, at the closing session of their one-day convention at the Woodland Heights school Wednesday of this week.

The auxiliary elected Mrs. Ernest Clardy of Woodland Heights president, and Mrs. O. T. Jarvis of May, secretary-treasurer.

New officers of the Brown County organization elected at the meeting are Jack Alcorn of Brownwood, president; H. C. Glenn of May, vice president; S. G. Guthrie of Winchell, secretary-treasurer.

Officers of the district organization will meet later and select the next meeting place. The Brown county association voted to meet on Labor Day at Brady in connection with the meeting of the McCulloch county rural carriers.

**THIRD AND LAST
BIG VOTE COUNT
NOW UNDER WAY**

Candidates in the Brownwood Banner New Deal "Everybody Wins" gift distribution are working every minute, forging ahead in their drive for supremacy, each striving to be the ultimate winners of the new 1934 Dodge Coach purchased from Abney and Bohannon Co. at a cost of \$965.00, and the new 1934 Plymouth Coach purchased from Patterson Motor Co. at a cost of \$749.00.

Many candidates changed positions in the final minutes of the second period which ended Monday night. Some that were up are down, and some that were down are up. The closeness of the race has varied little, however, many having exchanged a small disadvantage to a small advantage (and vice-versa) in the vote count.

Work will bring RESULTS; subscriptions mean votes. Votes will win—not alibis. While most candidates are bringing in subscriptions, a few bring alibis.

The End Is Near
Just a few more days and the last of the big vote periods will be over. A few more and someone will drive away in her own new automobile.

Right now ten new five-year subscriptions count over three million votes. The bonus votes are extra. Work will get them.

Every candidate should make a report to campaign headquarters not later than 9:00 p. m. Saturday.

**MONDAY NIGHT AT 9 SHARP
MAY BRING THE END OF THE
RACE**

Monday night at 9 o'clock sees the close of the last big vote period in the Brownwood Banner campaign for a fine automobile and valuable purses of cold, hard cash. "Live wire" candidates are preparing to show outstanding results at that time, for the hours are getting crucial. A lead taken now with only a few days remaining and the vote schedule so sharply after Monday night, means that the grand prize is virtually assured.

On ten new five-year subscriptions to the Banner over 3,000,000 votes will be given in this period. Twenty such subscriptions will bring over 7,000,000 votes. A glance at the vote totals will demonstrate that a few such subscriptions could upset the race.

This is the time to redouble all efforts!

**ZEPHYR MEMORIAL
SERVICES SUNDAY**

Memorial services for war veterans who are buried in the Zephyr cemetery will be held Sunday afternoon, June 3, according to announcements by officials of Isham A. Smith post of the American Legion, Brownwood. Isham A. Smith, the first Brown county soldier to die in France, is buried at Zephyr, as are a number of other veterans. The services at Zephyr will be held at 3 o'clock and Legion officials expect a large attendance for these impressive ceremonies.

Services were conducted at the graves of veterans in three cemeteries last Sunday, Greenleaf Cemetery, Brownwood, and at the Bangs and Muekwater cemeteries.

With J. H. Springer, vice-commander of Isham A. Smith post, in charge, the graves of 43 World War veterans and three Spanish war vets were decorated in Greenleaf cemetery. An American flag and cut flowers were placed over each grave and the firing squad from Company A of the Texas National Guard fired a salute to each budge whose grave was visited. Lieut. Gus J. Rosenberg had charge of the firing squad.

**Grand Jury Recess
To June 14 Called**

After returning twenty nine true bills or indictments, the Brown county grand jury for the May term of court has recessed until June 14th when it will reconvene to continue its work. The grand jurors returned 27 indictments during the first week and returned two more Monday before recessing. W. L. Ellis, of Brownwood, is foreman of the jury.

Sheriff Hallmark and his deputies have made arrests on all but one or two of the indictments returned.

**Bids Rejected On
30,000 Pounds Wool**

Bids for 24 cents a pound last week for about 30,000 pounds of wool were rejected by the Brown County Wool and Mohair Producers Association and the wool is being held in storage in the belief that wool prices will improve within a short while.

Officers of the association have advised owners of the wool to hold for better prices and with few exceptions this advice is being heeded. However, a few growers sold their wool last week for 23 and 24 cents.

**City Golf Meet To
Start On June 7th**

The annual city golf tournament for Brownwood golfers has been announced for June 7-10, inclusive. This annual classic will be held over the Brownwood Country Club course.

Qualifying play will begin Sunday, June 3, and close Wednesday, June 6. Match play in flights of sixteen will begin Thursday.

A banquet has been announced for all players for Wednesday night, June 6th. The usual cut-out-pool affair will be held at that time.

Havoc in Wake of New Orleans Tornado

Whole rows of houses went over like dominoes when a sudden tornado swept through the Gentry district of New Orleans reducing homes to matchwood and littering the streets with snapped telephone poles, wrecked autos and street cars, as shown here. More than 40 were hurt and damage rose above \$250,000.

**DAIRYMEN TO ASK
CITY ORDINANCE TO
SET MINIMUM PRICE**

A code of fair practice to govern the production of milk in Brown county and a city ordinance to establish a minimum price for Grade A milk sold in the City of Brownwood will be the objects of the dairy-men of Brown county if it was decided by a majority of the dairymen attending a meeting at the county court room Wednesday night. The meeting was presided over by A. D. Murphy, president of the Brown County Dairymen's Association, and attended by about 30 producers of milk.

Some action is necessary, it was pointed out by various speakers at the meeting, to bring the price of milk up to the cost of production. County Agent C. W. Lehmburg told of his conference here last week with representatives of the state department of agriculture, who agree to send a representative to Brownwood to get dairymen together under a code, provided the dairymen themselves want such help. It will be necessary for 51 per cent of the dairymen, representing at least 60 per cent of the production of milk in Brownwood, to petition the department for assistance before such will be given, Mr. Lehmburg stated.

Mr. Lehmburg read a code adopted by dairymen in San Antonio, which is supported by an ordinance adopted by the City of San Antonio setting forth prices which may be asked for milk in that market. He recommended similar action by the dairymen of this county. The agreement, it was pointed out, can be rescinded by a majority vote of the dairymen.

Dairymen present discussed the provisions of the code at some length, and while all agreed that something must be done to prevent ruin in the dairy business, sentiment was somewhat divided as to the proper method of attaining the desired goal—higher price for their product.

Following reading of the code, most of those present signed a request for the state department of agriculture to send a man here to assist in forming a code organization and putting a code into effect.

A committee composed of Cecil Harris, Joe Shelton and Ernest Maraville was appointed to see dairymen not present and secure their signatures to the petition. A copy also will be left at the office of the county agent for signatures.

Representatives of the city and of the chamber of commerce pledged cooperation in working out some agreement among the dairymen.

**CLOSING EXERCISES
FOR ORATORY SCHOOL**

Graduating exercises for the Central Texas School of Oratory will be held Thursday night, May 31, at the Brownwood High School auditorium. J. Edward Johnson, prominent local attorney, will deliver the graduating address.

The graduating class is composed of Sarah Collins, J. R. Stalnup, Jr., Bertha Richardson, Nelda Seward, Carolyn Calloway, George Abernathy and Stella Mae Dunn.

The exercises will open with an original march played by Amos Caldwell. In the march will be the junior class, the board of trustees, officers and alumni of the school.

This will be the 15th annual commencement of the school, of which J. Fred McGaughy is the head.

**SEVEN CONVICTIONS
IN DISTRICT COURT**

District Judge E. J. Miller's court has been busy this week trying cases on the court's criminal docket and these trials were being handled very rapidly.

Through Wednesday the court had ground away through seven trials in which convictions were obtained, all carrying penal sentences.

Cases tried follow:

Charlie Rice was tried for attempted burglary of the Coggin Avenue Drug Store and was given a two year sentence. He immediately asked a new trial.

Willard Barnett was given two years on a plea of guilty to burglary.

Clyde Blair was given two years each in two cases of forgery and two years on a theft charge.

Barney Hancock and T. Williams were given three years each on a charge of burglary. They also pleaded guilty.

Wayne McBride was given two years on a charge of burglary.

A drunk who leaped against a post and set off a false fire alarm was fined \$100 in a Kansas City police court.

**Junior School Band
To Entertain Legion**

The Brownwood Junior High School band will entertain Isham A. Smith Post, American Legion, at the regular meeting at the Club Rooms in Memorial Hall, Friday night, June 1, at 8 o'clock. It was announced this week by Commander J. A. Collins. The band is under the direction of W. R. Parker.

Short talks will be made by a Legionnaire to be selected, and the meeting will commemorate Memorial Day. All members, their wives and mothers are urged to attend.

**Registration for the 1934
Municipal Election in Kansas City
Set at 226,000 Names**

Registration for the 1934 municipal election in Kansas City set at a new high mark, estimates placing the list at 226,000 names.

**Dr. Karl H. Moore
Accepts Pastorate
Of Baptist Church**

Dr. Karl H. Moore, who for the past six years has been pastor of the First Baptist Church, of Denton, has accepted a call to the pastorate of the First Baptist Church of Brownwood, according to announcements this week. Dr. Moore succeeds Dr. A. E. Prince, who tendered his resignation several months ago.

Dr. Moore filled the pulpit at his new church Sunday morning and evening. He plans to take up his duties here next Sunday or not later than June 11.

The new pastor of the First Baptist Church will move his family, consisting of Mrs. Moore and two daughters, aged ten and three, to Brownwood. They will occupy the parsonage near the church on Austin Avenue.

Dr. and Mrs. Moore are graduates of Baylor University, of Waco. Dr. Moore is also a graduate of the Baptist Seminary in Fort Worth from which he holds a master's degree. Before going to Denton, Dr. Moore was pastor for five years at Shawnee, Oklahoma.

**COGGIN BAPTISTS TO
HOLD MEMORIAL FOR
DECEASED MEMBERS**

Coggin Avenue Baptist Church has announced plans for memorial services Sunday, June 3, in honor of eighteen members of the congregation who have died during the past two and a half years. The service also marks the tenth anniversary of Dr. W. R. Hornburg's return to Brownwood to assume his second pastorate at the church. The congregation is planning an appropriate program for the morning service, to be followed by a basket lunch at Coggin Park Sunday noon.

The service will begin at eleven o'clock and a musical program will supplement the sermon of the morning. Miss Louise McDaniel will be soloist and selections will be rendered by a male quartet.

An invitation to all relatives and friends of the 18 to be honored at that time has been extended and the entire congregation is to be welcomed, it has been said. Those who have passed away during the past two and one-half years are: James Sikes, Thomas L. Ballard, Elmer Sneed, L. M. Cravens, Ora Sullivan, C. M. Beaird, Mrs. H. G. Savage, Sophrona Chadwick, Mrs. W. R. Hester, Edgar P. Richardson, Mrs. Ella Yeaser, Mrs. Christine White, Edward Hobbs, Mrs. Hannah McDonald, J. E. McDonald and H. T. Lafferty.

In 1924 Dr. Hornburg returned to the Coggin Avenue Baptist Church as pastor following an absence of two years during which time he was connected with Howard Payne College and Baylor University. Prior to those two years he had been pastor of the church since 1918.

Following the services at the church next Sunday the congregation and visitors will go to Coggin Park for a basket lunch and barbecue which will be followed by another brief service. C. V. Evans has given a beef which will be barbecued for the occasion.

Held in connection with this memorial service will be similar services conducted by the Lois Howard Bible Class. This class was organized eight years ago and during that time three of its members have died. During the Sunday School hour Sunday morning a memorial program in their honor will be carried out. Those members of the class who have passed away were Miss Ora Moore, Mrs. Christine White and Miss Betty Butler.

A radio station with a tower 1,022 feet tall, said to be the highest in the world, has started broadcasting in Budapest.

**1934 PECAN CROP
LOOKING GOOD NOW**

Pecan men of Brownwood and Brown county say that prospects are the best in years for a bumper pecan crop this year in this section. According to reports, all trees are loaded with full clusters of fruit and that indications point to a crop that will surpass the \$3,000,000 pound peak crop for this country.

Insects are not bothering this year's crop, it is stated. What few orchards that do have insects are being sprayed and it is almost certain that very little damage will be done by bag worms and other agencies that usually cut down the total crop.

The chief difficulty that confronts the pecan growers now is the formulating of good marketing plans, assuring profitable prices for the year's crop.

**Penrose Metcalf Is
Brownwood Visitor**

Penrose Metcalf of San Angelo, representative from Tom Green County, and a candidate for State Senator from the 25th Senatorial District, was in Brown county this week, visiting friends and talking to voters in this county. He plans to return next week for a further visit with voters here.

Mr. Metcalf will make a detailed statement of his platform at a later date through the columns of The Banner, he stated while here.

**CCC Officials
Approve Work On
Camp Building**

Officers From Buffalo Gap Camp Pleased With Site and Construction Work at Lake Brownwood

Work at Lake Brownwood State Park and the location of the CCC camp met the enthusiastic approval this week of Captain Williams, commandant, and Lieut. Dodson, medical officer, of the Buffalo Gap CCC camp, which will move to the Lake Brownwood site June 10. The two officers, in company with Educational Supervisor Wilson inspected the work and the campsite this week. They proclaimed it one of the most beautiful sites in the state for the location of a Civilian Conservation Corp. camp, and were gratified at the rapid progress being made in constructing the 24 buildings which will house their garrison.

Construction work at the camp is under the direction of Lieut. Noble B. Dougherty, who came here two weeks ago to supervise the work. He has employed from 35 to 40 workmen, mostly carpenters, who have been at work during the past week erecting the buildings.

Quarters Completed
Enrollees quarters at the camp are now completed and ready for occupancy. Workmen are putting up the roof joints on the mess hall and kitchen, and nailing up the walls of the bath house. Walls of the headquarters building and post exchange store room have been constructed. The floors on the technical service headquarters, which will house the park foreman; quarters for the educational supervisor or supply officer and supply department buildings have been built and these buildings will be completed within the next few days. Pouring of floors of the latrines has been completed.

Lumber for the construction, which is being hauled to the campsite, is practically all on the job now, trucks having been busy all week bringing the lumber from Cross Plains.

The camp will be located at Lake Brownwood for six months or longer and during that time a vast improvement program will be completed.

**NEW AUTOMOBILES REGISTERED
Week Ending May 31, 1934**

Make	Purchased From	Number	Owner
123-780	Mrs. Myrtle Carruth, Bwd.	Plymouth	Harris Motor Co.
123-784	V. E. Browning, Bwd.	DeSoto	Patterson Motor Co.

**LOGAN HEADS
TRUSTEES OF DBC**

The annual meeting of the trustees of Daniel Baker College, held in connection with the exercises of the 1933-1934 year, W. P. Logan was chosen president of the board, succeeding Harry Knox, Sr., who tenders his resignation recently because of ill health. T. C. Wilkinson was chosen vice-president.

Division of two new departments college was decided upon by board, these two to be public art and public school. Miss Lydia Eubank will be in charge of the public school art, while Miss Mae Mason who has been connected with the college for several years have charge of the public music.

Division was also made by the trustees to appeal to the Citizens National Bank and Daniel Baker College to the court of appeals at New Orleans.

**BROWNWOOD METERS
TESTED THIS WEEK**

Meters of Brownwood public companies were tested during the week by Frank J. Helromimus, of the state department of meters and measures at Austin, were made of two per cent meters in the city.

Helromimus left Brownwood Wednesday. He did not give report to city officials on his test. These will be mailed later. The inspector was accompanied on his tour of inspection by J. M. Boyman, city inspector.

Considerable interest has been shown in the report of the CWA survey of farm housing in Texas, which discloses a situation that all of us knew to exist long before the survey was suggested. It is that much improvement is needed, and that it would take a quarter billion dollars to bring housing conditions on Texas farms up to the standard recommended by the government.

Farm Housing

The minimum standards suggested in the report of the survey are not unusually high. They are based on the assumption that the house should have a reasonably good roof, foundation, windows, exterior walls and floors. In addition, there should be an adequate supply of pure water, piped into the house for kitchen and bath room; sanitary drainage of waste water and sanitary toilet. The house should be screened, have liberal kitchen space, have at least one bedroom for every two people and at least one closet per room, and have a living room.

These seem to be fundamental requirements, but anyone who has made even a roadside survey of farm houses in Texas knows that few, especially the tenant houses and those occupied by Mexicans and negroes, of which there are many in Texas, meet the requirements of a modern farm home.

But the situation is not as bad as editorial comment which has followed publication of the report would indicate. It is a situation which could be duplicated if a survey of urban housing were made. There are hundreds of homes in any city, including even Brownwood, that do not measure up to all the requirements of the Department of Agriculture for farm homes. In fact, few of us could in truth state that our own homes do not need some of the repairs or refinements that are deemed fundamentally necessary.

The farm housing situation is bad, no doubt. So is the city housing situation. The deplorable fact is not the obvious one brought out by the survey itself. It is that with conditions bad, the low price of farm products and the small return from farming which we have experienced during the past few years has made it necessary that these conditions are growing steadily worse. And the prospect is not bright for improvement even under the mildly improved conditions that we find today. Most of us want better homes, and would have them if financially able to make the improvements. The bad feature is that we are without funds and without prospect of getting the necessary funds in the near future. It doesn't take a survey to show this.

One of the most helpful conventions that has been held in Brownwood in some time was the annual state convention of the Izaak Walton League, held here last week.

The Walton Meeting

While the numbers attending were comparatively small, they formed an important group who will do much to increase interest in the recreational facilities of Lake Brownwood. Many of those in attendance were from leading sporting goods houses over the state. Almost without exception they saw Lake Brownwood for the first time, and it goes without saying that all were impressed. These men are asked almost daily to recommend locations for vacations and week-end outings, and it is reasonable to assume that they will recommend Lake Brownwood more often now than they would have without the visit to the lake.

Often we are prone to minimize the recreational possibilities of the lake as a business asset to Brownwood, through the feeling that we ourselves have little time for sports and recreation. But there are many who have, and who go annually where these facilities abound. They will come to Brownwood in greater numbers because of the Izaak Walton convention, and when they come, they will spend money here, improve business conditions to a certain extent, and go away with a good impression of Brownwood as a place to live and in which to do business.

Regardless of the other features of the lake, which should be paramount, it will always be a recreational spot in the minds of those who live outside Brown County, and the more people we can interest in its possibilities, the more advertising and the more business we will do. We hope that more such conventions as the Izaak Walton League meeting will choose Brownwood, and that they all will be given such a splendid opportunity to visit the lake and state park.

When the Administration took charge of agriculture production, the main problem was that of surplus production. Solution of that problem was offered in crop curtailment, and a plan put in operation whereby the government signs agreements with farmers stipulating how much of every kind of product they can produce. In return, the government pays them for the land taken out of cultivation.

Nature's Plan

Now a greater power than legislation has taken a hand, and shown the nation what crop curtailment in a grand manner is. The power is Nature; the crop is wheat.

The great wheat producing area in the Middle West is literally a desert. There hasn't been so disastrous a spring in 40 years, and great agricultural states are suffering more than they have in modern history. The drought is trimming almost two million bushels of wheat a day from the official May 1 crop estimate.

In addition, the drought was accompanied by a dust storm that picked up billions of pounds of top-soil, with its planted grain, and carried it away, to fall along the Atlantic Seaboard as well as the Middle Western cities. Some of it fell on the dome of the capitol at Washington; some in Wall Street. Twelve million pounds fell in metropolitan Chicago - four pounds for every man, woman and child in the city.

In many areas hit by the drought and dust storm it will be impossible to raise any crops at all this year, and government benefit payments will be the only source of income the farmers will have. Even abundant rainfall now could not save the crops, so great has been the damage.

As a result, the agricultural administration has a new and grave problem on its hands. Nature has solved the problem of crop curtailment - but the government must wrestle with the problem of carrying the farmers through a barren year.

The Texans of the Colonial period, as a whole, were a model people, whose example the world would do well to imitate.

It was customary in the early days of Texas to trade by way of exchange of property, using calves and hogs and chickens, etc., as legal tender.

THIS CURIOUS WORLD By William Ferguson

THUNDER. SOMETIMES OCCURS WHEN THERE ARE NO CLOUDS IN THE SKY! The BLACKFEET INDIANS. OF A FEW GENERATIONS AGO RAN FOOT-RACES SEVERAL HUNDRED MILES IN LENGTH, WITHOUT STOPPING. A FAVORITE RUN WAS FROM WHAT IS NOW GLEICHEN, ALBERTA, TO MEDICINE HAT, AND BACK... A DISTANCE OF ABOUT 240 MILES.

Fifty Famous Frontiersmen

A Modern Marathon Runner. HISTORY has recorded imperishably the name of Pheidippides, the Greek who carried the news of the victory over the Persians to Athens, dropped dead at the end of his 26-mile run and gave to the world the expression "Marathon runner." But his journey was as nothing compared to that of Jean Baptiste Lagimodiere, a noted hunter and courier du bois in Canada.

DUZZEM A GEN'L STORE.

THE BANNER'S SCRAP BOOK

THE DIGEST POLL (From The Houston Post) THERE was never a Literary Digest poll but rumors of skulduggery and connivance and what-not were as thick as a toper's tongue. The latest Digest poll, on the popularity of the Roosevelt policies and the New Deal, is no exception. One rumor is that the magazine had been requested, with the threat of coercion in the background, to suspend publication of the poll returns until after the congressional elections. Another bit of bilge unloosed by the rumor mongers was that Postmaster General Farley had ordered copies of the Digest publishing the poll kept out of the mails. Again, whispers below stairs had it that the Literary Digest had launched the poll at a time likely to prove most embarrassing to the president. These are palpable baloney. Any one at all familiar with the Digest knows it would lend itself to no effort to embarrass the president, and as for the hoey about coercion, Arthur S. Draper, editor of the magazine, issued a categorical denial. The truth is, President Roosevelt is plainly pleased at being given such an opportunity to poll the country on his policies. And why not? The first week's returns gave him a 2 to 1 lead, and in the second week he was still ahead by a 3 to 2 ratio. And that in only 195-454 votes out of but nine States, seven of them as traditionally standpat Republican as New England.

DANIEL BAKER ENDS EXERCISES MONDAY

Daniel Baker College closed a most successful school year this week with the annual commencement exercises that ended with the conferring of Bachelor of Arts degrees upon nineteen members of the Class of '34. In addition the baccalaureate sermon and commencement address, the closing exercises included an annual dinner for the students, a sacred concert Sunday afternoon and the annual meeting of the school's board of trustees.

Reverend J. Stuart Pearce, pastor of the First Presbyterian Church, of Cisco, delivered the baccalaureate sermon Sunday morning to a capacity crowd at the First Presbyterian Church. Rev. Harris P. Bates, pastor of the Westminster Presbyterian Church in San Antonio, was the commencement speaker Monday morning at Coggin Memorial Hall.

The two commencement speakers, Revs. Pearce and Bates, received honorary degrees of Doctor of Divinity at Monday morning's services.

Those receiving bachelor of arts degrees Monday morning were: Lillie Pearl Alcorn, Mary Bell, Mae E. Branon, Lee Ray Milburn Chandler, Robert Wright Crane, Ernestine Vivian Durham, William Malcolm Gibson, Howard K. Harris, John Russ Holland, Anna Loraine Lockett, Thomas Abney McKeever, Mary Louise Rusk, Guy Shults, Virginia Kerr Skinner, Marcus W. Smith, Flora Myrtle Snyder, James Claborn Timmins, Eugene Byrd Whitely, and Cecil Johnnie Woods.

CHOOSE THE TIRE CHAMPIONS BUY Firestone

Tires have been on the winning cars in the grueling Indianapolis 500-Mile Race FOR 15 CONSECUTIVE YEARS

EVERY winner in the 500-Mile Indianapolis Race—the most grueling tire test in the world — drove to victory on Firestone High Speed Tires.

Race drivers know that heat generated by friction inside the cotton cords is the greatest enemy of tire life. These men will not risk their lives on any but Firestone Tires, because they know the high stretch cords in every Firestone Tire are protected by the Firestone patented process of Gum-Dipping.

Gum-Dipping soaks the high stretch cords in liquid rubber and saturates and coats the millions of fibers inside the cords, counteracting destructive friction and heat. It provides greater adhesion between the plies of the tire, and between the gum-dipped cord body and the tread.

Firestone chemists and engineers kept pace with new car developments by building stronger, safer tires to meet the exacting demands. Drive in today and equip your car with new Firestone High Speed Tires for 1934, with deeper, thicker, flatter, and wider non-skid tread, more and tougher rubber, more traction, giving you more than 50% longer non-skid mileage.

Remember, in Firestone High Speed Tires there is Greater Strength—Greater Safety—and Greater Blowout Protection than in any tire made.

THE ADHESION TEST

Note how the rubber in a Firestone Tire clings to the high stretch Gum-Dipped cords. This greater adhesion and strength is made possible by the Firestone patented process of Gum-Dipping. Note how the rubber in an ordinary tire pulls away from the cords that have not been soaked and insulated with rubber. This causes friction and heat within the cords, resulting in separation.

Come In and Make This Test For Yourself (Listen to the Voice of Firestone every Monday Night over N.B.C.—WEAF Network)

PERFORMANCE RECORDS FIRESTONE HIGH SPEED TIRES

—for fifteen consecutive years have been on the winning cars in the 500-mile Indianapolis Race. This Means Blowout Protection —for seven consecutive years have been on the winning cars in the daring Pikes Peak climb where a slip meant death. This Means Non-Skid Safety and Traction —for three consecutive years have been on the 131 buses of the Washington (D. C.) Railway and Electric Company, covering 11,357,810 bus miles without one minute's delay due to tire trouble. This Means Dependability and Economy —were on the Neiman Motors' Ford V-8 Truck that made a new coast-to-coast record of 67 hours, 45 minutes, 30 seconds actual running time. This Means Endurance

Gas Company Launches Contest For Consumers

Customers of the Consumers Gas Company are given an opportunity to win some handsome gas kitchen appliances in an essay contest launched throughout the territory served by companies in the Lone Star Gas System. Announcement of the contest was made today in advertisements appearing in many newspapers.

The subject of the letter writing contest is "Why I Like a Modern Gas Kitchen." There will be 50 valuable prizes in all, totaling in value more than \$1,500. The prizes have been donated for advertising purposes by the manufacturers of the appliances.

The purpose of the contest is to acquaint the public with the convenience, economy, and all around advantages of modern gas appliances.

All the contestant has to do is

to write a letter giving his or her ideas of the advantages of the gas kitchen. The letter is to be mailed to Gas Contest Judges, 38 South Harwood street, Dallas, Texas, or left at the local office of the gas company. Literature on the contest may be obtained at the gas company office or by writing the contest judges.

The contest opens June 1 and closes June 30 and is open to all customers of companies in the Lone Star System, except employees and members of their families. There is no restriction on the length of the letters. They will be judged on the ideas submitted. Three representatives of three leading Texas colleges will act as judges.

SAN ANTONIO NAMED NEXT MEETING PLACE FOR WALTON LEAGUE

The eleventh annual state convention of the Izaak Walton League of America, held in Brownwood last Friday and Saturday, proved to be one of the most successful ever held by the organization, delegates attending the meet here advised before leaving for their homes.

At the closing business session Saturday afternoon, San Antonio was selected as the 1935 convention city and C. A. Wheatley, of San Antonio, was elected president for the seventh year in succession. David H. Henley, of Brownwood, was elected first vice president of the state organization. Other officers elected were H. C. Buchanan, of Waco, second vice president; W. L. Moody, Jr., of Galveston, third vice president, and Mrs. Effie Burnett, of San Antonio, secretary-treasurer. Directors for another year were named, they being Senator Ben G. O'Neal of Wichita Falls, A. E. Wood of Austin, Congressman Richard M. Kleberg of Corpus Christi and Dr. Brown W. Sandle of El Paso.

Claude P. Burns, of Waco, was appointed permanent chairman of a tournament and contest committee which will have charge of staging bait and fly casting contests at the annual state conventions. These contests will be held each year and the winners will be crowned state champions. President Wheatley will name other members of the committee at a later date.

Among resolutions adopted at the closing business session of the convention was one that empowers officers of the state convention to admit any and all outdoor organizations in Texas to become affiliated with the Izaak Walton League.

One of the most important was

that which urged the Legislature to pass a law requiring that every person over 17 years of age purchase a license if he hunts or fishes anywhere except on his own land. The present law does not require a license for hunting or fishing in home county. Another resolution asked the Legislature to place the authority for making necessary conservation regulations pertaining to the wild life resources of Texas in the hands of the State Game, Fish and Oyster Commission. The resolution deplored the passing of local game laws by the Legislature in cases where a general law would do.

Passage of a law to prohibit the taking of minnows and other aquatic forms of life used for bait from the public waters of the state was urged in another resolution, pointing out that this practice was depriving fish of food.

The convention here closed with a banquet and entertainment program Saturday evening. The American Legion Tickville Band, of Kanser, entertained as did Eben G. Fine, of Boulder, Colo., the latter with a lecture and slides on "Rambles in the Rockies." Winners in the bait and fly casting tournament were presented

prizes Saturday evening. Beautiful silver wall plaques properly engraved were awarded to B. B. Winn of Waco, first place winner in bait casting accuracy; Earle Ray of Waco, first place winner in fly casting accuracy and to Jack Sparks of Waco, first place winner in both the bait and fly casting distance events. Silver loving cups went to Charles Harpham of Brownwood, who won second in bait casting accuracy, and Jack Sparks of Waco, who won second in fly casting accuracy. Walter Wejas of Waco received a rod and Pat Patterson of Waco received baits for winning third and fourth places in bait casting accuracy. David Henley of Brownwood received a reel and Walter Wejas of Waco received a rod for winning third and fourth places in fly casting accuracy.

WANTED—Clean cotton rags. Phone 112.

Gospel Tabernacle Is Now Fundamental Methodist Church

The name of the Brownwood Gospel Tabernacle was changed at a meeting of the congregation Wednesday night to the Fundamental Methodist Church. The church remains independent, fundamental, evangelistic and missionary, and has no connection with any organization, an announcement says.

A committee appointed to purchase property for a church home reported an agreement for purchase had been made, and a campaign to finance the purchase will be started next week.

The following trustees were elected: Wm. S. Evans, J. H. Hinkle, V. H. Huckaby, E. H. Jackson, R. H. Lafferty, J. H. Montgomery, Lawrence Moore, R. L. Roberts, and Floyd Willford.

A prayer and praise service will be conducted Friday evening at 8 o'clock led by J. H. Montgomery.

77.6 per cent of Chicago World's Fair refrigeration is ICE

For protecting and serving food and drink to the millions visiting A Century of Progress in Chicago, 100 tons (200,000 pounds) of ICEMAN'S ICE are consumed daily, 77.6 per cent of all refrigeration there. There is no satisfactory substitute for ICE.

TEXAS LARGEST SELLER

... THE BRAKES COULDN'T TAKE IT BUT THE NEW G-3 COULD!

"Speed up to 50—jam on the Brakes every 2 miles—keep it up night and day!" Goodyear test drivers were ordered to give new "G-3" the hardest tread wear possible.

43% MORE NON-SKID MILEAGE

You must see this huskier, handsomer, new "G-3"—Goodyear's greatest tire—the tire that came forth a champion from tests which abused cars, wore out brake linings every 72 hours—the tire that has proved more than a match for today's job on fast-starting, high-speed, quick-stopping modern automobiles. . . . We want to show you its greatness—point out the wider, flatter, heavier tread of more and tougher rubber—the greater number of non-skid blocks for still greater Center Traction safety—and its other advanced features. . . . Once you see this costlier-to-build but no-costlier-to-buy champion, we know you'll want no other tire under your wheels.

GOOD NEWS

This marvelous new G-3 All-Weather with its many advantages over any other tire on the market costs you nothing extra.

Here's what you get in Goodyear's new "G-3"!

- You get the broader road contact of a flatter, wider All-Weather Tread.
- You get quicker-stopping and the greater road grip of more non-skid blocks in the center.
- You get the easy steering and smooth travel of wider riding-ribs.
- You get the slow, even wear of closer-nested non-skid blocks and ribs.
- You get more rubber in the tread—an average of two pounds more per tire.

—all of which adds up to 43% MORE NON-SKID MILEAGE at no extra cost to you!

Zephyr

Rev. Smart, now the pastor of the First Baptist church, preached his first sermon here Sunday. We are very glad to welcome him here. He will preach here every fourth Sunday. Let's all attend the services.

Mr. and Mrs. Forest Weston and son, Billie, were Brownwood visitors Saturday. Miss Vivian McDaniel was shopping in Brownwood Tuesday.

Willow Springs

There was singing at Rock Church last Sunday evening. Everyone seemed to enjoy it. Among the visitors present were: Henry Spence of Hext, Mr. and Mrs. M. L. Harris and daughter of Salt Creek, Mr. and Mrs. J. C. Helms of White Point and several from Center Point.

Mr. Charles Cabler was in Brownwood Monday. We are all very glad to hear that Presley VanZandt came clear in his trial which was held Monday.

Light for the Dining Room

By Helen G. Toland

The five or six light candle fixture provides aesthetic as well as scientific lighting conditions if it is shaded in some pale parchment or silk, so that none of the bare bulbs is visible to those seated in the room.

NOT a lady in the land would set her family down to eat a raw steak for dinner. But the land is full of wives and mothers who blithely serve dinner night after night in a lighting atmosphere quite as raw and unpleasant to the eyes of their family as raw meat would be to their several palates.

Center Fixture Should Not Glare

There is the center fixture of the dome type which will illuminate the table without shining in the eyes of the diners, if it is hung about 24 inches above it, low enough to include the table top only within its circle of light.

Shaded Light More "Digestible"

Now comes science to tell us that lamp shades in the dining room do not belong in the category of paprika, cress or parsley. They are not mere garnishes for light, but necessary a part of the food we give our eyes as mixing, sifting and cooking is a part of the food we give our stomachs.

McDaniel

Mrs. Ted White of Ozona, visited in the home of her parents Mr. and Mrs. F. T. Ray last week.

Gap Creek

This part of the country is in need of a rain. Crops are beginning to suffer. Grain is ripe. The reapers are at work on most every foot of grain in fairly good.

McDaniel

Mrs. Frank Lappe and daughter spent one day last week with Mrs. Ray McDonald.

Gap Creek

Mr. and Mrs. Robert Sowell were guests in the home of his parents, Mr. and Mrs. Tom Sowell Sunday.

Gap Creek

Mr. and Mrs. A. K. Wheatlen entertained their friends with a party last Saturday night. An enjoyable time was reported.

Wood spent last week end with his sister, Mrs. W. P. Heptinstall of this place. Mrs. W. T. Adkisson of Big Spring is spending this week with her son and family, Mitchell Adkisson.

Ebony

It is estimated that more than a thousand people attended our 21st annual picnic held here Saturday. L. B. Porter, unopposed candidate for re-election in the county clerk's office, was master of ceremonies at the candidate speaking in the morning.

Gap Creek

Mr. and Mrs. Roy Balckman of Willow Springs spent Saturday night here.

Mrs. Mary Soucey and daughter, Mrs. Adkisson, made a business trip to Blanket Monday.

Word was received here last week of the death of Mr. Deck Wilson of Maple Hill, Kansas. He has many friends here whose sympathy goes out to the bereaved family.

Mr. and Mrs. Roy Balckman of Willow Springs spent Saturday night here.

here Sunday morning. He called off the appointment made last week for the first Sunday in June.

Early High Notes

A B. Y. P. U. social was given Saturday night at the home of Mr. and Mrs. Walter Nichols, Sr. A large crowd was present and funny games of various kinds were played and everybody expressed themselves as having had a real nice time.

Little Dorothy Nel Low of Brownwood is visiting here this week with her cousin, Doris Evelyn Goad.

Mr. and Mrs. John Pate of Snyder accompanied by their son, Alpha, wife and little daughter, Alpha, of Big Spring, spent the week-end here with relatives.

Miss Lois Bledsoe spent the week-end in Brownwood with friends.

Miss Mae White has returned to her home at Owens after a visit here with relatives.

Miss Bennie Lou Vernon of Brownwood has been visiting here the past few days with her granddaughter, Mrs. Mollie Vernon, and other relatives.

Little Jay Jackson was brought home from Central Texas Hospital Monday week he had been for the past two weeks. His condition is reported as doing nicely.

Miss Agnes Staley was operated at Medical Arts hospital Tuesday night for appendicitis.

Mr. and Mrs. Wilmot Coffee of Thrifty spent the week-end here with her parents, Mr. and Mrs. Kirt Williams. Other visitors in the Williams home Sunday were Geo. Champion and Miss Margarette Nichols, Mr. and Mrs. A. S. Ford and children of Bangs, sister of

Mr. and Mrs. Allen Lovelace, Joyce Lovelace, Mr. and Mrs. R. W. Haynes, Mrs. and Cleo Haynes, Mr. and Mrs. J. R. Wilmet, Lillard and Bernice Wilmet, Grace Briley and Mrs. Effie Egger attended the graduating exercises at Howard Payne auditorium at Brownwood Monday night.

Mr. and Mrs. M. L. Jernigan and children, Louise, Jeanette, and Hauke Jernigan spent Saturday night at the Wilmet home.

Mr. and Mrs. S. N. Kelly spent the week-end with their daughter, Mrs. Lloyd Neal, at Regency.

Mr. and Mrs. Clyde Beaman have moved to the old Yeats place, now owned by Tom Perkins.

Mr. and Mrs. Orville Egger have moved on Miss Dollie Reynolds' place.

The Roy Reynolds family are expected in this week from near Sweetwater. Roy and Mack Reynolds are contemplating a prospecting trip to New Mexico.

Mr. and Mrs. Lenon Lane and children of Regency spent Saturday night with Mr. and Mrs. Ivy. Brother I. A. Dyches preached

Early Military Training. In the early days of Oklahoma required every able-bodied man between the ages of eighteen and forty-five to arm himself with bayonet, knapsack, ammunition, two extra flints and meet at least four times each year with his company for training and once a year with his regiment.

Once in a Blue Moon

Under varying conditions the moon appears to be of different colors. It has never appeared to be of a blue color and hence "once in a blue moon" may be taken to mean that the occurrence referred to in the expression will most likely never happen.

Massachusetts' War Memorial. Massachusetts' memorial to her war dead—a 93-foot granite tower surmounted by an ever-burning beacon—can be seen in five states within a radius of 70 miles. It is situated atop Mount Greylock, the state's highest peak.

Ostrich Largest Bird. The ostrich is the largest living bird. It is about eight feet high and weighs 300 pounds.

Second Largest Rodent. The porcupine is the second largest rodent in North America.

FOUNTAIN SPECIAL. A Chicken Salad Sandwich, Potato Chips and Olives, Giant Milkshake, all for 10c. Palace Drug Store. Phone 333. 1419 Ave.

Fishing Supplies. We do not need to tell the practical fisherman the value of good tackle to add that additional fishing thrill. We want to point out to practical fishermen, however, the fact that our new tackle showings constitute the greatest value we have ever offered. All prices are most reasonable. We have many new lures and fishing accessories in our 1934 display. Casting Rods \$1.50, Level Wind Reel \$1.50, Fishing Boots \$6.50, 75 Feet Finest Silk Lines \$5.00. Bangs

Mrs. Roland Chrane came in Saturday from New Mexico for a visit to her mother, Mrs. Laura Anderson, and other relatives.

Mr. and Mrs. Eugene Williams and son, Murray Thomas, of Levelland were brief visitors in Bangs last Friday on their way to visit Mr. and Mrs. Roscoe Brooks in Brownwood.

Mr. and Mrs. George D. Smith and sons, Choice and Carl, came over Saturday from Austin for a visit to relatives here.

Mrs. Smith and Choice remained for a longer visit.

Mrs. George Porter and children of Manila, Philippine Islands, are here visiting relatives.

Miss Russle Martin of Brownwood was the guest of her sister, Miss Delma Martin, the past weekend.

Mrs. Jack Davis of San Angelo accompanied by Mrs. Fox and children, spent Saturday night and Sunday in the home of Mrs. Davis' mother, Mrs. J. G. Price.

Clarence Bissett of Ballinger spent Sunday and Monday here as a guest of his parents and to attend the graduating exercises of Bangs school.

Miss Sammie D. Gault, student in Howard Payne College, was the guest of Mrs. Allie Gault Sunday.

Ray Bain transacted business in Fort Worth the first of the week.

Rev. W. H. Rucker, Clyde Langley, Curtis Stacy, C. B. Guyver, C. W. Adair and Mrs. Ida M. Phillips were numbered with those who attended the Southern Baptist Convention at Fort Worth last week.

Miss Grace Sheffield, Mrs. Hannah Livingston of this place, and Mrs. Ormon Means of Brownwood attended the chamber of commerce convention last week and from here to Big Spring for a visit to day.

Myrtle Bagley, J. A. Eoff and Talmadge Shafer were in Blanket Saturday night.

Miss Margaret Boler spent Sunday afternoon with Miss Mary Riddle.

Mr. O. L. Pierce was in Bangs one day last week.

Mr. Walter Burns was in Owens Saturday afternoon.

Mr. and Mrs. A. A. Seal and children, Lonella and Oren, visited in Bangs Sunday and attended services at the Baptist church.

Mr. ad Mrs. Lorin Williams and son of Brownwood spent the weekend with relatives here.

Mr. and Mrs. R. J. Schindler and children visited Mrs. Schindler's parents at Goldthwaite Sunday.

Mr. and Mrs. O. L. Plyler of Lubbock visited relatives here last week.

Mr. and Mrs. Cam Lilly and children of Brady were here Sunday visiting relatives.

Mrs. Hillard Laswell, Mrs. Leo Page, and Miss Melba Martin of Fort Worth visited their parents, Mr. and Mrs. S. P. Martin, Saturday and Sunday.

A male quartette from Simmons College sang at the Baptist church Sunday afternoon in which they brought a wonderful sermon in Song. These young men were on their way to Abilene from Fort Worth where they sang at the Baptist Convention.

Clayton Bissett returned to Brady the first of the week after a visit to his parents, Mr. and Mrs. C. C. Bissett.

Mrs. W. H. Fuller of San Angelo is visiting her daughter, Mrs. John Coffey.

Mr. and Mrs. Milton Preston of Ballinger spent Sunday and Sunday night with relatives here.

They left Monday for Tucumka, Ok., to make their future home.

Dorothy Thomas of Holder is visiting in the home of Dr. and Mrs. T. D. Holder.

Forrest Palmer has returned to his home at Ozona Monday after a visit to his parents.

Mrs. Dee Hise of Brownwood visited Mr. and Mrs. Rollin Hise.

Mrs. W. S. Wolfe and daughters and Mrs. Ada Walker were guests of Mr. and Mrs. John Allison Saturday and Sunday.

Mrs. Lee Arthur Rochester of San Angelo attended the graduating exercises of the high school and also visited relatives and friends.

Mrs. Chloe McKinney has returned to her home at McKinney after a visit to her parents, Mr. and Mrs. C. A. Chestnut.

Mr. Lon Tweedie spent Friday night with Mr. and Mrs. John Rasdale.

Postmaster W. W. Laymen is reported resting nicely in a hospital at Temple where he underwent a very serious operation.

The baccalaureate service of the

Bangs school was held at the Baptist church Sunday evening at eight o'clock. Rev. W. F. McElroy, returned missionary from Africa, preached to a large congregation.

The high school graduates received their diplomas Monday night at the school auditorium.

After a very beautiful program had been rendered Frederick Eby, teacher of education in the State University at Austin, addressed the senior class. The diplomas were awarded to the twenty-eight graduating from Bangs school by Superintendent Mayberry. The invocation was offered by Rev. B. B. Edmiston, pastor of the Methodist church. The closing prayer was offered by Rev. W. H. Rucker.

Miss Wilma Covey had as her guest last week her cousin, Miss Burta Baugh, of Mergitt.

Mrs. Early and Miss Elizabeth Early's music pupils appeared in recital at the school auditorium both Thursday and Friday nights.

MORTUARY

CARR—Funeral services for Mrs. Lydia Bishop Carr, 74, one of the pioneer citizens of Brown county, were held Wednesday morning at the Coggin Avenue Baptist Church with Rev. W. R. Hornburg, pastor, officiating. Burial was made in Greenleaf cemetery with Mitcham Funeral Home in charge.

Mrs. Carr died Monday night at her home, 1191 Sixth Street, in Brownwood, after an illness of several weeks duration.

Mrs. Carr was born in Boliver, Tenn., April 29, 1860. She came to Texas in 1870 with her parents and settled in Comanche county where she was married. She and her husband moved to Blanket in 1884 and she resided there until moving to Brownwood in 1919.

During her younger days, Mrs. Carr was very active in church and social work. She took a leading part in Eastern Star work as well as in the activities of her church.

Mrs. Carr is survived by five daughters: Mrs. Luther Crow, of Brownwood; Mrs. Jack Wright, of Clyde; Mrs. Susie Wright, Brownwood; Mrs. H. D. Snider, Shreveport, La.; Mrs. S. W. Miller, San Angelo; two sons, Dr. J. E. Carr, Sheridan, Wyoming, and Bishop Carr, Blythe, California; one brother, A. S. Bishop, Eden, Texas; and 17 grandchildren, two of these, Louise Wright and Lena Fae Wright, live in Brownwood.

RAMSOUR—Funeral services for Mrs. Mamie Lee Cook Ramsour, 46, wife of Rev. H. B. Ramsour, were held from the First Baptist church at 3 o'clock Thursday afternoon.

Dr. W. R. Hornburg, pastor of the Coggin Avenue Baptist Church, was in charge of the services at the church.

Mrs. Ramsour died at a Brownwood hospital at 7:15 Wednesday morning following a major operation. Mamie Lee Cook Ramsour was born December 26, 1887, near Atlanta, Georgia. She came to Texas with her parents when she was only two years old. She was married to H. B. Ramsour on June 10, 1908. Five sons were born to this union, four of whom are still living. Sons who survive her are: Lee, H. B., Jr., Roy and Milton. The fifth son, Marquis, died when only thirteen months of age.

Mrs. Ramsour was a consecrated and devoted Christian. As a pastor's wife she was always ready to serve in any capacity. She was a most excellent church worker and an outstanding Sunday School teacher. At the time of her death she was president of the Women's Missionary Society of the First Baptist Church and was active in every phase of church work.

Friends of Mrs. Ramsour state

that this Godly woman was always on the right side of every issue. Compromise with sin in any way was unknown to her. Loyalty and devotion to her God, to her church and to her family were so deeply implanted in her Christian character that there was never any doubt as to her spiritual position.

Burial services for Mrs. Ramsour were held at Greenleaf cemetery with White & London in charge of arrangements.

CONNER—Funeral services for Raymond Franklin Conner, 35, of Brownwood, who died last Saturday, were held Sunday afternoon at Beehouse in Coryell county.

Rev. E. B. Early, of Brownwood, and Rev. Dan Jones, of Pearl, conducted final rites for Mr. Conner.

Mr. Conner is survived by his widow, his mother, Mrs. M. E. Harper, and the following children: Freda, Marnette, Nada, Raymond, Clarence, Medifoy, Dennis, Orville, Madylia Joyce and Jimmie Lou Allen; a step-daughter, four sisters, Mrs. S. M. Self, Beehouse; Mrs. Ruby Hallbrooks, Los Angeles, California; Mrs. W. D. Taylor, Tahoka, and Miss Annette Conner, Gatesville.

Mr. Conner was born in Parmela, Texas, September 21, 1898, and was 35 years of age at the time of his death. He had resided in Brownwood for the past ten years and was an oil driller for several years. He had been ill for the past five months.

A court action in San Mateo, Cal., revealed the Buri Buri rancho, which included the entire San Francisco peninsula in Spanish California days, had dwindled to a single acre.

Webb A. Browne, Alaska railroad agent at Nenana, says he has used the same fountain pen for more than 40 years.

Farm Laborers Out Of Work Asked To Register At Bureau With the possibility that there will be plenty of farm labor available in various sections of the state within a short time, Brown county managers of the NRS have been sent bulletins asking them to obtain lists of available farm labor in their county.

Raymond Boyett, of the Brown county relief bureau, has sent a list of available farm laborers to Austin and the names of additional laborers will be sent to state headquarters later.

Mr. Boyett has asked farm laborers of the county who wish employment to register for same at the earliest date possible. Unless those desiring work keep their names on the active files at relief headquarters, those in charge of relief work will not be able to give them employment when work is available. Unemployed must register once during each thirty day period to remain on the active files.

New Officers To Be Selected By B.P.W. Club Next Meeting Brownwood Business and Professional Women's Club will elect officers for the next fiscal year at the club's regular meeting Tuesday night, June 3. The club will also perfect plans at that time for sending delegates to the state convention at San Antonio on June 8 and 9. The Brownwood organization plans to make a determined bid for the 1935 state convention and indications are that a large delegation from Brownwood will go to the state conclave.

The Standings. Brookesmith 5 1 333. Brownwood 5 1 833. Winchell 4 2 667. Woodland Heights 3 3 500. Zephyr 3 3 500. Cross Cut 3 3 500. Early 2 4 333.

Several other cities of the state are making strong bids for the 1935 state convention but officials of the Brownwood club expect to land the convention which is usually attended by from 400 to 500 women from all parts of the state.

Free \$1500.00 in PRIZES for the best letter on "Why I Like a Modern Gas Kitchen"

Your gas company and a number of leading appliance manufacturers offer 50 handsome prizes for the best letter on "Why I Like a Modern Gas Kitchen." You don't have to buy a thing to win one of these prizes, which have been donated for the purpose by manufacturers. All you need to do is to consider the advantages of the modern gas range, gas refrigerator and water heater, then write down in your own words the reasons why you like a modern gas kitchen. Possibly the convenience of gas appliances, or their efficiency, or economy, or all three of these qualities appeal to you.

- 50 PRIZES GRAND PRIZE: The three absolutely essential appliances of the modern kitchen — an automatic gas range, an Electrolux gas refrigerator and an automatic gas water heater. SECOND PRIZE: An Electrolux Gas Refrigerator. THIRD PRIZE: A modern gas range. FOURTH PRIZE: A modern gas range. FIFTH PRIZE: A modern gas range. SIXTH PRIZE: A modern automatic gas water heater. SEVENTH PRIZE: A modern automatic gas water heater. EIGHTH PRIZE: A modern automatic gas water heater. NINTH PRIZE: A modern automatic gas water heater. TENTH PRIZE: A 10-radiant room heater.

**GRADUATING CLASS
AT BROWNWOOD HIGH
RECEIVES DIPLOMAS**

Commencement exercises for the 1934 graduating class of Brownwood High School were held Sunday and Monday with the baccalaureate sermon being delivered Sunday and the commencement address being made Monday evening.

Rev. G. C. Schurman, pastor of the First Christian church, of Brownwood, delivered the baccalaureate sermon Sunday morning, at the First Methodist Church. Rev. E. B. Surface, pastor of the Central Presbyterian Church, of Abilene, delivered the commencement address Monday night, at the Howard Payne auditorium.

Following the commencement address Monday evening, diplomas were given the 138 members of the Class of '34. This brought to a close school activities of the public schools for the 1933-1934 school year.

Those receiving diplomas Monday evening were:

George Abernathy, Frances Allison, Garland Bankston, Mary Anne Beck, Ben Bell, Bill Belt, Louise Belt, Ruth Benson, Catherine Bagley, Mike Bettis, Kenneth Blazham, Edrie Bishop, Ernestine Boatright, Elizabeth Bowden, Lillie Mae Bowden, Walton Bradstreet, Gatha Lee Brady, Walton Broughton, Ida Mae Brown, Ellen Bunch, Jimmy Bunnell, Evelyn Bunton, Luther Caffey, Amos Caldwell, Carolyn Callaway, Jack Carlson, Marguerite Charnquist, Earl Clements, Sara Collins, John D. J. Wilford, Lucille Wilmett, Henry Wilson, Gerald Wood, Lois Woods, Joe Woodward, Billy Woodridge, Leslie Yates, Juanita Yazell.

**Vivid New Colors
and Light Effects**

The millions of visitors who saw the 1933 Century of Progress Exposition at Chicago and who return to see the 1934 Fair will find radical differences in coloring and lighting effects. New buildings, new color and lighting schemes and many new exhibits will make practically a new Fair. The above picture shows a bit of the color and lighting effects along the basin leading to the Planetarium where myriad colored lights playing downward into the clear waters of the basin and on to the brilliantly colored patterns over which the waters flow create a veritable fairland effect.

Monday Night at 9 O'clock

The Big Vote Period - - - The last big vote schedule and the Extension Privilege are closed forever

Subscriptions Counts Votes!

But excuses count nothing and will not win. Some candidates come in and tell how hard they are to get, others BRING in subscriptions

Can You Turn In Enough To Win One Of These?

Candidates Attention!

Some of the candidates the past few days, seemingly, are not taking an active part in the campaign. Accordingly, with the rules of the campaign, those candidates failing to make a cash report each week, will have their names dropped from the race and will forfeit all rights to a prize and commission.

Take Warning — Do Not
Complain If You Fail!

SECOND PAYMENTS

Second payments on the subscriptions taken during the early part of the campaign will play a very important part during the present vote period. You not only receive the full credit for the extended subscriptions on the biggest vote schedule, but this money applies on the 100,000 EXTRA FREE VOTE OFFER.

These are the days, too, to go right back over your list of friends and get those who are not already subscribers to The Brownwood Banner, to take a subscription in your favor, even though it be a small one.

city limits of Brownwood and in surrounding territory. One of the beautiful motor cars and as many cash awards as there are active participants will be awarded in this District.

E. F. Skerritt Is Named Dist. Deputy Spanish Veterans

E. F. Skerritt, Brownwood railroad engineer, has been appointed district deputy state commander of the Department of Texas, United Spanish War Veterans, according to announcements received this week.

World-Famed Gem in New Fair

You can hardly blame Miss Charlene Tucker for looking happy, for she is wearing the famed Maximilian diamond, a 42-carat solitaire, valued at \$150,000. It is part of the diamond exhibit at the new World's Fair which opens in Chicago May 28.

GOOD FIGHT CARD TUESDAY, JUNE 5

Matchmaker Joe Stalcup, of the Brownwood Athletic Club has announced that the club's next fight program will be held on Tuesday night, June 5.

Charlie Light, the stocky Indianapolis boy who has fought here twice, will return in one of the ten round bouts next Tuesday night.

Light needs no introduction to Brownwood fight fans who have seen him fight Johnny Farrell to a draw and score a decisive victory over the veteran Duke Tramel.

LeFevre vs. LaCoume

LeFevre and LaCoume, two of the most colorful featherweights in the state or entire southwest, should give fight fans plenty of thrilling action, Stalcup states.

The matchmaker has a real treat in store for fans in a special six rounder he has booked, featuring "Pop-Eye" Huber, of Philadelphia, and Johnnie Page, a Dallas youngster.

Next Tuesday night's fights will be held at the Soldiers and Sailors Memorial Hall.

TEXAS FARM NEWS

Waxahachie - Church means more to an Ellis county farm wife since she went in for canning the home food supply by the 4-H pantry plan.

Seymour - Nearly two miles of concrete sub-irrigation tile have been made and laid in Baylor county gardens by 73 people this year.

Livingston - Anxious that every family in their community get the benefit of home demonstration work, the members of the Southeast Livingston club in Polk county have helped 21 neighbor women who are not on the club roll to make a better living at home or to improve their homes.

San Saba - Because he says he doesn't want to have to work so much land, C. B. Wood, a San Saba county farmer living in the Richland Springs sandy section, is planting his contracted cotton acres to peas.

Canton - Six orchard demonstrations have upset the notion Van Zandt county farmers have had that it doesn't pay to raise fruit.

Groom - Walter Britten has the honor of completing the first 4-H club demonstration in Carson county with a baby beef which he exhibited and sold in Amarillo recently.

River Gave New Orleans Name The great bend in the Mississippi river gave New Orleans its name of Crescent City.

Ruth Causey who reports that this club helped 16 non-members can 2580 containers of food last year.

Conroe - Montgomery county dairymen are looking forward to better times since a recent Conroe ordinance limited to Montgomery county the area in which the city health officer may inspect dairies.

San Saba - Because he says he doesn't want to have to work so much land, C. B. Wood, a San Saba county farmer living in the Richland Springs sandy section, is planting his contracted cotton acres to peas.
