NUMBER 20

The gun control clamor that came up again following the attempted assassination of President Reagan and three other persons seems to be slightly less vehement this time. Along with the usual claims that these incidents can be prevented by banning handguns, there seems to be more people speaking up for common sense.

For one thing, we were reminded that the ban does not work. Washington DC and New York already have the toughest gun control laws and both continue to have murders and attempted murders. It's a condition which bears out the old contention that outlaws are not necessarily deprived when handguns are outlawed. We can assume that law abiding people are observing the gun control law in both cities, but does anyone seriously think that criminals are observing it? Well, it's satisfying to notice at last that the other side of this issue is getting increased attention.

Convinced that gun control does not and will not work, it becomes all the more obvious that the problem of killing has to be solved another way. Even though the gun control cranks prefer to ignore it, the fact remains that crimes are committed by people, not by weapons.

America's real problem is its failure to impose an adequate punishment for murder. Our legal system is organized to favor the criminal. Even when he is caught in the act, when his guilt is positively known, every technicality is used as a means to obstruct justice. And finally, if the killer is found guilty he receives a mild sentence subject to parole in a few years. It's not surprising that criminals are not hesitant about killing. Why should they be if there is no consequence to be afraid of?

Things would be different if our country returned to its old standard of justice, when courts were more concerned with guilt or innocence than with a criminal's rights, when the sentence was intended to be adequate for the crime, and certainly not subject to later modifications returning the lawbreakers to society.

As we think about the current standard of justice we wonder about Hinckley's future. Nobody died hence the charge will not be murder. However there is no doubt that he intended to assassinate the President and three other persons. Since it was a sensational crime the court will probably sentence him to life imprisonment, and twenty years later he'll become eligible for parole. Believe it or not, a pardon is under consideration now for Robert Kennedy's assassin. If Hinckley thought of punishment, this is what it must have been, and this could be the reason he did not hesitate to go ahead with the crime.

On the other hand we feel certain that it would have been different if he had expected to pay with his own life for taking another. We can feel very positive in this opinion because we know that the country had much less crime during those many years when punishment was more certain and more severe.

We get tired of the wailing from sob sisters who object to the death penalty on grounds that it is cruel and inhuman, disregarding that the criminal had been cruel and inhuman to his victim. If this has to be regarded on the basis of personal right, how can he expect better treatment than he deals to others?

Local Authority Arrests Felon

Two men, both age 18, were arrested at approximately 10:36 p.m. Saturday, April 4, on Main Street.

Officer Helen Tompkins of the Muenster Police Department was notified early Saturday morning by the county sheriff's department of a felony warrant for burglary of a residence out for Charlie Chaney of Clyde.

Tompkins had received information that the suspect would be at a local bar on Saturday night. When she spotted the suspect, she immediately called for assistance from Officer Robert Stovall. The Muenster Police Department had been experiencing chronic radio difficulties and the call did not go through. Tompkins made the felony arrest (for the burglary charges), and arrested Chaney's companion for possession of what appeared to be marijuana. In the meantime, she radioed Cooke

County Sheriff's deputies for back-up. They transported the two suspects to Cooke County jail. The man arrested for possession Continued on page 3...

"Chicken" Game Ends in Crash

Nine young people were involved in a two vehicle crash on Main Street Sunday at approximately 6:30 p.m.

Officer Robert Stovall was in City Hall and heard the crash, and he went to the scene of the accident.

The two vehicles involved, a car from Bowie and a pickup truck from Muenster, had been engaged in "playing chicken". The car failed to "zig" when it was supposed to "zag" and the two collided.

As a result, there were several injuries. Of the nine involved in the accident, five were reported to have been admitted to Muenster Memorial Hospital for treatment. Two are still in

the hospital. Injuries ranged from head and face lacerations to a leg fracture. One of the girls from Bowie bounced off the two vehicles and slid down the pavement, causing abdominal abrasions.

One has been charged with possession; another has been charged with wreckless driving. Both vehicles were totaled.

Officer Stovall is a new employee of the Muenster Police Department having resigned recently after serving as Police Chief in Nocona for over six years. He and his family plan to move to Muenster within the next few months.

Good News

Hebrews 11:6 Without faith, it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who seek Him.

On Municipal Court

Winborn Succeeds Marshall

Judge Terry Winborn of Dallas is Muenster's new municipal judge succeeding Judge John Marshall of Dallas. The city council made the appointment to fill the vacancy caused by the resignation of Marshall.

As pointed out in Marshall's resignation, he has been appointed to a court in Dallas with duty hours which will often conflict with the local schedule.

The council also accepted good news from Dan Weber, manager of Lone Star Gas Co., revealing a lower charge for a new connection. Formerly the

customer was expected to pay for installation of gas line from the main to his structure. Now the company installs to the customer's meter.

As regards a rate hike recently asked by TP&L, Larry Kinard of the local TP&L office formally submitted the request to the council. The city tabled the request for 120 days awaiting action of the state's Public Utilities Commission. The thinking was to wait and see, and avoid any raise until PUC gives its authorization.

The council did not,

New City Council Organizes at Meeting

Members of the Muenster City Council in their first meeting following the election reviewed election results and took on their special responsibilities.

After a canvass of the votes revealed counts of 298 for Leo Hess as Mayor, 283 for David Fette in Position 1, 395 for Ronnie Felderhoff in Position 3, and 391 for Ted Henscheid in Position 5, the men were declared as elected and sworn into office.

Also Ted Henscheid was named the mayor pro tem, and water commissioner, David Fette was appointed street commissioner, Ronnie Felderhoff was appointed sanitation commissioner, and word was sent to Dr. Juarez asking him to continue as health officer. Bertha Hamric and Aubrey Tuggle were appointed to continue as park commissioner and police commissioner.

The council also gave favorable consideration to two recreation improve-

ments. One is a Jaycee project to erect a cabin in the park. As presented by Jim Endres, the city approved but voted to delay final action until plans and specifications are studied.

The other is a lighting project for the baseball park. Submitted by John Pagel of the park board it proposes a general change over replacing four poles in the outfield and reducing the number of units from 48 to 22. The change is intended

to reduce current consumption sharply while increasing light intensity from 1.5 million to 4.5 million lumens.

The problem is that the cost is estimated at \$9,000, but it is not budgeted. The Jaycees have offered to contribute \$1,000 to the cause and the Chamber of Commerce has offered to contribute \$1,000. The council expressed itself as willing if sufficient help comes forward.

Drilling Due On City's No. 6 Well

Muenster's No. 6 water well, intended as an insurance for the summer as well as a source of water, has progressed almost to the drilling stage. Discussion at the city council meeting Monday night indicates that John and Louise Fisher have signed a deed donating the well site to the city and an easement has been given by Endico Corp. for the pipe line.

Drilling is due to start soon so that the well can be in use during the summer. The city is uncomfortably aware that it had anxious days last year when wells were running at capacity but it had to ration to keep pace with demand. Failure of pump or well would have caused severe trouble, but the new well should relieve

the strain.

The city also voted to initiate an ordinance to reduce the number of broken bottles on streets and yards. It proposed a ban of throw-away bottles, but not on return bottles which are redeemable for the deposit price. City Attorney Chuck Bartush has been asked to prepare such an ordinance, after which the council intends to proceed with passage.

Another improvement: a corner light has been approved on the gravel exit from Highway 82 at the Kountry Korner. At night the exit is hard to locate, especially when east-bound traffic is approaching. Other guiding lights were previously approved for the Maple and Ash exits.

Dolores Luke Is Leukemia Victim

Funeral service for Mrs. Dan (Dolores) Luke, 46, was held before a capacity attendance in Sacred Heart Church Monday at 10 a.m. with Father Eugene Luke, her brother-in-law, officiating at the Mass of Christian Burial and Fathers Denis Soerries, Stephen Eckart, Placidus Eckart and Harry Fisher concelebrating.

Also participating were the Sacred Heart Choral Group accompanied by Anthony Luke, and Mr. and Mrs. David Fette and Chrystal Fritcher in the scriptural readings. Father Eugene's funeral

remarks referred to the deceased as a sacrificial offering by her family to God the Father. She has attained her eternal right, he said, in being called home to the Father.

As a communion meditation, Frank Luke presented a solo of Dolores' favorite song, "Somewhere My Love."

Prayers before departure to the cemetery were led by Father Eugene and the graveside prayers in the parish cemetery were led by Father Denis. Burial was directed by Nick Miller Funeral Home and the pallbearers were Dan Fette, Frank Luke, Chris Luke, James Strittmatter, Dickie Hollar and Dick Hartwell.

Other services consisted of a family Mass Sunday morning in the Dan Luke home with Father Eugene celebrating and kin from both sides of the family attending, also a rosary at 4 p.m. and a wake service at 8 p.m. Sunday in the funeral home chapel.

Dolores Luke died Friday at 3:15 p.m. in Baylor Hospital, Dallas, ending a long struggle with leukemia. Double pneumonia became a factor at the end. Her final confinement in the hospital lasted more than a month, with a five-day leave at home when she appeared to be improving.

She was a native of Pilot Point, born August 2, 1934, a daughter of Mrs. Henry Kenzler and the deceased Henry Henzler. She was married to Dan Luke at Pilot Point on August 6, 1955. She was the owner-operator of Flowers by Dolores for some twelve years, selling in February 1980, because of failing health. The nature of her affliction was discovered in 1977. She was a member of the Muenster PTO, Hospital Auxiliary, VFW Auxiliary, Bluebonnet Extension Homemaker Club, Catholic Daughters of America, and a former member of the Muenster Garden Club.

Survivors are her continued on page 6...

Congressman
Charles W. Stenholm

Congressional Comment

WASHINGTON, D.C. — Almost 60 years ago, President Woodrow Wilson said that "Congress in committee is Congress at work." The same holds true today, as all congressional legislative and oversight activity centers around the various committees of the House and Senate.

There has been much recent — and definitely partisan — debate regarding the funding of House committees, with Republicans attacking the level of funding recommended by the House Administration Committee. That amount — \$44.88 million — was, by the way, 13 percent below the level the committees would have needed to keep up with inflation. The House Democratic leadership recommended, however, only \$39.1 million, a 10 percent reduction in committee authorization from last year.

I fully supported that 10 percent reduction, which overwhelmingly passed the house (407-2), as I feel that these are special times that require special sacrifices of all Americans and certainly Congress must stand at the vanguard of any budget-cutting moves. The cuts in federal spending must begin at the top.

But, if that is the case, then I would have to question President Reagan's budget request for fiscal year 1981 for an additional \$816,000 for the Office of Management and Budget, overseen by budget-cutter David Stockman himself, and \$525,000 more for the White House Office of Administration. Reagan's Executive Office will employ 16 percent more staff than all standing and select House committees combined this year, as no reductions have been recom-

mended for fiscal year 1981. I intend to support reductions in the White House budget as well as the Congressional budget.

Total employment in the legislative branch of government averaged about 38,500 persons in 1980, with only 1,770 of those represented on committee staffs. That number is about six-one-hundredths of 1 percent of total civilian federal employment; less than 5 percent of total employment in the legislative branch and only 15 percent of the total number of House employees; and less than the number of persons employed by such federal agencies as the National Labor Relations Board, Interstate Commerce Committee or the Smithsonian Institution. Both the Library of Congress and the General Accounting Office employ nearly three times as many people. Even the Architect of the Capitol has more employees than all House committees combined.

I would also point out that House committee staffs are tiny compared to the departments and agencies over which they have jurisdiction. For instance, the Banking Committee employed 97 people in 1980, but has jurisdiction over programs employing nearly 70,000 federal employees.

The population of the U.S. has grown significantly since Woodrow Wilson's day. Government, unfortunately, has grown as well. I pledge my continued effort to reduce federal spending and therefore the growth of government, at all levels. But until we curb the overall growth of the bureaucracy, it is important to keep the size of the legislative staff required to oversee that government in order to reduce its size fairly and equitably.

There are several bills pending in the legislature on which I would appreciate hearing your opinions. The first is Senate Bill 880 by Brooks and is the drug substitute or "generic drug" bill. The measure would allow pharmacists in Texas to have the authority to substitute generically equivalent brand-name drugs prescribed by physicians.

The bill would also provide that the physician could prohibit such substitution if he or she felt that there should be no substitution. This would be done by the physician noting on the prescription "dispense as written."

Before substituting the generic drug, the pharmacist must inform the customer of the change. Also, the pharmacist could not charge a higher fee than he would customarily charge for the brand-name drug.

Texas is one of only two states that does not allow substitution by pharmacists of generics.

Proponents of the measure point out that the customer would have his prescription drug expenses substantially reduced.

Opponents of the bill raise the question of the quality of the generic drug that is being substituted. They argue that while the drug may have the same composition, it may not necessarily be of the same quality.

A second measure I would appreciate response on is the bill by Representative Willis to repeal the blue law.

From Page One...

Confetti....

the cruel and inhuman line, the important point is that it does not matter anyway. No matter how mild or severe the penalty, it can be avoided simply by avoiding the crime. A criminal cannot reasonably object to the punishment when he knows beforehand that the fault is his own and he's responsible for the consequence.

There's nothing unfair about this attitude. In fact we're living with it every day. Lots of simple acts like exceeding the speed limit or parking in front of a fire hydrant are subject to fines. But we pay when we violate the law because we know the penalty has a good purpose.

Instead of the superficial fussing in the legislature and the media about gun control, it's high time to do something about people control. Let's have laws providing whatever means are needed to become more efficient in apprehending and prosecuting, plus penalties that hit hard. Let's not be swayed by complaints about a penalty too severe for the crime. Rather, let's emphasize that the purpose is to prevent crime, and the person himself instead of society is to blame for whatever punishment he inflicts on himself.

As you know, Texans are presently prohibited from purchasing a large variety of items a retail establishment offers for sale on successive Saturdays and Sundays. This measure would repeal that law.

A bill that has been reported out of a Senate Committee deals with the granting United Parcel Service the right to make deliveries without specified routes and specified service areas when involved in intrastate deliveries. Presently, all freight carriers serve only particular areas and have designated routes, and they are regulated by the Railroad Commission.

This bill would exempt UPS from the Railroad Commission route requirements and allow them to serve any area in Texas.

There are several bills

pending in the legislature amending or repealing the Property Tax Appraisal Board statutes. This statute is commonly known as the "Peveto" bill and was passed last session.

The bills range from basically a housekeeping measure by Senator Jones to a House bill by Representative Messer and others that would essentially repeal the act.

On all of these bills I would appreciate hearing from you. Each bill has its good and bad points and arguments can be made each way. My capitol address is P.O. Former Students of A&M Gather for Muster April 21

Former students of Texas A&M University will assemble in Gainesville, April 21 for the annual Texas Aggie Muster, announced chairman Dan Weber. The activities will begin at 6:30 p.m. at the River Valley Country Club.

Weber said the Muster is open to all former students and their families, parents of students and friends of Texas A&M.

Texas A&M is in its "Second Century of Greatness." During the last 100 years, it has grown from a small land grant college to one of the leading research and educational institutions

in the nation, Weber reported.

The Aggie Muster dates back to the mid-1880's and has been held annually since. More than 550 Musters will be held around the world this year, Weber said, "wherever Texas A&M former students live or work."

During wars, the Aggies mustered in foxholes, on the battlefield, aboard ships, in airplanes and in medical hospitals. In World War II a Muster was held on Corregidor shortly before the Japanese captured the island.

Every Muster ceremony is the same, Weber reported. The Texas Aggies pay their respects to all those who are absent, because of death since the last Muster. When the names of the honored dead are called from the Muster Roll, a friend of the deceased answers, "Here." For reservations contact Dan Weber 665-1184.

Letter to the Editor...

My very dear friends, Easter is approaching with rapid strides, and I would not let it slip by, without wishing all my dear friends of Muenster and surrounding areas a most joyful, blessed Easter. I would certainly be happy to help you celebrate it. I have been with you all along in loving thoughts and prayers. There is nothing specifically different in my life. My daily rendez-vous with the outdoors was kept on rainy or sunny; stormy or calm days, preferring the rainy, stormy promenades, rather marches. Now the heat is already a problem for me, but I will not let it bother me. An age old umbrella gives me protection against the sun until I arrive at the pine woods, under whose shade and in whose breeze to relax from desk work is indeed a treat.

As an eager reader of the Muenster Enterprise and the Sacred Heart Church Bulletin I am quite with you, and I take this wonderful opportunity to offer my warmest and sincerest congratulations, where they are in place, whatsoever the occasion, or whoever the person may be.

The best to all of you! Always your friend, Sister M. Theresina, O.S.B.

CAPITOL UPDATE

John Tower
U.S. SENATOR for TEXAS
142 RUSSELL OFFICE BUILDING
WASHINGTON, D.C. 20510

The Corps of Engineers treatment of "navigable waters" is perhaps the classic case of a simple, clear-cut law being turned into an oppressive and nonsensical regulatory beast.

In 1972, Congress passed the Federal Water Pollution Control Act authorizing the Corps to issue permits for activities in navigable waters involving the discharge of dredged or fill material. "Navigable waters" had been defined since 1899 as "waters navigable in interstate or foreign commerce," and certainly the federal government has an obligation to regulate those waters.

But in the regulatory process, the term has been expanded to mean the "waters of the United States" — a definition so broad the Corps could claim jurisdiction over a backyard swimming pool.

The effect has been to deny land owners the right to discharge material on their own property. In Texas coastal areas, the Corps' interpretation has been to delay and add to the cost of needed flood control projects. In other parts of Texas, the regulation has been invoked to control what landowners do with obviously un-navigable farm ponds on their property and "draws" which flood farm property but are dry except when it rains.

I have introduced legislation this year to limit Corps activities to truly navigable waters. The legislation also would leave the question of federal assistance in the regulation of non-navigable water up to the states.

If passed, it would end the prolonged delays and piles of red tape which continue to erode public confidence in and support of the legitimate objectives of the clean water effort.

It would return to the states the right to evaluate and protect wetlands adjacent to navigable waters on a local basis, and to seek federal assistance if — and only if — that is necessary.

I might note that the Texas Legislature has passed a resolution supporting this principle. This resolution also commits the state, through the Texas Energy and Natural Resources Advisory Council and other appropriate agencies, to recognize and accept responsibility for the management and protection of all coastal wetlands.

Legislation similar to that I have introduced this year passed by large margins in the House in both 1975 and 1977, but was narrowly defeated in the Senate. I introduced it again in 1980, but neither House nor Senate had time to consider it prior to adjournment. I am hopeful that this year favorable action can be taken.

The import of this legislation goes beyond the specific relief it would provide. If we are to control the size and scope of government, Congress must behead the regulatory beast. Congress must exercise its oversight responsibilities and bring regulatory agencies under control when congressional intent has been so blatantly distorted.

Enacting this legislation will send a message to the bureaucrats. It will tell them Congress no longer will allow them to legislate through regulatory interpretation.

Bringing the federal government back under control is our goal. We can meet that goal only by systematically rooting out unwarranted intrusions on state responsibilities. Certainly this legislation concerning navigable waters is a good starting point.

Bank Gains In Deposits, Loans

Deposits at Muenster State Bank gained by more than \$2 million and loans gained by more than half a million during the past year at Muenster State Bank.

In the quarterly report as of March 31 submitted this week to the state banking

commission, the bank shows a total deposit of \$15,601,679 as compared with \$13,542,603 a year ago. Also total loans are listed at \$5,984,872, whereas they were \$5,363,554 on March 31, 1980.

However, a loss of

\$171,176 is shown in deposits during the past three months and a gain of \$48,419 in loans is shown during the quarter. Deposits were \$15,772,867 and loans were \$5,936,453 at the beginning of the year.

Totals of all the county banks made substantial gains in both deposits and loans. The deposits went up from \$133,022,158 to \$160,151,153, a gain of 21 percent, and loans increased from \$83,576,912 to \$95,493,099, a gain of 14 percent.

Den 4 Cubs Visit Morton Museum

Cub Scouts of den 4 ended the month of March with a trip to the Morton Museum to see the Thomas Edison exhibition and a stop at the zoo to see the animals.

Den 4 cubs are Jeff Walterscheid, Don Joe Park, Joseph Shane Wimmer, Johnny Herr, Murlin Evans and Danny Black. Their next meeting will be April 21 when they will visit the Planetarium at Cooke County College.

The cubs of Den 4 have all rejoined and will be in the new Webelos den with leader Terry Walterscheid.

District Awards Banquet Set May 7 at Grayson College

Denison will be the host city and Thursday, May 7, will be the date for this year's banquet and program honoring conservation farmers and ranchers of the Upper Elm-Red Soil and Water Conservation District. The event will be held in the Silver Wings Club of Grayson County College starting at 7:30 p.m.

It was planned last Thursday in the River Valley Country Club of Gainesville

by a group of persons representing banks, newspapers, and radio and TV stations in the conservation district, which is located in Cooke, Montague and Grayson counties.

These firms have sponsored the conservation banquet since it was started 32 years ago in Muenster. The program was the first of its kind in Texas and has inspired similar observances in other parts of the state.

Gene Foster of Whitesboro, an old timer on the program, will head it again as master of ceremonies, and Dewayne

Kincaid of Grayson County College agriculture department will be the narrator, telling the story of the year's champ conservation farmers while scenes from their achievements are flashed on a screen.

Also on the program are Mayor Jerry Culpepper of Denison and a sponsor from each conservation zone to present awards to the conservation champs. Also to be presented are a news media award and an award to the winner of a district essay contest.

The price per ticket is \$5.50. Nocona was chosen for next year's host city.

National Library Week Celebrated By Grade 1 & 2

First and second graders of Muenster Public School, taught by Mrs. Gwen Trubenbach joined other children in a nationwide observance of National Library Week, with events scheduled for every day this week.

On Monday they made mobiles to encourage children to read and visit libraries. On Tuesday they made bookmarks as gifts for friends. Wednesday was special because the children presented a skit to other classes. The skit was about care of books, because "Books Are Our Friends."

For a Book Barter on Thursday, each child in the first and second grades brought two books in good condition to trade with a friend.

Thanks!

I deeply appreciate the confidence expressed by all those who supported my bid for City Council. Please feel welcome to contact me about any issue concerning the community, especially city streets.

Dave Fette 20-101

While the cost of removing litter in any given community varies, or is undetermined, it is known that litter pick-up along Texas highways cost Texas taxpayers \$9.2 million in 1979 and very likely much more in 1980. It is a problem made even more frustrating since littering is completely unnecessary - the result of people's thoughtlessness and carelessness.

The habit of flipping litter, cans, bottles, trash, paper, wrappers scraps of food etc. out on a street or road differs only in scale from discarding such in a neighbor's living room.

ACS Begins Annual Crusade

This April the American Cancer Society's annual educational and fund raising Crusade is saying to everyone, "You are the Key to Cancer Control."

"Each individual, young and old, male and female, has a part to play in the continuing fight to control cancer," said Mrs. Barbara Marshall, newly appointed chairman of the Cooke

County Unit of the ACS Cancer Crusade.

"We'll be asking not only friends, neighbors, and relatives, but absolute strangers to consult their doctors about cancer related checkups. In addition, our volunteers will ask people to help support the American Cancer Society's programs to facilitate the prevention, detection, treatment and

ultimate elimination of cancer as a threat to public health," Marshall said.

"We have an army of more than 2,000,000 dedicated volunteers everywhere in the country which is urging all people to learn about the Society's life-saving information and share their knowledge with others," the ACS leader said.

"Texas Libraries-- Check Us Out!"

Governor William P. Clements, Jr. has designated the week of April 5-11, 1981 as Library Week in Texas, and urges all Texans to visit their libraries during the week.

"From the child who is just learning to read to the experienced scholar, Texans of all ages, educational levels, and interests can enrich their lives by using the state's libraries,"

Clements said.

This year's observance of Library Week is sponsored by the Texas Library Association. It is part of a national program to make people throughout the United States more aware of the resources in their libraries.

The Muenster Public Library joins in the invitation and urges residents to "Come! Check Us Out!"

"Support of research is one way to fight cancer," she added, "but I wonder how many people realize that we could save many more lives from cancer right now with just the knowledge we already have -- if only everyone understood how important it is to detect cancer in its early and most curable stage."

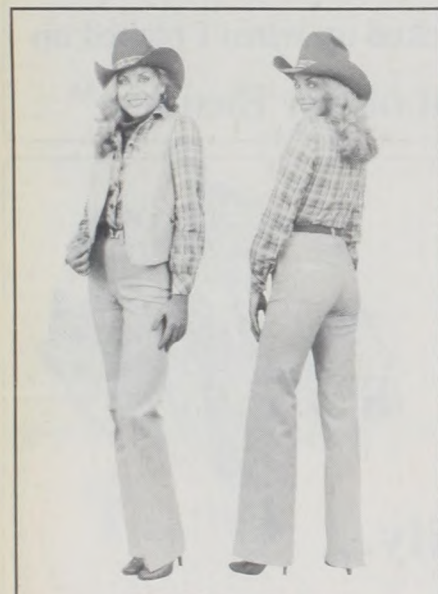

"The entire emphasis of the 1981 Crusade is on the individual," Marsahl said. "We're out to tell people that it's what they don't know about cancer that can hurt. We want to enlist each one in some phase of our cancer control programs. That is why our theme this year is, 'You Are the Key to Cancer Control.'"

Estelle Marie Martin and Stephen Wesley Wood of Gainesville will exchange wedding vows at 2 p.m. on May 30 in Sacred Heart Church. Miss Martin, formerly of Muenster, is the daughter of Mr. and Mrs. Lawrence Martin. Wood is the son of Mrs. Edna Adcock of Gainesville and Weldon Wood of Collinsville.

ACTEENS Attend CIMTA In Abilene

Acteens of the First Baptist Church of Muenster, a teenage girls mission organization, attended the state Acteens meeting of CIMTA at Hardin Simmons University in Abilene on April 3 and 4. CIMTA means: Christ in Missions Through Acteens.

The girls heard special speakers Mike Stroope, former foreign missionary to Sri Lanka; Beverly Smothers, home missionary who served in the Kentucky

Hills; and Gil Stricklin of "Super Summer" repute. The students especially enjoyed the Stone Brothers, a gospel trio who sang Christian songs with a rock beat.

Attending from Muenster were Kim Eldred, Cindy Ann Fleeman, Kristi Oakley, Sandy Ramsey, Paula Russell, Cindy Tisdale, Tina Tisdale, Missy Wells and Acteen leaders, Brenda Cherry and Sheri Robison.

Wouldn't It Be Wonderful If?

...All of us swept up and picked up in front of our own homes or business buildings, in our own back yards and alleys, on our own curbs and street corners and across our own vacant lots?

Wouldn't it be wonderful if all of us presented this impression of Muenster to Germanfest guests?

Wouldn't it be wonderful if we kept it up all year long?

Family Gatherings Honor Communicants

Ryan Gehrig
Ryan Gehrig's First Communion Day was honored after the special Mass Sunday afternoon, March 29, when his parents, Mr. and Mrs. Jim Gehrig entertained with an evening meal in their home.

Celebrating Ryan's special day with him where his parents, his brothers Jason, Michael and Lucien, his grandparents, Mr. and Mrs. Herman Stoffels and Mr. and Mrs. Arnold Schilling, his god-father and uncle Mark Stoffels, the Rex Simmons family and Russell and Chad; and Connie, Craig and Sally Stoffels and Stephen Bartush. Ryan's god-mother, Janel Stoffels of San Antonio, was unable to attend.

The decorated, cross-shaped caked for the occasion was made by an aunt, Pam Dangelmayr. Pictures were made of Ryan and his guests and gifts were presented.

Shawn Dangelmayr
Mr. and Mrs. Billy Joe Dangelmayr participated with their son Shawn in the special liturgy on his First Communion Day and later honored him with a family gathering in their home.

Attending also were his sister and brother, Janet and Tommy, his god-father Joe H. Dangelmayr and Pam and their children Glenn and Kelly; his god-mother Mrs. Betty Ann Trubenbach and children Donna, Karl, Stevie and Dick. Also the grandparents, Mr. and Mrs. Herman Dangelmayr; and Mr. and Mrs. Paul Dangelmayr and sons, Mike, Ronnie, Chris and Darrell; Don Flusche; Craig Walterscheid and Curtis Pagel. They were joined later in the evening by Mr. and Mrs. Ferd Haverkamp and sons Leroy, Jimmy, Ronnie and Eddie all of Carrollton.

Terry Felderhoff
Terry Felderhoff, son of Mr. and Mrs. Frank Felderhoff, was the First Communicant honored by his family with a complete family reunion for the occasion. Together were Mr. and Mrs. Dale Trevathan and son, Josh of Tyler; Mr. and Mrs. John Felderhoff and son Ray of Garland; Mr. and Mrs. Ronald Fuhrmann and daughter, Hollie of Grapevine.

They joined Mr. and Mrs. Tim Felderhoff; Mark Felderhoff and Terry Flusche of Muenster for a family dinner after the church service in the honoree's home.

Three decorated cakes honored Terry; and John Felderhoff and Patty Fuhrmann whose birthdays were March 31 and March 30 respectively. They were Terry's baptismal sponsors.

Kim Cler

Kimberly Cler was the guest of honor at a party in her home following First Communion services on Sunday March 29; the party was hosted by her parents, Mr. and Mrs. Glenn Cler. A buffet of pick-up foods, a specially decorated cake and home-made ice cream were served. Pictures were made and Kimberly opened and displayed her gifts.

Special guests included her grandparents Mr. and Mrs. Gene Gieb and Mr. and Mrs. Werner Cler; also her god-parents, Mrs. Gloria Fuhrmann and Charles Cler. Others present were Alyce Cler; Tom, Jennifer and Brandi Fuhrmann of Denison; Tim Cler; Gary, Donna, Misty and Mendy Gieb and the honoree's sister, Stacie.

Two Cousins

Two cousins, Jayna Hofbauer and Paul Black celebrated together with a family gathering following their First Communions. The reunion was held in the home of Mr. and Mrs. Bill Black in Myra. They are parents of Paul, and helping with the celebration were Danny, Connie and Donna. Jayna's parents are Mr. and Mrs. Dale Hofbauer, her sister and brother are Angela and Jason.

Also attending were the grandparents, Mr. and Mrs. James Eckart, and uncles, aunts and cousins, Don Eckart, Jerry Eckart and Steve Eckart; and Mr. and Mrs. Alfons Koesler, Jr. and Barbara, Carol and Max; Mr. and Mrs. Bernard Hesse and Janet, Neil, Ken and David; Mr. and Mrs. James Josten and Nicholas; Mary Lin Koesler and Duane Knabe and the honoree's great-uncle, Father Stephen Eckart.

Angeline Endres

A celebration supper was held in the home of Mr. and Mrs. Sam Endres honoring their daughter, Angie, on her First Communion Day.

Attending were her grandmother, Mrs. Virginia Sibley and an aunt, Susan Sibley, both of Clayton, La.

Also her paternal grandparents, Mr. and Mrs. Arthur Endres; her god-parent Roger Taylor and Mrs. Taylor and their children, Sandy and Scott; Dorothy Hartman, Lorena Taylor; Mrs. Emily Klement and children Kristin, Allison and Laura Jane.

Angie's first communion dress was made by her grandmother, Mrs. Sibley. A special cross-shaped cake, decorated in white and gold, was prepared by Jane Taylor.

Five Grandchildren Honored

Mr. and Mrs. Paul Fisher attended two services Sunday, March 29, seeing five grandchildren receive First Holy Communion.

At the 8 a.m. Mass in St. Peter's Church in Lindsay they were joined by Mrs. Mike Kleiss and daughter, Michelle, to attend the First Communion of Eddie, Paul and Fred Hughes, sons of Mr. and Mrs. Jerry Hughes. Also attending was an uncle, Frank Kathman of Gainesville, for breakfast hosted by the Hughes family.

In the afternoon the Fishers and other relatives attended Mass in Sacred Heart Church where a granddaughter, Lanette Fisher and a grandson, Steven Fisher were among communicants. Lanette is the daughter of the Williw Fishers and Steven is the son of the Herbie Fishers.

The Paul Fishers hosted a dinner following. Also attending were the Paul Hess family and the Jerry Hughes family all of Lindsay and Mr. and Mrs. Don Fisher of Gainesville.

Dolores' Family

Thanks You

In our grief we have one thought that is uppermost - a deep feeling of gratitude to so many people.

First of all, to the many blood donors who supported the semi-annual Red Cross blood drive, thus helping to prolong her life; to those whose encouragement was a source of strength throughout her long illness, and now to us; to the staffs of Baylor and Muenster Hospitals whose care and concern were beautiful.

To all who visited, phoned, sent cards, flowers and Mass offerings; to those who provided food and prepared the family dinner and to the KCs whose hospitality provided a place; to the Sacred Heart Choral Group and liturgists; to the churchful of those who came to pray.

We are indebted to so many. Thanks especially to my mother, brothers and sisters, to Dolores' mother, brothers and sisters for understanding and support.

All That Good Food!

With Germanfest fast approaching, there is renewed interest in authentic German food. Its great variety is reflected by the geographical area that was once homeland to ancestors many generations ago. German cookery is not stereotyped - it has infinite variety, ranging from hearty, satisfying cold climate fare to the most delicate foods served in the most elegant manner.

Local homemakers have a reputation as good cooks, exhibited by the pride they take in sharing or exchanging recipes generously... in feeding their families well... in hosting delightful meals for guests...

Delicious ethnic recipes are sometimes included in their menus, and it is such recipes of family-fare that deserve an extra bit of fan-fare. For several reasons...two especially...such recipes should be preserved, to be handed down again... and they make interesting reading and conversation pieces.

The Enterprise is requesting authentic German recipes to print as a pre-Germanfest feature. Preferred are family-favorite recipes handed down from mother or grandmother, etc.

Will you share one or more of your traditional recipes with Enterprise readers? If you are willing to let us print your name, we will be glad to give you credit. We will comply with your wishes, and of course will return your recipes after they are printed.

Please indicate the source of your recipe, if possible. That will make it all the more interesting and a delightful bit of nostalgia for old timers and an inspiration for others.

Does your family have a favorite recipe that you would be willing to share with other readers before Germanfest? Call 759-4311 or write Box 190, Muenster.

Happy Birthday - Marie Koelzer!

Yard of the Month

"Yard of the Month" honors go to J.M. Weinzapfel in April, as the Muenster Garden Club begins its annual spring and summer project recognizing homeowners for outstanding landscaping and gardening accomplishments. Weinzapfel, who is approaching his 87th birthday in June, has planted about 800 tulip bulbs, that are just now beginning to bloom.

Mr. and Mrs. Ray Fleitman honored their children Becky, Barry and Brian with a party in their home on Sunday, April 5. Becky was 4 years old on March 27 and cake and ice cream were served that evening. Barry and Brian, twins, were one year old on April 4.

The party on April 5 included hamburgers, birthday cake and ice cream served to 32 guests. A "Peanuts Gang" theme was carried out. Special guests were the honorees' grandparents, Mr. and Mrs. L.F. Knabe, Sr. of Gainesville and Mr. and Mrs. J.W. Fleitman of Muenster.

Make this Mother's Day one she'll always remember with the ring she can never forget.

Come in today and we'll custom-make a beautiful 10K or 14K Benchwork® family ring with the birthstones of each of your children. Choose from six beautiful mountings and our craftsmen will prepare the ring especially for you. Especially for Mother's Day.

Selections Made For Honor Society

The faculty of Muenster High School has recently completed selections for the National Honor Society and the National Junior Honor Society.

Students must first qualify by having an average grade of 92 with no grade lower than 85. Then to be selected to the Honor Societies, a student must also be evaluated above average by his or her teachers in leadership, ser-

vice and character.

Joining current Junior Honor Society members Debbie Bindel, Bryan Klement, David Winn, Pat Herr, and JoEll Hellman, are new members Craig Felderhoff, Jill Wimmer, Anita Meurer, Jana Hamilton, Dana Dankesreiter, Amy Davidson, Tammie Reiter, Scott Klement, and Jean Pagel.

The new members in the National Honor Society include Glenn Fisher, Steve

Luke, Jeff Fisher, Brent McElreath, Stephanie Richey, Garland Tate, and Shelly Zimmerman. The current members of the NHS are Judy Dittfurth, Elaine Grewing, Benji Luke, Vance Wells, and John Zimmerman.

New members of the National Honor Society and organizations will be honored in an induction ceremony at 9:00 a.m. on Monday, April 27, in the auditorium.

SCHOOL NEWS

Elementary, No. 1; H.S., No. 2, In Literary Meet

Muenster Public School was Number 1 in the elementary division of the UIL district literary meet last week, Number 2 in the high school division and Number 3 in the one act play contest, and Valley View was the high school champ.

Team scores were as follows. Elementary: Muenster 105, Valley View 90, Forestburg 75, Era 35, Slidell 10, Ponder 0, Krum 0, Alvord 0, Walnut Bend 0. High School: Valley View 185, Muenster 120, Era 55, Alvord 50, Krum 25, Ponder 15, Forestburg 15, Slidell 0.

Scoring in the three divisions qualifies for trophies in those divisions and it also counts toward the grand total which includes high school and junior track, tennis and golf. First three places in all high school events likewise

qualify for the regional competition to be held April 23 and 24 at Abilene.

Elementary Division

The Muenster grade schoolers took first place in literary in spite of being disqualified in two events of Grades 7-8 because of errors in typing the entries. Points were earned as follows.

Mark Hennigan: 2nd in number sense 5-6.
True Bynum: 2nd in oral reading 5-6.
Douglas Evans: 3rd story telling 2-3
Daniel Klement: 1st in spelling and plain writing 5-6
Jennifer Reeves: 3rd in spelling and plain writing 5-6
Tammie Reiter: 1st in spelling and plain writing 7-8
Dana Dankesreiter: 3rd in spelling and plain writing 7-8
Picture Memory Team: 3rd in picture memory 4-5. Team includes Jeff Walterscheid, Meredith McDaniel, Melody Klement, Deanna Bierschen, Keith Klement, Eric Dankesreiter (alt.)
Jamie Walterscheid: 1st in ready writing 5-6
Kristy Stelzer: 3rd ready writing 5-6
JoEll Hellman: 1st ready writing 7-8

In compiling the score, only the first three places receive points. However ribbons are awarded through six places. Students receiving ribbons only were:
David Hellman: 6th number sense 5-6
Ryan Klement: 5th spelling and plain writing 5-6
Kim Eldred: 6th ready writing 7-8
Melanie Richey: 5th oral ready 5-6

High School Division

Though topped by Valley View for the title honor, MHS had the satisfaction of its best record in several years. Students who earned the points were:

Glenn Fisher: 2nd science
Tom Youngblood: 2nd number sense
Brenda Wimmer: 3rd headline writing
Tricia Kennedy: 1st editorial writing
Betty Luttmer: 3rd editorial writing
Betty Luttmer: 1st news writing
Tricia Kennedy: 3rd feature writing
Charlotte Fleitman: 3rd prose reading
Ricky Winn: 1st informative speaking

In debate Muenster teams were the only entries and competed against each other for position. The results were Peggy Winn and Rene Stelzer, 1st; Steve Luke and John Zimmerman, 2nd; Mary Winn and Brent McElreath, 3rd. The third place received no points in the day's scoring but qualified for regional.

Students who received ribbons but no points were:
Brent McElreath: 6th typewriting
Garland Tate: 6th number sense
Debbie Bindel: 5th spelling and plain writing
Charlotte Fleitman: 4th in headline writing
Charlotte Fleitman: 4th editorial writing
Lyle Huchton: 4th news writing
Lyle Huchton: 5th feature writing
Rusty Serna: 6th feature writing
Kristi Oakley: 5th poetry interpretation

John Walterscheid: 4th persuasive speaking
Glenn Fisher: 5th persuasive speaking
Benji Luke: 6th persuasive speaking
Steve Luke: 6th calculator

One Act Play

In spite of leading in the individual honors, Muenster High placed only as Number 3 in last week's district One-Act-Play contest. Valley View was judged first and Forestburg second. However Director Martha Koesler and the cast got consolation if not points from the judges' critique.

Three of them were named on the all star cast. They are Lyle Huchton, Charlotte Fleitman and Traci Sawyer. And Huchton received the added rating as best actor. Also, Peggy Winn was rated as honorable mention. The winning cast received two honorable mentions.

Other members of the MHS cast were Brent McElreath, Dora Sicking and Craig Felderhoff. Crew members were Rene Stelzer, Terry Edmonds and Betty Luttmer.

Golf Teams Are District Champs

Muenster High golfers, as the only entries for District 11-A competition, were automatically declared the champs, however they were required to play the course to establish scores and claim their trophies.

Results of that activity Monday at the Gainesville

Local Players Listed on All-Area Basketball Teams

Sacred Heart was represented on boys and girls first and second teams of the all-area selections published Sunday by the Gainesville Register.

Monte Endres and Brian Bednorz were listed on first and second boys teams respectively and Carol Walterscheid and Tammy Henscheid were first and second respectively

on the girls teams. Also Kirk Mollenkopf of the Tigers received honorable mention and Ricky Winn and Steve Luke were given honorable mention for the Muenster Hornets.

Included with the listings were comments from Coach Jon LeBrasseur about his two dream team first stringers. He described Endres as the Tigers' key man with a season of high scores and high rebounds, leading SH to a 19-10 season and fourth place in the TCIL state rating. He's an all tournament selection for the TCIL state tournament and also TCIL all state.

Coach Jon described Carol Walterscheid as a talented player working hard on

building her confidence. With an average of 14.7 points and 9 rebounds a game, and an average of 49 per cent from the floor, she was a big factor in the Tigers advance to Number 4 in state TCIL. She was named on the TCIL all-tournament and TCIL all-state.

MHS Wins Big In District Opener

Monday's baseball game was a happy experience to the MHS Hornets. Besides breaking a losing streak which has haunted them from the beginning, they have a good start in the district race.

They walloped Ponder 18-5 while Alvord was nudging Krum 8-7. The lead of the race will be determined next Monday when MHS meets Alvord Here at 3 p.m.

Playing Ponder, the Hornets went on hitting sprees in the third and sixth innings for totals of 9 and 7 runs. With a lead of more than 10 in the sixth, they did not have to play the seventh inning. Meanwhile Tim Schneider and David Flusche allowed 2 hits.

Hornet hitters were Tim Schneider a homer and a single, Dale Swirczynski a double and a single, Vance Wells a double and a single, Garland Tate 2 singles, Jerry Serna a triple, Ricky Winn, David Flusche, Rusty Serna and Larry Fleitman, each a single.

Jill Walterscheid was first in the shot put and also in the discus at the District 11-AA meet. Janie Hartman Photo

Hornets Drop 2 in Pottsboro Tourney

Muenster High's baseball team continued its winless way at the Pottsboro tournament last weekend. It lost 5-2 to the host team in the

opener and again by a 6-4 count in the consolation semifinal.

In the first game it appeared that they had finally broken the jinx as Tim Schneider's good hurling along with solid fielding retired 9 batters in a row. But 2 errors in the fourth allowed a pair of runs, after which Pottsboro crowded all of its 6 hits in the fifth and brought in 3 more runs.

Hornet hitters were David Flusche and Jerry Serna, each 2, also Dale Swirczynski, Tim Schneider and Rusty Serna, 1 each.

Playing Savoy in the next game the teams were on fairly even terms, Muenster operating on 6 hits and 5 walks, Savoy on 6 hits and 7 walks. However Savoy hits were better grouped and two of them were doubles, and the end result was 6-4 favoring Savoy.

Muenster hitters were Vance Wells 2, Ricky Winn 1, Dale Swirczynski 1, David Flusche 1, Rusty Serna 1.

The climax of the 1981 track season for Sacred Heart School arrives Saturday as it hosts the TCIL District III - A track meet on the Muenster High track.

Participating schools will be Tyler Gorman, Amarillo Alamo, Lubbock Christ the King, Wichita Falls Notre Dame, Ennis St. John's and Sacred Heart.

Coach Ronnie Hess has high hopes for both of his teams, especially the Tigerettes who have been dominating area meets, including AA competition, since the season opened. And the Tigers showed lots of improvement last week by winning their division of the Muenster meet.

Saturday's meet starts at 10.

Tigers and Tigerettes Win at Muenster High Track Meet

Sacred Heart Tigerettes continued their domination of area track last Friday and the Tigers moved up for a share in the glory by nudging the neighboring Hornets in the other division of Muenster High's invitational meet.

A feature of the meet was that participants were mostly Class A giving both local schools a sort of preview of what to expect when they run for keeps in UIL and TCIL competition.

Lindsay, Callisburg and Nocona were the only AA entries.

The hot performance of the SH teams was especially encouraging to Coach Ronnie Hess who sees the outlook for the state TCIL title improving steadily. He has confidence in the boys who keep showing progress, and especially in the girls who have been rolling over lots of AA and A talent.

The same can be said for Muenster High who keep

looking good in both divisions of Class A.

Friday's team scores for the boys were Sacred Heart 116, Muenster 109, Lindsay 65, Alvord 52, Paradise 40, Callisburg 38, Valley View 36, Saint Jo 24, Era 23, Nocona 13, Ponder 0, Slidell 0.

Girls team scores were Sacred Heart 144, Nocona 81, Paradise 70, Muenster 51, Alvord 50, Lindsay 49, S&S 42, Ponder 29, Valley View 24, Slidell 20, Era 16.

The 26-Week Money Market Certificate

Put in \$10,000, and get back
\$10,709

26-week return reflects interest earned on \$10,000 principal and accumulated interest for 26 weeks at current rate.

current rate of **14.033%**
yields **14.735%***

Staying ahead financially has always been a race. But the 80's present new, tougher challenges.

At First Texas Savings, we have ways to beat the 80's. Like our 26-Week Money Market Certificate. It offers the maximum rate allowed by law for maximum yields on amounts from \$10,000. Rates for new certificates are set weekly and are good for the entire term.

Sure, our 26-Week Money Market Certificate is a good investment, but it's also a no-risk investment. Your money is insured up to \$100,000 by a federal agency. And your deposit is backed by First Texas' over 1.6 billion dollars in assets.

Best of all, at First Texas Savings, your money is always available. Penalty on early withdrawal is 3 months' interest** and only on the amount withdrawn. And as a convenient reminder, you will be automatically notified prior to renewal.

Also ask about our 2 1/2-Year Money Market Certificate.

So, before you put your money anywhere, remember: Others may keep you even in the 80's, but First Texas Savings will keep you ahead.

*Effective April 7 through April 13, 1981

Federal regulations prohibit compounding of interest on 26-Week Money Market Certificates. Annual yield assumes reinvestment of principal and interest at maturity at the same annual interest rate. However, the annual interest rate is subject to, and likely to, change at maturity.

**Recent federal regulations require principal reduction if sufficient interest does not exist.

CARD OF THANKS

While I was in the hospital I was the recipient of many favors for which I am most grateful. The care and kindness of nurses and staff, especially Dr. Antonetti and Dr. Knight, are deeply appreciated. Bishop Danglmayr's and Father Stephen's visits and prayers were consoling and inspiring. The visits of relatives and friends, and the cards received in the mail helped pass the time. Thank you.

Werner Yosten
20-1C1P

This is a sincere expression of thanks to Dr. Knight, Dr. Kralick and Dr. Antonetti and to the nurses and staff of Muenster Memorial Hospital, and to Father Stephen Eckart and Bishop Danglmayr for care and attention while I was hospitalized. The visits, cards and phone calls helped fill the long days. My wife joins me in saying "Thank You."

David Vogel
20-1C1P

A note of thanks to all my lovely family and grandchildren who stood vigil over my bedside while I was a surgical patient in the hospital. Special thanks to Father Stephen for spiritual visits, Bishop Danglmayr, Father Denis, Monsignor Weinzapfel and Father Joseph Weinzapfel.

A very special thanks to my doctors, Dr. Jaurez and Dr. Kralick also Dr. M. Knight for his cheerful visits and all the hospital staff and kitchen personnel. Included in this thank you note are relatives and friends for prayers, flowers and cards, and my two sisters Gertrude Fette and Ollie Klement who were constant visitors. Also Agatha Wolf who was my kind sitter for several nights. Thanks to all.

Pauline Hellman
20-1C1

I want all my friends and relatives and my family to know how much I appreciated every kindness and thoughtful deed shown to me while I was hospitalized at Muenster Memorial. I am deeply grateful for all the visits, cards and flowers I received.

Dea Swirczynski and my brothers, Dean and Darrell
20-1C1P

Thank You!

My family and I take this opportunity to thank all our friends for all the prayers, cards, letters, flowers, gifts and food sent to our house during my recent stay in the hospital.

A special note of thanks to those who donated blood, and to Father Cletus for his visits and prayers, to Father Harry Fisher and to the Denton priest who visited. Also thanks to Vera and all who stayed with me in the hospital.

Again "Thank You to All". May God bless and reward you for your thoughtfulness.

EASTERN REDBUD
(Cercis canadensis)

Cooke County Blooms!

The Redbud is a deciduous shrub or small tree up to 30 feet tall. It is many branched with a rounded shape.

The leaves are heart-shaped, up to 6 inches long and almost as broad, with prominent veins.

The flowers are small, pea-shaped, and rose-purple in color. They form in clusters of 2 to 8 all along the tree branches. The blooms emerge before the leaves appear in March and April.

The fruit is a flattened, leathery, brownish pod up to 4 inches long and 1/2 inch wide, containing several flattened dark seeds.

Eastern Redbud is found in rich soil along streams or in bottomlands from central Texas north.

Usually the Redbud

begins to bear legumes at five years of age. The tree has a life span of about 75 years.

Redbud bark has some medicinal value. The pioneers used a fluid extract as a active astringent in the treatment of dysentery.

Sometimes the acid flowers were picked for use in salad. The seeds are eaten by a number of species of birds. Redbuds also have some value as a source of honey.

In the Cooke County area, Redbud, perhaps more than any other kind of familiar plant, signifies the beginning of flowering time. Redbuds are used extensively for ornamental plantings. Eastern Redbuds are available at most nurseries. They can be transplanted bare-rooted in late winter.

David Vogel was released from Muenster Memorial Hospital on April 1 after a week of medical care.

Dogwood Trees Show Stress

Joe Wyatt of Callisburg wants all his friends in this area to know that the dogwood trees on his farm will not be in bloom this year. Last year, at his invitation, many people drove along the lane to enjoy the springtime flowers. Maybe next year will be better! Dogwood trees grow abundantly in East Texas but are very unusual here. Wyatt attributes the lack of blooms to last summer's drought.

Team Hearty Broccoli With Turkey Delight

The economic wisdom of buying in bulk carries all the way through to the final few pieces of that big bird. Making the most of these last morsels is the key to stretching the value of your purchase to the limit.

There are few meals nicer than making a hearty vegetable casserole to nutritionally balance a rather slender meat entree, according to Dairy Council dietitians. Together they'll provide a good main course. Broccoli, celery and pimiento are an ideal trio for this casserole, especially when they're easily assembled with a sauce of condensed cream-of-mushroom soup, dairy sour cream and carefully selected seasonings.

As with all dishes that use cheese in a topping, add the shredded Cheddar during the last few minutes of baking time, just long enough for it to melt and mix with coarse bread crumbs.

With large slices of turkey, serve a gourmet sauce, made piquant with butter and white wine and a bit of marioram that's so complimentary to fowl. It's easy to heat the turkey slices with the sauce in the oven, right alongside the broccoli casserole during its last 10 minutes of baking time.

A turkey encore such as this deserves a zesty relish/garnish that does double duty as a salad. It's delicious, although made with only a few ingredients: unflavored gelatin, tart cranberry juice and frozen cranberry-orange relish.

Broccoli Au Gratin
Makes 6 servings
6 c. broccoli, cut into 1-inch pieces
1 c. sliced celery
1 whole pimiento, cut into thin strips
1 can (10 3/4 Oz.) condensed cream of mushroom soup
3/4 c. dairy sour cream
1 T. milk
1/2 teaspoon salt
1/8 teaspoon pepper
1/2 c. (2 oz.) shredded Cheddar cheese
1/2 c. soft coarse bread crumbs
Preheat oven to 350 degrees. Place broccoli in enough boiling salted water to cover; simmer, uncovered, 3 minutes. Immediately drain broccoli. Place broccoli, celery and pimiento in buttered 1 1/2 quart rectangular baking dish. Comine soup, sour cream, milk and seasonings; pour over broccoli. Bake 20 minutes or until broccoli is tender. Toss together cheese and bread crumbs. Sprinkle over casserole. Bake 5 to 7 minutes or until cheese is melted.

Molded Cranberry Garnish
Makes 6 servings
1 envelope unflavored gelatin
1/4 cup cold water
1 1/2 c. cranberry juice cocktail
1 pkg. (10 Oz.) frozen cranberry-orange relish, thawed lettuce
Soften gelatin in water in a small saucepan. Stir in half the cranberry juice cocktail. Heat over low heat, stirring constantly, until gelatin is dissolved. Remove from heat. Stir in remaining cranberry juice and relish. Divide equally between six 4-ounce individual molds. Chill several hours or overnight until firm. Unmold onto lettuce leaf.

Turkey Delight
Makes 6 servings
1/2 c. (1/2 stick) butter
3 T. finely chopped gr. onion
1/4 c. all-purpose flour
2 teaspoons instant chicken bouillon
1/2 teaspoon seasoned salt
1/4 teaspoon marjoram
dash garlic powder
1 1/4 c. boiling water
1/4 c. dry white wine
6 to 8 large slices turkey
1/4 c. slivered toasted almonds
Melt butter in a large skillet; saute onion until tender, about 2 minutes. Stir in flour, instant bouillon and seasonings until smooth. Remove from heat; gradually stir in water. Bring to boiling, stirring constantly. Boil and stir 1 minute. Reduce heat to low; stir in wine. Add turkey slices. Cover and heat 5 to 10 minutes or until turkey is heated through. To serve, place turkey slices on heated platter; pour sauce over; sprinkle with almonds. Note: turkey may be placed on shallow heatproof platter; pour sauce over; cover with aluminum foil. Heat with vegetable in oven.

Energy Efficiency Pays Twice In TP&L's Bonus Program

Texas Power & Light Company has just launched a new residential program which offers customers a monetary incentive to install energy efficient equipment in their homes.

The program, BONUS, is the first comprehensive program of its type in the nation, according to Tom Parsons, TP&L manager in Gainesville.

"BONUS is designed to help us reduce the need to build power plants to meet customers' peak load requirements in the future. Achieving this goal will help hold down the future cost of electricity," Parsons said.

"One of the primary goals of our company since its inception has been, and continues to be, the efficient use of facilities," Parsons said. "If we strive to better utilize our facilities and if our customers are more aware of efficient ways to use electricity, then those customers and our company benefit."

Parsons said that the BONUS program offers the incentive of saving electricity and also through BONUS the company will give qualifying customers coupons that are as good as cash to apply toward their electric bills.

Customers can get BONUS BUCK coupons worth \$115 in electric service for installing new energy efficient central air conditioning in an existing home. A new heat pump in an existing home will be

worth \$205, solar assisted electric water heating, or a heat recovery system for electric water heating will be worth \$60 each.

A new home meeting E-OK standards, an energy efficiency plan that has both structural and equipment guidelines, will bring \$315 worth of BONUS BUCK coupons to the customer with an energy efficient heat pump and \$190 with an energy efficient central air conditioner.

Parsons said that when a customer needs new or added equipment, he should consider TP&L's BONUS program.

"A customer can contact his local TP&L office and we will advise him about the type of equipment he needs to install in order to get the most efficient use of his electricity and how to qualify for the BONUS program," Parsons said.

The BONUS BUCK coupons can be used as payment on the customer's electric service bill at any time within a calendar year. The coupons can be used individually or in any combination.

The customers simply subtract the total amount of the coupons they are using on a particular monthly bill from the total due amount on the bill and remit the balance.

"The BONUS program is certainly a real incentive for the customer to become

more efficient in electrical use," Parsons said, "but the real benefit comes from savings customers will realize on their bills. We want to help as much as possible, and we think this is a beginning."

Every time we pass the "Bow" and Alice Shults' residence, we just cannot help but notice how out-of-place it is with most area residences. It is such a pretty, neat, clean and well-kept place. My partner says it needs a bunch of old junked cars, refrigerator and stoves around it plus a beat up old sofa and chair out on the front porch to be in style!

Mrs. Clea Reynolds celebrated her birthday March 31. Clea told me that she and Jimmy Joe are doing very well and that granddaughter Mary Jo Eldridge is recovering very nicely from her recent surgery.

The Forestburg United Methodist Women met Wed., April 1 at 2 p.m. at the local United Methodist Church for their regular meeting. President Alice Shears opened the meeting with a reading and turned the meeting over to Mrs. Dorothy Thompson who presented a lovely Easter Program. Others present were: Mrs. Esther Shears, Decie Ellzey, Marion Sockwell, Cleo Lanier, Laura Belle Jackson and Myrt Denham.

Will Sandusky, son of Mrs. Faith Sandusky, made all-district basketball team by unanimous choice, 1st team all-regional and 3rd team all-state voted by the Texas Association of Basketball coaches. Will is an active member of the Forestburg United Methodist Church and he is a senior honor student at Forestburg High. He has been president of the Beta Club and National Honor Society the past two years.

Mr. and Mrs. Ross Littell motored up to Wichita Falls Wed. April 1 to visit with Mr. and Mrs. Hal Walling and also with Mrs. Vera Mae McGee who is a patient in the Bethania Hospital.

This writer received a card Friday, April 3 from Mrs. Betty Reynolds who is on a Caribbean Cruise with her sister and a mutual friend. Betty wrote they were really living it up and having a great time.

Myra Fire Department Meets on April 6

Myra Volunteer Firemen have announced a recently installed new Fire Phone, 736-2300 in the Fire Department Building.

Included in their regular business meeting on April 6 was a barbecue supper prepared by Bob Powell. Guests were Johnny Fisher and Sam Endres who discussed with members their participation in Germanfest.
