Gina Hofbauer opens studio

As shown by the 1980 general election, the Moral Majority is a very real force in American political and social life, and it has been outspoken on a number of occasions. When it encounters issues that concern principles it does not hesitate to state approval or disapproval. And why not? Election results confirmed what they thought of themselves. On the basis of morality they are the majority and they feel qualified to air their opinions as boldly as other organizations have been doing all along.

But about the time this Moral Right begins to speak up it finds itself challenged by the Moral Left. The Rev. Falwell is a favorite target for the political and social snipers. Anyone who supports the old religious ideas can expect attack. Suddenly the leaders of the Moral Left are alarmed by this effort of the Right to exert its influence on government. A recent example was Father Robert Drinan, a super-liberal former congressman from Massachusetts. He said "Many, many people are worried about this new marriage between the political right wing and the ecclesiastical right wing."

Responding in Human Events, John D. Loftin says that people who share this opinion with Drinan are either uninformed or hypocritical. The Religious Left at this very time is trying to influence politics, as it has done for many years.

On June 20 Washington Post reported that more than 1200 local clergy received letters from the Interfaith Conference asking them to protest \$100 million in budget cuts planned by the Administration. A director of the conference stated in the letter "We're saying no, it's the government's job to give services to this country." Look who's horning into government.

Also: On June 16, the Baltimore Sun reported that the National Council of Churches has urged a halt to US arms sales to the Mideast in the wake of Israel's attack on an Iraqi nuclear reactor. In a letter to President Reagan, the council president urged "a careful reassessment of US weapons supply policies and their relation to US efforts to achieve a comprehensive peace in the Middle East."

Another incident on the same subject: On June 11 United Presbyterian Church's General Assembly reported sending a telegram to President Reagan, Secretary of State Haig and Senate and House foreign affairs committees calling on US to condemn Israel in the UN for its air strike on Iraq's nuclear plant.

Concerning the budget and tax issues: On May 15, the Washington Star reported that the governing board of the National Council of Churches had charged that President Reagan's domestic and foreign policies "threaten the vision of America as the embodiment of a just and humane society." The Board said Reagan's tax and budget proposals "quite simply mean the use of the nation's government to serve the interests of those who least need it at the expense of those who need it most."

Further, the NCC blasted the Administration's policies on public land use, energy and human rights. And it urged Reagan to end military and economic aid to El Salvador and not to resume aid to Guatemala.

A flyer headlined "March on the Pentagon May 3. Stop the US War Build-up. Hands off El Salvador." reads in part: "The war preparations by the Reagan Administration and the military-industrial complex is the greatest danger to the continued on page 2..."

One of the oldest business buildings in Muenster is being put to use by the city's newest business venture. The ancient Gehrig building, vacated a few years ago, is being renovated for use as a dance studio named Gina's School of Dance, owned and operated by Gina Hofbauer.

The improvement project is making good progress, hopefully meeting a deadline that will allow opening next Monday. Gina rented the building as is from the Gehrigs and is busy working and directing work on a general remodel job. Briefly the project includes a new paint job at the front and new paint for the interior walls and ceiling. The color is yellow with brightness accented by generous fluorescent lighting. The floor is covered with harmonizing yellow and green vinyl. Additions still to be made are a rest room, room cooler, water cooler, mirrors and furnishings.

Some 70 pupils are waiting for classes to start and inquiries are still coming. The minimum enrollment age is 3.

Gina has an impressive background in dancing, starting at the age of 3. In the 15 years since then she

has received awards in many talent contests, including Ideal Miss pageants, which are teen versions of Miss Texas and Miss USA pageants. Gina was Number 1 in 1979 receiving the title of Texas Ideal Miss and qualifying for the World Ideal Miss contest, in which she placed in the top 10. The high rating merited an invitation to the 1980 World Ideal Miss pageant where she again placed in the top 10. Gina has also been a four-year cheerleader at Sacred Heart High School.

Drought continues

Chances for a normal rainfall this year are getting slim. The total at this time is only 20.97 inches with some 15 inches to go for the average total about 36. Last week was bone dry and the total of the month to date is 1.21.

Low and high temperature readings of the week were recorded as follows by Steve Moster. Aug. 20, 63 and 88; Aug. 21, 66 and 91; Aug. 22, 66 and 93; Aug. 24, 63 and 99; Aug. 25, 72 and 99; Aug. 26, 77 and 100.

Ban cancelled on gas lights

"Homeowners can continue to enjoy the security of their gas yard lights following a presidential action which lifts the ban on outdoor gas lighting," Lone Star Gas Company President Carol Neaves said today.

A provision of the budget appropriation bill, signed by President Reagan on August 13, voids part of the Fuel Use Act, which required that all gas yard lights be disconnected by New Year's Day 1982.

"We are gratified by this change, because that portion of the Fuel Use Act was counterproductive," Neaves stated. "The government was making an effort to conserve less than one-quarter of one percent of the natural gas used in the United States while asking homeowners to give up the security provided by their yard lights. This measure should help relieve the anxiety of customers who have told us of their need to have the nighttime security of an operating yard light."

The amendment also relieves Lone Star of the time-consuming and costly effort to locate and disconnect each gas yard light within its 170,000 square mile system.

"Many different groups have sold gas yard lights over the years," Neaves reported. "As a result, we do not have complete records indicating where the individual lights were installed."

The new amendment applies to all homeowners who had a gas yard light in operation on or before

Mixed drink tax nets city \$866

The City of Muenster received \$866.38 from State Comptroller Bob Bullock as its 15 percent rebate on the 10 tax remitted on the sale of mixed drinks in the city. Amount of tax remitted was \$5,775.88.

The tax is remitted by local firms to the Alcoholic Beverage Commission and the city and county in which the sales are made receive 15 percent of the tax. The balance of the tax is placed in the state's general revenue fund.

Lindsay and Gainesville, also licensed to sell mixed drinks, received rebates of \$1,663.77 and \$1,227.51 respectively. At the same time Cooke County received

Muenster police are making special efforts to keep streets of the school zone safe for children. A patrol car is on duty, a flashing light gives a warning, and a \$50 fine is assessed for exceeding the 20 mile limit while the flasher is operating.

School zone speed enforced

Return of school days brings on a return of special safety measures in behalf of the children. Police Chief Helen Tompkins said this week that speed limits are decreased for the duration at specified times in the school zones. The only exception is a serious emergency.

Mrs. Tompkins said protecting children's lives is important and the city is serious about doing it. A fine of \$50 is automatically assessed for exceeding the speed limits of the school zones. "This is a stiff fine," she said, "and we hope drivers will be sufficiently impressed to avoid it. Our big concern is keeping it safe for the kids."

And that's not all. The officer said the driver is also subject to a speeding fine. For instance, for doing 30 in the 20 mile zone the driver owes \$3 for each mile over the limit, which adds \$30 to the \$50 automatic fine, a

total of \$80. Further, drivers are reminded that warnings are not being given. The very first violation is subject to a fine.

The principal school zone is on Main street, with yellow traffic flashers at the intersections of 5th and 8th streets marking the south and north ends of the zone. The 20 mile limit is in effect there while flashers are operating, between the hours of 7:10 to 8, and 3 to 4. Normally the speed limit there is 30 miles per hour. The flashers are turned on and off automatically by control boxes which are in-

stalled by the state highway department.

On three other school zone streets, the 20 mile speed limit applies throughout the school day, 7:10 to 4. They are 6th and 7th, three blocks east from Main, and 9th, two blocks east from Main.

A reminder is also in order to the little ones walking across Main at the 6th street traffic light. A few are disregarding the signal, walking on the red and forcing cars to stop when driving on the green. Parents of children crossing there are asked to investigate and correct the situation.

Forestburg will have watermelon festival Saturday

The Forestburg Watermelon Festival on Saturday, August 29, has been uppermost in the thoughts and energies of Forestburg residents for several weeks. Its sponsors, the Forestburg Chapter of Young Homemakers of Texas, are preparing to "roll out the red carpet" welcoming friends, neighbors, former residents and everyone interested to come, spend the

day, reminisce and enjoy the spirit of an old time festival. Staging area will be the Rodeo Arena, and adjacent spaces.

The day's schedule is as follows: 10 a.m. Parade and old model cars; 11:30-1 p.m. Lunch; 5 p.m. Fun Run; 7 p.m. Miss Watermelon Pageant in three divisions; and a dance following the pageant.

Booths, games, contests,

displays, bingo and music will occupy the afternoon.

Prospective entrants and people needing more information may contact members of YHT or phone 817-964-2483 or 817-964-2436.

The sponsors hope to make the festival an annual event and will direct proceeds to the building fund for a new Community Center Building.

CPR class offered

A course in cardio pulmonary resuscitation, CPR, will be given here in September if a sufficient number of persons enroll.

Joan Walterscheid of Muenster Memorial Hospital said the class, to be sponsored by Cooke County College, will consist of two four-hour sessions, 6 to 10 p.m. on Sept. 14 and 16. The teacher is Laura Weargan, paramedic, and the fee is \$5.00 per person. A minimum of 10 is needed to organize a class and the maximum accepted is 25.

Interested persons can get more information by calling Joan Walterscheid at home, 759-4296 or at the hospital 759-2271.

Rosston fish fry on September 5

A Labor Day Weekend Fish Fry on the evening of September 5 will be sponsored by the Rosston Volunteer Fire Department, offering "Catfish - All You Can Eat for Everyday Prices". Tickets are \$4.00 for adults and \$2.00 for children. The menu will include hush puppies, French fries, cole slaw (made by members wives) ice tea or coffee. Serving hours are 6:30 to 8:30 p.m. A dance with music by Doug Martin and The Rustlers will follow. Cokes, Dr. Pepper and ice will be available. After 8:30 p.m. sandwiches will be available.

Jack Flusche making presentation to No. 1 female, Lesley Walsh of Denison at the Twilight Trot.

Twilight Trot has 98 finishers

Ben Moturi, a native of Kenya, Africa, and a student of North Texas State University was the champion in the Twilight Trot sponsored Saturday by the Muenster Jaycees. He finished the 5 mile run in 24 minutes, 36 seconds.

The Number 1 female was Lesley Walsh of Denison with a time of 33 minutes. She was in the 19-25 group. Ninety eight runners finished the race.

Trophies, awarded to the top three of each age group of each division, were won by four Muenster runners. Connie Stoffels was first in the 14-18 group, Darlene Hess was first in the 19-25 group, Ronnie Hess was second in the 26-35 group. Tom Alexander was first in the 36-45 group.

Another event of the evening was the annual Jaycee Fish Fry, at which about 500 persons were served. The meal as well as the start and finish of the Twilight Trot were at the city park.

Award winners at the race were listed as follows by Ronnie Hess, project chairman. Under 14: Kimberly continued on page 3...

Good news

Proverbs 22:4
The reward of humility and the fear of the Lord are riches, honor and life.

Daryl and Dick Ferber are seen with the identifying sign just completed on Mid-Park, the Chamber of Commerce project to beautify a former vacant lot downtown. The sign is the dominant item in a raised planter, oval shape with long dimension about 10 feet, and bordered by posts cut from utility poles. The ground has been topped by wood chips. Texas sage and juniper are planted and mums are coming. A near-by plant group consists of Japanese ligustrum and 4 Austrian pines.

Other work on the area consisted of clearing weeds and trash from the lot and bordering it with barriers of horizontal utility poles adjacent to which are an ornamental border of eleagnus and Japanese ligustrum. Fast growing trees, probably fruitless mulberry, will come later. The work has been done principally by Daryl and Dick Ferber, David reite, Herbert Yosten and Henry Weinzapfel.

Material donations have been made by Muenster Garden Center, Muenster Building Center, City Park Dept., Muenster Telephone Corp. and Ruth Needham.

HERITAGE NEWS FORUM

FROM THE HERITAGE FOUNDATION • WASHINGTON, D.C.

THE INHERITED MESS

By Edwin Feulner

After wallowing for a few days in the muck of defeat, Congressional Democrats went home for their summer recess saying they were really happy the President got most of the tax and budget cuts he had asked for — because now they'll have someone to blame if the President's program goes sour.

It's his program all the way, they mused. You can't pin any of the blame on the loyal Democrat opposition, which fought the President all the way.

Of course, they're right. The ball's now in the President's court. But they're only half right. Because the President didn't create — he inherited — the economic mess we're in. For example...

- In 1980, 100 Savings & Loan Associations merged or went bankrupt.
- Chrysler's well-publicized problems were just the tip of the iceberg. In 1980, some 48,000 businesses actually declared bankruptcy.
- Taxes have climbed by 102 percent in just five years.
- In 1980, the interest on the national debt was \$64.5 billion — nearly a 40 percent increase over fiscal 1975.
- Interest rates are the highest in a century.
- Inflation from 1976 through 1980 was the highest since the Civil War. If inflation were to average 10 percent a year for the next five years, an average car would cost an estimated \$16,000; an average home \$160,000; food for a family of four would run \$464 per week, and it might cost six bucks just to take in a movie.

The national debt now stands at \$921 billion (approximately \$9,250 for every U.S. taxpayer), and is growing by \$214 million every day. Liberal politicians, enthusiastically backed by welfare pressure groups, have gone on deficit spending sprees for 42 of the last 46 years. Again, even with the budget cuts, the government will likely run in the red by \$50-60 billion during the current fiscal year.

There are those, of course, who still refuse to see the danger signals. Fortunately, while they still put on good shows in front of the TV cameras, the power of the liberal free-spenders is clearly on the wane in Washington. It's been more than seven months since President Reagan was sworn into office. Though things historically move slowly in this town, the real progress made in turning things around is nothing short of revolutionary.

While Congressional liberals may be delighted that the President rolled over them in his tax and spending-cut victories, I think they're being unrealistic if they expect us to totally forget that they are the ones who engineered our troubles. We may forgive, but I don't think we'll quickly forget. (Feulner is president of The Heritage Foundation, a public policy think tank.)

Confetti...

continued from page 1
people of the United States and the entire world." Among endorsers of this march, sponsored by the so called People's Anti-War Mobilization, are many members of the clergy, like the Reverends Daniel and Berrigan, and several religious groups.

A full page ad in the January 20 issue of US Daily News is signed by more than 100 members of the Religious Coalition for Abortion Rights.

Mention of these several cases is not intended to imply that the Moral Left has no right to speak up. The only fault to find with them is that they present fuzzy thinking in conflict with the principles of the constitution and the ten commandments. However they are the opinions of free people who have a right to express themselves. Furthermore, these statements are not unprecedented. The Religious Left has been active for many years, airing opinions and trying to influence Congress, and its right has not been questioned.

Under the circumstances, doesn't it seem hypocritical and unfair of the Moral Left to find fault with the Moral Right for having its say?

Despite flooding, Texas still faces water shortages

COLLEGE STATION — Recent heavy rains covering most of the state may alleviate some surface water shortages, says the director of the Texas Water Resources Institute, but Texas still faces a water crisis that could be more severe than the present energy crisis.

"The lack of rain last year has reduced the amount of surface water available and ground water supplies are being used up faster than they are being replenished," said Dr. Jack Runkles. "This presents problems to cities and municipalities, the energy industry and particularly in agriculture."

While the developing water crisis will affect the entire nation, it will be most severe in Texas and the Southwest as the population continues to grow, said Runkles, who predicts by the year 2000 Texans will be consuming 24 billion gallons of water a day, up from an estimated 15 billion gallons a day currently. Part of the Texas A&M University System, the water resources institute conducts long-range studies on water use and technology to improve the efficiency of use.

Small-business Angle

by Wilson S. Johnson

REAGAN TAX PACKAGE HELPS SMALL BUSINESS

President Reagan's tax package is the most dramatic tax program for business in modern times. Its passage breathes new life into the small business community at a time when many small businesses are barely surviving.

In April of this year, the National Federation of Independent Business conducted a scientific sampling of its membership concerning the various tax proposals pending before Congress. Members were asked which features then being discussed would do the most to improve their business posture. The members identified their priorities in the following order: individual rate cuts, cuts in the estate (death) taxes, payroll tax relief, depreciation reform, rate cuts for small corporations and inventory accounting reform. The legislation worked out between the White House and the bi-partisan coalition on Capitol Hill contains four of those six priorities.

Individual rate cuts start Oct. 1, 1981 at 5% with 10% on July 1, 1982 and 10% July 1, 1983. This feature will be of great benefit to unincorporated small-business people and those who are incorporated and take earnings in salaries.

The estate tax exemption will be increased to \$600,000 between now and 1987. In most cases there will be no tax for a surviving spouse. Many of our small-business men and women have been faced with enormous insurance costs to cover these contingencies.

NFIB is one of the authors of the original 10-5-3 depreciation bill, adopted by the administration as 15-5-3. It will allow simple depreciation on an accelerated basis using four recovery periods of 3, 5, 10 and 15 years for various types of property. The three and five-year periods are most applicable to small business.

Falling in the three-year recovery period are autos, light-duty trucks, R&D equipment, certain racehorses and some personal property. Most other equipment, except for long-life public utility property, can be written off in five years. This specifically includes single-purpose agricultural structures and petroleum storage facilities. Mobile homes and theme park structures are among the assets that may be written off in 10 years.

Corporate tax rates (at the lower end) will be cut from 17% to 15% for those in the \$25,000 corporate bracket, and from 20% to 18% for those in the \$25,000-\$50,000 bracket.

The Department of Treasury has been directed to look into permitting small business to begin using the cash method of accounting. If this is adopted, it will provide another simplification of the complicated tax code which now denies small business dollars that could otherwise be used for expansion or even mean the difference between failure or survival of a business.

I talked to President Reagan after the vote and he told me the assistance of small business was an important factor in the tax fight. The outpouring of grass roots support confirmed our judgment that the president's economic recovery program is what small business wants and I am confident that the results of this effort will mean a more favorable economic climate for entrepreneurs in future years.

Wilson S. Johnson is president of the National Federation of Independent Business, representing more than half a million small-business men and women.

"As we convert to lignite generating, your utility bill is going to increase."

"But there's good news too!"

Building a lignite plant is a great deal more expensive than building a natural gas plant. However, the cost of the lignite fuel will increase more slowly than natural gas, making electricity from San Miguel more economical as time goes on. Later this year, when we switch to the San Miguel Plant as our primary source of electricity, the effect of these high construction costs will make a very noticeable increase in your monthly electric bill.

However, in future years, the San Miguel Plant will help us to slow inevitably rising costs and will assure our member/owners of a reliable and available source of electricity. We believe that's good news!

Because we are converting to solid fueled generating facilities, we will have more control of future fuel prices and the cost of electricity to member/owners of the Brazos Electric Power Cooperative.

Cub Scouts advance, honor helpers

Three events marked the year's first meeting of Cub Pack 664 Monday night at the city park pavilion. Staff members of this year's Cub Scout Day Camp received awards for their help; seven Cubs were inducted into the Bobcats, and eleven Bear Cubs were advanced to Webelos.

With Cubmaster Lupe Evans presiding, ceremonies opened with the posting of colors by Bear Cubs Don Joe Park, Johnny Herr and Murlin Evans. After the pledge of allegiance a welcome was extended by Wolf Cubs Erin Perkins, Billy Covington, Rodney Knabe, James Hennigan, Chris Tate and David Rohmer.

Then the Cubs expressed appreciation to the teachers, supervisors and other helpers of the day camp by presenting specially designed mugs to Eagle Scout David Fette, Billy Morris, Ann Perkins, Kathy Koch, Ann Walterscheid, Rita Russell, Sharon Walterscheid and Jean Park.

Next on the program was induction of seven new members into the Bobcats. The ceremony consisted of lighting a Cub spirit candle from a pack spirit candle and pinning badges by parents. A badge must be worn upside down until the boy has done a good deed as a scout. Mothers received

same time. The newly inducted Bobcats are Paul Black, Douglas Evans, Ryan Gehrig, Scott Hudspeth, Brad McDaniel, Terry Felderhoff and Darrin Russell.

The third ceremony was induction of eleven Bear Cubs into the Webelos, the largest group of Bear Cubs ever inducted into Pack 664. The boys lit spirit candles, gave the CS sign and recited the CS promise before Bobcat Mother's pins at the

crossing over the traditional Webelo bridge where parents awaited them with uniform changes. They will now be working with Leader Terry Walterscheid to earn 15 merit badges and the Arrow of Light award. Included in the group were Ryan Bayer, Danny Black, Eric Dankesreiter, Murlin Evans, Jason Gehrig, Johnny Herr, Don Joe Park, Jeff Walterscheid, Shawn Vogel, Keith Vogel and Michael Mangum.

A message presented to parents with special emphasis is that Cub Scouting is a family organization and parents should make a special effort to help their sons achieve by taking a part in scouting and attending pack meetings.

Refreshments were served by the pack committee, Jean Park, chairman, Judy McDaniel, Sharon Walterscheid and Shirley Knabe.

Next meeting date is Monday, Sept. 28.

Research park at Texas A&M predicted by Bright

COLLEGE STATION — Texas A&M University System Board of Regents Chairman H. R. Bright envisions a high-technology research park here within 20 years that will rival California's "Silicon Valley."

Bright said the research park here will be a planned by-product of stepped-up research activities by Texas A&M University, the Texas Agricultural Experiment Station, the Texas Engineering Experiment Station and the Texas Transportation Institute.

Research and development expenditures at Texas A&M have increased three-fold within the past decade and now total approximately \$80 million annually, placing it among the top 20 universities nationally.

"Stanford and its Silicon Valley area are on the cutting edge of computer research," Bright said. "We want to be on the cutting edge of a wide variety of fields."

The Dallas businessman said research will be emphasized at Texas A&M in concert with efforts to enhance the university's teaching activities.

Bright, noting the overall attractiveness of Texas A&M and its booming Sun Belt location, said opportunities to move here will be made to preeminent faculty members throughout the nation. He indicated specific target areas will be in depressed areas such as Michigan, Wisconsin, Massachusetts and Pennsylvania.

"We will recruit their outstanding brains, the likes of which you have not seen."

Bright emphasized. Last year Texas A&M began a fund-raising program in the private sector to establish prestigious chairs and named professorships for outstanding faculty members in both teaching and research.

Thus far, 11 chairs have been funded, requiring a minimum donation of \$500,000 each. Eight professorships have also been funded at \$150,000 each.

Sure, sunshine is free, but . . .

let's be realistic.

We Americans tend to be skeptical of cure-alls. And rightly so. They're seldom realistic. Some people think sunshine is a free and easily available cure-all for our energy problems. Sunshine is free. Solar power isn't. Equipment is now on the market that uses direct heat from the sun to help warm our houses and heat our water. In some areas these installations are economical. But collecting, concentrating, converting, storing and using solar energy to generate electricity is not economical. It's many times more costly than using coal or nuclear fuels, and much more expensive than using Middle East oil. At your electric company, we're supporting the development of solar technology. Some day it may become a more viable source of electrical energy . . . but not today. Until it is, our job is to keep you supplied with dependable electricity, generated with the most plentiful and economical fuels we can use. We think you'll agree: that's realistic.

Herr and Haverkamp united at Sacred Heart

The wedding of Sherri Herr and Monte Haverkamp was held in Sacred Heart Church of Muenster on Saturday, August 22 with Father Stephen Eckart officiating for double ring rites and traditional ceremony with Nuptial Mass at 5 p.m.

The bride is the daughter of Mr. and Mrs. Tom Herr of Muenster and the groom is the son of Mr. and Mrs. Walter Haverkamp of Whitesboro. She is a graduate of Sacred Heart High School and is a receptionist in the office of Dr. Enrique Juarez. The groom is a graduate of Whitesboro High School and is a switchman employed by the Santa Fe Railroad.

The couple exchanged vows before an altar holding lighted candles and arrangements of lilac mums and daisies tied with white bows. Two tall floor candelabra stood at the sides of the altar; and candelabra holding triple hurricane lamps and candles marked pews for family members.

Presented at the altar by her father, the bride was wearing a formal Alfred Angelo wedding gown of chiffon, Venise lace and Alencon lace. The fitted bodice, with Queen Anne neckline, was covered with Venise lace adorned with

tiny clusters of seed pearls and sequins. Petals of matching lace encircled the waistline. The full sheer bishop sleeves were appliqued with Venise lace, with a wide band of lace at the cuff. The full skirt and cathedral train were appliqued with Alencon lace medallions highlighted with tiny clusters of seed pearls and sequins and accented with petals of Venise lace

and crystal pleating. A wide border of crystal pleating and a row of Venise lace encircled the hem of the skirt and train.

The bride also wore a matching picture hat featuring a crown covered with Venise lace and trimmed with pearls. One side of the crystal pleated brim was caught up to the crown with a large white flower and large bow of tulle veiling.

She carried a purple-throated white orchid surrounded with carnations, forget-me-nots, lilies of the valley, daisies and gypsophila. She also carried her mother's wedding handkerchief and borrowed her cousin, Susy Herr's diamond necklace.

Attendants

Mary Kay Sicking of Muenster was maid of honor; Susy Davis of Bowie, Monica Haverkamp, sister of the groom, of Whitesboro, and Rhonda Endres of Muenster were bridesmaids. They wore lilac Qiana gowns designed with yoke, bodice and band collar of matching Alencon lace. Each carried a white lace umbrella on which were scattered tiny clusters of aster mums, forget-me-nots, gladioli and lilac ribbon bows.

Brandi Bezner was flower girl and Kyle Sandman was ring bearer.

Steve Pinkston of Gainesville was best man; Ken Garner of Gainesville, Robert Grewing of Muenster and Brian Herr, brother of the bride were groomsmen.

Brent Hess of Muenster, Will Allen of Gainesville, Terry Hess of Irving and Darrell Herr, brother of the bride, were ushers.

Mass servers were Donnie Boydston, groom's cousin, and Shawn Dangelmayr, John Schilling and Bradley Herr, bride's cousins.

Wedding music was given by Mrs. Ruth Felderhoff, organist who played the traditional processional and recessional; and vocal selections were sung by Debbie Hess, Vickie Fisher, and Dian Grewing.

Reception

Parents of the couple hosted a reception, dinner and dance in the Sacred Heart Community Center following the church ceremony. Special guests were the groom's grandparents, Mr. and Mrs. Al (Lee) Haverkamp, and the bride's grandparents, Mr. and Mrs. Frank Herr and Mr. and Mrs. Frank Schilling.

Janet Dangelmayr and Sandy Herr, bride's cousins, presided at the guest book.

Kelly and Tina Schilling, Laurie Schilling, Jeanne Dunham and Janie Schumacher, also bride's cousins were reception assistants.

The bride's cake was baked and served by Charlotte Dangelmayr, aunt of the bride. The chocolate groom's cake was cut and served by Doris Lynn Sandmann, also an aunt. The wedding cake was three tiered, iced in white, with lilac roses. At each side were two round white cakes, holding two lighted lilac candles. Lilac satin ribbons led from the center to the side cakes, which stood on ceramic cherub cake plates. The entire arrangement of three cakes was planned and designed by the bride.

Miniature umbrellas and English ivy were table decorations, all made by Mrs. Arnold Knabe. The dinner was catered by The Center and "Hard Times" played for dancing. Out of town relatives attended from Oklahoma City, Tulsa, Dallas, Whitesboro, Fort Worth, Denton and Wichita Falls.

Rehearsal Dinner

The rehearsal dinner was held at The Center Restaurant, hosted by parents of the couple on August 20.

An "Around the Clock" shower on August 7 was given by aunts Charlotte Dangelmayr, Doris Lynn Sandmann and Debbie Walterscheid. A display shower on August 19 was given by Mrs. Terri Pinkston, Mrs. Mary Fullen and Mrs. M.D. Pinkston. A brunch for bridesmaids and mothers of the couple and the grandmothers was hosted by Mrs. Frank Schilling at her home on August 15.

When the couple returns from their wedding trip they will be at home in Gainesville.

Arthur Endres attends seminar

Mr. and Mrs. Arthur Endres attended the Texas Professional Photographers Association's annual seminar in Kerrville, August 8 and 9.

Endres exhibited four photographs. All were given coveted awards and received

special recognition. Only those photographs that receive this recognition are exhibited at the Convention and all of his four entries were displayed after the judging. Entries came from professional photographers throughout Texas.

Hartm

Mr. and Mrs. Hartman returned from a delightful tour of the Rockies. They traveled from there by British Columbia, Canada. They took a ferry ride from B.C. to Victoria, British Columbia. They traveled to the beautiful Hotel. They traveled to the beautiful Parliament Building. They traveled to the beautiful 35 and 40 flowers.

Traveling up Valley, they took an air Gate, took an air floor of the spent overnight. Lake.

The tour goes Canada's new

Recalling Sam Bass Days...

A number of Rosston residents had a field day taking pictures of the Sam Bass Days when Rosston held the first event of its kind. Shown is a fair sampling. At top left is Mrs. Rube Griggs, driver of a decorated jeep, representing the Ross-Point Home Demonstration Club. Photo by Anna Kirk. At top right is Jim Penton, railroad hobbyist with his "Caboose". Penton was the parade marshal. Center row, l. to r. Two tennis players are anticipating the new tennis courts. They are riding a float sponsored by the Ross-Point Community Improvement Club. Photo by Nell Roach. At center is an aerial photo of Rosston's Main Street when residents began to gather to watch participants of the parade enroute to their meeting place. Photo by Gainesville Flying Service. At right is a Shetland and a trotting cart, driven by Mr. and Mrs. Homer Ford, with their grandson, Stephen Wolf. Lower left: A tank operated by the 112th National Guard crew of Gainesville rolls down the Rosston Main Street during the parade on Sam Bass day, an historic first. Photo by Linda Muller. At lower right the Muenster VFW Color Guard leads the parade. The banner across the street proclaims: "Sam Bass Days," and mounted riding clubs follow. Photo by Nell Roach.

Hartmans tour Canadian Rockies

Mr. and Mrs. Alvin Hartman returned Saturday from a delightful twelve day tour of the Canadian Rockies. They flew to Seattle and traveled 2,000 miles from there by bus through British Columbia and Alberta, Canada. Then there was a ferry ride from Vancouver B.C. to Victoria on Vancouver Island and a stay at the beautiful Empress Hotel. They toured the Parliament Building and Butchart Gardens, a beautiful 35 acre area of flowers.

From Jasper the tour continued to Lake Louise, the Columbia Icefields, a climb to the Athabasca Glacier, Yoho National Park, Loraine Lake, Valley of the Ten Peaks, Mt. Eisenhower and to Beautiful Banff. Special tourist attractions included a visit to Bow Falls, Buffalo Paddock, Rock Gardens, Tunnel Mountains, Sulphur Hot Springs, and a gondola ride up Sulphur Mountain overlooking Banff. The drive from Banff to Kellowna included views of lakes, waterfalls, mountains, fertile farm lands, ap-

ple and cherry orchards. From Kellowna the trip followed the shore of Okanagan Lake to Manning Park and the famous Hope Slide where in 1965, an earthquake brought down over 100 million tons of rock and debris into the valley below. They spent overnight in Vancouver and crossed the border into Washington, viewing Mt. Baker, traveling through Shagit Valley to Seattle, sightseeing that included Space Needle, Pikes Market and a ride on the Monorail. Twenty two persons were members of the tour group, flying back from Seattle to DFW, sharing memories and friendships. The Hartmans were met at DFW by his sister, Mrs. Keith Tompkins and several members of her family of Arlington.

New Arrivals!

Mr. and Mrs. Tommy Felderhoff Jr. announce the birth of their second child, a son, Daniel Thomas, on Wednesday, August 26, 1981 at 6 a.m. in Muenster Memorial Hospital, weighing 9 lbs. He is a brother for Emily Jean and a grandson for Mr. and Mrs. Charles Davidson and Mr. and Mrs. Thomas Felderhoff, Sr. The great-grandparents are Theo Miller, and Mrs. Hubert Felderhoff of Muenster and Mrs. Louise Siegmund of Gainesville.

Welcome extended for new members in Garden Club

The Muenster Garden Club welcomes new members in its ranks any time of the year, but urges all women interested in gardening, horticulture, home landscaping, indoor plants, all flowers, etc. to consider joining them soon, when the new programs will begin for the current garden year.

Committees have been planning yearbooks, programs, field trips, guest speakers, etc. Meetings are held once a month on the second Monday of the month, September through June. Alice Roark 759-4518 or Dolores Miller 759-2528 or any garden club member may be phoned for more information.

Library News

What do you want the Muenster Public Library to do for you? People of the area will have an opportunity soon to answer this question in a survey conducted by the Library Board which is now considering proposals on types of service and facilities and volunteers available for offering them. Subjects mentioned are crafts, hobbies, children's hours, films on tax, business, inheritance or social subjects, book preferences, etc. After a list of subjects is selected the library board will make selections at its meeting of September 17 and include them on a survey form submitted to the public. After survey results are known the board will choose its subjects, basing judgment on such factors as personnel and facilities.

Mr. and Mrs. Andrew Wimmer have announced the engagement and approaching marriage of their daughter, Brenda Kay to David Kim Nix, son of Mr. and Mrs. Raymond Nix of Denison. The wedding will be held in Sacred Heart Church on September 26. Father Stephen Eckart will officiate at 5 p.m.

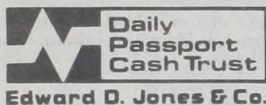

The bride-elect is a graduate of Muenster Public High School and is a student in Cooke County College in the Cosmetology Department. The future-groom is a graduate of Denison High School and Texas Tech University in Lubbock, and is employed by Muenster Milling Co. The couple plans to reside in Muenster.

Attendants at the wedding will be the bride-elect's twin sister Barbie as maid of honor, and Janel Wimmer, another sister, Valana Nix groom's sister, and Norma Richardson a friend as bridesmaids. Mike Ciaccio, a friend of the groom from Denison will be best man and Donald Monroe a friend of Denison, Carl Bayer a friend of Muenster and David Wimmer, bride's brother, also of Muenster, groomsmen. Andrea Gieb, bride's niece will be flower girl and Jason Hubbard bride's nephew will be ring bearer.

Bridget Jaska marries in Waco

MRS JAMES LEWIS KRAHULA

Bridget Denise Jaska and James Lewis Krahula were married Saturday, August 15 at St. Mary of the Assumption Catholic Church in Waco, with Msgr. Edward Rabrokar officiating.

The bride is a daughter of Mr. and Mrs. Ernest H. Jaska of Robinson. She is a graduate of Robinson High School and formerly attended Muenster Public School when the family lived in Muenster. She graduated from Texas A and M University in May, with a degree in Secondary Education and is now employed by the University as a lab technician at the Food Protein and Research Center.

The groom is a son of Mr. and Mrs. Frank M. Krahula of Ft. Worth. He graduated

from Haltom High School and is now a senior Building and Construction student at Texas A and M University.

Given in marriage by her father, the bride wore a formal wedding gown of silk organza designed with a sheer embroidered yoke and lace covered bodice embellished with tiny seed pearls. The sheer bishop sleeves were accented with appliques of Chantilly lace. The A-line skirt was enhanced with lace and organza ruffles, sweeping into a full train. A sheer illusion veil attached to a lace headpiece complimented the bride's attire.

She carried a cascade bouquet of white silk flowers with touches of peach, her chosen color. For sentiment she carried

her late grandmother's blue rosary and wore an "Aggie" garter.

Attendants

Honor attendants were Mrs. David Crowley of McKinney and Alexa Jaska of Robinson, the bride's sisters. Sherri Struth of Robinson and LaNelle Rhodes of Waco, friends, were bridesmaids. They wore peach colored gowns with flowered overlays and each carried a peach carnation.

The best man was Brian Truelove of New Orleans, and groomsmen were Mark Dvorak of Ft. Worth, Carson West of Lewisville, and Kenneth Hill of Ft. Worth. All were friends of the groom.

Ushers were Mike Debrill a friend, Matt Jaska, Chris Jaska and David Jaska, bride's brothers.

Wedding music was provided by the bride's aunt, Mrs. Raymond Zapletal of Ennis, organist; and Mark Dvorak a guitarist and soloist.

Also used in the Nuptial Mass was a double rosary, called the "Wedding Rosary", a gift to the couple from Mark Dvorak. This custom goes back to an ancient Spanish Rite symbolizing the union of husband and wife under the patronage of the Mother of Jesus.

Liturgical Readings were given by Matt and David Jaska.

Reception

A reception and dinner followed in the Knights of Columbus Hall in Midway, for 200 guests. Mrs. Dana Struth registered guests at a table covered with a white cloth. At the side was an easel holding a group of pictures in a frame, showing the couple from childhood to the present.

The cake table, covered with a peach cloth, held the three tiered white wedding cake decorated with peach roses and topped with white wedding bells. The groom's chocolate cake and a superman cake also held special places.

Other members of the house party were Theresa Briggs, Elaine Lawley, and Janice Raska, friends of the bride from College Station.

The couple will be at home in College Station.

Out of town guests included Mr. and Mrs. Earl Fisher of Muenster and Mr. and Mrs. Gary Fisher and son Eric of Mesquite.

Floyd Arnold Haverkamp of Muenster and Karen Krebs of Gainesville will be married on September 19 in Sacred Heart Church with Father Stephen Eckart officiating. The bride-elect is the daughter of Eugene Krebs of Gainesville and Mrs. Johnnie Valdez of Mabank, Tx. She is a graduate of Gainesville High School and employed by Gainesville Dress Co.

The future-groom is the son of Mr. and Mrs. Dan Haverkamp. He attended Sacred Heart School and is employed by Felderhoff Brothers Drilling Co. The couple plans to reside in Gainesville.

Attendants in the wedding will be: maid of honor, Viki Liedtke and bridesmaids D'Ann Haverkamp, Jennifer Cannon and Cheryl Sutton. Also best man, Andy Truebenbach, and groomsmen Billy Haverkamp, John Hartman and Bob Grewing.

Sharon Voth and George Luke have chosen October 3 for their wedding day, with the Nuptial Mass to be celebrated at 5:30 p.m. in St. Peter's Church in Lindsay by Father Eugene Luke, uncle of the groom. Parents of the couple are Mr. and Mrs. Henry Voth, Jr. of Rt. 2 Gainesville and Mr. and Mrs. Anthony Luke of Muenster. The bride-elect is a graduate of Lindsay High School and is a senior at North Texas State University, majoring in Accounting. The future-groom is a graduate of Sacred Heart High School and the University of Texas in Austin with a degree in Electrical Engineering. The couple will reside in Midland, where the groom is employed by Sun Oil Company of Midland.

Forestburg News by Myrt Denham

This coming Saturday August 29 is the BIG day for Forestburg. Ever since we have lived here we have heard many local residents complain that there is no where to go here and just nothing to do. So come this Saturday there will be something to do and somewhere to go—we will just see how our local area residents will participate and go to the various activities planned for that day. This is an excellent opportunity for everyone to help their community and certainly support the young people that have worked so hard on this day's events.

Mrs. John Whaley of Fort Worth visited with Mrs. Mollie Howell Thurs. Aug. 13.

Mr. and Mrs. Hallie Harwell have moved from the Blake Scott house in the Burg to the Dee Shults house east of Forestburg.

Paul and Cindy Hamm of

Harbor City, California are here visiting with Mr. and Mrs. Doyle Gates and children. Paul and Cindy are Doyle's nephew and niece.

Willie Glenn Volkman and his son Donald Glenn both of Phoenix, Arizona visited with Mrs. Atrice Sledge Sat. Aug. 15. Willie is the son of the late Mr. and Mrs. Neil Volkman. Mr. and Mrs. Cecil Foster and Mrs. Kay Scott of Denton and the Raymond Volkman of Fort Worth were recent visitors of Atrice.

Mrs. Larry (Becky Brogdon) Scott became seriously ill Wed. p.m. Aug. 19 and was taken to Muenster Hospital. From there she was moved to Flow Hospital in Denton - where she remained for a short period, then transferred to Parkland Hospital in Dallas. Becky is still there at this writing and is a very ill young lady. She is the daughter of Mr. and Mrs. Barney Brogdon of Forestburg.

August 22nd weekend visitors with Mr. and Mrs. Charlie Meyer were Mr. and Mrs. Bud Foster and children of Carrollton and Mike Anderson of Midland. Mike was on his way to Dallas to take a 2 week computer training course.

Charles, Johnny, Janice and Jeff Lanier and Chris Gresham headed for Galveston Thurs. Aug. 20 and returned home Sunday the 23rd. They really had themselves a very delightful time and wish they could go every weekend.

All you residents of Forestburg know "This Old House". You pass it frequently. Next week we'll tell you where it is, satisfy your curiosity, and let you let you know if you guessed right. Photo by Perryman Denham

Mrs. Imogene Links - at this writing - is a patient in the Mercy Hospital in Oklahoma City where she went for treatment and surgery. It is hoped that she will return home sometime this week.

Mmes. Loveta Bewley and Bula Mae Berry took time out last week from their busy lives to visit with folks and spread "some love and cheer." Wouldn't it be a wonderful world if more folks would do like-wise. How much happier a place it would be.

Mrs. Randy Williams of Shamrock, Texas visited with Mr. and Mrs. Ted Jackson Wed. Aug. 19 and had lunch with them. She also visited the Barney Brogdons. Mrs. Williams is the former Pamela Brogdon, and a granddaughter of the Jacksons and the Brogdons.

The Forestburg United Methodist women met at 2 p.m. Wed. Aug. 19 in the Church annex for their regular meeting. In the absence of both the president and vice president, Mrs. Esther Shears opened the meet by having Mrs. Vera Mae McGee give the opening prayer. This was followed by a short business session and then the day's program "Sojourners in a Foreign Land: Undocumented Persons" was led by Mrs. Myrt Denham. Following the program there was a relaxing and pleasant fellowship period with light refreshments served by Myrt. Others present were: Mmes. Decie Ellzy, Marion Sockwell, Alice Shears, Laura Belle Jackson and Betty Reynolds.

Do wish our State Government was as interested in getting rid of grasshoppers as they are the Med-fly. The Med-fly bores into the fruit and lays its eggs but the grasshoppers eat the fruit, leaves and bark of the trees leaving only the seed. This area has had a terrible infestation of grasshoppers for three straight years now, destroying everything in their sight.

Mmes. Wynona Riddles, Wanda Magee, and Mollie Howell vacationed in the Lawton, Okla. area from Sun. Aug. 16 to Thurs Aug. 20. They visited with Wanda's son, Donald Magee and family, other relatives and friends. Mollie visited her niece Mrs. Rosetta Wilson. The group of ladies also took in the Wild Life Range and Prairie Dog Town which they all enjoyed ever so much.

Mrs. Ettie Smith of Sunset was a Wed. p.m. Aug. 19 visitor of Cleo Lanier's.

Mr. and Mrs. A.B. McMillion departed from the Dewey area Tues. Aug. 11 for Franklin, Indiana where they attended the wedding of their son, Jim to Sandy Tillison on Sat. Aug. 15. Mrs. McMillion said they went sightseeing on their way up and on their way home. They made it back home on Tues. the 18. Then the weekend of Aug. 22 and 23 they spent in Lamesa attending the Fillpot family reunion.

Wesley Reynolds celebrated his 16th birthday Fri. p.m. Aug. 21. His parents, Mr. and Mrs. K.J. Wassie Reynolds honored him with a hamburger supper topped off with cake and ice cream. Mrs. Cleta Reynolds and children were the others present.

Larry Thurman and his daughter Linda of Iowa and Ancel Thurman of Saint Jo visited with Millie and Webb Reynolds Fri. Aug. 21.

Mr. and Mrs. Troy Greenwood and daughter along with Mrs. Bessie Greenwood took in the Forest Park Zoo in Fort Worth on Sat. Aug. 22.

Mrs. Carolyn (Hudspeth) Wood, Mr. and Mrs. Gerald O'Brien and sons of Wichita Falls, Mr. and Mrs. Jackie James and son of Jacksboro and Mrs. Tanya Bolten and 2 girls of Houston were Aug. 22 weekend visitors in the Clifford Hudspeth home.

Mr. and Mrs. Curtis Harwell of Denton and Mr. and Mrs. Johnny Moseley and boys visited in the Paul Putnam home Sun. the 23.

Ted and Laura Belle Jackson visited with Mr. and Mrs. Gorton Taylor of the Pleasant Hill area, on Sun. Aug. 23.

Mr. and Mrs. H.A. Dunn of Dye Mound visited with Mrs. Mollie Moore Sun. p.m. Aug. 23 and afterwards they paid the Perryman Denhams a visit. H.A. got to telling how he had replanted blackeyed peas 5 different times and they've gotten one mess to eat. Hang in there H.A. - you'll make a gardner yet.

Ronald Bailey of Lubbock spent the Aug. 22 weekend with his mother, Mrs. Juanita Bailey.

About 35 people gathered at the New Harp Community building Sun. Aug. 23 to help John Hunt celebrate his birthday. Mr. and Mrs. John Hunt are residents of Stratmore, Calif. and are here visiting their relatives and friends.

The Forestburg school 1981-82 year began Monday Aug. 24 with 102 students enrolling and a few more are expected to enroll.

From time to time people ask us about Perryman's sister, Ina Mae. Therefore, we thought we'd write a little about her. Ina Mae has lived in Denver, Colo. for the past 25 years and she owns her own home there. She also has her own business there in the field of a counseling service. She is presently working towards her PHD degree at the University of Denver where she has also been teaching from time to time. Ina Mae makes a trip to this area about once a year to visit her mother and other relatives. Many years ago Ina Mae said that if all men were like her father and brother she just did not care to get married - and she evidently decided they were.

Mrs. Alice Shears and son Eugene have sold their

garage and station to Junior and Mickey Landers. It will now go under the title of Landers Brothers' Garage and has already started operation. Junior and Mickey are sons of Robert Landers of Forestburg.

Mr. and Mrs. W.T. Reynolds and Mr. and Mrs. Howard Sockwell were all visitors with Mrs. Joe Denham of the Bellmire Home in Bowie on Thurs. Aug. 20.

Forestburg Yearbooks

A note from the Forestburg School says that yearbooks of the past year have just been received at the school. Grads of last year and other persons who ordered a copy are reminded that it is now available to them at the school.

Photos from the past

"This Little Tyke", pictured two weeks ago, was Vatori Dill, daughter of Mr. and Mrs. Jack C. Dill of Forestburg. She is now a student at North Texas State University in Denton.

Forestburg

The Graduating Class of 1935 at Forestburg High School included the following who were shown in last week's picture: Back row, l. to r. Fern Kuykendall, Edward Barkley, Ross Littell, Garnett Jackson. Middle row, l. to r. Lois Kuykendall, Eva Grace Golden, Ola Mae Littell, Perryman Denham, Juanita Davis. Front row, l. to r. Esther Lena Reynolds, Pauline Williams and Myrtle McMillion. How many did you recognize?

Forestburg FFA sponsors booth

The Forestburg FFA Chapter is sponsoring an egg toss contest during the Forestburg Watermelon Festival August 29th. Divisions of the contest will be 1. girls and boys 12 years and under. 2. girls 13 through 19. 3. boys, 13 through 19. 4. ladies 20 and over. 5. gentlemen 20 through 39. and 6. gentlemen 40 and over. The first three divisions will compete at 1:30 p.m. and the last three will compete at 2:30 p.m. in the Forestburg riding club rodeo arena. Entry fees are \$2.00 per person or \$4.00 per team. Each one entering the contest will receive a 2 1/4" metal button imprinted with Forestburg Watermelon Festival Egg Toss. First place in each division will receive \$7.50 and second place will receive \$5.00. Individual teams may enter in the concession stand area after the parade. Other projects of the FFA will be balloons and the concession stand.

Now get the high interest you need to beat the 80's.

First Texas Savings Association offers new Fixed-Rate and Daily-Rate Money Maker Repurchase Agreements. Both give you high interest rates on amounts from \$2,000 without brokerage or service fees.

Our Fixed-Rate Money Maker Repurchase Agreement keeps your money at a high interest rate for your choice of 30, 60 or 89 days. And the rate in effect on the day you invest is guaranteed for the entire term.

With a Daily-Rate Money Maker Repurchase Agreement you earn interest at the current daily interest rate for a maximum term of 89 days. Plus you are allowed to make deposits and withdrawals of \$500 or more with no penalty. And you receive a monthly statement showing every transaction.

You know your investment is sound. Our securities are backed by the strength and stability of First Texas. And these repurchase agreements represent a participation in a Government Security even though they are not insured by the FSLIC.

First Texas has a variety of savings plans to meet your needs. New Money Maker securities are just two of the savings plans at First Texas. We also offer high-yield 26-Week and 2 1/2-Year Money Market Certificates and other plans that can help you gain financial security for the 80's and beyond.

At First Texas, we have the financial know-how to help you decide which plan best fits your needs. So stop by, or call any of our 70 convenient offices today.

YEARS AGO

IT HAPPENED 40 YEARS AGO

Aug. 29, 1981
August, cool and wet this year, brought 4.19 inches of rain. Juanita Weinzapfel has appendicitis operation. Mrs. Mollie Walterscheid and family move this week from Tishomingo. Mary Wiedemann and her mother are back after spending the summer in Denton where Mary attended school. The

Ed Jeskos and children are visiting her brother, R.M. Zipper and family. Sisters Anastasia, Theresina, Frances and Gebharda have arrived for the new school terms. Mr. and Mrs. Frank Hess and Mr. and Mrs. John Hess and children are visiting relatives in Kentucky.

35 YEARS AGO

Aug. 30, 1946
Robert Yosten, 63 dies after three years illness. Burglars take loot valued at \$115 from Magnolia and Bud's Service Station. Rain this week breaks drought and heat wave. Oil treatment on Main Street helps eliminate dust. Boy Scout troop, accompanied by Scoutmaster John Hoffman, Rev. John Walbe and J.W. Fisher have weekend outing at Turner Falls. Tax to support school buses will be voted on Sept. 7. Theresa Hirsy and Jimmy Lehnertz marry. Joe Starke Jr. is back at home after service with the Marines. Lindsay 4-H girls elect Rosalie Beyer president. Harold Schmitz returns from army duty in Japan.

The first parking meters came into service in Oklahoma City on July 16, 1935. 150 were originally installed.

Ike Fulton of Myra dies

Funeral service for Ike Fulton, 85, a longtime resident of Myra, was held at 10 a.m. Thursday Aug. 20, in the Geo J. Carroll Funeral Home Chapel with the Reverend Bill Fincher and the Reverend Henry Mzingo officiating.

Burial with Masonic rites was in Fairview Cemetery directed by the Carroll Funeral Home. Pallbearers were Jake G. Biffle, Michael Fuhrmann, Francis Fuhrmann, Merle Hart, Jake Huddleston and Carrol Smith.

Ike Fulton died Tuesday evening, Aug. 18, in Muenster Memorial Hospital after being in failing health about eight months.

He was born in Howe, March 5, 1896, a son of Mr. and Mrs. Will Fulton. He came to Myra with his family when he was 6 years old and has lived there ever since. He was married to Mildred Jane Jones in Myra on December 17, 1916.

They made their home on a farm south of Myra spending many years operating a dairy until changing about 18 years ago to a combination of beef farming and carpenter work. He has

been retired about three years. He was a member of the Myra Baptist Church and Masonic Lodge 878. Survivors are his wife, one daughter, Nell Powell of Myra; one son, Ben Fulton of Lindsay; one sister, Mrs.

Tommy Edwards of Dallas; three brothers, Joe Hubert Fulton of Oklahoma City, Maurice Fulton of Cameron, La., and Hightower Fulton of Longview; and four grandchildren.

Minnie Cannon of Saint Jo dies

Funeral Service for Minnie Lee Cannon, 84, of Saint Jo, was held Friday at 2 p.m. in the Saint Jo Church of Christ with the Reverend Winstead Cooper officiating. Assistants were the Rev. C.E. Cole and George Thompson.

Mrs. Cannon died Wednesday, Aug. 12 in Muenster Memorial Hospital. Burial was in Coker Cemetery directed by Scott McCoy Funeral Home.

Mrs. Cannon was born April 25 in Navarro County, a daughter of the late Mr. and Mrs. Edward Blakely. She was married on July 14, 1915, to John Guy Cannon.

She was a member of the Saint Jo Church of Christ and the Home Demonstration Club and lived most of her life in Montague and Cooke Counties.

Survivors are: one daughter, Opal Dennis of Gainesville; three sons, Ruel Cannon of Saint Jo, and R.D. and Walter Cannon, both of Gainesville; two sisters, Bertha Mitchell and Beulah Goff of Saint Jo; three brothers, Bill Blakely of Saint Jo, Floyd Blakely of Wichita Falls and Elbert Blakely of Nocona; seven grandchildren, 12 great-grandchildren and one great-great-grandchild.

Joseph Edward Reiter baptized Aug. 16

Joseph Edward Reiter, infant son of Mr. and Mrs. Jerry Reiter was baptized Sunday, August 16 at noon in Sacred Heart Church, with Father Denis Soerries officiating.

The baptismal sponsors were an uncle and aunt Mr. and Mrs. Leroy Schmidkofer of Gainesville. The infant wore the christening clothes, hand-

made by his paternal grandmother, Mrs. Alfons Reiter especially for her grandchildren.

Attending the baptism were the parents, Jerry and Rosalie Reiter and children Gus, Phil and Loretta; and the grandparents, Mr. and Mrs. John Schmidkofer; and the Leroy Schmidkofers' children Mary, Susan, William and Leroy

and a friend of Gainesville.

Following the church service, all were guests in the Reiter home for mid-day dinner. In the evening they were together again for a fish fry hosted by Mr. and Mrs. Joe Paul Fuhrmann. The family gathering observed the baptismal day of the Fuhrmanns' infant grandson, Patrick Alan Lusk, son of Alan and Rita Lusk

of Dallas, who was baptized in St. Peter's Church in Lindsay on August 16. His sponsors were an uncle and aunt, Mike and Jane Otto of Nocona. Father Nicholas Fuhrmann, a great-uncle officiated.

Baseball's "walk" record is held by "Babe" Ruth: 2,056 walks.

Attend wedding

Mr. and Mrs. Earl Fisher were guests of the Ernest Jaska in Waco on August 15, attending the wedding of Bridget Jaska to James Lewis Krahula in St. Mary's Catholic Church of Waco, and the reception following. They enjoyed visiting all Jaska family members, who are former Muenster residents. The Fishers were weekend guests of their son and family, Gary and Marlene Fisher and infant Eric, of Mesquite.

3 Lindsay residents on tour

Three Lindsay residents, Mrs. Henry Kuhn, Marie Zimmerer and Gertie Loerwald recently enjoyed a two and a half week European tour with special highlights in Germany, and are enjoying its special memories with delight.

On July 13 they flew from DFW to Atlanta to Frankfurt and were met by Mrs. Kuhn's daughter and son-in-law, Linda and Charles

Barentine. They were guests of the Barentines and sons Danny, Kevin and Jason at Ramstein Air Base. They spent a while at Vogelweh, together and saw a pottery factory at Hohr, Grenzhäuser.

One of the sights of the train trip to Köln was the beautiful old church of Der Dom, and an overnight visit in Kapellen, Koblenz.

A tour of Paris included the usual famous tourist attractions and the Eiffel Tower, Arch of Triumph, The Louvre, the Cathedral of Notre Dame, seeing its beautiful Rose Window and having the special privilege of attending Mass that was being celebrated during their visit. They toured the Castle of Versailles, saw the Flea Market and had a cruise on the River Seine.

Later there was a 40 mile cruise on the Rhine River, with views of famous castles, grape vineyards that hugged the steep hillsides in almost unbelievable manner, and the return to Bingen by train.

They spent a day touring the garden and castle of Heidelberg and another day shopping with friends in Kaiserslautern.

There was also a tour of the countryside in Germany, Austria, Lichtenstein and Switzerland. Highlight of that special time was spending the night high in the Swiss Alps at a ski resort. A variety of entertainment included a fondue dinner, and a program by a horn blower and French Harpist. The horn was about 9 ft. long. The performer played again at a Disco where a highly rated team of "Sam and Annie" also entertained.

The next morning they awoke to see snow falling and a temperature of 38 degrees. Following was a beautiful drive along Lake Constance, then through the Black Forest and stops at a Cuckoo Clock factory, and a basket factory.

In Lichtenstein, a Baron came aboard the bus to tell about the Principality. The ladies walked the 110 steps to the castle and took the longer walk to the Rheinfall (Waterfall).

Back in Vogelweh, they had the opportunity to visit David Brewer, who is stationed at the Base.

The trip was also marked by frequent rains. Every day but two brought varying amounts. Wish they could have sent some of it home to Texas.

Mikael Fette has Washington tour

Mikael Fette, son of Mr. and Mrs. Ken Fette, spent a week touring Church historical sites and Washington, D.C., in a tour group of 200 youth and leaders of The Church of Jesus Christ of Latter-Day Saints.

Leaving Ft. Worth Friday, August 14 in four Trailway buses, they arrived in Bethesda, Maryland Saturday night. On Sunday they attended church in Chevy Chase, Maryland and visited Arlington National Cemetery, the Robert E. Lee house, J.F. Kennedy grave, Tomb of the Unknown Soldier, and toured the Washington D.C. Temple Visitors Center.

On Monday they visited the Capitol, the White House, Congressional Library, National Art Museum, the FBI Building, Lincoln Memorial, Washington Monument and the Jefferson Memorial. They did Temple work in the Church's Washington, D.C. Temple on Tuesday, and visited the Smithsonian Institute.

On Wednesday the group visited Mt. Vernon and left in the afternoon for Nauvoo, Ill. traveling all night on the bus. They spent Thursday touring the Nauvoo area and Carthage Jail. Sites included the Wilford Woodruff house, the Brigham Young house, Webb Blacksmith shop, Johnathan Browning house, John Taylor house, Times and Seasons Printing office and also toured the quarry and Temple site.

Continuing on Friday, they went on to visit Far West and Richmond, Mo. where they saw the Alexander Doniphin Monument, the Oliver Cowdrey grave and the Liberty Jail. In the afternoon they left for Independence, Mo. and arrived home on Saturday.

CARD OF THANKS

Thanks to all who made Elizabeth Neu's 110th birthday a very memorable occasion. Thanks especially for the masses, prayers, cards, gifts and visits.
Special thanks to Joan and Dave Walterscheid for hosting the Neu reunion at their home.
God Bless all of you
Margaret Kupper

We want to thank all our family and friends who were so very helpful and concerned while our little girl, Debra Lee, was hospitalized. All the prayers, cards, visits and other kind deeds helped to make a difficult time more bearable. Again, thank you all so much for everything. We really appreciate it.
Danny and Janet Voth

Our thanks to everyone for the kindness shown to Ike Fulton during his illness and to us upon his death, with special thanks to the nurses and staff at Muenster Memorial Hospital and Dr. Kralicke. Also to Father Stephen for his visits. We are grateful for all prayers, cards, flowers, foods, and every kindness. And we do "thank" each of you. May God bless you!
The Ike Fulton Family

Our thanks to everyone for the kindness shown to Minnie Cannon and family during her illness and death. With a special thanks to the nurses and staff at Muenster Memorial Hospital and Dr. Antonetti, also, to St. Richards Villa nurses, staff and residents for all the prayers. We sincerely thank each of you. May God bless you.
The family of Minnie Cannon

GED tests suspended temporarily at CC College

General Education Development (GED) tests for high school diploma equivalency will not be given at Cooke College on August 26-27 (Wednesday and Thursday), CCC officials have announced.

"We have had to suspend GED testing on these days because of conflicts with fall registration activities on campus," explains Bill Caver, director of CCC's Counseling and Testing Center.

GED testing normally is scheduled for Wednesdays and Thursdays at CCC, an official GED testing station. Times are 8 a.m. to 4:30 p.m. on Wednesdays and from 8 a.m. to 12:30 p.m. on Thursdays.

Certain hours are designated for each section of the test such as English, reading, math and so on.

Due to recent regulation changes, persons 18 years old who are not enrolled in school are fully eligible to test and receive certificates, and the date of withdrawal from school is no longer required to verify eligibility.

Moreover, 17-year-olds may now take the test and be certified if they are not enrolled in school and have parental or guardian permission to do so. Date of withdrawal from school is not required for persons in this age group either.

"Another important thing to note," says Caver, "is

that persons wishing to take the GED do not have to obtain any kind of clearance or approval from high school officials since the date of withdrawal from school is no longer required."

Previously, 17-year-olds were not eligible to take the test and be certified until they had been officially withdrawn from school for at least one calendar year.

Persons interested in taking the GED tests should call the CCC Counseling and Testing Center at 668-7731, extension 44 or 75, to verify test times.

"We would also like to remind everyone that CCC offers a program designed to review basic skills in English, math, social studies, reading and science necessary to pass the GED tests," Caver says.

These review classes meet on campus at CCC and are taught by certified instructors. Anyone who is at least 17 years old is eligible.

The program is offered during both the fall and spring semesters, and interested persons may begin at any time during either semester.

There are no tuition or book fees for these classes. The only cost is the \$10 fee charged when the GED test is taken. Interested persons may call the CCC Counseling and Testing Center for additional information.

Cooke County Blooms!

District Conservationist

Prairie Larkspur (Delphinium niroscens)

Prairie larkspur is a slender perennial seen most commonly on flat grassy prairies and plains throughout most of the state.

The white to lavender flowers appear in May through July and are borne on the upper third of a slender graceful stem which in some localities become waist high. The flowers consist of five colored sepals, the uppermost of which is drawn backward into a spur from which the plant gets its name. The leaves are deeply divided into three to seven slender lobes.

In Germany the plant is called Knight's spur, in Ireland Pixies ladder, the Indians called it sleep-root, and the Mexicans called it

Rabbit-face.

All parts of this plant are poisonous; however, most trouble for cattle is caused by eating green leaves and flowers. Larkspur contain the alkaloids delphinine, ajacine, and others. Danger decreases as plants mature but the alkaloids remain concentrated in the seeds. Powdered larkspur seed is used in some commercial lice remedies.

Cultivated varieties are esteemed as garden plants because of their tall, showy spikes of flowers. These cultivated varieties are relatively low in toxic properties, but many display weedy characteristics.

Larkspurs are generally divided into two groups - tall larkspurs 3 to 6 feet in height and low larkspurs 1 to 3 feet tall. The larkspurs are in the Buttercup family.

Fall gardening time at hand

Although there is still plenty of hot weather ahead, it's time to start getting things in shape for your fall vegetable garden.

Much of Texas is well suited for year-round gardening, and fall vegetables generally have better quality and flavor than those grown in the spring, says Dr. Sam Cotner, horticulturist with the Texas Agricultural Extension Service, Texas A&M University System.

Many popular warm-season vegetables such as tomatoes, peppers, eggplants, pole beans, potatoes, okra, cucumbers and squash can be planted during the coming weeks.

Also, the so-called "winter" vegetables such as broccoli, cabbage, cauliflower, greens, parsley and carrots can be planted now for early harvesting. Later plantings of these cold-hardy crops will supply fresh vegetables well into winter.

What are some of the important aspects of fall gardening?

First of all, get the land into good shape, suggests Cotner. If you had a garden this spring and fertilizer was

applied, little if any additional fertilizer will be needed before fall planting.

For new gardens, apply two to three pounds of a complete fertilizer such as 10-20-10 per 100 square feet and work it into the soil, recommends the horticulturist. If plants make slow growth, apply a light amount of fertilizer between rows and water it into the soil.

Adequate water is vital for a successful fall garden, particularly for seed germination and early plant growth. Cotner suggests "pre-irrigation" before planting followed by subsequent, light waterings three or four times a week to keep soil from drying and crust. Water stress during early growth of plants can reduce later yields.

Transplanting is a good practice in the fall since this allows seed to be started in areas sheltered from high temperatures and drying winds. Check at garden centers for recommended varieties of vegetables and strong, vigorous, healthy plants. Or you may want to grow your own transplants, notes the horticulturist.

CBN Satellite Network expands

In a dramatic move sure to reverberate throughout the exploding cable industry, CBN Satellite Network this fall is unwrapping a bright new programming package that boosts it out of the narrow "specialty" field into competitive, broad-spectrum entertainment.

"We've Got It All" is the theme of a major marketing campaign to be launched by the network, one of the nation's largest cable TV programming suppliers and a pioneer in the use of satellite transmission.

The expanded programming lineup—ranging from "Soaps" to stocks to sports—reflects the marketing theme.

The 1981-82 lineup of shows signals a major departure from the network's former specialty role as an all-religious programmer,

and marks its official entry into the consumer advertising dollar sweepstakes.

As it shifts programming strategy, CBN Satellite Network is looking to become advertiser-supported, said Tom Rogeberg, network director.

"The enormous cost of television today makes it necessary that we accept advertising in order to compete in the marketplace," said Rogeberg.

CBN Satellite, second largest in the industry, is seen on some 2,500 of the nation's approximately 4,600 cable TV systems and has a potential viewing outreach to 11 million of the 18-million-plus U.S. cable TV households. The satellite

network is a division of The Christian Broadcasting Network, headquartered in Virginia Beach, Va.

CBN will continue to carry strong programming with religious content, but the network's new approach will expand into what officials call "total, wholesome programming" and will include a wide variety of shows, from children's to women's interests, from soap operas to news from Wall Street, plus sports.

"We are integrating our new, highly entertaining shows into our schedule as we compete for the first time against other sponsored programming," Rogeberg said. "We are seriously entering the cable marketplace."

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: D.J. REECE: THE KNOWN AND/OR UNKNOWN HEIRS OF D.J. REECE, IF HE BE DECEASED; THE KNOWN AND/OR UNKNOWN HEIRS OF BUDDY JO REECE, DECEASED; AND ANY AND ALL OTHER PARTIES OR PERSONS WHO MAY BE HEIRS-AT-LAW OF EITHER D.J. REECE, IF DECEASED, OR BUDDY JO REECE, DECEASED, Defendants, Greeting:

YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the 235th District Court of Cooke County at the Courthouse thereof, in Gainesville, Texas, by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 7th day of August A.D. 1981, to Plaintiff's Petition filed in said court, on the 31st day of July A.D. 1981, in this cause, numbered 81-357 on the docket of said court and styled Danny Joe Reece and Russell Kent Reece, Plaintiffs, vs. D.J. Reece; the known and/or unknown heirs of D.J. Reece, if he be deceased; the known and/or unknown heirs of Buddy Joe Reece, deceased; any and all other parties or persons who may be heirs-at-law of either D.J. Reece, if deceased, or Buddy Joe Reece, deceased, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

To declare the presumption of death of D.J. Reece, to determine his heirs and to thereby terminate and remove any controversy with respect to the current and true ownership of that tract of land being described as follows:

All that certain 10.461 acre tract, or parcel of land situated in the M.C. Carrico Survey, Abstract No. 200, Cooke County, Texas.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, Bobbie Calhoun, Clerk of the 235th District Court of Cooke County, Texas.

Issued and given under my hand and the seal of said court at Gainesville, Texas, this 7th day of August A.D. 1981.

Bobbie Calhoun Clerk District Court Cooke County, Texas.

Budweiser Wholesaler joins MD fight

For the second consecutive year, Gilbert Endres Distributing Company, Inc., local distributor of Anheuser-Busch beers, is joining with over 900 other Anheuser-Busch distributors nationwide to raise money for the fight against muscular dystrophy.

For every case of 12-oz. cans of Budweiser and Natural Light sold in August, Gilbert Endres Distributing Company, Inc. will donate two cents to the Muscular Dystrophy Association. Anheuser-Busch, Inc. will match the contribution.

Last year, with one cent donated by the distributor and matched by the brewery for every case of Budweiser sold, Anheuser-Busch, Inc. and its wholesaler family raised over \$1.2 million for MDA. In Texas alone, the 52 wholesalers generated over \$51,000.

"Since we are doubling both the amount pledged and the brands of beer involved, we expect to double, or better, the 1980 contribution from Texas," says Gary Mockler, Anheuser-Busch, Inc. Texas division manager.

SPORTS

Hornets scrimmage at Boyd

Muenster Hornets looked good competing with a good team last Friday night. For that Coach Leonard Peters and Assistants Charles Meurer and Alan Gustine are pleased and proud.

Peters said he was not disturbed by Boyd's 4-0 lead in touchdowns. After all, the Yellowjackets are carry-

overs from last year's district and bi-district champs. They outnumber the Hornets more than 2 to 1 and have a clear advantage in weight and experience. Nevertheless Peters recalls that Boyd cashed in on MHS mistakes and he's at work this week trying to improve the Hornet defense.

At the same time the Hornets had their bright spots. For instance they moved the ball well and could have gained more by concentrating on the more successful plays instead of trying the full assortment of plays. Their purpose was to learn the potentials in their own offense and defense rather than try for a score.

Southlake-Carroll next

The next scrimmage for the Hornets will be with Southlake Friday on the MHS field starting at 6 p.m.

As before, varsity and junior varsity will both have a part of the action in standard scrimmage procedure at which a team has 20 plays each on offense and defense. The evening's program will consist of two offensive and two defensive sessions for varsity and JV followed by goal line efforts for each team.

Admission is free, however fans are asked to remember the boys with soap and towels.

And after the scrimmage fans are invited to free hot dogs and iced tea in front of the Hornet field house.

Denison Jaycees sponsor fun run October 3

Fun Run of 10,000 meters and 3 miles will be sponsored by the Denison Jaycees and Coors Beer Saturday Oct. 3, 3 p.m. at the Denison National Guard Armory.

Individuals will be placed in the following categories for both men and women in the following age groups: under 14, 14-19, 20-29, 30-39, 40-49, over 49. The two top finishers of each group will receive trophies. Entry fee is \$6 a person.

Entry blanks are available at the Jaycee office located inside the Denison Chamber

of Commerce, 313 W. Woodard, and they can be filled at 2 p.m. on the day of the fun run.

Tigers edge Nocona in practice

There were good spots and bad spots last week in Sacred Heart's practice scrimmage with Nocona, but considering all, the result was encouraging. That was the judgement of the Tiger coaches, Father Stephen Eckart and Virgil Henscheid after their boys nudged out their visitors by a count of two TDs to one.

The scores came on a pair of long passes from Brian Herr to Curtis Henscheid and Mike Dangelmayr.

The scrimmage consisted of taking turns on twenty offensive and twenty defensive plays. The offensive team can keep advancing as

long as it continues the first downs, but if it fails it has to move back to the starting point. The Tigers were stopped only a few times.

Their biggest problem was mistakes, adding to more than 100 yards in penalties for the evening. On offense they were unable a few times to overcome the loss imposed by penalties. On defense their miscues donated free yardage to the Indians.

Everything considered, the mistakes were typical of early season activity, including bad timing, offside, facemask violations, etc, with indications that poten-

tial is there when the faults are corrected, according to Henscheid.

The second and last practice scrimmage is scheduled Friday with Lake Dallas, a Class 3A team, expected to give the Tigers a considerably tougher contest than Nocona did.

Action will start at 7:30. A suggested route for going there is take the Lake Dallas exit, follow the overpass across the highway, turn left at the first street (Hundley) and follow 2 1/2 to 3 blocks to the stadium.

SNAP Menus

Tues. Sept. 1 - Barbecued Turkey roll, potato salad, baked beans, fruit cup, bread, butter, milk.

Wed. Sept. 2 - Stew w/vegetables, cole slaw, cornbread, syrup, peaches, butter, milk.

Thurs. Sept 3 - Wiener-wrap, corn, lettuce salad, cantaloupe, milk.

Pamela Clegg is three

Pamela Clegg, daughter of Keith and Dianne Clegg, celebrated her third birthday on Sunday, August 16th with a party at McDonalds. Helping her celebrate were Jessica Zimmerer, John Sparkman, Ryan Stephens, Mandy Johnson, April Fleitman, Kelly and Leah Rigler, and her sister, Lisa.

Others who visited or called to help Pamela celebrate were Peggy Sparkman, Nancy Sicking, Erin and Sara Eberhart, Mssrs. and Mmes. Weldon Clack, Phil Clegg, and Bill Graham and grandparents, Mr. and Mrs. Woodrow Clegg and Wilfred Sicking. Great-grandparents are Mr. and Mrs. Joe Walter and George Burrow.

SCHOOL NEWS

SH students to participate in ACT program

The 1981-82 school year is just beginning and juniors and seniors at Sacred Heart and other high schools across the country are facing some big decisions.

One of those decisions is what to do after graduation—whether to go on to school, get a job, or try to do both.

An important role in students' planning will be played by guidance counselors, parents, friends, and the ACT Assessment Program. Designed to provide guidance information for education and career planning, this national program is recommended for use by student applicants at more than 2,700 colleges and universities.

Sacred Heart students will have five opportunities during the 1981-82 school year to make use of the program, which consists of four tests and a two-part questionnaire. Students complete the questionnaire at home as part of the registration process. The tests are then administered at area test centers on any of five weekend national test

dates, explained Stephen Beyer, principal.

The five 1981-82 national test dates and the corresponding registration deadlines are:

Oct. 17, 1981 and Sept. 18; Dec. 12, 1981 and Nov. 13; Feb. 20, 1982 and Jan. 22; Apr. 3, 1982 and Mar. 5; June 12, 1982 and May 14.

On any of the above test dates, most local students will take the tests at Cooke County College. The basic student fee for using the ACT Assessment is \$8.50.

It takes students about three hours to complete the ACT Assessment's four exams (English, math, social studies, and natural sciences). In order that students may be familiar with the character and format of test items and responses, a copy of a full-length test booklet has been sent to all high schools. This booklet is available to interested students through Mr. Beyer's office at the high school. Students who wish copies of additional tests may obtain them upon

request from ACT at cost.

Beyer said the test scores provide an assessment of general educational development, while the questionnaire information focuses on academic and nonacademic accomplishments and interests, as well as career and educational plans.

ACT Assessment information is also used by colleges for academic advising, admissions counseling, course sectioning and placement, student services, and institutional research. Students' ACT Assessment reports are sent only to those colleges specifically designated by the respective students.

One of several educational services provided by The American College Testing Program (ACT), the ACT Assessment Program is used each year by about one million students as part of their education and career planning.

W. German student enrolls at MHS

Henning Grantz, 17, of West Germany, is a new student at Muenster High School. Classified as a junior, he is taking classes at several levels. His hosts during this school year are Mr. and Mrs. Ken Fette and family.

He has two older brothers who each spent a year in Texas attending school while living with family friends in Denton. They were students at Denton High School.

The boys are sons of Mr. and Mrs. Hans-Heinrich Grantz of Ratekau, Lübeck, West Germany.

Two return to Baylor

Sam Bright and Julia Bright, students at Baylor University, and children of the David Brights, have returned to classes after a busy summer spent abroad. Both were members of study programs sponsored by the University.

Sam studied in Austria for a month, returning earlier. Julia returned on August 20, her birthday, after studying English history in London for a month. She spent four days in Paris before returning home, and, during the month, spent a weekend in Dublin and another weekend in Shakespeare country. She saw a polo game when Prince Charles was one of the players and Lady Diane was one of the spectators.

Sam Bright has enrolled in graduate school at Baylor; Julie will begin her sophomore year and is also a member of the Marching Band.

Honor student

Chris Schilling has been named to the Dean's list for the summer session at Southwest Oklahoma State University. Requirement for the Dean's list is a grade point average of 3.0 or higher and no grade under C.

Children's activity program begins

The Children's Activity Program and Story Hour will begin on September 4. Parents of 3 to 5 year olds are asked to register them at the City Library during library hours. The fee for this program will be \$2.00, the same as last year.

The human brain is 80 percent water.

The last man in the graduating class at Annapolis is known as the anchorman.

Officially, the term "boulder" is applied only to stones larger than ten inches in diameter.

"Cooking and Nutrient Content"

No. 1 in a series

"Drain the vegetable!" If you're all concerned with accuracy in language (and nutrition in your diet), that's not the sort of command you should be shouting about your kitchen. Why not "Throw away the vitamins and minerals!" instead?

Because, after all, that's what really happens.

Many essential nutrients in the food you eat may end up poured down the drain or tossed in the garbage simply because they're not cooked right. The proteins, carbohydrates and fats (and, thus, calories) will still be there. But the minerals and vitamins may not -- particularly those that are water-soluble.

Of the four food groups -- milk, meat, fruits and vegetables, grains -- foods in the meat and fruits/vegetables groups suffer most when cooked wrong. (Though some grains, like rice, also may lose nutrients when improperly prepared.)

For example, let's say you're preparing a dinner consisting, in part, of a beef roast, potatoes and string beans (the frozen variety). If you pull the roast from the freezer and place it on a plate to thaw for several hours before cooking you'll wind up with one beef roast minus the nutrients that dripped out with the meat juices. And where will they have gone? Odds are they went down the drain.

Potatoes now. Peel them and you peel away the nutrients in the skins also. Worse, though, you strip them of the raincoats that keep boiling water out -- and essential water soluble vitamins and minerals in.

And if you cook the string beans in a potful of water, then bring them to the sink to "drain the vegetable"...well, you know what that really means.

Here are some ways you can keep those vitamins and minerals in the foods you prepare:

Place frozen meats in the oven when still frozen -- not thawed. Use the juices that drip during cooking for basting or making gravy.

Keep trimming and peeling of vegetables to a minimum. Better to scrub than to strip. Also, avoid presoaking.

When cooking frozen vegetables, use just enough water to keep them from burning in the pot. Save the water in which you cook fresh and canned vegetables for soups and gravies. You might also consider buying an inexpensive steamer to slip inside a pot, thereby letting you cook vegetables completely out of the water.

In the end, there are only two things you should do with those nutrients. First, keep them in the foods they come in.

And then eat.

Reactivated program to help communities on economic issues

COLLEGE STATION -- A state agency headquartered here is reactivating a program designed to assist small and medium-sized Texas communities solve their economic development problems.

Dr. W. Arthur Porter, director of the Texas Engineering Experiment Station (TEES), said the Industrial Economics Research Division will primarily concentrate research, consultation and education activities on communities ranging from 2,500 population to about 75,000, although larger cities might qualify as well.

John R. Roberts III, an economist with TEES since 1979 and former executive director of the Harlingen Industrial Foundation, will head the reactivated branch of TEES, said Porter.

Roberts said one of the primary goals of the division will continue to be preparation of economic development guidelines and opportunity analyses for specific regions and communities around the state.

The TEES division, first established in 1944, has operated the past two years as a part of the Center for Strategic Technology, a TEES "think tank." TEES is a part of the Texas A&M University System.

Rosston Area News

by Ruth Smith

STOP! LOOK! and LISTEN! Everybody! Saturday August 29 is the big day we have all been waiting for in Forestburg. Its the Watermelon Festival and Homecoming with fun for all ages. The days activities start with a parade through down town Forestburg, at 10 a.m. Lunch will be served with all kinds of contests following. A Fun Run is at 5 p.m. and the Miss Watermelon Pageant will be at the school at 7 p.m. A dance will be at the Rodeo Arena starting at 9 p.m. So come one, and all to enjoy the day and meet your friends. The proceeds of the

★ Schedule ★ ★ of Meetings ★

Pro-Life
Special attention is called to the date of the next Cooke County Pro-Life meeting, Thursday, September 3, at 8 p.m. It will be held in the Farm Bureau Building in Gainesville. Everyone is welcome to attend.

Ross-Point Progress
The Ross Point Progress Club will meet Wednesday, Sept. 2

Jaycees
The regular Muenster Jaycee meeting will be held Thursday, Sept. 3.

event will go toward building a new community center for Forestburg.

The descendants of the late Mr. and Mrs. W.C. Cravens, formerly of this area enjoyed a family reunion at the Gainesville Community Center Sunday August 23. A delicious lunch was served at the noon hour with about seventy relatives coming from Ada, Okla; Whitesboro, Tom Bean, Muenster, Gainesville, and Alvord. Mr. and Mrs. C.W. Martin were in attendance.

Mrs. Lola Webb came Wednesday for a visit with her sisters Mrs. Opal Berry and Mrs. Vena Settle and other relatives.

Guests of Mr. and Mrs. Louis Sicking and family Sunday 23 were their daughter and husband, Mr. and Mrs. Tony Motesenbocker of Gainesville.

We are sorry to report that Mrs. Irene Harry is on the sick list and entered the Muenster Memorial Hospital Sunday August 23. Mrs. Harry is being treated for shingles.

Guests of Mr. and Mrs. C.H. Christian Sunday afternoon were Mr. and Mrs. H.L. Settle of Gainesville.

The Rosston Methodist Church had a guest speaker Sunday August 23 at the 10 a.m. service, Rev. John Fiedler of the Meadow Brooke Methodist Church. The regular pastor, Rev. William Flint and a friend were in attendance.

Mr. and Mrs. C.W. Martin were Gainesville visitors Thursday.

Guests of Mr. and Mrs. Johnny Britian Sunday August 23 were their children and grandchildren and Mr. and Mrs. Charley Switzer of Muenster.

Mrs. Lola Webb, Mr. and Mrs. Spike Webb all of Dallas, Mrs. Vena Settle, Mr. and Mrs. C.H. Christian attended the 25th wedding anniversary celebration for Mr. and Mrs. C.E. Hudspeth of Pilot Point held in the Era Masonic Lodge Building in Era Saturday evening August 22.

Mrs. Jim Conkwright and daughters Robin and Leslie of Hereford arrived Thursday August 20 for a visit with their parents and gran-

parents Mr. and Mrs. George Berry and other relatives and to attend the Berry reunion. They returned home Sunday.

The Berry reunion was held Sunday August 23 in the Ross Point community center. The reunion is an annual event every year. About one hundred relatives attended, from points in Arkansas, West Texas, Louisiana, Vernon, Amarillo and other points in the area.

Mr. and Mrs. Guy Griggs, Mr. and Mrs. George Berry, Mrs. Jim Conkwright Robin and Leslie of Hereford attended a buffet supper Saturday evening August 22 in Bowie at the home of Mrs. Veda McGee, the event was given for out of town relatives who had come to attend the Berry reunion.

We want to wish Myrt Denham a Happy, Happy Birthday and wish her many more birthdays with all the good things life can bring. We think of Myrt of always being ready to lend a helping hand and always being ready to help in her community.

This picture was made in June, 1916, of seven young ladies who presented a play. They are shown as they were dressed for the characters they portrayed. How many can you recognize? Save this picture and watch for next week's clues.

VFW Auxiliary meets August 17

Members of the VFW Auxiliary heard a report of the district convention, were notified of the next visit of the District I President, planned the annual bake sale, made a contribution to the Senior Citizen game fund, and accepted certificates and awards for a very busy meeting on August 17, presided by Mrs. Gilbert Knabe, president.

Mrs. Knabe reported on the District I Convention in Denton, told of changes in the school of instructions and announced the next convention at Lake Tawakoni.

Members were notified of the next visit of Mrs. Helen Duke, district president on November 16.

Plans were made for the annual Bake Sale in October to benefit the Cancer Aid and Research Program. Members voted to contribute to the game prizes for parties at St. Richard's Villa for senior citizens. Ten certificates and awards were won by the Auxiliary at the district convention including Cancer Education Program, Rehabilitation Program, 100% in Ladies Auxiliary Program, Americanism Award, Safety, Loyalty Day, Outstanding Contributions in Publicity and Public Relations, Buddy Poppy Program, Teachers Participation and reporting on Cancer Aid and Research.

Mrs. Leo Hesse gave the treasurer's report and members agreed to raise annual dues \$1.00.

Mrs. Ray Walterscheid served refreshments to 11 members and also won the door prize. Mrs. Tony Klement will be next month's refreshment hostess.
