

Los Angeles, Calif., Jan. 10—This is what might be called a pleasant interlude to a vast change in Con's career as a soldier. It is the beginning of a ten-day furlough, technically a delay enroute, to be followed by entry into the Officers' Candidate School at Ft. Sill.

From all reports, that course will consist of three months of super intensive training. Top speed and long hours up to the very last. With such a prospect in view, several days of a good old let-down are especially welcome.

Well, this is the beginning of that freedom. Actually it started at noon Saturday and up to this writing—Sunday night—it has been grand. Principally because it has been the occasion of a long delayed reunion of brothers.

Edgar Fette, until recently a member of the construction crew at the Dutch Harbor Naval Base, is now in Los Angeles awaiting transfer to the Pan American highway job in Nicaragua. Meanwhile he's working on prefabrication and loading of materials for shipment.

The stories he has to tell about the war in the Aleutians are worthy of recording for posterity. The Army and Navy flyers there, for instance, have to cope with not only the usual dangers of combat but also the perils of rough weather. Sleet, rain or gale, often all of them combined, are the order of the day. In the face of such odds our intrepid airmen are going out for regular raids on enemy bases and shipping, often returning with riddled planes. There are other unsung heroes enduring isolation in bitter Arctic weather to prevent any further yellow encroachment on American soil. Boys who put up a shelter at their post one day only to have it carried away in the next day's storm.

Edgar also has had a taste of bombing—the episode that rocked this nation early in June. He knows what it is to be jerked from the jaws of death at one moment and work frantically the next moment to save a companion.

On that fateful morning he and several others were on their way from the mess hall to their jobs when the enemy came into sight. All made for the nearest shelter which happened to be a trench dug for a water line. As they were about to reach it the first bomb exploded pitching them headlong into the trench. One man was up in a flash and gave Edgar a helping hand in getting to his feet a split second before the next bomb blasted less than 20 feet away.

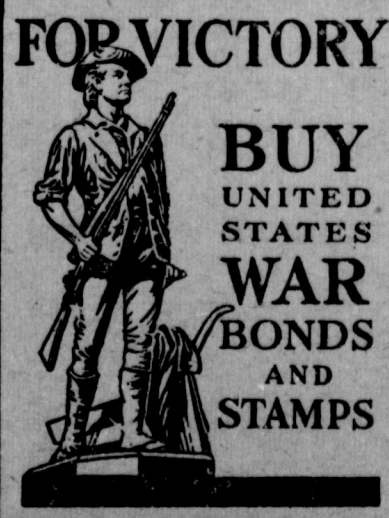

That second bomb did the damage. It knocked down the bank of the trench and showered tons of additional dirt burying two men completely and leaving one with only his head and shoulders free. Edgar, fortunately, was knocked to one side by the tumbling mass of earth.

Others who happened to be in a safer position came rushing to the scene and started digging with their bare hands. A distress call brought more men with shovels. A few minutes more and one man, who had given the helping hand, was pulled out unconscious and apparently without a spark of life. Prompt and efficient treatment in the hospital enabled him to regain consciousness the next day. The others man was not reached in time. The man only partly covered suffered no ill effects.

That experience, however, was only a mild sample compared with other results of the attack. Men horribly burned and mangled. Some able to recover after weeks or months of suffering, some doomed to spend the rest of their lives as cripples, some blasted to eternity in a second, some losing the struggle after days or weeks of agony.

That's war on one tiny spot of the earth's surface. Considering the thousands of similar combat areas or bombing objectives and multiplying the casualty list by hundreds of thousands gives us a faint idea of what mankind has on its hands. Words cannot de-

MUNSTER ENTERPRISE

VOLUME VII

MUNSTER, TEXAS, COOKE COUNTY, FRIDAY, JANUARY 15, 1943

NUMBER 8

Mrs. L. Burchfiel Is Guest Speaker At Garden Meeting

Mrs. L. Burchfiel, teacher in the public school was guest speaker for the meeting of the Civic League and Garden Club Friday afternoon in the school. Her talk entitled, "Courage for the Crisis," was of impressive interest. Mrs. E. O. Teague, program chairman, introduced the speaker.

In her splendid address Mrs. Burchfiel stated that courage is defined in more ways than one. The glorious bravery displayed by the men of Bataan, Corregidor and on other fighting fronts, is one form of courage. Another, though less radiant with glory, is the courage displayed by the men behind the front lines, and by civilians on the home front. The latter are endeavoring to keep the home fires burning, to make the world a better place to live in for those men when they come home after victory.

Courage does not necessarily mean bravery, she explained. True courage is something done, something accomplished in the face of danger and under adverse conditions, with calmness and firmness, though they may be afraid in the heart during the undertaking.

Mrs. Joe Luke, president of the club was the second speaker for the afternoon. Her topic was, "What to do in the Garden this Month." She gave helpful hints and worthwhile information on the subject. She mentioned, among other things, that now is the time to spade and fertilize the garden, prune fruit trees, stake trees and shrubs and inspect garden tools to get them in order for spring work.

Business Session During the business session, preceding the program, committee reports were given and new chairmen of the various groups mentioned their plans for the coming year.

Among reports heard was the one on Red Cross work and defense by Mrs. Jim Cook. She gave a resume of work done during the past year and announced that the new assignment is to be the making of woolen dresses for little girls. She stated that magazines are still being collected for soldiers at Camp Howze and that next month the Victory Book Drive will be underway again.

Members decided to make cookies and candy once a month for soldiers at Camp Howze and place them in the USO club rooms. Horticultural Project For the horticultural project for 1943 members chose the gladioli, and added a victory project, the tomato.

Mrs. Tony Gremminger gave an itemized account of all receipts and expenditures during 1942 and then turned the books over to Mrs. John Ezell, the new treasurer. The sanitation committee disclosed that plans are being made to have a city wide cleanup, announcement of the date to be made through the columns of the Enterprise.

Classifications Listed

According to classifications released Saturday by selective service officials of the county the following Munster men are listed:

- I-A: Andrew A. Harrison, Albert A. Knabe.
- II-C: John A. Knabe, Martin F. Hacker.
- III-C: Aloys C. Kleiss, Wilfred F. Reiter, Aloys A. Hess.
- IV-F: Edward Knauf.
- IV-H: Joseph R. Danglimayr, Andrew F. O'Connor, Cecil Sims.

A GRADE THAT'S REALLY STEEP

NEW GUINEA—(Passed by Army Censor)—American Army engineers are shown building "peep" road. The road is so steep that the men must hold on to ropes to keep from falling backward. Grade drops about 65 degrees behind them.

Trash Will Be Hauled Saturday

Persons residing in the city will have an opportunity to dispose of their trash and rubbish next Saturday. The cleanup is one of the campaigns sponsored by the sanitation committee of the Civic League and Garden Club.

A truck will make the rounds Saturday to pick up all trash that is boxed or sacked and set at the curbs or in the alleys.

A minimum charge of 25 cents will be made for the pickup of one or two sacks of trash. Where there are more than two the cost will be 35 cents, or in proportion to the load to be hauled, it was announced.

Chimney Fire At Sicking Home Is Extinguished Before Damage Results

No damage, except a burnt out flu, was reported as the result of a fire at the home of Henry Sicking Thursday evening, though considerable excitement prevailed, and friends and neighbors formed a bucket brigade to extinguish the blaze, which might have resulted in the loss of the home had it not been for the metal roof on the building.

Another fire alarm was given Saturday afternoon and the local department made a run to put out a grass blaze under the over-pass which threatened the near-by refinery.

HOG PRODUCTION GOAL IS INCREASED

The 1943 hog call is for more and fatter hogs—15 percent more and each one 10 pounds heavier.

Recent war developments have made it necessary for the Secretary of Agriculture Wickard to up the 1943 hog goal to a 15 percent increase in farrowings over 1942's record crop. Previously the Secretary had asked for an increase of 10 percent.

At the same time, he reiterated his requests that growers market their hogs with at least 10 pounds more weight on them and that they plan their farrowings so as to result in orderly marketings.

Although the Texas pork production goal has not yet been announced B. F. Vance, Texas USDA War Board chairman, said that Texas growers would be asked to produce their share of the increase being asked.

According to Secretary Wickard's announcement, the Agricultural Marketing Administration will support prices of hogs so as to insure growers a price level of \$13.25 average, Chicago basis, for Good and Choice grade butcher hogs weighing 240 to 270 pounds, until the fall of 1944.

Bank Re-Elects Same Officers And Directors

Names Dr. Myrick As Additional Member Of Board Of Directors

The Munster State Bank begins its year 1943 with the same personnel of officers and directors and with the addition of one new director, Dr. T. S. Myrick, as a member of the board who will serve in that capacity for the coming year.

Stockholders of the institution at their annual meeting Tuesday afternoon, re-elected all directors as follows: J. R. Danglimayr, John Kreitz, J. W. Hess, G. H. Hellman, J. W. Fisher, J. M. Weinzapfel, Herbert Meurer, and named Dr. T. S. Myrick, a new member. Officers are: J. M. Weinzapfel, president; G. H. Hellman, vice-president; Herbert Meurer, cashier.

The general review of 1942 business was read showing that the bank has increased its capital stock from \$17,500.00 to \$25,000.00 and that the regular dividend had been paid to all stockholders. During the existence of the bank from the time it was organized, this dividend has been paid each year.

Reports indicated that the bank has grown steadily and that its assets have been increased in proportion to its growth. Deposits, likewise, have grown and are at the present time \$429,204.69.

Further records brought out the fact that the bank has expended much effort in the development of the community and surrounding territory. Personnel of the institution welcome any one to visit and discuss freely any problems concerning personal finance as well as any other project that is worth-while in the up-building of the community.

Bowling Alleys Re-opened

At their regular business meeting last Wednesday evening members of the Knights of Columbus council decided to re-open the bowling alleys for use on Sunday afternoon and Tuesday and Thursday evenings after church services. The council also made its annual donation to St. Joseph's Orphanage, giving twenty-five dollars to this cause.

Mutual Insurance Association Has 49th Annual Meet

AT FORT SILL

Pvt. Joe Henry Walterscheid, youngest son of Mr. and Mrs. Joe Walterscheid, is stationed at Fort Sill, Oklahoma, with the 196th Field Artillery Regiment. He entered the Army on the 25th of July, 1942, and received his basic training at Camp Robinson, Ark., where he qualified as an expert with the bayonet and rifle and received two medals.

4-H CLUB GIRLS DISCUSS COSTUMES, HAVE STYLE SHOW

Munster 4-H Club girls met last Monday in the parochial school auditorium for their first meeting of the new year. Mrs. J. M. Weinzapfel and Miss Olivia Stock, sponsors, met with the girls. Costumes, suitable for various occasions were discussed, and a style show was presented on the stage. Members taking part in the display, modeling costumes were: Margie Seyler, church attire; Bernice Luttmir, school frock; Tresa Walter, shopping attire; Jeanette Meurer, work costume; Joan Ro-berg, party clothes.

For the recreational period the girls enjoyed an amateur hour. Sixty girls were in attendance.

For their next meeting, Monday, Jan. 18, members were asked to bring a cut dress, or material to cut, and it was stated they would be shown how to make appropriate seams, receive help on fitting, cutting and basting. Several ladies of the Garden Club, the sponsor group, will be present to assist with this work.

Complaints Received Official Action Possible

During the week a number of complaints reached the city council and the sanitation committee of the Civic League and Garden Club regarding the number of dead animals and chickens that are dropped in the northeast part of town, near the cemetery. Since this constitutes a hazard to sanitary conditions and, besides, very unsightly, persons are asked, to be considerate enough to dispose of their dead animals outside the city limits.

In Camp Hospital

Sgt. Gene Lehnertz is confined to the hospital at Camp Stewart, Ga., where he is recovering normally from a recent illness, he wrote his parents, Mr. and Mrs. Joe Lehnertz, this week. It will be some time before he can resume his duties with the 508th Coast Artillery, he added.

Reports 10 Cent Rate Lowest In The State

Twenty-six delegates from six locals attended the 49th annual meeting of the German Farmers Benevolent Association in the Public School, and elected directors for the ensuing year.

The board for 1943 consists of Albert Henschel, president; F. J. Hess, secretary; Emil Vogel, treasurer; and Barney Voth and W. H. Endres.

The association's financial report for the past year indicated, as it has in the past, that it is serving its intended purpose by providing cheap insurance for its members. Losses during the past year amounted to 10 cents per \$100.00 valuation to cover \$1,459.09 of fire loss; salaries and expenditures. The balance on hand at the present time is \$4,633.00. Total gain in risks for 1942 amounted to \$7,890.00.

The company's expenditure of 10 cents per 100 dollars is slightly lower than its average record of 17 cents and remains the lowest in the state.

Founded in 1893 as a means of mutual protection for German farmers of North Texas, the company has grown steadily. It now includes 450 members holding about 500 policies in the communities of Munster, Lindsay, Windthorst, Electra, Valley View and Pilot Point. Its headquarters have continued in Munster since its beginning.

A number of members were lost to the company during the past year due to the fact that they moved from their homes in the army camp area to other locations.

The following out of town delegates attended the session: F. J. Gruber, Peter Block, Joe Benzfort and Ben Hermes, Lindsay; Jake Scheffe and Henry Weinzapfel, Windthorst; H. J. Flusche and Albert Wolf, Electra; W. G. Hassenpflug, Alvin Cler and Henry Belz, Valley View; Louis Tschoepe and August Michalek, Pilot Point.

COW SIDE-STEPS — RESULT IS BROKEN LEG FOR HARRY OTTO

Harry Otto sustained a compound fracture of the right leg while milking Thursday. "Old Boss" is a gentle animal and had no intention of injuring her owner when she changed positions during the process of milking. She simply brought her hind leg down in the middle of Harry's right leg, which was, for the moment, stretched out in relaxation. Harry was taken to the local clinic where his leg was placed in a cast and he remained there for several days for observation before being moved to his home where this week he is reported resting well and the bones knitting normally.

T. J. Vance Pharmacist At Dixie Drug Store

On duty as the pharmacist at the Dixie Drug Store is T. J. Vance, formerly of Fort Worth. He replaces M. E. Collins, who left some time ago to be employed in Dallas.

Mr. Vance has been in the drug business for twenty years and has a wealth of experience in the filling of prescriptions and general work of a pharmacist.

SAMOVAR NEAR THE BATTLEFIELD

U.S.S.—On a wind-swept Russian field, this woman is serving tea to Red Army men from the traditional Russian Samovar. One soldier holds the baby as the teals poured. This scene was recorded during the German retreat from strong points on the Don.

Citation By Publication
 THE STATE OF TEXAS
 TO: Ira Coll, Defendant, Greeting:
 You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 22nd day of February A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 15th day of December A. D. 1942, in this cause, numbered 13677 on the docket of said court and styled Nona Coll Plaintiff, vs. Ira Coll Defendant.

A brief statement of the nature of this suit is as follows, to-wit:
 Being suit for divorce stating that plaintiff and defendant were lawfully married on the 3rd day of May 1925, and that said marriage relation still exists and that four children, all girls, were born of said marriage, to-wit: Gwendolin Coll 16 years old, Billie Coll 14 years old, Wanda Lou Coll 12 years old, Barbara Coll 4 years old, and that there are no property rights involved. That the defendant has been guilty of such cruel and harsh and unusual treatment toward this plaintiff as to render their living together longer as husband and wife insupportable and that on or about September 1, 1941 the defendant abandoned this plaintiff and said children and since which time she has not heard from him, and that he has rendered no support either to the plaintiff or to said children; that he is a person wholly unfit to have the care and custody of said children and that plaintiff is a fit person. Wherefore she prays she have judgment dissolving said marriage relation and for the custody and control of said children, and for general and special relief. As is more fully shown by Plaintiff's Petition on file in this suit.
 The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
 Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this the 9th day of January A. D. 1943.
 (SEAL) Attest: Martin G. Davis, Clerk, District Court, Cooke County, Texas.

Citation By Publication
 THE STATE OF TEXAS
 TO: Alberta Booth Defendant, Greeting:
 You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the issuance of this citation, same being the 22nd day of February A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 5th day of January A. D. 1943, in this cause, numbered 13692 on the docket of said court and styled William E. Booth Plaintiff, vs. Alberta Booth Defendant.
 A brief statement of the nature of this suit is as follows, to-wit:
 On or about the 2nd day of March 1934, plaintiff and defendant were duly and legally married in the county of Marshall, State of West Virginia, and lived together until about the 5th day of June 1935. That on or about the 5th day of June 1935, plaintiff took their child, a girl by the name of Barbara Ellan now 7 years of age, and left plaintiff and their home in the town of Moundville, West Virginia. Plaintiff alleges that while he does not know the whereabouts of defendant, their child is being supported and maintained from an allotment allowed out of his military service. Plaintiff alleges that there were no community property between plaintiff and defendant at the time of their said separation, and that there are not any now. Plaintiff Pleads abandonment under 3 year statute. Plaintiff prays for divorce, and general and special relief. As is more fully

shown by Plaintiff's Petition on file in this suit.
 The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
 Issued and given under my hand and Seal of said Court, at office in Gainesville, Texas this the 5th day of January A. D. 1943.
 (SEAL) Attest: Martin G. Davis, Clerk, District Court, of Cooke County, Texas.
 Vol. 7, Nos. 8, 9, 10, 11.

School Daze
 MUEENSTER PUBLIC SCHOOL

EDITORS: JUNIOR GIRLS
 Last Thursday was a very exciting day for us. We played Volley Ball with the Sacred Heart girls, and came out victorious, and what a whale of a game! Say, they're getting good. We were really flabbergasted, because the ball was flying fast and furiously. The competition was great. The games were a lot of fun even though the weather was rather cold. Let's hope we can play again, soon.
 Thursday afternoon a week, our boys enjoyed a game of basketball. They were doing very nicely at first, then they became overjoyed at the prospect of winning. Although, we are very proud of their many goals, our opponents gained on them. We are looking forward to another game, and by that time we hope we will have found our basketball. Now the boys are practicing with a basketball which proves very convenient.
 Every day brings us a little closer to the end of our first semester. This week we are facing our mid-term exams. Everyone is holding his breath and hoping that he will pass them. What a relief it will be when the tests are over and successfully passed. (we hope!) Then we can see all that we have accomplished in the first semester and cheerfully look forward to the second one.
 We wish to remind the public that we are still helping with the war effort. This week we bought another war bond. We wish to thank Mrs. Zezell for making it possible for us to buy war stamps

Special Tire Information
 Do you know when your tires need repair or get to the recapping point? Technical knowledge of tires is needed to decide. That is why you should HAVE YOUR TIRES INSPECTED BY TIRE EXPERTS — BY PEOPLE WHO WERE REPAIRING and RECAPPING TIRES BEFORE PEARL HARBOR — NOT TO SAVE RUBBER BUT TO SAVE MONEY FOR CUSTOMERS, WE KNOW HOW.
Here's what we can do for you:
 1. Make your application for new tires or recaps.
 2. Give your tires the official inspection required by mileage ration regulations. You must have them inspected before Jan. 31.
 3. Recap your tires when they get to the recapping point.
 4. Repair your tires to keep them in serviceable condition.
 5. Supply you with any grade new tire and especially with THE NEW WAR TIRE—SOME AT SPECIAL PRICES
 6. Have your motor and car serviced.

Local NEWS
Briefs

Miss Olivia Stook visited relatives in Dallas Monday.

Miss Bonnie Yosten joined the staff of Jimmie's Cafe Monday.

Mrs. Eddie Magee left during the weekend to visit her husband at Camp Roberts, Calif.

Mr. and Mrs. Earl Bowling are the parents of a daughter born at the local clinic Sunday.

Miss Charlie Bradshaw spent the weekend at Weatherford with her parents.

Miss Gertrude Beyer of Lindsay was the Sunday guest of Miss Anastasia Tempel.

Pvt. W. P. Bratcher of Perrin Field spent Sunday here with his wife.

Sgt. and Mrs. Manford Rice of Gainesville were Sunday guests of Mr. and Mrs. Hugh Jackson.

Mrs. Ed Eberhart went to Sherman Tuesday afternoon to submit to a major operation at St. Vincent's hospital.

Since the beginning of the week Misses Rita and Catherine Swirczynski are employed at Gainesville with the telephone company.

Mr. and Mrs. Bert Fisch and family of Fort Worth spent Sunday here with the Fisch and Lehnertz families.

Mrs. H. P. Hennigan sustained severe burns on her right hand last week when a pan of hot lard was accidentally turned over.

Pvt. and Mrs. Albert Steinberger of Perrin Field were here Friday to visit their parents, Messrs. and Mesdames Louis Steinberger and Tom Carter.

Miss Rosemary Fisch was back on duty at the Magnolia Service station Tuesday after being confined to her home for several days on account of a severe cold.

John Hellman of Memphis, Tex. stopped by here one day last week for a brief visit with relatives. He was enroute to Dallas and other points on business.

Little Therese and Alma Hennigan were back at school this week after being ill several days last week at the home of their parents, Mr. and Mrs. H. P. Hennigan, suffering from flu.

Mrs. John Felderhoff and children, Henry and Emma, spent the weekend at Mineral Wells with Pfc. and Mrs. Aubrey Jennings. Emma remained for a longer visit with her sister.

Mrs. Pat Kathy of Woodbine is here this week visiting Mr. and Mrs. Earl Bowling and Mr. and Mrs. Cason. Mrs. Kathy is the former Miss Virginia Renfro of this city.

Mrs. E. P. Buckley and daughter, Betty Lue, spent the weekend in Grapevine visiting Mrs. Buckley's brothers and sisters. A family reunion party was held in honor of one of her brothers who left this week for California.

Tony Hesse is back at home here after receiving an honorable discharge from the army, due to the fact that he is over the age of 38, and is needed for farm work. He entered the service in July and for the past several months had been stationed at Fort Bliss, Texas.

Mrs. Emmet Fette is Hostess To C. D. of A.

Mrs. Emmet Fette entertained in her home Thursday evening as hostess to the members of the Catholic Daughters of America court. Three tables were arranged for progressive 42 series to furnish diversion for the guests during the evening.

At the conclusion of the games high score award and galloping prize were awarded to Miss Tresa Loerwald of Lindsay, a guest, and Mrs. Jake Pagel was presented with the consolation favor.

The party was concluded with

the serving of delicious refreshment plates and hot coffee to members and two guests, Miss Loerwald and Mrs. Henry Fette.

MRS. KAISER ENTERTAINS GET-TOGETHER CLUB

Mrs. Frank Kaiser was hostess to the Get-Together Club at her home on the first Wednesday of the month.

During the afternoon guests en-

joyed games of progressive 42 in which Mrs. C. M. Walterscheid scored high and Mrs. Joe Horn low. Each received a gift.

Mesdames Ben Hellman, Kaiser, Walterscheid and Clarence Wilson were presented with gifts from their sunshine pals in observance of their birthdays which occur this month.

The hostess served attractive refreshments at the close to 14 members and one guest, Mrs. C. J. Kaiser.

A nonsense story going the rounds concerns Sir Lancelot, lost one dark night in a deep woods. He wandered about helplessly and after some hours encountered a handsome St. Bernard dog. The dog, attached himself to Sir Lancelot, and they went on together for some time. Then the knight, exhausted, sat on the back of the magnificent animal. It dutifully took him straightway to a tavern. Sir Lancelot knocked at the door. "Could you give me bed

and board?" he inquired of the proprietor.

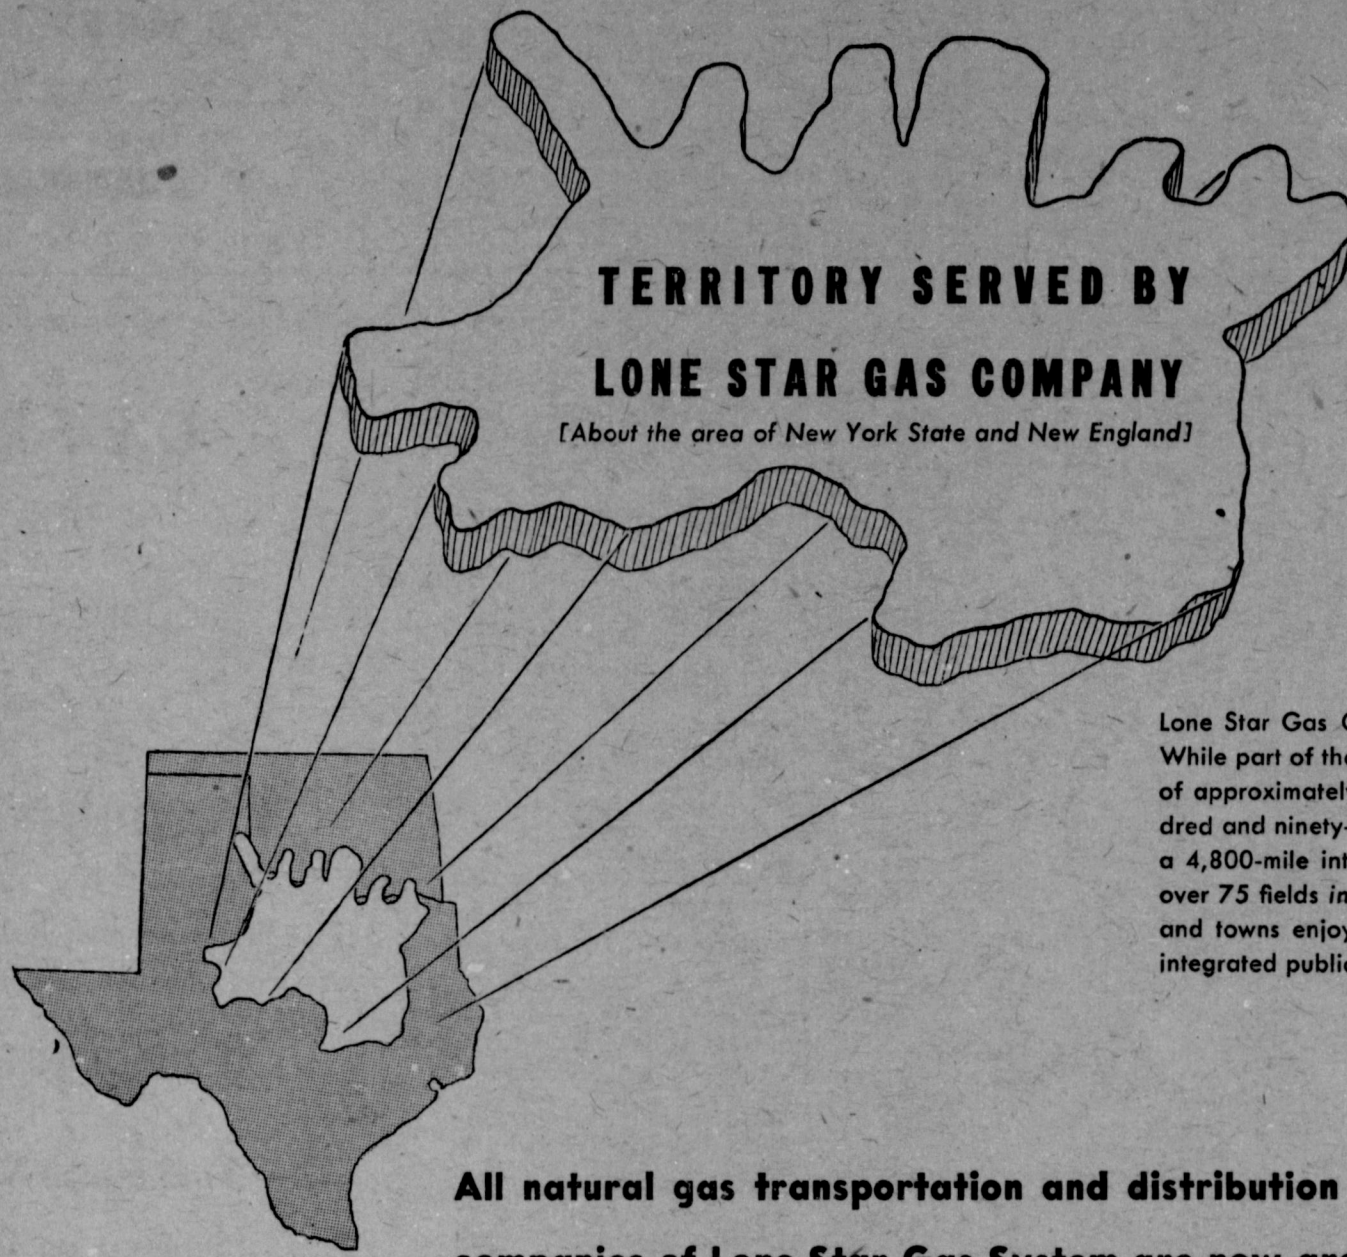

The tavern keeper peered out into the darkness. "Who am I to

turn out a knight on a dog like this?" he answered.

TERRITORY SERVED BY LONE STAR GAS COMPANY

[About the area of New York State and New England]

THE operating companies now reorganized into one Lone Star Gas Company form a highly integrated public utility system. While part of the area served is sparsely populated, having a population of approximately 1,300,000, the system is unusually compact. Two hundred and ninety-five Texas and Oklahoma cities and towns are served by a 4,800-mile interconnected pipeline which transports natural gas from over 75 fields inside the area. The natural gas service which these cities and towns enjoy today was made possible by the development of this integrated public utility system.

All natural gas transportation and distribution operations of the several affiliated companies of Lone Star Gas System are now grouped into one operating company, organized under Texas corporation laws, and which hereafter will be known as the

Lone Star Gas Company

The Lone Star Gas Corporation was among the first to register under provisions of the "Public Utility Holding Company Act of 1935." Now, under a plan submitted to and approved by the Securities and Exchange Commission, the System is among the first to be reorganized into a more simplified corporate structure. The plan became effective January 1, 1943.

Working out details with the Securities and Exchange Commission and securing approval of our stockholders has been a big job requiring many months. We believe the reorganization will benefit our nearly 300,000 customers and our 4,500 employees.

Ever since 1909 when Lone Star struck out from Petrolia with a pipeline to Fort Worth, the System's ideal has been to build and maintain a natural gas service that would be so sensitive and responsive to public purposes and public needs that it would be a stimulant to the Southwest's development.

And the Southwest has grown. We've developed for and with it until Lone Star System up to the time of reorganization comprised:

- THE DALLAS GAS COMPANY**
- COMMUNITY NATURAL GAS COMPANY**
- TEXAS CITIES GAS COMPANY**
(distributing companies operating inside 295 Texas and Oklahoma Cities and Towns)
- LONE STAR GAS COMPANY**
(the company developing the gas supply and transporting it to the distributing companies)
- LONE STAR GASOLINE COMPANY**
(the company developing gas reserves and by-products of natural gas)

Now all of the transmission and distribution properties of these companies will be owned and operated as one integrated public utility system by a new Texas company named

Lone Star Gas Company

The gas field producing operations of the system, such as drilling wells and developing gas, are taken over by Lone Star Producing Company. So now, there are just two

companies whereas before there were five operating companies and one holding company. Both are new Texas corporations.

The reorganization will not in any way change the basic policies or personnel of Lone Star Gas System. However, it simplifies operations, makes for considerable coordination of effort, and creates a tightly-knit organization which will be even more sensitive and responsive to your fuel service needs and wartime demands.

In it all there is just one sad note—the passing of such names as The Dallas Gas Company, Community Natural Gas Company, and Texas Cities Gas Company. We know thousands have a friendly, cordial feeling for these names through years of business transactions. But only the names pass on. The men and women who made these companies' good names remain to serve our customers.

A substantial rate reduction made last May and this simplification consummated in December were of material benefit to the Southwest and marked 1942 as a notable year in the history of Lone Star Gas System.

The Community Natural Gas Company is now the

LONE STAR GAS COMPANY

following completion of a 15-day furlough spent with his parents, Mr. and Mrs. Joe Lehnertz and family. According to reports, so Giles said, he would be transferred in the near future to another field for more advanced training with the glider corps. While in the city he was honored with a number of social affairs.

Home On Furlough
Pfc. Arnold Schilling of Camp Young, Indio, Calif. spent the latter part of the week and several days of this week here with his father, John Schilling and other relatives. He is attached to the Medical Unit of the army and reported back for duty on the 16th.

Promoted To Sergeant
Roman Trachta is now a sergeant in the army's medical division. The promotion was made recently somewhere in the Pacific area where he is stationed.

Transferred To Florida
Pvt. Anton Fleitman, a mechanic with the army air corps was last week moved from Burbank, Calif., where he completed a special course in mechanics, and is now stationed at Venice, Fla., he wrote his parents, Mr. and Mrs. Joe Fleitman. His address is: 386 Service Squadron, Army Air Base, Venice, Florida.

In New Caledonia
Mr. and Mrs. Matt Stelzer had a letter from their son, Gerald Stelzer, electrician's mate, third class, last week, their first communication from him in almost two months. Gerald advised that he is well and busy. He enlisted in the Navy last June.

At Camp Peary
Joe Yosten, MM 1-C, is at Camp Peary, Williamsburg, Virginia, since the week being moved there from Norfolk, where he received his early Naval training. His wife left here Tuesday to join him there.

From Ireland To England
Pvt. Arnold Muller, in a letter dated Dec. 15, and received by his parents, Mr. and Mrs. Matt Muller, Saturday advised that he was recently moved from Ireland, where he spent ten months. To England. He added that he had received a number of Christmas gifts and cards before leaving. Ernie had asked that his best wishes be extended to all his friends.

Receives Promotion
It's Corporal Andrew Yosten since last week. He received the promotion at Camp Berkeley, where he is attached to the infantry 90th, Division.

In Sunny California
After moving to half a dozen different camps during the past few months, Pvt. Roman Larry Yosten is now settled and training hard at Camp Tanforan, San Benito, Calif., he reported in a letter to his parents, Mr. and Mrs. Bob Yosten, this week.

Home For Visit
Anthony Klement, with the Coast Guard, was home for a three-day visit this week with his parents, Mr. and Mrs. Frank Klement. He is stationed at Charleston, S. C.

Transferred To Arizona
Aviation Student Wilmer Luke was transferred from Albuquerque.

Confetti---

(Continued from page 1)

scribe the immensity of the tragedy. The imagination can run wild without ever approaching an adequate picture of the real terror and misery. And then there's the starvation and exposure endured by millions of innocent victims whose native lands have been bled white by the ravages of war.

Tragedy like this constitutes the real story behind the news we are reading every day. The thrilling account of our success in a battle, an advance in Russia or Africa, the cheerless news of the loss of a plane, ship or strategic position are more than so many plays in a titanic game. They are records of horror and death.

Actually, we here in America are hardly aware there is a war. We get less meat, coffee and sugar. We drive less, work longer hours, and pay higher taxes. We have a few inconveniences that leave little effect on the normal course of our lives. In many cases, this distress is even seized as a stepping stone to unprecedented prosperity. We can't say we are enduring hardships. Neither our civilian population nor the millions of men now in the daily grind of training for future combat.

N. M. to Wickenburg, Ariz., last week. He is with the Glider corps.

"Bud" Transferred Again
Sgt. Clarence Hoehn, who reported for instructions at Pocatello, Idaho, last week, is now stationed with the history-making 19th Bomb Group at Poyote, Texas, near Monohans.

Writes Enterprise of Transfer
Pvt. Frank Hoedbeck was recently transferred from Camp Livingston, La., to New Orleans, he advised in a letter this week to the Enterprise, when he renewed his subscription to the paper, which he says "really hits the spot." He said to give all the Muenster folks his best regards and his address is: Pvt. Frank Hoedbeck, 252 M.P. Co., Jackson Barracks Area, New Orleans, La.
