Community goal is \$7000

United Way drive begins

Cooke County's United Way drive of 1985 got under way Monday at noon at a kick-off luncheon in the Holiday Inn. It featured John Criswell of Channel 8 TV as the guest speaker along with remarks by Mayor Harry Roark and campaign chairman Gordon Adair.

Attending from Muenster was Mrs. Alvin Fuhrmann represent-

ing her husband, who is chairman of the Muenster campaign committee.

He revealed that the drive's county wide goal is \$125,000 and the Muenster share is \$7,000. He said that last year's also was \$7,000 but its disappointing total was \$4,777. After that let-down, he added, "going over the top becomes a special matter of community pride."

The chairman also stated that the community is in debt to United Way. It received \$5,000 from the fund last year as a beneficiary but gave less than that amount in the drive.

Agencies receiving benefits from United Way and the amounts were listed as follows:

Red Cross	\$7,500
Boy Scouts	\$6,500
Campfire Council	\$22,000
Child welfare	\$2,000
Community Service Advisor	\$1,500
Friends of the Family	\$4,000
Voluntary Action Center	\$1,500
4-H and FFA	\$3,500
Gainesville Boys Club	\$45,000
Muenster Youth Council	\$5,000
NT Radio Reading	\$150
Salvation Army	\$6,500

Diabetic Foundation \$5,000
Alcohol-Drug Council \$2,000

The Muenster committee's intention is to contact all of the community's working people. Anyone who is overlooked and would like to give is asked to send a check, payable to United Way, to Box 587 Muenster. Otherwise it can be given to Muenster Telephone Co. or to any of the campaign workers. They are: Mary Seiking, Ken McDougle, Jane Monday, Herbie Miller, Dan Wilde, Joe Hellman, Charles Coffey, Ronnie Hess, Ben Bindel, John Pagel, Lillian Walterscheid, Yonna Moore, Gina Grewing, Sharon Wolf, Monica Hess and Gracie Fuhrmann.

Closing date for the Muenster drive is November 6.

SH Homecoming shaping up

Homecoming Week at Sacred Heart High School, Oct. 7-12, is promising to have a full schedule of activities, celebrations and special events for students, parents, ex-students and friends. To be honored Friday night are graduates of 1945, '55, '65 and '75.

Plans for students call for decorating on Sunday, 10 a.m. to 2 p.m., with competition particularly keen among the high school classes. On Monday, 8 p.m. to 10 p.m., there will be various games for high school classes. Tuesday will be Spirit Day and Red and White Day. There will be a volleyball game between teachers and students at 12:40 p.m.

Highlight of Wednesday's activities will be the powderpuff

football game at 8 p.m. on Tiger Field, freshmen and juniors versus sophomores and seniors.

On Thursday morning, all students will attend a special Mass with homecoming liturgy in Sacred Heart Church. Just before noon on Thursday, the Queen's Court will be honor guests at a luncheon in the Community Center at 11:35 a.m. Results of the grade school poster contest will be announced Thursday.

The Spirit Chain Judging will be held at 4 p.m. on Friday, followed by a balloon blowing contest. A Pep Rally at 5:30 p.m. will precede a meal served at the church pavilion.

Homecoming activities on Saturday begin with Mass in Sacred Heart Church at 5 p.m. A

social and reception for all SHHS graduates will be held in the community center until 7 p.m.

The Homecoming football game will be played on Tiger Field Saturday night, Tigers versus Bishop Lynch JV at 7:30 p.m.

Crowning of the Homecoming Queen will occur at half-time with traditional finery, festivity and formality. Senior Queen candidates are Lydia Walterscheid, Leslie Hess, Paula Yosten and Sandra Walterscheid. Homecoming Princesses are junior Beverly Haverkamp; sophomore Shawna Grewing; and freshman Noelle Hesse.

Following the football game, "Hard Times" will play for a dance in the Sacred Heart Community Center.

KCs will name Good Neighbor at Oct. 13 event

Grand Knight Robert Knauf of the Muenster Knights of Columbus has reminded members to mark their calendars for the traditional observance of the feast of their patron, Christopher Columbus. It will be on Sunday, Oct. 13, a day after Columbus Day.

The day's program will begin with group attendance at the 9 a.m. Mass in Sacred Heart Church after which the year's selection of Good Neighbor will be introduced and receive an award. The good neighbor is someone of another faith and the yearly presentation is made in the ecumenical spirit of promoting harmony among the creeds.

After church service, the Knights will have breakfast in the KC Hall. Priests, nuns and widows of members will be guests.

Muenster firemen kept busy

Firemen of Muenster have been kept busy during the past three months as shown on their quarterly report, just released. According to Fire Chief Herbert Knabe, the total number of calls is about the same as for some full years. One of the reasons, he added, is the dry weather, during which there were 15 grass fires.

Other fire calls recorded are two house fires, one barn fire, one bridge fire, three auto accidents, one trailer fire and one appliance fire. The total is 24.

FIREMEN GETTING THINGS under control at Art Bayer's barn fire are Herb Knabe, Mike Frost (on ladder), Jim Vogel, Jim Voth, Tim Bindel and an unidentifiable fireman. The non-fireman is Keith Bayer.

Photo by Janie Hartman

Barn fire damage is moderate

A barn fire of unknown origin at Arthur Bayer's place last Friday caused moderate damage, but left the building in repairable condition. Fire chief Herbert Knabe said an early report and short travel distance enabled the firemen to get on the job before it was far advanced.

Damage to the sheet metal

structure consisted of damage to framework of one side wall and more damage to overhead lumber. There were no contents at the time. The building was being used only as a shelter for sheep at night. Also, it was isolated at a safe distance from other buildings and presented no damage of spreading.

MEMBERS OF THE QUEEN'S COURT for the Homecoming celebration at Sacred Heart High School include this group of students: top row, l to r, seniors and queen candidates Lydia Walterscheid, daughter of Sonny and Annette Walterscheid; Leslie Hess, daughter of Frankie and Ruth Hess; Paula Yosten, daughter of John and Pat Yosten; and center, Sandra Walterscheid, daughter of Norbert and Mary Ann Walterscheid. Princesses in the third row are junior Bev Haverkamp, daughter of Lennie and Joan Haverkamp; and sophomore Shawna Grewing, daughter of Anthony and Linda Grewing; center front is freshman Noelle Hesse, daughter of Tom and Lucille Hesse.

Good News!

Surely I, the Lord, do not change, nor do you cease to be the sons of Jacob. Since the days of your fathers you have turned aside from my statutes, and have not kept them. Return to me, and I will return to you, says the Lord of hosts.

Two attend State Convention of Extension Homemakers

Three Cooke County members of the Texas Extension Homemakers Association, Mmes. Lucille Lutkenhaus of Muenster, Betty Flynn of Gainesville and Wilma Richardson of Ross Point attended the state convention of the TEHA in Longview Tuesday through Friday of last week.
They joined more than 1000 Texas homemakers at Maude Cobb Activity Center in Longview where a number of workshops were available, including one of special interest on Court Watching. Attending trials and court sessions involving drug offenders and other habitual criminals; attending lectures on leniency in sentencing; discussions of media coverage and related publicity, held the interest of a large number of delegates.

One of the speakers at the convention was the Director of Girls Town in West Texas, Marshall Cooper. He was also presented a sizable check from the 23,000 members of the Texas Extension Homemakers Association, reflecting the year-long donations made by all the clubs of Texas.
Keynote speaker of the state convention was Helen Leonard director of public information with the American Council of Life Insurance and Health Insurance Association. She frequently addresses groups such as the homemakers on topics of health care costs and wellness, which she said "tie together."
Accompanying the three Cooke County representatives was Mrs. Dorothy Fisher, who went as far as Gladewater to visit her sister Mrs. Thelma Hawthorne.

It's Oktoberfest time at Lindsay

At Lindsay, they're saying Herzlich Willkommen to all for the annual big German picnic sponsored by the Jaycees. The yearly party, Oktoberfest, will be held next Sunday, the 6th, noon to midnight, rain or shine, in the Lindsay Park.
Its schedule is packed for fun. Along with full-time availability of beer and food (especially German goodies), there will be a horseshoe tournament, tugs-of-war, a dunking booth, bingo, polka music, teen dancing, card games and a country store...and even Cowboy football. A 25-inch TV will be set up under the main

pavilion to show the Cowboys playing the New York Giants.
Something more is a balloon release as a benefit for Shelly Long, who was paralyzed in a car accident. 4-H members will have a booth to sell the balloons to which buyers will attach their names and messages before sending them up, hopefully to hear from people who find them. All the proceeds will be used for Shelly's medical bills.
Other proceeds of the fest are earmarked for other Jaycee projects, such as cystic fibrosis, muscular dystrophy, and improvements like tennis courts and baseball fields.

McCoy's opens new building supply center

The new McCoy's Building Supply Center in Gainesville is now open. The store located on Hwy. 82 West is one of 63 operated statewide by McCoy's.
Wide aisles and many product displays are typical of McCoy's spacious 15,000 sq. ft. floor sales area. And with 9,000 sq. ft. of warehouse and adjoining lumber yard, customers are assured of a wide product selection. Shopping at McCoy's is quick and convenient.
McCoy's volume buying power means low, low everyday prices on brand name merchandise like General Electric, Stanley, Lucite, Skil, Owens-Corning, Temple-Eastex, Weyerhaeuser, Georgia-Pacific, and Champion. McCoy's keeps on hand a large inventory of

lumber, roofing, plywood, paint, doors, windows, paneling, as well as fencing, plumbing, electrical supplies, and kitchen cabinets. McCoy's is a one-stop building materials supermarket.

COMMENT

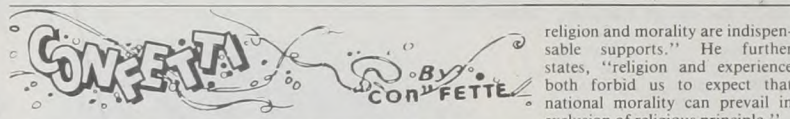

The least of many evils

By Richard A. Viguere

Worse than communist China? Worse than Poland? Worse even than Ethiopia or Cambodia? That's what the anti-apartheid activists would have us believe about South Africa. Recently, on a Washington interview program, Roger Wilkins of the Free South Africa Movement said that "The worst and most vicious repression on the face of the earth since Nazi Germany is going on in South Africa."
That statement is absurd on its face. In South Africa, there is a free press, highly critical of the government. Opponents of apartheid travel around the world denouncing that system and then are allowed to return home. There is political violence, but fewer people are killed in a year than in a typical week in countries like Uganda. There is poverty, but less than anywhere else on the continent; there are more automobiles owned by South African blacks than by the entire population of the Soviet Union. South African blacks live, on average 10 to 12 years longer than blacks in Nigeria and Tanzania. Black Africans migrate to South Africa to escape the political and economic oppression they suffer in their home countries; there is not a single country in Africa where the average black has more freedom than in South Africa.
Make no mistake: South Africa's regime is not democratic, though it comes as close to democracy as almost any African nation. But to say that it is the worst in the world in the last 40 years - worse than the Islamic states where the sexual mutilation of women is considered a normal

practice, worse than Afghanistan where the Soviet-backed government sprays its people with nerve gas, worse than Libya or Angola or Mozambique - is nonsense. Worse than nonsense, it is propaganda designed to cover up the double standard that the left applies to South Africa and to totalitarian governments.
Why don't we see liberals demonstrating outside the Soviet embassy, getting themselves arrested in front of the news cameras? Why don't entertainer-like Stevie Wonder dedicate their awards to anti-communist leaders as well as to South African terrorists?
Why don't liberals push for cities and states to divest their pension funds of investments in the Soviet Union, or in companies that do business with the Soviet Union? Why don't they lobby for laws to outlaw U.S. investment in Poland, Nicaragua, and the USSR? Why don't they support a ban on the sale of high-tech items to the communist world? When Senator Malcolm Wallop (R-Wyoming) proposed equal sanctions against South Africa and against communist nations, why did liberal Senators vote it down overwhelmingly?
Why don't liberals blacklist Soviet athletes the way they do South African athletes like Zola Budd? Why don't they blacklist entertainers who perform behind the Iron Curtain the way they supposedly performed in South Africa, like Helen Reddy and Cher? Why don't they encourage longshoremen to refuse to unload ships from the Soviet Union?
Why do so many liberals take

their vacations in communist countries, when their principles would forbid them from vacationing in South Africa? Why do they have their pictures taken at Soviet embassy parties, laughing, with drinks in hand and their arms around KGB thugs, when they would sooner pose with Idi Amin than a South African official?
And why don't they make the point that, just as it is immoral to aid apartheid financially, it is immoral to assist the countries of the Soviet empire? Why do liberals in Congress continue to vote for loans and credits that pay U.S. companies to do business with communist nations - with governments that have sworn to wipe America from the face of the globe - while supporting sanctions against the South African government?
One of the major factors in Ronald Reagan's 1980 victory was the fact that Jimmy Carter had helped bring down the dictator in Nicaragua and the dictator of Iran. Carter, you see, had given little thought to the form of the government that would come after Somoza and the Shah were run out of town on a rail. The U.S. lost two valuable allies; the budding freedom of the people of Iran was crushed; and the people of Nicaragua are today obliged to fight a bloody war to obtain the freedom that should have been theirs five years ago. If his actions on South Africa are any guide, it appears that President Reagan does not intend to repeat Jimmy Carter's mistake.
Viguere is president of the National Conservative Political Action Council, NCPAC, based in Virginia.

over another," but they should not be places devoid of respect for religion, for Judeo-Christian tradition, or from values that so clearly emerged from it.
People who attack the secretary of education and his principles obviously are ignorant of the country's religious heritage, or the statement of principles upon which the nation was founded, or the Declaration of Independence drafted by Thomas Jefferson and stating that God's law takes precedence over man-made law, and that it is God's law that they be free.
Regarding the national tradition, Jefferson left no doubt when including these words in the Declaration of Independence. "We hold these truths to be self-evident; that all men are created

equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty and the pursuit of happiness; that to secure these rights governments are instituted among men." In pledging their support of the Declaration of Independence, the founders stated "a firm reliance on the protection of divine Providence." Jefferson further said "Can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of people that their liberties are a gift of God?" Elsewhere, he listed the three purposes of education as "religion, morality and knowledge."
Also pertaining to the subject, George Washington said, "Of all the dispositions and habits which lead to political prosperity,

religion and morality are indispensable supports." He further states, "religion and experience both forbid us to expect that national morality can prevail in exclusion of religious principle."

Letter to the Editor

Dear Editor:
Cheers to the Muenster Volunteer Fire Department!
We are so grateful for their swift action last Friday when our barn was burning. It is such a helpless feeling when you see a structure on fire and you have no equipment or manpower to do anything about it. I hope everyone will support our fire department in their fundraising for updated equipment. I know we do.
Thanks to all of them!
Sincerely,
Arthur & Frances Bayer

EAGLE SCOUT ERIC DANKESREITER and his parents, Rosemary and Tom Dankesreiter.

Tom Hesse Photo

Eric Dankesreiter is Eagle Scout

In a solemn ceremony Saturday night following the 7 p.m. Mass in Sacred Heart Church, Eric Dankesreiter received an award of Eagle Scout, the highest rank in Scouting. Eric is a son of Tommy and Rosemary Dankesreiter.

Formalities involved presenting the Eagle medal to Eric's mother who pinned the emblem on him, after which her pinned a miniature medal on her. Next Eric attached a tie pin miniature of the emblem on his father's tie. Also at the presentation Eric received an Eagle kerchief.

A number of other ceremonies preceded the presentation. They started with a procession of Scouts headed by flags of the nation, the

states and the Scouts and group singing of the hymn "Service."

Then a narration by David Bright entitled "The Voice of the Eagle" recalled the long and difficult process of advancing through ranks of Tenderfoot, Second class, First class, Star and Life to reach his lofty goal. Meanwhile scouts of each rank stood by while the talk referred to his rank and another candle was lit for each advancement. Those members were Mark Flusche, Kenneth Walterscheid, Jimmy Herr, Chad Fleitman, Joe Weinzapfel and Ryan Bayer, and the candle lighter was Jason Walterscheid.

Other formalities preceding presentations were John Herr's reading of the Scout Law and the Eagle Court, consisting of Henry Weinzapfel, Butch Fisher and Jim

Gehrig, verifying that Eric had been tested and found qualified for the high honor. And reminders of his high calling as an Eagle were presented by older Eagles, Drue Bynum and Stephen Vogel.

Other participants of the ceremony were Juanita Bright as master of ceremonies; Hank Richroath, representative of the National Council; and Ralph Sidener, district executive. Also David Rohmer as emblem bearer; Dana and Amy Dankesreiter as buglers; and Keith Vogel, Shawn Vogel and Rodney Knabe as flag bearers.

Father Denis, Chaplain, closed the ceremony with congratulations for Eric's achievement and a reminder to live up to the high ideals of Eagle scouting for the honor of God, country, church and family.

Firemen to observe Fire Prevention Week Oct. 6 - 12

In observance of national fire prevention week, Oct. 6-12, Muenster's fireman will conduct programs at both schools on the fundamentals of preventing fires as well as award prizes in a poster contest for students of grades 1 to 4. There will be first, second, and third prizes for each of the eight classes.

And children will receive booklets on what to do and what not to do in preventing fire.

Taxpayers receive statements

It's taxpaying time again in Muenster. Tuesday morning's mail brought the annual statements from the City of Muenster and the Cooke County Tax Appraisal District, the former being for payment due to the city and the Muenster Water District, the latter for amounts owed to the county, to the county college district, to Muenster ISD and to the county's lateral road fund.

The city's tax rate is unchanged at 43 cents for the city and 12 cents for the water district, however,

total valuation is up from \$32.5 million to \$35 million, hence total revenue is expected to be higher...about \$141,000 in all.

The county appraisal district quotes rates of .087 for the college, .325 for the county, .595 for Muenster ISD, and .020 for the road fund.

Payments on both statements are due in January and become subject to penalty, increasing monthly, after January. However, the appraisal district allows discounts for early payment.

School personnel attend meeting on discipline plan

In keeping with the upgrading program of public schools, the Texas Education Agency held a conference on discipline management plan orientation Sept. 19 in Fort Worth.

Its purpose was to assist superintendents and/or anyone in charge of developing a district discipline management plan which is due at the Texas Education Agency by Feb. 1. The end result of the program will be a guideline for dealing with discipline problems. Previously, administrators dealt with such matters individually as they came up.

Muenster personnel attending were Charles Coffey, Ed Griffin and Gwen Trubenbach.

256 enroll in CCD classes

Two hundred and fifty-six students are enrolled in the Sacred Heart Parish CCD program for 1985-86. Of these, 116 are boys and 140 are girls, representing 128 families, including eight new families.

In-service for CCD teachers was held on Aug. 9 and Aug. 28.

The first class was held on Sept. 11 followed by Mass conducted by Father Denis Soerries and the opening liturgy prepared by grades 5 to 8. Mass servers were Joe Weinzapfel, Doug Evans and Jon Fleitman.

The entrance procession included members of each class, presenting the textbook they will use this year: fifth grader Justin Hartman, sixth Marcia Vogel, seventh Mindy Graham and eighth James Hennigan.

Jan Fleitman, Denise Anderle and Jeff Hellman gave the first reading, responsorial psalm and alleluia, respectively.

Dianne Pagel, Mike Gobble, Sheryl Sicking, Scott Hudspeth, Jason Walterscheid, and Jenny Wimmer led prayers of the faithful.

Jerry Brawner, Marcia Vogel, Lisa Russell and Kristi Bierschenk

presented Offertory gifts. Congregational singing for the Mass was accompanied by the guitar group of Christi Klement, Dianne Grewing, Dana Dankesreiter and Denise Bayer, with Melissa Bayer playing the tambourine.

In preparation for the 1985-86 program in Sacred Heart Parish two days of in-service were devoted to instruction by the CCD teachers and their aides. The first workshop was held on Aug. 9, beginning with a coffee and fellowship in the Community Center meeting room at 8:30 a.m., followed by prayer and teaching by Sister Dolores Siebenmorgen, a member of the School Sisters of Notre Dame.

Four of Muenster join tour of thirty

Al and Toni Hess and Ed and Rose Klement of Muenster joined a tour group of thirty on a guided Dan Dipert Canadian Rail Tour that began with a flight from DFW to Toronto on August 8. The tour included stops for special features in several places, creating exciting highlights, including bus tours into mountain areas and a snowcoach ride atop a glacier.

Arriving in Toronto, they spent the first afternoon sightseeing and the first night in the Royal York Hotel, famous because it is the hotel in which Queen Elizabeth still keeps a suite. "The next day we boarded the train to begin the trip westward across Canada," said Al Hess, skirting Lake Superior, through woods and wet lands of Ontario

Province, across wooded Manitoba with its scattered farm areas, and on into the flatlands of Saskatchewan with its wheat fields and oil fields."

Both couples commented favorably on the comfort and convenience of the guided tour, and the courteous treatment by the directors.

They said "We continued on the train into Alberta Province's eastern range lands, then on to western Alberta and the magnificent Rocky Mountain range..."

"We disembarked the train at Banff, a resort town in Banff National Park, where we spent two and a half days, appreciating the great beauty of the area, enjoying morning temperatures in the thirties and taking bus tours into mountain areas and then we viewed 'Beautiful Lake Louise' which is fed by the Victoria Glacier."

An exciting trip was a snowcoach ride atop the Athabasca Glacier, which is part of the Columbia icefields, which covers 150 square miles and is hundreds and hundreds of feet thick. They saw many ice-capped mountains and great areas of new-fallen snow atop the mountains.

They also visited several garden parks with their great abundance of blooming plants and flowers

that are coaxed into ever-changing seasonal beauty by the climate.

Continuing on the trip by train, they had an eighteen hour ride across British Columbia, seeing woods and sawmills, and arriving in Vancouver to end their 2500 mile train ride.

The last day was spent touring Vancouver, seeing the Banking District, and then Stanley Park and Queen Elizabeth Park, with flowers so beautiful to almost defy description.

After a night's rest and the next morning spent shopping for souvenirs, the tour group boarded the plane for the return flight to DFW and individual trips home.

MRS. JOSEPH M. BARTUSH
... nee Barbara K. Lane ...

Joseph Bartush marries Barbara Lane

Mr. and Mrs. Joseph M. Bartush are at home in Farmers Branch since returning from their wedding trip to Marsh Harbour Island, Abaco, Bahamas.

They were married in St. Rita's Catholic Church in Dallas at noon on Sept. 14 in a nuptial Mass with traditional double-ring ceremony celebrated by Father David Lawrence, pastor of St. Rita's and Father John Coury of Chicago, cousin of the groom.

The bride is the former Barbara K. Lane of Dallas, daughter of Mr. and Mrs. James W. Newman of Kansas City, Mo. The groom is the son of Mr. and Mrs. Charles F. Bartush, Sr. of Muenster.

The bride was given in marriage by her mother and stepfather. For her wedding, she chose a formal candlelight taffeta gown with a full chiffon overskirt. Alencon lace attached to chiffon covered the bodice and formed the long sleeves. The dress featured a Queen Anne scooped neckline and sheer net back bodice, with satin covered buttons from neck to the bustle effect. The full skirt dropped to slipper length in front, sweeping gently into a cathedral-length train. The scalloped hemline was completely surrounded by elegant appliques of Alencon lace. The bride designed and made her lace headpiece and veil with two tiers of bridal illusion and simulated pearls.

For sentiment, she wore antique diamond earrings, a gift from her mother, and a diamond necklace, a gift from her stepfather.

Her bridal bouquet was a cascade arrangement of silk gardenias, stephanotis and baby's breath and a white rosary, tied with white and blue ribbons and lace.

Attendants
Sue Kuhlo of Carrollton, a friend of the bride, was her maid of honor and Angie Bartush and Virginia Bartush, sisters of the groom, and Liz Ross and Lynn De Joy were her bridesmaids.

They were identically gowned in full-length peacock blue dresses designed with scooped ruffled neckline, dropped gathered waistline and a ruffle at the hemline. Each carried a bouquet of blue carnations, white roses, baby's breath and coral alstrameria.

Mary Elizabeth Del Olmo, niece of the groom, was flower girl and John Bartush, Jr., nephew of the groom, was ringbearer.

Randy Schawang of White Cloud, Kansas, a friend of the groom, was his best man. Bill Bartush of Lynn Haven, Florida and Paul Bartush of Victoria, both the groom's brothers, Ed Halpin of

Wichita, Kansas, a friend, and Todd Lane of Kansas City, Mo., the bride's brother, were groomsmen.

John Bartush, Mike Bartush and Jim Bartush, the groom's brothers, of Muenster and Gerry Von Feldt of San Antonio, a friend of the groom, were ushers.

Traditional wedding music was presented by the organist and music minister of St. Rita's Church, Michael Joyce.

Long-stemmed pink roses tied with blue ribbon were presented by the bride and groom to their mothers at the Sign of Peace during Mass. Pink roses were also placed by the couple at the altar of the Blessed Virgin Mary during Mass.

Liturgical readings were given by Chuck Bartush, the groom's brother, and Mary Beth Bartush, the groom's sister. Petitions were read by Cathy Del Olmo, sister of the groom. Offertory gifts were carried to the altar by parents of the couple, Mr. and Mrs. James W. Newman and Mr. and Mrs. Charles F. Bartush, Sr. Eucharistic ministers were John Bartush and Chuck Bartush, the groom's brothers.

Altar decorations included lighted candles in candelabra, and two bouquets of pink gladioli and blue carnations. Blue bows and ribbons marked family pews in the center aisle.

Reception

The reception followed in the Hilton-LBJ Hotel in Dallas. The bride's table held the three-tiered buttercream wedding cake with amaretto filling. It was decorated with fresh flowers, blue carnations and white and pink roses and pink alstrameria. The groom's cake was chocolate with mocha filling, and decorated with the groom's initials in the frosting. A special table held hors d'oeuvres. Michael Joyce presented piano music. One hundred and ten guests were registered in the bride's book.

The bride is a graduate of O'Hara High School in Kansas City, Mo. and a 1982 graduate of the University of Missouri in Columbia, Mo. She holds a bachelor's degree in Home Economics with a major in clothing and textiles. The groom is a graduate of Sacred Heart High School in Muenster and a 1983 graduate of Benedictine College in Atchison, Kansas with a

bachelor's degree in business administration. His profession is food production and he is employed by Bartush-Schnitzius Foods Co.

The rehearsal dinner was hosted

by the groom's parents at the Hilton-LBJ Hotel on Sept. 13. Showers for the bride-elect were given by Angie and Virginia Bartush at Northwood Country Club in Dallas on Aug. 24.

Tigers trounce Lakehill, 33-0

The SH Tigers continued their winning ways last week in a 33-0 shutout of the Lakehill Warriors of Dallas.

It was a one sided contest in which the inexperienced visitors were clearly outclassed and gave the Tigers benefit of a bunch of turnovers and busted plays.

The action got under way on Sacred Heart's first possession in which Switzer made a strong start of 15 yards but the team fell short on second series at the 13. The same applied to the Warriors. They had to kick on fourth down. Mike Adair blocked it giving his team a set-up on the 2. Nasche scored from there. Switzer booted a bonus point. SH led 7-0 at 4:03.

Again, possession of the visitors was disputed in their first series. On second play Keith Hennigan jarred the ball loose. Craig Voth recovered, and SH was 23 yards away. Two runs by Switzer gained 19 and his next effort made the remaining 4. His kick made it 14-0.

Next score also came in a hurry. On first series the Warriors fumbled in the end zone. Keith Hennigan recovered and Switzer added the PAT. The quarter ended with the Tigers leading by a count of 21-0.

The second period was more of the same. Visitors failed to move on first possession and kicked to end the first series. Becker's 8 yard return put SH 28 yards away. Switzer responded with a plunge that gained 24 to the 4. From there Switzer's 3 and Becker's 1 reached pay dirt. The PAT kick failed. Tigers led 27-0.

The next TD was slightly delayed. Switzer's fumble recovery on first series was followed by two Switzer gains for first down and stalling by inches at the 13 on second series.

Penalties cost the visitors 10 on the next series, then a fumble recovered by Bartel became a set-up at the 3. Penalties and busted plays lost yardage before a pass, Dangelmayr to Nasche, eventually

produced a TD. The kick failed. Tigers led 33-0 at intermission.

Next quarter was scoreless but not inactive. Each team made a first down. Warriors fumbled on second series and Ken Hesse recovered. On next series Rick Joseph recovered a SH fumble on the Lakehill 40. After that the teams exchanged possession, then Scott Taylor recovered a fumble for SH on the Warrior 36.

Then Tigers gained to the 19 before stopping themselves with a fumble. The remainder of the game consisted of two first downs by the visitors, an exchange of kicks followed by a first down by Lakehill and failure on the next series.

JV Hornets nudge Chico 19-14

Muenster's junior varsity got into the win column last week with a 19-14 decision over Chico. It was the season's third effort, the two losses having been to Nocona and Callisburg.

Though dominating the first half the Hornets managed for only one score. J.Shane Wimmer went over on a quarterback sneak from the 1. His try for PAT missed and the count was 6-0 at the half.

Second half was more active and produced a pair of touchdowns for each side.

Hornets scored again in the third quarter as Wimmer connected with Bobby Thornhill on a 5 yard touchdown and made good on the PAT.

Then it was Chico's turn, and the payoff was a big play on a long bootleg pass. The PAT was good. MHS led 13-7.

Muenster, too, went to the air for its last TD. Wimmer connected with Thornhill for 20 yards. A miss on bonus point left the score at 19-7.

However the young Dragons improved their score just before the end. With its back to the goal, MHS punted. Chico blocked it, picked it up and scooted to the goal. The PAT kick was good.

Van Alstyne lops Lindsay Knights 28-0

A combination of Van Alstyne's potent team and the jinx inflicted disaster by a count of 28-6 on the Lindsay Knights last week. The Panthers deserved to win on their statistical record and cashed in big with benefit of three fumble recoveries and an interception.

The outlook was bleak for Lindsay as it trailed 21-0 in the opening quarter. As expressed by the frustrated Lindsay coach, Grady Roller, "you can't spot a good team like Van Alstyne three touchdowns and still expect to win."

The sad story started unfolding on the Panthers' first possession. Following Lindsay's punt they were 78 yards away they gained 10 on a few short plays. After that Huffhines connected with Cooper on a 21 yard gain and Hickerson made the remaining 47 on a sensational sprint. The PAT kick failed and the visitors took the 6-0 lead with 5:29 remaining in the first period.

That much of the score was well earned by ability and expert execution, then Lady Luck took over. Lindsay fumbled the Panther kickoff at the 17 and possession went over to the visitors. One play from there was enough. Huffhines passed to Rennecker for 6 points. Then on a fake kick for PAT Huffhines hit his target for 2 points.

But that's not all. On the first play after Van Alstyne's kickoff Fleitman fumbled in trying to pass and a Panther pounced on the ball at the 20. Again one play was enough. A pass was good for 6 points, and the kick that followed was good for 1 more. The count was 21-0 with barely less than 5 minutes remaining in the first

quarter. Regardless of the misfortunes Lindsay shook off its shock and started moving. Fleitman reached Hermes with passes of 17, 8 and 9, but the next series stalled and ended in a punt.

Thanks to a stout defense, Lindsay got the ball again but its offense again was stopped by the visitors. However, third time was charm. On next possession the Knights drove 53 yards to their only TD of the game. Big plays along the way were a 13 yard sprint by Weems and a pass to Hermes for 38. The PAT kick failed. The score was 21-6 at the half.

Lindsay defense did a fair job of taming the Panthers as the second half started, and seemed to be going when they got the ball. Specially encouraging was a pass deflected by a Panther and completed by Myrick at the 19 for a gain of 44. Shortly after the opportunity was fumbled away on the 4.

And again, Lindsay completed a 26 yard pass to Hermes to the 12 and was stopped by Panther defense.

That was the end for Lindsay but not for Van Alstyne. Near the end the Panthers completed a 49 yard drive and added a PAT for the final count of 28-6.

Defensive standouts for Lindsay were Jeff Metzler, Leroy Hermes and Frank Fangman.

Hess fun runners run in Leggs race

Five Muenster fun runners, including a four-year-old and her grandmother, were among 750 all-women entries in the cancer benefit 10 km Leggs race in Dallas last Saturday.

Darlene and Janet Hess finished eleventh and twelfth with times of 39:57 and 40:04.

Little Stephanie, daughter of Janet, earned the title of "Little Legs" as winner of her age in a 1/4-mile jaunt.

Another newsmaker was Stephanie's grandmother, Lucille, completing a 2-mile run without once slowing down to a walk. Her daughter, Barbie, normally in the main event, ran beside her.

MUENSTER DEFENSE IS on the job with Joe Pagel making first contact with Bryson's ball carrier and more Hornets heading for the action. Recognizable players are Stuart Hess 72, Darren Walterscheid 50, Daniel Klement 55; and Gary Grewing 63.

Homecoming victory...47-0

Hornets smother Bryson

MHS Hornets had everything their way last week in walloping the Cowboys of Bryson 47-0. It was the fourth win and the fourth consecutive shutout of their season and, incidentally, a treat to the homecoming crowd.

Furthermore, it was accomplished mostly in the first half. The score then was 40-0, and the fourth TD came in the first play of the second quarter.

But things settled down in the second half as the Cowboys got organized on their defense. A factor that helped in that respect was Coach Sims' assurance to the visitors that the Hornets would not pass and Bryson could concentrate on the runs. It made a noticeable difference as total Hornets' gains were almost cut in half.

The passing was another bright spot in MHS performance. It was the best of the season to date, a perfect record of five completions in five tries for a total of 114. Rushing yardage was 307 in 54 tries.

Action started early after Bryson's punt on second series. It was high, ending in a Hornet bounce and MHS was 26 yards away. Two tries, three by Johnny Eldred and 23 by Drue Bynum produced 6 points and Shawn Flusche's PAT added 1.

Next one was similar. Bryson lost 6 on a screen pass, punted, and the Hornets had 39 to go. Two tries lost a yard, then Ryan Klement passed to Mark Hennigan for 30. Three plays later Klement tossed to Andy Burnette, who made a shoestring catch in the end zone after the ball had been tipped. Another PAT by Flusche made it 14-7 with 5:08 remaining in the first period.

Score No. 3 was a quickie. The Cowboys gained 13 on a pass to McClendon. Three passes later Gary Grewing stepped in front of a receiver, swiped a pass and sprinted 55 yards to pay dirt. The

kick for extra point went astray. MHS led 20-0 at 2:55.

On third play of the first series after kickoff, Ryan Klement intercepted and returned to the 25. But he had too much help in the process, and the play was penalized for clipping. Hornets were back on their 46. Flusche made 23 on the next play, two more tries gained 8, and Ryan Klement gained the remaining 23 on the first play of the second quarter. Another PAT missed. MHS led 26-0.

The pattern of procedure continued. Cowboys had to kick on first possession and Muenster started from its 38. Two tries gained 10, then Burnette received Klement's pass and went all the way for a 52-yard score. Flusche's kick added 1. The score was 33-0.

The next kickoff was fumbled and recovered on the Cowboy 29 by David Klement. But the next series went sour as MHS lost 16 on a fumble and recovery, and a 23-yard pass to Flusche was short by a yard for first down.

Ending next series, Bryson had to punt and Muenster started again with 70 to go. Eight plays were enough and big gains were runs of 13 by Bynum and Flusche, a 12-yard pass to Bynum, a 14-yard run and a 1-yard TD by Eldred. Flusche's kick made it 40-0 at the half.

Taking the second half kickoff, the Hornets made a good drive of 42 yards to the 13, including 11 by Eldred and 20 by Flusche and overcoming 15 in penalties. But the next series was short and Flusche's attempt to salvage a field goal fell short.

Following exchanges, Hornets got started again on first play of the last period and advanced 38 yards on 11 plays to the 3 and fumbled. Bryson completed a series and kicked on the next to midfield.

Five plays and a 15-yard penalty reached the goal. Eldred made 12 in one of the gains along with a 10-yard scoring run. Flusche's PAT made it 47-0.

In the closing moments, lineman Joe Pagel just missed a rare opportunity to score. He intercepted and was nabbed 10 yards short of the mark.

Leading ball toters of the tussle were Eldred, 114 on 16 carries; Flusche, 93 on 19 carries; and Bynum, 92 on 16 carries. Scorers were Burnette 2, Eldred 2, Bynum 1, Klement 1, and Grewing 1.

Mr. and Mrs. Joseph St. John and two of their sons became members of the Forestburg United Methodist Church Sunday mor-

ning, Sept. 29. They are a fine and most welcome addition to that congregation. The St. Johns reside in the Greenwood area.

Wanda Lee Perryman and Veda Brogdon attended the Montague County Historical Committee meeting in Montague Monday afternoon, Sept. 30. The meeting centered around the dedication services of the Historical Marker for the Dye Mound Cemetery to begin at 2 p.m. Sunday, Oct. 6.

Carolyn and Raymond Wood, Doyle and Virginia Lynch and Mr. and Mrs. Dale Hudspeth and children were all noon-time dinner guests of Merle and Clifford Hudspeth.

Mr. and Mrs. W.T. Reynolds made a business trip to Fort Worth Monday.

Mr. and Mrs. Scott Selby of Denton were in the 'Burg Monday visiting her parents, the Jack C. Dills.

On this cool Monday, Mrs. Dawson Ensey is still a patient in the Muenster hospital. She has been a very sick lady. Everyone wishes her a big "get-well."

Ladies, the time is once more close at hand for the monthly Ladies Luncheon on Thursday, Oct. 10, starting at 10 a.m. in the old community center. So do mark your calendars and make plans to attend.

Several people have asked me who and why this event got started. Well, it was the "brain child" of Cleo Lanier and Loveta Bewley. They saw how big a need there was for such a get-together in this community, so that is how and why it was "born." It has grown from month to month, and all of us are very thankful to these two nice ladies for putting it together and getting us started.

We all enjoy it very much. Thus if you have not attended, please do so. Just bring a covered dish or two and gift for the gift exchange!

A visitor of Mr. and Mrs. Barney Brogdon Sunday afternoon was Mrs. Sue Sansom, whose great-grandfather was Ben Paschal, the small boy who ran for help after the Indians had killed and scalped Mrs. Keenan and Mrs. Paschal, his mother, at Forestburg.

She was seeking information on her great-grandmother, Mrs. Amanda McDonald, who married Ben Paschal in Sunset, Texas. She thinks her maiden name was Wainscott, but they are not sure. Her address is Mrs. Sue Sansom, 3306 So. 22nd St., Austin, Texas 78704.

She visited the site of the old Keenan cabin and the family cemetery nearby.

There will be a dedication service held at the Dye Mound Cemetery Sunday, Oct. 6, at 2 p.m. to dedicate a Texas Historical Marker for the cemetery.

Dye Mound was plotted and lots sold for the establishment of a town in 1882, when Joe Bybee obtained permission from the state of Texas to do so.

Land for the cemetery was obtained in 1889 when C.C. Barrett, J. Hazelwood and A. Rowe, "appointed trustees of the Dye Mound Graveyard," purchased a 3/4-acre section of land from S.T. Boswell and wife, to be known as the "Dye Mound Graveyard."

This is well-kept cemetery and has a perpetual care fund for its upkeep. The work now is done by local citizens.

Everyone is invited to be present for the ceremony.

Forestburg FFA names committees

Refreshment - Shana Muegge, chairman, Terry Allen and Ronda Ratliff.

Entertainment - Tracy Lanier, chairman, Bart Sirman and Mark Forrester.

Auditing - Shelle Perryman, chairman, Chad Hudspeth and Bart Sirman.

Creed - Tracy Greenwood, chairman, and Brent Holland.

Program - Shelle Perryman,

Bart Sirman was elected delegate to district, area and state meetings. Also the members decided to submit \$100 for the Texas FFA Chapter honor roll and Tommy Souther, Shelle Perryman, Tracy Lanier, Tracy Greenwood and Mark Forrester were appointed to select which Dallas Mavericks basketball games the chapter members would attend.

In other business chapter dues were set at \$6.00 and the 1985-86 budget was approved.

Junior High nips Bryson 28-6

The future Hornets of Muenster Junior High kept their perfect season intact at Bryson by a

decisive count of 28-16. All of their points were made in the first half after which all of the reserves got into the action. Also, they scored on every possession and did not need to punt in the first half.

Smith to the 3 yard line, and Boydston finished the job on the next play with a blast at the line, then ran again for a 2 point PAT. Finally, with 40 seconds before the half time buzzer James Hennigan broke away for 47 yard TD. The kick for extra point failed.

Hornets to play at Van Alstyne

The toughest contest of the year to date awaits the Hornets this week as they take on the Panthers of Van Alstyne Friday night at Van Alstyne. The Panthers have a present standing of 2-2 against strong competition, including 28-6 over Lindsay. It's a sign they are entitled to respect.

The first counter was made by Donny Boydston on a 10 yard run after a sustained drive down the field. The try for extra point failed.

Bryson got organized in the third completing a big pass that was halted 6 yards away and scoring three plays later from the 2. A run added double bonus points.

On the other hand Muenster is 4-0, but the opposition has been lighter, leaving little basis for comparison. One thing is for sure. There will be talent on both sides and the outcome will be determined largely by the breaks.

Next one came early in the second on Boydston's 55 yard punt return to pay dirt. A pass from Jerry Brawner to Yancy Culp added 2 points and the score was 14-0.

The last TD resulted from a combination of two passes. One reached the 15 and the next one reached the goal. A run upped the score to 16.

The third touchdown was set up by a 30 yard pass, Brawner to

Muenster wins in Boys Club game

Muenster's KC Oilers were 20-2 winners over Weber Aircraft of Gainesville last Thursday in the Gainesville Boys Club football league. The game was on Sacred Heart's field starting at 6 p.m.

Next, Ryan Sicking made 6 more by intercepting and returning 50 yards to pay dirt.

Defensive standouts of the Muenster kids were Tony Perryman, Gary Hess, Jason Biffle, Larry Switzer and Bill Parks.

Helmuth Koelzer started the good work on the Oilers' first offensive play after recovering a Weber fumble. He romped 30 yards up the middle for a TD. The extra point try failed.

Weber's only score resulted from nabbing an Oiler behind the goal for a safety.

Next game for the boys will be with C.B.J. Tire Thursday at the Boys Club.

Rex Huchton scored next and Ryan Sicking's run added 2 points.

Jaycees sponsor golf tournament

Muenster Jaycees announced this week that preparations are under way for a golf tournament at Nocona Hills Sunday, October 13, with a 9:30 shotgun start.

Players will organize their own teams.

Golf tourney this Sunday

Members of the Muenster Golf Association will sponsor their regular monthly tournament next Sunday, Oct. 6, at the Gainesville Municipal Course. It will be the regular scrambles tourney starting at 9 a.m.

Entry fee of \$15.00 per person will include green fees and prizes will be awarded as gift certificates giving winners the opportunity to redeem them at the stores of any of the participating sponsors for articles of their choice. Teams will be made up of four or five persons, and women's division will be organized if there are enough en-

tries. John Schneider, chairman, further stated it will be a Peoria tourney, also called Colleson. After tee-off the director selects 6 holes, two each of par 3, par 4 and par 5, to be considered in establishing handicaps in the final count of scores. And final scores will be those of individuals, not teams.

More details are available from John Schneider or Kim Walterscheid.

Junior teams will host Van Alstyne

Both of Muenster's junior teams will be in business Thursday night hosting the youngsters of Van Alstyne. Junior high will play at 6 p.m. and the JV Hornets at 7 p.m.

County Agent's Report

Continued from Page 9

by Craig Rosenbaum

How much wheat grain yield do we lose to grazing? How much additional fertilizer is needed if we graze small grains? These are questions we can get a dozen answers to as we make the rounds.

There are some simple facts we know and can use in making decisions as to grazing/grain pasture alternatives.

First, producers will generally need to apply additional nitrogen in January or February if grain pastures have been grazed heavily. As forage is produced by growth and removed by grazing, then the nitrogen supply is used to various degrees in the soil. Under heavy grazing, an additional 40 to 60 pounds of nitrogen may be needed. Now, the Soil Testing Lab at Texas A & M has the capability of testing for nitrogen content in the soil that is available to the

plant. Producers may wish to test soil in January or early February to determine if additional nitrogen is really needed for expected grain yields.

We will get a decrease in grain yield but the added pounds of beef or milk should more than offset the yield decrease. A result demonstration conducted on the Werner Becker Dairy in 1984 showed an income of \$333.08 per acre as measured by milk sales. Comparable demonstrations using beef stockers in a grain/grazing situation grossed as high as \$272.90 per acre.

Tests at Bushland on irrigated wheat pasture and Overton on dryland wheat pasture both show some yield reductions. The following chart explains both situations.

GRAZING/GRAIN RESPONSE

Termination Date	82' Bushland	
	Grain Yield Bu/Acre	Heading Date
Grain Only	94.5	5-2
February 1	86.3	5-3
March 5	77.8	5-9
March 18	68.0	5-11
March 31	60.6	5-13
April 13	40.3	5-24

We will get some yield reduction by grazing but the overall benefits through increases milk, weight gains, and feed savings should offset these losses in yield. Produc-

ters should consider all alternatives and management decisions in deciding on grazing programs for the upcoming year.

Two events set for German Day

The dual program for the annual observance of German Day in Texas is all set for Oct. 12 and 13, according to a reminder this week by Alvin Fuhrman, Muenster co-chairman of the event.

It begins Saturday, the 12th, at the Marriott Motel of Dallas and will feature a variety of entertainment by a concert band of Dallas, a soldier's choir of the German Air Force, the Frohsinn singers of Dallas, and an orchestra from Germany. Also, German foods and drinks will be available. Tickets at \$10.00 or information

are available here from Alvin Fuhrman.

Second part of the celebration is German Day on Sunday, the 13th, at the Texas State Fair. It will be at the big tent near the Grand Avenue entrance-exit, from 11:30 a.m. until closing time. Principal attractions will be German eats and drinks, songs, dancing and entertainment, presenting some of the headliners of the Saturday program. There will also be a ceremony and salute to Germany, 5 p.m., at the Hall of State terrace.

Quilt show planned for Nov. 8-9

If you love to look at beautiful quilts - both old and new - you'll want to participate in a special quilt show planned for Nov. 8 and 9. The show will be held at the Gainesville Boys Club on Friday and Saturday, Nov. 8 and 9. It will open at noon on Friday and remain open until 9. On Saturday it will be open from 9 'till 2:30.

The "Quilts - Old and New" show is being sponsored by the County Extension Office and

representatives from several organizations who quilt.

Everyone is invited to enter one or more quilts for the show. Entries are currently being taken for this event. Quilts do not need to be new to be displayed, and do not have to be entered by the maker. It is anticipated that beautiful old quilts of the past will be entered as well as quilts made recently or received as gifts. Entries will be taken to the Boys Club between 8 and 9 a.m. on Friday, Nov. 8.

Because many hours of time and love have been spent on the quilts, hostesses will be on duty during the two-day show.

In order for the committee to make specific plans about the display of quilts, an entry form must be turned in to the County Extension Office as soon as possible, and no later than Oct. 31. An entry form is attached.

During the quilt show, a variety of quilting demonstrations will be

given for participants' and viewers' enjoyment.

A beautiful Christmas Quilt made by the quilt show committee will be on display at the show. Donations will be taken for people to have a chance at winning the quilt. This will defray the costs of the quilt show.

Anyone having questions about the show may call Mrs. Evelyn Yeatts at 668-5412. Specific details will be mailed to those returning the entry form.

SCS offers information on planned grazing

"Planned Grazing Systems" is the subject of a new fact sheet published by the USDA Soil Conservation Service.

Ray Svacina, district conservationist for SCS at Gainesville, said the publication outlines several kinds of graze-rest techniques that livestock producers are using to improve rangeland at little expense.

"A planned grazing system is a method of grazing and resting pastures in a planned sequence," Svacina said. "Several kinds of systems are being used in the state and each kind has its own advantages and disadvantages."

"But what is important is that they all work when carried out properly and they all improve rangeland. The key is to graze and rest all pastures in a planned sequence, especially during the growing season."

Svacina said some of the more common types in use include a two-pasture, one-herd system; a short duration system; a high-intensity, low-frequency system; and a cell grazing system.

Soil Conservation Service personnel assisting local conservation districts can help livestock producers work out planned grazing systems.

Single copies of "Planned Grazing Systems" can be obtained free from the SCS office at Gainesville.
