Williamson urges support for water amendments

A talk by Rick Williamson, state representative of this district, headlined Tuesday's monthly meeting of the Muenster Chamber of Commerce. He emphasized the importance of promoting and especially voting for Propositions 1 and 2 in the constitutional amendment election to be held on November 5.

Williamson said there is a tendency in this area to down play the issue because the principal beneficiaries are West Texas and the Gulf Coast. However, he added, economic ill effects of a water shortage would be felt in all sectors as an oil production slump a few years affected non petroleum areas. Assurance of an adequate water supply is vital to all and

merits the attention of all, he said.

Another subject he discussed was the state's highway problem. He said a shortage of manpower is delaying a needed program of building and improving, but adding employees presents a problem of having unneeded employees when the present funds expire. He says the situation presents a challenge to the department and the state.

Williamson was accompanied to the meeting by Flossie Schoppa, the secretary of his Gainesville office. He said matters intended for him can be routed through her office.

Pertaining to chamber matters, Christmas planning was discussed on the subjects of a parade, carol-

ing, lighting and decorating, art-work, prizes, etc. Another thought on the subject is that it's time to get down to particulars in order to be ready when the season arrives.

Likewise the Germanfest. Alvin Fuhrman, chairman, said that it's not too early for participants to give it some thought. Another matter concerns the beer concession. John Pagel said it would help to have beer available in more than one location but there are problems in setting up several adequate facilities. It is understood that Jaycees again will have the beer concession and they will use the mobile bar used in several past years, and possibly a few more stands.

Muenster youth shine at banquet

Muenster 4-H members held the limelight Monday night in the 1985 achievement banquet sponsored by Cooke County Electric Cooperative Association in the Lindsay School Cafeterium.

Darwin Sicking of the Muenster Chapter was winner of the Gold Star Boy award, the highest individual achievement of the county. He is a student of Cooke County College and a son of Evelyn and Jerry Sicking.

A similar award was the Gold Star Girl award to the number 1 girl member of the county. She is Amy Pitzinger of the Mountain Springs chapter, a student of Pilot Point High, a daughter of Nadine Pitzinger.

The two members were selected for the top awards from a list of ten applicants.

The four next high awards also went to members of the Muenster chapter. Stephen and Wayne Becker both received the Danforth

"I Dare You" award. They are sons of Linda and Werner Becker and students of Sacred Heart High.

Two other high individual achievers were Darren Cheaney, son of Hal and Shirley Cheaney and a student of Muenster High; also Andy Burnette, son of Margie Burnette and a student of Muenster High. Both of the Gold Star honorees as well as the other four have records of a long list of achievements to merit their selection for the high honors.

In addition six chapter awards were presented as follows: Lindsay Jr. and Woodbine, silver seal and charter; Valley View, charter; Muenster, Era and Mountain Springs, silver seal.

Several Muenster members were recognized for reaching the state level of competition during the previous year. Chad Cheaney and Darwin Sicking won a first and third respectively and other entries

were Sam Fleitman, Andy Burnette, Darren Cheaney, Bob Thornhill, Mike Armstrong and Deano Bayer.

As in the major awards for recognition of achievement in multiple categories, the Muenster members received 36 of the 86 awards for achievements in single categories.

The categories and Muenster winners were listed as follows.

- Achievement: Jefflyn LeFevre.
- Beef: Jeremy, Vickie and Weldon Bayer.
- Citizenship: Amy Davidson and Valerie Vogel.
- Clothing: Amy Dankesreiter and Dawn Knabe.
- Dairy Foods: Marcia Vogel.
- Energy: Darwin Sicking.
- Food and Nutrition: Sheila Huddleston, Amber Vogel and Tracy Vogel.
- Gardening: Jon Fleitman.
- Home Improvement: Dana Dankesreiter.
- Horse: Chad Cheaney.

Leadership: Sam Fleitman and Keith Vogel.

Range Management: Andy Burnette.

Recreation: Amy Bayer, Kelly Bayer, Werner Becker, Staci Sicking.

Sheep: Wayne Becker.

Shooting Sports: Michael Armstrong, Deano Bayer, Jared Bayer, Jordan Bayer, Stephen Becker, Darren Cheaney, Stanley Knabe, Sherilyn Sicking, Misty Vogel and Shawn Vogel.

Wood Science: Rodney Vogel and Scot Vogel.

The program opened with Deana Nortman, 1984 Gold Star Girl, as emcee, giving the invocation and introduction; Gene Davenport extending a welcome; and Debbie Nortman in a puppet show; also county commissioners, Kenneth Alexander, Danny Knight, Randall Brown, Lynne Goerke, Jim Robertson, Raymond Root, Richard Williamson and Allen Fleitman in presentations.

A news report this week reveals that contributions to the earthquake victims of Mexico City are declining because of increasing belief that much of the money donated to reconstruction is not reaching its intended destination.

A Mexico City business man has been quoted as saying there is a great amount of cynicism, a tremendous fear that the funds will be misused.

According to government figures only \$2.5 million has been received so far from foreign governments. 90 per cent of it from governments of United States and Japan. Meanwhile business foundations and churches have given up to \$12.7 million, but there is growing suspicion that much of the money is going astray.

That's why the Mexican president has appointed a committee to monitor spending from the reconstruction fund. Too many administrators are finding ways to get their sticky fingers into the money before it is applied to its intended use.

The problem is not new. It seems to come up every time some unfortunate part of the world is hit by disaster. It happened just a few months ago in Ethiopia. Told that people there are still starving by the millions, we can assume that food from compassionate people is either allowed to spoil or is stolen outright and sent to political favorites.

The policy, as told by reliable sources, is that the communists are pursuing a genocide program of wiping out that segment of the population which objects to the red takeover. They are the victims of a famine caused by a com-

SHS rolls out carpet

Homecoming Week is being celebrated at Sacred Heart High School this week, since the first events on Sunday, continuing through Friday when the highlight will be the pep rally at 5:30 p.m. followed by a meal at the church pavilion.

On Saturday homecoming activities begin with Mass in Sacred Heart Church at 5 p.m.

A social hour and reception for all SHHS graduates will be held in the community center until 7 p.m.

The Homecoming football game will be played on Tiger Field Saturday night, Tigers vs. Bishop Lynch JV at 7:30 p.m.

Crowning of the Homecoming Queen will occur at half-time with traditional finery, festivity and formality. Senior candidates are Lydia Walterscheid, Leslie Hess, Paula Yosten and Sandra Walterscheid.

Homecoming princesses are junior Beverly Haverkamp;

sophomore Shawna Grewing; and freshman Noelle Hesse.

Sharing the limelight Saturday night will be a special performance of the Sacred Heart High School Drill Team.

Following the football game "Hard Times" will play for a dance in the community center.

Museum features circus

The Morton Museum of Cooke County History is pleased to announce the opening of its new exhibit: "The Only Show of its Kind - Ever: The Gainesville Community Circus." The exhibit traces the thirty-year history of the circus through photographs, artifacts and costumes related to the circus. Featured in the exhibit are ringmaster, clown and aerialist costumes, circus props, make-up kits, circus programs and other memorabilia related to the circus.

Also included in the exhibit is a tape recorder for former circus performers to use to record their

own anecdotes and experiences while with the Gainesville Community Circus. There is also a special reading area in which many of the articles published on the circus are made available to museum visitors.

The exhibit will be open to the public 12-5 p.m. Tuesday through Saturday, 2-5 p.m. Sundays through December 1985.

There will be a special reception/Cooke County Heritage Society Meeting from 5-7 p.m. Monday, Oct. 21 at the Morton Museum. The public is invited.

For more information, call the museum at 668-8900.

Library has War series

Latest addition to the Muenster Public Library is the complete set of the Time-Life World War II series. Using materials newly made available from Axis archives as well as Allied sources, this complete history of World War II offers new perspectives to both younger people who study the war and to older people who experienced it. Some of the titles in this set of 36 volumes are: Air War in Europe, Battle of the Atlantic, Battle of Britain, Battle of the

Bulge, Bombers Over Japan, China-Burma-India; Island Fighting, The Italian Campaign, The Nazis, Prisoners of War, The Secret War, War in the Desert, The Home Front: USA, The Neutrals, The Mediterranean, Return to the Philippines, War in the Outposts, Partisans and Guerillas, The Soviet Juggernaut, and The Resistance. Library Hours are: Tuesday and Thursday, 8:30 to 5:00 and Wednesday, 2:30 to 5:30.

City council has busy meeting

Muenster City Council at its regular meeting Monday acted on a multitude of details most of which received their approval.

One concerned pavement installed in 1981 on Cherry Lane. The crushed rock topping on

asphalt was caliche which was powdered by traffic causing dust clouds. Residents of the street requested an overcoat job but com-

promised with the city's offer to clean the street and repair damages with an understanding to

complain again if the repair fails to solve the problem.

Another street issue is last year's pavement job by Jones and Jones, contractor. Defective areas have appeared and the contractor agrees to make needed repairs without change.

The council also approved an addendum to its contract with Grady McElreath agreeing to hold him harmless in case of an accident at the city landfill site.

Three issues concerned the Cooke County Tax Appraisal District. The council approved a resolution to support Glen Hellman as its representative on the district board. Also, it approved a resolution to have staggered terms on the director board. And it disapproved the proposed budget of the appraisal district. The present figure of about \$281,000 is a reduction from a previously proposed budget.

Also the council considered ways of dealing with night time vandalism of the city park, declining a suggestion to lock gates and choosing to try changes of the patrol schedule.

In other action Mattie Swirczynski was re-appointed to membership on the city park board. The semi-annual contribution of \$2000 to the library was approved. And the city agreed to issue a proclamation naming October 20 as Catholic Daughters Day.

Good News!

Jesus answered: "Are there not twelve hours of daylight? If a man goes walking by day he does not stumble because he sees the world bathed in light. But if he goes walking at night he will stumble since there is no light in him." John 11:9-10

Ideal Temperature

Temperature is ideal but not the moisture through the first week of October. Nevertheless weather reports are encouraging, saying rain is coming later in the week. As of now October rain is zero after a total of 3.64 in September, and the year's total is 26-28.

Low and high readings of the week were recorded as follows by Steve Moster.

Oct.3	53 and 84
Oct.4	59 and 74
Oct.5	48 and 74
Oct.6	46 and 78
Oct.7	55 and 83
Oct.8	53 and 78
Oct.9	70 and 80

COMMENT

Dave Fette Movers and Shakers

I can hear it now — "I can't believe my eyes...that Fette kid is finally writing something." At least that's the way my grandpa Ben would have said it. "I figured either he couldn't write or didn't have time or R.N. wouldn't let him!"

Well, you're right on the first two and on the third...he's waiting to see how much hate mail we get.

A friend and I recently developed a question together. What ever happened to all the movers and shakers in Muenster? I hear about and see all around me the evidence that somebody was once willing to be progressive, take risks... be a mover... or at least a shaker. I know some of them have gone to be closer to God. Certainly not all! Maybe they're tired or expecting us kids to do it now. OK, I agree there's a little moving going on. How did Muenster ever get this far with so few movers? OK, I see, used to be everybody was at least a mover or a shaker.

Well, I think it's time for everybody to get back

into the act. I can't give excuses. If you're an old mover, we still need you. Muenster needs your experience, your reawakened enthusiasm, your support—moral and physical. "What about the young people?" you ask. You're right, we've got responsibilities too. Since we don't have the money or experience to be movers we can be shakers. Muenster needs your youth, your dreams, your labor.

Wake up all you movers and shakers! Come out of your false security and your apathetic despair. There is no such thing as the "status quo." If you think you're set up, think how much you lose when the community loses—and that includes any part of the community. If you've got problems, remember there's always hope and help if you can rely on your family AND community, that greater family of God around you.

Get off your butts, movers and shakers! Believe your eyes. If you don't see action or hear action around you, THERE IS NO ACTION. There is stagnation and creeping death.

Edwin Feulner Reagan and the veto

One of the most serious domestic problems facing the White House continues to be runaway federal spending.

Despite a lot of tough talk and bursts of brilliant bipartisan showmanship, the federal budget today is as laden with pork as anytime in U.S. history. And freespending Democrats have no monopoly on the blame. As Washington columnist Donald Lambro, author of *Fat City and Washington, City of Scandals*, points out in an illuminating article in the current issue of *Policy Review*, "The Republican Pork Barrel," many of "the most cuttable and least essential" federal programs continue to exist because key GOP lawmakers have refused to perform budgetary euthanasia. "Republicans often troop to the White House not to urge deep cuts in the budget but to protect their favorite programs," he notes. On July 16, for example, with President Reagan still in his bed at Bethesda Naval Hospital, the Republican-controlled Senate voted 94 to 3 to preserve the Small Business Administration (SBA), a useless and wasteful agency that should have been put out of business years ago.

So what's the White House to do?

The federal government today is spending some \$200 billion more per year than it's collecting in taxes. Even worse, total government spending is accelerating at a faster pace today than it did under President Carter. Moreover, the president's batting average against Congress has been on the decline.

While the president's popularity ratings remain high, and should help him with some of the upcoming budget battles, there's only one sure way for the White House to stop the orgy of special-interest spending. President Reagan has to move from a "compromise and accommodation" strategy with Congress to a veto strategy.

In dealing with the deficit, an aggressive veto strategy not only would send a message to Congress that the president really means business, but it would also assure the American people who overwhelmingly elected him to another term that he plans to carry out his promise to reduce the size and role of the federal government.

Congress has been able to preserve almost every domestic program that the Reagan administration has sought to terminate, including Amtrak, the Job Corps, the SBA, and Export-Import Bank direct loans. But

Congress does not have the votes to override a presidential budget veto.

It is surprising to note that of the 15 twentieth century presidents, 10 vetoed more frequently than President Reagan. Franklin D. Roosevelt, who midwifed many of the New Deal programs that President Reagan has been unable to "zero out" of the budget, was a great admirer of the veto, and used it quite successfully to bring the legislative branch back into line when he felt it was straying too far from his policies.

History shows that those presidents most successful in dealing with Congress haven't hesitated to use their veto power. Therefore it's difficult to understand why the Reagan administration hasn't exercised this useful device for curbing government spending — especially since only a small fraction of vetoes has ever been overridden.

The fate of the Reagan revolution may very well depend on the willingness of President Reagan to use the most powerful tool at his disposal: the veto.

The options are clear. It's either start vetoing, or continue leading the U.S. further into bankruptcy.

bination of drought and a vicious agriculture program. They are the intended beneficiaries of starvation relief but are left empty handed when government either diverts the food to its favorites or leaves it on docks to rot.

The same applies to Afghanistan where the USSR is combining atrocity with starvation in its effort to wipe out all opposition. The policy there is not just to deny help to the hungry and suffering but to add to their distress by military and chemical attack.

Concerning the calamity of Mexico City, we hope that people of the world have noticed who helps when misfortune strikes. United States, as always, was the most prompt and generous. Japan, too, did itself proud. And the other donors were generally the governments and people of the western or free world. They sent

seriously about what they see. Hopefully, that could help an eventual swing from left to right in the global struggle. Is this just wishful thinking? Perhaps, but there's reason to think that the other side is so evil and so inferior that it eventually has to fold up.

Back to the subject of graft hounding into our charity programs. Realizing that so many people are that way, we like to think corrective measures will be found. There ought to be regulations whereby donors know for sure that receiving nations will cooperate honorably, or otherwise insist that charity is routed through dependable individuals or firms.

Similarly we have problems with local charities, sometimes deducting exorbitant administrations costs or finding other ways to dip into the fund. That's stealing and should be presented accordingly.

the tools to remove rubble and recover victims, dead and alive. They also sent foods, medicine, clothing, furniture and those other essentials. America and those other countries can be proud of their record even though it seems their good intentions too often are wasted on thieves.

On the other hand, how about record of reds and the millions who cast their lot on the communist side of the world power struggle? What has any of them done for the people in need? What did they do for Mexican people? We wonder how Mexicans were impressed, considering that the reds are manipulating to get a foothold there? Or how about others of Central and South America, considering that the red plot is simmering there too? Common sense leads us to assume that thinking people are greatly impressed by what has happened.

Lots of folks must be thinking

Stenholm sponsors stricter law on child pornography

WASHINGTON, D.C. — Surrounded by 500 children on the steps of the U.S. Capitol, Congressman Charles Stenholm (D-Stamford) called on his colleagues to support legislation requiring stricter laws against child pornography.

Stenholm is the primary Democratic sponsor of H.R. 3298, the Child Abuse Victims Rights Act of 1985. The bill, which was introduced last week, mandates harsher penalties for criminals who sexually exploit children. Included in the bill is a clause for a mandatory life sentence or death sentence in kidnapping offenses involving the murder of a minor.

At a Thursday rally for the bill in front of the capitol, Congressman Stenholm said, "We are hoping to provide much

needed protection for the most vulnerable section of our society, our children. I am filled with repulsion when I see and read about the sex pornography rings and individuals who exploit these helpless kids, and I feel more repulsion when these criminals seemingly escape without the punishment befitting this crime. This bill is designed to give our law enforcement officers the tools they need to more effectively combat such heinous acts."

Along with the death-sentence section, the bill also imposes mandatory minimum sentences of not less than five years and up to 25 years for second offenders of child pornography statutes. The legislation would also create a national clearing house of information on cases involving child

sexual abuse. The joint classification system, using FBI and National Crime Information Center reports, would help cross reference similar cases and repeat offenders.

Stenholm will carry the legislation on the Democratic side of the aisle. He co-sponsored the bill with Congressman Jack Kemp (R-New York).

Letter to the Editor

TO THE EDITOR:

Recently the Muenster Jaycees received an anonymous letter from a citizen who was concerned about the relationship between the Jaycees and the Chamber of Commerce. This citizen thinks the Jaycees are too greedy with the Chamber of Commerce and the Germanfest Beer Sales.

The letter went on to give several ways the Jaycees could get along with the Chamber. It touched on some good points to follow, but an unsigned letter of this nature does nothing but make matters worse. It also gave several definitions of the word "CLASS", and why the Jaycees have NO "CLASS". To me writing a letter and being too ashamed to sign it shows very little "CLASS".

If the entire town feels this way I apologize on behalf of the Jaycees. And if anyone would like to comment on Germanfest Beer Sales, or this letter, we would like to hear from you.

Sincerely,
Mark Klement

Jim Hoedebeck dies of cancer

James Edward Hoedebeck, 39, died at his home in Muenster at 12:05 Wednesday, October 8, following an illness of about one year with cancer requiring extensive hospitalization, medication and therapy.

Funeral service will be held Thursday, Oct. 10, 10 a.m. in Sacred Heart Church with his uncles, Fathers Paul Hoedebeck and David Flusche, officiating at a Mass of Christian Burial, and interment will follow in Sacred Heart Cemetery directed by McCoy Funeral Home. Pallbearers are James Fleitman, Roger Taylor, Chris Hess, Dwayne Hess, Clinton Endres and Paul Moore.

Prior services will be a rosary Wednesday at 4 p.m. in the funeral home chapel and a wake service at 8 p.m.

Jim Hoedebeck was born on

September 6, 1946, in Denison a son of Alfred and Irene Flusche Hoedebeck, and was married to Dorothy Aaron on March 30, 1969 at Lewisville, Ky. He was self employed as a plumber and electrician; and was a member of the Knights of Columbus and Veterans of Foreign Wars, having served in the Vietnam War. After his tour of service he returned to Irving and lived there until coming to Muenster in 1979. He has lived here since then.

Survivors are his wife, Dorothy; two daughters Lisa Gail and Bethany Ann, all of Muenster; his father, Alfred, of Irving; two sisters, Margaret Morris and Marilyn Hoedebeck of Irving; and five brothers, Alvin and Tom of Irving, Harold of Hurst, Billy of Gallup N.M., and Charlie of Lubbock. His mother preceded him in death.

Catholic Daughters see Fr. Victor's films

Catholic Daughters of America, Court 249 in Muenster have established a change in their schedule of monthly meetings and since September now meet regularly on the second Monday of the month.

Hypertension clinic scheduled Oct. 16

The Texas Department of Health Regional Offices in Arlington announces a Hypertension and Diabetes Screening Clinic to be held in Sacred Heart Community Center, from 9:30 a.m. to noon and 1 to 2 p.m. on Wednesday, Oct. 16, 1985.

The screenings are targeted toward those individuals who could not obtain them otherwise and they will be performed by public health nurses at no charge. The goal is to find suspect cases of these so-called "Silent Diseases" early in their course, refer the patients to physicians for diagnosis and treatment, and thereby reduce disease, death and health care cost.

"Since these diseases can be serious and can contribute to other health problems, each adult should visit his or her private physician or the Public Health Clinic on a regular basis," said C.R. Allen, Jr., M.D., Director, Public Health Region 5.

tees gave routine reports. Mary Moster reported continuing improvements at Muenster Public Library. She told that the current project is rearranging to make room for more books. She said the library has just received a complete set of 36 volumes of Time-Life Books on World War II.

Margaret Fisher reported sending "get-well" cards to Aggie Seyler and a sympathy card to Leona Luke.

A "card of thanks" was read and a donation of \$50 to the kitchen equipment fund from the Anna Walterscheid family was

acknowledged in appreciation of the bereavement dinner. Also read was a note from the Sisters of St. Mary of Namur expressing appreciation for the contribution in memory of Anna Walterscheid.

Dorothy Fisher reported progress on the appointments for photos for the new parish directory.

Planning toward commemorating CDA Day on Oct. 21, members decided to hold a reception of new members on this day, attend the 9 a.m. Mass in Sacred Heart Church, followed by serving of refreshments.

Dorothy Bengfort and Dorothy Fisher were named ritual coordinators. Officers will audit the court's books while District Deputy Elizabeth Lane is here to attend the reception.

Adjournment with closing ritual followed at 7:55.

Richard Grewing has been on the Board of Directors of Muenster State Bank for the past two years. "When I started my Oil Well Servicing business about 36 years ago, Muenster State Bank was right there to help me with my financial needs, and offered words of encouragement on each new venture that I wanted to try," he said.

Grewing is a Muenster native, and served his country in the Army, in Japan during World War II.

In 1950 he married the former Florence Moster. They are parents of eight children; they have 19 grandchildren and all live within 50 miles of Muenster.

Richard Grewing was a member of the original board of directors of Muenster Memorial Hospital. He served 20 years on the City Council and is presently Mayor of Muenster, and is an independent oil producer.

"As a director of Muenster State Bank", he said, "I am deeply concerned that our bank and town grow, as an incentive for our children to remain in Muenster."

THIS SCAFFOLD IS BEING used in a roof repair project at St. Peter's Church in Lindsay. An outstanding feature of the roof will be copper on the steeple. In this photo a workman is securing planks after a few of them had been blown away in a mini storm. Photo by Janie Hartman

St. Peter's roof being repaired

A renovating job on the roof and steeple of St. Peter's Church, Lindsay, is in progress and due to be finished about December 1. Father Cletus Post, the pastor, said Monday that the principal feature is a copper covered steeple structure which is expected to last for into the future, certainly much larger than the material that was there before.

A Dallas contractor specializing in extra durable roofing is doing the work which will include tile for the balance of the roofing surface.

The old roof dates back to a storm in 1917 which took out the middle of the building, leaving tower and sanctuary. When the middle portion was replaced it was topped with tile and the tower with slate. That was 68 years ago, and leaks have developed lately. So, the parish committee decided to choose a more durable material for the steeple, consisting of slate with a copper cover. Other material will be tile, using salvage tile from the old roof whenever possible.

The church was built in 1902 and badly damaged by the storm of 1917. It has been honored with an

historical marker designating it as one of the state's outstanding structures.

Ninth grade presents CCD liturgy

The ninth grade CCD class of Sacred Heart Parish, taught by Donnie and Jan Hellman and Johnny and Jeanette Reiter, prepared and participated in the liturgy for the CCD Mass on Wednesday, Oct. 2.

Father Victor Gillespie was celebrant and Weldon Hermes, Ricky Walterscheid, Mike Pagel and Pat Hellman were Mass servers.

Eric Dankesreiter gave the readings and psalm; Tara Walterscheid, Jeff Walterscheid,

Keith Klement, Murlin Evans, Cheryl Bayer, Lisa Hamric, and J Shane Wimmer led prayers of the faithful; Jeff Christian, Chris Klement and Kim Bayer brought Offertory gifts to the altar.

Christi Klement, Dianne Grewing, Dana Dankesreiter and Denise Bayer led community singing with guitar accompaniment.

Theme for the liturgy was "The Angel of the Lord Will Lead Us," in observance of the feast of the Guardian Angels.

Eight Muenster scouts attend annual retreat

Eight scouts of Muenster Troop 664 attended the 25th annual Catholic Scout retreat at Leonard Scout Reservation near Granbury Sept. 20-22. They were Jason Walterscheid, senior patrol leader and Eric Dankesreiter, Joe Weinzapfel, Ryan Sicking, Helmut Koelzer, Jon Fleitman, Rodney Knabe and Mark Flusche, led by Scoutmaster Waylen Poole.

The retreat included many friend-making sessions, meditations, programs on drug awareness and a special program conducted by a Fort Worth diving and rescue team.

Bishop Joseph Delaney

celebrated Mass Saturday evening and was a guest of the scouts for a meal that followed, staying to talk and visit with them. All scouts of Troop 664 attended the Mass.

Eric Dankesreiter was asked by Retreat leaders to be the Mass server for the Bishop's Mass. He received the religious medal, Ad Altare Dei last year.

The retreat was an opportunity for scouts to renew old friendships made last year, make new friends and to have plenty of time to reflect on their duties to God.

The scout retreat was reported by Jason Walterscheid.

Endres, Flusche are married

Laurie Endres became the bride of David Flusche, Jr. in a Nuptial Mass with traditional double ring ceremony in Sacred Heart Church on Saturday, Oct. 5. Father Victor Gillespie was celebrant and officiated for the exchange of vows at 5 p.m.

The bride, a daughter of Ed and Clara Endres, is a 1983 graduate of Sacred Heart High School and attended Cooke County College. She is employed at The Center Restaurant. The groom, a son of Dave and Wanda Flusche, is a 1982 graduate of Muenster High

School and also attended Cooke County College. He is employed by Structures, Inc.

The bride was presented by her father before an altar setting enhanced with lighted candles and bouquets of white gladioli tied with royal blue satin bows. She was wearing an original wedding gown of dacron organza trimmed in beaded chantilly lace. It was designed with a high neck, sheer yoke and Victorian sleeves and bodice with basque waist. The skirt, trimmed in Chantilly lace, swept into an aisle-wide, be-

ruffled chapel train. A finger tip illusion veil was attached to her bridal hat which was accented with appliques of Chantilly lace, bridal lace and a scattering of seed pearls. She carried a bridal bouquet of white roses, blue forget-me-nots, white daisies and pearls. For sentiment she wore her mother's cross necklace, also worn by the bride's sisters and sisters-in-law. She borrowed diamond earrings from her sister, Rhonda Hartman.

Attendants

Jill Swirczynski, cousin of the bride was the maid of honor. Rhonda Hartman, bride's sister was matron of honor. Kyla Henscheid and Susan Walterscheid friends of the bride and all of Muenster, and Terry Felderhoff of Denton sister of the groom were bridesmaids.

They were identically dressed in royal blue taffeta floor length gowns designed and created by the bride's aunt, Dolores Miller, with sweetheart neckline, sleeves gathered to elbow length, with a self-fabric rose on each shoulder. A ruffle crossing the skirt was topped by a matching rose. Each carried roses with baby's breath.

Holly Hartman, niece of the bride was flower girl and Paul Swirczynski, nephew of the bride was ring bearer.

Timmy Schneider of Dallas, a friend of the groom was best man. Monte Endres bride's brother, Neal Flusche groom's brother, Dale Swirczynski and Jim Biffle friends and all of Muenster were groomsmen.

Phil Endres and Roger Endres, bride's brothers, Shawn Flusche groom's brother, Hal Mollenkopf bride's cousin and all of Muenster and Monte Wimmer of Gainesville, a friend were ushers.

Jason Endres and Troy Pagel, nephews of the bride and Mark Flusche cousin of the groom were Mass servers.

Debbie and Clinton Endres, brother and sister-in-law of the bride, Regina Pels, aunt of the bride, Herb and Dolores Miller, bride's uncle and aunt, all assisted as Eucharistic Ministers.

Readings in the liturgy were

given by Stan Endres and Sharon Voth. Cheryl Bayer read the petitions. Tricia Endres and Shauna Endres carried Offertory gifts to the altar.

Rita Pels, organist and cousin of the bride presented traditional wedding music and accompanied Emily Klement who sang "The Rose", "Wind Beneath My Wings", "Edelweiss", for entry of the parents, "Mother At Your Feet We're Kneeling", and "Wherever You Go." Ronnie and Tina Weinzapfel played a trumpet duet accompanied by the organist, for the wedding processional.

Reception

A reception dinner and dance, hosted by parents of the couple, followed in the Sacred Heart Community Center.

Anne Felderhoff and Jeannene Walterscheid presided at the guest book.

The three tiered white wedding cake and chocolate groom's cake were baked and served by Debbie Rice. Assisting in serving were Renee Rohmer, Mary Hess, Angela Endres and Connie Stofels.

Guest tables were decorated with lace fans, hurricane lamps, and lighted candles. Special guests were the bride's grandmother Mrs. Dora Henscheid, and groom's grandparents, Mr. and Mrs. J.P. Flusche all of Muenster and Mr. and Mrs. R.H. Whitman of Garland. Coming from a distance were Mrs. Rita Whitman and children Kami and Reese of Rockwall; Margie Endres of Fort Worth; Messrs. and Mmes. Brian Bezner and family of Temple; Charles Etheridge and family of Houston; Gene LaGesse and family of Austin; and David Endres and family of Garland and relatives and friends from Cooke County.

The rehearsal dinner on Sunday, Sept. 29 was held in the home of Janet and Stan Endres, the bride's sister-in-law and brother.

Final service held for Elizabeth Haverkamp

Funeral service for Elizabeth R. (Mrs. John) Haverkamp, 85, was held Friday, Oct. 4, 10 a.m., at Sacred Heart Church with Father Victor Gillespie officiating at a Mass of Christian Burial and Fathers Denis Soerries, Cletus Post and Nicholas Fuhrmann assisting.

Mrs. Haverkamp died Oct. 2 at Muenster Memorial Hospital ending a long illness.

Burial in Sacred Heart cemetery was directed by McCoy Funeral Home with Roger Luttmmer, George Luke, Alan Zimmerer, Lloyd Hesse, Mike Sturm and Ron Haverkamp as the pallbearers.

Other participants in the funeral Mass were Willard Zimmerer in scriptural readings, Frank Luke as soloist, Mary Luke, Dianne Luttmmer, Brenda Porter and Donna Hesse in presentation of offertory gifts, and the Sacred Heart Men's choir.

In his funeral homily Father Victor said that the important things in Elizabeth's life were the interests of her family and doing what is pleasing to God; also that her death is a passage to glorification in eternal life, actually an occasion of joy rather than sadness.

Preceding the funeral a rosary was recited Thursday at 4 p.m. in the funeral home chapel and a wake service was held at 8 p.m.

Mrs. Haverkamp, formerly

Elizabeth Wiesman, was a native of Muenster, born March 29, 1900, a daughter of community pioneers Theodore and Anna Flusche Wiesman. A lifetime resident of Muenster, she was married to John Haverkamp on October 25, 1921.

Survivors are six daughters: Cecilia Cooper of Winnsboro, Bertha Sturm of Gainesville, Helen Luttmmer of Lindsay, Rosabelle Zimmerer of Dallas, Evelyn Hesse of Denison and Leona Luke of Muenster; one son, Ferd Haverkamp of Carrollton; 26 grandchildren; 29 great-grandchildren; and two sisters, Millie Fleitman of Muenster, and Sister Ann Theodore of San Antonio.

She was preceded in death by her husband; one son, Leo J. Haverkamp; and two daughters, Bernice Kupper and Agnes Haverkamp.

St. Anne's Society plans for statue

During their October meeting on the first Sunday of the month, members of St. Anne's Society agreed to participate with St. Joseph's Society in the 50-50 purchase of a statue to grace the groto being built at the Young Children's Learning Center.

An appeal for the two-foot tall statue of St. Francis of Assisi came from Loretta Felderhoff, director of the center.

In other business conducted by Della Walterscheid, president, members discussed attending the biennial NCCW assembly in Wichita Falls on Nov. 7, where workshops during the day will include one led by Father Michael Erwin of Gainesville. Tillie Otto displayed rosaries she made and gave a demonstration on construction of rosaries, showing cords, beads and accessories.

Della Walterscheid related

highlights of the North Deanery NCCW meeting hosted by Sacred Heart Parish women on Sept. 19.

Bertha Knabe, secretary and Marie Henscheid, treasurer gave their reports. Get-well cards were mailed to Ursula Herr and Ida Hesse.

A card of thanks was read from Sister Cabrini Arami, expressing the nun's appreciation for the September welcoming supper and the gift of an electric skillet for the convent.

The meeting opened with the Confraternity prayer and ended with a prayer for vocations. Twenty three members and one guest attended. Nellie Martin won the door prize.

Refreshments of hot dogs with chili were served after adjournment and a series of table games followed.

The annual Dye Mound Homecoming was well attended at the Old Church Sunday, with lots of visiting, and dinner at the noon hour.

In the afternoon an official Texas Historical Marker was dedicated at the cemetery, with Charles Edwards as Master of Ceremonies.

Invocation was by H.A. Dunn, and welcome by Veda Brogdon. Jimmy Tompkins of Nocona sang a hymn and "America The Beautiful."

The address was by Sonny Cole of Saint Jo. He gave a brief history of Dye Mound, and remarked on the hardships early pioneers had to face.

Unveiling of the marker was done by Ora Wade Embry and Delia McMahon Baker, both residents of the Dye Mound area. Loyd Lough of Electra, gave the benediction.

THIS PASS WAS OUT OF THE reach of Craig Voth in last week's Tiger game with Windthorst. Other identifiable are Keith Hennigan, Deano Bayer and Mike Adair. The contest was won 28-0 by Sacred Heart. *Janie Hartman Photo*

Tigers trample Trojans

The Trojans of Windthorst hate Kevin Switzer. He's the guy who went on a scoring spree in their game at Sacred Heart last week and accounted for all of the points in their 28-0 shutout. And just for good measure he performed miscellaneous other services like kicking off and sharing in a stout Tiger defense, and leading the rushing with 96 yards in 16 carries. Becker was next with 95 in 17 carries.

The win improves Sacred Heart's standing to 4-1.

The Tigers' big night started on first possession and included 10 plays for 65 yards ending with Switzer's waltz through a big hole for 9 yards, and his PAT kick for an extra point. Best effort along the way was a reverse for 17 yards by Wayne Becker.

With 8:33 remaining in the quarter Windthorst enjoyed brief success but had to punt ending the second series. A ten yard penalty spoiled the next Tiger possession and required a punt, after which the Trojans kicked again and SH was back in business with 46 to go. Seven plays made

the distance plus a 15 yard penalty. The big gain was Switzer's pass to Adair for 17, and the TD was scored by Switzer from the 3. Also, Switzer's PAT kick added point.

The third drive was somewhat similar. Following Windthorst's kick on first series, Sacred Heart gained 51 in four tries including 38 by Switzer, and fouled up the third series with a clip penalty. That forced a punt, followed by a first down, then a punt by Windthorst.

Following Scott Taylor's 26 yard return the Tigers were 44 yards away. Seven plays were enough from there and included 12 yards plus the 10 yard TD run by Switzer. Again his extra point kick was good. The score was 21-0 at 1:45 before the half.

The third quarter was scoreless but came close to producing the Trojan's first TD of the year. Principal factors leading to the near success were two recoveries of SH fumbles, by Jason Berend and Kenneth Vietenhimer, followed shortly later by a 32 yard pass, Berend to Tony Schenk.

That reached the 9 yard line. Two plays from there reached the 1 but two more lost ground and SH took possession on the 3.

Three plays later John Nasche almost broke away but was halted after 34 yards by Conrady on the Tiger 46. The remaining distance of 54 was covered in 9 plays including 12 by Taylor and 15 by Becker and the 7 yard TD by Switzer on the first play of the fourth quarter. The PAT made it 28-0.

The last period was scoreless but not inactive. Bartel recovered a fumble. Dangelmayr passed to Adair for 29 yards. Tigers failed on 3 plays from the 4 and Switzer missed a field goal attempt. Dangelmayr's pass to Swirczynski gained 18 and Taylor intercepted a Trojan pass.

Van Alstyne edges MHS 14-13

The Hornets' perfect record was shattered by a single point at Van Alstyne last week as the Panthers came from behind for a 14-13 win.

The one play which turned out to be the big difference was the PAT effort following Muenster's go-ahead touchdown in the third quarter. Hornets chose to go for 2 and Ryan Klement's keeper roll-out was almost there when he was nabbed leaving the lead at 13-7.

Another great factor in the loss was the Panther's inspired 97 yard drive in the fourth period after a coffin-corner Muenster punt seemed to have them at a disadvantage. But that's when Van Alstyne put it together for their best show of the game. Passes to Rennecker were good for 10, 20, and 30 and runs of 16, 9 and 11 made up most of the remaining yardage. The 11 yard run tied the count at 13-13, and the PAT kick that followed was the game winner.

Muenster dominated the first quarter allowing their hosts only four plays but had no points to show. Finally the gains were combined about midway in the second period for a 52 yard drive to pay dirt. The pay-off was Klement's 11 yard jaunt and the big play along the way was a 25 yard pass to Shawn Flusche. Other yardage came on a short pass to Flusche and short runs by Eldred and Klement. Flusche's kick made it 7-0 at 6:59.

That lead vanished later the same period on the big play of the game, a 59 yard touchdown heave to Rennecker ending a 72 yard drive in four plays. The kick after was good. The score was 7-7 at intermission.

MHS regained the lead early in the third quarter after recovery of a Panther fumble on first series. The ball was bobbled on a flea-flicker attempt and recovered on the 33 by Damian Hellman. Four plays from there gained 13 and Klement's pass to Eldred covered the remaining 20 at 8:50.

Then is when the game was decided: the two point miss that would be so badly needed later.

Ending the third and starting the fourth Hornets were on the move again but stalled on the third series and ended with a great punt which set back the Panthers to their 3 yard line. That was the starting point for a 97 yard great drive that included 60 yards in 3 passes and 36 in three good runs for the 13-13 tie and the all important extra point for a win.

Van Alstyne can credit big plays for its success, especially 143 yards in passes compared with Muenster's 57. Rennecker was the hero of that department, accounting

for 119 in receptions on the two vital drives. However MHS gets the nod for honors in rushing gains. It led at 113 to 91 and also led 12-11 in first downs. In the rushing Flusche had 62 in 21 carries and Eldred had 32 in 11 carries. Also, Andy Burnette stood out for coverage on specialty teams, and Eldred averaged 41 on three kicks.

Sacred heart ends volleyball season

Sacred Heart's volleyball season ended Tuesday night with a pair of wins over the girls of Petrolia. The JV Tigettes won the program opener by counts of 15-10, 16-18 and 15-0. Next the varsity took two in a row, 15-2 and 15-8.

The final standings, as reported by Coach Jon LeBrasseur, are Varsity 6-8, Junior Varsity 7-3,

Junior High 2-2. Sacred Heart's participation in TCIL volleyball has also ended with the Tigettes in second place. It was decided in a tournament last week in which Sacred Heart beat Alamo of Amarillo by counts of 15-2 and 15-13. Next Notre Dame beat the Tigettes 15-13 and 15-2.

SPORTS

Muenster Juniors win 27-8

Muenster junior high youngsters kept their winning streak going last week in a decisive 27-8 rout of Van Alstyne's lads. They were specially impressive in a strong first half leading 20-0 on the board and 5-0 in the count of first downs.

They made a TD that did not count on first possession as James Hennigan scored a 20 yard touchdown pass from Jerry Brawner but a clip penalty nullified it.

Next time they made good. Don Boydston went over from the 24 and kicked an extra point.

After holding their visitors on first series the Little Hornets used

only one play. Hennigan broke away for 57 yards and Boydston added a point.

The third TD came seconds before the end of the first half. It was the pay off of a 72 yard drive which started with Troy Pagel's interception and used nine plays and a 15 yard penalty. Big gains along the way were 15 and 14 by Boydston and 14 by Hennigan. Brawner's quarterback sneak finished it. A kick failed and Muenster led 20-0 at halftime.

The third quarter was slowed down by penalties on both sides as Muenster dominated the full period. After Boydston's 30 yard kick-off return MHS moved 60 yards and best gainers were passes of 10 and 14 to Jeff Hellman and a

10 yard touchdown pass to Hennigan. Boydston booted the extra point.

In the fourth period the visitors did better as Muenster reserves took the field. Van Alstyne got a first down, lost possession on the next series, and then recovered a fumble. One run gained 23 and a pass was good for 20 and a TD. Another pass added 2. Muenster led 27-8.

The remaining 3 minutes included fumble recoveries by both sides plus a 13 yard run and a pass interference rule for the visitors. They reached the 25 as time ran out.

The count of first downs was 10 for Muenster in three quarters and 6 for Van Alstyne in 1 quarter.

Cubs lose 14-0 to Windthorst

A disappointing season for Sacred Heart's Cubs continued through another game last Thursday at Windthorst as the boys went down by a count of 14-0.

In spite of the loss Coach Sylvan Walterscheid was pleased, saying they did a good job considering the odds. They were clearly outmanned, he said, just as they were in three earlier games. Nevertheless they managed to hold their hosts to a scoreless tie in the first half.

The future Trojans changed that with a pair of scoring drives in the second half. In the third period they combined lots of short gains in a march of some 60 yards to the goal. And in the fourth they repeated with more of the little gains adding to a total of about 50.

As regards the Cubs' offense, they moved the ball occasionally but could not manage a sustained drive.

Golf

A team including Urban Endres, Brent Hess, Doyle Hess and Laura Trachta were the winners in Muenster Golf Association's tournament Sunday at the Gainesville Municipal Course. Their score was 78.

Next in line were three teams, each with a score of 79. One four-some consisted of Ola Roberg, Bertha Hamric, Dan Yosten and Don Eckart. The other teams were headed by Earl Fisher and John Schneider.

Local golfers are reminded that the next tourney is Sunday, the 13th, starting at 9:30, and sponsored by Jaycees at Nocona Hills.

Van Alstyne nips Hornet JV 14 to 9

Muenster's JV's were on the short end of a 14-9 tussle with Van Alstyne Thursday but neither they or their fans were unhappy. They did a great job against size, numbers and a bunch of big plays. Muenster dominated in the first quarter gaining 47 in a drive before falling short on the fourth series. Passes to Bobby Thornhill, Keith and Chris Klement were the main factors.

However, the visitors could not move and had to kick. J. Shane Wimmer fielded it about 70 yards

away and apparently was stopped at midfield, but suddenly popped into the open and sailed all the way. His PAT made it 7-0.

After the next kickoff Hornets moved again after recovering a fumble at midfield. Passes to Thornhill and Keith Klement were good for 9 each in a drive to the 16 where a penalty spoiled the effort, and the visitors took charge and turned the game around. A hunk of talent and speed named Watson started it with a 21 yard pass reception then a 16 yard gain on a

reverse. A busted play and a penalty stopped the drive and forced a kick. But an interception on the next play put Van Alstyne back in business. So Watson gained 25 on a pass and Halliburton scored from the 1. A kick tied the score at 7-7.

Starting the second half Watson was at it again with a 50 yard kickoff return to the Muenster 43 and Campbell followed with a 17 yard gain to the 25.

The quickie drive stopped abruptly with a fumble recovered

by Bull on the Hornet 27. Then Muenster started again. Small gains plus a 9 yard pass to Thornhill and a 9 yard run by Wimmer reached the 36 where a holding penalty spoiled the effort.

The following few minutes included an exchange of kicks ending with the Panthers on their own 35. Then came the big play of the game, a 65 yard heave Pitts to Moody on the 1. Moody plunged over on the next play and the kick upped the score to 14-7.

With about 9 minutes remain-

ing, the Hornets got going on another effort featuring a 14 yard pass to Thornhill and short gains by Keith and Chris Klement. The drive went 52 yards to the 17 and fizzled out on incomplete passes.

The visitors likewise were stalled, then showed respect to the trailing Hornets by choosing a safety rather than a punt to end their series. It gave up 2 points but was less risky, considering the free kick to get out of trouble. The score was 14-9 with less than 2 minutes remaining. First downs

avored Muenster 6-4 in the first half, 7-2 in the second half.

Legumes improve bermuda pastures

Well-managed bermudagrass pastures provide little food for wildlife. Deer will feed on forbs between bermudagrass plants and quail will use weed seeds. However, when herbicides are used to eliminate forbs and weeds, bermudagrass pastures provide poor fare for wildlife.

Interseeding legumes such as clover, vetch, or peas will provide food for deer and turkeys during the winter and quail next spring when the vetch and peas make seed. If legume seeds are properly

inoculated, the plants will "fix" atmospheric nitrogen into a form that can be used by other plants. The costs of nitrogen fertilizer can be reduced by this practice so long as inoculated legumes are maintained in the pasture.

October is an excellent month to interseed legumes. U.S. Soil Conservation Service personnel at Gainesville provide technical assistance with interseeding legumes in bermudagrass pastures.

County Agent's Report

Continued from Page 9

by Craig Rosenbaum

Applying nitrogen for small grains this fall will be important. There are four important reasons why wheat and other small grains need nitrogen at planting or a short time afterward:

- aid in development of good root system,
- for early grazing,
- to hasten decomposition of excess residual straw, and
- for high production of forage and grain.

Sufficient fall growth for early grazing cannot be expected without adequate nitrogen at planting. The advantages of early planting and favorable fall growing conditions can be lost if nitrogen fertilization is delayed until late fall. Establishing a good uniform stand with good tillering requires nitrogen, and most soils are deficient in this nutrient. However, do not put nitrogen down with the seed in the drill. This can kill germination of seed.

To meet nitrogen requirements during the fall growing period, producers can apply the total requirement before planting on heavy textured soils, like most of

Cooke County, for both forage and grain. Or they can apply a small amount at planting followed by topdressing soon after planting or in late winter for grain production only. On sandy type soils split applications of nitrogen may be more beneficial due to the fact these soils tend to leach more in high moisture conditions.

Fall nitrogen fertilization is also affected by the amount of straw from the previous crop. The bacteria and other microorganisms needed to decompose the straw require nitrogen and can use that already in the soil as well as that applied, thus reducing the amount available during the fall.

The general rule in applying nitrogen has been to increase the rate of nitrogen about 20 pounds per acre for each ton of undecomposed straw. However, a portion of this nitrogen is recovered during the final stages of decomposition so that as much as half of this may be available during the spring months. This means that about half of the "extra" nitrogen could be deducted from the late winter topdressing.

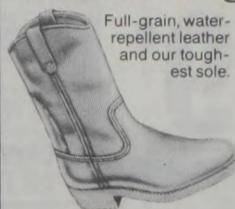

Pregnancy testing workshop scheduled

The science of testing for pregnancy in dairy and beef cattle by the modern Progestassay method will be explained in a meeting Tuesday, October 15, 7:30 p.m., at J & P Livestock Supplies on West Highway 82 across from Brown Motor Co., Gainesville. The conference will be conducted by a veterinarian from Pittman Moore, manufacturer of the test kit.

Anyone interested in the information is invited to be there.
