NUMBER 26

OK IN AUSTRALIA

Pvt. Henry N. Stoffels, son of Mr. and Mrs. H. P. Stoffels, arrived safely in Australia according to a letter to his parents this week. He entered the service last November 5 and received his basic training at Camp Wallace with the Coast Artillery, and was then sent to Fort Bliss and Camp Stoneman, Calif., where he transferred to the Signal Corps. He was stationed at San Francisco several weeks before going overseas. Mr. and Mrs. Stoffels have another son, Pvt. Pete Stoffels, in the army, who is stationed at Camp Rucker, Ala., and is expected home on furlough next month.

FULL HOUSE CHEERS CLEVER COMEDY BY HI SCHOOL PUPILS

A full audience cheered the high school's dramatization in the parish hall Sunday evening, "Silas Smidge from Turnip Ridge", a three-act comedy drama by Jay Tobias, was the student's final offering of the scholastic term, and was acclaimed one of the best home talent presentations ever shown here.

Realistic performances were given by all thirteen of the characters who seemed especially well cast in their respective rolls.

The story centered around Judy, an orphan waif, charmingly enacted by Alma Marie Luke. Harold Luke played the title roll perfectly, emulating old Silas; Juanita Weinzapfel as a stagestruck hired girl was a natural, and Leo Felderhoff, as a red-headed scamp, drew considerable applause.

Other rolls were ably enacted by Rose Marie Endres, who finally became Mrs. Silas Smidge after thirty long years; Gladys Wilde as an aristocratic young lady; Frank Hennigan as her hard-boiled father; Lucille Wimmer as the gossip village postmistress; Thomas Otto as the villain; Marie Felderhoff as Judy's long lost aunt and George Swirczynski as a young farmer.

Miss Evelyn Wiesman, cast in the roll of a young minister played the male part with ease, and Johann Seyler as his sister, added mystery to the plot.

Villagers who contributed their bit to the story included Marie Swingler, Imelda Felderhoff, Mary Ann Reiter, Marjan Starke, Geneva Gremminger and Della Rose Endres.

Between acts the Muenster Youth Band, under the direction of Rev. Richard Eved, offered a number of selections.

Publicity committee for the show was Mary Ann Reiter, Della Rose Endres, Geneva Gremminger and Marjan Starke.

Stage effects were taken care of by Alvin Fuhrmann, Harold Sickling and the Villagers.

They had the whole thing doped out to perfection. Uncle Sam would have to pay them a fat salary until the war is over. If he can't collect from bankrupt Germany after that, it's his hard luck. If he can collect it will be Herr Average German Citizen's hard luck. The schemers don't have any more scruples about gyping their own countrymen than gyping the enemy. By hook or crook the Hitler crowd plans to come out of this mess with a fist full of dough. OK. If they want to do some legalized cheating there's not much we can do about it but get peeved and remember at the same time we haul up their leaders on charges of international outlawry. In the end some of those punky will probably stretch a noose anyway so they won't have an opportunity to enjoy their ill gotten goods.

Just to double cross 'em now, the Americans and British ought to transfer the newly promoted captives to the French camp. Let 'em have the meager French salary, which is considerably nearer the amount they are accustomed to. As you know, the Yank is the highest paid soldier in the world. The Tommy ranks next. The Frenchman's pay is much lower.

In its treatment of captives, America has always been generous to a fault. Besides living up to the letter of international law it has extended special courtesies so generous as to be practically ridiculous. For instance, take the case of our exchange of American and Japanese nationals some months ago.

GARDEN CLUB HAS INTERESTING MEET FRIDAY AFTERNOON

Members of the Civic League and Garden Club enjoyed an interesting meeting Friday afternoon when they gathered for their regular monthly business session and program.

Mrs. Beatrice Siebel, chairman of volunteer Red Cross workers at Gainesville, and Mrs. Jack Howeth, staff assistant, were guest speakers. They told of work the Red Cross is doing for soldiers and cited several ways in which the Muenster women might help in this activity.

During the business session Pilgrimage Chairman Miss Olivia Stock announced that the club's annual pilgrimage will take place on Monday the 7th of June in the evening and will be concluded with a picnic supper on the lawn at the Joe Luke home.

Mrs. Jim Cook, defense committee chairman, reported on Red Cross activity stating that 120 yds. of materials have been cut into garments and they have been distributed among the women of the community for finishing. Last month the Club made 14 dozen cookies for soldiers at Camp Howze leaving them at the USO clubs for the boys to enjoy on Sundays.

FREE SUGAR AND LARD

Mrs. Cook further announced that cookies will be made again for the 30th of this month and members voted to take funds from the treasury to pay for sugar and shortening for this purpose. Points for these items had previously been secured from the ration board. Any ladies of the community, whether or not they are members of the league, are invited to join in the cookie making on the 30th and they may secure their free lard and sugar at Mrs. Cook's.

Mrs. Cook also reported that members of her committee had made 50 pairs of curtains for day rooms at Camp during the past month and had on hand 75 more pairs to sew. A large number of magazines, several ash trays and two New Testaments were last week delivered to the Camp Hospital. These items were donated by local citizens.

Miss Mary Becker gave a report of cemetery work and Mrs. Weinzapfel gave an account of 4-H activity.

At this meeting Mrs. Joe Hansen of Gainesville was also present and distributed certificates to women who had recently completed the Home Nursing course under the instruction of Mrs. T.S. Myrick.

As an added feature on the program members of the Sacred Heart Glee Club presented a duo of selections.

Bud's part of the program consisted of an account of his experience in Lea, New Guinea, last July and his present course of study to become a pilot.

Six Students Graduate At Parochial Hi

Bishop A. Dangelmayr Is Speaker; Rev. Frowin, Chaplain Zimmerer Also Give Address At Monday Commencement Program

Addressing the Sacred Heart High School graduates in commencement exercises Monday evening, Most Rev. Augustine Dangelmayr, Auxiliary Bishop of Dallas, as the principal speaker, stressed a two-fold purpose through the years to come when he cautioned the students to be mindful of their eternal destinies and to be good citizens of their country.

He was lavish in his praise to the Muenster community and to the Benedictine Sisters for their many sacrifices in developing the parochial school to its present status.

He mentioned that he was happy to be back in Muenster and considered it a privilege to be called upon to speak at the exercises. His address was followed by a loud round of applause.

Rev. Father Thomas, O. S. B., pastor, presented the diplomas and awards of merit and gave a short congratulatory address.

He then asked Father Frowin, former Muenster pastor, who was in the audience, to say a few words. Rev. Frowin reciprocated by congratulating the students and expressing his happiness at being able to attend the exercises. Though he spoke from the floor Father Frowin's voice, which is as powerful as ever, carried well through the capacity-filled auditorium. He received a rousing ovation.

The next speaker whom Father Thomas called upon to say a few words also received a great ovation. He was none other than Lt. Chaplain Francis A. Zimmerer, former assistant pastor here, now with the army at Fort Benning, Ga., and home for a leave. He, too, congratulated the seniors, mentioning that this was the fifth graduation of the school and also his fifth attendance at exercises. His short talk was principally regarding army life and the close association that exists between service men and their chaplains. It was particularly comforting to mothers and fathers who have sons in the armed forces.

The program was held in the parish hall before an audience of about 500 persons. Graduates were attired in caps and gowns and were accompanied by tiny pages.

The processional and recessional were played by the Youth Band under the direction of Rev. Richard Eved.

Graduates were Rose Marie Endres, Marie Felderhoff, Harold Luke, Marie Swinger, Evelyn Wiesman and Lucille Wimmer. Their pages, in order named, were Alma Henschel, Tresa Mae Felderhoff, Ray Luke, Anna Grace Fette, Mary Nell Hellman and Bernice Walterscheid. The little girls wore floor length white frocks and the little boy wore a white linen suit.

Lucille Wimmer gave the welcoming address, the salutatory, and Harold Luke delivered the valedictory address. Marie Felderhoff recited the class poem, Marie Swinger paid tribute to the parents and the Glee Club offered a selection.

School Daze

MÜNSTER PUBLIC SCHOOL

Graduation exercises will be held at the same time for both grammar school and high school on the 25th of May. The high school graduates are Joe Cason and Leo Lawson. LaVetta Martin, Joan Roberg, Billie Jean Pierce, Virginia Nell Trotter and Sammy Harrison are eighth grade graduates.

We have finished state tests. The English and Spanish were easy. The hardest were algebra, civics and American History. It is reported that Lorene Knabe wrote fifteen pages in civics. On the English II test the first question was to write a one-page theme on "Getting Acquainted". Many new ideas were suggested, showing that our bunch isn't as bashful as they claim to be.

At the last months P-T. A. meeting we had a box supper at which we cleared \$15.65. Thursday May 13, was the last meeting of the P-T. A. Mrs. Teague wishes to thank everyone who has co-operated in the P-T. A. this year. All the students want to thank their mothers and the P-T. A. for carrying on the hot lunch program.

The Public School children have 12 brothers in the Army, 4 brothers in the Navy. They also have 103 cousins in the armed service, and 38 uncles in service. We believe few schools have a better record.

We thought you might be interested in the defense work done by students of our school. Miss Luke's class is very ambitious with most of them doing bits in the garden and house work. Kenneth says, "I chase chickens out of mother's garden". Bobby weeds the potato patch. They have all helped by gathering scrap and buying defense bonds.

Mrs. Kline's classes are all helping at home and helping in the gardens. Betty Cole cooks supper and helps with the housework because her mother is working. Bobby, Dorothy and Raymond all help with the milking. Sammy has a garden all of his own. Joan is doing the work of a girl who has joined the WAACS.

The high school students have not waited for school to be let out to start working. Doss is working a Frick-Reid. Dewey is doing a man's work on the farm. Bill Hamilton is working at Henrietta. They have all arranged to finish their work at school. Leo and Joe are expecting to go to work for Uncle Sam right away. In the meantime Leo is helping on the farm. Andy and Julius are helping in the oil field. Dorothy Nelle is going to work in a department store. All the rest are helping with gardens and farm work. Many high school girls are planning on being nurses and taking courses in school which will help them.

The P-T A presented Miss Luke's room with a lovely U. S. flag as an award for their purchases of war stamps during the term. The little tots made the best showing of all the students in this form of work for Uncle Sam.

Grade school pupils enjoyed a picnic at Roadside Park Monday afternoon through the courtesy of the P-T A. All had a very jolly time.

Black eyes seem to be the fashion around school nowadays.

Henry and Arnold went fishing last week but forgot to take any bait along.

One of the glamor boys this year has turned out to be a bachelor.

scrapbooks.

With the closing of the school term comes also an end to School Daze. We've enjoyed writing these little happenings and hope that our readers have enjoyed reading the column. We wish for all a happy vacation and look forward to meeting right here again next September.

Canning?

HERE'S HOW TO HANDLE YOUR MODERN Gas RANGE

ARE YOU TAKING EXTRA CARE of your Gas Range, to make it feed your family till we win this war? If it's a modern automatic, it can serve with a flourish for years and years (war or no war), if it has good care.

1. Don't burn out the oven enamel with prolonged high heat. (Only a few oven dishes call for high heat; and roast meat tastes much better with a definitely LOW heat).
2. In canning jars of food in the oven, don't prop heavy loads on the open door; it might warp the door.
3. In oven canning, use jar-pan to protect the oven floor in case of accidental boil-overs.
4. In canning on the top burners, handling pressure cooker, water bath, or open kettle, do not set anything hot or wet directly on the enamel spaces. Use cork mats, or asbestos mats.

5 High and 15 Grade Students Get Diplomas At Sunday Program

Lindsay.— Rev. Thomas Buegler, O.S.B., Muenster pastor, was commencement speaker here Sunday evening when students of the Lindsay school held their graduation exercises in the community hall.

The program was simple and impressive on a stage adorned with a profusion of flowers. Members of the senior class and graduates of the grade department marched to the stage while the processional was played.

Miss Elfrida Hermes gave the salutatory address and Miss Agnes Fuhrmann brought the valedictory address. Gerald Metzler, class president, spoke on "School and the War". Elsie Louise Bezner, Lucille Bezner, Mary Louise Bezner, Rita Block, Michael Neu and the high school Choral Club contributed a number of vocal and instrumental selections.

The presentation of diplomas was made by County School Superintendent Randolph O'Brien.

Speaking on "Education Must Be Formation", Rev. Father Thomas stressed the three-fold aim of education — physical culture, intellectual training and moral culture. "Experience has taught us that our whole life is a school", the speaker said. "It begins at home, is continued in the classroom, develops through life and does not mature until we are about to descend into the grave."

Education and virtue, he assured, contribute toward good citizenship in that they give the answers to this or any other nations most important problems.

As a finale to the evening's program, Chaplain Francis Zimmerer, who was a surprise guest, contributed a highly entertaining talk, so very appealing because of its chatty style.

High school graduates were: Wilbert Block, Elmary Dieter, Agnes Fuhrmann, Elfrida Hermes and Gerald Metzler.

Grade graduates were: Rosalie Beyer, Robert Bezner, Evelyn Block, Adeline Dieter, Beatrice Fuhrmann, Bernard Fuhrmann, Linus Fuhrmann, Mildred Fleitman, Emilia Hermes, Alfred Kuhn, Norma Jean Mosser, Jerome Neu, Math Lee Neu, Marie Schmidtkofer and Leroy Schmitz.

ago. While they were "captives" the Japs were living off the fat of the land. Superb food, luxurious hotels, recreation and privilege of living unmolested. Americans over there were thrown into filthy dungeons, starved and brow beaten. Then, at the time of exchange, Americans had to forfeit all money and any personal possessions the Japs took a fancy to. The Japs left here with tons and tons of baggage and pockets full of money with which to buy more at every stop in a neutral port. Americans came home emaciated and empty handed. Japs returned home robust and wealthy.

It burns us up to realize that we Americans are getting the short end in our dealings with the enemy. At times we'd be willing to see the whole crowd of enemy prisoners lined up for target practice. Then we cool off again and enjoy the inward satisfaction of knowing that we practice what we preach. We fight to protect our life and happiness, and at the

same time we're big enough to concede an enemy captive's right to the same blessings. We're winning this fight without hitting below the belt. That's something we will be proud to remember after the heat of battle is over.

What's more, our good reputation pays dividends on the battle front. Had the German and Italian soldiers not been certain of fair treatment, they surely would have prolonged the fight in Tunisia, with the result that hundreds or thousands of additional allied lives would have been lost. We like it better this way. We want to save every American boy we possibly can.

Perhaps you have noticed also that thousands of axis prisoners taken were in high spirits. One story concerns a youngster who had become separated from his outfit and came jauntily down the

road to a squad of Yanks. His face was one big smile as he declared himself a captive. The soldiers did not bother to take him into custody. Just directed him to the prison camp. Incidents like that are eloquent compliments to the captors. The fact that we have this reputation in the enemy camp will prevent much useless bloodshed when the battle of Europe gets under way.

Something I heard only a few days ago. Several hundred German prisoners are now working on a large federal project not so far from here. Mostly teen-age boys. A cheerful crowd who are showing their appreciation for swell treatment by doing a swell job for Uncle Sam.

All this adds up to one encouraging fact. Besides fighting a grand fight America is building a firm foundation for a lasting peace.
