Chamber banquet gets straight A rating

A most welcome bit of world news was the announcement a few days ago by President Reagan that he's fed up with the Communist and Third World dominated United Nations Educational, Scientific and Cultural Organization (UNESCO), and gave formal notice that United States will withdraw all of its support from the organization beginning in 1985. The only fault to be found in this decision is the fact that the actual cut-off is postponed a year. Considering the excellence of reason to break away from the ugly and treacherous enemies, we see no reason to waste another year supporting their dirty work.

The Chamber of Commerce earned a straight A on all phases of its annual awards banquet last Saturday in the Sacred Heart Community Center. Its program was super with Jane Monday directing as master of ceremonies, Johnny Pagel and Don Abney as past and present presidents, Rev. Keith Thomas in inspiring invocation and benediction and Congressman Charles Stenholm as the program headliner. Top ratings are also in order for the filet mignon dinner by Rohmer's, the widely popular Golden Tones dance music directed by Carl Jones, and over-all preparations by Herb and Dolores Miller.

Congressman Charles Stenholm is introduced by Urban Endres as speaker at the Chamber of Commerce banquet.

Urban Endres introduced Congressman Stenholm as our man in Washington doing a good job for the district and the country, with a flunking grade from liberal leaders but high grades from conservatives.

Stenholm replied that his record reflects the majority wish of some 526,000 people in District 17 and he considers it a pleasure to keep in touch and present their thoughts in the process of government. The process is the greatness of America which has government by the people rather than by a dictator. In that connection he urged all to exercise their citizenship by voting.

Regarding national problems he said the most urgent is runaway spending which is leading to financial debt was accumulated in 204 years but the second trillion was reached in only 10 years. To stop the constant deficit he proposes a pay-as-you-go plan, as individuals have to observe in every day living. Stenholm said his priority back on the job is to seek the support to get the legislation passed.

Don Abney makes a bid for cooperation in his job as the Chamber's new president.

Concerning foreign affairs, Stenholm said the Soviets can not be trusted and our survival can be assured only by a deterrent. He opposes the proposed nuclear freeze and any other agreement whereby US allows USSR to gain an advantage. Likewise he urges constant vigilance against terrorism. He cited an incident in which a terrorist was discovered in the House of Representatives loaded with sufficient explosives to cause extensive death and damage. He added that Marines in Lebanon, facing hopeless odds in their peace keeping mission, are in constant danger of terrorist attack and should be brought home as quickly as possible.

In appreciation of Stenholm's talk he was presented with a basket of GMP (gross Muenster products) consisting of sausages and cheese made here. Other presentations by Jane Monday were plaques to Larry Kinard and Johnny Pagel for services as president during the year. Pagel succeeded Kinard when he was transferred to Hillsboro. A banquet of white and blue carnations, used as a centerpiece at the front table, was won by Monica Hess as an attendance prize.

It's amazing that US patience in this matter has lasted as long as it has. For years UNESCO has pursued a policy of spreading its malicious poison, particularly regarding US, to all parts of the globe. This persistent hate attitude is the reason why our nation is overwhelmingly opposed on every issue concerning freedom and communism which comes up before UNESCO.

The situation is all the more repulsive because it is a matter of "biting the hand which feeds it." For many years US has been the chief benefactor of UNESCO. Although it has only one of the 160 votes which determine policy, or .6 percent of the total vote, we American taxpayers have been paying fully 25 percent of the entire UNESCO budget. Yes we have shelled out \$70 million year after year and have been repaid entirely in abuse.

If UNESCO wants an explanation of what happened it needn't even bother to ask. The primitive reasoning of their savage minds should have told them long ago that there is a limit to patience in absorbing insults. Secondly, even they should realize that UNESCO ethics make it impossible for US to change policies from within by debate and negotiation. Plainly US found its UNESCO job futile and disgusting.

As we observe this step in the right direction, that is, toward getting US out of UN and UN out of US, we hope for other favorable developments. This could lead to either of two consequences, both desirable. One being that members of the parent organization, all related to UNESCO, might be inclined to tone down their hostility to us. The other being that America reduce or discontinue its enormous payments to UN as well. Zimbabwe, the one time friendly Rhodesia, now bossed by the Marxist Mugabe, learned that US patience has its limits. Just lately that country, which makes demands of aid while spewing hatred of US, had its aid reduced by President Reagan. It could possibly influence the savages to bring some civilization into their dealings.

A better wish is that US may even be doing a favor to its hostile moochers. Without solution, of course. That's may have to provide more on its own thereby becoming more self reliant and cooperative. This could be the better way of making good neighbors of them. A hint of that possibility became apparent when the UNESCO

City considers water rate hike

A proposed increase of about 13 percent in the Muenster water rate was the principal item on the city council's agenda Monday night. The increase, if adopted in a hearing at the council's regular meeting in February, will be the first here since January '81.

Suggested increases are as follows. The minimum charge for 1000 gallons or less increases from \$6.00 to \$8.00. Next 9000 gallons increases from \$1.00 to \$1.15 per thousand, and the charge for additional gallons increases from \$1.10 to \$1.25 per thousand. For instance, an average bill for 13,000 gallons, now costing \$18.30 would increase \$3.80 to \$22.10.

The proposed increase applies to water only. No

changes are proposed for sewer and garbage service charges.

In other business the council took its first step toward having the city take over some of its street projects such as repair jobs and the smaller new street jobs. The intention is to continue contracting the larger projects.

The first step is purchase of a 500 gallon tank mounted on a trailer for storage and application of primer oil. The city has the equipment for applying surfacing material and does not need equipment for heating the primer oil. At temperatures over 50 degrees no heating is needed. The arrangement requires only that street work be done in warmer to hot weather.

A street project in sight is that on Mesquite. The subject came up at the council meeting and, because of the involved details, was tabled for more discussion at a special council meeting to be held next Monday, Jan. 16.

Also, the council accepted Endres Motor Company's low bid of \$4,300 for a used pickup truck. Two bids were received.

And the council approved the purchase of liability insurance on its personnel covering obligations in line of duty.

The council also reappointed Vincent Felderhoff, Earl Fisher and Jim Voth to two year terms on the city zoning boards. Members serving their second year are Robert Miller and Al Hess.

Stenholm asks for 4th term

Charles W. Stenholm announced that he will seek a 4th term as the Representative from the thirty-five county 17th Congressional District.

As has become his tradition, Stenholm made the official announcement on the square of his hometown of Stamford. Local as well as district-wide supporters attended the activities.

Fareed Hassen of Stam-

ford, Stenholm's Chairman of Finance, presented the Congressman with a \$1,500 certified check filing fee for the Democratic primary.

Stenholm and his wife Cindy unrolled a scroll bearing the names of grass root supporters from all over the 17th District. Signatures for the scroll were collected by Area Coordinators.

Stenholm told the crowd, "These past five years have

been a rich experience for me and my family. None of this would have been possible without your support."

Stenholm concluded by saying, "Circumstances have provided an unusual opportunity for me to have an influence on the direction of our nation. I am thankful that I can make all my decisions based on what I sincerely believe is best for our country and know that you are behind me."

Henry announces for sheriff

Mark Edward (Eddy) Henry this week has authorized the Enterprise to announce his candidacy for sheriff subject to action of the Democratic primary, May 5.

Henry is a native of Henderson, born Dec. 19, 1950, and a resident of Gainesville since 1954. He was married to Patsy Spaeth in 1974 and they are parents of 3 children, ages 6, 3 and 1.

After completing Gainesville Public Schools he attended college at Howard Payne College, Cooke County College and North Texas State University. He graduated from NTSU with a BS degree in physical education and a

minor in history.

Occupation during college years included assistant coach at a Gainesville mid-

dle school and employee of the Gainesville Police Department. Since college he was employed 4 years with the Gainesville Police Department, graduated from Texoma Regional police academy with basic certification in 1974 and received intermediate certification in 1977. He also has certificates of advanced study in juvenile procedure, radioactive monitoring and report writing. Also, since 1977 he has been at a Gainesville School as coach and teacher.

Regarding philosophy of law enforcement, he said "I believe in safe, professional and economical law enforcement."

City gets \$4,895, sales tax rebate

Muenster made a strong start in its city sales tax rebates receiving \$4,895.70 from Comptroller Bob Bullock for the pay period ending Dec. 30, 1983. As pointed out by Bullock, the January check was for tax collected on city sales tax in November and reported to the tax office by Dec. 20.

The amount received here was 33.14% higher than the first payment of '83, and is consistent with the trend in most areas of the state. Bullock said \$44.6 million

was sent to 980 cities that levy the tax and the state wide increase was 39.5 percent over last January's payments. He added that one reason is a change of schedule in remitting to the comptroller. Many who paid quarterly now pay monthly as required by a new law

passed in 1983. With payments received earlier, rebates are paid earlier. Another factor is the improving state economy.

Rebates paid on this first payment of the year along with the change from last year were reported as follows.

Muenster \$4,895, up 33.14%; Gainesville \$42,468, up 10.49%; Lindsay, \$2,646, down 19.78%; Pilot Point, \$6,540, up 99.86%; Sanger, \$2,149, up 39.88%; Whitesboro, \$2,341, up 45.59%; Bowie, \$25,087, down 1.15%; Nocona \$7,250, up 35.17%; Saint Jo \$902, no payment Jan. '83 for comparison.

Bank gains in deposits, loans

Substantial gains in both deposits and loans have been made during the past year according to the quarterly statement required by the state banking commission.

The report as of December 31, 1983, indicates that total deposits on that date were \$22,412,693.23, a gain of \$5,232,496.34 during the

past year.

And the total of loans was 8,974,032.85, a gain of \$1,667,878.95 during the year.

The statement also reveals slight gains in the last quarter. The statement as of Sept. 30 indicated deposits of \$22,154,739 and loans of \$8,681,028.

Combined deposits and loans of all county's banks also show substantial gains in both deposits and loans. A year ago there were four county banks with deposits of \$180,365,570 and loans of \$130,750,918. A year later there are five banks with \$238,742,202 in deposits and \$160,416,857 in loans.

Good News

Luke 4: 16-19

He came to Nazareth where he had been reared, and entering the synagogue on the sabbath as he was in the habit of doing, he stood up to do the reading. When the book of the prophet Isaiah was handed him, he unrolled the scroll and found the passage where it was written:

"The spirit of the Lord is upon me; there fore he has anointed me. He has sent me to bring glad tidings to the poor, to proclaim liberty to captives, Recovery of sight to the blind and release to prisoners, To announce a year of favor from the Lord."

Larry Tisdale / The Owner's Manual 9/10, with the Lord

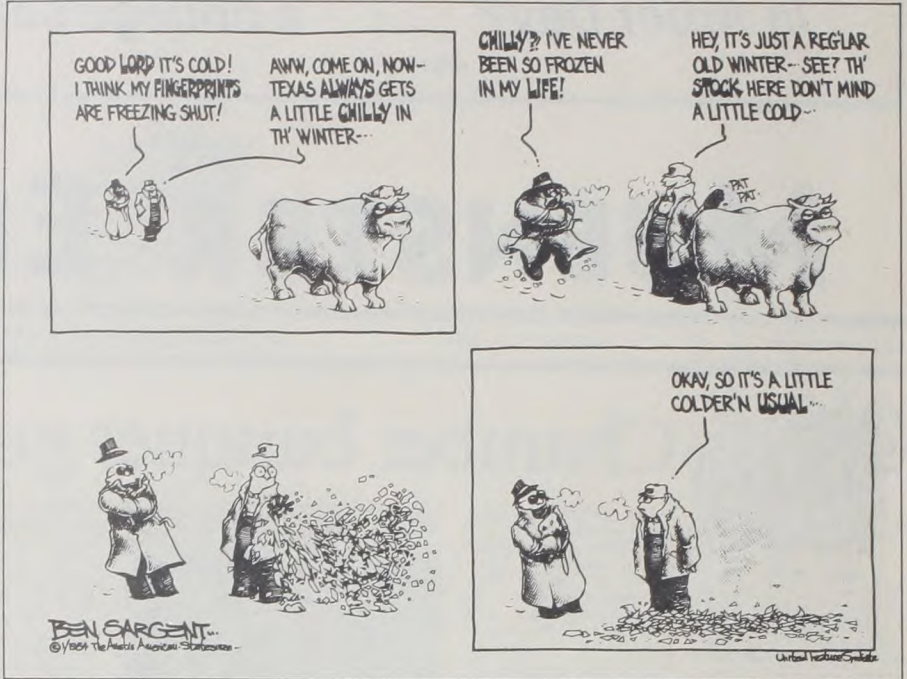

THE BIBLE teaches that giving results in receiving. Some Christians view this truth as a formula for their own financial prosperity, forgetting that blessings are given for one reason only — so that we will become a blessing to others and a joy to Himself. Everything He provides is intended to create within our hearts a desire to trust Him more and to give back to Him generously and cheerfully. In Luke 6:38 Jesus tells us, "Give, and it will be given to you; good measure, pressed down, shaken together, running over, they will pour into your lap. For by your standard of measure it will be measured to you in return." This illustration is given to show that the one giving receives more in return. The imagery is of a container of grain filled to the brim and running over the edge whose contents have also been pressed down and shaken together in order to get more into the container than was originally there.

The following short story illustrates this principle: A man once knelt with his pastor and committed himself to God to give a certain percent of his income as long as he lived. From his first week's pay he gave \$1.00 to the Lord. Soon his weekly offering had increased to \$10.00. As time went on, he continued to prosper. Before long he was giving \$100.00 a week, then \$200.00, and in time, \$500.00 a week. Finally he called the pastor. "Please come and see me," he said. "It's urgent!" When the minister arrived, the host said, "You remember the promise I made to God years ago? How can I get released? When I made the promise, I only had to give a dollar, but now it's \$500.00. I can't afford to give away money like that." The wise old pastor looked at his friend and said, "I'm afraid you cannot get a release from the promise, but there is something we can do. We can kneel down and ask God to shrink your income so that you can afford to give a

dollar again." We need to realize that God isn't obligated to honor the promise of Luke 6:38 with financial property, but He always fulfills it in some way. We must never forget that the joy of receiving is God's way of helping us know the greater joy of giving.

In closing I would like to leave you with two thoughts: a Christian does not own his wealth; he owes it. And, nine-tenths with the Lord is greater than ten-tenths without Him.

We still have some booklets available, entitled "The Owner's Manual," which contain the first 52 weeks writings of this column. The price is a \$3.00 contribution to the First Baptist Church building fund. They may be picked up from the church office or from me, or if you would like to order by mail please add 50 cents to help defray the cost of postage and write First Baptist Church, Box 581, Muenster, Texas 76252.

Cutting the deficit

CONGRESS IS home and the Republic is safe for another couple of months. When they return at the end of January, however, hold on to your pocketbook. In 1983 they almost saddled us with another tax increase; they'll make another valiant try in '84.

The problem, according to many Washington movers-and-shakers — everyone from the former head of the Congressional Budget Office, now Brookings Institution Senior Scholar, Alice Rivlin, to Kansas Sen. Robert Dole, Republican chairman of the Senate Finance Committee — is that President Reagan's 1981 Tax Reduction Act took too much money away from government.

Don't you feel just terrible for Washington's big spending bureaucrats?

The 1981 Tax Reduction Act has left the average taxpayer paying essentially the same in 1984 as in 1980. What has been done, however, thanks to President Reagan and some of the bright young stars in the Senate, like Bill Armstrong of Colorado, is to take the profit out of inflation. Specifically, when history is written about the 1981 tax cut, this anti-inflationary "Tax indexing" may be viewed as its most lasting contribution.

What indexing does is stop us from being pushed into higher tax brackets simply because of inflation. In the past, congressional spenders have been able to keep ever-larger sums of money flowing to Washington — first by causing inflation, and second because they knew our inflated

paychecks would automatically result in bigger federal tax bites. It made the big spenders happy because they could keep on spending without having to vote for tax increases. Santa Claus never had it so good.

Well, that jig is up. If the federal government is operating in the red, as it is with a vengeance, Congress can no longer secretly pick our pockets.

All this is not to say that the size of the federal deficit is not a serious matter; clearly it is. But the deficit has increased not because of the tax cuts we now enjoy but because federal spending is simply out of control. Tax receipts for the federal government have been remarkably consistent over the last ten years, ranging from 18.1 percent to 20.8 percent of the gross national product (GNP). Preliminary estimates show that 1983 receipts should be in the 18.6-percent range — about in the middle of the most recent period — even with the current lower tax rates. The reason: the economy is now expanding; and revenues can be expected to increase so long as the economic expansion continues.

We face a huge deficit, however, because spending as a percentage of GNP has been consistently increasing — from 21.5 percent in 1979 to an estimated 25.6 percent this year. These are staggering numbers.

What to do about it? The answer clearly is get government spending under control. Don't increase taxes!

(Feulner is president of The Heritage Foundation, a Washington-based public policy research institute.)

Dr. George S. Benson / Looking Ahead The lessons of History

AS HAS been pointed out previously, the vast increase in government spending in this country has been caused by the tremendous growth of welfare programs. All of these, of course, must be paid for by the taxpayers. It has been recognized by some that taxation in the U.S. has reached the point where it is considerably harmful to the economy and thus to the nation itself.

We have the lessons of history to guide us in determining what we should do. We know what happened to scores of civilizations which succumbed to the siren song of welfareism.

Writing almost two centuries ago of the decline of the Athenian Republic, British historian Alexander Fraser Tytler of Edinburgh University, warned: "A democracy cannot exist as a permanent form of government. It can only exist until the voters discover that they can vote themselves larges from the public treasury. From that moment on, the majority always votes for the candidates promising the most benefits from the public treasury, with the result that democracy always followed by dictatorship..."

The studies of British economist Colin Clark and others, quoted by C. North-

cote Parkinson in his book, *The Law and the Profits*, warn us that rates of taxation above 36 percent of the national income will ultimately prove disastrous for any economy. Our taxation has been about 46 percent of the national income for several years now as we attempt to fund the exorbitant costs of the welfare state.

A current assessment of the condition which has been permitted to arise in this country, and what the future holds in store if not corrected, has been provided by Dr. Hans Sennholz in his *Inflation, or Gold Standard*. Sennholz is Chairman of the Economic Department at Grove City College in Pennsylvania, and one of the sharpest minds around. He wrote:

"Even the noblest politicians and civil servants can no longer be expected to resist the public clamor for social benefits and welfare. The political pressure that is brought to bear on democratic governments is rooted in the popular ideology of government welfare and economic redistribution. It inevitably leads to a large number of spending programs that place heavy burdens on the public treasury. "By popular demand, weak administrations

seeking to prolong their power embark upon massive spending and inflating in order to build a 'new society' or provide a 'better deal'. The people are convinced that government spending can give them full employment, prosperity, and economic growth.

"When the results fall short of expectations, new programs are demanded and more government spending is initiated. When social and economic conditions grow even worse, the disappointments breed more radicalism, cynicism, nihilism, and above all, bitter social and economic conflict. And all along, the enormous increase of taxes, chronic budget deficits and rampant inflation."

Many people recognized the danger of the course we have been following for the last fifty years and in 1980 demanded a change of direction. But thus far the Congress ignores that demand from the people. Evidently we need to select some differently oriented Congressmen.

Are we so deluded and so dense that we will continue on the path to national suicide or will we awaken in time to reverse these disastrous trends? It is within our power and the time is short.

secretary general suspected the easy money slipping from his grasp, and the New York Times wondered what countries or what banks would finance such a poor credit risk. There is a solution, of course. That's to earn the money, which could be a blessing in disguise to all member countries.

Specifically there were many good reasons for US to quit contributing to the UNESCO farce. Most conspicuous is the secretary general M'Bow who has increasingly diverted resources to conferences and

publications that serve primarily as patronage to himself. In addition he and others of the agency's Paris bureaucracy enjoy salaries and perquisites far in excess of those received by US government tax workers, all tax free. And M'Bow himself lives it up in a palatial apartment surrounded by servants and body guards, and between times travels in luxury to all parts of the world. To support this high life, he insisted on a 10% increase of allowance while some UN agencies were agreeing to a 10 percent

cut. The mere presence of that man was sufficient reason for US to quit supporting his agency.

Of course there was a dominant reason for the cut-off, that is the constant and increasing propaganda war against US. An original goal of the organization was to collaborate in advancing the mutual culture, understanding and knowledge of all people by promoting the free flow of ideas by word and image. But since 1974 when M'Bow was installed as UNESCO head, with support of the Communist bloc

and Third World, the agency's programs affecting education, culture and the news media have been politicized in such a way as to promote Marxist dictatorships and terrorist organizations.

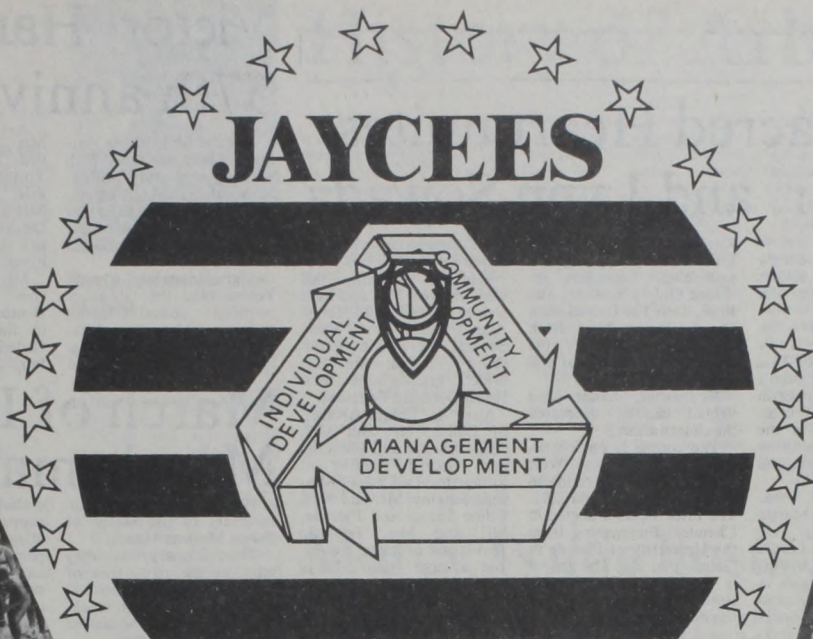

In the economic field UNESCO supports Marxism and ridicules the freedom way. It dismisses amazing progress by the West. On the other hand the plight of the poor countries is blamed on international economics of the free market, but no responsibilities attributed to failures of their own system.

Ceremony at Sacred Heart unites Henry Juarez, Jr. and Lynn Sowada

Lynn Sowada became the bride of Henry Juarez, Jr. in a Nuptial Mass and traditional double ring ceremony, celebrated by Father Denis Soerries in Sacred Heart Church on Saturday, Jan. 7 at 5 p.m.

The bride is the daughter of Mr. and Mrs. Delroy Sowada of St. Petersburg, Florida and the groom is the son of Dr. and Mrs. Enrique Juarez of Muenster.

Presented at the altar by her father, the bride was wearing a lovely white wedding gown of her own design and a shoulder-length illusion veil. She carried a white bridal bouquet.

The bride's sister, Patty Sowada was her maid of

honor. Ushers for the wedding service were the bride's brothers Terry, Alan and Roger Sowada.

Participating in the special liturgy were Terry Sowada who gave the first reading and the groom's sister, Mrs. Maria Lopez in the second reading. Presenting Offertory gifts at the altar were Christina Alvarez, Jorge Alvarez and Albert Lopez.

Wedding music was provided by Dr. Martin Kralicic who sang Ave Maria and The Lord's Prayer, accompanied by Anthony Luke on the organ. A vocal group: Lynda and Doug Yosten, Christy

Klement, Susan Metzler and Linda Flusche sang as guests assembled. Selections included Only a Shadow, The Rose, Time For Us and How Great Thou Art. Ruth Felderhoff played the traditional processional and recessional.

Poinsettias, cedar and lighted candles decorated the church altars.

The couple is on a wedding trip to Key West Florida. They will reside in Baton Rouge, Louisiana. The bride holds a degree in Chemical Engineering from the University of Florida in Gainesville, Fla. The groom is an electrical engineer. Both are working in the Exxon Research and

Development Laboratory in Baton Rouge, La.

Relatives attending the wedding were Mr. and Mrs. Delroy Sowada and Terry, Alan, Roger and Patty Sowada all of St. Petersburg, Florida; and the bride's grandmother Mrs. Helen Ducea of Minnesota.

Also Mr. Chiqui Alvarez of Dallas, Mr. and Mrs. Jorge Alvarez and Christina and George Alvarez of Lafayette, La.; Mrs. Mercedes Jenkins, Mr. and Mrs. Felipe Suarez and Patricia, Mr. and Mrs. Eduardo Jenkins all of Baton Rouge, and a close friend, Larry Bayer of Houston. A reception followed in the Knights of Columbus Hall.

Victor Hartmans observe 57th anniversary

Mr. and Mrs. Victor Hartman observed their 57th wedding anniversary with a Mass of Thanksgiving on Wednesday, Jan. 4 in Sacred Heart Church at 8 a.m., celebrated by Father Denis Soerries.

A granddaughter, Christy Yosten read the Offertory petitions. Local family members Mr. and Mrs. Walter Wolf, Mr. and Mrs. Harvey Schmitt and Mr. and

Mrs. Alvin Hartman attended. Mr. and Mrs. John Yosten were unable to attend because Pat was a patient at Flow Hospital in Denton. A brunch followed in the Victor Hartman home.

Mr. and Mrs. Hartman spent the rest of the day in Denton with their daughter in the hospital and also visited the Gene Hartman family.

In the evening they had dinner out with the Alvin Hartmans, Harvey Schmitts and John Yosten. The day included receiving phone calls from family members the Ted Gremmings in Denver, the Willard Hartmans in Killeen the Gene Hartmans in Denton and Mrs. Edna Tompkins in Arlington and also several grandchildren.

March of Dimes Mothers' March marks 34th

1984 marks the 34th anniversary of the March of Dimes Mothers March.

This January, as they have in the past, tens of thousands of volunteers will be asking friends and neighbors to come to the aid of our nation's children.

The Mothers March began as a family-to-family appeal in 1951 to help the March of Dimes combat poliomyelitis, the dread paralytic disease. Once polio was conquered by the development of effective vaccines, the March of Dimes turned its attention to the nation's most serious child health problem: birth defects.

The voluntary health organization, known today as the March of Dimes Birth Defects Foundation, still relies on the dedication and

enthusiasm of its volunteer supporters. Funds collected in the Mothers March support research into the causes and ways to prevent birth defects, intensive care for critically ill newborns, and a vigorous campaign for better prenatal care for all mothers.

The March of Dimes is dedicated to preventing birth defects and improving the

outcome of pregnancy. When these women — or the men who join them — come to our doors this January, welcome them with open arms and open purses. You will be giving to the children of today and tomorrow.

Linda Walterscheid is chairman of the local March of Dimes. For more information, call 759-2713 or 759-2271.

Laura Doty and Eric Wade married in Marysville Baptist Church on New Years

A New Year's Day ceremony in Marysville Baptist Church united Laura Jean Doty of Euless and Eric Wade of Dallas. Rev. Henry Mozingo of Gainesville officiated for the double ring ceremony at 2:30 Sunday afternoon.

The bride is the daughter of Mr. and Mrs. Jimmy Doughty of Euless. She is also the granddaughter of Mrs. Joe Horn of Muenster and the late Mr. Horn, and Mr. and Mrs. Joe Doughty of Marysville.

Attendants at the ceremony were the bride's sister Jackie Doughty as maid of honor and the groom's father Bill Wade as best man. He was on holiday leave from Saudi Arabia.

The bride's Alfred Angelo original, white flounced gown was a family treasure, worn by her mother on her wedding day 23 years ago, and by her aunts Pat Horn Deltz and Diane Horn Winslow at their weddings. The bridal bouquet was an arrangement of white silk

roses. The maid of honor wore a pink, street length dress and carried a cluster of three white lilies.

Rose-colored gladioli and carnations decorated the church altar. Traditional organ music for the ceremony was provided by friends.

A reception was held at the church for approximately 50 guests. Mrs. Douglas Doughty made and served the tiered wedding cake. Her daughter, Tracy

Doughty served punch.

The couple will make their home in Euless until he enters military service in February. She will join him at his new station after he is settled.

Attending the wedding from out-of-town were the Paul Deltz family of New Braunfels, Mrs. Diane Winslow and family of Watauga and friends and relatives from Valley View, Keller, Gainesville and Muenster.

Dinner-Theater on Saturday presents "Arsenic and Old Lace"

Dinner-Theater sponsored by the Butterfield Stage Players and Sacred Heart High School Alumni will present Arsenic and Old Lace, a family-comedy drama by Joseph Kesselring, on Saturday, January 14.

The performance will be held in the Community Center at 7:30 p.m.

It will be preceded by an Italian dinner featuring lasagna, salad, bread, wine and dessert. Serving will begin at 6:15 p.m. Ad-

mission is \$15 per person. Tickets are available at Kountry Korner, Modern Floors and from Mary Lee Hennigan.

Gene Brown is director of the play and Monica Hess is co-director.

Love Fund opened for Barnhill child

Beta Kappa has opened a Love Fund at Muenster State Bank to help with mounting hospital and medical expenses for Adam Barnhill, the baby son of Monte and Janet Barnhill. Contributions may be left at the bank or given to Debbie Hess, president of Beta Kappa.

The First Texas Money Market Certificate fits your financial plan.

**Whether you're saving for the long run.
Or you're investing for the short run.**

At First Texas, we know there are two ways you can look at your money. As an investment for the short run. Or as savings for the long run.

Well, now First Texas has something that can fill both those needs: the First Texas Money Market Certificate.

If you're saving for a college education, a new home or even a car, the First Texas Money Market Certificate is a great investment for the long run. Because, regardless of what rates do in the future, its competitively high interest rate will build your money faster than a regular savings account. But just as important, the First Texas Money Market Certificate is insured up to \$100,000 by the FSLIC. So you know your money is safe for the future.

If you're investing for the short run, the First Texas Money Market Certificate has all the features you're looking for in a short-term investment. It's flexible, with terms up to 30 months.* And it pays a competitively high interest rate, higher than those offered by daily rate accounts. Best of all, you can start with an opening deposit as small as \$1,000.

The fact is, whether you're investing or saving, the First Texas Money Market Certificate is the right plan.

To open your account, call this toll-free number: (800) 442-1256. Or in Dallas, call 458-4790 and we'll open it over the phone.

First Texas. We can make the most of your money. And that's what beating the 80's is all about.

*Penalty for early withdrawal. ©1984, First Texas Savings Association

YHT has recipe swap and Christmas party

The annual YHT Christmas party with recipe swap was held on Dec. 16 in the home of Joni Sturm.

Each YHT member contributed a dish for a buffet supper and everyone especially enjoyed vying for their favorite Christmas gifts.

Pam Felderhoff, vice

president conducted a short business session to make plans for the January meeting. The program in January will be on Tex-Mex cooking and each person attending is asked to bring a dish to be sampled. Time and place are Jan. 12 at 7:30 p.m. in the Home Economics room of Muenster Public School.

Brandon celebrates eighth

Brandon Walterscheid, son of Gary and Brenda Walterscheid, celebrated his eighth birthday with a party at the Pizza Hut on Sunday, January 8.

Pizzas and soft drinks were served, followed by birthday cake and ice cream. Adding to the fun were games, picture taking and display of gifts.

Guests included Jeremy Walterscheid, Karen Barnhill, Kerri, Kammi and Ruth Barnhill, Chrisyon, Jesse and Sandi Harris, Mandy Barnhill, Misty and Juanita Barnhill. Also Kenneth Walterscheid and Jeremy Schmitz.

History of Arbor Day

Arbor Day, an observance which recognizes the importance of planting trees, will be celebrated in Texas on January 20 this year.

Beginning in a Swiss village more than fifteen hundred years ago, Arbor Day symbolizes the need to plant trees in cities and towns as well as for wood and paper products.

In the United States, Arbor Day began in a state which had at the time less than three percent of its land area covered with trees — Nebraska. Since that first Arbor Day in 1872, the idea has spread to fifty states and the Virgin Islands.

Temple was the site of the first Arbor Day in Texas in

1889. An Arbor Day resolution was passed shortly after that first ceremony by the Texas State Legislature. In 1949, the third Friday in January was designated as Arbor Day in Texas.

Because only 13.6 percent of Texas' total land area is in forest land, and this mostly in East Texas, many Texans are not aware that this amounts to an estimated 11.7 million acres, or 18,583.2 square miles. This, while perhaps a small portion of the entire state, nevertheless amounts to an area larger in size than the states of Maryland (10,577 sq. mi.) and New Jersey (7,836 combined).

It is also larger than the four New England states of Massachusetts, Connecticut, Delaware and Rhode Island, with a combined land area of 15,437 square miles.

Besides the obvious benefits of the timber industry in Texas, which generates 150,000 jobs, \$82 million in taxes, and \$5.1 billion in sales annually, urban tree planting can have a far-reaching effect on a community.

According to Larry Schaapveld, urban forester with the Texas Forest Service in Fort Worth, trees serve many functions in urban areas.

"Trees do much more in a town or city than provide

color. They also provide residents with a variety of shapes, forms and practical uses.

"In today's urban areas, trees are taking on a new importance in providing energy-saving shade," he said.

They can, if properly selected and located, protect a building or house from the hot Texas summer sun. Then, after losing leaves in the fall, allow the warm winter sun to penetrate to the structure, he added.

As the father of Arbor Day in America, J. Sterling Morton said, "Other holidays repose upon the past. Arbor Day proposes for the future."

Beta Kappa has service, education program

Beta Kappa Chapter of ESA heard an educational program on service projects given by Marcy Wilde, June Bartush and Wanda

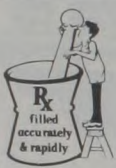

Flusche, during the Dec. 12 meeting in the home of Mrs. Wilde.

Debbie Hess presided for the business meeting and reported that the quilt raffle at Christmasfest amounted to \$548 which was donated to the Muenster Public Library. Joyce Hansen of Forestburg was the winner of the quilt.

Martha Koesler reported on the Scholarship Fund which is awarded to area seniors.

Following adjournment, Marcy Wilde, hostess served refreshments to the group.

Marcy Wilde hosts January Garden Club meeting

Seven members were able to attend the January meeting of the Muenster Garden Club Monday evening.

The majority of the members were prevented from attending by personal or family illness or threat of severe weather. Also unable to attend was the program leader, Dr. Ralph Hogue of Gainesville whose planned program was "All About Bees."

Due to absence of a quorum, no official business was accomplished. The report

of the nominating committee was tabled until the February meeting.

Daryl Ferber reported on the garden club's sponsorship of the "Chuck E. Cheese" Bluebirds-Campfire group in the Christmasfest parade. A "thank you" card was received from the Bluebirds and read at the meeting.

Marie Endres reported on the County Council's Christmas party in Gainesville which she and Sue Endres attended.

Holly Koch reported that

7 bird feeders were placed at St. Richard's Villa and were hung near windows for the enjoyment of residents.

The garden club also provided 20 lbs. of bird seed. A number of club members also ordered bird feeders for their own use. The feeders, of redwood were built by the shop class of SHHS taught by Joe Felderhoff.

Members discussed preliminary plans for participation in Germanfest.

Members also now have available for sale Texas Wildflower napkins in two sizes.

Next month's meeting will be in the home of Mrs. Ray Sicking when Mrs. Billingsley of Lake Kiowa will speak on "The Story of the Quail."

Mrs. Ray Wilde, hostess for the January meeting, served carrot-pineapple-spiced cake and hot coffee following adjournment.

Schedule of Meetings

V.F.W. Auxiliary
The regular VFW Auxiliary meeting will be held Monday, Jan. 16 at 8 p.m.

Health Dept. screening clinic to be Jan. 18

The Texas Department of Health Regional Office in Arlington announces a Hypertension and Diabetes Screening Clinic to be held in Muenster, Sacred Heart Community Center, Meeting Room, Wednesday, January 18, 1984, from 9:30 a.m. to noon and 1:00 p.m. to 4:00 p.m.

The Screenings will be performed by Public Health Nurses at no charge. Public awareness and an increased citizen participation has tended to decrease fatalities due to heart problems. The so-called "Silent Disease" of Diabetes is receiving increased attention by Public Health Personnel in an effort to discover early warning signs of the disease.

"Since each of these diseases can prove to be fatal or cause other health problems, each adult should visit his or her private physician or the Public Health Clinic on a regular basis," said Hal J. Dewlett, M.D., Director, Public Health Region 5.

Raymond Zimmerers entertain for holidays

Guests and entertaining filled the holidays for Mr. and Mrs. Raymond Zimmerer. On Christmas Day, Richard and Delores Zimmerer and sons Anthony and Doug came for Christmas dinner and gift exchange at the home of his parents.

The Raymond Zimmerers' daughter, Pat and a friend of California were

weekend and New Year's Day guests following their visit in Hartford, Connecticut with the friends' mother and other relatives. Joining them for New Year's Day were Mr. and Mrs. Ray Zimmerer, Jr. and sons of Wichita Falls, Mr. and Mrs. Richard Zimmerer and sons and a friend of Grapevine, and Tim and Elizabeth Zimmerer of Grapevine.

Surprises come Dec. 31 for Paula Fleitman

Mrs. August Fleitman was surprised on Dec. 31 when her brother and sister-in-law, Mr. and Mrs. Les Richardson of Dallas, her sister Mrs. Jackie Zackery and brother Mark Richardson both of Denton, came to visit on her birthday.

They brought gifts for

each of the Fleitman children that Santa left at their homes, plus a gift for the honoree.

Jan Fleitman baked and decorated the birthday cake for her mother. It was served with ice cream. Picture taking and reminiscing filled the afternoon of fun.

News of the sick

Andy Monday entered Muenster Memorial Hospital on Wednesday Dec 28 and was transferred the same day to Gainesville Memorial Hospital where he received treatment for a heart condition. He was released on Sunday, Jan. 8 and is convalescing at home.

for minor surgery and is recovering nicely.

Mrs. John Yosten returned home Sunday from Flow Hospital in Denton where she was a surgical patient. She is convalescing at home.

Fay Hamric entered Muenster Memorial Hospital on Monday Jan. 9

Mrs. Catherine Walterscheid is a patient in Gainesville Memorial Hospital in the intensive care unit for treatment of a heart condition. Family members attend her bedside. She entered Muenster Hospital on Jan. 5 after becoming ill at home and was transferred to Gainesville. She will enjoy cards sent to her at Gainesville Memorial Hospital, 1016 Ritchey St. Gainesville 76240.

Mrs. Norbert Knabe entered St. Paul's Hospital in Dallas on Jan. 9 preparatory to surgery on Jan. 13.

Christopher is one

The first birthday of Christopher Grewing was observed with two parties when his parents, Glenn and Connie Grewing entertained twice on December 29.

His mother was hostess for an afternoon party in their home when guests were Alice Walterscheid and Jeannene, Kenneth and Erik; Donna Russell and Darrell and Cory; Diane Grewing and Michael and Randy; and Becky and Amy Fette. Also present were Christopher's grandmothers, Mmes. Flo Walterscheid and Judy Grewing.

The birthday cake was decorated in a Care Bear theme and was served with ice cream. Gifts, pictures, visiting and games added to the fun.

The same day, an evening party for Christopher included supper when guests were his grandparents Mr. and Mrs. Steve Grewing and Mrs. Flo Walterscheid.

Paul Fetsches attend funeral of sister

Mr. and Mrs. Paul Fetsch returned Tuesday after attending the funeral of his sister, Mrs. Rose Albus, 59, who died on Jan. 6 in a Lubbock hospital, after a two-year illness.

Mass of Christian Burial was held in St. Philip's Catholic Church in Pep, Texas at 10 a.m. on Jan. 9 and burial was in the parish cemetery.

Survivors include her husband Fred Albus, four sons, three daughters and six grandchildren. Also six brothers including Paul Fetsch of Muenster and three sisters.

Party honors Anna Henschel

Mrs. Henry (Anna) Henschel was the honoree at a dinner party on Jan. 4 when Mrs. J.P. Flusche entertained in her home for her sister-in-law. The Flusche sisters and their husbands, and a brother Al Flusche and his wife of Decatur attended. In the afternoon they enjoyed games of 84 and visiting.

St. Richard's Villa Thanks You

This special note of thanks is offered to all who gave of their time and money to help entertain residents of St. Richard's Villa each Wednesday with Bingo games throughout the year. Donors of prizes for Bingo are the Knights of Columbus, the VFW and its Ladies Auxiliary, St. Anne's Society and S.N.A.P. Helpers in this project are members of these organizations.

Sincere appreciation is expressed to all who remembered our residents so generously during the recent holidays.

Jean Pagel and Pat Herr are due credit for doing a great job decorating the Villa for Christmas. And Doug Martin and Ed Otto were appreciated when they entertained at our birthday party on January 5.

So many have gifted our residents throughout the year. Their names are too numerous to mention but are surely "earning stars in their crowns." Each is especially appreciated. We love you all.

9th grade liturgy given in memory of Steven Wimmer

The 9th grade CCD class of Sacred Heart Parish prepared and participated in a special liturgy in memory of a former classmate, Steven Wimmer on Wednesday, January 4.

Father Victor Gillespie was celebrant of the memorial Mass and Jeff Hellman, Michael Vogel and Michael Hacker were Mass servers.

Drue Bynum was narrator for the liturgy and Melanie Richey gave the first reading.

Rhonda Bayer, Mark Hennigan, Sam Fleitman

and Angie Oakley read Offertory petitions and Prayers of the Faithful.

Other former classmates participated in the Offertory procession. They were: Laura Hess and Ryan Klement placing carnations in Steven's memory. The carnations were later given to Steven's parents, Jerry and Louise Wimmer.

Joe Pagel carried a football, symbolic of Steven's love of sports. Kristi Pagel carried Steven's St. Christopher medal. Damie Hellman presented a picture of Steven that was a remin-

der of his ever-present smile. Ronnie Bayer presented Steven's Bible. Terri Whitley carried a copy of the Wimmers' favorite poem. Shawn Flusche presented Steven's pocket watch to symbolize the uncertainty of our time on earth.

Judy Biffle, Rhonda Trubenbach, Greg Hoeng and Gary Grewing carried Offertory gifts to the altar.

Ninth grade girls were song leaders for congregational singing and Mrs. Anne Green accompanied them on the organ.

January 1984

Happy New Year! May each of you have a happy and blessed New Year, 1984. May the peace, love, and joy of Christ be with you every day.

Mice and rats! Yes, there are mice and rats in the science laboratory. Biology students have been conducting experiments. Laura Flusche has been working with rats, while Lloyd Walterscheid and Keith Hennigan have been experimenting with black and white mice.

Bad weather: Please listen to Station KGAF in Gainesville or to Channel 5, KXAS - TV whenever the weather is too bad to have school.

Post cereal proof of purchase seals: Special thanks to all who sent in the seals. We have ordered five free balls for elementary grades. We will continue to save these through May.

Physics: A physics class will be offered the second semester during seventh period. Rosalie Reiter will be teaching the class. This class should help college-bound students. We hope to offer a full credit in physics next school year. We will add another computer class during seventh period. A semester in sewing will also be made available for students not already enrolled in home economics.

Dean Swirczynski memorial trophy case: Ernest Martin has built a new trophy case for Sacred Heart School. Funds from the Dean Swirczynski Memorial will be used to pay for the labor and the materials.

On the road to recovery: All at Sacred Heart are glad to hear Judy Carver had successful surgery and is doing well. Mrs. Carver will not be back full time until mid-January. Mrs. Mangum has been teaching for Mrs. Carver.

Report cards: Report cards for the entire school will be distributed on Friday, January 6. Please study the cards carefully. If you wish a conference with a teacher, please call the teacher for one.

Join the museum in commemorating the past quarter century of hopes, dreams, and aspirations that have led us to "explore space for the benefit of all mankind!" The Dream is Alive, weekends at the Fort Worth Museum of Science and History, through March 25.

"The Dream is alive"

In the past twenty-five years America has gone from the edge of the atmosphere to the edge of the Solar System. The Fort Worth Museum of Science and History's Noble Planetarium celebrates this silver anniversary of man in space with The Dream is Alive. Produced by Loch Ness Productions under a grant from the National Aeronautics and Space Ad-

ministration, the program offers audiences the opportunity to relive the excitement of discovery and exploration which began with the early space program.

It was a project requiring the talents of an entire nation. The results of their efforts are documented through slides of original artwork and graphics and film footage from the NASA

Forestburg News

by Myrt Denham

Once again the North Winds are howling their way thru these Post Oak, Black-Jack and Live Oak hills this Monday night the 9th. We have had rain most of the day — thus a change from the nice weather we've had the past several days. That our out of state readers might like to know what it is like weather-wise in these parts.

Howard Kuykendall of San Diego, California, Tommy Hargrove of Denton, Mary Ruth Kindiger and Inez Stevens were Christmas holiday visitors with Wilma and Doe Moseley. Mary Ruth and Inez are Doe's sisters.

Mrs. Peggy Holland and Brent made it to Denton Fri. the 6th. Christy Rashid met them for lunch, they did some shopping and took in a movie.

Mr. and Mrs. Ray Joe Hunt of Paulsboro, New Jersey are here visiting with his parents, Mr. and Mrs. Joe Hunt of New Harp. They are also visiting with other relatives in the New Harp, Forestburg and Alvord areas.

Bert and Eula Faye Galmor have themselves a new great-grandson as of Wed. Dec. 28. He is 5 lb. 14 oz. Nicklos Mathew and his parents are Mr. and Mrs. Rick Hightower of Cleburne. His grandparents are Mr. and Mrs. Ken McKinney of Burleson. Mrs. McKinney is the former Nell Galmor, Bert and Eula Faye's daughter and Mrs. Hightower is Nell's daughter.

Fred Tinney of Nocona was a caller in the W.T. Reynolds home Mon. Jan. 2.

Vera Mae McGee's daughter-in-law Mrs. Mayo McGee of Amarillo underwent major surgery in St. Anthony's Hospital of that city on Tues. Jan. 3. Mrs. Mayo McGee is the former Jeanette Gilliland. Vera Mae says Jeanette is doing very well and should be home in a few days.

Herschel Knox was a patient in the Gainesville Hospital from the first part of last week until Sat. the 7th. We understand all is well with him now.

Mrs. Sonja Davison and baby son Tim of Lake Charles, La. visited with Mmes. Quilda Beavers, Mollie Moore of the Burg and Mrs. Ti Cook of Saint Richards Villa, Muenster from Tues. Jan. 3 to Thurs. a.m. the 5th. Sonja is the daughter of Helen and Dick Ellzey of Lake Charles, La. and Quilda Beavers is Sonja's aunt.

Mrs. Mollie Moore is a resident of the Yes-ter-Yer home in Saint Jo as of Tues. Jan. 3.

Mrs. Becky Scott and Jennifer and Mrs. Veda Brogdon motored up to Wichita Falls Mon. Jan. 2 where they visited with Mrs. Nina Evanson and her daughter Elizabeth Cox and with Mr. and Mrs. Floyd Steadham.

Mrs. Oma Wakeman of the Burg and her son Fred of Wichita Falls attended funeral services for Fred's cousin, Jack Dudley, in Decatur on Tues. Jan. 3.

We have some birthdays approaching: Joey Gates and Jimmy Steadham on Sat. Jan. 14 and Jim Landers celebrates his on Jan. 20.

The Forestburg United Methodist women met for their first meeting of the year on Wed. Jan. 4 at their church with President Lucille Littell presiding. The program was a training session for quites of the various offices of the group. Present were Mmes. Lucille Littell, Dorothy Thompson, Esther Shears, Cleo Lanier, Laura Belle Jackson and Vera Mae McGee.

Mrs. Ruthie Steadham took Emma Steadham to Denton on Thurs. the 5th so Emma could blow some of the money she got for Christmas.

Johnny Lanier was elected a captain of the Decatur Volunteer Fire Department. Johnny has been a member of the Fire Department for 15 months.

Rev. Bob Ellis, pastor of the Forestburg Baptist church had lunch with Millie and Wib Reynolds Sun. the 8th.

Ted and Laura Belle Jackson and Carroll and Jewell Dill enjoyed lunch at the Smokehouse II in Gainesville Sunday the 8th and then visited with Leann Hays.

Mrs. Elaine Truitt of Argyle visited with this writer Friday afternoon. Then that evening Elaine and husband Price and us Denhams motored over to Nocona for dinner.

Mrs. Lena Brown, Springtown, former Forestburg resident, is a patient in the Decatur community hospital. She is in room 167-B. Lena is Dede Berry's sister and she would like to hear from her Forestburg friends.

Linus Boggess and Elizabeth Cannon of Saint Jo visited with Veda Brogdon Sun. afternoon the 8th.

James and Wilma Thurman were host and hostess for the DeBorde family Christmas get-together on Sat. the 7th. The get-together had to be postponed due to all the bad weather.

Millie and Wib Reynolds and Wanda Perryman journeyed up to Terrell, Okla. Sat. evening the 7th to indulge in a fish-supper.

Howard Sockwell had himself a birthday Sat. the 7th. James and Mary Morgan of the Burg and Mrs. Elaine Truitt of Argyle dropped in to wish him a happy day — and share in his birthday cake and coffee.

Mrs. Mag Huckaby motored up to Fishomingo, Okla. Fri. the 6th to visit with her brother, Brandon Evans. Mag returned home about noon on Mon. the 9th.

Sandra McClarey of Lancaster visited her parents Mr. and Mrs. D.D. Echols of Mallard on Sun. the 8th.

The Forestburg homemakers will have their regular meeting Thurs. p.m. Jan. 19 at 7 p.m. at the school.

Visiting in the Prairie Point Nazarene Church for the Sun. 8th a.m. worship service were Mr. and Mrs. Perkins of Muenster, Carla Bennett and children and Delia Sutton of Gainesville and Juanita Cote of Grand Prairie. Mr. and Mrs. Perkins accompanied Rev. and Mrs. Roger Rickert home for the day. Then Sunday evening there was a community singing at the church with the Gene Scott band performing during the program.

Mr. and Mrs. John Dunn and Braydon of Gainesville visited with her parents Mr. and Mrs. Buford Greenwood on Sat. the 7th.

Ricky Thompkins, Odessa, spent the Jan. 6-8 weekend with his parents, Mr. and Mrs. Jimmy Thompkins. Ricky attends college in Odessa.

Mrs. Olita Lanier's father, J.T. Potteet passed away Sunday night Jan. 9 in the Decatur community hospital. Funeral services are to be held at 3 p.m. Wed. the 11th in Alvord.

Mr. and Mrs. Dawson Ensey drove up to Altus, Okla. on Monday the 9th to visit with their children, Mrs. Angela Ford, Mrs. Sherry Chastain and Bryon Ensey. They will also visit Dawson's parents, Mrs. and Mrs. Thomas Ensey while in Altus.

WITH AVERAGE BILLING, YOUR ELECTRIC BILL WILL BE ABOUT THE SAME EACH MONTH.

Everyone knows electric bills go up and down throughout the year. Some months they're low. Some months they're higher, depending on how much electricity you use.

But for most of us there aren't any highs and lows in our monthly income. It's pretty much the same from month to month. So, balancing the monthly budget can be a problem.

Well, Texas Power and Light Company has an answer. It's

the Average Billing Plan. And each month after you join, you'll pay an average of your monthly electric bills over the past twelve months. No more ups and downs.

Of course, you're still paying for all the electricity you use. But with average billing, your electric bills will be about the same each month. So budgeting will be that much easier.

If you want to know more about our Average Billing Plan, call your local TP&L office today.

Tigerettes crush Notre Dame 99-24

Sacred Heart teams lost in a big way and won in a bigger way Thursday night in TCIL district games at Notre Dame of Wichita Falls. The Tigers went down 76-42 and the Tigerettes barely missed three figures in their 99-24 scoring spree. Every quarter was a big

gain for the girls as the periods ended at 27-4, 52-12, 82-16 and 99-24. Their game was near perfect, according to Coach Jon and the score was probably the highest ever reached by a SH team. If a better record exists the coach would like to be told when and where.

Another record setter of the game, he thinks, is Susan Walterscheid's 50 points, the high of her career. Other point makers were Sandra Walterscheid 20, Anne Felderhoff 14, Marilyn Hartman 9, Lisa Haverkamp, Lydia Walterscheid and Sondra Hess, each 2.

The Tigers fell behind in all periods by scores of 12-6, 40-19, 60-29 and 76-42 as Neil Hesse led the SH effort with 22. Duane Haverkamp hit 14 and Ken Hesse 4. With two games each on the record books, the Tigerettes are 2-0 and the

Tigers are 1-1. On the SH calendar of the coming week are a weekend tournament for junior high at Montague and games by varsity and JV girls with Chico, there Friday at 5, here Tuesday at 5.

Janie Hartman Photo
Ken Hesse 12, is this jump ball contender in Sacred Heart's game with Alamo of Amarillo. Tigers awaiting the tip are John Nasche 10, Neil Hesse 34, and Duane Haverkamp 32.

SH Juniors win four; lose two

Sacred Heart junior boys and girls each had a win and a loss in last week's tournament at Forestburg, and each team now has season record of 5-3. Each defeated Slidell in the preliminary, girls by a count of 19-10 and boys by a run away score of 60-8, qualifying both for the champ bracket.

Scorers for the girls were Michelle Walter 5, Vickie Walterscheid 4, Juline Bartush 4, Shawna Grewing 4, Molly Koelzer 2. For the young Tigers Wayne Becker made 19, Darrell

Dangelmayr 12, Cut Bayer 10, Mike Walter 6, Ryan Bayer 6, Glenn Swirczynski 4, Chad Fleitman 2, Mike Mangum 2, Jason Gehrig 1.

The wins qualified for the champ brackets where each team encountered Forestburg. SH girls were eliminated 33-12 and the boys were wiped out 80-23, a dismal contrast after their previous big win. Scorers were Vicki Schmitt 4, Amy Henscheid 4, Noelle Hesse 2, Michelle Walter 2. Also Mike Walter 8, Wayne Becker 7, Darrell

Dangelmayr 4, Nathan Bayer 4.

In other action the youngsters won two close ones with Saint Jo. Girls started with a 4-2 first quarter deficit and maintained a short lead the rest of the way by scores of 8-4, 12-10 and

18-14. Boys had an up and down affair trailing 7-6, then gaining to leads of 18-13 and 28-18 before Saint Jo's hot streak ended in a 35-35 tie. Overtime favored Sacred Heart for a final win of 39-37. Vicki Walterscheid led

the girls scoring with 10, Noelle Hesse added 4, Molly Koelzer 2, Shawna Grewing 2. Darrell Dangelmayr scored 19, including 9 of 11 free throws, Ryan Bayer hit 8, Deano Bayer 4, Wayne Becker 4, Glenn Swirczynski 4.

SH starts TCIL race with 2 wins

Sacred Heart basketball teams started their 1984 TCIL season in the SH gym Friday night with a pair of wins over Alamo Catholic of Amarillo. Coach Jon LeBrasseur was happy with both games, which indicated that players have overcome the inactivity of holidays and rough weather.

The Tigerettes were specially solid in gaining

through every period for an easy 69-23 win. The Tigers had a bigger job on their hands ending two see-saw periods with a lead of 18-15 and a deficit of 29-18, then caught fire in the second half and sailed to leads 49-37 and 63-48.

Susan Walterscheid led the way for the Tigerettes with 25 points and 21 rebounds, Anne Felderhoff

added 16, Sandra Walterscheid 13, Marilyn Hartman 8, Sondra Hess 5 and Rose Felderhoff 2.

Neil Hesse had a big night for a total of 33. Duane Haverkamp added 21 and got 7 assists, John Mangum scored 6 along with an excellent defense, Ken Hesse hit 2 and Chris Dangelmayr 1.

Neil Hesse named on TCIL all-state

Sacred Heart was barely included in the TCIL selection of all state football players, according to a list received this week by Coach Jon LeBrasseur. Neil Hesse was named the punter for the dream team's defense.

Other teams of the district were better represented. Tyler Gorman placed two on the first string and got three honorable mentions. Notre Dame placed three on the team and received one honorable mention.

Golf tournament winners named

25 members of the Muenster Golf Association gathered at the Gainesville Municipal Course last Sunday for their first scrambles tournament of the new year.

First place team, with a score of 9 under par, included Jim Endres, Adam Wolf, Ed Schneider, Don Eckart and Terry Walterscheid.

Three teams, all with a score of 7 under par included Mark Hess, Ruth Hess, Ray Voth and Bob Hermes; also Earl Fisher, Brent Hess, Kim Walterscheid and Kirk Mollenkopf; and Willie Walterscheid, Walter Acker, Laura Trachta, Alan Miller and Urban Endres.

The next tournament is scheduled February 5 at Gainesville Municipal, the time to be announced later.

Local KC will have free throw contest Saturday

The annual state-wide free throw contest sponsored by local and state Knights of Columbus will begin Saturday, Jan. 14, in the Sacred Heart gym.

Dan Hamric, youth chairman of the Muenster KC council and director of the local free throw said all boys and girls in 11 to 14 age brackets are eligible to compete and scores of contestants are determined by the number of shots made out of a given number of free throws. At the council level each contestant gets 15 shots; at the district and state levels each gets 25 shots. In case of a tie the tied contestants get an additional 5 shots each to break the tie. There is no charge for participating and the contest progresses through council, district, regional and state levels. Awards are plaques at the council level, medals with ribbons at the district level, 14 inch trophies at the regional level and a 17 inch trophy at the state level. The contest also extends to the international level at which winners are determined from scores of the state winners. Contestants are required to show proof of age as of January 1 of this year. Council contests will be held in January, district and regional contests in February, and state contests in March.

JOHN DEERE BOTTOM-LINE SPECIALS

New combine buys are best now: get cash rebates from \$2,800 to \$5,200 including header...plus finance charge waiver to first use month in 1984, or a rebate in lieu of waiver

Look at this: not only do you get a cash rebate for a new separator but you also get an added bonus for any new headers bought with the separator or separately (see the chart). That's right—a rebate for the separator, a rebate for the header, and even a rebate if you buy just the header alone.

Use your current combine toward downpayment for a new Titan, finance with John Deere, and pay no finance charge until the first use month in 1984. Or you can take a cash rebate in lieu of waiver.* For example, a 6620 Corn and Soybean Combine bought in December

1983 would have a cash rebate in lieu of waiver of \$3,250 if the first use month is October in your area. Or on a 7720 Grain Combine bought in January 1984, a cash rebate in lieu of waiver of \$2,175 if the first use month is July in your area. Ask your dealer for the amount in lieu of waiver on the combine of your choice. Or another option is to lease a new combine, with lease-payment discount comparable to the waiver of finance charge.*

Now's the time to choose, while the best values are available. This program will end on January 31, 1984.

Forestburg juniors win 2 champ trophies

Forestburg's junior high teams were champs in both divisions of a tournament hosted by Forestburg during the past weekend and Muenster juniors were runners-up in both divisions.

At the consolation end of the bracket the Saint Jo juniors won both of the top trophies while Era was No. 2 in the girls division and Forestburg B in the boys division.

Girls Division

Muenster 25, Forestburg B 10; Montague 49, Era 15; Sacred Heart 19, Slidell 10; Forestburg A 34, Saint Jo 11.

Winners of the opening games competed in the champ bracket with the following results, Semifinals: Muenster 20, Montague 19; Forestburg A 33, Sacred Heart 12; and the result of the final was Forestburg 20, Muenster 16.

Losers of the preliminaries met in consolation semifinals with the following results. Era 27, Forestburg B 22; Saint Jo

22, Slidell 14; and in the final the result was Saint Jo 24, Era 15.

Boys Division

Preliminary results of the boys division were as follows: Muenster 46, Forestburg B 6; Era 38, Montague 18; Sacred Heart 62, Slidell 8; Forestburg A 54, Saint Jo 16.

Opening winners competed in the champ bracket semifinals with the following results. Muenster 21, Era 20; Forestburg 80, Sacred Heart 23.

Forestburg's score in this game was the highest ever for a junior high team at the school.

Then the semifinal winners met with the following results. Forestburg 28, Muenster 24.

Losers in the openers of the boys bracket met in the consolation semifinal with the following results. Forestburg B 38, Montague 22; Saint Jo 39, Slidell 12; and the result of the consolation final was Saint Jo 26, Forestburg B 20.

Forestburg beats Muenster Jrs.

Forestburg jinx on Muenster Junior High continued through a pair of games Monday when Muenster went down in a double leader. The girls had three periods of a hot contest, tied twice but Forestburg leading at the quarters by 4-2, 10-9 and 14-11 before pulling away for a 22-17 final lead. The scorers were Penny Russell 8, Staci Walterscheid Meredith McDaniel 3, Peachy Switzer.

Muenster boys appeared to have it made through the first half with leads of 8-4 and 15-6, but blew it in a miserable second half in which Forestburg gained to

19-17 at the third and 28-21 at the end. A contributing factor was fouls and turnovers by the Hornets in their late desperation. Muenster scorers were Kevin Anderle 7, Brian Hess 6, Stuart Hess 6, Scott McAden 2.

The coming week's schedule has varsity vs Alvord here Friday and vs Era here Tuesday. Jr. Hi will be at a weekend tournament in Krum and host Lindsay next Monday.

Domino tournament coming Sun. Jan. 15

Beta Kappa will host a domino tournament on Sunday, Jan. 15 in the K.C. Hall, 4 p.m. to 6 p.m. Everyone is welcome. There will be prizes for high, consolation and the "traveling clothespin." Proceeds go to the Beta Kappa Love Fund.

Forestburg Jr. Hi win twin bill

Junior high teams of Forestburg opened their district schedule with a double win over Era. The girls, with a perfect record through 7 games had no problems in winning 37-13. But boys had a job on their hands in winning 41-33.

Girls scoring were Danna Hamric, Beth Holzbog, Tara Romine and Lisa Hamric with 6 each, also Carmen Tompkins 5, Melinda Smith 4, Krista Shults and Cheryl Landers, each 2.

John Moss led the boys with 16, Brent Holland made 10, Cezar Zamora 9 and Chad Hudspeth 6.

Muenster drops 2 to Forestburg

After the second games of their district schedules the Muenster varsity girls have a record of 1-1 and the boys are winless with a 0-2 count.

Playing Forestburg, the girls started cold for a 11-6 deficit at the first quarter, then romped to a 24-24 tie. But then they got cold adding only 4 in the second half while Forestburg kept

going for an additional 18. Scores were Dana Dankesreiter 7, Rita Walterscheid 7, Kim Eldred 6, Paula Russell 4, Deann Walterscheid 2. They won over Slidell girls in their season opener.

The boys at Forestburg did an exceptionally good job but still came away with 47-44 loss. Forestburg took an 11-10 first quarter lead

and gained to 25-18 at the half. The second half was the Hornets' but not but enough. They trimmed the lead to 34-28 in the third and 47-44 at the end.

Cory Klement, with 18 points and 9 rebounds, had his best game to date. Jay Mollenkopf added 12, Ronnie Fisher 10 and Ryan Klement 4.

Muenster Juniors get 2 trophies

Muenster junior high teams came home with two runner up trophies from the weekend junior tournament at Forestburg. Each of the prizes was well earned as the Muenster youngsters played super games all the way. Coach's Gustine was highly pleased especially in the hotly contested semifinals and finals.

As a starter, the boys rolled over Forestburg B 46-6. Next they had a big job with Era trailing 6-1, 8-7 and 14-13 in three periods and taking charge in the fourth. They had a 5 point lead with a minute to go and survived an Era rally, winning 21-20.

The final was another thriller, Muenster trailing 4-0 in the first and leading 12-9 and 18-17 in the second and third but allowing Forestburg to nudge ahead 28-24 at the end.

Muenster boys scored as follows in the three tourney games. Brian Hess 28, Kevin Anderle 20, Stuart Hess 19, Scott McAden 8, Pat Hellman 4, Shane Wimmer 4, Michael Pagel 4, Dale Reiter 2, Russell Simmons 2.

Girls progress was very similar. After an easy win of 35-10 in the opener, they had a thriller for the champ semifinal with Montague. Scores were tied at 2-2 and 10-10 in the first periods, then Montague slipped ahead 16-14 and Muenster rallied for a 20-19 win.

Another good game was with Forestburg in the final. After a 6-2 lead Muenster got cold and went scoreless for 2 periods. They continued the lead for 6-5 at the half and trailed 10-6 at the third. The last period was even, Forestburg still leading 20-16.

Muenster scorers for the tournament were Staci Walterscheid 20, Peachy Switzer 14, Melody Klement 10, Penny Russell 9, Meredith McDaniel 5, Darla Bindel 4, Michelle Monday 4, Michelle Kleiss 3, Jamie Walterscheid 2.

Other action by the juniors was two close losses to Slidell. Girls had a freakish game, tied 2-2 the first quarter and Muenster leading 9-2 at the half and 13-9 the third period. In the fourth Slidell took the lead and Muenster regained it 16-15 with 15 seconds to go. It

did not last however as Slidell hit the winning 2-pointer before the buzzer. Scorers were Darla Bindel 7, Melody Klement 5, Penny Russell 2, Staci Walterscheid 2.

The future Hornets likewise were OK for three periods but were overcome

by a 4th period rally. They trailed 6-5 at the first, led 17 to 14 at the half and trailed again 24-23 at the third, after which Slidell gained to its 34-29 win.

Brian Hess hit 13 for Muenster; Stuart Hess, Dale Reiter, Scott McAden and Kevin Anderle each added 4.

Tournament plans occupy Boosters

The Lindsay Booster Club met Wednesday night January 4 at 7:30 p.m. in the audio-visual room of the Lindsay High School. Sandra Corcoran, vice president of the organization presided.

The main order of business was to discuss money making projects for the club. The members present voted to hold a men's basketball tournament the week of March 18-24. For further information regarding this tour-

namment, you may call Edna Hermes at 665-0432 or Gene Hermes at 665-0992. It was also decided to hold a volleyball tournament the week of April 9-14. This tournament however will include both men's and ladies' competition. Further details concerning this tournament

will be announced at a later date. Also discussed, but tabled, was a golf tournament to be held later this spring. Both coaches were present but had no business to discuss. The meeting was then adjourned.

Remember when? Shown as boys in this Photo From the Past, l. to r. are Brother Louis Fuhrmann, Julius Metzler, Louis Fuhrmann, now deceased and Raymond Metzler. Remember when Julius and Raymond Metzler were big buddies to the two Fuhrmann brothers?

Please send old photos to Patty Eberhart to help "Remember When."

Cooke County College registers January 12-16

Registration for the 1984 spring semester gets underway at Cooke County College on Thursday (January 12), and there is still plenty of time for local and area students to get enrolled.

According to Dr. Don Stafford, CCC registrar, regular registration will be conducted on Thursday, 8:30 to 12:30 and 4:30 to 8, and on Friday from 8:30 to 2:30.

All registration will take place in the Activities Center in the 100 Building on campus.

"Normal procedure for getting enrolled calls for new students to first come to campus and fill out an application for admission," Dr. Stafford explains. "All a new student needs to be eligible to enroll is a high school diploma or GED equivalency certificate."

Dr. Stafford adds that latecomers can gain admission during the registration period, so persons who haven't already completed applications and made other preparations are not too late for this semester.

New students must supply an official transcript from the last school — high school or college — they attended or proof of GED certification. However, latecomers will be admitted and allowed to register without it although it must be on file as soon after registration as possible.

The point is that we want to make it easy and convenient for students to enroll.

All students, including those who attended during the fall, must see a college counselor prior to registration for assistance in working out class schedules. Counselors will be on duty during registration to confer with latecomers as well as to assist other students who may experience scheduling conflicts or other problems.

A trial schedule form, signed by a counselor, must be completed and presented at the door before students will be allowed to enter the registration area.

To further help latecomers, three days of late registration also will be held. Students enrolling after Friday, however, will be assessed a \$5 late registration fee.

Late registration for the 1984 spring semester is scheduled for Monday through Wednesday (January 16-18). Times on Monday and Tuesday are 10:30 to 12:30 and 4:30 to 6:30 while late enrollment on Wednesday will be from 10:30 to 4:30. The first class day is Monday, January 16.

Persons with questions about registration, admissions requirements or specific class offerings should come by the Registrar's Office on the CCC campus (Room 107) or

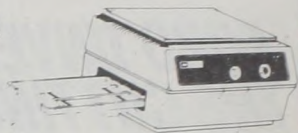

call 817-668-7731 or Metro 430-0352, Ext. 242.

Lindsay splits at Alvord, Slidell

Lindsay teams broke even in their 31-A district openers, the Knightettes winning and the Knights losing to Alvord and Slidell.

The girls gained in every period for an easy 55-27 win over Alvord as Anita Fangman led the scoring with 14, Shannon Fleitman added 12, Beverly Neu 8, Beverly Hermes 7 and Gina Hellman 7.

Their game with Slidell was more decisive, ending 76-16. All Knightettes had a part of the action and four

of them scored in double figures. They were Shannon Fleitman 18, Gina Hellman 15, Beverly Neu and Kathi May, each 10.

Ending those games the girls are 14-3 for the year and 2-0 for the district season.

Knights gave a good account of themselves but did not quite make the grade in their two games. Playing Alvord they trailed 12-8 and 24-13 in the first periods and cut the Bulldog lead to 37-34 in a hot third quarter, then

fell behind another point in the fourth, losing 50-46. Doug Anderle led Lindsay scoring with 18, Aaron Hoenig added 9 and Glenn Hermes 8.

The story was nearly the same playing Slidell, which led by scores of 12-11, 22-19 and 37-28 in three periods and survived a strong Lin-

dsay fourth period effort for a win of 45-40. Jeff Hellman and Doug Anderle shared scoring honors with 12 each, Aaron Hoenig and Glenn Hermes each added 6, and Kevin Fuhrmann made 4.

Lindsay records ending those games were 0-2 in district and 8-8 in the season.

Lindsay JV wins 3 and drops 2

Lindsay JV girls started the new year with a 38-26 win over Alvord. They started with leads of 10-6 and 23-10 in the first half and dropped their lead by a point in the second half for the 38-26 final lead.

Other action for Lindsay JV was in a 1 day tournament at Southlake Carroll. Knights broke even in their two games losing the opener to Carroll 36-21, and winning the next game 39-27 to Boyd. Leading Lindsay scorers of the first game were Tim Carpenter 7, Frank Fangman 6, Donald

Neu 6. Leaders of the second game were Donald Neu and Tim Carpenter, each 13 and Frank Fangman 8.

JV girls likewise had a win and a loss at the tournament. They started with a 42-24 win over Carroll as Deanna Nortman and Minnie Hundt shared scoring honors at 12 each and Julie Myrick added 8.

Next the Knightettes were walloped 49-26 by Frisco and the leading point makers were Julie Myrick 9, Minnie Hundt 4, Gina Arent 4, and Christy Hellman 4.

Lindsay Knights and Knightettes win over Muenster High School

Lindsay Knightettes continued their hot streak as the Knights broke into the district win column with two decisive wins over Muenster Tuesday. The girls record now is 3-0 in conference and 15-3 in the full season. Boys are 1-3 in conference and 9-8 in the season.

Muenster records meanwhile remain near the cellar, the girls with 1-2 in district and the boys with 0-3.

Knights made a slow start, leading 10-8 at the first period and their shifting to high gear. Remaining quarters ended with Lindsay leading 28-15, 46-29 and 68-34. Leading scorers for Lin-

dsay were B Neu 14, A Fangman 10, S. Fleitman 10, G. Hellman 10, K. May 8 and B. Haverkamp 8. Muenster leaders were Dana Dankesreiter 15 and Rita Walterscheid 10.

The boys game was also decisive but less one-sided. Muenster had a fair first half, leading 10-9 at the first quarter and trailing 25-18 at intermission. After that Lindsay poured 'em in for a 41-26 third period lead and a 56-34 win. Knights' leading scorers were G. Hermes and J. Hellman, each 12, K. Fuhrmann and D. Anderle, each 10. Ronnie Fisher led Muenster with 16 and Cory Klement added 8.

JOHN DEERE BOTTOM-LINE SPECIALS

Big cash rebates...from \$1,000 to \$8,200 on new 50 Series tractors...plus finance charge waiver to March 1, 1984, or take a cash rebate in lieu of waiver

If you've been waiting...now's the time to act. Your savings on a new 50 Series tractor may never be bigger. The money-saving cash rebates shown here are a big reason you should buy now. But get our bottom-line offer. You'll find the final price of a John Deere 50 Series competes with others that don't compare in quality, durability and resale value. Use your current tractor toward downpayment for a new 50 Series. Finance with John Deere and finance charges will be waived to March 1, 1984. Or on any of the 15 models you can take a cash rebate in lieu of waiver in the amount shown here. Another option: lease a new tractor with lease payments discounted comparable to the waiver of finance charge value. Now's the time to choose from the models listed here. The best values are available now, and this program will end on January 31, 1984.

County Agent's Report

Record-breaking cold temperatures have caused devastating damages to ornamental plants over much of Texas.

Excessively low temperatures over a prolonged period with little or no accompanying moisture caused damages and losses that will be remembered for many years.

Some of the most frequently asked questions about freeze-damaged plants and the best courses of action for homeowners:

1. Should I cut back plants that appear dead?

Tropical and herbaceous plants that appear dead probably are and can be cut back or removed immediately. Woody shrubs, broadleaf evergreens and trees that appear damaged are best left unpruned until they lead out in the spring or when a definite assessment can be made.

2. Why can't I prune off the apparently dead growth now?

Pruning tends to stimulate new growth which could be easily damaged again by typical winter cold spells.

3. The leaves are all falling from my live oaks — are they dead?

Probably not. Live oaks often lose their foliage in mid to late winter just before new growth appears. This bare, dormant period likely will be longer than usual this year but not permanent!

4. Can I replace my dead plants now?

Yes, but look for split bark and other freeze

damage on plants in containers. Plants in containers are more susceptible to damage than those in the landscape, and if they have not received cold protection, their root systems may be damaged or killed. Texas nurserymen has sustained severe damages and are making a concerted effort to restock with healthy, un-

damaged plants for winter and spring planting.

5. When will I know for sure if my plants are dead or alive?

It may be next summer or even later before all damage is evident. Damaged roots and stems may have sufficient conductive tissue to maintain a plant until it comes under stress from ex-

cessive heat or lack of water during the summer growing season.

6. What can I do to help my injured plants?

Be sure they have adequate moisture. This may mean irrigating plants in mid-winter. Apply nitrogen fertilizers in late winter and water them in thoroughly.
