BOLL WEEVILS AND WORMS CAUSE DAMAGE TO ANGELO COTTON

SAN ANGELO, Aug. 20.—(Sp.)—Cotton in this section is deteriorating rapidly and the crop has gone down 25 per cent in the last few weeks, it was reported in San Angelo this week-end by farmers. Responsibility is placed on the boll weevil and the boll worm and now the leaf worm is beginning to make its appearance. Some of the farmers have started a war against the leaf worm and killing it with poisons. Some of the late cotton needs water badly, but some of it is going to make a good crop unless the insects get the best of it. The early cotton is doing better than that planted later. Ben Friebele, public weigher, said this week that twenty-five bales had been ginned in San Angelo this year and that twenty-seven bales had been weighed here.

(CONTINUED FROM PAGE ONE) Large crowds of children are attending these services but the superintendants are very anxious that the parents co-operate with them and see that other children come, who are not coming. Senior League program for Sunday, August 28th, 1927, at 7:00 p. m.: Subject: China's Challenge to the Church. Leader: Hazel McLaughlin. Opening song No. 75. Song No. 96. Prayer. Scripture lesson: Rom. 1:8-9. Isa. 49:12 by leader. Discussions: 1. What is Happening in China?—H. L. Moore. 2. China at the Mercy of the Nations—Annie Strickland. 3. The Meaning of the Unequal Treaties—Stella Moore. Some Things to Think Over—Mrs. Heber Moore. China's Challenge to the Church—Benita Yantis. Closing song No. 97. Announcements. League benediction. The purpose of this meeting is to show that the present situation in China is a challenge to the Christian churches of America to make America a truly Christian nation. On Sunday afternoon, August 14, the death angel visited our community and claimed as his victim, Mr. J. H. Chastain. Mr. Chastain's death was a shock to everyone as he had only been sick a few days. His condition became so alarming he was carried to a sanitarium in Brownwood and all that skilled physicians and loving friends and loved ones could do was done but all to no avail. Mr. Chastain was born in Carol county, Georgia, October 3rd, 1846. At the time of his death he was 79 years, 10 months and eleven days old. He was married to Miss Julia Ayers, January 18, 1873. To this union was born six children. Four are still living. The children are: Dr. A. E. Chastain of Blanket, W. B. Chastain, Mrs. E. L. Turner of Car-

olton, Georgia, M. Chastain of Villalton, Georgia. The deceased children are Mrs. J. H. Hendrix who died a few years ago and Mary Frances, who died at the age of six years. Mr. Chastain joined the Missionary Baptist church early in life and later joined the Primitive Baptist church and remained a faithful member until his death. He came to Texas January, 1911. He first settled in Sidney, Comanche county, but in a short time he moved to Blanket and has made his home with his son, Dr. A. E. Chastain. All the time, except a few months he and his wife lived with their son in West Texas. He has been actively engaged in working in his son's drug store here for some time and up till a few days before his death. Mr. Chastain was a man who could number his friends by his acquaintances. He was a devoted husband and father, a true friend and neighbor. His remains were laid to rest in the cemetery at Sidney Monday afternoon, August 15th. The funeral services were conducted by Rev. Martin Stone, who opened the service and spoke first. Rev. J. B. Henderson spoke second. Rev. W. L. Ayers of Blackwell and a brother to Grandmother Chastain, was the third speaker and Rev. Edwards concluded the service. To the grief-stricken wife, children, grandchildren, great grandchildren, also other relatives and friends we offer our sympathy. Dr. E. A. Chastain left a few days ago for Best after spending several days here with his family and attending his father's funeral. Miss Hieta Swindle of Brownwood visited friends here this week. Rev. W. E. Harrell returned home from Olney the last of the week. Mrs. Harrell and children remained for a longer visit. Mr. and Mrs. A. J. McLaughlin came in home Tuesday of last week from a month's visit with relatives in Iowa. The next day, they went to a Dallas sanitarium for Mrs. McLaughlin to have an examination. The physicians found she had a tumor and operated on her the last of the week. Her many friends are glad to learn she is doing nicely and it is hoped she will soon be able to come home. Miss Elizabeth Bettis spent the week-end here with home folk. Mrs. Coleman and daughters, Mary Lou and Verma Cahryn of Miles, spent the week-end here with Mrs. Coleman's parents, Mr. and Mrs. T. M. Curry. They left for home on

Monday, accompanied by Mr. and Mrs. Heber Moore and Misses Joe and Maud Dabney. Miss Bonnie Baker is home after spending some time visiting in Fort Worth. Miss Deerie Reeves came home on Monday from Kempner where she spent several days visiting. The Sunday school attendance last Sunday was: Baptist 83, Methodist 40, U. S. A. Presbyterian 23, Cumberland Presbyterian 14. Tuesday, August 16th, little Velara Dowdy celebrated her sixth birthday by giving an afternoon party, morning and evening good friends. Some time was spent in playing games enjoyed by little folk. Mr. Dowdy prepared a nice basket for them to place their gifts in. At the proper time the gifts were brought in for inspection by the little hostess. Then refreshments were served, consisting of ice cream and cake to 30 happy little boys and girls. At a late hour they departed wishing Velara many happy returns of the day. The revival at the Baptist church is attracting large crowds at night and very good crowds each morning. Rev. J. M. Cooper of Brownwood is doing the preaching. Up to this time only one has united with the church, but it is hoped much and lasting good will be accomplished.
