VOTE!

Nov. 4 is election day

Tuesday, Nov. 4, is the day for the General Election in Texas.

Elected that day will be members of Congress, State Legislatures and district, county and precinct officers; and proposed Constitutional Amendments will be adopted or rejected.

Turnout for Nov. 4 is expected to be heavy in both Muenster boxes where the percentage of ballots cast by registered voters is normally substantially higher than statewide voting.

Locally, a change in the polling place for North Muenster voters, Precinct 18 will be in effect for the first time on Nov. 4 when they will

vote in the main hall of the Sacred Heart Community Center on North Main St., using its west entrance. This location provides easy access for wheelchairs and eliminates long flights of stairs.

South Muenster voters in Precinct 17 will vote in the VFW Hall, as in the past.

Christi Klement will be election judge for the North Muenster box with Mary Endres as alternate. Janet Fisher will be election judge for the South Muenster box with Annette La Coe as alternate. The Cooke County Commissioners Court appointed the alternates.

A sample ballot will be found on

Page 2 of **The Enterprise**.

There will be only one difference in ballots for Precinct 18 and Precinct 17.

Special interest for North Muenster voters is the Precinct 4 County Commissioner's race. Voters will have the choice of the Democratic primary nominee or a write-in candidate.

Wayne Trubenbach was the Democratic runoff winner in June. His opponent will be write-in candidate Rosalee Bayer who is serving the unexpired term of her late husband, Robert Bayer.

Polling places will be open from 7 a.m. - 7 p.m.

Christi Klement, an election judge, stressed that, to avoid a slow-moving voting line, voters will need to bring with them their signed voter's registration certificate. That's the yellow, post card-size item received in the mail earlier this year.

Vote

7 a.m. to 7 p.m.
Tuesday

Also stressed was that, according to Texas election laws, in a General Election, voters have the choice of voting for either party or voting a split ticket, no matter how they voted in the Primary election.

Debbie Hess, chairman of the Republican party in Cooke County, has said she will be available to try to answer questions, either at her home or at Republican headquarters in Gainesville where the phone number is 665-8046.

One vote can decide

by Lloyd Bentsen

Election day comes next week, and as Texans contemplate whether to make the effort to go to the polls they should remember how important one vote can be.

The history of Texas, for example, would have been altered if not for one vote. When the U.S. Senate agreed to annex Texas as a state in 1845, the resolution carried by a 27-25 vote. If one more Senator had voted "no," the measure would have been defeated.

The United States might still be a dominion of Great Britain, but for a single vote. The First Continental Congress, meeting in Philadelphia on Sept. 28, 1774, debated the Galloway Plan - which would have changed the American colonies into a British dominion ruled by a parliament and a British governor.

Virginia's delegate, Patrick Henry, made an impassioned speech against the change. The

Galloway Plan was defeated by one vote.

On numerous occasions throughout history, a single vote has changed the course of the world.

One vote cost King Charles I of England his head in 1649.

Elizabeth II is Queen of England today because some 250 years ago the British House of Commons voted in favor of the House of Hanover, 96-95.

In the U.S. election of 1824, neither John Quincy Adams nor Andrew Jackson could gain a clear majority of votes in the electoral college. The choice went to the House of Representatives where the Constitution required a vote be taken by states. At the last minute, one member cast his vote in favor of Adams - throwing his state, and thus the election, to Adams.

A move in 1868 to impeach President Andrew Johnson on

three charges was defeated on each vote by 35-19, one vote short of the two-thirds majority of Senators needed for conviction.

The 1876 election was resolved by a special Electoral Commission, which voted 8-7 in favor of Rutherford B. Hayes as President over Samuel J. Tilden.

But national elections are not the only ones that can be decided by a single ballot. Your vote can be just as critical in local elections.

According to a story repeated often in Washington, a Member of Congress from California had one opponent in his party's primary election. Each contender received 10,429 votes. Under California law, the opponents had to draw lots. The incumbent Congressman lost.

He sank into political oblivion because, the story goes, his secretary was too busy working at campaign headquarters to get to the polls on election day.

Make it a point to find the time on election day to get out and vote. Your choice will make a difference. It could make all the difference in the world.

Kent Hance will speak tonight

Kent Hance will be in Gainesville at the Chamber of Commerce Building on Thursday, (tonight) Oct. 30, 6:30-7:30, and will speak in behalf of the candidacy of Bill Clements. He will also hold a question-and-answer period. The public is invited.

Pickup is burglarized and rifle is stolen Sat.

A pickup belonging to Mike Luttmir of 229 South Pine Street, Muenster was burglarized Friday night or Saturday before dawn. Muenster Police Chief Helen Tompkins reported that someone broke the driver's window and stole Luttmir's gun. It was a Ruger M 77 Model 243 and had a Leopold scope.

Williamson discusses issues

by Richard F. Williamson,
State Representative
District 63

For the past 60 days, the people of Texas have focused their attention on the Legislature as we debate the best way to address the current fiscal crisis. Many citizens have asked me - who is right? The Governor? The Senate? The House? Do we raise taxes or cut expenses or both? There are several theories that may prove true, but for right now, I believe the problem should have been solved by reducing our expenses, changing some accounting practices and making better use of our cash on hand. You can be confident that state government will not grind to a halt and essential services will be maintained. But what about the future?

The 70th Session of the Texas Legislature in January 1987 may be the most important session in our history. The decisions of your state

officers on several major issues will have a long-term impact on the way we manage our government. Because I believe the 70th Session to be critical, I will begin in October a series of articles that will identify and discuss those issues. I will request citizen input on those issues by mail, by telephone or in person. It is my belief that an informed public will be prepared to face the future with optimism. It is also my belief that it will be necessary for us

to discuss new ideas and new approaches to solving old problems. An open mind along with the facts will help each of us decide the best course for Texas.

Most of the issues I will discuss revolve around one major item - the state budget. Recognizing that we are all a bit tired of hearing about the budget crisis, I will keep my remarks to the minimum, however, each citizen must understand the nature of our problem. In

my opinion, the problem is two-fold.

First, we have an economy based on energy, agriculture and natural resources. These industries are cyclical, that is, they prosper and fail following regular time patterns. During prosperous times these industries produce healthy state revenues, but during times of failure these same revenues fall below expectations. Since we raise vast amounts of revenue from the sales tax, motor fuels tax and local property tax, the majority of our revenue will shrink when these three industries have failing years. I correctly predicted one year ago that hardly anyone in government would be prepared for 1986 and 1987 because hardly anyone understands the compound effect of the energy, agriculture and natural resources industries. By that I mean not only do those three in-

Good News!

A discussion arose among them as to which of them was the greatest. Jesus, who knew their thoughts, took a little child and placed it beside him, after which he said to them, "Whoever welcomes this little child on my account welcomes me, and whoever welcomes me welcomes him who sent me; for the least one among you is the greatest."

Letters to the Editor

To the Editor of The Muenster Enterprise:
 We would like to take this opportunity to apologize for the misconduct of certain individuals in the Lindsay area. We would like to apologize for the writing on cars, stealing and writing on the signs, writing on the field (the culprit unknown at this time), and the behavior of some fans (19-25 years old) and for writing on the buses. As members of the Lindsay Student Council, we do not condone these actions; and we feel that as elected representatives it is our duty to write this letter. We hope that you will accept our sincere apologies and it is hoped that this action will strengthen the relationship between our schools.

Sincerely,
 The Lindsay Student Council

Letter to the Editor:
 We were privileged to be asked to be judges for the second annual Halloween dance at the KC Hall for all the 7th, 8th and 9th grade students.

We were very impressed by the overall conduct of those attending. You could readily see by the quality and variety of the costumes that much thought had gone into preparing for the party. It was really a hard task to select a winner, all were so outstanding. It was so gratifying to see a hundred of our youngsters having such a wonderful time.

Our hats are off to Lupe Evans and all her volunteers - Margie and Willie Wimmer, Pat Christian, Charlotte Klement, Peggy Gobble, Clyde and Sharon Walterscheid and I'm sure many more whose names we don't have. Also to the many parents who brought food, cold drinks and helped decorate. To all who helped in any way this community should be grateful.

We understand the students are already looking forward to a Christmas party. The volunteers are inviting all students and parents to please get involved. Wouldn't it be great to get more groups interested and provide clean entertainment for our teenagers!!

Let me repeat it was a real pleasure to be the judges for a fun evening.

Dear Editor and Citizens of Cooke County:

That time is here again! Yes, it's time for the voting citizens of Texas to get out and cast your vote for the people who will truly represent our needs.

Several races will be key decisions, but one race in particular should be of utmost importance on our list. No, it is not the Governor's race (although that race is important also). But the most important is the Lt. Governor's race. Yes, you read correctly. For those of you who do not or did not know, the Lt. Governor is the single most powerful politician in Texas. The Lt. Governor is like a Tip O'Neill in Congress. Not only does he legislate the budget, but he also legislates which proposed amendments will be brought on the floor for a vote!

Please consider the two candidates - Republican David Davidson, a conservative who has decided it's time to have a new Lt. Governor, or Democrat Bill Hobby, who is also the incumbent (14 years). The issues of the two are black and white. Mr. Davidson is against abortion. Mr. Hobby is for (it). Mr. Davidson believes in less government and more opportunities. Mr. Hobby is for more government. Mr. Davidson is for managing government, not raising taxes. Mr. Hobby is for the opposite. The list of comparisons goes on.

The State of Texas is not going broke as Mr. Hobby would have us believe. 1986 revenues are at an all time high! Up 5.5 percent over 1985, however, Mr. Hobby called for a 16 percent increase in the budget and we all know that in the economic recession that Texas has been in you do not increase a budget by 16 percent! For that matter, you should never increase a budget by that much. Especially not in a state whose major resources are oil and farming. Two very risky businesses.

If Bill Clements is elected Governor, he will need a Lt. Governor like David Davidson, not an overspending liberal like Bill Hobby. So, please, on Nov. 4, look at the Lt. Governor's race; remember the issues and facts and make the right choice.

Sincerely,
 A concerned voter,
 /s/ Debbie Hess

To the Editor:

At a news conference on Friday, Oct. 24, Jim Hightower unveiled a 126-page report that was prepared at taxpayer expense. The timing for this presentation is obvious. No other elected official has shown such blatant disregard for state funds or the intelligence of Texas voters.

As an editor of a Texas newspaper, I respect your right to choose what you present to your readers. Under the guise of his office, Mr. Hightower attempts to use you and your newspaper to tell his political message. This is not only a misuse of funds, it shows a lack of respect for the press.

Bill Powers is a knowledgeable and articulate candidate. He has a message for Texas voters and the desire to serve all Texans. I respectfully request that you consider giving him "equal time" so that your readers will have the opportunity to evaluate both candidates and make their selections based on the facts presented in your newspaper.

This request is made through a deep love for Texas and a genuine concern for Texas agriculture.

Thank you for your consideration and your past courtesies.
 Sincerely,
 /s/ Larry P. Smith

To the Editor:

Real Estate conspiracies in which people unwittingly lose their home, or almost lose them, don't always make the headlines. Such a case involved Charles Ben Howell, now running for a seat on the Supreme Court of Texas.

In 1971, Charles Ben Howell, as attorney for Durwood O. Phillips, filed a forcible entry and detainer suit against C.T. Latham and his wife. Phillips was claiming title to the Latham home as purchaser under a foreclosure sale of a SECOND mortgage conducted in September 1969 and again in March 1971.

The Lathams filed suit claiming the foreclosure sales were void and invalid, that the second mortgage note was never in default and that Charles Ben Howell and D.O. Phillips were fraudulently conspiring to take their home from them.

At the trial of the case, the jury found that the second mortgage note was NOT in default and that Charles Ben Howell and D.O. Phillips had entered into a conspiracy to deprive the Lathams of their home. (Issues 13 and 14). On appeal the Court of Appeals held that the attempted foreclosure of

Sharp campaign points to endorsement of conservatives

Senator John Sharp (D-Victoria), a candidate for the Texas Railroad Commission, has been endorsed by the Young Conservatives of Texas. The group is a bipartisan political organization which endorses candidates they feel are "...best qualified to preserve the traditional values of free enterprise, limited government and a strong America..." according to their Vice-Chairman for Political Affairs, Richard Munisteri.

Sharp was one of only two statewide Democratic candidates endorsed by the conservative group. His opponent in the general election is State Rep. Milton Fox of Houston.

"In this campaign, John Sharp has received the endorsement of every statewide group that has endorsed," said Greg Hartman, campaign manager for Sharp. "We are proud of the broad base of support John Sharp has received from groups and individuals around the state. We believe that support exists because Sharp represents the mainstream of Texas thinking. As to the political philosophy our opponent represents, we're not sure. Apparently, neither were the Young Conservatives."

Hartman said the group pointed out two examples of Fox's "un-conservative" record in the Texas House. One case involved Fox

sponsoring a constitutional amendment to increase his own salary, and that of all other legislators, by over 300 percent. The other alarming example was Fox's consistent support and legislative votes for gun control.

"As legislators, the two men had voting records which were as dif-

ferent as night and day on crucial issues," Hartman concluded. "John Sharp has a proven record of voting like a traditional Texas conservative, while Milton Fox has shown a habit of voting for more government spending to benefit himself and government intrusions into people's lives. The choice for Texas in this race is clear."

THE PRESIDENT OF Keep Texas Beautiful, Inc., Ebby Halliday Acers, is shown with Juanita and David Bright at the KTB District Governor's meeting in Salado, Texas. Mr. and Mrs. Bright attended the meeting at the request of Gary Fisher. Mr. Fisher has accepted the position of District Governor for District 3 of North Texas, but was unable to attend the meeting in Salado. District 3 of Keep Texas Beautiful, Inc. includes Archer, Baylor, Clay, Cooke, Montague, Throckmorton, Wichita, Wilbarger and Young counties.

Weather

The lovely fall weather the past week has been pleasantly mild with slight traces of rain. The temperatures and precipitation amounts were recorded as follows by Steve Moster.

Oct. 20	72 and 54
Oct. 21 with .14 inch rain	76 and 58
Oct. 22	70 and 58
Oct. 23 with .06 inch rain	70 and 58
Oct. 24 with .01 inch rain	71 and 54
Oct. 25	68 and 52
Oct. 26	70 and 50
Oct. 27	76 and 47
Oct. 28	78 and 47

The measurable rainfall for the week was .21 inches, bringing the October total to 4.21 inches. Combining October's total with the year-to-date total of 26.01 brings the current total to 30.22 inches.

PROPOSED CONSTITUTIONAL AMENDMENTS

INSTRUCTION NOTE:
 Place an "X" in the square beside the statement indicating the way you wish to vote.

No. 1 FOR AGAINST } The constitutional amendment to allow the legislature to provide by general law for the appointment of the value of national polling units among counties for purposes of property taxation.

No. 3 FOR AGAINST } The constitutional amendment allowing political subdivisions the opportunity to engage in real estate business with industrial general liability companies in the same manner as with other insurance companies.

No. 2 FOR AGAINST } The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title representing the bill's subject, and providing for the continuing revision of state laws.

No. 4 FOR AGAINST } The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where the principal facility is located, subject to limitations and restrictions provided by law.

LOSING SLEEP OVER YOUR SAVINGS?

Maybe what your savings effort lacks is a plan. At your Independent Bank, you'll find people experienced in helping others reach their financial goals through careful financial planning... savings planning. We have your interests and the community's interests as a main concern. We know you, and our officers and staff work harder to give you first class service and competitive rates while keeping costs comparatively low.

Muenster State Bank is here to serve the Muenster Area. Don't be misled into thinking branch banks from some big, out-of-town holding company will put their main concern into Muenster. Costs and rates are not likely to improve when they have to pay more people and acquire more facilities.

Vote NO, on Amendment 4 on November 4. Vote against losing local control over banking. You'll sleep better.

Tourism is one of state's top industries

U.S. travelers spent a record \$16 billion in Texas during 1985, a 7 percent increase over 1984, another record year, the Texas Tourist Development Agency (TTDA) has announced.

Statistics compiled by the U.S. Travel Data Center, Washington, D.C., for TTDA show once again that tourism is one of the state's top industries.

The 1985 figure "exceeds our

projection for 1986, which is quite pleasing to the travel industry," said Larry Todd of Austin, TTDA executive director. He said the 1986 figures should be even higher due to the Sesquicentennial and favorable economic factors for travel.

"This increase indicates tourism added greatly to Texas' economy, including the state and local tax bases," Todd continued. "The indicators promise a bright future for the Texas tourist industry."

Out-of-state visitors in 1985 totaled 36.1 million, as compared with 37.6 million the previous year. TTDA has estimated that more than 40 million out-of-state visitors will come to the Lone Star State in 1986. (These figures include foreign visitors).

Total nights visitors stayed in Texas in 1985 rose 3 percent over the previous year - from 168,040,000 to 172,700,000. The longer visitors stay in the state, the

greater the tourist income, Todd noted.

The number of jobs generated by tourism in Texas increased 4.3 percent in 1985 to 278,099, as compared with a 2.9 percent increase in total state nonagricultural employment. Employees in these jobs earned more than \$3.2 billion in wages, which also contributed to the state's economy.

Traveler spending brought in \$477,277,000 in state taxes and \$245,985,000 in local tax receipts. The state tax figure was approximately 4.1 percent of all state tax collections in 1985.

"Many people have the impression from movies and television that Texas is hot and arid, rocks and sand, and dusty with few trees," Todd said. "But those who come here learn about our beaches and forests and lakes and rivers and our varied climate. They learn one can, indeed, 'Have A Big Time In Texas.'"

Muenster Telephone gives to United Way

The employees of the Muenster Telephone Corporation opened their hearts as well as their pocketbooks for this year's United Way Fund Drive, by having 100 percent participation, as well as a 56 percent increase in the amount donated over last year's total. This wasn't the first time for a perfect record for the telephone company, however. For over five years, the company has achieved the 100 percent figure in donations.

Muenster chairperson Gracie Fuhrman would like to remind all

workers to please return all donation envelopes to her as soon as possible if they haven't already done so. Anyone that has been missed by the drive and would like to donate should mail their donations to Gracie Fuhrman, Muenster Chairperson, P.O. Box 587, Muenster, Texas 76252.

One hundred percent of the funds donated to the United Way in Muenster will be returned to the city for use. To date, 62 percent of the overall United Way goal has been reached.

ISSUES

Continued from Page 1

industries suffer, but the entire personal cash flow of most citizens in Texas is reduced. This reduced cash flow impacts sales taxes, motor fuels taxes, property taxes, and the real estate market, as well as the banking industry, the insurance industry and so on.

The second problem concerns the attitude of some people we have sent to Austin in the past 12 years.

Without attacking anyone personally, I offer this criticism because we should learn from our mistake. In the future, we simply must elect people that will plan carefully for the best and worst of times. A more responsible fiscal program over the past 12 years would have prepared us for 1986 and beyond. In my opinion, we have created a state government with cash requirements that are far in excess of what is necessary. Now we are faced with the prospect of penalizing the elderly, children and the mentally retarded (in other words, the helpless) unless drastic reductions in state spending are made immediately or in the alternative, unless we increase taxes. But, there is a problem with increasing taxes, not just a political problem, but an economic problem. You see, we are really not the "low-tax" state that many say we are. In terms of our average income, where all state and local taxes are considered, I calculate that Texas ranks number 29 in the 50 states. If we continue to increase taxes, how can we expect to attract new industry to provide jobs for the future? How can we ever hope to break the cycle of energy, agriculture and natural resources? By any definition, taxation is a redistribution of money from citizens to government. The more money

we divert from personal savings and investment, the less jobs are created. Higher taxes might work during a stable or expanding economy, but I argue that higher taxes at this time will first, discourage new industry and second, further weaken the individuals and businesses already in Texas.

We can't ignore the needs of primary education, the criminal justice system and the helplessness of our society - I'm aware of that. And I'm aware that we need good public schools, good roads, good universities and a good court system. Over the next few months, I will outline areas I believe can be reduced without sacrificing progress.

In closing, I wish to make citizens in Cooke County aware that during October and November I will be conducting a written survey on the major issues that I will be discussing in this series of articles. I will select at random a large number of Cooke County citizens and request that they fill out the written survey. I will rely on the results of this survey during the 70th Session. I urge everyone who receives the survey in the mail to invest a small amount of time in completing and returning the survey to my office. Democracy works when people participate in the process.

E.J. Thompson of Gainesville dies at 73

E.J. Thompson, 73, of Gainesville died suddenly on Oct. 27 in West Memphis, Arkansas. He that during October and November Services were held at First Baptist Church in Gainesville on Oct. 30 at 11 a.m. with Dr. Harry M. Roark and Dr. Bennie R. Slack officiating.

ALVIN FUHRMAN, manager of North Texas Communications, presents sales representatives Larry Eldridge and Susan Martin a check for \$2,500 from North Supply, as winners in their monthly regional drawing.

NTCC receives \$2,500

North Texas Communications Company of Muenster recently received a pleasant surprise, a check for \$2,500. The company, which sells business telephone systems, is enrolled in a special marketing incentive program through North Supply, one of their suppliers. As part of the incentive program, salespeople are encouraged to promote and sell the Northcom Premier 1A3 Key Telephone System. For each system sold, a cash rebate ticket is turned in, and in addition to

providing a rebate, it is entered into a regional monthly drawing.

North Texas Communications Company was the winner of this month's drawing for the Midwestern region which includes 11 states: Texas, Oklahoma, Kansas, Missouri, North Dakota, South Dakota, Illinois, Arkansas, Iowa, Nebraska, and Wisconsin. North Texas Communications Company is managed by Alvin Fuhrman and sales representatives are Larry Eldridge and Susan Martin.

Enterprise plans special edition

The Muenster Enterprise will publish a special edition in observance of its fiftieth anniversary on Thanksgiving Day 1986, including a complete reprint of its first issue, Vol. 1, No. 1 dated Nov. 27, 1936.

Anticipating the event, we are requesting old pictures from the early 30s, approximately 1930 to 1940, for use in the special edition and possibly continuing throughout the year.

We also request pictures that are older than 50 years, for the same purpose. We will treat all pictures loaned to us with "tender, loving care;" and give credits to the owners; and will return all pictures before publication.

Because of the extra work involved, we must begin many weeks before publication. Please offer your pictures soon.

The first issue of The Muenster Enterprise reached the first subscribers on Thanksgiving Day 1936, year of the Texas Centennial. Through this reprint it will become

available to at least two more generations of subscriber-readers. The anniversary issue will be a limited edition and reprints of the first issue of 1936 will be available only in this issue.

In addition, we will continue to reprint, each week "Fifty Years Ago News Headlines" and choice bits of news items of special interest from that very first year. Each week we will highlight exact copies of ads placed in 1936. We also plan to use more Photos From The Past. For that, we turn to owners of such pictures.

All of this makes subscribing to The Muenster Enterprise even more attractive. Sending a gift subscription to relatives, friends or former residents is a wise choice and a thoughtful Christmas or birthday gift. A gift subscription may also express "Thank You For Your Hospitality," or "Get Well Soon" or simply "Muenster Is A Good Place To Live."

Girl Scouts begin in Muenster

In September the Girl Scouting program in Muenster was begun with three troops registering with the Cross Timbers Council office in Denton.

Girl Scouting, beginning in 1912, has a value-rooted program with a purpose based on ideals and a code of conduct.

The girls are offered a variety of experiences and adventures that increase the girl's understanding of themselves, each other and their community. To provide this variety, the Girl Scout program groups activities into five broad interest areas.

The World of Well-Being includes activities that help each girl find out what's special about herself and her home.

The World of People includes activities that help each girl learn about others - their family and friends, their community, their country and people around the world.

The World of Today and Tomorrow will teach girls about some of the ways that people can change the world, why things work the way they do, and what the future holds for them.

The World of the Arts includes activities that help girls explore all the arts - including painting, sculpture, dance, dramatics, puppetry, music and photography.

The World of the Out-of-Doors includes activities that help girls understand, appreciate and protect the natural world.

Girl Scouting is open to girls of all races, religions, national origins, and economic backgrounds from 5-17 years old and in grades K-12.

Adult Girl Scouts are volunteers, women and men, at least 18 years old who work with girls or with other adults to bring the Girl Scout

program to girls.

Through its program, Girl Scouting helps girls explore their potential as dynamic young women. The four program emphasis sums up the ways in which each individual can grow through her Girl Scout experience. They are as follows: deepening awareness of self as a unique person of worth; relating to others with increasing skills, maturity and satisfaction; developing values to give meaning

and direction to her life; contributing to the betterment of her society through use of her own talents and in cooperative effort with others.

In Muenster, there are two troops of the Junior Level or

grades 4, 5 and 6. Leaders are Irene Hartman and Loretta Felderhoff. Emily Klement is the Leader of the Brownie troop with girls in grades 1, 2 and 3. The three troops have a combined membership of 19 members.

Four sisters hold reunion Oct. 23-26

Four sisters, daughters of the Joe Walters of Gainesville, were together for a long weekend reunion Thursday through Sunday at the home of Mary Jo Graham. They were Florence Blevins of Odessa, Rita Chapman of Richardson and Betty Sicking of Muenster.

They were accustomed to meeting annually with their mother, Anna Walter, until her death last year and took their father along for a memorial visit to the cemetery.

Friday afternoon Anna's sisters joined them for a visit, including Celie Wimmer, Irene Wimmer, Ida Hesse and Agnes Walter. Johanna Sicking came one morning.

The four sisters enjoyed visiting new "little places for browsing" about town. Joining them Saturday evening were Dianne Clegg, Peggy Sparkman and Nancy Sicking and Joe Walter for attendance at Mass at St. Mary's Church, where Mr. Walter was Lector for the liturgy.

They all came to Muenster for dinner Saturday night. Returning to the Graham home, they observed the October birthdays of Betty Sicking and Rita Chapman.

The Saint Jo Nursing Center appreciates all its visitors and invites them to come again, soon.

Baptism

Wolf

The baptism of Paul Andrew Wolf, son of Kent and Lori Wolf of 3826 Waterford Way of Denton was held in Immaculate Conception Church on Sunday, Sept. 28, 1986. Father Daniel Williams officiated during the 5 p.m. Mass.

Sponsors were an uncle, Dale Wolf of Fort Worth, and friends Steve and Vicki Croyle of Lewisville.

Also attending were grandparents, Roy and Toni Stinedurf of Garland and Ernest and Bea Wolf of Muenster. Others were an uncle and aunt, Ronnie and Norma Stinedurf and children Ryan and Crystal of Frisco; uncles Stuart and Troy Wolf; great-grandparents, Mr. and Mrs. Henry Wolf; great-uncle Cecil Wolf; great-uncle and aunt, Frank and Cecilia Novacek of Fort Worth. All were supper guests in the baby's parents' new home in Denton.

Yostens entertain

Mr. and Mrs. Al Yosten entertained family members several times last week. Their son, Bobby Yosten of Euless, was a guest Tuesday through Thursday. A grandson, Kary Phillips of Dallas, came in Friday to remain through Sunday. Joining them for Sunday dinner were Mrs. Sue Savage of Garland and Mr. and Mrs. Justin Jezek of Celina. Mmes. Yosten, Savage and Jezek are sisters, Sue, Josie and Dorothy.

Visiting granddaughter from Germany marks the occasion...

Raymond Zimmerer holds reunion

The Raymond Zimmerer family, all of their children and grandchildren, were together for a reunion several days recently in the Zimmerer home on Hood Road.

The occasion was the visit of a granddaughter, Michelle Zimmerer, who came from Germany. She was born in Omaha, Nebraska 11 years ago when her father, Cliff

Zimmerer, was stationed there in the U.S. Air Force.

Also attending were Cliff Zimmerer and Charmaine Larrimore of Florida; Pat Zimmerer, Val Tabor and Linda (Zimmerer) Leijonflycht and her daughter, five-week-old Britta Lynn of California; Ray and Ida Zimmerer and sons Matthew and Scott Zimmerer and granddaughter Monica and Courtney Ramon of Wichita Falls; Richard and Delores Zimmerer and Doug of Grapevine; Tim and Elizabeth Zimmerer and son Blake; Anthony and Amy Zimmerer of Roanoke; and David and Belinda Zimmerer of Little Rock, Ark.

A family portrait was made. Happy times, fun things, life on the farm, the growing up years, going to school, reminiscing and appreciating each other's company made the reunion memorable.

Six people vacation in Puerto Vallarta

Mrs. Arnold Schilling of Muenster, Dianne and Joe Bedolla and Amber of Sherman and Monica Haverkamp and Kody of Watauga vacationed together in Puerto Vallarta for eight days, flying from DFW.

They toured the entire area by car, and also reached remote scenic spots by boat. They visited very old churches; saw the houses of Richard Burton and Elizabeth

Taylor; noted cobblestone streets and no streets; they said they enjoyed eating in splendid seafood restaurants; they went to a private Mexican Fiesta; went shopping they witnessed the "Tropical disturbance" from a typhoon; picked up beautiful seashells.

Although this is considered the "slow" tourist season, they saw people from all over the world.

Parish Thanksgiving picnic set for Oct. 23

In a departure from tradition, the Sacred Heart Parish will host its annual Thanksgiving bazaar and picnic benefit event on Sunday, Nov. 23, leaving the holiday open mostly for family gatherings.

The dinner committee requests donations of turkeys, emphasizing the need to be notified early so that it can proceed with plans. Turkeys

may be ordered at H & W Meat Co., Hofbauer's or Fischer's Market.

Mrs. Lawrence Martin has agreed to accept telephone calls from persons willing to donate turkeys. She may be reached at 759-4361. Don Hess is general picnic chairman. Call 759-4310 or 759-2744.

The dinner committee has also requested donations of poultry seasoning, bread, cornbread, eggs, onions, celery and cranberries, pies and cakes.

Chairmen of various booths and items suitable and the country store needs, crafts, Christmas ornaments, handmade gifts, baked foods, candies, etc. Call 759-2537, 759-2756 or 759-2851.

Officers elected for Lindsay FFA

The Lindsay Future Farmers of America held their first meeting of the year on Sept. 25, 1986. Election of officers was held and these will hold office for the next year:

Robbie Sandmann, president; Quentin Hoenig, vice president; Donna Lutkenhaus, secretary; Troy Huchton, treasurer; Eddie Krebs, reporter; and Bobby Fleitman, sentinel.

Awards from last year's achievements were given to Eddie Krebs for Star Greenhand and to Robbie Sandmann for Chapter Farmer.

A volunteer blood drive was held on Oct. 2, 1986. A total of 85 people volunteered and 79 people were able to give blood. Another blood drive will be held on May 18, 1987 from 1-7 p.m.

Classes of '71 hold reunion

The classes of 1971, Sacred Heart and Muenster, joined together Saturday, Oct. 25, at the VFW Hall in Muenster to celebrate their 15 year reunion.

After a happy hour, a catered fried chicken supper, served by The Center, officially began the night's festivities. Peggy Sparkman and Leon Klement read their class prophecies; Tim Hartman and Bill Bayer introduced the attending classmates, giving an update. Letters from alumni, unable to attend, were read. The remainder of the evening was spent visiting and remembering when.

The exes attending voted on most and least changed classmates. Elected from Muenster Public were Most Changed Girl - Debbie Sicking; Most Changed Boy - Charlie Cler; Least Changed Girl - Laurie Wimmer; and Least Changed Boy - Leon Klement. Sacred Heart's choices were Most Changed Girl - Mary Bayer; Most Changed Boy - Allen Hess; Least Changed Girl - Donna Rohmer; Least Changed Boy - Alan Trubenbach.

An afternoon family get-together was attended by several at the Muenster City Park.

Attending from Sacred Heart were Bill Bayer, Tim Bindel, Tom Felderhoff and Allen Trubenbach of Muenster; Peggy Sicking Sparkman of Myra; Donna Rohmer McClendon, Caroline Schoech Cooley and Alan Hess of Irving; and Mary Bayer Roberts of Fort Worth. Shirley Hacker Wilson of Gainesville attended the afternoon gathering.

From Muenster Public School were Leon Klement, John Schneider, Pam Young Felderhoff, Joie Trubenbach Reed, Tim Hartman, Tim Hennigan, and Alice Klement Walterscheid of Muenster; Debbie Sicking Kirchenbauer of Myra; Joan Monday Covington of Forestburg; Earl Koezler of Denton; Steve Rohmer of Coppell; Laurie Wimmer Valliere of The Colony; Glenn Felderhoff of Graham; Patty Felderhoff Fuhrmann of Grapevine; and Debbie Yosten Bradford of Austin.

Sacred Heart Alumni unable to attend were Henry Knabe of Muenster, Peggy Endres Abeln of Richardson, Kevin Swirczynski of Greenville, Bill and Darlene Walterscheid Bartush of Oklahoma, Joan Rohmer Fusco of Kansas, Fred and Denise Walter-

scheid Fuhrmann of Florida, Nancy Endres Bezner of Florida, Donna Endres Schmitt of Washington. MHS graduates unable to attend were Ricky Walterscheid, Phillis Dittfurth and Marla Grewing Fette of Muenster; Ricky Tuggle, Debbie Hermes Bradshaw, and Toni Enbrey Hogan of Gainesville; Donna Wimmer

VFW Auxiliary plans for "In Lieu of Christmas Cards"

The Ladies Auxiliary to the VFW made plans to again sponsor "In Lieu of Christmas Cards," an annual program to benefit local charities. Details are pending and will be announced. Members voted on the project during their Oct. 20 meeting in the Post home.

Frances Bayer presided for the business meeting and asked members to urge people in the community to vote in the Nov. 4 election.

The annual bake sale held on Oct. 19 at Fischer's and Hofbauer's to benefit the Cancer Aid program was very successful. Proceeds are divided between State-sponsored Cancer Aid and Research projects and the remaining amounts are given as grants to cancer patients in this community. Members expressed appreciation to all who participated, either by baking or buying.

Veterans Day will be observed at Sacred Heart Cemetery on Nov. 11

after the 8 a.m. Mass when members will attend the memorial services.

Members were reminded that dues are now payable. They were also told that new gift items will be accepted at the next meeting for children at the Denton State School.

Ida M. Bindel served refreshments to 18 members and Agnes Hesse volunteered to be hostess in November. Frances Bayer won the door prize.

Cubs will go to Derby

Cub Scouts of Den 4 opened their meeting Oct. 20 with the Law of the Pack. After reviewing Bobcat requirements, they played the balloon toss game with water-filled balloons. John Klement and Bradley Fisher were champs, tossing theirs the longest period of time and the greatest distance before bursting.

The boys enjoyed making wind chimes with pie plates and an assortment of odds and ends. They are also making final preparations for attending the Push Mobile Derby in Denton Nov. 1.

The boys adjourned their meeting with the Cub Scout Promise and enjoyed making their own refreshments of Smores with ingredients provided by Royce Knabe.

Cub Scout Pack 664 meets

Cub Scout Pack 664 met on Oct. 27 at 7 p.m. at the VFW Hall. Webelos Scouts opened the meeting with the flag ceremony and the Pledge of Allegiance. The VFW Charter Organization presented U.S. flags to each den. They were appreciated very much. Jeffrey Hermes lit the Spirit Candle.

Unit Commissioner Lupe Evans welcomed the new Cub Scouts and their parents - Justin Camp, son of Mr. and Mrs. Mike Trubenbach;

and Paul Swirczynski, son of Mr. and Mrs. Tom Swirczynski. Lupe presented Pack 664 with the Summertime Award and ribbon. It was earned by participating in three summer activities. Webelos leader Gilbert Knabe and Den leaders Cathy Berres, Shirley Knabe, Ernie Marti, Eddie Otto and Chris Muller tied the Summertime ribbon onto the Pack flag. Gilbert Knabe, Webelos leader, received a 50 percent participating ribbon for his group, for participation in summertime activities.

Committee chairman Lou Moster and Scout Show chairman Cathy Sicking presented Scout Show patches and Scout bucks to those boys selling one book of tickets or more. Tiger Cub Matt Muller was presented with a blue bead for accomplishing Idea Number 1, Getting To Know You.

Debbie Fisher presented the Attendance Award to the Tiger Cub group for the most den attendance. Doris Muller was presented the Number 1 Cubby Award for winning the October game.

Den Chief Douglas Evans narrated "A Ghost Story" while Pack members responded with grunts, shrieks and screams.

Advance In Rank was the theme for October. Webelos showed Forrester projects; Bears showed weather vanes; Wolves showed a den doodle and den flag; Den 3 showed a den doodle; Den 4 showed wind chimes and tin can candle holders.

Tiger Cubs showed a totem pole and den doodle. Webelos showed a demonstration on the proper procedure in folding the United States flag.

Plans were discussed about the upcoming Push-mobile Derby to be held in Denton on Nov. 1; POW WOW on Nov. 8; Turkey Shoot on Nov. 9; and Christmas parade and party on Dec. 6. Harvey Lamkin discussed ideas on the Cub Scout entry in the Christmas parade. The meeting was adjourned and the Webelos retired the colors.

Hal M. Lattimore:

Judicial Experience and Integrity

Judge Hal Lattimore has the integrity and professional achievements to be a fair, impartial justice on the Court of Appeals, Place 2. He has served on the 96th District Court, Fort Worth, for more than a decade, bringing his sense of justice and fair play to the bench.

Judge Lattimore is admitted to practice law before all the courts of Texas, the Supreme Court of the United States, the United States Court of Appeals, 5th Circuit, and the United States District Courts for the Northern District of Texas. His father and grandfather both served on the bench, giving him a heritage of assuring justice for all citizens.

Vote Nov. 4 for Judge Hal M. Lattimore, Court of Appeals, Place 2. He has the commitment and credentials to serve us impartially and with common sense.

“If elected Judge, Court of Appeals, I pledge to serve the citizens of Texas to the best of my abilities, and will remain fair and impartial to all.”

Elect JUDGE Hal M. LATTIMORE

Amber is one

AMBER NICOLE WOLF

Amber Nicole Wolf, daughter of

Kevin and Gina Wolf, celebrated her first birthday with two parties.

Her first party was held Oct. 19 in the home of her grandparents, Glenn and Betty Hellman. Helping celebrate her birthday were her parents, grandparents, Aunt Colleen, cousins Geoffrey and Rudy, Aunt Sandy, Uncle Brian, Uncle Jeff, Great-Grandma Hellman, Great-Aunt Marie and her friend Misty.

Those unable to attend, but sending best wishes, were Uncle Jerry, Aunt Glenna, cousin Christina, and Uncle Dwayne.

On her actual birthday, Oct. 22, she celebrated with her friends and grandparents in her home. Guests were served cake and ice cream.

Junior High Halloween dance a great success

A Halloween dance was held Saturday evening at the Knights of Columbus Hall for all seventh, eighth and ninth graders.

The young people appeared in a great variety of costumes, from Halloween witches to the Chipmunks (Alvin, Simon and Theodore). A lot of thought, planning and work was shown in the preparation of these costumes.

Refreshments were furnished by parents. Disc jockeys providing music were Murlin Evans, Jeff Walterscheid and Jeff Christian.

Judges selected the top four costumes - a Chinese holy man, a Valentine, Three Chipmunks and a "Nerd." All others were so outstanding that each received honorable mention.

Another dance is being planned for the Christmas holidays. It will be "A Festive, Formal Affair" on Dec. 20. There is need for parents of seventh, eighth and ninth graders to contact Lupe Evans to work out the final plans. Any interested parents are urged to call 759-2911 or 759-2520.

Catholic Singles announce schedule

Cooke County Catholic Singles Club has announced its November schedule, as follows:

Nov. 1, Saturday, meet at 6:45 p.m. in the St. Mary's Church basement; attend Mass together; and have dinner out.

Nov. 8, Saturday, card games and dominoes party at 8 p.m.

Nov. 15, Saturday, attend 7 p.m. Mass at St. Mary's together. Go dancing afterwards.

Nov. 22, Saturday, meet at 7

p.m. at the Myra gym to play volleyball.

During the club's Oct. 19 meeting at 5 p.m., members made the November schedule, then departed to attend the annual diocesan Singles Mass at St. Andrew's Church in Fort Worth celebrated by Bishop Joseph Delaney.

The next meeting will be on Nov. 1 at 6:45 at St. Mary's Church.

Pecan Pageant entries now being taken

Entries are now being accepted for the 1986 North Texas-Southern Oklahoma Miss Pecan Pageant scheduled for Nov. 22, at the Nocona High School Auditorium. Tina Hudson of Nocona is the director for this year's pageant and Mark Jerome of radio station KNIN, Wichita Falls is Master of Ceremonies.

All interested persons can pick up entry blanks at the Chamber office in City Hall, Jerald's Hair Styling, Lemons Photography or by contacting Tina Hudson at 825-

6614 or 825-6675 in the evenings.

There will be five divisions: Prince and Princess division, girls ages 3-5 and boys ages 3-6; Tiny Miss Pecan, girls ages 6-9; Little Miss Pecan, girls ages 10-12; Junior Miss, girls ages 13-15; and Miss Pecan is for eligible girls ages 16-21. There is a talent competition in this year's pageant. Miss Pecan contestants must present a 3-minute talent demonstration of the contestants' choosing.

The theme of the pageant will be related to Texas' 150th birthday.

NCCW hosts Ethnic Culture Day in Ft. Worth

The Diocesan Council of Catholic Women announces a day of celebration spotlighting the many ethnic cultures that make up Catholics in the Fort Worth Diocese. "The International Catholic Connection" will take place at St. Andrew's Gym, 3312 Dryden Road, Fort Worth, on Nov. 2, from 1 to 6 p.m. Bishop Joseph Delaney will welcome visitors and introduce the program which will feature a brief history of the coming to North Texas of such groups as the Polish, the Irish, the Hispanics, the Tongans, Asian-Americans, the Hungarians, the Germans, etc.

The afternoon will be filled with the song, dance, oratory, dress and food of all these cultures. Art and handicraft items and flags from each participating nation will be displayed. Admission is free. Door prizes donated by each group will be awarded. Foods such as German sausage, bratwurst, pac-

zki, kruszcziki, shish-kabobs, soda bread, potato cakes, Otai (fruit punch), roast pig and yams, tamales and fried chicken will be available.

All are invited to this festive Sesquicentennial celebration of the richness of diversity within the church in this diocese.

Tigers fall short

by Max Hastings

The Sacred Heart Tigers traveled to Denton Liberty Christian Friday night, determined to come home with a share of the district lead. Darrell Dangelmayr's passing and a stubborn Tiger defense almost pulled off the upset, but Liberty Christian's strong all-around attack finally got rolling in the second half to secure a 17-13 win for the Warriors, keeping them undefeated in TAPS Division II, District 2, with a 5-0 record. Sacred Heart fell to 2-2 in the district, with a 3-5 overall record.

A mental lapse by the Warriors on the opening kickoff resulted in the only touchdown of the first half, as Ryan Bayer recovered the opening kickoff at the Warriors' 3-yard line. Steve Knabe punched it in from the 1, and Frank Hastings kick made the score 7-8 with only 38 seconds gone in the game.

Liberty Christian moved the ball well at times in the first half, but costly turnovers and a tough Sacred Heart defense held them to just 3 points. This defense was led by Casey Houtchens, Mike Adair, Craig Voth, Deano Bayer and Terry Bartel.

Sacred Heart, on the other hand, couldn't move the ball well on the ground either. However, they did manage to get two penetrations on the strength of Dangelmayr's arm. In the first quarter, completions of 13 and 27 yards to Hastings, and a 19-yard pass to Adair took the ball to the opponents 13, but an interception ended the drive.

Another interception by the Warriors in the second quarter led to a score. Andy Lux, Liberty quarterback, snagged the ball for the interception. Then 12 yards later at the Tigers' 29-yard line, the defense stiffened; with no other choice the Warriors settled for an Andy Lux 35-yard field goal.

Then with less than a minute to go in the half, Dangelmayr passed to Voth for 40 yards. This put the Tigers at the Warriors' 4. The Tigers' hurry-up offense, however, could not convert for the score.

The half ended with Sacred Heart on top, but with a diminishing 7-3 lead.

The Tigers were unsatisfied with a mere 4-point lead and added 6 more in the opening minutes of the third quarter. The drive, led by Dangelmayr's aerial attack, went 76 yards and was put into effect starting with a 33-yard connection to Adair and a 16-yard throw to Hastings.

Wayne Becker also contributed with 4 hard yards to get within 7 yards of the end zone. Hastings then capped things off with a 7-yard TD run.

Denton Liberty came back fighting to go 68 yards for a touchdown.

Andy Lux was credited with the 1-yard TD run and the PAT to bring the Warriors within 3 and make the score 13-10. Denton Liberty, still mustering up all they had to hold secure their first place district standing, were given the opportunity to score, which came on a costly Tiger fumble that Denton Liberty recovered on the Tiger 27-yard line. Following four plays later was Russell Spain's touchdown and a Donald Irbán PAT which gave Denton Liberty a 17-13 lead with 11:20 in the game.

Both teams were unable to come up with anymore scoring during those last 11:00 and the score was left at 17-13.

Tigers need win against Quinlan Boles to stay in race

by Max Hastings

Quinlan Boles Home will be returning this year with a total of 10 returning starters.

Quinlan Boles will be equipped with a strong line backed by center David Winters, David Matlock, Marty Tharp and Craig Sikes, all weighing 200 pounds-plus.

Their offense will rely on names like QB Randy Roper, WRs Steve Abbott and Clarence Lovell and RBs Tommy Long and David Blair.

The Tigers are still in contention of the playoffs, but must pull this game off.

*** DIRECTIONS TO BOLES HOME ***

Take 35 S to Highway 380 in Denton. Take 380 East to Highway 69. Travel South on Highway 69 to Greenville. At Greenville, take Highway 34 South 10 miles to Boles Children's Home. Turn on FM 2101 and travel to the back of the school to the football stadium.

Sacred Heart's top gun Darrell Dangelmayr went 11 of 19 for 177 yards passing. His valued receivers were Mike Adair with 3 catches for 62 yards, Hastings with 3 for 56 yards, and Craig Voth with 2 for 44 yards.

The Sacred Heart rushing attack was not that effective with Hastings leading the team with 37 yards on 17 carries.

Liberty Christian had a successful running game with 249 yards rushing on 54 carries accompanied by 17 first downs. Sacred Heart had 17 yards on 35 carries with 13 first downs.

Passing was a different story as Sacred Heart racked up 177 yards and went 11 of 19 with 3 interceptions. Denton Liberty was unable to connect once in the aerial attack and had an embarrassing no-yards passing and went 0-6 with 1 interception.

Sacred Heart gave up 55 yards on

7 penalties, while Denton Liberty gave up 75 yards on 9 penalties. The Tigers will face Quinlan

Boles Home this week, Oct. 31, over there. Kickoff is set at 7:30 p.m.

Hornets battle for second

In an inspired effort that had Hornet fans walking away with smiles on their faces and compliments for their team, the Muenster High School football squad handed the number one ranked Valley View Eagles their first deficit of the season only to eventually lose 20-7. The Eagles, behind Kerry Kyle and Phil Clark, seemed to realize that the Hornets were a notch above earlier opponents, and they rose to the occasion.

"The first quarter showed their easy schedule. We took it to them," commented an obviously proud but exhausted Dewey Sims. "Like a championship calibre team they came up to our level and went above it to win the game. Those two long runs didn't hurt their momentum either."

Kyle's 71-yard touchdown scamper early in the second quarter tied the game. Two minutes later he ripped off a 68-yard run to the Hornet 6 to set up the winning score. "We didn't react quick enough on that second run," said defensive captain Gary Grewing. "Andy and I were supposed to stunt, one step sooner and we'd have had him." Not many people have tackled Kyle this season. He now has 907 yards on a mere 92 carries for 12 touchdowns.

"If we get by Era and Collinsville," added senior center Joe Pagel, "maybe we can get another shot at them."

Muenster must defeat the undefeated Era Hornets (8-0) this Friday to entertain any playoff aspirations. In what can almost assuredly be considered the battle for the second playoff spot, Muenster must again lick their wounds and come out ready to battle.

"Era will be a tough game," said Sims, "and we feel we can do the job. Our defense has been consistent and our offense is starting to move. We had 134 yards rushing last Friday against a team that had allowed only 9 yards on the ground in 7 games."

The Hornets put the ground game into high gear on their second possession of the game. Pagel's fumble recovery set up a 52-yard, 8-play drive resulting in a 6-yard touchdown run by Andy Burnette. Stuart Hess kicked the PAT. The textbook drive was led by Damie Hellman, Dan Klement, Steven Whittington and Mark Hennigan, the left side of the line. Burnette gained 35 of the yards on 6 carries

and got 78 yards on 19 totes for the night. It was a good performance by the injury-plagued Burnette. Unfortunately, he will probably miss this week's game with shoulder and ankle complications.

With a 7-0 lead, Muenster got possession again when Grewing stripped Kyle of the football and Hellman recovered it at the Hornet 39-yard line. The Hornets were unable to move as all-state candidate Phil Clark led a charged-up Eagle defense. Two plays later Kyle's run and Damian Krahl's kick had tied the score.

After a Grewing punt (10 punts for a 39.0 avg.), Kyle took off again for a 68-yard run to the Hornet 6. Quarterback John Cope then nailed John Grussel in the end zone for the score. Krahl kicked the PAT for a 14-7 halftime lead. Cope's passing was on target all night long as he would finish 9 of 13 for 87 yards, two touchdowns, and no interceptions.

The second half settled into a defensive battle. A game of chess that found the Eagles mounting the only scoring drive of the half behind a Cope-to-Steve Sparkman passing combination. In a 71-yard

13-play drive Cope hit Sparkman four times for 44 yards including 2 third-down conversions. Cope passed 11 yards to Steve Hicks for the final score of the night and 20-7 victory.

Muenster is now 4-4 on the season and 2-1 in league action. Valley View goes to 8-0 and 3-0. Era is an identical 8-0 and 3-0. Lindsay is 6-2 and 1-2.

Grewing led the Hornets with 2 quarterback sacks and 7 tackles. The gutsy senior played every down of the game and did a fine job blocking Eagle tackle Steve Kubicek all night long. J. Shane Wimmer and Travis Klement added to the Hornet defensive effort with performances more like seniors than sophomores.

Drue Bynum chipped in 56 yards on 23 attempts and hauled in three passes for 33 yards.

Friday night's game with Era will be the final home game of the season. Support the Hornets! Kickoff will be at 7:30 p.m.

The Hornet JV team finished 5-1 for the season. They will suit up with the varsity for the remaining two games.

THE HORNET DEFENSE made the going tough all night for Valley View. The main injuries being two long breakaway runs by the Eagles' Kerry Kyle. Gary

Grewing (63), Stuart Hess (72) and Damie Hellman (70) combined for this short yardage stop.

Dave Fette Photo

VALLEY VIEW quarterback John Cope (&7) swept around the right for 20 yards before Hornet Joe Pagel (52) caught him.

District standings

In the East Zone Gunter beat Fannindel 27-6 last Friday night in the battle for first place. Fannindel already defeated Celeste and should win their next two games to earn the second place spot. The West Zone is still undecided with all eyes on Era. Era and Muenster

clash this week, with Muenster fighting to hold a play-off position. Valley View and Era will meet in the last regular season game.

Muenster basketball is now underway

Muenster High School began workouts last Monday as schools around the state were allowed to begin workouts after school. The Hornet basketball program will be under the direction of Ted Heers, who is beginning his first season as head coach at Muenster. He inherits one returning starter on the girls' varsity team and five returning starters on the boys' team. Heers is optimistic the boys will enjoy a better season than last year.

"We really have four starters back on the boys'. Stuart (Hess) spent most of last season rehabilitating his knee. Four starter constitutes an excellent nucleus from which to build. We'll definitely enter the season with confidence. Our goal is to put the first gold ball in the trophy case that has male names on it."

Senior Ryan Klement returns to head the attack. He earned second team All-District honors last season. Brian Hess returns with Honorable Mention honors from last season and a 13-point scoring average.

"Football playoffs is our boys' concern right now," added Heers. "We'll start thumping the roundball the Saturday after football season ends. We could possibly have a game with only one practice under our belt, but we'll just hit the floor and play. Playing is the best way to improve."

The Hornets return junior Staci Walterscheid as a starter and have juniors Meredith McDaniel, Melody Klement, Darla Bindel and freshman Dana Wimmer slated to step in and fill the void left by graduation. The girls have begun full scale workouts in preparation for a scrimmage game with Gainesville this Tuesday, Nov. 4, at 5 p.m. in Gainesville.

"These girls have a lot of hustle and desire. They want to prove they can play without the dominating height they have had the past several seasons," said Coach Heers. "We're hoping we can gain experience each week and be competitive when league play starts."

Heers praised the play of Staci Walterscheid and Jennifer Carroll. "Staci has the most experience and it shows. Right now her outside shot isn't falling, but when it does she will be difficult to defend. Jennifer practices more than anyone we have and that shows. Her out-

side shot is already dropping and for a small girl she will still take it inside effectively."

Both squads are scheduled to open the season here at Muenster against strong Callisburg teams on Nov. 17. Tip-off for JV games will be at 4 p.m. and 5:30 p.m. with the varsity games to follow.

Wild turkeys numerous for 1986 season

AUSTIN - Wild turkeys had only an average nesting season in 1986, but a carryover of birds from a bumper crop in 1985 should make turkey hunting good this year.

Don Wilson, upland game program leader for the Texas Parks and Wildlife Department, said overall turkey populations remain well above the long-term average virtually throughout the traditional turkey range.

"Although Texas has received a lot of rainfall in 1986, most of it fell after the critical early-spring period for turkey production," said Wilson, "but hunters should see numerous birds, and a high percentage of them will be mature."

The 1985 production season was second only to 1981, when the highest production figures were posted since turkey population surveys were initiated.

Hunters may encounter some difficulty in getting a shot at a turkey if they depend on feeders to attract the birds, Wilson added. "Turkeys are just like deer, in that they don't respond well to feeders when they have a lot of natural food available. Most areas are pretty green right now."

The fall turkey hunting season runs concurrently with the statewide white-tailed deer season, which is Nov. 8, 1986 through Jan. 4, 1987.

Muenster JH meets Era for first place

The 5-1 Muenster Little Red Team, fresh off a 34-6 thrashing of Valley View, will meet the undefeated (7-0) Era Hornets in a battle tonight that could decide the loop championship. Muenster posted a convincing 34-6 victory at Valley View last Thursday to push their district record to 3-0. A bruising ground game carried the Hornets to the win as they controlled the ball and clock, limiting the Eagles to only 11 offensive plays.

Muenster took the opening kickoff and executed a picture-perfect 12-play 65-yard scoring drive. Spencer McAden scored from two yards out and Troy Pagel ran in for the 2-point conversion. Leading 8-

0, the Hornets Mike Gobble recovered a fumble, and after another lengthy drive, Pagel scored from 6 yards out. McAden was on the receiving end of a Pagel pass for the conversion and a 16-0 lead.

The Eagles then struck back for a score when J.J. Williams broke loose for 65 yards. The PAT run was stopped by Ryan Sicking, Scott Hudspeth and Paul Black. Muenster quickly moved into scoring position. With only 1 second left before halftime, McAden swept the left end from 4 yards out for another Hornet touchdown. Chris Reyling, Pagel and Darrin Russell led the way. Pagel added the two points over the right side blocking of Brad McDaniel. Terry

Felderhoff and Bryan Reiter for a 24-6 halftime lead.

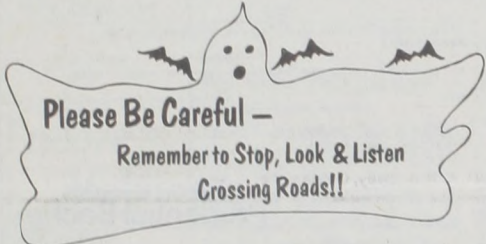

Second half action was dominated by Muenster. Pagel added a third quarter score and McAden scored the two points for a 32-6 lead. Late in the third quarter, the Hornets moved to a first and goal at the Eagle 4-yard line. Consecutive penalties pushed them back to the Eagle 24-yard line. With a fourth and goal from the 12, Gobble passed to Felderhoff down to the one-yard line. The Eagles took over and were forced to punt. The snap sailed out of the end zone for a safety and a 34-6 win.

Gobble excited the crowd on a 60-yard touchdown run in the closing minutes, but a clipping penalty nullified the score.

Kickoff tonight is at 6 p.m. in Era. Support the Little Reds as they try to win the District Championship!

Convenience Banking?

What's So Convenient About:

- PAYING** higher interest on your loans?
- EARNING LESS** interest on your savings?
- PAYING HIGHER** service costs at banks?
- LOSING** local control over banking?
- SACRIFICING** service to the big banks' benefit?

YOU WILL HEAR A LOT FROM THE SO-CALLED CONVENIENCE BANKERS ABOUT PROPOSITION FOUR BUT YOU PROBABLY WILL NOT HEAR THIS:

The big banks of Texas hope to create a bank monopoly of your expense. Proposition Four has disguised branch banking as "full service banking". Whatever they call it - Branch Banking is a bad idea for Texas, and Texans will end up footing the bill for the big Texas bank holding companies to get bigger.

You especially don't want this to happen now since the Texas Legislature just passed a law permitting the large banks of New York City to purchase some or all of the large Texas bank holding companies. Not only can this legally happen now, but is almost certain to take place in the immediate future.

For all these years, Texans have never wanted or allowed the big banks of New York City to own and control the Texas Banking Industry. We are sure that this position by the people of Texas still has never changed.

Protect Your Interests And Your Pocketbook On Nov. 4.

Opening of centennial set by Benedictine sisters

The Benedictine Sisters of Holy Angels Convent, Jonesboro, Arkansas, are preparing to celebrate the 100th anniversary of their beginning.

On a cold December day in 1887, a group of four sisters arrived in Pocahontas, Arkansas. These pioneers came to serve the needs of the poor in Northeast Arkansas.

As more members joined the group, many coming from Switzerland, the convent was relocated in Jonesboro. Through the years the sisters have served in schools

and hospitals in various communities of Arkansas, Texas, Louisiana, Missouri and Illinois.

To open a year of celebration, the sisters are having a bazaar on Nov. 29, at the Earl Bell Community Center in Jonesboro. The bazaar will include booths, silent auction, refreshments, and raffle, along with free entertainment and door prize.

The booths will feature hundreds of handmade crafts, Christmas items and gifts, White Elephant,

Fish Pond, Plants, Post Office and Country Store. The silent auction has a variety of items donated by area merchants.

Eight Boy Scouts at Catholic Retreat

Eight Scouts of Muenster Troop 664 with their Scoutmaster Waylen Poole and Assistant Scoutmaster John Walterscheid attended the Catholic Scout Retreat sponsored by Longhorn Council at Granbury on Sept. 19-21.

Boys attending were Rodney Knabe, Joe Weinzapfel, Ryan Gehrig, Jon Fleitman, Eric Dankesreiter, Aaron Berres, Bryan

Knabe, and Justin Hartman. The boys had many opportunities to visit with friends made last year, make new friends and plenty of time to reflect on their duties to God.

While at the Retreat, Rodney Knabe passed his board of review for his Ad Altare Dei award and will receive his medal at the next Diocesan ceremony by the Bishop.

CITATION BY PUBLICATION THE STATE OF TEXAS TO:

William Francis Storbakken, Respondent:
GREETINGS:
YOU ARE HEREBY COMMANDED to appear and answer before the Honorable 235th District Court, Cooke County, Texas, at the Courthouse of said County in Gainesville, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of Tamra Lee Storbakken, Petitioner, filed in said Court on the 11th day of July, 1986, against William Francis Storbakken, Respondent, and said suit being numbered 86-366 on the docket of said Court, and entitled "In The Matter of Marriage of Tamra Lee Storbakken and William Francis Storbakken." the nature of which suit is a request to grant a divorce and other relief as requested.
The Court has authority in this suit to enter any judgment or decree dissolving the marriage and providing for the division of property which will be binding on you.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
Issued and given under my hand and the seal of said Court at Gainesville, Texas, this 20th day of October, 1986.
Bobbie Calhoun, Clerk,
235th District Court,
Cooke County, Texas.

The Powers' plan

Bill Powers' plan for the Texas Department of Agriculture is good, sound business. The Department will be run like a business. Our good and deserving Texas farmers will be kept in business. Exports of Texas agricultural products will be a priority in international business. New growth through further processing and diversification will enhance the Texas agricultural business climate and we must make national farm policy our business in Texas.

I. Texas Department of Agriculture Internal Operations and Efficiency - Bill Powers will call for a complete and impartial audit of all TDA books and accounting of the previous four years. All personnel and job descriptions will be evaluated and matched to assure maximum performance as well as harmonious employee relations.

A priority will be resumption of proper and timely performance of inspections and regulatory duties. This includes dissolution of "swat teams" which are costly and inefficient. Of primary importance will be the regaining of respect of businesses under TDA regulation.

Savings will be bolstered through elimination of paid lobbyists (which are illegal) and discontinuance of printing and research that is properly done by Texas A&M systems and other State universities. I will also work closely with these agencies to achieve control and possible eradication of fire ants through biological control.

II. Farm Foreclosures and Bankruptcies - Texas farmers that are facing bankruptcy or foreclosure need help immediately. I will create a review board made up of financial, production, processing and marketing specialists to meet with financially troubled farmers to develop a plan that fits the management skills and financial stability of each individual.

III. Exports and World Trade - World exports of Texas agricultural products offer exciting opportunities for Texas farmers. This is an almost totally untapped market that has suffered in recent years. We must call on Heads of State of foreign countries and communicate directly with foreign buyers. Texas farmers produce more than we can consume and most foreign countries need to share in this abundance of food. It is a matter of bringing the buyer and seller together through an organized marketing plan.

Interstate markets must be developed on a broader scale. Texas must become the unquestioned leader in supplying food and fiber to other states that do not have our production capabilities.

IV. Processing, Diversification and Promotion - Further processing of agricultural products can be achieved through the same methods that we have used successfully in the Texas poultry industry. An aggressive business approach to processing and new crop diversification will create new jobs for Texans.

Promotion of Texas agricultural products has always been a primary function of the Department and this will be accelerated. There has been too much emphasis on promoting the Commissioner.

V. Farm Policy - National Farm Policy has been a political football for too many years. It is time for farming to be returned to the farmers. We must move to a supply and demand economy for agriculture so that our farmers can once again feed our nation while retaining their dignity and their homesteads. No amount of subsidy or government control can replace free enterprise or the spirit of competition in producing a proven product for a known market.

County Agent's Report

by Craig Rosenbaum

We have been seeing an increase in the amount of greenbugs in some small grain fields this year. In generally in the vicinity of hay meadows. The greenbugs tend to migrate out of hay meadows or areas where Johnsongrass is present or from areas of volunteer small grain. Due to the good growth conditions that we have had, very few fields have needed chemical control. One good thing that we have going for us is our warm weather and heavy moisture conditions. Most greenbug damage comes during periods of low moisture and poor growth times in the cooler seasons of the year.

Most of the fields that have populations of greenbugs are generally in the vicinity of hay meadows. The greenbugs tend to migrate out of hay meadows or areas where Johnsongrass is present or from areas of volunteer small grain. Due to the good growth conditions that we have had, very few fields have needed chemical control. One good thing that we have going for us is our warm weather and heavy moisture conditions. Most greenbug damage comes during periods of low moisture and poor growth times in the cooler seasons of the year.

ment may be needed if there are 100 to 200 greenbugs present per foot of drill row. Check fields that have just been planted and are beginning to emerge for lesser populations. The appearance of dead spots may indicate a need for treatment, too. Our plants are growing well and should be able to tolerate some greenbug damage.
