Vandalism case solved at local Boy Scout building

Police Chief Helen Tompkins has reported good news on the case of vandalism inflicted on the Boy Scouts building several weeks ago. She said the case has been solved and four local juveniles have been charged with "Reckless Damage and Destruction."

She also stated that they must make restitution for the amount of damage done, plus perform community service while supervised. There are also other stipulations.

Chief Tompkins also reported on two traffic accidents occurring within the city limits of Muenster during the weekend.

The first happened Saturday night, Oct. 15, about 9:40 p.m., involving a station wagon and a pedestrian, near 613 North Main Street, in very heavy traffic after the football game.

The accident was investigated by Officer Bill Bivin and Sgt. Robert Stovall of the Muenster Police Dept. The accident report stated that a pedestrian, 10 year old Joshua Benjamin Sicking of Rt. 1, Whitesboro, was running

across the street in very heavy traffic, but not at an intersection. "The pedestrian was southbound on the east side of North Main Street, then ran across North Main, from east to west, and ran between two pickup trucks that were northbound on Main Street. The driver of the station wagon did not see the pedestrian until it was too late.

"The pedestrian was picked up onto the hood of that vehicle, driven by Gerald Walterscheid. The pedestrian then jumped off and continued to run west about ten feet, then stopped and lay down."

The boy, Joshua B. Sicking, was taken to Muenster Memorial Hospital by Cooke County EMS and admitted for observation. He was treated for scratches and abrasions and was released Sunday. He is the son of Mr. and Mrs. Melvin Sicking and grandson of Mr. and Mrs. Bernard Sicking.

The second weekend accident was investigated by Officer Bill Bivin. It occurred on Sunday, Oct.

16, at 9:25 p.m. on Hwy. 82 about 100 ft. west of Sycamore St., and involved a 1984 blue Ford pickup driven by Karl Barnhill and a 1979 red Chevrolet pickup driven by Derrell Gary Hess.

The report of the investigating officer stated that the vehicle driven by Hess was eastbound on Hwy. 82 when the vehicle driven by Barnhill came up behind it and collided into its rear end. Both vehicles drove away from the scene. Karl Barnhill was given the citation and charged with following too closely.

Another case still claiming interest and attention locally is the case of severe, recent vandalism to a school bus on a Farm-to-Market Road south of Muenster. In response to a question put to Cooke County Sheriff's Dept., Sheriff John Aston said, "We are trying to build a case and we are trying to develop suspects. We are trying to find witnesses and obtain any information from them. If anyone knows anything, we are asking them to please relay that information to us."

Muenster will Homecoming Friday for Muenster High

As Muenster ISD's 1988 Homecoming game nears, preparations are continuing for several related events sponsored by various organizations.

Homecoming activities began with a special liturgy at Sacred Heart Church at 8 p.m. Wednesday, Oct. 19. The ceremony, arranged by MHS seniors, under the guidance of Pam Fette and Theresa Walterscheid, Muenster Hornet football players, their coaches, cheerleaders, class princesses, queen candidates and fans were extended special invitations. Bonfire activities followed.

As a Muenster ISD school-sponsored activity, the Muenster Hornet cheerleaders will lead a school-wide pep rally in the gym at 3:10 p.m. Friday afternoon. Student Council officers and representatives will then recognize the Homecoming princesses and queen candidates. Parents and fans are welcome to attend both the pep rally and the game at 7:30 p.m. against the Era Hornets. The 1988 Muenster Homecoming Queen will be announced during the halftime program.

The final homecoming event will be a dance Saturday, Oct. 22, from 8 p.m. to 1 a.m. at the VFW. Music will be provided by The Entertainer. Tickets are \$5 a person and \$8 a couple. No alcoholic beverages will be allowed at the dance.

Chaperones will be Willie and Margie Wimmer; Jerry and Kay Bynum; Rick Stewart; Charlotte Klement and Darlene Truembach. The dance is open to the public.

Centennial museum beginning to shape up

Work is progressing well on the Muenster Centennial Museum building, and chairmen and committee members are greatly encouraged by the enthusiasm shown by volunteers.

Janie Monday reported this week that security for loaned items is of top importance to the committee in charge. Security bars on windows and all necessary precautions are being arranged.

Following a meeting with the director of Morton Museum, and at her suggestion, printed agreements are ready to be signed by donors and committee, spelling out in detail the safety measures to be employed.

Donors will also be asked to specify in writing, who will inherit the pieces loaned to the Museum during the Centennial year, in case of death of the donor before the

exhibit is closed. Chairmen and committee members feel that no effort can be spared to insure safe return for each item on loan.

Janie Monday also repeated that all items on loan will receive "tender loving care" and will be returned at the end of the Centennial year. She said that more glass cases are needed as well as more glass shelves.

Needed for the museum are antique household and farm equipment, books, antique clothing and jewelry, and period photos, crafts and personal effects.

Persons willing to allow use of their treasured items are asked to phone Mattie Endres 759-4530 or Bertha Hamric 759-2770. Other members of the Museum Committee are Norbert and Liz Koesler, Emil and Agnes Rohmer, Thelma Truembach, Al and Elinor

Wiesman, and Alice Hennigan.

Landscaping and maintenance of the Museum grounds is being handled by the Muenster High School FFA chapter and the teacher, Brad Bass.

A group of volunteers cleaned the inside of the building on Monday and Wednesday of this week.

Sen. Carriker addresses rural health association

WACO - Thirtieth District State Senator Steve Carriker was a featured speaker at the annual convention of the Texas Rural Health Association held in Waco where he was recognized for his involvement in identifying and finding solutions to problems in rural health care delivery.

Senator Carriker presented a synopsis of Health Care Prospects, a report prepared in a cooperative effort between his office and public and private health care professionals and published by the Texas Tech Health Sciences Center.

One of the central issues addressed in the report - the differential between reimbursements to rural versus urban hospitals and doctors under medicare - is the subject of a pilot program announced by Senator Carriker. Under the pilot program, a rural hospital would be allowed to adopt a modified DRG schedule which would allow more hospital

days for a medicare patient. This change would result in better utilization of rural hospital capacity and hopefully less longterm costs to medicare due to better initial diagnosis.

Senator Carriker is also currently drafting a bill to establish a program to finance the training of doctors, nurses and other health care professionals. Medical personnel educated under this program would be committed to locate in medically underserved areas and the program would utilize a small amount of state financing to "leverage" larger amounts of federal, local and private foundation money.

Third grade sends update

October is going fine. In Reading, we are studying base words and ABC order. Our art projects this week are a witch made out of a corner of a cereal box and a pop-up ghost made out of a band-aid box.

We had perfect attendance for two weeks and earned two popcorn parties.

We are saving Scott paper seals for prizes for the school. I hope you remember Homecoming is Friday. Let's have school spirit!

Muenster Kiwanis Club holds officers' election

Muenster Kiwanians elected Ben Bindel as president for the coming year; Gene Fuhrman vice president; and Alton Ladd as secretary/treasurer. Herman Carroll is retiring president. Election was held during the regular noon luncheon meeting at The Center Restaurant on Wednesday, Oct. 19.

Another honor was presented to Alton Ladd, when fellow members named him "Kiwanian of the Year for the Muenster Club."

The 1988-89 theme and major emphasis program will be "Achieve by Believing." Major projects of the Muenster Kiwanis Club include the "Adopt

-A-Highway" program, that specifies two miles east of town; also the Kiwanis Senior Citizen Park on Main Street between Modern Floors and The Charm Shop; the Food Bank, giving help discreetly to needy families in Muenster; the Cooke County Scholarship Fund; the Sophomore of the Year Award; the Terrific Kid Award.

An event this week is one of the Kiwanis Club's annual projects. They will host a Pancake Supper on Friday, Oct. 21, in the Muenster Public School cafeteria, 5 to 7 p.m. Proceeds will benefit a fund to buy computers for both MHS and SHHS.

John Bartush is NALU Quality Award winner

John S. Bartush, agent for Southern Farm Bureau Life Insurance Company, has been awarded the National Association of Life Underwriters.

Bartush, a resident of Muenster, Texas, is an insurance agent of the Cooke County Farm Bureau. The NQA is awarded annually to those life insurance agents who maintain a high quality of business as reflected by a high persistency award. This is the third year in a row Bartush has qualified.

Bartush started in the insurance business six years ago with Farm Bureau and has won numerous awards along with several Industry Awards. He had been, and is currently, involved with local church, school and community activities. He graduated from Sacred

Heart High School and went on to earn a Bachelor of Science degree from Southeastern Oklahoma State University. John and his wife, Lanie, moved back to Muenster in 1978 and plan to raise their seven children here.

The NQA Award serves as a means of giving national recognition to life insurance agents who do a quality sales job to the great benefit of the public and the industry.

The National Association of Life Underwriters was formed in 1890 and presently has some 1,000 state and local affiliates with 150,000 members.

The Association promotes professional development, ethical standards, community service programs, public education and recognition to and for its members.

Chief Justice Fender seeks re-election

Howard M. Fender, Chief Justice of the Second Court of Appeals of Texas, is seeking re-election to a second six-year term. Chief Justice Fender has served in the past as a District Judge in Tarrant County; as the District Attorney of Tarrant County; as Assistant Attorney General of Texas (where he headed the Enforcement Division); and as Assistant District Attorney of Tarrant County (where he headed the Appellate Section). Chief Justice Fender recently authored and published his five hundredth opinion since coming on the Court of Appeals.

Chief Justice Fender is a graduate of the United States Military Academy at West Point, NY, and of the Washington & Lee University Law School at Lexington, VA. He is married and he and his wife have six children. Chief Justice Fender served as a pilot on World War II where he

flew 65 bomber missions over Europe. He was awarded the Distinguished Flying Cross and the Air Medal with clusters. He is a member of the First Presbyterian Church in Fort Worth.

Chief Justice Fender has been graduated from the Texas College for the Judiciary in Huntsville, Texas, and has successfully completed the New York University appellate seminar series in New York City. He has appeared before the Supreme Court of the United States three times in oral argument, one hundred and twelve times by written briefs.

The Second Court of Appeals reviews trial court decisions in a 12-county area consisting of Archer, Clay, Cooke, Denton, Hood, Jack, Montague, Parker, Tarrant, Wichita, Wise and Young counties, sitting primarily in Fort Worth, periodically in Denton and Wichita Falls.

Good News!

I, the Lord, am your God, who brought you out of the land of Egypt, that place of slavery. You shall not have other gods beside me. EXODUS 20: 2-3

Letter to the Editor:

On behalf of the Cystic Fibrosis Foundation, I would like to take this opportunity to thank the community of Muenster, Texas, for doing a wonderful job at hosting the first "Muenster Madness" Bike Rally on October 1st.

Many of the Dallas/Fort Worth participants and volunteers had never heard of or visited Muenster before this event. But through the gracious hospitality and pride demonstrated by the local residents, I feel confident that many will be back year after year for not only the annual "Muenster Madness" Bike Rally, but the Germanfest as well.

It would be impossible to list everyone who made the bike rally such a success, so instead, I would like to extend my sincere thanks to all, and leave you with this one last thought:

The people of Muenster have given me and many others a gift of true friendship and camaraderie. A gift that will always bring a warm and wonderful feeling everytime we think of the little German town of Muenster, Texas.

To the Editor:

To my knowledge there are not too many homes in Cooke County currently valued at less than \$30,000 - that is for house and lot or house and one acre of ground. Is the statement that over half of the over-65 would pay no taxes a fact or an estimate?

Another taxing question that I would like explored is the failure to tax automobiles. Practically everyone owns one or more vehicles, and many may own nothing but an auto. Currently most school districts do not tax autos and as such, quite a number of people pay no school tax.

I propose that all taxes on a truck or auto be paid when the tags are bought just as we now pay the county the \$5.00 road and bridge fund. To that should be added \$10.00 school tax and \$5.00 junior college tax.

I have contacted both our State Senator and our State Representative as well as the Legislative assistant to Governor Clements who stated that it would be a relatively simple task to enact the enabling legislation.

My plea is that you do likewise.

Dear Editor:

During the next month it is critical that the voters of Texas are educated about the qualifications of Justice Gonzalez, candidate for the Texas Supreme Court, Place 3. Newspaper endorsements have an important role to play in this educational effort. When Justice Gonzalez faced an equally unqualified but very well funded opponent in the March primary, your paper's endorsement was an important factor in his victory and your endorsement this fall is of even greater importance and will be greatly appreciated.

As you know, Justice Gonzalez's opponent, Charles Ben Howell, is a perennial candidate who has run for public office 11 times now. He is widely regarded as unqualified by the legal community, his colleagues on the bench and even by his own Republican party. This year's Republican nominee for the Supreme Court, Place 2, Nathan Hecht has called him "an embarrassment to the Judiciary and to the Republican Party." He is, in other words of Supreme Court Justice Oscar Mauzy, "another Don Yarbrough waiting to happen."

We are forced, however, to treat his candidacy as a serious one. Recent polling suggests that he is a strong candidate because of his high name identification from his numerous past political races, and because of the fact that many Texans are still uncertain about voting for a Spanish-surnamed candidate.

Sincerely yours,
Mike Cook
Austin, Texas

Letter to Editor:

My gift to you.
In today's German language, many words have been taken directly from English. This has come about largely due to the great American influence on Germany since World War II. Words like jeans, computer, top-fit, jogging, Xerox, McDonalds, etc. are all household words in Germany. But there is one word which does not fit into this category, and one should beware of it. The word is gift in the U.S.A. and Gift in Germany (Nouns are always capitalized in German).

So, what is a gift? It is a present. How do you say present in German? You say Geschenk. Then what does Gift mean? It means poison. So, next time you hear this old adage, know that it is well founded: Beware of Germans bearing GIFTS!

Halloween Fright Nights at Six Flags Over Texas

Movie terror stars King Kong and Freddy Krueger will head an all-goth cast as Six Flags Over Texas presents its first "Fright Nights" Halloween spectacular the last two weekends of October.

A 70-foot-tall, 2,000-pound King Kong replica will be seen clinging to the girders of the theme park's landmark Oil Derrick observation tower throughout the six-day event.

Horror star Krueger will preside over "Freddy Krueger's Haunted Hotel," a chilling spook house for adults and teens in the park's Texas section.

A milder version of the walk-through hall of haunts, "Scary Tales Haunted House," will provide Halloween surprises for small children visiting Looney Tunes Land.

The Southern Palace Music Hall will feature "Dr. Frite's Mystery Theater," a magic and illusion extravaganza which includes cutting a woman in half with a chainsaw.

The Crazy Horse Saloon will be the venue for "Freaky Follies," a musical revue featuring some of Hollywood's best known movie monsters, plus juggling and fire eating.

Spooky surprises will also await riders aboard the Six Flags Railroad and along the route of the turbulent Roaring Rapids white water adventure.

Six Flags will be in full operation during Fright Nights. There will be no extra charge for the event which will begin its run Saturday, Oct. 22, with the park open from 10 a.m. until midnight, Sunday, the 23rd, hours will be 10 a.m. until 8 p.m. Friday, the 28th, the park will be open from 6 p.m.

Former Chief Justice Hill endorses Rep. Tom Phillips

Former Democratic Chief Justice John Hill has publicly endorsed Republican Tom Phillips for Chief Justice of the Supreme Court of Texas at a press conference in Austin.

In response to the statement, Chief Justice Phillips said, "I am honored by the public support of my distinguished predecessor,

Chief Justice John Hill. Judge Hill has ably served this state in many positions in both the executive and judicial branches. He was and remains a Democrat.

"His endorsement is another indication that this election is more important than party affiliation," Phillips concluded.

Chief Justice John Hill Jr. was born in Breckenridge, Texas in 1923. He graduated from the University of Texas School of Law with honors in 1947.

Judge Hill was a practicing trial lawyer in Houston from 1947 to 1966. He served as Texas Secretary of State from 1966 to 1968. He was elected Attorney General of Texas in 1972 and served in that office until 1979. In 1984, he was elected Chief Justice of the Supreme Court of Texas. Chief Justice Hill is currently a senior partner in the Houston-based law firm of Liddell, Sapp, Zivley, Hill & LaBoon.

CCC to develop model electronics

by Elaine Schad

Cooke County College and the Gainesville Independent School District have received federal grants to develop a model electronics program which may eventually become available to Muenster and other area high schools.

CCC and the GISD have been asked to coordinate the development of an electronics curriculum which would begin in a student's junior year of high school and culminate in a two-year associate's degree offered at CCC. Each completed by May 1989, Joyner said.

ty has received a \$49,000 federal grant to develop the model, said Dr. Bud Joyner, CCC president.

"We're committed to develop a model that could be used statewide," said Joyner. "We feel this is a prime program and hope we'll be able to follow through with a program that would extend to all other high schools in the area when in place," he said.

While neither school is obligated to actually offer the program once the model is developed, both schools are eligible to apply for follow-up grant money, Joyner said. With the support of major area industries where electronics employees play a key role, such as Texas Instruments in Lewisville and Denton, and the new Boeing plant, the need for such a program in this area has already been established, he said.

Each school is looking to hire one person, and both will coordinate development of the model program. The model should be

KTB creates new category for award

Unincorporated Texas communities with populations of 1,000 or less can now enter Keep Texas Beautiful's 1989 Governor's Community Achievement Awards in the newly-created Rural category, KTB President Ed Davis has announced.

The winning community in the Rural category will receive \$10,000 of the \$700,000 available in State highway right-of-way landscape awards from the State Department of Highways and Public Transportation.

The Governor's Awards program provides community leaders with a 26-page "blueprint for action" that results in a sustained, measurable litter reduction for the community. This year, a total of 71 Texas cities became a part of Keep Texas Beautiful by entering the Governor's Awards, including 19 new community participants.

Official entry forms are now available from Keep Texas Beautiful. Submitted entries should cover a "reporting" or program period of about 12 months. The Governor's Awards entries should be received by Keep Texas Beautiful by April 30, 1989. Contact Keep Texas Beautiful toll-free 1-800-CLEAN-TX.

Sister Imelda Pels dies in Arkansas Oct. 13

Sister M. Imelda Pels, 77, a native of Muenster, died unexpectedly on Thursday, Oct. 13, 1988 at 11:10 a.m. at Pocahontas, Arkansas. She had begun the day as usual, teaching religion and acting as librarian at St. Paul's School of Pocahontas, Ark. She became ill very suddenly and was rushed to the hospital where she died a few minutes later.

Sister Imelda was born on Nov. 29, 1911 in Muenster to Henry Pels and Anna (Lummel) Pels, the oldest of nine children. She is survived by four sisters, Clara Walterscheid, Marie Knauf, Agnella Martin, and Theresa Muller; also two sisters-in-law, Mrs. Ed (Gen) Pels and Mrs. Henry (Regina) Pels, Jr., all of Muenster.

Sister Imelda made her first vows in 1929 as an Olivetan Benedictine Sister. Her entire 59

years in the order were dedicated to teaching; six years in Muenster; 20 years in Jonesboro; 12 in Blytheville; 9 in Pocahontas; 5 in West Memphis; 4 in Paragould; and 2 in Lake Arthur, La.

She was honored on Sunday, Oct. 9, by the Bishop of Little Rock, Ark., who presented her a special plaque for "46 years as a dedicated teacher of religion in Arkansas."

Rosary was prayed on Friday, Oct. 14, at Holy Angels Convent and a Mass of Christian Burial was offered on Saturday at 9 a.m. Father Kevin Ryan of Jonesboro was celebrant of the Mass and Father Richard Davis of Pocahontas, former student of Sister Imelda's, delivered the eulogy.

Teaching school-age children was the joy of her life. Her hobbies were beautiful embroidery, and stamp collecting.

SISTER IMELDA PELS

Attending her funeral from Muenster were Mrs. Joe Knauf, Leon Knauf, Mr. and Mrs. Arnold Muller, Mr. and Mrs. Lawrence Martin, Mrs. Regina Pels and daughter, Mrs. Doreen Taylor, Mrs. Gen Pels and daughter, Mrs. Dolores Eberhart.

A memorial Mass for Sister Imelda will be offered Saturday morning at 8 a.m. in Sacred Heart Church of Muenster.

Mary L. McEntire dies

Mary L. McEntire, a native of Muenster, who lived here until 12 years ago, died at age 97 in St. Anthony Hospital of Oklahoma City. During those 12 years she made her home in Dallas and Oklahoma City. Local residents will recall that the family home was northwest of Muenster. Her husband, O.N. (Dick) McEntire, was an employee of Sinclair Oil Co. They were parents of seven children: Orville McEntire, Archie McEntire, Faye McEntire, Oscar McEntire of Wichita Falls, Eva Jo Otto of Muenster, Ola Lee Marrs of Dallas and Elton McEntire of

Oklahoma City. Orville, Archie and Faye are now deceased. Survivors also include eight grandchildren, 17 great-grandchildren, and six great-great-grandchildren. Two grandchildren are deceased.

Mary McEntire was born on Sept. 29, 1891 in Decatur. She died Oct. 8, 1988 following surgery.

Funeral services were held in Muenster First Baptist Church on Tuesday, Oct. 11, at 1:30 p.m. directed by Bill Eisnehour Southwest Funeral Home of Oklahoma City. Burial was in Mountain Park Cemetery in Saint

YOU can buy tickets! Lots of them!! THE VFW and VFW AUXILIARY are providing flags for the museum.

YOU can provide interesting and historic items to exhibit. MR. BASS and the FFA MEMBERS will beautify and maintain the museum grounds through the Centennial year.

JONI STURM and the FHA MEMBERS and MR. BASS and the FFA MEMBERS are acquiring and decorating the Centennial float for parades during our Centennial year. YOU can help with supplies - LIKE A TRAILER or A PLACE TO STORE IT!

ROBERT McDANIEL and CELINE DITTFURTH collaborated in researching and writing the early history of Muenster and the development of our municipal government from incorporation to the present.

BETA KAPPA and the BLUEBONNET EXTENSION HOMEMAKERS are collaborating in sponsoring a fabulous style show and luncheon. YOU can get your tickets early and invite friends and relatives from out of town.

THE KNIGHTS OF COLUMBUS FUN RUN COMMITTEE contributed \$500.00 to the Centennial Celebration Cause! YOU can encourage your organization to participate or donate! What happened to the SCHUTZENFEST??? WHO will help get it off the ground or out of limbo? Think CENTENNIAL! Think SERVICE! Think CELEBRATION!

Albert fights health care crisis

WICHITA FALLS ... In a series of press conferences in Wichita Falls, Abilene, Sherman, Texas State Senate candidate Bob Albert of Wichita Falls pointed out a growing crisis in our state, especially in the rural communities of Texas, a crisis in rural, small town Texas health care.

Albert stated, "Just because someone may live in Childress, Seymour, Bowie, or Stamford, does not mean that their lives should be endangered because of the declining access to basic medical health care. The worsening situation is leaving too many of our rural citizens stranded in ghost towns of closed hospitals, abandoned clinics, and vacant doctor offices."

"There are four conditions that have contributed to this dilemma," said Albert. "One, inflexible rules and regulations have placed expensive burdens on rural small town hospitals and doctors which requires more money than is necessary or affordable. Second, Medicare and Medicaid reimbursements are biased against rural small town hospitals and doctors. Third, it is difficult for rural hospitals to recruit doctors. Doctors practicing in small town hospitals are paid 20 percent to 40 percent less than their urban counterparts. Fourth, the skyrocketing medical liability insurance rates are forcing the closure of hospitals and the reduction of services doctors are willing to provide. Many insurance premiums have quadrupled in the last two years, and it's not uncommon for rural doctors to pay \$13,000 to \$30,000 a year for even limited insurance coverage."

Albert also stated, "I will sponsor and fight for a constitutional amendment to place a cap on medical liability settlements. Limitations that the Texas Supreme Court recently struck down in favor of the personal injury lawyers. It is no secret that the personal injury lawyers have tremendous influence over the Texas Supreme Court due to the large campaign contributions they give to sympathetic justices."

"You need to ask my opponent where he stands on medical liability caps," said Albert. "It appears to me that my opponent is more interested in protecting the paychecks of a bunch of personal injury lawyers, who have contributed heavily to his campaign, than promoting affordable accessible health care for rural, smalltown Texans."

Lifestyle

MR. and MRS. ALLEN REITER of Muenster announce the engagement and forthcoming marriage of their daughter, Tammie Sue, to Jeffrey Leon Caldwell of Gainesville, son of Ms. Lana Caldwell of Gainesville and Mr. Vernon Caldwell of Clarendon, Arkansas. The wedding will take place on Nov. 19, 1988 in Tabernacle Baptist Church of Gainesville at 5 p.m. with Rev. Frank Williams officiating. The bride-elect is a 1986 graduate of Muenster High School and a 1988 graduate of Midwestern State University. She is employed at Bethania Regional Health Care Center in Wichita Falls. The future-groom attended Gainesville schools and has future plans to attend college. He is employed by Nocona Boot Co. in Nocona. The couple plans to reside in Wichita Falls.

Rev. Alfred Hoenig celebrates 50th jubilee

REV. ALFRED HOENIG

Father Alfred Hoenig, a native son of Muenster, now of Sandia, Texas and a member of the order of St. Benedict, will celebrate 50 years as a priest on Nov. 1, 1988 with a Mass of Thanksgiving in Sacred Heart Church.

Father Alfred is the son of the late Alois and Elizabeth (Koelzer) Hoenig. His baptismal name was Leo and he was the fifth child in a family of nine. He attended Sacred Heart School through the eighth grade and then went to Subiaco Academy to study for the priesthood.

He was ordained on May 26, 1938 in Little Rock, Ark., by Bishop Albert Fletcher, D.D., and offered his First Holy Mass on June 1, 1938 in Sacred Heart

Church. In April 1939, he was assigned to Corpus Christi where the Benedictines conducted an academy for boys. He spent many years teaching a number of subjects including music. He was a fine musician, excelling on the violin and the trombone.

He was appointed principal of the school from 1948 to 1959 and then was named Prior of Corpus Christi Priory. On Sept. 2, 1961, the monks of the abbey elected Father Alfred Hoenig as the first Abbot of the first Benedictine Abbey in Texas. He celebrated his silver jubilee as a priest on July 4, 1963 in Sacred Heart Church of Muenster.

Corpus Christi Academy closed in 1972. In March 1975, the monastery moved the community of monks to a site 45 miles west of the city of Corpus Christi on 14 acres of beautiful, peaceful land on Lake Corpus Christi.

Father Alfred Hoenig relinquished his position of Abbot for reasons of health on May 22, 1988. Since stepping down, he is doing parish work in the neighboring parishes, besides being appointed the fundraiser for the monastery.

He will celebrate his Mass of Thanksgiving in his hometown on Nov. 1 at 5 p.m. in Sacred Heart Church. The parish will host a reception in the Community Center immediately following Mass. A covered dish dinner will be served.

Observe mother's 80th

Wilfred and Julie Klement of McAllen spent the past weekend in Muenster visiting his parents, Agnes and Norbert Klement, on his mother's 80th birthday. Also present were Norma Scott of Ardmore, Marcy Karr of Fort Worth

and Shirley Otto of Cedar Hill. Shirley brought the birthday cake and all others brought covered dishes for the birthday meal. Visiting and reminiscing added to a fun time. Wilfred and Julie also visited her parents, the Bernard Wolfs.

Wiesman relative visits here

Dr. Willie Jelkmann of Nordkirchen, Germany, a relative of the Wiesman families, visited Mr. and Mrs. Alois Wiesman of Muenster on Friday, Oct. 7, 1988. Dr. Jelkmann is in advanced research involving phytopathology at the University of British Columbia in Vancouver, B.C. He is also visiting with Mr. and Mrs. Elmer Wiesmann and family in Southlake, Texas for one week.

Lindsay St. Anne's plans used clothing drive

St. Anne's Society of Lindsay made plans for a used-clothing drive at their most recent meeting, and set the date for the first week of November.

Members also made plans for participation in the Oktoberfest sponsored by Lindsay Jaycees. They arranged a Country Store for Oct. 2 and found it very successful.

Sister Dolores Siebenmorgen presented a program on her summer trip to Japan, where she spent two months. She emphasized their customs and traditions, and showed many pictures and souvenirs.

Father Cletus Post spoke to the membership; he described and encouraged expectant mothers to seek a special blessing for themselves and their unborn child. He also reminded everyone that there is a blessing for persons facing surgery.

A portion of his talk centered on another topic - the sense of sin. He stated that many people have lost the sense of sin.

The meeting was held in the Parish Hall following the 7 p.m. Mass on Wednesday, Sept. 28.

Hostesses were Mrs. Marcus Fuhrmann, Mrs. Steve Fuhrmann, Mrs. Michael Fuhrmann and Mrs. Erwin Fuhrmann.

Mrs. Norbert Zimmerer, president, conducted the meeting. Mrs. Michael Bengfort read previous minutes; Mrs. Ed Schad gave the treasurer's report in absence of Mrs. Joe Schmidkofer. Mrs. Diamond Fuhrmann gave the Sick Committee report. "Get-well" cards were signed for four members who are ill.

Thirty members were present. The door prize was won by Mrs. Billy Zimmerer.

Lindsay Secular Franciscans plan garage sale for Oct. 28

Members of the Secular Franciscan Fraternity of Lindsay will sponsor a garage sale on Oct. 28 and 29. In their meeting of Sept. 20 at 1:30 p.m. in the home of Mr. and Mrs. William Flusche, they completed plans and were asked to collect their own and also items from friends and relatives.

Elvira Flusche conducted the meeting and led the opening prayer from the Franciscan Ritual. Following reading and approval of minutes, Mrs. Mary Stoffels read several paragraphs of the Secular Franciscan New Rule, explaining the basic rules of starting a new Fraternity, and following with Directives.

Members present made their contribution to the special October collection project for the Sacred Heart Province of Secular Franciscans.

It was announced that a Mass will be offered for all living and deceased members on the feast-

day of St. Francis of Assisi on Oct. 4, with special prayers on that day.

A letter was received from St. Francis Village of Crowley, Texas, and read during the meeting, thanking members for the cancelled stamps sent recently.

Get-well cards were signed by all present, to be sent to members absent because of illness.

The meeting closed with prayers from the Ritual, and the Prayer of St. Francis.

After adjournment, the hostess, Elvira Flusche, served cake, ice cream and coffee. Theresa Hermes is reporter for the fraternity.

Cub Scout News

On Sept. 12, the Cobra Den of Webelos visited **The Muenster Enterprise** to learn how the news is gathered and then put in the paper as informative articles.

They were introduced to each member of the staff and told of the duties they performed.

They were shown the dark room by Janie Hartman and were shown how to make copies of pictures to use in the paper and how she makes large prints from small pictures or small prints from large pictures.

The Cubs were able to see Brenda Riggsby operate the CompuGraphic typesetter and received their name in type.

They were also shown how after an article is put on the Com-

VFW Bake Sale Fri., Oct. 21

The annual bake sale, sponsored by the VFW Auxiliary, will be held at Hofbauer's and Fischer's on Friday, Oct. 21, 8:30 a.m. to 5:30 p.m. The usual assortment of baked goods will be available. Proceeds will have a two-fold purpose, to benefit cancer aid and research, and part will remain at home for local aid.

puGraphic, it is waxed and put on the big board to arrange for the paper.

This tour was part of the requirement for the Communicator activity pin.

The Sept. 19 meeting of the Cobra Den of Webelos included a tour of the Muenster Telephone office. They were introduced to the staff and each explained their duties to the boys.

The Cubs were able to see an antique phone and switchboard and were shown how they worked.

They also were shown how news is put on the cable channel and watched as their own special message was typed in and ready for them to view when they returned home.

Upon leaving, each boy was presented with a bag of goodies, compliments of the telephone company.

This tour was also a part of the Communicator requirement.

The Cobra Webelos opened the Oct. 3 meeting with the Pledge of Allegiance to the Flag. The next order of business was to elect a new denner and assistant denner for the month of October.

Royce Knabe won the position of denner with Jeff Felderhoff to serve as his assistant for the month.

They next read the Western Union Mailgram which was sent to them after their visit to the Muenster Telephone office. IT was sent as a demonstration of electronic mail and was received the next day after their visit.

They then went over the requirements for the Fitness activity pin which they will be working on this month and decided which areas they were going to work in.

The boys were reminded of the upcoming Scout Show to be held

on the 15th and were asked to return their Scout Show tickets or money by Oct. 12.

The meeting was adjourned and refreshments were served by Jonathan Otto.

The Cobra Den of Webelos opened their meeting Oct. 10 with the Scout Oath. In keeping with the theme for October of Physical Fitness, they discussed the requirements for the activity pin and did sit-ups and jumping jacks.

They then began toward their Webelos by beginning to learn the Scout Law, handshake, salute, motto, slogan and Outdoor Code.

They also drew six different designs using straight lines, curved lines, or both to help fulfill requirements for the artist activity pin which was started during summer camp.

On Oct. 17, the Cobra Den of Webelos met for their weekly den meeting. They opened the meeting with the Scout Law and reviewed the Scout Oath.

Discussion was held about the upcoming event and the Cobras' part in it. They will be doing a song and began practicing the words for it.

The Scouts next recited the Pledge of Allegiance to the Flag and explained its meaning. They also learned and studied the Outdoor Code, promising to practice it each time they went camping.

They then enjoyed playing the Physical Fitness Challenge game in which they had to master several different actions while walking in a circle. They also had arm wrestling championships.

Refreshments of coke and bananas and cookies were served by Royce Knabe.

Clay County Barn Dance set for Nov. 5

Clay County Historical Society, in conjunction with other clubs and organizations, is sponsoring the "Clay County Heritage Barn Dance" to benefit the 1890 Clay County Jail Museum renovation.

The old-fashioned shindig will be held at Pioneer Hall (former Henrietta Community Building) located at the Pioneer Rodeo Grounds, on Saturday, Nov. 5, 1988, from 8 p.m. to midnight, featuring Eddie Musick and the Sundowners, western decorations, plenty of good food, entertainment and Clay County hospitality.

Also available will be door prizes, silver coin auction, hand-crafted Christmas ornaments, and tickets for winning the Courthouse oil painting and a quilt.

Tickets are \$10.00 in advance or \$12.50 at the door. For more information, call 538-5577 or 538-4651.

JC Halloween Dance set for October 29

The Muenster Jaycees will host their fifth annual Halloween Costume Dance on Saturday, Oct. 29, from 7 p.m. to 1 a.m. The party will be at the Sacred Heart Community Center, with live music by "Hoss Country."

All who intend to be included in judging of costumes are reminded that there will be a 10 p.m. deadline for entry into the cash-awarded contest. The party and dance will continue at full swing after the judging.

Everyone is invited to the Halloween Costume Dance, with their required costumes. The dance will be \$5 per person with I.D. check before entering the Sacred Heart Community Center.

Because of the parish ruling on alcohol, identification **MUST** be shown before entering and individuals will be properly stamped in order for them to purchase an alcoholic beverage at the dance. **Don't worry!** Your identity will be in strict confidence.

Tickets may be purchased in advance for \$5.00 per person. Contact Claude or Deb Klement at 759-4579.

No coolers will be allowed but set-ups will be available inside.

For reservations and/or questions, please call 759-4579 or 759-2599.

FHA to host Halloween Spookhouse

The Muenster FHA is having a Halloween Spookhouse Monday, Oct. 31. The Spookhouse will be held in Mrs. Joni Sturm's garage on 1041 North Maple.

The Spookhouse will take place from 6 to 8 p.m. Admission is 50 cents a person. Proceeds from the Spookhouse will help sponsor a "Littlest Angel." Your support will be greatly appreciated!!

OPEN HOUSE will honor Mr. and Mrs. B.J. Sicking in observance of their golden wedding anniversary on Sunday, Oct. 23, in the Knights of Columbus Hall, from 2 p.m. until 4 p.m. They and their children and grandchildren invite relations, neighbors and friends to join them and share a joyful time of remembering and visiting.

Wanda Flusche gets a "surprise"

On Sunday evening, Oct. 9, 1988, the 50th birthday of Wanda Flusche was celebrated with a surprise party at the Sacred Heart Pavilion. Guests included most of the children from the Tender Loving Care Day Care Center and their parents, the care-givers, Wanda's family. Special guests were Wanda's parents, Mr. and Mrs. R.H. Whitman of Plano.

The birthday cake was decorated with the Tender Loving Care Day Care Bear, baked and decorated by Theresa Beane.

There were many gifts but the special gift was a quilt made with the help of the children at the Day Care and Jill Wimmer, Tracy Henscheid and Nancy Fleitman.

Tracy made footprints of each baby and painted them. Nancy and Jill traced the handprints of the 2-3 year olds and helped the children paint their hands. The older children painted their own pictures on the quilt blocks.

Nancy embroidered the children's names on their respective blocks and Dianne Walterscheid painted the centerpiece of the TLC Bear. Next, Jill sewed the quilt top together. Nancy sewed the batting, back and quilt top together, then Nancy and Susie Fleitman did the quilting.

There were sandwiches, chips and dip and juice. The food was provided by the parents and staff.

1st birthday celebrated

David Anthony Walterscheid, son of T.J. and Jeannene Walterscheid, celebrated his first birthday Sunday, Oct. 9, at the home of his uncle and aunt, Mark and Linda Fuhrmann. David's actual birthday was Oct. 5.

David and his cousin, Kyle Fuhrmann, who turned 5 on Oct. 9, celebrated their birthday parties together.

Helping David celebrate were grandparents, Ray and Lou Voth and Annette Walterscheid. Special guests were David's godparents, Steve and Brenda Fuhrmann, and their children, Andrea, Dee Ann, Dominic and Melissa. Other guests included Shellee, Jennifer and Christopher Hoedebeck; Reneta and Jessica Knabe; Garland, Sharon and Jeffrey Tate; Danny, Janet, Debra and Michael Voth; Mark, Linda, Jennifer, Matthew, Kyle, Christopher and Clint Fuhrmann.

After playing games and opening gifts, cake and ice cream were served to the guests.

On David's actual birthday, he

DAVID WALTERSCHEID

and his babysitter, Denise Hermes, visited David's mom at work, where cupcakes and drinks were served.

Cindy Tempel's 4!

CINDY LYNN TEMPEL

Cindy Lynn Tempel, daughter of Jeff and Sandy Tempel, celebrated her fourth birthday on Sept. 25 during a party in their home.

Guests enjoyed cake, ice cream and goodie bags that contained bubbles, balloons, stickers and candy.

Helping Cindy celebrate her birthday were her brother, Chad Levi Tempel; Anna Margaret Tempel and Eddie and Sherry Ramsey, who are grandparents; Aunt Karri and Uncle Justin Ramsey; Nita, Robin, Dawn, Mindy, John, Brent and Cody Ramsey; Jennifer, Telisha and Monnie Reid;

Ashley, Kristen and Mary Hess; Dustin Walterscheid; Cheryl Bayer; Lisa Felderhoff; and Tricia Gieb.

Not able to attend the party but sending special birthday wishes were Joey Pennington of Oklahoma City, Okla.; Lauren, Clint and Jana Stoffels; and J.Y. and Agnes Brandon.

Mother honored on birthday

Mr. and Mrs. Richard Zimmerman hosted a birthday dinner on Sunday, Oct. 9, honoring his mother, Mrs. Raymond Zimmerman. Enjoying the dinner and an afternoon of visiting were Mr. and Mrs. Raymond Zimmerman Sr.; Mr. and Mrs. Tim Zimmerman and son, Blake; Mr. and Mrs. Anthony Zimmerman and son, Adam; Doug Zimmerman and a friend; and the hosts.

Happy Birthday, Carol Henscheid!

Jonathan turns four

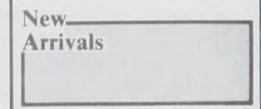

JONATHAN KRAHL

Jonathan David Krahl celebrated his fourth birthday in

the home of his parents, David and Judy Krahl, Rt. 2, Gainesville, on Oct. 3, 1988.

The celebration included supper with his brothers, Adam and Aaron; and grandparents, Mr. and Mrs. Edward Krahl of Muenster and Mr. and Mrs. Joe Schmidkofer of Gainesville; and uncle, aunt and cousins; Sam and Janet Jordan and Christine and Melissa of Gainesville.

After supper, cake was served and gifts opened. Everyone enjoyed a good time.

Haverkamp

D'Ann and Billy Haverkamp are parents of a son, William Joseph, Jr., born in AMI Denton Medical Center on Monday, Oct. 17, 1988 at 8:08 a.m., weighing 7 lb. 9 oz. and measuring 19 1/2 inches long. William Joseph joins a sister, Brittany, at home. Their grandparents are Dan Haverkamp of Muenster and Peggy O'Brien of Gainesville. The great-grandparents are Mmes. Ella Haverkamp and Gertie Fette of Muenster.

Moster/Bayer

Cathy Moster and Nathan Bayer announce the birth of their son, Casey John, in Gainesville Memorial Hospital on Oct. 5, 1988 at 12:54 a.m., weighing 7 lb. 1 oz. and measuring 19 1/4 inches long. Casey's grandparents are Rocky and Roberta Dickerson and Arthur and Frances Bayer, all of Muenster. The great-grandparents are Robert Knabe Sr., Mrs. Gertrude Bayer and Mrs. Elizabeth Moster, all of Muenster, and Mrs. Ruth Oblenchar of Littlefield, Texas.

Rudy Koesler honored on 40th birthday

In observance of his fortieth birthday, Rudy Koesler was honored at a noon dinner Sunday, Oct. 16, at the home of his parents, Norbert and Liz Koesler. The party preceded his actual Oct. 25 birthday, to enable all family members to be present, along with his wife, Martha, and their daughters, Raegan and Kristian, and his brothers and sisters, nieces and nephews for a total of 24.

Party rooms, in keeping with the theme, were decorated with black balloons and black crepe paper streamers. Rudy was given a pin to wear, saying: "OH - NO - 40." Picture taking, a gift from the group, family recollections, and visiting added to the fun afternoon.

Two birthday cakes, made by his wife, were served late in the afternoon with ice cream and cold drinks.

Coming from out of town were his sister, Gretchen Kostyniak, and sons, Brian and Michael, of Arlington, who were weekend guests of her parents.

Health BACK TALK

by Dr. Troy G. Murray HEADS UP

Hardly anyone can adhere for long to the traditional command to "square your shoulders and suck in your stomach." While following these instructions will decrease the angle of the spine, the position is difficult to maintain. Instead, it is easier to improve posture by simply remembering to pull the head back, and keep it high. As a person grows older, the head, which weighs approximately 10 to 15 pounds, begins to droop forward. As a result, the rest of the body changes its center of gravity to compensate. The curves of the spine deepen. The chest sags. Shoulders become rounded, and the belly protrudes. The simple corrective measure of pulling the head back and holding it high helps to automatically align the body properly. Improved posture brings vitality back to a sagging body.

The lungs' holding capacity can be reduced by 30 percent by poor posture.

Such techniques serve to improve overall wellbeing. MURRAY CHIROPRACTIC CENTER, 504 E. Broadway, offers the chiropractic exam that allows for assessment of your particular problems and needs. Let us help return you to a state of total wellbeing where you can enjoy life to its utmost. Call us today for an appointment. Tel. 665-7656. Hours: Mon., Tues., Thurs., Fri., 8:30-12:00 and 1:30-5:30.

School News — 2nd graders see cotton

Lyle Huchton is member of cast in play at UNT

Lyle J. Huchton of Muenster, senior drama major at the University of North Texas in Denton, is a member of the Drama and Dance division of UNT which will present Eugene O'Neill's "The Great God Brown" at 8 p.m. Oct. 25-29, Tuesday through Saturday, in the Studio Theater of the Speech and Drama building, Welch and Chestnut Streets in Denton.

As part of a Social Studies unit on cotton, the second grade class at Sacred Heart School enjoyed a field trip to Valley View to see a 50-acre cotton field owned by Mr. Lawrence Hausenpflug. The children were thrilled to be able to pull the white, fluffy cotton from the bolls and cram it into sacks, pockets or jackets to bring back to their classroom.

The class entertained at the Home-School meeting by singing three songs about Cotton: "My Mamma Rocked Me In The Cradle," "Cotton Needs A Pickin'" and "Dixie." They were accompanied by Pam Fette with her guitar. After the meeting, parents viewed the children's cotton display in school.

THE FIRE TRUCK

by Tender Loving Care Kids

It has to be white 'cause they bought it and it stayed white... It squirted up water in the sky and made a rainbow... We rode on it and it put the loud sirens on... It had 3 ladders on the side. They use them to climb on the house to get the fire out or if someone is stuck on the house... We went by the fire station and the cop station and school.

THE END

FIRE CHIEF HERBIE KNABE showed off the "new" Muenster fire truck to the children at the Tender Loving Care Day Care Center last week as an observance of Fire Prevention Week. Above, the kids watch in amazement as the high spray of water forms a rainbow. Janie Hartman Photo

New art on display

The 7th grade students at Sacred Heart will have their art displayed at Muenster Memorial Hospital for the last two weeks of October. The teacher is Sister

Mary John. Everyone is urged to come by the hospital and view the colorful exhibition.

Serve up an "Eggs-tra" special breakfast soon

To get your youngster off to a nutritious start in the morning, spark a new interest by serving something different for breakfast.

Surprise your kids with Breakfast Egg Pizza. For more information on Texas eggs, write to the Texas Department of Agriculture Dallas District Office at 1801 N. Lamar, Suite 103, Dallas, Texas 75202.

How about a breakfast pizza? Create pizza crust using refrigerated crescent rolls. Top it off with some of your favorite breakfast foods, like sausage, bacon and hash browns. Combine beaten eggs with milk and seasonings; pour over crust. Sprinkle with cheese and bake. Breakfast Egg Pizza is the delicious result.

BREAKFAST EGG PIZZA

Eggs are especially rich in high quality protein, unsaturated fats, iron, phosphorus, trace minerals, vitamins A, E and K, and all B vitamins, including B-12. Eggs are second only to fish liver oils as a natural source of vitamin D. According to Texas Department of Agriculture Home Economist, Carol Guthrie, "except for vitamin C, eggs supply all the necessary vitamins and most of the minerals required in a healthy diet." The Egg Nutrition Center in Washington states that one serving of two large eggs provides 160 calories, or about nine percent of the average woman's daily calorie allowance.

- 1 (8 oz.) can refrigerated crescent rolls
- 1 lb. bulk pork sausage, cooked and drained
- 1 c. frozen loose-pack hash browns, thawed
- 5 eggs
- ¼ c. milk
- ½ tsp. salt
- ¼ tsp. pepper
- 1 c. shredded Cheddar cheese
- 2 T. grated Parmesan cheese

Separate crescent dough into 8 triangles. Place on an ungreased 12-inch pizza pan with points toward the center. Press over bottom and up sides to form crust; seal perforations. Spoon sausage over crust. Sprinkle with potatoes. In a bowl, beat together eggs, milk, salt and pepper; pour over crust. Sprinkle cheeses over all. To store overnight, wrap with foil and refrigerate. Bake at 375° F. for 20-30 minutes. Yield: 8 servings.

Schedule of Meetings

FFA members see Fair!

The Recreation Committee organized a trip to the Texas State Fair Saturday, Oct. 15. Thirty-two FFA members attended the State Fair of Texas in Dallas, allowing many to see the fair for the first time. It wasn't just all fun and games, many of the members were able to observe some of the finest livestock in Texas.

However, there was some fun in the trip. The students got the chance to experience many things at the fair - rides, new cars, food and many interesting sights. The members thoroughly enjoyed their trip. As John Bednarcik explained, "I feel the trip was a success and all the people I met were friendly."

Muenster's juniors win over Saint Jo

Muenster's junior varsity Hornets brought home the fourth season victory last Thursday by pounding the Saint Jo Panthers 46-6.

Mike Vogel was the hero of the night, carrying the ball for five touchdowns and an extra point, putting 32 points on the board.

Ryan Sicking took the opening kickoff in for the Hornets' first score and Brad McDaniel scored his first touchdown and was credited with a safety. Chris Kubis also intercepted a pass.

WFAA-Channel 8 news team of Dallas was present at the game. Many Muenster fans watched the Saturday night news, seeing clips from the game and a story on Mike Sparkman, son of Dudley and Ramia Sparkman of Saint Jo. The Saint Jo High School

junior, a member of the Panther squad, lost his arm in a farm machinery accident when he was very young. Mike also participates in other school activities including basketball and track.

The 4-1 Hornets will not have a game this Thursday, because of a lack of players on the Era squad.

The junior high Red Team improved their record 2-2-1 after defeating the Saint Jo Cubs 12-0 last Thursday. The two touchdowns were made with A.J. Knabe's bootleg run and a reverse run by Brandon Walterscheid.

Cody Truabenbach, Darren Bindel and Kenny Walterscheid also had a good game.

Muenster will buzz over to Era for a 6 p.m. contest Thursday, Oct. 20.

Oilers win again! KC Oilers 20, First State Bank 0

The Muenster KC Oilers raised their season record to 2-1 and their league record to 2-0 Tuesday night at Muenster. Cody Sicking scored the first touchdown from the 15. Jason Huchton added extra points.

The next touchdown was a Cory Cain pass to Jason Huchton that covered 65 yards. The final touchdown was a 45-yard run by Jason Huchton.

Jeff Walterscheid, Toby Hess, Trent Truabenbach and Jay Reed provided good blocking. Cody Klement had a fumble recovery and Darrell Russell an interception. Also playing good defense were Coy Fisher, Wayne Muller, Jason Hess, Jason Sicking and Justin Camp.

The next game will be against Collinsville Thursday at 7:30 p.m. in Gainesville.

The next home game will be Oct. 25 at 6 p.m. against CBJ.

Pirates fall to Knights, 38-13

by Gene Hermes

The high-ranking Pirates lost their first game of the season last Friday night, 38-13, as the Knights got their second district win.

The Knights' offensive line opened up the way to 350 rushing yards, and the defense forced Petrolia to punt 4 times and 5 turnovers.

The first quarter remained scoreless, but early in the second quarter, Bobby Fleitman changed that as he crossed the goal line on a 1-yard run. The PAT was no good.

The Pirates pounced right back on their next series of plays. On third down and 7, QB Scott Reeves connected a 53-yard TD pass to Jody Mataska. The PAT was no good the halftime score was 6-6.

The Knights kicked off the second half, and on the first play for Petrolia, Skeeter Cason recovered a fumble on the 9-yard line. Two plays later, Craig Neu scored the Knights' second TD on a 3-yard run. Dieter kicked the extra points and the score was 13-6.

Petrolia got the ball again; this time they were forced to punt, giving Lindsay the ball on their own 39-yard line. Lindsay moved the ball downfield and stopped short of a TD on the 1-yard line. Petrolia took over and on their second play, Brad Neu recovered a fumble on the 5-yard line. With 3:01 left in the third quarter, Mike Dieter found the hole and upped the score 6 more points. The PAT was no good.

Petrolia received the kickoff

again and with time running out, they went to the air only to find Troy Huchton intercepting the pass on the 34-yard line.

The Knights took advantage of the interception and opened the way for Dieter's second TD of the game. The PAT was no good and the score was 25-6 with 11:56 left in the game.

The Knights got another chance to score as the defense held the Pirates to 4th and 19, forcing a punt. Lindsay started the drive on their own 40-yard line. Eleven plays later, Joel Metzler had the honors of scoring on a 3-yard run. The PAT was no good, score 31-6.

As the game continued, the Lindsay defense spent little time on the field. They recovered their third fumble of the game, the second for Brad Neu, on the 43-yard line. The final TD for the Knights

came when Kevin Parsons crossed the goal line on a 15-yard run, with 1:23 left in the game. The PAT was no good.

With little time left, Petrolia goes to the air and scores on a 72-yard pass to Jody Mataska. The PAT was good and the final score: 38-13.

Hornets to meet Hornets

The Era Hornets will come to town this Friday before a Homecoming crowd to take on the Muenster Hornets. Era has beaten Muenster the last two years, but this game is a must win for Muenster to make the playoffs.

Muenster will be returning from a week off and Era will be ready for a fight after losing a close 10-6 match to Valley View.

Tailback Chris Massengale and fullback Carlos Rodriguez are Era's strong holds.

Game time is 7:30 p.m.

Sacred Heart loses to Liberty, 13-0

The Tigers picked up only 43 yards rushing in 36 carries and 100 yards passing in their Homecoming loss to Liberty Christian Saturday night. Sacred Heart's defense held the Warriors on several critical fourth down situations throughout the night.

The Warriors started their first drive on their 20-yard line, picking up 5 first downs before carrying the ball in from the 25 and adding another point to take a 7-0 lead with 6:50 remaining in the first quarter.

The Tiger defense came on strong the second quarter, stopping Liberty on 3 fourth down situations, including on the 16 and 11-yard lines, preventing touchdowns.

The halftime scoreboard read 7-0.

Curt Bayer opened the second half with a 23-yard kick return, but four plays later, Liberty blocked a punt, placing the ball on the Tigers' 37-yard line. The defense held again on fourth and 3, and the Tigers took over deep at the 13-yard line. The ball exchanged hands the remainder of the third and through the fourth quarter.

With less than 1:52 minutes remaining in the game, Liberty set up the final score with a pass to the 4-yard line. Two plays later, the Warriors added 6 points to the score. The PAT failed and the Tigers fell behind 13-0 with 59 seconds remaining.

David Rohmer recovered an on-side kick at midfield, but an intercepted pass stopped all chances of the Tigers getting on the scoreboard.

The Tigers "put out a great effort," said Coach John Sims. "We made a few mistakes, but the ones we made cost us two touchdowns."

"We have to execute better on offense, and do a better job blocking on the line," continued the coach, "we're young and are trying to put our bigger boys on the line. The backs ran hard, but we didn't always get a block or find a hole."

"The defense did extremely well and is making great progress," concluded Coach Sims.

Ryan Bayer led the weak rushing game with 22 yards on 7 carries, assisted by Glen Swirczynski with 9 attempts for 10 yards.

Quarterback Darrell Dangelmayr completed 3 of 9 passes for 55 yards while Swirczynski completed 3 of 4 for a gain of 45.

Chad Fleitman was leading receiver with two completions for 40 yards, Curt Bayer followed with a 36-yard catch, Shawn Dangelmayr gained 15 yards and Swirczynski 9.

Liberty chalked up 12 first downs to the Tigers' 8 and punted 3 times, compared to 7 Sacred Heart punts.

Sacred Heart travels to Irving Friday night to take on a strong Lexington team. The Patriots are 6-1, their only loss being to Brookhollow, who remain undefeated. "We'll try and take advantage of them," said Coach Sims. "We'll need to have as strong an effort as Saturday night."

Sacred Heart needs a win over Lexington to get into the playoffs. Game time is 7:30 p.m. at Cistercian High School.

Sacred Heart Cubs maul the Warriors

The Sacred Heart Cubs showed its dominance on the field with a 30-14 trouncing of the Liberty Christian Junior High Saturday afternoon.

The Cubs scored on their third play of the game when Darren Klement circled around the right end for a 51-yard touchdown run. A pass from Chris Pagel to Martin McCoy gave the Cubs an 8-0 lead.

Denton took over their second possession on their 27-yard line. On the fifth play, a junior Warrior went 45 yards on a broken play, followed by a 2-point PAT and the game was tied 8-8.

Early in the second quarter, Larry Switzer ran in from the 1-yard line and Klement added 2, giving Sacred Heart a short 16-8 lead.

Liberty returned the Cubs' kick 70 yards, but the PAT failed and the score was tightened 16-14.

Both teams exchanged the ball in the remainder of the second quarter with the Cubs reaching the 3-yard line before downs and time ran out, leaving a 16-14 score.

Sacred Heart controlled the ball during the third quarter and Darren Klement recovered a fumble, but the score remained 16-14.

The first possession of the fourth quarter, the Cubs' defense held Liberty to a minus 5 when, on fourth down, Chris Pagel

recovered a blocked kick attempt, setting the ball on the 4-yard line. Switzer went in on the next play and Klement ran the extra point, giving Sacred Heart a 24-14 lead.

Another Liberty fumble late in the fourth quarter set up the final Cubs' score. Kelly Bayer recovered the ball on the 26-yard line where Chris Pagel ran the distance to give Sacred Heart a 30-14 win with nine seconds remaining in the game.

Darren Klement, leading rusher with 99 yards, was assisted by Chris Pagel and Larry Switzer.

The Cubs earned 8 first downs to Liberty's 3.

Sacred Heart travels to Dallas Friday, Oct. 21, to take on Lexington. Game time is 5 p.m.

... Still more contest winners ...

As we complete the seventh week of the football contest, Craig Stoffels takes the lead with an 80.667 overall percentage followed by Mickey Haverkamp with an 80 percent correct pick. Coming in a close third is Chris Stoffels with 78.667 percentage, followed by Nick Stoffels and Mark Grewing with 77.333 percent. Others still in the running for the grand prize include Benny Haverkamp, Ben Bindel, Duane Haverkamp, Dale Hellman, Nick Walterscheid, Glenn Fuhrmann, Bobby Hess, Leona Hellman, Janet Pagel, Mike Stoffels, Tim Bindel and Carol Grewing.

This week, we have a repeat winner with Nick Stoffels winning first place in the weekly competition. Nick incorrectly picked the Windthorst-Alvord, Houston-Pittsburg and Notre Dame-Miami games.

There were four contestants with 22 correct picks. Glenn Fuhrmann of Lindsay came in second with a 16-point difference in the tie-breaker score. Mickey Haverkamp was 20, Weldon Richey 26 points off, and Chris Stoffels picked Sacred Heart to win.

Of the 26 entrants for the week, four others guessed 21 right and seven got 20 correct.

In the tie-breaker game, 16 thought Sacred Heart would pull out a win.

The highest missed points given was 41-6 in the Tigers' favor. Two wrong guesses gave Sacred Heart a 14-13 victory with Terry Walterscheid closest to the score with a 20-7 score.

Every contestant correctly picked the winners in the NY Giant-Detroit, Oklahoma-Kansas St., Denver-Atlanta and Lexington-Lakehill games. There was one wrong miss in the Muenster JV over Saint Jo JV game, A&M over Baylor, Texas Tech over Rice and one entrant forgot to mark the Houston-Tulsa game.

Four contestants thought Era could upset Valley View and six hoped the Dallas Cowboys would make a comeback.

The most missed game was Alvord's 36-13 win over Windthorst, with 23 incorrectly picking the winner.

Winners picked up their cash prizes at Community Lumber Co., last week's tie-breaker sponsor.

FARM AND RANCH NEWS

Food price survey shows price rise out of proportion to farmers' share

by Leland Beatty of Texas Department of Agriculture

"The retail prices Texas consumers are paying for beef and grain-based food products have skyrocketed out of proportion to farmers' share of those food costs," Commissioner Hightower says. Hightower made the comments in releasing the latest surveys from TDA on rising consumer food prices in the wake of a summer-long drought.

"The price of Wonder Bread, for instance, rose 19 percent in Texas between June and August, or 16 cents a loaf, while the farmer's share of the loaf increased by one-twentieth of a penny. The price of Nabisco Saltine crackers went up 25 percent, or 26 cents, while the farmer's share increased by one-fiftieth of a penny. Ranchers have seen a 10 percent

decline in cattle prices in the past three months, but retail beef prices have gone up. In the latest of a series of biweekly market surveys, TDA found that prices on 26 of 36 specific food items have increased since June in 13 Texas cities.

"While farmers are losing their farms, the large food processors are reveling in the price hikes they've been able to impose, claiming the drought as their justification. The 10 largest processors report an increase in second quarter earnings of between 16 percent and 51.3 percent over their earnings from the second quarter of last year. Phillip Morris (which owns Oscar Mayer meats) showed a 32 percent increase. ConAgra showed a 16 percent increase in earnings, and Pillsbury realized a 51.3 percent

increase. By contrast, publicly held grocery chains showed either no increased earnings or a substantial loss when compared to last year," Hightower said.

TDA visited 39 grocery stores across the state every two weeks all summer and found that prices on 26 of the 36 food items checked had gone up. "The farmer should not get the blame for this," Commissioner Jim Hightower said, "because the farm share of food items like bread, cereals and grain has increased only slightly and the farm share of beef and pork products has significantly declined."

"The 1.4 percent increase in consumer food prices recorded in July added an additional \$326 million to the grocery bills of Americans, bending out of shape the Consumer Price Index. If this keeps up, there could be a new round of inflation that will hurt consumers and farmers alike," Hightower said.

County Agent's Report

by Craig Rosenbaum

Hay Fires

Dairymen, livestock and forage producers need to be aware of potential barn fires in fall harvested hay says Tommy White, Dairy Specialist. Recent inquiries and concern for high temperatures in hay are an indication some of the hay harvested recently may have been baled with a moisture content too high for safe keeping.

Producers and recent purchasers of fall harvested hay should keep a careful watch on hay stored in buildings the first four to six weeks after harvest. When hay reaches a temperature of 150 to 170°F., the bacteria and mold present are killed, but oxidation continues and hay may become hot enough to burn. There is a serious danger that a barn fire will occur when the temperature goes above 160°F. and fire pockets may be expected at temperatures of 175 to 185°F.

Producers can best check the temperature of the forage by probing a steel rod or pipe into the hay and inserting a thermometer attached to a wire. Use a dairy or similar type thermometer that will record a temperature of at least 200°F.

To minimize the potential of a barn fire, the hay should be checked daily when the temperature reaches 140°F.; it should be checked hourly when the temperature reaches 160°F.; and should be removed from the barn when it reaches 180°F. He also cautioned since moving the hay may hasten spontaneous combustion, a fire department should be called to stand by since the hay may burst into flames when air reaches it.

Enter Hay Show

Hay producers need to set aside hay samples to exhibit at county and state shows. Hay shows provide an opportunity to compare different samples of hay and help producers evaluate what makes high quality hay.

Hay is a major portion of the roughage diet of many ruminant animals, so an evaluation of food value and protein content can help growers determine hay quality more easily so that livestock can be fed according to hay value. An analysis of hay quality is particularly important this year because of drought conditions in our area.

An individual entering a hay sample will know the value of the hay when the show is over. Samples will have a protein analysis run and be physically evaluated as to leafiness, steminess, color, foreign material and maturity, along with a computerized feeding analysis run on your sample.

Livestock producers preparing to feed hay will know if they hay is adequate to meet animal needs or if supplements are needed. Hay shows can take a lot of guesswork out of livestock feeding.

Jordan Bayer is new member of Angus Assn.

Jordan Bayer of Muenster, Texas is a new junior member of the American Angus Association, reports Dick Spader, executive vice-president of the national organization with headquarters in St. Joseph, Missouri.

Junior members of the association are eligible to register cattle in the American Angus Association and take part in Association-sponsored shows and other national and regional events.

The American Angus Association is the largest beef registry association in the world, with over 30,000 active adult and junior members.

Leonard Hartman re-elected

The Cooke County Farm Bureau held their Annual County Convention Thursday, Oct. 13.

Re-elected President of the County Board was Leonard Hartman of Muenster. John Hargesheimer of Whitesboro was elected 1st vice president; Albert Zimmerer of Gainesville, 2nd vice president.

Board members re-elected for the '88-89 year were John Hargesheimer, Murrell Harrison, Martin Krahl, Gene Schumacher, Kenneth Sicking, Albert Zimmerer and Taylor Vestal.

Joe Calley, Director of Training and Leadership, Texas Farm Bureau, Waco was the guest

speaker. Mr. Calley told the members present to encourage the younger members to become more involved in the policy making and developing process of the Farm Bureau organization.

Delegates to the State Convention of Texas Farm Bureau being held Dec. 4-7 in Corpus Christi were also elected.

Ben Bindel of Muenster was presented a certificate of completion for attending the Farm Bureau Firemans School held at Texas A&M this summer. Also presented certificates were Eddie Krebs and Lucy Fuhrmann, the Farm Bureau Leadership award winners at a recent 4-H Awards Banquet.

Also voted on during the meeting were several resolutions which will be forwarded to the State Convention for further consideration.

Members enjoyed a steak dinner catered by the Colonial Restaurant of Gainesville.

Eating for a healthy heart class Oct. 26

by Evelyn Yeatts, County Extension Agent

For the U.S. population as a whole, it is sensible to reduce daily intake of total fat, saturated fat and cholesterol. High blood cholesterol levels increase the risk of heart disease. For many people, high blood cholesterol levels can be reduced by eating diets lower in fat and cholesterol.

A special program on "Eating for a Healthy Heart" will be held on Wednesday, Oct. 26. The free class will begin at 9:30 a.m. at the Texas Utilities Electric in Gainesville.

Some of the topics included will be:

- Dietary guidelines for overall good health
- Reducing blood cholesterol levels
- Hidden fats
- Fiber in the diet
- Computer analysis of your diet

A special feature of the class will be an individualized computer analysis of your individual diet for one day.

Participants will need to pre-register by calling the County Extension Office at 668-5412. A form will be mailed for participants to fill out and return for the individual computer diet program. You may prefer to pick up a form in the County Extension Office in the Courthouse Basement.

The computer analysis will allow people to evaluate a typical

day's diet and let them know where excess fat, cholesterol, sugar, etc. is actually coming from. It will also tell you whether your nutrient needs are being met.

The program, sponsored by the Home Economics Committee of the Texas Agricultural Service, is open to people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.
