## Spearman City Council... awards sealcoat contract

by Angela Jones  
Editor

Spearman City Council members awarded the contract for the 1993 sealcoat project to E.D. Baker Corporation of Borger during the special meeting held Tuesday, March 30.

In making the decision it was discussed that Brandt Engineers, Inc. had sent a letter recommending that Townsend from Fifth to 11th be sealcoated instead of Archer from 11th to 12th, Wilbanks and Steele Streets. City Manager Kelvin Knauf stated that postponing Townsend would result in further deterioration and increase the cost of repairs. Knauf added that the total cost of the 1993 sealcoating with the recommended changes is \$59,126.10.

A motion was made to award the contract to E.D. Baker Corporation, the low bidder, in the amount of \$59,396.70 with the recom-

mended changes. Baker's bid was \$0.6150 per square yard.

Two other bids were received for the contract. These bids were as follows: Lipham Construction Co. of Aspermont, unit price - \$0.7000, total price - \$67,606; and Lewis Construction Co. of Borger, unit price - \$0.7000, total price - \$67,606.

Other business addressed during the meeting was considering an appointment to the Children's Immunization Program. Knauf explained that the state is wanting to make sure that all children are immunized. He added that the city was contacted by the Children's Immunization Project to appoint a person to serve on this committee. A motion was made to appoint City Manager Knauf as Spearman's representative. The motion was seconded and carried.

With no further business to come before the council the meeting was adjourned.

Pictured here are the top finishers in the Spearman PTA Environmental Poster contest. They are (l-r) third grader Hector Dias and second grader Colton Miller, tied for first place; third grader Monica Cantu, third place; and third grader Marty Miesner, finished second.

## Accident injures eleven year old Texas

An accident involving an 11-year-old girl occurred on Thursday, April 1 in front of the Hansford County Courthouse.

Spearman Police Chief Joe Raper explained the accident. He said that a vehicle was traveling south west on N.W. Court. Three children were crossing the street. Two of them stopped when they saw the vehicle. The other one continued across and as a result she got hit, he reported.

It was reported that the driver of the vehicle tried to avoid the accident, but it was too late when he saw the girl.

It was reported that the girl was transported by ambulance to the Hansford Hospital where she was treated and released. She suffered a broken arm.

**Spearman Police Report**  
The Spearman Police Department filed 34 reports during the

reporting period of Monday, March 29, through Sunday, April 4.

Other reports filed during the week were seven lockouts, six miscellaneous calls, two assists on ambulance calls and responded to one false alarm. Officers also performed two security checks on businesses.

On Monday, March 29, a vandal-

## Texas Railroad Commission releases report

Hansford County crude oil production averaged 25,985 barrels, and the oil and gas wells produced 3,204,931 Mcf (1,000 cubic feet) in December 1992.

According to the release, Texas preliminary crude oil production averaged 1,618,689 barrels daily in December, down from the 1,680,751 barrels daily average of 1991. The preliminary oil production figure for December is 50,179,352 barrels, down from the 52,103,929 barrels reported in 1991.

Texas preliminary crude production for 1992 totaled 612,692,189 barrels, a 2.64 percent decrease compared to the 1991 preliminary total of 629,311,929.

The Texas oil and gas wells produced 463,430,164 Mcf of gas in preliminary production for December, down 2.09 percent compared to 473,301,280 Mcf produced during the same period in 1991.

For 1992 the Texas gas production totaled 5,436,409,608 Mcf, a 0.77 percent increase compared to the 1991 preliminary gas production total of 5,395,008,249 Mcf.

In December the Texas gas production came from 178,075 oil, and 45,417 gas wells.

The Commission issued a total of 894 drilling permits in February compared to 829 in February 1992.

Operators reported 336 gas, 356 oil and 25 service completions, compared to 175 gas, 358 oil and 42 service completions during the same period of last year.

## Plan now for severe weather

In Hansford County, spring can mean severe weather and tornadoes. Many Hansford County residents still have vivid memories of the tornadic activity in the spring of 1990.

Spearman and the surrounding area suffered much property damaged, however there were no injuries or deaths. This can be, in part, attributed to early warning systems and emergency management procedures used by the city and county government.

Residents should be prepared to take their own precautions to assist themselves in the case of severe weather. Plan now for possibilities of severe weather this season to prevent injury or death.

Severe weather warnings issued by the National Weather Service are ineffective if the public does not receive the warning, or do not know the safety procedures.

**Tornado shelters** in Spearman are located at the Hansford County Courthouse, Spearman City Hall and Spearman High School.

Gruver's tornado shelters are located at the City Library,

504 King, and at the basement of the Junior High Library, 405 Garrett.

Knowing the difference between a tornado watch and a tornado warning could save lives: **A tornado watch is issued by the Weather Service when the conditions are right for a tornado to form. A tornado warning means a tornado has been sighted. All residents in the area should take cover quickly.**

Tornadoes can strike at any time and at any place. National Weather Service bulletins will provide weather information, if it seems threatening. Residents are urged to keep up on developing weather conditions.

The following information was provided by the National Weather Service to help residents plan ahead for the possibility of severe weather:

• **Occasionally have a tor-**

nado drill so that family members know what to do and where to go in case of an actual tornado.

• **In homes, get away from windows, doors and outside walls. Go to a basement, first floor bathroom, closet or room at the center of the house. Take along blankets or pillows to protect yourself from falling debris.**

• **In schools, go to the basement or lowest floor interior rooms in hallways. Stay away from windows and large areas such as gymnasiums and auditoriums.**

• **In public buildings, go immediately to designated shelter area, an interior room or hallway on the lowest floor. Do not go to your parked car.**

• **In open country, look for suitable shelter. If there is no time, leave your car and lie flat in a ditch or depression. Avoid trees, metal poles and other electrical conductors.**

• **Mobile homes and cars should be abandoned immediately. If there is no other shelter nearby, take cover in a ditch or depression.**

**Do not leave your shelter until the storm threat is past!**  
Being prepared to follow these safety procedures may save your life.

### Early Voting To Begin

School districts and city offices will be open for early voting on Monday, April 12. For more information see announcements in this paper or call the offices of various entities in the county.

## Sales tax rebate up

March 1993 sales tax rebates for both Gruver and Spearman are up from those reported in 1992.

According to the release from the Texas State Comptroller, Gruver has received \$5,664.65 in rebates for March 1993, as compared to the \$4,047.62 recorded in 1992. This is an increase of 39.95 percent. Payments received to date in 1993 for Gruver total \$14,616.68, which is a 11.66 percent increase over the \$13,089.99 mailed in 1992.

The release reports that

## Texas State Comptroller John Sharp... releases third quarter report

Texas State Comptroller John Sharp recently released the Third Quarter State Sales and Use Tax Analysis Report for 1992.

According to the report, Hansford County's gross sales for all industries in the quarter totaled \$19,216,277. This is a 10.5 percent increase from the \$17,383,926 recorded for gross sales in 1991.

The reporting outlets for the third quarter in 1992 decreased by

Spearman has received \$13,279.47 for March 1993. This is an 18.53 percent increase from the \$11,203.80 received in March of 1992. To date Spearman has received a total of \$48,836.80 in rebate checks for 1993, a 4.46 percent increase from the \$46,753.13 mailed in 1992.

In the release it is reported that State Comptroller John Sharp sent a total of \$107.7 million in March

## Texas Aggie Muster... to be held Wed., April 21

Former students and friends of Texas A&M University will assemble in Borger April 21st for the annual Texas Aggie Muster. The Muster activities will begin at 6:30 p.m. at Sutphen's Restaurant. A barbeque dinner will be served with the Muster program to follow. All former students, students and friends of Texas A&M University are invited to attend. For more information or reservations, please call Randy Mitchell at 733-2064, Wesley Jarvis at 659-2737 or Jon Jarvis at 878-2240.

The Aggie Muster dates back to

the mid-1880's and has been held annually since that time. More than 640 Musters will be held around the world this April 21st.

During wars, the Aggies mustered in foxholes, on the battlefield, aboard ships and in airplanes and hospitals. In World War II, a Muster was held on Corregidor Island shortly before the Japanese captured the island.

Every Muster ceremony throughout the world is the same. The Aggies pay their respect to their University, the nation and the state, and honor those who are absent, because of death, since the last Muster was held.

The Muster in Borger is being sponsored by the High Plains A&M Club which is made up of Aggies from Hutchinson, Hansford and Carson counties.

Have you have your vegetables today?

The United States Department of Agriculture's Food Guide Pyramid recommends eating three to five servings of vegetables daily. Yet, despite these recommendations, vegetables seem to have disappeared from the daily diets of many people. For some unknown reason, they think vegetables are boring and yucky.

This misperception, and that's exactly what it is, is beginning to change. Vegetables are becoming an important part of a balanced diet. Vegetables come in many colors, shapes, sizes, forms, flavors and textures. They contribute interest and variety to meals in countless ways. They are fun to cook and to eat. Their versatility makes them an asset in most meals.

Vegetables can be eaten in many forms—raw, canned, frozen, or dried. They can be eaten in sandwiches, salads, soups and main dishes. Our enjoyment of vegetables is limited only to our ability to serve them in interesting ways. We can pick up and choose from an endless number of different and unusual vegetables.

Vegetables score very high nutritionally. They contain a variety of vitamins, minerals and fiber. For example, the dark green leafy veg-

etables are a good source of iron and calcium. Minerals such as sodium, magnesium, potassium, iodine, calcium, copper, molybdenum and manganese are also present in varying amounts in many vegetables.

A number of vegetables contain significant amounts of vitamin C. Examples include broccoli, sweet green and red peppers, and green leafy vegetables (like kale and collards) and tomatoes. Others include asparagus tips, Brussels sprouts, raw cabbage, garden cress, kale, kohlrabi, mustard greens, Irish and sweet potatoes (cooked in their jackets), spinach, tomato juice and turnip greens. Since we get vegetables from all over the world, we are almost certain to get the necessary amounts of these minerals if we eat the recommended number of servings, which is 3-5 per day. Vitamin C is needed for healthy gums and body tissues. Our diet should provide about 60 milligrams of vitamin C per day.

Deep green and deep yellow vegetables are good sources of vitamin A and beta carotene. Examples include broccoli, carrots, chard, collards, cress, kale, pumpkin, spinach, sweet potatoes, winter squash, turnip greens and other dark greens. Vitamin A helps you maintain good vision and is essential for the proper functioning of many body organs.

Remember, vegetables are an

## At the movies . . .

Showing at the Lyric Theatre in Spearman from Friday, April 9, through Tuesday, April 13, is "Groundhog Day" on screen #1 at 7:45 p.m. and "Sommersby" held over on screen #2 at 7:30 p.m.

"Groundhog Day" stars Bill Murray and Andie MacDowell. This comedy is directed by Harold Ramis.

Murray plays Phil Connors, a bored and cynical TV weatherman. Connors is confronted with his worst nightmare.

Connors is sent by the television station to cover the annual Groundhog Day festival in Punxsutawney, Pennsylvania. He despises his job and can't stand his co-workers. His producer is Rita (MacDowell) and the station's cameraman is played by Chris Elliott. Both travel with him to Punxsutawney.

Connors also hates Groundhog Day and the "hick" town he is sent to cover. Well, after covering the

event he wakes the next day to find it is not actually the next day, it's Groundhog Day all over again.

"Groundhog Day" is rated PG.

"Sommersby" stars Richard Gere, Jodie Foster and Bill Pullman. It is directed by Jon Amiel.

This Warners Brothers drama centers around the character Jack Sommersby (Gere), a Civil War confederate soldier that returns after six years of war a changed man. The transformation is so great that there is doubt as to whether or not he is actually the same man. And though his wife Laurel (Foster) suppresses her doubts they are still there. Her husband looks similar but this man is far nicer.

Although she had felt nothing for her pre-war husband, she soon finds her self falling in love with the man that has returned.

"Sommersby" is a romance and a drama. It is rated PG-13.

### Chris Kauffman, one of 800 students to perform in... 20th annual Spring Sing

Chris Kauffman, son of Mr. and Mrs. Frank Pittman, of Spearman will be a part of the 20th annual Spring Sing gala at Harding University April 8-10.

The all-student revue, featuring 800 university students, is an event of the annual Youth Forum when more than 3,500 teenagers from across the nation gather on the Searcy campus for a full schedule of events. About 12,000 guests will attend the four Spring Sing productions in Benson Auditorium.

Kauffman, a sophomore majoring in accounting, will be a part of the production number entitled "Better Off Red!" to be performed by members of Ko Jo Kai, Sub T-16

and Tri-Kappa social clubs. They will perform as indians.

Spring Sing was started in 1974 by students as an entertainment for campus guests. The shows are judged for originality, costume, choreography, and music, and cash awards and plaques are presented following Saturday night's show. Dr. John H. Ryan, chairman of Harding's department of communication, is coordinator of the event.

Harding has an enrollment of 3,600 students from 49 states and more than 30 foreign countries. Dr. David B. Burks is president of the university.

### Stedje and Watson announce engagement

Mr. Lynn and Jan Stedje of Gruver are announcing the engagement of their daughter, Jill Dawn, to Samuel Brian Watson of Briscoe. Samuel is the son of Mr. Lovel and Norma Watson of Salem, Mo. The bride-elect is currently attending Panhandle State University. The prospective groom is a senior at Panhandle State University. He will graduate in May with an Ag Business degree. The couple plans to be married at 3 p.m. Saturday, May 29, 1993 in the Oslo Lutheran Church.

## McNeely named as new SPS manager

Al McNeely

Al McNeely has been named manager of Southwestern Public Service Company's office in Gruver. A native of Carlsbad, New Mexico, McNeely has been an SPS employee for 19 years, beginning as a lineman apprentice in the company's Construction Services Department. Since 1981, he has

been the SPS serviceman in Canadian.

McNeely, 41, has been active in a number of civic activities in Canadian. He has been a member of the Canadian/Hemphill County Volunteer Fire Department for 12 years and in 1985 was named Fireman of the Year. McNeely also has been an active volunteer for the Canadian Chamber of Commerce, the Canadian Boosters and is a past president of the Kiwanis Club of Canadian.

McNeely and his wife Debra have three adult children.

McNeely said he looks forward to becoming a part of the Gruver community. "I can't wait to meet the people of Gruver and to begin my participation in all that's going on here," he said.

McNeely replaces Danny Fiel, who accepted another position within the company.

Wynn Maupin takes her third jump in the long jump competition at the Spearman Relays.

## On The Go With Joy

by Joy Henderson

Well, I'm sitting here in the near dark, as a spring snow storm is raging outside. The electricity has gone off and I'm waiting patiently for my husband to get here so he can light the lamps. No heat, no light, no hot supper, no hot water, no TV—and I'm needing to finish the laundry so we can make a mad dash back to Purcell. Things are not going good for Mother so we spent all last week sitting at the hospital and we anticipate the same procedure for the future.

I don't know much news since so many people have been gone on

Spring Break. I did find out that Candace Casdorff was injured when struck by a vehicle in Spearman. Injuries included a broken arm and some damage done to one of her legs. Grandmother Clea is down in East Texas visiting her brother who is very ill. I imagine Candace will be up and at 'em when the school doors open Monday.

Taking advantage of some time off from school were Bob and Connie Burgoon. But when they went visiting their mothers, they found them needing some TLC. If I recollect correctly, Bob's mom lives in Denton and Connie's mom lives in Rhome.

Also, Bob Setliff's mother continues to be plagued with problems. We hope her condition will begin to improve rapidly.

All of you be sure to keep Weldon Green in your prayers as he is scheduled for surgery this week. We hope he has a speedy recovery. Also Bill Henderson who is a resident in Hansford Manor has not been feeling too good lately. Be sure to go by for a visit with him and the others who sometimes get a little lonesome.

I'll close with a story on our grandson, Dustin. He has been wanting to come back up here for a visit with Grandpa and today while we were talking to his parents over the phone, he packed some clothes and other stuff in a suitcase and loaded in in the pick-up. Scott said he didn't know how Dustin was going to take it when he found out they were just going to Wally-wood.

## Nesbitt receives Who's Who in Sports honor

by Joy Henderson

Kisaundra Nesbitt, senior Lady Bulldog golf team member, has been named to Who's Who in High School Sports for a second year.

Nominations for this award are submitted by either a coach, school official, sportswriter or other sports media. This award is given to less than 5% of the sports participants

in American high school.

Kisaundra is the daughter of Byron and Shirley Nesbitt of Berger and the granddaughter of Mr. and Mrs. James Nesbitt, Berger and Flavis and Josephine Ayers of Gruver. She is the great granddaughter of Mrs. Lena Chapin of Panhandle.

Other awards for Nesbitt include being named to Who's Who Among American High School students for two years, nominations to attend the National Youth Leadership Conference in Washington, D.C., receiving the U.I.L. Academic Athlete Award, membership in the National Honor Society, and an All-American Scholar.

## Gruver PTA holds meeting

## RADICAL LIVING

By Dan Carter, Pastor  
Trinity Community Church

**SHORT CIRCUITED**  
Philippians 3:7-16

One spring, long ago, after a rainstorm I was strolling in the barnyard of one of my uncle's farms. He had put an electric fence up to keep some hogs in their place. Being an adventuresome post-toddler I was wading through mud. Losing my balance I found myself reaching for support. You guessed it. I found the fence! The result was shocking.

The current running along that wire was short circuited. If the pigs had known they could have made a break for it. Instead of flowing down the line, the electricity flowed down my body, having some remarkable results. In Biblical words, it "quicken my mortal body." That is God's intent in giving His Holy Spirit to all who believe. However, His quickening effect upon our lives can be short circuited. If it is, the flesh will prevail and the pigs will out, so to speak.

Knowing that, the apostle Paul said his aim was to know Christ and the power of His resurrection. He knew sin and misunderstanding could, and would short circuit the power of God in our lives.

The Bible says the Holy Spirit can be blasphemed, lied to, resisted, grieved, quenched and insulted. All of the above short circuit God's power into our lives. Paul constantly jettisoned everything that might hinder the Holy Spirit's current. He desired above all else to be empowered to know Christ Jesus and to make Him known. He said all Christians should be of the same mind.

What's the amperage like in your life?

## Mosaic of the Risen Christ to be displayed

The First United Methodist Church of Spearman (407 S. Haney St.) will display a lighted mosaic of the Risen Christ Saturday evening, April 10 from 8 p.m. until midnight.

The eight-foot tall display will be on the front lawn of the church near the glass doors, weather permitting. (It will be inside the glass doors in case of bad weather.)

This mosaic was created over a six-week period with over 2,000 colored sequins as part of a Lenten attendance crusade. Each sequin represents the attendance of one man, woman, or child at one church service or activity over the crusade period.

Sunday morning, this mosaic will be unveiled during the morning worship service in the Methodist sanctuary.

"We hope this creation will be a visual reminder to all of two things: first, that Easter is the Risen Christ and second, that church attendance is very important," said Jean Ann Behney, evangelism co-chair at the Spearman church. Lyn Woolley is the other co-chair and Todd Dyess is the church's minister.

Members of the Spearman Chamber of Commerce gathered at Libby's #2 restaurant to officially welcome the business to the community. In the middle are owners Jim and Libby Karbar. Standing next to them are employees Auroa Melendez and Redonna Moore.

Another vandalism was reported on Friday, April 2. The incident occurred in the 800 block of S. Highway 207. It involved damage to a motel room, Raper said. He added, "It is still under investigation."

On Saturday, April 3, another disorderly conduct was reported. The incident involved juveniles. No action was taken.

A domestic disturbance was reported in 500 block of E. 2nd. There

were no charges filed.

During the week there were seven animal control reports.

### Spearman Volunteer Fire Department Report

Spearman Volunteer Fire & Rescue units were called out on two motor vehicle accidents on Saturday, April 3rd. The first report came at 8 p.m. on an accident east of Spearman on Highway 15. The second report came around midnight on an accident south of Spearman on Highway 207. Fire and rescue personnel did not have to perform any extrication or rescue operations at either incident.

### Gruver Volunteer Fire Department Report

The Gruver Volunteer Fire De-

partment responded to a call on Tuesday, March 30. They were dispatched to a truck wreck at the Oklahoma/Texas state line, approximately 18 miles north of Gruver on Highway 136. According to Fire Chief Sam Gruver, a gas truck rolled spilling a bunch of unleaded gasoline. He said that the call came in at about 3:55 p.m. and they were there for approximately three hours. He added, "We just had to stand by in case it caught on fire."

I want to pass along an article from the state Comptroller's Office about the constitutional election on May 1 which will affect school finance. The following is taken word-for-word from the Comptroller's report.

To ensure Texas public schools remain open, the 73rd Legislature, in February, passed the latest in a series of school finance bills aimed at meeting judicial mandates. Texas voters will have a chance to vote on proposed changes May 1 when the three constitutional amendments are on the state ballot.

Early (formerly known as absentee) voting begins on Monday, April 12, 1993, and ends on April 27, 1993. The last day voters may apply for an early ballot by mail is April 23.

One amendment authorizes the Legislature to create and set property tax rates for county education districts (CEDs). The proposal limits the CED tax rate to \$1 per \$100 valuation -- unless the voters in the CED approve a higher rate. School districts could raise rates above \$1 and keep the revenue.

With this new authority, the Legislature could then move funds from property-rich school districts to property-poor districts across the state or within counties for a more equitable distribution of public education funds. However, the amendment caps the amount shifted to 2.75 percent of state and local education revenue -- about \$400 million annually. The state's share of the money to be redistributed does not include revenue for free textbooks or retirement system contributions. In addition, the amendment does not affect distributions of the Available School Fund.

Since the amendment would change the Texas Constitution, many assume it will be more likely to satisfy the courts than the Legislature's past attempts to finance the state's public schools equitably. However, at publication time, the Legislature had not de-

termined what type of system would be used to redistribute property tax revenue and how much state aid each school district would receive if voters approve the constitutional amendments.

The May 1 ballot will provide for voting for or against the proposition:

The constitutional amendment allowing limited redistribution of ad valorem taxes for schools, authorizing the legislature or local districts to set a minimum tax rate in county education districts, and placing a cap on the ad valorem tax levied by county education districts.

### State Mandates

The second constitutional amendment proposed by the Legislature allows school districts to ignore state mandates passed after December 31, 1993, unless the Legislature fully funds them or enacts the mandates by a two-thirds vote of both houses. The ballot will provide for voting for or against the proposition:

The constitutional amendment exempting a school district from the obligation to comply with unfunded state educational man-

dates.

The article goes on to state that the third constitutional amendment would let the state issue \$750 million in bonds to help schools with improving their facilities. The City of Spearman does not take a stance either for or against any of these proposed amendments. I hope you go to the polls and vote on May 1.

# Gruver golfers sitting in third place

**by Bob Bort**  
The Hounds and Lady hounds golf teams are sitting in third place behind Spearman and Stratford following the second of three district meets this past Monday, April 5, in Spearman. It looks as though that is where they will end up following this week's meet, the third

and final one, in Dumas. The plus is that Kim Boone, Gruver Lady Hounds outstanding senior golfer, is the leading medalist and will earn a trip to regionals, barring a total collapse. The Lady Hounds team finished this second meet with a score of 469. Boone shot a fine 89, Andee

Salmans a 122, Braquel Ferguson 129, Cori Lowe 129, Kimberly Wagner 135 and Shannon Acker 141. Overall, after two meets, Spearman is in first place with 869, then Stratford at 890 and Gruver third at 928.

The Hounds finished with a score of 387 for the second meet. Will Etheredge shot an 89, Grant Odom a 94, Roma Tomlinson a 98, Tek Ferguson 106 and Jason Ward 116. Spearman leads with 686 total, Stratford 719 and Gruver 762. Gruver's "B" team shot as follows: Andy Jones 95, Jace Dawson 101, Lee Bob Harper 104, Tye Womble 111 and Heath Gaines 119. Their total for this second meet was 411. Competing in singles were Tracy Taylor a 120 and John Holland with a 121.

After this week's meet in Dumas, we will have the final results for District 1-AA.

Number one Lady Hound golfer, Kim Boone, practicing her chip shots before the Spearman District Golf Tournament, Monday, April 5.

# Rain at Spearman Relays causes havoc with results

**by Bob Bort**  
It just hasn't been a very productive track season thus far for the Gruver teams, as once again, for the third time, bad weather has caused havoc with the results. This time, at Spearman, a thunderstorm of rain and later snow resulted in the cancellation of several events. The Lady Hounds finished in fourth place and the Hounds finished in ninth place.

This week the Hounds and Lady Hounds will travel to Dalhart, to hopefully at least get one track meet in before the district meet at Stratford in two weeks.

For the Hounds, the results are very sparse. Aaron Frick placed third in the shot put, with a heave of 47'5.5". Also Raul Villegas placed third in the 100 meter dash with a time of 11.43. Hopefully, Coach Doug Frick will have a healthy squad for this meet, and at district in two weeks.

Here are a couple of junior high results. Jarrod Hoel won the 400 meter dash with a time of 57.7. In the seventh grade, the 400 meter sprint relay took fourth place. That was Cesar Garcia, Juan Bravo, Buster McLain and Kyle McNett.

Here are the Lady Hounds results. They are more complete.

**TOURNAMENTS AND TAXES**  
Despite the dire warnings of gale force winds followed by a snow storm, top anglers from nine different towns across the Panhandle and South Plains paid their money and the first catch-and-release Fun Fishing Tournament of 1993 is now history. Lake Greenbelt was selected to kick off this year's schedule because of its good fishing, central location, and the hospitality of the good folks at the Greenbelt Water Authority.

Congratulations to Gary Carter of Pampa, who caught a three bass limit that weighed nearly six pounds. His two keeper black bass were anchored by a nice three and half pound smallmouth! Carter credited his success to working a pumpkin-colored Berkley Powerworm on main lake points at the five to ten foot drop offs.

Second place went to Jim Simpson of Canyon with a three bass limit that weighed 4.88 lbs. Simpson fished the main river area with a white spinnerbait. Third place was nailed by Randall County's Jerry Graves, whose two black bass weighed 4.66 lbs.

# Three Hansford County students... compete in H.S. rodeo

**by Angela Jones**  
Editor  
Three Hansford County high school students competed in the second Tri-State Rodeo this Spring. The rodeo was held at the Range Riders Arena in Amarillo on Saturday, April 3.

Those competing from Hansford County were Brady Pool of Gruver, Jana McCloy and Salaha McCloy, both of Morse.

In the rough stock events, Pool placed second in the bareback riding, scoring 62 points on the ride, and fifth in the saddle bronc riding,

In the justice-to-the-hometown-guys category, the optional big bass pot was won by Curtis Schafer, a college professor at Clarendon College. His 1.90 lb. black bass earned him a combination guided bass/strip fishing trip on Lake Texoma with Curgus Lowe (405-564-3898).

**CATCH-AND-RELEASE WORKS.** Locals anglers on Greenbelt, while catching daily limits of crappie, sandbass, and walleye, are starting to practice more and more catch-and-release on both the smallmouth and large mouth bass. The quality of bass fishing has significantly improved during the last two years, and the future for Greenbelt is bright because of the change in the attitude of our anglers.

**What does RNA have for YOU?**

**Flexible Premium Annuity!**

The Flexible Premium Annuity available at Royal Neighbors of America, fraternal life insurance since 1895, provides a plan that allows individuals to provide lifetime incomes for themselves (an income that cannot be outlived) and pay for it in installments during their working years.

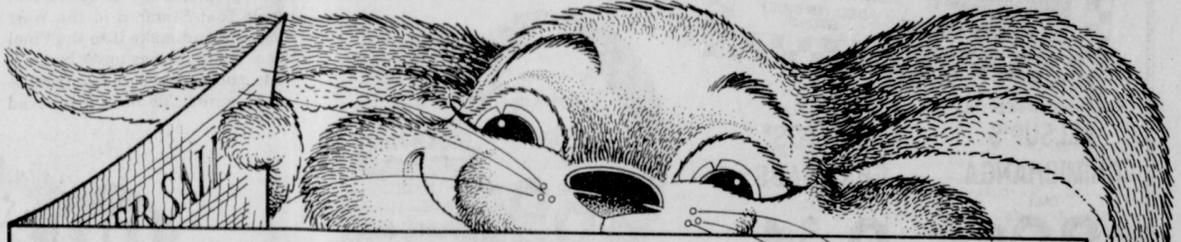

The money deposited into the plan earns highly competitive interest rates on a tax-deferred basis, providing even higher effective returns. The Flexible Premium Annuity certificateholder has flexibility as to when and how much to deposit into the plan. The more money deposited, the higher the lifetime income. FPA certificateholders can choose the age they want payments to them to begin, and can choose from several payout options.

This annuity is available either on a qualified basis (IRA) or on a non-qualified basis (nonIRA). Flexible Premium Annuities are available to individuals between the ages of 16 and 69.

If you would like to begin a systematic method of guaranteeing yourself a lifetime income at retirement, consider the RNA Flexible Premium Annuity.

## Among the Neighbors

by Helen Fisher

Olive Pendergraft was pleased to have Alene Self, her niece by marriage, as her guest week before last. She had come from Oklahoma City to be with Olive while Betty and Richard Gaines were gone.

They went to El Dorado, Kansas to be with his mother during her knee surgery. All went well and they spent a few days with Betty's brother, Eldon Beck, at Gridley, Kansas.

Reaching another milestone in his life, Judge J.E. Blackburn shed the dignity of his robes over the weekend to enjoy his first grandchild—Amy Denice Bridges. She is such a joy he is eagerly awaiting number two, as the stork is hovering for delivery in the next few days at another of his daughters.

No cowboy was ever quicker on the draw than is the Judge in reaching for his wallet to show a picture of his granddaughter.

Since his retirement as 47th District Judge, "Chunky" is sitting as a Former Judge in the Texas Coastal area. The nature of the court hearings at which he presides is vastly different than those in the Panhandle.

In Houston his drug cases were numerous and appalling; in Galveston he sat at the Family Court, cases were sad and his decisions will affect lives for years to come. Next he will be in Beaumont where he will preside at criminal cases. He has also had civil cases, so he is experiencing a variety and is always busy as the dockets are very crowded. He considers it very interesting and challenging, but is aware of the great responsibility.

Adalyn Barnes was somewhat shaken, but otherwise not injured when her automobile was struck on the driver's side by another car. It occurred in Pampa last Wednesday. The driver of the other car, a woman from Amarillo, was treated and released from Coronada Hospital. Her car was badly damaged, and Adalyn's car sustained some damage, but she was able to drive it home.

Elsa Mathews and Rosa Lee Butt were with Adalyn and neither was injured.

Robert Queener returned to Spearman last Wednesday and was here for several days. He came to attend the wedding of his friend Tony Ferguson and Brenda Whitford. When he lived here, Robert was a member of the choral group—Servants of Faith. He sang with them at the wedding, on Saturday.

The Queeners now live in Oneida, Tennessee where he is employed at a bank. Cora regretted that she couldn't return with him and sends warmest regards to all her Spearman friends.

At the end of a happy day, Audene and Verlin Beck hosted a buffet supper after the wedding of Tony Ferguson and Brenda Whitford. It was served in their rural home and guests were out-of-town members of her family. Troy Ferguson is her nephew and among the guests were his parents Mr. and Mrs. Larry Ferguson of Floydada. Others were his brothers, Mr. and Mrs. Leon Ferguson, also of Floydada; Mr. and Mrs. Robert Ferguson, Slaton; James Ferguson, Ralls; Mr. and Mrs. James Ray, Pampa; Don Reck and the Stinson family of Amarillo. Monte Beck who is attending college in Ft. Worth was also here.

One of the most interesting trips abroad is the one just concluded by Amelia Johnson, Hansford County and District Clerk. Amelia and her son had planned the trip, but at the last minute he was unable to go, so she went alone.

She flew from Dallas to Glasgow, Scotland by way of Chicago. From Scotland she went on to Wales. She rented a car and toured the beautiful and picturesque countryside, and also some ancient castles. She drove on to Devon and Cornwall and especially enjoyed one quaint little village of Mousehole—yes, that is the correct name. Later there was the ancient town of Land's

End; then to the southernmost part of Britain—a place called Lizard.

She stopped at some small hotels but mostly lodged at Bed and Breakfasts. Getting acquainted with the people there was easy as she found the locals to be very friendly and gracious.

Since she was not on a schedule or with a tour group, she stopped for as long as she liked and whenever she saw anything of especial interest.

Amelia decided that her two weeks was not nearly long enough and hopes to return some day.

Bobby and Toni Archer returned home on Monday from several days in Amarillo. Bobby, upon discovering that he needed two heart bypasses and with his usual "get it over with" attitude went into St. Anthony's Hospital Wednesday morning; had the surgery, left the hospital on Sunday, and came home Monday. He claims that he is as fit as a fiddle. Probably what he needs most now is a pain-killer-for the hospital bill. He knows what is meant by a "disturbed patient"—one who has just received his bill!

Didn't sound important to hear the name of Spearman repeated on National T.V. during the NCAA tournament—thanks to Krista Kirkland. Everyone, and that is everyone, in Spearman is extremely proud of her; not only for her athletic ability, but for her poise, beauty and graciousness.

Rodeo performers of the community are off to a good start in the spring Tri-State High School rodeo held at Range Riders Arena in Amarillo the past weekend.

### Pack 578 issues awards and announces...

## results of the annual Pinewood Derby

Pack 578 held its monthly pack meeting and annual Pinewood Derby March 27th at the Church of Christ.

Winners in the Appearance category were first-Avon Thompson, second-Chris Schmeir, third-B.J. Hughes, fourth-Steven Rogers, fifth-Chad Scarborough.

Winners in the Speed category were: first-Schmeir, second-Taylor Simpson, third-Michael Lazano, fourth-Joe Burch, fifth-Terrance Baker. All participants received a Pinewood Derby Patch. Tiger cubs received Pinewood Derby iron-on patches.

Those placing—all from Gruver, were Brady Pool and Jana McCloy. Matt Eakin, now a student at White Face, but still eligible in Tri-State until the end of May won a first in ribbon roping.

Friends and family of Evelyn Mackie are quite concerned about her. She is in I.C.U. at High Plains Baptist Hospital. She was taken there with a heart attack last week just before the funeral for her husband, Albert. Later she suffered a serious stroke and the prognosis is indefinite.

Most everyone in Spearman was glued to the TV on Saturday and Sunday afternoon during the NCAA championship basketball games, but a fortunate few managed to be at the games in Atlanta, Georgia.

Sheila and Andy Watley, Frances and Gene Cudd, Judy and Dennis Nelson and Marilyn Cline enjoyed a never to be forgotten weekend. They also enjoyed being with former Spearman folk-Phyllis and Jimmy Kirkland of Corpus Christi and Joan and Dean Weese of Levelland.

The many friends of Norma Holland are extending best wishes on her upcoming marriage. She and Art Daniell of Fritch will be married in a private ceremony on Friday, April 9. It will be held in the home of friends in Amarillo. The couple will spend several days in Denver following the ceremony.

Late word from Anne Northcutt is that Hollie Riley is in the Palo Duro hospital in Canyon with a circulatory problem. Her room number is 117, and her telephone number is 655-7751.

Advancements and achievements were also presented: Sean Baker—Basketball loop, Engineer, Readyman and Sportsman; Jake Coates—Basketball loop, Engineer, Handyman, Readyman, Sportsman; Josh Lacky—Basketball loop, Sportsman, Traveler; Clint Edwards and Glen Powers—Basketball loop, Engineer, Sportsman; Chris Schmeir—Basketball loop, Engineer, Naturalist, Sportsman, and Device; Aaron Thompson—Basketball loop, Engineer, Sportsman and Device; Andrew Cummings—Scholar, Basketball loop, Wayne McCubbin—Scholar

## Miller and Jones to ... exchange vows in June

Mr. and Mrs. Larry Miller of Gruver, Tx. announce the engagement and upcoming marriage of their daughter, Yvette Miller to Matt Jones.

Matt is the son of David and Patty Jones of McCamey, Tx. The bride will graduate from Wayland Baptist University with a degree in Elementary Education in May. The groom is currently attending Wayland, seeking a degree in Mass Communication and Religion. The couple will reside in Springlake, Texas after their wedding in June.

## Club News

Selections at Kids' Stuff

Words cannot express the appreciation we have for all of the love that has been shown during our recent loss. Our many thanks for the acts of kindness, visits, cards, phone calls, memorials, food, the beautiful flowers and plants, and most of all the prayers.

A Great Big "Thank You" to Dr. Ridge, the Great Staff at Hansford Hospital and the H & S Ambulance Service, to Rev. Todd Dyess, the Methodist Chancel Choir, and the ladies who prepared and served the meal for our families.

Thanks to the many others for helping us through this terrible time in our lives. May God Bless each of you.

## Spearman golfers hold down first in high winds

The Lynx and Lynxettes A team golfers endured the high winds and cold temperatures to hold on to their district leads in the second round of the district tournament.

The Lynx and Lynxettes may have been helped by the fact that the tournament was played on the Hansford County Golf Club course on Monday, April 5. The Lynx took the course first at 9 a.m. followed by the girls at 2:30 p.m.

Justin Boyd led the Lynx A team with a tournament low score of 75. He was followed by Brady Reed (80), Cass Lasater (83), Toby Thompson (88) and Chris Jenkins (94).

These tournament scores combined with the scores from the Stratford event held last Monday gives the Spearman A team a total district tournament score of 666. This is 54 strokes less than the second place team from Stratford.

The Spearman boys B team is in fourth place with a total of 791

points. On the B team are Robert Needham (92-83), Shane Schneider (103-93), Jason Swink (108-102), Robert Womble (109-106) and Jason Holton (132-136).

The Spearman girls A team is in first place with 869 points. They are 29 strokes better than the second place Stratford team.

Posting the best score Monday for the A team was Rainey Whittington with a 93. She was followed by Kara Faries (104), Traci Martin (110), Molly Blackman (113) and Tracy Tigrett (124).

The Spearman girls B team is setting in seventh place with a total of 1221 strokes. On the B are Jennifer Covington (148), Jill Clement (151), Amy Schoenhals (153) and Heather Reimer (156).

The next and final leg of the district tournament will be held at Dumas next Monday, April 12. The two teams with the lowest total strokes will advance to Regional Tournament to be held in Abilene

Lynx golfer Brady Reed putts for an eagle on the par four 3rd hole Monday. He settled for a par.

on April 28 and 29.

**CORRECTION:** In the Spearman golf story of last week the wrong score for Toby Thompson was reported. Thompson's score at the Stratford Tournament was an 85.

The Reporter-Statesman regrets this error and apologizes for any inconvenience it may have caused.

## Lusby and Pearson... play in all in all-star game

Senior Lynxettes basketball players Jill Lusby and Laura Pearson showcased their talents at the Golden Spread Senior All-Star Tournament Thursday and Saturday, April 1 and 3, according to Richard North, Lynxettes coach.

Lusby led the tournament championship East team in scoring with 27 points. In a 3-point shooting con-

test held between games, she finished third. To cap off her weekend performance, Lusby was named to the All Tournament Team.

Playing on the same East team with Lusby was Pearson. Pearson scored 10 points in two games. She was credited with a key assist in the championship game that put the East team in the lead.

## For the Short of it

by Bob Bort

Kudos to Krista Kirkland of Spearman and to her team, the National Champion Texas Tech Lady Raiders. Sometimes this column is ran, and sometimes there isn't space for it, but several weeks ago I predicted the Lady Raiders would beat Stanford in the West Regional and make it to the Final Four. Stanford was upset by Colorado, and the Lubbock team's route was easier. Then I predicted

Stephen F. Austin State would surprise everyone by winning the National Championship, beating Texas Tech at the Omni in Atlanta. Well, SFASU was beaten in the regionals by Vanderbilt 59-56, and never got the chance to play Tech, and Tech beat Vandy 60-46, then Ohio State for all the marbles. Tech surprised me in their two games in Atlanta. They are over-achievers. Sheryl Swoopes is awesome.

Kirkland scored 14 points in each of the two Final Four victories, but she missed four front-ends of one-and-ones against Ohio State in the two point victory. I never remember her doing that against Gruver...

It's my favorite time of year - the start of baseball season, and the coming of spring. The two go hand-in-hand. Baseball is America's premier sport, and there is nothing to compare with the tradition and nostalgia. Football fans may argue, but pro football's popularity came about because of television, the boob tube, and it doesn't compare to going to a baseball game, and eating a hot dog. I root for the San Francisco Giants, but I am partial to the Texas Rangers when Nolan Ryan is pitching.

Congratulations to the UIL Academic competitors - Traci Crawford, Joni Hart, Memory Ross, Akiko Bort, Tammie Stevens, Cody Barkley and Will Evans. They all are going to Regionals at Abilene. Good show!!

April 17 and 18 are big dates for Gruver historians - mark your calendar! Thanks to Richie and Carolyn Fletcher, Meadowlark Lemon of the Harlem Globetrotters will be here in Gruver. Saturday night he will be in Gruver Gym, playing with group of local greats. Expect the local media in full force (Globe-News, three television stations). I can't wait to get his autograph! He is 60 years old now, and has played before crowds all over the world, including the Queen of England.

Carolyn would never forgive me if I didn't mention why he is here - he is now involved with Meadowlark Ministries, and will preach a sermon twice on Sunday the 18th at the First Baptist Church. He is here free of charge, since it is a "love offering" on his part. That's the weekend after Easter - don't forget! (I won't let you...)

Happy Easter

"The Lord Has Risen!"

**Hallelujah . . . Christ has risen!**

As we worship this Easter, may we meditate for a moment upon the impact of the word "risen," as Christ is our "risen" Savior who died to atone for our sins. Romans 4:24-25 states this as we read, "It will be reckoned to us who believe in Him (God) who raised from the dead Jesus our Lord, who was put to death for our trespasses and raised for our justification."

Armed with the faith that Christ rose from the dead, the gravestone rolled away; likewise, we shall arise above spiritual death, our soul intact; for as God guides our spirit, the suffocating stones of despair, anxiety, and fear are rolled away and we shall be forever joyful.

Therefore, may we praise Christ, our Savior, who gave His life on the Cross, that we might have life forevermore.

**Hallelujah . . . Christ has risen!**

## H.C. Commissioners to fund study for solid waste disposal

by Angela Jones  
Editor

The Hansford County Commissioner's Court passed a motion to pay 21 percent of the transfer station feasibility study for solid waste disposal at the regular meeting Monday, June 14, 1993.

According to County Judge Jim Brown the study is being conducted by Brandt Engineering. He continued by explaining how the percentage to be paid by each of the entities—the City of Spearman, the City of Gruver and Hansford County—was calculated. Brown stated, "The percentage was calculated by using an estimated tonnage from each of the entities."

He added that the percentage breakdown is as follows: Hansford County, 21 percent, \$542; City of Gruver, 18 percent, \$464; and City of Spearman, 61 percent, \$1,574.

In other business, a discussion was held on building a lean-to on

the side of both of the county barns for stock show animals. Two Hansford County Stock Show Board representatives, Archie Smith and David Armes, as well as extension agent Burt Williams were present for this discussion. It was suggested that construction begin at the Gruver County Barn, since the show will be held in Gruver this year. Then construct the lean-to at the Spearman County Barn next year.

Brown said that this was just a discussion item. He added that the representatives were going to gather cost estimates and present them at a future meeting.

Budget amendments were made during the meeting. Brown said that all of the budget amendments in Precinct 1, 2 and 4, as well as amendments made to the County Judge and County Auditor budgets, were line item changes.

He continued that an emergency

transfer of \$6,500 out of the reserve funds was made to the sheriff's department budget. Brown added that the funds were transferred for prisoners meals. He explained, "There have been several long term prisoners."

A road easement in for GPM Gas Corporation was passed Precinct #2, Joe T. Venneman's precinct.

A brief discussion was held on the 1993-94 budget workshop, but no action was taken. Brown said that they are still gathering more information.

They tabled an appointment of a Veteran's Service Officer. And on action was taken on setting the salary for custodial the worker.

In regular business the minutes from the previous meeting were approved. The treasurer's report and investments was given and approved. And the Court approved paying bills for the period.

Spearman Swim Team is ready for its Saturday meet. Pictured in the front row (l-r) are: Ryan Dewberry, Courtney Partney, Nicole Sander, Haley Lombard, Priscilla Reichen, Kellee Goodheart, Taylor Simpson, Colton Miller, Josh Ridge, Garrett Miner, Abby Winegarner, Amanda Partney, Travis Sander, David Pipkin. Middle row (l-r): Tanner Beedy, Tommie Dewberry, Audra Sanders, Ashley Brown, Brooke Trantham, Brittini Beedy, Adrienne Simpson, Chad Scarborough, Audrey Winegarner, Amber Elliott, Charles Davis, Travis Brown, Kara Pipkin. Back Row (l-r): Suzanne Sanders (coach), Landon Miller, Aaron Winegarner, Kevin Baker, Grace Davis, Cami Winegarner, Mandi Lusby, Michele Elliott, Candice Pipkin, Jill Lusby (coach). Not pictured but swimming on Saturday are: Amber Ramon, Nicole Ramon, Camille Smith, Ryan Warren, Kyle McGaha, Michael Lusby, Halee Beasley, Melissa Baker.

## Hansford County Hospital District considers renovation

by Angela Jones  
Editor

The Hansford County Hospital District Board of Directors considered a proposed renovation plan for Central Supply, Central Sterile Supply and Physical Therapy during the regular meeting on Thursday, June 10.

Kaye McFarlin reported the problems associated with maintaining the operating room. He added suggestions on how the space might be better utilized for the renovation project. A proposed floor plan was presented to the board by Robbie Dewberry. The item was tabled until the next meeting.

In other business, the Board approved the purchase of an ice machine for the Manor dining room. The machine will be purchased from Cummings Refrigeration.

Hector DeSantiago requested a scholarship loan. The request is for two years and will be used to complete a physical therapy assistant

program. His request was approved.

An item for discussion was establishing a Community Advisory Committee, which will advise the board of Hansford County's health care needs. Each Board member and Administrator Anne Snow will nominate several potential members at the next meeting. Objectives and guidelines for the Community Advisory Committee will also be presented by Snow at the next meeting.

In other business, Snow informed the Board that she had an inquiry regarding an RN scholarship. It was reported that the Board had a discussion regarding current the RN scholarship program. They elected to do a study of the program and the District's needs. They also decided not to approve any further requests until the study is completed.

Collections for suits were con-

sidered and it was approved to proceed with the suits.

More business at the meeting was the approval of the Administrator employment contract, though it was not on the agenda. It was approved by all members of the Board.

In the Administrator's report, she gave updates on bad debt accounts, an analysis of the RN scholarship program and physician income guarantee program. Updates were also given on Home Health, Quality Assurance and the nursing home. Snow added that the Hansford Home Health recently had its annual state inspection and received an outstanding evaluation.

In regular business, the board approved minutes from previous meetings. Snow reviewed the financial statements and monthly statistics with the board, and accounts payable were approved.

## Tri-State High School Rodeo Finals... Pool wins 2 saddles, 7 buckles

by Angela Jones  
Editor

After the last calf was roped and the last bronc was ridden, the dust settled at the Tri-State High School Rodeo Finals in Amarillo June 5, with Brady Pool of Gruver claiming the year-end boys all-around title. Including his all-around award Pool earned two saddles and seven buckles.

The Tri-State High School Rodeo Finals competition began on Thursday, June 3, and ended with

the short-go on Saturday, June 5. This competition represented the best of the best in the Tri-State Rodeo region.

In the first go, Pool got off to a slow start placing in the top eight in only one of his events, the ribbon roping. He had a time of 17.569 seconds. This time was fast enough to place him eighth in the event. In both the saddle bronc riding and the bareback riding, Pool did not complete the eight second ride and received a no score. Hard luck also

followed Pool in the timed events. In the calf roping and the steer wrestling, Pool received no time. But in the team roping event, Pool and his partner, Sage Britain 'came tight' in 15.894 seconds.

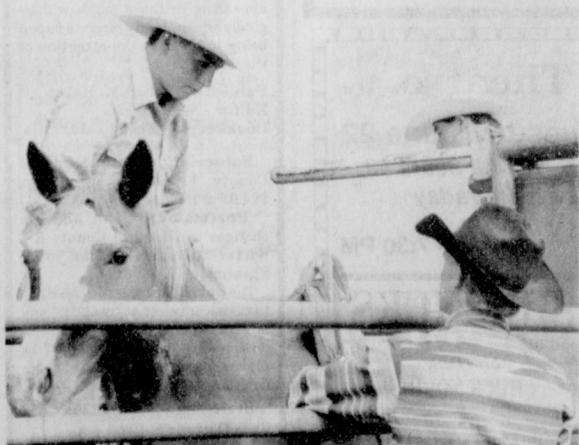

During the second go, Friday, things seemed to turnaround. Pool won the bareback riding with a ride of 67 points. He tied with Rance Bray of Dumas for first in the saddle bronc riding with a 68 point ride. And he was third in the steer wrestling, throwing his steer in 18.845 seconds.

Pool placed in four of his events in the short-go Saturday afternoon. He turned in a 66 point ride in the bareback riding, which was good enough to place him second. In the calf roping, Pool roped and tied his calf in 13.884 seconds to place fourth in the go. With a time of 9.157 seconds, Pool claimed second place in the steer wrestling. Then in the team roping event Britain and Pool had a time of 24.014, which was quick enough to place them fourth in the go.

In the average competition, Pool placed third in the bareback riding, third in the saddle bronc riding and second in the team roping with his partner, Britain.

In addition to winning the year-end all-around saddle, Pool won the bareback riding event saddle. He also was awarded buckles for the all-around, team roping, year-

## Gruver I.S.D. Board awards bids

by Angela Jones  
Editor

The Gruver I.S.D. Board of Trustees awarded the bid for playground equipment and the bid for band instrument purchases, supplies and repairs during the regular meeting Wednesday, June 9.

The bid for playground equipment was awarded with a 6-0 vote to Modlin Recreation Equipment, Inc. of Denton. This company submitted a bid in the amount of \$13,119 for two playground units. The board then decided to offer two pieces of old playground equipment to the City of Gruver if they would remove the items.

The bid for band instrument purchases, supplies and repairs was awarded to Jent's House of Music in Lubbock. This bid was also awarded on a 6-0 vote.

In other business, a \$3,068,025 budget for the 1993-94 year was proposed. This budget reflects a 3.62 percent decrease from the 1992-93 budget.

Board members entered into executive session for the purpose of discussing the addition of a Chapter 1 mathematics program for grades four through eight and, if approved, a teacher for the program. After returning to regular session the board voted 6-0 to adopt a Chapter 1 math program and to

hire Mrs. Jaime Jordan to teach the program. She has three years teaching experience in Nevada, Mo.

A budget transfer of \$20,000 from Food Services to Facilities Acquisition and Construction was approved by the board on a 6-0 vote. It was explained that this was just a line item transfer and presents no change in the 1992-93 budget.

School Business Manager, Margaret Fry, reported 97 percent of the income for the 1992-93 school year had been received. She added that 94 percent of the budget had been spent.

Other business was a discussion regarding a baseball program. Superintendent Barry Haenisch made a presentation on the costs for equipment, travel and field improvements that may be needed. No action was taken on the item and the board requested more information. The program will be presented again during the July meeting.

Buddy Lowe was selected to be the delegate to the TASB-TASA convention in Dallas September 24-27, and Charlotte Bergin was chosen as the alternate delegate.

In a 6-0 vote the board approved the Region XVI Educational Service Center contracts for services to the district for 1993-94.

The board also voted 6-0 to request a waiver from the Texas Education Agency. This is a request for four staff development days in 1993-94. It was reported that if the request is granted by the state, staff development will be held on August 12 and March 2, 3 and 4.

It was decided by the board, not to join the Texas Association of Community Schools this year.

Mr. Lloyd Looper, high school principal, gave a report on the senior trip to San Antonio and Corpus Christi.

In the superintendent's report, Haenisch presented an update on the impact of the school finance plan passed by the legislature. It was reported that little change is expected for the Gruver Independent School District, but more information will be available after June 24. At that time a report from TEA is expected. This report will spell out the bills impact.

He spoke on elementary summer school. Seventeen students were involved in the program involving reading, writing and math activities.

Haenisch also reported on the paving project progress and that a 53 passenger bus had been delivered.

Paying bills in the amount of \$55,754.07 was approved on a 5-0-1 vote.

## Pringle-Morse C.I.S.D. meets

Editors Note: The following story was provided by Superintendent Beryl Sears.

The Pringle-Morse Consolidated Independent School District Board of Trustees met in regular session Tuesday, June 8. During this meeting action was taken to adopt a library handbook, approve service center contracts and accept a personnel resignation.

District Librarian Martha Davis presented the new library hand-

book that she prepared for the district. The handbook includes procedures for library use, scheduling, selection procedures for new materials and student guidelines. It was approved by the board and will be implemented beginning with the 1993-94 school year.

The board approved contracts with Region XVI Education Service Center for the next school year. These contracts include services provided by Region XVI to the dis-

trict for computer services, curriculum and staff development, drug free education, gifted education and for counseling services. The board also appointed Superintendent Beryl Sears to the Region XVI Advisory Council.

Board member Clyde McCloy was appointed as the district's delegate to the Texas Association of School Boards Convention to be

## Spearman I.S.D. hires six teachers

In their regularly scheduled meeting on Monday, June 14 the Spearman I.S.D. Board of Trustees hire six teachers and named Allen Alford as interim superintendent, according to Alford.

The board hired two teachers to head up the musical arts instruction for the district. John Zimmerman was hired as choir director for the district. He is coming to Spearman from Sonora, Texas. Instrumental music will be taught by Randall Willis. Willis will be in charge of restarting the band program which was discontinued by the board in 1991. He is coming from Olton, Texas.

Two junior high teacher were employed. Ellen Graham was moved from the Spearman Elementary School to teach Junior High Sci-

ence. Gregory Gibson will be coming from Shamrock to coach junior high athletics.

Two teachers for the high school were hired. Cynthia Trent was rehired as a speech and drama teacher. Her teaching assignments for the coming school year will include journalism and year book as well. Local resident, Kandy Wolf, was hire as a Special Education teacher for the high school.

One elementary teacher was hired. Carla Flowers was hired to teach Elementary P.E.

A teacher salary schedule for the 1993-94 school year was set by the board. According to Alford the district will continue to pay \$1,750 above the state base for teachers with a bachelor degree and \$2250 for teachers with masters.

Alford further reported that the board accepted bids for three build

## RADICAL LIVING

By Dan Carter, Pastor  
Trinity Community Church

### COOKING OUT Psalm 133

Preparing a good bed of coals for cooking out is not difficult. All that is necessary is to pile the charcoal, douse it with fluid, let the fluid soak in, toss on a burning match, allow the pile to burn itself out and then spread the coals evenly. The end product is a uniformly hot and radiant cooking surface.

Likewise, the sure method for attaining the blessing of God is to "pile a bunch of Christians together." When the underlying commitment is to Christ Jesus as Lord and one another as family, and the goal is to "cook", it won't be long before the radiance of God's glory is upon us.

The Spearman Ministerial Alliance (i.e., the pastors of churches in town) is sponsoring a series of meetings, September 12-16 at the High School Auditorium. All the speakers will be from out of town. They come from several different denominations and theological strains. All have one thing in common, however. They confess and preach about Jesus Christ as Lord.

In preparation for these meetings, and in order to pile all of our coals together, the local pastors are hosting a series of prayer sessions. Each Thursday at 7 a.m. and 12 noon, beginning June 24, and continuing through September 9, different pastors and lay leaders from churches in Spearman will lead prayer. All the sessions will be held at the Lyric Theatre. Kyle Henderson, pastor of the First Baptist Church will lead the first prayer meeting at 7 a.m., June 24.

Imagine brothers and sisters in Christ praying and seeking God together. Not only is that a good and pleasant thought, according to Psalm 133, but it so delights God that He commands blessings upon them.

Come and pray together for God's blessing!

## Trooper Wayne Beighle... urges safe celebration

The 4th of July is one of the most highly celebrated of all holidays throughout the United States, and rightly so. This occasion should be remembered and should be celebrated, because of the rights and freedoms that each of us possess.

We are also reminded this time each year that far too many will not have much to celebrate in this great State of Texas. Trooper Wayne Beighle of the Texas Department of Public Safety, states, "At least 50% of all traffic deaths are alcohol related and during this holiday many people will celebrate by consuming alcoholic beverages. We urge those that drink to plan their

celebrations and to always have a sober driver behind the wheel of their automobiles, if the automobiles must be used. For everyone to remember, if you drink, don't drive—if you drive, don't drink. Become a responsible person, if you are going to drink, help us protect you, as well as the other people, on our state streets and highways."

Beighle said, "Remember to obey all traffic laws and to use that little piece of insurance that is lying right beside you, buckle that safety belt. It costs no money and only takes about two seconds to insure yourself. So, let's all have a happy and enjoyable holiday."

## Hansford Hospice... holds Memorial Service

About forty family and friends gathered at First Christian Church in Spearman Sunday June 13, 3:00 in the afternoon for a Memorial Service honoring the memory of those patients served by Hansford Hospice.

Jody Harnish, Director, welcomed those present and introduced Verna Lee Shirley, President of the organization; Dan and Denise Carter, Pastor of the Trinity Community Church, Spearman and Chaplain for Hospice; David Furlow, Youth Minister of First Baptist Church, Spearman; and

Jane Henton, Organist for First Christian Church.

Dan brought a message concerning our lives and how we are "building memories" each day for our family and friends to remember us by. He reminded those present of the importance of seeking God's guidance so that those memories will honor our loved ones and friends and would bring honor and glory to Christ Jesus.

An impressive Candlelighting Service followed with Sandy Russell lighting four candles in a Memorial Wreath, explaining the meaning of each candle, the ivy which entwined the wreath and the wreath itself. She then invited everyone to come forward to light a candle in memory of loved ones and friends.

David Furlow beautifully sang the Lord's Prayer. Jane Henton accompanied him on the sanctuary organ.

The Benediction was given by Dan Carter.

A reception followed in Fellowship Hall. The table was laid with a blue cloth overlaid with white lace. An arrangement of fresh blue and white flowers centered the table. Punch and cookies were served from cut glassware.

Hansford Hospice scrapbook was on display and enjoyed by all.

sons. We talked some tuff reasons and ended up just out of the top ten. We out talked some teams with a lot more experience."

The team along with extension agent Burt Williams, and coaches Burgin and Bill Carson, began their trip on Saturday, June 5. They worked out on Saturday at Brownwood, Sunday at Stephenville and Rising Star, and Monday at Madisonville, Iola, Normangee and Wheelock. Tuesday the team practised giving mock reasons.

Carson said, "It was definitely an excellent learning experience."

The individuals competing in the Methods Demonstration competition were Kimberley Wagner, and the team of Ronda Renner and Tommi Latta.

Wagner competed in the Focus on Health category.

The team of Renner and Latta won seventh in the Farm & Ranch Economics category.

### USE APPLESAUCE TO CUT FAT

Use applesauce to replace all or part of the fat or oil in baked products. The texture may not be the same, not as fine a crumb or light, airy texture, but some consumers may be willing to sacrifice texture for fat savings. According to the Processed Apple Institute, Substitution is one for one. And for better texture in baked goods, use applesauce products with finer consistencies rather than those chunky products.

## Ralston named PCS exemplary employee

Anita Ralston, a 1971 Spearman High School graduate, was recently named exemplary employee for Panhandle Community Services (PCS).

After graduating from Spearman, Anita attended Texas A & M. She married Seth Ralston, who is now a Hartley County extension agent, and the couple has two children, Dana and Wesley.

Although Anita works full time at Dalhart Federal Savings, she still takes time out to be a mother and a wife. She began working at the PCS in 1991.

### \*\*\*\*\* PREGNANT WOMEN BE- WARE OF LEAD FROM MUGS

A recent report in the FDA Consumer suggests that pregnant women may want to choose glass or plastic mugs rather than ceramic mugs when drinking hot acidic beverages on a daily basis. There is concern that there may be risk to a developing fetus from lead leached from lead-glazed ceramic cups or mugs. Acidic beverages such as coffee or tea cause the greatest leach risk. It should be noted, however, that occasional use of these such ceramic items may not pose such a risk.

### \*\*\*\*\* GRILLING MEATS -- CON- SIDER FOOD SAFETY!

Grilling meats outside is a favorite warm weather activity. Follow safe food handling practices to assure that meat is safely prepared and safe to eat. Cook ground meats to a well-done stage; meats should be brown throughout. Cook chicken until juices run clear; fish until it flakes easily with a fork. Use a clean serving plate and utensil to pick up and serve cooked meat. Never use the same ones that held raw meat or marinade mixture without washing them first. Any item that was in contact with raw meat may carry bacteria that cause illness. Keep everything clean, including containers, utensils, hands, and any surfaces that come in contact with meat.

## Knauf, Blackman complete economic development training

Kevin Knauf, City Manager and Cindy Blackman, Executive Vice-President, Spearman Chamber of Commerce have completed a 15-hour economic development training program sponsored by Southwestern Public Service Company and the Panhandle Regional Planning Commission.

Rural Economic Development Initiatives (REDI) is designed to educate citizens in the decision-making process of doing economic development in their communities.

Teachers of the class were Cheryl Pink, manager of economic development for SPS, and Perna Strickland, director of economic development for the PRCP.

"It's our goal to increase the general public awareness of the issues

that impact local economic development," said Stickland. "As citizen volunteers and government employees are called to make decisions concerning the investment of resources for their communities, we think programs such as REDI support quality decision making," she said.

The REDI classes are offered over a ten-week period each spring.

"I have taught six REDI classes, and the enthusiasm of the 1993 class was outstanding," Pink said. "The keen interest exhibited by the 26 students indicated that the Panhandle communities have strong leaders who are very involved with their communities' economic development strategies."

Eight guest speakers contrib-

uted to the training program: David Shipman, Panhandle Small Business Development Center; David Partlow, Executive Director of the Borger Economic Development Corporation; Bedford Forrest, Texas Department of Agriculture; Michael Bourn and Greg Manter, Amarillo Economic Development Corporation Pat Helton, OMNI Export Management Company; Mary Blinderman, Southwestern Public Service Company; and Jacquie Huff, Economic Development Division, Texas A&M University.

The REDI class was taught in a series of five sessions. Eighteen participants earned certificates of completion by attending three or more classes.

Kevin Knauf shows the certificate he earned for the REDI training program.

## 4-H Youth Rodeo announces entry deadline

The Gray County 4-H Youth Rodeo will be held July 23 and 24 at the Top of Texas Rodeo Arena in Pampa at 7 p.m. each evening. The rodeo is for all youth ages 9-18. Ages figured as of July 1, 1993.

Montana Silversmith buckles will be awarded to the top three winners in each event of the 9-11 age group. For the two older age (12-14 and 15-18) there will be two go-arounds (one each night). Montana Silversmith buckles will go to the first place average time/score in each event. Contestants must enter both nights to win these average buckles. In addition, pay-backs for the two older age groups will be 50 percent of the entry fees in each event each night.

All-Around buckles will also be awarded in each age group based on points from event placings, not event averages.

## Gruver City Commissioner... to apply for funds for walking path

by Angela Jones Editor

The Gruver City Commission approved a resolution to apply for funds for a walking path during the regular meeting held Wednesday, June 9.

According to City Manager A.J. Ratliff, the commissioners authorized him to apply to the Texas Department of Parks & Wildlife

for the funds for a walking path in the park.

In other business the commissioners voted not to hire Derek Smith a consultant from Amarillo.

Ratliff added that they will continue to use the Panhandle Regional Planning Commission as a consultant.

The commissioners approved a resolution extending the ambulance contract with Hansford County. Ratliff explained that the resolution extends the old contract for one more year.

Regular business conducted during the meeting was approving payment of bills for the month of May, and the reading and approving of minutes from the previous meeting.

## At the Movies...

Showing at the Lyric Theatre in Spearman Friday, June 18, through Tuesday, June 22, on screen #1 at 7:45 p.m. is "Hot Shots Part Deux" and held over on screen #2 at 7:30 p.m. in "Sidekicks."

"Hot Shots Part Deux" stars Charlie Sheen and Lloyd Bridges. Co-starring are Valerie Golino and Richard Crenna. Jim Abrahams is the co-writer and director.

In this sequel, Topper (Sheen) returns to action after receiving an order from his former commander Tug Benson (Bridges). Bridges is now the President of the United

States. Topper is to head a commando team to be sent into enemy territory to rescue the men from the first three top-secret missions that failed.

"Hot Shots Part Deux" is a comedy film and is rated PG-13. "Sidekicks" stars Chuck Norris and Jonathan Brandis. Co-starring are Joe Piscopo, Danica McKellar and Mako.

Brandis plays a misfit teen who decides to try his hand at karate. With a little help from Norris Brandis soon becomes a whiz. "Sidekicks" is rated PG.

While the cost of living has increased dramatically, at least the cost of calling your friends to complain about it hasn't.

It has a familiar ring to it. Food costs up 21%. Housing costs, 25%. Medical costs, 46%. And cable TV costs, 51%. But your local telephone service has gone up just 3%.\* And with GTE, the quality and service you

receive is perhaps the most cost-efficient and reliable you can find. So, if the economy has you a little out of sorts, remember you can always count on the great value of your GTE telephone service.

## Booth, Johnston to wed

Dana Delese Booth and Kevin Scott Johnston are happy to announce their engagement.

Wedding ceremonies are scheduled to take place August 14, 1993 in Riverside, Calif.

The bride-elect is the daughter of Charles and Marla Jo Booth of Riverside and the granddaughter of Jessie Booth and the late G.C. Booth of Canyon and Dolly McWhirter of Spearman. Dana graduated from North High School of Riverside in 1991 and is currently attending Riverside Community College majoring in Psychology. She plans to attend California State at San Bernardino. She is employed by Stater's Markets as a clerk's assistant.

The prospective groom is the son of David and Dana Johnston of Riverside. He graduated from Riverside Poly High School in 1989 and Riverside Community College with an Associate of Arts degree in 1991. He received EMT Certification in 1993 and hopes to join a fire department as fireman and continue studies at California State San Bernardino majoring in history. He is currently employed by Hughes Markets as a journeyman clerk.

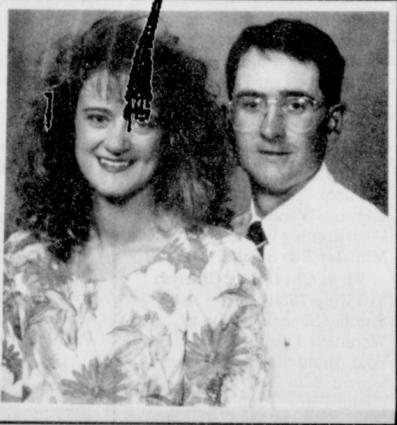

## Turner and Keim... announce engagement

Loyall and Ginger Turner of Spearman are pleased to announce the engagement of their daughter, Jennifer Christina, to Kyle Clayton Keim, son of Dr. Glenn and Kyra Keim of Clovis, N.M.

The bride-elect is a graduate of Texas Tech University and will be teaching school in Sunray this fall. Her grandparents are Ned and Jewel Turner and Josephine Schneider, all of Spearman.

The prospective groom is a graduate of Texas A & M University and is self-employed as a crop consultant. The groom's grandparents are Verna Gail Keim and Jack Crum of Spearman and J.R. Keim of Logan, N.M.

The wedding is set for the afternoon of July 17, 1993 at the Spearman Church of Christ.

Carrie Marie Berry returned the previous Monday from about a three weeks stay at Ft. Worth. Her son, Mike, who lives in Ft. Worth came for her and she also visited her sister, a resident of Ft. Worth.

Carrie Marie, well known for her piano expertise, was thrilled to listen to the Van Cliburn piano concert. She recalled having attended another of these concerts when they first began, in the early 1960s.

Mike brought her home and visited briefly.

Mildred Lewis of Morse has her many friends very concerned about her upcoming surgery for a hip replacement. It will be her fourth and this time it is in Dallas. It is scheduled for June 22.

Mrs. Lewis has been on a walker since her last replacement and forced to retire from the Morse post office where she had been postmaster for 20 years.

Although her daughter from Wichita Falls and son from New Braunfels will be with her part of the time, she would certainly welcome cards and letters.

Her address is Presbyterian Hospital of Dallas, 8200 Walnut Hill Lane, Dallas, TX 75231.

Dr. Charles and Judy Ridge returned early last week from a ten day trip to Florida and the Disney World Complex. Dr. Ridge attended a medical academy which was held at the Disney Theme Park. His

## Amarillo College... three H.C. students graduate

Three Hansford County students participated in the Friday, May 14, 1993 Commencement for Amarillo College held at the Cal Farley Coliseum. 814 fall and summer candidates received diplomas or certificates.

Deana Renee Shields received a Associate in Science certificate. Deana will be a Certified Veterinary Assistant after summer clinicals. Deana is married to Jeff Shields and they reside in Amarillo. She is the daughter of Phillip and Molly Turner of Spearman.

Kathy Jane Urban received an Associate in Applied Science diploma. Kathy is the wife of Carl Urban, both Kathy and Carl are former Spearman High School graduates. Kathy is the daughter of Mr. and Mrs. Lloyd Poole of Morse.

Stephanie Lynn Cook received an Associate in Applied Science certificate and has just recently received her L.V.N. license. Stephanie is the wife of Bob Cook, formally of Spearman, and the daughter-in-law of Lynn and Sharon Cook. Bob and Stephanie are Amarillo residents.

attendance was due to the continuing medical requirements in family practice. At this session, the emphasis was in the cardiac field.

The Ridges took their son, Joshua, and granddaughter, Alexandria. They returned by way of San Antonio to leave Alexandria. Even though there was a great deal of rain during their stay, all enjoyed the trip. When they reached home they had driven 3500 miles.

Joanne and Charles Eaton attended funeral services for his sister, Peggy Bates, 52. It was held in Shawnee on Friday.

David and Suzanne Thomas announce the arrival of a son on Monday, June 7, at Golden Plains Hospital in Borger. He weighed 6 lb., 14 oz. at his 2 a.m. birth. He was named Jeffrey Scott.

He joins his three brothers John, Mark, and Bryan.

His paternal grandparents are F.W. and Betty Thomas; great grandmothers - Jewell Thomas and Mrs. Willie Wallis, all of Spearman.

His maternal grandmother is Juanita Lane, Turkey, and great grandfather, Lon McKay of Quitaque.

Juanita and Al Tucker spent five days last week with their son Mike and Tina Tucker and family. They live at San Angelo and four grandsons kept them entertained - the two older playing baseball and the 15 month old with his antics.

Interesting guests of Tammy Kiss are relatives of her late husband, Geoff. Imre and Doreen Kiss, his parents; Peter Kiss, his brother and Andrew Sewell, his nephew, are all from Glympton, England.

They came on June 2 and plan to be here until early July. Geoff's sister, Cathy Daley, is from Frederick, Maryland. She arrived June 10 and will be here another week. Mr. and Mrs. Kiss are semi-retired but keep occupied as a grounds-keeper and housekeeper for the same building.

Peter is a lorry (truck) driver. Tammy has been showing them various places in the Panhandle, including Palo Duro and Meredith dams. They plan to see "Texas" and a rodeo, and will spend all next week at Angel Fire, New Mexico.

Mary Joyce and Lovell Hughes of Ardmore, Oklahoma visited her cousin Newell and Dickie Allen, briefly during the week-end. They were enroute to Montana. Mary Joyce was the former Mrs. Vernon Crooks and they left here in the early 1960s.

Lynne Riley with children Lisa and Erin are visiting her parents, Magda and Wesley Garnett and her brother Mike and Marti Garnett.

They are from Laurel, Mississippi and will be here several more days.

The descendants of J.H. and Mary Buchanan held their annual family reunion on Sunday at Waka Community building.

There was a large attendance. Those coming the greatest distance were Jeanne and Fred Howard and son Jacob who came from Schuykill Haven, Pennsylvania. John Buchanan and daughter, Lee, came from Houston and Charles Pat Cates from Austin.

The family of Anita Tweedy wishes to thank all the friends and neighbors for the cards, food, flowers, donations and prayers at the time of her passing.

After announcing various family milestones the past year, including two little new arrivals, Burl Buchanan read a letter before the invocation. The letter had been in the family 140 years and was written by an ancestor to his sons who had emigrated to Canada; later coming to the U.S. He detailed the bleak, bitter life in Ireland and tragic death of two of his children.

The contest of the hats, depicting various themes, was judged by non-biased, impartial, well-qualified judges -- Billy and Sybil Miller. The winners were J.B. Buchanan and Zan Buchanan, 8 year old from Lubbock - with hats created and worn by them. The results brought accusations of bribery, sabotage, and foul play, but the decision stood firm.

Greeting old friends in Spearman recently were Pearl Keith, her son Eugene and daughter, Carol Sue. They live at Denton and may spend a week or so here as Eugene and his mother are vacationing in an R.V. and their plans are indefinite. Carol Sue has returned to her home.

Kim and Velma Copeland with son Kit visited his parents Enzie and Joe Copeland from Wednesday to Saturday morning. They live in Austin.

Other guests of the Copelands were their daughter Joe Lynn and Bob Leland from Broomfield, Colorado. They were here from Tuesday until Monday.

Jean and Daniel Sheets have enjoyed the last couple of weeks with family members visiting.

Their grandson, Lee Sheets, from San Antonio and his sister, Carolyn and Mark Steiner, with their son, Josh, of St. Petersburg, Florida were here several days. While here they attended the 50th wedding anniversary of their other grandparents, the Robert Novaks.

On Memorial Day week-end, the Sheets family held their annual reunion. An account of this appears elsewhere. Their son Jerry Sheets of League City came up for the reunion. His one, Lee, of San Antonio came up for that also. The Sheets other son and wife, Perry and Mitty, came from San Antonio. They were all here five days.

Guests from Friday to Monday of Mr. and Mrs. Bob Pearson were his sister and family. Janis and Bill Bishoff, with Kelli and Mark, are from Las Vegas, Nevada. They were here to attend the wedding of Denise Ware-Breshears.

Gloria and Don Knox spent the week-end at Hart with their son David and Rita and family. On Saturday the ladies attended the bridal shower in Tulia for Shelly Knox, their daughter. She and Jon Howard of Tulia will be married soon.

She will be a junior at Texas Tech next fall and he will be a senior there.

June has been a month of eventful milestones for Margaret and Robert Novak.

First they went to Oklahoma City for the graduation from Oklahoma

University Medical School of their grandson, Dr. Kyle Waugh. He is the son of their daughter Patricia. He will remain in Oklahoma City for one year of residency, then go to Enid for two years of residency.

Patricia and Monty Gabriel and their daughter Marjorie of Indianapolis attended the ceremony. Marjorie has been attending school in Chicago.

Another daughter of the Novaks, Sharon and Cliff David and daughter, Krista, of San Antonio were also present.

The next important event was on Monday, June 7th, when their daughters and families hosted a reception honoring Robert and Margaret for their 50th wedding anniversary. It was held in the home of Mary Ellen and Larry Sager at Balko.

Other relatives coming to honor them included a grandson, Lee Sheets, of San Antonio and granddaughter, Carolyn and Mark Steiner and little Joshua of St. Petersburg, Florida.

There were five generations present, beginning with Margaret's mother, Mrs. Virgil Hull.

A sentimental moment of the occasion was the very first prescription written by Dr. Kyle Waugh - prescribing for them another 50 years of marriage. They were delighted to receive many other cards.

Margaret Hull and Robert Novak were married June 9, 1943 by Matthew Doyle, pastor of the Baptist Church here. The ceremony was in the Baptist parsonage and Everett and Louise Vanderburg were attendants.

The Novaks have farmed east of Spearman since.

All the neighbors extend congratulations and wishes for many more years to the Novaks.

Contrary to all the rumors - the fact is that Johnnie Lee has not resigned as Manager of the Palo Duro Water District. The Board of directors are hiring an assistant director in order that the district will be in qualified hands when he eventually does retire.

Johnnie has been the guiding force almost since the district was organized and it is difficult to imagine it without him. It is reassuring to know that he will be training a capable assistant.

Thank you for all the kindness extended to me during my operation and convalescence. The calls, food, visits and cards. Thank you for caring. May God richly Bless You Adalyn Barnes

The family of J.C. Hickerson would like to express their gratitude for all the support from friends and neighbors at the passing of J.C. and Olena Shelton. The flowers, cards and food were all lovely, and your prayers were most appreciated. May God Bless You One and All Frosty & Liz Hickerson & Family

## Derington and Carthel to attend Leaders Conference

Washington, D.C. - Hart Derington and Justin Carthel of Gruver have been selected to attend The National Young Leaders Conference from June 22 to June 27, 1993 in Washington, D.C. The National Young Leaders Conference is a unique leadership development program for outstanding high school students who have demonstrated leadership potential and scholastic merit. Hart and Justin will be among 350 attending from across America.

Justin is the son of Mr. and Mrs. Dan Carthel and will be a senior at GHS this fall. Hart is the son of Mr. and Mrs. Jim Derington and will also be a senior at GHS in the fall.

The theme of the National Young Leaders Conference is "The Leaders of Tomorrow Meeting the Leaders of Today". Throughout the six-day conference, Hart and Justin will interact with key leaders and newsmakers from the three branches of government, the media and the diplomatic corps.

Highlights of the program will include welcoming remarks from a Member of Congress on the Floor of the United States House of Representatives and a panel discussion led by prominent journalists at the National Press Club. Students will visit foreign embassies and receive policy briefings from senior government officials. In addition, Hart and Justin will meet with Senator Phil Gramm, Senator Bob Krueger, and Representative Larry Combs or designated member of their staffs to discuss important issues facing Gruver and the nation.

Hart and Justin will also participate in learning activities de-

signed to enhance students' leadership skills. In one activity, a simulation entitled "I Were President," students role-play the President and members of his Cabinet who must respond to an international crisis. Culminating the National Young Leaders Conference is The Mock Congress on National Service, a half-day activity in which scholars assume the roles of United States Representatives by debating, building coalitions, and voting on proposed youth service legislation.

The National Young Leaders Conference is sponsored by the Congressional Youth Leadership Council, a non-profit, non-partisan educational organization. Founded in 1985, the Council is committed to "fostering and inspiring young people to achieve their full leadership potential." Over 300 Members of the United States Congress join this commitment to youth leadership development as members of the Council's Honorary Congressional Board of Advisors.

"I firmly believe that by touching one life, the National Young Leaders Conference enriches thousands more," said John Hines, Council Executive Director. "Scholars return to their schools and communities better equipped to meet the challenges they face as young leaders now and in the 21st century."

## On The Go With Joy

by Joy Henderson

This week, I want to pay tribute to fathers as we are planning on celebrating Father's Day on June 20th. I am borrowing this article from the UMC bulletin and the author is unknown.

The article "How Fathers Mature" reflects the transition through which most children have gone or are going in their assessment of their fathers.

4 years: My daddy can do anything. 7 years: My daddy knows a whole lot.

9 years: Dad doesn't know quite everything. 12 years: Dad just doesn't understand.

14 years: Dad is so old-fashioned. 21 years: That man is out of touch.

25 years: Dad's okay. 30 years: I wonder what Dad thinks of this.

35 years: I must get Dad's input first.

50 years: What would Dad have thought of this.

60 years: I wish I could talk it over with Dad once more.

Once again we have Dustin to entertain us for a week. We traveled to Lubbock Saturday to pick him up and we visited a few stores to pick up some items to get us

## Gruver student graduates from Wayland

through the summer. Then on Sunday afternoon, we attended the GED graduation ceremony of Alicia Thomas in Amarillo. Needless to say, when we arrived home in Gruver on Sunday evening, we were a tired, hot and cranky bunch. By the time we unloaded the car, grabbed a nap, it was time to go to church services. One of the purposes of bringing Dustin home with us, was for him to attend Vacation Bible School at the Church of Christ.

Others seen at VBS are Syney and Cody Mac Been, grandchildren of Tony and LaNetta Shapley. They are from Lubbock also. I am sure there are others also, but since this is Monday, I won't find out until it is too late.

It is time for the Bible Camps to begin. This week, we have the One Way 8-9 Campers from UMC. Those from Gruver are Darby Johnson, Daren and Christina Cuccaro, Stephanie Gaines and Erika Alvarez. Steve Gaines will work as a counselor and transport the campers both ways.

Visitors at FBC this past weekend were Pam and Emily Wheelchel from Temple, guests of the Gary Doty's -Mike, Evelyn and Patsy Garret of Rosebud, guests of the Wayne Garretts -Mr./Mrs. C.D. Fitzgeard of Dimmitt visited with the Curt Fitzgeards, -- guests in the home of the Seaglers were Mike, Sara and Shelly Crawford from Goodwell and Otho, and Joani Weeks of Spearman.

Our prayers go with Penny Dillow and her family as she undergoes "heart tests" today in Amarillo.

Slough, Green and Robinson were named to the Dean's Honor Roll.

To be named to the Dean's Honor Roll, a student must carry at least twelve credit hours, make a 3.2 grade point (B average) or higher, have no grade below a C and no incomplete courses.

## Wiley and Haight... announce engagement

Mr. and Mrs. Raymond Wiley announce the engagement and approaching marriage of their daughter, Lori Leann, to Gregg Compton Haight, son of Mr. and Mrs. Charles Haight of Gruver.

Lori graduated from Texas Tech University with a Bachelor of Science degree in Early Childhood Education and taught kindergarten for Petersburg Independent School District.

Gregg graduated from Texas Tech University with a Bachelor of Science degree in Animal Business and works for Bob Cluck in Gruver. The couple is planning an August 7th wedding at First Baptist Church in Stratford.

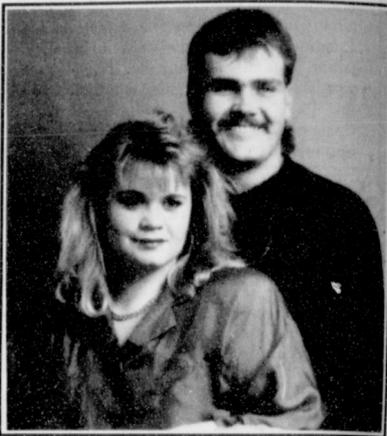

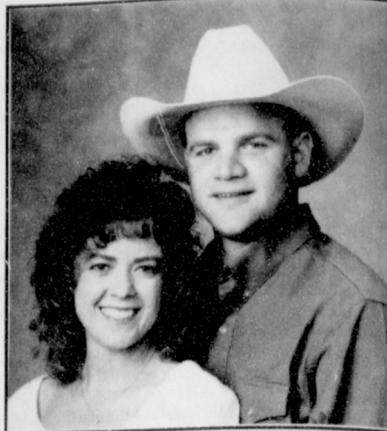

## Wilson and Crawford... set August wedding date

Sandra and Charles Wilson of Jordan, Mont. announce the engagement of their daughter, Jennifer, to Glenn Crawford, son of Hugh and Katie Crawford of Gruver.

Jennifer is a 1988 graduate of Garfield County High School in Jordan. She attended Dickinson State and Eastern Montana Colleges. She is currently employed at the Q.D. Cafe in Jordan.

Glenn is a 1988 graduate of Gruver High School. He is currently employed at the Farmers Union Oil Co. in Jordan.

An August 20, 1993 wedding is planned.

## Gruver Elementary and Gruver Junior High schools... receive TSSAS recognition award

by Angela Jones Editor

The Gruver Elementary and the Gruver Junior High schools will be recognized with "Outstanding Performance Effort Recognition Awards" at a ceremony on July 17 in Austin.

These campuses were two of the 825 campus that met the 1993 Texas Successful School Award System criteria for the Outstanding Performance Effort Recognition Award. According to the release 5,296 campuses were eligible for consideration statewide.

Both of these Gruver schools were selected to receive the award because students met outstanding performance effort criteria under the 1993 TSSAS.

The criteria that was met to receive this award was as follows:

- Performance must be at least 10% of the effective range above the state average on each applicable indicator for each applicable student population.

- Schools must have current year Texas Assessment of Academic Skills (TAAS) data for at least one grade level.

- For Recognition of Outstanding Effort, 80% of the criteria must be met.

According to Superintendent Barry Haensch, the indicators for the elementary were based on the third grade level. These indicators were as follows: reading, at least 90 percent passing; writing, at least

72.6 percent passing; and math, at least 90 percent passing.

Haensch said that the junior high indicators were based on the seventh grade level. These indicators were as follows: reading, at least 60.1 percent passing; writing, at least 69.6; and math, at least 60.9 percent.

Haensch explained that the schools must be at least 10 percent above the state average to qualify. He concluded by saying that both of these school were well above the indicators set.

Both the elementary and the junior high is scheduled to be recognized for this achievement during the Gruver I.S.D. Board meeting.

Texas A&M University has named its honor students for the 1993 spring semester, recognizing several thousand students—including Bonnie Lea Jarvis and Lonnie P. Shields of Spearman, and Steven Eugene Duncan of Gruver—for outstanding academic performance.

Jarvis and Duncan were named to the Dean's list, while Shields was named to the Distinguished Students list.

University Honors signifies that a student has completed 36 hours of Honors course credit within specific areas of the university's Honors Program.

Steve Eugene Duncan of Gruver was among more than 3,600 Texas A&M University graduates receiving diplomas during May commencement ceremonies.

Steve received a Bachelor of Science degree in Civil Engineering and graduated magna cum laude (grade point ratio 3.70-3.899).

Burial was in Memorial Park Cemetery by Memorial Chapel of Schooler-Gordon • Blackburn-Shaw Funeral Directors, Fifth Avenue and Pierce Street.

Mr. Whitaker was born in Amarillo and had also lived in Big Spring and Canyon. He graduated from Amarillo High School. He was a farmer and rancher. He served on the Highland Park school board for more than 20 years and was a former board member of Faith City

Mission and Village of Hope. He was a member of Tenth Avenue United Methodist Church, where he also served on the board. He married Winifred Gano in 1936 at Amarillo.

Survivors include his wife; six sons, James Wesley Whitaker of Gruver, Charles Whitaker of Syracuse, Kan., Less Jay Whitaker of Jacksonville, and Lloyd Ray Whitaker, Richard W. Whitaker and David Mark Whitaker, all of Amarillo; a daughter, Joyce Whitaker of Amarillo; a sister, Mrs. W.A. McCarty of Amarillo; 20 grandchildren; and 24 great-grandchildren.

The family requests memorials be to Tenth Avenue United Methodist Church, Lions Clubs International Foundation, Box 9047, Amarillo, Texas 79105, or a favorite charity.

## Fathers Need Loving Too ...

Sunday	2 Kings	6:8-23

Tuesday	2 Chronicles	6:22-42
Wednesday	2 Chronicles	30:13-27
Thursday	2 Chronicles	33:1-17
Friday	Exra	9:1-15
Saturday	Nehemiah	1:1-11

Are fathers as tough as they seem? Maybe not ... Yes, most fathers seem brave and strong, but they may not always feel that way. Sometimes, the world is not kind to fathers. They try to hide the hurt, but there are signs and symptoms.

They may appear droopy, even in their best clothes. Half smiles and wrinkled brows are sure signs. Sometimes fathers are grouchy, like bears ... or unusually talkative ... or strangely quiet ... they just aren't themselves.

How can we soothe a hurt father? We can ask him how he feels, but he may not answer. We can tell him we love him, that he is the best father in the world. (That's better than a bandaid.) Always smile. It's contagious.

Most importantly, remind him that his Heavenly Father loves him unceasingly and receives visitors in His house each Sabbath. Finally, give him a big hug. Fathers need loving too.

These members of the Morse Bass Club were busy fishing extracurricular tournaments. At the Lake Meredith Tournament where this picture was taken, they all came away with prizes. Travis Reiswig (far right) won second place. Pictured (l-r) are Ron Grider, Randy Heston, Gordon Cummings and Reiswig.

**Sport from page 8**

It is, in fact, baseball that is killed for fear that it will hurt other sports, and that is wrong.

A couple of other problems - the coaching staff and the cost of implementing the baseball program - Coach Frick would need an assistant...

How to make everyone happy? You can't, as Superintendent Barry Haenisch said at the June 9 meeting. But Haenisch proposed an idea how you could come closest. It is not the cheapest way, but it is the best, and it would be worth it. I am saying, as Haenisch proposed, hire another coach - making six football coaches (they gain one), and two baseball coaches (they gain one). This would be a plus for the football people, and a plus for the baseball people. The estimated cost, in total, for start-up and hiring of another coach - about \$25,000. You are the taxpayer and the voter. You must decide if it is worth it. I have already given my views on the potential of scholarships, as the talent is here in Gruver. Barry Haenisch feels it would be wrong, just to look at the scholarship situation. But baseball scholarships would be easier to come by than football scholarships. Carey Kauffman is a prime example. All-State both ways, but as hard as Coach Frick tried - no scholarship for Carey. Schools just don't like to take chance on a small school athlete in football. Size is a factor, though Carey has good size.

Ever heard of Wilmer "Vinegar Bend" Mizell, pitcher for the Cardinals in the '50s. He was from Vinegar Bend, North Carolina (1990 population - 0). Ever heard of "Wahoo" Sam Crawford. Hall of Fame for the Pirates in the 1890's and 1900's - holds the record for most triples by a Major Leaguer. He was from Wahoo, Nebraska (1990 population - 3555 - what was the population at the turn of the century in Wahoo?). And on and on. Small town baseball talent is a part of the history and lore of the game of baseball. If someone from Gruver had the talent and the drive to succeed, he will be seen if Gruver has a baseball program. In football, no matter that Carey has one of the biggest hearts around, the powers-that-be don't like to take the chance. Physical size, or the fact that GHS is a small school doesn't matter in baseball. Can you imagine in the early '60's, if Alvin, Texas, population 5643 in 1960, didn't have high school base-

ball??? Nolan Ryan would have ended up a grease monkey working on car engines. It is criminal that Gruver does not have high school baseball.

Mike Hargrove, manager of the Cleveland Indians, is from Perryton.

Another problem. The schedule...

It is inevitable. Baseball is coming to the Panhandle, as it exists everywhere else in the state. Boys Ranch has a team, Shamrock added one this year, Wellington will add one next year, rumors abound at Spearman and West Texas High, and it is ridiculous for Gruver to fight it. District 1-AA and 2-AA are the only two in the state that do not have baseball, but that will change, and the time is right for Gruver to make the change. Why wait until Gruver is forced to make the change? Non-district games could be played with Perryton, Dalhart, Fritch, Canyon, Shamrock, Fort Elliott, and possibly Higgins, Follett and River Road, and Wellington. If they really wanted to step up in class, they could play Borger, Pampa and Dumas. A non-district schedule of 20 games could be easily had. If Gruver and Boys Ranch are the only teams in district 1-AA, they will both make the playoffs. Other 1-AA schools, will follow, if Gruver takes the lead, along with Boys Ranch. Baseball is played by more red-blooded Americans than any other sport (they start from first grade with T-Ball), and it is truly the national pastime. More next week.

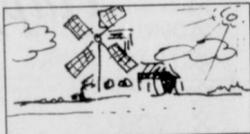

Boy, what a break! Watley's Winners, the AAU team of 11-and-under aged kids, is going to Terre Haute, Indiana, for nine days June 25-July 3. They are coached by Andy and Sheila Watley, and they will be representing West Texas with 37 other qualifying teams from across the nation. According to Sheila, once they arrive, ping pong balls with numbers on them will be drawn to determine who plays who.

They will get a number, and then they will play everyone in their pool once. Then there will be a "Friendship Tourney," and also a "Friendship Tournament" for the losers.

Obviously, there will be many expenses for such a trip of nine days. Anyone wishing to make a donation to help this team of 11-year-olds out, contact Andy or Sheila Watley in Spearman. Good luck at nationals!

Coach Steve Myatt's Lady Hound Basketball Camp is in full force this week, with close to 50 participants. Instructors are Coach Myatt and Coach Jim Davis from Gruver, and Coach Terry Davis from Stratford, and the head basketball coach from Abernathy and his wife are also here. Also instructing are Cora Meyer, Kasey Davis, Holly Venneman and Traci Crawford - all ex-Lady Hounds. The camp is for 3rd through 9th graders, and last June 14th through 18th.

The A's will be the champions of little League baseball in Gruver, and the Astros and the Pirates are battling it out for second place. The Little League All-Star team will be announced here in next week's newspaper. The Gruver Babe Ruth team lost to the Guymon Mustangs 1-6 this past week, and are 1-4 on the season. This week they will be playing the Guymon Pioneers at Guymon on Tuesday, the 15th, then will be playing Turpin here on Saturday the 19th, then Spearman here on Tuesday the 22nd.

The first windmills were probably built, not in Holland, but in Iran.

September 24-27, 1993 in Dallas. Betty Womble was appointed alternate.

The resignation of Tracy Bevil was accepted. Mrs. Bevil was the junior high language arts teacher and has accepted a similar position at Gruver High School. The district will accept applications for the position until June 30th.

The board approved expenditures for the month totaling \$20,869.68. This includes a pay-

ment to Spearman I.S.D. in the amount of \$9,299.32 for tuition for three high school students that attended Spearman High School last year, and for one student that attended the early childhood program. The Spearman Board set the cost of tuition at \$2,324.83 per student. This is the maximum amount that could be charged by Spearman according to a formula established by the Education Code. Gruver charged the district \$1,000 per student, Sunray charged \$500 per student and the P-S-P rate has not been determined.

A resolution allowing all board members to sign district checks was approved. All checks will require two signatures. Computer equipment for the computer lab and library was discussed, but no action was taken.

The board will be taking bids for the painting of the gym until July 5th. Information on the bid procedure is available from the superintendent.

The Texas Assessment of Academic Skills (TAAS) test results for grades four and eight were reviewed. The district has 100% of the fourth and eighth grader passing the writing, 83% of the eighth grade and 69% of the fourth grader passing the reading, and 83% of the eighth and 89% of the fourth graders passing the math.

The board reviewed Senate Bill 7 passed by the Texas Legislature. SB7, the school finance bill, requires the Pringle-Morse district to reduce its wealth per student down to \$280,000 per student. The bill gives the district five options for reducing wealth including consolidation, detachment and annexation of taxable property, and the purchase of attendance credits from the state.

A community meeting for the people of the district to learn more about the options was scheduled. The meeting will be Thursday, July 8 at 8 p.m. in the school auditorium.

A resolution allowing all board members to sign district checks was approved. All checks will require two signatures.

Computer equipment for the computer lab and library was discussed, but no action was taken.

The board will be taking bids for the painting of the gym until July 5th. Information on the bid procedure is available from the superintendent.

The Texas Assessment of Academic Skills (TAAS) test results for grades four and eight were re-

viewed. The district has 100% of the fourth and eighth grader passing the writing, 83% of the eighth grade and 69% of the fourth grader passing the reading, and 83% of the eighth and 89% of the fourth graders passing the math.

The board reviewed Senate Bill 7 passed by the Texas Legislature. SB7, the school finance bill, requires the Pringle-Morse district to reduce its wealth per student down to \$280,000 per student. The bill gives the district five options for reducing wealth including consolidation, detachment and annexation of taxable property, and the purchase of attendance credits from the state.

A community meeting for the people of the district to learn more about the options was scheduled. The meeting will be Thursday, July 8 at 8 p.m. in the school auditorium.

with Mel Phillips

**HAPPY FATHER'S DAY**  
With less than two weeks until Father's Day, immediate action is required to avoid the last minute crunch at the "ugly tie" section in your favorite store. Peruse the following gift ideas and make your guy a happy camper.

**Guided Fishing Trip**—If Dad enjoys catching 10-20 lb. strippers, Lake Texoma offers world class fishing. Some of the best guides include CURGUS LOWE (405/564-3898), COLIN LeFLORE (405-564-2237), and LARRY ADAMS at Little Glasses Resort (405/795-2068).

If Dad enjoys cool nights and like catching delicious rainbow trout, EAGLE NEST, New Mexico is a favorite destination. Call Ron Simmons (505/377-6931) at EAST MORENO RANCH for some fantastic private ranch fishing and lodging. For the best information on fishing at EATLE NEST LAKE,

contact Larry Fontenot at 505/377-3359.

**HUNTING** dads can be pleasantly surprised by an early dove hunt. Seasons opens September 1, and the area near Shamrock usually has plenty of doves. Gary Gandy (806/256-3694) is the local authority and can usually solve any hunting problems.

The best bargains on pheasant hunts are sponsored by area Chamber of Commerce. Try calling Canyon, Dimmitt, Hereford, Dalhard, Hart, or Dumas.

Guided quail, dove, or pheasant hunting trips can be set up by calling Wesley Webb (806/883-4101) in White Deer, Frank Hommel (800/678-5771) in Clarendon, or Harper's Game Preserve (806/435-3495) in Booker.

The newest innovation in fishing line is made with Spectra fibers. Marketed under several

names (Tuf, Lazer, or Spectra), it is a braided line that is extremely thin but unbelievably strong and, best of all, without any reel memory. Available now at Anchor Marine, Lazer line is selling fast. Before driving to Amarillo, I recommend calling Bobby Nolan at 353-9511.

For the best Texas fishing magazine, Honey Hole is my pick of the litter. For a FREE sample copy, call 817/738-5596. The best all-around (largemouth, smallmouth, walleye, etc.) magazine is The IN-FISHERMAN. Call 1-800/441-1740 and invest \$16 for a full year of detailed

fishing information.

The best deal on those TV "Flying Lures" can be found at either K-Mart or Wal-Mart. \$4 sure beats a television price of \$45.

It is notoriously tough to shop for dads, I hope that one of these sug-

gestions helps you have a terrific Father's Day.

Next FUN TOURNAMENT at Lake Meredith is Thursday evening, June 17. Kids under 17 fish FREE, and taking a kid fishing is not a bad gift on any occasion.

## For the Short of it

by Bob Bort

Mark your calendars. July 7, Wednesday at 1 p.m. - could be a red letter day in the history of Gruver sports, as the G.I.S.D. Board of Trustees takes up the thorny issue of Spring U.I.L. baseball. Plan to be there, and speak your piece.

Some of the problems, and some of the answers. First, it will kill the track program, and kill the football program because they no longer

will have the off-season conditioning program that track provided. Answer: there simply weren't enough athletes who turned out for boys track this past year to worry about losing anything. There were 21, and that includes JV. By my calculations, there will be nine athletes who will be affected - nine athletes who were in track this past year that might play baseball next spring. They are Victor Lopez (Sr.), Aaron Frick (Jr.), Kevin McNett (Jr.), Sammy Renteria (So.), Bailey Barkley (So.), Wylee Maupin (So.), Daniel Bort (So.), Max Frick (So.), and Jarrod Hoel (Fr.). This is not to say there won't be more - baseball would be a very popular addition to the sports program. In addition, golf might lose Jace Dawson (Jr.) and Grant Odom (Jr.) to baseball. I also don't see why Aaron can't throw the shot or

discus, and also play baseball. Maybe some of the others can do both also - Participate in track Friday and Saturday and play baseball Friday night or Saturday night. Maybe that would be asking too much, but if Deion Sanders can play baseball and football, our athletes can compete in baseball and track.

Don't take this as the authoritative word. It is just a guess. It is just a prediction as to how things might turn out. In the end, it is the athletes who will decide what to participate in and how to do it. Joe Bravo, Rosie Arreola, Ryan Atwood, Brady Tidwell, J.D. Christian, Scott Jarvis, Travis Ferguson, Phil De La Cruz, Juan Arreola, Clint Williams, Doug Gumfory, Tek Ferguson, Lee Bob Harper, Andy Jones, Roma Tomlinson, John Holland, Jason Ward, Tye Womble -

they might all opt for baseball. And that is 18 more. And that doesn't include freshmen like Josh Mayhew and others. Nor does it include athletes who didn't participate in spring sports last year, like Eric Wright and others. What am I doing?? - predicting the impossible! To sum up, I guess the next paragraph is most important.

The strongest pro-baseball statement I can make, is that anytime you kill a sport in order to promote other sports - that is wrong. And that is what is being done now to baseball. Anytime you provide more choices for the student-athlete, that is right, and that's why I say baseball must be included in the extra curricular choices. You can't say hypothetically that getting baseball would kill other sports

# FATHER'S DAY IS JUNE 20<sup>th</sup> !!!

## Fathers, to be treated as kings for a day

The third Sunday in June is Father's Day in this country, the time when the man of the house gets unusual attention and is really "King for a Day." This holiday is not so old as others, but it has a worthwhile object—to cherish "the honor and dignity of fatherhood.

Often when such a project as Father's Day starts, in a land as big as ours, more than one person may think of the idea at about the same time. As in the case of Mother's Day, there are conflicting accounts as to who really initiated Father's Day.

No doubt these are all valid claims; however, according to several sources, Mrs. John Bruce Dodd of Spokane, Washington, "was primarily responsible" for furthering this holiday.

As she listened to a Mother's day sermon in Spokane, Washington, in 1909, her thoughts kept turning to her father, William Jackson Smart, known as "Billy Buttons." Now that she was married and had a child of her own, she could appreciate more keenly than ever the sort of courage it took for her father to face the tragic early loss of her mother and shoulder the full responsibility of bringing up his six children—five boys and a girl, single-handed. The more she thought of it, the more she became convinced that fathers, too, should have a day.

After the sermon, Mrs. Dodd spoke to Dr. Rasmus about her idea. He was enthusiastic about it and promised to help her get the project started.

During the year, she discussed the plan with others and it was well received. In the spring of 1910, Mrs. Dodd presented a petition to the Reverend Conrad Bluhm, president of the Spokane Ministerial Association, asking that he suggest to

the members of the association that they select one Sunday in June (the month of her Father's birthday) to remind their parishioners of the appreciation owed to fathers. The ministers agreed to preach on this theme, and the YMCA also helped sponsor the event. The mayor of Spokane issued the first Father's Day proclamation; soon Governor M.E. Hay became interested; and he set the third Sunday in June for the state-wide observance.

In Spokane, during the week before the celebration, many merchants arranged window displays, calling attention to the day. For instance, John Matthieson showed the portrait of George Washington, the Father of his Country, with the caption, "Remember Father."

On that first Father's Day (June 19, 1910), when Mrs. Dodd attended the Centenary Presbyterian Church, she was pleased by the tribute Mr. Bluhm paid fathers. He used the topic, "The Knighthood that never retreats." She considered this an appropriate text as her father had truly lived by the Golden Rule and had never flinched in his duties.

In 1916 from his desk in the White House, President Wilson pressed a button to begin the observance; this unfurled a flag at a celebration in Spokane. Eight years later, in 1924, Calvin Coolidge recommended that Father's Day be noted in all the states, declaring that such an occasion would bring about a clear relationship between fathers and their children, and also impress upon the former their obligations.

## 59 golfers compete in Tournament

Fifty-nine golfers in two-man teams competed Saturday and Sunday in the Bankers 2-Man Scramble Tournament sponsored by First State Bank, Spearman and Gruver State Bank.

The team of Damon Goodheart and Keith Hight posted daily scores of 65 and 62 to lead all teams and finish first in the Championship flight. Goodheart and Hight's total score was one less than the second place team of Danny Womble and Justin Boyd. Womble and Boyd shot a pair of 64's for a today total of 128.

Also shooting the same score for both days was the third place team of Bob Hohertz and Bob Hardy. They shot 67 both days for a total of 134.

Winning the first flight with a 131 was the team of Travis and Jack Wolfe. They were followed by Dale Wofford and Brodie Daniels with a 134. Finishing third, by virtue of a play off, was the team of Keith Martin and Gray Lumberg.

The second flight was won by J.P. Davis and Todd Collier with a 136. Finishing second in the flight were David Tomilson and Richard Mackie with a 136. Third place was claimed by Melvin and Chris Bradley with a score of 136.

Earl Goodheart and Andy Andrews teamed up to win the third flight with a 140. In second place was the team of Jerry Holton and Tom Conway with a score of 144. Coming in third was the team of Kenneth and Kyle Irwin with a

score of 144. The top three teams in the fourth flight were led by David Boyd and Dwight Gillispie with a 145. The second place team was Arnie Stork and Donny Evans. They edged out the third place team of David Grotegut and David Foster in a score card play off. Both teams shot a 149.

The fifth flight was won by the team of Del and Brad Cluck. They shot a 153. In second place was Steve Ryan and Kenny Gammon with a 154. Rick Cazares and Tim Peddy finished third with a 155.

Other prizes given away were for the longest drive and closest to the hole. David Armes won a pair of

golf shoes for the longest drive on hole number 5. Kenny Gammon won a 1,3 and 5 wood set for the closest to the pin on hole number 4 and Danny Womble won a bar-b-que for closest to the hole on 7.

## Dortch and Renfro... to race across the United States

Tom Dortch of Morse and Jack Renfro of Fort Worth will be leaving Wednesday, June 23 for a 13 day road trip across the United States.

It will not be a leisurely cruise controlled, air conditioned, comfort drive. Dortch and Renfro will be driving Dortch's 1935 Ford Deluxe Sedan. They will be competing against other drivers, with similarly vehicles, in The 1993 Interstate Batteries Great American Race.

Dortch and the other participants will leave Hunting Beach, Calif. at noon on Wednesday, June 27. They will spend the next 12 days driving a pre arranged course across the U.S. On Saturday, July 10 they are scheduled to reach the finish line at Norfolk, Va.

The cross country course is split up into daily segments. At the beginning of each day the drivers are given instructions on what part of the course to drive, and how fast they are to drive it. Along the course are check points that are unknown to the participants. At each check point the time of arrival of the competitor's vehicle is compared to an ideal time the vehicle should arrive if the daily instructions were followed exactly. Any deviation from this ideal time at a check point results in penalty points being assessed against the team. The winning team is the team with the fewest points at the end of the race.

Dortch said that in order to read the instruction, watch the speed,

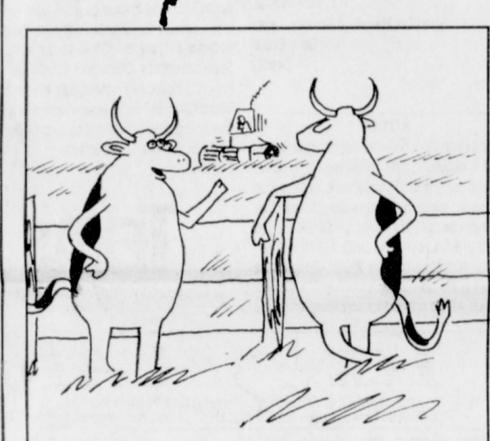

Tom Dortch of Morse puts the finishing touches on his 1935 Ford Deluxe Sedan before he heads for California and the start of The 1993 Interstate Batteries Great American Race.

keep track of the time and look for land marks that mark the course, it takes two people, a driver and a navigator. Dortch will be the driver and Renfro is his navigator.

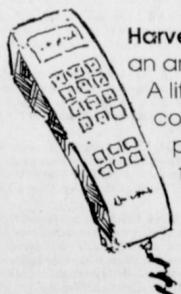

The beige and brown 1935 Ford Deluxe Sedan Dortch will be driving is one he bought from Cecil Ralston. Dortch worked a year and a half to restore the vehicle to its original look. He did the engine and body work himself. The interior work was done by a man in San Angelo. "It (the car interior) is just like the original," said Dortch.

"I am only the second official owner of the car," said Dortch. It seems that only the original owner of the Ford bothered to get or change the name on the title. Dortch found the original owner, 91 year old Mary Steinman, living in Lebanon, Kan. She said she remembered the car and signed the title over to Dortch.

When asked why he would want to drive a 58 year old car in such a race, Dortch said it was the challenge of running the race at zero penalty points, keeping a 58 year old car running and for the fun.
