Texas, August 22- Average retail gasoline prices in Texas have fallen by 1.3 cents per gallon in the past week, averaging \$3.46/g yesterday. This compares with the national average that decreased by 1.4 cents per gallon in the last week to \$3.58/g, according to gasoline price website TexasGasPrices.com.

Including the change in gas prices in Texas during the past week, prices yesterday were 92.3 cents per gallon higher than the same day one year ago and are 14.9 cents per gallon lower than a month ago. The national average has moved lower by 10.4 cents per gallon during the last month and stands 86.7 cents per gallon higher than this day one year ago.

"Although crude oil ended another volatile week on the upswing, rising from \$79 to settle just above \$82 per barrel at Friday's close, overall demand for gasoline is not likely to increase any time soon and we should not be surprised to see crude oil slip to the mid 70s this week as the price at the pump edges lower too," says Gregg Laskoski, GasBuddy.com Senior Petroleum Analyst.

GasBuddy operates, TexasGasPrices.com, and over 225 other local gasoline pricetracking websites that fol-low prices at over 125,000 gasoline stations in the United States and Canada. GasBuddy also uses Facebook (facebook.com/gasbuddy) Twitter (twitter.com/gas-buddy), and phone apps to keep motorists ahead of changing gasoline prices.

Texas Crop & Weather

The following specific livestock, crop and weather conditions were reported by Panhandle Extension directors: The region continued to be hot and dry. Soil-moisture levels were very short. Irrigators were still very active. More cornfields were abandoned because of lack of irrigation. Where possible, producers were salvaging what they could from corn failures by chopping it for silage. Pastures were in very poor condition. Livestock producers further reduced herds and were weaning calves early.

City of Spearman Reminds Citizens of Voluntary Watering Reduction

submitted by Ed Hanson, Spearman City Manager

The City of Spearman has asked its citizens and businesses to curtail their water use by adhering to the following VOLUNTARY watering schedule: Even numbered addresses are asked to water lawns and gardens on Tuesday and Saturday starting at 6 p.m. and ending at 10 a.m. the next day. The odd numbered addresses are asked to please water on Wednesday and Sunday starting at 6 p.m. and ending at 10 a.m. the next day.

The water situation is not critical at this time, but we are asking for some voluntary cooperation to assist as we all endure this current drought. For more information, contact Spearman City Hall at 659-2524.

Words from Faith & Grace

by Cecil R. Biggers, Lutheran Lay Minister

In the eleventh week of Pentecost, we study Jeremiah 15: 15-21, Psalm 26, Romans 12: 9-21 and Matthew 16: 21-28. We learn something of our call by God, the Love of God, and what it takes to lead the disciple life.

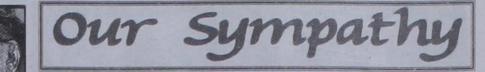

Jeremiah has been called by God to preach to the people of Israel. He has studied the word of God and delighted in it. Jeremiah as a young man is reflective, sober and indignant over Israel's rejection of God's ways; perhaps because of this, he is not well-received by his peers Jeremiah feels that he has been deceived by the word of God because he suffers spiritual pain because of his faith. God tells Jeremiah that if he will stand before the Lord and utter what is precious and not what is worthless then Jeremiah will be God's 'mouth' to Israel. God promises to be with him and to protect him from those who are wicked and ruthless. It is not always easy being the 'mouth' of God.

The Psalmist sings a song of integrity and trust in God. The Psalmist has moral integrity and religious integrity; yet, he asks God to vindicate him from those who are wicked and blood-thirsty. His plea is that God will redeem him and be gracious to him. He pledges to bless the Lord for his redemption. It is not always easy living a life with integrity.

Paul exhorts the Romans to "Let love be genuine; hate what is evil, hold fast what is good ... " He lists the things that we must do as Christians not as an order from a superior, but as a way of life. This passage is similar to 1 John 4:19, "We love because He first love us." We are kin to all within our Christian community; we owe hospitality to all the other saints of God; we must learn to bless our enemies; and, we must live at peace with all as far as possible. It is not always easy living a life of Christian love.

Jesus began to show his disciples that he must go to Jerusalem and undergo suffering at the hands of the elders and chief priests and scribes, be killed, and on the third day be raised. Peter took Jesus aside and rebuked him saying, "God forbid it, Lord! This must never happen to you." Jesus replied, "Get behind me, Satan! You are setting your mind not on divine things but on human things." Jesus then tells all the disciples, "If any want to be my followers, let them deny themselves and take up their cross and follow me." Church tradition tells us that of the Apostles, only John lived to a ripe old age; the rest were executed for the cause of Christ. It is not always easy being a disciple and leading the disciple life.

Medical Fund Established At FNB for Dynell Moore Shawn and Dynell Moore, children of Johnny and Brenda Vera and Terry Moore of Spearman, have recently relocated their family to the Dallas-Fort Worth area. In March, Dynell was diagnosed with stomach cancer. She will be receiving treatments at MD Anderson in Houston and Baylor Medical Center in Fort Worth. After the birth of their second child, three tumors were discovered, two of which contained malignant cells. The tumors were safely removed at Mary Washington Hospital in Fredericksburg, VA. At which time, Dynell began oral oncology treatment to keep the cancer from spreading. The Moore's made the decision after consulting with their physician to continue an aggressive treatment program at MD Anderson Cancer Center in Houston as well as their sister facility in Fort Worth. There has been a Medical Fund established for the Moore family at First National Bank in Spearman to aid in treatment expenses. The Moore's feel extremely blessed with the early diagnoses of Dynell's condition and the support they have received from family and friends.

COMPREHENSIVE EYE CARE...NOW WITHIN SIGHT

When you need comprehensive eye care, don't drive from Liberal to other destinations. Take a short trip to the new Panhandle Eye Group in Pampa - Our eye MD's cover all subspecialties, and our OD's continue to provide the same great eye care you've come to trust over the years

Pedestrian injuries are the second leading cause of unintentional death among children. five to 14. Children who walk to school or to a bus stop must be reminded to: 1. Look left, right, then left again before crossing the street. 2. Always try to cross a street when a crossing guard is present.

3. Cross in front of the bus only after the driver signals it's okay to do so.

High school students

Statistics show that teen drivers are four times more likely to be involved in a fatal crash than more experienced drivers. In fact, 6,000 young people are killed each year in fatal automobile crashes. If your children drive to school:

1. Teach them to always buckle up and require everyone else in the car to buckle up as well. 2. Remind them to always obey the speed limit.

3. Choose a safe car for teens to drive-remember large cars are safer than small ones. 4. Enforce no drinking and driving rules.

College students

The number one crime on college campuses is theft. One out of every 10 college students will be robbed while away at school. Most students' belongings are covered under their parents' property policies, but expensive computer equipment and other items may not be covered. Parents should check their policies to be sure and also:

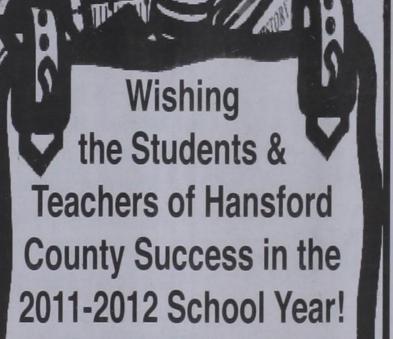

1. Remind students to always lock dormitory doors, even if they are just going down the hall.

2. Tell students not to keep large amounts of money or jewelry in their rooms. 3. Have students mark personal property, such as book-bags and CDs, with identifiable marks

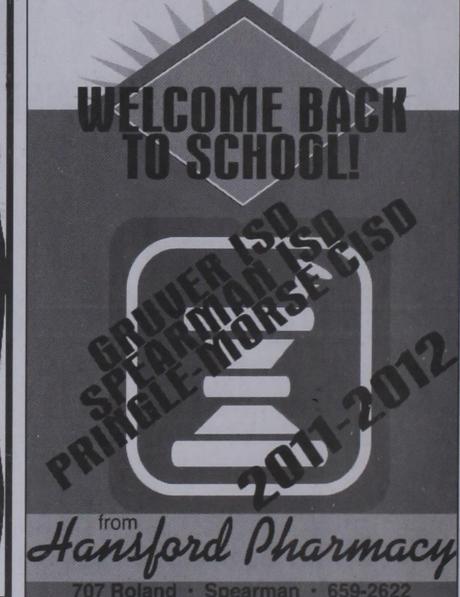

4. Check auto insurance if your child takes a car to school to be sure no additional coverage is needed

NOTICE OF PUBLIC MEETING TO DISCUSS

SPEARMAN INDEPENDENT SCHOOL DISTRICT'S STATE FINANCIAL ACCOUNTABILITY RATING

The Spearman Independent School District will hold a public meeting on September 12, 2011 at 7:00 p.m. in the Spearman High School Library, 403 East 11th Avenue, Spearman, Texas 79081. The purpose of this meeting is to discuss the school district's performance under each of the 21 indicators of the Financial Integrity Rating System of Texas (FIRST). Public participation in the discussion is invited.

The FIRST ratings are based upon analysis of staff and student data reported for the 2009-2010 school year, and budgetary and actual financial data for the 2010 fiscal year (ending August 31, 2010). The FIRST rating system was developed by the Texas Education Agency in response to Senate Bill 875 of the 76th Texas Legislature in 1999. The primary goal of the FIRST is to achieve quality performance in the management of the school district's financial resources.
