Ramos leaves Reporter-Statesman

As the season changes, times change. As to no surprise, The Hansford County Reporter-Statesman says good-bye to yet another publisher. Daniel Ramos, who served as publisher since July of 1994 has moved on to be with his family. As a positive note, we the staff of the Reporter will keep you in good hands. Deziree Torres, who has been with the paper for a year now, will be in charge as Acting Publisher, Chad Davis, who has been on the sports scene for eight months, will be in charge of sports as Sports Editor, and our latest addition, Wade Atwood will be News Editor.

We will continue to provide the local coverage you have received in the past. We hope to keep the good qualities Daniel brought with him and passed on to us. We hated to see him go, but we are confident in ourselves to please our communities of Spearman, Gruver, and Morse. We thank the great county we live in for your support and your confidence in us to produce a great paper.

Womble selected as candidate for All-American Student Scholarship

Ross Womble, son of Ron and Deana Womble, also the grandson of Dora Womble, has been selected as an official State Candidate for the Texas All-American Student Scholarship and Recognition State Program in Austin on August 18-20. He is a student at Pringle-Morse and is 10 years old, in the 4th grade.

After a statewide search for outstanding honor students, Boys and Girls 7 to 18, the All-American Student State Program invited Ross to participate. Candidates are selected to compete, based on their academic achievements, commu-

nity involvement, scholastic honors and demonstration of a positive pre-teen or teen image. The All-American Student Program was founded in Baton Rouge, Louisiana in 1991 and seeks to give individual recognition: to give scholarships in the form of Educational Bonds and cash to those who are good students and are active in school and community organizations, and to encourage them to pursue educational and career goals.

Join us in wishing Ross Womble good luck at the All-American Student State Program. He is proudly sponsored by the Morse Lion's Club.

Recycling Words

Spearman-Gruver Recycling Co-ordinator

checked out of the grocery store, that you took whatever bag the grocer gave you. You didn't have to take any responsibility for the environmental impact of the bag. Then came the stress. "Paper of Plastic ma'am?" Here are a few facts that can help you decide.

First fact...It really doesn't matter. The best choice would be a canvas bag that you bring home. In Europe most stores do no provide bags. When the area Girl Scouts made the Swiss Connection and traveled to Switzerland last summer they found they were charged 10 cents for every bag they used. They brought their own bags! Bags cost stores about 8 cents each! That adds up to a lot of money for something most people regard as trash.

Second fact...both bags are reusable in some fashion. Brown paper sacks are great for wrapping, packaging and drawing paper. Both bags can be reused as trash bags. Plastic handle bags are great for hauling anything from wet bathing bring a canvas bag from home.

It wasn't too long ago, when you suits to lunches. Don't throw a bag away after one use. Give it another shot at life.

> Thirdly...the plastic bag takes less energy to create and takes up less space in the landfill. But the paper bag is biodegradable and actually decays in our landfills decays in our landfills because we aren't subject to some of the more air tight regulations of larger landfills. Paper comes from recycled sources and sustainable forest. Plastics come from nonrenewable resources, through research is developing new ways to make plastics. Some plastic bags may also contain recycled material.

> Fourth, paper sacks are recyclable at the recycling center in Gruver and the school district in Spearman. They are recycled with corrugated cardboard as they are both made from kraft paper.

> So the answer. If you need gift wrap, take the paper sack. If you transport wet bathing suits, take the plastic. And if you really care,

Pringle-Morse C.I.S.D. track teams place in top six at district meet

that the small community of Pringle-Morse would be a town full of great kids, but as far as athletics go, since the town is so small, not that many, if any, out-standing athletes would appear. However, the Pringle-Morse Cougars and Lady Cougars proved that it's not the size of the town that matters, its how hard you practice, and how hard you want to win. That's exactly what the town's track teams did last April 12th and 13th at their district track meet in Miami.

With towns like Follett, McLean, and Higgins, it appeared that both of the teams would be downloaded with competition, but the team blew away the crowd as they had 10 competitors to finish in the top 6 places.

For the boys, Shelby Reiswig, Dwayne Creel, Phillip Creel, and Cherce Gaspar captured many medals and ribbons, by tearing up the asphalt, while Brandon Sampley and Earl Wattier took control of the throwing events.

Reiswig was just plain awesome in this of last meets. Not only was he a part of the 2nd place 400 m Relay team, which finished with a time of 52.37, but he went on to stab a gold in the 300 m I.M. Hurdles, with a lighting fast time of 29.20. In addition, he took a 4th place time of 61.89 in the 200 m Dash, another 4th place in the long jump, with a leap of 15' 5/2", and he took home a bronze in the triple jump, with a hop, skip, and jump of 35' 1/2".

The Creel's, Phillip and Dwayne,

At first glance, one might think split two of the running events. Phillip grabbed a 5th place time of 2:25.17 in the 800 m run, while Dwayne took hold of the longer of runs, by taking a silver in the 1200 m run, with a time of 4:00.62. One might think that the 400 m dash is one of the hardest races to run. However, Cherce Gaspar started the race off like he finished it, a dead sprint. He ended up finishing the race with a 5th place time of

> The big guys on the team, Brandon Sampley and Earl Wattier, both threw their way into places in the discus throw. Sampley came in 5th, with a throw of 99' 10 1/2". while Wattier came in right behind him at 95' 4".

Both of the relays, the 400 m and 4th - 26.61. the 1600 m, finished quite well. The 400 m team took a silver, with 2nd - 4:00.62. a time of 52.37. The 1600 m team did the same, as they took a silver place time of 4:23.28.

For the girls, Stephanie Bowling, who placed in two events, Ashley Phillips, who also placed in two events, and Brittini Sampley were 3rd - 35 1/2". the only three girls to place in any events at the meet.

Bowling captured a silver in the 100 m Hurdles, with a jumping time of 21.32. In addition, she took the other hurdling event, the 200 m Hurdles, with a 3rd place time of

Phillips also place in the hurdles right behind Bowling in the 100 m Hurdles, with a time of 22.20. She also placed in the other hurdles event, with a 6th place time of 40.09.

Sampley followed suit and placed in the 100 m Hurdles, as she went over the hurdles with a time of 22.41 to take 5th.

This was the last of meets for the Cougars and Lady Cougars, but watch out for these athletes next year at the school, or even some at the high school level.

City of Spearman to hold summer recreation activity programs

It's hard to believe, but the hot days of summer are quickly approaching, and with it will come the City of Spearman's Summer Recreation Activity Program. This funfilled all summer long program, will include various activities for all age groups throughout the entire sum-

The basketball clinic, which will kick-off June 19th, will last until the 23rd of that month. It is limited to youths from grades 1 through 8, and the fee is only \$10.00. The program is devoted to introducing the basic skills necessary to play basketball and the teaching of proper techniques of those skills.

Spearman will also have its first ever basketball tournament. This 3-on-3 tourney will feature all age groups, and the fee for this is \$50.00 per team. Although it is open to all age groups, no conflict will occur, due to the fact that the teams will be divided into age, sex, and playsingle elimination format, in which there will be a maximum of 4 players to a team. This event will begin July 8th and 9th.

a great summer sport - volleyball. skaters may bring their own skates, The first chance for teams to spike their way into this fun sport will be May 31st, when the youth volleyball league will begin. This league will be open to high school age students, freshman through seniors, but if a senior has just graduated, they may also play. Co-ed teams are encouraged to participate in this \$10.00 fee per team league. It will last through August 8th, and games will be played every Tuesday night from 7:00 p.m. to 9:00

Of course, what will the sizzling summer months be without the cool waters of the Spearman swimming pool. It will be open from 1:00 p.m. until 5:00 p.m. every day, not from 2:00 - 5:00 on Sundays like it used to be. 23 Gruver High School students will be competing in regional competition in spring sports this weekend in Abilene. That includes two in tennis, one in golf, and 20 in track and field competition. Here are the competitors.

In tennis, which will be held Wednesday and Thursday April 26-27. Josh Mayhew will be going in boys singles, and Janyth Hart will be going in girls singles. The coach is Shelia Watley, and she will be on the sidelines available to give the two competitors tips and encouragement.

In golf, which will be held Thursday and Friday, April 27-28, Kelly Boone will be going in girls singles. The entire girls golf team from Gruver qualified for the regional meet, but according to Coach Tim Garland, due to prior commitments, the team will not be able to compete at regionals, and only Kelly will be going to compete in golf singles. But congratulations are due to Braquel Ferguson, Kimbo Wagner, Cori Lowe, and Kristin Evans, who qualified for the trip, but will be staying home.

In girls track and field competition, here are the 12 athletes who will be travelling to Abilene. Tara Shapley will be going in the 400 meter relay and the 800 meter relay; Weslyn Maupin will be going in all three relays - the 400 meter sprint relay, the 800 meter relay, and the 1600 meter mile relay; Autumn Bateman will be going in the 400 meter relay and the 800 meter relay; Amber Murrell will be going in the 400 meter run, the 400 meter relay, the 800 meter relay and the high jump; Amy Gillispie will be going in the 110 meter low hurdles, the 300 meter intermedimile r

ing in the 800 meter run and the 1600 meter relay; Joni Hart will be going in the 800 m relay; Myriam Alvarez will be going 1600 meter run; Moily McLain will be going in the high jump; Kathy Slough will be going as an alternate in the 1600 meter relay; Kiki Carthel will be going as an alternate in the 800 meter relay; and Crystal Christian will be going as an alternate in the 400 meter sprint relay. The competition will be held Friday and Saturday, April 28-29. Coach Jim Davis couldn't have been happier about the Lady Hounds district championship at Gruver a couple of weeks ago - especially the victories of all three of the relay teams. What a sweep!

The boys track and field competition will also be held Friday and Saturday, April 28-29. Eight Gruver boys will be on the travelling squad, and will be accompanied by head coach Doug Frick. Coach Frick is proud of the whole team, of course, but who could not expect him to be especially proud of his own son Aaron. Aaron Frick will be going in the shot put and the discus throw; Wylee Maupin will be going in the triple jump and the 1600 meter relay; Bailey Barkley will going in the 1600 meter run and the 3200 Atwood will be going in the 1600 meter relay; Daniel Bort will be going as an alternate in the 1600 meter relay; and Max Frick will 1600 meter relay.

I can't tell you how low I have been at times these past six weeks. I have been between Amarillo and the Veterans Administration Medical Centers in Big Spring and in Albuquerque. The week I spent in Albuquerque made me really appreciate the good times that have been, and will be. Getting back to writing this column, and covering the high school sports scene is a real necessity for me in order to keep myself picked up. It feels good to be writing again. Look for my best attempt at writing this week with my coverage of the regional sports activities at Abilene for the Hounds and the Lady Hounds.

Well, the Major League Baseball season begins this week, and I am excited, but not sure. The umpires are still on strike, and nothing was really settled between the players and the owners. But it is baseball, and the real Major League players. I am a big San Francisco Giants fan, and I will be rooting hard for them. I realize this is Texas Rangers country, just like it meter run; Joe Bravo will be going is Dallas Cowboys country when it in the 800 meter run and the 1600 is football season. But I root for the meter relay; Rosalio Arreola will be San Francisco teams, the Giants going in the 1600 meter relay; Ryon and the 49ers. What can you do, shoot me???

THANK YOU!

The Hansford County Library Board and the Long Range Planning Committee would like to thank everyone who participated in our recent surveys for the enthusiastic response we received. Our appreciation goes out to the administration, staff and students at each of the schools as well as to the general public who assisted with this project. A special thank you also to the Boy Scouts who helped with the distribution of the surveys. Based on these surveys,

the Long Range Planning Committee will present five recommendations and five areas of concern to the Library Board for their consideration. We are committed to providing the best library and service that we can to our community, and your assistatnce in this evaluation process will help us to continue that committment.

EULA GOODALL LASTER

Eula Goodall Laster, age 77, died Sunday, April 23, in Amarillo. Services will be held at the Church of Christ with the Rev. Gary Gumfory officiating. Graveside services will be held at 2:00 P.M. on Wednesday, April 26 with Mr. Paul Sneed, Minister of the Central Church of Christ.

Mrs. Laster was a retired school teacher, and she was a native of Brinkman, Ok. She was a former Gruver resident, in which she lived for 28 years.

She was also an active member of the Church of Christ.

Suvivors include: her husband Don Laster of Amarillo. Also two sons, Jim Dick Goodall and Bob Laster of Amarillo, one daughter, Carole Stephenson of Amarillo, and eight grandchildren and seven great-grandchildren.

She was precded in death by her first husband, Dick Goodall in 1962, and her son Hugh Jon Goodall in

spring seems to bring to mind freshness and order. What an appropriate time to freshen up and sort out our spiritual lives as well. Perhaps it would be refreshing to enroll in a religious seminar or to take part in the musical program at your local house of worship. Discard unwanted habits that clutter your soul such as negative thinking and begin a practice that will enrich your life. Perhaps you could begin each day with prayer or keep a daily devotional guide at your bedside. The possibilities are endless.

Most importantly, make it a habit to visit God's house each Sabbath. Your spirit will sparkle as you learn to trust in God's will for your life. Remember, when you're sorting things out, put away fear and store God in your heart.

H.C.H.D. recognizes volunteers during National Volunteer Week

Hansford County Hospital District, along with volunteer organizations nationwide, join Congress and President Bill Clinton in honoring America's volunteers during the week of April 23-29 as we celebrate National Volunteer Week.

In appreciation of the care and services they deliver, Hansford County Hospital District will recognize its volunteers during a reception at 2:00 p.m., Sunday, April 30, 1995 in the dining room at Hansford Manor.

National Volunteer Week provides the opportunity for the Hospital District to pay tribute to local volunteers who dedicate their time to helping provide the community with high quality services in a home-like atmosphere. In addition, National Volunteer Month provides the opportunity to focus attention on the importance of the role of volunteers in providing many forms of care, whether in a nursing home, hospital, or a hospice setting.

In 1994 INDEPENDENT SECTOR, Washington, D.C. and the Gallup Organization conducted a survey, "Giving and Volunteering in the United States, 1994." Some of the results are as follows:
• 89.2 million people volunteered 19.5 billion hours in 1993. The value of this time in 1993 was \$182 billion (\$12.13 per hour was used to calculate the total value of service).

 48% of Americans volunteered in 1993, even though Americans have experienced a decline in household incomes and spend more time at work.

• The average hours volunteered in 1993 was 4.2 hours per week, the same as 1991.

• The most significant increases in volunteering occurred among senior citizens, age 75 and older (35% volunteered, up from 27% in 1990) and among divorced, separated, and widowed persons (40% volunteered, up from 36% in 1990).

• The fastest and most significant way to increase volunteerism is to ask more people to help. People are more than four times as likely to volunteer when asked that when they are not. Among the 45% of respondents who were asked to volunteer in 1993, 82% actually did. Among the 54% who were not asked, only 21% volunteered.

• Those who identify themselves as religious and who attend religious services regularly are volunteering almost three times the number of hours per week as those who did not.

 Motivations and positive experiences that tend to increase volunteering include:

 $\sqrt{66\%}$ of volunteers surveyed had volunteered before $\sqrt{57\%}$ of volunteers surveyed wanted to make a significant change in society

 $\sqrt{61\%}$ of volunteers surveyed once belonged to a youth group

 $\sqrt{56\%}$ of volunteers surveyed have been acquainted with other volunteers

 $\sqrt{54\%}$ of volunteers surveyed have benefited from the services of a volunteer

 $\sqrt{62\%}$ of volunteers surveyed have parents who volunteered when they were young

√ 68% of volunteers surveyed were active in student gov

√37% of volunteers surveyed grew up in poverty

"The people who volunteer for Hansford county Hospital District devote not only their time, but their love, care, and support, all of which have made a significant difference in the lives of our residents and patients, as well as their families," said Anne Snow, H.C.H.D. Administrator. "It is appropriate that we take this time to salute the heroes and heroines who add so much to our quality of life."
