The American Heart Association will hold their regular meeting at the Picnic Place at 6:30 p.m. October 7, 1996.

Union Church Sunday School Class

If we could get along with everyone, our lives would be a lot easier. "How to get along with almost anyone", will be the subject matter Pastor Jerry Pollard at Union Church will be presenting in the "Nuts and Bolts" Sunday School class beginning Sunday, October 6, 9:30 a.m. Some of the topics will be: Learning to recognize personality differences; Learning to be flexible; Learning to listen; Learning to deal with negative people; Learning to get along with unwanted relatives. Pastor Pollard will endeavor to translate Biblical wisdom into practical ways of relating to those around us. "Wisdom from God's word is the basis for getting along with others", he explains. From God's word we learn how to be sensitive in dealing with others, that we might become a person of understanding.

Hansford County Farm Bureau's Annual Convention

Guest speaker for the Hansford County Farm Bureau's Annual Convention on October 12th will be Kathryn Keller. CRP Symposium Set

Holders of Conservation Reserve Program (CRP) lands must soon decide what to do with their property once contracts expire. A symposium focused on CRP issues is set for October 7 at the Armstrong County Activity Center in Claude. Registration starts at 9:30 a.m.

Representative Mac Thornberry will be the keynote speaker, who will brief participants on the CRP program's status.

Armstrong County is one of only seven such sites in the nation to host the specialized conference on CRP land management and the future of the program. Coordinators are the Texas Agricultural Extension Service, The Texas A&M University System, New Mexico State University, and the Cooperative Extension Services of the state universities in Colorado, Kansas and Oklahoma. Cooperators are the Society of Range Management and USDA's Farm Service Agency and Natural Resource Conservation Service.

Registration is \$20 and includes the noon meal.

The CRP symposium's purpose is to offer contract holders answers on what course to follow once the program is over. The major areas of interest for landholders will include policies, regulations, conservation compliance and post

contract options such as haying, grazing and cropping.

Specific topics featured during the morning session include, CRP Transition to Today, Fair 96 Policies and Regulations Impacting CRP, The Role of Conservation Compliance in CRP, and Thornberry's Washington report.

After lunch, the program will begin with research reports from Gary Donart and Rex Kirksey from New Mexico State University, Rob Mitchell, Texas Tech University; Jim Stiegler from Oklahoma State University and Arden Colette, West Texas A&M University.

A final session includes topics, Considering Your Future Uses for CRP: A Decision Making Process, will be conducted by Paul Ohlenbusch and Rodney Jones, Kansas State University. Closing comments and discussion end the day's events at 3 p.m.

Other CRP conferences are scheduled at Guymon, Oklahoma - October 8, Portales, New Mexico - October 9; and Big Spring, Texas - October 10.

For more information, contact Charles Hart, Extension Range Specialist at Fort Stockton (815) 336-8585 or Steve Young, Armstrong County Extension Agent at (806) 226-3021.

The Gruver Greyhound defensive line sets up for a big play.

Greyhounds Gear Up For District

It was an uphill battle, but the Gruver Greyhounds played with heart and determination as they faced the Stratford Elks last Friday night. The final score was 52-6.

The Greyhounds are a very young team with 22 positions being replaced at the first of this season. According to Coach Doug Frick, we are "rebuilding the team." Nineteen players were suited to play Friday night, but four were injured in the first quarter.

In spite of the difficulties that they have faced, the Greyhounds are a determined bunch and they just keep on keeping on.

In the Stratford battle, turnovers were a big key with the Greyhounds having only 13 first downs compared to Stratford's 21.

Gruver was able to score in the third quarter on a pass from

quarterback, Jim Potts to split end Buster McLain. Brant Armes rushed 87 yards on 24 carries. Travis Bayless carried the ball 11 times for 54 yards. Victor Luciano had 24 yards from 10 carries. In all, the Greyhounds had 180 rushing yards and 73 passing yards.

Said Coach Frick, "We are improving. Our kids are working hard. It is just a matter of putting the offense and defense together--playing both sides of the ball on Friday night." Coach Frick continued, "District play is wide open. It is like starting another season. It will be whoever plays best each Friday night, because all of our District teams seem to be comparable. I feel like we have as good a chance as anyone."

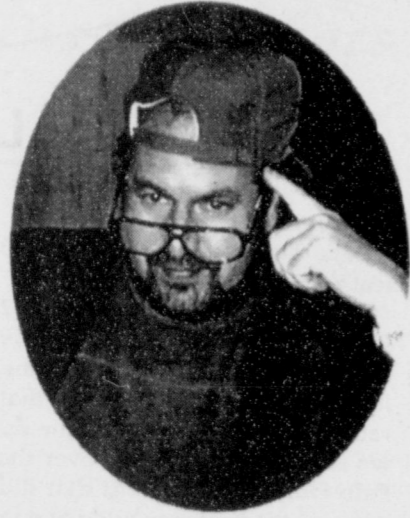

Gruver plays Panhandle this Friday night in Gruver.

This week during Homecoming, the 68 members of the Spearman High School Band will perform a special show prepared for Homecoming. The band is lead by Drum Major Cary Alvarado (pictured) and Band Director Randy Willis. The members of the Spearman High School Band would like to invite everyone to come to the football game on Friday night and support the Lynx! They would also like to take this opportunity to thank the School Board for their new uniforms!

City Manager, Kelvin Knauf, gave me a list of English signs found in foreign countries. Kelvin assures me that these are actual, factual, real signs. I can not personally testify that this is true since the farthest I have ever been from the U.S. is Oklahoma City.

Knauf's Knutty Signs

In a Bucharest hotel lobby: The lift is being fixed for the next day. During that time we regret that you will be unbearable.

Outside a Hong Kong tailor shop: Ladies may have a fit upstairs.

In a Bangkok dry cleaner's: Drop your trousers here for best results.

In a Belgrade hotel elevator: To move the cabin, push button for wishing floor. If the cabin should enter more persons, each one should press a number of wishing floor. Driving is then going alphabetically by national order.

In a Paris hotel elevator: Please leave your values at the front desk.

In a hotel in Athens: Visitors are expected to complain at the office between the hours of 9 and 11 A.M. daily.

In a Yugoslavian hotel: The flattening of underwear with pleasure is the job of the chambermaid.

In a Japanese hotel: You are invited to take advantage of the chambermaid.

In the lobby of a Moscow hotel across from a Russian Orthodox monastery: You are welcome to visit the cemetery where famous Russian and Soviet composers, artists, and writers are buried daily except Thursday.

In an Austrian hotel catering to skiers: Not to perambulate the corridors in the hours of repose in the boots of ascension.

On the menu of a Swiss restaurant: Our wines leave you nothing to hope for.

Open Letter

A letter to drivers:

Scruffy is dead. Maybe that doesn't seem too important to you...even if you were the one who struck the lovable yellow cat as you headed down 7th street to Roland last Monday afternoon. Oh, maybe you had a grocery list to fill or a homecoming event to attend. Who knows? But, whatever matter occupied your mind does not excuse negligence. And, it won't bring Scruffy back...ever.

Pets in any community are as valuable as its humans. They are, in fact, some of our "small children." And, though a youngster is often seen crossing a street, no one would strike it down leaving it to die, and just drive off. If you ever have the misfortune of unavoidably striking a pet, please take time to find out whose animal it was and offer your apology. And, if you've ever hit a pet on purpose, shame, shame on you.

Scruffy was a part of our family just as our kids and grandkids. We found him as an orphan baby, bottle fed him, and nursed him back to health. He never wandered the neighborhood. He comforted me when I needed it; he waited on the driveway every evening for us to come home. He played "catch the string" with my grandkids whenever they came to visit. Can you tell me what to reply to them when they ask, "Grandma, where did Scruffy go?"

If you have a pet, you understand what I mean. If you don't have a pet, or even if you don't like animals, you probably have a dad, mom, brother, sister, grandpa, or grandma. Imagine if you went outside one afternoon and found one of them dead on the sidewalk because a car had struck them and simply driven on. That's what you did to my Scruffy.

If you killed him, it is not too late to apologize. It won't bring him back, but at least maybe I won't feel like he died with such egregious insult and disregard. The address is 621 S. Roland St.

Sincerely,
Cindy Trent

He was a member of the First Presbyterian Church of Canadian.
 Mr. Brainard is survived by one son, E.H. Brainard of Pampa; one daughter, Mary Kathryn Christner of Wheeler; one nephew, E.B.P. McIntyre of Spearman; seven grandchildren and eight great-grandchildren.
 Graveside services were held at 10:30 a.m. Thursday, October 2 at the Edith Ford Cemetery in Canadian, with the Rev. Brad Walker, Pastor of the First Presbyterian Church, officiating. Arrangements were by Stickle-Hill Funeral Directors.

Focus On The Family

QUESTION: Considering how difficult it is to be good parents in this day and age, why should anyone want to have children? Is it worth it?

DR. DOBSON: Parenthood is costly and complex, no doubt about it.
 I'm reminded of a woman with seven rambunctious children who boarded a Los Angeles bus and sat in the seat behind me. Her hair was a mess and the black circles under her eyes revealed a state of utter exhaustion.
 As she stumbled past me with her wiggling tribe, I asked, "Do all those children belong to you, or is this come kind of picnic?"
 She looked at me through squinted eyes and said, "They're all mine, and believe me, it's no picnic!"
 The woman is right. Parenthood is no job for sissies. Am I suggesting, then, that newly married couples should remain childless? Certainly not! The family that loves children and wants to experience the thrill of procreation should not be frightened by the challenge of parenthood.
 Speaking from my own perspective as a father, there has been no greater moment in my life than when I gazed into the eyes of my infant daughter, and five years later, my son.
 What could be more exciting than seeing those tiny human beings begin to blossom and grow and learn and love? And what reward could be more meaningful than having my little boy or girl climb on my lap as I sit by the fire, hug my neck and whisper, "I love you, Dad."
 Oh yes, children are expensive, but they're worth the price. Besides, nothing worth having comes cheap.
 This question and answer is excerpted from the book *Dr. Dobson Answers Your Questions*. Dr. James Dobson is a psychologist, author and president of Focus on the Family, a nonprofit organization dedicated to the preservation of the home. Among The Neighbors

by Helen Fisher

James and Lyn Brown announce the arrival of a daughter, Lindsey Breann, on September 12, 1996. She weighed 10 lb., 10 oz. at Texas County Memorial Hospital in Guymon.

Two sisters, Jamie and Ashley, welcome her.

Grandparents are Mrs. Dorothy Turner, Spearman; Jim and Irene Turner, Jackson Gap, Alabama; Harold and Mary Margaret Brown, Holden, Missouri; one great grandmother, Alto Mae Brown also of Holden.

Due to the heavy soaking rains, there have been numerous cave-ins at the Hansford Cemetery. Freeman Barkley and Don Maize have been using a small tractor to refill them. However a few of the headstones have also been displaced. Resetting these stones is not a responsibility of the Cemetery Association. It might be well for any interested person to drive out to check the condition.

Tri-State High School Rodeo results for the county for last Saturday at Wheeler were Quentin Harper-1st Steer wrestling; Travis Holland-Levi Garcia Team Roping-2nd; Pake Mayness-Travis Holland-team Roping-6th; Jennifer Reimer-Goat Tying-9th; Shawna Mitchell Pole Bending-8th.

Don and Gloria Knox returned Monday after two weeks in Wyoming. They flew up to visit their son, Danny Knox and family, who moved there recently. Danny is manager of Coastal Chemical Area and his duties will be taking him to Canada and Alaska. He is a chemical engineer.

They live at Evanston, in the southwest corner of Wyoming, 80 miles from Salt Lake City. While there they drove thru the near-by Utah mountains, into Idaho, to the Tetons and made other scenic drives. Snow came on Monday, September 16 and on several other days but the roads were kept open, and otherwise the weather was fine. They were delighted to watch the game come to their back fence, deer, elk, etc. They also enjoyed fishing the streams in the area. Don, with his pleasure in fishing and hunting, was tempted to just stay on.

Ray and Carolyn Gressett left last Tuesday for Rogers, Arkansas where they met their daughter Cindy and Tom Sinclair with children, Luke and Abby. They live in Pine Bluff. The Copper Mountain Lodge was their headquarters for the several days. The men fished and the ladies "antiqued" - and the children did some of both. They returned to Spearman on Sunday.

Estelle and Bill Jackson were in Amarillo for several days last week in the home of their son, Jim and Frances Jackson, who were on

vacation. They spent several days in Ouray, Colorado.

Bill and Estelle could hardly call their stay "baby sitting" since one grandson is 16 years old and 6 feet tall; the other is five years old which made for variety in entertainment.

Ray and Sylvia Robertson enjoyed a birthday observance over the week-end for their daughter, Brenda Annen. She and Claude and children, Cody and Sage, came from Nazareth. After their departure on Sunday, Ray and Sylvia drove to Liberal to attend the wedding of their niece.

Martha and Orrvill Latham spent a few days last week in Waco visiting her brother and sister. They had planned to visit other places also, but the weather was unpleasantly hot and humid. They came back home-arriving on Friday-which was definitely not hot and humid!

Greg and Shonda Odegaard and children, together with his parents, Elaine and Roger, spent the week-end in Wichita Falls. They met his sister, JoAnne and Mark Holly of Huntsville. It was the first meeting of Greg and Shonda with the son who was born to them in April.

Jim Turner visited last week here in the home of his daughter, Lyn and James Brown. He is from Jackson Gap, Alabama and came to get acquainted with his newest granddaughter, Lindsey Breann.

Norma and Buddy Payne of Ralls spent the week-end with her parents, Ernest and Louise Archer. They were surprised and pleased by the trip out to Palo Duro Lake.

Some Spearman couples missed the big rains here but were in some lighter rain at Canton, Oklahoma Lake for about ten days. Nordine and Robert Cochran, Odell and Mickey Fannin, Ben and Marian Upchurch and Edwin Percy took their trailers for a very enjoyable, relaxing vacation. They were somewhat abashed to report no fish, claiming the lake, with all the overflow from the rains, was too full for good fishing. That didn't dampen their pleasure and fellowship.

Matt Dunnihoo, 7th grade son of Carol and James Dunnihoo, is back in school and actually looking forward to playing football again as soon as his broken arm heals.

Matt, in the Thursday game against Stratford, went to recover a fumble and was struck on the left forearm by a Stratford player's head and helmet, breaking the radius. Fortunately Matt is right handed, so is not too handicapped.

Julie Martin and Judy Martin spent three days in Oklahoma

City last week. They attended a convention of tole painters. In addition to attending some classes, they did some shopping. They returned on Sunday, bringing their new knowledge and new purchases.

Guests in the home of Kelly and Sid Sawyer last week were her parents, Larry and Pat Parker. They live in Belton and came in for the 12th birthday of grandson, Colby.

A student feeling that correct spelling is unimportant would feel differently if he had been selected "Defensive Player of the Week" and it was printed "Defective Player of the Week".

"A prophet is not without honor, save in his own country" could be said of Spearman Mayor Buchanan. Few, if any, in Spearman knew that the Mayor had served the area in so many capacities until the announcement of his award was printed in last weeks issue.

Everett Vanderburg was rushed to High Plains Baptist in Amarillo from his rural home with a severe heart condition on Friday night. Their daughter, Linda Davis, on Monday states that he is out of C.C.U. and in a private room. He is doing as well as can be expected and is hoping to return home shortly.

Hoyt Biles underwent laser surgery on Tuesday at High Plains Baptist. Until the modern medical methods were utilized, the surgery would have been considered major. However in a couple of days he was able to return home and is recovering rapidly.

It was bound to come-so many words or titles are referred to by initials, the same ones are having to do double duty-some are so similar, it could be confusing. Imagine a farmer making comments at what he thought was a CRP meeting, only to learn he was attending a CPR meeting!

There is great jubilation as the Texas Rangers Baseball team is in

the division play-offs for the first time ever. There would be more jubilation if the team had won it, rather than the Mariners losing which gave the first place to the Rangers.

AHA Advice

About 52 percent of U.S. adults have blood cholesterol levels of 200 milligrams per deciliter and above. At that level, says the American Heart Association, the risk of coronary heart disease begins to rise sharply.

To reduce your risk of heart disease, follow these American Heart Association dietary guidelines: keep fat to less than 30 percent of calories, saturated fat to less than 10 percent of calories, cholesterol to less than 300 mg per day, and sodium to less than 3,000 mg per day.

SHS WORKS UP NEW PROGRAM

BY JULIE SCROGGS

Multiple Occupation Co-op Training, headed by Mrs. Nelson, was added to Spearman High School this year. MOCT works with the students that are currently employed. Seventeen students are enrolled at this time. These students have the privilege of leaving school early, but they must go to their job. The students must also maintain passing grades and their employment. Every week they make out their work hours to go in the file and if they have any problems, they must talk to Mrs. Nelson about it. The MOCT class meets 2nd hour. Some of the students are employed at: Gordons, Palo Duro Cafe, Mur Murs, Ivey's, Lowe's,

Rob's Repair Service, J&M Service Center, and First State Bank. Mrs. Nelson said, "Their jobs seem to be going fine. Some students work as many as thirty hours a week." Our first worker profile is Van Baumgardner. Van, the son of Carl and Janeen Baumgardner, is a senior. He has worked at Ivey's for two and a half years. Not only does he work at Ivey's, but he also checks oil and gas wells for Carl Archer on Saturdays and Sundays. Van gets to leave school at 2:15 on A days, and at 12:10 on B days. When asked how he feels about the program, Van said, "I feel it has helped me out in many ways especially in getting more money." Keep up the good work, Van!

Extra Annuals For Sale

By LACEY MIESNER

Help!! We have over 80 annuals left from last year's 1996 sale. They are \$30 each and will be available until they are all sold. The 1997 annuals will be sold for \$27 each on October 7th-November 4th. They will be sold until November 11th at then \$30 each. Next year no extra annuals will be available, so be sure and order them during this school year. If you are interested in reserving a copy of the remaining 1996 annuals, please contact Mrs. Thomas at Spearman High School at 659-2584.

JUNIOR UPDATE

Class dues of \$20 must be paid, or you must see one of the sponsors to make other arrangements. If you do not take responsibility for one of these options you will receive a fine of \$5 making your dues \$25. If you have any questions see one of the following sponsors, Mrs. Mathews, Mr. Ramsey or Mrs. Strawn.

EXTRA RULES ARE ADDED

BY LACEY MIESNER

New school home game rules have been added to the high school home game policy. If anyone were to leave, they must have another ticket to return back to the game. Athletes with purple passes will give them to the gate tender, and they will give them to the coaches. If the athletes leave they too will have to buy a ticket. Also, no beverage containers will be allowed by anyone into the stadium. These rules must be followed when attending a home game. If they are not followed, they will be enforced.

© NOTICE ©

This year's first report card will go out on October 2nd. Because it is printed on a laser printer, it will look slightly different. It will only be one copy, and it must be signed and returned when due.

Spearman's Cross Country Shows Who's Boss

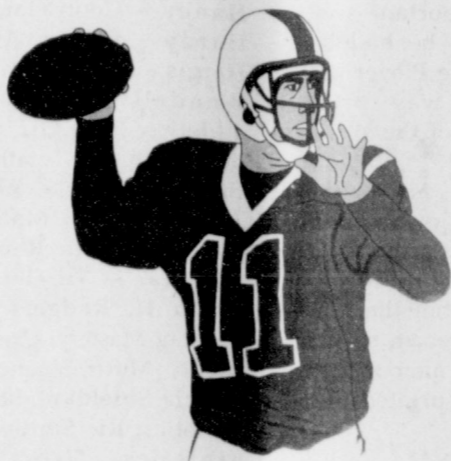

Victorious Once Again - (top picture) The varsity boys celebrate a great meet. (bottom picture) The varsity girls smile with joy.

By JENNIFER LAXSON

Spearman High School has something to smile about due to the accomplishments of this year's cross country team. We are blessed to have some new comers to our team including this year's freshman. Spearman High School's team is, so far, ranked fourth in state. The first meet was held at Borger on September 7. Results of this invitational were fantastic. Jason Banks received second place with a running time of 16:56.9 and Kristin Beedy received sixteenth place with a running time of 13:24.0. Other qualifiers were Jeremy Mackie, eighteenth place, with a time of 18:37.5 and Casey Villines, twenty-second place, with a time of 18:42.7. The varsity boys ran a three mile course while the girls team had a two mile course. September 14 the Wolf Creek Classic in Perryton was held. Jason Banks received sixth place at this meet. September 21 a meet was canceled and Spearman was unable to participate. Only two more meet remain before the district meet; the twenty-fifth Amarillo Invitational (held at Thompson Park) on September 28 and the Lake Meredith Classic on October 12. October 21 will be the district meet held at Canadian. "We are going to try our best to beat Boy's Ranch. If we do our best and stay injury free, I do not see why we can not go to state." stated junior participant Jason Banks.

This year has been exciting to the student this year and everyone is enjoying the experience. "Cross Country keeps me in shape and I think it is a lot of fun." stated freshman participant Casey Villines. Not only has the varsity teams done well, so has the junior varsity and junior high. The varsity boys team includes Jason Banks, Dwayne Creel, Phillip Creel, Jeremy Mackie, Jaime McDonald, Eugene Ortega, Nathan Pipkin, Mario Puentes, and Casey Villines. The varsity girls team includes Shayla Barber, Halee Beasley, Brittni Beedy, Kristin Beedy, Kasey Duniho, Brooke Lesly, Keshia O'Quin, Marissa Rodriguez, Camille Smith, and Lindsey Smith. The junior varsity includes Brea Archer, Samantha Beasley, Tara Butt, Misha Davis, Leslie Holton, Gina Kunsleman, Gale Mayfield, Jennifer Neff, Holly Pipkin, Amber Ramon, Macy Shieldknight, Lisa Swink, Mindy Tigrett, Brooke Trantham, Dynell Vera, and Syd Woodington. The junior high girls "A" team includes Jennifer Browning, Monica Cantu, Katrina Cole, Amber Elliot, Cheryl Gibson, Laura Gillaspie, Misti Hand, Haley Lombard, Nicole Lozano, Chelsea Nollner, Jenn Schell, Tashi Schumann, Clara Shieldknight, Adrienne Simpson, Amanda Thompson, Leslie Wider, and Audrey Winegardner. **GOOD LUCK** to all participants as they finish a successful and rewarding year!!!

Homecoming Week at SHS

By: BRANDI WILLIS

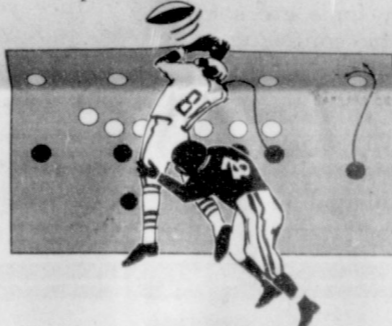

Homecoming this year will be on Friday, October 4, and everyone's looking forward to some great events that are taking place.

Daily dress-up events at SHS are planned. Monday is "Scare 'Em Day," or come as you are. Tuesday is "Celebrity Day" when students can dress up as their favorite celebrity. "Twin Day" is Wednesday and "Bag the Bobcats" (where you dress up as bag

people) is Thursday. Homecoming spirit is tied into "Purple Pride Day" when students wear purple.

Instead of a bonfire this year, nightly activities are planned. On Monday night, students will be participating in "Find Coach Waldo" at the volleyball courts. Tuesday night, fans can watch "Powder Puff Football," and Thursday night the annual "Snake Dance" will take place.

Homecoming week is always a week of fun. This year's events are bound to be the best.

NEW TEACHER AT SJHS

By TERESA GOMEZ

Upon returning to school, Spearman Junior High students found that an addition had been made to the faculty. Mrs. Rodgers joins the faculty as the new Resource and Content Mastery teacher.

Mrs. Rodgers comes to Spearman from Campo, Colorado and is in her ninth year of teaching. When asked what she enjoys most about her job, she said she enjoys working with the kids.

She was inspired to become a teacher after she began working as an aide. She developed an interest in helping kids learn, so she went back to college and earned her teaching certificate. Her goal for the students in her class this year is for each student to reach his or her goal by learning the most he or she possibly can.

Mrs. Rodgers has shown great interest in kids and their education. She is a great addition to the faculty at SJHS.

SHS STUDENT COUNCIL NEWS

By MARIBEL MARTINEZ

The SHS student council has hit the 96-97 school year at full throttle. This year not only will they serve as the communication channel between students and the administration, but will sponsor activities which affect the lives of SHS students.

Although the bonfire will not be a part of the homecoming festivities, student council members and sponsor Mrs. Derington have decided to let classes compete by sponsoring the following activities:

- Monday-"Find Coach Waldo"
- Tuesday-"Powder Puff" game
- Thursday-"Snake Dance"
- "Bean the Bobcats"
- Night-free burritos

The student council will also be handing out the spirit notes. They will be given out during the October 4 (Homecoming), October 11, and October 25 home games.

This school year is far from being over, and the student council hopes to do much more before the 96-97 school year chapter ends. Some of the upcoming events are as follows.

- October 21-25 Red ribbon week
- October 30 Blood drive 9:00 A.M.-3:00 P.M.

FROM OLD TO NEW!!!

Keisha O'Quinn, Jennifer Neff, Lindsey Smith, and Misha Davis shine their pearly whites while they work hard at the NEW and improved concession stand!!

By STACY DELACRUZ and BRANDI BURCH

With the new track received last spring, Spearman High School received new reconstruction on the concession stand. The contributions and construction workers consisted of our school janitors. Junior class sponsor, Mrs. Matthews, stated, "It works out really nice, it's also easier on the workers and for the people, overall it's GREAT!" This new mag-

nificent plan, was also established by Mrs. Strawn, Junior class sponsor. Maribel Martinez, a fellow Junior student quoted, "It's really neat, but besides being neat it brings life to our school and represents us very well!"

The concession stand is not quite yet finished, all we need are our customers! So come on out when Spearman takes on Childress, October 4th for our annual Homecoming game!

Collard Appointed Director At Global R&D

In alignment with its new corporate structure, Dow Global Core Technologies Research and Development (R&D) has appointed three new Global R&D Directors. Randy Collard, Jesse Roeck, and Allan Fowler will be responsible for the direction of Dow global research efforts in the core capability areas of Computing and Information Technology, Analytical Science, and Engineering Science, respectively.

Computing and Information Technologies includes New Product and Math Modeling, R&D Computing, and Commercial and Technical Library Services and has personnel in 10 sites globally.

Collard joined Dow in the Louisiana Analytical Instrumental Laboratory in 1978. He was made supervisor for that area in 1985 and then named

Group Leader for Chromatography & Analyzer Development in 1987. In 1990, Collard was named Research Manager for Louisiana R&D Engineering Sciences. In 1993, Collard accepted a position as Manager for Computing and Simulation in the C&IT laboratory in Midland, Michigan and then Laboratory Director for Michigan site C&IT in 1995.

Collard obtained his B.S. in Chemistry at Trinity University and his Ph. D. in Analytical Chemistry from Louisiana State University in 1978. He is the son of George and Dorcas Collard of Spearman. Collard is married to Vicki (nee Rosenbaum) Collard, daughter of former Spearman residents L.W. and Tot Rosenbaum. They have two children: Megan, eleven, and Matt, nine.

Gruver teams came away with a win, a loss, and a tie in home action Thursday evening against the Sunray Bobcats.

After a scoreless first half, the Gruver seventh grade battled to a final 8 to 8 tie. Sunray's lone score came on a pass play in the third quarter while Gruver's touchdown came on a 51 yard run by Kade Carthel in the fourth quarter. Quarterback Ryan Abernathy scampered into the end zone to tack on the final two points. Gruver also recovered three fumbles in the game. Oswaldo Santillian pounced on two loose balls while Israel Azarte accounted for the third. The tie brings the Gruver seventh grade season to 1-1-1.

The Gruver eighth grade team suffered their first loss of the season as they fell to Sunray 38-0. Brady Hart recovered a Sunray fumble early in the game, but the Hounds were unable to capitalize and score. Much of the game was played in a cold, light rain. The Hounds will be back with a vengeance next week as they take on the Highland Park Hornets, a team they beat in the first game of the season. The eighth grade has a 2-1 record for the season.

The Hound junior varsity accounted for the lone win of the night with a 20-6 victory over Sunray. The entire game was played in a cold rain which caused numerous fumbles and miscues. In the first half, Jeff McClure blocked a punt and several Gruver players recovered fumbles, but the Hounds were

unable to convert their fortune into points.

After a scoreless first half, the Hounds took control of the ball in the third quarter following a high snap to the Sunray punter on the Sunray 31 yard line. Dallas Henson scuttled into the end zone for Gruver's first touchdown, but the PAT attempt failed.

Sunray's score came as a result of a Gruver fumble on the Hound 27 yard line. The Bobcats' two-point try was unsuccessful.

In fourth quarter play, Jared Christian scored on a 3 yard run with Dallas Henson adding the extra two. Christian later chalked up Gruver's final touchdown following a fumble recovery on Sunray's 2 yard line, but the Hounds' two-point attempt fell short.

The Hound's seventh grade, eighth grade, and junior varsity will take on the Highland Park Hornets Thursday at Gruver. This will mark the last separate seventh and eighth grade games of the season. The remaining games will be played with a combined seventh and eighth grade team as Gruver begins play against teams in the 1-1A District October 10th.

GHS Remodels Varsity Gym

by Harletta Carthel

Gruver High School held its first pep rally in its newly remodeled varsity gym on Thursday, October 3rd. Remodeling work consisted of a new lowered acoustic ceiling, complete with new lighting and ceiling fans. New bleachers have replaced the old seating area which was original to the gym.

Much of the remodeling was done by Maintenance Supervisor Kenny Red, with the help of a summer crew of students.

Mr. Red reports that several items were found when the old bleachers were removed, including a 1953 perfume sample from Gruver Chevrolet, an old varsity schedule, several silver half dollars, a tardy slip issued by Ray Etter in the sixties, a pair of old-style gym shorts, several homework papers, and numerous coat hangers.

Reye's Syndrome Awareness

submitted by Linda Winegarner

Reye's Syndrome is a very serious disease that everyone should know about. Reye's Syndrome usually affects people from infancy through young adulthood; however, no age group is immune.

Although Reye's generally occurs when someone is recovering from a viral illness, such as the flu or chicken pox, it can develop 3 to 5 days after the onset of the illness. Its main targets are the liver and brain. It is noncontagious, and too often is misdiagnosed as encephalitis, meningitis, diabetes, poisoning, drug overdose, or sudden infant death.

Early diagnosis is crucial. An individual should be watched during the next 2 to 3 weeks following a viral illness for these symptoms, usually occurring in this order:

- *Relentless or continuous vomiting
- *Listlessness (loss of pep and

energy with little interest in their environment)

- *Drowsiness (excessive sleepiness)

- *Personality change (such as irritability, slurred speech, sensitivity to touch)

- *Disorientation or confusion (unable to identify whereabouts, family members, or answer questions)

- *Combattiveness (striking out at those trying to help them)

- *Delirium, convulsions, or loss of consciousness

Reye's Syndrome should be suspected in anyone who vomits repeatedly. Phone your doctor immediately if these symptoms develop and voice your concern about Reye's Syndrome. If your physician is unavailable, take the person to an Emergency Room promptly. Two liver function tests (SGOT, SGPT) can be done to determine the possibility of Reye's Syndrome. There is a 90% chance of recovery when Reye's

Syndrome is treated in its earliest stages by physicians and nurses experienced in its treatment.

Studies have shown that using aspirin or aspirin-containing medications to treat the symptoms of viral illnesses increases the chance of developing Reye's Syndrome. If you or a member of your family have a viral illness, do not use aspirin-containing medications. In fact, you should consult your physician before you take any drugs to treat the flu or chicken pox, particularly aspirin or anti-nausea medicines. Anti-nausea medicines may mask the symptoms of Reye's Syndrome.

The National Reye's Syndrome Foundation (NRSF), the U.S. Surgeon General, the Food and Drug Administration, and the Centers for Disease Control recommend that aspirin and combination products containing aspirin not be taken by anyone under 19 years of age during fever-causing illnesses.

Aspirin is a part of the salicylate family of medicines. Another name for aspirin is acetylsalicylate; some drug labels may use the words acetylsalicylate, acetylsalicylic acid, salicylic acid, salicylate, etc., instead of the word aspirin. Currently, there is no conclusive data as to whether other forms of salicylates are associated with the development of Reye's Syndrome. Until further research

has answered this question, the NRSF recommends that products containing any of these substances not be taken during episodes of viral infections.

The NRSF is a nonprofit, tax-exempt organization with affiliates located at 43 states. The NRSF has pioneered the movement to disseminate knowledge about the disease in an effort to aid in early diagnosis and also provides funds for research into the cause, cure, care, treatment, and prevention of Reye's Syndrome.

For additional information, please contact: National Reye's Syndrome Foundation, 426 North Lewis-P.O. Box 829, Bryan, Ohio 43306 or 1-800-233-7393 or 419-636-2679 or Fax: 419-636-3366 or e-mail: reyesyn@bright.net http://www.bright.net/~reyessyn

"The King And I"

The Guymon Community Theatre will present the musical "The King and I" on October 3, 4, at 8:00 p.m.; October 6 at 2:00 p.m.; October 10, 11, 12, at 8:00 p.m. The theatre is located at 413 N. Main Street in Guymon, Oklahoma.

This musical, written by Richard Rodgers and Oscar Hammerstein, is the first production of the 18th Season.

The play opens as Anna Leonowns and her son are traveling to Siam from England. Anna has been commissioned by the King to teach his children English and other subjects of the modern scientific world. The play is about the relationship of the old ways to the new and the collisions that can occur when cultures meet cultures, and in this case, when East meets West.

LOVE HOME HEALTH INC.

ALFREDO VARGAS - PRESIDENT/OWNER
CAROLINE VARGAS - ADMINISTRATOR/OWNER
 The major reason that families call LOVE HOME HEALTH INC. to care for a patient with skilled intermittent nursing care at home, is professional dependability. For years now, people throughout McCulloch county and the surrounding area have relied on their professional nurses, physical, speech and occupational therapy, home health aids, post surgery care, IV therapy and dietary counseling to care for patients during convalescence or rehabilitation. LOVE HOME HEALTH INC. offers the skill of hospital care in the comfort of your own home.
 When you visit their office at 214 S. Blackburn in Brady or phone 597-2598 or toll free 1-800-722-1284, we want you to know that you're talking with compassionate, knowledgeable professionals. They will arrange the precise care that your patient needs. No wonder so many people have recovered with LOVE HOME HEALTH INC. on hand and so many families have been assured that they received the best of care!
 LOVE HOME HEALTH INC. is a Medicare and Medicaid certified organization ready to serve you day or night, whenever you need professional care. Private insurance approved and private pay is accepted too. In this 1996 Fall Business Review, we congratulate their exceptional staff and commend them for their patient care.

Carden Receives Gift

Kayla (Katie) Carden attended the Tri State Fair on Thursday, September 19, 1996. She stopped at a booth by Bruce's Kennel of Amarillo, to look at some puppies. She longingly adored the puppies, but could not afford to buy one.
 To her surprise, a family from Plainview - Terry, Brenda, Melissa, and John Carter, saw her admiring the puppies and asked if they could buy one for her.
 She and her grandmother, Martha Ross, would like to thank these wonderful people with all their heart! (She named her new friend "Carter.")

HIGH PLAINS SPORTS MEDICINE CENTER
It's A Whole New Game.

Why should a football injury end your season? Today, our team is breaking new ground in sports medicine. We're even returning players back to the field in better shape than before their injury.

Dr. Keith Bjork is an internationally trained knee surgeon. And we're connected to the area's premier health care system, Baptist St. Anthony's.

High Plains Sports Medicine Center is on your team, with all-star players. Dr. James Rogers is an orthopedic surgeon and former doctor for the Houston Oilers. Dr. Neil Veggeberg is the region's specialist in sports rehabilitation.

Your team even includes licensed athletic trainers, physical rehabilitation specialists and nutritionists for the most advanced care possible. That's peace of mind. And as athletes, our treatment is also from a personal perspective. That's peace of mind and body.

Call High Plains Sports Medicine Center today. See why It's A Whole New Game.

Miniscopic Deep-Canal Hearing Instrument Now Available

Our office is happy to announce that we are currently fitting a completely in-the-canal hearing instrument. This remarkable new hearing instrument is discreet and comfortable to wear. Its placement deep in the canal of the ear (see illustration at top) makes it barely visible. Others may not recognize you are wearing a hearing aid. The Miniscopic is the smallest hearing instrument ever manufactured by NU-EAR. Call now to schedule an appointment for your hearing assessment and consultation.

Hearing tests are for hearing aid selection and not for medical diagnosis of hearing loss. © 1994 NU-EAR/OTC 03/94/54
