Food Manager Training Offered June 26-27

Texas restaurants are required by law to have certified food managers. To train these service professionals, Texas Cooperative Extension of Hansford county will offer a manager certification course called "Food Safety: It's Our Business" on June 26-27.

The event will be at the Fellowship Hall of Spearman Church of Christ, 121 S. Haney in Spearman. The deadline for registration is June 15.

"This hands-on learning experience equips participants with the latest food safety principles and practices to prepare for the examination," said Peggy Winegarner, Extension Agent Family and Consumer Science in Spearman.

The course fee of \$89 includes training, materials and the state food manager certification examination. A test-only option is available but recommended only for those with a strong food safety background. Cost for the test without the training is \$50. New food manager certificates are valid for five years.

On average, one in four Americans become sick each year from a food borne illness. One in 1,000 people are hospitalized and 5,000 die from ingesting unsafe food.

Course instructors will teach ways to identify potential hazardous foods, prevent common errors in food handling, and methods preventing contamination and cross-contamination of food. Other topics will include personal hygiene for employees, compliance with governmental regulations, clean work area, utensil and equipment maintenance in addition to safe pest control methods.

Dates, locations and contact information for the certification opportunities across the Panhandle is available online at <http://foodsafety.tamu.edu>.

For details about the course in Spearman, contact Winegarner at (806) 659-4131.

Shedeck Sisters Named 2007 Heritage Days Queens

Leona Shedeck Sikes

Leona Shedeck Sikes, and her sister Adelaide "Dolly" Margaret Shedeck McWhirter have been selected as the Heritage Days Queens for 2007.

Adelaide "Dolly" Margaret Shedeck McWhirter was born November 14, 1923 in Yukon, OK, the second child of Harry and Margeret Shedeck. Leona was born near Yukon, OK in 1925.

In August of 1929, the Shedecks moved their children, Richard, Dolly and Leona, to Spearman.

Dolly attended Spearman schools, where she played trombone in the band. She was also very active in 4-H and was the first Gold Star Girl of Hansford County. After graduation in 1941, she attended Wayland Baptist College prior to transferring to West Texas where she met Jack McWhirter in 1942.

Jack and Dolly married in August, 1943, while Jack was stationed at Amarillo Air Force Base. A year after the birth of their first daughter, Cynthia, they moved to Canyon, where Jack completed his B.S. Degree in Agriculture in 1947. Shortly thereafter, they moved to Spearman to begin farming with Dolly's parents. Their

second child, Lloyd, was born in December of that year. Their third child, Marla Jo, followed in 1954.

Dolly was an active member of many community and personal interest groups such as the Home Demonstration Club, Jonquil Flower Club, and the Eastern Star. She and Jack square danced and bowled together for several years. She also served the community as the chair for the Red Cross Blood Drive several times.

As members of the First United Methodist Church, both Dolly and Jack were very active - she taught Sunday School for many years and served as the Superintendent of the Children's Sunday School as well as working in the Methodist Women's group. (There was always a casserole or dessert ready in the freezer for a church function or grieving family.)

Jack and Dolly traveled on many Lay Witness Mission trips, often taking high school students along with them. The McWhirter's were also Spearman's first American Field Service host family in 1965, when Geir Berge Overland from Norway, arrived to live with them for the year. Geir quickly became another member of their family.

Dolly and Jack were always in attendance for their children's school and extra curricular activities - 4-H, boy scouts, basketball, football, piano recitals, etc. Dolly was active in PTA with all three children. From the stories told, her favorite school events had to be the trips with the band to Enid, OK. (You've heard the saying, "What happens in Enid, stays in Enid?")

Dolly was not only supportive of her children, but also of her husband of 59 years. Jack was a very active charter member of the Spearman Chapter of Rotary International. As an Assistant Governor, they had to travel to other chapters, both serving Rotary in their own capacities.

With all these activities, Dolly still managed to be an accomplished homemaker. Not only was she a great cook, Dolly was an excellent seamstress, skilled at furniture refinishing, decoupage, and tole painting. Sewing seemed to be her first love and eventually, Jack and Dolly opened a fabric store, Kaleidoscope, and then she took up quilting. And what beautiful quilts she has created!

Leona also attended Spearman schools, graduating with the class of 1942. Going to college was in her future plans since she wanted to be an elementary school teacher. She graduated from West Texas State College (now WTAMU) in 1946 and moved to Portales, NM, where she taught 4th grade students and later 2nd grade.

It was in Portales that she met Noble Sikes, who had recently been discharged from the U.S. Navy at the end of World War II. They were married in December of

Adelaide "Dolly" Shedeck McWhirter

1948, and continued to live in Portales, where they raised two sons and two daughters, who graduated from Portales schools. Her husband died in 1990. Leona now has two daughters-in-law and five grandsons.

Her hometown of Spearman has always been important to her and she and her family visit often. Her parents, Harry and Margaret Shedeck and her brother, Richard, are deceased, but she always enjoys a visit with her sister and her family. She still looks forward to the Spearman paper each week for news from the area and keeps up her subscription to the Hansford County Reporter-Statesman.

Richard, Dolly and Leona have shared their family history by supporting the Stationmaster's Museum with many items on exhibit and donating the Shedeck Barn, in honor of their parents, Harry and Margaret Shedeck. This barn houses, among other things, the covered wagon used by Harry and Margaret Shedeck as charter members of the Rolling Plains Mule Train.

Lullabies, Legends & Lies

by Parson Smith, the Prime Minister of Laughter

Some times it is hard to understand some people.

David Shepherd is a biology professor at Southeastern Louisiana University who recently completed a study of human behavior.

Professor Shepherd put rubber turtles on the highway and watched and recorded the actions of 22,000 motorists.

87% of the drivers swerved to miss the turtles. A small percentage did nothing at all. But 6% went out of their way to try and kill an innocent animal.

One trucker went so far as to cross the center line, into the opposite lane and onto the

shoulder of the road to try and kill a turtle.

A few years ago, I would not have believed that. I thought that people, by nature, were good.

I have discovered something different. Some people, albeit a small percentage, are just plain evil. They will kill just to watch the suffering.

One thing that I have noticed... These people pretend to be just like everyone else. It is only after they strike that they are discovered. Not much can be done about them.

But when we finally do find out who they are, we certainly do not have to support them.

Words from Faith & Grace

by Cecil R. Biggers, Lutheran Lay Minister

We begin the season of Pentecost, "Lord show us the father." We begin the study of the Holy Spirit in Acts 2:1-21, Psalm 104:24-34, 35b, Romans 8:12-25, and John 14:8-27.

The Feast of Pentecost comes fifty days after the Passover, it celebrates the giving of the law to Moses and the barley harvest. One hundred twenty believers were assembled in a large upper room when the Holy Spirit descended upon them; immediately they start speaking in tongues and go forth with the "good news". The first recorded Christian sermon is Jack Webb-like, "Just the facts, Ma'am, just the facts". Peter tells the crowds that they have witnessed the "Day of the Lord", the day God has broken into human history. To paraphrase a nineteenth century theologian, "to set the world on fire for Christ, you must first burn a little yourself". Note in this scripture that with the Apostles there are 108 lay people sharing the gospel. In modern day Namibia, in Africa, 50% of the people are Lutheran Christians, 85% of the people are Christian. This is a higher ratio of believers than we have. This fire of the Spirit was not solely the result of the first two missionaries to appear, but of the two villagers who went back to their villages to share the gospel of hope they had found, and each villager then shared, etc. The Psalmist sings of the greatness of God, the Creator, the Master of the Sea. A reminder that the nature of God appears to us in the nature of His creation.

Paul assures us that all who are "led" by the Spirit are children of God. He uses the legal example of Roman adoption whereby the adopted child 1) lost all rights to his old family, received all rights in his new family; 2) became an heir to the estate of the new parent; 3) in law, the old life is completely "wiped out"; 4) the child becomes absolutely the child of the adoptive parent. Similarly in the Spirit we are dead to our old life, we are heirs of the Kingdom, we are absolutely the children of God. Our "adoption" is complete when we are received in Heaven. Know that "sanctification" is the process by which we are moved from sinner to saint, a child of God.

Peter has just asked Jesus, "where are you going?" Thomas asks, "how will we know the way?" John next shows us Philip saying, "show us the father". Jesus explains that the Father is in Him and He is in the Father. For those unable to grasp this, He says, "believe me because of the works themselves". In Jesus, God has shown us that he is not ashamed to live as a man, to be tempted, to reveal his true nature. Jesus assures us that anything we ask in his name; He will do. Consider dear Christian that the test of love is obedience. The word used for "name" is the Hebrew 'Shem' which has the meaning of all the accumulated testimony of the character of the man "named". Hence if we live in love, in obedience to Christ Jesus our prayers will be "in" Him and not like Janis Joplin's "O Lord won't you buy me a Mercedes-Benz?" We are then promised that we will not be left to face the world alone, we have an advocate, the Holy Spirit. This Spirit gives us the peace that passes all understanding, Shalom!

State Capital HIGHLIGHTS

AUSTIN - The 140 day regular session of the 80th Texas Legislature ended on May 28.

The House and Senate completed the essential task of settling on a budget - \$153 billion - covering fiscal years 2008-2009.

The state budget for 2008-2009 includes a set-aside of \$7.5 billion for property tax relief in 2010-2011.

Commanding the bulk of attention, however, was House Speaker Tom Craddick's battle to withstand challenges to his authority in the final days of the session.

Members from both major political parties cited parliamentary precedents and House rules in attempts to be recognized on the House floor so they could move to conduct a vote to vacate the chair.

Had such a motion been recognized and a vote taken, Craddick, R-Midland, might have been forced to step down. Then members could have elected another speaker to serve out the remainder of the session.

Three days before the session's end, Parliamentarian Denise Davis and Deputy Parliamentarian Chris Griesel, who had advised Craddick all session long, abruptly resigned

their posts.

A short time later, Craddick appointed former state Reps. Terry Keel and Ron Wilson as parliamentarian and deputy parliamentarian, respectively. The pair guided Craddick through a maze of questions from the floor.

Craddick, Keel and Wilson ran down the clock, repeatedly responding to members with rulings that it is the speaker's absolute right to choose to recognize or not recognize a member to make a motion. In effect, "You will not be recognized to make that motion," was the pat response. Attempts to be recognized subsided as lawmakers saw the opportunity to pass legislation slipping away.

Craddick said he plans to run for a fourth term as speaker, but he will face competition. The list of House members who have expressed a desire to succeed Craddick includes Republican Reps. Fred Hill of Richardson, Jim Keffer of Eastland, Jim Pitts of Waxahachie, Robert Talton of Pasadena and Brian McCall of Plano, and Democratic Reps. Senfronia Thompson and Speaker Pro Tempore Sylvester Turner, both of Houston.

The 81st Legislature will convene in January 2009. Craddick and challengers will have 18 months to get promises of support from colleagues.

Major legislation gains passage

Despite time lost in efforts to unseat Craddick, legislators still managed to push through and pass about 1,500 bills. Here are the effects of a few of them:

- A water plan benefiting Houston, Dallas, San Antonio and other thirsty metro areas and giving
- additional law enforcement officers and technology to aid in border and homeland security operations.
- Constitutional amendment letting voters decide in November if the state of Texas should borrow \$3 billion for cancer research over the next decade.
- Deadline for the governor to veto bills is June 17.

Our Sympathy

RALPH DELANO "DEL" CLUCK

SPEARMAN - Ralph Delano "Del" Cluck, 72, died Monday, June 4, 2007.

Services will be at 10:30 a.m. Friday in Gruver United Methodist Church with the Rev. George Price officiating. Burial will be in Gruver Cemetery by Boxwell Brothers Funeral Home of Spearman.

Del was born Dec. 7, 1934, in Dalhart to Sam and Faye Cluck. Del grew up in Gruver and graduated from Gruver High School in 1953. After attending Texas Tech, Del returned to Gruver where he was involved in farming and ranching until his death.

He married Barbara Bort on June 22, 1956, in Gruver. For the first seven years of their marriage they made their home 20 miles west of Gruver. In 1953, they and their two children moved into Gruver, residing at 608 Womble until they built their home at 202 Etling, where they have resided ever since.

Del and Barbara had the wonderful opportunity to travel extensively during their marriage, visiting such places as Alaska, Hawaii, Mexico, Europe and the Holy Land. They also enjoyed many golfing trips and played bridge every Wednesday and Sunday night for 40 years with their good friends, Buddy and Frances Murrell.

Del was a member of Gruver United Methodist Church and the Wesley Sunday School Class. For many years he was a member of the Methodist Men's Quartet, singing at numerous venues across the Panhandle, including Ceta Canyon, with Rod Barkley, Carlie Knight and Buddy Murrell. Until his eyesight failed, he played the piano for Sunday church services and sang in the church choir. He served on the Gruver School Board from 1968 to 1974, serving as vice president from 1972 to 1974. For many years he served as president of Gruver Elevator Inc. and S&C Grain Co. Because he saw firsthand the blessing of the hospice program, he participated in the hospice training and served as a volunteer until his health began to fail.

He was preceded in death by his parents; his in-laws, Ralph and Beulah Bort; and a brother-in-law, Jim Jones.

Survivors include his wife of nearly 51 years, Barbara; a daughter, Nanette Haines and husband Tom of Roswell, N.M.; a son, Brad Cluck and wife Mary of Amarillo; three granddaughters, Bennett and Maison Haines of Roswell and Maddie Cluck of Amarillo; a grandson, Samuel Cluck of Amarillo; three sisters, Pat Burleson and husband Andy of Gruver, Sammie Hurt and husband Mike of Amarillo and Mary Lou Mathews and husband Steve of Spearman; a sister-in-law, Peggy Jones of Hillsborough, Calif.; two aunts, Lou Cluck of Amarillo and Dorris Cluck of Spearman; numerous nieces, nephews and cousins; and "his" dog, Pooh Bear.

In lieu of flowers, the family suggests memorials be to United Methodist Church, 506 Broadway, Gruver, TX 79040; Hansford Hospice, 707 S. Roland, Spearman, TX 79081; or a favorite charity.

RONALD JOHN "ROCKY" ANTALEK

HAYESVILLE, KS - Ronald "Rocky" Antalek was born March 29, 1932, to Frank R. and Elizabeth Hranek Antalek. After a long illness he passed peacefully from this life on May 30, 2007. Family and friends are deeply grateful to the Hayesville, KS Healthcare Center and Trinity Hospice personnel who cared for Rocky and his needs with devoted attention.

Rocky was a veteran of the U.S. Air Force, stationed at Lackland AFB (50-51). He fell in love with Texas and after his discharge, remained in Texas, mainly Gruver. Other places he lived for a short time were Higgins, Pampa, Perryton, Bovina and Lubbock, returning only briefly to his place of birth, Endicott, NY and to Buffalo, NY where he grew into his teen years. In his later years, Rocky moved to Mobile, AL, his health deteriorated, so his son Terry moved him to Wichita, KS. He became a good mechanic and handyman, but Rocky's passion was music. He composed music and enjoyed playing the guitar and singing with friends. He touched many lives.

A grandson, Micah Antalek, preceded him in death. Survivors include sons Ronnie Lee and wife Beverly of Spearman, Terry Lynn and wife Khrista of Wichita, KS, stepdaughters Brenda and husband Don Fielding of Plano, TX, and Tonya and husband Mike Yanke of Gruver, TX, and several grandchildren. Also surviving are brothers Robert and wife Mary Antalek of Bellevue, Ohio, Francis and wife Mary Jo Antalek of Toledo, Ohio, sister, Mary Ann Geampa of Hamburg, NY, step-sister Gayle and husband Joseph Deskovich and stepbrother Gregory Antalek both of Lement, Ill. Several aunts and uncles, numerous cousins, nieces and nephews cherish his memory also, along with the family of Todd and Ann Browning of Channing, TX and many other friends.

There will be no formal services, as Rocky asked his remains be used for education.

The family request memorials be to a favorite charity.

ALICE FAYE MILLER

Out at the Lake

June 4, 2007 - Lake level - 28.26

Lake Palo Duro has changed dramatically since I last wrote this column. The eight foot rise in the lake level has really made a difference. The lake covers three hundred surface acres, up one hundred thirty. The lake contains approximately two and one half times more water than it did. While the water does not cover the bridge, at least there is water under it. The lake always drops after a good rise, as the water saturates dry ground. The additional rains we have received have helped to minimize the loss. Both creeks are running into the lake today, from last night's rains.

The map shows a fairly good description of our watershed. The picture shows the Palo Duro Creek flowing, which has not happened for quite some time.

The park has never looked better! Everything is green and growing faster than we can mow. The winecups in the park behind the dam are at their peak, and worth the drive out to see them. Many wildflowers can be seen in all areas. Don't forget the repellent, as the mosquitoes are plentiful at dusk.

I still have not seen a new fawn, though I think it should be any day. Small turkeys can be seen occasionally. The swallows and scissor-tails are nesting and diving at my dog. A roadrunner jumped up to the window sill and pecked at his reflection for ten minutes. The noise got my attention.

We had five campers for the weekend.

First National Bank used the group shelter on Saturday evening, and the Methodist Church on Sunday morning. Both days were beautiful with no wind.

Spearman Scholarship Foundation awards \$43+ to graduating seniors

2007 is the 15th year the Spearman Scholarship Foundation have helped graduating seniors in their quest for higher education. This year scholarships totaling more than \$43,450 were awarded to 39 graduates and seven continuing scholarships were awarded to previous SHS graduates.

The Spearman Scholarship Foundation is sponsored by the Spearman Rotary Club, who appoints a board to oversee the money, enforce application rules, solicit donations, as well as deciding how the money is distributed. The current board members are: Haley Shields, Charles Shieldknight, Jim Derington, Richey Thompson, Mary Dixon, Dwayne Mitchell and Bill Pittman.

All graduating seniors are eligible and need only submit an application through the school counselor, Krista Baird.

Half of the scholarship funds are issued to the school the student will be attending for the first semester. To receive the other half of the money, students must complete the first semester with at least a 2.50 GPA. It is also required that each recipient write a note of thanks to the sponsoring person or business who funded their scholarship.

Anyone wishing to make a donation to the Spearman Scholarship Foundation is invited to do so by contacting any of the above mentioned board members.

SHS student receives scholarship from BBBS

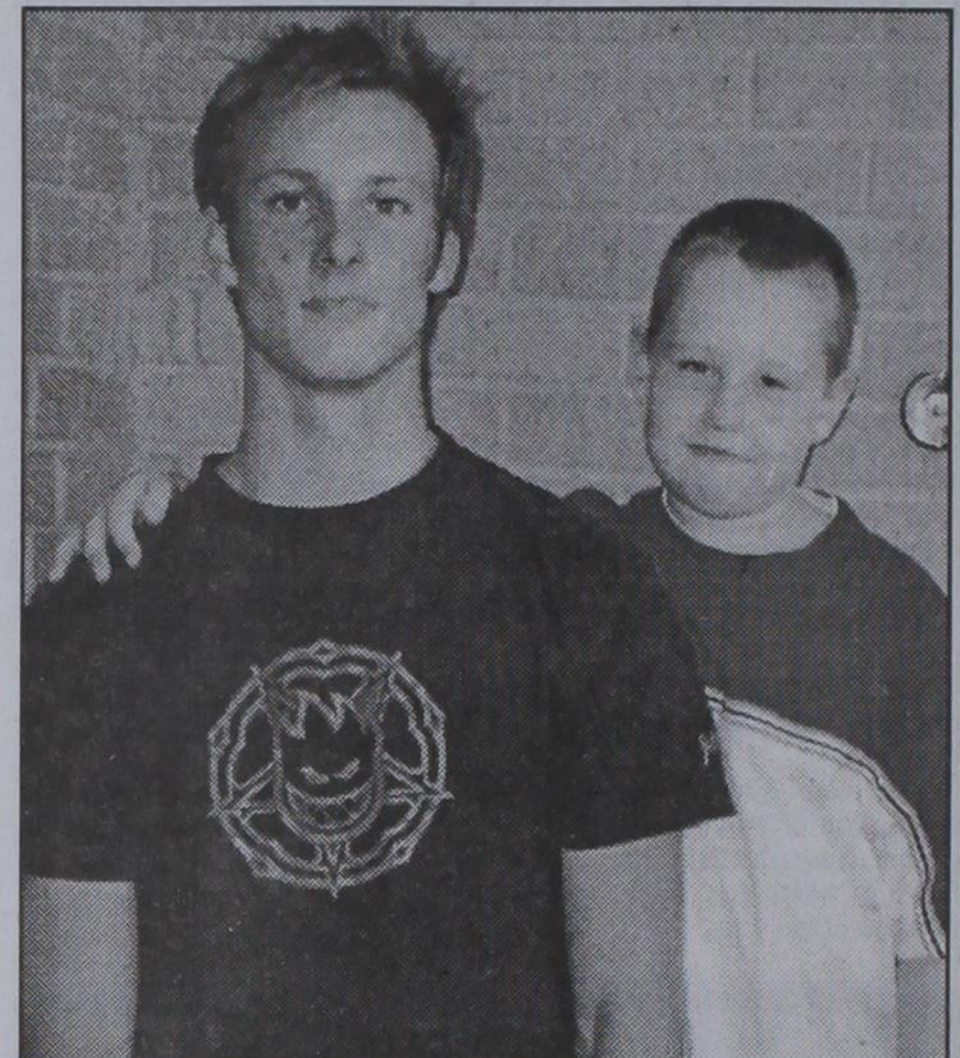

Spearman High School senior, Brynn Garnett, has been awarded a scholarship from Big Brothers Big Sisters. He will receive a \$200 scholarship from the agency. The scholarship, to be used for books or tuition, is awarded to seniors who volunteered as mentors in the organization's Bigs in Schools program. Coby Cator, Hope Coutts, Elizabeth Smith and Zach Mills were the other recipients this year.

Garnett was matched with his Little Brother, Alex, in October 2004. They met weekly at Spearman Elementary and enjoyed playing games or basketball or Frisbee.

"We get along pretty well," Alex said. "It's fun when I'm with him."

"The most rewarding aspect of being a mentor was watching Alex grow and learn," Garnett said. "As well as hearing him voice that he would like to become a Big Brother too."

Bigs in Schools matches caring mentors with students who can benefit from individual attention. They meet 30-45 minutes once a week during the school day on the school campus and do not have contact outside of school. As a result, students often improve in the areas of self-confidence, attitudes toward school, and relationships with peers and adults.

Over 85 students were matched through the Bigs in Schools program in Perryton, Spearman and Booker this year; sixty-six high school students served as mentors. Many elementary and junior high students need mentors for the 07-08 school year. Volunteers are being enrolled now so that matches can begin as soon as possible once school starts. Men are especially needed. Those interested in volunteering may contact Kimberley Lopez, program coordinator, by calling 434-0016.

Lozano and Comp Attend Girl Scout Super Seller Party

Lauren Lozano and Anne Marie Comp, both local Girl Scouts from Troop #169, were invited to the area-wide Girl Scouts Super Cookie Seller Party on Saturday May, 5th.

The invitation was extended to those who sold the most cookies in their troop. Lauren and Anne Marie met with other Girl Scouts for a fun day at Wonderland Park.

The Girl Scout Council also hosted a Pizza Party for the girls. Both Lauren and Anne Marie won door prizes, which were presented to them by News Channel 10 news anchor, Matt LaBlanc.

Following the awards ceremony, the girls spent the rest of the day riding rides and enjoying the company of fellow Girl Scouts.

Lauren, who sold 436 boxes of cookies, is the daughter of Ramon and Jennifer Lazano.

Anne Marie sold 396 boxes of cookies and is the daughter of Dwayne and Bea Comp.

The Spearman Girl Scouts as a whole, sold approximately 2000 cases of cookies.

The Girl Scouts would like to thank those in the community who helped make this cookie fundraiser a great success.

Anne Marie Comp and Lauren Lozano

Spearman Stingrays begin 2007 season

The Spearman Stingrays Swim Team participated in the first league meet of the season Saturday, June 2 in Scott City, Kansas.

More than 40 swimmers are busy with 2-a-day workouts and are working hard to fulfill their goal of making this one of the best seasons on record. Jay Pack returns as Head Coach assisted very capably by Ashly Patterson, a former team member who's pool records at several locations still stand.

In preparation for the upcoming home meet on Saturday, June 23, team members have kicked off a "Gas-give-away Fund Raiser" in cooperation with

Golden Spread Sales Co. Tickets are available now from any team member or at Golden Spread for \$250 in free gas. The drawing for this exciting prize will be held Friday, June 15. The winner does not have to be present to win and will be announced in the local media.

Mark your calendar and plan to attend the Spearman meet which will host several teams from Oklahoma and Kansas as well as our own fine Stingray swimmers. It will be an exciting day of intense swimming competition.
