Lynxettes Roll Past Lubbock Roosevelt 50-31

The Spearman Lynxettes will head the Region 1-2A girls basketball tournament for the second straight year after defeating Lubbock Roosevelt 50-31 in the regional quarterfinal game.

Spearman (22-6) tipped off against Lubbock Roosevelt (23-8) at 7:30 p.m. at Canyon High.

Spearman — which won District 1-2A — reached the region tournament last year by beating Littlefield, 48-45.

Roosevelt lost to Littlefield last year in the area round.

The Lady Hounds were able to hold off an upset minded Lockney team on Friday night, February 10th to advance to the Region 1 Regional Quarter Final game. The game was tight throughout with both teams trading leads in the first half. Tough defense by LHB in the second half held the Lady Horns to 16% from the floor, enabling the Lady Hounds to earn their 31st win, but more importantly

a spot in the next round of the State playoffs. The Gruver Lady Hounds didn't have the best start to their Region I-1A Division I

area playoff game Thursday night against the Lockney Lady Longhorns. But their finish is what mattered.

Patience and fitness prevailed late as the No. 6 Lady Hounds earned a 45-31 win be-

fore about 500 fans at First United Bank Center in Canyon. Gruver (31-3) advanced to a regional quarterfinal game at 6 p.m. Tuesday at Amarillo High Activity Center, where the Lady Hounds will face the winner of Friday's

area game between Sunray and Clarendon. Gruver coach Rod Been said he and his players weren't expecting the tight, pressure defense the Lady Longhorns (18-14) brought early, which kept the Lady Hounds out of rhythm offensively in the first half and forced them to take errant shots.

"I think they defended us better than I thought they would," Been said. "They're ath-

letic, and I think the credit goes to them." Gruver scored the first six points of the game and held a 9-3 lead with 5:44 left in

the first quarter after a 3-pointer from senior guard Shelley Gibson. Lockney closed the gap to 9-7 to end the quarter and seemed to have control of the game when senior Anissa Reyna hit a 3-pointer and jumper to give the Lady 'Horns

an 18-13 lead with 3:08 left. Gruver ended the half on a 7-1 run, though, capped by a 3-pointer from Nikki Beasley with about five seconds left — which Been said after the game was one of

Gruver's ill-advised shots. Gruver came out for the second half more patient on offense, which Lockney coach

Lisa Schumacher said was a factor as the half wore on. "They're just very patient about running an offense and taking care of the basket-

oall," Schumacher said. "We weren't able to stop that from a defensive position. "I'm very proud of my girls."

The game remained tight until the middle of the fourth quarter, and the Lady Hounds finally had control when Beasley hit a jumper with 2:22 remaining to give Gruver a

Gruver had two players reach double figures — seniors Kaysha Bass and Madison McLain, who scored 15 and 14, respectively.

Reyna led the Lady Longhorns with 11 points, all in the first three quarters — including eight in the second quarter.

Been gave credit to Gibson and her defensive play — a leader on Gruver's state hampionship cross country teams — for Reyna's lack of production in the second half, which was a key factor in Gruver's success.

"Shelley finally wore down Reyna, and she wasn't able to get to the paint as efficiently in the second half," Been said. "I think it came down to fitness, in that match-

up, and that was huge to be able to keep her out of the paint." No. 6 Gruver 45, Lockney 31

Gruver Girls Receive Superior Ratings at Vocal Contest

For the first time in several years, Gruver had 2 girls attend vocal solo contest. Zoe Cantrell and Macy McLennan have been working very hard over the past months to be able to compete at contest. Not only did they compete, but both of these girls received superior ratings on their solos and Macy McLennan will be advancing on to state contest. We are very proud of these girls and we look forward to watching their vocal talents flourish!

This Sunday marks the beginning of the

Season of Lent. Lent is the time in the Church year

which offers us the opportunity to search our conscience

to consider the implications of our baptism, and to assess

which 'side' we are really on. We study Genesis 9: 8-17

animals; the innocent. The second is about a grieving

God whose creation, man, was pronounced good, but

who has chosen the path of sin over God's path. The sec-

ond shows us the destruction of the evil; yet, the eight

righteous are saved. At the end of this story, God makes

a covenant with Noah that he will not destroy the earth

again by water. We can take from this that God cares for

us as sinners and that God has a way of calling us back

to him; but, ignoring the call can lead to our destruction

Some believe that Jesus brought the Gospel to the re-

Century church fathers made this into Jesus descending

into hell to bring the Gospel to those who had died be-

fore the days of Noah (yet the source of this belief is the

Gospel of Nicodemus, which was not widely adopted by

the Church and is not today a part of our Bible). Learn

wilderness to determine how he will accomplish his mis-

with the wild beasts and that the angels waited on him.

This indicates that Jesus was in harmony with nature.

The Parker in Illinois in 1819, she moved to Texas with her father, James W. Parker, and family and married Luther Plummer in 1833. In May 1836 their settlement was attacked by a large group of Indians. Five settlers were taken captive: Rachel and her son James Pratt Plummer, Cynthia Ann and John Parker, and Mrs. Elizabeth Kellogg.

James Pratt was taken from Rachel, and she never saw him again. Rachel became a slave to the Comanches, and traveled thousands of miles with the band. She was pregnant at the time of her capture and bore a second son about October 1836. The Indians thought that the baby was interfering with Rachel's work, so they killed him weeks old.

Rachel was ransomed by Mexican traders north of Santa Fe in June 1837. Several months later, Rachel's brother-in-law escorted her back to Texas, where she was reunited with her husband. In 1838 she published an account of her captivity entitled Rachael Plummer's Narrative. It described the twenty one months of servitude as a prisoner among the Comanche Indians. This was the first narrative about a captive of Texas Indians published in Texas.

Rachel bore a third child in 1839 and died in Houston shortly thereafter; the child died two days later.

Elliott Named Citizen of the Year

Charles Elliott was named the Citizen of the Year during this year's Spearman Chamber of Commerce Membership Banquet.

Charles was born and raised in Amarillo. He has been involved in the construction/home repair businesses for over 40 years. He started travelling to Spearman 1973, and he and his family to Spearman in 1977.

Charles worked at

Spearman ISD as head of the maintenance department from 1990-1996.

Over the years he has been involved in many community activities and organizations. He was a Jr. High Sunday School teacher for about four years, has been involved in the Spearman Booster Club and was the coach for the Spearman Swim Team from 1992-1996. He helps the Boy Scouts when they need anything.

He has also served on the City of Spearman, serving as Mayor pro-tim, and the Economic Development Corporation, serving as President. While serving in these capacities, he helped with bringing the cotton gin to Hansford County, as well as helping with the Spearman Fire Department.

One of the things I am most proud of is that the due to the quality of our fire department, our local

insurance rates are lower than most towns of our size," stated Charles.
