Behold, The King

SHS November Students of the Month

The Spearman High School November Students of the Month are Mindee Gillaspie and Garrett Griffin.

Mindee is the daughter of Dick and Leann Gillaspie.

She has received the following honors during high school: 1st team All-District Basketball, 1st team All-Region Basketball, 2nd team All-State Basketball, Lynette Basketball Player of the Year, Team State Track Champion, TAAS Academic Recognition in English and Reading, Texas Baptist All-State Choir (2 years), All-State Solo in 2001, All-State Solo in 2002, All-State Ensemble in 2002, and Hugoton All-Tournament Team in 2001. She is a member of the National Honor Society, the varsity basketball team (4 years), varsity track team (3 years), varsity tennis (1 year), and varsity cross country (2 years).

Mindee stated that the teacher who was most influential in her school years was Ms. Blankenship.

Following graduation she plans to attend college and major in International Business or Athlete Training. She would also like to play college basketball.

Garrett is the son of J.L. and Jo Lynn Griffin.

He has been a member of the National Honor Society for three years, was elected class favorite his freshman and sophomore years, and has been on the student council for three years, currently serving as vice-president. He has participated in cross country, tennis and basketball for three years. He received the Speech award his freshman year. He is a member of the First Christian Church.

Garrett stated that the teacher who has been most influential in school is Mrs. Turner and Mrs. Jones.

After graduation he plans to attend Texas Tech University or West Texas A&M University and major in business management or financial consulting. His goal in life is to be successful in whatever he decides to do.

Booth Completes Internship with Stenholm

Katie Booth, a senior at Texas Tech University, recently completed a Congressional internship in the Washington, D.C. office of Congressman Charlie Stenholm. She was one of seven students selected for the fall semester of the Texas Tech President's Congressional Intern Scholarship Program.

"Living in Washington, D.C., working on the Hill, and touring the East Coast has been the experience of a lifetime. I would recommend this opportunity to anyone interested. Were I given the chance, I would do it all over again," Katie commented.

As a part of the internship, Katie participated in various activities including researching legislative issues, corresponding with constituents, and leading United States Capitol tours. "During the three-and-a-half months I interned in D.C., I was able to witness so much: the anniversary of the 9/11 tragedy; the Iraq Resolution; a winning election for Congressman Stenholm; a lame duck session; the passage of the new Homeland Security Department; and many more top experiences."

Katie particularly enjoyed being able to work for a Texas Tech Alumni, Congressman Stenholm. "It is a real treat to see a fellow Red Raider who has done so well for himself and continues to do great things for not only the 17th District of Texas, but the nation as well."

Though Congressman Stenholm is not her hometown Representative, Katie did appreciate the opportunity she and the other Tech interns had of meeting with Amarillo's Congressman Mac Thornberry and Texas Tech's Congressman Larry Combest.

While in Washington, Katie was able to extend her learning experience beyond D.C. to see much more than the local attractions. While venturing across the East Coast, Katie was able to visit areas of Maryland such as Annapolis and Monticello in Virginia. Katie even ventured as far as Boston, Massachusetts, Boothbay, Maine, and Niagra Falls, Canada.

Katie is a 1999 graduate of Tascosa High School and is the daughter of Richard and Becky Booth of Amarillo. She will receive her degree in Business Finance and Economics from Texas Tech University in May 2003. She is the granddaughter of John and LoRee Booth of Spearman.

Open Letter

To whom it may concern:

As a combat vet I see the horrible side of war. Not like our president who was guaranteed to not be on the front line and saw the good side (MONEY SIDE) of war.

I am worried about us going to war. It's something that most American public only understand from the point of view of success, or at least no effect.

I believe if our president had actually seen combat he would not be doing what he is doing. If you read his history, his dad made sure he did not see combat. Which is interesting because he, the dad, did see combat! Maybe he knew his son should not see it.

Please read the history about one of our past presidents, Eisenhower - his thoughts etc. He was one of our greatest presidents.

I believe that most Americans do not have a clue what they are getting into.

God bless America. Will He, GOD, agree if we are the aggressors? Especially if we cannot prove the man has the ultimate weapon? Is it clear and present danger? Who is really wanting this war? Is this a son trying to take up the downfall or finish what a father did? I do wonder about that.

Just who is going to benefit from this? The oil and weapon lobbyist are very strong in Washington. Would you let a family member go and fight at this point?

I know 9-11 comes into play here (or does it)? But does it justify this action? Do we want the U.S. to be the aggressor? Please think before people are killed (and Americans will be).

If we prove the monster, (who I think was abused as a child himself) is making horrible weapons, lets go for it.

I know I am a minority. But I was a minority during the Vietnam war - I actually had to fight. As a Christian man I have to think, would God approve of this. In my mind He would not approve of this unless it was clear and present danger.

The poor and minority's will do most of the fighting. The rich will profit. That seems to be the American way, especially from the time of Vietnam. You can call me a callous old war vet if you like, but who better to talk about war than those that have experienced it and suffered from it - not those who have seen it from a distance.

GOD BLESS THE U.S.A.

Glory to God in the Highest

For unto you is born this day in the city of David a Saviour, who is Christ the Lord.
And this shall be a sign unto you; Ye shall find the Babe wrapped in swaddling clothes, lying in a manger.
And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, "Glory to God in the highest, and on earth peace, good will toward men."
Luke 2:11

May the love, peace and hope of this holy season bless you now and always.

Eta Alpha Chapter News

The Eta Alpha Chapter of Delta Kappa Gamma met at Williams Elementary in Perryton on Saturday, November 9, 2002. President Bobette Doerrie called the business meeting to order. Officer committee reports were given by Barbara Richardson and Minta Wilson.

Patt Howard, Legislative Chairman, handed out a booklet with information on the Government Pension Offset and the Windfall Elimination Provision. The information included addresses, email addresses, and a sample letter that each member might use as a guide in contacting our representatives in Washington in an effort to get these bills repealed.

Following the business meeting an open legislative forum was held. The speakers for the afternoon were Roy Pennington and Dwayne Walker. They provided more information on the Government Pension Offset and the Windfall Elimination Provision. Each speaker allowed a question and answer time. Refreshments were served at the conclusion of the forum.
