Vanderpol concluded by saying that Borunda planned to enlist in the armed forces after graduation and to make the service a career. Not long after they set up their homestead of a small 11' x 16' dugout, Mrs. Stump was tested to see what grade placement she needed. Although she was still very young and had only been taught at home by her mother, she was placed into the sixth grade. Mrs. Stump's niece and caretaker for the last two years, Laverne Arnold, said, "This made things very difficult for her. She had only been taught at home and this was a high grade placing for her." Nonetheless, despite this adversity, Mrs. Stump later went on to do many activities relating with education.

She has taught many places not only throughout Texas, but also various other states. After graduating in 1921 from McPherson College in Kansas, Mrs. Stump went on to teach at Bloom, Kansas - her first teaching job. She has also taught in Ohio, Dunhioo (a small school outside of Waka in 1915), and after the death of her father in the 1940's, she moved and began teaching at Waka.

Not only is Mrs. Stump a qualified teacher, but she is also a fully licensed minister. She started her preaching career in the 1930's, a time when a woman minister was hardly accepted. She first attended Betheney Bible College in Chicago,

"Everybody has done real well on the 32 cent stamp increase, but there are still a few changes and also things that have not changed that has not come across quite so clearly," stated Postmaster George Finley. "Several of the items have not changed at all, and I think that is where the confusion is coming from," Finley later stated.

To clear up any confusion, the following rates are correct: every additional ounce did not go up but stayed at 23 cents, the certified letters were \$1.10 but are now \$2.52, express mail went up from \$9.95 to

I had envisioned mountain lions, since they are big cats, to be social animals. A pride of lions in Africa makes us think of the beautiful male lion surrounded by his harem of lionesses. Our mountain lions, on the contrary, are very solitary and secretive. A male has a territory of as much as 100 square miles that he defines by scrapes, which are formed by pushing his hind feet backwards in a kicking motion. This leaves two scratch marks six to eight inches long with a mound of debris at the end on which the lion urinates. Spearman

Dear Friends.

According to many letters we've received and comments we've heard, there's concern in Spearman that your Dairy Queen® store is closing forever, never to reopen. Let me personally reassure you that this could not be further from the truth! Construction is underway on the Spearman Dairy Queen® store, and it will be reopening again soon.

Your support and concern for the continued operation of Dairy Queen® in Spearman is greatly appreciated. And rest assured, we'll soon be open again for business, serving up your favorite DQ® Treats & Eats.

Again, many thanks for your care and support

Sincerely,

arner

Lynxettes continue winning ways

Spearman Lynxettes - 70 Sunray - 39

In what looked like a scrimmage last Friday night, the Spearman proved to be awesome and only one Lynxettes did a thrashing on the Sunray Lady Bobcats, 70-39.

The Lynxettes, as usual, led the entire game, with the exception of a 2 point difference of 14-16 in the fourth. They started the game by blowing out Sunray, 15-7 in the first quarter of play, and they even widened the gap further in the second, 27-12, and the third, 14-4.

Ashly Shieldknight kept the pace going for the big blow-out for the Lynxettes by putting in 20 astonishing points. Shieldknight went to town in the first quarter of play by making 4 field goals. In the second, third, and fourth quarters, Shieldknight made 2 field goals for each quarter - the only Lynxettes' player to make at least 4 points every quarter of the game. Kara Townsen took a breather in the third quarter, but not before she was able to knock in a field goal and a free shot in the first quarter and put in 2 field goals and 2 free shots in the second quarter. Townsen did miss 2 free shots in the fourth quarter, but made up for the miss with 2 field goals.

Macy Shieldknight and Misha Davis were the only other Lynxettes to make double figures, both with 10 points each. Macy put in a deuce of field goals in the first quarter and went on to make a field goal each quater there after. Davis had a hot second quarter in which she went 2-2 from the penalty stripe and made 2 field goals, and she went on again to make 2 more in the third.

Lindsey Smith has definitely adjusted to her shot up with the big girls. Smith barely missed double figures by making eight points, all which were in the second, third, and fourth quarters. Shayla Barber was able to sink in a field goal in the second, third, and fourth quarters to give her 6 points. Although Kelly Shieldknight only made 3

Hooker hands GHS to make a 3 the entire game.

Again, the Lynxettes' defense Sunray player, Grajeda, made double figures.

Spearman Lynxettes - 45 Borger - 32

The Spearman Lynxettes were hard at it again last Tuesday night, as they went south of the county line to take and defeat the Lady Bulldogs of Borger, 45-32.

With the exception of the second quarter, the Lynxettes dominated the entire game. They took the first easily, 12-4, they were edged out of

three, 11-8, and kept their lead in the fourth by taking it, 15-12.

The Lynxettes had an impressive 64% from the free throw line, which were all made by Shayla Barber, Kara Townsen, Macy Shieldknight, and Ashly Shieldknight.

Kara Townsen played like she was on fire again by putting in 17 Lynxette points. Townsen's points came on a couple of field goals and a free shot in the first quarter, a free shot and a field goal in the second, 3 field goals in the third, and went 3 for 4 from the charity stripe. Ashly Shieldknight also

points, she was the only Lynxette the second 8-7, took the third by made double figures again by slamming home 12 points. Shieldknight was quiet in the first quarter, but more than made up for in the second by putting in a field goal and 2 free shots, 3 free shots in the third, and 2 field goals and 1 free shot in the fourth. Shieldknight went on to finish her night 6-7 from the penalty line.

> Shayla Barber scored points in the first and fourth quarters to give her six points. Macy Shieldknight hit a field goal and a free shot in the first quarter to end her game at 3. Lindsey Smith hit two field goals,

Lady Greyhounds down Lady Bulldogs, 59-43

The Gruver Lady Greyhounds the pretty lay-up. That gave Gruare playing great defense, and re- ver an 18 point lead in the third ally doing the job on offense, as they blitzed a decent Hooker Lady Bulldogs team 59-43 this past Tuesday night January 3 at Greyhound Gym in Gruver. Weslyn Maupin hit a Carthel scored those last points on jumper only 1:17 into the first quarter to give the Gruver gals 3-2 lead, and they were never caught after that.

There were three outstanding, electrifying, demoralizing-for-Hooker, plays that typified the Gruver victory. Kaysha Cluck drilled a trey with 1:25 left in the first quarter to give Gruver a 12-7 lead, after Hathaway had a fine game with 8 the Lady Bulldogs had cut it to 2 points. Then, opening the second half with a 25-18 lead, Cluck scored from under the basket after a terrific, bullet-like feed from Tisha Ralston, was fouled, and sank the free throw for a 3-point play to give the Lady Hounds a 28-18 lead. Then, Ralston made a spectacular save, flipping the ball back into M play near the half court line, and b Cara Hathaway met the ball there Rayne Lindsey - 4, Wendy

quarter, and the game was over. Gruver extended their lead to 20 points in the fourth quarter, 59-39, near the end of the game, as Kiki a nice 3-point play.

Maupin had 10 points, and really shined, second only in scoring to Cluck's 15. Amber Murrell was outstanding again, for the third or fourth game in a row, as she really can take charge now. Carthel, along with Murrell, had 9 points, and points and some nice rebounding.

Hounds a 56-49 loss

The Gruver Greyhounds met a very strong, 9-0 unbeaten, Hooker Bulldogs team this past Tuesday night, January 3, at Greyhound Gym in Gruver, and Hooker really showed their muscle in the first half. The Hounds could not cope with the strength of the Bulldogs inside, and their tremendous height advantage, and Hooker bulldozed to a seemingly insurmountable, 19 point, 31-12 lead early in the third quarter. The Hounds were being manhandled.

But this Hounds team is good, and they are playing good teams, and they don't know how to quit. They scored 8 straight points, to chop the lead down to 31-20, then cut the lead down to seven points several times in the third and fourth quarters. Then with 3:48 left in the fourth quarter, the Hounds cut it down to 6 on a Travis Ferguson free throw; then with 3:26 left, they cut it down to 4 on a pair of Brant Armes free throws, 47-43. You bet Hooker was worried!

But the Hounds couldn't get closer. With 1:58 left, Armes hit a

trey to cut it back down to 5, 51-46, but then Hooker took control again, building a 10 point lead before Roma Tomlinson hit a trey to end the game, with the Hounds losing 56-49.

Several young and older kids throughout Hansford County competed in the contest, and for this being such a large event with many competitors, the entire team did very well. Jentry Edwards, age 8, was one of these exceptional athletes by placing 1st in all 5 of her Division B events. She took home 1st in the for the 8 & U Butterfly with a time of :19.55, 1st in the for the 8 & U 50 Backstroke with a time of :43.66, 1st in the 8 & U 50 Breaststroke with a time of :50.43, 1st in the 8 & U Freestyle, 1st in the 8 & U 100 I.M. with a time of 1:40.82, and 1st in the 8 & U Girls high point winners with 35 - 10 points better than the second place winner.

"Your day could have been better. First, the car stalled in heavy traffic. When you finally arrived at work, the boss was growl-

ing. You were already behind on

a project when the school nurse phoned. 'Your child is ill. Please come right away!' What else could possibly happen?? Bad question

"Upon arriving home, dinner had burned and the pipes were frozen. How could anyone possibly be content after such a horrendous day? What is your magic combination?"

Contentment is not perfection, but the ability to cope with imperfection. After all, we live in an imperfect world. As the adage states, "Life is not fair ... but God is."

Visit your local church or synagogue this Sabbath. There you will find prayer and faith ... the combination to contentment. It's not magic at all. It's God.

Adrienne Simpson, age 12, took home several honors as well, as she placed among the top of her competitors 6 times in Division B.

As far as the team as a whole, the team of Golay, Pichcuskie, Brillhart, and Elliott finished 1st in the Girls Senior 200 Free Relay. The entire team finished 3rd in the meet with 340 points. This is quite astounding, considering that Spearman was one of the smallest towns there. The only teams that had more points than the club were two teams out of Lubbock.

Also, something should be said about Coach Charles Elliott. Charles has been with the team for some time now, and he goes above and beyond what should be expected of him. He manages to find time in his busy schedule as a Spearman High School employee to help and motivate these kids.

where she studied the ministry as well as nursing. Her first job in this new career began in Missouri, and her last was in Waka at the Church of the Brethen, in which she is a member of.

Mrs. Stump is truly a rarity. When asked what she contributes her longevity to, she only had one simple reply, "Well, I guess its just in my genes." That statement holds to true with just a quick look at her brothers and sisters. Bertha Leight, age 94, is one of Mrs. Stump's sisters who currently resides at the

Senior Village in Perryton. Bertha's older brother, Oliver Stump, age 95, is also very much alive, and he resides at Cushing, Ok. Ruth, the baby of the family at the tender age of 75, is another one of Mrs. Stump's sister. The only two of Mrs. Stump's sisters that has passed on is Viola, Laverne's mother, and Nora, who passed away at 81.

At the rate Mrs. Stump is now going it will be no surprise if she lives another 100 years, and as she always says, "It's too late to start any sooner."
