The WTAMU Opera Workshop and Symphony Orchestra will present the comic operetta Pirates of Penzance at 7:30 p.m. Friday, Oct. 17 and 3 p.m. Sunday, Oct. 19 in Mary Moody Northen Recital Hall on campus.

The production is directed by Dr. Cloyce Kuhnert, associate professor of voice, and conducted by Dr. Mark Bartley, assistant professor of music. The opera, written by Gilbert and Sullivan, premiered in 1879 and remains a popular staple of the operatic stage. It tells the story of young Frederic, who was supposed to be apprenticed to a pilot, but instead is sent to live with a band of pirates, thanks to his hard-of-hearing pures of-hearing nurse.

The opera features spoken dialogue intermingled with musical numbers including the famous tune, "I Am the Very

Model of a Modern Major-General."

"This is a fun and entertaining opera, suitable for all ages," Kuhnert said. "There are many famous tunes that the audience will recognize.'

Landree Steadman, a graduate student in music from Spearman, will play Edith. Tickets are \$7.50 for adults, \$4 for students and free for WTAMU faculty, staff and students with a Buffalo Gold Card. They are available in advance in the music office or can be purchased at the door.

Texas Crop & Weather

The following specific livestock, crop and weather conditions were reported by Panhandle Extension directors: Temperatures were slightly above normal. Soil moisture varied from surplus to very short with most areas reporting short to adequate. Corn was rated mostly fair to good with the harvest beginning in some counties. Warmer conditions were still needed to mature much of the cotton crop. Sorghum was mostly fair, but as with cotton, harvesting was limited as the crop needs more warm days to mature. Soybeans were rated good. Wheat was emerging and ratings varied from fair to excellent with most areas reporting fair. Range and pastures varied from very poor to good with most areas reporting good. Livestock were in good condition.

Accused Palin Hacker Pleads Not Guilty A Tennessee college stu-

dent has been indicted on charges of hacking into Sarah Palin's email account and posting private info online, the Knoxville News Sentinel reports. David Kernell, the 20-year-old son of state Democratic Rep. Michael Kernell, pleaded not

guilty. His trial is set for Dec. 16; he's free until then as long as he restricts his computer use to school work, doesn't leave Eastern Tennessee, and doesn't contact Palin.

Kernell could get up to 5 years in prison and a \$250,000 fine. "Cyber crime is the FBI's top criminal investigative priority," an agent said.

GRUVER - Following 16 years of bravely battling the complications of End Stage Renal Disease (ESRD), God called Max Arvyn Clawson home to rest on October 4, 2008. Born in a farm home near Hitchland, Texas, on September 14, 1929, to Bernice and C.H. (Dutch) Clawson, he was the oldest of eight children. He and his oldest sister, Wanda, rode their ponies, Prince and Black Beauty, to school at Hitchland. He graduated from Hardesty High School and attended Panhandle A&M College in Goodwell, Oklahoma. A veteran of the

U.S. Army, he served during the Korean Conflict.

On October 21, 1954, he and Doris Pauline Brune were the first couple united in marriage at Trinity Lutheran Church in Guymon, Oklahoma. They lived east of Hitchland until purchasing their farm northeast of Gruver, Texas, where they raised their three children, Debra, Tina, and Chad. His wife, Doris, preceded him in death unexpectedly in 1973. He farmed and ranched until hemodialyis required him to move closer to family and medical centers in the Dallas area. He always missed his Panhandle farm and lifelong friends but continued to make friends wherever he lived. He enjoyed speeding in his power chair to a game of poker or bingo and collected western art, gal leg spurs, donkeys, and replica cars and trucks. He had an incredible zest for life and will be dearly missed by all who knew him!

His family wishes to extend a special thank-you to the many nurses and doctors who lovingly cared for him during his lengthy medical journey.

He is survived by his 3 children, Debra Clawson Eckhart and her husband, Ed Eckhart of Plano, Texas; Tina Clawson Cooney, of Highland Village, Texas; and Chad Clawson of Idalou, Texas. Also surviving are two grandchildren, Dylan Cooney and Emma Kate Clawson, and six brothers and sisters: Wanda Stevens of Norman, Oklahoma; Rodney Clawson and wife, Jo Alice of Gruver, TX; Ella Mae Clawson of Irving, TX; Kirby Clawson and wife, Mary of Satanta, KS; Margaret Bell and husband, Charles of Gruver, TX; and Karen Seyb and husband, Bill of Johnson, KS.

In addition to his wife, Max was also preceded in death by his parents and one brother, Chuck Clawson.

Visitation will be Thursday, 9:00 A.M. to 8:00 P.M. and Friday morning.

Memorial services will be held Friday afternoon, October 10th, 2008 at 2:00 P.M. at Trinity Lutheran Church, Guymon, Oklahoma with Pastor Mark Wescoatt officiating. Graveside rites will be at 4:30 PM at Gruver Cemetery under the direction of Henson-Novak Funeral Directors of Guymon. Donations in lieu of flowers may be made to the National

Kidney Foundation, 30 East 33rd St., New York, NY 10016 or a charity of choice. You may sign the online guest book at

Words from Faith & Grace

by Cecil R. Biggers, Lutheran Lay Minister

their tears. The Psalmist sings a song that soothes all our troubles. the Lord is present wherever we are. God has not promised us that life is fair; he has promised that when it is our turn to confront the unfairness of life, we can handle it because God is by our side. The believer is not relying on the government, the military, or society for protection; the believ-

er's safety is the Lord.

Paul in his letter to the Philippians again urges harmony among two members of the congregation, salutes his fellow workers, and give some advice: "Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God which surpasses all understanding, will guard your hearts and minds in Christ Jesus." Paul in prison, writes the Philippians about to undergo persecution to rejoice! The word "joy" appears seventeen times in Philippians. Paul shows us that we can experience joy through Jesus Christ in even harsh circumstances. He also advises the Philippians to "whatever is true, whatever is honorable, whatever is pleasing, whatever is commendable, if there is any excellence, and if there is anything worthy of praise, think about these things. To keep from straying think positively; true joy in Christ comes from the deep inner assurance that Christ is with us always.

Jesus is still talking to the Chief Priests and Pharisees and gives the parable of the "King's Wedding Feast". A King sends forth invitations to his son's wedding. Many of the would-be guests make excuses not to come and even harm and kill some of the king's messengers. The King marches against these murderer's, kills them and burns their city. This is the nature of Kings in response to insubordination and insurrection. The King then sends his servants to find any they can and to bring them to his feast. We then see the King have one thrown out of the feast who does not have a wedding robe. Understand that the tradition was that the "King" provided the robes, and not to wear them showed contempt for the King. Again the Chief Priests and the Pharisees will be left out of the Kingdom of God and those who are "unworthy" will be allowed in who obey the King's command. [For a gentler version of this parable see Luke 14:15-24].

Truly Christ goes to prepare a place for us, and invites us to his 'banquet'. Do you accept or do you rebel? May the Holy Spirit guide you to the 'feast of God'.

University to Honor Donors at President's Honors Scholars Dinner

Individuals and corporations responsible for establishing endowed President's Honor Scholarships at West Texas A&M University will be honored at a special dinner at 7 p.m. Thursday, Oct. 16 at the Alumni Banquet Facility on cam-

Since 1992, the President's Honor Scholarship (PHS) program has been instrumental in attracting some of the area's best students to WTAMU, and current PHS recipients also will be guests at the dinner.

The University has two PHS scholarship designations— Presidential Scholarships are endowments of \$100,000 and President's Honor Scholarships are endowments of \$40,000. Contributions are given by an individual or group, and the donations can be a one-time gift, or payments may be made over time. The gifts are permanent endowments that are never spent; only the income is used to make scholarship awards. The Thelma and B. Raymond Evans Presidental Equestrian Scholarship is the University's newest Presidential Scholarship, and the five new President's Honor Scholarships are the Roberne Wilson Foran PHS in Music, the Eleanor Glazener PHS, the David D. and Nona S. Payne Foundation PHS, the Max Sherman PHS and the Woltz Family PHS.

Students receiving the scholarships must rank in the top 10 percent of their high school graduating class, score at least a 25 on the ACT or a 1200 on the SAT and be community leaders. To maintain eligibility, students must keep a cumulative grade point average of 3.4 or higher and carry at least a 15-hour class load each semester.

Donors are allowed to establish additional criteria for a scholarship, such as a preference on geographic area or major. The WTAMU Foundation makes every effort possible to match student recipients with donor preferences.

Spearman sophomore Andrew Eudy, a sports and exercise sciences major, received the Jim Foran Memorial President's Honor Scholarship.

Cecil Ralston

Cecil Ralston was born on December 20, 1924, at the Ralston homestead in Gruver, Hansford County, Texas. He was the third son of Robert H. and Lillian Holleman Ralston. Cecil grew up in the Gruver area and attended the Gruver schools. One of his favorite pastimes was to entertain his brothers and sisters by drawing cartoons.

In October of 1943, with his good friend Dayton Barkley, Cecil left school and enlisted in the U.S. Marine Corps. He and Dayton were sent to Camp Pendleton in San Diego, California, for boot camp, before being sent to the Pacific Theatre for the remainder of World War II. While in boot camp, Cecil achieved the designation of Superior Marksman. At the time of his enlistment, Cecil already had two brothers serving in the U.S. Armed Services: Jesse was serving in the U.S. Navy aboard the USS Liscombe Bay in the South Pacific; Orie was serving in the Marine Corps, and has been deployed to the Pacific front with the company that would later raise the flag on the island of Iwo

During World War II, Cecil was stationed in the Pacific Theater, and saw combat on the islands of Okinawa and the Ryukyua Islands. While in Okinawa, Cecil was found and taken to a hospital ship to see his brother, Orie, who had been critically wounded. He was always amazed that his superiors could find him amid all that was taking place on the island, and would transport him to see

In October of 1945, Cecil was assigned to the occupational forces in mainland China, where he saw many of the hardships confronting the Chinese people. He came to admire and respect many of the values and the knowledge of the Chinese, and had the opportunity to see much of China, including the Great Wall of China and the

Forbidden City. Many of the opportunities came as a result of his forming strong relationships and friendships with a Chinese doctor and his family. They opened the doors for Cecil to see many things in China that would not have been accessible to the ordinary Westerner. In 1946, Cecil as transported back to the United States aboard the battleship USS Missouri, the same battleship upon which the treaty was signed between the United States and Japan.

Cecil returned to the United States with the intention of re-enlisting in the U.S. Marines. He was, however, persuaded to leave the military and enter into farming and ranching with his father, Henry Ralston, east of Gruver. Until the end of his life, Cecil spoke very little about his combat experiences, though he looked upon his time in China very

positively. In 1946, Cecil met Margaret Reed, daughter of Dennis and Eleanor Reed, of Spearman. They were married on December 4, 1948. They eventually made their home 2 1/2 miles east of Gruver, and three sons were born to Cecil and Margaret: Dan, Alfred and Mike. Cecil was engaged in farming and ranching in the Gruver area until his death on June 29, 2001. He was pre-deceased by his parents, Henry and Lillian Ralston; three brothers, Robert Henry (who died in infancy), Jesse Fred (who was killed in a pre-dawn Japanese torpedo attack upon the USS Liscombe Bay on the Gilbert Islands in November of 1943), and Orie Robert (who died in 1960); and one son, Alfred Dennis (who died on August 4,

reputation for his knowledge of antique automobiles through his hobby and his passion of restoring the very earliest Ford automobiles. He acquired one of the few complete collections of brass Ford automobiles built between 1903 and 1909. He restored all of the automobiles to mint condition, despite finding only rusted parts of many of the cars. He was considered an expert on early Fords and their restoration, and was consulted by other antique automobile enthusiasts in Sweden, the Netherlands, England, Australia, and throughout the United States. His first restoration was a 1915 Ford Model T, which was the first car owned by his father. Cecil was honored posthumously by the Ford Motor Company on the occasion of its 100th year of production, as a person who had made significian contributions to the past and present of Ford

writing workshop this week. I have volunteered to write the column for her. The Wednesday volunteers will be without our usual commander in chief and who knows what mischief we can perform. Our work goal is to clear out problem areas. For example last week we transferred quilts into proper storage methods. Wool quilts were stored with cotton quilts and according to museum standards that is a no-no....so we separated the quilts and stored as they should have been done. This week we will work on military uniforms and the proper storage methods for them.

Lynx Stung by Hornets, 27-19

reprinted from the Amarillo Globe-News

The Tulia Hornets used the running of Darren McCaslin and a loud homecoming crowd to defeat Spearman, 27-19, and garner its first victory of the season on Friday night.

Tulia's McCaslin treated the crowd to a dazzling display of

running with 174 yards on 22 carries.

McCaslin scored the game's first touchdown on an 8-yard run as Tulia (1-4) took a 15-8 lead into halftime.

Spearman (1-4) could garner only 150 total yards and six

first downs in the contest.

Spearman began the fourth quarter trailing 27-12 when Kegan Garnett's 2-yard touchdown run cut the deficit to six but the Hornets held on to halt its four-game losing streak

with the nondistrict victory.

The Lynx Junior High and JV teams played Tulia in Spearman on Thursday, October 2nd. The 7th grade lost 22-0, and the 8th grade lost 14-0. The JV won 7-6.

Greyhounds Completes Tough Non-District, Prepares to Enter Tougher District

reprinted from the Amarillo Globe-News

The New Mexico team that leveled state rival Loving 101-0 last week turned in another shutout performance against a team from Texas

Texico led 17-0 at halftime in Gruver's homecoming game that was delayed due to lightning.

Gruver was held to three first downs and 34 total yards. Miles Messer had 23 yards rushing on six carries to lead the Greyhounds.

The win boosts Texico to 5-0. Gruver is 1-3.

"The Greyhounds have started out the season with a very difficult non-district schedule," said Coach Fred Tucker. "The records of the teams that have beaten us have a combined 19 – 1 record as of the end of last Friday night's contests.

"I am sure that the strength of our non-district schedule will have us ready for our upcoming district opponents. We have made some adjustments both offensively and defensively that will allow us to get the best out of our team."

The Jr High will play Booker at home on Thursday at 5:00. There will not be a JV game because Booker does not have a JV team. The Varsity will play in Booker at 7:30.

October 6, 2008 - Lake

level - 19.88 feet The weekend brought Bass fishermen to Lake Palo Duro. The mini-boat bass club had six entrants. These guys use "water wagons" with small gasoline engines to get them to the area they like, then quietly use fins or flippers to move around. They throw lures to attract the bass. No live bait is allowed. The wind on Saturday, and the rain on Sunday, made it difficult for these small boats. They were able to catch a few Bass. The picture shows one of the fishermen, with his Saturday morning Bass.

One white Pelican has made our lake home, for the past week. They usually don't stay too long, but he may be waiting for some friends to get here.
