## 1991-92 budget . . . **GISD** board sets hearings

The Gruver School Board will hold public hearings on its proposed \$3,167,250 budget for the 1991-92 school year on Wednesday, Aug. 7 at 1 p.m. at Gruver High School.

According to Tom Cathey, GISD superintendent, this budget is 1.4 percent higher than last year's. "We dipped into our reserve funds for \$60,000 last year," Cathey said. "We are not going into that fund balance again this year," he added.

Cathey said most of the increase in the budget resulted from state mandated teacher and administrator raises. As an example he mentioned that all but a couple of the teachers in the school system would recieve a \$1,100 step raise.

Cathey reports the budget could have been higher. During budget workshops in July, the board made several cuts in the budget prepared by Cathey and his staff. The biggest single cut came in personnel salaries.

The board cut \$26,000 out of the budget by eliminating a kindergarten teaching position. Cathey said that enrollment figures

indicate there will be only 30 kindergarten students in school this year. By cutting the teaching staff from three to two, the district saved that salary and still maintained an acceptable pupil-teacher ratio. "If kindergarten enrollment jumps to 40, I will beat the door down to get that

teacher back," said Cathey. The next biggest cut came in the building and maintenance budget. A total of \$17,000 was cut out of this part of the budget. Miscellaneous construction and improvements and plant maintenance each lost \$8,500.

The total co-curricular activities budget was cut by \$13,000. These ac-tivities include UIL academic and sports competitions.

The board reduced the amount budgeted to take students to UIL competitions above district level from \$10,000 to \$3,000. Cathey said he expects to have to ask for more money for that part of the budget later on. "I feel like our kids are going to do real good this year in UIL competition," he explained. The coaches' training budget was

cut by two-thirds. According to Cathey, because of the cut the coaches will be able to go to only one coaches' clinic

Instructional supplies was cut by \$6,800. These include paper supplies, repairs to equipment, and \$400 to purchase additional equipment.

Other areas to suffer cuts included \$5,500 from the superintendent's office and board expenses, \$3,000 from transportation, and \$200 from library services.

According to Cathey, if this budget is adopted by the board on Wednesday and the county education district tax rate is set at \$.73 per \$100 valuation, then the overall school tax rate in Gruver will have to be as high as \$1.02 per \$100 valuation to fund this budget for the school year. Cathey said he can not be definite about what the tax rate may be because he is not sure how much money the district will receive from the CED or the state.

Cathey said he expects to have a public hearing to set the tax rate in late August or early September.

Winners in the Hansford County Farm Bureau Queen Contest are (I-r) Kyla Nelson, second runner up; Billie Jo Moore, Queen, and

Amy Gumfory, first runner up. These girls were the top three of seven contestants who competed Monday, July 29.

AUSTIN - Last year trustees in the 1,047 Texas school districts voted a billion dollar increase in school budgets. Local school property taxes were increased by a half a billion dollars. School budgets totaled \$15.3 billion expended for the 3,377,223 children enrolled last October, for an average of \$4,524 per pupil.

The figures come from the latest issue of "Bench Marks 1990-91 School District Budgets in Texas," an annual publication of the Texas Research League, an Austin-based, educational corporation engaged in governmental research.

An average of \$3,775 per student for current operations was budgeted last, year plus \$316 for repayment of debt \$433 per student for capital

for 13.8 students in Spearman ISD while the statewide pupil-teacher ratio was 16.4 to one.

The average school district imposed a property tax at the rate of \$1.088 per \$100 of appraised value, which value averaged \$8.0% of market value (selling price). The "true tax rate" was \$1.066 (\$1.088 times 98.0%) statewide. Locally, the Spearman ISD imposed a rate of \$.963 while property was appraised at 104.2% of its market value making the true rate \$1.003 per \$100 of market value (selling price).

The report points out that the calculation of a true tax rate based on market value rather than on appraised value is necessary to make a valid comparison of tax levels with other schools. The tax on a house that would sell for \$80,000 in Spearman ISD would have been \$696. If the homeowner were eligible for homestead exemptions, the tax would have been \$509, and if owned by a person 65 years or older, the tax on an \$80,000 house in this district would have averaged \$412, or less if subject to a tax freeze. That compares with statewide tax bills of \$871, \$771 and \$586 respectively for an \$30,000 house. Last year Spearman ISD's revenue from the property tax increased by 3.3 percent for 1990-91 as compared to a 8.7 percent increase statewide. Local property taxes plus state aid totaled \$3,949 per student in Spear-man ISD as compared to \$3,661 statewide. Under the new school finance cost of the foundation program, which averaged \$2,458 per student last year and was \$2,726 in Spearman ISD. Local school districts can levy property taxes to enrich the foundation program. Enrichment last year

### averaged \$995 per pupil to which the state added an average of \$207 per student to guarantee the tax yield in property-poor districts. Enrichment by the Spearman ISD was \$1,223; the state guarantee added no money.

## Accident victim is listed as critical

Bill Thiele of Gruver was in critical condition on Wednesday, July 31 in Northwest Texas Hospital's intensive care unit, with head injuries resulting from a July 24 accident at the Northern Natural Gas plant southeast of Spearman.

Hansford County EMS Director

Michele Davis, one of the EMS per-

sonnel who first treated Thiele, said it

was a miracle he survived the acci-

dent. "It was the worst injuries that I

have ever seen a person survive,"

said Davis. She described his injuries

as "severe cuts to the scalp and lower

Donna Johnston, director of

critical care and hospital supervisor

head area.'

at Northwest Texas Hospital, reported Wednesday morning that Thiele was still in intensive care and on life support. She said he is responding as best he can, and that his condition looks pretty good, now. "He is stable but still critical," said

outlay.

Spearman ISD's budget provided \$4,087.70 per student for current operations, \$283.79 for debt service, and \$28.32 per student for capital outlay based on the 864 students enrolled in October 1990.

The average base salary for classroom teachers paid by Spearman ISD in October 1990 was \$27,433 plus supplements for the career ladder. The average for administrators was \$45,076, and \$31,669 for other professional support employees (librarians, counselors, nurses, supervisors, etc.)

Four dollars in each five were spent for salaries. Statewide payroll expense averaged \$3,087 per student, as compared to \$3,222.62 in Spearman ISD. Payroll expense is determined by salary levels and staffing patterns.

Taxpayers provided one teacher

system, the state and the new county education districts will fund the total

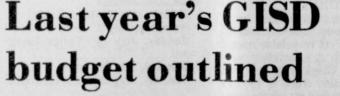

Cindy Blackman (left), Spearman Chamber of Commerce director, and chamber president Lenis Simpson present a check to Cindy and Craig Clyburn. The check represents the \$10,000 grand prize won by the Clyburns when their ticket was the last one drawn Saturday at the \$10,000 Bash in Spearman. Other winners in-

cluded Jim Turner, Freddy Shieldknight and Bill Pittman, who each won \$100. Two groups of four people split \$100. They were Denise Nelson, Bob Smith, Randy Kirk, Burt Sheppard, Joey Woolley, Reagan Baker and Scot Martin. A \$400 travel voucher was won by Holly Simpson.

Johnston.

As of press time, Northern Natural Gas plant officials had not given a statement regarding the accident. Davis said that the EMS unit was called to the plant at 2:02 p.m. last Wednesday. She said it was her understanding that Thiele's injuries were caused by a large ventilation fan on the plant grounds.

Gruver ISD's budget provided \$5,248.34 per student for current operations, \$383.35 for debt service, and \$193.20 per student for capital outlay based on the 533 students

enrolled in October 1990.

terns

The average base salary for classroom teachers paid by Gruver ISD in October 1990 was \$27,148 plus supplements for the career ladder. The average for administrators was \$42,340 and \$30,111 for other professional support employees (librarians, counselors, nurses, supervisors, etc.). Four dollars in each five were spent for salaries. Statewide payroll expense averaged \$3,087 per student, as compared to \$3,946.21 in Gruver ISD. Payroll expense is determined by salary levels and staffing pat-

Taxpayers provided one teacher for 11.3 students in Gruver ISD while the statewide pupil-teacher ratio was 16.4 to one. Because of the existence of small classes, especially at the high-school level, and abbreviated teaching schedules, many classes have more than the average number of students.

The average school district imposed a property tax at the rate of \$1.088 per \$100 of appraised value, which value averaged 98.0 percent of market value (selling price). The "true tax rate" was \$1.066 (\$1.088 times 98.0 percent) statewide. Local-ly, the Gruver ISD imposed a rate of \$.945 while property was appraised at 104.9 percent of its market value making the true rate \$0.992 per \$100 of

market value (selling price). The report points out that the calculation of a true tax rate based See GISD page 12

Kyla Nelson (left) was selected as the talent winner at the Hansford County Farm Bureau Talent Find Contest. Clint Patterson (right) was first runner up.

# **Budget figures for P-MCISD** listed

Pringle-Morse CISD's budget provided \$10,379.64 per student for current operations, none for debt service, and \$983.99 per student for capital outlay based on the 81 students enrolled in October 1990. In 1990-91, Pringle-Morse CISD was a "budget balanced" district.

The average base salary for classroom teachers paid by Pringle-Morse CISD in October 1990 was \$26,019 plus supplements for the career ladder. The average for administrators was \$49,000, and \$30,111 for other professional support employees (librarians, counselors,

nurses, supervisors, etc.) Four dollars in each five were spent for salaries. Statewide payroll expense averaged \$3,087 per student, as compared to \$6,581.42 in Pringle-Morse CISD. Payroll expense is determined by salary levels and staffing patterns.

Taxpayers provided one teacher for 6.8 students in Pringle-Morse CISD while the statewide pupilteacher ratio was 16.4 to one.

The average school district impos-ed a property tax at the rate of \$1.088

See Morse page 12

## Auditions scheduled

The Palo Duro Players will hold auditions this month for two productions to be presented in September.

On Thursday, Aug. 8, auditions will be held for all junior high and high school students in Hansford County, for the musical "Grease." On Aug. 17 and Aug. 24, auditions will be held for anyone interested in acting in short plays to be presented as part of the variety show at the Hansford County Fair

The auditions for "Grease" will be held at the Spearman High School auditiorium from 7 to 9 p.m. Interested students should come prepared to sing, act and dance at the audition. It is recommended by the director, Linda Butt, that the auditioner have a song already prepared to sing.

'Grease" is a rock and roll musical that tells the story of a group students in their last year of high school at mythical Rydell High. The time frame and the music of the show is all set in the 1950s rock and roll style.

The auditions for the county fair variety show will be held in Gruver and Spearman. The Gruver audition will take place at the Gruver High School auditorium on Saturday, Aug. 17, starting at 7:30 p.m. The Spearman audition will be on Saturday, Aug. 24, at the Spearman Chamber of Commerce office. There are plenty of parts, according to Mike Hulett, assistant director.

THURSDAY, AUGUST 1, 1991 PAGE 2 THE REPORTER-STATESMAN

**Hansford Happenings** 

Athletics physicals for Spearman 7th and 9th grade students have been set. Physicals for freshmen are set for Tuesday and Wednesday, Aug. 6 and 7, at 9 a.m. each day. Physicals for 7th graders will be conducted Tuesday and Wednesday, Aug. 13 and 14, at 9 a.m. each day. Forms for the physicals are available at Dr. Ridge's office. ....

Congressman Bill Sarpalius has scheduled a town hall meeting for Monday, Aug. 12 at 11 a.m. at the Hansford County Courthouse.

Shoes and socks will be issued to Spearman football players on Wednesday, Aug. 7. Juniors and seniors are scheduled for 9 a.m. to noon. Sophomores and freshmen are scheduled for 2 p.m. to 5 p.m. Two-a-days will begin Monday, Aug. 12 at 9 a.m. ....

SWPS Kid's Cookin' School will be held Tuesday, Aug. 6 at 2 p.m. in the LaCasita Room of the Gruver State Bank. Reservations can be made by calling the Hansford County Extension office at 659-2030 or 733-2901, or Southwestern Public Service Company at 733-2333 by Aug. 5.

Registration for Gruver High School students has been set. Seniors will register Monday, Aug. 12 from 1 to 4 p.m. Juniors will register Tuesday, Aug. 13 from 1 to 4 p.m. Sophomores will register Wednesday, Aug. 14 from 1 to 4 p.m. Freshmen will register Thursday, Aug. 15 from 1 to 4 p.m. All high school students new to the district will register Friday, Aug. 16 from 1 to 4 p.m. New students to the district should bring a copy of their birth certificates, immunization records, and their social security numbers with them to registration. Registration will be conducted in the high school office at 600 Garrett St. in Gruver \*\*\*\*

Athletics physicals for Gruver school students are scheduled for Aug. 7 and 8. Boys' physicals will be conducted Wednesday, Aug. 7 from 1 to 5 p.m. at Dr. Behney's office in Spearman. Girls' physicals will be conducted Thursday, Aug. 8 from 1 to 5 p.m. at Dr. Behney's office in Spearman. Transportation will be furnished. A bus will leave the school at 12:30 p.m. each day. Physicals are free of charge. ....

Commodities will be distributed to those eligible on Wednesday, Aug. 21 at the county barn in Spearman. No new applications will be taken on that date.

The Spanish Dagger Gallery, 433 Main, Gruver, will show paintings by Ruth and Nathan Hanson from Aug. 1-15. A reception in their honor is planned for Sunday, Aug. 4 from 2 to 5 p.m. at the gallery. The public is invited to attend. The Hansons are from the Oslo community. Continuous showing of paintings at the gallery are by Eloise Hackett, June Carbone and Joyce Johnson; and photographs from Thailand by Charlie Johnson.

Showing at the Lyric Theatre Saturday, Aug. 6 through Tuesday, Aug. 9 will be "The Naked Gun 2½: The Smell of Fear." The movie will be shown on the Lyric's Screen 1 at 8 p.m.

In "Naked Gun 2½," Los Angeles cop Frank Drebin is back on the case, generating sight gags, bad puns and overall stupid behavior in

**BEHNE ELECTRIC** & CONSTRUCTION **Electrical Repairs** & Handy Man Service **Reasonable Rates** CALL 659-3404

his efforts to expose a corrupt government energy policy.

Those who remember television's "Police Squad" and the feature film "The Naked Gun" will remember Leslie Nielsen as Drebin, who seems to know nothing about anything but comes out smelling like a rose as he busts crime accidentally

Well "Frank Drebin is back - just accept it." Nielsen stars in the sequel along with Priscilla Presley, O.J. Simpson,

George Kennedy and Robert Goulet. David Zucker and Pat Proft wrote the script, with Zucker directing,

"The Naked Gun 21/2" is rated PG-13.

### **Chamber** Chatter by Cindy Blackman

I guess you have all heard by now that Craig and Cindy Clyburn are our \$10,000 winners. It was lots of fun delivering good news like that, even if we did have to track them down.

I want to thank everyone who helped sell tickets for the bash. That is hard work and sometimes not very pleasant, but you did a good job and the bash was a success. I really want to thank my food committee. They did a great job and everyone said it was good.

Those girls are Stephanie Crossland, Brenda Pierson, Loretto Cook, Donna Murray, Kathy Boyd and "her friend" who helped us at my house Friday night. We also found out that Monty and Ron Cook

are pretty handy with carrots. Clay Schnell was chairman this year.

Next on the agenda is our Retail Merchant flea market. There are going to be some great bargains on August 2 and 3, so mark your calendars. You might even be able to start your Christmas shopping then!

Women's Division of the Chamber of Commerce is planning their ice cream social for August 27 at 7:00 p.m. at the swimming pool park. We will be honoring our volunteer community services - firemen, ambulance personnel, EMTs - and our new teachers. More information will be available as the time nears.

Thanks again to everyone who helped with our \$10,000 bash.

Karen's Kozy Korner

by Karen Babitzke SHRINKAGE NO SMALL PRO- center.

BLEM

Shrinkage can be a difficult problem that often leads to big consumer dissatisfaction. It isn't always easy to know why a garment doesn't fit as well as it used to and who or what is actually responsible for any shrinkage.

Sometimes the garment has not shrunk. The individual may put on a few pounds over a period of time causing a garment to fit snugly.

Garment shrinkage is generally related to the nature of the fiber and/or fabric construction. Shrinkage can be a continous process that develops through several launderings or can be the immediate result after the initial cleaning.

Relaxation shrinkage occurs with knit fabrics that have been stretched and the loops elongated during manufacture or during storage on the bolt. Wearing, washing or drying may release this strain and allow the loops to relax so they become shorter and wider.

Relaxation shrinkage is often progressive. Some relaxation may happen with the initial cleaning and then continue to occur on the next two or three cleanings. This delayed shrinkage may be noticed in older garments which have been cleaned several times previously without losing shape or size.

Another type of shrinkage is felting, which is confined to wool. Felting results in a noticeable change in appearance and texture. The texture is usually quite harsh. Felting is caused by a combination of excessive mechanical action a garment receives while in the presence of excessive moisture or high temperatures. Machine washing a "dry-clean only" woolen garment often results in felting shrinkage.

Proper shrinkage control should be built into the garment. Shrinkage control is obtained by various procedures in the processing of the cloth. Some fabrics receive specific heatsetting treatments while others are treated with resin or other special coatings to stabilize the fabric. Even with careful handling, some amount of distortion of the fabric or shrinkage can be expected with repeated wear and care. However, following the care label will minimize shrinkage and distortion **RECYCLING IS EASIER** THAN YOU THINK If your community doesn't have a curbside pick-up program, you will need to drop off recyclable once or twice a month at a recycling center nearest you. Check with your local county extension office or the local government to find out where recycling centers are located. You might be able to organize a neighborhood cooperative, where several families get together and take turns hauling the group's recyclable items to the

P.O. Box 566

Spearman, Texas 79081

If you live in a rural area with no easy access to recycling centers or have other conditions limiting your ability to haul off recyclable items, consider in-home recycling. Books and magazines can be donated to public libraries or nursing homes. Packaging materials can be saved and reused. Before you throw something out, try to think of any other ways you can use it. Take your own string, canvas, paper or plastic bags to the supermarket when you

You also can reduce the amount of refillable items. Buy products with the smallest amount of packaging materials. Look for products that carry three arrows in a loop and the words "made from recycled

Everyone should look for and request recycled products. Recyclers are recycling than are buying recycland use recyclable products or goods

If you cannot find such products when you shop, ask the manager or owner why they are not available. As consumers come to trust products made from recycled materials, the demand for recycled products will increase. Then the demand and price paid for recyclable products should also do up, giving consumers more incentive than ever to recycle.

### **Hospital notes** ADMISSIONS

## Spiritually Speaking

### by Martin Gauby, pastor Waka Church of the Brethren

Last week I was in a store in another city, and overheard two people complaining about the Church. They were saying that the Churches insist on their own way and discredit other churches. I wanted to tell them it wasn't that way in our Spearman area, but they were pretty intent and I didn't think I could change their minds, as a stranger.

I am happy that I can be a part of an area like Spearman, where the Christians cooperate so well, to the glory of God and the good of all involved. There is always room for improvement, I am sure, but it feels to me like we have a wonderful group of ministers and churches. The Spearman Ministerial Alliance is well supported and shows the sense of unity that God wants among His people. I am happy to be a part of the ministry

of that group. The Ministerial Alliance is sponsoring a city-wide revival emphasis on Sept. 8-11, with each church choosing to participate in a renewal emphasis according to their own tradition. This shows an openness to one another and to God. We pray God's blessings upon that emphasis in our churches and in our community. We all need renewal. Is there any among us that never gets tired, indifferent, or loses our enthusiasm for God and His God's people.

Kingdom here on earth?

The Ministerial Alliance is also sponsoring a CROP Walk, to be held in Waka on Sept. 22 at 2:00 p.m. This is an activity that has been held in Perryton for the past four years, and it is now being moved to our area. The Spearman community will receive a portion of the funds raised by the Walk for helping the people in our own community. The rest will go to various agencies for helping feed hungry people and helping people help themselves in areas of need.

Another program sponsored by the Alliance is the Chaplancy at the Spearman Manor and Hospital, which the Pastors take turns giving leadership for, with the help of our people. I have found the attitude of people working at these institutions marvelous. It is a joy to be a part of such a ministry. It may be that many of us do not realize how fortunate we are to be a part of the good ministries and services of the Spearman community.

Of course we need to continue to work toward harmony, cooperation and the good of all, in the Spirit of our Lord Jesus Christ. The body of Christ has too often been seen as those two people in a store in another state indicated, but I regret that they do not know the rest of the story. Let us help tell the story of God's love, lived out in our daily service together for all

### **Police Files Gruver Police Department**

On Monday, July 22, the Gruver Police Department received a report of criminal mischief in the 100 block of Main Street. The case was cleared and restitution was made for damage.

On Tuesday, July 23, Gruver police were called to unlock a vehicle in the 300 block of Main Street.

On Wednesday, July 24, a traffic accident occurred on East Highway 15 when a vehicle struck a calf in the roadway.

On Thursday, July 25, police received a report of criminal mischief at the concession stand at the Little League ballpark, in the 700 block of East 10th Street. The case was cleared and restitution for damage was made by the juvenile involved.

On Friday, July 26, police were called to unlock a vehicle in the 300 block of Cooper.

On Saturday, July 27, Gruver police executed a warrant in the 300 block of Richardson. Fayoff was made and the subject released from custody.

Also on July 27, police received a report of an open door on a residence in the 400 block of Cator. The door was secured and the owner was contacted.

On Monday, July 29, police

old man was arrested on a warrant issued from the Justice of the Peace Court. The arrest was made in the 300 block of East 4th Street.

A vandalism was reported in the 400 block of South Hazelwood on Thursday, July 25. Evidence was recovered.

Fidel Rodriguez Ortiz of Spearman reported his wallet lost in the 100 block of Hancock on July 25. Value of the wallet and its contents was placed at \$280.

Another vandalism report was received, this time in the 100 block of North Hazelwood on Saturday, July 27. Windows were broken out by unknown means.

At 3:23 a.m. on Sunday, July 28, a vehicle driven by a 19 year old man struck a tree at the Hansford County Courthouse. According to a police in-cident report, the driver left the scene of the accident and was subsequently charged. Damage to the tree was estimated at \$50.

The Spearman Police Department logged a total of 46 calls during the week of July 22-28. Included in those calls was one report of larceny, one assault, a vandalism, four reports of disorderly conduct and three traffic complaints.

Also recorded were six reports of suspicious activity, one report of a lost person, two found persons, one hit and run and one alarm. There

### Letters to the Editor

The Reporter-Statesman welcomes letters to the editor on subjects of interest to its readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. Editing may be necessary for space and clarity or to avoid obscenity, libel or invasion of privacy, but ideas will not be altered. Upon request, editors will use initials only, but only rarely and for com-

pelling reasons. A signed letter carries more weight with readers. Letters do not necessarily reflect the editorial policies or beliefs of this

newspaper. All letters must bear the handwritten signature of the writer and in-

clude address and phone number(s) for verification purposes (address and phone number will not be printed).

## Your stories appreciated ...

Stories concerning club meetings and local events are an important part of the newspaper, and they are appreciated and needed to help in-form the community about your club or project. A few simple guidelines are requested to help us cut down on inadvertent errors which appear on occasion.

Please submit stories or information typewritten and double-spaced. Handwritten stories, due to the disparity in penmanship, often leave in-terpretation lacking. When listing names, be sure to give both the first and last names. First names alone cannot be printed.

Help with this can help you get a more error-free article. We cannot be responsible for errors caused when these simple guidelines are not followed.

Readers who live outside Spearman are reminded the Reporter-Statesman has a toll-free number, 1-800-395-9482, to call with local events.

responded to a sick call regarding the health of a child. No transport was made by the ambulance.

Also on July 29, Gruver police received a report of a possible DWI, traveling west on Highway 15 from Spearman. They were unable to locate the vehicle.

### **Gruver** Ambulance

On Wednesday, July 24, the Gruver ambulance responded to a call from the 300 block of Womble. The patient was transported to Hansford Hospital.

On Monday, July 29, the am-bulance was called to Caprock Feedlot No. 2, where a man had been injured on the job. He was transported to Hansford Hospital.

### Spearman Police Department

On Tuesday, July 23, the Spearman Police Department received a report of disorderly conduct in the 200 block of S. Townsend.

On Wednesday, July 24, a 17 year

# **PSU** sets enrollment Aug. 20

GOODWELL, Okla. - Oklahoma Panhandle State University is ready for the new school year. Enrollment for the fall semester will be Tuesday, Aug. 20 at 9 a.m. in the Student Union.

Two hundred eighty-four new students, freshmen and transfer students, have pre-enrolled for the fall semester. The freshmen can expect a fun and exciting weekend Sun-day, Aug. 18 through Tuesday, Aug. 20. The peer counseling center has planned activities, information sessions, and some meals.

The agenda for freshman orientation is as follows, but is subject to change. Sunday, Aug. 18 at 1 p.m. the dorms will open for freshmen and transfer students. At 3 p.m. there will be a parent orientation in Hughes-Strong auditorium. All parents are strongly urged to attend this meeting even if their child is commuting. The orientation will discuss the rules of the dorm, meals, and campus life. The parents will have their questions answered, and will become better informed with the university and how it functions.

Sunday evening there will be a cookout for new students and parents in the plaza by the student union, sponsored by the area churches. At 6:30 p.m. there will be a get-together with the counselors and group members in the center of the plaza, followed by planned activities. Monday, Aug. 19 at 9 a.m. there

will be a check-in at Hughes-Strong auditorium for those unable to attend on Sunday. A general session will follow at 9:30 a.m. A time has been set aside for group tours and general business at 10:45 a.m. which includes picking up parking permits, books, and student I.D.'s Lunch will be provided in the cafeteria at noon. Two workshops will be held at 1 p.m. and 2

Tuesday, Aug. 20, freshman orientation will continue with testing of the residual ACT at 8 a.m. for those who have not already taken this test. Enrollment for those not already enrolled will begin at 9 a.m. and last until 4 p.m. Another general session will be held at 10 a.m. The freshman orientation will conclude with lunch followed by tours of the McKee Library.

The PSU Student Senate has also organized an all campus hamburger fry for Tuesday, Aug. 20 at 5:30 p.m., sponsored by the Guymon Ambassadors, and an ice cream social on Wednesday, Aug. 21, sponsored by the Ministerial Alliance of Texhoma. Both functions will be held in the plaza.

Students may pick up their books in the Student Union Bookstore on Aug. 20 from 8 a.m. to 4 p.m. Each student will need a copy of his/her class schedule to make locating books easier.

Student I.D. pictures will be taken on enrollment day, Aug. 20 from 9 a.m. to 4 p.m. for new students and those who did not pre-enroll.

Panhandle State University offers both baccalaureate and associate degree programs. Admission standards are shown below: Baccalauraate degree programs

1. Must be a high school graduate 2. Must meet all high school curricular requirements: English (4 units), lab science (2 units), math (3 units), history (2 units)

3. Must score an ACT of 18 or better composite SAT \$40 - or - be in the top 60% of graduating class and have a high school GPA of 2.7

Associate degree programs 1. Students lacking curricular requirements and/or ACT performance standards are admissible to associate degree programs but must remove the deficiencies at the earliest possible time.

2. Students who have not completed the above requirements may remove deficiencies by completing zero-level courses or by successfully completing examinations. Such courses will not count toward a degree.

Applicants who do not meet regular admission standards as noted above may be eligible for special admission as adult students. High school seniors may also be eligible for admission under the Oklahoma State Regents concurrent enrollment policy. Standards for adult admission and concurrent enrollment are available upon request.

Transfer students must meet current retention standards as applied to PSU continuing students. For more information concerning

general admission to PSU, contact the PSU Office of Admissions at (405) 349-2611, Ext. 274 or 375, or write to PSU, Office of Admissions, Box 430, Goodwell, OK 73939.

## Parade set for last day of fair

AMARILLO - The big parade that normally marks the opening of the Amarillo Tri State Fair will be held on Saturday, Sept. 21, the last day of the fair this year.

This change was necessary because of a changed public school schedule whereby Amarillo public schools will be in session on the first day of the fair.

Marching bands, floats, military units, clowns and horses will march down Polk Street in downtown Amarillo beginning at 10 a.m. The theme of the parade is "God Bless America.'

Winners are determined by a panel of judges selected by John Kuhn, parade chairman. Winners will be presented awards at 5:30 p.m. on Saturday, Sept. 21 on the outdoor stage at the fair.

Leading this year's parade and ser-ving as honorary parade marshal will be Amarillo attorney and Lt. General Selden Simpson, U.S. Army (Retired).

### THURSDAY, AUGUST 1, 1991

## Among the Neighbors by Helen Fisher

Oscar and Frankie Donneu spent a week vacationing in the mountians last week. They went by Raton for the races, then on to Creed, Colo. The constant rain and some hail spoiled the fishing, so they went on to Shaw Lake - near Wolf Creek where the fishing was reported to be good. No rain or hail there - just snow. They decided to go river rafting down the Rio Grande - just the two of them. There was hard rain, but they decided they had fun, anyway.

A pleasant meeting for them was running into Jim and Virginia Fowler at Beaver Lake. The Fowlers, formerly of Spearman, now of Amarillo, are in fair health and all is well with them.

Tynelle and David Jordon of Houston visited her father, T.D. Sansing, for a recent weekend. During their visit, they drove out to Palo Duro Dam and Tynelle was amazed at the size and also the amount of water.

### \*\*\*\*\*\*

Bobbie and Earl Novak returned Sunday after a cool pleasant vacation in the mountains. They spent some time in Colorado Springs and Estes Park, traveling with friends from Perryton. They went on to Pikes Peak and were pleased to have beautiful weather the whole trip.

At Cuchara, Colo. they met their son, Hunter and Bonnie and little son from Guymon and shared some time with them.

Dr. Novak, who had been looking down at the mouths and feeling that dentists are often driven to erextraction, is no doubt glad to be back at the old grind !!

Virginia Head returned the early part of the week after attending the Head family reunion at Red River. Her daughter, Delinda and Danny McLaughlin and the children accompanied her. Her son, Ronnie Head, of Roswell also was there.

There were about 41 at the reunion. coming from several near-by states and as far away as Atlanta, Ga.

Jerry Pat Davis appeared very knowledgable and poised on a Channel 7 newscast one evening last week. The topic was in connection with the ostrich farm and was very in-teresting. Adults as well as children are fascinated by going out and looking at the ostriches.

Mike Crawford, now a geologist from Rangely, Colo. spent part of the weekend with his aunt, Maxine Banister. He had presented a paper in connection with his work at a convention in Midland. After leaving here, he went on to McLean to visit his son, Shawn, and family.

A guest of Nina and Don Hendricks last weekend was Joyce Armstrong of Higgins.

### \*\*\*\*\*\*

Adam, Damron, Ben and Loren Queener were exchanging greetings with many school friends the last two Sundays when they attended the First Baptist Church here. They are visiting their grandmother, Mrs. Doris Queener, in Perryton and expect to be here several more weeks. A couple of years ago they, with their parents, Cora and Robert Queener, moved from Spearman to Oneida, Tenn.

### \*\*\*\*\*\*

Many friends and relatives gathered on Sunday to celebrate the 93rd birthday of that indestructible nonagenarian, Chip Martin. Enjoying the birthday cake and ice cream, all those attending spent the time greeting him and his wife, Willella. Since it would require a mighty big cake and a mighty blast to handle 93 candles, there were three cakes with the numerals 93 on them.

Many Happy Returns, Chip, old friend. Keep in mind that the sure fire formula for reaching 100 is to just keep breathing!

Selma Reneau welcomed her son, Willie, last Monday and his wife Cyndy and son Windell on Friday. They are from New Orleans and plan to be here a couple more weeks.

Last Sunday they all went to White Deer and enjoyed the day with Selma's daughter, Lynda and Mike Short and children as well as Cyndy's family. They will spend part of their vacation with her people in White Deer. ......

Alva and Ed Garner have had a

pleasant week with guests. Their daughter Kathy and Roger Brown of Canyon spent a couple of days with them. Earlier Earline Chambers, formerly of Spearman, now of Lub-bock, visited them. She had driven up with the Rev. and Mrs. Frank Oglesby

Another visitor was Frances Hudson, who also visited in the homes of other old friends. Frances has moved from Oklahoma and now lives in Pampa. \*\*\*\*\*\*

Todd and Christy Brock of Dallas announce the birth of Mackenzie Meredith on July 26 at Presbyterian Hospital. She weighed 8 lbs, 11 ozs. and was 20 inches long. She joins two sisters - 2 year old Meryl Leigh and 4 year old Margaret Ann.

Grandparents are Mary and J.L. Brock and Barbara and Bob Collier. all of Spearman.

Great-grandparents are Ada and Lester McLain, and Christine and D.W. Lewter of Lubbock.

Mrs. Collier is with the family in Dallas at this time and the Brocks plan to go this weekend for an introduction to their 9th grandchild.

Ray and Sylvia Robertson have had a busy but pleasant July, mostly grandparenting. In the early part of the month, their granddaughter, Saige Annen of Dimmitt spent a week with them. She is the daughter of Brenda, the Robertsons' daughter.

When Granddad Ray took her to Amarillo to go home, he picked up grandsons Duncan and Steve Robertson, Danny's sons, of Dallas. After a week, Danny came for them and stayed a few days.

Ray and Sylvia then spent six days in East Texas, enjoying the scenery and very pleasant weather. They were in Longview, Jefferson, Pittsburg and other places.

At this time, another grandson, Cody Annen of Dimmitt, is visiting them.

### \*\*\*\*\*\*

Virginia White is back at home after visiting her mother, sister and brothers in Dallas. Her mother, though nearly 90, still lives alone and is in fairly good health. During her Dallas visit, she and her sister at-

## **Tribal dances set**

BORGER - The Adobe Walls Dancers' fifth annual Summer Ceremonials will be held Thursday, Friday and Saturday, Aug. 1-3, at the Lake Meredith Amphitheater.

Arts Council in cooperation with the National Park Service, dances are scheduled for 8 p.m. each day. The tended the musical starring Debbie Boone - "Meet Me in St. Louis."

An especially nostalgic occasion for Virginia was again attending the gathering and lunch at the old Coats Cemetery in Range County. The cemetery, about 70 miles southeast of Dallas and in a remote wooded area, is the cemetery of Virginia's ancestors - and dates back to 1862. The day certainly brought back memories for Virginia. As a child she went with her parents to these cemetery work days and lunch. She stood beneath the very same old oak tree she used to climb, still in full leaf. It is reputed to be at least 800 years old.

She returned by Denton where her daughter lives, and brought 6 year old granddaughter, Erin Petterson, with her for a short visit.

The family of Jewel Pearson gathered at the home of Mr. and Mrs. Wayne Ware on Friday evening for an evening of fellowship.

Those family members par-ticipating were Mr. and Mrs. Loren Patton, with Valerie, Steven and Katie, Clinton, Okla.; Mr. and Mrs. Ken Bridgeman, with Scott, Corpus Christi; Bill Bishoff with Marc and Kelli, Las Vegas, Nev.; Mr. and Mrs. Kengle Pearson, with Kristi and Kyle; Mr. and Mrs. Kelly Brown with Laura and Toby, all of Perryton. ## **PTA** board meets

The Executive Board of the Spearman PTA met Tuesday, July 23 at the Casa Alvarez restaurant with President Marlene Miller presiding.

Program plans for the upcoming school year were discussed. The first PTA meeting will be Monday, Sept. 23 at 7 p.m. in Spearman High School auditorium. The program topic will be "Good Fitness and Nutrition for Children and Teens" and will feature a panel discussion by local professionals.

Also discussed at the board's planning session were prospective dates for the PTA's annual Fall Festival, and the need for a tank for the dunking board. Members decided to consult the official school calendar before finalizing the event date and to research the possibility of renting a dunk tank from another organiza-

The next executive board meeting will be Monday, Sept. 16.

Officers present at last week's meeting were Marlene Miller, president; Jean Ann Behney, vice president; Joan Brown, membership; Teresa Kirk, special projects; and Jan Howard, treasurer.

Also present were D'Dee Ellis, Candi Delozier, Tina Wilmeth, Melba Olsen, Lyn Woolley and DeLinda McLoughlin.

### **RAINBOWS & RANGLERS**

Spearman Rainbows and Ranglers quare dance club traveled to Red River, N.M. last week.

Members square danced to the calls of Murry Beasley of Texhoma, Okla., and Gary Schick of Borger. Beasley is club caller for Rainbows & Ranglers. Schick is club caller for Boots & Calico square dance club.

### Members attending included Joe and Wanda Archer, Charles Bartz, Ronnie and Vicky Bullard, Alvin Byers, Jimmy and Donetta Greene, Danny and Debbie Herrington, Gordon and Janet Holley, Becky Lusby, Jim and Kathy Morley, Duwayne and Martha Thurman, Rusty and Judy Tindell and Becky Byers Keating.

## **Hometown News**

Marine Pvt. James L. Clements, son of Sandra L. Atkinson of Lipscomb, Texas, has completed recruit training at Marine Corps Recruit Depot, San Diego, Calif. Clements is the nephew of J.B.

Buchanan and Helen Fisher of Spearman, and the grandson of Virginia Cates, also of Spearman.

During the 13-week training cycle, Clements was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment

## Simpson joins firm

Brown, Graham & Company, P.C. announces the addition of Holly Simpson, C.P.A. as a shareholder in the firm. Simpson, a graduate of Panhandle State University, met the requirements to practice as a certified public accountant in 1984 and has been associated with the Spearman office of Brown, Graham & Company, P.C. since that time.

Brown, Graham & Company, P.C. operates from 11 offices located in Amarillo, Hereford, Tulia, Friona, Spearman, Canyon, Dimmitt, Shamrock, Perryton, Pampa, and Georgetown and serves more than 6,000 clients in Texas. Oklahoma, and New Mexico. The Spearman office has been in operation for over 25 years and currently has a professional staff of four certified public accountants consisting of Jack Oakes, Monty Blackman, Holly Simpson, and Travis Wolf.

sional standards traditionally ex-hibited by Marines. He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, ri-

and studied the personal and profes-

fle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1990 graduate of Crowley High School, Clements joined the Marine Corps in March, 1991.

anche medicine man who cast a spell over Adobe Walls and was said to have magic powers," Benz said.

"The principal figure in the Adobe

Walls attack dance is Isatai, a Com-

touch with the earth and rain. Part of

the dance requires carrying a reptile

in the dancer's mouth, said Hutchin-son County Museum Director Ed

For the dance, a mock building will be on stage to represent Adobe Walls. According to Benz, the building will be set afire, the male dancers will dance wildly with guns, lances and bows, while the women sport scalp poles with scalps hanging off them. The dancers will also perform the Zuni Comanche dance, based on an historical event where the Zunis and Comanches battled

The Adobe Walls Dancers Summer Ceremonials is an educational pro-gram of the Hutchinson County Historical Museum. The main participants are members of Explorer Post 565.

Tickets will be available at the door, priced at \$3 for adults and \$1 for students. Groups of six or more will be \$7 for each group. Benz encourages all scouting groups to attend.

BORGER - The Hutchinson County Museum's annual Quilt Show will begin Thursday, Aug. 1 and run through Saturday, Aug. 31. The show, now in its 10th year, has been a popular arena for many local quilters.

Quilts entered in the competition will be judged according to the following categories: Best Modern Quilt, Best Antique Quilt, Most Uni-que Quilt, Best Hand Quilted, and Best Machine Quilted. \$100 in prize money and ribbons will be awarded by the Magic Plains Arts Council, sponsor of the show.

The 1990 show was termed "a great

success," with more than 60 entries and over 1,000 visitors. This year's event is attracting attention in other parts of the state as well. Author Jan Gilmore Rushing and photographer Kathy Hinson will be viewing the quilts on display, the Museum's col-lection, and the McCormick House quilt with the intention of including selected pieces in their upcoming book, "Pieces of the Plains." It will be a "coffee table photostudy" of the quilting history and traditions in West Texas, to be published by Texas Tech University Press (1994).

The Hutchinson County Museum is located at 618 N. Main in Borger.

## **Shower honors Karlin**

### by Joy Henderson

Saturday morning July 27, 1991, a baby shower honoring Denise and Rod Karlin was given by friends. The registration table was covered with white cloth and in addition to the baby book, there was a bear ceramic planter containing ivy and silk flowers.

The serving table was covered with lace net cloth over pink organza. A fresh bouquet of garden flowers complimented the silver coffee service and crystal punch bowl. Lime sherbet punch and bundt cakes were served along with assorted nuts and mints. Napkins with Teddy Bear designs were used.

Corsages were presented to grandmothers Dixie Karlin and Rose Lopez and great grandmother Margaret

(photo by Joy Henderson)

Mr. and Mrs. Robert Stayton were honored recently with a reception to celebrate their Golden Wedding Anniversary.

Buchanan. Dave Karlin's sister, Rose Ortega from San Diego, was in attendance.

Hostesses for the occasion were Reta Gross, Harletta Carthel, Charmian Lyle, Marie Bell, Kay Hobbs, Reatta Gammon, Marlene Winger, Jenni Morris, Rita Williams, Pat Burnam, Sue Smith, LaNetta Shapley, Elene Green, Glenda Renner, Connie Burgoon, Diane Brown, Mara Jo Cluck and Rita Cluck.

### It's A Boy!

It is with great pleasure to announce the arrival of Rod and Denise's little boy. He was born Sunday about midnight at Dumas Memorial Hospital weighing 6 lbs. 2 oz. and was 19" long. Congratulations

(nee Lynelle Patton) Patton, Morris wed

Lynelle Cherise Patton of Sunray and Christopher Vance Morris of Gruver were married Saturday, July 27 at 1:30 p.m. in the Sunray Church of Christ. Bob Phillips, minister, officiated the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Howard Patton of Sunray and Mr. and Mrs. V.B. Morris of Gruver.

Maid of honor was Angela Shinkle of Sunray, and bridesmaid was Keila Barbor of Sunray. Junior bridesmaid was Angela Patton of Sunray, sister of the bride. Amy Harper of Lake Jackson, Texas, cousin of the bride, was flower girl.

Best man was Grant Eby of Reed Spring, Mo., and groomsman was Jack Rodman of Dumas, brother-inlaw of the groom. Junior groomsman was Andy Morris of Gruver, brother of the groom. Ethan Patton of Tulia, cousin of the bride, was ring bearer.

Guests were registered by Melanie Rodman, sister of the groom, and ushers were Sherrol Patton of Tulia, uncle of the bride, Lon Schindler of Amarillo, Chuck Dooley of Sunray and Luke Miller of Gruver.

Given in marriage by her father, the bride was attired in a formal wedding gown of white satin with a lace-trimmed high neckline. The Schiffli lace bodice was accented with seed pearls and sequins, with a Basque waistline. The Renaissance sleeves were accented with lace. Schiffli lace beaded motifs accented the front skirt and the back of the cathedral train. Her fingertip veil of illusion, accented with pearls and lace, was secured with a pearl leafed tiara.

She carried a bouquet of white silk

lilies accented with tiny pink puffs, atop a white lace Bible.

In keeping with the tradition of something old, something new, something borrowed and something blue," the bride carried her maternal grandfather's baby ring in the white lace Bible, which she borrowed from her aunt. She wore new earrings, a wedding gift from the groom, along with the traditional blue garter. In her shoe, she carried a penny minted in the year of her birth.

Following the ceremony, a reception was held in the Sunray Community Building. Servers at the bride's and groom's tables were Stephanie Bradshaw, Stephanie Fox, Kim Chisholm, Brittney Tayler, Marsha Morris, Christi Buse and Denise Wilson.

After a wedding trip to Denver, Colo., the couple will make their home in Wichita Falls, Texas.

A 1991 graduate of Sunray High School, the bride will enter Midwestern State University in Wichita Fall, majoring in business.

The groom is a 1988 graduate of Gruver High School and attended Midwestern State University for two years. He is currently employed at Carfonics in Wichita Falls.

A rehearsal dinner for members of the wedding party was hosted Friday night at the Sunray Community Building by the groom's parents.

Special guests were grandparents of the bride, Mr. and Mrs. Perry Smith of Dumas and Mr. and Mrs. Kenneth Patton of Tulia; greatgrandmother of the bride, Mrs. Mae AcClendon of Tulia; grandparents of the groom, Mr. and Mrs. Vance Morris of Gruver; and greatgrandparents of the groom, Mr. and Ars. James Wisinger of Durnas.

Now that we have been on our own with 15 month old Dustin, I'm feeling real old and worn out. I wonder if we will make it through the next five days. And that reminded me of a story that I've seen in several different versions and the author and source unknown:

This is for those born before 1945 and let me tell you, we are survivors! Consider the changes we have witnessed! We were born before television, before penicillin, polio shots, and frozen foods, Xerox, plastic, contact lenses, Frisbees and the Pill. We were before radar, credit cards, split atoms, laser beams and ballpoint pens. Before pantyhose, dishwashers, clothes dryers, electric blankets, air conditioners, drip dry clothes...and before men walked on the moon.

We got married first and "then" lived together. How quaint can you be? In our time, closets were for clothes, not for "coming out of." Bunnies were small rabbits and rabbits were not Volkswagons. Designer Jeans were scheming girls named Jean and having a meaningful rela-tionship meant getting along with our cousins. (That was even hard for me to do.)

We thought fast food was what you ate during lent, and outer space was the back of the Lyric Theater. We were before house-husbands, gay rights, computer dating, dual careers and commuter marriages. We were born before the daycare centers, group therapy and nursing homes. We never heard of FM radio, tape decks, electronic typewriters, artificial hearts, word processors, yogurt and guys wearing earrings. For us time sharing meant togetherness...not computers and condominiums. A chip meant a piece of wood, hardware meant hardware and software wasn't even a word.

Meals on Wheels to benefit from cans

Xi Psi Kappa sorority has painted a dumpster and placed it at the in-tersection of 4th and Main Streets in Gruver, for the purpose of collecting aluminum cans for the benefit of Gruver Meals on Wheels

Cans donated to date have raised a total of \$236.75 for the program.

Residents are asked to remember to place their aluminum cans in the dumpster to benefit the environment and the Gruver Meals on Wheels program, which feeds about 12 people in Gruver three times a week.

Back then the term "making out" referred to how you did on your exam. Pizzas, McDonalds and instant coffees were unheard of. We hit the scene where there were 5 and 10 cent stores where you bought things for five and ten cents. Sanders or Wilsons sold ice cream cones for a. nickel or a dime. For one nickel, you would ride a street car, make a phone call, buy a soda pop or enough stamps to mail one letter and two postcards. You could buy the car to see the U.S.A. for \$600...but who could afford one? A pity too, because gas was 11 cents a gallon! In our days, GRASS was mowed,

COKE was a cold drink and POT was something you cooked in, ROCK MUSIC was a Grandma's lullaby and AIDS were helpers in the principal's office. We certainly were not before the difference between the sexes were discovered, but were were surely before the sex change. We made do with what we had. And we were the last generation that was so dumb as to think you needed a husband to have a baby.

No wonder we are so confused and there is such a generation gap today. But we survived! What better reason to celebrate? This does get you to thinking, hugh?

Boy! Last week, it seemed like old times. Alicia and Wayne Thomas of Amarillo decided to pay us a visit. We spent the whole day doing their laundry. Since we were "pooped" from doing at least six loads I asked Alicia how much it cost her to do her laundry at the laundromat and she replied \$20-\$25. No wonder she takes turns at the relatives. At least she furnished her own soap, bleach etc.

Then Scott, Paula and Dustin drop-ped in for a weekend visit. They dropped the grandson off at Grannie and Grandpa's house so they could find a place in Lubbock to live. Of course, I haven't given them permission to move yet. Permission may be granted next week though.

Donald, Doris and Dusty Cotter spent a few vacation days in Colorado. I can't remember if the sunburned noses were from a day of fishing in the sun or maybe from the eclipse.

I guess the college kids are prepar-ing for the next school year. Jeanne Potts has been around home this summer as have several that had jobs in the hometown area. Visitors in Gruver recently have

been Inell and Blake Trahan, with

children Amy and Keith Grubbs. After the Willmon Family Reunion, Andrew and James Brownlee of Dumas visited in the home of Virginia and Dewey Taylor last week. Also visiting part of the time was Jeff Coates of Spearman. They are the sons of Fred and Lola Brownlee of Dumas. Fred's aunt, Ruth Eubank of Sunray, came to pick the boys up. Ruth Eubank has

## vres family reunites

### by Joy Henderson

The Ayres Family Reunion began Friday evening July 12 at the Harvey Hotel in Amarillo. Approximately 122 registered for the two day event which included a luncheon catered by the hotel and a talent show.

Seven families were represented and each family received a color coded button with individual names. The Talent Extravaganza was the Friday evening program with Trevor Williams as Master of Ceremonies. Prizes were awarded to various individuals and groups: 1st place -"The Chicken Song" performed by Valerie and Molly Burnam, Lance Williams, Tucker and Taylor Williams and Ryan and Reid Winger. Best Female Vocalist: Jill (Riley) Lae who played guitar and sang a song she wrote; Best Male Vocalist: Trevor Williams; Best Group Singers: Vivian Green, Pauline Wingers: Vivian Green, Pauline Winger, Charmian Lyle and I.W. Ayres who performed "Devilish Mary" and "Little Maude, Little Maude."

Other performers included Les and Sharon Barkley who sang as a group with Rick and Sharolyn Finley. Blythe Finley also sang a solo. Glen-da Renner gave a humorous story and Bo Green sang a comedy song. Nathan and Abigail Rix sang with parents Charles and Jenni Rix. Charles also performed a piano solo.

The Rix family from Red Bank, New Jersey also had the distinct honor of traveling the farthest. Jenny Rix is the daughter of John and

nion was held July 18, 19 and 20 at Oak Dale Park in Glen Rose, Texas. A total of 104 person attended this year's reunion.

Clarence Willmon of Stratford, who will be 84 on Aug. 16, was the oldest family member present. The youngest was one of his great-greatgreat-nieces, about 3 months of age, from Clyde, Texas.

Also attending were Clarence's brother, Walter Willmon of Fritch, and Walter's son and daughter-inlaw, Frank and Linda Willmon, of Amarillo.

Also there were Clarence's daughter, Virginia Taylor of Gruver, grandson Kenneth Taylor of San Antonio, and two of his greatgrandchildren, Rachael Taylor, daughter of Kenneth and Vickie, and Jeff Coates of Spearman, son of Gail

Rachael flew in June 29 for a visit with her grandparents, Dewey and Virginia Taylor, as well as her aunt and uncle, Gail and Galen Coates of Spearman. She traveled with Virginia to the reunion, where her parents met her.

Also traveling with Virginia was her grandson Jeff Coates. Walter's grandsons, Andrew and James Brownlee, sons of Fred and Lola Brownlee of Dumas, also traveled with Virginia.

On her way home from Glen Rose, Virginia visited briefly with Dewey's nephew, Burl Mitchell of Reed, Okla., who is recovering from bypass surgery. She also visited in the homes of Mary Taylor, a sister-in-law, and her son James Taylor Jr., both of Vinson, Okla.

### PUBLIC NOTICES

NOTICE TO THE PUBLIC OF INCREASE BY HIGH PLAINS NATURAL GAS COMPANY IN RATES TO BE CHARGED ITS RESIDENTIAL AND COMMERCIAL CUSTOMERS FOR NATURAL GAS IN THE INCOR-PORATED AND UNINCORPORATED AREAS OF THE CITIES OF CANADIAN, HIGSINS, AND MOBEETIE, AND THE UNINCORPORATED AREAS OF LIPSCOMB, OCHILTREE, HEMPHILL, WHEELER, AND HANSFORD COUNTIES

Pursuant to the notice requirements of Section 5.08 Gas Utility Regulatory Act (GURA), High Plains Natural Gas Company (High Plains) hereby gives this notice to the public of its intent to change the residential and commercial rates presently being charged for natural gas and natural gas service in the above listed areas served by High Plains. On June 14, 1991 and July 5, 1991, respectively, statements of intent to change residential and commercial rates were filed with the respective cities and the Railroad Commission of Texas. The prosposed change in rates will increase High Plains' revenues by approximately 5.8% and constitutes a major change as defined in Section 5.08b of GURA. The proposed rates in the unincorporated areas will not become effective until similar changes have become effective within the nearest incorporated city served by High Plains. The proposed rates will increase a 10 MCF residential bill by \$13.51, a 10 MCF commercial bill by \$13.99, and increase residential deposits by \$15.00. Approximately 1,503 residential and 298 commercial customers will be affected by this change. Details concerning the proposed rates may be obtained by contacting High Plains Natural Gas Company, 411 S. Second, P.O. Box 777, Canadian, Texas 79014-0777, and any affected person may file in writing comments or a protest concerning the proposed change in the environs rates with the Director of the Gas Utilities Division, Railroad Commission of Texas, P.O. Drawer 12967, Capitol Station, Austin, Texas 78711-2967

### NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE GUARDIANSHIP ESTATE OF ERNEST NEWCOMB

Notice is hereby given that original Letters of Guardianship for the Guardianship Estate of Ernest Newcomb, Incompetent, were issued on July 23 1991, in Docket No. 2000, pending in the County Court of Hansford County, Texas, to Charles Newcomb. The residence of the guardian is Spearman, Texas, and his post office address is 305 W. 12th St. Spearman, Texas 79081. All persons having claims against this guardianship estate which is currently bring administered are required to present them within the time and in the manner prescribed by law.

DATED the 23 day of July, 1991. John L. Hutchison Attorney for the Estate S40-1tc18.75 NOTICE TO BIDDERS The City of Spearman, City of Gruver, Spearman Independent School District, Hansford County, and Soil Conservation District will be holding a public auction on August 15, 1991, beginning at 10:00 a.m. at

607 East D Avenue at the City Warehouse. Equipment can be viewed at the auction site on August 14 between the hours of 1:00 and 5:00 p.m. No minimums, no reservations, no bid ins, or buy backs. Terms and conditions of the sale are:

1. Settlement. Full settlement shall be made on the day of the sale.

 Payment. Payment for purchases may be made by cash, cashier's check, personal or company check with proof of identity.

3. Sales tax. Sales Tax will be collected unless you execute a Certificate of Resale with your tax number. 4. No Warranty. All descriptions used in advertising and cataloging are believed to be correct, however, neither those descriptions nor any oral statements made by the Owner or the Auctioneers concerning any item shall be construed as a warranty, either expressed or implied. All items are sold "As is - where is."

5. Removal. All items become your responsibility when sold. Buyer assumes all risk of loss and damage to property from time of purchase. Owner and the Auctioneers agree that merchandise may remain on sale site until the date by which all merchandise must be removed from sale stie as announced by the Auctioneers sale day. Items left after this date may be sold for storage.

6. Disputes. The Auctioneer shall designate the Buyer after each item is sold. If a dispute arises between two or more bidders, the Auctioneer may, at his discretion, reopen the bidding. His designation of a Buyer shall be final.

 Injury. Bidder agrees to hold Owner and the Auctioneers harmless for any personal injury to himself or his agents, and any property damage incurred on sale premises.

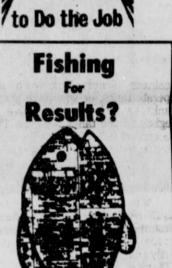

For further information concerning the auction, sales brochures may be obtained from City Hall, 30 S.W. Court, Spearman, Texas. S40-2tc50.10

### PUBLIC NOTICE

The City of Spearman will hold a public hearing concerning the proposed budget for the 1991-1992 fiscal year. Also, a public hearing will be held concerning amending the budget for the 1990-1991 fiscal year. The hearings will be held in the Council Chambers of City Hall, 30 S.W. Court, Spearman, Texas, at 7:30 p.m. on August 20, 1991. All local taxpayers may attend and participate in the hearings. S40-1tc10.95

## **Public Notice**

On April 9, 1991, Southwestern Bell Telephone Company filed an application with the Public Utility Commission of Texas to request that the optional feature \*Call Transfer Disconnect\* be available to all PLEXAR I customers by including the feature in Southwestern Bell's PLEXAR I tariff. Currently, this optional feature is available only on a customer requested basis.

Call Transfer Disconnect (CTD) is an optional feature that allows PLEXAR I customers the ability to transfer a call to another telephone number within or outside their PLEXAR I system, hang up, and permit the two remaining parties to continue with the call. The PLEXAR I user is then free to place or accept another call. CTD is not intended to be used to avoid toll charges. Therefore, CTD will not be available to PLEXAR I customers subscribing to optional Extended Metropolitan Service or Extended Area Calling Service.

If the company's application is approved, the monthly rate for CTD will be \$4.00 for each PLEXAR I station line. Prior to the June 19, 1991, interim rate approval, Southwestern Bell was billing customers who receive the service \$1.50 for each station line equipped with this feature. In addition, under Southwestern Bell's proposed tariff, every line within the PLEXAR I system must be equipped with this feature. The nonrecurring charge for the additional lines which must be equipped with CTD will be waived for existing CTD customers. The tariffed monthly rate will apply to all existing and future CTD customers.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible . A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0256, or (512) 458-0221, teletypewriter for the deaf.

### Acreage reduction set

The U.S. Department of Agriculture is requiring a 5-percent acreage reduction for the 1992 Wheat Program, according to Jerry Harris, chairman of the Texas State ASC Committee. This compares to the 15 percent acreage reduction required for the current wheat crop

"This level was chosen to maintain competitiveness in world markets while balancing the risks of excessive supplies or possible shortages," Harris said.

Wheat producers who comply with the acreage reduction requirement will be eligible for target price pro-

**Payments** not increased

WASHINGTON - The U.S. Department of Agriculture announced there will not be any increased deficiency payments for the 1990-crop wheat, barley and oats programs because the 12-month national weighted average market prices for these crops exceeded the basic price support.

Keith Bjerke, executive vice presi-dent of the U.S. Department of

Support prices announced

WASHINGTON - Support prices for wool and mohair for 1991 marketings will be \$1.88 per pound for shorn wool and \$4.448 per pound for mohair, a U.S. Department of Agriculture official announced.

Mohair is being supported at 85 percent of the percentage of parity at which shorn wool is supported, or \$4.448 per pound.

tection at \$4.00 per bushel, the same as this year. Harris said the program will not have a paid land diversion.

The 1991/92 wheat crop is projected at 2.0 billion bushels, down 26 percent from last year's 2.7 billion-bushel harvest. The decline reflects an 8-million-acre reduction in planted area and lower yields. "This year, decisions to plant fewer acres were based on higher acreage reduction requirements, new flexibility provisions in the 1990 farm legislation, and lower wheat prices," the ASCS official said.

Agriculture's Commodity Credit Corporation, said the national average prices per bushel received by producers from June 1990 through May 1991 for wheat, barley and oats were, respectively: \$2.61, \$2.14 and \$1.14. The basic price support rate for each of these commodities was, respectively: \$2.44, \$1.60 and \$1.01. Thus, no increased payments, also known as "Findley" payments, were earned.

Keith Bjerke, executive vice president of USDA's Commodity Credit Corporation, said the wool on unshorn lambs will be supported at a level determined by a formula based on the hundredweight of live, unshorn lambs marketed.

tal contamination.

The Texas Water Commission has announced that, beginning immediately, owners of underground and aboveground storage tanks who have not year registered their tanks with the state agency may do so without penalty for late registration until Oct. 15, 1991.

'Many individuals or small business owners who own and operate tanks, or who have unused tanks on their property, have not registered the tanks with the TWC because of lack of knowledge regarding registration requirements or a fear of penalties for late registration," said TWC Executive Director Allen Beinke. "Because our main goal is for every tank to be properly registered in order to protect the environment, we are granting this short 'grace period' for owners to voluntarily comply with the law."

## **Jobless** rate at 3.6 percent

The June unemployment rate in Hansford County was 3.6 percent, down from May's rate of 4 percent, according to the Texas Employment Commission.

TEC figures for June indicate that the county had a total labor force of 3,714 persons. Of that number, 3,582 persons were employed and 132 were jobless. In comparison, there was a total labor force of 3,667 in May, with 3,521 employed and 146 jobless that month.

The statewide jobless rate for June was 6.1 percent, according to Commissioner Mary Scott Nabers. The statistics remain almost unchanged both from a month earlier and a year ago. Contrary to some months past, however, the state is now showing a moderate gain in the total number of employed individuals and slight decrease in the number of Texans out of work.

Nabers is the Texas Employment Commissioner that represents all Texas employers. The TEC serves as the state's official employment agency serving both employers and

THE REPORTER-STATESMAN THURSDAY, AUGUST 1, 1991 PAGE 8 Hansford County 4-H Junior Rodeo . . .

## Eakin 7 and under All-Around winner

Marty Eakin of Spearman was named All-Around Cowboy in the boys' 7 and under age division of the Hansford County 4-H Junior Rodeo, held July 20 at Oscar Archer Arena in Spearman.

Marty earned a total of 19 points on his way to winning the All-Around buckle. His brother Monty Eakin was named Reserve All-Around Cowboy in the boys 8-10 division, with a total of 13 points.

Other winners included Randus London of Freedom, Okla., who won the girls' All-Around saddle. She was entered in the 7 and under age group and won with 20 points with the highest number of first place finishes. Reserve All-Around in the girls 7 and under was Julie Dawson of Arnett, Okla. with 20 points.

Reserve All-Around winner in the 7 and under boys was Cooper Adams of Plains, Kan., with 18 points. Candy Dean of Hammon, Okla. was the winner of the 8-10 girls All-Around bracelet. Reserve winner in that age group was Jacee Richardson of Goom.

Winning a buckle as All-Around Cowboy in the 8-10 boys age group was Levi London of Freedom, Okla. The bracelet for All-Around Cowgirl in the 11-13 age group was Sequin Downey of Amarillo, and reserve winner in that age group was Sonya Coy of Hammon, Okla.

Winner of a saddle as All-Around in the 11-13 boys age division was Brandon Brown of Dumas, who earned 20 points. Reserve All-Around in that age group was H.G. Adams V of Plains, Kan.

Lori Keathley of Sweetwater, Okla. won the girls All-Around bracelet in the 14-18 age category. Reserve win-ner was Chasity Rickman of Hereford.

Randy McEntire of Sweetwater, Okla. won a buckle as All-Around winner in the 14-18 boys age group through entering the most events. Reserve winner in that division was Jered Norris of Canadian.

Winners in each event by age division follow

THE

WATCH OUT FOR CHEATERS

Any fishing tournament, open to the public, that does not have a polygraph will sooner or later attract a scoundrel who will cheat the honest fishermen. Polygraphs may cost the promoter a little money, but it is one of the best ways to have an honest fishing tournament.

Both Redman and B.A.S.S. have partner-draw systems that help protect against cheating. Open tour-naments for individuals are risky, but handled properly and honestly, are great fun. Watch out for those tournaments that do not protect against the cheaters. As the tournament director of Fun Tournaments, I insist on honest competition and wouldn't put my name on any open fishing tournament without a polygraph. Think about it.

The Dallas Cowboys are at camp; can dove season be far behind? Early reports indicate that the dove season should be excellent, but count on an early cold front pushing our birds to the south. It happens three out of four years.

One of the best gifts to give a young hunter is a hunter safety course. Effective Sept. 1 of this year, all hunters born between Sept. 2, 1971 through Aug. 31, 1975, must have completed a certified hunter education course to hunt legally in Texas. Call the Texas Parks and Wildlife at 1-800-792-1112 for the nearest safety class.

Don't just send the younster to the course, take it with him/her. Make it a special event by adding a trip to the gun range to sight in the rifles. The hunter education course will take some 10 hours, but the memories of those first hunts will last a lifetime. Every hunter and fisherman fondly remembers the thrill and anticipation of their early trips. Why not make the end of the safety course even more special by having a victor dinner or presenting the new hunter with that first gun?

If you haven't been to the gun range, it is time to go. While there, check out the newest concept in target shooting: sporting clays. Using a little imagination, the boys at the range can have the clay birds coming at you, going straight up, bouncing on the ground, or can send a darting pair of mini targets that would make even the elusive white wing dove a little jealous. Sporting clays are fun and, by improving your shooting, will make this year's first trip even more productive.

TIP OF THE WEEK: Tired of trying to read the little + or - signs on the old boat battery? A can of red spray paint can make charging the batteries lots easier. Just spray some on the positive post side of the battery. This idea really comes in handy when setting up the charger in the dark of night.

## **Swinford introduces TV** legislation

AUSTIN - As legislators continued to meet in special session to trim the fat from the state's budget, District 88 Rep. David Swinford, R-Dumas, introduced legislation which would eliminate the growth of in-house television studios within state agen-

"What we have seen over the past few years is a growth in the number of in-house television studios within state agencies," said Swinford. "Every time an agency wants to produce a TV spot, they have used our tax money to create their own per-sonal studio rather than contracting with private sector television production facilities for the work." Swinford added that this bill is an

A little scratch will cure that

attempt to eliminate some of the duplicity within state agencies and to eliminate part of the massive bureaucracy of state government by contracting with the private sector for television production services.

"I believe that if we contract with the private sector for television production services we can save taxpayers' money and at the same time generate business and dollars in the private sector. We know that dollars generated in the private sector will boost the economy while dollars which are simply transferred within state government do not boost the economy to the same degree," he concluded

### HELP WANTED

THE HANSFORD COUNTY ASCS Office will be taking applications for a temporary or full time program assistant. Secretarial and computer skills needed. Applications will be accepted August 1-7, 1991 from 12:00 Noon to 5:00 P.M., Monday-Friday. Applicants can apply at the Hansford County ASCS Office at 711 West 7th Spearman, Texas.

The Hansford County ASCS is an equal opportunity employer established under law without regard to race, color, religion, age, sex, handicaps, nation origin, marital status, political affiliation or other non merit factors. ASCS is an Equal Employment Opportunity Employer. S40-1tc13.65

### JOB OPENING

The City of Spearman is now accepting applications for a laborer position in the Street Department. A person who qualifies for the laborer position will be one who can perform semi-skilled tasks of a physical nature. Examples of work performed are repair of streets, aid in repair and sign placement, and park maintenance.

Ten years of formal school training or its equivalent in education, work experience, passing a physical examination will be required and a Texas commercial drivers license is preferred.

The City has an excellent fringe benefit program which includes retirement, group hospitalization insurance, vacation pay, holiday pay, and sick leave pay.

Applications will be received until 5:00 p.m. on August 12, 1991. Applications may be obtained at City Hall, located at 30 S.W. Court. The City of Spearman is an Equal Opportunity Employer. S40-2tc5.07

### **PUBLIC NOTICES**

### NOTICE OF SALE OF OIL AND GAS LEASE

The City of Spearman, Texas, will receive sealed bids until August 20, 1991, 7:30 p.m., at which time the bids for paid-up Oil and Gas Lease on the following described lands will be publicly opened and read.

A fifteen-acre tract of land out of the West one-half of Section 66, Block 4-T, Texas and New Orleans Railroad Company Survey.

The primary term of the lease may not exceed three (3) years. The lease may provide for pooling.

The City reserves the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the City. All bids received after the above closing hour will be returned unopened

All bids shall be sealed and marked on the outer envelope "Bid for Oil and Gas Lease." Specifications and bidding documents may be secured from City Hall, P.O. Box 37, Spearman,

### PUBLIC NOTICES

### TO ALL INTERESTED PERSONS AND PARTIES:

You are hereby notified of the opportunity for written public comment concerning the application for continuance of Permit Nos. R-4159 and R-4034A by AGCO of Spearman, Inc. for its grain elevator facilities in Spearman, Hansford County, Texas. The facilities are located at the ATSF railroad siding on the north edge of Spearman and five miles south of Spearman on Highway 760, respectively. These facilities are emitting the following air contaminants: particulate matter, particulate matter 10, volatile organic compounds, nitrogen oxides, sulfur dioxide and carbon monoxide.

A copy of all materials submitted by the applicant is available for public inspection at the Texas Air Control Board (TACB) Lubbock Regional Office at Briercroft South #1, 5302 South Avenue Q, Lubbock, Texas 79412, telephone (806) 744-0090, and at the TACB, 12124 Park 35 Circle, Austin, Texas 78753. All interested persons may inspect these materials and submit written comments to the Executive Director of the TACB. Any person who may be affected by emissions of air contaminants from the facilities may request a contested case hearing from the Board on the application for continuance pursuant to Section 382.056(d) of the Texas Health and Safety Code. All comments and hearing requests may be received in writing by August 15, 1991. All written comments submitted to the Executive Director shall be considered in determining whether to continue the permit All comments will be made available for public inspection at the TACB office in Austin. \$39-2tc36.60

THE REPORTER-STATESMAN PAGE 12

Otis McMillan Jr., retiring Spearman postmaster, introduces Barbara Lamb, the new postmaster. McMillan is retiring this week after 30 years with the U.S. Postal Service. Lamb officially takes over the Spearman Post Office today. She has most recently been Postmaster at the Boise City, Okla. station, but has served most of her 11 years with the postal service in the South Plains and the Texas Panhandle.

### THURSDAY, AUGUST 1, 1991

Morse from page ]

per \$100 of appraised value, which value averaged 98.0% of market value (selling price). The "true tax rate" was \$1.066 (\$1.088 times \$8,0%) statewide. Locally, the Pringle-Morse CISD imposed a rate of \$.593 while property was appraised at 105.9% of its market value making the true rate \$.628 per \$100 of market value (selling price). The report points out that the

calculation of a true tax rate based on market value rather than on appraised value is necessary to make a valid comparison of tax levels with other schools.

The tax on a house that would sell for \$30,000 in Pringle-Morse CISD would have been \$442. If the homeowner were eligible for homestead exemptions, the tax would have been \$224, and if owned by a person 65 years or older, the tax on an \$80,000 house in this district would have averaged \$247, or less if subject to a tax freeze. That compares with statewide average tax

### **GISD** from page 1

on market value rather than on appraised value is necessary to make a valid comparison of tax levels with other schools.

The tax on a house that would sell for \$80,000 in Gruver ISD would have been \$705. If the homeowner were eligible for homestead exemptions,

### **Beuna Hays**

Beuna Hays, 89, of Spearman died Wednesday, July 24. Mrs. Hays, born in Hutchinson

County, was a longtime resident of Spearman. She married Floyd Hays in 1920 at Amarillo. He died in 1986. She was a beauty operator for 60 vears.

Survivors include two grandsons, Larry Hays of Eufala, Okla., and Jimmy Palmer of Perryton; four great-granchildren; and three greatgreat-grandchildren.

Graveside services were conducted Saturday, July 27 in Hansford Cemetery with the Rev. LaVern Draper, pastor of First Christian Church, officiating.

Thousands of dollars

785

bills of \$871, \$771 and \$586 respectively for an \$80,000 house

Last year Pringle-Morse CISD's revenue from the property tax in-creased by 3.1 percent for 1990-91 as compared to a 8.7 percent increase statewide.

Local property taxes plus state aid totaled \$8,261 per student in Pringle-Morse CISD as compared to \$3,661 statewide.

Under the new school finance system, the state and the new county education districts will fund the total cost of the foundation program, which averaged \$2,458 per student last year and was \$4,163 in Pringle-Morse CISD. Local school districts can levy property taxes to enrich the foundation program. Enrichment last year averaged \$995 per pupil to which the state added an average of \$207 per student to guarantee the tax yield in property-poor districts. Enrichment by the Pringle-Morse CISD was \$4,098; the state guarantee added no money.

the tax would have been \$517, and if owned by a person 65 years or older, the tax on an \$80,000 house in this district would have averaged \$422, or less if subject to a tax freeze. That compares with statewide average tax bills of \$871, \$771 and \$586 respectively for an \$80,000 house.

Last year Gruver ISD's revenue from the property tax increased by 4.3 percent for 1990-91 as compared to 8.7 percent increase statewide. Local property taxes plus state aid totaled \$5,105 per student in Gruver ISD as compared to \$3,661 statewide. Under the new school finance system, the state and the new county education districts will fund the total cost of the foundation program, which averaged \$2,458 per student last year and was \$3,382 in Gruver ISD. Local school districts can levy property taxes to enrich the founda-tion program. Enrichment last year averaged \$995 per pupil to which the state added an average of \$207 per student to guarantee the tax yield in property-poor districts. Enrichment by the Gruver ISD was \$1,724; the state guarantee added \$0.

"The challenge to the Texas school finance system continues in district court," said Gary Wood, President of the Texas Research League, "but presumably SB 351 will go into effect for the coming school year."

Congressman Bill Sarpalius will have a "town hall meeting" at 11 a.m. on Monday, Aug. 12 at the Hansford County Courthouse in Spearman. The congressman said the meeting is designed to give Hansford County residents an opportunity to share their views and concerns with him and to ask him questions about the activities of their federal government. "We are living in momentous time," Sarpalius said. "Congress is going to make some extremely important decisions during the next two years, decisions that could have a big effect on people in Hansford County and throughout the 13th Congressional District. "I want to make sure our voices are heard in Washington, and that's where these town hall meetings can help. It gives everyone a chance to exchange ideas and to decide what is most important to us in our part of Texas. Our government really does work best when we work together. I look forward to seeing everyone in Spearman on Aug. 12," he said.

## **Clothes beat heat**

### by Sandra Avant

Texas A&M Extension Service COLLEGE STATION - If you're looking for ways to keep cooler in the Texas summer heat, a clothing specialist suggests taking a look at your wardrobe.

The type of clothing you wear can make a big difference in how comfortable you are indoors and outdoors, said Dr. Ann V. Beard with the Texas Agricultural Extension Service.

"Color, design, fiber, finishes and the fit of a garment are factors that affect clothing's ability to keep you cool," Beard said. "Choosing clothes that allow your body heat to escape, and those that reflect rather than absorb radiation in direct sunlight will make you more comfortable.

Clothes can absorb moisture through evaporation - the primary means of body heat loss - to help keep you cool. However, if moisture stays on the surface of the fabric, you will feel hot and sticky, Beard said.

When selecting outfits to wear on hot summer days, keep these tips in mind:

·Absorbent fibers such as cotton, linen, silk, rayon and wool are good choices, although wool is seldom worn during summer months in Texas.

### Announces Nita Bynum, Parts Manager

•Soll-release finishes increase sorbency while stain-resistant and wrinkle-resistant finishes decrease absorbency.

 Open-weave and open-knit fabrics allow for ventilation unless they are so open that they require additional layers of inner garments. Lightweight fabrics are more com-fortable than heavy or bulky ones.

•Smooth-textured fabrics are cooler than rough ones. And fabrics that do not cling to the body are more comfortable because they allow air to circulate.

•White and light colors reflect the sun's rays, so wearing these colors makes you cooler. Dark colors absorb heat and will be warmer.

•Loose-fitting clothing is cooler because it allows for air circulation and the evaporation of body moisture. Look for garments with open or large necks and armholes. Wear full skirts or pants with straight rather than fitted legs. Wear shirts and blouses outside skirts and pants for maximum comfort. Avoid anything that fits tightly. One layer is cooler than several.

•Inner garments, accessories and cleanliness of clothing affect heat retention, too. Wear absorbent inner garments and be sure to keep all clothing clean. Choose loose, lightweight accessories that do not restrict air flow.

"By making the right clothing choices," Beard says, "you'll be a step ahead in beating the Texas heat this summer."

heated and cooled air in its place: In your home Homes that aren't built to Good Cents standards waste energy by letting heated and cooled air leak outside the home, into the attic and even beneath the house. A Good Cents home keeps the heated and cooled air where it belongs — in the living area of your home. For more information about buying or building a

Good Cents home, call or visit your local Texas-New Mexico Power Company office.
