Gruver Band - On To State

by Todd Parker

There are not very many times in a person's life when one can do something really great. The members of the Gruver High School Band have achieved one of these rare moments by being selected as one of two bands in the Area Marching Band Contest to advance to the Texas State Marching Band Championship.

The 1-A State Marching Contest will be held in Mesquite, Texas at the Mesquite Memorial Stadium on Monday, November 3, 1997.

Marching bands from across West Texas competed in blowing snow and wind chill factors to -4° this past Saturday at Dick Bivins stadium in their bids to become Area "A" winners.

Other high school bands competing in the Area competition were: Jayton, Wink, Groom, Whiteface, Wheeler, Sanderson, Petersburg and Marfa. Jayton High School will also attend the State Marching Contest.

The Gruver band will travel to Mesquite early Sunday morning on charter busses, and will spend the night in Garland, Texas. Early Monday morning they will travel to Mesquite Memorial Stadium to compete against ten other bands in the preliminary competition. Gruver will march at 10:18 a.m.

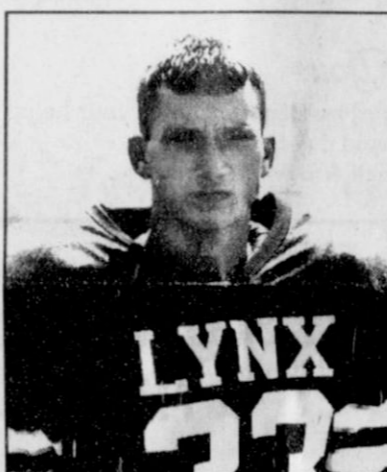

The top five bands in the

preliminary competition will advance to the State Finals, which will begin at 6:00 p.m. in the Mesquite Memorial Stadium.

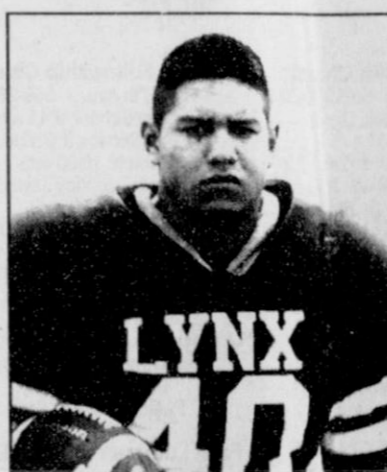

The bands will be judged by a five member panel in preliminary competition, and a different panel in the finals. Tickets for both events may be purchased at the gate for \$12.00.

"The band and I would like to once again thank everyone involved with the Gruver band program for their support," commented Todd Parker. This is the first time since 1985 that Gruver has advanced to the State Marching Contest.

Lynx Maul Comanches

competition this past Friday night. The final score was Spearman-38, West Texas-15. This brings the record for the Lynx to 6-2 for the season, and 2-1 for district.

The Lynx had control from the beginning when Michael Lusby took the opening kickoff back 43 yards to midfield and scored six plays later on a 20-yard run. The Lynx then held West Texas to three plays on their first possession, and Lusby returned their punt 61 yards to the Comanches' 3-yard-line. He scored on the next play to make it 14-0 with 6:41 left in the first quarter.

The Lynx had 246 rushing yards and 70 passing yards, for a total of 325 yards, compared to the Comanches' 204 total yards.

Carlos Hernandez, 195 lb. junior runningback, was named the offensive player of the week. Hernandez rushed for 28 yards on three carries. He also had one reception for 15 yards and one touchdown. He graded 85% on the film grade.

Quentin Shieldknight, 225 lb. junior tackle, and Chuck Grayson, 140 lb. junior cornerback, were named defensive players of the week.

Shieldknight had two unassisted tackles and seven assisted tackles.

Grayson had one unassisted tackle and 5 assisted tackles. He also had one fumble recovery.

Individual rushing stats for the Lynx are as follows: Lusby had 30 carries for a total 191 yards, with four touchdowns; Aaron Witten had seven carries for 17 yards; Aaron Winegarner had four carries for 10 yards, and Hernandez had three carries for 28 yards. Winegarner completed four passes on six attempts, for a total of 79 yards.

Individual receiving stats were: Clayton Wilkerson had one catch for 22 yards; Grayson had two catches for 42 yards; and one touchdown; and Carlos Hernandez had one catch for 15 yards; and one touchdown.

The Lynx will host Stratford this Friday night at 7:30 p.m. at Lynx Stadium.

It was an exciting game in Stinnett when the Spearman Lynx defeated the West Texas Comanches in district 1-2A

Windbreak Trees Available

by Rick Harrell

Seedlings for conservation windbreaks are now available for order through the Hansford County Soil and Water Conservation District (SWCD). Landowners in Hansford County are encouraged to purchase the one-year-old seedlings before preferred stock is sold out, says a Texas Forest Service official.

Each year thousands of regionally adapted seedlings are grown from seed by the Texas Forest Service West Texas Nursery in Lubbock. The agency's primary objective is to produce and sell quality seedlings at a price landowners can afford, allowing them to plant large quantities of trees for windbreaks, says Robert Pewin, Texas Forest Service Forester, Lubbock.

"Windbreaks are trees and shrubs systematically planted adjacent to fields, homesteads, or feedlots as a barrier to reduce or redirect the wind," Fewin explains. "They create permanent, natural protection and habitat for wildlife, reduce erosion, and increase land value and aesthetics."

Wildlife packets for habitat establishment also are available. Each of the four wildlife packets contain 100 bare-root trees and shrubs which cater specifically to the habitat needs of quail and pheasant, deer, turkey or squirrel. Seedlings ordered this fall will be shipped or delivered in March of 1998.

To order windbreak trees contact the Hansford County SWCD at 659-2330, or drop by 909 West 9th in Spearman.

Missionary To Speak At TFC

by Johnny Taylor

Spearman will have a visitor from south Africa this week. Dr. Chris deWet and his wife Catharine will be in Spearman Saturday, November 2, 1997 through Wednesday, November 5, 1997.

Dr. deWet is an African missionary, who is currently doing missions work in Congo (formerly Zaire), Zambia, Malawi and other bordering countries as well as in Colorado Springs, Colorado. Dr. deWet has been training pastors in numerous countries on the continent of Africa for the past 25 years as a co-founder of Afmin Ministries, International.

Dr. deWet will be speaking and ministering at Trinity Fellowship Church on Sunday morning, Sunday evening, Monday evening and Tuesday evening.

"Very few people ever have the chance to visit the African continent, but almost everyone is intrigued by the seeming mystique of Africa," Says Pastor Johnny Taylor of Trinity Fellowship Church. "This will be a great opportunity to visit with Dr. deWet, ask questions, and hear about what is happening in Africa!"

The Sunday morning service will begin at 10:30 a.m., the Sunday evening service will begin at 6:30 p.m. and the Monday and Tuesday evening services will begin at 7:00 p.m. All are welcome to attend and enjoy! If you have questions or would like more information about Dr. deWet's visit to Spearman, please contact Pastor Johnny Taylor, Trinity Fellowship Church (806) 659-2671.

Carthel Named All-Academic

KiKi Carthel paced the McMurry Women's Cross Country team on October 25 at the American Southwest Conference Cross Country Meet at the University of Dallas in Irving.

Carthel, a sophomore, finished first on the McMurry Lady Indians team and eleventh overall in the three mile race.

The Lady Indians team placed third in conference standings.

Carthel was also named to the American Southwest Conference all-academic team. A 1996 graduate of Gruver High School and former member of the Lady Hound Cross Country team, Carthel is a sophomore biology major.

Focus On The Family

QUESTION: My mother and father were harsh disciplinarians when I was a child, and I was afraid of them both. My cousin, on the other hand, was raised in a home with very few rules. She was a spoiled brat and is still selfish today. Would you compare these two approaches to child rearing--the authoritarian and the permissive homes--and describe their effects on children?

DR. DOBSON: They are equally harmful to children, in my view. On the side of harshness, children suffer the humiliation of total domination. The atmosphere at home is icy and rigid, and they live in constant fear of punishment. They are unable to make their own decisions, and their personalities are squelched beneath the hob-nailed boot of parental power. Lasting characteristics of dependency, hostility and even psychosis can emerge from this overbearing oppression.

The opposite approach--ultimate permissiveness--is equally tragic. In this setting, the children are their own masters from their earliest babyhood. They think the world revolves around their heady empire, and they often have utter contempt and disrespect for those closest to them. Anarchy and chaos reign in their homes, and their mothers are often the most nervous, frustrated women on the block. When the children are young, their mothers are stranded at home because they are too embarrassed to take their little devils anywhere. These children later find it difficult to yield to outside symbols of authority, such as teachers, police, ministers or even God.

To repeat, both extremes of authority are disastrous for the well-being of children. There is safety only in the middle ground, which is sometimes difficult for parents to locate.

Laugh and Live

by Gary C. Smith

I am very proud to be a Texan, but I am a Texan by choice, not by birth. I was born and raised in the South, and am very proud of my Southern heritage. Here are a few things you would never hear a southerner say.

- We don't keep firearms in this house.
- Has anybody seen the sideburn trimmer?
- You can't feed that to the dog.
- I thought Graceland was tacky.
- No kids in the back of the pick-up, it's not safe.
- Wrasslin's fake.
- Honey, did you mail that donation to Greenpeace?
- We're vegetarians.
- Do you think my hair is too big?
- I'll have grapefruit instead of biscuits and gravy.
- Honey, these bonsai trees need watering?
- Who's Richard Petty?
- Give me the small bag of pork rinds.
- Deer heads detract from the decor.
- Spitting is such a nasty habit.
- I just couldn't find a thing at Wal-Mart today.
- Trim the fat off that steak.
- Cappuccino tastes better than espresso.
- The tires on that truck are too big.
- I'll have the arugula and radicchio salad.
- I've got it all on a floppy disk.
- Unsweetened tea tastes better.
- Would you like your fish poached or broiled?
- My fiancée, Paula Jo, is registered at Tiffany's.
- I've got two cases of Zima for the Super Bowl.
- Little Debbie snack cakes have too many fat grams.
- Checkmate.
- She's too old to be wearing that bikini.
- Does the salad bar have bean sprouts?
- Hey, here's an episode of "Hee Haw" that we haven't seen.
- I don't have a favorite college team.
- I believe you cooked those green beans too long.
- Those shorts ought to be a little longer, Darla.
- Elvis who?
- Be sure to bring my salad dressing on the side.

Until Next Time,
May God Bless.

Graham/Torres Wed

Angella and Eloy Torres

Before an alter adorned with peach and cream roses, English ivy, and twin candelabra, Angella Graham and Eloy Torres exchanged wedding vows. The

private, but impressive ceremony took place at two in the afternoon on October 25th in the covenant of Joy Christian Church in Amarillo. Dr. Michael Oden officiated the ceremony.

The bride was lovely in a winter white suit embellished with cut out work on the skirt and bodice. She carried a bouquet of peach and cream roses. Her only jewelry was a pair of diamond heart earrings, a gift from the groom, and a delicate gold "#1 Mom" necklace, a gift from her children, Maverick and Zoey.

After a honeymoon in Amarillo, the couple is at home at 213 N. Brandt in Spearman, where the groom is employed by Beedy Furniture.

Parents of the couple are Randy and Linda Coombs of Spearman and Jose and Celia Torres of Stratford.

Out At The Lake

by Jim Derington

Lake level - 38 ft. - 4 in.
Temperature - 48 degrees
Winter arrived in no uncertain terms over the weekend. Surely, we can now enjoy some more fall weather. The changing of the seasons brings new sights to gcs@arn.net. While taking some away, The leaves are in full color, behind the dam and on the Cribner, west of the bridge. Fall migration is taking place with new birds being spotted daily. In the last week, around the lake, the parks, and my wife's bird

feeder, we've seen Sandhill Cranes, Pelicans, numerous ducks, Mountain Bluebirds, house finches, Northern Flickers, Red Headed Woodpeckers, and Bald Eagles. No geese yet, but they will be here before long. Noticed the water temperature, it really dropped this week. While some fish may not be as active in cool water, it may be the perfect time to find a hungry Walleye! If the weather stays nice for a while, the temperature may come back tip some.

Public meetings are being held around the state this week by the Texas Water Development Board. The purpose is to receive comment on the regional planning areas and rules, proposed by the Board, as required by Senate Bill 1. As proposed an area composed of 44 counties from the Panhandle to the South Plains, makes up the area that we are included in. Each designated area of the state will be charged with looking at the future water needs and supplies, and drafting drought contingency and water conservation plans for the future. From the regional plans, a state plan will be developed. Dorothy will be back next week.

Computer Corner

by Scott Ermis

This weeks article is about video. A few people wrote asking how they could "spice" up the video on their computers. Most computers come with one meg of video ram. Video ram is a lot like the ram or memory your computer uses to store information, but video ram is stored for video purposes only. When your computer reads the information that is needed to display information on a monitor, it is stored here in your video ram.

When your surfing the net, playing games, or just running your favorite windows programs, this memory is very important because it is what you see when you are working on your computer. As with computer ram, the more memory you have the better, or faster, it will run. Upgrading video ram is pretty inexpensive and you will notice a big difference in almost everything you do with your system. Keep the questions coming to kalis@am.net or the Hansford County Reporter-Statesman.

Miniscopic Deep Canal Hearing Instrument Now Available

Our office is happy to announce that we are currently fitting a completely in-the-canal hearing instrument. This remarkable new hearing instrument is discreet and comfortable to wear. Its placement deep in the canal of the ear (see illustration at top) makes it barely visible. Others may not recognize you are wearing a hearing aid. The Miniscopic is the smallest hearing instrument ever manufactured by NU-EAR. Call now to schedule an appointment for your hearing assessment and consultation.

Among The Neighbors

by Helen Fisher

Last weeks Generation Y edition carried a picture of Jennifer Laxson and her opinion in the opinion column. Referring to her opinion of the music of the group "Smash Mouth" Jennifer stated that while she enjoys rock music, she doesn't approve of this group. She is much appreciated for her connecting the Spearman students and Generation Y. It is of interest to many and also serves as good training for students. Jennifer is the daughter of Paulette Laxson and a student in Spearman High.

Dorothy Longley was pleased to have guests last week. Her daughter, Delores Waggle of Wynona, Oklahoma with son Mathew left before the weather turned.

Phyllis Owens was pleasantly surprised last Saturday on her birthday when her grandson, Darren and Sally Elliot, arrived at her door; they are from Dallas. Soon Darren's parents Judy and Bill Elliot of Amarillo arrived. Carl and Sylvia Owens of Beaver, Oklahoma were also unexpected guests.

Much is being reported on the farm media concerning the shortage of railroad cars for the current harvests. It is being emphasized that the grain is being piled on the ground, and companies unable to fill orders are causing a drop in prices to farmers.

According to Darrin Rayl, manager of Cargill, most of this shortage is in Kansas and points north. Much of it is due to the merger of the Southern Pacific and Union Pacific railroads and its difficulties, a labor union strike against them, and to the floods at shipping points on the Gulf which has prevented shipping.

He further stated that in Spearman, the Santa Fe railway is supplying all the cars needed here; albeit some are late. However, most of the grain in this county is transported by truck.

Much of Cargill grain is going to Mexico now, and some 52 car train units have gone from Spearman. In fact, one is expected in the near future and another is on order.

No slow down is expected for the milo harvest due to car shortage.

Sympathy is extended to the families of Arthur Dawes and Dean Stumpf in their bereavement.

Don and Gloria Knox returned last Monday from about three

weeks in Evanston, Wyoming and elsewhere. They drove from Spearman, enjoying the good weather and scenery, although the return trip was through some snow.

They stopped in Caspar for a visit with Gloria's niece, then on to Evanston to the home of son Danny, Rita and two grandchildren.

Don especially enjoyed the fishing and hunting in the mountains. School was dismissed for elk season, so he had the pleasure of the company of grandson, Lee Isaac. Huge moose and bear were spotted occasionally.

Gloria spent some time in nearby Salt Lake City. She took the Temple Tour for which the city is famous. Her young lady guide asked her where she lived and on learning that it is Spearman, she spoke of another guide from Spearman. To Gloria's delight, it was the gracious Michele Garnett, the daughter of Marti and Mike. She served as Gloria's guide for the rest of the tour.

Michele is doing her two year mission and is serving in Salt Lake City. While the Knoxes were in Evanston, there was two feet of snow. They drove back to Denver just ahead of another two feet.

Weather for October 20 to October 27: high - 72 on Oct. 24; low - 15 on Oct. 26.

Sara Dossett and Mary Schumann returned on Sunday from a Hughes Holiday Fall Foliage tour. They, with 16 other passengers, left Guymon in October and covered 2000 miles.

They were fascinated by the brilliant foliage on the way to Grand Rivers, Kentucky. At historical Bardstown, Kentucky, dating from 1785, touring the Stephen Foster home the words of many of his loved ballads came back to them. The St. Joseph Protocathedral there was

another interesting place.

Next they stopped at the Bourbon Capital of the world--no hint from them of any samples presented to tourists! On through Shepherdville, Jefferson City, to Lake of the Ozarks to Louisville, Kentucky. (Here Mary spoke to Arnis and Connie Pope who live in a near-by town. They seem to be well settled there after their move from Spearman.)

Next they visited Churchill Downs, and the race track of the Kentucky Derby. At Joplin, Missouri they toured the Precious Moments Chapel and attended the show Fountain of Angels. They were scheduled to arrive in Guymon on Saturday, and at Buffalo, Oklahoma, the sun was shining, but by the time they reached Elmwood, 50 miles east of Guymon, wind and blowing snow caused the road to be closed. All the group and other travelers spent the night in crowded quarters at the little motel there. As they drove to Guymon the next day, they counted 13 cars and trucks in the ditch.

The dreadful weather on Saturday caused many accidents, but fortunately no serious injuries. Spearman escaped the brunt of it which seemed to be west and north, then moved to the east. Some of the reports follow:

Bob Boxwell, Charles Newcomb and Jeff Boxwell of Perryton were enroute to Guymon to hold a funeral about noon. They had no difficulty, except for the strong wind and blowing snow, until they turned north on Highway 207 just west of Hansford. The visibility became zero, and they were turned back by officials closing the road. Several other vehicles were included in the turn around. They tried #136 north from Gruver, but soon the complete whiteout forced them to turn back. Some of the cars were attempting to attend the funeral. It is to be rescheduled.

Carole Dickens had left Guymon to return to Spearman about noon, and had just turned south on #207 (about two miles) when the swirling snow caused her to lose all sense of direction. She was disoriented by the whiteout and

couldn't even see the truck which struck her car from the rear, forcing it into the ditch. Brandon Baker, driver of the Five Star Equipment truck, couldn't see the car ahead, though he was driving very slowly. It was an hour and half, at least, before the Spearman ambulance finally reached them and brought her to Hansford Hospital. She was not seriously injured.

Carole expresses deepest appreciation to the ambulance driver, and the EMT personnel who finally managed to cover the hazardous highway to reach them and so capably cared for her. They had been detained at the scene of another accident south on 207 near the Flintrock Feed Yards.

Deputy Allen Mires had been enroute to the accident on 207 and began to be in the snow soon after he turned north from highway 15. By the time he reached the area of Flintrock Feeders, the swirling, wind driven snow caused a complete whiteout. He barely could see the front of his car, so he radioed the ambulance, fire truck and others behind him of the condition. A pick-up passed him, barely averting a collision. He stopped to pull off the road when he was struck from behind by a Dodge pickup which spun him around.

The Gruver ambulance struck a Chevrolet pick-up. Both vehicles were out of commission. Many other vehicles were stopped at the scene. Several of these were trying to reach Guymon for the funeral; all of this during a cold,

windy whiteout.

Allen started to leave his car to check on the occupants of the other vehicles when he realized that he had back injuries. He and another injured man, whose name is not available, were placed in the Gruver ambulance in an attempt to keep them warm.

Eventually another Gruver ambulance reached them and brought them to Hansford Hospital. The Spearman ambulance was able to go on toward the accident farther north. The Spearman Fire Department was on the scene, and the accident was worked by a DPS officer. The ambulance and Allen's car had to be hauled back when trailers could reach them. Allen was taken on to an Amarillo hospital and released late Monday. He will be

recuperating at home for several days. The other man was not seriously injured.

Fire Chief John Kunselman was driving the fire truck answering the call to the wreck north on 207. There was no fire, and the firemen assisted in traffic control.

The intense whiteout caused all highways in the vicinity to be closed. Many were the expressions of appreciation for the ambulance crews, firemen and other volunteers. They were in danger trying to assist and control traffic, and the community is certainly indebted to them.

The cold weather may have changed all the green color on the landscape, but did little to change the influence of Green -- as in Green Peace; Greenhouse effect; and mostly Greenspan...

Battle of the Bands

Neither freezing rain, nor snow, nor blizzard winds hindered the regional band contest judges on Saturday from seeing what we at Gruver already know, we have a great band. As the Houndsound Band practiced early Saturday morning, the tabs on the cornets and baritone froze shut. At the 12:30 p.m. performance time though, the temperature rose slightly and allowed the GHS band to play with all instruments in tact. The result, the GHS Band was one of the two bands in class A chosen to compete in the state band contest on Monday in Mesquite, Texas. Best wishes to the Marching Hound Band!

Weather Works Havoc

The powerful blizzard that hit Hansford County early Saturday morning not only brought changes in plans of area residents but also near catastrophes. Many cattlemen braved the severe conditions to gather stray cattle and provide hay and water for their livestock. David and Marion Tomlinson who were enjoying the first visit of their infant granddaughter, Alexandria Rex Cathey, and her parents Dala and Tommy Cathey, Jr. of Houston extended their hospitality to unexpected guests who found it too dangerous to continue on their journey. A wise idea in light of the pile up of vehicles that collide in the white out north of Gruver on FM 207. The complete story is in Helen Fisher's column. In checking with officials on Wednesday, damage sustained to the Gruver ambulance had not been determined. The backup ambulance is currently being used for emergency calls.

Our Ill

Several of our community who were ill this week have required brief hospital stays.

Pauline Winger spent a day in the Hansford Hospital last week but has been released.

Bob Cluck, who has been having respiratory problems, was in Amarillo on Monday for evaluation. Bob was feeling better on Tuesday.

Hugh Bell spent one night in an Amarillo hospital but returned home on Tuesday evening.

J.R. Stork, west of Gruver, also was ill last week and taken to the hospital.

Word was received on Tuesday evening that Bill Cator was enroute from Ochiltree Hospital to Amarillo. As of Tuesday, Bill's illness was undiagnosed. Residents will want to remember Bill and his family in their prayers.

Irene Baker spent time in Ochiltree Hospital last week.

It is hoped that all of these

members of our Gruver and area family will see marked improvement in the coming days.

Sports

GHS Hounds Set for Clash

The varsity Hounds could win the 1-A football district title on Friday with a win over the Wheeler Mustangs. The Hounds are well and ready to tango. Coach Frick says the Hounds would like to have all their fans in Greyhound Stadium on Friday evening at 7:30 to cheer them on.

A big part of the Hounds success has come from the effectiveness of the offensive line. The "Hogs" as they are lovingly called are the guys in the trenches who do the hard work but get little credit. The starting hogs are Jared Johnson, Luke Johnson, Jody Robinson, T.J. McClure, and Jeff McClure. Rob Murrell, Roland Herrera, Jason Tebeest, and Clayton Henson are also called to duty on the line. Let's make it official "Hug a Hog" week and recognize these young men for the great job they do each week.

JH Hounds Hooked by Horns

Revenge was on the minds of the Junior High Hounds last Thursday when they sought to subdue the Vega Longhorns who had beaten them 6 - 0 in an earlier meeting. In the first quarter, punter Steven Salazar rambled and turned a scary high snap into a first down. Salazar also connected with David Hernandez on a halfback pass, but all to no avail, as the Hounds could not tack points on the scoreboard. The Longhorns accounted for the only score of the quarter with a 70 yard run.

Second period action saw Salazar rack up good yardage on a reverse play, but a fumble later

stopped the Hounds' drive. The Longhorns returned the favor with a fumble on the Hound ten yard line. Zach Christian sparked the Hounds with a nice run, but the Hounds could not maintain their march, and the halftime score remained 0 - 6 in Vega's favor.

Vega tallied one touchdown in the third quarter only after a stubborn Hound defense held the Horns behind the goal line for three downs. The third quarter was also the best for the Hound offense. A pass to Salazar by Ryan Abernathy, followed by a scamper by Abernathy, and another ramble by Hernandez set the Hounds up to score on a pass play to Salazar. An unsuccessful PAT attempt concluded the game with the final score Gruver 6, Vega 12.

The Junior High Hounds will be in Wheeler Thursday for a 5 p.m. game with the Mustangs.

Junior Varsity Hounds Tame 'Cats

Turnovers marked the opening of the junior varsity game. The Wildcats of Canadian intercepted a Gruver pass on the Hounds 40 yard line early in the game only to give the ball back on a fumble recovered by Daniel Hernandez a few plays later. The Hounds then initiated a drive aided by a 15 yard pass from Derik Grotegut to Dan Odom, a ten yard run by Aaron Weller, and a long run by Corey Schneider. Grotegut then carried the ball in for the score. After a failed PAT, the score stood 6 - 0 at the end of the first quarter.

The Hounds began the second quarter with an interception by Anthony Villalobos which unfortunately did not materialize into points. A determined Canadian team then lit up the scoreboard with a long pass for a touchdown capped by a successful two point attempt.

The Hounds answered with a scoring pass to Dan Odom followed by a scamper for two by Odom.

Weller chalked up another

touchdown for the Hounds in the fourth. The PAT effort was unproductive. Final score in the game was Gruver 20, Canadian 14. The junior varsity Hounds will host the Booker junior varsity Thursday at 6 p.m. This is a change from the circulated schedules, so fans take note.

Maupin on Mountaineer Team

Wylee Maupin, a 1996 graduate of GHS and the son of Wes and Micky Maupin, is a member of the Western State College Mountaineer Football Team in Gunnison, Colorado. This is the same college at which Wylie's dad played. Wes and Micky were in Gunnison recently to see their son and participate in Homecoming activities.

College Students at Vega Game

A number of college students were supporting the Hounds Friday night at Vega. Jana McCloy, Scott Jarvis, Justin Carthel, Santos Rivera, Jr., Max Frick and Daniel Bort enjoyed the

Hounds' big win.

Cross Country Meet

The Gruver Girls Cross Country team finished eighth in the district track meet. Nazareth and Farwell were the top two placers and will advance to regional competition.

Student Council Fundraiser

The GHS Student Council is selling combination calendars/day planners for \$3. The calendars can be purchased from any student council member or from sponsor Julie Logsdon.

Baby Shower

Mrs. Cheryl TeBeest Powell was honored with a baby shower in the home of Mrs. Gary Evans on October 18th. Special guests in attendance at the shower were Mrs. Sandy TeBeest, mother of the honoree; Mrs. Barbara Botello of Amarillo, mother-in-law of the honoree; and Mrs. Jennie TeBeest and Mrs. Mary

Trent, grandmothers of the honoree.

College Corner

Roxane Holt, Texas A&M University sophomore, has been recognized by Phi Eta Sigma Honor Society for her exceptional academic performance during her freshman year.

Roxane will be honored on the National Honor Roll for college freshmen.

Jace Dawson, Oklahoma State University junior, has been inducted into the Golden Key National Honor Society. The organization recognizes the top 15 percent of juniors and seniors in all fields of study at more than 250 universities across the nation.

Hounds Hammer 'Horns

by Wesley Miser

When the Greyhounds played the Shamrock Fighting Irish, Gruver shut them out with a 39-0 score. It was no different at Vega last Friday night.

The Vega Longhorns never stood a chance. Gruver allowed them to have only four first downs in the entire game and 64 total offensive yards. They never came close to scoring.

Instead of taking this quarter by quarter, I'll shorten things up in saying how Gruver's players did. Brant Armes made three touchdowns on 13 rushes for 142 yards. Kyle McNett also scored on a 13 yard run, and Bray Armes

caught a two-yard pass from Jim Potts. In the third quarter, Bray Armes scored three more points for the Greyhounds on a 30-yard field goal. The score ended 37-0. Vega's district and overall record remain without a win at 0-7 and 0-3.

There's not much else to say about the game except the stats. Gruver finished with 15 first downs and had 362 total yards gained. They scored 20 points in the first quarter alone. Vega also committed four fumbles and lost them all to Gruver. To sum it up, Vega didn't stand a chance against Gruver. Their offense and

defense were smothered by the Greyhounds' never failing determination.

The upcoming football game on Friday is going to be tough and possibly exciting. The Greyhounds must face the

Wheeler Mustangs. Both teams have a district record of 3-0, but on Friday night one of these teams must be defeated. All the fans in Gruver need to come to this one because footballs will be flying and helmets colliding.

Top Ten Chillers and Thrillers

The top ten all time best scary shows selected by Hansford County residents of all ages are (in no particular order) Halloween, Dante's Peak, Jurassic Park, Wait Until Dark (1970's film starring Audrey Hepburn), The Creature from the Black Lagoon (also an older movie), Scream (a 1997 release), Independence Day (especially among Morse fourth graders), Psycho (the Alfred Hitchcock classic), Friday the Thirteenth, and The Exorcist.

School Count Submitted

Gruver High School submitted a count of 148 students in their October count for UIL districting. Two years ago, a count of 149 students was reported. District changes will not be known until February, when the UIL determines the cutoff numbers of student enrollments in each classification and makes district

assignments accordingly. High School Principal Tim Garland is not anticipating Gruver's movement out of class A.

Morse Morsels

by Mildred Lewis

My dog, Rudy, and I went down to Wichita Falls the week before last for the weekend. I went down to help my daughter, Linda Lou, have a garage sale. She is trying to move to a better part of town. The sale was a great success.

Congratulations to Joe and Maxine Reiswig. They had their 50th Anniversary Dinner. Their children gave them a party at Stratford at Judy and Ted Bolin's.

The Pringle-Morse CISD will host their Halloween Carnival on Thursday, October 30th from 6-8:30 p.m. The P.T.A. will have a dinner at 6:00 p.m., and the festivities will begin at 6:30.

Rebecka Reed of Paducah, came home with Wes Leach over the weekend. He brought her to church on Sunday. They both attend Angelo State University in San Angelo.

Jackie Stephens of Belvista, AK came by to visit Susan and Rex McCloy and family. She was their guest at church on Sunday.

Tom Dortch went to Oklahoma City on a business trip. He bought some cars and pickups to add to his collection.

Sharon Lieb's parents were at church on Sunday. They are James and Sharon Guest.

We were sorry to hear of the passing of Jeanne Schick's husband, Clarence Chambers. They lived in Amarillo. She attended school in Morse.

We were also sorry to hear of the passing of Freda M. Dortch. She is Tom Dortch and Maxine Reiswig's aunt. They were going to attend the funeral on Saturday in Stratford, but the weather got so bad that they had to turn around and return home.

My, what a Saturday! I sat in the house all day listening to the scanner. They had several wrecks not far from Gruver. The snow was a white-out - you couldn't see anything. Gruver and Spearman had it worse than Morse.
