They plan such glowing schemes for us  
When we are little rosy kids  
Who laugh and cry and coo---  
And life would be most wonderful  
instead of blind and blunderful,  
If but a tenth of mother's dreams  
Would now and then come true!

Oh love beyond all measuring!  
Oh faith forever treasuring!  
The secret, splendid vision

And never doubts some joyous day  
Its dreams are coming true!

## Brush Requires Major Portion of Rainfall

It will shock most people to know that approximately 138,000,000 acre feet of water or 38 percent of the annual precipitation is used by non-economic plants.

The Soil Conservation Service made a brush survey of Texas grassland and found 82 percent of Texas grasslands were covered with brush and most of it is so dense that most of the moisture entering the soil was being used by brush instead of grass.

Grass is a more efficient user of water than most woody plants, requiring much less water to produce a pound of dry matter. For example, it takes about 1800 pounds of water to produce a pound of mesquite forage, whereas it takes just about 350 pounds of water to produce a pound of grass.

There is much less water used on an acre of grassland

than on an acre of woody plants, the report shows.

A grassland restoration program, involving the control of undesirable plants and replacing them with grass would result in a great saving of water, most of which would be available for deep percolation into underground aquifer and return flow to stream.

It is estimated that approximately 10,000,000 feet of water could be saved annually by brush control.

Through the Great Plains Conservation Program, a producer is eligible for 50 percent of the cost of controlling the brush, not to exceed \$2,500.

Technical assistance may be obtained by contacting the Blackwater Valley Soil Conservation District or the Soil Conservation Service, Johnny L. Ollenberg, of the local Soil Conservation said.

MOTHER'S DAY--As a token of her love and devotion for her mother, one day in early May, 1908, Miss Ann Jarvis of Philadelphia wore a white flower to a public meeting. The idea spread and is now a national observance. The resolution in part states: "The service rendered in the United States by the American mother is the greatest source of the country's strength and inspiration; we honor ourselves and the mothers of America when we do anything to give emphasis to the home as the fountainhead of the State."

## Gusty Winds Accompany Massive Thunderstorms

Parts of Bailey County failed to escape destructive hail which accompanied heavy rains during the day Thursday.

Thunderstorms swirled over the entire area most of the day and all civil defense units, including units of the Texas Highway Department, Highway Patrol and Bailey County Sheriff's Office along with Volunteer Fire Department were either out watching clouds during the day or on standby if needed.

Rains fell again in a more gentle form during the day Friday and skies remained overcast at presstime.

A portion of southern Bailey County near Coyote Lake was dry until shortly after noon when wheat crops were virtually destroyed by a bombardment of large hail stones and a deluge of rain.

Mrs. M. C. Street who lives near Coyote Lake said "Well, we needed rain, asked for it and got it, but it fell too hard and washed us out."

Farmers in the Longview community report only one-half inch of moisture and no hail. More than two inches of rain fell in that area accompanied by about 3.5 inches of rain with a one and one-half hour period. The city of Muleshoe received approximately one and one-half inches of rain which fell during a 48-hour span of time. Winds were unsteady during the day, calm at times, and high and gusty at intervals. By the midnight hour Thursday, high-winds were dense with fog and a light mist was falling.

Farmers in the area west of Needmore and northwest of Enochs reported that tractors were used to pull pickups and

cars through an area where hail fell and was washed up on the farm-to-market road forming high ridges of stones.

Parts of the county received sprinkles, in contrast to these other reports, and part did not receive any rain.

A traveling man visited the Journal during the height of the Thursday storm and told of leaving Midland during the early morning hours and saw a tornado dip from a heavy black cloud, touch the ground and disappear back into the cloud. The funnel was seen between Odessa and Midland. Water was over Highway 214 near Enochs and he said it was running swift about 18 inches deep. Enroute from Midland to Muleshoe, several places had water over the highway

and along with drifting debris in the water, there were also snakes washed out along the way.

Skies remained overcast during the day Friday and the U. S. Weather Bureau reported that the state would have scattered showers during the day and evening.

Midland and Corpus Christi were the hardest hit Texas towns with flooding, hail, wind, and tornados ripping through them.

Services for H. D. (Doyal) Neighbors, 46, of Lubbock were held at 9 a.m. Saturday in the First Baptist Church in Lubbock with the Rev. David Ray, pastor, officiating.

A second service is to be held at 2 p.m. today (Sunday) in the Wright Funeral Chapel in Brownwood. Burial will be in the Cox Cemetery near Brownwood under the direction of Rix Funeral Home.

Neighbors drowned near Midland Thursday when he was trapped in his car which was swept from U. S. 80 by a flash flood.

A salesman for Stokely-Van Camp foods, Neighbors had been well known in the Muleshoe area for many years.

Mr. and Mrs. Alton Epting reported that their son and family received much damage to their home and antique car during the rain in Midland where they live when high water flooded that city.

Muleshoe city streets had some water running during most of the day and some was left standing in low-lying areas, however, no damage has been reported.

## Rabies Vaccine To be Given At City Hall

Mrs. Bert White, Houston, remained in a coma at West Plains Hospital here early Saturday when she was taken after suffering a stroke at the home of her son and daughter-in-law, Mr. and Mrs. T. R. White, where she was visiting. She is believed to be slightly improved. Her other children and families have arrived to be at her bedside. They are Mr. and Mrs. Herman Meyer, Mr. and Mrs. "Wimpy" Walker, Amarillo, and Mrs. Bea Rhea, Houston.

Dogs and cats are to be vaccinated against rabies at City Hall on Thursday, May 23.

Dr. Jerry Gleason will be at City Hall between the hours of 1:30 p.m. and 5 p.m.

Those who have animals who have not been vaccinated may bring them that day. Dr. Gleason will also have other shots available which your animal might need.

## Transfer Date Deadline June 1

Mrs. Jerrill Ottwell underwent surgery in University Hospital, Lubbock Thursday. At last report, she was recovering without complications. She is bookkeeper at Muleshoe Publishing Company.

Students who are living outside the Muleshoe Independent School District must make application each year before June 1 for an official transfer.

Mrs. W. H. (Lula) Kistler returned home Wednesday after a two weeks visit with her daughter and family, Mr. and Mrs. J. A. Arwine, Floydada.

Superintendent of Schools Neal Dillman announced that parents of students who wish to transfer to attend Muleshoe schools must go to the County Judge or County School Superintendent in the county where you live and make this application for transfer.

Col. Clifford Chamberlin, WATER Inc. expert, will be Cont'd on Page 6, Col. 4

## Control of Iron Deficiency In Lawns, Gardens Outlined

Gardeners and homeowners in Bailey County may be noting the yellowing of leaves on some of their fruit trees, ornamentals and lawn grasses during this season. This condition known as chlorosis results from iron deficiency, says J. K. Adams, county agricultural agent.

Chlorosis is caused by the inability of plants to take up sufficient iron which is essential for the development of chlorophyll, the green pigment in leaves.

Primary causes of the disorder are high lime content of the soil and excessive use of phosphate fertilizers, Adams points out.

In addition to fruit trees, oaks and maples, ornamentals such as roses, pryantha, abelia, hollies and phytocia are also susceptible.

Regardless of the type of shrub or tree, chlorosis can be easily spotted, explains the agent. Leaves will yellow between the veins early in the growing season. Veins usually remain green but, in extreme cases, the entire leaf yellows and may be almost white in appearance.

Grass tends to turn yellow in spots and close observation may reveal a striping of the leaf with green veins and yellowing in between.

Chlorosis can be controlled by spraying the foliage until wet with a solution of iron sulfate (coppers). For trees and shrubs, use two level tablespoons of coppers per three gallons of water and include about one and one half teaspoons of liquid household detergent to insure even coverage.

For grasses, increase the amount of coppers to three or four level tablespoons in the same mixture. Three or four applications at weekly intervals may be required for effective control, points out Adams.

In addition to foliar spray, Adams also recommends soil applications of coppers. One pound of coppers per 100 square feet of area broadcast and watered is adequate.

Chelated iron compounds are also effective for controlling chlorosis when applied as directed by the manufacturer, adds the agent.

Adams cautions that coppers will stain masonry and any other material or equipment if left in contact. Remove solu-

tions by rinsing and sweep walks clean of material immediately after application.

Additional information on chlorosis in gardens and lawns is found in Leaflet 4-35 available at the County Extension Office.

## Educator Award Planned

Deadline for submitting names for the "Outstanding Young Educator" for Muleshoe has been set for Monday, May 13.

In sponsoring this annual event the Jaycee organization states "We feel the young teachers of the city need to be recognized for their dedication and for their efforts to improve the city."

Larry Combs is serving as chairman of this award's program.

Any professional educator between the ages of 21 and 35 years is eligible for this award. To qualify, the educator must not teach any education program below the first grade nor higher than the senior class.

In submitting an educator's name for consideration, it should contain a resume of qualifications and be written in letter form. The person submitting the educator's name should include all activities pertaining to their qualification.

These should be mailed to Jaycees, Box 571, Muleshoe, c/o Larry Combs, O.V.E. Chairman.

## Cousatte 'Scout of the Year'

SCOUT OF YEAR--For the second time in the history of Muleshoe Scouting, the "Scout of the Year" award has been presented. It was given to Benny Cousatte at a meeting held Thursday night at the Boy Scout Hut. Making the presentation to him is Scoutmaster of Troop 634, Silas Short.

## New Officers Were Elected

Officers were elected by Boy Scout Troop 634 during their meeting held Thursday night. Johnny Ramey was named Junior Assistant Scout Master and Benny Cousatte, Senior Patrol Leader.

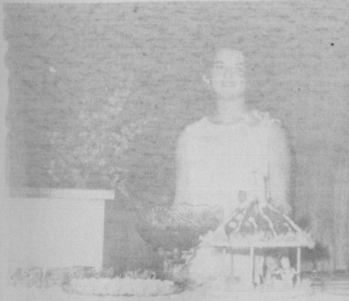

Mike Jones was elected as scribe; Danny Blaylock, quartermaster and Randy Burrows as bugler.

Candidates were selected by secret ballot of the Order of the Arrow. The names will not be released until they are tapped out in ceremonies to be held in late May.

Scoutmaster Silas Short presented the Scout of the Year Award to Benny Cousatte during the meeting.

NIGHT BEAUTY---Very few people around this part of Texas have likely seen the beauty of this strange flower, the "Night Blooming Cereus." This flower is being grown here in town by Mr. and Mrs. Chester Wilson at 310 Elm Street. The flower, giving off an unusual scent, begins blooming around 11:30 p.m. and closes with the coming of daylight. The term 'blooming' is used as the flower rarely or never stays on the plant to open again the following night. A species of the Cactus family, the flowering night plant is a native of the Central and South American countries and some are grown in southern parts of New Mexico, Arizona and Mississippi. Wilson got the plant from Mississippi about six years ago.

**FRECKLED BANANAS**  
When bananas are covered with little brown spots, they are ready for mashing and mixing into puddings, breads and cakes. To hold ripened bananas a few days, refrigerate them, suggests Extension foods and nutrition specialists at Texas A&M University. But be sure to wrap them tightly in a plastic bag to prevent their odor from spreading. Their skins will turn brown but the inside will stay the same for a few days. Keep unripe bananas at room temperature until they ripen the way you like them.

Many of the new dresses have a soft look. They are beautifully draped around the bust or around the hips. Others have bias sleeves or are very bare around the shoulders. Skirts are soft and full.

*Lullaby Shower Honors Mrs. Calvert*

A lullaby shower honoring Mrs. Bill Calvert was given Tuesday night, May 7, from 7:30 to 9 p.m. in the Mulleshoe State Bank community room. The table was laid with a white linen cloth and accenting the table was a miniature circus and miniature animals in assorted colors of yellow, pink and blue. Favors were miniature buggies made of marshmallows. Crystal appointments were used.

Funch and decorated cookies were served to approximately 25 guests. Hostess gift was a padded car seat.

Hostesses for the occasion were Hazel Gilbreath, Ruth Clements, Theron Lubanks, Ardain Glasscock, Jean Lowmady, Evadne Holley, Jo Harmon, Sherri Russell, Val Smith and Hazel Cunningham.

Color, color everywhere in shoes this spring. They come in beautiful shades of various various colors and may be of leathers or fabrics. Heels may be a bit higher but most of them have a stubby look.

Miss Deborah Goss became the bride of Joseph Kovash in a double ring ceremony April 27, 7:30 p.m. in First Baptist Church, Altus, Okla., with Rev. Gene Garrison, pastor of the church, performing the ceremony.

Parents of the bride are Mr. and Mrs. C. W. Goss Jr. of Altus, Okla. Grandparents are Mr. and Mrs. C. W. Goss Sr. and Mrs. Effie Gilley, all of Mulleshoe.

Lt. Col. and Mrs. Ed Kovash of Offutt AFB, Omaha, Neb. are parents of the bridegroom.

The altar was decorated with twin white brass baskets of greenery accented by two seven branch candelabra. The bride's aisle was marked with silk white pew cords and white aisle cloth.

Traditional pre-nuptial music was played by Miss Cathy Bryce, organist, who also accompanied Miss Pam Tims singing "Twelfth of Never" and Jim Landrum who sang, "Story."

The bride wore a floor length gown of white peas de sole. The bodice featured a scoop neckline, empire waistline accented with bow and long tapered sleeves. The chapel length lace train was attached at the shoulders. Her veil of illusion was held by a blossom crown accented with seed pearls. She carried a bouquet of 18 white roses decorated with a white gardenia and English lily.

Maid of honor was Miss Melanie Goss, sister of the bride and bridesmaids were Miss Gale Stein, Miss Pam Beavers, Mrs. Gary Gibson, all of Altus and Miss Roxanne Kovash, sister of the bridegroom of Omaha, Neb. They wore gowns similar to that of the bride.

Miss Julie Shaw, daughter of Mr. and Mrs. Louis Shaw, Altus, was flower girl. She wore a floor length gown of powder blue crepe in empire styling. White carnations were scattered in her hair.

Lt. Col. Edward Kovash of Offutt AFB, Neb. served his son as best man. Groomsmen were Frank Stewart of Springtown, Gary Gibson, Kyle McMahon, Danny Gregg and Bruce Nelson of Altus. Troy Dickette was ring bearer and candlelighters were Joe Gregg of Altus and Bruce Goss of Farmington, N.M.

Reception was held in the parlor of the bride's home. Miss Pat Montez and Mrs. Bruce Nelson alternated at the register table.

The table was adorned with a white milk glass punch bowl, accented with sterling silver appointments. The four-tiered cake centered the table covered with blue cloth and white net. For traveling, the bride chose

100% COTTON THE FIBER YOU CAN TRUST

100% comfort

100% cotton shirt stretches, bends, jumps, romps, relaxes, gives and takes when you do. It breathes, absorbs moisture, helps you stay calm and confident. It always feels good next to your skin. It never becomes clammy or sticky. And though cotton pampers you, you never have to pamper cotton. Wash it in the hottest water (cotton comes out really clean). Dry it any way you please (cotton isn't fussy), iron it without worry (cotton won't melt, discolor or pull at the seams). Even after repeated launderings, cotton always looks like looking fresh and new, without dingy buildup or leftover odors. For unbelievable comfort and easy care, ask for 100% cotton.

### School Slave Sale Held By Junior Class

The annual slave sale was held Friday, May 3, by the Junior Class of Muleshoe High School.

Each class selected four slaves and these were auctioned off by Coach George Washington.

Freshman slaves were Suzanne Byrd, Sherry Moore, Jeri Scoggin and Lance Puckett. Sophomore slaves were Lana Moore, Gayette Gable, Bill Bruns and Steve Woodard.

Junior slaves were Debbie Burrows, Vicki Henexson, Larry Kitchens and Terry Reasoner.

Senior slaves were Susan Camp, Billie Lindsey, David Dillman and David Davis. Debbie Burrows sold for the most money of any other of the slaves in the history of Muleshoe High School. She was sold to the DeMolays for \$37.

Profit for the Junior class was \$65 which will go for the Junior-Senior banquet.

**SLAVE AND AUCTIONEER**---Coach George Washington is shown here performing another one of his many talents. As auctioneer for the Junior Class slave sale, he is barking out the auctioneer cry as he sells Susan Camp off the slave auction block.

## Awards Program Designed To Encourage Creativness

Tom Jinks, principal of Muleshoe High School, received a letter from Scholastic Magazines, Inc., congratulating him, and his school for winning a Scholastic Award.

"We are happy to inform you that your school has won national honors in the 1968 Scholastic Awards. This represents a real achievement, since many thousands of entries representing all 50 states were submitted in the three divisions of the program conducted by Scholastic Magazines - Art, Writing and Photography.

Through the Awards Program, Scholastic Magazines, Inc. has for over four decades aimed to encourage creative

expression among high school students, to foster greater appreciation of the arts, and to bring wider public attention to the outstanding work of the schools and their teachers.

The quality of work done in the nation's schools continues to impress the juries of artists, authors and educators who give generously of their valuable time in evaluating entries. To you, your teachers, and your students - congratulations!"

Receiving the prize from MHS was Clifford Black, senior, son of Mr. and Mrs. Eugene Black of Muleshoe. The Art Award was for an oil painting entitled "Winterscape." The

picture was sent to Amarillo earlier in the year and won. It was sent on to New York, where it was exhibited in the National Exhibit. At this point, the painting received one of a few Hallmark Honor Prizes awarded in the nation and a \$100 check.

The painting was done in art class under the supervision of Mrs. Elizabeth Black, high school art enthusiast and long time art enthusiast.

Neighbors "How did that naughty little boy of yours get lost?"  
2nd Dito-"That good little boy of yours hit him with a brick."

ship committee, Kerry Moore, reported that the two scholarships to be given to two Future Teachers of America members would be awarded at the close of school. Mrs. Byron Hardgrove was presented the \$25 scholarship given each year to a teacher attending school in the summer.

Ethridge was presented a president's pin.

Mrs. John Watson, in a very impressive ceremony, installed the officers for the 1968-69 school year. Baskets of flowers were used to represent duties of the officers. Officers installed were Mrs. Jack Obenhaus, president; Mrs. Elton Davis, vice president; Mrs. James Craig, secretary; Mrs. Clifton Finley, treasurer and Mrs. Donald Prather, parliamentarian.

Refreshments were served by the refreshment committee.

Inevitably  
Tourist: This is a very dangerous cliff--why don't you put up a danger sign?  
Native: Well, stranger, we did have a sign once, but nobody fell over, so we took it down.

**HIGH AVERAGE**---These are the graduating seniors who have a 90 average. They are (bottom row) Beth Black, Jane Branscum, Jenda Nickels, Kerry Beddingfield, Billie Lindsey, Cindy Davis, Lyma Pitts, Judy Hudson and Linda Ashford. Top row: John Gulley, David Dillman, Mike Rajama, Dale Blackstone, Don Huff, Bobby Julian and Stan Johnson.

## Speech and Drama Closes Year with Good Records

The 1967-68 Speech and Drama Season ended in glorious triumph last weekend when Druscilla Damron won the State Championship in Girl's Poetry Interpretation.

The boys' and girls' debate teams had a very successful season, compiling 63 wins and 13 losses. The boys won second in the Muleshoe Tournament, first in the Clovis Tournament and third in the Kermit Tournament. The girls won the Muleshoe, Brownfield and District Tournaments and placed third in Regional. The boys' team was composed of Larry Baker and Gary Little, the girls' team was Betty Harbin and Jane Branscum. Larry won the outstanding debater's plaque at the Kermit Tournament.

The Contest play, "Cyrano de Bergerac" received a superior rating at the Texas Tech workshop, an excellent rating at Eastern New Mexico University's Drama Festival, and Jane Branscum and Sheryl Mason won all star honors at District.

In individual events, the Speech Department had a remarkable season. Leland Ferris won first in boys' poetry at the Brownfield Tournament, placed in the finals at Seminole, Lubbock and Kermit Tournaments. Sheryl Mason won first and the outstanding speaker's plaque at the Kermit Tournament and placed in the finals at Brownfield, Seminole, Lubbock and Tournaments. Gus Taylor won third at District in Poetry Interpretation and placed in the finals at Seminole, Kermit and Tech Tournaments. Bucky Taylor placed in the finals at the Seminole and Kermit Tournaments in persuasive speaking.

This past year, the Speech Literary Contest Class members have received and gained valuable experience for life and left a great impression having left a great impression of having remarkable ability and pride in their work wherever they participated.

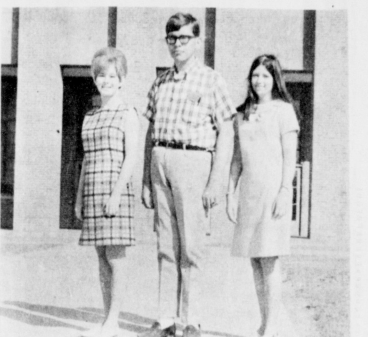

### Local Youths In First Place Slot for State

The Pleasant Valley 4-H club had two teams to qualify for State at the District Eliminations Saturday, May 4, at Lubbock. The Rifle Team, composed of Colin Platt, Bob Allison, Fred and Jack Allison, took first place for the third consecutive year. Fred Allison also won a trophy as the top individual shooter. This was also Fred's third year to be top individual.

John and Lyma Pitts were entered in the Farm and Ranch Management division and gave a demonstration called "Farm and Ranch Management, South Plains Style." They received second place on this and will also go to state.

The State 4-H Round-up Eliminations will be held June 4, 5 and 6 at Texas A&M and these two teams will represent this district. In the Junior Division, Susan and Danny Cardwell were entered in the horse-care division. They gave a demonstration on "Horse Sense in Grooming."

Self-Propelled  
As the train pulled into the station, the porter knocked on a compartment door.  
"Chicago," he announced.  
"Shall I brush you off, madam?"  
"Certainly not," she replied icily. "I'll descend in the usual way."

**UIL CONTEST** --- Students from Muleshoe High School who competed in the State UIL contest were Druscilla Damron, John Gulley and Bonnie Edler.

**SHOWS PLAQUE**---Druscilla Damron exhibits the plaque she received after winning State Championship Title in Poetry Interpretation.

## Druscilla Damron State Champion

This past weekend, Muleshoe High School was represented at the state literary contest in Austin by Druscilla Damron,

John Gulley and Bonnie Edler. Druscilla honored her school and self by winning the AAA State Championship in poetry interpretation. John placed fourth in prose reading and Bonnie participated in ready writing.

### Student Gets Digest's Award

David Dillman, valedictorian of the graduating class at Muleshoe High School, has been given the Annual Award of The Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community. It was announced today by Tom Jinks, principal.

Dillman will receive an honorary one-year subscription to The Reader's Digest in any one of its 13 language-editions which he chooses, and a personal certificate from the Editors "in recognition of past accomplishments and in anticipation of unusual achievement to come."

The Reader's Digest Association is presenting these awards in senior high schools throughout the United States to the highest honor student of the graduating class.

Dillman is the son of Mr. and Mrs. Neal B. Dillman.

All three students had won their district and regional contests prior to attending and competing for the state title. Druscilla is the daughter of Mr. and Mrs. Sam Damron. This is her third year to compete in the speech literary events representing her school. Bonnie is the daughter of Mr. and Mrs. Gerald Edler. John is the son of Mr. and Mrs. Davis Gulley and he has finished out his four years of speech work in glorious fashion.

County Judge 165-358c

**Cruel and Unusual Punishment**

For picking flowers in a public park, a man was sentenced to six years in jail.

But when he appealed to a higher court, the sentence was thrown out. The court said that, since the punishment did not even remotely fit the crime, it was "cruel and unusual" — hence forbidden by the United States Constitution.

It is the relatively unknown Eighth Amendment that prohibits the inflicting of cruel and unusual punishment. The ban applies not only to punishment that is totally unfitted to the crime but also — and more typically — to punishment that is cruel in its very nature.

Examples are torture and mutilation. Thus, cutting off a lawbreaker's ears would be unconstitutional whether he had committed murder or only driven through a red traffic light. The form of punishment, in itself, is cruel.

What about capital punishment? Opponents of the death penalty are seeking to have it declared unconstitutional on the ground

that, at least by its moral standards, it is cruel in its very nature.

In past decisions, however, courts have upheld the death penalty on the ground that severity alone does not prove cruelty — and that execution is not so generally repugnant to the community that it is inherently cruel.

Of course, even though the death penalty is constitutional, a state may still abolish it by legislation. And some states have.

In one bizarre case some years ago, a convicted murderer was sentenced to die in the electric chair. But when the switch was thrown, something went wrong with the machinery — and the man survived.

Could the state try again to execute him? The issue was carried to the Supreme Court, which split five to four.

The minority argued that it would be cruel to try again, because that would amount to "death by installments" — far worse than the quick death he had been sentenced to.

But the majority held that, since the delay was not intentional, nor imposed as part of the punishment, it did not prevent a second try. The court said the mishap was comparable to any other mishap that might befall a man in jail, such as a fire in his cell block.

The second time, the chair worked.
