

Vote Comes As Surprise At City Meeting

3 Per Cent Hotel-Motel Room Tax Ok'ed

By BOBBY TEMPLETON
Brand News Editor

The Hereford City Commission decided on a split vote to approve a three per cent hotel-motel room tax as allowed by state law during the second regular November meeting Monday night at city hall. It is effective Jan. 1.

The commissioners took about an hour to reach its decision and then moved swiftly through about five other agenda items in about 15 minutes. These included approval of zoning change request, acceptance of a request by the Hereford Planning and Zoning Commission for one meeting a month, agreement to close city offices Nov. 28 for city hall remodeling, purchase of 50 new trash containers used in alleys here, and a desire to review Pioneer Natural Gas Company's 100 per cent pass through of costs to customers.

THE TWO-HOUR MEETING consisted mostly of the initial discussion of the room tax which was sought by representatives of the Deaf Smith Chamber of Commerce to use as specified by law for either the construction of convention type facilities or promotion of the city through different means. Even though both are allowed under the state law passed by the state legislature about two years ago the City Commission delayed any specific decisions on how to use the money when collected. Most agreed that a building was not feasible nor desirable.

Bud Eades, president of the C of C, spoke first in favor of the tax by stating that it would be useful in advertising Hereford for increased tourism, and to attract industry without directly taxing local citizens. "Our own citizens pay the tax in other towns and a tax here does not tax our own citizens," he said.

He cited other towns of comparable size that have approved hotel-motel room tax and said it has worked effectively. The board of directors of the C of C has recommended that such a tax ordinance be accepted and gave Eades the authority to ask for it.

Three letters in opposition to the tax were written by Dorrell Jones, Chateau Inn Owner, Hubert Stoenner, owner of the K-Bar, and Cleto Corlis, chairman of the C of C Business committee. None of them appeared at the meeting. However, John Taylor, owner of the Holiday Motor Hotel, was the only motel operator present and he said, "I don't think it (the tax) would affect us much and I would certainly question the amount (three per cent)."

MAYOR JIM SEARS said, "I don't

know if we should get it all from the motels. Are we taxing the owners and taking money out of their pocket or are we just taxing the persons staying in the rooms."

Frank Barrett, city commissioner, was skeptical of the tax because he thought it might be the first step toward making the Chamber a tax supported agency and he wanted the specific uses of the tax outlined. The C of C representatives

were not prepared to state these uses Monday.

Bill Albright, executive vice-president of the C of C, said the C of C wouldn't be administering the funds directly and the city could contract with the C of C, which could be given the funds as needed. "We wouldn't be tax supported."

Displays, Parade, Fun, Games, Food Set For Farm-City Week

Farm-City Week is planned for Hereford with special activities arranged by the Hereford CowBelles. Activities include agri-related displays in Sugarland Mall Saturday followed by a parade, games, contests and food on Monday.

Mayor Jim Sears and Judge Sam Morgan signed a proclamation last week proclaiming Nov. 21-27 as National Farm-City Week in Hereford.

Mrs. Bussy Kaul, vice president of Hereford CowBelles, said, "The theme of Farm-City Week is 'A Declaration of Interdependence'. "What we're aiming for in our informational activities is better understanding between rural and urban people and increased knowledge and appreciation of each of the American way of life."

Plans for observance of Farm-City Week include displays of farm and ranch related businesses in Sugarland Mall on Saturday, beginning at 10 a.m. through 6 p.m. Hereford CowBelles will conduct a drawing for beef to be given away at the end of the day.

The big day for the specified week has been set Monday. A parade is scheduled to begin at the Community Center at 2:40 p.m. and proceed East on Park Avenue to the Bull Barn.

Included in the displays at the Mall and entries in the parade include a drilling

rig, underwater camera equipment, tractors, combines, implements, cattle chute, a cattle truck, grain truck irrigation pipe, a water pump and a spreader and fertilizer tank, among other things.

Immediately following the parade, plans have been made for games and contests to be conducted. These will take place between the two buildings and in the Little Bull Barn.

Kicking off the fun will be a cow-chip throwing contest, which will be conducted in four divisions. There will be division for men, women and two for children. Farm Bureau Insurance will sponsor the contest with Bill Walden serving as chairman.

A cow-milking contest will follow the chip throw. This contest is sponsored by the Young Farmers and will be conducted in age divisions, also, including adults and children.

A greased-pig contest for kindergarten and preschool children through the sixth grade will be conducted with Aaron Hutto serving as judge. This contest, along with a stick-horse barrel race for 4-year-olds and under will be sponsored by the CowBelles with the 4-H girls in charge of it.

Future Farmers of America will be in charge of setting up pens and keeping order. They will sponsor a wildcalf

Lively Games, Chamber Business Occupy 'Fun Breakfast' Eaters

Bud Eades was presented the Bull Chip award; Ray Barber and Clayton Faubion won cash prizes; various community activities were promoted, and entertainment and games were enjoyed as the Deaf Smith County Chamber of Commerce held a bi-monthly "Fun

Breakfast" Tuesday morning with almost 200 persons attending.

Doug Manning and Lynton Allred again served as masters of ceremonies for the event, started this past year to "liven up" the quarterly membership meetings—then changed to a more frequent

occasion. Sponsor of the prizes and gifts at this breakfast was First National Bank.

Eades, soon to end his year as C of C president, was saluted for his community endeavors but the award was presented in "roasting style" by Brand publisher Speedy Nieman. Since local citizens are not eligible for the coveted Hereford Bull award, the Bull Chip presentation was initiated to honor community workers. From the beginning, however, the award was presented in a humorous vein.

RAY BARBER, high school teacher, won the \$75 cash award and Clayton Faubion, a teenager, won the \$25 prize which go to names drawn from those attending. The \$150 drawing for the chamber member was not claimed, since the name of Charles Schlabs was drawn and he was not present. This prize will be increased to \$200 at the next breakfast.

Winners of an ice-cream eating contest were Berta Otteson and Jack Wilcox, each receiving beef certificates. Two other teams won quarts of ice cream—Richard Robinson and Mary Baca, and Bob Hillerby and Joan Coupe. Irene McKinster claimed a turkey when she won a contest with Gladys Cavness. In that game, a marshmallow was attached to the middle of a string, then the two ladies started chewing on each end to see who could get to the marshmallow first. Mrs. Cavness' consolation prize was a package of marshmallows.

Persons appearing on the program briefly to announce community activities and projects included: Barry Arwine—reporting on the football playoff game here Friday between Groom and Sudan, and the coming Hereford Basketball Tournament on Dec. 4-6; Cleto Corliss and Charlie Reese—the Christmas lighting program around town, sponsored by the retail business committee with the Jaycees providing manpower.

Wynell Robinson—announcing the upcoming Miss Hereford Pageant, scheduled Feb. 21, with the addition of a Little Miss division next year; Betty

Significant Moisture Falls On Dryland Areas

By JIM STEIERT
Brand Farm Editor

The first significant moisture in nearly two months fell in the Hereford area early Wednesday morning.

ACCORDING TO reports received by The Brand, the greatest rainfall occurred in the northwest portion of the county, where dryland crops were desperately in need of the moisture.

Clint Hornfield, who farms 47 miles northwest of Hereford reported that one inch of moisture had been received by most of the dryland farms in his area.

Summerfield Fertilizer in the Summerfield community to the west of Hereford reported .61 inches of moisture while Easter Grain, south of Hereford, recorded .50 inches.

The Dawn community also received approximately one inch of moisture, according to a report from Dawn Co-Op.

KPAN RADIO logged .60 inches of precipitation for the City of Hereford, and prospects were good for additional

moisture at presstime.

Lack of rainfall has already created a serious shortage of wheat pasture locally, due to failure of much of the dryland crop to sprout well and grow to good stands.

The dryland wheat which did sprout to a stand had reached the critical stage of moisture stress early this month.

Much of the irrigated wheat planted locally this fall also failed to grow to a good stand, and has been showing only fair growth due to lack of natural moisture.

WEDNESDAY MORNING'S moisture marked the first appreciable rainfall since mid-September, in marked contrast to last year when rain fell constantly through a good portion of the fall.

The forecast at presstime indicated that additional rainfall was likely to accompany the cold front which moved into the Panhandle Tuesday.

Snow flurries were listed as a possibility.

Local dryland farmers aren't being choosy about what form the next moisture comes in, just so there's more of it and it's wet.

That feller on Tierra Blanca Creek says if you want to keep yourself under control, use your head; if you want to keep others under control, use your heart.

NATIONAL FARM-CITY Week will be observed in Hereford Nov. 21-27, and the Hereford CowBelles have made arrangements to make it a memorable week in the community. Main purpose of the national observance is to promote better understanding between rural and urban people and increased knowledge and appreciation of each for the American way of life.

Most folks in this area realize the interdependence of farm and urban economies, but the American National CowBelles are promoting Farm-City Week across the nation. The parade and other activities arranged by the Hereford CowBelles should place a special emphasis on the week in our community.

Another Bull Chipper

Hereford's newest Bull Chip recipient is Bud Eades, who winds up his term as Deaf Smith County Chamber of Commerce president in January. Eades was cited for many roles of community leadership. The Bull Chip presentation has become a feature of the Fun Breakfasts of the chamber. The award was initiated with the idea of honoring local citizens who are not eligible to receive the coveted Hereford Bull award. Besides the engraved gold plate on the plaque, the award contains an authentic bull chip.

Getting After It

Irene McKinster and Gladys Cavness were two of the game participants at the chamber's Fun Breakfast Tuesday morning, and you can see that they didn't hold back. It's hard to distinguish in the photo, but there's a marshmallow down there in the middle of a string. The ladies each took an end of the string in their mouths and started chewing toward the reward. Mrs. McKinster hit paydirt first and won a turkey; Mrs. Cavness' consolation prize was a bag of marshmallows. (BRAND PHOTOS)

Board Of Realtors To Hold Banquet Friday

The Hereford Board of Realtors has scheduled its annual installation banquet for 7:30 p.m. Friday at the Country Club.

New officers to be installed include Jeane Coker, president; Tommy Bowling, vice president; Marie Griffin, secretary-treasurer; Gene Campbell, multiple listing service chairman; and Temple Abney and Don Tardy, new board members.

The main speaker for the event is Mrs. Gene Brownrigg, executive director of the American Revolution Bicentennial Commission (ARBC) of Texas. Also speaking at the banquet will be Frank Nix, president-elect of the Texas Association of Realtors (TAR). He was first vice president of TAR in 1975.

Tickets for the affair are available for \$5.50 each from any board of realtors member. The banquet will initiate a bicentennial theme for the Hereford Board of Realtors during 1976.

Mrs. Brownrigg joined the staff of the ARBC of Texas in 1970 and shortly thereafter became its director. She has testified before the U.S. House of Representatives and Senate committees on the Judiciary concerning Bicentennial matters.

A resident of Arlington, she was

educated at Midwestern University in Wichita Falls and the Weber-Douglas School in London, England. Her professional experience includes radio and television work in southwestern United States.

She also served on the editorial staff of the Papers of Jefferson Davis.

Nix, a resident of Waco, became a licensed real estate salesman in Dallas in 1956. He was a partner in the firm of Nix and Company along with his late brother. He presently owns that firm.

He served on the Waco Board of Realtors and was named Waco Realtor of the year in 1969. He has been on the TAR Board of Directors since 1964. He was vice president of Region five in 1971, 1972 and 1974 will be his fourth year to serve on the executive board. He was state treasurer of TAR in 1972.

He is a member of the Heart of Texas Builder's Association and is president of Alta Corporation, Builders and Developers and president of Hillandale Development Co.

Nix holds memberships in numerous civic organizations. He attended Texas Tech and graduated from Baylor University.

Joyride Damages Vehicle

Vandals went for a joyride in a vehicle belonging to a Hereford resident over the weekend, and the car was worse for wear when it was returned, according to police reports.

A 1974 Cadillac owned by Taft McGee of 149 Mimosa was taken late Friday night or early Saturday morning and was apparently used to climb hills.

The vehicle was later returned, after the joyriders had inflicted almost \$1,500 worth of damage.

Thieves continued to make the rounds Sunday night, ripping off radios and other items from cars parked in local driveways.

A CB radio, camera, jack and other items were taken from a pickup owned by

Edd Gallinger of Thunderbird Apartments Sunday night. The items were valued at \$325.

James Rape of West Mobile Lodge reported the theft of a tape deck, coat, glasses and other items valued over \$270 from his vehicle Sunday night.

Another pickup, this one owned by Tom Harris of Thunderbird Apartments, was also robbed Sunday night. A CB radio, tools and other items valued at over \$175 were taken in the theft.

Edward T. Cowser of 827 South Mile Avenue reported that \$75 worth of items were stolen from his apartment Saturday night and a coin box at Jim's Quick Car Wash was broken into Sunday night.

And, speaking of omission, we goofed on Coach Barry Arnwine's record as the Hereford High basketball mentor. In a sports story, we stated that Arnwine was starting his second year, but he is starting his third season as Whiteface cage boss.

Arnwine's club tied for a share of the title in his first season, then lost to Plainview in a playoff game. Monterey went on to win the title in the three-way playoff series. Arnwine's team posted a 22-11 record two years ago and was 7-3 in district action. The Whitefaces had a 9-22 won-lost record last season and are aiming for a winning mark this time around.

Like it or not, we're going "metric" in this country in the next few years, so you better get ready. "Texas Outlook", the magazine of the Texas State Teachers Association, is looking ahead by re-writing some popular "old sayings" in the metric tongue. Here's how:

Missed it by 1.609 kilometers. How do you like those apples? If you like them by the bushel, you're going to have to learn to ask for them metrically...like 35.238 liters!

Hospital District Funds Public Health Clinic, Picks Depository

By BOBBY TEMPLETON
Brand News Editor

Funds were appropriated for the continuation of the Hereford Public Health Clinic and Hereford State Bank was accepted as a depository by the Deaf Smith County Hospital District Board of Directors in a regular monthly meeting Tuesday morning at the Deaf Smith General Hospital.

In other business, Ron Welty, administrator, presented the operating report for October, reviewed finances for the previous fiscal years, and the board heard a medical staff report.

CONCERNING THE CLINIC. Welty recommended the board allot \$20,000 for the salaries of personnel to run the operation and approve the expense of an additional \$6,000 in already budgeted funds for the purchase of services and supplies. The board reciprocated with a unanimous vote for the clinic.

The salary expense will go toward the three employees—a registered nurse, a nurse's aid and a receptionist. The nurses will naturally provide the medical assistance necessary and the receptionist will screen patients for those actually needing the services of the clinic.

"The receptionist hired has had experience (screening patients) and it will be done right—discreetly," Welty said when asked how it would be taken care of.

Federal funds, previously used to support the clinic, were not reapplied for and will be terminated as of about Dec. 1. But the clinic services are considered necessary and therefore Welty suggested it be continued.

Actually, it means only \$20,000 more in expenses since the present budget included the \$6,000, which the clinic has

Alarm Site Is Near Station

Hereford firemen didn't have far to travel Tuesday when they were called to a fire,—it was just across the way from the fire station.

A "smoke scare" at city hall brought firemen on the double but there was no damage. The scare occurred due to the lack of a limit switch on a heater at the hall.

Firemen answered three calls Saturday, traveling to grass fires six miles west of the city and six miles southwest of the city, in addition to extinguishing a car fire at 4th and Witherspoon. The vehicle was operated by Joan Escamila.

Chamber Board Meets Today

Following the invocation and allegiance to the flag this morning at 6:30 a.m., Chamber of Commerce board of directors conducted its monthly business session. The meeting was held in the Chamber of Commerce conference room.

Bud Eades, president, conducted the meeting which included a review of receipts and expenditures of the chamber for October.

Other items of business included reports on Goals of Progress and how they should be ranked in importance, a tax review, sports, business and industrial development.

Lavon Nieman was scheduled to report on the Women's Division and Bill Albright gave the executive report.

Gilbert—inviting attendance at the Hereford Board of Realtors installation banquet Friday night; Roy Faubion—reporting on the start of a local and area fund drive for the Cowgirl Hall of Fame;

GEORGE OCHS—REPORTING on Cub Scouting and appealing for den mothers to participate in the program; Bill Devers—reminding of the annual "Messiah" program, slated this year on Dec. 7; Bud Eades—reporting the annual C of C Banquet will be held on Jan. 15; and Bill Albright—announcing the CowBelles are sponsoring a special City-Farm Week project. Mrs. Robinson also announced the Women's Division will again sponsor a Christmas Home Lighting contest this year.

Several new members of the C of C were recognized at the breakfast, and Manning stole the show when he dedicated the song, "Forest Lawn," to Ron Smith, Smith & Co. Funeral Home. Other members recognized included Harley Shannon of Transagri, Betty and Werner Koelzer of Koelzer Photos, and Corky and Robert Criswell of Hereford Tire & Rubber Co.

Susie McGee provided piano music during the program. Jim Sears, president of First National Bank, made brief remarks as breakfast sponsor. Employees of the bank helped serve during the breakfast.

previously billed the hospital for supplies and other services. It was included under "indigent care" in the budget in anticipation that the clinic would not receive renewed funding.

Mrs. Wanda Hoover, board member, moved for the clinic funding and Frank Zinser, board member, seconded the proposal after some of his questions were answered. He wondered what the possible alternatives were and Welty explained that the cases would have to be handled as individual emergency room episodes if not processed through the health clinic.

L.J. STRAFUSS, board president, said, "I know some want it closed out, but I think we need it." His reasons included the following: keeping diseases out of the public schools, providing students and indigent persons with facilities for vaccinations and immunizations, and keeping patients from overcrowding other medical clinics and the hospital's emergency room.

Local doctors will continue to voluntarily help the clinic on a rotation basis as in the past. It is without pay.

After little discussion, the board accepted Hereford State Bank as its depository for hospital district funds. H.A. (Hap) Cavness board secretary, read the bank's bid, which was the only

one submitted. It included no service charges for deposits and standard interest earnings depending on the amounts of pass book savings or certificates of deposit.

Welty reported that during October, actual net revenues amounted to \$132,286 with total expenses amounting to \$128,301. After net operating margin, interest expense and indigent care, the monthly operations resulted in a negative net margin of \$108.

The loss was labeled as seasonal since tax revenues vary each month with more coming in November, December and January due to discounts. Other months reflect gains which usually accrue by the end of the year as net gains.

IN THE FINANCIAL REPORT for the fiscal year (Oct. 1, 1974-Sept. 30, 1975) Welty indicated that the hospital "remains in south financial condition despite the pressures of inflation and recession." Some increases in payroll, supply and maintenance costs resulted due to the year's operation of three new departments—intensive care, physical therapy and respiratory therapy.

During the year, total number of patients admitted was 2,591 including 401 new born infants during the year as compared with 387 in the previous fiscal year. Total income in 1975 was

\$1,659,410, which is about \$244,000 above 1974. Total expenses amounted to \$1,539,532 in 1975 and \$1,249,623 in 1974.

Dr. A.T. Mims, medical staff representative, said a meeting of the staff was held at which a report was delivered on hospital's lab. An audit of six diseases of the hospital showed satisfactory conditions. The staff will elect officers at their meeting and present the candidates at the January hospital board meeting.

MRS. HOOVER ASKED if any improvements had resulted concerning the increased number of walk-in obstetrics (off the street baby deliveries). Welty answered that recently hired investigators interviewed families of the patients and found most of them to be Deaf Smith County residents. About 10 per cent of the cases are from out of the county.

Also discovered was that the patients were of a low socio-economic level and that each of the cases is closely screened. However, no definite solutions exist as deliveries must be performed even though no pre-natal care existed.

Board members present included Stafuss, Mrs. Hoover, Zinser, Cavness and Isias Gamez. Tommy Carnahan was absent.

FCA Sells Light Bulbs Saturday

The Fellowship of Christian Athletes chapter at Hereford High School will be selling light bulbs Saturday to raise money to send members to the National FCA Conference next summer.

The bulbs will be sold from door to door and were purchased for resale from Southwestern Public Service. The packet will contain six bulbs including two 100 watt bulbs, two 75 watt bulbs and two 60 watt bulbs. Each packet will sell for \$3.

Conferences which local members plan to attend will be held in Fort Collins and Estes Park, Colo. Others are held across the nation. The camps are beneficial to one athlete as they strive to reach a one to one relationship with Christ.

Professional athletes and coaches from across the nation attend the conferences and speak to the youth.

Mike Dudding is president of the organization which has 43 members. Coach Rick Stewart is the adult advisor for the group.

Knit Shop Opens

Bud Eades, president of the Chamber of Commerce, and Mary Ann Carroll share yarn cutting duties at the opening of Ann's Knit Shop at 813 West Park Avenue. Ceremonies were held Tuesday morning. The shop specializes in yarns and needlepoint materials.

Room Tax

owners weren't for it after the tax was voted in," he said. He, Eades and Roy Faubion, past president of the C of C, had contacted five of the seven local-motel owners before asking for the tax.

While it was not exactly determined, Albright said the tax collection here could amount to as much as \$15,000 or \$20,000 annually. No towns close by have implemented the tax except for Amarillo. Albright said Dumas and Plainview had voted it in with Plainview's collection amounting to about \$11,000 on a two per cent room tax charge.

ESTIMATES TUESDAY revealed that as much as \$26,000 could be raised based on about a 70 per cent occupancy of all motels. The city is writing the state comptroller to find out how much the state has collected from the motels on a three per cent state tax.

Emory Brownlow, city commissioner, said Hereford wasn't a tourist town and he wondered why the other motel owners weren't present to argue against it. "There's nothing here for people to see that they can't see somewhere else."

The estimated number of tourists staying in local motels was set at about five per cent.

"But I don't know why it has to remain this way. That's why we're trying to build the Cowgirl Hall of Fame so that tourists will have something to see," Albright said.

James Boyd, city commissioner, moved the three per cent tax be approved and Brownlow seconded the motion. It was then passed on the vote of Paul Abalos, city commissioner. Barrett voted no and Sears abstained.

The approval caught some by surprise and it is expected that the City Commissioner might reconsider the tax at a future meeting.

DUDLEY BAYNE, CITY MANAGER, told the commissioners that 20 new trash containers are needed presently although 30 could be used by the city's trash collection department. The last time the city bought them, they cost \$162 each and

the present cost was estimated at not less than \$200 each.

Bayne said the collectors are presently overloaded and that the containers could be purchased out of Revenue Sharing funds. In the past, the containers have more than paid for themselves from trash fees collected.

Noting that the containers would cost less now than later, Sears suggested buying 50 of them since Bayne indicated they could be used definitely within a year. The commission then unanimously accepted the proposal.

The zone change request was for the North 17 feet of Lot 3, Block 48 of the Williams Subdivision, (Evans Addition) from B Residential to D Local Retail. It was requested by the First National Company.

Since Sears was connected with the firm, he abstained from voting. The other commissioners all accepted the change.

ALSO APPROVED was the closing of city offices on Friday, Nov. 28, so that the downstairs floors of city hall could be resurfaced that Friday and following Saturday. It will also allow city employees a straight weekend holiday since Thanksgiving falls on Thursday.

All those needing to enter the Police headquarters are asked to use the south stairway entrance.

Bayne then presented all commissioners with a copy of a newspaper article which stated recent earnings of Pioneer Natural Gas Co., a subsidiary of the Pioneer Corporation. He said, the low per cent pass through to customers of the Pioneer Corporation's cost was guaranteed profit since the company automatically could pass the increase costs on to customers.

When they (Pioneer) come to you for a rate increase, they say there is a shortage, but here they say there's a surplus," Bayne said.

No action could be taken Monday, but the commissioners asked the matter to be put on the agenda for the Dec. 1 meeting. All commissioners were present.

ZORA M. WEATHERS

Funeral services were conducted Tuesday morning for Zora Medilla Weathers, 75, of 113 Bradley at Avenue Baptist Church. Officiating were the Rev. Clarence Powell of Trinity Baptist Church and the Rev. Jim McKinsey of Sweetwater.

Burial was held Wednesday in Dudley Cemetery at Dudley under the direction of Gilliland-Watson Funeral Home.

Mrs. Weathers died Sunday at Deaf Smith General Hospital after a short illness. Born June 19, 1900 in Abilene, she married Rufus Weathers in 1917 at Denton.

The couple came to Deaf Smith County in 1948 from Amarillo. Mrs. Weathers was a member of Avenue Baptist Church.

Survivors include her husband; a son, J.C. Weathers of Amarillo; a brother, W.E. Bailey of Abilene; a sister, Mrs. Jim Loper of Clyde; a grandson, Jimmy Weathers of San Juan, Puerto Rico.

LEWIS NEAL

Funeral services for Lewis Earl Neal, 66, of Dimmitt, father of Mrs. Mixie West of Hereford, will be held this afternoon at 2 p.m. in Lee Street Baptist Church at Dimmitt. The Rev. Charles Harris, pastor of First Baptist Church in Stinnett, and the Rev. Bobby Gordon will officiate.

Burial will be in Westlawn Memorial Park under the direction of Dennis Funeral Home of Dimmitt.

Mr. Neal died Tuesday afternoon after suffering an apparent heart attack. A native of Oklahoma, he moved to Dimmitt in 1956. He was retired from the Texas Highway Department.

He is survived by his wife, Rosa; a daughter, Mrs. West; a son, Clayton E. of Azle, six half brothers, B.W. Ray and Valiant Ray, both of Oklahoma, J.T. Ray of Marshall, Russell Ray of Tulsa, Okla., Don Ray of Snyder, Okla., and Dan Ray of Del Rio; five grandchildren.

LETA M. PINCKERT

Funeral services for Leta Mae Pinckert, 52, of Ignacio were held Friday afternoon in the Church of Christ in Durango with the Rev. Lee Clark of the Church of Christ of Bayfield officiating. Burial was held in Greenmount Cemetery.

Mrs. Pinckert died recently in St. Luke Hospital in Denver during open heart surgery.

She was born Jan. 14, 1923 in Eden. She was married in 1941 in Clovis, N.M. to Robert L. Pinckert, and they farmed in the Dimmitt area for nine years before moving to Durango in 1951. They had lived in the La Plata county area for the past 24 years.

She was a well known teacher and author of the early history of the Ignacio area. She was an active member of the Church of Christ in IEA and DEA educational associations, and a member of Delta Kappa Gamma society for teachers.

Among those attending for Mrs. Pinckert were her sister, Mrs. Buddy Taylor of Canyon, and brother Chester Pinckert of Hereford.

Survivors include her husband, Robert L. Pinckert; a daughter, Mrs. C.E. Massingill of Salem, Oreg.; two sons, Ovid Pinckert of Albany, Oreg.; and Michael Pinckert of West Point, N.Y.

Also, her mother, Mrs.

Terecie M. Fulcher, Las Cruces, N.M.; brothers, Martin Fulcher of Stephenville, John Carroll Fulcher of Tumacacori, Ariz. and Chester Pinckert; sisters, Mildred M. Fryar of Aurora, Mo., Annie Ultsch of Las Cruces, Mrs. Buddy Taylor and M. Jane Cain of Truth or Consequences, N.M.; and six grandchildren.

ELIZABETH GREER

Mrs. Elizabeth Greer, 89, of McLean died Monday at Lubbock Methodist Hospital. She is the mother of Mrs. Annis Corbett of Hereford.

Services were held Wednesday afternoon at First United Methodist Church in McLean with the Rev. Homer Miexner, pastor, officiating. Burial was in Hillcrest Cemetery by Lamb Funeral Home in McLean.

Mrs. Greer was a native of Cherokee and moved to McLean in 1926 from Childress. She moved to the Lakeside Nursing Home in Lubbock in 1967. She was a member of the Presbyterian Church.

Survivors include four daughters, Mrs. Corbett, Mrs. Hazel Clements of Littlefield, Mrs. Jane Barns of Lubbock and Mrs. Peggy King of McLean; three sons, N.H. of Amarillo, Mackie of Lubbock and Gene of Comstock; 13 grandchildren, 29 great-grandchildren and one great-great-grandchild.

George S. Brown, speaking for the Joint Chiefs of Staff:

"You (James R. Schlesinger) have left a solid base on which your successor can build."

John C. Sawhill, former Federal Energy Chief: "People have confused the Arab oil embargo and the rapid rise in oil prices with an energy shortage."

ICT Student

Employed as a darkroom technician at Bill Brady's Photography, Sandra Estrada has been chosen as Industrial Cooperative Training student of the week. The daughter of Mr. and Mrs. Felix Estrada of Route 5, she is a senior student at Hereford High School. She is pictured with her supervisor, Bill Brady.

Advance Registration Deadline Near At AC

Advance registration for spring semester 1976 began Monday Nov. 17 and continues through Dec. 5.

Currently enrolled students wishing to advance register for the spring may report to their academic advisers for advising and scheduling of classes.

New students first should report to the registrar's office in the Administration Building for admission clearance and assignment of an academic adviser. Then they may report to their assigned adviser for scheduling of classes.

Evening students, not currently enrolled, will be able to advance register between 5:30 and 7 p.m. Dec. 1 through 4 in the registrar's office.

This advance registration is open to all students, including new students who wish to avoid the problems of regular registration for the spring semester, which begins Jan. 15.

Tuition and fees may be paid by advance registered students until Jan. 8 in the business office of the Administration Building. If payment has not been made by that time, students will have to report to regular registration, said J. Fred Balderston, registrar.

Students unable to take advantage of advance registration will be able to enroll Jan. 12 and 13 during regular registration.

Homecoming Set For Saturday

Wayne Thomas, local attorney and a 1944 graduate of Adrian High School, will be featured speaker in the new auditorium at Adrian during homecoming festivities Saturday. The program will be held from 4 to 5 p.m. followed by a short business session.

Festivities will kick off at 1 p.m. with registration which has been set at \$1 per person. Every one will be asked to cast a vote for the Coming Home Queen of their choice. Following registration, a reception will be held in the cafeteria with refreshments being served.

The women's exes basketball game will begin at 1:30 p.m. The men's game will follow and feature an old timers quarter.

Terry Creitz, president of the homecoming committee, reports that enthusiasm is high and they are looking forward to a successful homecoming.

Former Minister To Give Program

Roger B. Knapp, former minister here, will be in Hereford Tuesday, Nov. 25 to give a program at the Presbyterian Church on the subject "A Jew, Christian and Muslim are Friends...or What Jesus Appreciates About Other World Religions."

The program will be held at 7:30 p.m. with a question and discussion period scheduled. Dessert and coffee will be served, and all interested persons are invited to attend.

Citizen Of The Month

Rev. Doug Manning, pastor of First Baptist Church, accepts congratulations from Chuck Cosper, local game warden and Sgt. Bill Wells, president of the Hereford Peace Officers Association. Rev. Manning was named by the association as the citizen of the month, and was nominated for the honor by Cosper. Manning was nominated for his work in helping organize a dinner and meeting between panels of local youth and peace officers. The dinner was held Nov. 6. Cosper pointed out that panels of local peace officers would welcome the opportunity to meet with other local youth groups.

Chamber Activities Reviewed For Rotary

The Hereford Rotary Club heard a review of the year's activities of the Deaf Smith Chamber of Commerce from Bill Albright, C of C executive vice president, at a weekly luncheon Monday.

Plans were made during the meeting to conduct a barbecue for Farm-City Week next Monday, and Nov. 9 was set for the club's annual Ladies Night. It will be held at the Country Club.

Albright said that the Chamber was the community's organization and encouraged those who are not members to become involved in it. "Just about every activity in Hereford goes through the Chamber's office," he said. "We are the center of most activities since we are involved in some way with each of them."

Going month by month, Albright traced the Chamber's events during 1975. The highpoint was the Cowgirl Hall of Fame All-Girl Rodeo, which he billed as the biggest of its kind. Along with it, the C of C has backed the establishment of the Hall of Fame here.

Another significant accomplishment of the Chamber, Albright explained, was the formation of the Hereford Industrial Foundation, which ended up securing the Sue Ann, Inc. garment plant here. It will employ about 175 persons. Getting more businesses to locate here is a prime purpose of the C of C.

He said tourism out ranks agriculture for gross revenues across the state and noted that the C of C had endeavored to increase Hereford's share of tourism.

We also want you to inform us of legislation which ought to be lobbied for or against," he said. In looking out for Hereford's interests this year, the C of C traveled to Washington D.C. on farm legislation and went to Austin concerning property valuation laws. Success was obtained in both instances.

Albright said he appreciated the chance to discuss the Chamber's activity and said he plans to appear occasionally to keep the club members aware of it.

Johnie Price, president, said the Hereford Whiteface Football team will appear at next Monday's luncheon in tribute of their performances this year. Coach Fred Upshaw was given praise and a round of applause for his first year at the helm of the Herd.

Local Airman Selected For Technical Duty

SAN ANTONIO—Airman Jimmy Aleman, son of Mr. and Mrs. Abel Aleman Sr. of Rt. 1, Hereford, Tex., has been selected for technical training in the U.S. Air Force aircraft maintenance field at Chanute AFB, Ill.

JIMMY ALEMAN

The airman recently completed basic training at Lackland AFB, Tex., where he studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Aleman is a 1973 graduate of Hereford High School. His wife, Elizabeth, is the daughter of Mrs. Brigido Pena of 331 Ave. E. Hereford.

Horse Club Schedules Workshop

The Deaf Smith County 4-H Horse Club will sponsor a day-long workshop on basic horsemanship Saturday at Rowland Stables.

According to a club spokesman, the workshop will be aimed primarily at younger riders, although any interested person is invited to attend.

Activities are scheduled to begin at 9 a.m. and will continue through 5 p.m.

Participants should bring a sack lunch, in addition to their horses and all of their gear.

Control Discussed

San Antonio, Texas—Health professionals from Deaf Smith General Hospital in Hereford will participate in discussions of population control today beginning at 12:30 p.m. central standard time.

The program is a continuing education discussion for professionals and will originate from The University of Texas Health Science Center at San Antonio.

Discussions will be received live by local participants by means of a two-way teleconference hookup.

Indications for and effectiveness of both oral contraceptives and intrauterine devices will be discussed.

Also, selection of birth control

methods for women who have completed their families will be discussed in light of present knowledge and availability.

Discussion panelists from the San Antonio health science center will include moderator Dr. Marguerite Shepard, assistant professor of obstetrics-gynecology; Dr. William Locke, clinical associate professor of ob-gyn; and Dr. Paul Weinberg, professor of ob-gyn.

First Lady urges Ford to show more precaution.

Bufs Last Home Game Saturday

CANYON—Sixteen West Texas State seniors will be playing their final game in Kimbrough Memorial Stadium Saturday afternoon as the Buffaloes renew their bid for a winning season against the University of Louisville Cardinals. Game time for the non-conference clash is 1:30 p.m.

Coach Gene Mayfield's Buffs saw their three-game winning streak go down the drain when

McNeese State quarterback Johnnie Thibodeaux engineered three fourth quarter scoring drives for a 39-33 win in Lake Charles, La. The loss put WT's season record at 4-5 with two games left to play.

Louisville, now playing as an independent after dropping out of the Missouri Valley Conference last spring, comes into the game with a 1-9 mark despite the work of Walter Peacock. The senior running back had gained 687 yards in the Cardinals' first nine games, and had averaged 115 yards per game in the three games prior to the 14-10 loss to Northeast Louisiana last Saturday night.

NLU was a team that West Texas State pounded 45-20 three weeks ago, and by comparative scores the Buffs should be heavy favorites. In addition to the Indians, Louisville has lost to Wichita State (13-10), Drake (31-7), and

Tulsa (38-14) in matches with opponents of both teams. West Texas State has beaten Drake (24-6) and lost to Wichita State (13-7) and Tulsa (23-14).

Despite the McNeese State loss, the Buffs have one of the most explosive offenses in the area. In their four latest games, the Buffaloes have averaged 35 points and over 431 yards per game in total offense. Almost 340 yards per game is the rushing figure, but junior quarterback Tully Blanchard had his best passing night of the year at McNeese (eight of 13 for 143 yards) to add a new dimension to the wishbone offense.

As the Louisville contest will end the WT home slate for 1975, and will also be the last time to play before Panhandle fans for those 16 Buff seniors. These players will then end their WT careers at Denton against North Texas State on Nov. 29.

Pounding Power

Shirley Wheeler [18] for Hereford pounds a return shot past two Amarillo Sandie volleyball players in a desperate attempt to bring her team into contention for the bi-district championship in games played at the La Plata Gymnasium Tuesday night. The Whitefaces were representing district 4 AAAAA and the Sandies came here as the 3-A AAAA champions. It was a sad season close out for Hereford as the varsity team lost both games 15-4 and 15-11 with a total record of 7-11. It was the second straight year to lose to Amarillo as the Sandies now advance to state with a season record of 25-2 to Region I Volleyball Tournament this Saturday at McMurray College in Abilene.

The Hereford Whitefaces fell victim to a hot-shooting Borger Bulldog team in the opening basketball game Tuesday night.

Coaches Rate 4-4A District

Coaches of District 4-A AAAA have been polled to rank the 1975-76 basketball race, with the only surprise being that Coronado tied with Monterey for the favorite's role.

Monterey has advanced to the regionals the past three years, but the Mustangs are given a chance to break that hold this year. Plainview is picked for third, while Hereford and Lubbock High are tabbed for the fourth and fifth spots, respectively.

The Plainsmen won 10 straight district games last year and posted a 26-10 won-lost record. Coach Joe Michalka has six lettermen returning, headed by regulars Scott Gardner (6-5) and two talented guards in Casey Conine and Jody Overbeck.

Coronado has a new coach in Jimmy Fullerton, who inherits a 16-13 squad, and he has two outstanding returning regulars in Vic Henry and Walter Storrs. Plainview posted a 19-12 campaign last season, while Hereford was 9-22 and Lubbock 7-23.

The 4-4A chase is divided into two parts, with the winners of each half clashing for the championship—if there are two winners. Hereford and Plainview made a run at Monterey two years ago, when Plainview beat Hereford in a playoff for the first-half title. Monterey then downed the Bulldogs for the playoff berth, however.

Tascosa is picked as the team to beat in 3-A AAAA, with defending champion Pampa tied with Amarillo High for second place. Borger is rated third, followed by Palo Duro and Caprock.

In 5-A AAAA, Abilene High was given the favorite's role after the Eagles posted a fine 23-8 mark a year ago. Midland Lee was tabbed as the top contender and Permian was also rated close.

losing a 63-48 decision as the Bulldogs raced to a 21-12 edge in the final quarter.

The game was knotted at 28-28 at halftime and Hereford held a 37-30 lead early in the third period. However, Borger hit a sizzling 59 per cent from the field and threw a pressing defense against Hereford that forced numerous Whiteface turnovers.

Paul Trolinder and James Mays led Hereford's attack with 14 and 12 points, respectively. Borger had three players in double figures and Ricky Dickson led the way with 29 points. The Bulldogs hit 25 of 42 field goal attempts, while Hereford connected on just 38 per cent from the field with 19 of 49.

Coach Barry Arnwine's starters in the first game were Mike Hull at post, Trolinder and Steve Cornelius at forwards, and Mays and Barry Muller at guards. Mike O'Rand hit 8 points for the Herd, and Hull netted only 6 before fouling out. Trolinder also fouled out of the game.

Hereford scored 19 points in

the second period to tie the game at intermission, then forged to a seven-point lead early in the third period. Turnovers cooled the Hereford attack in the third period, and Borger grabbed a 42-36 advantage going into the final stanza.

Arnwine's varsity roster as the season gets underway includes: James Mays (6-0 Jr.), Mike O'Rand (5-10 Jr.), Barry Muller (6-1 Sr.), Steve Cornelius (6-1 Sr.), Dave Charest (6-1 Sr.), Kelly Kitchens (5-10 Soph.), Mike Hull (6-6 Sr.), Jim Lawson (6-0 Jr.), Archie Crim (6-2 Jr.), Murry Hazlett (6-2 Jr.), and Paul Trolinder (6-2 Sr.).

Hereford plays at Canyon Saturday night and takes on Dumas in the first home game Tuesday. Following Hereford's box score for Tuesday night and the season's schedule.

HEREFORD—Trolinder 6-2-14, Mays 4-2-10, O'Rand 3-2-8, Hull 1-4-6, Cornelius 3-0-6, Muller 1-0-2, Crim 1-0-2. Totals 19-10-48.

The time is getting short for those who want to win the season pot in the Brand Football prediction contest. Each week means a different story as a couple of losses here or a few wins there can change the picture and result in a different winner.

Only two weeks remain in the contest and so far, Kenneth Wieck leads the pace with 60 misses for the season. This is based on the best 10 weekly scores compiled during a total of 11 weeks of playing. The worst score for each competitor was dropped.

But that's all the favors as the final two weeks will decide the result.

The season winner will go home with \$100 with the second place taking home \$35 and third place winning \$15. Of course, winners have been collecting winnings each week with the first place weekly winner getting \$15, second place \$10 and third place \$5.

The winners in this week's contest were Mrs. Joe Williamson with three misses for first place, L.V. Watts with four misses for second place, and Jimmy Bell, Sherry Hoover, and Mike O'Rand sharing a three-way third place.

The third place winners also guessed four misses but lost second place since Watts picked

a perfect 33 tie-breaker in the Monterey win over Hereford, 21-12. But they were equally distant from the score as Bell and O'Rand picked 35 and Hoover picked 31. The third place money will be split equally.

Others missing only four with their tie-breaker scores are David Coakley, 28; Melvin Hoover, 37; Mrs. R.D. Hubble, 27; Saleh Igal, 28; Duane McNaney, 28; and Betty Rusher, 28.

In the season contest, Mrs. Hubble is in second place with 63 misses in the 10 weekly contests. Charley Hill, James McDowell and Dave Hopper trail in second with identical 66 scores.

Those competing in this week's contest are reminded to turn in ballots by 5 p.m. today at the Brand office.

Season scores of other competitors are: Bullet Adams-72, Shirley Adams-73, Tereasa Adams-70, Duane Albracht-82, Theresa Albracht-79, Wayne Amstutz-77, Gene Batterman-78, Waldo Baxter-89, and Jimmy Bell-69.

Upshaw's Forecast Upped, Total Trails

Coach Fred Upshaw had the best week in picking the football winners, but Speedy Nieman took over the lead again in the Fearless Forecasters' panel with a 71.7 percentage on the season. Upshaw missed four games of

the 26 listed on The Brand's weekly Football Contest page, while Nieman and Mack Tubb each missed five of the games. News editor Bobby Templeton fell back into a tied for second place with Tubb after his missed nine of the contest games.

Upshaw missed two high school games and two college clashes. The Herd mentor picked Borger instead of Tascosa and Canyon instead of Levelland. In fact, Tubb was the only panelist to pick those two games correct. Nieman missed only one college game when West Texas came up short, but he guessed wrong on four schoolboy tilts.

Nieman took a five-game lead in the contest, with Templeton and Tubb tied for second place with 69.9 percentage marks. Upshaw moved up some and now trails the next panelist by eight games.

FOOTBALL

By Pete Fritchie

WASHINGTON, D.C.—The pro football booboo of the year was Buffalo's recent blunder-call in its game with Miami. The Bills were ahead with less than three minutes remaining in the fourth quarter.

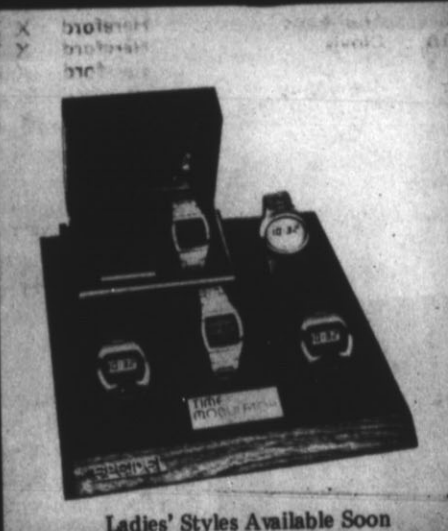

They had the ball, after receiving a kickoff on their twenty. On first down Joe Ferguson passed; it was intercepted and Miami soon scored and won the game 35-30.

Television viewers thought it was a Joe Ferguson blunder but the play was called by Lou Saban, Buffalo's coach, not the Bills' quarterback, who up to that point had played the best game of his career.

In fact, had Ferguson had any help from O.J. Simpson, he would have won the game handsly.

Groom, Sudan Clash Here

Football season lingers on in Hereford, with the Groom Tigers and Sudan Hornets clashing here Friday night in a Class B bi-district championship game.

The playoff contest between the Panhandle and South Plains Class B champs is set for 7:30 p.m. Friday in Whiteface Stadium. The two schools accepted an invitation from the sports committee of Deaf Smith County Chamber of Commerce to meet on the neutral field.

Sudan won the toss and will be the "home" team in the contest. Admission is \$3 for adults and \$1.50 for students. There will be no reserved seats.

Groom, unbeaten but once tied, has been ranked in the state's top 10 in Class B circles much of the year and will rate a

favorite's role in the contest. The Tigers have a 9-0-1 record, with the tie being a scoreless duel with the Class A Boys Ranch squad.

Sudan, the 2-B winner with a zone upset of Sundown in the final game last week, comes into the fray with a 8-3 record under Coach Jackie Stewart. The Hornets lost three of their first four games, then won seven in a row to reach the playoffs for the first time since 1968.

The Tigers, on the other hand, have won or shared the district title for 16 of the past 20 years. Groom is coached by Don Sessom. The Tigers wrapped up the 1-B crown last week with a 32-13 win over Lefors, the team that beat Groom out last season.

District 2-B is divided into two

zones, hence the 11-game record of Sudan. The Hornets won the north zone and upset Sundown in the district championship encounter.

Sundown had been rated in the state's top 10, and had defeated Sudan in a non-district game the first game of the year, 36-26. Sudan won the title game,

however, by 13-12.

Both teams boast fine offensive attacks, and each squad's defense improved as the season went along. Groom is led by fullback Chris Britten, a 172-pounder; quarterback Bimbo Bivens, 165-pound senior, and sophomore halfback John Krizan, 163. Britten is a

two-year all-district linebacker. Big Art Brown (190 Sr.), an all-stater as a junior, is a standout in the line, which also boasts some hefty defensesmen.

Senior fullback Danny Williams, 185, and halfback Kyle Martin, 160-pound junior, spark the Sudan attack. Williams gained 133 yards on 36 carries against the tough Sundown team last week, and Martin added 68 to the attack.

Sudan's colors are black and gold, and the Hornets are scheduled to wear gold jerseys. Groom's colors are red and black, and the Tigers will be in red jerseys. Deaf Smith C of C will present a bi-district trophy at the conclusion of the game.

Sudan opened the season with a 36-26 loss to Sundown, then

scored a 42-20 win over Anton. The Hornets lost to Plains (16-7) and Springlake-Earth (25-6) before starting the long victory streak. Victims in the next seven games were Valley (0-10), Happy (6-0), Lazbuddie (38-8), Nazareth (19-6), Amherst (31-14), Motley County (19-0) and Sundown (13-12).

Groom opened with five straight wins, downing Vega (26-12), Claude (36-14), McLean (28-0), Wheeler (20-7) and Pampa JV (20-6). The Tigers were tied by Boys Ranch, 0-0, then scored four wins over Happy (19-0), Texline (57-16), Booker (54-8) and Lefors (32-13).

The only foe played by both teams was Happy. Groom scored a 19-0 win, while Sudan won by 6-0.

Caprock, Groom Playoff Picks

The schoolboy playoff games start this week with the District 4-AAAA representative, Lubbock High, rated an 8-point underdog against Amarillo Caprock in a bi-district clash to be played in Lubbock.

Hereford will be the host for a Class B playoff game which matches state-ranked Groom against Sudan, Groom, with only a tie to blemish its record in 10 games, is ranked an 8-point favorite over Sudan, according to the Harris Rating System.

In the other Class AAAA games of area interest, Wichita Falls Rider and Odessa Permian are rated even, while El Paso Coronado is a 12-point favorite over EP Ysleta.

In Class AAA, Pecos is given a 7-point edge over Perryton, and Graham is rated just a one-point favorite over Lubbock Estacado. The AA pairings predict Spearman by 6 points over Childress; Olton favored by 3 over Floydada; Anson rated 7 points better than Slaton, and Alpine gets a 3-point nod over Crane.

In Class A, Wellington carries a 9-point edge over Sanford-Fritch; Hart is favored by only one point over New Deal, and Seagraves is rated a whopping 23 points over Iraan.

Longview and Plano are the two top-rated teams in AAAA, and the two teams clash in bi-district play this week. Both have posted 10-0 records, and Longview is favored by three points. The only other undefeated, untied teams in AAAA are Lake Highlands, FW Eastern Hills, South Houston, Lamarque, SA Edgewood, and SA Lee.

Boswell and Cuero are the only undefeated, untied teams in Class AAA. Four teams have perfect records in AAA—Decatur, Cameron Yoe, Hamshire-Fanett, Gladwater. The Class A list includes Seagraves, DeLeon, Wall, Timpson, Groveton, Ore City, Brazos, Rogers, Lytle, and Falls City. Class B has just two teams with unblemished records—Big Sandy and Celina.

Wrestling Set For Saturday Night

Scott Casey is rematched with giant Frank Goodish in Saturday night wrestling in the Bull Barn sponsored by the Hereford Lions Club. The youthful 325 pound Casey, spotting his opponent 75 pounds, was injured by his bearded 6'5" opponent last week as both men were being counted out on the floor. Casey had taken the first fall of their match with a sunset flip over the top rope, and Goodish the second with a bear hug. The count-out left Casey with a thirst for revenge, and Goodish with a desire for victory.

Ricky Romero, the 229 pound Mexican super-star, will clash with Canadian Randy Tyler, a 262 pounder. Tyler is a surprisingly agile big man and technically a competent wrestler. However, he is not noted for his high ethical code. The Hereford Lions Club announced the debut of Billy Robinson in panhandle mat circles. Robinson, who will meet young 222 pound Randy Brewer of Indianapolis, tips the Fairbanks, at 240. He has never done anything but wrestle for a living. He came out of the amateur ranks in Europe as a distinguished Greco-Roman and

freestyle wrestler, medaled in the Olympics, and is a graduate of the famous "Snake Pit" at Wiggan, England, the home of an official school of Mayhem and battery. Robinson is from Manchester, England.

Teen-age sensation Silver Streak, a Mexican import, will try veteran Angelo Poffo in the opener. Poffo, from Chicago, weighs 230, about 20 pounds more than his opponent. Poffo is probably one of the best-conditioned men in sports today.

Action at the Bull Barn starts at 8 p.m.

Whistling Wings

By Jim Steiert

YOU'RE GINGERLY making your way through a tangle of fallen mesquite and Russian thistle and your foot snaps a fallen branch.

A whirring sound fills the cold morning air and a dozen feathered streaks leap skyward and move away with a clamor of staccato wingbeats, startling you into stepping backwards as your heart leaps to your throat.

The little feathered bombs are winging away in a hurry. You quickly bring the gun to your shoulder, swing on one of the fleeing forms and pull the trigger. —Nothing happens.

THOSE CRAZY Bobs rattled you so badly you forgot to release the safety. Your heart is pounding and it's hard to draw a full breath.

—Geez. —Why do you let these birds keep scaring you to death?

While you're getting yourself settled down on the way to the next stretch of quail cover, the answer to that question is running through your mind.

YOU LIKE GETTING the fool scared out of you by a bunch of unpredictable Bobs or Blues. That's what keeps you coming back.

A Bob comes darting up from beneath a cedar bush, but this time you are calm enough to put the bead on him and the No. 7 1/2's bring him down in a puff of feathers.

The Bob hardly fills your hand as you pick him up. He is a handsome intermingling of dirty brown, chestnut, white, black

4. In 1919.
5. Darrell Johnson, Boston Red Sox.

and grey. As you stuff him into the game pouch of your vest, you wonder how hunting birds that weigh only a few ounces can mean so much to you.

QUAIL HUNTING means the cheery whistles of Bobwhites, whistles as promising as the dawn that's just breaking as you head for quail cover.

It means mornings that start cold and gratifyingly crisp and quickly warm into shirtsleeve weather.

Gunning quail also means tough and physically demanding work that is sometimes even painful for the man who would go where Gentleman Bob and Mr. Blue prefer to roam.

IT MEANS climbing up the steep sides of gravel washes and gulleys with the rocks crunching beneath your feet and fighting your way through dense clumps of mesquite, wild plum, thistle and sandburrs, ignoring the beating your legs are taking for one more chance at those feathered speedsters.

Coveys rises are an important part of quail hunting. But they are the part your blow more often than not, simply because you forget yourself and empty the gun at the whole covey, rather than singling out individual targets.

And, more often than not, the birds won't come up until your legs are so wrapped in brush that you can't turn to follow through on your target.

BUT THEN, there are those rare days when a light scattering of snow covers the ground and you drop three on the singles and doubles coming up over the tops of black-looking mesquites and bois d'arcs as you work through a shelter belt.

Always, there is that feeling of confidence late in the day when you turn to make the trek to that special place you've been saving for last. The windmill and stock pond where a covey of Bobs hangs out, or that massive plum thicket in the west fencerow that always holds a good bunch of Blues. You may not fire a shot when you get to the windmill or plum thicket, but there's something reassuring in seeing that your "special covey" is still there.

Your legs are beginning to ache as you step into another cluster of mesquite and thistle. A half-dozen birds catch you by surprise again as they break just to your left, but three shots send two birds hurtling to earth this time.

YOU'RE GOING to have to do something about those rattled nerves, you keep telling yourself as you move forward to pick up the fallen birds.

—But, if you have to be scared, isn't it great that these little feathered bombs are around to make it fun?

La Plata Served Turkey Dinner

A typical Thanksgiving dinner was enjoyed Tuesday evening in the Pioneer Gas Flame Room by 30 members of LaPlata Study Club and their husbands.

Turkey and dressing with all the trimmings were served from a table laid with a brown cloth and decorated with artificial turkeys made from paper sacks and colored construction paper. Individual tables also carried

out the theme.

Hostesses for the party were Mmes. Emil Dettman, Phillip Shook and J.D. Neill.

Following the dinner and invocation, which was given by Major Schroeter, the group played "crazy bridge". Mr. and Mrs. Phillip Shook won the high prize and Mr. and Mrs. W.D. Askew won low prize.

Certificate Presented To Members

Fay Brownlow was presented a certificate of Perfection by Rebekah Lodge Deputy, Mrs. R.E. Curtsinger, at a meeting held Tuesday evening at Rebekah Lodge.

During the business meeting, second nominations were held and members were reminded of the Thanksgiving supper planned Tuesday at 7:30 p.m. at the lodge.

All members of Odd Fellows and Rebekahs lodges are urged to attend and bring families and guests for an evening of food and fellowship.

Also, 27 visits to the sick were noted and 18 cards were sent by members.

Ola Hacker was hostess to 19 members present.

Rainbows To Meet Saturday

All members of Rainbow Girls are urged to assemble at Masonic Hall at 2 p.m. Saturday to collect can goods and pantry items. These will be collected and donated to a local needy family.

Anyone wishing to donate items may contact Mrs. Rodger Ruland or Rose Warren.

William Proxmire, Senator (D-Wis), on aid for NYC:

"My notion is that the President is firm in maintaining his position against federal aid."

Archibald Cox, former Watergate special prosecutor, on election reforms:

"Congress was concerned with what we may call the arms race of political contributions."

Ritual Honorees

Two members of Alpha Alpha Preceptor Chapter were given special recognition at the annual fall rituals of Beta Sigma Phi Sorority Tuesday evening. Mrs. Dink Godwin, in top photo from left, was recognized as a lifetime member for her 25 years of service in BSP and Mrs. Ollene Williams received the ritual the Order of the Rose for her 15 year membership. Mrs. C.D. Fitzgerald Jr. and Mrs. Jim Cramer moved from Xi Epsilon Alpha Chapter to Alpha Alpha Preceptor. In bottom photo from left, three transfer members were accepted to Alpha Iota Mu Chapter membership. They included Mrs. Bob Goss, Mrs. Jerry Richburg and Iliagan Williams. Mrs. Dwight Turner transferred to Kappa Iota Chapter. Not pictured is Mrs. Terrance Fogo, a transferee into Exemplar Chapter.

Women's Groups Support Bicentennial Project

Washington, D.C.—A task force representing major national women's organizations met with John W. Warner, Administrator, and Marjorie W. Lynch, Deputy Administrator, of the American Revolution Bicentennial Administration (ARBA), in Washington, D.C., to discuss the details of a national community development program.

The ARBA has issued a \$180,000 contract in support of

the Community Resource Centers project which was developed and endorsed by the 25-member women's task force.

The essence of the CRC program is in providing information on a community, its resources, its services (public, private or volunteer), its needs, and its policies to local citizens. The aim is to provide improved opportunity for citizen participation in community planning.

The ARBA contract was awarded to the National Self Help Resource Center, Washington, D.C., which will identify sites and aid the creation of 10 model Community Resource Centers around the country.

Season Finished

Hereford Tennis Team ends their fall schedule. The tennis team has played a total of five matches this fall: three of the five were dual matches and two were team tournaments.

The two tournaments were the Plainview Team Tournament and the Lubbock Team Tournament. Hereford's boys' team won the Plainview tournament. In the Plainview tournament, boys and girls were counted as separate teams. Teams invited to the tournament were Monterey, Plainview, Pampa, Palo Duro, Amarillo High, Borger and Hereford. Hereford finished first with 53 points and Amarillo High finished second with 52 points.

The Lubbock Team Tournament consisted of Lubbock schools, Plainview, Amarillo schools and Hereford. Hereford

boys and girls teams acted as one team in this tournament.

Three dual matches were against Lubbock High, Plainview, and Coronado. The team tied Plainview, winning 12 of 24 matches: eight singles and four doubles. The team lost their matches to Lubbock High and Coronado. Lubbock High—10 over Hereford—eight; and Coronado—23 over Hereford—one.

The tennis team will begin their spring work out in February and will continue through April. They plan to play eight district dual matches and four tournaments in the spring. One of the highlights of the year will be a weekend trip to El Paso to play the schools of that area. Along with these matches, Coach Thomas may add matches with area tennis teams to the schedule.

Car Near Completion

Eugene Barkowsky, shown above with his car, has been working on the 1928 Model A Ford for the last three years and is nearing completion of the car.

'28 Model A

Among many of the interesting things that go on in the life of an assistant principal is the rebuilding of an old car. Eugene Barkowsky, assistant principal of HHS, has been working on a 1928 Model A Ford Sport Coupe for the last three years, and has restored the car to its original paint and parts.

He has gotten the parts for the car all over the country. It has such parts as a headlight from Connecticut, a generator from Illinois, the doors from Oklahoma, the tires from a dealer out of Kansas, and the upholstery from Massachusetts. Barkowsky and his family enjoy going to swap meets where parts of cars are exchanged or bought.

In the rebuilding of the car every part was taken off, every bolt removed, replaced, and repainted to its original color which was black. The engine, which is a 24 horsepower, was also rebuilt and painted its original color which was green.

Barkowsky obtained the Model A from a farmer that lived south of Morton. Barkowsky stated that the car was no more than a pile of rusty iron.

The car, when completed, will have a cloth top and also a rumble seat. Among the things that Barkowsky lacks for the car is a back window frame, a pair of top braces, and also a pair of landau arms with brackets. "Body work is what remains to be done", stated Barkowsky.

Library Aids Learn Skills

Interested senior and junior students now have an opportunity to take part in library chores, while learning library skills.

Senior and junior students working in the library are Brenda Duggan, Cynthia Pena, Debra Scroggins, Ida Zamora, Andi Askew, Tommie Wilbanks, Rose Valdez, Sandra Knegeen, Nina Gilliland, David Bell, Dennis Schilling, Kenneth Mercer, Richard Sims, Kenny Henson, Alfonso Almanza, Bill Harden, Phillip Zinzer, Steve Cornelius, and Vance Hennington.

The students who are library assistants work at rechecking and checking out books, and replacing books on the shelf. Also they replace magazines left on the tables, take magazines to teachers boxes and take

messages while librarians are away. While things are slow, these assistants have spare time to study or just relax before their next class.

Other assistants working in the library deliver magazines and equipment to teachers and different departments. They are also helpful at running films for teachers.

Mrs. Matchett, when asked the importance of this program, replied, "These students help alot and at the same time learn the traits of a librarian." Mrs. Willis, the other librarian commented in this manner, "The assistants improve as the year proceeds."

One librarian, Mrs. Matchett explains that Hereford High has a training program for students interested in learning about librarian traits. Students may enroll through the office.

Volleyball Title Won

Hereford High School's Volleyball Team defeated Plainview Bulldogs for the district championship title, Nov. 10th in the La Plata Junior High School's gym.

Hereford's varsity team defeated Plainview with a score of 15-12 and 15-6. This game determined Hereford as district champs for a second straight year. The team played Amarillo High in the Bi-district meet, for the second year in a row

Tuesday night. The state title will be played in December.

This is the school's second year to have a volleyball team. Coach for the team is Helen Reed, who coaches both varsity and junior varsity teams.

Members for the varsity team are Cheryl Arney, a senior and the only returning letterman; Anna Griego a junior; Carolyn High, a junior; Terri Minier, a junior; Lorri Taylor, a junior; Shirley Wheeler, a junior; Cherie Anstey, a sophomore.

Members of the junior varsity are: Mary Curtsinger, Anita Garcia, Audrey Garcia, Juday Griego, Cynthia Hankins, Kim Hankins, Becky King, Laura Lomenick, Mona McNancy, Toni Mendiaz, Lisa Perez, Karla Polk, Staci Robison, and Martha Stotts. The Junior varsity also defeated the Bulldogs Nov. 10th with a score of 17-15 and 15-10.

The girls have been working very hard from the beginning of school with workouts everyday after school at 5:30 p.m. The product of their work has been a game record of 7-10. Their first game was held on Sept. 6. Some of the schools they play throughout the season are the

Amarillo schools, Borger, Pampa, Levelland and Plainview.

Decorated Fire Plugs

The fire hydrants on the main thoroughfares of Hereford are being brightly painted by several groups around Hereford.

A few of the groups painting the fire hydrants are the Campfire girls, Stanton, Junior High, and some of the high school art class. Also several individuals around Hereford are painting them, with Sherman-Williams furnishing the paint.

The Women's Division of the Chamber of Commerce, headed by Mrs. Joan McPherson, is sponsoring this community action. The plugs are to be one of Hereford's Bicentennial decorations.

The hydrants are expected to be finished by January 1st.

Class Wiring New House

The Electrical Trades class at HHS is hard at work. Presently they are putting in the wiring in a building that the building trades class has built.

The class is a three hour lab with two classes, one meeting in the morning and one meeting in the afternoon. During the three hour lab the students get a chance to do actual on-the-job work. Most of their job wiring is done on school buildings. They are also the repair men for the audio visual equipment at the school, working on movie projectors, slide projectors and tape recorders.

To enter in the course, a student must be at least 16 years of age. Each class must maintain a minimum of 20 students. It is best for the class members to get all the math that they can. Some drafting would also be helpful in the reading of blueprints. The instructor of the class is Ed Warren.

HHS Offers Auto Mechanics

Auto Mechanics is one of the many courses offered at H.H.S. In this class the boys learn how to work on cars. Examples of what they do are: tuneups, brakework, wheel alignment, and overhauling engines.

These things are done at contests where they have exhibits and compete against other students. The district contest will be in March. Some of the contests the boys will enter in are Student Selected Job, where they pick their own job to do on a car; Skill-Speed, to see how well and fast they can do the job; and a Job Interview Contest where they fill out a job interview and go in booths and the judges see how well they answer the questions on the interview.

The first place winners of the district contest will go on to the state contest which will be in April. This contest is called Technical Information.

Shop Hereford First! The more you shop and buy in Hereford, the better selection and values local merchants can provide, and the more you'll help the community grow and prosper.

Postal Service moves to hike stamp price.

'Show Biz' To Be Held

HHS Music Department will sponsor "Show Biz", a variety show that will be held January 30 and 31 in the High School Auditorium.

Auditions that will be open to the entire student body will be held November 24th, from 7 to 9 p.m. and November 25th from 3:30 to 5:30 p.m. in the auditorium. Auditions blanks can be obtained from the bulletin board in the choir room and returned to the choir room.

All types of acts will be considered, such as songs, either solo or groups, instrumental music, skits, comedy routines, dialogues and dances.

Mr. Moore stated that he hopes the student body will participate in the auditions.

Intramurals Off To Good Start

The 1975-76 intramural Super Bowl was played last Thursday between the Intergraters and the Maroon 76'ers. The Intergraters won the close game by a score of 8-6.

Albert Gonzales passed to Scotty Taylor for the touchdown. Gonzales scored the very important extra points. Lance Martin scored for the 75'ers, but their extra point try was stopped by a great play by Hector Ramirez.

Playing for the Intergraters were Mario Gamez, Timmy Sandoval, Albert Gonzales, Joe Atroyes, Scotty Taylor, Hector Ramirez, and Lance Walton.

Intramural boys tennis was finished with Kelly Kitchens placing first, and Pete Vargas second.

Hoeshoes was won by Wesley Wilson placing first and Larry Ritter second.

FTA Secretary

Melinda Gonzales was elected secretary at the district meeting of Future Teachers of America. She will be installed next spring for the 1976-77 year.

Printing Trades

"Now that's work." can be heard when talking about the printing trades room as they use over \$10,000 in materials alone in only one year.

Mr. Witte is the teacher for the third straight year. He came to Hereford from TSTI in Amarillo.

The students have in their possession over \$75,000 worth of equipment to use in the room. In order to enroll in the class one must be at least 16 years of age. The course is two periods long and designed for two years.

The printing trades students have their time full with the knowledge that they do all of the forms for the high school, junior highs, and all of the elementary

schools. In other words, they do all of the forms for the entire school system.

They also do work for non-profit organizations such as the Lions Clubs, Kiwanis, and so on. The clubs provide materials. All of the other materials are provided by the school. The materials mainly consist of ink and paper.

There are 29 students in printing trades with four of them being second year students. The students are now working on Christmas cards and calendars. The Christmas cards are designed by the students and are their own. There is not a fee to enroll in the class.

Deca Officers Installed

Chapter 596 of the District Education Clubs of America, held its officer installation Nov. 4 at the Pizza Inn in Hereford.

Officers installed by Mrs. Mercer, vocational counselor at Hereford High School were: President, Eva Ramirez; Vice-president, Gertrude Redman; secretary-treasurer, Lupe Escobedo; reporter-historian, Sylvia Torres; and Parliamentarian, Anita Martinez.

Officers were presented DECA diamond pins with officer guards. A short business meeting followed the officer installation.

Fund-raising activities have been candy sales and button making. The DECA PeI Chapter made homecoming buttons for the pep squad and is currently making "Glad You're Here" buttons for all K-Bob's Steak Houses. This will be the major

sales project for the year.

Upcoming events include the Area Leadership Conference at Monterey High School on February 13-14, and a state Leadership Conference to be held at the Astro World Hotel March 13-14-15.

Contest areas of the Leadership Conference will include advertising, display, job interview, sales demonstrations, and public speaking.

Woodworking Classes

Woodworking has begun this year for HHS. The classes have been underway for about 11 weeks. There are three types of wood courses being taken, woodworking I and II, and a 1 trimester course of 12 weeks.

The 1 trimester course consists of small projects such as: wall shelves, cutting boards, and spice racks. Woodworking I is a larger class and it is an all year course.

Projects being made by woodworking I are a little larger than the 1 trimester course. Some of these projects are: gun cases, cedar chests, coffee

tables, bunk beds, and chairs, etc. Some of the most expensive projects in woodworking I cost about \$100, but a quality job is worth about three times the amount of money put into it.

Woodworking II is an extension of woodworking I, but the projects are more complicated. Students make such things as: China Hutches, dining room tables, T.V. cabinets, and stereo cabinets. The projects in woodworking II can run up to \$1500 if it is a quality job.

The students in all woodwork- ing classes buy their own wood and work on their projects the way they feel is best.

Staff Obtains New Equipment

HHS Roundup Staff has obtained some new photography equipment. Included in this new equipment is a new 35 mm. camera, a new lens, some new tanks and reels, and a reconditioned enlarger.

This year's two main photographers are Mark Drake who has had four years of experience and Horace Gamez who has had two years experience. For the rest of the class this will be their first year in Roundup and their activities

are learning to take pictures, draw sketches for annual pages, and correcting errors.

Along with these activities the class visits different club organizations and meetings to write outlines for their pages.

Students in this year's Roundup Staff include: Mark Drake, Ann Bradley, Linda Ginn, Horace Gamez, Jeanine Lomas, Annette Noyes, Susan Wong, Lupe Barrientes, and Cindy Hankins. Mrs. Elaine White is this year's Roundup sponsor.

Cosmetology Class

Sandra Brown, left, and Wanda White practice their skills at hair styling.

Installation

Cosmotogely held its annual installation of officers recently at the Flame Room. There were 16 members present and a few guests.

Newly elected officers are: president, Ida Zamora; vice-president, Sandra Wells; secretary, Beverly Edwards; treasurer, Cynthia Romero; reporter, Loretta Vigil; sergeant-at-arms, Linda Kendrick.

Topics discussed at the installation were a bake sale as a class project in November, and a leadership meeting for October 25, which was held for

Vocational Industrial Clubs of America. Seven girls attended and represented the Chapter in Tulla. Five of the seven completed their club knowledge towards their leader degree, voice class, and citizen rank.

Students can enter contest through the Vocational Industrial Clubs. Contest will be held, sometime in March.

Contests which students may participate in are cosmetology notebooks, skill speed, best VICA girl, job interview contest, extemporanias and prepared speech, club business proce-

dures, chapter of display, outstanding club, opening, closing ceremonies and individual mannikin display.

Girls are starting early and preparing themselves for contest Senior girls are taking customers to better prepare themselves for skill contest.

The area contest is at Wayland Baptist College in Plainview. State contest is in Dallas. Students winning area contest automatically advance to state. Two chapter delegates are eligible to attend state meeting for chapter representation.

Reception Cites Anniversary

Mr. and Mrs. Aubyn E. Hodges, who exchanged nuptial vows Nov. 19, 1950 in Amarillo, welcomed guests at Hereford Country Club Sunday evening during a 25th silver wedding anniversary reception.

chrysanthemums mixed with Scotch broom and camelia greenery marked the entryway of the ballroom where the honored couple greeted visitors. They were accompanied by their daughter, Miss Kiska Ann Hodges, another daughter and her husband, Mr. and Mrs. Richard Fuller of Dalhart, and a son and his wife, Mr. and Mrs. Junior Hodges of Perryton.

A white cattleya orchid surrounded by stephanotis formed Mrs. Hodges' corsage while her daughters and daughter-in-law wore corsages of cymbidium orchids.

Also present was the couple's granddaughter, Amy Fuller.

Flanking the anniversary cake were silver candelabra with bouquets of white crystal pompons, miniature white carnations, lavender statics, babybreath and trailing smilax. Each of the quartette tables were centered with wooden plaques decorated with hand-made cattleya orchids and camelia leaves.

Mounted on the wall above the serving tables was a 25-year-old photograph of the newlywed couple cutting their wedding cake.

Nosegay corsages of pastel-colored crystal poms, miniature carnations, babybreath and lavender statics were worn by other members of the house party. They included Mrs. Jewel

Johnson, Mrs. Walt Hodges, Mrs. Jesslyn Williams of Panhandle, and Mmes. Edith Thompson, Ruth Kopp, Jackie Hill, JoAnn Bell and June Bell, all of Amarillo and Mrs. Betty Davis of Lubbock.

The former Nell Bell, Mrs. Hodges and her husband have lived in this community since their marriage. They resided 6 1/2 miles southwest of the city for sixteen years while engaged in farming operations. The Hodges moved to their current address, 731 Country Club Dr., 11 years ago.

Mrs. Hodges is involved in Camp Fire Girls, Home Demonstration Club projects, school activities and other concerns. The pair are members of First United Methodist Church.

Reception Honors Mrs. McGowen

Mrs. Claude McGowen Sr. of 229 Ave. B. celebrated her 77th birthday at a reception held Sunday afternoon in the home of her son and daughter-in-law, Mr. and Mrs. Claude McGowen Jr. of Summerfield. Mrs. F.L. Bishop II of Bartlesville, Okla. served as co-hostess.

The refreshment table, covered with a pink linen cloth with a white lace overlay, was centered with a floral arrangement of

pink daisies and carnations and crystal candelabra with pink tapers.

Serving cake squares decorated with pink rosebuds, fruit punch, and coffee were her granddaughters, Mrs. Richard Snow of Hereford, Mrs. Don Dunnaway of Lubbock and Mrs. Tom McGowen of Borger.

There were approximately 88 persons in attendance.

Out-of-town guests included

Dr. and Mrs. Loyd Harris of Norman, Okla.; Mr. and Mrs. Jack Downing of Canyon. Mrs. Ruth Brooks of White Deer, George Bishop III and Tad and Kiffani of Alamosa, Colo.

Also, Mr. and Mrs. Ron Dunnaway and Tarrona and Mr. and Mrs. J.A. Davis all of Lubbock; Mr. and Mrs. Tom McGowen and Jennifer and Karl of Borger, Helen Green and Mrs. Maggie Green, both of

Library Slates Film Features For This Week

The lion family made famous by the movie "Born Free" will be featured in a special film presentation at Deaf Smith County Library at 4 p.m. Friday.

Another film entitled "I Am Joe's Heart" will be shown by the American Heart Association at 7:30 p.m. Monday. Dr. Duffy McBryer will follow the program with a summary and will be available to answer questions from the audience.

Both films are shown free to the public and local residents are urged to attend. The activities will take place in the library's Heritage Room.

TOURNAMENT CANCELLED

The "42" tournament, sponsored by Easter Lions Club, has been cancelled. The event was originally scheduled Friday at Easter community building.

Others, Mr. and Mrs. Wayne Wallace of Clovis, N.M., Ethelyn Grady of Clarendon and Mrs. Dan Harvey of Austin.

Did you know that a handful of salt added to rinse water will prevent clothes from sticking or freezing to the clothesline?

DE Student Of The Week

Donna Tice, daughter of Mrs. Virginia Mongold of 709 Irving, has been chosen as Distributive Education student of the week. The Hereford High School senior is employed as a sales clerk in the infant department at Anthony's in Sugarland Mall. She is shown with her supervisor, Phil Guerrero, store manager.

Janette Schlabs Honored Sunday

Miss Janette Schlabs was honored with a bridal shower Sunday evening in the home of Mrs. Matt Jesko, 205 Western. Miss Schlabs and Phillip Carnahan will exchange wedding vows Friday evening in St. Anthony's Catholic Church.

Receiving guests with the honoree were her mother, Mrs. Charles Schlabs, and her grandmothers, Mrs. F.J. Knabe and Mrs. A.G. Schlabs, the prospective bridegroom's mother, Mrs. Tommy Carnahan and Mrs. Jesko.

Members of the receiving line were presented corsages of white carnations and violet statics with violet ribbons.

The bride-elect's sisters, Susan Schlabs and Mrs. John Williams of Boise City, Okla., served punch, coffee and petit cakes and the honoree's cousin, Sharon Straffuss, invited guests to the registry table.

The refreshment table covered with a sheer ivory cloth and

orchid underlay, was centered with a floral arrangement of white carnations, violet statics and a violet candle on a pedestal.

Two white china doves flanked the centerpiece in which violet streamers were draped.

Hostesses for the evening included Mmes. W.E. Dameron, B.F. Cain, Joe Reinauer Sr., Ted Panciera, Clyde Rush, Herman Ford, Johnny Jesko.

Also, Mmes. J.W. Stengel, Gilbert Yosten, Norbert Skypala, Adolph Knabe, A.J. Urbanczyk, C.P. Urbanczyk, Lester Wagner, Leaton Noyes, Sam Mazurek.

Others, Mmes. E.C. Reinauer, Dennis Lomas, Arthur Blackburn, Dean Allen, Marcus Hoelscher, Henry Kuper, Ivan Block and Delmo Williams.

Fashion

Empire style dresses for evening seem to be in the news for the coming season. Many are shown with straps over the shoulders and free flowing skirts of soft materials.

The short dress for social evening affairs is back in style. The wearer may take her choice—short or long—unless the occasion is very formal. In that case the long dress should be preferred.

Acta buyers advised to cut down on the frills.

MRS. BUD KELLEY
...receives plaque from Steve Louder

Mrs. Kelley Cited At YHT Banquet

Two members of Hereford Chapter, Young Homemakers of Texas, were distinguished during the club's annual awards banquet Saturday evening in Caison Steak House.

Mrs. Bud Kelley was presented an award as Outstanding Homemaker of the Year by Steve Louder, Deaf Smith Electric Co-op representative.

Also receiving recognition was Mrs. Ronald Rayburn, who accepted a plaque from Jake Webb, manager of Southwestern Public Service, for distinguished service.

Special presentations were given to past YHT presidents by Mrs. Larry Alley, receiving bronze Bicentennial coins

Mmes. Jim Culpepper, Barbara Weatherford, Connie Urban-czyk, Kelley and Rayburn.

A chapter gift was also presented by Mrs. Alley to the group's advisor, Mrs. M.T. Burelsmith.

"Who's Under Your Hat" was the program given by Rita Welch of Dimmitt. She portrayed exaggerated club personalities with comical hats.

Mrs. Culpepper delivered the invocation.

Noted guests included the chapter's little sister, Ann Zetsche, Brett Hicks and Mr. and Mrs. Pat Hughes.

A fall motif was conveyed in decorations.

FAITH WILL REVEAL THE JOY OF FORGIVENESS

If you are burdened with a feeling of resentment against someone who has wronged you in the past, you are bringing far more unhappiness to yourself than to the person whose action you resent. The Bible tells us to love one another; and to love is to forgive, no matter how serious the offense. If the Son of God, whose teachings you follow, was able to forgive those who had subjected Him to the most heinous crime in all history, you can forgive someone a far lesser offense. Go to your Church and learn how love brings peace and happiness, while resentment can cause only misery to yourself and those around you.

"And when ye stand praying, forgive, if ye have ought against any; that your Father also which is in heaven may forgive your trespasses."
— Mark 11:25

To err is human, to forgive divine.

PART OF the beauty and significance of a holiday is the tradition surrounding it, particularly during the Yuletide season. Expectation is more than half of the joy of the impending celebration.

Project Christmas Card has become something of a tradition locally as the event rolls toward its 20th year. Staged annually by the community's medical auxiliary, the program collects funds as a benefit to the local hospital. This year's proceeds will help defray cost of a complex life-support mechanism, to be purchased for Deaf Smith General Hospital.

Project Christmas Card is just what the name implies: an individual (or family) contributes the money set aside for the purchase of Christmas cards and donates that amount to the PCC fund. Then their Christmas sentiments are expressed in a full page "card" which will appear in The Brand's special Christmas edition.

Money can be deposited at either bank (be sure to give your name so that it can appear in the Christmas issue) or give your contributions at one of the various canisters around town. Donations can be made after the Thanksgiving holidays and it is asked that residents cooperate by getting their gifts in as soon as possible.

Co-chairmen of Project Christmas Card are Mrs. Millard Nobles and Mrs. Clyde Rush.

Besides saying a special "Merry Christmas!" at this touching time of the year, you'll be chipping in for a "Happy New Year." And that's a good way to start your New Year's resolutions.

S&S

RENEWED LAST YEAR for the first time in 20 years, the Christmas lighting contest sponsored by the Chamber of Commerce Women evokes anticipation each year.

It's certainly not too late to be blueprinting your plans for the "holly-day" decor, particularly if you're aiming for the grand prize of \$50 for overall appearance. Twenty dollar bills will be awarded to entrants with the best window and the best doorway motifs. The prettiest neighborhood (at least four homes) will win \$10.

Mrs. Travis McPherson, chairman of the beautification committee, stated that entry deadline is Dec. 16 and registration forms are available at the Chamber office.

S&S

ANOTHER ACTIVITY being rounded-out this month by the Chamber Women is selection of the outstanding C of C Woman of the Year, who will be named in January. Several Women's Division members have not submitted their nominees yet and the final day to do so is Dec. 1.

It is stressed however that nominations may be made by any individual, including those who are not members of the Chamber. But the nominee must have been active in the Women's Division this year.

THREE ALUMNI of Hereford High School were recently inducted into Alpha Chi Honor Society at West Texas State University.

Miss Donna Grady, daughter of Mr. and Mrs. Nolan Grady of 116 Ave. J, is a junior student with a major in elementary education. Miss Grady is a 1973 grad of HHS.

One of her fellow classmates who received Alpha Chi membership is Kevin Evans, the son of Mr. and Mrs. Buddie Evans, who reside on Kingwood. He also is a junior.

Mrs. Phillip Sciombato of 101 Hiebach is a WTSU senior added to the coeducational society. She graduated from

high school in 1969 and is the daughter of Mr. and Mrs. Wesley Fisher, 116 Centre.

Membership in the society is restricted to college juniors and seniors who are ranked in the top 10 per cent of their classes. It is not limited to students in a particular field of study but embraces all youth of good character with outstanding scholastic records.

S&S

THE SCIOMBATO COUPLE are just one of several local families who recently moved into a different inside this community. Mrs. Jim McDowell was having trouble remembering exactly where her new home is located on Pecan.

Mr. and Mrs. Tom Simons have moved into the home formerly owned by the Dwight McGees, who are situated on Pecan. The latter couple were surprised with a housewarming party Friday evening.

The Waldo Baxters were initiated into their new residence on Elm Wednesday night when friends brought refreshments and a money tree to the recently built home.

Salted pecans for the Thanksgiving party may be prepared at home. Melt two tablespoons of butter, margarine or salad oil in a heavy skillet over low heat. Then add one cup shelled pecans and stir until hot. Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System, suggests.

Study seed catalogs now and draw planting bed plans.

If you're planning to mail Christmas packages, wet the cord thoroughly before tying up packages. It will tighten as it dries.

VOE Student

Selected as Vocational Office Education student of the week is Debbie Moore, senior student at Hereford High School. The daughter of Mr. and Mrs. S.L. Moore of Route 4, Debbie is employed as a general office clerk at Deaf Smith County Chamber of Commerce. She is pictured with her supervisor, Bill Albright, executive vice president of C of C.

Wedding Anniversary To Be Observed Friday

Mr. and Mrs. Henry Jackson of 105 Ave. E. will observe their 54th wedding anniversary Friday.

Hettie Coley married Jackson in 1921 at Holbert, Okla. They came to Deaf Smith County in 1952 from Eric, Okla. Jackson has been an employee at Big T. Pump Co. for approximately 20 years.

The couple have eight children. They include five sons.

Holiday Programs Planned By Council

Extension service programs focusing on the impending holiday season were discussed by Home Demonstration delegates during the monthly council meeting Monday at the courthouse.

Mrs. E.C. Hewitt Jr. announced that recipes for the Dec. 8 Christmas Tasting Bee should be submitted by Nov. 27. Dishes made from these recipes will be sampled at the Christmas party.

Also, HD members are invited to a Festive Foods program to begin at 2 p.m. today in Pioneer Natural Gas Flame Room.

A Panhandle Economics Program will be held in the Villa Inn in Amarillo Dec. 2. Registration is scheduled from 8:30-9:30 a.m. and the cost is \$5 per person.

Projects being conducted by various county HD clubs were summarized in reports from respective chapter presidents. In addition to this, the delegates announced that HD women had unanimously approved recom-

mendations for Council committees.

"Never Put Off What You Can Do Today" was the advice given during the opening exercise, led by representatives from North Hereford HD Club. Approximately 25 Council members were in attendance.

INSUR-MATION

Why do some insurance policies pay dividends? Which ones do?

Life insurance policies are either participating or non-participating. Participating policies pay dividends. The premium is set at a slight higher amount than is expected will be necessary. Each year the excess is returned to you as a dividend. Dividends vary, depending on what the company's costs and profits were. You may use this money to pay towards next year's premium, take the money in cash or buy more coverage. The dividend may also be left with the company to accumulate interest. Non-participating policies cost an exact amount and are cheaper at the onset. However, if you feel dividends will be high, participating policies may be cheaper by giving you "investment money" or extra money at the end of the year.

If you are not covered by a pension plan where you work, First National of Hereford has good news for you.

Now you may accumulate taxfree dollars for your retirement years providing you are not currently covered by a group pension plan at your place of employment.

The new government-approved plan is called the Individual Retirement Account (IRA) and here's how it works:

- The government now allows you to set aside 15 per cent of your gross annual income-up to \$1,500-for the purpose of building retirement income.
- You can claim this yearly investment as an income tax deduction.
- You can defer all taxes on this investment until funds are withdrawn at your retirement.

Taking advantage of IRA through First National Bank of

Hereford Retirement Plan means we will act as custodian for your funds and invest them in the highest paying consumer savings plan available to us.

Because of the tax advantage of an IRA, your retirement fund will grow nearly twice as fast as a savings plan you could have on your own.

These are the advantages of planning your retirement with IRA. And if you qualify, or even think you might because of your particular employment circumstances, you owe it to yourself to find out more about the plan.

The First National Bank of Hereford can help you make the most of IRA and your retirement years. All you have to do to get started in the right direction is see us now.

Romance, Suspense Portrayed In Book

"Lord Of The Far Island" by Victoria Holt and "Tiger Roan" by Glenn Balch are the two books being featured this week at Deaf Smith County Library.

"Lord Of The Far Island" is a tale of romance, suspense and terror set in turn of the century London and the sea isles of Cornwall.

"Tiger Roan" is a story for all who have known love for a good horse and is filled with the excitement and flavor of the great west.

The library is open free to the public from 9 a.m.-9 p.m. Monday and Thursday; from 9 a.m.-6 p.m. other weekdays and until noon Saturday.

LORD OF THE FAR ISLAND by Victoria Holt

She was the most despised of creatures, a poor relation. Ellen Kellaway, orphaned at five, had been taken in by wealthy cousins, raised as a companion to their daughter, never once allowed to forget that her every advantage was owed to the charity of others.

But her life of deference and a submission was changed utterly when the son of a powerful London family asked for her hand in marriage and opened up to her a world of untold wealth and social position. It was a fantasy and more wonderful than any she had ever dared dream.

Why then did a presentiment of doom return again and again to haunt her? What was the meaning of the lifelong nightmare which had so often troubled her sleep—the image of an unfamiliar room, always the same in every detail, a door opening, and behind it, waiting unseen, a dreadful presence.

Perhaps it was a warning of the tragedy so soon to follow. Or perhaps it was a message sending her to discover, for the first time, the secrets of her long-lost family—the secrets of the ancient home of the Kellaways on the Far Island, off

the wild coast of Cornwall. There she would find a past more powerful and alive than the present was. It drew her deeper and deeper each moment into its dark mystery. There would she find the proud and arrogant Jago Kellaway.

Born in a wild bunch in the high Uinta country, Tiger Roan became in turn a trusted saddle horse and a rodeo terror. He was a horse of strong instincts, sharp intelligence and bold spirits, and he served man nobly or fought him fiercely.

He returned evil for evil and multiplied it with all the strength of his magnificent

body; but, as well as hate, he knew affection and confidence. This is his story, from the time he was a fuzzy colt tagging after his mother until the day he became a "man killer" in the arena.

Glenn Balch is a Western writer who in his many successful books has shown a penetrating insight into the life

of which he writes. Glenn Balch's horses live in the pages of his books; indeed, many of them are real animals that he himself has owned and ridden.

In this story, he skillfully shows what goes into the making of an outlaw and, much more difficult, how to make an outlaw into a trustworthy and dependable mount.

Employed Mothers Have Expense

A mother's work outside the home can cost money—leaving only part of her paycheck for added family income. Mrs. Linda McCormack, a family resource management specialist, says.

If financial need is the major reason for a mother working outside the home, she should first consider her actual dollar contribution—after all employment costs are subtracted.

Mrs. McCormack is with the Texas Agricultural Extension Service, The Texas A&M University System.

The cost of outside employment may include these expenses:

- Child care: babysitter, nursery school or day care center.
- Transportation: family car, public transportation, a carpool.
- Clothing: new, special uniforms, cleaning and upkeep.
- Food away from home: restaurant, cafeteria, brown bag lunch; coffee breaks.
- Food at home: more convenience-type items.
- Hired help at home: cleaning, laundry.

—Office gifts: contributions, special group lunches or outings.

—Dues: unions; professional or business organizations.

—Extra training: courses to brush up on skills or knowledge.

"Also, payroll deductions for federal income taxes, social security pension or other retirement funds, and other insurance fees have to be considered," Mrs. McCormack noted.

AMERICAN FARMER

American Farmer

Alpha Trivette (left) National President of the Future Farmers of America presents the American Farmer Degree to David Hutchins of Hereford. The American Farmer Degree is the highest degree of membership in the FFA. It was presented to 703 FFA members during the 48th National FFA Convention held in Kansas City, Missouri, November 11-14.

Hutchins Receives FFA Degree

David Hutchins of Hereford received the American Farmer Degree Nov. 13 at special ceremonies held during the 48th National Convention of the Future Farmers of America, in Kansas City, Mo. He was one of 703 FFA members selected to receive the American Farmer Degree, he joins a select group representing about one per cent of all FFA members.

Hutchins is the son of Mr. and Mrs. David H. Hutchins of Hereford and is a student at Texas Tech University.

The American Farmer Degree is presented only by the National Organization of the Future Farmers of America to members who have demonstrated exceptional agricultural and leadership ability. State FFA Associations are permitted to submit candidates for the American Farmer Degree based on total FFA membership in the state. The 703 members awarded the American Farmer Degree represent the highest achievement of more than 485,000 FFA members now enrolled in the nation's 7,838 high school vocational agriculture departments.

FFA members begin as "Greenhands" and after one year of membership may be advanced by the local chapter to the degree of "Chapter Farmer". The third degree, that of "State Farmer", is presented by the State FFA Association and is limited to no more than two per cent of the State's FFA membership in any one year. Only students who have earned the State Farmer Degree are eligible for the American Farmer Degree.

In addition to having earned the State Farmer Degree, candidates for the American Farmer Degree must have been active members of the FFA continuously for at least three years. They must have a record

of participation in local and state instruction offered in their high school. American Farmer applicants must have earned at least \$1,000 by their own efforts through their occupational experience program and must have their earnings productively invested or deposited in a bank.

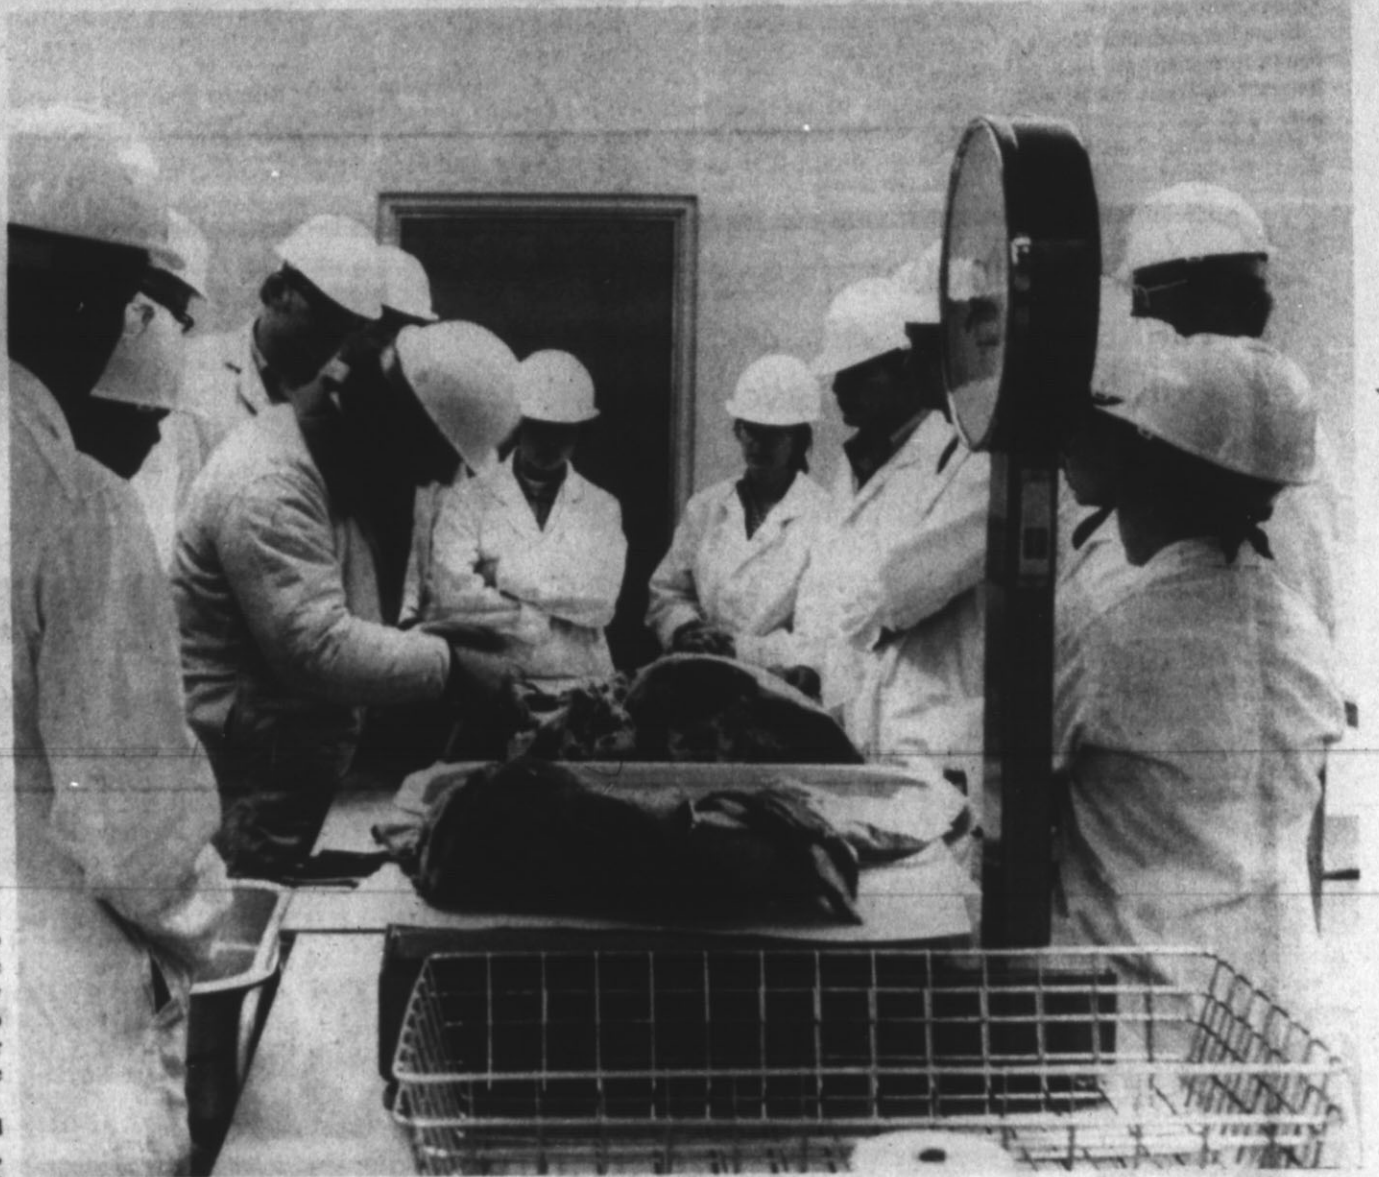

Finally, the American Farmer candidates must have demonstrated outstanding ability through their leadership and cooperation in student, chapter, and community activities.

Each American Farmer Degree recipient is presented a gold key and certificate by the

Future Farmers of America. Recipients who attended the Convention are presented a check from the Future Farmers of America Foundation to help pay their travel expenses.

The National FFA Convention is an annual event of the Future Farmers of America and is

carried out in cooperation with the U.S. Office of Education, of the Department of Health, Education, and Welfare. This year over 17,000 FFA members, vocational agriculture teachers, parents, and guests took part in the 48th National FFA Convention.

Meaty Discussion

WTSU students participate in a lab session in the university's new meat lab which is scheduled to open Friday. It is an addition to the Applied

Sciences Building and contains more than \$20,000 worth of meat processing equipment.

WTSU's New Meat Lab To Debut At Open House This Friday

West Texas State University's new Meat Lab will open its doors to the public for an open house from 1 to 4:30 p.m. Friday, Nov. 21. A special program for the media is planned from 10:30 a.m. until noon.

The Meat Lab is a \$112,000 addition to the Applied Sciences Building on the north part of the WTSU campus. Its 3,000 square feet contains more than \$20,000 worth of meat processing equipment. A federally-inspected facility, it yearly will process 7 to 8,000 pounds of meat, according to Dr. Ted Montgomery, associate professor of animal science in charge of the

lab. The meat is being currently offered for sale to WT faculty and staff.

The lab includes a receiving area, a holding cooler, a large cutting room, a laboratory room for tenderness and sensory panel evaluation of meat products, a fully-automated smoke room, a walk-in freezer

and office and storage areas. It will be used primarily for undergraduate and graduate instruction in meat science. WT already offers four courses in meat science and plans to broaden its curricula to meet the needs of the area meat processors.

"We are in the process of designing specific courses for the special needs of the industry, especially for the area meat processors who need a way to train their personnel in the more technical aspects of meat science," says Dr. John McNeill head of WT's Animal Science Department.

Ongoing meat science courses at WT are Meat Grading and Selection, Meat Science, Meat Science and Technology and Advances in Meat Science.

Students work with beef, pork and lamb carcasses in these classes.

"The meat science courses will strengthen our overall animal science program," McNeill observes. "The students graduating in animal science need a knowledge of basic meat science because the end product of most livestock production is in the meat trade."

Whale's Scarcity May Give Rise To New Crops

Who'd ever think a whale could make a difference in what kind of crops farmers grow?

Farfetched as it sounds, the sperm whale could turn out to be the father of some new crops in this country.

Since the federal government placed the sperm whale on the endangered species list in 1971 and banned imports of its products, scientists have been trying to come up with a substitute for the oil which once was used in everything from cosmetics to automatic car transmissions. Oil stockpiles accumulated before the law took effect are expected to run out in about two more years.

Agricultural scientists are giving close study to three oil-seed plants that may yield suitable substitutes for sperm oil, and provide farmers with profitable new crops.

One of the most promising is crumbe, an annual that's native to the Mediterranean and Africa. Field research at Purdue University indicates the

plant might actually be better suited to Indiana's climate and soil conditions than corn or soybeans, now the state's main crops.

Another annual being given close scientific scrutiny is Limnanthes or "meadowfoam." Native to northern California and southern Oregon, it contains a unique vegetable oil that can be chemically converted into a liquid wax ester similar to that of sperm whale oil.

The third possibility is jojoba, which grows wild in the semi-arid regions of California and Arizona. Because it takes five years to reach maturity, U.S. agricultural scientists feel jojoba has the least potential although its liquid wax ester is almost identical to sperm oil.

While much research remains to be done, scientists think there's good potential that at least one or more of the three plants will reach new crop status in the future.

Mahon To Speak At Dedication

Congressman George Mahon of the 19th Congressional District will deliver the official dedication speech at the grand opening and dedication of newly expanded fertilizer facilities at the Dimmitt Western Ammonia plant Saturday.

The dedication ceremony is scheduled for 1 p.m. and local, state and national figures are expected to attend.

Gov. Briscoe To Address Farm Bureau Convention

Dr. Thomason Seeks To Improve Wheat Protein

Dr. Ron Thomason, professor of plant science at West Texas State University, is working on a research project to try to improve the quality and quantity of proteins in wheat.

Dr. Thomason has been working on his project since 1971 and he will not complete it for another four or five years.

"Wheat is grown on the largest acreage in the world," Dr. Thomason said. "Protein is the most limiting nutritional factor in the world today."

Various aspects of the project include genetic improvement of grain protein through plant breeding and improvement by the use of nitrogen fertilizers.

In 1971 Dr. Thomason made approximately 100 crosses with high protein lines of wheat from Kansas and Nebraska. Each year selections are made based on protein content and other agronomic traits. Selections are made on types most adaptable to the High Plains region.

Experiments are now in the fourth generation and will not be completed until the twelfth or fourteenth generation, he said.

Experimental wheat lines are grown at the Southwestern Great Plains Research Center in Bushland, the WTSU Nance

Ranch and the High Plains Research Center in Plainview.

"We want to increase protein content and maintain good yields for the region," Dr. Thomason explained.

Billy Warrick, Canyon graduate student, is conducting research on the effects of nitrogen fertilizer on the increase of protein in wheat. Dr. Thomason is assisting Warrick.

He applies different rates of fertilizer at different stages of growth to determine increases in the protein. The problem,

Valley Citrus Growers Predict Plentiful, High Quality Harvest

AUSTIN—It's looking like a good year for Texas citrus.

Rio Grande Valley citrus growers are expecting to harvest the highest quality crop in several years and the 1975-76 crop is forecast to be 33 percent larger than last year's crop.

"Fruit is coloring well because of unseasonably cool September and October nights and the trees are in excellent condition due to

Dr. Thomason said, is how much fertilizer to apply and the best time of application to increase the protein content of grain.

Nitrogen is essential to the production of protein and nitrogen fertilizer is commonly used, Dr. Thomason said.

Warrick and Thomason plan to finish the project in four months and will publish the results in a journal. The project is funded by a \$2,000 grant from Organized Research at WTSU and facilities are furnished by the Kilgore Research Center.

abundant rain during August and September," Agriculture Commissioner John C. White said.

Grapefruit production is expected to total 10 million boxes, an increase of 37 percent over last year.

Production of all oranges is forecast at 5.6 million boxes, 28 percent more than the 1974-75 harvest.

Some 1,500 persons, including more than 1,000 voting delegates, are expected to attend the 42nd annual meeting of the Texas Farm Bureau at the Convention Center in San Antonio Nov. 30-Dec. 3.

Highlighting the convention will be an address by Gov. Dolph Briscoe at the general session on Monday morning, Dec. 1. TFB President Carrol Chaloupka of Dalhart will also speak at the session.

Policies to guide the state's largest general farm organization next year and recommendations on national policies will be adopted during the final two days of the meeting. Election of directors and president will be

the final order of business.

The Texas Farm Bureau has 180,470 member families in 210 organized county Farm Bureaus. The number of voting delegates from a county is based on the total number of members in that county.

The convention will get under way with registration beginning at 2 p.m., Sunday, Nov. 30 in the Convention Theater Lobby.

The Vesper Service, which traditionally opens to the TFB annual meeting, will be held at 6 p.m. that day, featuring the Providence High School Choral Group from San Antonio. Speaker will be Rev. Delmas L. Luedke, pastor of Hope

Lutheran Church in San Antonio. He was recently named Texas' 1975 "Rural Minister of the Year."

District finalists will compete in a state Discussion Meet that evening with the winner representing Texas at the annual meeting of the American Farm Bureau Federation in January in St. Louis.

The state finals of the TFB Talent Find will be held immediately following the Discussion Meet. A representative from this competition will be selected to perform at the national meeting in St. Louis.

The Monday morning general session, which features speeches by the Governor and the TFB president, will also include a report by Reed Lang of Rio

Hondo, TFB secretary-treasurer.

The First Lady of Texas, Mrs. Janey S. Briscoe, will speak at a ladies luncheon on Monday at the Hilton Palacio del Rio Hotel.

Seven special conferences are scheduled for 1 p.m., Monday. These include Livestock and Animal Health, Community Services, Cotton, Poultry, Wheat and Feed Grains, Rice, and Farm Bureau services.

Conferences slated for 3:30 p.m. that day are Field Crops, Research and Education, Farm Labor, Young Farmers and Ranchers, Natural Resources, and Dairy.

The annual Queen Contest, with 12 district winners competing for the state crown, will be held at 7 p.m.

Tuesday morning activities will begin with district caucuses at 8:15 a.m. and the convening of business session at 10 a.m. It will continue through the remainder of the day.

The Awards and Recognition Program will be held at 7 p.m., Tuesday, and will be followed by the annual dance.

The business session will reconvene at 9 a.m. on Wednesday and will continue until all proposed resolutions have been disposed of. Final order of business will be election of directors from odd-numbered districts and the president. Following adjournment, the TFB Board of Directors will meet to select a vice president and secretary-treasurer.

Americans Eating More Turkey Now

The American consumer is buying and eating more turkey now than ever before.

"Turkey currently ranks fourth among the major meat protein sources in the average American diet, and per capita consumption now stands at about nine pounds annually," Dr. Phillip Cazier, deputy director of the Division of Veterinary Medical Review, Food and Drug Administration, told participants at the Texas Turkey Industry Day here recently.

Cazier, who is headquartered at Rockville, Maryland, said that the technological advances in turkey production have resulted from research and particularly the addition of medication of turkey feeds. While it is easier to grow birds on less feed now, Cazier said that producers have the burden of responsibility to grow wholesome meat for consumers by following all label directions concerning use of medicated feeds and care of equipment used in feeding.

Quality control in feed production was stressed by Dr. Herbert J. Eoff, animal nutritionist with Hoffman-LaRoche in Nutley, New Jersey. He urged producers to monitor their total operations at regular intervals, with improved feeding efficiency and overall health as goals.

Dr. William T. Derieux, livestock-poultry health department member at Clemson University, discussed his success in using a live cholera culture to help control the problem of fowl cholera.

Gus Gage of Cuero, chairman of the Texas Turkey Producers Board, welcomed participants.

Mr. Farmer:

When buying or selling farm and ranch lands, your selection of a realtor is of supreme importance. Why not choose a fellow farmer who is also a realtor to help you? If your realtor does not understand well logs, underground line sizes and types water tables, investment credit, repair costs fuel costs, irrigation horsepower requirements, friction loss, soil maps, insurance rates, tax matters, and detailed production cost figures, then you may have the wrong realtor. Let us serve you. We understand farmers and farming.

For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

Our rates are reasonable. You can include freight, installation, pump...

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

HHS Students Tour Campus

Texas State Technical Institute was invaded by 37 senior students from Hereford High. Touring the students around campus was Virginia Dudley and Ann Lamb. Five different departments were visited by the students. These were: interior design, automotive, auto-body repair, business, saddle and tack making, and belt and boot making. The students were informed on financial aid, housing plans, and job vacancies.
The students also visited Amarillo College of Vocational

the students were informed that these were two year programs and an Associate degree could be obtained. The students were also informed about night classes and other means of getting a degree through Amarillo College.
Phil Barefield, senior counselor was responsible for the trip and toured with the students.

Dr. Hartley's stag Thanksgiving

It's a stag Thanksgiving for Bob Hartley when Emily flies off to join a family reunion, leaving Bob to give the bird to all his male buddies. In "The Bob Newhart Show," Saturday, Nov. 22 (8:30-9:00 p.m.), on the CBS Television Network, Jim Burrows directed from a script by Bruce Kame.

Emily isn't too happy about going alone, but Bob convinces her that a psychologist owes something to his patients—to be available to them when needed. And it's Mr. Carlin who says he needs Bob, especially on Thanksgiving. Jerry Robinson and Howard round out the party when they join the doctor and his patient for a "Chinese" Thanksgiving sprinkled liberally with bottles of "good cheer" and generous amounts of weird nostalgia.

The life of the screen's greatest lover, Valentino

"The Legend of Valentino," a romantic drama based on the life and the myth of Rudolph Valentino, the screen's first and most famous male sex symbol, will be presented on "The ABC Night Movie," Nov. 23 (8:00-10:00 p.m.).

Suzanne Pleshette, in a dramatic departure from her familiar role on "The Bob Newhart Show," stars as June Mathis, the woman who discovered Valentino.

European film star Franco Nero makes his American TV debut in the title role. Judd Hirsch, Lesley Warren and Milton Berle also star with Yvette Mimieux as the special guest star.

"The Legend of Valentino" began in 1920 when screenwriter June Mathis (Miss Pleshette) discovered a struggling Italian immigrant and saw potential in him as an actor. With the help of a press agent, Jake Auerbach (Hirsch), and Miss Mathis, Rudolph (Nero) became Rudolph Valentino. The screen's number one remake sensation. But fame, a disastrous marriage to Natacha Rambova (Miss Mimieux) and the pressures of his image began to take their toll. Within a few years, Valentino was a sick and broken man.

The Six Million Dollar Man

Steve Austin becomes embroiled with moonshiners when two federal agents are mysteriously killed by "snake bites" on the ABC Television Network's "The Six Million Dollar Man," Sunday, Nov. 23 (7:00-8:00 p.m.).

In "The White Lightning War," Steve travels to a small Georgia town where he finds Bo Willis running a distillery, with Sheriff Weems in on the take. He also learns that the network of payoffs includes Charles Quinton, high-powered lawyer representing factions all the way to Washington. Steve's only ally is a young woman, Middy, whose husband was also killed by "snake bite" and whose store has been confiscated by Willis.

Lee Majors stars as Steve Austin and Richard Anderson as Oscar Goldman. Austin Stoker guest stars as Charles Quinton, Ben Hammer as Bo Willis, Hugh Gillin as Sheriff Weems, Robert Donner as Kermit, Katherine Heimerd as Middy and Randy Kirby as Johnny. Phil Bondell directed the teleplay by Wilton Denmark.
