## Three Accidents Cause Injuries, Heavy Damage

Three accidents during the past five days resulted in a total estimated damage of \$3,050 to the seven cars involved, and sent one person to the Deaf Smith County Hospital suffering a broken knee and a head laceration.

Frances Sowell, 60, was taken to the county hospital Tuesday following an accident which occurred on East Third St. about 3 p.m. She was listed in satisfactory condition late Wednesday.

The accident in which she was involved occurred when the 1954 Chevrolet she was driving was struck by a 1969 Chevrolet driven by Miguel Castro. Mrs. Sowell was traveling west on Third St. when the car driven by Castro failed to stop at the intersection of Third and McKinley and collided with the Sowell vehicle.

Upon impact, Castro's vehicle skidded across the intersection and collided with a 1969 Chevrolet which was owned by John McCracken and parked at Carl McCaslin Lumber Company.

Damage to the Sowell vehicle was estimated at \$400 and to the Castro vehicle, \$800 and to the McCracken vehicle, \$800.

In an accident Monday afternoon, a 1964 International pickup driven by James Hudson sustained an estimated \$100 damage and a 1959 Oldsmobile, driven by Galand Schmer, received an estimated \$150 damage.

This accident occurred when

one of the vehicles, traveling north on Blevins, stopped to let a passenger out and as struck in the rear by the other vehicle.

A citation was issued for failing to give a stop signal.

An accident which occurred last Saturday on Dairy Road about 9 a.m. caused an estimated \$800 damage to the two vehicles involved.

The 1965 Chevrolet driven by Felix Mungia received an estimated \$500 damage while the GMC pickup driven by Lillie Hearn sustained an estimated \$300 damage.

The accident occurred when one of the vehicles was traveling west on Dairy Road and the other vehicle, which was traveling east, attempted to negotiate a left turn and turned into the path of the westbound vehicle.

Investigating officers issued a citation for negligent collision by improper observation while turning left.

## Seminar To Be Presented

A seminar sponsored for public information by the Hereford Peace Officers Association and the Deaf Smith County Council on Alcoholism will be held at 7:30 p. m. Thursday in the Community Center with the main topic discussion concerning "Alcoholism and the Law."

Texas Commission on Alcoholism is providing one of their Field Representatives, S. E. Stout to lead the seminar. Assisting him in the program will be Rev. Fred Howard and Kervin Roper, president of the Hereford Peace Officers Association.

Other features of the program include a presentation of a film titled, "The Mask."

Admission is free and the public is invited to attend.

## Plainview Rites For Ex-Resident

Funeral services for Mrs. Ethel Riddle, a resident of Heritage Home of Plainview and formerly of Hereford, will be held at 2 p. m. today at the Nazarene Church at Plainview. Burial will be in Fayetteville, Ark.

Mrs. Riddle died at the Heritage Home at 10 p. m. Tuesday.

She was born at Collin County, Tex. in 1889, and lived at Hereford from 1903 to 1968.

Hereford survivors include two nephews, Walter London Jr. and Baxter London; and a niece, Ruth London.

**COSTLY WRECKS** — Accidents during the week here in Hereford caused a considerable amount of damage, totaling well over \$3,000. ## Four Whitefaces Named All District

By JERRY ODOM  
Staff Writer

High school football for the fall of 1969 is rapidly drawing to a close as the top teams are being eliminated each week in the playoffs for the state championship. Also around this time grid standouts for the season are selected as all-district members.

Four members of the Hereford Whiteface squad were selected as first string members of district 1-AAA all-district team. Selections were made at the district meeting held in Amarillo on Wednesday, Nov. 26, by district coaches.

Judging the boys for the award were six representatives from each team in the district. They are, of course, Canyon, Dumas, Hereford, Perryton, Tullia, and Muleshoe.

Mark (Woody) Woodward was the sole recipient of the Whitefaces for number one honors on offense. Specializing at the flanker position Woodward was on the receiving end of ten passes which netted him 201 yards and a touchdown.

## VFW Banquet Plans Changed

A change has been made by VFW officials in charge of the Voice of Democracy banquet, the event during which student winners of the annual "Freedom's Challenge" essay contest are announced.

The banquet, originally was to be held on December 8, at 7 p.m. in the Chaparral Restaurant, but new plans schedule the event for December 15, at 7 p.m. in Jones Restaurant located west on Highway 80.

Winning first, second and third place essays will be read at the banquet and awards to the students will be presented.

VFW officials report the public is cordially invited to attend the event honoring these students. Plates will be \$1.75 and arrangements for reservations may be made by calling Mrs. Wayne Driskill at 364-3283 or by contacting teachers who have aided in carrying out this year's program, they include Mrs. Bill Thompson, Mrs. Chas Bell or Mal Manchey.

## Lion Clubs To Aid Girlstown

The Hereford Lions Clubs are encouraging their members to give to Girlstown this year for Christmas, according to president of the noon club, A. J. "Major" Schroeter.

It is the goal of the clubs to raise \$25 for each girl residing at Girlstown in order that they might purchase needed items of wardrobe.

One of the Hereford clubs is a monthly donor to Girlstown, but in keeping with the Christmas spirit, it is their goal to raise the additional amounts, according to officials of the two clubs.

Donations may be made by making checks payable to Hereford Lion Clubs and give or mail directly to Ray Barber or Schroeter, presidents, respectively of the Hereford Evening Lions and the Hereford Noon Lions.

If donors choose to give directly to Girlstown, the address is Girlstown, U. S. A. Box 5566, Amarillo, Tex. 79107.

## Newcomer Dance Cancelled

The Newcomer's Club Benefit Dance, scheduled Saturday Night at the Jim Hill Hotel, has been cancelled due to the death of Fred Schmidt, the husband of an active member in the club.

Money for all tickets that have been sold will be refunded.

## Council Discusses Zoning, Annexation

Approval and rejection of zoning and annexation items headlined the regular Monday night meeting of the city commissioners, in a meeting which saw the council handle four such items. A zoning and annexation petition presented the commission by Bob Pugh was considered by the commissioners. The petition asked for the annexation of Tract No. 1, Block 26 and 27 of the Welsh Addition, north of Moreman St., west of Frank Ford's residence and west of Suburban Heights.

## Police Officer Indicted On 2nd Assault Charge

Paul Ramirez, Hereford police officer, was indicted by a federal grand jury in Amarillo Tuesday on a second charge of beating a prisoner.

The charge stemmed from an alleged incident some three years ago when Ramirez was an officer with the Borger Police Department. He allegedly picked up an Elmer Leo Hilton, of Borger on charges of driving while intoxicated. It was reported that he beat, struck and assaulted the man, in the process of taking him to jail.

The incident occurred on May 11, 1967 and was dismissed shortly thereafter.

Ramirez had been indicted in Lubbock recently in connection with the alleged beating of a Hereford man in June of last year, and had been up for trial Tuesday when the second indictment had been returned against Ramirez, postponed the trial which had been set for Tuesday, and reset it for Jan. 14, 1970 in Amarillo.

Ramirez, who has been a member of the Hereford city police force for the past three years, was indicted by a Lubbock grand jury in late September. The indictment was returned after a member of the Amarillo branch of the Federal Bureau of Investigation investigated an incident in which a Hereford man was reportedly beaten by Ramirez.

The man, A. L. Weaver, alleged that on June 2, 1968, Ramirez, after taking him in custody

following an incident near the Red Onion Cafe, beat, struck and choked him at the booking room of the county jail.

Weaver had been taken to the county jail for booking following a disturbance call received by local law enforcement authorities. Officers from several of the local law enforcement agencies are summoned to the scene of a disturbance on Virginia St. and when they arrived, they found a large crowd standing outside the Red Onion Cafe. When police officers attempted to disperse the crowd, they reportedly became unruly, forcing the officers to call for additional help from other law enforcement offices.

Several persons, of which Weaver was one, were taken into custody by the officers and taken to the county jail for booking. It is there that the alleged beating incident occurred.

It was through the request of the Civil Rights Division of the United States Justice Department that the incident was investigated, over a year later.

The grand jury which heard the indictment cited that, while acting under the laws of Texas as a patrolman, Ramirez, "did willfully beat, strike choke and assault A. L. Weaver ... with the intent of punishing him summarily without due process of law and depriving him of rights secured and protected by the U. S. Constitution."

## Party Planned By Civil Air Patrol

Commanders officers and squadron members of the area Civil Air Patrol will meet at the Hereford Country Club for a celebration honoring the 28th anniversary of the organization.

Milton Adams, commander of the local C.A.P. and his squadron are hosting this year's event which has been scheduled for Saturday evening.

In honor of the group's 28 years of service to the state, Governor Preston Smith has declared this week as Civil Air Patrol Week in Texas.

The air operations promoted by individuals of the C.A.P. have been in existence since World War II, during which personell of the organization flew more than 24 million miles totaling over 500,000 hours of flight time, aiding in some 27 U-boat bombings and radio assistance.

Since then, the Air Patrol has trained competent stand-by pilots to instant search and rescue missions throughout the United States.

ar was fullback John Frank Martin who was hurt in the Phillips game.

"I think that there are several flaws in selecting certain boys as better than others. One of the main points is that a coach cannot vote for his own players. There are several players on our team that I think should have made all-district. For example Dearing and Timberlake were number one players. They only missed first string by one vote each and that was my vote which under the rules I had to give to someone else." Wart es

**Council . . .**

Continued from Page 1  
to have the resolution passed on is located in south Hereford near the new Tierra Blanca Elementary School.

Commissioners considered the proposal and granted the request.

The request by J. W. McMorris, tax consultant for Hereford, for an increase in pay was also approved by the city council.

McMorris has asked the city, school and county, who all pay a portion of his salary, to hike his present salary of \$4,500 to \$5,500 per year. Under the present arrangement, the city pays for 15.58 per cent of McMorris salary, the county 47.53 per cent and the school, 36.92 per cent. It was tentatively approved by both the other groups at their last meetings and the raise was awaiting the approval of the city commission.

The city's part of the raise would be \$155, boosting their part from \$700 to \$855.

In final action by the commission, they elected Armon Luderback to the Planning and Zoning Commission to replace Jack Allen who moved earlier this year.

said.  
"A head coach has to sometimes vote for other players as in this case when he hasn't seen them play but one or two times. Even if they did a good job against his team he isn't for sure how they did the entire season. The only knowledge he has is from various films and statistics.

Another thing is that a lot of boys don't receive any recognition that were as vital to the team as anyone. They're all football players in the same re-

spect.  
When we go into AAAA next year part of this trouble should be eliminated. The all-district selection duty will be distributed to different people. It will be on more of a so-called points system decided between the coaches, sports writers, and schools. It will be more of a three-way type thing.

My views are from a coach as it is to fans and players. It's a boy to the all-district team is not as important to me as it is to fans and players. It

really doesn't mean that much or determine his future to such a greater extent," Wart es explained.

The greatest number of top team members came from the district winner, Dumas. They had nine with the offense and defense combined.

Other first stringers besides the Whitefaces were center Steve Robinson, guards Ken Maples and Gene Dougherty from Dumas and Perryton, tackles Calvin Yarbrough and Terry Cawthen of Canyon and Dumas,

end Mickey Hartman-Dumas, quarterback Bobby Laughry-Dumas and backs Jerry Dickens and Gary Burks of Tullis and Dumas and Howie Lewis and Dave Irwin from Perryton and Canyon.

Defense raters were tackles Dougherty-Perryton, end Wyatt Stafford-Dumas, end Kelly Tinsley-Canyon, linebackers Lew is, Jerry McVickens, and Andy Hanson from Perryton, Dumas, and Canyon and secondary men Terry Cummins, and Steve Russell of Dumas and Canyon.

BRIDAL SHOWER HONOREE — Mrs. Teresa Larsen, shown center, was complimented by a bridal shower Monday evening in the home of Mrs. Howard Johnston, right. Left is Mrs. Lee Leatherman, her fiancée's mother.

### Mrs. Teresa Larsen Is Shower Honoree

The home of Mrs. Howard Johnston, 318 Centre, was the setting Monday evening for a bridal shower honoring Mrs. Teresa Larsen, January bride-elect of Bob Fuston of Friona.

Co-hostesses for the occasion were Mmes. Jerry Don George, Dale Barkley, Onis Carroll, Jimmy Roberts, M. H. Richie, Bob Spangler, Barbara Dryden, Ken Rogers, Jerry Don Glover, Bud Snyder and Ron Zimmer-

man. Guests were greeted by Mrs. Johnson and received by the honoree, and her fiancée's mother, Mrs. Lee Leatherman.

The service table was draped with white nylon over white satin, centered by a lovely arrangement of pink carnations fashioned like parasols, secured in a crystal cornucopia. The pink and white parasol motif was carried out in other table ac-

cessories. Pink punch and individual cakes decorated with tiny parasols were served from crystal and silver appointments by alternating hostesses. Guests were registered by Mrs. George. The honoree was assisted at the gift table, which was decorated with a large pink and white parasol, by Mrs. Spangler and Mrs. Snyder. For the evening the bride-elect chose a hot-pink and gray two piece trousseau frock with pink accessories. Her shoulder bouquet, and that presented to Mrs. Leatherman, were fashioned of white sweetheart roses and pink carnations.

### Evening Lions Meet Tuesday

**Walcott Cagers Split Decisions**

Walcott's Wildcats, male and female, split their games with the visiting Farwell teams Monday night, with the boys winning and the girls dropping their contest.

In the boy's game, the score was 20-17 at the half in favor of Farwell, but the Wildcats came back to tie the game up at 42-42 at the end of regulation play. In the regular three minute overtime, the Walcott boys managed four points to Farwell's none to win the game, 46-42.

For the girls, things were not so nice as the Farwell Girls, after leading by two points at the half, 14-12, pulled away from the host, Wildcats and won 31-24.

The next game for the Walcott cagers will be this week when they compete in the Bushland Tournament which begins today and runs through Saturday. The tournament, a round-robin affair, will have the Walcott cagers playing on all three days, with the girls' games to get underway each day at 5:30 p.m. and the boy's games to begin at 6:30 p.m. each day.

The next home game for the Wildcats will be Monday when they entertain the Vega crews.

**Breakfast Club Schedules Shoot**

**St. Thomas Episcopal Church Bazaar, Luncheon Set Saturday**

With Christmas and the holidays approaching, St. Thomas Episcopal Church has scheduled their annual Christmas Bazaar, featuring a salad luncheon, set for 10 a.m. to 4 p.m. Saturday at the church. The luncheon will be held from 11:30 a.m. to 2 p.m.

Mrs. George Masso and Mrs. Rudy Metz are in charge of luncheon arrangements and have prepared many new dishes, according to Mrs. Bruce Miller, publicity chairman.

Christmas gifts and decorations of all kinds will be sold including tree decorations, handmade items such as dolls, stuffed animals, ect.

Other attractions of the bazaar will be a white elephant sale, door prizes and a special

table with homemade bread, cookies, pies, cakes and candy.

Bazaar chairman is Mrs. L. C. Hewitt, Mrs. Gene Parsley and Mrs. Jack Wilcox are in charge of gift items to be sold and heading the bake goods committee is Mrs. Virgil Hennon.

For those who prefer to eat at home, a Mexican chili booth will be open, with Mrs. Curtis Traweck in charge of arrangements.

**Concerning Veterans**

**Q** — Does the current year's VA insurance dividend include Modified Life policies?

**A** — Yes. It will be a modest, first-time dividend with the average payment about \$11.00.

**Q** — Does the VA, under the new GI Bill, pay the cost of tuition and books?

**A** — The VA allowance is intended to help you meet, in part, the expenses of tuition, school fees, supplies, books and equipment, and subsistence during the period of your enrollment.

**Q** — Since my wife and I are both veterans, can each of us claim our one child as a dependent to qualify for increased educational assistance.

**A** — Yes. Both of you can qualify for the increased educational assistance allowance on account of the child. You may also claim your wife as a dependent. However, you cannot qualify as a dependent of your wife.

**Q** — My deceased husband's headstone which was furnished by the army has become unsightly because of age. Will the Army furnish me another marker for his grave.

**A** — Each request is decided on its merits. You should apply for a replacement to the Chief Support Service, Department of the Army, Washington, D. C. 203. In your application, be sure to give full details concerning the appearance of the present headstone.

**Q** — I was discharged from active duty in March 1964, after two years of service. About eight months before separation, I had a tooth filled. The filling has fallen out. Can I get the tooth repaired by the Administration?

**A** — No. Application for treatment of dental conditions incurred in service must be made within one year of discharge. Exceptions to the time limitation are permitted only for veterans who have been prisoners of war who sustained traumatic injuries to their teeth, or who are receiving compensation for a dental disability. These exceptions do not apply in your case.

**Local People At Special Seminar**

Mr. and Mrs. M. L. Means, 517 Ave. K, Mrs. Trumon Ivie, Route 3, Lois Nelson, Kings Manor and Terry Hale, 213 West Third, all of Hereford, recently attended a special seminar held on the campus of Oral Roberts University, Tulsa Okla. The University hosted some 600 guests at the invitational seminar held Nov. 6-9. Featured speakers were President Oral Roberts and several of the ORU faculty members.

The seminar is one of a series held on the ORU campus during the year. An estimated 3,000 people visit the campus as a result of these seminars. The seminars are directed toward laymen, ministers and youth. In addition to the seminar visitors, some 30,000 additional people register annually for tours of the campus which has been termed "space age." by many of the guests who view it for the first time.

During the seminar the guests were introduced to the physical facilities, educational media and philosophy of the school, which is in its fifth year of operation with an enrollment of over 880. The University is well known in the academic circles for its innovations in the field of electronic teaching methods. It is the first institution of higher learning to install a complete audio-visual information-retrieval system. The 23 million dollar campus is located on a 420-acre tract in suburban Tulsa.

## '69 Buffs On Record As Winning Version

CANYON, Texas — The 1969 version of the West Texas State University Buffalo football team became the fifth consecutive Buffalo squad to compile a winning record.

When the Buffaloes ended their season Saturday in Hattiesburg, Miss., with a 10-9 loss to Southern Mississippi they had won six games and lost four.

Coach Joe Kerbel pushed his 10-year record at WTSU to 61 wins, 39 losses and one tie. During the last four years the Buffaloes have a 35-16 mark. Kerbel's 1969 Buffaloes set one new school record, that of picking off 26 opponent passes.

Eight Buffalo defenders got into the act intercepting passes, led by Troy Anderson's eight thefts. Ralph Anderson grabbed six interceptions, Raymond Brown five, Billy Lantow and Bill McKinney two each, and Gary Conner, Stan Hansen and Jeff Mailliard one apiece.

Fullback Duane Thomas finished among the nation's top 10 rushers with 1,072 yards. His career total of 2,376 yards ranks third among all-time leading Buffalo ball carriers.

Quarterback Clarence Redie moved into the top 10 scorers in the school's history. His 59 points this year, along with his 67 last fall give him 126 points and places him seventh among the school's leading scorers. Redie's 68 pass completions during the year place him seventh among the school's leading passers.

A rebuilding year faced the

Buffalo coaching staff at the start of the year. Only three offensive starters returned from the 1968 club, which won eight and lost two. There were eight defensive starters returning, but the burden of winning and losing early in the year fell on that defensive unit as the club wasn't able to control the ball on offense.

The Buffaloes developed as the season progressed, finishing with 3,419 total offensive yards, an average of 341.9 per game. The Buffs averaged 229.8 yards per game rushing and 116.4 passing.

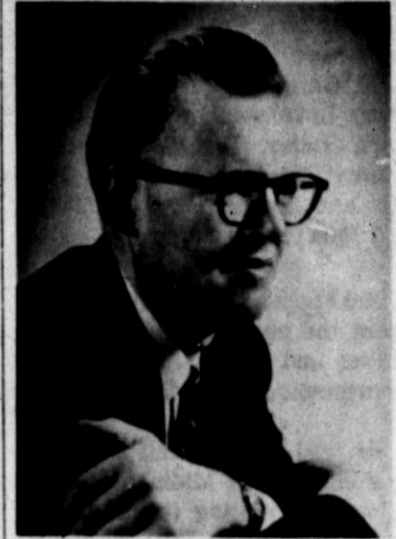

## Baptist Youths To Hold Revival

The "Youth Team" from Wayland Baptist College is providing the program for the upcoming revival services scheduled for 7 p.m. Friday, Saturday and Sunday nights at the Summerfield Baptist Church.

Evangelist for the three night session will be Mike Hall. Other program specials include a singing performance by Clay Thompson, accompanied by Linda Osborn on the piano.

The fellowship which follows each evening presentation is under the direction of Bobbie Simpson.

The youth-led revival is open to the public and anyone interested is cordially invited to attend.

Dr. John Newport

## Officers Elected At 4-H Meeting

A monthly 4-H council meeting was held Monday under the direction of Rita Huckert, assistant Home Demonstration Agent, and the program consisted of election of new officers and planning for the upcoming Christmas party.

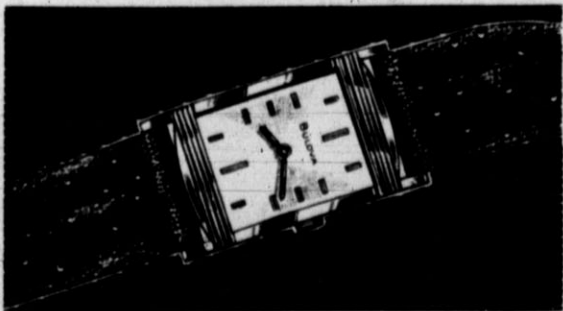

New officers elected for 1970 were: Martha Ann McBride, chairman; Kenneth Justice, vice-chairman; Mary Kay Wagner, secretary; and Kay Atchley, reporter.

After voting on party plans by members it was decided that the group would meet Saturday at the Deaf Smith County Museum parking lot and organize to continue on to Amarillo to eat dinner and see a movie.

# 4-H'ers Take Part In Massive Demonstration

More than three million pre-teens and teenagers have taken part in the world's biggest youth demonstration right here in the United States. There were no protests, no violence and no arrests. What's more, the demonstrations were approved by parents, teachers, government officials and businessmen.

These young participants are the nation's 4-H members who annually demonstrate what they have learned in 4-H. And they learn plenty, according to the Cooperative Extension Service which directs 4-H activities in 95,000 clubs supervised by 500,000 volunteer adult and junior leaders.

Demonstrations were given on how to operate automobiles and tractors safely; bake a loaf of bread or can a jar of peaches; make a dress and model it; catch, identify and display insects; take a picture; give a speech; judge crops and show livestock; ride and show horses or train dogs.

The list could go on and on because there are dozens of categories wherein the 4-H'ers "learn-by-doing" with the guidance of competent project leaders. Part of the learning process is to demonstrate to others correct methods and procedures.

Demonstrations are given before local groups, at 4-H meetings, at county and state fairs, and other events to show competence of the individual in his or her project.

With the current 4-H year drawing to a close, members are planning their 1970 programs. Some will continue their present activities with the hope of expanding them. Others will try something new.

The range of programs is wide to accommodate boys and girls as young as 9 and as old as 19 years. Home economics, agriculture, health, safety, electric, mechanics, science, conservation and management are among the principal categories.

# ELECTRIFYING FACTS

**ELECTRICITY OFTEN APPEARS IN NATURE.** A FLASH OF LIGHTNING IS NATURAL ELECTRICITY. SHOES GENERATE ELECTRICITY ENOUGH TO MAKE A SPARK AFTER WALKING ALONG A CARPET ON A COLD, DRY DAY. ON SUCH A DAY A CAT'S FUR CAN BE MADE TO "STAND UP" BY RUBBING IT.

**ELECTRIC LIGHTING** BEGAN WITH THE CARBON-ARC LAMP. ARC LAMPS ARE STILL ONE OF THE BEST SOURCES OF BRILLIANT ARTIFICIAL LIGHT. WE USE THEM IN SEARCHLIGHTS AND IN THE PROJECTORS FOR MOTION PICTURES.

**THERE ARE 100 MILLION ELECTRIC POWER POLES** IN THE UNITED STATES ALONE - ENOUGH TO SPAN TWICE THE DISTANCE TO THE MOON. THESE OVERHEAD SYSTEMS ARE SAFE, ECONOMICAL, RELIABLE AND PROVIDE AN EFFICIENT MEANS OF DELIVERING ELECTRICITY.

## MAKING PREPARATION

... but maybe too late!

True we have our furnaces fired, our machinery greased and men to man the tasks... but where is God? Nations are tampering with His creation and threatening every day to blow it to bits... with no thought of God.

His church is on the corner and His servants are telling His simple story but it means little to men bent on destroying things and people. *No nation can curse God and get away with it.*

He will paralyze them as He did the serpent.

Likewise, He will deliver them as He did those in bondage long ago when they seek Him. Whenever and wherever men humble themselves God will make a way. Why not spend some time making preparation for a greater day... the final day?

### YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with instruction that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. You in the Church and the Church in you form a combination for good. Be a regular CHURCHGOER and a daily BIBLE READER.

# Glady's Garden

**By Gladys Howton Manjeor**  
 Gladys is a very busy person these good these days. The applications for awards in our local garden club have been completed and gotten off on time, and the District Press and Publicity applications, have been graded and are in the mail, so I feel all foot loose and free to do some things that don't HAVE to be done right now.

Christmas decorations are up in town, which reminds us of the coming Christmas time, with loved ones, gift wrapping, mailing etc. All of these and being with friends and sharing thoughts and the real meaning of the Christmas Holiday. May none of us be lax in the real meaning and proper observation of this Holy time.

Speaking of Christmas decorations reminds me of those we saw when passing through Mule-shoe last week. They had not gotten all of the streets completed with their decor, but the space set aside, where they have erected the monument of "THE MULE" was colorful with Christmas colors, well landscaped and a large Santa, modern type had been made and was placed near the Mule. Was very colorful. Relationship of ideas was a bit overdrawn, as the mule was remindful of pioneer days of the town, while the Santa brought us up to modern times. Perhaps that was the motive of the decor, anyhow it was eye catching.

Christmas trees, for the home are appearing at the markets, it is always a bit difficult to make that final decision for just the right tree for the place you wish to place it in the home.

Many considerations should go into the choice of the Christmas tree for the home. First of all don't get one too large, that it has to be cut off. Often times this tends to disfigure the tree, and crowds the room so much that entertainment and even family life is limited because of the crowded condition. If you purchase early, do not put it up too soon, our humidity is very often very scarce in our homes, unless there is moisture the tree will soon become dry, and when it reaches this condition then there is danger of a fire hazard.

When the tree is selected it is usually a fir tree, as this is the traditional tree, however other good selections can be made from the following: Junipers, deodars, cypresses, spruce

the tree. For instance our son and Rosemary purchased an angel doll while in Germany and on the first tree after the first baby was born (our Beverly) they used the angel on the tip-top of the tree, and now each year it is the first thing placed. We in our house have a star (lighted) which we have used on the top.

For stocking stuffers, may I suggest that each year you make a real pretty object to be used for trimming, the Christmas tree. In a few years the grandchildren have a nice collection. I have done this for my great-niece Laura Gilliland.

The following is through the courtesy of The Missouri Botanical Garden Bulletin, and was reproduced in The National Gardener. I suggest this be clipped and saved.

**"The Seven Poisons of Christmas"**  
 First of all don't become alarmed and afraid of Christmas greens, just use care in their choices and uses, because five of the seven listed have been used at Christmas festivities for hundreds of years.

On the other hand, read carefully the facts and information. Knowing this about the poisons should be remembered. In this article, the botanical names are given also the common names.

1. Buxus (all species) BOXWOOD. Many kinds of animals have been killed by eating hedge clippings of boxwood. The seeds should be kept out of reach of the small children, if used in Christmas arrangements.

2. Euphorbia pulcherrima, POINSETTIA. The leaves are poisonous. The milky part that comes from the leaves when cut or severed from the stem, should be carefully removed. A two-year old baby was killed by eating one leaf. Don't give up displaying these beautiful plants. In most homes it is easy to find a place where they are out of reach of small fry during the Christmas season.

3. Hedera helix, (all varieties) Commonly called ENGLISH IVY in this country. There are verified reports of children made ill by eating leaves.

4. Kalmia latifolia, MOUNTAIN LAUREL. The leaves are poisonous, particularly to livestock that browse them in quantity.

5. Phoradendron (all species) MISTLETOE. The beautiful little white berries are very poisonous. So if you have a kissing ball decorated with the mistletoe, then be sure and just pull off the berry and then destroy.

6. Solanum pseudocapsicum, Jerusalem CHERRY. The seeds

are poisonous. An ornamental winter potted plant with round red berries. It is similar to an ornamental variety of red pepper (Capsicum, I grow this and use it for seasoning and it makes a pretty Christmas plant) is not poisonous, though if children pull the tiny peppers off they could inflame their eyes, with that which is on their fingers. It is hot.

7. Taxus, (all species) YEW. The seeds in the little red berries are poisonous but the juicy part of the fruit is harmless. Hedge clippings of yew and any of those listed above are dangerous if thrown out where livestock can reach them. In England extra care is exercised as this is considered one of the most dangerous woody plants in the flora.

In reading about this we learn that some of these poisonous greens, or woods have been used for centuries in the European countries in the mid-winter rituals.

 READ THE WANT-ADS TODAY

After reading this article and being reminded of the tragedies that could come about, I was reminded of it a bit when I followed a story on TV last night. Some foremen were taking a group of blind children on a nature trail, teaching them to SEE by feeling and becoming familiar with surroundings. Was most interesting and pretty as well, as the nature scenes were lovely.

HELP. To aid in keeping the Christmas tree fresh, keep it in water up to the branches, changing water if it becomes stagnant. Can be aided by adding sugar to the water.

Don't get Christmas fatigue, by over working, take it easy and enjoy each thing that you do or participate in, because this should be a time of happiness and peace in our hearts because of the Eternal Gift, The Christ Child.

**FARMERS AND FISHERMEN GET TAX FORMS EARLY**  
 About three million 1969 Federal income tax forms for America's farmers and fishermen will be sent to them around December 1, a month earlier than usual, the Internal Revenue Service announced today. All other taxpayers will receive their packages about January 1.  
 A first for Internal Revenue, the early mailing is an attempt to assist the farmers and fish-

ermen in taking advantage of options open to them in filing returns and paying their tax, IRS officials said.  
 Estimated Tax forms, in a separate package, will reach farmers and fishermen about the same date. In previous years, the estimated tax forms were included in the income tax packages.  
 Farmers and fishermen have a choice of filing dates: they may elect to file and pay in full an estimated tax declara-

tion by January 15, 1970, and file an income tax return by the April 15 deadline; or they may elect to file only an income tax return by February 16 and pay the tax due with the return.  
 Like the other 77 million taxpayers expected to file tax returns for 1969, farmers and fishermen will be using the new income tax form 1040. The form, which replaces both the old form 1040 and the 1040A, is a one-page, basic form

to which separate schedules can be added to cover any tax situation.

# Chinese Shrimp Toast

By CECILY BROWNSTONE  
Associated Press Food Editor  
DEAR CECILY: Some time ago I clipped a recipe of yours for Shrimp Toast, but I'm afraid I've lost it. Is it possible for you to send me that recipe or another one that's similar? — RECIPE FAN.

DEAR RECIPE FAN: Here's a brand-new recipe for Shrimp Toast fashioned by a young Chinese-American named Lucy Wing. Lucy grew up in Superior, Arizona and worked in her father's Chinese restaurant before studying home economics at the University of Arizona. So with this background it's not surprising that she has concocted a delicious and detailed recipe for Shrimp Toast. Good luck with it! — C. B.

**LUCY WING'S SHRIMP TOAST**  
1/2 pound raw shrimp, peeled, deveined and minced (about 1 cup)  
One-third minced water chestnuts  
One-third cup minced scallions (green onions), including part of green tops  
1 tablespoon cornstarch  
1 teaspoon salt  
1/2 teaspoon ginger  
1 egg, slightly beaten  
3 slices thinly sliced white bread, crusts removed  
1 pint corn oil  
Mix together shrimp, water chestnuts, scallions, cornstarch, salt, ginger and egg.  
Cut each bread slice into 4 squares, then cut each square diagonally into 2 triangles.

Spread 1 teaspoon shrimp mixture on each triangle.  
In heavy 1 1/2-quart saucepan, over medium heat, heat corn oil to 375 degrees. Pan will be one-third full.  
With shrimp side down, lower 6 to 8 triangles into oil. Fry until edges are brown — about 40 seconds. With slotted spoon turn and fry a few seconds longer. Drain well on absorbent paper. During preparation, keep warm by placing on baking sheet in preheated 250-degree oven. Serve warm.  
Makes 72 appetizers.  
Note: Shrimp Toast may be fried ahead, cooled, wrapped in foil, frozen and then reheated without thawing. To reheat, bake on cookie sheet in preheated 350-degree oven until thoroughly heated — about 10 minutes. Drain on absorbent paper.

**SHRIMP TOAST** — Delectable hors d'oeuvre to offer as a first course or snack.  
Southern California is seeking its fourth straight trip to the Rose Bowl.

**TINY KASHMIR**  
Kashmir lies squeezed in a vise of converging nations in the Himalayan foothills between heathabaked plains and mountains of eternal snow.  
Divided and disputed by India and Pakistan, the beautiful mountain state feels icy winds from the Himalayas dominated by China and China-held Tibet.  
From the north, Soviet Russia reaches to within a few miles of Kashmir, and Afghanistan slips between Russia and Pakistan to touch the Kashmir border.  
Four million people live within its 86,000 square miles, an area roughly the size of Utah.

## Thinking Aloud

By BARBARA DRYDEN

The St. Thomas Episcopal Church is having its 21st birthday and for a birthday gift to the church, the Y. E. P. Class has done some research on its history and this is what they found.

One day, over a cup of coffee, two ladies were wondering if it were possible to get an Episcopal Church started in Hereford. An ad was run in the paper to see how many people in Hereford were Episcopalians, but no one answered the ad. Finally, ten people were gathered together and Bishop Quarterman had them sign the register which started the mission. This was April 18, 1948.

The first worship service held by the church, which was named St. Thomas after careful consideration, was held in the County Court House in one of the courtrooms. A traveling priest, the Rev. Walter Robert Scott, came and held services when he could.

Some time later, Bishop Quarterman told the people of St. Thomas about a little brown church in Spur, Tex. and said they could have it if they moved it to Hereford. A lot was found at the corner of Lee Street and 25 Mile Ave. and the little church was moved. It was a happy day for the congregation and they met on the grounds and had a picnic.

After ten years at this location, the city asked the church to move so the street could be widened. It was decided to buy a piece of land on West Park and build a building. With much sadness the little brown church as sent to Brownfield where it is still being used today.

Meanwhile, another place had to be found for church services. Since the Seventh Day Adventists used their building on Saturdays, they let the people of St. Thomas use their building on Sundays.

Finally, the new building or West Park was finished and the Santa Fe Railroad gave the bell from one of the old locomotives to be put in the bell tower.

Many people have shared happy and funny times in the church with sweet memories. Mrs. Hennon's happiest moment was when her daughter was married in the little brown church. Mrs. Waldrep remembers when her oldest daughter, Paula, was a flower girl in that wedding. Some remember when Mrs. Hennon's dog, Bernie, came to church when she was ill and went to the pew where she always sat and took a seat. Mrs. Davis remembers when her son used to sleep in his sleeping bag in the church the night before a bazaar, to watch over everything.

From the 21 communicants listed at the end of 1948, St. Thomas has grown to 86 Communicants on Whitsunday, 1969, the birthday of the church.

The church women have scheduled their 21st annual bazaar to be held Saturday from 10 a. m. to 4 p. m. with a wide assortment of items to be sold, which include Christmas gifts, decorations, baked goods and a white elephant sale. A salad luncheon will be held from 11:30 a.m.—2 p. m. Mrs. George Masso and Mrs. Rudy Metz are preparing food that's out of this world, so bring your family and come on out.

# Widow Insecure And Distrustful

The story of a young widow's struggle to carry on her husband's sheep ranch with odds against her and a book on how to make friends with everyone and everything are available at the Deaf Smith County Library this week.

THE HEREFORD BENEFIT ASSOCIATION EXISTS

LET US TELL YOU ABOUT IT

## THE SHORN LAMB

By Hagie Call  
With this novel Hughie Call returns once more to the Montana sheep country she knows so well. The Shorn Lamb is the story of a young widow's struggle to carry on her husband's sheep ranch.

The odds against Laura McCord are formidable. The big ranch, which her husband had loved so much and worked so hard to keep, needs a strong and steady hand to run it well, and though Laura is plucky and determined, she is also unsure of herself and of her relations with the men who work for her. She believes they distrust her as a woman and an outsider from the East, but others feel that the trouble may lie in her own insecurity and distrust of them. Whatever the cause, the result is the same: the ranch is always shorthanded. The chronic condition is espe-

cially serious at lambing time. Desperate for help, Laura hires a strange silent man with a maimed hand. His name is John Morgan, and that is all she knows about him. She wonders how his hand was injured and what he is running from. Why should an educated man be working as a laborer? Why does he refuse to sleep in the bunkhouse with the other men? What is the bond between him and the forlorn, lonely child who lives with the itinerant preacher and his wife?

It is some time before Laura learns the answers to these questions. In learning them, she also learns much about herself and in the end, after trouble and misunderstanding and danger, three lost and lonely people find security and love.

### WITHOUT RESERVE

By Sheila Burnford  
Sheila Burnford's third and most personal book is about

these visitors were content to be absorbed into the daily life of the reserves, to adopt as their own its slow, agreeable pace. Because it reflects sincere affection and concern, because it glows with the author's shrewdness, humor, and sympathy, and because it is based on solid factual knowledge, Without Reserve, will gain partisans as well as friends. It closes with a wise and moving plea for understanding of these vulnerable people, whose ancient values have meaning for us all.

For years Mrs. Burnford, often accompanied by the artist Susan Ross, has been visiting there, flying by bush plane to these lakestrewn forests west of Hudson Bay. Unlike the few whites these Indians had met, these two not-exactly-ordinary housewives came "not to exhort or teach, heal, snoop, pay or persuade, but in peace alone, in friendly interest, to learn something of their language and life." It is a life scant of material comfort, but rich in custom and legend, subtle in manners; a culture most visitors would find difficult to penetrate. Quietly busy, painting or fishing,

these visitors were content to be absorbed into the daily life of the reserves, to adopt as their own its slow, agreeable pace. Because it reflects sincere affection and concern, because it glows with the author's shrewdness, humor, and sympathy, and because it is based on solid factual knowledge, Without Reserve, will gain partisans as well as friends. It closes with a wise and moving plea for understanding of these vulnerable people, whose ancient values have meaning for us all.

### QUEEN'S PROFIT

LONDON — Queen Elizabeth II has sold her 34-ton yawl bloodhound for 25,000 pounds (\$60,000) — more than twice the price she paid for it seven years ago.

A spokesman for her husband said the price was "very fair" because of the expensive work done on the yacht.

# Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q — Can I take a business deduction for the bottles of whiskey I buy as Christmas gifts for my customers?

A — Yes, business gifts are a deductible expense as long as they do not exceed \$25 to any one customer during the year. If gifts total more than \$25, only \$25 may be deducted. A gift to a customer's wife or child must generally be included with any gift to the customer himself in figuring the \$25 limit.

Note that gifts which cost \$4 or less are not subject to this limit if your name is clearly and permanently printed on the item and is one of a number of identical items distributed by pens and similar items.

Q — I've taken a part-time second job. What can I do to stop having Social Security taxes taken out of my pay on both jobs?

A — Each employer is required to withhold Social Security taxes on the first \$7,000 of wages paid employees in 1969. However, if more than the maximum of \$374.40 is withheld for Social Security because you had two jobs, the excess can be claimed as a credit on your 1969 income tax return.

Procedures for claiming this credit are explained in the instructions you will receive with your tax forms.

Q — Can I deduct my veterinary fees when I figure out my farm income on Schedule F, Form 1040?

A — Yes, veterinary fees as well as medicine for farm livestock are deductible when you report farm income and expenses.

Veterinary care for person and pets is not deductible.

Q — What types of taxes are involved when IRS closes down a business for failure to pay Federal taxes?

A — Any type of tax may be involved; however, these cases usually involve employers who fail to turn over to the Government the money they have withheld from their employees' wages for income and Social Security taxes.

Drastic steps such as closing a business or levying on wages are only taken as a last resort after the taxpayer has repeatedly failed to make satisfactory arrangements to pay the tax.

Congress has authorized IRS to take certain specific actions in such cases in fairness to the other taxpayers who do pay in full and on time.

Q — I have fully supported my grandmother for years. Will we still be able to claim her as a dependent this year even though she is now in a rest home?

A — Yes, you may still claim her, so long as you continue to support her and she meets the other dependency tests. A close relative, your grandmother for example, does not have to be a member of your household to qualify as a dependent.

If your grandmother is in a rest home primarily because of the medical care provided there, the entire cost of her maintenance is considered a medical expense. If personal or family reasons prompted the decision for her to enter the home, only those expenses specifically for medical care will be considered deductible medical expenses.

Q — I won't be working anymore this year so why can't I file my tax return now? I could use the money I'm expecting to get back.

A — Existing regulations provide for the filing of an income tax return after the end of the tax year, which, with rare exceptions, is the calendar year for employees. Even though you may not work or receive income during the rest of the year, a tax return is required to be filed on the basis of a full tax year. To avoid delays when you file for your refund, make sure you have a Form W-3 statement of wages paid and taxes withheld attached to your return. Your employer should have given you your W-3 within 30 days after leaving employment.

Every Hereford resident having a telephone installed Monday was helping Southwestern Bell celebrate an important milestone.

"Somewhere in the telephone company's five-state area, the 10 millionth telephone was installed Monday," said Mike Patrick, Manager for Southwestern Bell.

"It's impossible to pinpoint the specific 10 millionth installation," he said, "so we have designated each telephone installed Monday symbolic of the 10 millionth."

He said a special commemorative number plate was placed on each newly installed phone, and the customers were presented a commemorative message signed by Richard A. Goodson, president of the telephone company.

"We expect to have added about 630,000 telephones in our company's territory this year," Patrick said. "This increase amounts to more phones than we have in metropolitan Austin and San Antonio combined."

He said Hereford will contribute an increase of about 800 telephones to the company's total this year.

Southwestern Bell's first million telephones were installed over a period of 46 years. The five million mark was reached 30 years later, and 12 years after that — just 30 months ago — the nine million milestone was reached.

The next millionth telephone is expected to be installed in about 18 months.

Toledo senior Ken Crost made 77 straight extra point kicks, a major college record, before missing one this fall in a 34-9 victory over Ohio University.

Wally Bunker led Kansas City Royal pitchers last season with 12 victories. The ex-Baltimore Oriole lost 11 times. He completed 18 of 31 starts for the expansion team.
