City Plans Annexation; Appoints Election Judge

The Hereford City Council, in regular meeting Monday night, set the date for public hearings on the budget, appointed election judges for the upcoming city commission election, discussed zoning problems and started proceedings for the annexation of approximately 55 acres of land west of U.S. Highway 385 as well as discussing a number of other items on the agenda.

Date set for the public hearings on the 1969-70 budget is March 17th. The hearings will be held in the council room at City Hall.

Lloyd Pool, a local insurance man, was named election judge for the upcoming city commission election to be held Tuesday, April 1 and Mrs. Walter Seed, election clerk. To date, no one has announced for either of the two places on the commission or for the post of mayor. Commissioners Dick Barnard and D. C. Kinsey and Mayor J. B. Pool have declined to serve another term at this time. Deadline for filing for the posts is Friday, February 28, 5 p. m. Anyone interested in filing should contact officials at City Hall.

Jim Hayes, of New York City, owner of Beef Packers, Inc. and recently purchaser of the Cin-Tex beef packing plant in Amarillo, met with the city council concerning zoning regulations of the city. Hayes had recently purchased the old Hacker Meat Company location on the eastern edge of the city but discovered that an ordinance passed in 1954 prohibited the construction of a meat packing plant within 5000 feet of the city limits. The New York City man was interested in rebuilding on the property and establishing a small packing plant that could possibly hire as many as 25 people. The property is located approximately 3000 feet from the city limits on Dairy Road.

Hayes was informed that he should meet with City Manager Dudley Bayne and the city engineer, Bill McMorries of Amarillo to see if a solution could be worked out. However, it was pointed out at the meeting that permission had been refused Morris Hacker who had earlier made plans to rebuild on the location. Caviness Packing Co., west of the city, has also been refused a permit to add to their office space because the plant is now within 5000 feet of the city limits.

City Attorney Earnest Langley told the commissioners that "If you can figure out a way to bring this industry into the city without hurting the town, you should," but the councilmen were reluctant to act until Hayes had met with the city manager and the city engineer to see if all other requirements could be met. Langley also told the group that the ordinance passed in 1954 prohibited any packing plant to be constructed within 5000 feet of the city limits. See CITY, Page 2

Sears Elected By Water, Inc.

Henry Sears

Henry Sears, president of the First National Bank in Hereford, was elected second vice-president in the 1969-70 slate of officers for Water Inc.

Other new officers are K. Bert Watson of Amarillo, president; Gaston Wells, Dumas, first vice-president; Bill Nelson, Amarillo, secretary; and Jim Ed Waller, Lubbock, treasurer.

Both Nelson and Waller were re-elected. President Watson took the office held by Jon Kendrick of Brownfield. Kendrick has served as president since the founding of Water Inc.

Directors were re-elected by acclamation with two new members elected to the executive board of directors. They were Wells and Lloyd A. Calhoun of Hobbs, N.M.

Water Inc., which was organized two years ago in an effort to gain regional support for a proposed program to import water to this area some time during the next twenty years, resulted in a published plan issued by the Texas Water Development Board of Austin called the Texas Water Plan - which will call for Mississippi River surplus water as early as December.

Texas Water Plan proposes to construct an 800-mile series of canals, water locks and reservoirs from the lower Mississippi basin to north-east Texas, across the plains south of Lubbock, southward to the Pecos River region before ending at El Paso.

In this plan, tributary canals will furnish water for crops. Projected cost of the program would be between \$10 and \$12 billion. Construction would take some ten to 15 years. But completion would channel some 13 to 19 million acre feet of water into Texas annually.

PROPOSALS DISCUSSED
Special board session of Water Inc. concluded their meeting at the Amarillo Civic Center Tuesday afternoon with resolutions which included:

Such authority should have the powers necessary to conduct studies, research, development, education and disseminate data and information concerning the importation and distribution of water.

Such authority should have the powers necessary for the purchase, sale and distribution of water.

There should be a provision for the initial election at an opportune time for the funding of such authority with a tax rate not to exceed 5 cents on each \$100 evaluation and for the power to submit in an election at a later time a tax rate sufficient for the complete operation of the authority.

There should be provision for a uniform unit price for all water which is distributed to irrigation water users in the area included within such authority.

As nearly as may be practicable, there should be provision for a uniform time for delivery of water throughout such authority.

There should be appropriate recognition of the private ownership of underground water rights.

There should be such other provisions as may be necessary to insure the proper operation of the program. See SEARS, Page 2

MR. AND MRS. VERN WITHERSPOON beam as they show off Mr. Witherspoon's new crop of hair, which Mother Nature bestowed on him at the age of 89. He has been completely bald for 12 years previous to the new growth. —Staff Photo

Whipper-Snapper Grows New Hair

By BARBARA SWIMMER
Staff Writer

The last and oldest remaining Deaf Smith County XIT cowboy, yet the youngest 89 year-old whipper-snapper that can be found for a fee piece is proud as pumpkin of a brand new head of hair grown on a head as bald as an onion for over 12 years. Vern Witherspoon, who came to LaPlata in the 1890's, lives with his wife, Myrtle, at 201 N. Jackson. The beautiful newly grown crop, which he displays with great pride, began coming in about two years ago and has grown and thickened steadily, to the delight of the pioneer resident.

In October of 1956, when the Witherspoons celebrated their 50th wedding anniversary, Vern had a full head of hair. Shortly afterward it began falling out by the handfuls, recalls Witherspoon and by Christmas time he didn't have a hair on his head.

The veteran cowhand chuckled as he related to this reporter the real reason for his baldness. "Back in the old days," he said, "we spent many winters trapping coyotes and sleeping under the moon in the wide open spaces. We were always wrapped up in our blankets around the campfire, with just the top of our heads protruding and the coyotes would slip up and lick us on the head."

After 12 years of baldness, Witherspoon says he had become ill and lost his appetite. He began taking several high potency vitamins and shortly thereafter is when he noticed the new crop growing in.

He recalled that his brother, Anderson, lost his hair in the same manner as he did, all at once, but it never grew back. He says he waited for a long time for it to fall out again but finally decided he had it for

keeps so he started showing it off.

In relating his story to this reporter, Mr. Witherspoon smiled shyly and said that this was actually the fourth "set" of hair he has owned. The first, he sported for 75 years, then he counts his baldness as a set, and after a time he bought a hair piece. He said he didn't like it much, though, and when one day he didn't have it on, he ran into a friend who remarked, "I'm glad you didn't wear your fur-piece," he made the decision to throw it away.

In pictures taken of the Deaf Smith cowboy in 1966 when he and his wife observed their 60th wedding anniversary, he looks years older than he now does.

Mr. Witherspoon loves to reminisce about his cowboy days with the XIT Ranch and recalled that 1893 - 1894 were terribly dry years here. A lot of people left and the ones that didn't had to go into the cattle business. He was a cowboy from the time he was 12 years old until the Syndicate broke up.

He told of the "off season" for ranch workers, during the winter. He often worked from April to November with the XIT, attended school until the next April and then started out on the trail again.

Though he enjoyed attending school and went to all the schools Hereford offered, Witherspoon says "I never went to school a full nine month term." However, one school he feels that he did graduate from was the cow business.

A longtime Deaf Smith County leader, Witherspoon operated an electrical shop here until he became ill last November and was forced to retire.

The Witherspoons have two sons, Beryle William of Lubbock and Frank Gordon of Albuquerque.

New Pro Hired

Calvin Garrett, presently the assistant pro at the Meadowbrook Municipal Golf Course in Lubbock, will take over duties as the professional at the John A. Pitman Golf Course, it was announced here recently.

Born near Plainview, Garrett graduated from Plainview High School then attended West Texas State University. In 1950, he joined the Navy in which he served until 1954.

Following his discharge from the Navy, Garrett entered Texas Technological College in 1954 and graduated from there in 1958. While he was still attending Tech, he began working at Meadowbrook course, then in June of 1963, he operated the 18-hole lighted course in Lubbock known as Treasure Island Course.

Garrett worked for Vern Farquhar at the Amarillo Municipal Golf Course for a period of 10 months then returned to Meadowbrook in June of 1966, where he has been ever since.

After his stint in the Navy, Garrett entered Tech, majoring in engineering and found his studies took too much time for any golf. With this problem, he was not able to participate in the golf program at Tech except for his first semester, then settled down to getting his degree.

Garrett and his wife, Janiece, have one child, Lynn, six, and are expected another in the near future. He and his family are planning to move to Hereford some time around the 1st of March.

"I am going to try to organize various classes, including ladies' classes," he said, "and try to create an interest in golf there, because I know there is definitely a lot of potential to go with the fine facilities there."

COLT LEAGUE SETS MEETING

A MEETING for all persons interested in assisting in the Tri-City Colt League this year has been set for Friday, Floy Driver announced.

The meeting will be held in the Flame Room of the Pioneer Natural Gas Company Building, beginning at 7:30 p. m.

Students To Participate

Four students from Hereford High School will be participating in the Area Youth Leadership Conference for Vocational Office Education students at Lee High School in Midland, Friday and Saturday.

Barbara Brown, Billee Goetsch, Lenn Sambrano and Kathy Skypala, accompanied by Mrs. Pat McDonald, VOE teacher-coordinator at HHS, will leave for Midland Friday morning and return Saturday evening. The girls will be representing the OEA (Office Education Association) Club which is composed of students who are enrolled in Vocational Office Education.

Approximately 600 VOE students from Area IV high schools, including Dallas to San Angelo, will be participating in 18 various contests to test the students' proficiency in skills necessary for office occupations. Miss Brown, junior, and Miss Sambrano, senior, will compete on the transcribing machine and in production typewriting. Miss Goetsch and Miss Skypala, both seniors, will compete on the ten-key adding machine and in business spelling.

In addition to the 18 contest categories being judged at the conference, two special seminars will be held on Leadership Development and Parliamentary Procedures.

Winners at the Area Contest will be eligible to attend the State Contest being held in Abilene next month.

Housing Meet Is Set Today

Ralph W. Douglas, architect and professional engineer of migrant housing, will be the guest speaker for a noon meeting today of the Operation Housing Survey group held at the Hereford Country Club.

A native of Muleshoe, Mr. Douglas will acquaint community leaders with the federal programs for migrant housing. His company operates in this region and New Mexico and has dealt with the problems of low income groups of all races and housing for migrant workers.

Democrat Meet Is Set Here

Democratic District Executive meeting will be held at the Hereford Community Center on Saturday, March 14, 10 a. m. All precinct chairmen and Democrats here are invited.

J. D. Helm of Spearman and Mrs. Claude Brummett of Amarillo, district man and woman leader, will be present.

Witkowski said such meetings have been held in various towns throughout the district.

Reading Class Enrolling Now

Enrollment is continuing in Teaching Adults to Read (or Beginning Reading Course) in Adult Education, according to assistant superintendent Robert Holman. Enrollment is held on Mondays at 7 p. m. in Room 23 at Stanton Junior High School.

Holman said, "This reading course is being offered for those adults who cannot read or who read on a very low level. A number of local businessmen have already made arrangements for the enrollment of some of their employees in this course."

He has urged all businessmen, ranchers, farmers and other concerned individuals "to explain to those they feel are in need of basic reading that they should explore this program."

Tuition fee is \$10 for expendable materials. But Holman said that no adult who needs to learn to read will be excluded for financial reasons.

Science Fair Kicks Off Today

With the final placing of the exhibits for the fifth annual Hereford Science Fair set for today, judging for the event will be held tomorrow, Ray Barber, science fair supervisor announced.

Judging the event will be college professors from the fields represented by the different categories of entries. The greater part of the judges will be from West Texas State University, it was pointed out.

Classifications to be judged in the fair include botany, medicine and health, zoology, chemistry and biochem-

mistry, earth and space science, physics and mathematics.

The fair, which is to be held at the Bull Barn, will be open to the public on Saturday only, Barber pointed out, following the selection of the winners by the judges Friday. Special tours for school students will be conducted today and tomorrow under the supervision of their teachers.

Entries in the Science Fair number over 600, setting a record for the event. Included in this year's fair are entries

from St. Anthony's and Wallcott along with ones from each of the local elementary schools, junior highs and high school.

Divisions to be judged will include the Intermediate Division, grades 4, 5, and 6; the Junior Division, grades 7, 8 and 9; and the Senior Division, grades 10, 11 and 12. The Intermediate Division will have the boys and girls competing directly against each other while Junior and Senior Divisions will see the boys compete against boys as those for the local show.

and the girls against the girls.

All entries in the fair will receive an attractive certificate of participation and the winners of the local fair in each classification of each division will receive appropriate ribbons. Winners in the local fair will then be eligible for the Twelfth Annual Science Fair which will be held in the Commercial Exhibits Building of the Tri-State Farquhar in Amarillo on April 4, 5 and 6.

Rules for the Amarillo show follow the same patterns

Jacksons Report Pakistan Unrest

Mr. and Mrs. Clinton Jackson of Hereford, a couple chosen by Farmers and World Affairs Inc. for a tour of Pakistan, have reported that they are now in Chittagong, East Pakistan, still in the midst of national unrest and demonstrations.

The Jacksons reported, "Chittagong is in the southern part of the Bay of Bengal - we have just come in from a boat ride. This is very pretty country. The educated people are trying very hard to better their country. It is slow - there are so many people in such a small area."

They continued, "We have been invited into homes which is something very unusual for these people. Sometimes no one speaks English, and of course we don't speak their language. But we do communicate. They are so happy to have us. It is quite an inspiration for these people to have us to take the time for a visit. We are serv-

ed tea everywhere."

Now concluding the first month of their tour, they said "There is a lot of unrest here and demonstrations everywhere."

The Jacksons left Dacca on Thursday, Feb. 6, for Comilla. "There was a general strike on at the time the President was due in the afternoon. The government was happy we would not be there."

"We have seen and been in the midst of small, quiet demonstrations. So far we have not been close to the shootings and burnings, though. Our hotel in Dacca was just a few blocks from a newspaper building that was burned."

They maintain that "we are in no danger and have not been in a curfew, only in Dacca."

Connected with the Farmers Union Insurance Agency in Hereford, the Jacksons reported that "the farming here in Pakistan is very See JACKSONS, Page 2

Stadium Plans Are Released

Tentative plans for the improvement of the football field have been released by officials of the school administration here.

The plans call for a total of 3238 seats for the west side of the field and 1770 for the east side with approximately 702 seats on the west side being reserved on the lower section.

Stadium drawings indicate that the home side (west), will extend from the 19-yard line to the 19-yard line while the east side will extend from the 35-yard line to the 35-yard line.

Walkways, tentatively measured for 12 feet in width, will separate the upper and lower sections of the seating facilities and access to the seats will be by ramps at the north and south ends of the bleachers with two additional ramps converging with the walkway from under the stadium.

Six rows of seats will be placed in the lower section and 24 rows in the upper section of the west side. The See STADIUM, Page 2

(Continued from page 1)

in 5000 feet of the city. "It is not flexible as it now stands," he said. However, he encouraged the group to make a study of 1963 legislation generally referred to as "Extra Territorial Jurisdiction" which would cover an area of 1 mile from the corporate limits of the city, but which would also give the city council power to approve any type business or industry within this area if it was deemed advisable. "With the growth we're experiencing, it's not too early to move on Extra Territorial Jurisdiction."

Langley pointed out that property along Dairy Road would not be hurt by the packing plant since it would never be a residential area, but due to the 1954 ordinance, city officials were powerless to act.

The city fathers also passed a resolution removing from the tax rolls, property belonging to St. Johns Baptist Church that had been "assessed in error"; authorized the advertising for bids off a new truck, a street sweeper and chemical sprayer as well as setting in motion the annexation of approximately 55 acres of property on N. 385, just west of Sugarland Mall. The 55 acres would include properties owned by Bill Davis, Jr., Jesse Scott, Jesse Barret, Wayne Wallace and the Catholic Church (cemetery property) as well as a small block of property just east of La Plata school now owned by Mr. Ponder.

North and south boundaries of the property to be annexed is just north of El Dorado Arms Apartments and just south of the property owned by Mrs. T. W. Roberson. The group also discussed the old Camp Fire Hut on Park Avenue and decided to advertise for bids to sell the barracks building, keeping the brick structure for park equipment storage. The Camp Fire Girls moved into a new building in North Park last August.

Sears . . .

(Continued from page 1)
er handling and distribution of imported water.

These proposals are to be presented at the March 11 Water Inc. directors meeting in Lubbock to be framed into a bill.

R. C. (Dick) Godwin of Hereford reported that he had spoken before the Policy and Planning Committee on two previous occasions on the importance of having it submitted before the next session of the Texas legislature. However, he said that this was changed at the annual meet to read "at the earliest practical time." The seven

Northwest Is Set For P.E. Program Show

Northwest Elementary School will highlight their unusual physical education program during Public School Week, according to principal Charles Duvall.

Duvall reported that Northwest School Open House is scheduled for Tuesday, March 4, in the school cafeteria between the hours of 7 and 9 p. m. The physical education program is a pilot program here and is one of the few schools in the Texas Panhandle that has such an innovation, he said.

Third grade will perform from 7:30 to 7:50, fourth grade from 7:50 to 8:10, fifth grade from 8:10 to 8:30, and sixth grade from 8:30 to 8:50.

All parents in Hereford, who have children in Northwest School or not, have been invited to attend. Duvall said that Northwest is so anxious to have local parents observe

points will be known as the Master Import Water Authority bill.

Jacksons . . .

(Continued from page 1)

crude — to us—but of course to these people they are improving. Everything is done by hand. This morning we saw them making bricks to build a fish harbor — all by hand. Very interesting. We don't think people in our country would work that hard for so little."

On Pakistan prices, the Jacksons reported, "The foreign exchange is bad here, so bad things we priced were out of reason. We can't see how some of these people live."

They were scheduled to leave Chittagong on Monday for Kaptai and return to Dacca on Feb. 12. This past Monday they were to leave for Peshawar, West Pakistan.

"Here in East Pakistan the irrigation methods have been somewhat improved the past few years. The Farmers and World Affairs participants from this country here have brought home a lot of ideas from the United States and have put them to work. We have visited a farm where a farmer has imported some cattle from the USA, another one that has started a poultry farm and is importing chickens to get started.

"They are very interested in all we do in our country. They are also concerned about our relations with them since we have changed presidents at home."

The Jacksons said that they are on a very tight touring schedule and repeated that "there is a lot of unrest here — it could become very frightening. We hope that things are going alright at home."

Spies and librarians owe a debt to John Dancer of Manchester, England. In 1839 he combined the techniques of photography and micro copy to produce a microphotograph of a document.

"The Army Green"

By Sfc BERT PINALES
U. S. Army Recruiter

We have a flower power story from Japan to lead off this week's column:

A mystery man has been sending flowers and potted plants each week to the U.S. Army Kishine Hospital in Yokohama. It has been going on since June, 1967, and no one but a silent florist knows the identity of the donor. A simple card that reads, "A Japanese," usually accompanies each offering.

Stadium . . .

(Continued from page 1)

press box, which will be of the double decker type, will provide space for visiting radio stations, scouts, a public address system, a projection room for televising the games, a home and guest phone, home radio, and other press media.

The concession stand will be located beneath the stadium and will also include the ticket sales windows and the rest rooms. The entire length of this part of the improvements will measure 56 feet by 30 feet.

Plans for the all-weather track have not as yet been worked out.

Bids for the stadium improvements will be let within the next 10 days, school officials announced, but the beginning time for construction has not been set.

FACTS ABOUT THE ARMY
Did you know

—That men in the Army can be discharged up to 90 days prior to their regular discharge date if they take a job with a police department?

—That the Army, through the Inter-American Goetheic Survey, is helping Latin America map itself? More than 225 military and 475 civilian personnel are involved in the job, which covers more than 8 million square miles of land.

—That educational television is being used by the Army to instruct soldiers in all phases of basic and advanced training?

SINGING ARMY

One thing is certain about our Army. It likes to sing. Marching to the cadence of singing troops has been a part of the history of the American foot soldier from the early days of our history. The horse soldiers of the

old west sang "Gary Owen" during the Indian and Mexican border wars. The doughboys of World War I sang the songs of Irving Berlin, including, "Oh, How I Hate To Get Up In The Morning" and "You're In The Army Now." The favorite song of today's modern Army? It's still "Sound Off," a hit that was a World War II favorite, too.

QUESTION OF THE WEEK

Several young men have asked us this question: If I enlist under a guaranteed enlistment for technical training, do I still have to take basic training?

An answer is yes. All men who enlist in the service — even those who enlist for Officer Candidate School — must complete eight weeks of basic training.

Where do WACs take basic training? Basic training lasts 8 weeks and is conducted at the U. S. WAC Training Center, Fort McClellan, Alabama.

BETA SIGMA PHI ROYALTY AND ESCORTS — Crowned queens of their groups in Beta Sigma Phi by vote of all members, the four honorees are seated before a background decked in Valentine motif at the annual Valentine Ball of the sorority Saturday evening. From left are Mrs. J. D. Hamblen, queen

of City BSP Council; Mrs. Bob Pugh, Kappa Iota Chapter queen; Mrs. J. D. Greeson, Xi Epsilon Alpha queen; Mrs. R. J. Cramer, Alpha Alpha queen. Standing behind them are the runners-up from each group, who were designated princesses, and their husbands who

were escorts for the presentation. From left are Mr. and Mrs. Duke Powell, Mrs. Jim Cramer, Bob Pugh, Jim Cramer, Dr. Hamblen, J. D. Greeson, Mr. and Mrs. Carl Hollingsworth, R. J. Cramer, Mr. and Mrs. Pat Parker.

Hereford Hustlers Attend Area Chamber Banquets

Hereford will be well represented Friday evening at area Chamber of Commerce banquets when several red-jacketed ambassadors plan to attend events in Plainview and Muleshoe.

Gene Campbell will be attending the banquet at the Plainview High School cafeteria at 8 p.m.

Featured speaker for the evening will be Mr. Newt Hielscher of Shreveport, La. Representing Deaf Smith County at the Muleshoe Chamber banquet will be

Guest speaker at the event which will be in the Muleshoe High cafeteria, is Dr. Charles Allen, inspirational humorist, well known throughout Texas.

At a Chamber banquet held Tuesday evening at Farwell, Hereford was represented by Charles Bell and Larry Fuller.

The entertaining and informative speaker for the evening was Mr. Hielscher of Shreveport.

Adrian News

By ANN BEAVERS
Brand Correspondent

Adrian FFA held a meeting Tuesday night with President Dwayne Gruhkey presiding. The chairman of the chapter committees gave their reports to the rest of the chapter. A date was picked for the Parent and Son Banquet and it will be March 21. Films were shown of the skiing trip that the group took to Red River last year. This year the group is planning to take an overnight skiing trip, but are still undecided on the date and the place. Anyone interested in going, should go to Vance Hall in Amarillo and get the right size boots and skis for himself, also get the number of the skis, so when they call, they can have the skis ready. The F. F. A. Sweetheart, Beth Lloyd, attended this meeting.

Alton Whitten represented the Adrian FFA by attending the Hereford Livestock Show in Hereford last weekend. His milk fed Angus placed 11th and received 60 cents per pound.

The Ag. 111 boys went out last Wednesday to get a junk combine for iron. It was east of the railroad pens. While the boys were cutting off the header, a fire got started and would have been put out by the boys but the winds caught it and the Adrian Fire Dept. was called and they put it out.

Mr. Al McIntosh and daughter and Mr. Buddie Ford, all of Tucumcari, were on their way to Hereford to attend the funeral of Jesse Ford last week. They stopped in Adrian and visited friends. They are oldtime Adrian residents.

Adrian Matador Boys won the District 1-B Tournament held Friday and Saturday at Adrian. Hartley won second

and Channing third. Textline received Best Sportsmanship.

Christine and Craig Allen of Amarillo spent the weekend with their grandparents, the E. E. Allens, while their parents, the Gene Webbs, were skiing at Santa Fe.

Mr. and Mrs. W. C. Briggs and Pat Briggs visited Saturday with Mrs. Briggs and brother, Dink Woods of Paducah, who is in the veterans hospital in Amarillo.

Mr. and Mrs. Johnny Fields and family of Panhandle and Mr. and Mrs. Joe Lomax of Amarillo were Sunday guests of Mr. and Mrs. Oscar Bronniman and Wayne.

Mrs. Nancy Perrin entered the Northwest Texas Hospital in Amarillo Sunday afternoon.

Pauline Parker and Valrie Johnson of Amarillo visited Saturday with Mrs. Imogene Parker.

Mr. and Mrs. Marion Ferguson and Clayton Lee Jr. visited Saturday in Amarillo with Mr. and Mrs. G. A. Ferguson. Then Sunday they spent at Greenbelt Lake near Clarendon.

Mr. and Mrs. Speck Cox of Lubbock spent the weekend with Mr. and Mrs. Jake Fortenberry and Patty.

Mr. and Mrs. Norman Jacobson visited Sunday afternoon in Plainview with Mrs. H. J. Bailey.

Mr. and Mrs. Joe Brownlee and family visited Sunday afternoon with Mr. and Mrs. Lewis Spinks and Shane.

Mr. and Mrs. Bill James spent Sunday driving up thru the Mountains to Red River, New Mexico.

Matt and Mark Lotspeich of Hale Center spent the weekend with their grandparents, the George Lotspeich at Glenrio.

Mr. and Mrs. Keith Krom-

er and Steven, Mr. and Mrs. Bob Lotspeich of Hale Center, and the Allen Ehreshmans of Glenrio were among those skiing at Santa Fe this weekend.

Among those attending the P. C. A. Stockholders Meeting, held Saturday morning at the Bull Barn in Hereford were Mr. and Mrs. Billy Brown, Mr. and Mrs. Leland Burns, Mr. and Mrs. Norman Jacobson, Mr. and Mrs. Ed Jacobson, Grady Skaggs and children, John Skaggs, Mr. and Mrs. Jake Fortenberry, Speck Cox, C. F. Homfeld and Robert Jacobson.

Mr. and Mrs. Gary James spent the weekend in Cimarron, New Mexico.

Mr. and Mrs. Perry Gruhkey of Amarillo spent the weekend with Mr. and Mrs. George Gruhkey and Dwayne.

Kenneth Hicks spent the weekend in Hereford with his father Claude Hicks and his grandfather John Hicks.

The fifth and sixth grades elected cheerleaders last week. They are Joy Sifford, Kim Garrison, Belva Jackson and Donna Harwood. They will be performing at Wildorado in a basketball game soon.

Jackie Loveless was the F. H. A. Girl of the month for January. She had 70 points and she received these points by selling purses and cookbooks.

Mrs. Hazel Chilton taught school two days last week for Mrs. Gayle Galley, who was ill.

Feb. 21 and 22 is the Girls District Tournament, which will be held at Hartley.

Horace Fite of Borger visi-

ted Sunday afternoon with Mr. and Mrs. Manuel Lovelless and family.

Mrs. Nell Morgan was honored Sunday on her birthday with a cake and punch, brought to her by her sisters, Mrs. Ruby Gilbreath and Mrs. Thornton Shirley of Hereford and Mrs. Olive Morris of Vega.

A Valentine party was held Thursday afternoon at the Methodist Church for Mrs. Norman Jacobson's and Mrs. Leland Burns's Sunday School classes. Mrs. Robert Jacobson also helped. Attending were Susan Skaggs, Jo Ellen Jacobson, Kim Ehreshman, Ray Skaggs, Rusty Petty, Lisa Huggins, Cindy Petty, Dianna and Janet Jacobson, Tim Harwood and Kenneth Hicks. They all enjoyed games and refreshments.

Tommy Lovelless is in Houston for a week of school for Wurlitzer. He will return Friday.

Mrs. Gene Vanderwork spent last week in Carlsbad, New Mexico.

Mr. and Mrs. Gene Rudisell and Aleesa and Crystal of Amarillo spent Sunday with Mr. and Mrs. Lynn Worsham.

Adrian F. H. A. held its regular meeting Wednesday afternoon. The Sophomore girls furnished the refreshments. Business discussion was the style show coming up soon and the Mother and Daughter Get-together which is set for Feb. 25. Miss Gayle Galley is the sponsor.

Research indicates that living cells may be programmed to wear out. One theory of aging holds that man's total life span is built into his genes.

Geraldine Self Is Named Star Of Week In Pin Play

Geraldine Self's 497 series was enough for her to collect the "Star of the Week" honors in league play for the Sunset Keglers this week.

Faye White won the "High Individual Game" with her 227 and also the "High Individual Series" with a 584. Chester Gin won the "High Team Series" with a 2317 and tied with Rutherford and Company for the "High Team Game" with scores of 799.

Converting splits were Wilma Neill, the 3-10; Audine Dettmann, the 3-9-10; Mary Gamez, the 2-7-8; Alice Lueb, the 5-10; Betty Stephan, the 5-10; Marian Davis, the 2-7; Margaret McCaslin, the 7-8; Geraldine Self, the 5-6 and the 3-10; Nancy Moore, the 4-10; and the 6-7-10; Daisy Huntstinger, the 3-10; Ann Cummings, the 2-7; and Geneva Kilpatrick, the 2-3-6.

Getting 500-or-better series were Helen Arntt, 523; Alice Lueb, 534; Joan Munnerlyn, 508; Anne Radney, 548; Jenna Bagwell, 505; Jean Watson, 524; and Faye White, 584. Getting 200-or-better games were Molly Schofield, 204 and Faye White, 227 and 203.

Last week's results included Hays Implement won 4 and lost 0; Boyd Machine Supply won 0 and lost 4; Arrowhead Drive In won 4 and lost 0; O'Kelley's Sporting Goods won 0 and lost 4; Chester Gin won 4 and lost 0; Hiway "60" Truck Stop won 0 and lost 4; Sunset Lanes won 3½ and lost ½; Hereford Insurance won ½ and lost ½; Rutherford and Company won 3 and lost 1; Hereford Welding won 1 and lost 3; Justice Realtors won 2 and lost 2; and The Medics won 2 and lost 2.

Fine Arts Group Concludes Year

Vega Church To Have Dedication

Vega United Methodist Church will have their dedication services for church plant and parsonage at 10:30 a.m. on Sunday, March 9, it was announced by Rev. Al E. Jennings, pastor.

Bishop Alsie H. Carlson, bishop of Northwest Texas and New Mexico Conferences, will make the dedication and preach the sermon.

Others announced for the service are Dr. Charles Lutrick, district superintendent of the Amarillo District, and former Vega pastors Rev. J. B. Fowler of the Bovina

church and Rev. R. H. Meiner of the Roby church. Rev. Jennings will also participate.

A "get-acquainted" period is set to follow the service prior to lunch, which will be served at 12:30. All former pastors and members, and their friends, have been invited to attend.

Interest in the new building reportedly began during the pastorate of Rev. Bruce Parks, when a Lord's Acre program was initiated. Plans were drawn up during the pastorate of Rev. Fowler,

with construction began and completed during Rev. Meiner's tenure with the church.

Rev. Jennings said that the completed plant was constructed at a cost of \$209,762, including furnishings. Architect was Luther W. Wossum and general contractor Thomas E. Badrow, both of Amarillo. On the Vega building and finance committees were R. D. Hicks, R. A. Armitage, Clayton Cook, Raymond L. Thompson, Roger Morris Jr., H. M. Roark, Mel Stewart, and R. M. Thompson Jr.

The church is complete with a spacious sanctuary that contains a divided chancel, full carpeting and cushioned pews, Rev. Jennings reported. The educational space includes 13 classrooms, a fellowship hall, kitchen, parlor, choir room, pastor's study with outer office, chapel, terrazzo halls, and a carillon unit.

A unique feature of the church is that it has no windows.

Also included in the structure is central heating and refrigerated air conditioning.

The parsonage is located in the southeast part of Vega. It includes approximately 2,200 square feet of living space which includes three bedrooms, a large family room with kitchen, dining area, a fireplace, two-and-a-half baths, utility room, living room, a two-and-a-half car garage, and a patio.

Serving on the parsonage building committee were Hicks, Dan Berger, Cook, Mrs. C. L. Morris, Mrs. Shirley Chesser, Mrs. George Doshier, Mrs. R. L. Cotton, and Mrs. Al E. Jennings.

Modern aerial cameras can pinpoint objects smaller than ones of 100 to 300 miles.

Shopping Rules Given In Talk For H.D. Club

Rules for wardrobe shopping were given by Mrs. Dean Stallings, speaker on the program of Progressive Home Demonstration Club Tuesday afternoon in the home of Mrs. Pete Carmichael. Mrs. Stallings spoke of the relation of accessories to the costume and how to choose accent and basic accessories.

Mrs. T. J. Parsons opened the program with a short talk on Friendship. Mr. Charles Gresham presided for business.

At a recent called meeting, the club elected Mrs. J. D. Gilbert Jr. as its nominee for the title of County H. D. Woman of the Year. After the business meeting, members visited Kings Manor and took dish towels for the kitchen as a gift.

Those present Tuesday included Mmes. H. L. Hershey, Tom Morgan, Taft McGee and Gilbert.

IMMIGRATION CRACKDOWN

PRETORIA, South Africa — The government is cracking down on illegal immigrants of all races who sneak into South Africa by land and sea. Brigadier P. J. Venter, security police chief, said blacks and whites are attracted to South Africa by plentiful jobs.

Some Africans risk mauling by wild animals to reach South Africa by walking through Kruger National Park, which borders on Portuguese Mozambique and Rhodesia said Venter.

There was no estimate of the number of illegal immigrants who, one official said, "slip in across the unprotected borders and even from the sea."

GIBSON'S DISCOUNT PHARMACY
EVERYDAY TENSION? SLEEPLESS NIGHTS?
Are you edgy and always having to be "understood" by even your friends?
Well, when simple nervous tension is bothering you and causing sleepless nights you should either try B.T. TABLETS or see your doctor, or both.
B.T. TABLETS have tested ingredients which will help you overcome simple nervous tension and sleep better at night.
Your druggist has help for you in sets — non-habit forming — B.T. TABLETS, others are enjoying the relief B.T. TABLETS can give, so why wait another day? There's a money back guarantee — so do you have anything to lose? — Yes, tension and sleepless nights. Only \$1.50 at your favorite drug store.

COLD - SINUS Miseries?
Is your head pounding — are you sneezing — are your eyes watering and are you sneezing — sneezing — sneezing?
Have you blown your nose until it is raw?
We're sorry you're suffering and obviously you're not aware of our product SYNACLEAR and this is our fault.
SYNACLEAR is the original timed release tablet that gives up to eight hours of relief from cold symptoms and clogged up sinuses. And that's a guarantee!
We do not have millions to spend on TV to tell you about SYNACLEAR; just this small ad. We do not clutter our advertising and product by offering twelve hours of medication. What is medication without relief? SYNACLEAR is what we offer and it gives you eight hours relief per tablet or your money back in full.
We could go into detail on how our product works and about the fine formula, but we would rather you ask the experts about SYNACLEAR. The druggist at the store listed below or your family doctor can tell you about the merits of our fine formula.
SYNACLEAR costs a little more (\$1.50 & \$2.00 each) because it does more. You're buying relief and not medicine.
Try SYNACLEAR as soon as possible — you know — all have to live as your discomforts.
This little ad has an awfully big job to do — to get you to try SYNACLEAR. So as a bonus, cut me out and send in with an empty SYNACLEAR carton and we'll mail you a check for 50¢ for just trying SYNACLEAR. If you have time to tell us about the results SYNACLEAR gave you, we would be pleased to hear from you.

Glady's Garden

By Gladys Howton Manjeot

CHERRIES

Yesterday while driving to Amarillo, Art and I commented on how beautiful the weather had been in February. In the course of our conversation I made mention of the fact that February was real important to the historical background of our nation, that many of our GREATS had been born in February. Art commented that was true, but he wondered how they would fit into the pattern of our everyday life now with all the changes and advancements which had been made in so many fields. He was of the opinion that they would probably not fit well into the today. However, I felt that perhaps they would soon adapt and maybe be the same men of reknown. I cited the fact that even though George Washington was our first president, a brave military man, and one of deep religious convictions, that he also was a good conservationist. He practiced many phases of conservation on his farm and grounds at Mt. Vernon. One of his ambitions was to make as good a farmer as he'd been a general. One of the books which historians tells us he read, was "A New System of Agriculture or a Speedy Way to Grow Rich." Success was his in farming, as his land rapidly increased from 2,126 acres to 8,000 and as it thrived as a farm it also made marked progress in productivity, and increased in value.

We are not real sure that he had cherry trees on his farm or at Mt. Vernon, but we do know that traditionally he is connected with a story related to the cherry tree. It may just be conjecture, but it may have grown out of this story that the cherry has become such a favorite fruit both for the housewife, and for those who are fond of fresh fruit.

Cherries are one of the best producing fruit trees that can be grown in our area. The first home we owned in Hereford, had a large cherry tree, and it had been there for years. Each year we picked a nice crop of cherries. Since cherries are one of Art's favorite fruits, we used them frequently in our menus.

To the newcomers, those who have acquired new homes and grounds, and to those of you who do not have a cherry tree, I would suggest (with emphasis) that all should have at least two cherry trees. They do good here, in fact they are one of our most dependable fruit bearing trees and they are adaptable in landscape design for shade, color and form. I would also like to recommend the following varieties for planting. They are approved by one of our leading dealers, and by those who have grown them. They are: Montmorency, (probably the best seller), It is rated as a real standby, very productive and excellent for pies. It is so the variety that freezes well. It is listed as a sour cherry.

For the sweet cherries the recommendations are: Kansas Sweet, Black Tartarian, and the old favorite Early Richmond. These have been grown in our area, and are really nice cherries. Another sweet cherry, that is being tested for our area is Van. So far it has been found adaptable to the climate, and the soil. It is hoped its productivity will be high and the flavor pleasing to those who are growing it. One of the first trees planted at our new home was a CHERRY tree... hope many others will do likewise.

During these shut-in days, I have tried some new recipes, and one which we liked very much I wish to share with you, it is for a Cherry Pie.

First make a large pie shell (or purchase one if desired). Assemble the following ingredients and mix as listed.

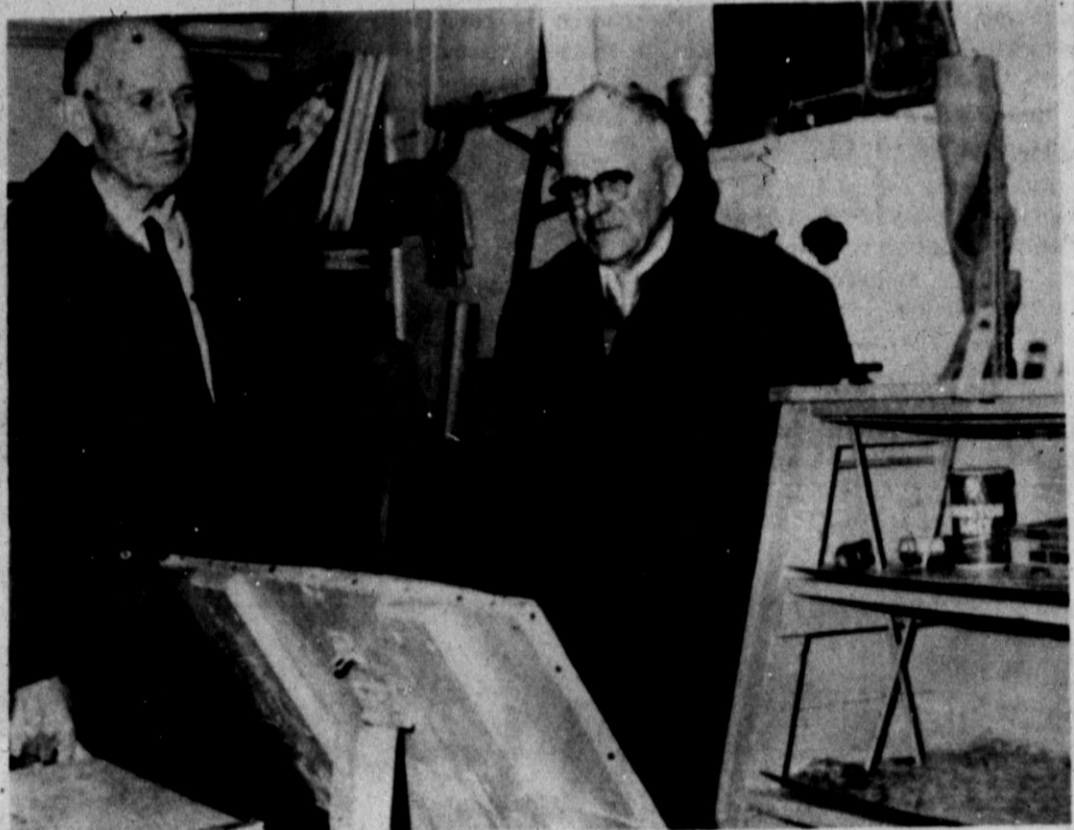

1 cup of Eagle Brand milk, One-third cup of lemon juice, 2 tsp. vanilla, 1 can of well drained Bing Cherries (home canned cherries may be substituted

if so, then cook and sweeten to taste they too should be well drained. Chop the cherries, and pit if not previously pitted. 1 cup chopped pecans, ½ pt. of whipping cream, whipped and folded into the above mixture. Pour into cooked shell and cho 1 before freezing. (Whipped cream substitutes may be used.) This is a pretty dessert and very tasty.

Since we have had mention of farming practices during George Washington's time, I want to share with you this clipping.

HEREFORD ENGLAND. In olden days a man's ability to plow a certain amount of field in a day was a measure of an acre. A math was the area he could mow in a day, and a hide was the land he could plow in a year. How does this compare with the mechanized age??

DO: Plan on the week-end to take the kids for a nature walk. Go on! The TV will be there when you return, and the chores will be finished quicker after having been outside. Being near nature is a good tonic for anyone. You may have to drive a few miles before you start walking. There are lakes near, which have an abundance of ducks and other waterfowl on them. The wheat fields are pretty, especially late evening when the sun is shining on them, and to see a pretty pheasant strutting in the green field is very exciting, also when it becomes frightened and flies showing the lovely colors of its feathers. The cattle grazing on the fields, well satisfied is worth a trip to the country, also the sprinkling systems are interesting, and if the sunlight falls right a lovely sight is created. Nature is really worthwhile and we should all know more about it. Be sure and look for birds, there are some new ones in our area. Create happiness by making others... GLAD

MEMORIES RETURNS — Ezra Norton, left, and Tepe Wyche recall pleasant memories as they look over the chuck box donated to the Deaf Smith County Museum by Wyche. —Staff Photo

Shooting The Bull At HHS

By CONNIE HOOVER

Another sports season has ended in HHS. Scores squeezed all the way at the last game Tuesday against Dunas. A pep rally preceded the game. The Spirit Stick was given to the sophomores while the juniors were awarded with having the most students at the game last week. Congratulations! Here's a toast to these... Coaches, Team, and Student Body!

—HHS—

Juniors will meet March 3 for Senior ring fittings and orders. You must bring a \$10 deposit.

—HHS—

You are invited to listen to KPAN Distributive Education Radio Day, March 5, recognizing Texas Public Schools Week. It is sponsored by KPAN Radio and merchants of Hereford, presented by Distributive Education classes and Hereford Public Schools.

—HHS—

Former President Johnson will speak at the FTA Convention in Austin this week-end. Girls attending this meeting are Judy Yarbro, newly elected president; Sabra Traweck, Cindy Cavness and Janice Newsom, sponsored by Miss Warwick.

—HHS—

High point girls and girl of the month will be announced at the FHA Banquet Saturday night at 7:30. Percy Mays will entertain the girls and their Twirp Dates. Girls — don't forget to pay 50 cents for Area Registration Fee by March 1st.

—HHS—

For Valentines Day FNA took boxes of candy to grade school and jr. high school teachers. Their new sponsor is Mrs. Homer Rudd.

—HHS—

Science Fair projects must be set up at the Bull Barn today before 7 p.m. The judging will be tomorrow and visitors are welcome Saturday morning. Entries must be picked up between 2 and 3 p.m. Saturday.

—HHS—

Tri-Hi-Y girls know one good way to make teachers happy — decorate and put cakes in the teachers' lounge on Valentine's Day. The ten Have will give the program tonight at 7 in the HHS auditorium.

—HHS—

JUNKIE PRIEST? — Father Daniel Egan will be in Amarillo to talk to the young people and adults living in the Panhandle. An exciting day has been planned. Registration begins at 9 a.m. ending at 10. Rev. Gerald Mann and Rev. Fred Howard will give a short dialogue followed by new, modern hymns

sung by the Spiritual Singers and others. Dinner will be catered by Sutfins. At about 12:45 Father Egan will talk to his audience about narcotics. Thereafter will be a question-answer session and discussion closing the eventful day at about 4:30 or 5. Listen to KPUR or KPAN and read the Hereford Brand for further information. Hope to see you there. The Junkie Priest will be at HHS Tuesday during Activity Period for assembly.

—HHS—

Saturday is Washington's birthday.

—HHS—

Girls — Remember Twirp Week!!!

Music For Children Is Club's Subject

New techniques of teaching music to young students, and experiments with an electronic piano in such teaching, were explained to La Plata Study Club members at a meeting in Mrs. Harlan Vander Zee's home Tuesday evening.

Mrs. M. H. Richie, a member who teaches music in elementary schools here, was the speaker. She illustrated her talk with charts and a piano.

In a brief business session with Mrs. Ansel McDowell presiding, a nominating committee with Mrs. Clint Formby as chairman was appointed to present a slate of officers for balloting at the next meeting, March 4. Officers for the 1969-70 season will be chosen then.

Other members present were Mmes. Urlin Streu, Bob Sims, Louis Woodford, Raymond White, Jay Boston, Jack Brown, Merle Campbell, Emil Dettman, Tom Harkey, J. D. Neill, Frank Prowell, Kenneth Rogers and A. J. Schroeter.

Many people in Jerusalem believe that the resurrection of the dead will occur in the Valley of Kidron, a hallowed burial ground for Christians, Jews and Moslems just outside the city's walls.

Music for children is the subject of the meeting. The speaker, Mrs. M. H. Richie, is a member who teaches music in elementary schools here. She illustrated her talk with charts and a piano.

NO SALE

NEW DELHI — The Delhi administration offered attractive terms to lure beggars from the streets — but to no avail.

They were offered free food, free lodging and one rupee (13 cents) a day for expenses. But there was a snag — they had to work on the capital's projects.

The beggars have spurned the offer. They earn more without having to work. The police have orders to round them up.

Concert Is Scheduled For Sunday

Time of the concert to be presented by the Norman Luboff Choir Sunday afternoon for Hereford Community Concert Association members will be 2:30. Mrs. Wayne Thomas, president, announces. The program will be given in Hereford High School auditorium.

Admission will be by CCA membership cards only, but use of the cards is transferable and members who are not able to attend this concert may loan their cards to others in their families, or to friends.

The Norman Luboff Choir, widely known through recordings, broadcasts and concert tours, is the featured attraction on this season's program of the Concert Association. It was booked as a "hold" attraction before the annual membership campaign last fall.

Who else wants a simpler way to clobber crabgrass?

Turf Magic Crabgrass Control
guaranteed 95%-100% effective

Crabgrass control is now much easier and more economical. Turf Magic Crabgrass Control makes it so. Dacthal in an excellent organic base, kills crabgrass seed before they can germinate. Simple! Users everywhere testify to its effectiveness. That's why the guarantee is so generous. Try it yourself and see.

Guest Day Tea Given By LAE

Ten guests shared with La Afflatus Estudio Club members a tea Tuesday afternoon in the home of Mrs. C. E. Beauford, with Mrs. T. S. Roberson as co-hostess. Miss Sharon Watson, student from England who is attending Hereford High School this year, was the speaker.
 Miss Watson, here under the American Field Service program, spoke of the British Isles and especially of her home city, Sale, a suburb of a large industrial city. She showed pictures of the

than, Mrs. Max Stipe, Cheri Rene Mason, Charlie Phipps, Linda Sue Forbus, Palina Garcia, Mrs. Richard Ward, Mrs. James Culpepper, Mrs. Micaela Espinoza, David Wendell Villines, Mrs. Jimmy Wayne Ward, 2-17.
 Angela Michelle Findley, Mrs. Eunice Gilbert Robinson, Frank D. Thompson, William Charles McQueary, Miss Amanda Carol Tackitt, Laurolea Jordan, 2-16.
 Miss Priscilla Pena, Mrs. Joseph P. Crowley, Mrs. Luther Elvis White, Mrs. A. R. Dillard, Mrs. Burley Lee Kent, Mrs. Oscar Carmo Ramos, Mrs. Thomas Graydon Milligan, Mrs. Mauricio Gonzales Alumina, Mrs. Lawrence Joseph Straffuss, 2-15.

town and nearby country, and of her family and home. Questions were answered informally after the prepared talk, to add interest to the program. Mrs. A. B. Higgins introduced the speaker.
 Refreshments were served in a motif suggesting George Washington's birthday. The cake was decorated with the shield emblem and flag of the United States.
 Guests in addition to the speaker were Mmes. W. O. Shelton, Tom Major, Kyle B. Cauble, Albert Lamb, Ray Carlile, J. E. Young, Jeff Roberson, and Baker Womble.
 Club members present included Mmes. Emmett Hale, Sam Morgan, A. H. Cook, B. A. Reddell, Earl Clark, B. F. Markham, S. C. Ramey, W. F. Johnson and W. Durkee.

"Land Of Coronado" Proposal Approved By Chamber Board

A tourist attraction program for "Land of Coronado" was approved by the board of directors at a Wednesday morning meeting of the Deaf Smith County Chamber of Commerce.

Presiding at the 6:30 a. m. meet was Earnest Langley, president.
 The tourist promotional proposal was presented to the Tourist and Convention Committee at a noon luncheon

Hereford VFW Needs Help!

Wheel chairs and hospital beds on loan from the Hereford VFW Post are now needed for additional patients.

Wayne Driskill of the VFW has issued an appeal to local people who no longer have need of these supplies in their homes and can not bring them back personally should call 364-3283. In that manner, he said, they will be picked up.

Veterans of Foreign Wars Post 4818 has had a policy of loaning out such equipment for several years. They are now completely out of stock.

Monday, sponsored by Southwestern Public Service Co.
 The audit, presented by John Messenger and Co., was accepted and approved by the board.

The report on the annual banquet was given by Dr. Hap Cavness, committee chairman, as he presented his recommendations for guidance to board members for next year's committee.

Bill Thompson, Chamber manager, was authorized to hire an additional full time secretary.
 A challenge was accepted by members from Virgil Marsh who pledged to bring in five new members to the Chamber for each one the other members could recruit.
 Twelve directors and three members attended the meeting.

A giant communications satellite proposed by Hughes Aircraft Co. to meet the global communications explosion of the 1970s will carry nearly 6,000 two-way telephone calls or 12 color television programs simultaneously.

The Apollo 8 spacecraft sent back 51,200 bits of information per second, enough to fill a standard encyclopedia in an hour.

TOURISTS CALLED ANSWER!

KIMBERLEY, South Africa — To attract more tourists from overseas, South Africa should shift emphasis "from game reserves and noble savages to sun, sand and sea," says Member of Parliament F. J. C. Cronje.

"South Africa, with the expected decline in gold output over the next two decades, must develop alternative industries to earn foreign exchange," said Cronje, who also is chairman of Netherlands Bank of South Africa.

"The tourist industry has the greatest comparative advantages to do just this."

es, must develop alternative industries to earn foreign exchange," said Cronje, who also is chairman of Netherlands Bank of South Africa.

lands Bank of South Africa. "The tourist industry has the greatest comparative advantages to do just this."

WELCOMED BY BOMBAY, India — President Zakir Husain set a new record for speech making here — by finishing one with two sentences.

"I have already made three speeches and listened to 21 during the past two days," he told a conference.

LaPlata, Stanton Win Trophies

Stanton and La Plata concluded their basketball seasons in fine form here last weekend in the Hereford-hosted basketball tournament with La Plata collecting two first place trophies and one third and Stanton getting one second and one third.

In the ninth grade division of the tournament, Stanton won over Boys Ranch and Muleshoe to get their berth in the finals against the Dimmitt ninth, before losing 48-43. La Plata, who had fallen victim to the Dimmitt crew in their second game, defeated Muleshoe for the third place trophy, 42-35.

La Plata's eighth graders defeated the Boys Ranch

quintet in their opener then stormed past the Muleshoe team in the semi-finals. In the finals against the Dimmitt squad, La Plata clipped them 50-25 to win the first place trophy. Stanton's eighth grade, after clipping Alamo Catholic in their first game fell to the Dimmitt team in the semi-finals then nudged Muleshoe for the third place trophy.

La Plata's seventh grade ran their season record to an impressive 18-3 for the season by downing the Canyon Purple team in their tournament opener then clipped Alamo Catholic in the semi-finals for their final berth. In the final game the Mavs down-

ned the Muleshoe team, 34-28 for their first place trophy. Sportsmanship trophies for each of the three grades were given out with Stanton winning the seventh grade, Boys Ranch the eighth grade and Muleshoe the ninth grade.

Also selected at the tournament were the all-tournament teams. For the ninth grade, those making it were Lee Clodfelter, Muleshoe; Billy Bob Taylor, La Plata; Eddie Gage, Stanton; and Da-

vid Nino and Jay Stanton, both from Dimmitt. Eighth graders making the all-tournament team were Russell Patton, Dimmitt; Terry Champ, La Plata; Charles Ray Young, Muleshoe; Keith Kit-chens, Stanton; and Danny Harris, La Plata.

Selected to the elite group for the seventh grades were Perry Stockard, Muleshoe; Jim Marsh, La Plata; Wil-

liam Schuerger, Alamo Catholic; Gene Coleman, Boys Ranch; and Mickey Ward, Stanton.

BUSY BOSSY
WELLINGTON, New Zealand — A runaway cow caused chaos in the New Zealand city of Hamilton (pop. 65,000) before taking a swim in the private pool of the New Zealand Dairy Company's general manager, Arthur H. Woolven.

It all started when a Jersey-cross cow took off from the city's saleyards. Pursued by two traffic policemen on motorcycles and a local resident with a lasso, the cow galloped two miles through the city. It scattered pedestrians and cyclists, rammed a garage door, inspected the window display of

a milk bar, left hoof marks on a tennis court, and plunged into the pool of the city's top dairyman.

Finally, the snorting cow was tranquilized, hauled from the pool and trucked back to the saleyards.

Australia's Ayers Rock covers 1,200 acres and juts 1,143 feet out of a flat plain in the continent's central desert. A few trees on the summit are the only vegetation.

Jerusalem has suffered as a battleground almost since it was founded 4,000 years ago.

Columbus sailed through the Sargasso Sea and Bermuda Triangle on his discovery voyage to San Salvador (Watling) Island in the Bahamas in 1492.

Break-In At Central School Nets Burglar \$1 And Radio

A report Monday from Ray Todd, principal of Central Elementary School, said a break-in sometime during the weekend netted a burglar \$1 and a transistor radio. Entry was gained through a basement window that had been left unlocked and mud tracks throughout the school

revealed that the thief had ransacked the entire building.

Investigation showed that the mud tracks didn't lead back out and the exit of the burglar was a mystery.

Principal Todd stated that his desk had been searched but nothing was missing.

Tompkins At PGFCS Meet

Jack Tompkins, Farm and Ranch director for KVII-TV in Amarillo, is guest speaker today at the Calsion House during the fourth annual meeting of Plains Gas Farmers Cooperative Society.

Scheduled to begin at 7:30 p.m., Hereford High School entertainer Percy Mays will also appear.

Presiding at the meeting is W. L. Edelman, president of the society. Minutes will be read by secretary B. G. Fish with a report from the treasurer-manager Elmore Rains.

There will be an election of new directors. Other officers of PGFCS are Charles Myers Jr., vice-president; and directors D. L. Carmichael, Travis Stone, and Leroy Johnson.

Valentine Queens Get Crowns At BSP Dance

Queens of Beta Sigma Phi Council and the three chapters of the sorority here, were crowned at the annual Valentine dance Saturday evening when Mrs. J. D. Hamblen was presented as the BSP Council queen.

Mrs. R. J. Cramer was queen of Alpha Alpha, the preceptor chapter; Mrs. J. D. Greeson of the exemplar chapter, Xi Epsilon Alpha, and Mrs. Bob Pugh of the ritual chapter, Kappa Iota.

Each was escorted by her husband as announcement was made by Mrs. John Gilliland and Mrs. Bob Spangler at the beginning of the dance. Honored members walked on a white carpet the length of the ballroom in the Knights of Columbus Hall, and were seated on a bench before a huge frilled heart.

With the queens, who were elected by secret ballot in the respective chapters and the council, runners-up were named to be introduced as princesses.

Mrs. James Cramer was the council princess, Mrs. Carl Hollingsworth the princess from Alpha Alpha, Mrs. Pat Parker from Xi Epsilon Alpha and Mrs. Duke Powell from Kappa Iota.

Mrs. Hamblen, who is serving this year as council president, is a member of the ritual chapter. She was dressed in black for the dance, a dress with a short, full-circle skirt. The Alpha Alpha queen also wore black, a straight-line dress with fluffy ostrich feather border on the left side and sleeve.

Mrs. Greeson was in blue, street length and wide skirt-

ed, while Mrs. Pugh wore a pale yellow brocade with wide sleeves and an oriental look. Mrs. Hollingsworth chose a rose frock with sequins on the white collar, Mrs. Parker a long white dress with gathered skirt and sequined bodice, Mrs. Powell a white shift, floor length, with a gleam of sequins at the wrists, Mrs. Jim Cramer a sapphire dress in street length.

Dancing continued through the evening for sorority members and guests from nearby towns as well as from this county. Charlie Bell's orchestra provided music.

In addition to the Valentine backing for the coronation ceremony, small valentines were set on a border of red ruffles around the door to the ballroom. Guests sat at tables covered with white over which red hearts were scattered, and lighted with rows of red candles.

As they were presented, each queen and princess was given a wrist corsage of yellow roses, the sorority flower.

The Valentine dance is the social highlight of the year for Beta Sigma Phi members. Arrangements are in charge of committees named by the city BSP Council.

Hawaii Subject Of Travel Talk

Souvenirs and pictures brought back from a Hawaiian trip were shown by Mrs. Vickie Holcomb of Dimmitt, guest speaker to Kappa Iota Chapter of Beta Sigma Phi at Community Center Tuesday evening. She was introduced by Mrs. James Alldridge, director of the program on Travel.

Mrs. Holcomb made her visit to the island state with a group of Young Homemakers of Texas. She gave detailed descriptions of some areas and showed pictures on slides.

Announcement was made that Walter Ross, international

Several Go To Wedding Ceremony

Family members and a few close friends from Hereford were among guests at the marriage of Miss Nan Carol Neal and Stephen Coneway, a simple ceremony Friday evening in First Christian Church of Clarendon. The bride is the daughter of Mr. and Mrs. Gayle Neal of that city.

Mr. and Mrs. Coneway will make their home at the Lynette Apartments here after a short trip to New Mexico.

His parents, Mr. and Mrs. R. Paul Coneway, and grandparents, Mr. and Mrs. Ray Coneway, also Dr. and Mrs. Roy Grubbs and sons and Terry Caviness went from Hereford to the wedding.

Mrs. Edwin Goodall, daughter of the Ray Coneways, with Dr. Goodall and daughter, Deborah, attended from Breckenridge; Mrs. William Luedke, sister of Mrs. R. Paul Coneway, and Mr. Luedke were there from LaCrosse, Wisc. The Luedkes left for their home Monday evening after spending the weekend here.

al director of Beta Sigma Phi, will be the speaker here at the annual Founders Day dinner scheduled for April 30.

Members voted on rushees for this spring, choosing Mmes. Gerald Payne, Bill Lyman, Bob Pittman, Edwin Axe and Don Teague. They will be honorees at a Mexican supper Friday evening.

Birthdays Celebrated

Birthdays of two sisters, Mrs. R. L. Ethridge of Hereford and Mrs. Curtis Ward of Levelland, were celebrated at a family dinner Sunday, when Mrs. Clea Passmore, daughter of Mrs. Ethridge, entertained in the Ethridge home, 400 Western.

In addition to the honorees and their husbands, guests were Phil Ward of Levelland, Mr. and Mrs. Howard Hershey of Dimmitt, Mr. and Mrs. Nelson Rutter, Ty and Twila Rutter of Clovis, N. M., Mr. and Mrs. Horace Hershey.

Clark To Tour Scandinavia

Hereford School Superintendent Johnny Clark Jr. has been selected by the American Association of School Administrators for a trip to Norway, Sweden and Denmark for a study of the schools there.

The trip is scheduled for April 20 through May 12 with "a select group of approximately 30 administrators," according to the AASA.

The group will function as a seminar team. Included is an examination of the curriculum, standards of achievement, methods, organizational patterns and administrative techniques of schools in the Scandinavian countries.

Children learned to read and write at age 4 in Egypt 3,000 years ago, the National

which the clothing was purchased. Jerry Pells, shown in the photo handing out the packages, was previously employed by the company before coming to Hereford as a Lay Apostle at Saint Joseph's. —Staff Photo

No Injuries Reported In Two Auto Accidents Here

No injuries were reported by investigating officers in two automobile accidents occurring here Friday and Saturday.

On Friday, a collision at the intersection of W. Park Ave. and Ranger Dr. resulted in \$400 damage to a 1963 Chevrolet driven by Lavrette Cummings and \$150 damage to a 1963 Chevrolet. Driver of the later model car was Mary Seigler.

One vehicle was traveling west on Park Ave. when the

other car, turning off east Ranger, pulled into its path. The impact caused the west-bound vehicle to swerve across

Committee To Meet Saturday

The Deaf Smith County Water Association Conservation Committee will meet at 7 a.m. Saturday in Ward's Restaurant.

The committee will make final plans for work to be done at the Boy Scout Camporee.

Following the breakfast, the committee will adjourn to the camporee site in Veterans Memorial Park, where they will discuss the matter with local Boy Scout representatives.

ross Park Ave., side-swipe a telephone pole, coming to rest in the driveway of a church.

The investigating officer issued a citation for failure to yield right-of-way.

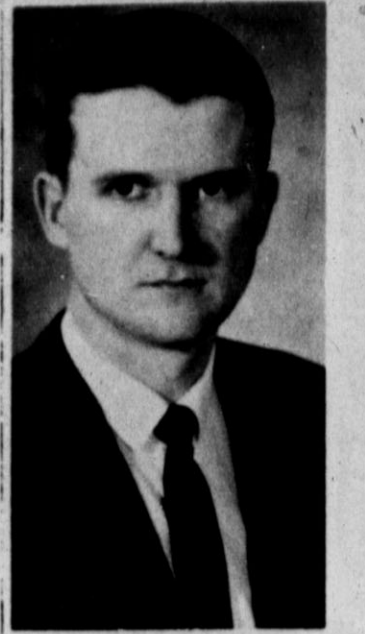

The accident occurring Saturday caused damage of \$35 to one vehicle and \$85 to the other. In collision was a 1967 Pontiac driven by Velta King and a 1967 Toyota driven by Kirk Ward.

One vehicle was traveling south on Ranger when the other car pulled out of a driveway into its path, causing the collision.

Citation issued was for negligent collision by failure to yield right-of-way when entering roadway.

The debris of war furnishes raw materials for Vietnamese craftsmen. Sheet metal salvaged from a downed helicopter may be hammered into kitchen pots and other items.

Jim McDowell Joins Father As Associate

Jim McDowell drug associate

Ansel McDowell, owner and operator of McDowell Drug, announced this week of the association of his son, Jim McDowell, as an active partner in the business.

A member and director of the Rotary Club, McDowell has been active in civic affairs and is a member of the First United Methodist Church of Hereford.

Born in Wellington, he moved here with his parents when he was in Junior High and was graduated from Hereford High School in 1958. He received his bachelor's degree in pharmacy in 1962 from the University of Oklahoma.

He lived in Lubbock in 1963 and returned to Hereford

the next year. Residing at 205 Northwest Drive, McDowell and his wife Nancy, have three children —James, 8; Eleise, 5 and Charles, 4.

Small Talk

By SUE COLEMAN
Women's Editor

As many women's organizations as there are in this county it seems foolish to suggest another, but it appears to me that one more is needed — a garden club for beginning gardeners and newcomers who are not accustomed to the soil and climate of this area.

WE ALREADY have garden clubs, good ones, but their programs and study courses have progressed beyond the point that these beginners and newcomers need. Someone who just moved in from Colorado mountains and wants to know when to set rose bushes, isn't too interested in the fine points of making abstract flower arrangements. She wants a simple, practical answer from someone who has grown roses here.

Maybe an interest group in the Newcomers Club would be the answer, with cooperation of the local garden clubs in supplying speakers-speakers who would give practical information from their own experience rather than from data from books which may have been written from the viewpoint of a gardener in Massachusetts or California.

MY IDEA OF the ideal club would be one open to all interested women, not just newcomers, because there are a lot of women here who are not new in the Panhandle, but who are inexperienced in gardening and who move into new houses with yards that were potato patches only yesterday.

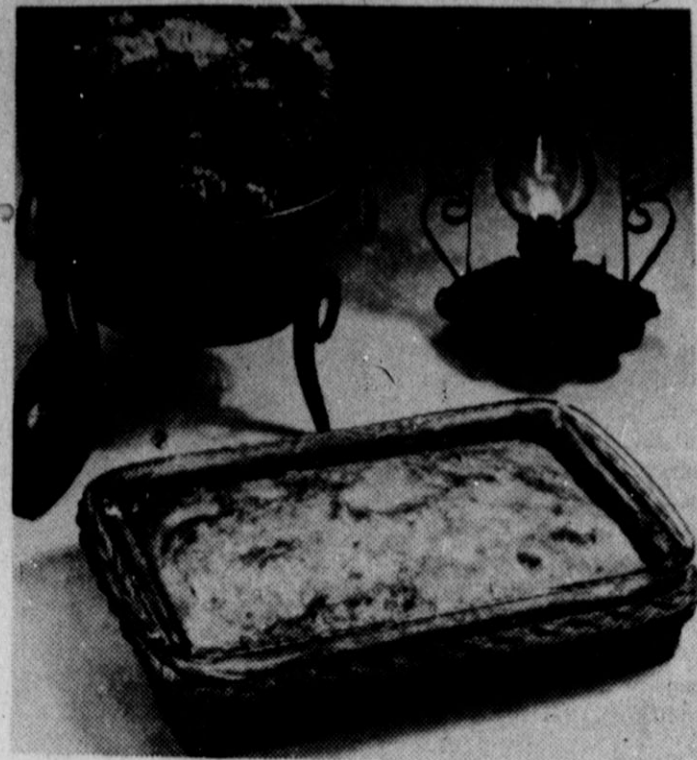

They need help in turning those yards into attractive lawns. Usually they get it from neighbors or friends or the man at the nursery store, but that's the hard way. It surely would be nice to have a club where questions could be answered and experiences swapped on their own level.

HAS ANYBODY lost a little brown puppy with some white spots, which looks like it may be part beagle? If so, he might call the Albert Cherry home, where one has been found. The Cherry children found the pup on East Third Street.

Helen Cherry says that she would like to keep it, only — The Cherrys already have a dog and some cats and parakeets and a small monkey and, of all things, an iguana. It's obvious they like pets, but the place is getting a little crowded with them and there really isn't room for the extra pup, they say.

Besides, the puppy probably has an owner that is looking for it, and they hope they can find him. (It's the owner who is lost now; the puppy is found).

THE NEW STYLES in hairdressing, with lots of

APRICOT ORANGE COBBLER — Luscious fruit flavors underneath a cakelike topping.

Recent Housewarming Honors Couple Here

A lovely new home at 332 Centre Street was the setting Monday evening for a surprise housewarming honoring Mr. and Mrs. Charles Watson.

Hosting the courtesy for the couple included Messrs. and Mesdames Harvey Penner, Walker Paris, Don Lane, Ray Don King, Danny Martin and Mrs. Dennis Johnson.

The prettily appointed serving table was laid with a pale yellow cut-work cloth and centered with a floral arrangement in hues of orange, yellow and green secured in an antique pitcher, belonging to Mrs. Paris. A lovely bronze coffee and tea service which came from Thailand added to the table decor and was used to serve spiced tea, coffee and cookies.

Approximately 35 friends were on hand to gather around a lighted fireplace to present gifts and best wishes to the honorees.

Guests including husbands of members were entertained at a salad supper given by Golden Circle Class of First Baptist Church in the Cecil Morrison home on Valentine Day. Games were played after the supper.

Guests couples were Mr. and Mrs. Joe Railey, Mr. and Mrs. Dickie Bob Mason.

The world's oceans, ice fields, lakes, rivers, soils, rocks and atmosphere hold about 326 million cubic miles of water. Man draws upon less than one per cent of this supply.

LET'S COOK SOMETHING

Cobbler For Family

By CECILY BROWNSTONE
Associated Press Food Editor

Cobblers are just as American as apple pie, and justly popular with families. They're flavorful, hearty and satisfying.

THIS HOMEY dessert always has a layer of fruit, like a deep-dish pie, and a topping that's on the biscuit or cake side.

But even though cobblers have been made for years, every once in a while an enterprising cook makes it with a new fruit combination. That is just what we have for you today. This cobbler boasts canned apricot halves and fresh orange sections for its fruit base, then a cakelike layer for its topping.

APRICOT ORANGE COBBLER
¾ cup sifted flour
1 teaspoon baking powder

Donna Olson Is Sorority Pledge

Miss Donna Olson, freshman student from Hereford at Eastern New Mexico University at Portales, has pledged Zeta Tau Alpha, campus sorority. Miss Olson was recently elected secretary-treasurer of the ENMU freshman class.

She is the daughter of Mr. and Mrs. George Olson of Hereford, and was graduated last spring from Hereford High School.

Linda Carter Is On Honor Roll

Miss Linda Carter, a junior student at Trinity University and daughter of Mrs. Mary Carter, 340 West Third, was listed on the Dean's Honor Roll for the past semester with a grade point average of 4.0 on a 4-point scale.

Miss Carter is a psychology major at the San Antonio school. She is a graduate of Hereford High School.

½ teaspoon salt
1 can (1 pound 14 ounces) apricot halves
¾ cup orange sections (2 oranges)
½ teaspoon grated orange rind
½ cup sugar
2 tablespoons cornstarch
1 egg
¼ cup butter or margarine, melted
One-third cup milk
On wax paper sift together flour, baking powder and salt; set aside.

Drain apricot halves, reserving syrup — about 1½ cups. Place apricot halves and orange sections in bottom of baking dish (8 by 8 by 2 inches); sprinkle with orange rind.

IN MEDIUM saucepan mix ¼ cup of the sugar and the corn starch. Stir in reserved apricot syrup. Cook over medium heat, stirring constantly, until mixture comes to boil and boils 1 minute. Pour cornstarch mixture over fruit. Put in pre-

heated 375 degree oven to heat, about 5 minutes.

Meanwhile beat together egg, 3 tablespoons of the remaining sugar, the butter and the milk. Stir in sifted dry ingredients.

Spread batter smoothly on top of hot fruit. Sprinkle with remaining 1 tablespoon sugar. Bake 30 minutes or until topping is crisp and golden brown. Serve hot or warm. Makes 5 to 6 servings.

Rev. C. N. Rue

Dawn Revival Begins Sunday

Rev. C. N. (Shad) Rue, pastor of Paramount Baptist Church in Amarillo, will begin revival services at the Dawn Baptist Church Sunday, to continue nightly through March 2, according to pastor Rev. Jerry L. Haley.

Singer is Charles Allen, vice president of Friona State Bank and member of the First Baptist Church there.

Weeknight services will begin at 7:30. Rev. Haley said the usual church times will prevail on Sundays.

CLAIM PREJUDICE FOSTERED

JOHANNESBURG, South Africa — South African schools face children with the injunction "Thou shalt be prejudiced," former Transvaal Province Teachers' Association President F. E. Auerbach thinks. Auerbach said in a lecture that history lessons in particular encourage "group pride and animosity against other racial and national groups." Much of the prejudice is not deliberate. Badly selected works such as Shakespeare's "The Merchant of Venice" reinforce race hate, he said.

YOUNGEST BARBER — Joe Hefley, 21, is the youngest of the trio at the Whiteface Barber Shop and is part owner in the business with Leo Hollowell. —Staff Photo

Local Barber Shop Owns Enviably Service Record

The Whiteface Barber Shop has a record which very few businesses in Hereford can boast of having — that of being one of the original businesses which located in Hereford and is still serving the community.

Opened up in 1922 by retired former owner Abe Martin, the shop celebrates its 47th year of operation, having served Hereford with its original owner for 46 of those years.

Martin, along with Charlie Morris, were partners in the operations until 1961 when Leo Hollowell made it a three way partnership by buying into the shop. Hollowell, 30, was born in Borger where he attended school and graduated in 1957. Following graduation, he worked with Southwestern Public Service of Amarillo as a truck driver until 1961 when he quit there and entered Barber's School in Amarillo.

After seven months at the school, Hollowell completed his studies and moved to Hereford where he joined partnership with Martin and Morris. In early 1968, he and Joe Hefley, presently a partner in the business, bought the shop from Martin and Morris.

Hefley, born and reared in Crosbyton, is a graduate of Friona High School. After his graduation, Hefley had planned to move to Dallas to barber, but circumstances caused him to fill-in at the local barber shop on a Saturday

when they were short-handed, and he has been there ever since.

Hefley started at Barber School in Lubbock during the summer before his sophomore year in high school and attended during the holidays during the school months. It was not until his senior year in Friona High that he had accumulated his 1200 hours which were required to become a licensed barber.

The newest and most traveled, but the oldest veteran of the business at the shop at this time is Joe Railey. Railey moved to Hereford about two months ago from Railes where he worked in a barber shop for about six years.

Born in Levelland, Railey attended school there, then went to work in the surrounding oil fields. From 1945 to 1957, Railey was employed in the oil fields, and in his last year, 1958, with the Santa Fe Drilling Company, he was

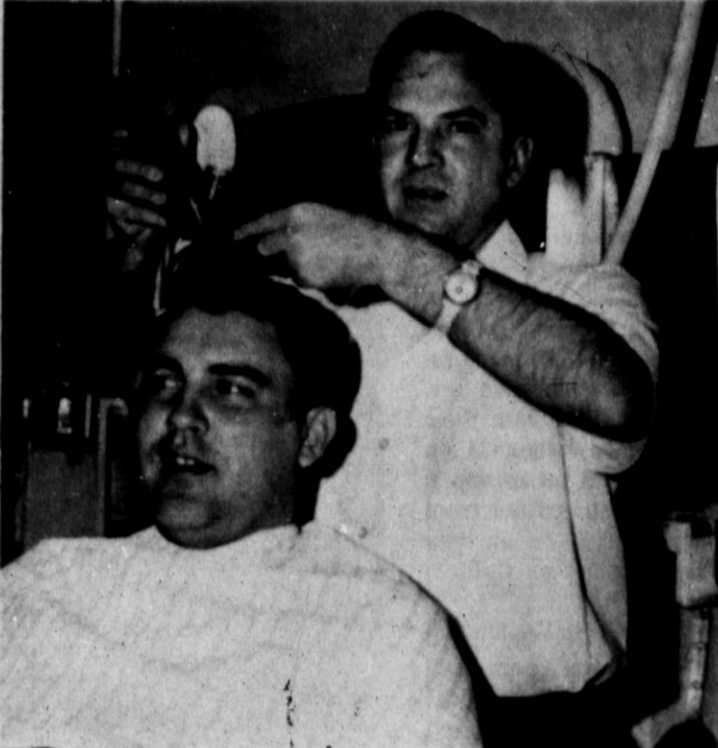

transferred to Venezuela, South America.

Upon his return to the United States, Railey picked up the barbering trade after attending barbering school in Lubbock for seven months.

Also an employee of the Whiteface Barber Shop is Wayne Moton, shoe shine boy. He is an eighth grader at Stanton Junior High School and works every day after school Tuesday through Friday and all day Saturday. He has been working at the barber shop for about three years.

Business at the shop runs anywhere from hair styling to regular haircuts and they don't "specialize in any one things but do them all." Plans for the future call for the business becoming a three-way partnership with Railey becoming the third partner.

Hollowell also said that See RECORD Page 5

VETERAN AT SHOP — Leo Hollowell, shown doing a little trimming on a customer's hair, has been at the Whiteface Barber Shop longer than any of the other present employes. He has been there since 1961 when he bought into the business. —Staff Photo

6 Local Youths To Attend Show

Six Hereford FFA members will be among the large number exhibiting steers at the Houston Livestock Show and Rodeo, Feb. 19, through March 2.

Competing will be Pat Betzen, Leroy Johnson, Jimmy Mize, Tommy Bezner, James Simpson and Steve Olson.

Steer exhibitors at this year's show will be competing for \$5,000 in premiums and will be the guests of Armour and Company at a banquet on Wednesday, Feb. 26th. At the banquet, special awards will be presented with those including a \$1,000 First Prize by Burton Brothers Packing Company; \$5,000 Second Prize by Port City Packing Industry; and \$250 Third Prize by Port City Stockyards Company.

The purpose of the Junior Commercial Steer Show, in which the youths will be competing, is to encourage more 4-H Club members and Future Farmers to participate in a practical beef production program. Emphasis on economy in the feeding operation is not only recommended, but is a prerequisite for entry in this show.

It is a requirement of the show that each exhibitor in the Commercial Steer Show submit a narrative report on the program followed, care of his steers, and the cost.

Computer Firm Buys Office

Agricultural Computing Company, of which the local office is a branch, has announced the purchasing of the Estate Life Building at Republic and Maverick Streets in Southwest Amarillo as corporate and operating headquarters for the company.

Having begun operations six months ago to provide computer service for management information systems to agribusiness firms and farm accountants, ACC required Computer Data Processing, Inc. in Hereford and have since continually expanded.

Announcement of the purchase of the building for the company's headquarters, was See FIRM Page 5

Report Released By Holly Sugar

COLORADO SPRINGS, Feb. 17 — Increased sales and earnings and its diversification into the fast growing specialty and gourmet foods industry highlighted Holly Sugar Corporation's nine months report to stockholders released today.

Sales for the period advanced to \$80.6 million while earnings before extraordinary items increased to \$2,758,180 or \$1.73 a share on the average number of shares outstanding, according to company president John B. Bunker.

This compares with revenues of \$74.3 million and earnings before extraordinary items of \$2,722,101 or \$1.71 per share in the corresponding period last year.

On a per share basis, net income after extraordinary items was \$1.65 for the nine months ended Dec. 31, 1968, as compared to \$1.38 for the corresponding period last year, Bunker told stockholders.

The company's advances in operating earnings were achieved despite adverse conditions, Bunker said.

"Imposition of the federal income tax surcharge penalized earnings per share by 13 cents," he explained.

He also said that unit selling price of sugar during the last three months of 1968 declined rapidly due to heavy marketings by the sugar industry.

Bunker also told stockholders that sugar production

from the 1968 crop will be approximately 7 per cent more than last year and that capital expenditures for fiscal 1969 and 1970 will be approximately \$15 million.

Stockholders were informed of Holly's acquisition of Juillard Fancy Foods Co. and Alroy Packing Co., San Francisco, and World Foods, Inc., of Salt Lake City, for \$1,900,000 cash from Schenley Industries, Inc.

Holly World Foods, Inc., a wholly-owned subsidiary of See REPORT Page 5

REC Plans Contest

Expense paid trips to the nation's capital city will be awarded winners of the annual oratorical contest sponsored by the Deaf Smith County Electric Cooperative, it was announced.

The contest is open to any boy or girl at least 16 years of age but not 18 years of age prior to September 1, 1969. Winners will join winners of similar contests sponsored by other electric cooperatives

at the Texas Electric Cooperative Government-In-Action Youth Tour-to-Washington, D. C. All expenses of the 12-day trip, beginning June 5, will be paid for two young people from this area by Deaf Smith County Electric.

Each entrant will be required to give a five to eight minute talk about rural electric cooperatives and answer one or more questions by the judges.

The oratorical contest will be judged on the basis of knowledge of subject, 40 percent; speaking ability, 30 percent; poise, 10 percent; personality, 10 percent; and appearance, 10 percent.

Interested young people may obtain an official entry blank from their school or the offices of Deaf Smith

1969 Programs Get Advances

Producers signing up February 3 through March 21 to participate in the 1969 feed grain and wheat programs (as well as certain small cotton farms) can request advance payments of up to 5 percent for voluntary extra-creation diversion, it was announced by Secretary of Agriculture, Clifford M. Hardin. This is the maximum advance that can be made on the diversion payments.

Earlier, in a statement issued by the President at the White House, the Secretary was instructed to make available a 50 percent advance payment to participants in the 1969 feed grain program. The presidential statement pointed out that a budget request to the Congress on January 15, 1969, had this advance reduced to 25 percent. Because of the short time between the January 15 budget presentation and the sign-up starting February 3, the President indicated the Government has a moral obligation to continue the rate without abrupt change.

For cotton, there is no acreage diversion program in 1969. However, planting cotton is not an eligibility requirement to receive a special payment for small farms with allotments of 10 acres or less (or projected production of 3600 pounds or less). These can request up to 50 percent advance payment based on a total of 11.26 cents per pound on the projected yield of 35 percent of their effective allotment.

Projected on previous years' sign-ups and current payment rates, disbursement of advance payments to feed grain, wheat and cotton program participants are expected to reach \$386 million by the close of the sign-up period on March 21. Otherwise, the advance payments would have been \$168 million less.

Feed grain and wheat producers may receive, upon request, up to 50 percent of the estimated diversion payment for their farm. This is for acreage which producers voluntarily retire from production beyond that required to qualify as a participant.

For cotton, there is no acreage diversion program in 1969. However, planting cotton is not an eligibility requirement to receive a special payment for small farms with allotments of 10 acres or less (or projected production of 3600 pounds or less). These can request up to 50 percent advance payment based on a total of 11.26 cents per pound on the projected yield of 35 percent of their effective allotment.

Clubs Asked To Use School Talks

Public Schools Week in Texas has been proclaimed by Gov. Preston Smith as March 3-7. Hereford schools assistant superintendent Robert Holman stated that "in keeping with this proclamation, the Hereford Public Schools extend an open invitation to all parents and interested citizens of the community to visit the public schools during that week."

Principals of some of the Hereford schools have already announced special programs and others are to be announced later, it was reported.

"The administration of the Hereford Schools sincerely believes that in order to increase public understanding and appreciation, there should be an open-door policy on a year-round basis for visitation and participation of all community membership in the activities of the public schools. But on this particular week, a special invitation is extended to the community to take a special interest in the local school system."

Holman emphasized, "The Hereford public schools would ask that program chairmen of the various civic and service organizations be aware that programs and speakers are available. We feel that these people can best demonstrate to the public the status of public education. Please feel free to call the administrative offices to schedule special programs during this week." Telephone number is 364-0000.

"We have speakers available who can provide a program on subjects such as recent trends in education; curriculum changes, the present and future; financing the public schools; pending legislation relative to school programs; special subject areas such as reading, linguistics, social studies, science, and how children learn."

Record...

(Continued from page 4)

sometime in the future, though indefinite at the present time, they will be looking for a local boy who is interested in becoming a barber to employ at their shop. He said that help would be given if he needed it in going to the barber school, and when he finished at the school, he would be placed in the fourth chair at the shop.

Modernization and remodeling of the shop has been a constant thing at the Whiteface Barber Shop, as the barbers plan even further improvements in the future. Modern equipment has been installed to further improve the conditions of the barbering profession at the shop.

He continued, "We have programs that would be of special interest to parents of pre-school children relating to what parents can do to give children a background of experiences that will aid in the child's success in academic training."

Holman also included special musical programs, student programs from groups of children from the elementary schools, or special subject areas such as speech and drama.

"These programs will be available," he said, "not only during Public Schools Week in Texas but throughout the year."

DE STUDENT OF THE WEEK — Elaine Parker, daughter of Mr. and Mrs. Hubert Parker of 605 Ave. K, has been selected as this week's DE student of the week. Miss Parker, 17-year-old senior at Hereford High School, is employed at Harold Close Walgreen Drug under the Distributive Education program. After graduation she plans to continue her education in the field of nursing. Pictured with Miss Parker is John Tomasi, pharmacist at the store. —Staff Photo

made by Bill Nelson, chairman of the board of ACC. Along with the purchase of the building, an additional 12 acres were acquired for future expansion and development of a regional office center for agricultural organizations and businesses engaged in serving the developing sophisticated irrigation, grain cattle, seed, farm product

processing and commercial feed lot industries which are centering in the High Plains area.

Agricultural Computing Company presently has a staff of 16 people with planned expansion to 30 within the year. The new facility will house the executive offices, systems and computer people, sales, research division and computer hardware.

NO MALICE

No American who ever lived had a greater grasp of the true meaning of Freedom than Abe Lincoln, the kindly and rugged-featured man who described this nation as having been "conceived in liberty, and dedicated to the proposition that all men are created equal."

But Abraham Lincoln knew that Liberty could not be won and maintained by men alone. He acknowledged Divine power. The Great Emancipator made that clear in all his classic utterances. The closing lines of the Gettysburg Address is our best example: "... that this nation, under God, shall have a new birth of freedom ... and that government of the people, by the people, for the people, shall not perish from the earth." ... that is Americanism

Car Inspection Deadline Nears
 "With the April 15 deadline for obtaining inspection stickers drawing near, only 33 per cent of the registered vehicles in Deaf Smith County have been inspected," stated Captain Alan Johnson, Motor Vehicle Inspection Supervisor of the Texas Department of Public Safety.
 "Unless there is a rapid increase of inspections, long waiting lines will be forming at inspection stations as the April 15 deadline approaches. The authorized inspection stations are ready and capable of handling the in-

pection of Texas registered vehicles if owners will not wait until a few days before the deadline," Johnson added.
 "Any driver operating a vehicle on public roads after April 15 that is required to be inspected will be operating in violation of the law," Johnson said.
 Captain Johnson called attention to the fact that since the beginning of the inspection program in 1961, vehicles having a defect that was a causative factor in fatal accidents decreased from 13

percent to 3 percent. Johnson said, "The purpose of the Motor Vehicle Inspection Program is to discover any maladjustment which might become a link in a cycle of events leading to an accident and, by removing the link, prevent the accident."
 He studied at the Art Students League with such artists as Anthony Toney, Frank Riley, Robert Brackman, and the Western artist Albert T. Reid. His Fine Arts degree was received from the Catan-Rose Institute of New York. Currently, his work is represented in Reynolds' Gallery, Taos, N. M.; Greenwich Galley, New York City; Gallery 12, Livingston, N. J.; and Talisman Galley, Bartlesville, Okla.

Art Exhibit At Friona
 Ben Konis, formerly of New York City, is set to have an exhibition of his recent artwork from 9 a. m. to 5 p. m. at the Friona State Bank in Friona.
 Konis works in all art media and is scheduled to show pen and ink sketches, water-colors, pastels and oil paintings.
 He has painted in Europe and the New England states. However, he is now living at Amarillo where he plans to paint the Southwest scene. He also has plans to conduct art classes in this area.

Cub Pack 151 Set Meeting
 Cub Pack 151 is meeting tonight at First Christian Church Fellowship Hall.
 Sponsored by First Christian Church, new leaders of the pack will be introduced at the 7 p. m. meeting, awards will be presented, with re-registration of members and registration of new members.
 Pack 151 has invited all boys in the 8, 9 and 10 age bracket who are interested in becoming a Cub Scout to attend the meeting with their parents.

New Officers Elected For Newcomers Club

Officers were elected for a new term in the Newcomers Club, at a tea Saturday afternoon in the home of Mrs. Bill Barkley, who has served as president since the group was organized last fall. Mrs. Terry Bloxon will be president for the next six-month term. Chosen to serve with her were Mrs. Fred Schmidt and Mrs. Earl Lewis, vice pres-

idents, Mrs. Tom Buchanan, secretary, and Mrs. Neil McCaslin, correspondent. Mrs. Archie Scott, Welcome Wagon hostess here, is sponsor of the group. She too is in a new position, having become hostess with the recent resignation of Mrs. Ray Polvadore, after serving for a time as assistant hostess.

Officer Slate For Council

Officers for the current year have been elected by members of the Deaf Smith County Council on Alcoholism.

Rev. Fred Howard, vicar of St. Thomas Episcopal Church, was elected chairman. He succeeds Gene Fooks who became vice chairman. Mrs. Hazel Rayburn will continue as secretary-treasurer, with Mrs. R. L. Ethridge and Francis Hardwick serving as directors.

Plans are now under way for Information Week, when film strips on the subject of alcohol will be shown throughout the city.

Two Debators Place At Meet

Two members of the Hereford High School Forensic team which traveled to Kermit last weekend to compete, were rewarded well for their efforts as they took places in the meet.

Judy Hollingsworth placed third in girl's poetry and Arvis Southward reached the semi-finals in boy's poetry. Mal Manchee, debate instructor at the high school, took nine members of the Forensic team to Kermit, entering them in boys and girl's debate, girl's persuasive speaking and girl's prose reading. Some 25 schools from throughout the state were represented at the tournament which was held Friday and Saturday.

The next tournament for the local debators will be Feb. 28 and March 1 when they go to a meet at Texas Tech. The final meet will be March 7 and 8 at Hardin-Simmons University, in Abilene.

Rounding out the year will be the district meet in Canyon on March 29.

OFFICERS CHANGED — New officers for Newcomers Club were elected at a tea Saturday afternoon. Mrs. Terry Bloxon, center in top photo, was named president for next term with Mrs. Earl Lewis, left, and Mrs. Fred Schmidt as vice presidents. Mrs. Neil McCaslin, from left in center photo, and Mrs. Tom Buch-

anan are correspondents and secretary, respectively. Mrs. Archie Scott, seated right, is the Welcome Wagon hostess who sponsors the club. Members who attended for the first time, from left in lower photo, are Mrs. David LaFleur, Mrs. Mike Patrick and Mrs. Tom Graver.

Castro Drops Accident Case

Charges were dismissed against Wiley William Thomas Jr., 25, in Castro County Court this week in an accident which involved two pickup trucks on Aug. 23 southwest of Hereford on the old Prisoner of War Road. Killed in the accident was Sanford Earl Cox, 59, of Route 4, Hereford.

Thomas had been charged with negligent homicide, second degree. It was dismissed on motion of County Attorney, the Castro County Clerk reported.

The accident occurred 5.8 miles from Hereford in Castro County.

Thomas was employed at Hereford Flying and Agricultural Service at the time of the accident. He now lives in Lubbock.

Father Egan Appears Here

Father Daniel Egan of Graymoor Friars will speak at 8 p. m. Sunday in St. Anthony's School auditorium. The public has been invited to attend.

Father Egan is known for his book, "Junky Priest." He has worked with drug addicts in Greenwich Village and with Congressional committees on narcotic problems.

ranged with red hearts, was set on the mantel.

In formal conversation and discussion of possible programs for the club occupied an hour. The March meeting will be at a luncheon in the Caison House.

Mrs. Barkeley was assisted as hostess by her husband's mother, Mrs. Freeman Barkley of Spearman, who was her house guest.

CONCERTS SLATED — Bill Jones, nephew of Mrs. C. J. Moutz and son of Mrs. G. R. Jones of Detroit, formerly of Hereford, has been invited to present six organ concerts in Leksand, Sweden, at a music festival beginning June 15. He is pictured at the organ of Redford Presbyterian Church, Detroit, where he has been organist five years. He teaches music in the Detroit Public Schools and has spent several summers in European travel. He and his mother, the former Helen

Calendar

The Community Calendar, which includes major events which will be of interest to Hereford and residents of the immediate area, will run in each issue of the Brand. The calendar will include events for the coming six months, and all individuals and organizations are urged to write or mail their event for inclusion.

Washington Report
BOB PRICE 10TH DISTRICT, TEXAS
 1232 LONGWORTH OFFICE BUILDING, WASHINGTON, D. C. • 275-2702

Three bills I introduced early in this session of Congress are strongly supported by other members. One of them would affect the mandatory basis of the 1970 census. The other two authored by Rep. William V. Roth, a Delaware Republican, are the Program Information Act and the Executive Reorganization and Management Improvement Act.

The census bill would eliminate the jail sentence from all questions and would limit the criminal penalty to refusal to answer any one of six compulsory questions on the forthcoming decennial census form. The bill retains the \$500 fine for willfully giving a false answer to the six mandatory questions. The bill would not eliminate any question the Director of the Bureau of the Census decided to include but would require, by penalty of a \$100 fine, answers to only six basic questions: (1) name and address; (2) relationship to head of household; (3) sex; (4) date of birth; (5) marital status; and, (6) visitors in home at the time of census. Failure to respond to these six mandatory questions would carry the criminal penalty but all other questions on some 67 subjects now proposed would be on a voluntary basis with no penalties involved. Some of the questions would be of a very personal nature and would certainly be an invasion of personal privacy if required by law. Privacy would not be invaded under voluntary procedures. People would be asked rather than told they must comply with the census questionnaire.

When the subcommittee is organized, the Census and Statistics Subcommittee of the House Post Office and Civil Service Committee will probably schedule hearings on the 94 such bills that have been introduced.

Of the other two bills, the Program Information Act, would require the Executive Branch of the Federal Government to provide Congress with an annual comprehensive compilation of all Federal programs. Last year Congressman Roth conducted a massive, 8-month research effort to find out just how many Federal assistance programs there are, and how they are administered. His study revealed that no one,

Wildcats End Cage Seasons

The Walcott Wildcats wound up their basketball season last weekend with the district tournament where the boys took home a second place trophy and the girls, sitting from injured and absent players, lost in the tournament opener.

Playing without the services of one forward who had a broken finger and two guards one of which had been in bed with the flu and the other with an injured ankle, the Wildcat girls lost to the Bovina quintet, in a heart-breaking game, 30-28.

The boys, on the other hand, opened tournament play Thursday morning with a win over the Bovina boys, 38-33, then took Vega Saturday morning to the tune of 26-24. In the finals against the Springlake team, they were dropped 38-32.

Coach Ed Easley stated that he was real proud of the efforts shown by the two teams, and added that now the boys and girls will begin working out for track and volleyball.

Hasbrouck House, George Washington's headquarters at Newburgh, N.Y., (1782-83), was acquired in 1850, becoming the first property in New York's present system of historic sites.

COLDS
 take 666

anywhere, knows exactly how many Federal programs there are, and further, that there is serious duplication and overlapping in many programs. For example, there are more than 470 programs in the area of education, o-

perated by 23 different departments and agencies. Enactment of the Program Information Act would set the foundation for implementation of the second bill, the Executive Reorganization and Management Improve-

ment Act. This legislation would create a modern Hoover-type commission to not only review the organization, operation and management of the Federal Government, but also examine the relationships of the partners in the Federal system — our local city, state, and Federal Governments. It has been 14 years since the second Hoover Commission made its final report. During that time the nation has undergone some of the most rapid and profound changes in our history. The

number of Federal programs has risen dramatically, civilian personnel rolls have grown by over half a million, the Federal budget has doubled, and domestic spending has increased by 170 percent. A new Administration has just taken office in Washington, D. C., and I feel there is not a better time to check out our Federal machinery and look for new and more creative ways of running it.

Pancake Meal Set For Friday
 The annual Hereford Lions Club Pancake Supper will be held Friday at the Hereford High School Cafeteria, according to Ray Moore, president of the Hereford Lions Club. Serving will begin at 5 p. m. Friday and will end around 8 p. m. Cost for the supper will be \$1 per person with pre-school children admitted free. Proceeds from the supper will go to aid the Hereford High School band.

Robert Louis Stevenson to aid the Hereford High School band. Robert Louis Stevenson spent his honeymoon in Napa Valley, Calif., in 1880.

Pioneer Resident Pays Visit Here

Tepe Wyche, an old-timer in this part of the county, but now a resident of Deming, N.M., paid a visit to the Deaf Smith County Museum Monday afternoon. Wyche, who is now a retired "cow-puncher", had lived in Wyche community which was named after his father, then the tax assessor here. He moved from this area in the spring of 1917.

Wyche went to the museum Monday to contribute to its collection of articles. He donated a saddle, tarps, spurs, pot rack, dutch ovens, chuck box and various other articles he used throughout the years in his business. At the museum with Wyche were Ezra Norton, Harry Lomas and Pat Wederbrook. The men spent the afternoon reminiscing about the past in this area.

Tourist Program Is Presented To Chamber Group

"Land of Coronado" was the program presented Monday at a meeting of the Tourist and Convention Committee and Board of Directors of the Deaf Smith County Chamber of Commerce held at the Caisson House.

Sponsored by the Southwestern Public Service Co., the interesting and informative film presented to the Chamber group was entitled "The Eyes of Tourists Are Upon Us."

Presenting the tourist promotional program were Larry Milner, industrial development manager and Douglas Galassini, community development manager for SWPSC of Amarillo.

Mr. Milner pointed out how the coordinated program to attract tourists to Hereford by billboards and distribution of posters and tent cards would stimulate the economy of the area. Surrounding communities participating in the promotional program last year included Canyon, Amarillo, Stratford, Claude and Pampa.

what it was when he left, he said that he sees a "wonderful change". Norton told Wyche that the Holly Sugar Plant is located on the old Norton homestead. In reply to that he said, "That is a dandy location for it."

Wyche stated that he tried to get his twin sister, who lives in Terrell, Tex., to come to Hereford with him, but she felt that the trip was too long. He said that he had had a wonderful time in Hereford.

MISSIONARIES LAUDED CALCUTTA, India - West Bengal governor Dharma Vira said the pioneering activities of Christian missionaries contributed greatly to the Indian renaissance of the 19th century.

He was speaking at the 150th anniversary of the Serampore College, founded by Christian missionaries in 1818. Serampore was the first college in India to confer degrees and now is the only college that confers degrees in theology.

RIO DE JANEIRO - Officials are trying to make classical music become popular in Brazil.

To stimulate classical music composition in Brazil the State Education Secretary has organized the Musical Festival of Guanabara, which will be held in Rio during the month of May.

The compositions will be presented at the Municipal Theater and the Cecilia Meireles Recital Hall as well as Maracanazinho covered stadium where International Popular Music Festivals are held. The choice of Maracanazinho was made in order to give the public a chance to hear classical music at an accessible price.

A vessel may acquire two or three inches of barnacles within six to eight months after sliding into the water.

Napa Valley, north of San Francisco, produces some of the best wine grapes in the United States.

New York ranks 30th among the states in total land area and 26th in forest land area.

HB 300 Named By Clayton

Rep. Bill Clayton of the 72nd District has given the number of the bill which proposes that school districts consolidate on a compulsory basis and the names and addresses of the representatives on the Public Education Committee, to whom the bill has been referred.

Rep. Clayton has already gone on record as opposing this bill, which is now listed as HB 300, authored by Rep. DeWitt Hale of Corpus Christi.

Passage of HB 300 would bring all the schools in Deaf

Smith County into one district. It would eliminate the Walcott County School District entirely.

Members of the Public Education Committee are Representatives George T. Hinson, chairman; Russell Cummings, vice-chairman; Bob Armstrong, Joe Golman, A.C. Atwood, Jack Hawkins, Bill Bass, Zan Holmes Jr., Rex Braun, Dan Kubiak, Steve Burgess, Raul Muniz, Tom Christian, Burke Musgrove, James Clark Jr., Robert Burnett, Henry Sanchez, Carlos Traun, Harold Davis, Billy Williamson, and Guy Floyd.

Clayton said these members can be written in care of House of Representatives, Capitol Station, Austin, Texas 78711.

Election Set For 4 County Board Members

Deaf Smith County School District Board with three positions to be vacated and Walcott County School Board with one position have set their election date for April 5.

At this time, no candidates have filed for these positions. Deadline for filing is Tuesday, March 4.

In these places now are Robert Strain, precinct one; Grant Hanna, precinct 2; and L. J. Straffuss, precinct 4, on the Deaf Smith County board. Jim Monroe's current term

will expire on the Walcott School board. Note as yet have announced plans for reelection.

Under the law, absentee balloting will begin March 16 and end April 1.
